COLORADO HIGH'S coaching staff has rigged up several new workout exercises for athletes in preparation for the upcoming football season. The two devices will help running backs and receivers hang onto the ball and keep their balance while running, says Athletic Director Mike Farda. Wolves were issued shoes and given physicals yesterday (Wednesday) and will begin two-a-day workouts Monday. In picture left to right are Coaches Ronald Conner, Robert Damron and Mike Easterwood. Farda is seated behind tires finishing up that particular exerciser.

Baptist Mission Wins Church League

By Susan Blasingame
Baptist Mission won the Fourth Annual Church Softball League championship on Tuesday night after playing four straight games. They started at 7 p.m. and their last game was over after 11:30 p.m.

The largest crowd of the year came out to watch the final five games of the tournament. Everyone who watched would have to agree that they saw some fine games Tuesday night.

At 6 p.m. St. Ann's Catholic defeated First Baptist "B" with a score of 7-5 to go into the finals. Then, at 7 p.m. Baptist Mission scored early in the game to win over the Methodist team, 11-3.

At 8 p.m. Baptist Mission defeated First Baptist "B" by the 10-run rule after five innings, 16-6. This put Baptist Mission against St. Ann's Catholic in the Championship game.

Going into the championship game of the double elimination tournament, St. Ann's had a record of four wins and no losses. Baptist Mission had four wins and one loss.

The scoring remained fairly even through the beginning of the game. Baptist Mission went ahead in the fourth inning, and going into the bottom of the seventh Baptist Mission was ahead 10-8. St. Ann's scored one run to make it 10-9. Then, a fine leap and catch by Joe Silva, the shortstop for Baptist Mission, made the third out. Baptist Mission won 10-9.

Then, the two teams turned around to play again because St. Ann's had been defeated only once during the tournament. Baptist Mission went into their fourth game of the night a little slow. St. Ann's went ahead

4-1 in the third inning, and Baptist Mission did not catch up until the seventh inning when they tied the score at 7-7.

In the top of the eighth inning, St. Ann's did not score with only one hit. The first batter for Baptist Mission in the bottom of the eighth inning was Joe Martinez. Martinez got a double, then J. Lopez came up to bat and got a single to the shortstop. Martinez played it safe and stayed on second base with no outs. Amador Guerrero came up and hit a sacrifice fly to center field to move the runners to second and third. With one out, Mendoza came to bat and hit the ball that let Martinez score. Baptist Mission won

the game and championship with a score of 8-7.

The men on the Baptist Mission team were Sammy Contreras, catcher; David Silva, left fielder; Tanis Moreno, third baseman; Joe Silva, shortstop; Cecil Contreras, second baseman; Joe Martinez, pitcher; J. Lopez, center fielder; J. Mendoza, first baseman; Ralph Martinez, rover; and Amador Guerrero and Bobby Martinez traded out for the right field position.

Jim Dockrey, president of the Church Softball League for 1976, presented the team with the plaque for first place of 1976. Previous winners were St. Luke-Christian Temple in 1973, Oak St.

Baptist in 1974, and St. Ann's Catholic in 1975.

The final games on Tuesday night ended two months of league play in which eleven teams participated.

The teams and their members are listed below:

LORAIN "B"—Mark McDaniel, Ted Petty, Donnie Phillips, Doug Graham, Jerry Graham, Tommy Doyle, Don Crawford, Steve Graham, Don Graham, Johnny Hughes, Robert Harmon, Rick Lucas and Mike Lee.

FIRST BAPTIST "B"—Bill Dockrey, Arnold Parker, Stephen Parker, Jimmy Davis, Rudy Castillo, Bill Everett, Mike Brooks, Tim Parsons, Craig Carter, Mike Miles, Jeff McGowan, Roger See TEAMS, Page 7

Hunting Seasons Have Been Set

Dates for most of the hunting seasons in regulatory counties have been set and approved by the Parks and Wildlife Commission.

Latest seasons to be set were the mourning and white-winged dove seasons, as well as a special September teal season. Information concerning duck and goose

seasons will not be available until late August.

For those who want to start planning now for those fall hunting trips, here's a rundown of the seasons and hunting hours as they now stand:

Mourning Dove (North Zone)—Split season this year; Sept. 1-Oct. 14, 1976 from noon to sunset; Jan. 1-Jan. 16, 1977 from 30 minutes before sunrise to sunset. For those counties west of the Pecos River, the second part of the split season will end one day earlier (Jan. 15) than for the rest of the state.

Mourning Dove (South Zone)—Also split season; Sept. 25-Nov. 7, 1976 from noon to sunset; Jan. 1-Jan. 16, 1977 from 30 minutes before sunrise to sunset. For those counties with white-winged dove hunting, the

first part of the split season will end on Nov. 2.

A brochure delineating the North and South Zones as well as those counties having a whitewing season will be available soon wherever hunting licenses are sold or from any P&WD office.

White-Winged Dove—Sept. 4, 5, 6, 11 and 12 (five days) from noon to sunset.

Bag limit for both mourning and whitewings is 10 per day and 20 in possession.

SPECIAL TEAL SEASON—Sept. 18-26 from sunrise to sunset.

DEER—Most of the state, Nov. 13-Jan. 2; Panhandle, Nov. 20-Dec. 5; Trans-Pecos, Nov. 27-Dec. 5. Additional whitetail hunting in Jeff Davis, Pecos and Terrell Counties and Val Verde See HUNTING, Page 8

1,000 Attend Lone Wolf Co-op Meeting

Some 1,000 persons were on hand for the annual Lone Wolf Electric Cooperative membership meeting Tuesday in the Co-opatorium on Highway 208.

The crowd appeared to be down slightly as compared with previous years, apparently due to a large number of farmers still being in the fields trying to get caught up on plowing.

Danny Thompson of Roscoe and A. K. McCarley Jr., of Colorado City were elected directors of the co-op which services six counties.

Following the membership meeting, there was a board meeting at which all officers were re-elected: Martin Murphy, president; McCarley, vice president; G. C. Strange, secretary-treasurer.

Other directors are Linden Solomon, Ed Roach and Mrs. B. B. Byrne.

Entertainment was by the Gloryland Two, Nita and O. A. Kinnison of Lubbock.

Co-op Manager Kenneth Rogers termed the meeting very successful.

Town Talk

By MAC McKINNON

The Twenty-First Olympiad is over and I hope everyone got a chance to see the two special short film presentations put together by ABC television on the final day.

One was a salute to gold medal winners of the United States with Ray Charles singing his version of America in the background and the other was a general salute to the Olympics.

Both presentations were outstanding.

I'm an avid fan of the Olympics. It is indeed unfortunate that politics have to be injected into everything. There has been some politics in the Olympic games for years. However, this year, it got out of hand.

I would hate to see the Olympics come to an end as I'm sure it does a lot to help international relations and understanding. The state the world is in now, we need all the good relations and understanding we can get.

Well, it's already time for football with local teams about to start workouts and professional teams already playing preseason games.

Cowboy fever has already hit. One of the most loyal local Cowboy fans is Joe Maddox. He attended the Super Bowl game in January and spent part of last week at the Cowboy's Thousand Oaks, Calif., training camp. Saturday night, Maddox was at the Cowboy's preseason game with Oakland and sat in the broadcast booth with Vern Lundquist.

There was an article in an area newspaper Sunday about a speech made by U.S. House of Representatives Majority Leader Thomas P. (Tip) O'Neill in Atlanta.

He was quoted as saying Congress does not deserve the bad reputation it apparently has among the American people. He listed what he said were the accomplishments of this Congress.

His statement as reported points out even more the lack of communication between the government and the people it is supposed to serve. All the polls show and newspapers have reported that the public is tired of Congress and the government extending its authority to every phase of American life.

Is this what O'Neill calls "accomplishments?"

Dollar Days

It's here again, those special days of each month called Dollar Days with local merchants offering extra special prices.

Specials are good Thursday, Friday and Saturday only.

Merchants participating include Anthony's, Fuller Foods, Ramage Appliance, E-Z Way Superette, Sparks Hardware, Landau's and Britton's Furniture.

Accident In Post

Karen Gilliland suffered a broken collar bone and lacerations in a wreck Tuesday in Post as she was en route to Colorado City to prepare for the coming school year. She had been hired last weekend to replace Plan A teacher Linda Perkins who was killed in a car wreck last week in Mississippi.

Miss Gilliland is expected to be able to assume her duties here for the new school year.

QUAIL'S RUN APARTMENTS will soon be finished and ready for occupancy. An open house so that the public can view the modern housing has been tentatively scheduled for 2-5 p.m. Sunday, Aug. 15. The apartment complex is located at 10th and Eastover. Each apartment has a fully furnished kitchen with dishwasher, range, refrigerator, and garbage disposal. The apartments are fully carpeted and each has a smoke detector for the safety of occupants.

Emergency Health Care Given Through Emergency Medical Service

"EMS is a pretty new concept for getting emergency medical care to the people in Colorado City and Mitchell County," says Mickey Hubbard, EMS program director for the West Central Texas Area. "We've got a way to go before we accomplish everything we want to do, but we're moving steadily toward a goal of making sure people can always get help."

Saving lives is what it's all about.

It's Emergency Medical Services (EMS), and some of the terminology is new. Some of the techniques are new. But the purpose is the same as it's always been—to get help to sick and injured people when they need it.

Basically, EMS in Colorado City and Mitchell County begins with an ambulance. It's more training for the attendants so they'll know better what to do in an emergency. It's better equipment so they'll have something more to work with than they have had in the past. It's better communications so hospitals, doctors and ambulances can work together. And it's people in the community learning that emergency care is there if they want to use it.

Presently in Colorado City and Mitchell County, ambulance service is provided by Mitchell County Ambulance Service. The service consists of one high-top carryall and one station wagon, and is funded from charges for service, and support from Colorado City, Mitchell

County, and the Mitchell County Hospital district. Currently all attendants have completed basic Red Cross first aid training.

Two-way radio communications between the EMS unit and dispatcher is in use and communications with the hospital will be added within six months. For emergency ambulance service call 728-2824.

Emergency patients are taken to Root Memorial Hospital where a physician is called to treat emergency patients.

"All citizens should be able to handle emergencies until the ambulance arrives," says Ms. Hubbard. First aid and cardio pulmonary resuscitation (CPR) training are available for the public. First aid courses in standard and advanced levels can be scheduled for 8 to 12 person classes by contacting Mrs. Bonnie Burt, P. O. Box 331, Colorado City, Texas 79512. CPR courses conducted by the American Heart Association are available through Ms. Wanda Vredenburg, CPR Task Force Chairman, 2540 Madison, Abilene, Texas 79601. Her phone number is (915) 672-4321, ext. 250.

The EMS Division of the Texas Department of Health Resources (TDHR), has helped Colorado City and Mitchell County give better emergency health care through its concept of EMS planning and development. The Division also provides consultation for the local EMS units and helps them

define the local problems and then solve them, says Charles E. King, Division Director. Personnel also conduct education programs in the West Central Texas area.

"All the finest equipment in the world won't save lives if people don't know it's there, or can't use it," says King. "That's why it's so important that the people in Colorado City and Mitchell County be aware of the care they can receive."

Birth Announcement

Mr. and Mrs. R. William Wood of Denton announce the birth of their first baby, a daughter, Ashley Elizabeth, born July 19.

Paternal grandparents are Mr. and Mrs. A. W. Wood of Midland. Maternal grandparents are Mr. and Mrs. R. S. Stricklin of Colorado City.

Terry Dean Hull

Former Resident Murdered

A former Colorado City resident, Terry Dean Hull, 29, was found dead of a massive head injury at the entrance to Mead's Containers, 4715 NE 24th St. Amarillo July 26, approximately five days after he had been killed.

Motor vehicle homicide is believed to be the cause of death and Amarillo police continue search for a 36 year old California man believed to be connected with Hull's murder.

Police said the body was discovered by two employees of the firm who stopped to investigate after they noticed an offensive odor when they pulled onto the company's grounds.

Detectives said Hull was last seen leaving his residence at 1914 Canadian on July 20 with the man presently being sought for questioning. The pair was reportedly leaving Amarillo to look for work in Kansas or Louisiana.

Graveside services for Hull were held at 10 a.m. last Thursday, July 29 at Llano Cemetery with the Rev. Rene A. Heil, chaplain at Northwest Texas Hospital, officiating. Burial was under the direction of N. S. Griggs & Sons Funeral Home.

Hull is survived by his wife, Deborah Lynn; a son, Terry Jr. of the home; a daughter, Tonya Dawn by his first marriage; his parents, Mr. and Mrs. Manuel Hull of Colorado City; two brothers, Freddie E. of Coleman and Danny Eugene of Colorado City; a grandmother, Mrs. Bertha Sellers of Wilbert, Okla.; and seven sisters, Mrs. Alice Winn, Miss Anita Hull, and Mrs. Paul Keen, all of Colorado City; Mrs. Karla Bolenbaucher of Louisiana; Mrs. Deborah Fox of Irving; Mrs. Delilah Harrell of Abilene and Mrs. Gay Harper of San Angelo.
