BURKBURNETT, WICHITA COUNTY, TEXAS THURSDAY, OCTOBER 17, 1935

NUMBER 9

RALPH FOSTER CASE GOES TO JURY LATE THURSDAY

BURKBURNETT WILL ENTERTAIN THE COUNTY ATHLETIC MEET THIS YEAR

The county meet for the Inter-city league will be held in Burk Burnett next spring, and the directors that will supervise the meet were appointed at the meeting in Wichita Falls Saturday. The county meeting was held after the district four meeting Saturday.

The meeting will bring several athletes from the various schools that will be appointed at the meet in Wichita Falls Saturday. Last year approximately 100 students entered the contest including every phase of athletic and literary activity.

It will be necessary for Burk to bring the large host of representatives for the year. Baseball teams, track and field, debate, music, spelling, reading and all similar tests for county championship and the right to enter the meet will be held.

One of the Burk Burnett teachers, including the superintendent of schools, were chosen to direct the meet. The directors named for each event:

Baseball: Supt. Butler Westerfield, director general. Other directors: Mildred Thornton, deputation; J. A. McLendon, debate; Mrs. Randall Wat-fairview, extemporaneous; Jessie M. Fox, Clara, ready (essay); County Superintendent J. B. Golden, rural schools; Hill, Burk Burnett, athletics; Falls, Electra, spelling; Virginia Allen, Burk Burnett, memory; Celita Keith, Iowa picture memory.

The voting members of the board with the exception of last two. The directors of athletic, choral singing and story are to be appointed by the general.

Legion Contest

The American Legion is in the middle of a red hot membership campaign that is called by the sponsor the "Hot Rooster" campaign. A rooster has been found. That is a stolen rooster is in circulation. Any person that has the rooster may give him to a person that has not paid dues to the organization. If the person receiving the rooster does not keep it circulating by paying his dues and passing it on, he will be arrested for having in his possession stolen property. He will be fined immediately. Warning all Legionnaires that find themselves in possession of the "hot rooster"—Pass it on immediately after paying dues or face arrest.

Burk Lions Will Hold Inter-City Meet Here Nov. 5

Best Program of the Year Promised By Local Club To District

PROJECTS REPORTED

The Burk Burnett Lions club was selected as host of the Inter-City meet of the group 29 Lions organization at the group meeting at Iowa Park Monday night, according to report made Thursday by Johnnie Anderson group chairman. The program will be one of the most interesting that the inter-city group has held in the history of the organization.

Tuesday night the group reported the project of buying children in school glasses. Billy Bowden was a guest of the club from the grade school. The club also received an invitation to meet at Fairview high school and accepted the invitation. They will also meet with the local high school economics class on the night of Nov. 12, during natural education week.

An emblem of the Lions clubs was auctioned to pay for the lion cage for absentee members. Lee Hudson first received the lion and then returned it to be re-auctioned. Roy Jackson purchased it the second time.

Eddie Sims, Roy Stuckey and Mitchell played several selections of string trio for the program presented by Jack Kelly and F. R. Knauth.

Special Show For Benefit of Clinic For Cripples Sat.

Entrance Fee At 10 Saturday Morning To Be In Form of Food

On Saturday a food show will be given at the Palace Theatre. The price of admission for children will be a can of fruit or vegetables, or some useful article which can be used by the Texas Scottish Rite hospital for Crippled Children, Dallas, Texas. All food collected will be sent to the hospital, which is doing a noble work in treating crippled children of Texas.

The hospital has been in operation for twelve years and during that time has treated more than 20,000 crippled children, regardless of race, color, creed, religious or fraternal affiliations. The one specific requirement is that the children must be from Texas homes or parents unable financially to pay for proper medical treatment and they must be under fourteen years of age. The hospital is run on a charitable basis since there is no charge made the parents of these children for hospitalization, transportation, or medical service.

From this semi-panhandle section 212 children have been sent to this hospital in the last twelve years and there are many more needing medical service.

Panther-Bulldog Game Furnish Main Show Friday Nite

Wildcats Defeat Local Lads 20 to 7 In Crowell Last Thursday Night

GAME AT SEYMOUR (by G. L. Shaffer)

The Bulldogs will meet the Seymour Panthers at Seymour Friday night for the second conference game of the season. The Panthers, one of the conference favorites will attempt to revenge the 13 to 6 defeat that they received at the hands of the Bulldogs last year. For the first time in several years the dogs enter the game as anything but favorites.

Crowell defeated the Canine at Crowell last Thursday night 20 to 7, in a hard fought battle that gave its best breaks to the defending regional champions.

The statistics illustrate the evenness of the game. The Bulldogs passed 17 times for 6 completions, three interceptions and eight incomplete tries. The Wildcats three eight passes, with one completion, one interception and five incomplete passes. The Bulldogs punted 7 times to the Cats 6 punts, and received 20 yards in penalties to the Cats 25. The Bulldogs made 9 first downs to the Wildcats 14, and three penetrations to Crowell's 6.

Clifton's Thrusts

Clifton playing full back again proved his ability Thursday night when he repeatedly plunged thru the Cat line for good gains. The pass combination Clifton to Rose and Majors played an important part in the battle. The Bulldogs as a whole were lacking usual speed and deception. The blocking of Finch was the most sorely missed feature of the game.

The lack of reserve strength showed up for the first time this year. McKown, Crews and Meason were the stars for the Crowell team.

Rose Plays Well

The only score of the game came from a 24 yard pass made in the third quarter from Clifton to Majors. Tolly McKown's end run was good for the extra point. Wayne Rose, right end easily takes the honors for individual playing. Rose played a wonderful game at his wing. In addition he was excellent on the receiving end of the passing combination several times. His cool headwork helped the Bulldogs out of many tight places.

Rose also played a good defensive game. Not a single first down was made around his end of the team. The Bulldogs-Panther game is one that the fans look forward to thru out the entire year. The Panthers are one of the strongest teams in the district this year, and the two teams will meet on even terms with the Panthers having a slight weight advantage.

The injury list of the Bulldogs should find that the squad is in good condition by Friday and that the Bulldogs are able to put up a bitter fight at Seymour. The line-up for the game will remain the same as was used to start the Crowell contest.

R. C. Gilbow Secures Pontiac Agency For Burk Burnett District

R. C. Gilbow has secured the agency for the Pontiac automobile in the Burk Burnett territory and will have a new 1936 Pontiac on display Saturday, Oct. 19 at the Gilbow Motor company, located at 111-113 Main street.

Mr. Gilbow has recently repainted and repaired the building and in addition to handling the Pontiac will buy and sell used cars. The mechanical department will be in charge of competent and experienced mechanics.

The paint, body and top department will be in charge of Mr. J. M. Nicks who has had several years experience along this line.

The salesman for this new firm will be B. O. Willis and G. A. Henderson. These men invite you to come in and see them at their new location and let them explain the many advantages of the new 1936 Pontiac to you.

Adding Machine Paper--Star Office

Huge Rodeo Show Will Climax The Armistice Fetes

Prizes Amounting To More Than \$150.00 Offered In Arena Events

Elaborate Program Planned

As the climax of the celebration events of the Armistice Day, November 11th, a huge rodeo will be presented at the high school stadium on Monday afternoon, Nov. 11. The committee planning the program met at the Chamber of Commerce office Monday morning and appointed Mayor Oscar Kemp, general chairman of the gala show.

The entire rodeo will be directed and produced by Guy Willis, Jess Ashton and Wid Phillips. These men have been in the Rodeo business for many years, and they have produced some of the best shows that have ever been presented in this area. The Legion and band will benefit from gate receipts.

High Class

The entries will be among the best performers that this district of Texas and Oklahoma is able to produce. The professional riders and exhibitors that will be hired for the exhibition will bring stock and show that will surpass anything that has ever been presented in the entire county.

Aside from these exhibits, the contestants that will be attracted by the large prizes that will be offered.

Rotary Club Hears G. A. Reaves Speak On Italy-Ethiopia

High School Teacher Gives Interesting Review of the Trouble Area in Africa

POINTS OUT CAUSES

G. A. Reaves Jr., member of the faculty of the Burk high school presented an interesting discussion of the Italian-Ethiopian conflict, and the general political and diplomatic situation in Europe. Mr. Reaves used a large map of the areas discussed in the illustration of the tense situation.

The speaker pointed out the start of the conflict as catering in Lake Tana, the head of the Blue Nile. The Italians wish expansion to find room for people now crowding the Roman peninsula. England wishes the control or neutrality of the source of the Blue Nile for irrigation projects.

Germany and Italy probably will ally in the conflict, and France is in a dangerous position, not wishing invasion from Germany nor offense against England and Italy. Other Wheeler sang two solos accompanied by Miss Blanche Butler.

The visitors from Wichita Falls Rotary club were Scotty Scott and T. C. Scott. From Vernon George Backus, Rotarian visited the club.

Garden Club Flower Show Presents Most Beautiful Blossoms

Lovely Array of Blooms Massed In Demonstration of Summer's Gardens

WINNERS EXHIBITED HERE

In the most beautiful array of flowers ever brought together for any occasion in Burk Burnett, the Burk Burnett Garden Club presented the lovely blooms in the annual flower show at the home of Mrs. R. P. Reagan Wednesday afternoon. More than 67 entries of lovely bouquets presented a glamorous array of color blending into hue of an iridescent rainbow.

The hostesses who assisted Mrs. Reagan were Mesdames R. C. Tevis, J. M. Pogue, J. C. Adams. The winners of the prizes for the most attractive and best arranged bouquets were: Mrs. R. C. Tevis, who exhibited a mass of Mexican Sun-flowers and autumn leaves, first

Paving Project On W. Main Approved By Federal Agency

Money Allotted For Widening Of Highway Leading To Electra And Vernon

\$7,983.00 ALLOTTED

Part of the \$161,000 allotted by the federal government for this district was \$7,983.00 for the project of widening the pavement west of Burk Burnett last Friday afternoon. The project was applied for by county commissioner F. R. Knauth several weeks ago, and he had been awaiting approval to make the start on the work.

The pavement will be widened two feet on each side for slightly over one mile. This will give the city a wider approach on a traffic lane that is rapidly becoming one of the most crowded in this area.

The money will be spent to provide the labor for the pavement, and the county will assist in the provision of machinery materials and supervision of the work.

Two other projects of similar nature are under consideration by the government. The city has applied for \$47,000.00 to pave the streets inside the city, and the commissioner Knauth has applied for a sanitation project for the entire precinct.

The relief work at the federal offices has closed down so far as work relief is concerned. The officials here are waiting for further word from the state officials to open the work in this area. The funds that have been allotted for the work relief have been exhausted and as fast as possible the men and women will be transferred to the projects.

Hardin-Simmons-SMU Game Wichita

WICHITA FALLS, Oct. 17—Hardin-Simmons University Cowboy whose aspirations point directly to a berth in the Southwest conference, and the Southern Methodist University Mustangs, already a recognized factor in the Southwest group's 1935 pennant marthon, will furnish Wichita Falls' intercollegiate football classic here the evening of Saturday, October 26, at 8 o'clock.

Bringing together two of the Southwest's most colorful aggregations, preparations are being made to handle a crowd of 5,000 or more at the Coyote stadium. S. M. U.'s Bobby Wilson, Shuford, Smith et al., under the tutelage of Coach Matty Bell are painting a red streak thru the football map this fall, and unless the ponies fall before Rice Institute Owls this week-end, it will be an undefeated team the Hardin-Simmons crew will encounter.

Coach Frank Kimbrough, in his first season at Hardin-Simmons, has started a building program that promises big things for Cowboy football of the future, and his campaign already has brought results this season. Holding Texas Tech to 10 points and Baylor to 14 added new feathers to the Kimbrough bonnet, and such sterling battlers as Cherry, McKinney, Crowell and Tyler are expected to give Southern Methodist plenty of trouble here a week from Saturday night. Kimbrough will furnish one of the most colorful teams to be seen in Texas this year.

Eddie Young Opens Marthon Station

Eddie Young, star of last years Bulldog football team has entered business in Burk Burnett at the Marthon Filling station on Main St. and Ave. B. The station was formerly owned by John Musick. Young has been a resident of Burk Burnett for several years, and was nominated as the best blocker on the team for last year's excellent Bulldog squad.

He invites all of his friends in Burk Burnett to give the Marthon products a trial at the station. He is assisted by Lewis Walling and Pete South. The crew of workers promise efficient and complete servicing of the cars of the area.

A prune is a plum that has seen better days.

Defense Rests Without Introduction of Single Witness POLICE DESCRIBE MANY BRUISES ON BODY

Testimony in the case of Ralph Foster of this city, charged with the murder of his wife last June 23, started in Wichita Falls Thursday morning in Judge Allan D. Montgomery 30th district court.

Mike Anglin, county attorney, in charge of the prosecution, called 9 men to the witness stand during the morning session. C. C. McDonald, chief defense council, asked for an instructed verdict of not guilty. This was refused by Judge Montgomery and the defense rested.

Judge Montgomery started reading the charge to the jury immediately after the noon recess. As soon as the charge has been read, argument will be started with an hour and a half allotted to each side.

The court recessed at 3:15 p. m. Wednesday after selection of the last juror. Judge Montgomery declared a recess because all witnesses were not available at the time. The unexpectedly speedy jury selection had put the court much ahead of its anticipated schedule.

The last juror selected was T. D. Trammell, 34 year-old farmer living three miles west of K. M. A. He was the 18th man of the regular week's criminal venire questioned after the 80-man special venire called for the case had been exhausted soon after the selection of the ninth juror.

All jurors, in order of their selection, follow:

A. T. Kramer, 1404 Hayes, accountant; E. B. Madden, 3203 Seymour road, oil operator; C. A. Woodward, 1506 Bluff, land owner; Mike Begun, Burk Burnett, real estate; W. T. Cathey, 2309 Eighth, employee at the municipal golf course; B. L. Hataway, Electra, filling station operator; C. Jones, Iowa Park farmer; R. L. Buchanan, Electra, oil field worker; J. W. Crawford, 2700 Penn. painting contractor; R. C. Wise, 2511 Holliday, boiler fireman, Panhandle Oil Refining company; W. O. Johnson, Electra, pumper; T. D. Trammell, K. M. A. farmer.

'Circumstantial' Evidence

Questioning of jurors indicated on the side of the state that the death penalty would be asked on circumstantial evidence. Conscientious scruples accounted for the disqualification of by far the majority of the 98 men questioned. County Attorney Mike Anglin and Assistant Howard Martin headed the prosecution.

C. C. McDonald, defense attorney in his cross-examination intimated that the defense would contend that Mrs. Foster died by her own hand.

Teh defense used 12 of its 15 peremptory challenges, the state 10. The only acquaintance of Foster on the jury is Mr. Johnson of Electra, to whom Foster carried mail on his route at Burk Burnett several years ago.

During the jury selection Foster sat beside his attorney, apparently emotionless, calmly conversing with Mr. McDonald on different juror possibilities.

Montgomery Presides

He is charged with the murder of his wife, whose body was found on the cellar floor of their home in Burk with a bullet wound in her head and an army automatic pistol nearby. The tragedy followed a quarrel between the husband and wife after he had returned late the night of June 22 from the American Legion convention in Wichita Falls.

Teh trial will be heard by Judge Montgomery, although it had formerly been planned to have Judge Dennis Ratliff of Haskell as special judge. Judge Ratliff had asked Judge Montgomery to hear a case in Haskell for which he was disqualified, but at the last minute the hearing was postponed and the change became unnecessary.

Buchanan-Meador

O. C. Buchanan and Mrs. Hudson Meador, both of this city, were quietly married in Nocona last Friday night. They spent a few days honeymoon visiting points in Oklahoma.

Mr. Buchanan is employed by an oil company in Nocona, and Mrs. Buchanan is proprietor of the Band Box here. They will make their home here for the present.

The only man who can serve two masters is the one who has a wife and a daughter.

EYES THAT SEE

One of the most worthy causes that the local service and civic clubs undertake is to provide glasses for boys and girls who have defective vision. From personal experience most of us who wear glasses know how handicapped a boy or girl is who has some visual defects. The tragedy is that low grades and lack of interest in work is more often due to physical defect than lack of interest.

We have seen children in schools in this county that would miss the answer to a question written on a board before admitting weakness of eyes. There isn't a great deal of blindness that we can help, but there are a lot of tired eyes and incorrect eyes that we can aid. The clubs that undertake this work should push it with more zeal. It is very important.

GYMNASIUM AT SCHOOL

Basketball is one of the most interesting games that is played in the present school system, but the conditions under which the average spectator must watch the game keeps it from being popular. While visiting in Crowell last week many Burk people saw that fine gym, and envy was apparent in the faces of most visitors. It is a shame that some similar building can be arranged for Burk.

The citizens here would be surprised what an interesting game basketball is. Then there are other needs for a gym building. The school really needs a separate gym. The present one is the most overworked place in school. For about 15 hours a day something is going on in that room. The school could use another large comfortable gym for a complete physical education program. Community functions could be presented in comfort. Let's investigate this idea. We almost had it through once.

ADVANTAGES OF JUNIOR COLLEGE

C. J. Duncan, in reference to the movement to establish the Junior College building at Wichita Falls, spoke of the advantage of the institution in a speech at the Lions club last week. Burkburnett is interested for three reasons. First, the quality of instruction in a small school is higher. Every teacher in Junior College possess at least masters degree. In large schools much of the instruction for first two years is by student assistant that has little or no teaching experience.

Mr. Duncan pointed out the youthfulness of our high school graduates. The average high school student entering a university of several thousand is completely lost. The new system and wider range of activities cause the student a severe readjustment over high school attitudes. It is much easier for a student to go thru orientation period in small junior college. Further it is well to keep the youngsters close to home.

Our third interest is in the establishment of the fund by Burk people. Mr. and Mrs. Hardin established the endowment so that the students of the whole county could benefit. For all of these reasons the people of Burkburnett ought to use every influence that they have to see the institution is established in Wichita. Then later when it is made a county-wide proposition we ought to make it successful.

The state law makes it possible to create a county district. If the district is created, we can do nothing more important than to back it. The small expense would be spread over a large area. It would be selfish for us to take advantage of the opportunities without bearing part of the burden.

TENANT FARMING

One period in the history of the race that came near stopping all human progress was the result of a system of farming that approached our present system of tenant farming. During the middle of the dark ages, the farmer became a serf. In our enlightened day we have condemned that period for its ignorance and lack of progress. At the same time we are allowing a problem to be created that is very near the same system.

It would take a much wiser and more enlightened statesmanship than any of our leaders have given evidence of having to cope with the whole problem. In it is wrapped up much of the problem of over-production and relief.

When a meager existence is eked out on sub-marginal land by people whose resistance and social standards are too low to live decently, the whole South suffers. Land that ought to be turned back into forests and pasture land, houses that are not fit for hogs and a diet that would kill a pretty tough elephant is the lot of a large number of these people. Their state closely approaches peonage and serfdom.

It would take more than aid by the government to cope with the problem. If the government were to give each of the persons a plot of ground and materials to work with, it is highly probable by this time next year it would be mortgaged to the last foot and in a few years be back in the hands of the present owners. That just will not work. It is a task that will take more than a generation to solve. By slow process of education and patient guidance with full cooperation from every person the evils can be eliminated or abolished.

C. D. Shamburger Lumber Co., Inc
"Everything to build Anything"
R. C. TEVIS, Manager —PHONE 162—

News of Week

In applying the sanctions of the League of Nations to Italy, the nations will find that economic boycott is a boomerang. The penalties will be to stop trading—either selling or buying—with Italy. Then the communications system will be cut off from the rest of the world. Italy states that this will mean war with Great Britain. However, they ought to go a long way before they undertake such a step.

Under the present arrangement Italy can buy just about everything that they wish through Germany and Hungary as well as their good friend Austria. Those three countries will buy from the rest of the world and ship it on to the Roman government. However, there is no telling how angry Italy will be over the penalties attached to their invasion.

Texas Legislation

There ought to be some way to make the Texas legislature operate more rapidly. They have been in session for almost a month trying to settle a simple definition of what makes a "saloon." The people of Texas can't have too much respect for a body of men that quarrel and squabble so much. What will come of all the argument is not certain, but it appears that the whole question is becoming a political football of factions.

As the question now stands, the package sales in license places will be allowed. No individual drinks can be sold for consumption on place of sale or place accessible to place of sale. This exempts compounds of grapes, fruits and berries up to 17 percent alcoholic content. This bill will have to go to the senate now and they'll fuss a while over it.

Chain Store Tax

The Legislature passed the chain store tax Friday. This bill will tax progressively the units of non-volunteer chain stores. The two objectives are to limit number of stores and raise revenue. For several years an interesting fight has been in progress in Texas on the idea of taxing chain stores. For the first time the idea has passed the major committee. There are so many exceptions to the bill that it probably will receive a supreme court test before it is in operation as much as a year. Several years ago there was a very intensive campaign to legislate the chain stores out of existence, but when a few states tried it the laws were thrown out on the basis of discrimination by U. S. courts.

Hauptmann Must Die

The final appeal of Hauptmann, the Supreme Court of New Jersey, decrees that Hauptmann must die for the murder of the Lindbergh baby. This case will stand always

as one of the major puzzles of American jurisdiction. Many people are convinced that the German machine gunner is guilty. Many others believe that he implicated but did not do the actual killing. Still others believe he is completely innocent. But what ever people believe very few think he was alone in the crime. If he goes to the electric chair without talking, it is highly probable that the others assisting—if any—will never be caught. Two ways by which he may escape seems hopeless. The pardon may stop the death sentence, or the U. S. Supreme court may hold up the execution. Neither process seems probable.

Federal Investigation

There are many people glad to see the federal government taking a hand in the oil lease racket again. Burk has had the bitter experience of being victim of many lease promoters. People are perfecting lease blocks in the Texas and Oklahoma area and selling these leases by mail back East at enormous profit. Ethically the practice is deplorable, and legally just beyond the shadow of law. When the federal government sets to work on the case the crooked promoters had better fold up their tents and silently leave. Many men who thought they had a perfect racket have spent several years as guests of the government at Leavenworth, Kansas.

Current Literature

Probably the discussion of the "Tenant Farmer" doesn't belong in this column, but the University of North Carolina Press has issued one of the most complete and scholarly books of research on the problem that has been published up to this time. Three men, C. S. Johnson, W. R. Embree and W. W. Alexander combined talent for two years of research to produce an excellent volume.

The book discusses the vicious system that has surpassed millions of people that ought to be free. There is no greater social humiliation than this system. The miserable panorama of unpainted shacks, rain gullied field and straggling fences of typical southern backwood is well analyzed.

In spite of being a book of economics it gives the ironic humor of the situation.—Illustration—A farmer had been told by a tenant of a production of five bales. The farmer or owner figured and said, "That balances your account exactly." The tenant said "Good, I made six bales." The farmer responded "Shucks, why didn't you tell me. Now I'll have to figure it all over to make it come out even."

A nation nor any part of a nation will survive under such a system as that. Such practices breed revo-

lution. The book is only slightly colored by the political belief of the writers. Still it is interesting and vital to read.

Dr. Franklin L. Perrin's discussion of laws that have outlived their usefulness provides humor and an interesting view of the physiology of the American people. Some people will be surprised to learn that it is against the law to carry a pair of pliers in Texas or to walk down a rail road track.

Hector Bolitho has been called the second Carlyle. This is the result of his almost poetical praise of the buildings that made literature of England. In "Older People" the praise of people is not indiscriminate, but like that of Carlyle free. Bolitho is the author that wrote "Maria Christiana, Queen of Sweden" when he was 15 years old. However, the present volume deals a little too much with Tennyson and Browning. Gladstone gets a too detailed treatment. It is a very human and readable book.

We can expect a flood of war books and moving pictures now that Italy and Ethiopia have started their fuss. Some will be bad and some will be good, but probably the best will not be written for several years. Out of each human crisis come some great piece of literature. When any person is very close to an experience

Sincerity

There is perhaps no element more important in the last rites than the element of sincerity. And under the direction of an experienced staff that sincerity is carefully and perfectly maintained in all the services we conduct. No charge or obligation for consultation at any time.

Leaf tobacco being sold to highest bidder

From 1900 up to 1934 the leaf tobacco used for cigarettes increased from
13,084,037 lbs. to
326,093,357 lbs.;
an increase of 2392%

It takes mild ripe tobacco to make a good cigarette.

During the year ending June 30, 1900, the Government collected from cigarette taxes
\$3,969,191

For the year ending June 30, 1934, the same taxes were
\$350,299,442
an increase of 8725%
—a lot of money.

Cigarettes give a lot of pleasure to a lot of people.

United States Treasury Building

More cigarettes are smoked today because more people know about them—they are better advertised.
But the main reason for the increase is that they are made better—made of better tobaccos; then again the tobaccos are blended—a blend of Domestic and Turkish tobaccos.

Chesterfield is made of mild, ripe tobaccos. Everything that science knows about is used in making it a milder and better-tasting cigarette.
We believe you will enjoy them.

THE BULLDOGS GROWL

EDITED BY STUDENTS OF BURK SCHOOLS

OUR TEACHERS

(by Pauline Brown)

Tell you about Miss Billingslea of all. She is one of the best teachers in this high school for time. A teacher she has been mine.

Backwell is good as a teacher. A very good in this little town. She bookkeeping, typing and hand- ing it where it will be easy to stand.

Freighton has such a pleasing. It'd be hard to find someone to his place. Teach you just how to speak, is what you would like to

er in Junior High is Mr. Cul- er, without him the school would be mplete; et as a teacher he is simply at is the way he seems all of time.

an is a new teacher in high and this year. Sure everyone likes him here. The boys just how to farm. They will learn and it will not harm them.

er teacher in this high school. Miss Dunaway, in this school I think she likes. She teaches the students something day, before, every month she de- es her pay.

uncan, I am sure you all have. Good as any teacher you can get ay, very one likes him for his good

ord is one who is seen most of. Has the job of running down hall; are can type and sure is smart, from this school we would hate ee her depart.

Miss Gorin works and has a to do, tell you, she is really smart, library she knows about every k, for any material she will help look.

ill is very much interested in ball, all the boys listen to his call; a good teacher and keeps a et study hall, one likes him and that isn't

ould not do without Mr. John- to teach science, at is one of the subjects of our wance; a good teacher and knows how teach, has been about as high in that anyone can reach.

Kirby teaches about Spanish Mexico

And that is where on a visit she likes to go. She is one of the kindest of all the teachers.

For she always has pleasing features. The girl's gym teacher is Miss McClure. Much pleasure with her we endure. For her we are all very glad-- For a better gym teacher we could not have had.

Miss Michie teaches the girls to sew and cook. She teaches them with a home ec- nomics book; She is just as sweet as she can be. As everyone in high school can see.

Miss Morgan is head of the English in this high school. Therefore everyone must follow her rule. She has a good disposition and is very kind. And it is no trouble to make the students mind.

Well, I must not leave out Mr. Reeves. For everyone will miss him if he ever leaves; He likes to teach science, civics, and history. But how he keeps up with the work is a mystery.

Mr. Robinson is good in coaching basketball. And a better one we could not have had this fall. He teaches gym to the boys and how to play.

Which will help them to gain strength each day. Miss Westbrooks is teaching in Jr. Hi this year. But I cannot leave her out of here; For she was my teacher once upon a time

And I certainly did like her just fine. Mr. Westerfield is an outstanding man of this town. You could find no better if you looked around; He wants every pupil to do the best he can.

So that someday he may be a smart man. The senior sponsor is Mr. Scott Williamson. It would have been hard to have gotten a better one. For toward them a great part he has odne.

And is a sponsor that will be forgotten by none. Mrs. Westerfield: So your husband has been deceiving you, has he? Mrs. Dean: Yes, I've been giving him a dime every day to ride to work on the bus, and now I find out that he's been walking and spending the money.

SENIOR NEWS

Upon the decision of the school committee the Seniors, as well as the other classes, are beginning a weekly class program. These programs are to be during the home room period and will consist of lectures from different members of the class, excluding the sponsors altogether. The Seniors think these programs will really be good and successful--they will at least break the monotony of early morning studies. Thursday will present the

first senior program, and Mr. Williamson has appointed the class president, G. L. Shaffer, to take first action in the event by speaking on "sportsmanship." The remainder of the programs will be on Tuesday and G. L. will appoint the inter-tainers for the occasions.

Even though Hallowe'en is some-time off the Seniors already have a committee working out plans for their Hallowe'en activities. They believe in taking time and care in planning such activities in order to put them over in a way which will prove satisfaction in every manner.

Geneva: Look the players are all covered with mud. How will they get it off? Margaret: What do you thing the scrub team is for?

LADIES OF FACULTY HOLD PICNIC

On Monday evening at six thirty the ladies of the faculties of the Grade School and of the High School met at the home of Miss Gideon and Miss Corley, and from there went to Prescott for a moonlight picnic. After the meal was cooked over the campfire and served, various games were played.

The guests of honor were Mes-dames Butler Westerfield, H. Lee Clifton, Scott Williamson, Jess Johnson, Bryant Creighton, G. A. Reeves, and Morris Strong.

Faculty members present were: Misses Gideon, Carley, Ella McGallard, Janis Franke, Katherine Las-seter, Sadie Fleming, Pauline Mil-ler, Vinnie Dee Michie, Pauline Cun-ningham, Clara Dee Witty, Eliza-beth West, Thelma Dunaway, Nata-lie Gorin, Gladys Westbrooks, Mar-garet Tanner, Ella Billingslea, An-nie Laurie Billingslea, Natalie Mc-Clure, and Juanita Ford.

Miss Ford was in charge of the arrangements for the picnic. Miss Michie: Can you name some organ of the body-- Ruth C: The teeth. Miss Michie: What sort of organs would that be? Ruth C: A grind organ, I suppose.

JUNIOR ACTIVITIES

The Junior class postponed the weiner roast, which had been planned for last Friday, because of the damp weather. The class plans to have one in the near future, possi-bly Friday the 18th. It will be fully decided at the class meeting.

The Juniors are trying a new type of home room entertainment. Since selections from operas have not been successful, the class has decided up-on a novel idea. The new program consists of talks on etiquette by the members of the class. The first talk was given by Mr. Billy Ashlock, on how introductions should be made. The second talk was given by Miss Juanita McKenzie, on general etiq-quette.

What boys taking the 5th period P. E. took a shower with his shoes on?

BURK FUTURE FARMERS

The Burk Burnett future farmers will be glad to assist you in doing the following job under the super-vision of the agriculture teacher. Check the jobs you wish help on and notify the school office. Culling hens for egg production. Feeding hens for egg production. Controlling insects and diseases. Testing milk for butter fat. Feeding dairy cows. Pasture contouring.

Terracing Budding Fruit Trees. Pruning fruit trees. Treating seeds for smut. Fattening livestock for market. Selecting breeder animals. Any other job you desire help on see Mr. M. S. Dean or any of the F. A. Boys.

J. T. Bruce, do you believe in ghosts? Bruce: No, sir I woke up one night and saw one in my room. I asked him what he wanted and he said "nothing". Next morning I found the had stole my Sunday pants. Since then, I don't believe in ghosts at all. They aren't reliable.

FRESHMAN CLASS

The Freshman class met Tuesday, Oct. 1, and finished the election of officers. The lacking was secretary and treasurer. Staford McPhearson was elected to this office. The president, Luther Guy Hagard suggested a picnic. The date has not been definitely set.

Can any one tell us how a girl feels after being told by a teacher that she is plenty old to be out of school.

A NEW INTEREST

Something new and which prom-ises to be very interesting has taken place in the Burk Burnett High School. A series of programs to be given every week in every home room.

These programs are to be given by the pupils directed by the home room teachers.

The following topics are a few of the ones that were suggested: At-tendance, conduct, sportsmanship, courtesy, loyalty, cooperation, at-titude of pupils toward correction and etiquette.

The students are not compelled to take part on these programs, but they are to be attentive of course, while the students who are willing to do their part are making talks.

The aim of these programs is to give the teachers as well as the other pupils the opinion of the students.

THE DOCTORS ARE RIGHT

Women should take only liquid laxatives

Many believe any laxative they might take only makes constipation worse. And that isn't true. Do what doctors do to relieve this condition. They use a liquid

THREE STEPS TO RELIEVING CONSTIPATION I II III A cleansing dose today; a smaller quantity tomorrow; less each time, until bowels need no help at all.

laxative, and keep reducing the dose until the bowels need no help at all. Reduced dosage is the secret of aiding Nature in restoring regularity. You must use a little less laxative each time, and that's why your laxative should be in liquid form. A liquid dose can be regulated to the drop.

The liquid laxative generally used is Dr. Caldwell's Syrup Pepsin. It contains senna and cascara--both natural laxatives that form no habit even with children. Syrup Pepsin is the nicest tasting, nicest acting laxa-tive you ever tried.

and also to use home room period not only for study (which few do) but to give food for thought.

If these talks and programs are heeded, the student body will have a frindlier air, be more considerate, more loyal, know how to dress ap-propriately for different occasions, will try to cooperate with each and every one of his classmates and teachers.

On the whole, it will change the school atmosphere.

Hill: What is the head of the In-dian tribe called? Marilyn: A Chief. Hill: And what is the name of an Indian woman? Marilyn: Mischief.

SOPHOMORE NEWS

Friday evening the Sophomore classes went to the City Water park on a weiner roast. This was a form of entertainment for the entire Sophomores and was also the first.

entertainment they have had during this school year. This was sponsored by Misses Billingslea and Dunaway.

Many games were played and after everyone was tired of running and playing, everyone roasted weiners and marshmallows and a very good

Methodist Missionary Society Holds Annual Guest Day Mon., 14th

Entertainment In Form Of Tea In Class Room At Church

The Womens Missionary Society of the First Methodist Church met Monday afternoon at 3 o'clock in the Wesley Bible class room, which was artistically decorated with flowers and Mexican Art Work, for a Mexican Tea, on the occasion of the annual guest day of the society. Mrs. J. H. Rigby presided at the register, where 48 ladies registered for the meeting.

The president Mrs. H. W. Prinzing, in her charming manner welcomed the guests. After the welcome, Mrs. L. G. Hagar gave an appropriate piano number, La Paloma. Miss Norene Kirby, Spanish instructor at the Burk High School, gave a very interesting talk on Mexico City. The vivid talk left the group with the feeling that they had made a tour of Mexico City. Miss Kirby has spent some time studying in the University of Mexico City. The society regrets that every lady of the church could not hear her, the very talented and interesting speaker.

Miss Ruby Louise Bishop played a beautiful piano number, also a Mexican selection. Rev. Hagar gave some Stereopticon views of Mexico cities and customs of their people, which were enjoyed by the entire group. The hostesses for the afternoon were: Mrs. H. W. Prinzing, Mrs. L. G. Hagar, Mrs. B. F. Taylor, Mrs. L. N. Peyton, who served a delicious Mexican plate to the following ladies: Mesdames A. J. Harris, W. T. Vance, Scott Morris, M. C. Tucker, I. F. Bogy, W. S. Duvall, W. G. Strickland, B. M. Cropper, F. R. Knauth, C. F. Baker, P. W. Williams, E. J. Simons, F. H. Elliott, B. F. Taylor, M. A. Oyler, Joe McKenzie, M. W. Majors, Ray Hill, Jack Brumley, A. R. Bunstine, D. M. Morris, O. R. Wood.

M. E. Prinzing, J. L. Caffee, R. J. Kelly, R. H. Henry, W. H. Lewis, F. L. Pilkerton, L. N. Peyton, M. L. Urban, C. N. Thompson, Lanelle Kinney, R. N. Gilchrist, L. G. Hagar, O. E. Melton, Ross Staton, B. Danforth, J. M. Pogue, Ray Crisman, H. W. Prinzing, Dutch Wolfe, Geo. E. Kerr, Lillie M. Green, Estelle Howard, E. Jeffers, Paul Browning, J. H. Rigby, and Misses Norene Kirby and Ruby Louise Bishop.

Chamber Commerce Directors Meet Mon. Night At City Hall

Votes To Back Armistice Day Rodeo At Wester-Field Nov. 11

The members of the board of directors of the Chamber of Commerce met at the city hall Monday night for the business session of the organization with H. D. Smith in the chair. The reports committee reported the soft ball season was a successful one. The chairman B. F. Gilchrist reported the lights at the football field, lighting for the entire season had been paid for, and that more than \$50.00 had been saved by the organization to start next year's work.

The PTA also received more than \$100.00 for the work that they did at the gate during the season. In addition to the work the sports committee reported that the Chamber of Commerce was backing the football team with organized parades, pep rallies and arranging cars for the pep squad to attend the out-of-town games.

Band Report

J. M. Alexander reported that the band was having a very successful year. The collection and entertainment for the season were in general above last years average. The band will participate in the rodeo that will be given in Burk during November. In reference to the rodeo produced by the American Legion and the Band on November 11, the organization promised formal support to the endeavor.

The rodeo will be held at the high school field and will be produced for the benefit of the organizations. It will be part of the celebration of the Armistice day program.

Fair Report

The organization discussed the Trades day project and turned the matter of consideration over to the merchants committee that has H. W. Prinzing as chairman. Prinzing was ordered to submit a report back to the council in the near future and take the matter up with the business men of the city.

Herman Brown, secretary of the organization reported that the participation in the fair at Iowa Park had been successful. More than 69 places were won by Burk Burnett people, including the grand champion places that were carried off by fowls and live stock owners. The organization voted to urge the school of Burk Burnett to prepare to enter a large number of exhibitions in the educational building for next year. The organization community booth won \$20.00 for the booth at the fair, but this money is held for decision on the clubs of the county.

The project of widening the road clearing up the city and preparing in general for the 1936 centennial were discussed and reports from the special committees on these projects were heard by the group.

"We used to know them as tramps and hoboes, but they are referred to now as the "voluntarily unemployed."

'Galloping Ghost' Sims Starts Game Thursday Night

Louis Sims of Burkburnett will be in the starting line-up when the Hardin-Simmons university freshmen take the field against the first year team from Howard Payne college in Abilene Thursday night.

The young Cowboys, under the tutelage of Theo. Rigsby, former Hardin-Simmons backfield star, will meet Texas Tech freshmen and Howard Payne again during the season. With three weeks practice behind them they will be in excellent shape for the initial tilt.

Three Day Program By Legion Will Be Presented Nov. 11

Memorial Plot To Be Dedicated On Nov. 10 At Burk Cemetery For Service Men

Rodeo On Monday Afternoon

Plans for the celebration of the Armistice celebration were in full swing in Burkburnett this week, with Steve Marchand, chairman of the association. The celebration will take the historian of the association. The celebration will take the form of a dedication of the memorial plot at the cemetery and the guns at the city hall.

The meeting Monday night heard the reports from the national convention given by Milton Gaines and Vic Noble of Wichita Falls and delegates from this district to the St. Louis meeting. The delegates reported a successful convention, and the large attendance at the annual meeting of the organization. The processes of the convention were reported in detail to the members.

Memorial Plot

The memorial plot at the cemetery is one of the projects that the local Legion for several months. The place has an individual plot set aside for the honoring of the service men who have died. A beautiful marker has been set up and the entire space inclosed in a curbing. The flag pole and marker will be officially dedicated on Sunday.

The street carnival will open the celebration on Saturday night. All types of entertainment will feature the occasion, and the games and show will be sponsored by the members of the group.

On Monday, November 11, the memorial services will be held at 11 o'clock following the parade that will start at the hall of the organization, and the services will be at one of the down town churches.

On the afternoon of Monday, November 11, one of the greatest rodeos that has ever been presented in the city will be given at Wester-Field. The rodeo will be presented with the large prizes for each of the winners. The best riders of this district and some of the champions from all over the state will be entered into the competition.

Romona Milford Honored On Birthday Friday October 11

Mrs. F. M. Milford entertained Thursday afternoon with a party given at her home 603 East Main to compliment Romona Milford on the occasion of her 7th birthday. Numerous games provided the entertainment feature during the afternoon, and the honoree received a large number of gifts from the guests. A delicious plate was served by the hostess. The decorations were Halloween.

Among those present were: Tommie Sue Spillers, Lavern King, Stacy Jr. Jenkins, Janice Caffee, Dorothy Browning, Joy Rankin, Pansy Kent, Jo Ella Morgan, Roy Jackson Jr., Donald Wayne Brookman, Baby Coats, Margaret Brady, Neal Johnson, Donald Johnson, Mary Ruth Clement, Alice Milligan, Dottie Kent, Jessie Preston, Marginell Chambers, Mary Frances Boyd, Marcell Logan, Billy Boyd, Mary Jean Prince, Wanda Gayle Cruce, Dorothy Browning, and those sending gifts were: Wilma Jean Boyd, Carolyn Rose, Dorothy Ellen Boyd and Betty Joe Pace.

Diagram of Romance Zigzag and Dizzy in "Old Man Rhythm"

Does college romance mix well with study? Those who are interested in the questions will find a delightfully novel and humorous answer in RKO Radio's film musical, "Old Man Rhythm" which brings Charles (Buddy) Rogers back to the screen. "Old Man Rhythm" comes to the Palace for a Saturday night preview and will be shown Sunday and Monday at the Tex.

The direct relation between a young man's grades and romance evidently depends on the object of his affections. For as long as Johnny Roberts walks in the moonlight with Edith Warren, his scholarship reports read like a professor's dream. When he fancies himself in love with gold-digging Marion Beecher, however, the grades give his father nightmares.

In fact, when one of father's business associates draws a graph of Johnny's scholastic progress from the time he meets the seductive Miss Beecher, it looks like a sea serpent in conclusion.

Old man Roberts thereupon makes a drastic move. Deserting his office, he enrolls as a college freshman to fight her on her own ground. He defeats her with a bag of sly tricks that will shame unimaginative parents of the old "give-her-a-check and send her away to school."

Miss Addie Dickson Entertains Valley Quilting Club Wed.

Miss Addie Dickson was hostess to the Valley View Quilting Club at her home Wednesday afternoon.

The afternoon was spent in quilting an old-fashioned quilt 'till latter in the evening when Mother Dickson was told that she spent to much time in talking and staying in one place. She was asked to go in another room and there was given a chair and an open umbrella and told that it was going to shower. Mrs. Dickson received many beautiful and useful gifts from friends in the community.

The next club meeting will be at the home of Mrs. Ima Warren with Mrs. Jessie Lea Bentley as joint hostess Oct. 23 with a Halloween party.

Refreshments were served to Mesdames H. M. Warren, Norma Wilson, Una Bowman, Edna Davis, Loreta Postelwait, Leola Russel, Mae Postelwait, Dora Alexander, Willie Cozby, Bessie Dickson, Emma Cozby, M. E. Reynolds, J. W. Jackson, Bertha Day, Lucille Morrow, Ranny Wilkerson, Linnie Thornton, Mable Blankenship, J. C. Chisum, Ima Warren, Vada Brown, R. E. Smith, Jessie Lea Bentley, A. T. Postelwait, Grace Young, Annie Miller of Wichita Falls, T. T. Dickson and J. T. Dickson of Burkburnett. Misses Oleta Thornton and Kathryn Day and the hostess Addie Dickson.

A cat we know is dizzy from being rushed by so many daffy dames.

When a man speaks of the good old days he usually means his young years.

Even prayer can be wicked if you spend all your time at it and let your kids starve.

Corn-Hog Vote In Wichita County On Sat., October 26th

Conference In Burkburnett, Oct. 21 At City Hall 7 P. M.

According to the announcement of B. F. Vance, district agriculture director of Texas A. & M. the corn and hog vote for Wichita county will be Saturday, October 26. Mr. Vance will meet the hog committee for the county at the office of the county director G. D. Everett early this week to make the arrangements.

The Wichita county farmers will be asked to register approval or disapproval of the plans for the 1936 production control program. The program has been completed by the federal government, and the farmers are given the privilege of a vote before formal adoption of the outline.

All operators and owners of farms which produce corn or hogs, whether they signed the 34-35 contracts or not will be eligible to vote on the proposed contracts. However, ballots of former signers and producers, and those who have not signed at any other time will be tabulated separately.

Drop Anticipated

The Federal government has expressed fear that if no control program is adopted for the next year that there will be an absolute appreciable drop in the prices of the present market. If the control program is adopted, it will allow for some expansion of the hog production during the next year to allow the acute shortage of this year.

Wheat Meeting

Meetings will be held in the meantime to acquaint the farmers with the full program of the reduction and control plans.

At the same time a meeting of the county wheat committees was held Monday afternoon at the office of G. D. Everett. Plans were made for the launching of a program for signing up the farmers for the 1936 wheat control program. A maximum of 95% of wheat grown this year is eligible for the sign-up, and any one growing wheat for five years is eligible for the signing of the contracts.

Personal Mention

Mr. and Mrs. Jess Griffin and Mr. and Mrs. Dutch Wolfe visited in Lawton and Duncan, Oklahoma, Sunday.

Mrs. T. A. Hicks of Wichita Falls visited in Burkburnett with friends Monday.

Mrs. E. H. James of Vernon was a visitor in Burkburnett early this week.

George Backus of Vernon visited in Burkburnett Tuesday.

Mrs. J. D. Florence and children of Jacksboro, Texas, visited here last week with Mrs. Florence's mother, Mrs. W. S. Bryarly.

To Make A LONG TAIL SHORT

That if an apple was the cause of man's first downfall, the "peaches" have played a conspicuous part in keeping him down. There's nothing quite so keeping us down when it comes to doing a tip-top repair job for our record is placing us on a high plane of efficiency.

Correspondence

The Burk Star received the following letter Monday, Oct. 14, 1935.

Fred Brookman
Publisher of Burk Burnett Star
Burk Burnett, Texas.

Dear Sir:

The item on the second page of your October 3rd issue of the Burk Burnett Star, concerning the payment of the Adjusted Service Certificates, certainly hit the nail on the head. The sum and substance of your remarks in this item were contained in the second clause of a three part resolution and despite the objections of two Texas Congressmen, the resolution passed without a vote being cast against it. It is an evident fact that certain congressmen who are friends of the veteran are also friends of the inflationists and in their endeavor to "kill two birds with one stone" they miss both objectives. The Legion is not arguing about the merits or demerits of inflation, they say if inflation is good, then let it pass on its own merits. Personally, I say if inflation is a good thing for the country, why didn't they try to pass it along with the relief bill and print the new money to be used as part of the five billion that is now being spent. Fortunately for the inflationists, the National Commander of the Legion for 1935 was a banker, thus they were able to cast insinuations regarding the sincerity of his actions in opposing the inflation clause in the bill for the payment of the Adjusted Service Certificates. It will be interesting to see what their line of attack will be this year.

The delegates to the National Convention of the American Legion certainly showed how the Legion stood when the resolution concerning the payment of the Adjusted Service Certificates came up for vote. They not only were in favor of divorcing the issue for inflation or any stated method of payment, but endorsed the actions of National Commander Belgrano during the past year in his efforts toward the payment of the Adjusted Service Certificates.

Yours truly,
"Legionnaire"
Tulsa, Oklahoma.

Mrs. T. D. Oxley of Randlett received an operation for tonsils in the Russell clinic Wednesday morning. Mrs. Oxley was recovering rapidly Wednesday afternoon and returned to her home.

Scotty Scott and T. C. Scott of Wichita Falls visited friends in Burk Burnett Tuesday.

Don't Guess But Know

Whether the "Pain"
Remedy You Use
is SAFE?

Don't Entrust Your
Own or Your Family's
Well-Being to Unknown
Preparations

THE person to ask whether the preparation you or your family are taking for the relief of headaches is SAFE to use regularly is your family doctor. Ask him particularly about Genuine BAYER ASPIRIN.

He will tell you that before the discovery of Bayer Aspirin most "pain" remedies were advised against by physicians as bad for the stomach and often for the heart. Which is food for thought if you seek quick, safe relief.

Scientists rate Bayer Aspirin among the fastest methods yet discovered for the relief of headaches and the pains of rheumatism, neuritis and neuralgia. And the experience of millions of users has proved it safe for the average person to use regularly. In your own interest remember this.

You can get Genuine Bayer Aspirin at any drug store—simply by asking for it by its full name, BAYER ASPIRIN. Make it a point to do this—and see that you get what you want.

Bayer Aspirin

Ford V-8 Streamlining Steps Ahead

THE IMPROVED streamlining of the front end of the Ford V-8 for 1936 is well illustrated by this camera shot. Note the horn set into the fender apron behind a chromium grille and the way the graceful contour of the fender is carried to the edge of the new radiator grille. A glimpse of the new hood louvers is caught behind the headlamp. The V-8 insignia on the prow of the car is of new design.

S. A. M. Cooper, R. H. Henry, and R. Bowman attended the pre-view showing of the new 1936 Ford in Dallas Tuesday.

Bob Grady spent one day last week with Jack Haney in Oklahoma City.

Science has invented a new mustard gas, but no way has yet been found for applying it to radio crooners.

The definition of an egoist is a fellow who persists in talking when all you want is a listener.

A wife can't help a man be decent if he is no longer ashamed to have her know how ornery he is.

— Andrew Carnegie once declared that "it is a disgrace for a man to be rich," and congress seems to be endorsing the sentiment.

People who love their enemies always manage some way to keep them from finding it out.

University Study Club Studies Texas Program Wednesday

Mrs. P. G. Williamson entertained the University Study club in the beautiful home of her sister, Mrs. Jim Snoddy on Wednesday afternoon. The president called the meeting to order with Mrs. J. H. Davis as leader of the afternoon. The program opened the first study of Texas, with a discussion of "Introducing Texas," by Mrs. Henry Prinzing. Mrs. C. J. Duncan read a paper on "Texas under Six Flags."

At the close of the formal program Imogene Snoddy played several selections on the piano. Frank Kelley and J. J. Blackstone spoke on fire prevention. Among those present were: Mesdames Roy Crisman, Lee Clifton, J. H. Davis, C. J. Duncan, R. M. Gilchrist, W. R. Hill, George Kerr, Lewis Peyton, J. M. Pogue, H. W. Prinzing, R. P. Reagan, I. D. Russell, B. F. Taylor, R. C. Tevis, W. D. Utts, B. Wetsfield, O. C. Wills, and the hostess and three guests Mesdames Scott Williamson, Jim Snoddy and her mother.

Life seems to reveal the fact that a lot of fellows try to get where they are going by traveling in the opposite direction.

How Calotabs Help Nature To Throw Off a Bad Cold

Millions have found in Calotabs a most valuable aid in the treatment of colds. They take one or two tablets the first night and repeat the third or fifth night if needed.

How do Calotabs help Nature throw off a cold? First, Calotabs is one of the most thorough and dependable of all intestinal eliminants, thus cleansing the intestinal tract of the germ-laden mucus and toxins.

Second, Calotabs are diuretic to the kidneys, promoting the elimination of cold poisons from the system. Thus Calotabs serve the double purpose of a purgative and diuretic, both of which are needed in the treatment of colds.

Calotabs are quite economical; only twenty-five cents for the family package, ten cents for the trial package. (Adv.)

HOW TO "KEEP EDUCATED"

Read Daily the World-Wide Constructive News in
THE CHRISTIAN SCIENCE MONITOR
An International Daily Newspaper

It gives all the constructive world news but does not exploit crime and scandal. Just like the column "The World's Day" serves as a class for the busy reader. It has interesting feature pages for all the family. A Weekly Magazine Section, written by distinguished authorities, on religious, social and political problems, gives a survey of world affairs.

GROWL---

(Continued from page 3)

time was enjoyed by all members present.

The Sophomore class is going to have programs on Tuesday of each week during Home Room period from 8:45 to 9.

Have You Seen In The 9-3 Class?

How those weiners went down at the picnic Friday?
How fat Bert is getting?
The new pulse racer Virginia Glidwell?

How fast Marjett can run?
How good humored Miss Dunaway was Monday? (we wonder.)
Doris Ruth B. new glasses?
Pauline McG's chewed up lip?

Quite a few girls wandered out to where the Cashion Cats gathered Friday night. Wonder how they fared?

A certain girl was so sorry she wasn't at home Sunday night. "Ya gotta be a football hero."

The Intermediate school is proud to hear that they have a new map and a globe for their Geography room, and also some new music books for their Geography room, and also some new music books for their music room. They wish to tell Mr. Westerfield how much they appreciate having these things, it helps them in their studies and in other

ways also. Mr. Clifton also wishes to tell him how much he appreciates having them for the student body to use.

Dan: When I read about these wonderful inventions in electricity it makes me think.
Doris Ruth: Yes, isn't it wonderful what electricity can do?

They say a coach is still mourning from last Thursday night. Shame! Shame! Shame!!

SENIOR STAND

The football fans may be getting hollow-eyed and pale-face from hunger, but just wait until October 25, when the Bulldogs play their

next home game. The Srs. will be back on the job with hot dogs that are really hot and cold drinks that are really cold.

PEP SQUAD NEWS

All the Pep Squad girls were present at the football game Thursday night at Crowell. At 7:30 the girls paraded through Crowell, and then to the ball game. The Pep Squad yelled louder and better than they did at any other game. They did a very active stunt during the half. Transportation was provided by Mr. Majors, Mrs. Chatham, Mrs. McGinnis, Mr. Smith, Mr. Dudley, Mr. Browning and Mrs. Elder.

A special assembly was called Thursday. The Pep Squad had charge of the program. A song was sung by Pauline Browning, Mildred Kemp and Ema June Garland; assisted by the pep squad. Mr. Westerfield gave a very interesting pep talk and announced and discussed the game with Crowell.

Letha Faye Minick To Study In Kansas

Miss Letha Faye Minick left at noon Monday for a course of study in the Honer Conservatory of Fine Arts of Kansas City. Miss Minick will accept a position with the National Producing company, and will study specializing in dramatics at the school. Miss Minick is well known member of the Burkburnett younger set and graduated in the class of 1933 of the Burkburnett high school.

School Department Mails Quota Checks To School Last Sat.

According to story released in Austin Saturday the checks for the first part of the 1935-36 apportionment were mailed from the state department of Education. The checks, mailed were \$3.00. This is the first allowance of the \$17.50 that was set for the state of Texas. The amount coming to Burkburnett will be some where between \$3,000 and \$4,000 dollars.

The apportionment was made on the basis of 1,500,000 students, and the amount sent out at this time is \$4,665,000. There were seven common schools and two independent schools that were not sent checks for having forfeited interest on bonds which the state department of education holds on the schools.

Book Review At Pres. Church Sun.

The regular Sunday evening service next Sunday will be devoted to a review of the book "A House Divided" by Pearl Buck. The fact that Mrs. Buck recently had a very serious argument with the Presbyterian church of which she was formerly a member makes this review intensely interesting to the members of the church. Her first book "Good Earth" caused quite a disturbance in the church circles. The present novel is one of the trilogy of the same family. Meeting at 7:30.

Mrs. Beard Elected President Of IOOF Co. Organization

Mrs. Pearl Beard of Burkburnett was elected president of the county IOOF and Rebekah organization at the meeting of the group in Burkburnett last week. The program that was presented by the organization was directed by Mrs. Beard and included various musical, dance and speaking numbers.

Wichita Falls was chosen as the next meeting place of the organization, and the county convention will be guests of the two Wichita clubs at that time. The other officers chosen were: J. T. Martin, second vice president; Miss Myrtle Russel, treas., Mrs. Mary Deaton, chaplain; and

these officers were installed by Judge T. A. Hicks of Wichita. Other clubs in the city on the celebration and the movement of the guests for Among those assisting were Rainbow girls who were led by Mrs. Leo Foster and Mrs. Other clubs and groups in schools both in Burkburnett and assisted.

IT'S HERE! BIG NEW MONEY-SAVING DODGE Beauty Winner of 1936!

Famous for Ruggedness, Dependability, Safety and Economy, New Dodge Hailed by Noted Auto Editors as Smartest and Most Handsomely Styled Car in Dodge History

EVERYONE knows Dodge as the car that has smashed all records for ruggedness... for dependability... for amazing gas, oil and upkeep economy. Everyone knows Dodge as the car that has survived the most tortuous safety tests that scientific ingenuity and human daring can invent. Now Dodge steps out ahead with breath-taking beauty... sets the pace for all 1936 cars with sensational new style and smartness.

Hailed by Auto Editors

All over the country noted automobile editors and stylists—men and women who know their motor cars and style trends—are showering praise and admiration on the new Dodge—its every stunning line and feature—its rich, new interiors. And no wonder they all enthuse. At very first sight you, too, will recognize the sheer beauty and luxury of this new Dodge. This "Beauty Winner" of 1936 gives you all the things you should demand of a motor car—the things you are entitled

to. It gives you the kind of a ride that would thrill you even in the most expensive American or European motor cars, yet with the amazing economy of operation everyone knows Dodge provides.

Safety-Steel Bodies

It gives you the time-proved safety of Dodge genuine hydraulic brakes... safety-steel bodies... the finger-tip, toe-tip handling ease of Balanced Driving Control... new, more spacious interiors, trimmed in richer, more expensive materials... and above all, it gives you the economy of the powerful Dodge engine which will save you money every mile you drive.

See this brilliant new Dodge today. Drive it. See for yourself how much extra value this big Money-Saving Dodge gives you for just a few dollars more than the lowest-priced cars!

YOU'LL FIND MORE COMFORT than ever in this new Dodge rear compartment. More spacious than before, it is trimmed in richer, more expensive materials and provides every luxury and convenience you could desire... "chair-height" seats... longer, more restful arm rests... handy ash receivers... and many other smart appointments.

PROTECT THEM IN THE DODGE Safety-Steel Body

Dodge pioneered in building safety-steel bodies. Over the years, Dodge engineers have put these bodies to the most tortuous safety tests that scientific ingenuity could devise. And now the big, new, Money-Saving Dodge gives you a steel body that is even stronger, more rigid than ever before... steel reinforced with an even more sturdy framework of steel pillars, corner posts and side braces—all welded together into a rugged network of steel. You and your family are entitled to the safest

body construction you can buy—and you get it in the Dodge safety-steel body—the body that has 21 years of experience in steel body building behind it!

GENUINE HYDRAULIC BRAKES were pioneered by Dodge—have been tried and proved in the toughest test of all—time! Always easy to operate, always equalized, Dodge genuine hydraulic brakes stop you quickly—surely—safely!

Big MONEY SAVING DODGE

NOW ONLY A FEW DOLLARS MORE THAN THE LOWEST-PRICED CARS

"JALNA" FAITHFUL SCREEN VERSION OF POPULAR NOVEL

aining all of the power and dis- charm of the novel and ad- dressing the local premiere of "Jalna" at the Palace Theatre Thursday indicates a production destined to have the same tremendous popularity picture which it attained in form.

perfectly balanced cast invests the Whiteoak family with a wealth of vitality, literally making members of the picture Whiteoak family from the pages of Mazo de la Roche's book to full bodied life. The cast includes Kay Johnson, Ian Hunter, David Manners, Molly Lamont, Theodore Newton, Jessie May, Nigel Bruce, Clifford Severn, Aubrey Smith, Halliwell Hobbes, George Olfenderman, Jr., Forrester Harvey and Daisy Belmore.

"Jalna" is the name of a farm- house housing a family composed

of strong personalities living to- gether in a jangled harmony which is disrupted when two beautiful young brides are brought into the circle. Scarcely had the petulant Eden brought Alayne, when Piers explodes a bombshell by marrying Pheasant Vaughan, with whom the Whiteoaks are not on friendly terms.

When the tumult subsides, more dangerous currents are set in motion. Alayne, disillusioned by the shallow character of her husband, finds herself falling in love with her brother-in-law, Renny, stalwart master of Jalna. Renny reciprocates but the two put loyalty above love. Eden is content with Pheasant, who is semi-receptive to his advances be- cause of Piers' neglect.

The characters skate on the thin ice of mismatched marriage to a stir- ring denouement leaving the fam- ily circle intact and with group loy- alty still paramount.

W. T. Vance Honored By Relatives Sunday

A large group of relatives visited W. T. Vance, justice of peace of the Burk Burnett precinct Sunday, and held a reunion at the home of the local citizen. Mr. Vance, who has been ill for several weeks was re- ported as improving, and the mem- bers of the family gathered for an all-day visit with him. Among the visitors were Mr. and Mrs. A. Dick- erson of Dade, Okla.; Mr. and Mrs. J. J. Blair of Olustee, Okla.; and Lee Vance of Olustee, Okla. Mrs. Dick- erson and Mrs. Blair are sisters of the local citizen and Mr. Vance is a brother. Vance Dickerson, of Dade; Mr. and Mrs. E. D. C. McNeill and children, Mrs. Edith Goodlett and Wade Goodlett, and Mrs. Hammet Vance visited with the local people. Mrs. Neta Pettijohn and children were present.

Burk High School Students To Vote On Hall Of Fame

Students of Burk Burnett High School will cooperate in the selec- tion of a Hall of Fame for Texas State College for Women (CIA), ac- cording to principal.

Plans are now under way for the election of ten prominent Texans to comprise the original group. A com- mittee in charge of the Hall of Fame has prepared a ballot of twenty-two names, and students from approxi- mately 850 high schools in the state will vote the last week in Oct. to select their favorite Texas heroes and heroines.

Students will also be permitted to add any individuals to the bal- lot who they deem worthy of the recognition. No living person is eli- gible for the Hall of Fame, but no other restrictions have been made.

Burk Wolf Hunters Capture Rare Animal

B. F. Sanders, Buster Morgan and George Counter of Burk Burnett bag- ged an unusual catch last Saturday night when they cornered a black coyote in an interesting chase near Electra. The coyote is not a rare animal in this section, but very few people have seen one of the rare black colored species. The fur is beautiful and will be highly treas- ured by the hunters. The animal was caught after a long chase with dogs near Harold and Electra, and the hunters themselves were sur- prised at the unusual trophy that they added to their long string of lucky catches.

Big Rabbit Creek

Oct. 13, 1935

Mr. and Mrs. D. L. Alexander's oldest son was struck with a severe attack of appendicitis last Thurs- day and was taken to the Wichita hospital and was operated on twice, the writer has been informed that the appendix was bursted and the little fellow was considered by the physicians and nurses to be in a critical condition. It was reported Sunday morning that the little fel- low was holding his own. He is the grand son of Mr. and Mrs. J. A. Alexander who owns a farm 2 1-2 miles south of Randlett. It's hoped by Mr. and Mrs. D. L. Alexander and host of friends in the Rabbit Creek community that their little son will soon recover from his op- eration and will soon be able to be brought home.

Well sir, Saturday morning, just as the sun was peeping over the Eastern Horizon who pulled up to the Owens family in their fine new Dodge car but Mr. and Mrs. John Ashton. So out of the car Bro. John jumped and started to the house when Hawkeye met him and asked Bro. John what he had on his mind. So early in the morning, so John said he wanted to borrow the boys new Cross Cut saw to saw some heavy oil timbers into. Of course the boys haven't anything too good but what Bro. John can get any time he comes after it, so after Bro. John got the saw and started to the car Hawkeye asked John who was going to help him saw those big timbers. Oh, he says I am just getting the saw for my wife as she will do the sawing as I am not able to pull one end of the saw. Hawkeye tried his best to get to the car before they left as he was going to put a bug in Mrs. Ashton's ear about sawing those big pieces of timbers for her better half, but they got away before Hawkeye could talk to Mrs. Asht- on.

The city of Randlett is sure doing a great business for the past 10 days or so. Believe it or not they certainly are handling lots of money up in Randlett as Hawkeye knows what he is talking about. One day of last week Mrs. Owens had a bunch of cotton pullers pulling cotton. They had pulled 2713 pounds at 50c per hundred and had \$13.56 coming to them and in the mean time one of the ladies that was pulling got a long distance call from Cado, Okla., that her mother was very sick and to come home at once. Of course Mrs. Owens had to pay them and let them go home. So she had to give them a check. Before the checks were given she phoned to 3 or 4 business men in Randlett to see if they could cash the checks. They said they would cash them so the checks were given in 3 denomina- tions and when the checks were presented by their owners they just didn't have the money. So after phoning all over the town of Rand- lett for over an hour, the cotton pickers finally got their checks for \$13.56 cashed. That's some town where it takes over an hours time to phone all over town for that amount of money. Lots of business.

Cotton pulling and picking will start up in full blast again Monday as cotton is opening up very fast.

Mr. W. H. Martin is having his fine lot of feed cut the last of the week. Mr. John Ford is cutting the fine feed with his one row binder.

Mr. Tobe Hardin and Mrs. Martha Nails and her son Charlie all spent Sunday visiting with friends up on Deep Red.

The writer has been informed by Col. Penwell of Randlett, Friday morning that he was looking for the oil promoters the first of this week to close the contracts for the 4,000 acres for which has been blocked up north east of Randlett. The pro- motors is supposed to arrive in Rand- lett Monday or Tuesday to close the deal.

A Mr. D. W. Combs, out of Wich- ita Falls, another oil promoter who was trying about 10 days or two weeks ago to block up 15,000 acres in the Big Rabbit Creek neighbor- hood is blowed up for unknown cause as he has never showed up since.

Well Hawkeye and his help mate accompanied by W. H. Martin and his daughter Winnie June were on the streets of Burk Burnett which used to be called the busy streets. Hawkeye means they were busy dur- ing the life of the big trades day on Saturday's. Last Saturday you could go into any business place and you would be served at once as the clerks had plenty of time to show you everything they had in their store, besides sitting down and talking to you on general topics. Two weeks ago last Saturday there were 5,000 or more people on the streets to where there wasn't as many as 2500 last Saturday. Every farmer is wanting the \$25.00 trades day back again. A bird in the cage is worth two in the bush.

HAWKEYE.

If there were no crooked lawyers who would nice people get to do their dirty work.

Clara Lutherans To Hold Mission Fete At Church Oct. 27

The Clara Lutheran church will hold an annual mission festival at the church all day Oct. 27, in the elaborate program that will present some of the strongest speakers of the church. Lunch will be served at noon, and one of the largest crowds ever gathered for the service is ex- pected to be present for the occasion. The pastor of the church, Rev. Paul Kaiser spoke at the festival of the Harold church on a similar occasion last Sunday.

Many speakers from the large churches over the state will be pres- ent, including the pastor of the Amarillo church. The meeting is for the purpose of stimulating an inter- est in the mission activities of the church, and is held to raise the funds for that program. The pro- grams held in this community in the past have been extremely success- ful, and this meeting is expected to be one of the best.

Methodist Church

9:45 a. m. Sunday School.
11:00 a. m. Morning Worship— "Jesus Only" will be the theme for the message by the pastor.
6:30 p. m. Senior League.
7:30 p. m. Evening Worship— "Nothing" will be the subject of the message.

We are hoping to see you at these services if you belong here. Sunday will be the closing Sunday for this conference year, and we would be glad to have the best possible con- gregation.

L. G. HAGARD, Pastor.

Mrs. Curtis Grayam Honoree At Shower

Complimenting Mrs. Curtis Gray- am, Mrs. Virgil Davidson entertain- ed with a lovely shower, Friday, Oct. 11, at her home, three miles south of Burk Burnett. The living and dining rooms were decorated with Autumn roses. After a gracious welcome by the hostess the program was opened with the song, "Blest Be the Tie." Mrs. H. S. VanCleave, teacher of the Young Matrons Class of the First Baptist church, gave an interesting talk on the faith of our mothers.

Mrs. J. H. Bentley in her presen- tation talk paid tribute to mothers, and Mrs. Davidson presented a

friends assembled. A dainty plate of cake and punch was served to the following: Mesdames J. L. Barnes, Grace Hawkins, Murphy Dean, W. P. Russel, J. Y. Simpson, H. S. Van- Cleave, J. N. Martin, W. T. Bush, L. F. Foster, B. F. Gilchrist, Roy Magers, A. H. Lohofener, J. B. Riley, J. H. Bentley, G. L. Shaffer, Virgil Davidson and the honoree, Mrs. Grayam.

Those who were not present but sent gifts were: Mesdames Brack Preston, Harliss Goodwin B. O. Oliv- er and S. H. Patrick.

Sunday Services:
Sunday School, 9:45 a. m.
Morning Services, 10:30 a. m.
Topic: "Our Great Obligation."
Evening service, 7:30 p. m.

Paint, Body and Top Department

J. M. Nicks will have charge of our paint, body and top department. Mr. Nicks is an experienced man in this line and will give you a first-class job, whether it be a small dent in a fender or a complete wreck. Both Fisher bodies and all-steel bodies.

GILBOW MOTOR COMPANY

PONTIAC SALES AND SERVICE

111-113 Main Street

BURKBURNETT, TEXAS

USED CARS BOUGHT AND SOLD

HOME TOWN SERVICE

The best part about your telephone service is that it's home town service—tailor-made for you at the switchboard by people who live and work here.

Experts on American Tele- phone & Telegraph Company's headquarters staff can develop better methods of giving you service. Scientists of Bell Tele- phone Laboratories can con- tribute new inventions and scientific developments. West- ern Electric can buy and manu- facture economically for the 24 operating companies of the Bell System.

And all of these things can —and do—help us tremendously at the job of giving you good telephone service at a fair cost.

Yet not one of them could replace the qualities of friend- liness and neighborliness which grow out of the fact that the men and women who operate the telephones here belong to and are part of this community.

You can't measure those qualities. You can't set them down on monthly reports. Yet they have a large part in the job of providing telephone service. Southwestern Bell Telephone Company.

SAFETY—SERVICE—EFFICIENCY

PTA Hold Safety Meeting Tuesday

The Parent-Teacher Association met in the safety meeting at the regular session in the Central Ward school auditorium Tuesday afternoon. The attendance was good. The president Mrs. M. A. Oyster, was in charge and the meeting was opened with prayer by Mrs. Butler Westfield. The program was presented by Mrs. H. C. Preston.

The book was opened with a playlet presented by the first grade pupils under the direction of Miss Allen and Miss Billingslea. Those taking part were Wanda Cruce, Jackie Shuffler, Billie Boyd, Dorothy Boyd, Donald Brookman, Stacy Jenkins, Margaret Chambers, Sonny Wolf, Jennie Bob Schimshier, David Allan Kimbell, Dorothy Ann Preston, Genevieve Marchand, Mable Colborn, Joan Bullock, and Nell Johnson.

J. J. Blackstone spoke on fire prevention and Frank Kelley assisted in a speech "Educate for Safety Mindfulness". The room under the direction of Miss Billingslea won the book for greatest percentage of mother's attendance.

Famous Employees And Friends Have Picnic Wed. Night

The employees of the Famous store and friends of Burk Burnett held a weiner roast and picnic at Prescott Park Wednesday night when they met at the play ground for an evening of eats and fun. The group gathered in front of the Burk Famous store at 6:30 and went to the park. There were games and eats for the entire group. The master of ceremonies for the evening's fun was R. L. Mattingly, manager of the store.

Among those present were: Mr. and Mrs. Leonard Mattingly, Mr. and Mrs. B. F. Gilchrist, Mr. and Mrs. F. A. Jamieson, Mr. and Mrs. John Brookman, Mr. and Mrs. Monroe Prinzing and family, Mr. and Mrs. Jimmie Johnson and family, Mr. and Mrs. Henry Brumme, Mr. and Mrs. Lloyd Morrell, Mrs. Artie Whitesides and son, Mrs. Edna Marshall and family, Mr. and Mrs. Smith and daughter and Mr. and Mrs. Ray Nichols of Wichita Falls.

Weekly Cotton Report

The report from the Farmers Cooperative and the Burk Burnett Gins show that the cotton ginned in this area reached 1306 bales Tuesday night this week. The report indicates that the cotton picking in the district has reached its peak, and that probably twice as much of the crop will come into the city during the next few weeks. Ideal weather conditions for both the picking and maturing of the cotton have prevailed the last few days. With warm days and plenty of sun shine a large amount of bolls have opened, and the pickers have been able to keep in the field.

Sheriff's Sale

THE STATE OF TEXAS,
County of Wichita.

NOTICE IS HEREBY GIVEN that by virtue of a certain order of sale issued out of the Honorable 78th District Court of Wichita County, on the 26th day of September 1935 by District Clerk of said court for the sum of Twelve Hundred Fifty Seven and 61-100 DOLLARS and cost of suit, under a certain Judgment, in favor of Wichita Falls Building and Loan Association, a corporation in a certain cause in said court, No. 29039-B and styled Wichita Falls Building and Loan Association, a corporation vs J. R. Moss et ux and placed in my hands for service, I, Pat Allen as Sheriff of Wichita County, Texas, did, on the 4th day of October 1935 levy on certain Real Estate, situated in Wichita County, Texas, described as follows to-wit:

Lot No. Eleven (11) in Block No. Twenty-Six (26) of the Scotland Addition to the City of Wichita Falls and levied upon as the property of J. R. Moss and Myrtle Moss and that on the first Tuesday in November 1935 the same being the 5th day of said month, at the Court House door, of Wichita County, in the City of Wichita Falls, Texas, between the hours of 10 A. M. and 4 P. M. by virtue of said levy and said Order of Sale, I will sell said above described Real Estate at public vendue for cash, to the highest bidder, as the property of said J. R. Moss and Myrtle Moss.

And in compliance with law, I give this notice by publication, in the English language, once a week for three consecutive weeks immediately preceding said day of sale, in the Burk Burnett Star, a newspaper published in Wichita County.

Witness my hand, this 4th day of October 1935.
PAT ALLEN,
Sheriff, Wichita Co. Texas.
By A. J. Chambers, Deputy.

Oldsmobile Prices Are Reduced

The Burk Burnett Chapter of the Order of the Eastern Star met in the Masonic Hall, filled to capacity and beautifully decorated with cut flowers of various kinds, for the purpose of entertaining the Grandfield and Devol chapters with an impressive initiatory service. The service was led by Mrs. C. O. Marker, Worthy Matron.

Mrs. Leo Foster sang during the ceremony of initiation songs that were appropriate for the service and very beautiful. The candidates were Unice Miller, and Modine Anderson. After the interesting talks were made by the new members and visitors refreshments were served to the guests.

Clyde Elder Appointed Mag Wholesale Man

Clyde Elder of Burk Burnett, manager of the Magnolia Station at Main and Ave. D has been appointed by the company as wholesale agent for Burk Burnett to succeed F. P. Hodge of Electra, Texas. Mr. Elder has been a citizen and progressive business man of the city for fifteen years. During that time he has worked for the Magnolia oil company for 14 years. He has served as truck driver, agent and finally as manager of their main station in the city.

Victor Spearman of Burk Burnett has been appointed as assistant manager of the station in Burk Burnett and will work under Mr. Elder. Mr. Spearman succeeds the late Jo Coffey, whose tragic death occurred recently.

Mrs. Hicks Reviews Book At Current Lit. Club Last Thursday

Mrs. Hicks' review of "Stark Youngs so Red the Rose" featured the program of the Current Literature club meeting at the home of Mrs. W. D. Bent last Thursday afternoon. The leader of the program was Mrs. T. H. Boling, and the subject was a "Texas" program. The roll call was answered by the members responding with the name and work of a Texas writer.

The book review held the interest of the entire group. The book is one of the most popular that has been written in several years by Southern writer. Mrs. Joy Sessums gave the "Life and Work of Stark Young," the author of the interesting book.

Mrs. Bent served delicious refreshments to the following: Mrs. E. J. James of Vernon, a guest of the club, and Mesdames T. H. Boling, J. L. Caffee, Fred Flanagan, B. F. Gilchrist, J. N. Hicks, F. A. Jamieson, George T. Kimbell, Rex Kolter, Roy Magers, M. W. Majors, J. R. Prince, Joy Sessums, Neeley Vaught and A. H. Lohofener.

Morgan Circle Meets Monday For Election

The Morgan circle of the Baptist WMU met at the home of Mrs. Hattie Buchanan for a business and election meeting of the organization. The circle chairman elected was Mrs. W. P. Russel. The other officers were: Assistant chairman, Mrs. B. L. Turner; stewardship, Mrs. Hattie Buchanan; benevolence, A. W. Salter; personal service, A. W. Salter; literature, Murphy Dean; secretary, and treasurer, C. T. Brookover; publicity, Mrs. W. A. Strickland.

The meeting was opened by prayer by Mrs. A. W. Salter, and the beautiful devotional service was brought by Mrs. W. P. Russel. Eight members present were dismissed by sentence prayer. The meeting October 28 will be at the home of Mrs. B. L. Turner.

PROVIDING legal tender more convenient than mental coins paper money is printed by the government in the building shown here. But paper money is only the base on which the banks of America have erected the marvelous credit structure which makes business possible on the immense scale we know today. Here in Burk Burnett the First National Bank provides both business firms and individuals with the ultimate in financial service.

"Serving Burk Burnett Since 1907"

Oldsmobile Prices Are Reduced

New low prices for the 1936 Oldsmobile were announced today coincident with the initial showing of these new cars by Barrow-Grace according to Henry Grace local manager.

Although every proven feature necessary to safety, comfort, performance or economy has been retained and many new ones added in the 1936 Oldsmobiles, the delivered prices will be lower.

Public demand for Oldsmobile cars, which resulted in new all time highs in production and sales, has made the low new prices possible.

"In addition to those advantages which have contributed so heavily to Oldsmobile success... such as knee action wheels, super hydraulic brakes, solid steel 'turret top' body—many new refinements of motor, body and chassis have been built into the new 1936 models", stated factory officials.

Safety glass is now standard equipment throughout, in all body types. Electro-hardened aluminum pistons give increased economy of operation and smoother, livelier performance. Scores of other improvements have been engineered into the new cars.

Despite the many additional values in the new cars, the new lower prices of the Oldsmobile eight and \$17.50 in the delivered prices of the Oldsmobile six.

Mrs. E. Thompson Honored At Shower

Mrs. Eldon Thompson, who was Miss Evelyn Mills until her marriage last Sunday, was honored at a lovely shower, at the home of Mrs. H. C. Thompson Thursday afternoon, Oct. 10, with Mrs. O. B. Thompson assisting as hostess. The party was held at the Stringtown home of the hostess, and the group of friends were entertained in a series of interesting games and contests.

The wedding motif was carried out in the decorations, and after the entertainment, the bride was presented with a large number of lovely gifts. The presents were passed to the group present.

Those who were served a plate refreshment were: Mesdames J. B. Leith, H. C. Mills, Carl Miller, H. D. Brown, Y. C. Paschall, A. R. Bunstine, Harry Wiltshire, L. B. Herr and daughter, Fred Voorhies, Hut Buzbee, Wiley Bloxom, M. R. Hewell, F. O. Minick, D. M. Morris, B. N. Cauthorn, R. G. Hayes, Troy Miller, Claude Cox, C. A. Jordan, J. O. Donehoo, J. B. Strickland, O. V. Thompson, Raymond Holland, H. C. Thompson, E. W. Thompson, and Misses Juanita Strickland, Flodell Strickland, Letha Faye Minick, Marie Hewell and Opal Thompson.

Those who were not present but sent gifts were: Mrs. Will Teal, Mrs. W. A. Waldruff, and Mrs. Hubert Thompson. The party wished the honoree many happy years, and expressed appreciation for the entertainment.

Lockett Circle Meets With Mrs. Lewallen

The Lockett Circle of the Baptist W. M. U. met at the home of Mrs. M. E. Lewallen Oct. 14 for a business session of the group. The meeting opened with the songs "Jesus Calls Us and What a Friend We Have". The devotional prayer was led by Mrs. Pinkston, and the devotional given by Mrs. Lewallen from the 96th Psalm. Prayer by Mrs. Carnes. After the business session Mrs. Johnson dismissed the group. Those present were: Mesdames Stucky, Brookman, Kent, Carnes, Pinkston, Bundy, Johnson, Lewallen, and Miss Grace Russel.

CRACKS-MOSTLY ABOUT NUTS

Somebody printed a poem several years ago that will be worth repeating. It is titled "Advice to the Lover."

Lives of great men all remind us
As the pages of Life we turn
We will die and leave behind us
Letters we had better burn.

Since reading that I have often wondered why we as a race enjoy doing nutty things. On the whole people don't seem to get much fun out of living unless they are making donkeys out of themselves. Or maybe I should say hog's.

Definitions
Narrow minded person—Somebody that doesn't agree with you.
A scoundrel—A person that does you before you get your chance at him.

A crank—A person that threatens one of your pet ideas or superstitions.
A radical—Anybody that dares do a little thinking.

A snob—Somebody that found you out.

More About Donkeys
I really wish to apologize to the animals. Really meant no slam on the four footed kind. Any close observer will know that a donkey knows his limit. That's a whole lot more than most human beings seem to know.

But when I think of that boy that drank 34 glasses of water to win a bet, or the woman that walked backward from St. Louis to San Diego or the man who carried a bale of cotton from Texas to Chicago—I'm sure the donkey has a laugh at the bipeds.

Politicians
If hypocrisy wasn't so nauseating, I would be amused by a situation that has developed here. A group of people that profess to back a present city administration are actually providing the funds to fight it. Naughty boys—the goblins 'll git you if you don't watch out.

That reminds us of a story about a politician. One humorist once said a good politician is a man that can

BEAR TRACKS

Edited by the Students of Fairview School

SENIOR NEWS

Senior class meeting, October 14, after school, was called to order by the president, H. B. North. The Hallowe'en Carnival was decided upon. A party was held for October 29. The meeting then adjourned.

EIGHTH GRADE NEWS

Freshman class put on the last Thursday morning. It was one of some musical numbers and short plays. The class met Monday afternoon, October 14, and decided on their Hallowe'en Carnival. The "House of Horrors" was the chairman then presented the social calendar for the

Hamburger fry. Theater party. Christmas party. New Year's Eve party. Valentine party. Weiner Roast. April Fool's party.

EIGHTH GRADE NEWS

Eighth grade decided if a Hamburger Fry, they would try it. They gathered around the bar at the Fairview Teacher-fried hamburgers to their content. Mr. and Mrs. Jim room sponsors, Mrs. L. O. Mother and Mr. and Mrs. H. assisted Pat Thompson, sponsor, in entertaining the as far as we can tell this none were unable to attend due to eating too much, are just a trifle lazy as would be after such a feast.

SPORTS

First conference basketball Friday night, October 11, between the Fairview Bears and Geraldine Cougars was a tight battle. The Bears came out with the score 28-21. Friday night, October 18, the Bears will play their second conference with the Cashion Cats. Of course the hope to be successful in this game, but they are expected opposition from their famous

SOUTHERN HOSPITALITY

Fairview Volleyball team, largely of girls who are the game for their first time at believers in southern hospitality. It is an old southern custom, polite and nice to visitors. Volleyball team of this year is out that old precedent by the first game and giving out two to the visiting team. Words the Geraldine volleyball team beat the Fairview last night. Let's hope that Cash-

ion will show that old Southern hospitality Friday night and that the Fairview girls will emerge victorious.

PEP SQUAD ORGANIZES

There are among the Fairview high school students some who, for various reasons play either volleyball or basketball, but they are just as loyal to their school and just as anxious to see their teams win as if they were star players themselves. In order to prove their loyalty and faithfulness to their school this group of students met and organized a Pep Squad. The club was formally organized and the following officers were elected: Yell leaders, Ruby Jewel Williamson, Margaret Nell White, Carl Winkles, and Louis Bogy; President, Helen Parker; vice president, Iva Jim Banning; secretary and treasurer, Bennie Spencer and reporter Mildred Seidlitz. Besides the above officers the other members of the Pep club are: Anita Pharries, Marvadin Vines, Lois Edwards, Wilma Wigham, Thelda Seidlitz, Aelitta Blackwell, Henry Connell, Johnny Gifford, Gladys Alexander, J. C. Cauthorn, Louella Hennis, Avis Todd, Dorothy Cox, Connie Watson, Mildred Mills, Faye Morrison, Virginia Spencer, Lavelle Hancock and Ann Drennan. Mrs. Randall Watkins was elected sponsor of reorganization.

The material for the suits has already been ordered and is expected to be here any time. The suits are to be made up of white satin blouses, blue woolen skirts, and blue tams with the school initials. The club will start practicing on drills right away. After the suits are finished the club will give some kind of stunt or drill between the halves of each game on the home court.

BOY SCOUTS OF AMERICA

Troup 50 of the Fairview Boy Scouts under the direction of Scout Master Charles Lewis Jones, meet every Tuesday night at the school building.

It takes 32 boys to make a good troupe and we have only 28, so some of you come and join us. The group is planning a hike soon. Almost every boy is a tenderfoot and some are working on second class.

THE EXES

We have learned the whereabouts of our Exes of '35, now let us see if we can account for the Exes of '34.

In 1934 eleven seniors graduated. It was an unusual class, ten boys and one girl. The one girl, Helen Ruth King, has married one of the class members, Howard Conkling. They are making their home in Rush Springs, Okla. Howard is connected with the Chevrolet Company there, and of course Helen Ruth has very dutifully taken up the role of housewife.

Pam Conkling is living in Rush Springs also, and he also is married. He went back and found that

old sweetheart of his and she looked so good to him that he made her his. Pam is working with the Chevrolet Agency there.

J. D. Grizzle, Henry Hodges, and Vernon Miles are still here in Fairview community. J. D. keeps busy driving the family Ford, Henry helps Mr. Boyd sell his potatoes and beans when he has to sell a lot, and Vernon journeys off down to Alvord to see is Grandma and Grandpa occasionally.

Winfred Mills attended A and M last year and made a good record on the Freshman basketball team, making his letter in it, and also in track. He won the high jump event in the six Freshmen track meets, jumping the height of 6 feet and 1 inch. Winfred plans to go back at the mid term and put up a fight to get on the Varsity basketball team and also the Varsity track team.

Robert Northcott is now in Breckenridge.

Paul Ruffner is in Houston working for the Coffee Company and he is really making good, having received several advances already.

Leon Vines is at home, Stringtown, where he has been since he finished from F. H. S.

FAIRVIEW PTA TO MEET

The October meeting of the Fairview PTA will be held the twenty-first of October in the High school auditorium.

An attractive program is to be presented by the first grade.

Executive meeting of the Fairview PTA organization will sponsor a Hallowe'en Carnival to be given at the school on Wednesday night, October 30.

Each grade is to have a booth or take some part some way in the carnival.

The committee also decided to place a box in the bookstore, and in the box will be placed all the old clothes that the parents of children bring. The clothing is to be made over for the needy children in the community.

Every month the PTA gives a prize to the grade that has the most parents at PTA. This year the award is to be a large pot plant to the grades and a green fernery to the high school.

October 17, will be the regular executive meeting.

DELEGATES ATTEND COUNTY COUNCIL

Ten of the Fairview delegates attended the County Council meeting at Burkburnett.

It was mentioned at the meeting that the organization has paid its County Council dues and contributed to the endowment fund.

Burk Banks Remain Open Columbus Day

Contrary to the usual practice, the Burkburnett Banks remained open last Saturday in spite of the fact that it was Columbus day. The day usually calls for the closing of all of the banks over the state. However, in view of the fact that the city is so busy with the new cotton crop and other important fall business the banks decided to remain open.

The day was celebrated all over the Spanish and American world. The greatest festivity reached a climax in the South American republics, where the famed explorer is honored. The day represents his discovery of America.

When Day Is Done

With the close of each day, we put in the background the events of that day, looking forward to a new day and new accomplishments. With the doing of a good deed, that act is forgotten, and new endeavors are undertaken.

But it is well, now and then, to reconsider what has been done for us over a period of time, and to be grateful for progress.

Since the establishment of the municipal light plant, since the dream and the vision became a reality, it is easy to take the project for granted; to forget the benefits which are a direct result of the local plant.

It is a good idea to consider the lowered rates, the money kept at home for home consumption, the future benefits to be reaped, the pride of home ownership, to mention only a few advantages. Then follow the dictates of your loyalty: Be a booster for . . .

ANNOUNCING THE OPENING OF . . .

EDDIE YOUNG SERVICE STATION

CORNER MAIN AND AVE. B

I have purchased the station formerly operated by J. E. Musick. I will handle the powerful "MARTON" gasoline, that is BEST IN THE LONG RUN and Marton oils that stand up under every condition. This will be a quality station, built upon the ideal service.

I am a Burkburnett boy, a 1934 graduate of our high school, asking to be admitted into the business life of Burkburnett, upon my merits. I believe that quality products and appreciative service will command a portion of your business. Bring your car to me for a wash and "Simonize" and it will be returned fit for a fashion parade. Let me change your oil and grease your car, so that your driving will be trouble free.

Let me check your tires, water, battery-water and clean your windshield, whether you make a purchase or not. It is a part of the service that will always be cheerfully given at this station.

EDDIE YOUNG

"Best in the long run"

Mrs. Hammet Vance of Austin, Texas, visited her relatives in Burkburnett over the week-end.

Miss Vida Lee Woods left Monday for Slaton, Texas, where she will take charge of the Western Union station. Miss Woods has been in charge of the Burkburnett station for three years.

Mrs. B. F. Gilchrist and Mrs. T. B. Hamilton visited Mrs. A. E. Hamilton and T. B. Hamilton Jr. in Arlington, Texas, last Wednesday and Thursday.

Mr. and Mrs. R. L. Mattingly and Mr. and Mrs. B. F. Gilchrist and Coleen Mattingly visited in Oklahoma City last week-end.

Mrs. Johnnie Foster is visiting Mrs. Bill Martin in Muskogee, Okla., and will visit friends and relatives in Tulsa, Okla., later in the week.

Born to Mr. and Mrs. Cecil Allen at the Russell Clinic on Oct. 10, a daughter Cecilene Lee. Mother and daughter were carried to their home on Hayworth in an Owens - Brumley Ambulance.

Mrs. M. Nixon and infant daughter were carried from the Russell Clinic to their home on the Tucker lease near Thrift in an Owens-Brumley ambulance Saturday.

Mrs. Fred Hunt and infant daughter were carried from the Burkburnett Clinic to their home on the Tucker lease near Thrift in an Owens-Brumley ambulance Saturday.

Rodeo—

(Continued from page 1)

ferred will be the best that money is able to induce to attend. In the big money contests an entry fee of \$2 will be charged for the privilege to ride.

Parade At Noon

The big show will be started after the regular ceremony of the American Legion has been completed. The parade that will pass through the city streets will assemble at the corner of Ave. C and 4th streets, and will pass through the business district on its way to the rodeo stadium at Wester-Field.

Everybody in the city has been invited to enter the rodeo. All of the animals fit for parade will be exhibited in the procession. The performers, riders, and the stock used in the celebration will wind their way down the city streets. Any private organization that wishes to enter a float or cars and exhibits in the procession have been urged to be at the starting place.

Committees

The finance committee of the organization for the rodeo will be Alvin Hill and Harold Vanloh, with Curtis Cook general secretary serving ex-officio. Oscar Kemp will be general chairman. Guy Willis, Jess Ashton and Wid Phillips will have the entire presentation responsibilities.

The Legion representatives will be Steve Marchand and J. D. Majors. E. L. Nichols will assist with the band. The concession at the ground of the rodeo will be handled by the Pep Squad and the senior class of the school.

Booster Trip

The week before the production of the show the band will make a booster trip. The Legion and the Band will be the beneficiaries of the affair. They will share the profits of the adventure. The admission charge at the gate will be 35c for adults and 10c for children.

The headquarters of the rodeo have been established as the Chamber of Commerce organization. The information for the entire show can be acquired at the office of that organization. Tickets went on sale for the show Tuesday and the progress of the sale indicates that the show will be a huge success.

Legion Celebration

Starting Saturday the Legion will hold the most elaborate show commemorating the victory of the allied forces in the World War that Burkburnett has ever known. Saturday a street carnival will be produced on Main street at Ave. B. On the next day, Sunday, November 10, the memorial service in the form of dedication of the plot at the cemetery will be held.

Monday morning the guns will be mounted at the city hall and following the parade, the guns will be decorated and the annual memorial services held for the Legionnaires that have died.

Friendship Shower Given For Mrs. J. R. Shields Wednesday

A friendship shower was given to Mrs. J. R. Shields at the home of Mrs. J. L. Barnes, Wednesday. A number of songs were sang. A poem and story was read by Mrs. J. H. Bentley. Miss Grace Russell played the piano. Everyone enjoyed themselves.

The following ladies were present: Mesdames W. P. Russell, J. R. Shields, J. D. Kiepatrick, Atteberry, Vergel Davidson, Mae Daulton, Smith, W. J. Tyler, Edd Sheffler, Murphy Dean, J. H. Bentley, Buey Davenport, John Hoos, J. H. Bentley, Miss Grace Russell.

The grandmother and grandfather who were thrown together in an old-fashioned hammock should not be too quick to denounce the rumble seat.

Snappy and Lively Western at Palace

The whole family is in for a treat if papa will take mamma and the kiddies to the Palace Theatre Friday or Saturday to see "Tracy Rides" with the likable Tom Tyler once more emulating the examples of the real western heroes.

As is customary in these westerns, action and not long and involved story, is the keynote to the picture's popularity. These Tom Tyler pictures do not waste a lot of time sitting around talking, they are going places every minute and it generally keeps the Tyler fan on the edge of his seat in the effort to keep up with the action.

This time, Tyler is a cattle Association investigator out to discover the cause and persons involved in a systematic sheep rustling plan which is slowly but surely wrecking one of the association members. But Tom finds that he has a tough job on his hands, even the sheep rancher as the result of a misunderstanding. So Tom is up against the thieves and the people he is trying to protect. Some spot for a nice kindly cowboy.

Virginia Brown Faire contributes the romantic interest in "Tracy Rides", Charles K. French is the sheep rancher; Edmund Cobb, one of the boys who gets in bad; Carol Shandrew, the sheep rancher's wife, and Lake McKee as the villain.

Drink Water With Meals Good For Stomach

Water with meals helps stomach juices, aids digestion. If bloated with gas add a spoonful of Adlerika. One dose cleans out poisons and washes BOTH upper and lower bowels.—Corner Drug Store.

cal attention, so this show well patronized by the public it should be made as big as possible. Your contribution is requested.

As far as the patients concerned, this is purely a non-institution. A survey estimate are 25,000 crippled children as needing just the kind of institution this hospital is giving the public appealed to support this food matinee. One should see that there is attendance to assure the success of the affair.
