

Rites for Hartman Child Are Held Here Thursday

Funeral services for Melvin Ray Hartman, six-year-old son of Mr. and Mrs. M. W. Hartman of Silvertown, who died of burns on Wednesday, October 9, were held at the First Baptist Church in Wellington Thursday afternoon.

The accident which took the child's life occurred at the Hartman farm Tuesday about 12:30 p. m. as Mr. and Mrs. Hartman were preparing to do the family washing. Melvin Ray and his 9-year-old brother, David, had been sent for gasoline to start the washing machine. While it is not known just how the gasoline became ignited, it is believed that the boys walked too near a fire which was burning under a kettle of water.

In attempting to put out the boy's blazing clothes, Mr. Hartman was seriously burned on both arms and his face. Mrs. Hartman was burned on her arms and hands, and David Hartman was slightly burned on one hand.

Neighbors assisted in getting the family to Silvertown for emergency treatment, and from there they were taken to the Tulsa Hospital, where Melvin Ray died at 5:30 p. m.

The boy was born here March 29, 1940, and at the time of his death he was 6 years, 6 months and 10 days of age. While still a baby, the family moved from this county to Clarendon, where they lived for three years before going to Silvertown three years ago.

Funeral services were held at Silvertown preceding those held here. Rev. G. E. Elrod was in charge, assisted by Rev. Arnold and Rev. Barrett. Pall bearers were Paul Beavers, Walter Brannon, Arthur Arnold, Bill Edwards and Winston Hamilton.

Rev. Howard Jones, Rev. Melvin Porter and Rev. Elrod conducted the services here. Pall bearers were Muri Lacy, Jack Lancaster, Emory Hunter and Alvy Patterson. Flower bearers were Louise Lancaster, Wanda Lou Hartman, Nell Lacy, Rosa Patterson, Joan Lacy, Edith Jackson, Iowan Weaver and Louella Lancaster. Hymns included "How Beautiful Heaven Must Be," "Where We'll Never Grow Old," and "In the Sweet Bye and Bye." Local arrangements were under the direction of the Ellis Funeral Home and interment was in the Wellington cemetery by the side of the boy's sister, four-year-old Joyce Louise Hartman who died November 2, 1937.

Survivors include the parents and brother, and these grandparents, Mr. and Mrs. J. C. Hartman of Wellington and Mr. and Mrs. W. S. Crawford of Newlin.

Those from Silvertown who were here to attend the funeral were Mr. and Mrs. Paul Ledbetter and sons, Don and Ronald; Mr. and Mrs. Walter Brannon, Rev. G. E. Elrod, A. D. Arnold, Mr. and Mrs. Bud McMin, Mr. and Mrs. Irving McJenny, Mr. and Mrs. Seymour Brannon, Mr. and Mrs. Arthur Arnold and son, Walter; Mrs. J. H. Burson and Luree Burson, Mr. and Mrs. George Netherland, Mr. and Mrs. Johnnie Burson and family and Mr. and Mrs. Elbert Stevens.

Mrs. M. A. Mabry Injured in Fall

Mrs. M. A. Mabry of the Needwood community, one of the county's pioneer residents, is suffering from a hip injury which she received when she fell at her home Monday night, September 30.

Although no bones were found to be broken, her hip was badly sprained and she is still suffering considerably.

Mrs. Mabry was one of the earliest settlers of this county, having come here with her family more than 50 years ago.

Farmers Urged to Hear Farm Bureau Head in Radio Talk

Collingsworth County farmers are urged by the Farm Bureau to hear the radio address of J. Walter Hammond, president of the Texas Farm Bureau Federation, to be made before 4,000 assembled Farm Bureau leaders in Texas Thursday evening, October 24, at 7:15 p. m.

Jake Tarter, president of the county Farm Bureau, said the broadcast may be heard over stations WBAP, KGNC, KRID and possibly others.

"The address will be informative and educational. People interested in the agricultural security of our nation will want to hear Mr. Hammond speak," Mr. Tarter said.

VACANT, BUT NO VACANCY

OPA rent controls and landlord recalcitrance produced this at Wichita, Kans.—five apartments frozen at \$10 a month, but withheld from occupancy by owner H. F. Hudson, who said he wouldn't rent them until ceilings were raised to \$40 or Congress does away with OPA.

Rev. Chas. A. Knapp Is Now Pastor of Catholic Church

The Rev. Charles A. Knapp is now pastor of Our Lady of Mercy Catholic Church in Wellington, having succeeded the Rev. Andrew Quante, pastor here for several years. Rev. Quante is now pastor of St. Mary's Church at Groom.

Rev. Knapp comes to Wellington from Borger, where he was pastor of St. John's Church for five years. He also succeeded Rev. Quante, although not directly, at that church.

Describing himself as a Texan by adoption, Rev. Knapp was educated at Cincinnati, O., Amarillo, and at Kenrick Seminary, St. Louis, Mo.

Rocket B Team To Meet Hollis

The Wellington B football team will play the Hollis team at Powell field Thursday evening, October 17, at 7:30. The young Rockets are out for their first win, after dropping two games to Childress 12 to 6 and 14 to 0. The Hollis crew has won all its games to date and has a good club.

In the game with Childress, played here Thursday evening, the visitors scored on the first play from scrimmage the first two times they got the ball. The remainder of the game was a midfield battle with Wellington threatening twice.

The outstanding run of the game was a 30 yard pickup by little Wilbur Smith, a 90 pound back who skirted the big Childress end and was barely knocked out on the 10 yard line.

A small admission fee is charged for the B games, the coaches feeling that this is advisable in order to buy equipment for these boys and possibly a reserve letter.

Dodson Breeder Wins Poultry Show Honors

Van Bonneau of Dodson, breeder of fine Partridge Plymouth Rock chickens, took the first five places on pullets shown in the Oklahoma State Fair and Exposition at Oklahoma City recently. In addition, the pullet which placed first in this group was judged the best female in the show, Ray C. Cook, superintendent, has notified Mr. Bonneau.

The Oklahoma City show, however, is only one of several in which he will exhibit this fall. Eight of his best birds were sent to Dallas Thursday to be shown in the poultry division of the State Fair of Texas. Later, they will be exhibited at the national meeting of the Partridge Rock Club,

which will be held this year in Oklahoma City.

Mr. Bonneau at present has a flock of approximately 100 pure-bred chickens, the result of six years breeding Partridge Rocks. Altogether, he has been breeding parti-color chickens for approximately 15 years.

During this time, he has won around 250 ribbons—he has lost the exact count of these—representing exhibits in some of the outstanding shows of the nation. At the State Fair of Louisiana in 1942 he showed the best hen in the American class.

But these fine chickens are a (Continued on Page Twelve)

Soil District Gets Approval By State Board

The Salt Fork Conservation District, which includes all of Collingsworth County, has been approved by the State Soil Conservation Board, Howard Goss of that body notified Jake Tarter Monday, October 14.

With the assistance of Mr. Goss and Paul G. Haynes, conservationist for the Extension Service, a group of farmers met Monday to draw up the area boundaries of the five areas into which the county has been divided. Centers of these areas will be No. 1, Dodson; No. 2, Wellington; No. 3, Quail; No. 4, Samnorwood; and No. 5, Lutie.

The areas will coincide approximately with the school districts of those places except in the case of the latter two. Due to the size of the Samnorwood district, the north-south division line has been set two miles west of Lutie. All land east of that line is in the Lutie area.

Since area supervisors for two districts must be appointed at once to conform to the state law, Mr. Tarter was named for Area 2 and Wood Coleman for Area 4. Supervisors of the other areas will be in an election, the date of which will be set by the State Soil Conservation Board in its meeting October 21.

Bura Handley Re-Elected Chief

For the 28th consecutive year, Bura Handley has been named as chief of the Wellington Volunteer Fire Department. He is the only man to have served in that capacity since the organization of the department in 1918.

His re-election came at the annual meeting for the election of officers Monday evening, October 14. At the same time Monk Leggett was named first assistant chief; Lawrence Warrick, second assistant chief; Buster Hughes, president; Wayne Cudd, captain of Hose Co. No. 1; Russell Yates, captain of Hose Co. No. 2; Jim Williams, secretary-treasurer; Rev. Howard Jones, chaplain; Dr. Elmer Knox Jones, department doctor; and Elmer Earl Smith, mascot.

Dr. Jones who is now in New Orleans, La., will return here in January and will take over his duties with the department then. The department now has 28 members, two of whom are on leave while attending college. The members include Jack Atkinson, now at Southwestern Tech, Weatherford, Okla.; Glenn Brickey, Wayne Cudd, Hiram Cudd, Junior Cudd, now at West Texas State College, Canyon, H. E. Craig, Floyd Cole, Harold Drummond, W. R. Franks, B. O. Handley, George Henry, Buster Hughes, Cloyd Harris, Jimmie Kelso, C. R. Leggett, R. E. Leggett, V. H. Lindsey, Hubert Leach, L. V. Moore, Jack Minter, Morris Reed, O. B. Raburn, Temple Slay, R. L. Sisk, Earl Smith, J. L. Warrick, J. H. Williams and Russell Yates.

Their first production, "The Second Man," is a gay and sparkling comedy from the pen of one of the most brilliant modern playwrights, S. N. Behrman. He was an outstanding success on Broadway and later in stock presentation. It was chosen because its producers believe it will appeal to all the audiences of this area.

Among those appearing with Thomas and Walter are Ethel Korosy, a talented Hungarian actress, and Laurel Hunt. Thomas, who declares he got his start in productions staged in the Pampa High School Auditorium, attended Phillips University and later the American Academy of Dramatic Arts in New York. After graduation he did stock and acted on Broadway, then entered

C. E. Francis Escapes Injury in Airplane Accident Sunday

C. E. Francis of Wellington escaped with minor injuries when his airplane crashed from a low altitude at the local air field Sunday afternoon, October 13.

Coming in from the south for a landing, the wheels of the plane caught on the telephone wire which runs along the south edge of the field. This checked the speed of the plane abruptly and it landed on its nose, then flipped over on its back.

Mr. Francis, who was flying alone, received a bruised chest and skinned forehead and chin.

Damage to the plane, a Piper Cub, has been estimated at between \$1,200 and \$1,500.

Mr. Francis moved here recently from Vinson.

Carter Girl Receives Deep Cut on Face When Hit by Spring

Rachel Carter, small daughter of Mr. and Mrs. Elmer Carter, received a deep cut on her forehead recently when a baby jumper hanging in one room of the home came loose from the ceiling and the heavy spring struck her in the face.

Ten stitches were required to close the triangular cut which extended from near her hair-line to her eyebrows.

The little girl is a student in the second grade of East Ward School.

Second Annual County Flower Show is Planned for Saturday

Rockets-Blackhawks Clash There Friday

"It's plenty tough!"

That, in the minds of several thousand Wellington and Phillips football fans, describes the game that the Rockets and Blackhawks will play on the Phillips field Friday night, October 18.

While this is a non-conference game, in the eyes of many of the boosters, it is tops among the scheduled games.

It has become a habit for the teams to meet twice each year—once during the regular season, then as opponents for the regional championship. And in a sense, the Rockets are looking for a little revenge this time, hoping to turn the tables on their foes who twice defeated them last season.

The Blackhawks have lost only once this season, and that was to the Class AA Quana Indians last week.

Earlier they downed the strong Brownfield team 7 to 0. It was these same Brownfield boys who lost only 7 to 0 to the fabulous Amarillo Sandies at Amarillo, and even then they outgained their opponents on yardage.

"That's just an indication of the strength of the team we meet this week," Supt. Logan Cummings declared.

In other games, Phillips has defeated Dumas and Dalhart.

Most of the men on this year's Blackhawk team were players last year. The running attack is built around fleet halfback Eldridge, but he in turn receives good assistance from backfieldmen Jackson and McLellan. Less spectacular—but equally damaging is the Blackhawk line.

Both teams are doped to win their respective district titles, and spectators at the game Friday may feel that they are having a preview of that game that decides the regional championship.

All Rockets are in condition to play and eager to get another chance at the Blackhawks.

Accompanying the Rockets to Phillips will be the Skyrocket band and pep squad.

High school will be dismissed for part of Friday afternoon, but the grade school schedule will continue as usual.

Dewey Barker Buys Gardner Station

Dewey Barker announced this week that he has purchased the Gardner Station from Floyd Gardner and is now in charge of the business. The station is located at the corner of 8th and Childress Streets.

Mr. Barker farmed in the Buck Creek community during the last year.

"I extend a cordial invitation to my friends to come by and visit me, and to those of you whom I do not know to come in and get acquainted.

Absentee Voting Opens in County

Absentee voting for the general election opened Wednesday, October 16, and all persons wishing to vote in this manner should apply to the county clerk for a ballot.

Absentee voting will continue through November 1, and the general election will follow on Tuesday, November 5.

City Boy Scouts Sponsor Magic Show on October 28

Bob Clark, one of the southwest's leading amateur magicians, will present a magic show with acts to entertain both adults and children on Tuesday, October 29, at the high school auditorium. The show is sponsored by the Wellington Boy Scouts.

Mr. Clark, who is secretary of the Shamrock Chamber of Commerce and former high school athletic director of that town, has had magic as his hobby for more than a decade, and he has developed a fast moving, up-to-the-minute show that rivals the performances of many professionals. He has appeared in Wellington

RE-ELECTED FIRE CHIEF

Bura Handley, chief of the Wellington Fire Department, was re-elected to that office for the 28th consecutive year at an election meeting Monday night.

Rural Communities Raise \$252 Toward County USO Quota

Two hundred and fifty-two dollars has been collected on the \$800 USO quota for the county, Joe Terry, treasurer, announced Tuesday evening. This amount has come from seven rural communities of the county.

B. W. Baird, county chairman, again urged that the work in this drive go forward, and Noah Cunningham, chairman of the area outside of Wellington advised workers in the various communities to complete their drives as early as possible.

J. H. Hobbs of the Ella community was the first person to contribute to the drive.

The seven communities which have reported, along with the amount raised, are:

Nicholson	\$49.
Midway	47
Buck Creek	45
Dozier	16
Quail	40
Ella	5
Kelley	50

The drive will begin Thursday morning, October 17 in Wellington. Workers named by chairmen Bobo Castleberry and Cameron Beam for the business section include:

Court house: Miss Margaret Shields; north side of square: Temple Slay, I. O. Ruby, Billy Hatch and Ennis Schaded; east side of square: Morris Reed, Tom Bryant, Pink Sullivan and James Harris; south side of square: Jack Hurst, Sam Gholson, R. L. Templeton and Cicero Gulley; and west side of square: Lowell Wells, Ansel McDowell, J. W. Wells and Myrett Henry.

"This is the last USO drive that will be held, and we sincerely hope that the fine record the people of the county have maintained in their support of such enterprises will be continued at this time," Mr. Baird declared.

New Classes to Add Variety in This Year's Event

Collingsworth County's second annual Fall Flower Show will be held Saturday, October 19, at the Community Building in Wellington, when the best of the autumn flowers of this section will be exhibited.

Arrangements for the show were made in a meeting Tuesday afternoon when committees to be in charge were named.

"We are expecting an even larger show this year than last. It is a county-wide event, and we urge all flower growers to enter whatever flowers they may have in bloom," Mrs. J. M. Strong, who called the meeting Tuesday, said.

"In addition, we urge everyone who is interested in flowers or flower growing to visit the show during the day," she said.

The show will open at 9:00 a. m. and close at 7:00 p. m.

The general committee to have charge of the show consists of Cameron Beam, Deskins Wells, Judge Howard Riggs, Mrs. Strong and Miss Joy Riley.

Other committees include: Music committee: Mrs. Tom Campbell, chairman, R. W. Faifer, Mrs. John Harper.

Advertising: Mr. Wells, Ernest Lewis and Goat Hopper.

Table preparation and room arrangement: Bura Handley and V. H. Lindsey.

Flower reception committee: Mrs. Bura Handley, chairman, Mrs. J. M. Orr, Mrs. Miah Dukeminer and Mrs. Creed Hill.

Arrangements committee: Mrs. Strong, chairman, Mrs. Cameron Beam, Mrs. L. A. Manzer and Mrs. Walter Starr of Quail.

Flower registration: Mrs. J. W. Thomas, chairman, Mrs. Harry Gilbert, Mrs. Chas. D. Slay and Mrs. Sandy Parsons Sr.

Flower location committee: Mrs. Pauline Swift, chairman, and Mrs. Jesse Cook.

Hostesses: Mrs. Mickey Kendrick, Mrs. Emory Hunter, Mrs. Cleo Templeton, Miss Hattie D. Wells, Mrs. Chester Fries, Mrs. Paul Starr, Mrs. Fred Lederer, Mrs. Horace Small, Mrs. John D. Glenn, Mrs. Sandy Parsons Jr., Mrs. Esdel Bartlett, Mrs. Bryan Denley, Mrs. Frank Johnson, Mrs. Morris Wells, Mrs. Frank Anderson, Mrs. Bob Stevenson, Mrs. Elmer Wynn, Mrs. Jack Nelson and Mrs. Alfred Knoll.

Grand prize program committee: Mrs. William Barjenbruch, chairman, S. R. Pinkston, and Bonnie Willis.

The following classifications will be observed: Class 1: Single flowers. Each flower is to be exhibited in a milk bottle.

Class 2: Three flowers, to be shown in any type container.

Class 3: Arrangement of 7 or more flowers of the same kind.

Class 4: Mixed arrangements.

Class 5: Potted plants.

Class 6: Foliage arrangement.

Class 7: Miniature bouquets. These are to be tiny flowers shown in small containers.

Class 8: Table arrangements.

Class 9: Arrangements of wild flowers.

Some of the flowers which will be seen in the show are dahlias, roses, chrysanthemums, marigolds, petunias, verbenas and many others.

All flowers must be brought to the community building by 9:00 a. m. Saturday morning and the judging will take place at 11:00 a. m.

First, second and third place ribbons will be awarded in each class. Winners of this year's awards are requested to keep their ribbons.

While the time for exhibitors to prepare for the show is short, it was thought that this coming Saturday would afford the best blooms.

Guest Singers Here For Third Sunday Singing Convention

The regular Third Sunday Singing Convention will be held at the First Christian Church in Wellington Sunday afternoon, October 20, at 2:30 p. m.

The Childress Quartet and Dudd Jones, widely known Dallas singing teacher, will be present to give special numbers. W. S. Brewer has announced. Other visiting singers are also expected.

The public is cordially invited to attend the singing.

Four Thousand Singers Convene Here at Oklahoma-Texas Meet

Singers from the Panhandle and Western Oklahoma, nearly 4,000 strong, gathered in Wellington Saturday afternoon and Sunday, October 12 and 13, for the annual Oklahoma-Texas District Singers Association convention.

Agreeing that this was the largest and best meeting of their group since before World War II, the members were convening here for the third time in four years.

In the business session which closed the convention Sunday afternoon, Alvin Byrum of Elk City, Okla., was chosen president of the Oklahoma-Texas District Singers for the next two years. M. H. Conn of Childress was re-elected first vice-president and Alvin Horton of Wellington was chosen second vice-president. Mrs. Dudley Allsup of Willow, Okla., was elected secretary and Mrs. Alvin Horton of Wellington assistant secretary.

Judge Luther Gribble of Wellington gave the welcome address which opened the convention. Frank Stamps of Dallas made the response in behalf of the singers.

Some of the outstanding quartets of the area were presented in special numbers, although the major portion of the program consisted of group singing. Among the special singers coming here were the All-Star Quartet of Wichita Falls and the National Quartet of Fort Worth.

Singers came from points as far distant as Oklahoma City, northeast Texas, Amarillo and Lubbock. The convention will be held in Quanah next year.

"We wish to thank all the business folks and anyone who helped in any way to make our singing a success. Everybody enjoyed the singing and everybody had a good time. And we feel that it was those of you who co-operated so wholeheartedly that made it a success," S. B. Owen, one of the retiring vice-presidents, declared.

Special mention was also made of the fine co-operation given by the townspeople, particularly in opening their homes to the visitors. "We did not need all the beds which were offered us, but we sincerely appreciate the generous spirit with which you helped to make our singing a success," Mrs. Horton said.

Face powder has brought an end to more single men than gun powder.

Cattle Lice Can Be Controlled

During winter and spring, cattle lice cause more injury to animals than at any other time of the year. Charles King and Paul Greeng, entomologists of the Texas A. and M. College Extension Service, say that cattle lice treatment should be given in the fall.

Cattle infested with lice are very unthrifty and can't keep up their own weight, the entomologists say. Another symptom is rough, coarse hair, and sometimes large bare patches appear on the neck and body where the animal has rubbed against fences and trees to relieve the irritation caused by the lice, according to J. W. Thomas, county agent.

Both rotenone and DDT are good treatments for cattle lice. Whether you use rotenone or DDT, two treatments, 14 days apart, must be given to control the lice successfully. You can mix a spray or dip with one pound of five per cent rotenone and 10 pounds of wettable sulphur with 100 gallons of water. If you use DDT, mix four pounds of 50 per cent wettable DDT with 100 gallons of water. You'll also control lice, say the entomologists, when you treat cattle for horn-flies in the spring with 25 per cent DDT. No lice treatment is necessary the following fall unless louse-infested animals are added to the herd.

For details on controlling cattle lice and other external parasites, see your county agricultural agent and ask for a copy of Extension Publication MS-760 "External Parasites of Cattle and Their Control."

Methodist Circuit to Hold Conference at Dozier on Sunday

The fourth quarterly conference of the Shamrock Methodist Circuit will be held at the Methodist Church at Dozier Sunday, October 20, at 3:00 p. m., Rev. Vernon Willard, the pastor, has announced.

Rev. E. D. Landreth, district superintendent of the Clarendon district, will be in charge of the service.

A cordial invitation is extended to all members and friends to attend the meeting, the pastor said.

Square Dance Contest Planned

Square dancers will have their night in Wellington—if enough of them can be found to form a team.

Russell Yates, who is in charge of the entertainment activities of the Veterans of Foreign Wars, announced this week that if a team can be located in the county, that organization plans within the next few weeks to arrange a dance at the community building which will include both square and round dancing, with maybe some boogie woogie, too. In fact, present plans are to have all types of dancing.

A square dance contest will be held, with a substantial award going to the winner.

Teams from Quanah, Shamrock and Childress have already indicated to Mr. Yates that they will take part if the dance is held. One of the leading bands of the area which can play for all types of dancing has been contacted.

Any square dance team that is interested—and callers as well as dancers are needed—should contact Mr. Yates at the city hall within the next two weeks.

CARD OF THANKS

We wish to express our sincere appreciation for the many thoughtful acts of kindness shown our family during the illness and death of our husband and father. Each expression of sympathy, the many floral offerings and the food brought by our friends and neighbors will always be remembered. To each of you who assisted in any way, we value deeply your friendship.

May God's richest blessings be yours.

We Observe Our- 10th. ANNIVERSARY

As we observe our 10th Anniversary in Wellington we extend you a cordial invitation to visit this modern service institution. We have spared no pains and money to build a store that would carry complete stocks attractively arranged for your convenience.

As we start on our second decade of service to the people of Collingsworth County and the larger Wellington trade area, we are grateful for the support and co-operation that has enabled us to build this store during the past ten years.

Your understanding and your consideration were and are greatly appreciated. We are also thankful for the many kind things you have said about our store.

While there are literally thousands of items carried in our store, we would like to emphasize once again that our primary service—the one to which we give the most painstaking attention was and is Pharmacy.

We have two registered pharmacists at the present time and one is on duty at any time the store is open. We have maintained the standard and the quality of this service at all times and the thousands of prescriptions that have been filled in the last ten years testify to the high standard Parsons has maintained.

We recognize the fact that we will continue to have an obligation to our customers in the next decade just as we have in the past, and you will find us trying to fulfill that obligation with all the sincerity and ability we can command.

Again let us thank you for your friendship, your understanding and your co-operation for the past ten years.

So he's

an electric eel, so watt?

All right, then, he r-eel-y isn't an eel at all, if you want to be technical. His name's Electrophorus (Gymnotus) Electricus—Jim for short. He's a South American cousin of the carp and catfish.

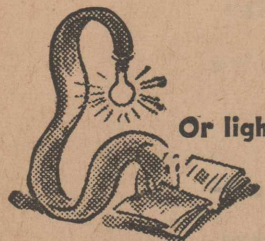

Maybe Jim does pack a wallop of 600 volts when he's hungry or annoyed (and he has a shocking temper)—BUT—

Can he wash 3 tubs of clothes?

Or tell the correct time for 4 days?

Or light a hundred-watt bulb for 3 hours—
for a penny?

You bet he can't. He's not usefully eel-ectrified. Frankly, you'd better flip a switch if you want convenient, dependable electricity—all you need—at low cost.

And speaking of low cost—did you know that the average family is getting twice as much electricity for its money as it did 15 years ago? That's no accident—like Jim and his temperamental voltage. Folks in this company have done a good job under sound business management. That's why your electric service is lower in cost—and higher in efficiency—than ever before.

Gospel Of Christ

(Rom. 1:16)

THE LIMIT ON PREACHING

"And the word of Jehovah came unto Jonah the second time, saying, Arise, go into Nineveh, that great city, and preach unto it the preaching that I bid thee." Jonah 3:12.

Preachers are not at liberty to preach anything they wish. They cannot preach the things their hearers delight in most. Every preacher is obligated to preach only what the Lord tells him to preach.

God is not responsible for the confusing theories that preachers are promulgating. "God is not the author of confusion." 1 Cor. 14:33. When any preacher preaches anything not authorized by the Word of God he is a blind guide and will lead souls to perdition.

The only preachers the New Testament authorizes to preach are gospel preachers. "Preach the gospel to every creature." Mk. 16:15. Teach "them to observe all things whatsoever I have commanded you." Mt. 28:20. "Preach the word." 2 Tim. 4:2.

In view of these things there is no room for the encyclicals of Rome; that eliminates any pre-lacy-formed manual or creed book; and it can not be God's will to preach of a certain feeling nor a peculiar experience. Those innovations cannot be found within the bounds of the Great Book. "Preach the gospel!"

Bob Wilder Injures Hand in Windmill Accident Recently

Bob Wilder of the Seale community is recovering from a painful hand injury which he received recently while repairing a windmill at his farm.

Mr. Wilder was working on the mill motor at the time of the accident. A puff of wind caused the mill to turn, catching the fingers of his right hand and crush-

ing them. He was brought to Wellington for emergency treatment and the ends of three fingers were amputated. His hand is reported as healing as rapidly as possible at present.

S. O. Norris left Tuesday for an extended visit in Oklahoma. From here he went to Elk City, after which he will visit his son, Carlos Norris, in Oklahoma City. He will also visit at other points in that state before returning here.

Kaye Stars in 'The Kid From Brooklyn'

Danny Kaye is newly starred in the Technicolor extravaganza, "The Kid from Brooklyn," a production that combines hilarious situations, songs, dances and satire, and emerges as what is said to be the star's funniest comedy. The picture opens Sunday at the Ritz theater.

Kaye currently burlesques the role of a timid Brooklyn milkman who wins, in a series of ludicrous flukes, a world's boxing championship. This situation carries the plot. Kaye's leading ladies are the pulchritudinous Virginia Mayo and Vera-Ellen who functioned as such in the comedian's last season's success "Wonder Man." To these glamour support must be added a new edition of the famous Goldwyn Girls.

In the course of spectacular production numbers Kaye shows his mastery of satire in his Pavlova number, a burlesque on the ballet, written for him by Sylvia Fine and Max Liebman, Virginia Mayo as Kaye's sweetheart sings "You're the Cause of It All" and "I Love an Old-Fashioned Song." Vera-Ellen as Kaye's sister, a night-club singer, sings and dances to "Hey, What's Your Name?" and dances again in "Josie." The Goldwyn Girls are seen in the "Sunflower Dairy" number, and also a spectacular production number, "Welcome Home."

Miss Jo Helen Norman Is Bride Of John H. Rose in Simple Ceremony on Sept. 29

The marriage of Miss Jo Helen Norman of Quail and John H. Rose of Sayre, Okla., was solemnized at the parsonage of the First Methodist Church on Sunday, September 29 at 3:00 p. m. Rev. C. C. Armstrong, pastor of the church, read the ceremony in the presence of the immediate families of the bride and groom.

The bride was attired in a powder blue suit and used black accessories. Her shoulder corsage was of white and pink chrysanthemums. Mrs. Rose is the daughter of Mr. and Mrs. W. B. Norman of Quail. She received her education there, graduating in 1944. Prior to her marriage she was employed at the Southwestern Associated Telephone Co.

The groom is the son of Mr. and Mrs. C. C. Rose of Sayre. He attended school in Berlin, Okla., and graduated in 1939; he also attended E. C. S. C. at Ada, Okla. Before entering the army in 1942 he was engaged in farming. After having served three years as a pilot, he was discharged in September of 1945.

Mr. and Mrs. Rose will make their home in Sayre until the groom enters Oklahoma A. and M. in January.

Following the ceremony a reception was held for the couple at the home of the bride's parents.

Immediately after the reception the couple left for a wedding trip to old Mexico.

Stu Dumas Orchestra Play Here Oct. 19

Stu Dumas and his orchestra, scheduled to play for a dance in Wellington a short time ago, has been rescheduled to appear at the Community Building under the auspices of the Glenn Moore Post of the Veterans of Foreign Wars Saturday night, October 19.

The first dance, also sponsored by the VFW, was called off when Dumas and his orchestra were unable to get here.

"Stu Dumas, the smallest dance band conductor playing, has already won a name for himself in the east, where he has played at some of the top entertainment spots. Disappointment was keen when he was unable to keep the date set for him here, and we feel that his appearance will be one of the top events we sponsor this season," Bo Yates, who is in charge of the plans, declared.

Dumas is leader of an 11-piece orchestra, one of the largest to play in this part of the state during the winter months.

"We will have a good band and one of the best floors in the Panhandle, and this means an evening full of entertainment for every one of you," Mr. Yates said.

Mrs. Lucy B. Wells is Honored On Her 79th Birthday With A Dinner Thursday Evening

In observance of her 79th birthday, the four children of Mrs. Lucy B. Wells honored her with a surprise birthday dinner Thursday evening, October 10. The dinner was given in her home, where she has lived during much of her 45 years residence in Collingsworth County.

Dahlias were used to decorate the dining table, and the white birthday cake was decorated with "Happy Birthday" and circled with pink candy roses.

Present for the dinner were Mrs. Wells children, three of her grandchildren, and two close friends. They were Mr. and Mrs. Pink Sullivan, James Sullivan, Deskins Wells, Diane Wells, Mr. and Mrs. China B. Smith and son of Iowa Park, Mr. and Mrs. Temple Atkins of Shamrock and Miss Hattie D. Wells. In addition to those who were present, she has three grandchildren and two great grandchildren.

Mrs. Wells is a member of one of the families prominent in the development of Collingsworth County. She came here as a young woman, in 1901, with her husband and oldest child. The county had just passed its period as a frontier area and was entering into one of rapidly expanding agriculture. Into this scene she fitted herself and aided in its development.

Like many others who arrived during that period, Mrs. Wells was from the South and had grown up among its rich and gracious traditions. She was before her marriage Lucy Barclay Duke, the oldest child of Charles C. and Hattie Miller Duke. She was born at Miller's Landing, Tunica County, Mississippi, on October 10, 1867.

Here she spent her childhood.

As a young woman, she went to Virginia, the state of her father's family, to attend an academy for girls at Charlottesville. Upon completing her work, she became a teacher and taught her first term in a small country school near that town.

Her parents meanwhile had moved to Texas, settling in Wise County. Mrs. Wells joined them here and again took up her work as a teacher, this time at Bowie, where she remained for several years.

She was married to Henry Wells, also of Wise County, on April 4, 1893 and the couple moved to Chico to make their home.

Eight years later, Mr. and Mrs. Wells came to Collingsworth County and first lived on a farm in the Fresno community. After a few years, they moved to Wellington and later built the house at the east edge of town that has since been known as the Henry Wells home.

Here they reared their children. After Mr. Wells' death in 1918, she determined that the ambition they had that each of the children should have a good education would be realized, and it was to this end that she worked.

Mrs. Wells has been a member of the Methodist Church since girlhood. She is also a member of The Eastern Star.

Mrs. Wells continues her quiet and gracious way of life, and while she is less active than formerly, she is just as alert and keenly interested as ever in what happens around her and in the world at large.

Luncheon at Community Building Opens New Year for 1924 Study Club on Oct. 10

The 1924 Study Club opened their new year with a luncheon at the Community Building on Thursday, October 10 at 1 p. m. The hostesses for the luncheon were the members of the year book committee who are Mrs. Sam Gholson, Mrs. Chester Fires and Miss Katherine Boverie.

Decorations for the table were dahlias in low bowls, and in between these bowls of dahlias were stems of pyracantha berries. At each end of the table were clusters of green bois d'arc apples. There was also a bouquet of dahlias on the piano. The new year books served as place cards.

Tomato soup, a salad plate arranged to look like a flower and angel food cake with whipped cream was served.

Music for the afternoon was presented by Benny Karnes and Misses Tommie Ann Campbell and Helen Jo Holder. Benny Karnes played two piano solos and Miss Campbell and Miss Holder sang "Alice Blue Gown" and "By the Bend of the River." They were accompanied by Mrs. Frank Anderson.

As conclusion of the meeting the president, Mrs. John D. Glenn, read the club creed.

Those attending were: Mmes. John D. Glenn, Clark Anderson, Tom Campbell, Frank Anderson, J. B. Castleberry, James Doneghy, D. G. Ellis, Frank Eikenburg, Kelly Pigg, Ansel McDowell, W. O.

Legion and Auxiliary to Hold Social Meeting on Thursday Evening

The American Legion and Auxiliary unit will hold their regular social meeting Thursday night, October 17, at the Legion Hall. The meeting will begin at 7:30 p. m.

Hosts for the evening will be Mr. and Mrs. Cecil Brown of Samnorwood, Mr. and Mrs. Elzie White of Lutie, Mr. and Mrs. George Clark and Mr. and Mrs. A. B. Cooper of Wellington.

All members of the Legion and Auxiliary are urged to be present for this evening of entertainment.

Mrs. John Bevers underwent minor surgery in St. Joseph's Hospital on October 10.

Miss Ruth Stall underwent a tonsil operation in St. Joseph's Hospital October 11.

In a simple but impressive church ceremony Miss Mozelle Branum and Jack Stanley, both of Amarillo, were united in marriage. The wedding took place in the West Amarillo Church of Christ on Thursday, October 10 at 11 a. m. Minister H. L. Gipson, pastor of the church, read the vows in a white arch entwined with white mums and greenery. The arch was flanked on either side by peach gladioli and palms.

The bride, who was given in marriage by her father, was attired in a blue wool tailored suit with brown accessories accented with a brown pillbox hat trimmed with a brown veil. She carried an arm bouquet of Joanna Hill roses.

Mrs. Paul Morgan, sister of the groom, attended the bride as matron of honor. She wore a brown tailored suit and used brown accessories. Her shoulder corsage was of white mums.

Billy Branum, brother of the bride, acted as best man for the groom.

Mrs. F. E. Branum, mother of the bride, wore a black dress with black accessories. Her corsage was also of white mums.

Mrs. Stanley is the daughter of Mr. and Mrs. F. E. Branum of Wellington. She received her education in the Wellington Schools. At the time of her marriage she was employed at English Field, near Amarillo.

The groom is the son of Mr. and Mrs. Joe T. Stoney of Wellington. After receiving his discharge from the army he was employed at the Fire Department in Amarillo.

After their return from a wedding trip to Oklahoma City, the couple will be at home in Amarillo.

VFW and Auxiliary Hold Social Meeting on Tuesday Evening

Members of the Auxiliary of the Veterans of Foreign Wars entertained the VFW at a covered dish dinner Tuesday evening, October 15.

Hostesses for the occasion were Mrs. Bill Hurd, Mrs. Clinton Epps and Mrs. Cloyd Harris.

Following the dinner, games of cards and 42 were played. Approximately 30 members of the VFW and the Auxiliary were present for the meeting.

The singers put the big pot in the little one here Sunday. Some people estimate that there were 3,000 people in Wellington for the occasion. At least they could not all get in the community building at the same time and had to take it in relays. Singers were here from Nashville, Tenn., Fort Worth, Wichita Falls and all parts of the Panhandle and Western Oklahoma. It was quite an affair and those local singers who first drew attention to Wellington as a desirable place in which to have a meeting are to be congratulated.

What will be the effect of lifting all GPA controls on meat prices? Local butchers and slaughterers think that the prices will go up drastically for a period. This may last from 30 to 60 days. After that they expect it to run into an ever increasing buyers' resistance and after that they expect it to settle back down.

Women in Seattle went on a buyers strike against the price of milk, and it is giving the milk producers plenty of trouble. They threaten to do the same thing about meat. It could spread over the country and the law of supply and demand might start working again.

Milk producers are warned to have their cows tested if they sell milk in the city limits. There have been reports of undulant fever. Cows must be tested by a licensed veterinarian for both T. B. and Bangs Disease and the certificate of the test must be filed with the city secretary. Strict enforcement is the proper course for the city officials, and the smart milk producers will not only have their cows tested but will advertise the fact. It will build confidence and will furnish the basis for increased business in the future.

The pessimistic farmers are right this time about the prospects of a top crop for cotton. With enough warm days a tremendous amount of late feed can produce good heads and this will put the county in very good shape. The financial position of the average person in this area is good enough. The thing to worry about is Russia and the prospects for peace.

sia and the prospects for peace.

A high birth rate makes for a prosperous nation. Too many old people in proportion to the younger people makes for a declining nation. Some people ask who wants to bring children into a world faced with the prospects of a third world war. You can read the birth announcements in past issues of The Leader and find that there are any number of young people who have faith in America. It may be an indication of the fundamental vitality of the people of the United States.

Not long ago Gene Howe mentioned the number of pregnant women that could be seen on the streets of Amarillo during the war years. Then he commented on how few could be seen now and wondered where they went. This is only an opinion, Mr. Howe, but I think that quite a number came back home to Wellington. At least plenty of them can be seen here, and I believe that it is a good sign for the future of our town. Young couples who are expecting a new arrival are not figuring on moving, or on how to get to the next dance or football game. They are figuring on how to get a stove, pay the rent or make a down payment on a house. They are the dependable citizens of any town and its main hope for the future.

The annual county flower show will be held in the community building next Saturday. The time is a little short, but every person in the county is invited to display their flowers. Furthermore, everyone is invited to come by and see the flowers.

From where I sit... by Joe Marsh

Want a Vacation from Marriage?

Alvin Blake went south on his vacation, for some fishing, and left his Missus to enjoy a vacation from the corn-cob pipe, clothes in a heap, and solos on the harmonica.

First few days, Martha enjoyed it—house neat and quiet, top back on the toothpaste, no morning mess from Alvin's midnight snacks (Al's partial to a bit of cheese and beer at bedtime).

Come the end of the week, she began to fidget; couldn't even read the *Clarion*, it looked so unmussed; didn't have any appetite with no-

body to cook for. She was about to wire Al, when he barges home a week ahead of time, and she almost cries for gratitude. ("Felt the same way myself," says Al.)

From where I sit, those differences of habit and opinion—whether they have to do with corn-cob pipes, a glass of beer, or playing the harmonica, seem mighty trivial when you're separated. And they are, too!

Editorial

Is it necessary to treat the American people like children and tell them at what price they may buy meat? The American housewife is the best judge of a fair price and the most effective control of price if the meat is but laid before her for purchase.

The extreme current shortage of fat cattle and hogs is due to constantly shifting policies of government as to price controls, as well as its regulations controlling the purchase of corn. Also, to heavy export shipments of meat for relief purposes during the second quarter of this year.

The purchase of fifty million bushels of corn by the government last Spring at a substantial increase over ceiling prices made the government the only purchaser of corn during that period. It became impossible for feeders to buy replacement cattle unless they went into the black market to assure purchase of corn with which to finish such replacements.

This is one of the major factors responsible for the fact that as of August 1 this year 45 per cent fewer cattle were on feed than a year earlier. Also, by not going into feedlots as replacements many immature cattle were forced through immediate slaughter channels, thus wasting a large potential supply of beef not now available to the consuming public.

The charge that range cattle producers are withholding cattle from the market is inspired agitation, has no foundation in fact, a further attempt to confuse the public and a complete ignoring of the reality that cattle are a perishable product and must go to market when ripe. Shipments may vary by a matter of a few weeks, de-

• Pasture Care

The man who got all that he could out of his pastures before the last rains is now finding that he really lost money by his overgrazing of the property. Grass that had been fairly well taken care of is now greening up and growing. Where land had been overgrazed and roots left unprotected, plant life died during the hot dry weather. The washing rains took away most of the dead plant life that remained and now bare ground shows little signs of any returning growth in many pastures. —J. Anton Kock in The Quanah Tribune-Chief.

• Fatal Aftermath

The king of amateur sports is arriving all over the country. Football—the big college and high school sport over this nation—began in earnest last week. This means football trips every week for the next three months. Every year there are many unnecessary accidents resulting from exuberance on the part of some fans. The long drive home sometimes is dangerous because of bad weather conditions and crowded highways and reckless, rushing drivers. Most fatalities occur after the game, not before.—L. B. Smith in The Brady Standard.

One slice of bread per meal, the plea of the Famine Emergency Committee, isn't so hard to take. Think of it—that cuts your bread down to almost enough butter for it.

pending largely upon weather and feed conditions and to some extent by market fluctuations. The year's total marketing will tell the story. Up to date total shipments to central markets are almost as large as a year ago, while unquestionably the movement outside the markets is greater. The big decline in federally inspected slaughter at central markets is due to excessive shipments "out of market," which indicates buying on orders largely for black market slaughter.

Immediate removal of controls will not immediately refill the meat counters any more than official statements, based on wishful thinking, that soon there will be meat, can do the job.

Unfortunately for the consumers, maladjustments created by long-continued OPA regulations and government attempt at economic planning cannot be so readily and quickly adjusted.

Each day that controls are continued postpones the time when the consuming public can have their meat on an equitable basis of supply and demand.—The Amarillo Daily News.

Questions on Veterans Aid

Q. How can I arrange to have my National Service Life Insurance deducted from the disability compensation checks I receive from Veterans Administration?

A. You can do this if you will go to any Veterans Administration office and fill out a form authorizing VA to make the deductions from your compensation payments.

Q. I have been turned down by a lending institution for a G. I. guaranteed loan to buy a business. Does this mean that I can't get a G. I. guaranteed loan to go into business?

A. No. If one lender turns you down, try another one. The fact that one lender is not interested does not indicate that your proposition is not sound.

Q. Before the G. I. Bill was amended, I used up my whole guarantee of \$2,000 to buy a farm. Now that the maximum guarantee has been increased to \$4,000, would I be entitled to an additional \$2,000 loan guarantee if I wish to purchase more land?

A. Yes. If you used part or all of your loan guarantee before the Servicemen's Readjustment Act (G. I. Bill) was amended last winter, the amount of loan-guarantee credit used is deducted from the amount for which you are eligible under the amended bill, and the remainder is the amount of guaranteed credit which you may use in obtaining future loans.

Q. Can I change the beneficiary or beneficiaries of my National Service Life Insurance without letting the beneficiaries know anything about it?

A. Yes. A veteran may change the beneficiary or beneficiaries of his National Service Life Insurance at any time without their knowledge or consent by notifying Veterans Administration. For further information, the veteran should consult the nearest VA office.

Rockets Take Conference Tilt From Clarendon 27 to 0

Wellington's red Rockets roared over the Clarendon Broncos 27 to 0 Friday night to remain one of the three undefeated teams in conference play. Wellington made a touchdown in each of the four quarters. The Broncos are really a very good high school football team; but they never did threaten the Rockets who were in the best shape and played the best ball of any game this season.

The game was not five minutes old when Russell smashed through the Clarendon line and blocked Harp's punt, which was promptly covered by Raburn. Russell made a first down; but this was nullified on the next play when Wellington was penalized for being offside. Russell made an end sweep for 25 yards to place the ball on the Bronco 4 yard line. Hatch picked up a yard and Russell drove over from the 3 yard line.

The next touchdown came as the result of an intercepted pass which Russell took on his own 46 and raced 54 yards for the score with the assistance of some very nice blocking. Hatch's try for point was good and the score was 13 to 0 at the half.

After the half the Rockets came back to score in four plays. Clarendon kicked to Hatch who brought it back to his own 40 yard line. Moore whipped through the line for 26 yards and then the mighty Russell brushed by tackler after tackler to go 34 yards for the third marker. Again Hatch's kick was good and the score mounted to 20 to 0.

The last touchdown came with a number of reserves in the game. After a determined Bronco drive had been halted on the Wellington 25 by a line that turned in its best game of the year, Wellington started a drive down the field. Hatch carried 10 yards to the 30 and Russell added another 8. Hatch passed to Strickland to get the ball past the Clarendon 45 yard line. Then Strickland raced to the 38 yard line before being brought down and Hatch fought his way to the 8. Russell passed to Hatch on the 8 yard line and then Hatch passed to Strickland for the touchdown. Russell's try for point was good and the scoring ended 27 to 0.

Not only was the Wellington line far better than it had been in previous games — even against weaker teams — but more versatility was shown in the backfield. Three Wellington backs now pass effectively.

tively, Fulton has been turned into a punter when Russell is not in the game. Raburn, Fulton and Copeland have been doing outstanding jobs all season but last Friday Johnson turned in a charging performance that was the equal if not better than any of these. Al Duncan has also been building up some reserves for the middle of the line, and these along with Bollen, McClendon and Winter looked good. They were McPherson, Mauldin and John M. Jones. In the backfield Bill and Gene Combs turned in some nice runs as did Strickland.

In Bullman and Harp, Clarendon has two very fine backs as well as some able linemen; but they simply are no match for the Rockets when Russell and his mates are all in shape.

Starting line-ups follow:

Wellington	Pos.	Clarendon
Fulton	LE	Heckman
McClendon	LT	Whitsell
Raburn	LG	White
Johnson	Center	Jordan
Winter	RG	Mann
Bollen	RT	D. Lowe
Copeland	RE	W. Lowe

Forces of Attraction Make the Tide "Come In"...

and OIL-PLATE Your Engine!

EVERYONE knows that tides are caused by the strange force of attraction exerted on the sea by the moon.

Utilizing molecular attraction (basic force that holds things together) Conoco scientists bring America's motorists new and better oils. In fact, a special ingredient of Conoco Nth motor oil is bonded to working surfaces of your engine by an attraction so strong that cylinder walls and other parts are OIL-PLATED.

And because molecular attraction holds Conoco OIL-PLATING up where it belongs . . . prevents it from all draining down to the crankcase, even overnight . . . you get these benefits:

added protection when your engine starts up

added protection from corrosive action

added protection from wear that leads to fouling sludge and carbon

added smooth, silent miles

That's why to OIL-PLATE now . . . at Your Conoco Mileage Merchant's. Look for the red triangle. Continental Oil Company

Homecoming Date Set at Texas Tech

Lubbock—Between 2000 and 3000 alumni and ex-students of Texas Technological College are expected to trek back to the campus Saturday, October 19, for the largest and most colorful homecoming celebration in college history.

Highlight of the day will be the Red Raider-Baylor grid tilt in the afternoon, and other activities slated for the day are an alumni luncheon, a downtown parade, a Home Economics division coffee, numerous special activities honoring alumni sponsored by campus clubs and a dance Saturday night. Festivities will begin with a pep rally Friday night followed by the traditional bonfire when the Baylor Bear will be burned in effigy.

Fans are showing keen interest in the football game when Tech will meet her third Southwest Conference opponent of the season, having already defeated SMU and the highly touted Texas Aggie eleven. Records show that in the past the Raiders have tangled with Baylor seven times with three wins, three losses and a tie.

All reserve seats to the game have been sold out, but a number of general admission ducats are still available, according to Athletic Director Morley Jennings.

Campus organizations are now preparing floats to be entered in the first homecoming parade to be staged here since 1942.

A brief memorial service is tentatively slated for between halves of the ball game, as well as the traditional freshmen shoe race. The Alumni and Ex-Students Association will hold a business session Saturday morning in the gymnasium.

The 1946 swim suits certainly reflect the material shortage. You will see less suit and more gal at the beach. As some wag said, "The girls are bare-ing up beautifully."

The two-bit cigar now takes five cents worth of matches to keep lit.

Grub Control by High Pressure Spray Proves Effective

Tests to determine the effectiveness of grub control in cattle by means of a spray formula have proved highly satisfactory, J. W. Thomas, county agent, reports.

These tests, in which the liquid formula was applied at 400 to 410 pounds nozzle pressure to the backs of Hereford yearlings, showed a high degree of kill was obtained in the treatment of both small and large cattle grubs.

The spray penetrated the openings of the smaller cysts, even though they were partly closed with pus and exudate. When the spray was applied at a lower pressure, 200 to 250 pounds, the addition of two ounces of sodium lauryl sulfate somewhat increased its effectiveness, but it was not so satisfactory as when applied at 400 pounds pressure.

The following formula at 400 pounds pressure was found satisfactory:

Cube or derris powder (5 per cent rotenone), 7 1-2 pounds.

Water, 100 gallons.

With a pressure of 400 pounds or more, sprays containing 5 per cent of rotenone from cube powder and wettable sulfur, or from cube powder and a wetting agent, were less effective and more expensive than the simple cube-powder suspension given above.

Two men were hospitalized in Syracuse, N. Y., recently, while attending a nylon sale. Mere man should know by now that it's a woman's world.

Remember when hankies were two for a nickel, instead of two for a dollar.

Mrs. Jennie Russell Dies at Roswell

Mrs. Jennie Russell, who made Wellington her home for nearly 25 years, died at her home in Roswell, N. M., Thursday, October 3. Her death was attributed to a heart attack.

Mrs. Russell was preparing to leave the following day for a visit in Wellington with her aunt, Mrs. J. M. Strong Sr., and her cousin, J. M. Strong Jr. and family, before going to Fort Worth to spend the winter.

She was 79 years of age. Coming to Wellington more than 30 years ago, she made this her home except for short periods until 4 years ago when she moved to Roswell with her daughter, Mrs. Margaret Ritmanich.

She was a member of the First Christian Church and was active in its work here.

Funeral services were conducted at the First Christian Church in Roswell and burial was in the cemetery there.

Mrs. Russell is survived by three sons and three daughters, Miss Ethel Stults of Fort Worth; Mrs. Mickey Sumner and Mrs. Ritmanich of Roswell; Port Stults of Seattle, Wash.; Elmo Stults of Los Angeles, Calif.; and Allen Stults of Oregon.

Many years ago—in the Fall of 1919—your columnist, then the young editor of a small paper, received a letter from William Jennings Bryan, for whom I had had a lifelong admiration. The letter was written in pen and ink and was in reply to an inquiry as to whether the Great Commoner would seek the presidential nomination in 1920. Because it was a personal letter, it was not printed—but it might be of a little interest now, so many years afterward:

"My dear Mr. House: Your kind letter at hand. I assure you that I most sincerely appreciate your generous words. I have not thought it wise to discuss publicly the question which you ask and I will ask you to regard this letter as confidential. No condition that I can now foresee would justify me in being a candidate next year.

"I see no such demand as would make acceptance seem a duty. Besides, there is work to be done for the party and the country—work which I can do, which seems to me to be more important than running for any office. I could not do it if I were waiting for a nomination.

Again thanking you for your confidence, I am, Very truly yours, W. J. Bryan."

The highway south of Sweetwater presents a series of hills, each a little higher than the other, making driving something like the exhilaration of riding a roller coaster. The countryside is clad in shaggy cedars and the road is lined with sagebrush. Far away is a wall of mountains, misty blue.

The last echo of the August primaries had hardly died away, with the promise on all sides that there would be no increased taxes and already a proposal is advanced to raise the State gasoline tax 2 cents a gallon. The advocate of this increase of millions of dollars in taxes to be paid by the people of Texas is Senator G. C. Morris of Greenville.

E. Brumbelow Family Moves to Cisco to Make Future Home

Mrs. E. Brumbelow and her daughter, Miss Lee Brumbelow, former county residents, were here Friday, October 11, and said that they have recently moved to Cisco to make their home. They were accompanied here by Mrs. Brumbelow's step-mother, Mrs. D. E. Pinkston of Ulysses, Kansas.

Mr. Brumbelow was state trapper for the area during the time they lived here, and they made their home near Samnorwood. After leaving here, they went to Permyton and later to Fort Stockton. Almost a year ago he suffered a critical illness and has been unable to return to his work since then. His condition is slowly improving, however, Mrs. Brumbelow said. For the last few months they have been living at Cross Plains.

How women and girls may get wanted relief from functional periodic pain

Cardui, many women say, has brought relief from the cramp-like agony and nervous strain of functional periodic distress. Taken like a tonic, it should stimulate appetite, aid digestion, thus help build resistance for the "time" to come. Started 3 days before "your time", it should help relieve pain due to purely functional periodic causes. Try it!

WE ARE READY TO Gin Your Cotton

The cotton season is getting under way in Collingsworth County, and all of us are brought to a realization of how important this crop is at a time of shortages. Because it serves hundreds of uses, it is both patriotic and profitable to have your cotton ginned in the most efficient manner.

For this reason your Farmers Co-Op Gin has taken extra care in overhauling and repairing our gin machinery in order to provide farmers who gin here with the best sample and turnout. As usual we have a competent and experienced crew to operate our double gin plants to insure you prompt and efficient service.

Your Gin Is In Position To Give Excellent Service & Greater Returns

Cotton Buyer

WE HAVE A COTTON BUYER STATIONED AT THE GIN AT ALL TIMES TO INSURE YOU A MARKET FOR YOUR COTTON

Cottonseed

WE ARE PAYING TOP MARKET PRICES AND MEET COMPETITIVE PRICES ON COTTONSEED

Besides the plant being in the best mechanical shape it has ever been in, the Farmers Co-Op Gin is in excellent financial condition. That means that every farmer has a better chance of receiving greater returns at the end of the year than ever before, if we gin enough cotton.

In the past we have ginned your cotton at all hours of the day or night, and will do it again when necessary, but we would like to ask your co-operation in enabling your gin to obtain the maximum amount of ginning with the minimum amount of labor and expense.

Whenever possible take advantage of the early morning hours. It will mean less waiting and better service for you at the time, but it will also mean greater profits returned to the farmer at the end of the season. By your co-operation, help make it a better season.

Parsons Drug Co. Is Observing 10th Anniversary

Parsons Drug Company, one of the modern and outstanding drug stores of this section, is this week observing its 10th anniversary under the present ownership.

As a drug store, this business is much older, but it was 10 years ago this week that Sandy Parsons Jr. acquired it from Joe Hardy, veteran druggist of the area.

It has been under the personal management of Mr. Parsons during that entire time. During the past year, however, an interest in the business has been acquired by Ansel McDowell, a brother-in-law of Mr. Parsons. A druggist of many years experience, Mr. McDowell owned and operated stores in Wheeler and Pampa before coming here.

Both he and Mr. Parsons are registered pharmacists.

Pointing to the years of service the store has given the people of the county, they emphasized again this week that it is their aim and their desire to give their customers the very best, both in the quality of their drugs and merchandise, and in the service rendered.

"But primarily, we are a drug store, in business to administer to your health needs. This is one of the basic things on which we have built our reputation," the owners declared.

"As we look back with pride on a decade of business friendship with you, we can say sincerely, that we will continue to make this your friendly store," they continued.

Assisting Mr. Parsons and Mr. McDowell in the store are Anna Lee Braboy, Billie Tennison, Jimmie Holder and Mrs. R. L. Templeton. In addition to these, those who work each Saturday are Gaston Williams, Ansel McDowell Jr., and Sandy Parsons III.

hobby, for Mr. Bonneau is a minister of the Church of Christ and engages in evangelistic work throughout the area. When he is at home, he often conducts services for the Church of Christ in Dodson, which is now without a pastor. He is in addition a teacher, and last year, to relieve the teacher shortage of the Dodson school, he held down a regular job as a faculty member. He has been asked to return to that work again this term.

Visitors in the Joe West home this week end were Mrs. J. B. King, Huntington Beach, Calif., Mrs. Billy Burns, Dowdy, Calif., Mrs. Lillian Munn, Amarillo, sisters of Mr. West and his niece, Miss Wilma Greenhall, Amarillo.

Miss Gertrude Hudson of Childress has been dismissed from St. Joseph's Hospital, where she was a patient.

Personal

Mary Karthen Finley, baby daughter of Mr. and Mrs. J. T. Finley, received treatment in St. Joseph's Hospital several days recently for a respiratory infection.

Mrs. Ida Karnes of Albuquerque, N. M., is visiting her sisters, Mrs. Hugh Longino and Mrs. Howard Riggs, this week.

Miss Edna Warren and Mrs. E. M. Warren of Houston are visiting here a few days with Mrs. Levi Duncan and family.

Irvin Lee, small son of Mr. and Mrs. Elmer Willard of Aberdeen, is a patient in a Shamrock hospital.

K. L. Dodson entered St. Joseph's Hospital October 10 to receive treatment for a fractured leg.

Elmer Sorrells of Vinson was a medical patient in St. Joseph's Hospital recently. He was removed from here to the Veterans Hospital in Amarillo.

A. O. Goss of Shamrock underwent a major operation in St. Joseph's Hospital October 11.

R. S. Montague re-entered St. Joseph's Hospital October 13 and underwent a second major operation on Monday. His condition was reported Tuesday evening by attendants as improving.

Rev. J. F. Mathews, pastor of the First Christian Church, entered St. Joseph's Hospital Monday and underwent surgery on the following day.

CARD OF THANKS

We wish at this time to express our deepest appreciation to each of our many friends for the sympathy offered during our recent bereavement in the loss of our little son. Each act of kindness and each word of consolation did much to lighten our burden and to give us solace in this hour of grief.

May God bless each of you.

Be Quick To Treat Bronchitis

Chronic bronchitis may develop if your cough, chest cold, or acute bronchitis is not treated and you cannot afford to take a chance with any medicine less potent than Creomulsion which goes right to the seat of the trouble to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes.

Creomulsion blends beechwood creosote by special process with other time tested medicines for coughs. It contains no narcotics.

No matter how many medicines you have tried, tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly lays the cough, permitting rest and sleep, or you are to have your money back. (Adv.)

radio work, appearing on March of Time, Cavalcade of American, Gang Busters, "You Never Know" with Lupe Velez, Blossom Time and "Fireworks on the James."

He entered the Army, was commissioned and staged his first soldier show, "Talk It Up." He was among the first troops to land on New Guinea, where he helped put on "Tropical Topics," and later, "Jungle Jitters." This show traveled over 3,000 miles by landing barge and played to 150,000 troops. He received a citation for the production and the Bronze Star Award.

Walter did his initial acting in the Little Theatre at Enid, Okla., then studied at the Academy before going into the Air Corps, where he played in army productions in the Mediterranean area. He and Thomas worked out the initial plans for West Theatre several years ago when they met in New York. Laurel Hunt, dancer, vocalist and

musician, is also an academy graduate and appeared in "Junior Miss," which was staged in the Lyceum Theatre of Carnegie Hall. This was followed by work in "Berkeley Square," "Letters to Lucienne" and "Milestones" in the Bijou Theatre.

Miss Korosy, born of Hungarian parents in Ohio, won considerable attention in New York for her singing of Hungarian folk songs in supper clubs. She has in addition had five years of summer stock and toured the South Pacific with a USO company.

In addition to "The Second Man" West Theatre will later in the season present "The Shining Hour" and "By Candlelight." Dates for their appearance here have not been set.

S-Sgt. Dan Austin has just returned home after serving 22 months in the Army, of which 13 months were spent in the Pacific Theatre. For the past 11 months he worked in APO 24 of the 24th Division in Japan. Austin is the son of Mr. and Mrs. G. T. Austin.

Mr. and Mrs. Roy Pepper and little son, Roy Lee Jr., visited here during the week end with his parents, Mr. and Mrs. A. R. Pepper. The little boy remained here this week while his parents went on to Odessa to visit.

Rev. and Mrs. J. F. Mathews returned home Friday from a business trip to Lubbock and also visiting with relatives. Their daughter, Mrs. H. E. Sundorf of Raymondville came home with them to spend a few days.
