"Show Boat" Ticket Sales Soar As Box Office Opens

Box office doors opened Thursday afternoon for advance ticket sales to the Colorado City Playhouse production of "Show Boat."

Tickets for opening night are reported to be "going fast." "I have already sold over half the house for opening night and several other evening's performances are partially filled," Donna McKinnon, who is in charge of advance sales, reported.

A special treat is in store for "First Nighters." Along with the regular soft drinks and coffee offered at intermission in the "Red Dog Saloon," will be a "First Nighters" treat in the form of special hors-d'oeuvres, cheese and crackers, chips and dips, punch, and if the evening is cool, hot chocolate, for a small donation.

Curtain time is set for 8 p.m. and tickets are selling for \$3.50 each.

Reservations may be made by calling 915-728-3491 from 1 to 5 p.m. Monday and Tuesday and 1 to 8 p.m. Wednesday through Saturday.

Presentation dates are February 27 through March 1 and March 5 through March 8.

Tickets will be sold at the door on a seats available basis, however, advance reservations are suggested due to limited seating.

Many long hours of preparation have gone into the production of "Show Boat."

Director Coleen Palmer is working with a cast of 61 characters in this tale of life on a riverboat in the Old South.

Many new faces will appear on stage along with several well known thespians including Tandy Curlee, who plays the leading role of Cap'n Andy, owner of the "Cotton Blossom" show boat.

In a manner reminiscent of his outstanding performance in "Oklahoma," Curlee belts out songs, flirts with the ladies and flees from his nagging wife, Parthy, convincingly portrayed by Frances De-regibus.

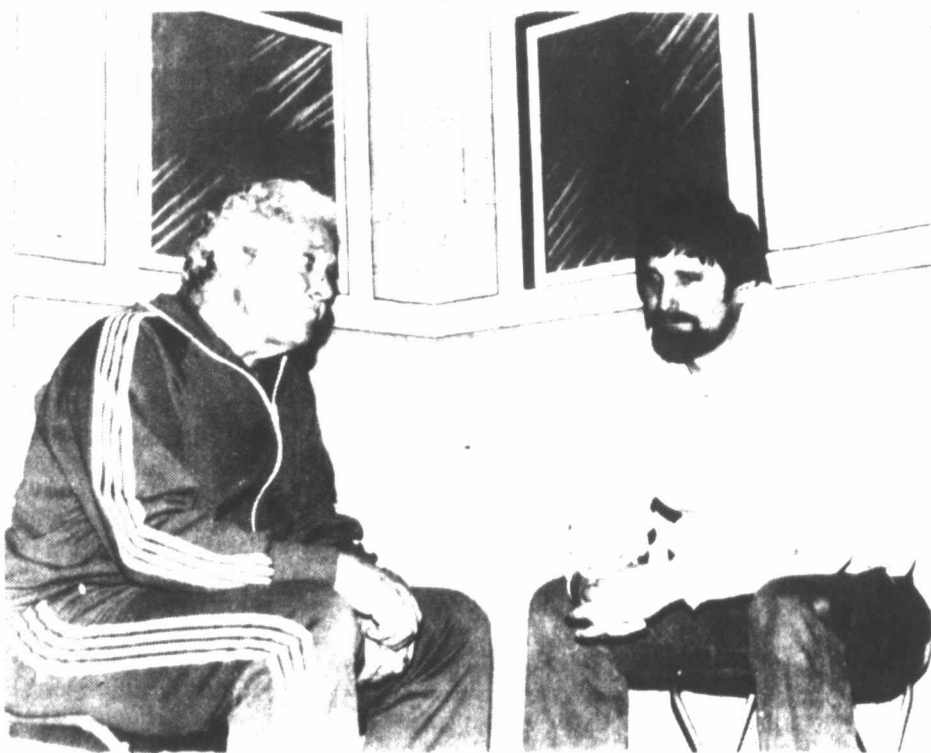

Parthy's problem seems to be that she believes she married beneath herself. She objects to her husband's profession of running this "pleasure boat" and finds entertainers quite "trashy."

The Cap'n and his wife have a lovely young

daughter, Magnolia, who is just beginning to blossom into womanhood and herein lies the crux of the problem.

Young Magnolia wants to become an actress. She idolizes the star of the riverboat's show, a beautiful woman named Julie.

Throw in a handsome young riverboat gambler, who woos, weds and leaves for greener pastures; a jealous, spurned, would-be lover for Julie; beautiful words and music by Jerome Kern and Oscar Hammerstein; a touch of tragedy, a lot of comedy and you have one of the most pleasing productions to ever grace the stage of this playhouse.

CAP'N ANDY (Tandy Curlee, left) schemes against his wife, Parthy, in an effort to conceal his daughter's approaching marriage to Gaylord Ravenal (Monte Jones) in this scene from the upcoming production of "Show Boat" to be presented by the Colorado City Playhouse February 27 through March 1 and March 5 through March 8. Advance tickets are on sale now at the box office.

Police Chief McWhorter Tenders His Resignation

Budgetary problems were set aside momentarily Friday morning in a special City Council budget workshop to hear Police Chief Fred

McWhorter's letter of resignation.

Councilmembers listened silently as McWhorter read from a letter stating his intentions

to resign his post effective March 31 in order to return to school at Texas Tech to obtain a Masters Degree.

"I take this opportunity to thank the citizens of Colorado City for their friendship, guidance and understanding these past three and one-half years," he stated.

"I thank the members of the City Council, past and present, for their support of my efforts to offer a Police Department this city could be proud of. The experience and knowledge I have gained while here could not have been better," he said.

He went on to express special gratitude to City Manager Ray

Mason and the members of the department for their "loyalty to me and my cause."

"They may take pride in their fierce dedication to duty and may God always guide them, protect them and remind them their badge is a symbol of public faith and trust and should always stand for equal justice for all and not just for special interest groups," he concluded.

Upon completion of his statement, Mayor Marion Bassham stated, "I speak for the whole council when I

Only two weeks remain until the opening of the Second Annual Colorado City Optimist Club Summer Fun Show at the Mitchell County Fair Grounds.

The event is slated to open at 10 a.m. March 8 and will run through March 9.

Among the many goods on display will be motorboats, sailboats, hunting, diving and camping equipment, fishing and skiing gear and sportswear displays as well as other recreational vehicles.

These goods will be on display for people to see, inspect and purchase. Last year more than \$100,000 of equipment was bought as a result of these displays.

Although the displays are the main part of the show, they are by no means all of it.

There will also be going on at the same time, a motorcycle rodeo, a mini-fly-in, an archery contest, a black powder demonstration and an old time fiddlers' contest.

There will be some 72 trophies given away in

the motorcycle rodeo in events such as barrel racing, balance beam, wheelies and flat track racing.

My World

By GARRY PEEBLES

I suppose one of the main topics in the news right now is the Winter Olympics and, aside from the transportation problems, the biggest story from America's point of view was the injury which took figure skaters Tai Babilonia and Randy Gardner out of the competition.

I've wondered exactly how they felt after the injury to Gardner, knowing now that more than likely they will never win a gold medal, something for which they have worked for many years.

By the time the next Winter Olympics roll around, if there is one, they will be past their prime.

It would really test a person's character to see how he would react to such a disappointment but Babilonia and Gardner weren't the first and they surely won't be the last to have their character tested in this way.

In the mid 1950s there was a young pitcher by the name of Herb Score on the roster of the Cleveland Indians' baseball team.

He was hailed as a replacement for Bob Feller and he had a fastball which most batters apparently had trouble seeing, much less hitting.

In his rookie season of 1955 he began to fill some of this promise when he won 16 games.

He followed this up in 1956 with his first 20 win

Dockrey To Seek Hospital Position

Jim Dockrey, 29, has filed for the Mitchell County Hospital Board.

Dockrey is a graduate of Colorado High School and Texas A&M. He is a farmer and is married to the former Christy Stubblefield. They have three children, Justin, 5, Lori, 3 and Lance, 1.

In announcing his candidacy for the board, Dockrey said that he was concerned about the health services for this community and when the board vacancy came up he decided to run.

Dockrey has a Doctor of Veterinary Medicine Degree and practiced for two years, here and in Muleshoe, Tex.

He went on to say that he thought that his medical degree would be of assistance to the board and that he would represent the taxpayers to the best of his ability in the financial affairs of the hospital district.

He has been secretary of the hospital board since its inception 12 years ago. He is a member of the Noon Lions Club, Industrial Team, Chamber of Commerce and President of the local Red Cross Chapter.

Reily serves as Republican County Chairman and is a member of the Ambulance Board.

"I was chairman of the committee that campaigned to form the hospital district and have served on the board as secretary since its inception," Reily said.

"I believe that my experience and interest qualifies me to contribute to the betterment of our hospital district," he said.

PRAYERS IN OUR LIVES

Rev. Fred Witta
Pastor
First United Methodist Church
Loraine

Scripture: Romans 8:26

We are informed by the Holy Scriptures that we should turn to God in prayer when we feel God's intervention is needed and it is good that we do this. But too often we go to God for His intervention without first attempting to solve the need or problems ourselves. God never intended that prayer should be a means of shirking our own efforts when we are called upon to put into practice our avowed Christian teachings of brotherly and sisterly love; when we are called upon to aid one who is in need.

There is a story which really drives home this point much better than I can explain it; therefore, here is a story. A struggling farmer with a family of 5 had his farm house burn and most of its furnishings, to include clothes, were lost. The people of the small nearby community and the other farmers in that area heard of their neighbor's plight. They asked one another what should be done. Finally a consensus of opinion was arrived at; a prayer night should be set and all should come to the small community church and pray together for God's help for this needy neighbor.

When the night arrived for the prayer vigil and all had gathered and were praying that God would have mercy and come to this unfortunate man's help, a knock came upon the door of the church. When it was opened, there stood a small boy. One of the men in the church said to him, "Young man what do you want?" The small boy replied, "Dad could not come to the prayer meeting tonight so he had me to bring his prayer to you." Outside stood a horse and wagon and in the bed of the wagon was a sack of flour, some lard, some fruit, some grain, some potatoes, some clothing and some bedding.

Sad but true, many words offered up that night were just words and not prayers. God expects us to go all out ourselves first, and then, only when we have reached the end of our abilities, do words of need become prayers. Yes, the people in the church could also have loaded their prayers into a wagon instead of asking God to do what they should have done.

How about your prayer life? Do you often pray for God to intervene, come to your or someone else's assistance when you yourself, with a little effort and sacrifice, could have gotten the job done?

'See How They Run' Premieres Thursday

Doni Douglas, a freshman from Colorado City and Bill Martin of Snyder, who has been active with the Colorado City Playhouse, will be included in the cast of "See How They Run," a production of the Western Texas College dinner theatre in Snyder.

The production is set to premier Thursday and run through Sunday and will be repeated again on March 6-8.

Dinner will be served starting at 7 p.m. each evening in the Student Center Cafeteria, with the menu featuring British fare in keeping with the scheme of the play. The play will be seen on

the stage of the Fine Arts Theatre nearby, with curtain time at 8 p.m. each night.

Tickets are \$9 each and may be reserved by calling the Fine Arts Division office at AC 915-573-8511, extension 240 on weekdays.

"See How They Run" is a comedy which concerns the mishaps encountered in a vicarage when identities are mistaken. The cast includes an American actor and actress living in England, a cockney maid, an escaped prisoner disguised as a clergyman and the bishop who is aghast at the goings-on in the usually quiet village.

Scholarships For Nursing Offered

Vocational Nursing scholarships for students at Western Texas College will be provided by an endowment given by Mrs. Evelyn McLaughlin Knox of Houston and Snyder.

Mrs. Knox has presented the \$10,000 endowment in memory of her mother, the late Mrs. C.T. (Evelyn Clare) McLaughlin of Snyder. She chose to designate it for the Vocational Nursing program because of its value to the community and state, she said, and she wished to support

Western Texas College in its teaching of nursing skills.

The gift will be placed in the Western Texas College Scholarship Foundation, along with other funds received especially for scholarship use. Interest from the fund provides a continuing source of financial assistance for students at the college.

Dr. Robert L. Clinton, president of WTC, has expressed appreciation to Mrs. Knox for the gift.

SPORTS SCHEDULE MONDAY

-7 p.m. Calvary Baptist vs. Mt. Olive Baptist, Mitchell County Church League.

-8 p.m. Church of Christ (Austin) vs. Westbrook Baptist, Mitchell County Church League.

-9 p.m. Church of Christ (College) vs. First Methodist, Mitchell County Church League.

TUESDAY
-7 p.m. Church of Christ (College) vs. Church of Christ (Austin), Mitchell County Church League.

-8 p.m. Calvary Baptist vs. Westbrook Baptist, Mitchell County Church League.

-9 p.m. First Methodist vs. Mt. Olive Baptist, Mitchell County Church League.

The Mitchell County Church Basketball League entered its second week of action Monday night with an opening 58-50 win by Mt. Olive Baptist over Church of Christ (Austin).

Mt. Olive led 18-12 after the first quarter, 28-18 at halftime and 40-32 at the end of the third period.

Frank Dunn led Mt. Olive with 16 points and Pat Thomas had 13 for the Church of Christ.

The next contest saw First Methodist ease past Calvary Baptist by a score of 42-35. First Methodist led 14-12 after the first period, 22-18 at halftime and 30-27 at the end of the third quarter.

Hammond will compete in the high jump, Noel's specialty will be the high hurdles and Chaney will throw the shot-put.

The three Juniors, whom Robinson will be counting on this Spring, will be Mark Carter, Doug Johnson and Jay Green.

Carter was first in the pole vault in the regional meet last Spring and Johnson and Green will both compete in the sprint events.

Robinson will also be looking for help from a handful of other athletes competing for the first time on the varsity squad. Among these are Seniors, Lupe Luera, Carlos Olivarez and Arthur Reyes; Sophomores Lynn Williams, Jeff Hammond and Fred Salazar and Freshmen Stacey and Tracy Tarter.

Robinson said that the pole vault and hurdles events would probably be the Wolves' strong points and he added that Stamford and Coahoma would more than likely be the teams to beat in the district meet.

After the Lone Wolf Relays, the boys' track schedule will consist of Ballinger, March 8; Sweetwater, March 15; Coahoma, March 22; San Angelo, March 28-29; Stamford, April 11 and the district meet at Wolf Stadium on April 18.

Wolves Finish Cage Season

Coach Mike Hart's Colorado Wolves' basketball squad wrapped up their 1979-80 cage season on Feb. 15 with a 58-52 home win over Winters.

The victory gave them a final season record of eight wins, 10 losses and a district mark of 7-5 with a 4-2 record in the second half of district play.

Among the Wolves' losses was 65-64 decision to Ballinger in Wolf Gym on Feb. 5 when the Bearcats were given a controversial free throw as the final buzzer sounded.

Colorado also lost two games to the snow during the season.

The team will lose five Seniors from this year's squad as Hart looks forward to the 1980-81 season. Gone will be Chuck Claxton, Clay Hammond, Steve Feathers,

Russell Noel and Scott Cawthron.

Returning will be Victor Jackson, Doug Johnson, Mark Carter and Jay Green.

Claxton led the team in field goal percentage this season with 53 percent of his shots going through. Hammond was next with a 46 percent mark while Jackson had 42 percent. Feathers had 38 and Noel had 37 percent.

From the free throw line Carter had the best mark with 9 of 11 for an 82 percent mark. Claxton made good on 34 of 45 free throws for 76 percent while Hammond had 63 percent, Green had 60 percent and Johnson had 53 percent.

Claxton led the Wolves in rebounds with 119. Noel was second with 79. Johnson had 63 rebounds while Jackson had 48 and Green had 36.

Girls' Softball League To Register March 27-28

Registration for girls wanting to play in the United Girls Softball League will be held March 27 and 28 from 5-7 p.m. in the C.C. Thompson Room of the City National Bank Annex.

Forms for pre-registration will be passed out at the three schools in the county prior to that time. Girls ages 8-19 are eligible to participate.

The fee for each girl is \$15 to help defray expenses of uniforms and insurance.

Plans have been set to begin league play in mid-May with the end of the season set for June 27, League President

Mac McKinnon announced.

An umpire is now being sought for the league as are coaches, managers and sponsors.

McKinnon noted that it is hoped the local league will be able to have four divisions this year. The divisions are Division I for ages 8-10; Division II for ages 11-13; Division III for girls 14-16 and Division IV for ages 16-19.

Work is now underway to get the field ready for the new season. New seating is to be constructed for the field

by the Noon Lions Club and it is also hoped that a concession stand can be constructed before the season starts.

Anyone with any questions regarding the league can contact Mac McKinnon, Vice President Dwainna Wulfjen; Player Agent Brenda Tarter; Secretary Manuel Molina; Treasurer Donna McKinnon; Division I Coordinator Margaret Lowrance or Division III Coordinator Mary Gaona. Coordinators for Division II and IV are now being sought.

COLORADO GIRLS' TRACK squad is shown above. They are (left to right, front row) Michelle Grafton, Jana Bruce, Hollie Taplin, Fonda Long, Lisa Rivera and Loretta Morris; (middle row) Della Ausbie, Brenda Smith, Mona Molina, Misty Tammen, Tommie Neill, Kim Feaster, Michelle Franco and Sherry Stinson; (back row) Coach Pat Parker, Carolyn Green, Sandy Castillo, Venita Johnson, Sareesa Mitchell, Rachael Lujan, Tomika Randle, Brenda Williams, Stacy Hamrick, Darlene Mitchell and Coach George Martin.

Fairview EH Club Meets

"Daily exercise is the key for keeping fit," stated Charles Smith, physical therapist, in his opening remarks to the Fairview EH Club Feb. 14 in the home of Mrs. Bonnie Hunter.

"A good exercise program should include movement of each joint of the body in its full range of motion," Smith noted. A simple exercise for each was then given and demonstrated. "Walking briskly in the fresh air is one of the best health habits one can establish," concluded Smith.

The business meeting followed with a roll call being answered by "A Mistake I'll Never Make Again." The minutes of the last meeting were read and the treasurer's report was given by Edna Pace.

An educational tour, to include the district meeting at Llano on April 3, was discussed and approved.

A Valentine refreshment plate was served to the following Minors: Jo Carter, Bonnie Hunter, Edna Pace, Verne McMillan, Muriel Thurman, Clara Shoemaker, Billie Smith and Mary Womack.

BUDGET, From Page 1

say we are proud of your efforts on behalf of the city. You have improved our police department and we accept your resignation with regret."

During his appearance before council members, McWhorter gave additional information on budgetary items under consideration.

He reported the maintenance contract on the city owned teletype, which was purchased

under a 75 percent federal grant, costs the city \$1,260 a year. He also noted the city could expect about \$1,200 as reimbursement on unfair service charges made for repairs on radios under a contract the city cancelled last month.

He said he had been in negotiation with a service company based in San Angelo that would contract for all service, labor and parts at a cost of \$109 per month. The only additional expense would be mileage to and

from San Angelo.

McWhorter told councilmembers he had negotiated and received a second year on the criminal investigator's grant. He does not anticipate a third year grant will be extended.

Councilmembers are undecided on the issue of replacing McWhorter at this time. They discussed the possibility of going to a "Metro" system combining area law enforcement agencies.

In his explanation of the "Metro" system, Mason indicated there would be no control from the city's point of view because the sheriff would be in charge of the system and, as an elected official, is responsible only to the people at election time.

City Secretary Brenda Tarter stated she had read somewhere of a contract which could be made with the sheriff that would give the city authority and control. The councilmembers will investigate these possibilities.

In other budgetary matters, Mayor Bassham stated she has had several calls from concerned citizens about the water rate increases.

"We need to talk about our water rate increase and see if there is any way we can keep from increasing it," Mayor Bassham said.

Mason told councilmembers it would be necessary to increase taxes by 79.5 percent in order to make the general fund self sufficient without the water and sewer base rate increases.

He indicated the total cost to citizens currently for water, sewer and garbage is 47 cents per day. With the proposed increases the cost will be about 55 cents per day.

Several alternatives were discussed including raising the rate per gallon. "This would hit the people who use water," Mason said.

He noted the increase in cost would be substantial and many persons who normally water yards in the summer months would cut back to save additional expenses.

"For budgetary purposes this would be more of a gamble. The base rate increase would guarantee the revenue," Mason said.

He presented a comparison to other cities' water rates in the area. This indicated Colorado City pays much less than other cities currently and with the rate increase will still be below most.

After going through the budget item by item, councilmembers were unable to decide on any one area of expense they could eliminate or cut.

"Services are costing more. It's a minimum rate increase and cheap compared to other cities," Councilman Loyd Ledbetter stated.

"With the budget as it is proposed, we have only a one percent safety factor and we should have at least five percent," Councilman Elmer Martin said.

Ledbetter stated last year the budget had a \$50,000 cushion and it had taken that amount and more for unplanned expenditures during the course of the year.

"I had hoped to go up on one rate, either the tax or water but it looks very tight even using both increases," Councilman Jesse Munoz said.

"The one area we never like to look at is in wages, but we have to cut costs somewhere," Munoz said.

"What is the total amount of the wage increase for the 45 employees?" Munoz asked.

Mason stated with the seven percent increase and the 15 cent per hour increase the total wage increase would amount to about \$40,000.

Ledbetter noted with the inflation factor the employees would still be losing four percent with the raises.

Mason reported 20 persons of the 45 currently make less than \$600 per month.

Munoz said department heads' salaries were where the bigger salaries were but stated, "They have to have some incentive and we certainly don't want to punish them in any way."

"Ray and Brenda have done such a great job of buckling down and making this thing (last year's budget deficit) come out," Ledbetter said.

"In my opinion, salary cuts should be the last place we look," Councilman Ray Dillard said.

The discussion ended and councilmembers went back to looking at capitol improvements for a place to cut expenses.

No decisions were made and members will meet in two weeks to renew considerations.

"My objective and goal now is to try to create a budget for the coming year without going up on rates in both service and tax areas," he said.

Is Personal Liability Covered In A Homeowners Policy?

Yes. It pays for claims for which you and family members may be legally responsible, other than auto accidents, and includes legal defense costs even though an accident may not be your fault. For example, if you hit someone with a golf ball or if your dog bites the mailman, you are protected within the policy limits against ensuing claims. There are exclusions which your independent agent can explain.

A host often feels an obligation to pay medical costs for a guest injured in his home or a child injured at play in his yard. The medical payments section of your personal liability insurance takes care of these expenses.
