MEMORIAL DAY

Our thoughts turn to those brave people of our armed forces who died while serving their country. In times of peace and times of war, these courageous men and women stood ready to defend the very freedom that we so cherish. On Memorial Day, we pay silent tribute to them all. Their deeds shall never be forgotten . . . they did not die in vain.

Small business persons of year honored at event

Officials of the U.S. Small Business Administration (SBA) were in Colorado City Friday to honor and recognize David and Melody Stubblefield. The couple, owners and operators of Gas 'N Grub, were named as Lubbock District Small Business Persons by the Year by the SBA.

Certificates, signed by SBA's administrator, Susan Eneleiter, Washington, D.C., were presented by SBA's deputy district director George L. Darby during an awards luncheon sponsored by the Colorado City Area Chamber of Commerce. Darby said the Stubblefields were selected for recognition as a part of Small Business Week activities in the 71-county area served by SBA's Lubbock District Office.

In presenting the awards, Darby said "It is always a pleasure for us at the SBA to be a part of local activities where outstanding and deserving small business persons are recognized and honored."

The Stubblefields also were honored by the chamber of commerce when Lee Woods, president, presented them a certificate of appreciation.

Dorothy Shurtleff, district aide for State Rep. Robert Junell, presented the couple with a resolution that was adopted by the House of Representatives in recognition of their being named Small Business Persons of the Year. Junell was unable to attend the luncheon.

Featured speaker for the luncheon was humorist Charlie Hicks of Abilene.

Gas 'N Grub, a family-owned and operated "one-stop" business, has been said to be the "best little country store in town". In operation since 1981, the business has suffered its share of adversity due - in large part - to the decline of the oil industry in the area. But the Stubblefields have proved successful in serving their own local clientele, as well as fishermen, hunters and travelers along the two major highways where the business is located.

The business complex, situated at the edge of Colorado City at the intersection of Highways 80 and 208, offers a wide variety of services. Travelers can utilize a fully equipped trailer park with laundromat, restroom and shower facilities, and a lock box to store their valuables. The firm sells camping equipment, recreational licenses, reserve osmosis water and gasoline. Both tourists and local citizens patronize the busi-

NOTES

by BRYAN LIMMER
County Extension Agent-Ag

NOTE: A misprint was found in the article on the front page of last Thursday's paper (5-24) regarding the pecan nut casebearer. The formula for the zinc spray, NZN, should be 2 (two) tsp./gal. instead of 22 (twenty two).

Beginning June 1, representatives from the Texas Agriculture Statistics Service will begin contacting farmers and ranchers across the state to help set the 1990 planted acreage estimates and midyear livestock inventories.

State Statistician Dennis Findley emphasizes that information from these surveys will help producers adjust their production and marketing plans for 1990. Good marketing requires good information and advanced planning. Information from these surveys will provide Texas producers with solid facts and figures they can use when making their marketing plans. There are many uncertainties facing agriculture and accurate, reliable figures will give producers a chance to make sound production and marketing decisions during the coming year.

Results of the confidential interviews, conducted by telephone or in person by field enumerators, will be published later this summer. The 1990 planted acreage report will be released June 28 and the U.S. cattle inventory will be released July 27.

The estimates made by the Statistics Service are no better than the numbers producers provide. Remember, these are sample surveys, so if you are contacted it is important to provide the requested information, since your one report represents similar operations of the same size and type. Individual reports will be combined with other reports to make state estimates. To reduce survey costs, Findley is urging farmers and ranchers to return the mailed questionnaires as soon as possible.

HAPPENINGS

by DANA DAVENPORT
County Extension Agent

As children grow toward their teen years, they increasingly gain independence from their parents. The timing and amount of independence a child assumes should be based on child's abilities for self care and responsible decision making.

The amount of self care assumed by children varies from family to family. Likewise, the capabilities of children for self care vary from child to child (even within the same family). Important steps for parents are to determine the readiness of children for partial self care and areas where children need support and help.

A self care checklist
Is the child mature enough for partial self care?
Is the child willing to try partial self care?
Can the child handle problems that could arise?
Can the child communicate with adults?
Can the child handle common self care tasks?
Does the child feel secure about being alone?
Is there adult help nearby?
Is the neighborhood safe?
Is the household safe?
Has the child been prepared for self care?

A no response to any of the above questions indicates an area of concern.

This is the first in a series of news articles concerning summer safety and responsible self care for children who will be home alone.

For more information concerning children in self care, contact the County Extension Office at 728-3111.

learning disabilities, physical and/or mental development.

In addition to early childhood screening, other services offered through the special education departments include evaluations and placement in classes for the student who is physically handicapped, adutiorially handicapped or pregnant. These classes are offered in a variety of educational settings and teaching assignments.

If your child or a child you know may need to have these special education services, please call Kelley Elementary School in Colorado City, 728-3471 or 728-3217 to schedule an appointment.

Specific locations and dates of pre-school screening will be announced later.

Linette Fox Sawyer would be 21 years old on May 28, 1990, but she was killed by a drunk driver on Sept. 6, 1989. The driver was convicted last week and received four & one half years, but can get out sooner. That was his fourth D.W.I. God bless him, I pray. This is my birthday tribute to our darling Linette.

My 'Little Love' went to heaven on high
And I miss her so very much,
But when a butterfly flies by,
I know our spirits have touched.
I know she's not so very far away,
and I'm going up to join her someday.
God loved her too, so He took her on home,
Now no one can hurt her any more.
Although a big part of my heart is gone,
'I'll meet you in the morning, Little Love,
on Heaven's Golden Shores!

She attended Abilene Christian College, McMurry College, University of Texas at Austin, North Texas State College and Texas Wesleyan College for additional courses.

Her teaching career began in Iatan where where taught for three years. She then taught for six years in Chalk. From there, she and her husband, James Thomas, moved to Mansfield where she taught school for 32 years before retiring.

On hand at a dedication ceremony on May 16 was Mrs. Orr's brother, Harold Brennand, who presented a biography of his sister and a plaque for the Mary Orr Intermediate School.

Class of '65 needs addresses of classmates

The Colorado High School graduating class of 1965 will be having its 25th anniversary reunion on July 6-7 with a weekend packed full of activities and fun.

Being one of the largest graduating classes at CHS for some 20 years, the classmates have always managed to remain close and enjoy getting together every five years.

This year the activities will begin with a pep rally on Friday night followed by breakfast on Saturday morning, baseball game, lunch and recuperation, swim and/or golf, registration, banquet with awards presented and will end Saturday night with a dance to the music of the '60s.

There are a few classmates who reunion organizers have had a hard time locating. Anyone with any information leading to the whereabouts of the following people, please call Dixie Watlington at 728-2249 - Delia Contrares, Paula Ornelas, Manuel Pena, James Thipgen, Dorothy Luera, Pamela Roberts, Joan Massingil, Irene Herrera, Ladonna Sue Hamrick, Zane Bernard, Susan Addison, Jan (Williams) McLaurin, Ronnie Smith, Judy (Kincaid) Cozzourt, David Kendrick and Shirley Vest.

Auxiliary receives honor

The Ladies Auxiliary to VFW Post 9178 met Thursday night with Estella Rivera, president, presiding.

Others present were Lynn Hardy, Alene Hill, Bonnie Story, Lou Hearin, Audry Wilson, Dorothy Clark, Lou Williams and Nellie Bunch.

The auxiliary was one of three to receive a certificate at the District 8 convention for its safety programs as conducted by Mrs. Rivera. The district is made up of 30 auxiliaries.

Local citizens are invited to attend the memorial services Sunday, May 27, at 3 p.m. at Big Spring at Trinity Memorial Park where flags will be placed on service mens' and womens' graves. There will be a guest speaker.

Thanks was extended to everyone who took part in the auxiliary's poppy drive.

Letter to the Editor

Thank you

TO THE EDITOR: A special tennis "thank you" to all the people who contributed their time and effort toward making our concession stands a success this year.

We also want to especially acknowledge and thank Mrs. Calaway for starting the Tennis Boosters and for coordinating the spring events; Mr. Dan Biggs for cooking many hundreds of hamburgers; Mr. and Mrs. Dwayne Harris for their many trips for supplies and their staunch support; Mrs. Steve Smith for helping run the concession stands; Mrs. Bradbury for coordinating the fall tourney; and to all our other tennis parents who work so hard and contribute so much to our tennis program.

The 1990 District Championship Tennis Teams and Coach Carolyn Walker

Silver Haired candidate speaks

The Mitchell County American Association of Retired Persons (AARP) 1461 met Monday, May 21, in the C.C. Thompson Room of the City National Bank for its regular meeting and covered dish luncheon.

Luncheon tables were covered in white and decorated with spring flowers by Loni Pruitt and Eula Pickens.

Invocation was given by Walter M. Bartholf.

America was sung by the group and the pledge to the flag was given.

Following the luncheon, Margaret Oyler introduced the guest speaker, Ruth West of Snyder, who is a candidate for the Silver Haired Legislature.

She explained that the Silver Haired Legislature is an elected, representative non-partisan body of citizens 60 years of age or older, elected by persons 60 or older. The group will meet in Austin for considering and voting on proposed legislation that concerns the needs of older Texans. They receive no pay.

If elected, Mrs. West will represent District 3 of the West Texas Council of Government Area Agency on Aging which includes Mitchell County.

She said one of the areas of concern is the senior citizen nutrition program which may be facing funding cuts. Other areas of concern are taxes, insurance rates and camping fees.

The business meeting was called to order by Lucille Owens, president. The minutes of the previous meeting were read and approved and the treasurer's report was given.

Drawing for the 10 Susan B Anthony dollars donated by Raymond and Virginia Fuller was conducted by Mrs. Owens and Eddie Barclay. The winners were Juanita Coker, Alice Coles, Eleanor Jeffries, Eula Pickens, Wilma Womack, Ruby Cawthron, Lucille Owens, Sallie Rogers, Lewis Elliott and Walter Bartholf.

Other members present were Thelma Matlock, Fran Trotter, J.M. Munoz, Corrine Barnett, Genevive Moore, Velma Pond, Annie Dixon, Geneve Killian, Faye Spivey, Loni Pruitt, Addie Richards, Fannie Cooper, Bessie House, Clorine Wiman, Garvice Craighead and Elizabeth Elliott.

Other guests were Connie Dempsey, Loyd Dempsey, Mattie Morris, Beulah Starnes, Annie Mae Allen and Ollie Clemens, all of Snyder, and Judy Williams of Ira.

QUESTION: Is there more than one verse on the subject of, and more than one condition for obtaining salvation found in the Bible?

CHIEF LONE WOLF

QUESTION: What did the following persons have in common? B. L. TEMPLETON, TALVA HART, MARCELLA PRICE FEE, W. S. RHODE, R. T. DOCKREY, W. W. WHIPKEY, D. H. SNYDER, A. D. KIKER, SHERMAN HART and FRANK H. KELLEY. The answer's comin'up!

First, is Colorado City really a "city"? Guess that depends on who asks the question. If an outsider poses the query, you bet we're a city. But, what is a city? What is a town?

Back in April of 1882, Colorado, Texas, was a town. By November of that year, the town fathers felt the community had "more than 1,000 inhabitants" therefore the muncipality's name was changed to "the City of Colorado."

By the year 1890 our population begun a nosedive and the status of Colorado reverted back to a town. The following year, 1891, we became the "City of Colorado," again. Of course all during this time folks in these parts referred to this town as "Colorado City." It just sounded better. And bigger. Early day west Texans also called other towns "cities." For example, Post (City), and Denver (City).

So, in 1939 the good citizens of Colorado, Texas, wanted to make "Colorado City" official. Petitions were circulated around town, oops, around the city, and then, when enough signatures had been affixed, the documents were presented to the city council.

QUESTION: What did the following persons have in common with the persons first named in today's column? ROSS DIXON, JOHN PRUDE, MRS. HARRY HYMAN, R. H. RATLIFF, H. B. BROADDUS, I. W. TERRY, LAY POWELL, J. P. POND, JEROLD RIORDAN, PHILIP BERMAN, MRS. E. A. BARCROFT, J. RALPH LEE, ELMER PICKENS and MRS. SAM MAJORS. The answer's just three paragraphs away.

In 1939, the petitions called for the name of Colorado to be changed to "Colorado City," stated; "Whereas the name of COLORADO, TEXAS, was formerly known in the early days as COLORADO CITY, TEXAS, and whereas, from the standpoint of publicity, the name of COLORADO is confusing and means the State of Colorado, and the town of COLORADO, TEXAS, is not getting the publicity that it should on account of this confusion."

The petitions continued by asking the city council to call an election for the purpose of letting citizens change the towns name to Colorado City. And that's exactly what happened. Residents went to the polls and the name change was blessed by local voters.

And the names of the persons mentioned above? They were among the residents in 1939 who signed the petitions asking the council to call the election. They obviously felt Colorado was a "city."
