

The Hereford Brand

VOLUME 13

HEREFORD, TEXAS, FRIDAY, OCTOBER 24, 1913

NUMBER 38

WITH COUNTRY NEWSPAPERS

Department of Scissors and Paste-pot—Clippings and Comments—Politics et Cetera.

ABSENT ON PRIVATE BUSINESS.

Quannah Tribune-Chief.—Seven Texas congressmen, Jno. H. Stephens among them, missed roll call Tuesday while important public business was to come up; they were absent on "private business." Great public servants these who run off rather than express their honest sentiments. Only pap hunters are expected to admire that style of statesmanship.

A FEW OTHERS.

Vernon Record.—The Hereford Brand and a few other publications have been trying for some weeks to induce someone to announce against Hon. Jno. H. Stephens for congressman, but so far have not succeeded. With his splendid record in Congress, Mr. Stephens would receive twice as many votes as any man who would offer against him, and they all know it. He will not likely have an opponent.

Jeremiah Ray would certainly not call Harry Koch of the Great Quannah Tribune-Chief a "few." The Brand thought that Harry was more than a few all by "hissself," and then when you add such papers as the Lockney Beacon, Childress Post and a "few others," the opposition looks up a little. It must be understood right here that the Brand does not oppose Mr. Stephens because he is a "good man;" far from it; the Brand is glad to know that he is. But goodness alone does not make a suitable soldier; he should be active in the line of battle when the fight is on. The great opportunity for the Democratic is here and Texas needs men in Congress who can get into the fight and who are not afraid of the smell of powder.

CONSISTENCY A JEWEL.

Sunset Signal.—Congressman Jno. H. Stephens seems to have queer ideas about the appointment of postmasters. He has endorsed the plan of holding primaries at Decatur and Nocona and letting the Democratic voters name the persons whom he would recommend for postmaster at those places. At Childress his policy was exactly the reverse; he would not endorse the primary and, even after the primary was held, he flatly refused to recommend the choice of the voters, but, instead, secured the appointment of one who did not even enter the primary.

Prize Winning Turnips.

J. D. Thompson raises other things besides White Face cattle and showed how it was done this week by bringing in a few turnips from his garden. He had a number of the shapely, sizable edibles, one tipping the scale at 3 pounds and declares that he did not hunt for the biggest one. These were also sent to the Dallas Fair.

What Hereford Took at Amarillo.

The different premiums secured by the Hereford exhibit at Amarillo, according to the arrangements made by the board of directors of the Chamber of Commerce, goes to the credit of the expense fund. The awards were as follows: cash premiums \$26.50; 100 pounds of flour; 1 case of peaches; and a ten dollar harrow. The articles will be sold for cash.

Mr. Hurst from northwest Missouri was in Hereford this week to look after his land near Kelso.

The New Geography and the Bible.

The Brand has never believed that the various text book boards have sufficiently scorned the books offered for adoption. The last board seemed to be giving a lot of time to the study of the many books, but since the books have been placed in the schools, it has developed that, at least, one of them is out of joint with the Bible story of the creation of man.

In Tarr's Physical Geography on page 369, under the title of "Man and Nature," will be found this wonderful but familiar Darwinian story: "Early Man.—The origin of man is not known although scientists generally agree that he has developed by the process of evolution from some high form of animal. This belief is based upon the close resemblance between the body of man and ape and receives support from the fact that, in habits and mode of living, some savages are little above animals."

In the Bible the story is more simply told: "And God said let us make man in our image after our likeness; so God created man in His own image, in the image of God, created He him, male and female, created He them."

This is a sample of the author's teaching. Is the text book board to be criticised for allowing such stuff to be taught to the children of Texas.

A Birthday Surprise.

Sunday, October 19, Mrs. Sperm Williams, who lives 14 miles west of town, was surprised by a number of her neighbors and friends, who prepared an elaborate birthday dinner for her. The dinner was a merry one and the enjoyment of it was attested by all present. On departing each guest wished for their friend many more happy birthdays, and each one declared that they had had a truly delightful time. Besides the family those present were: Mr. and Mrs. Fulkerson and family, Mesdames Powelson and family, W. J. Rogers, R. F. Rogers and children, Joe L. Carter and little daughter, Josephine, of Fort Worth, W. B. Robinson and A. B. Simpson of Hereford. Misses Susie Knight, Allene Robinson, Mamie Bassett, Maxine Green. Messrs. Clarence Bassett and Arthur Rogers.

Another Big Irrigation Well Brought In.

The D. L. McDonald Company has just brought in a fine pumper on the Green Valley Ranch east of Hereford. The trial run gives the well not less than 1,500 gallons per minute. This well is located 15 miles down the Tierra Blanca creek and is the first of a number of wells which will be put on the Green Valley Ranch. An abundant supply of water was struck at 60 feet. A twenty-six inch hole was sunk to a total depth of 190 feet, the last 130 feet being in water bearing sand of good quality. This stratum was not perforated and it is not known how much deeper it is. The drilling outfit has been moved to the Dawn town site where a big pumper will be built near the depot.

New Teacher in High School.

Prof. R. T. Bailey of Floydada, Texas, is now occupying the place made vacant by the resignation of Mr. Shirley. He was principal of the Presbyterian school at Floydada last year, but was formerly from Mississippi and comes to the Hereford school well recommended.

NEW STORY IN COUNTRY G'NTL'MEN

Out West Story Brings Hereford to Front in National Farm Paper, Local Citizen Made Hero

Under the title of "Out West; Swinging Round The Big-Farm Circle; The Story of Big Pump Mack and the Windmill Town," Hereford is made the center piece of a telling good story in The Country Gentleman, and one of our local citizens, too well known and too obviously exposed, is made the hero in the story. Hereford is called the windmilliest town in the universe and is said to have more water under the ground in close reach than the Atlantic Ocean. The story goes on to tell about the work of developing the water resources of the county and the fight that Big Pump Mack had to make in order to get the citizens to permit (?) him to test the water supply. Reference is made to the indignation mass meeting that was held when a "certain young lawyer, who had not kept the law from his youth up," made a lynch inspiring speech and with others threatened to "shoot" somebody if somebody did not let somebody's water rights alone. The story is embellished with two pictures of the irrigated fields at Hereford and the entire story will give Deaf Smith county more good advertising than ten thousand dollars would or could buy in the most widely circulated magazine. Get the story and read it for yourself; it's a real good one.

Wheat Seed Treated for Smut.

All wheat seed should be treated for smut. The best disinfectant for the various fungus diseases is formaldehyde. The formula for treating wheat seed for smut is as follows: Formaldehyde, 40 per cent solution, 1 pint; water, 1 barrel. Place the seed, about one peck at a time, in a sack and churn them up and down in the solution until they are thoroly wet; allow the water to drain out. Place the sack containing the treated seed on a drying board and let remain until partly dry, turning the sack occasionally. Each batch should be allowed to remain in the solution for 15 minutes.

More Wheat On The Plains.

W. C. Womble of Hereford, Tex., refers to the large wheat acreage for that part of the plains country, as being an indication of the effort that was made to provide winter grazing for stock.

"More acres in wheat than usual," he said. "Our season was fairly good, and while we have had a very large amount of rain this fall, it came too late to make winter feed, but will help the ground, and benefit the country generally. The outlook now is favorable for carrying all our stock over."—K. C. Stock Journal.

Millinery Sale.

The Millinery Parlor will place on sale a large stock of millinery of all the very latest styles and shapes. My low prices together with a large reduction will make the Millinery Parlor an attractive place to buy your fall and winter hats. Mrs. Vogele. 1t

O. E. Thomas will be on the special train for Dallas.

Inventor of Oil Engine Dies.

Dr. Rudolph Diesel, the inventor of the celebrated oil burning engines and the discoverer of the compression principle, was drowned recently while crossing the English Channel, according to the news dispatches. Mr. Diesel worked for over twenty years trying to perfect an engine that would take fuel direct into the cylinder and convert the latent power directly into dynamic power and his success is now a matter of common knowledge. Having succeeded in perfecting a highly useful principle, which he patented some years ago, he is no longer called a patent crank or a useless citizen. The engines used at most of the irrigation wells around Hereford are built to utilize the Diesel principle.

Suggestion Approved.

The suggestion made by L. Baskin that Main street be worked by volunteers has met with approval by many of the citizens. Judge C. D. Wright offers the suggestion that, as November 5 and 6 has been named by the governor as special days for road working in Texas, the patriotically inclined citizens of Hereford turn out en masse and put Main street in presentable condition. Teams, wagons, pices, shovels, rakes, hoes or any other instrument of good roads building could be utilized. It would be well for the Chamber of Commerce to call a meeting and lay plans for a general holiday and work day combined.

County Seat Scrap.

First reports at Hereford had it that Farwell had retained the county seat of Parmer county by only a few votes. The Amarillo Daily News of Tuesday published a dispatch which gave the place to Parmerton by one vote, the figures being 114 for Parmerton, 113 for Farwell. The next day, a dispatch from Farwell reverses the matter and gives Farwell 110, Parmerton 114, Friona 3, and as Parmerton did not get a "majority" of all the votes cast, Judge Hamlin ruled that Farwell should retain the county seat. A contest will be filled, it is reported here.

To the Public.

Mr. George Burns having purchased the E. T. Woodburn & Son's Drug Store, I wish to express my appreciation to the people for their very liberal patronage as drug clerk for the old firm, and as I am to have charge of the prescription department for the new firm, I hope for a continuation of your patronage. The new firm will willingly extend the same accommodations to you that you have received in the past, and I ask all to give us a trial.

Yours very truly,

Rex Tynes.

Train Load of Artillery.

Last Friday night, a whole train load of heavy artillery passed thru Hereford, supposed to be a shipment to the Federals at El Paso. The cannons were on flat cars and were not accompanied by soldiers or attendants.

Off to Market.

Earl E. Wilson, proprietor of that popular store, The Fair, was in Dallas this week buying goods to fill up his depleted stock. He purchased a lot of new goods for his dry goods department and also for the china and granite ware counters. The Fair is catering to particular purchasers and careful buyers. 1t

DAILY PAPER HEAD LINES

Scraps of News as Told in Big Type—National and State Politics etc.

Sunday.—Mrs. Pankhurst, noted English suffragette, detained as a possible "undesirable" at Ellis Island.

Twenty-Eighth Texas State Fair opens at Dallas with record attendance on first day—Saturday. Acting Governor Will H. Mayes opens great annual show.

Gen. Huerta (pronounced U-er-ta) declares he will not resign nor run and says he has plenty of money and men.

Friends of Wm. Sulzer present him with Loving Cup.

Monday.—East St. Louis sustained a million dollar loss by fire Sunday night.

Twenty soldiers were killed in a wreck near Meridian, Miss., while they were on a special for the Fair, and some 100 others were injured.

Mrs. Pankhurst while waiting the result of the decision of the immigration bureau, is reported to have said: "If I am deported it means my death."

Tuesday.—Sulzer, the recently removed New York Governor, is nominated on the progressive ticket for a seat in the legislature, the same place he began his political career.

Mrs. Pankhurst has been released from Ellis Island and is given the freedom of the country. She will lecture before a number of public audiences.

Another candidate for the high office of the governor of Texas has announced. He is a member of the legislature, practically unknown in state-wide politics, and goes by the name of Leopold Morris. This makes 'steen dozen candidates.

Wednesday.—One a day; the next man is Chas. H. Mills, who announces his race for governor. He is a son of former Senator Roger Q. Mills and a member of the legislature.

Gen. Felix Diaz has been allowed to enter Mexico, but Huerta says that there must be no "demonstration."

A Business Change.

Following the change of ownership of the Woodburn Drug Store, is the change of offices of Dr. W. A. Price. Dr. Price, who is one of Hereford's most prominent physicians and who has officed in connection with Woodburn's Drug Store for the past six years, has changed his office from the Dameron building to offices in the I. O. O. F. building over the Betts-Clark Drug Store. Besides being the oldest, this drug firm is one of the most prominent and progressive in Hereford and is noted for the reliable and honest treatment its customers receive.

New City Well.

The Commissioners are having a second supply well put in and the work has progressed as far as the casing. A 25 h. p. gasoline engine will be installed in connection with a pump jack. This new well together with the old one is expected to put the city in condition to have on hand at all times sufficient water for fire and domestic purposes.

Happy Bake Days

CALUMET BAKING POWDER

The cook is happy, the other members of the family are happy—appetites sharpen, things brighten up generally. And Calumet Baking Powder is responsible for it all. For Calumet never fails. Its wonderful leavening qualities insure perfectly shortened, faultlessly raised bakings. Cannot be compared with other baking powders, which promise without performing. Even a beginner in cooking gets delightful results with this never-failing Calumet Baking Powder. Your grocer knows. Ask him.

RECEIVED HIGHEST AWARDS
World's Pure Food Exposition, Chicago, Ill.
Paris Exposition, France, March, 1912.

You don't save money when you buy cheap or big-can baking powder. Don't be misled. Buy Calumet. It's more economical—more wholesome—gives best results. Calumet is far superior to sour milk and soda.

Santa Fe Special Agricultural Train
Hereford citizens together with all of the people of Deaf Smith county are invited to visit the Santa Fe's Educational Agricultural train in this city Wednesday, Nov. 12, from 2:45 to 4:45, and hear the lectures, inspect the displays and receive printed matter of value, as souvenirs.

This train, in charge of H. M. Bainer, chief agricultural demonstrator for the Santa Fe system, will be different from anything heretofore shown on this line. The chief features will consist in the large array of model equipment, including that for poultry, dairy farms, silos and other items. The manner of handling the subjects and their treatment will be of a superior order.

"Better Tillage Methods" and related subjects will be in charge of Mr. Bainer, whose ability as a farming expert is well known throughout this section of the country. Mr.

Bainer is one of those advocates of better farming, who abhors a strictly theoretic suggestion. He is a farmer by rearing and by education, having farmed, studied farming and taught farming throughout the middle west, southwest. Every suggestion offered or method recommended by Mr. Bainer has been tried out by him personally, or under his observation and is therefore dependable.

L. L. Johnson, the poultry expert of the department and assistant agricultural demonstrator, will speak on "Poultry on the Farm," in which address he will include mention of most approved housing, marketing conditions, super egg production, treatment against diseases and insect pests, and general profit insurance from the poultry. In keeping with the policies of the Santa Fe to promote the production of cream and butter along its lines, J. D. Tinsley, agricultural demonstrator for the

Gulf, Colorado & Santa Fe lines, has been secured to talk on "Dairying and Silos," which address will include phases of beef cattle raising and general live stock feeding. Realizing the necessity for bringing a message of interest to the ladies of Deaf Smith county and Hereford, Mr. Bainer has secured the services of two expert lady lecturers from the domestic science and home welfare divisions of the Educational Extension Department of the Texas State University. These lecturers come to Hereford prepared to give recipes, rules and suggestions all of which have been tested and found sound, in actual application to home conditions. At the end of the lectures, which will be given in a car specially equipped for the sole use of ladies, distribution will be made of printed matter to be kept as reminders of the visit of the train. As a bureau of information and publicity man, J. L. Pope, chief clerk of the department, will be on the train and will deem it a privilege to answer and all questions.

They Make You Feel Good.

The pleasant purgative effect produced by Chamberlain's Tablets and the healthy condition of body and mind which they create make one feel joyful. For sale by all dealers.—Advertisement.

THE TEXAS STEER

A Record of Progress Made by the Cattle Industry.

Like the Indian, the longhorn steer has been compelled to give way to civilization and he is now used principally in staging moving picture plays, as the star performer in wild west shows and posing before the camera for picture card souvenirs.

Our endless ranges have been cut up into innumerable small stock farms, the cattle barons have given way to farmers and quality has taken the place of quantity in the livestock industry of the state.

The market demands quality and the Texas steer has shown his ability to master the world's markets and his products fill the nation's larder.

Texas cattle have advanced more rapidly in value than those of any other state in the Union during the past twenty years. The federal census reports show that we had 8,011,195 head in 1890 valued at \$75,227,582 or \$9.40 per head, and in 1910 we had 7,139,400 head valued at \$138,957,404 or a value of \$19.46 each. We show a decrease of 871,795 in number and an increase in value of \$10.06 per head. On January 1st, 1913, we had 12,527,000 head of livestock in the state classifying as follows: Cattle, 6,056,000, horses 1,181,000, mules 724,000, hogs 2,493,900, sheep and goats 2,073,000. We have four head of livestock per capita. We have more cattle than any other state in the Union and take first rank in the number of mules. The value of our livestock production per annum approximates \$148,000,000 and the value of meat consumed \$150,000,000, leaving a net deficit of \$2,000,000. The principal loss is on hogs. We consume \$24,000,000 more of pork than we produce, and in leather we suffer a loss of \$17,000,000, although we show a gain of \$28,000,000 in cattle.

The cowboy has been pushed back across the plains. Royal blood has entered the veins of the Texas steer and a marvelous transformation has taken place in the cattle industry of the state. We now have the best grade of cattle in the world and select stock from our farms and ranches will be on exhibition at the Fat Stock Show in Fort Worth, November 22-28.

WHY WOMEN SUFFER

Many Hereford Women Are Learning the Cause.

Women often suffer, not knowing the cause. Backache, headache, dizziness, nervousness.

Irregular urinary passages, weakness, languor—Each a torture of itself. Together hint at weakened kidneys. Strike at the root—get to the cause. Quickly help the kidneys if they need it.

No other remedy more highly endorsed than Doan's Kidney Pills.

Here's convincing testimony from Amarillo.

Mrs. W. H. Wynne, 501 N. Lincoln St., Amarillo, Texas, says: "I was annoyed frequently by headache and dizzy spells and I did not rest well. When I got up in the morning, I felt tired and languid and had but little energy. Since I used Doan's Kidney Pills, all these troubles have been relieved."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other. It

Chronic Dyspepsia.

The following unsolicited testimonial should certainly be sufficient to give hope and courage to persons afflicted with chronic dyspepsia: "I have been a chronic dyspeptic for years, and of all the medicine I have taken, Chamberlain's Tablets have done me more good than anything else," says W. G. Mattison, No. 7 Sherman St., Hornellville, N. Y. For sale by all dealers.—Advertisement.

WHENEVER YOU NEED A GENERAL TONIC - TAKE GROVE'S

The Old Standard Grove's Tasteless chill Tonic is Equally Valuable as a General Tonic because it Acts on the Liver, Drives Out Malaria, Enriches the Blood and Builds up the Whole System. For Grown People and Children.

You know what you are taking when you take Grove's Tasteless chill Tonic as the formula is printed on every label showing that it contains the well known tonic properties of QUININE and IRON. It is as strong as the strongest bitter tonic and is in Tasteless Form. It has no equal for Malaria, Chills and Fever, Weakness, general debility and loss of appetite. Gives life and vigor to Nursing Mothers and Pale, Sickly Children. Removes Bilioussness without purging. Relieves nervous depression and low spirits. Arouses the liver to action and purifies the blood. A True Tonic and Sure Appetizer. A Complete Strengthener. No family should be without it. Guaranteed by your Druggist. We mean it. 50c.

Wins Prize for Letter.

The Progressive Farmer carries a department for the young people in which they may express themselves about any subject of interest and in order to encourage the study. Prize Letters are published each issue. A Deaf Smith county girl writes the Prize Letter for the issue of Oct. 4.

THE PRIZE LETTER.

I am a girl of 14 years. I have been reading the letters from the young people in The Progressive Farmer and I want to write, but I have no pets to write about. So I will tell the girls that I do most all of the housework, as mama is not strong. I can cook and I make the bread nearly all the time. Here is one of my recipes for making light-bread:

In the evening soak 1 cake of yeast in 1/2 pint luke-warm water about half an hour, then put 3 pints of luke-warm water in a bowl, put in yeast, 1 tablespoon of salt and 1 of sugar; stir in enough flour to make a thick batter. Let stand in a warm place until morning, then sift enough flour to knead the sponge. Knead for about 20 minutes; let rise double size, then knead without any flour. Apply lard to the fingers to keep dough from sticking. Make out in five loaves. Grease loaves with lard, put in pans, let rise double. Bake in moderate oven.

This is a good easy recipe for young girls just learning to cook. Here is a cake recipe I use all the time for layer cakes:

Four eggs, 2 cups sugar, 1 cup sweet cream or milk, 1 lump butter size of an egg, 2 1/2 cups flour, 2 teaspoons baking powder. Flavor to suit the taste. Any kind of filling will do.

Besides cooking I can do the housework; I wash for a family of six. I am the oldest child. I can sew. I help papa milk the cows every night, I also worked in the field this summer. I used the disk harrow and corn planter. Zoilie Edwards, Hereford, Texas.

The Mothers' Club.

The Mothers' Club met with Mrs. Vanderburg Oct. 14th. There were eleven members present, Mesdames Bell, Bowers, Caylor, Dodson, Elliott, Palmer, Rutherford, Clarence Smith, C. R. Smith, Tynes and Vanderburg. There were two visitors, Mesdames Dameron and Ralph Barnett. The subject for the evening was: "Place and Power of Praise in Child Training." Two papers were read by Mesdames Palmer and Bell. After the Social Meeting it was decided to give a reception at Mrs. T. M. Palmer's in honor of school of music teachers of the town and husbands of the members of Mothers' Club. Refreshments of ice cream and cake were served, after which adjournment was had to meet again with Mrs. Tynes Oct. 28th.

Press Reporter.

Educational Special Train.

Demonstrating its faith in the Hereford country together with all this vast Plains area, the Santa Fe system claims its share in a broader development of southwest. The latest move of the Santa Fe system in demonstration of its desire to be a participant in this immense missionary project, is its "Educational Special" train which is to stop in the Deaf Smith county capital between the hours of 2:45 and 4:45 o'clock in the afternoon, Wednesday, November 12.

No educational train operated by the Santa Fe people has ever shown such a variety of excellent points as the one that is now arranging to visit us. Each detail of the equipment has received careful attention at the hands of H. M. Bainer, general agricultural demonstrator, under whose supervision it is to be operated. Nothing has been admitted to space on the train until it was determined by Mr. Bainer that merit warranted such placing.

Not one dull minute will characterize the meeting in Hereford. On the contrary there is a perfect press for time in which to present the many vital matters to the people. This being true there has been a close "boiling" of matter so that there will be an entire absence of superfluous matter. So varied are the subjects to be handled, and so thorough their demonstration under the management of experts that it is impossible to give more than passing mention of them within a limited space: better farming, live stock, silos, feed crops, poultry, domestic economy and home welfare, all these and more will come in for a share of attention. Ladies of Hereford and surrounding country should avail themselves of this opportunity to hear these exclusive domestic science and home welfare lectures.

THE HOG A REVENUE PRODUCER

Pork and Its Products Increasing in Demand.

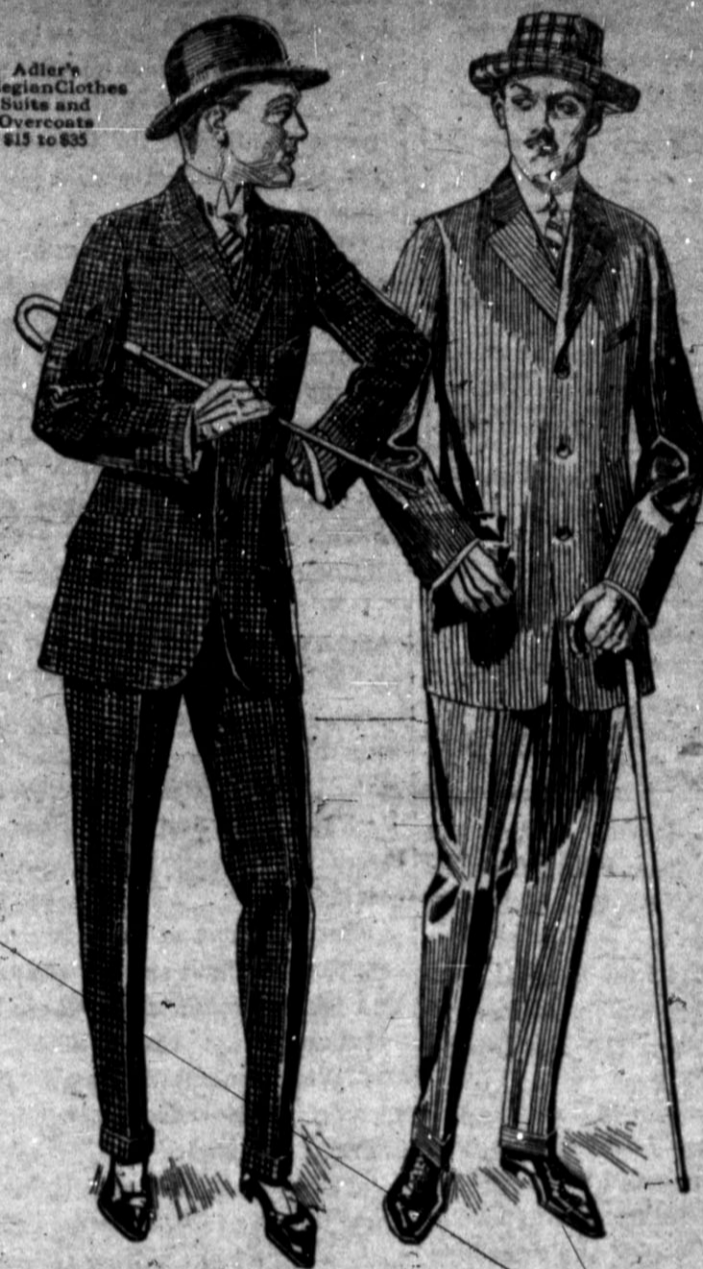

The razor-back hog has been forced by the thoroughbreds to flee to the mountains and the distance they have traveled each year is measured and recorded by the judges of the Ft. Worth Fat Stock Show. For eighteen years the National Feeders' and Breeders' have held the tape line of progress on this industry and the exhibits on November 22-28 promise to more nearly approach perfection and extend through a much wider range of breeds than any previous exhibits.

No other animal ever made such concessions to the market as has the hog. He has given half his life to meet the demand for young stock and has surrendered the freedom of forests for the shackles of the pen where fat can be produced with the greatest economy. The human race has made no such sacrifices for success as has this dumb brute.

The new hog has become so popular with the housewife that we consume all of our home production and ship in \$24,000,000 of pork and its products per annum. He is one of the best revenue producers in the animal kingdom, and has shown an increase in value per head during the past five years of \$2.80. The statistics of the Federal Department of Agriculture pay a glowing tribute to the growing popularity of the Texas hog, and show a decrease of approximately a million head in number and an increase of over \$2,000,000 in aggregate value. We are traveling rapidly on the road of extermination of the swine industry in Texas, and the National Breeders' will make an exhibit at the Fat Stock Show that will seek to turn the tide. It is one of the missions of the management to balance production and consumption, and no more effective methods can be employed to encourage hog raising than to exhibit the leaders of the swine family to the farmers of Texas.

King Cotton has had the audacity to counterfeit some of the by-products of the hog, but Uncle Sam caught him in the act and passed a pure food law and the subjects of the king are now compelled to march under their own flag and parade under their own colors.

Adler's Collegian Clothes Suits and Overcoats \$15 to \$35

YOU will be pleased with the new styles in Adler's Collegian Clothes. They reflect the latest ideas of the fashion centers—are made along distinctive lines from high class wools in the latest shades and weaves. For value and real taste they lead the field. Inspect them.

The Hereford Brand

(A NEWSPAPER)

Published by

The Brand Publishing Co.

A. C. ELLIOTT
MILICENT GRIFFITH, Owners

A. C. ELLIOTT, Editor

Address all communications to
BRAND PUBLISHING CO.

Entered April 17, 1901, in the postoffice at Hereford, Texas, as Second-class mail matter. First number of the paper issued February 28, 1901, as the Hereford Reporter; first number of The Brand issued March 21, 1902.

Subscription Price \$1.00 Per Year, Strictly in Advance

Any erroneous statement affecting the character or reputation of any individual or firm which may appear in The Brand, will be gladly corrected upon being brought to the attention of the publishers.

All reading matter appearing in The Brand marked "t" or "f" with figures prefixed or "adv" is paid advertising.

THE Friona Sentinel comes out with a head liner that PARMERTON WINS IN COUNTY SEAT ELECTION and gives the vote as 114 for Parmerton and 113 for Farwell. According to the News, Parmerton received 113, Farwell 110 and Bovina 3.

ONE of Collier's book agents was in town this week and when we insisted that we did not care to look at his array of books, he remarked that it did not require any brains to run a country newspaper. That's altogether true; but we were a book agent once and found out how little brain matter it takes to be a book agent as we had but few cells then and only a few more now. It's nice to be able to have a business that requires no brains.

POLITICAL ANNOUNCEMENTS.

The Brand will be prepared at the proper time to announce the names of those who want to run the county's business for two or more years. Newspapers have had the habit of giving each candidate an elaborate write-up in connection with the announcement. The Brand will deviate from this old custom just a little by requiring each candidate to write or have some friend to write, just what he wishes to have published about himself. The writer has tried several times to write these announcements and has found that his "soap" or "dope" gives out long before all of the candidates get into the running. These announcements must be in the first person, singular number and signed by the candidate, unless a number of friends wish to "bring out" a candidate. In that event, the "call" will be published instead. These announcements will be limited to eight inches in length. The charges for the announcement and for carrying the name in the "Candidate Column" for the entire time will be \$10.00. The cash must accompany the announcement. Each candidate will be furnished with 250 cards without additional charge.

"Bob" Smith is a delight and joy forever—a tear starter and a fun-maker—a most charming entertainer. Few men get so closely into the heart of the audience. He is among the foremost humanity lovers, who is chasing care and sorrow off the earth—an enemy to grumps and growlers. He richly adorns the platform.—Senator Robt. L. (Bob) Taylor of Tennessee.

This high class Lyceum number will be at the court house Monday, Oct. 27th, under the auspices of the Chamber of Commerce. Admission 25c, half or less the usual price for Lyceum attractions.

To Prevent Blood Poisoning

Apply at once the wonderful old reliable DR. PORTER'S ANTISEPTIC HEALING OIL, a surgical dressing that relieves pain and heals at the same time. Not a liniment. 25c. 50c. \$1.00.

For Union of Presbyterians.

Looking towards the union of all Presbyterian bodies, Rev. J. Frank Smith introduced the following resolution which was unanimously adopted by the Texas Synod of the Presbyterian church of the United States at a meeting recently held in Waxahachie:

"Whereas, the kingdom of God is moving rapidly and surely and swiftly breaking down all purely denominational barriers that would impede its progress; and

"Whereas, the commercial, intellectual, social and National units of the world are showing signs of the unification of their interests for the attainment of great ends; and

"Whereas, the Presbyterian church in the United States of America is voting with a wonderful unanimity for the union of its forces with those of the 'Reformed Church in the United States'; therefore, be it

"Resolved, first, that we view these movements with profound gratitude.

"Second, that we express our earnest longing and sincere prayer to God for the union of the whole Presbyterian family, North, South, East and West, as speedily as it can be accomplished without hurt to all the interests involved.

"Third, that we publish to the world that for such union we pray for such union we are willing to work to the limit of our wisdom and our ability, for such union we are willing to sacrifice in order to the attainment of the larger end—a united Presbyterianism, and ultimately a united Protestantism and a united Christendom."

Dean-Rice Wedding.

From Tulia Enterprise.—At the home of the bride's parents, Mr. and Mrs. O. W. Dean, their daughter, Miss Emma, was united in marriage with Mr. John Rice Sunday evening at 7 o'clock, the father of the bride pronouncing the ceremony that made these young people man and wife.

The bride has been a resident of Tulia for several years, her father being the pastor of Baptist church, and she is a very refined and consecrated christian young lady with a host of admiring friends in Tulia and other places where she has formerly lived.

The groom is the son of Mrs. T. H. Rice and has been a resident of Swisher county since early childhood.

"Bob" Smith has won the title of "Messenger of Mirth" and only those who take time to reflect have any idea of the amount of care he drives away and the rays of sunshine he brings in. The boys and the girls all enjoy it and among the old folks there was much weariness of the flesh because of convulsive laughter.—The Evening Times, Fort Morgan, Colorado.

This high class Lyceum number will be at the court house Monday, Oct. 27th, under the auspices of the Chamber of Commerce. Admission 25c, half or less the usual price for Lyceum attractions.

Thompson Wins on Cattle.

J. D. Thompson again takes off a number of gold coin premiums at the Royal Stock Show recently held at Kansas City. This time he took first on white face yearling steers, second on two-year white faces, third on yearling heifers, and second on Galloway yearlings, a total of \$130 in gold coin. On the market, his two-year olds brought \$8.30; his yearling steers \$8.40; and the yearling heifer \$10.00 per hundred, the top notch of the marks.

They Make You Feel Good.

RAILROAD LEGISLATION.

Millions of Dollars Wasted in Complying With Useless Legal Requirements.

Many criticisms have been made against the railroads for abuses permitted or practiced during the past quarter of a century, and the management of railroad properties has been largely taken from the owners and given to commissions representing the government. With the change in control comes new forms of abuses, many of them as stupid and burdensome as those imposed upon us under the old regime.

Mr. J. Krutschmitt, chairman of the Executive Committee of the Southern Pacific in discussing this subject said:

"The lawmakers and commission have been imposing upon the railroads numerous requirements which have further increased their expenses and often in ways that have actually reduced the railway servants' efficiency. The legislatures of many states have decreed that additional men shall be employed by the railroads in excess of their necessities, whether viewed from the standpoint of economical operation or of public safety. As a result of this legislation, millions of dollars has been wasted in hiring useless labor.

"Again, laws have been passed to compel the railroads to use special patented headlights on their locomotives. Expensive acetylene headlights of high efficiency and closely approaching the electric headlight in brilliancy and power were already in use. The railroads were forced to discard them and incur heavy additional outlays for specialties promoted by inventors and private corporations.

"The personal injuries are largely due to unrestrained personal carelessness. The fatalities to trespassers could be prevented by the passage and enforcement of proper laws. There was a time when the people took little interest in the details of railway operation. During that period there were many abuses, but the development of railways went forward at a rate which has never been equalled in any other country. It was justifiable and necessary that the public should assert itself to stop the abuses. But it was not necessary to destroy the efficiency of the railways and sap their financial strength. The public should understand that in exercising the power, it cannot shirk the responsibility of the master."

Meeting Closes.

The week's meeting at the Church of Christ held by Evangelist G. C. Parham closed on Friday night. Interest continued all through. The Church has made arrangements with him to return at least once a month and preach for them. All are cordially invited to attend at any time. He is located at Tulia and will work all through this part of Texas.

Died in New Mexico; Buried at Hereford.

Fred Williamson, age 74 years, died last Sunday noon at his home in Fort Sumner, N. M. His remains were shipped to Hereford and were interred Monday morning beside those of his wife, who died while the family lived in this county. The body was accompanied by his son, Fred W. Williamson, Jr., and his daughter, Miss Belle. Mr. Williamson was one of the first settlers of Deaf Smith county and a pioneer of the Plains. He owned a large amount of land in this section at one time. J. D. Thompson bought one of his

ranches several years ago and he afterwards moved to New Mexico. He was well and favorable known by all of the first settlers of this section.

City Offices Moved.

The City Office has been moved from the basement floor in the court house to the Sheriff's office on the first floor, where the secretary, P. W. Price, will be glad to see his friends when they want to pay their city taxes. W. O. Whyman, county surveyor, will occupy the old city offices.

Being Some Reasons why we Solicit and Merit YOUR Drug and Drug Sundries Business

There may be some in Hereford who do not understand what the word REXALL means and just how it is a protection—a guarantee of satisfaction to customers of Hereford's only REXALL Store.

There is a REXALL DRUGCIST in almost every town—generally the best druggist in the town because all REXALL DRUGGISTS are part of a national organization, associated for the purpose of studying and creating the highest possible efficiency methods for retailing drugs and drug sundries.

REXALL REMEDIES are manufactured in the REXALL LABORATORIES under control of this organization and represent the best, by comparison with all of this kind of formulas, sent to the home laboratory by individual druggists who have found them successful in meeting every medicinal and curative test.

This means that when you buy a REXALL REMEDY or any other article from a REXALL STORE, you can use it with full assurance that it is positively the best, in its remedial qualities, for the purpose for which it is sold.

\$100 Reward, \$100
The readers of this paper will be pleased to learn that there is at least one Greased disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

SOCIETY

A Dinner.

On last Friday evening Miss Harriett Shirley, assisted by Mrs. Karl Shirley and Miss Grace Wilson, entertained with an eight o'clock dinner in honor of Mr. John McLean and Miss Beulah Potter. The occasion was one of the most delightful of the season's social affairs. The dining room was very artistically decorated in pink and white. Above the table hung a wedding bell, from this were pink and white streamers to the corners of the tables. In the center of the table stood a vase filled with pink and white dahlias. The table was beautiful with white linen, cut glass and silver, at each place was a beautiful pink rose. The place cards were in white and gold. Places were laid for thirteen guests. An elegant six course dinner was served.

MENU.

Cream Tomato Soup	
Turkey	Dressing
Gravy	Creamed potatoes
	Cranberry Jelly
Baked apple	Asparagus on toast
Olives	Celery
Fruit salad	Wafers
Angel Food	Brick cream in heart shape
Coffee	Cheese straws
	Mints.

After dinner the guests assembled in the parlor and enjoyed a most pleasant social hour, with music by Misses Shirley, Gallaher, Head. At a late hour the guests bade the hostess goodnight, each declaring again the success of the evening. Those present were: Misses Beulah Potter, Blanche Potter, Head, Woodburn, Gallaher, McLean. Messrs. John McLean, Dameron, Mercer, Collins, Walker, Woodburn, Betts.

I'll meet you at the Corner Drug Store. 38tf

"OCEANS OF WATER."

Potter-McLean.

On Wednesday, Oct. 22, 1913, Miss Beulah Potter and Mr. John McLean were married at the home of the bride's parents, Mr. and Mrs. F. P. Potter; Rev. Baker officiating.

The marriage was a surprise to no one as it had been expected by their many friends for some time. The wedding was very quiet, only the members of the immediate families and Miss Shirley being present. Promptly at eight o'clock the bride and groom came in to the strains of Lohengrin's Bridal Chorus played by Miss Blanche Potter, sister of the bride. The ceremony was a very impressive one the famous Bridal Chorus being played throughout.

Miss Beulah is one of Hereford's most popular young ladies. She is one who makes friends of all who know her, won by her lovable disposition and pleasing personality. The groom should be congratulated on having won a young lady who is charming in every respect.

The groom is well known in both business and social circles and has many friends. He is well liked being recognized as one of Hereford's most promising young business men. Their many friends wish them success and happiness.

Mr. and Mrs. John McLean Entertain.

Mr. and Mrs. John McLean entertained a number of friends on Wednesday, Oct. 22, 1913, from eleven until eleven-thirty. The guests brought their musical instruments with them, which consisted of auto-horns, bells, tin pans, whistles and rattles. The bride and groom were so pleased with the music rendered by these able musicians that they hospitably threw open the doors and invited them in serving cigars and angel food cake. Those present were: Misses Head, Gallaher, Gregg, Gass, Woodburn, Russell, Potter and Shirley. Messrs. Mercer, Walker, Bennett, Cockrell, Woodburn, Mack Gallaher, Bryan Edwards and J. T. Guinn.

For Miss Girlie Henson.

Again "Cupid has been a knavish lad," stealing in unawares and winning to himself Miss Girlie Henson for an autumn bride. As a compliment to Miss Henson, Mrs. J. I. Walker, entertained charmingly on Tuesday afternoon with a miscellaneous "shower." The receiving rooms of this spacious home were all aglow with the richly tinted autumn leaves and flowers. The reception hall was particularly attractive in the rich reds, dahlias and casmias being used in vases and massed with back ground of graceful clematis. In the dining room a wealth of soft, yellow chrysanthemums gave the desired floral touch, while the pinks and whites in various flowers, adorned the parlor. The guests were received by Mrs. Walker, and while in the reception hall a short musical program was rendered by Misses Percy Gallaher and Nellie Black, instrumental, and Miss Mabel Betts, vocal. The guests passed into the dining room where Miss Belle Woodburn presided at the punch table. In response to the hostess, who was toast mistress, Mrs. Ed. Wilson, in her happy way, gave a toast to the bride, after which the guests drank to her health. Miss Betts toasted the groom, and as a consolation, Miss Percy gave a toast to the girls left behind. Miss Henson, in a few well chosen words, responded by a toast to the guests. The bride-to-be accompanied by Miss Meda Woodburn, led the way to the parlor where a closed umbrella was suspended. Mrs. Walker pulled a cord and the contents of the umbrella, gifts from loving friends, literally showered Miss Girlie. In the reception hall dainty refreshments were served, the menu as follows: chicken salad in tomato cases with whipped cream, cheese straws, olives, chipped potatoes and coffee. Two violin solos by Miss Lay, a reading by Miss Vern Pratt, and a piano number by Miss Nellie Black added to the enjoyment of all present. The guests departed after many expressions of appreciation to Mrs. Walker for a delightful afternoon.

Surprise Birthday Dinner.

Tuesday, Oct. 21, at about 11:30 o'clock, some twenty-five friends of Mrs. Sallie Garter arrived to celebrate her 'steenth birthday. Every conceivable sort of eatables was brought and at twelve o'clock the sumptuous dinner was served. Guests were: Mrs. Betts, Mr. and Mrs. McMillan, Mrs. Enna Mercer, Mrs. Morgan, Mr. and Mrs. Geo. Burns and family, A. O. Thompson and family, Mrs. Geo. Karr, Misses Jewell and Olive Buster and Jessie Morris.

Couple Marry.

A couple of matrimonially inclined young people drove in from a ranch 25 miles north last Monday and were united in marriage at the parsonage, Rev. Purser officiating. They were Mr. Lewis A. Smith and Miss Bessie Miller. They took the train for a trip to Roswell and on their return will live on a ranch near Vega.

Owing to other attractions in town the Hallow'en entertainment to be given by the ladies of the Christian church is called off.

To Prevent Blood Poisoning apply at once the wonderful old reliable DR. PORTER'S ANTISEPTIC HEALING OIL, a surgical dressing that relieves pain and heals at the same time. Not a liniment. 25c, 50c, \$1.00.

SEVERE BRONCHIAL COUGH

Doctors Feared Lung Trouble, Restored to Health by Vinol.

The medical profession does not believe that lung troubles are inherited, but a person may inherit a weakness or tendency to them.

Mrs. Kate Hockman, Springfield, Ohio, says: "A few years ago I was in a very bad run-down condition, and the physician told me I had consumption. I tried another physician, and he told me I had ulcers on my right lung. I quit the physicians and started on 'Vinol.' Today I am perfectly healthy, and that is why I recommend 'Vinol.'"

'Vinol' soothes and heals the inflamed surfaces and allays the cough. 'Vinol' creates an appetite, strengthens the digestive organs and gives the patient strength to throw off incipient pulmonary diseases.

Try a bottle of 'Vinol' with the understanding that your money will be returned if it does not help you.

P. S.—For any skin trouble try our Sazo Salve. We guarantee it.

Hereford Garage and Machine Works can do all kinds repairing. Heavy Lathe and Planer work a specialty. Give us a call. 10tf

Mrs. J. E. Rowe will do plain and fancy sewing at East 4th Street at reasonable prices. 38-2t

The Playsingers.

The second number of the High School Lyceum Course is billed for Saturday night, Oct. 25, 7:45 p. m. at High School Auditorium.

These four young lady artists come with the highest testimonials. They give a night's entertainment that is worthy a liberal patronage. "Music, vocal and instrumental, high class readings and impersonations, make the evening pass all too rapidly." The management feels that all who come will enjoy one of the strongest numbers of the winter's course. The entertainment will be of such variety as to appeal to both young and old. Single admissions 25c and 50c.

Good five room house, close in, lot 100x140, nice shade trees, well and windmill, out buildings; will sell VERY CHEAP. Might sell house to be moved off lots. Ralph Barnett. 26-3t

A Marvelous Escape.

"My little boy had a marvelous escape," writes P. F. Bastians of Prince Albert, Cape of Good Hope. "It occurred in the middle of the night. He got a very severe attack of croup. As luck would have it, I had a large bottle of Chamberlain's Cough Remedy in the house. After following the directions for an hour and twenty minutes he was through all danger." Sold by all dealers.—Advertisement.

Avoid Sedative Cough Medicines.
 If you want to contribute directly to the occurrence of capillary bronchitis and pneumonia, use cough medicines that contain opium, morphine, heroin and other sedatives when you have a cough or cold. An expectorant like Chamberlain's Cough Remedy is what is needed. It cleans out the culture beds or breeding places for the germs of pneumonia and other germ diseases. That is why pneumonia never results from a cold when Chamberlain's Cough Remedy is used. It has a world wide reputation for its cures. It contains no morphine or other sedative. For sale by all dealers.—Advertisement.

Citation by Publication
 THE STATE OF TEXAS

To the Sheriff or any Constable of Deaf Smith County Greeting:
 Oath having been made as required by law

You are hereby commanded to summon E. Van Metre, J. W. Wright, Sam S. Wright, Laura C. Thayer, William Golnitz, John B. Scott, Mary J. McMannus, Albert Bahl, C. V. Jones, J. E. Kamink, D. A. Martindale, Henry Docken, F. W. McMillan, and R. M. Montgomery by making publication of this Citation once each week for four successive weeks previous to the return day hereof, in some newspaper published in your County, if there be a newspaper published therein, but if not, then in any newspaper published in the 69th Judicial District; but if there be no newspaper published in said Judicial District, then in a newspaper published in the nearest District to said 69th Judicial District, to appear at the next regular term of the District Court of Deaf Smith County, to be holden at the Court House thereof in Hereford, on the First Monday in November A. D. 1913, the same being the Third day of November A. D. 1913, then and there to answer a petition filed in said Court on the Seventh day of October A. D. 1913 in a suit, numbered on the docket of said Court No. 754, wherein N. R. France and D. L. McDonald are Plaintiffs, and E. Van Metre, J. W. Wright, Sam S. Wright, Laura C. Thayer, William Golnitz, John B. Scott, Mary J. McMannus, Albert Bahl, C. V. Jones, J. E. Kamink, D. A. Martindale, Henry Docken, F. W. McMillan and R. M. Montgomery are defendants, and said petition alleging that on the 27th day of February 1909, the American-Canadian Land Company a partnership composed of E. Van Metre, J. W. Wright and Sam S. Wright, entered into a written contract with D. L. McDonald & Company, a partnership composed of N. R. France and D. L. McDonald, by the terms of which the plaintiffs, D. L. McDonald & Co., agreed to convey to the American-Canadian Land Company for a consideration the following tracts of land situated in Deaf Smith and Oldham Counties, Texas viz. All of Sections 29-30-31-33-47-48-49-73 and 74 in Block K-11. That the American-Canadian Land Company agreed to pay for said lands the sum of \$70,000 as follows: \$5,000 in cash \$4,000 on May 1st, 1909. \$5,000 on July 1st, 1909 and the balance in four equal annual payments of \$14,000 each, commencing on the first day of March, 1910.

That the following described parcels out of said several sections have been fully paid for and deeds have been executed and delivered conveying said parcels to the several persons indicated by the American-Canadian Land Company viz. All of Section 29. The East half of Section No. 30. The South East one-fourth of Section No. 31. The South East one-fourth of Section No. 49. The North East one-fourth of Section No. 49. The South East one-fourth of Section No. 73. The South-west one-fourth of Section No. 33. The North-west one-fourth of Section No. 33. That the plaintiffs have faithfully complied with all of the provisions of said contract on their part, but that the American-Canadian Land Co., has failed and refused to pay the balance due on said contract to-wit: the sum of \$33,000, with interest thereon.

That said contract provided that all deferred payments should bear interest at 6 per cent per annum from March 1st, 1909.

That after the execution of the contract above described the American-Canadian Land Company entered into contracts with the other defendants hereto agreeing to convey to them certain parcels of said land and attempted to confer upon such other defendants the right to acquire title to certain parcels of land out of said Sections above described on certain conditions which are not known to these plaintiffs.

That the plaintiffs are and were at the time of entering into the contract above described the owners of all the lands which have not been conveyed on the request of the American Canadian Land Co, the title to which then stood and still stands in plaintiff N. R. France as a matter of convenience Plaintiffs pray that on final hearing of this suit that the contract of February 27th, 1909, between the plaintiffs and the American-Canadian

Land Company may be cancelled and the cloud now resting on their title by reason thereof may be removed; that any right to acquire any of said lands by any of defendants may be annulled and cancelled; that plaintiffs may recover their costs and have any other relief to which they may be shown entitled.

Herein Fail Not, but have before said Court, at its aforesaid next regular term, this writ, with your return thereon, showing how you have executed the same.

Witness, J. S. Jones, Clerk of the District Court, of Deaf Smith County.

Given Under My Hand and the Seal of said Court, at the office in Hereford, Texas this the Eighth day of October, A. D. 1913.

J. S. JONES,
 Clerk, District Court Deaf Smith County, Texas.

Sherriff's Sale

THE STATE OF TEXAS,
 County of Deaf Smith

Notice is hereby given, that by virtue of a certain Order of Sale issued out of the Honorable District Court of Armstrong County, on the 10th day of September, 1913, by the clerk of the District Court of said Armstrong County, for the sum of Six Hundred Eleven and 55-100 (\$611.55) Dollars and costs of suit, under a Judgement in favor of Roscoe Logue in a certain cause in said Court, No. 241, and styled Roscoe Logue vs. W A Price et. al. placed in my hands for service, I, R. W. Baird, as Sherriff, of Deaf Smith County, Texas, did, on the 15th day of September, 1913, levy on certain Real Estate situated in Deaf Smith County, Texas, described as follows, to-wit: Beginning at a point 600 feet South of the North East corner of Block 5 of Evants addition to the town of Hereford, Texas, thence West 200 feet, thence South 147 feet, thence East 200 feet thence North 147 feet to the place of beginning and levied upon as the property of Ed Wittheaur, W. A. Price, and J. D. Woodburn. And that on the first Tuesday in November, 1913, the same being the 4th day of said month, at the Court House door of Deaf Smith County, in the town of Hereford, Texas, between the hours of 10 A. M. and 4 P. M., by virtue of said levy and said order of sale, I will sell said above described Real Estate at public vendue, for cash, to the highest bidder, as the property of said Ed Wittheaur, W. A. Price and J. D. Woodburn, or either of them.

And in compliance with law, I give this notice by publication, in the English language, once a week for three consecutive weeks immediately preceding said day of sale, in the Hereford Brand, a newspaper published in Deaf Smith County, Texas.

Witness my hand, this 15th day of September, 1913.
 R. W. BAIRD,
 Sherriff Deaf Smith County, Texas

Sherriff's Sale

STATE OF TEXAS
 County of Deaf Smith

By Virtue of an Order of Sale issued out of the Honorable District Court of Hemphill County on the 19th day of September, A. D. 1913 by the clerk thereof, in the case of The First National Bank of Canadian Texas, Versus Geo. E. Caylor, J. A. Peterson and S. L. McDonald, Number 531, and to me, as Sheriff, directed and delivered, I will proceed to sell, within the hours prescribed by law for Sherriff's Sales, on the FIRST TUESDAY in November, A. D. 1913, it being the 4th day of said month, before the Court House door of said Deaf Smith County, in the town of Hereford, Texas, the following described property to-wit:
 Being all of the Northwest quarter of Section No. 109, Block M-7, Certificate No. 1232, B. S. & F. Original Grantee, containing 160 acres of land and situated in the Southeast part of Deaf Smith County, about one mile south of Hereford, Texas, and generally known as the Henry Farmer Land.

Levied on as the property of Geo. F. Caylor, J. A. Peterson and S. L. McDonald, this the 24th day of September A. D. 1913, to satisfy a Judgement amounting to Nine Hundred Fifty-two and 85-100 (\$952.85) dollars in favor of the First National Bank of Canadian, Texas, and cost of suit,

Given under my hand this the 24th day of September A. D. 1913.
 W. R. BAIRD, Sheriff.
 Deaf Smith County, Texas

CARDWELL BROS

You Need a Tonic
 There are times in every woman's life when she needs a tonic to help her over the hard places. When that time comes to you, you know what tonic to take—Cardui, the woman's tonic. Cardui is composed of purely vegetable ingredients, which act gently, yet surely, on the weakened womanly organs, and helps build them back to strength and health. It has benefited thousands and thousands of weak, ailing women in its past half century of wonderful success, and it will do the same for you.
 You can't make a mistake in taking
GARDUI
 The Woman's Tonic
 Miss Amelia Wilson, R. F. D. No. 4, Alma, Ark., says: "I think Cardui is the greatest medicine on earth, for women. Before I began to take Cardui, I was so weak and nervous, and had such awful dizzy spells and a poor appetite. Now I feel as well and as strong as I ever did, and can eat most anything." Begin taking Cardui today. Sold by all dealers.
Has Helped Thousands.

DON'T LET YOUR LIVER GET LAZY

Dodson's Liver Tone Will Keep it Working and Make You Feel Well and Clean—No Bad After-Effects.

If you have allowed your fear of calomel to keep you from toning up your liver when it gets a little sluggish and lazy—try Dodson's Liver Tone, and note how quickly and harmlessly it starts the liver and relieves constipation and bilious attacks.

When you take Dodson's Liver Tone, you do not have to stay in the house all day. None of the weakening and harmful after-effects of calomel follow its use. Dodson's Liver Tone is a mild, pleasant, vegetable liquid that cannot hurt either children or grown people. Yet it easily overcomes the most stubborn and inactive liver without making you quit eating or working.

These are not just claims. Betts-Clark drug store backs up every one of these statements and agrees to refund the price of Dodson's Liver Tone with a smile to any person who pays his 50 cents for a bottle and isn't satisfied that he got his money's worth.

Imitations of Dodson's Liver Tone are another proof that it is a good thing. Nobody ever imitates a poor remedy. Be sure you get the genuine Dodson's Liver Tone—the kind that is guaranteed.

Horned Stuff Brings Top Market.
Geo. Cloyd, R. W. Baird and Rat Jowell recently shipped from the T & P district 200 head of horned cattle which brought the top of the market at Kansas City.

"YOU'LL LIKE HEREFORD."

The Chicago Ladies.

The Chicago Ladies' Musical Organization, which presented the first number of the high school lyceum course, was a decided success. The house was filled to overflow and the entertainment was in every way to a high standard. Hereford turned out almost en-masse to hear them. If the second number in the course is as good, the season ticket holders have already had their "money's worth." We are assured that the Play-Singers, who will appear Saturday night, Oct. 25, are as good as the best and many are anticipating a royal good entertainment. Supt. Short says he has been told that they will make good.

Blankets—Fine California Wool Blankets, size 72x84 in. \$12.50
Blanket for only \$10.00. E. B. Black Co. 1t

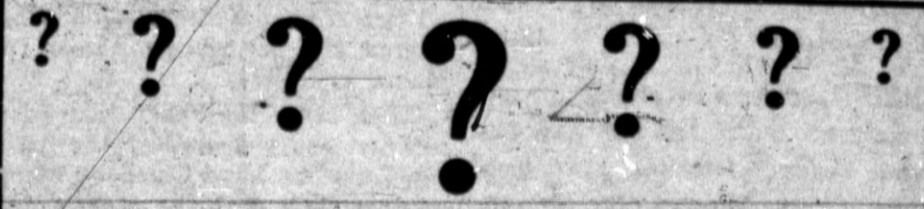

"YOU'LL LIKE HEREFORD."

"Bob" Smith, humorist and impersonator, highly entertained an audience at the First Methodist church last night. He was equally at home in the humorous, the pathetic and the dramatic. He knows well how to produce effects by alternating the humorous and the pathetic. Mr. Smith is an artist in his line.—The Dallas (Texas) Morning News.

This high class Lyceum number will be at the court house Monday, Oct. 27th, under the auspices of the Chamber of Commerce. Admission 25c, half or less the usual price for Lyceum attractions.

Prize Cauliflower.

The largest cauliflower yet exhibited in Hereford is one grown by T. M. Palmer and exhibited at the Brand office for a day and then sent to the Fair at Dallas. It was like a huge bouquet and weighed 4 pounds and nine ounces.
