

ANTELOPES WIN TWO CAGE GAMES

Coach Kermit Mitchell's Antelope basketball team emerged victorious from two basketball tilts last week defeating New Deal Lions, 27-13, on Tuesday night and downing Idalou's quintet, 27-15, Thursday night. Both games were played here.

Abernathy girls lost in both games—8-19 to New Deal and 19-20 to Idalou.

The Antelope teams are to play at New Deal Friday night.

Mitchell Makes Statement

"As coach of the Abernathy Antelopes I wish to make the following comments concerning the teams.

"If you are a mother or father of one of these players you have just cause to be proud. I have never been associated with a cleaner group of boys and girls. I have never heard any profane language in the dressing rooms or in the court. They have a very good sportsmanship and team spirit. They are very submissive to coaching, and should these teams fail in their efforts in the league, it will greatly be my fault. May we, the teams, have your support in action and spirit, and we will work, that you may not be disappointed."

METHODIST CHURCH

Frank Beauchamp, Pastor

Our church was happy to have the people of the other churches for a visit with us, in the absence of the pastors of the Baptist and Nazarene churches. It is always a pleasure to have people come see us.

This week is zero week for us. At the end of the week we hope, and believe, that the debt on the entire church property will be just that—a zero! The men of the church are working hard this week to pay the debt off. Perhaps you have already found this out by personal experience. How it is appreciated when people work together and do a big job well.

Services are at the announced hours, Sunday 10 a. m. and 11 a. m., 7:15 p. m. and 7:45 p. m.; Wednesday, 7:45 p. m. Come and worship with us.

Don't forget the Community Thanksgiving service.

Dear Buford:
After a long delay, I'll write you a few lines. Have been seeing lots of things that I can't mention in my letter. It's been pretty (censored) here and I don't mean the weather. I've been lucky and am still OK and in good shape.
Received four of the Reviews yesterday. Was surely glad to get them.

They were the first ones I had gotten in some time. Surely did enjoy reading them.
Well, Buford, Italy is a very pretty country, but I miss the States. I stayed in Africa for about six months, but failed to see any of the Abernathy boys except M. Sgt. Vernon Petty. Maybe I'll meet some of them here.

Everything is going very well and things look a lot better now than they did a short time ago. I'm hoping...
