I don't know about you, but I am sick to death of network newscasters looking out of their glass tube with a jaundiced eye and telling me what everything that is going on means. I like to draw my own conclusions. They not only report the news, but analyze it according to their own philosophy. Usually with dripping sarcasm.

This has been most obvious during the Republican convention this week. A candidate can say one thing and by the time it is twisted and distorted by the analysts it turns out to be another.

As usual, the poor people are getting a lot of coverage. It makes one wonder how poor these people really are. I should think it would take a great deal of money to spend weeks in Washington and then vacation in Florida during the convention. Maybe it pays to be that kind of poor.

Well, we will soon know who the nominees of both parties are and then the news media can get down to the really serious business of brain-washing the American public. Somehow I don't think it's going to work this year. I think that big majority group, made up of tax paying Americans, is going to stage a big protest demonstration, at the polls that is.

Football is upon us and it's time for all mothers of aspiring football players to stock up on Epsom Salts, bandages, moleskin, gauze, tape, crutches and the works then pray that he will be able to be on hand for school. All fathers of aspiring football players should be making arrangements to take off the week before school starts, in order to be on hand for all football practices. This will enable them to make all kinds of suggestions to the coaches and then chew out the kids for everything they did wrong when they come home at night dead tired.

All football coaches should stock up on antacid tablets and liquids and keep a big supply of milk on hand for the ulcers they are likely to acquire during the season. More chairs should be in the barber shop, in order that games may be discussed in comfort and eliminate room for fistfuffs.

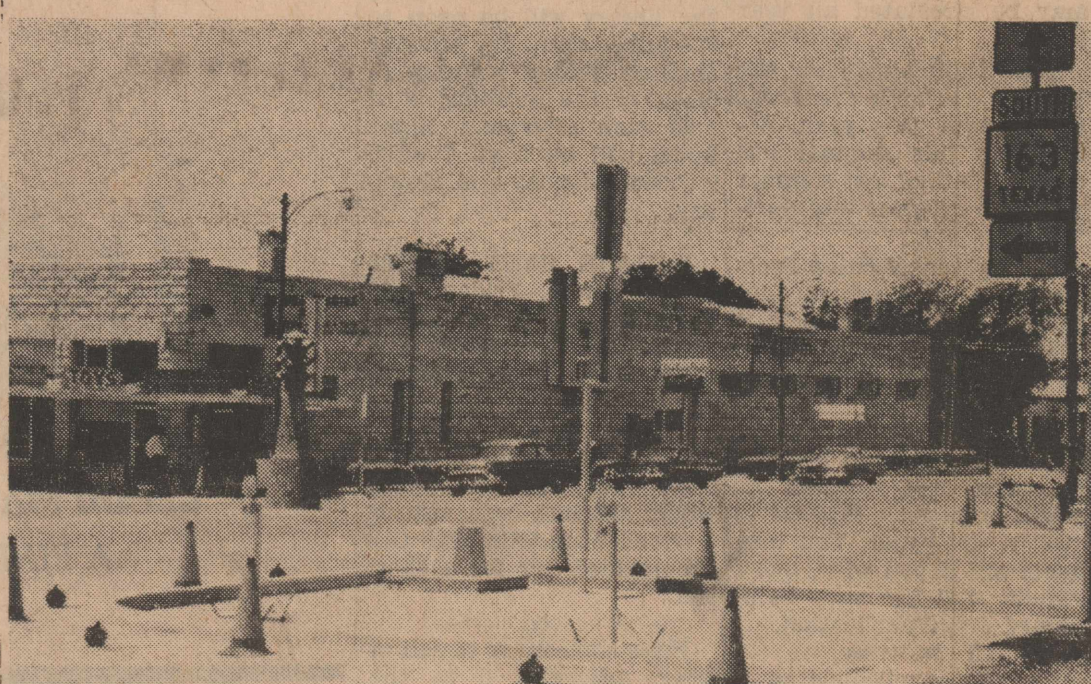

These are just a few suggestions to get everybody through football season on an even keel except the kids who knock themselves out to play.

Don't forget to get your second polio vaccine Sunday if you had your first one during the last drive. According to doctors, the first one is useless without the second. Considerably improved upon since the first oral vaccine became available, the inoculations are now given in two doses instead of three. Also, the measles vaccine is available and all children who have not had the dread disease should have the shots.

We were sorry to hear that Miss Cleona Quiett, piano teacher here for many, many years, suffered a stroke this summer in Chicago and will be unable to return to Ozona this fall. We shall miss her visits as she came by the office. In fact, she was a familiar figure to everyone in town as she walked here and there. I can never re-

TRAFFIC ISLAND in a sea of asphalt, being built at the downtown intersection of Highways 290 and 163 will make some radical changes in the driving habits of Ozonans. The island was made necessary by the State Highway Department's installation of corner signal lights to replace the center post traffic light which has served for years, albeit with something of a menace to the careless driver who might attempt to spurt around another car on the green signal. The island will eliminate the sharp right turn into traffic from 290 to 163 from the east.

Jurisdictional Conference to Be Methodist Topic

Dr. and Mrs. R. F. Curl, who have been attending Methodist meetings in Oklahoma City and Kerrville, will return tomorrow. Dr. Curl will be teaching the Men's Kitchen Bible Class at 10:00 a. m. and at the 10:55 a. m. service, he will report on happenings at the South Central Jurisdictional Conference of the United Methodist Church.

The Conference has been of unusual significance due to the fact that it marked the merger of the United Brethren Evangelical Church with the Methodists in this section. It also marked the reception of four Negro Annual Conferences and their Bishops into the Regional Conference.

Dr. Curl will tell of these mergers, about the retirement of two bishops, the election of a new bishop, and the assignment of the ten bishops of the Jurisdiction for the quadrennium.

Local Methodists are happy that Bishop O. Eugene Slater, pastor of the local Methodist Church from 1936 to 1942, has been reassigned as Bishop in the area until 1972. Bishop and Mrs. (Eva B.) Slater, reside in San Antonio and will be supervising the work of the Southwest Texas Conference and the Rio Grande Conference. The local Methodist Church is part of the Southwest Texas Conference. The Rio Grande Conference embraces the Spanish speaking Methodist churches of Texas and New Mexico.

Bishop Slater will also supervise the West Texas Conference, the all Negro conference of this section of Texas, until 1970 when the conference is scheduled to be broken up into the geographical Annual Conferences. There will be some 40 of these Negro churches coming into the Southwest Texas Conference. However, there will be only 3 coming into the San Angelo District. These are at San Angelo, Brady, and Del Rio. The United Methodist Church has no Negro congregations in this immediate section.

member seeing Miss Quiett riding in a car.

Mary Hufstetler will be giving piano lessons in Miss Quiett's old classroom in the junior high school building this fall. She will be happy to register students by telephone at her home.

Civic Center To Open Monday After Two Weeks Closing

The Civic Center will open Monday after being closed for two weeks, in order that workmen might refinish the floors and Mrs. Clovis Womack, hostess, could take her annual vacation.

The center is available for clubs, groups and private parties. Rooms must be reserved in advance through Mrs. Womack. With the center's busy season beginning in the fall, reservations ahead of time are important for those wishing a club room or the auditorium.

The summer youth nights, Saturday for junior high and Friday for high school, have been well attended this year and there has been some discussion about continuing the activities. This will be decided after school begins and the decision will be announced then.

Youth activities will resume next week after the center opens and continue for at least two weeks.

MEASLES, TOO! —

Second Round Polio Shots Due Sun. Afternoon

Dr. Lloyd Sherrill, county health officer, reminded Ozona residents this week that Sunday, August 11, is the date set for the second round of polio vaccine and measles inoculations. He urged all residents to return for their second polio vaccine and pointed out that all those who have not had measles, should get the measles shot.

The measles vaccine did not arrive in time for the last countywide drive, but is in on hand for Sunday. Inoculation stations will be set up at North and South Elementary schools and the staffs will be on hand from noon until five o'clock to administer the inoculations.

A recent visit from a State Health officer revealed that Texas has had 17 cases of polio this year, accounting for 15 percent of all the confirmed cases in the nation to date. This is all the more reason for every citizen in Crockett County to take advantage of the free vaccine.

Local clubs and civic organizations will again be in charge of publicizing the campaign, with Al Fields as chairman.

O. C. Fisher To Visit In Ozona For Talks Tues.

Congressman O. C. Fisher, home from Washington between sessions of the Congress, will visit Ozona next Tuesday, speaking at noon to members of the Ozona Rotary Club and their guests and afterwards meeting with constituents for an informal talk at the county courthouse.

T. J. Bailey, Rotary Club president, announced that Congressman Fisher had accepted the club's invitation to address the group at the noon hour, relating some of the actions of the Congress at the last session and answering questions.

In order to make it possible for as many people as possible to meet with the Congressman, Rotary Club officials have arranged the informal meeting following the club's luncheon. Everybody is invited to the courthouse, possibly the law library, or the district courtroom if the crowd is larger, at about 2 p. m. to meet Congressman Fisher.

Band members will practice twice daily until school begins, from 8 until 10 a. m. and from 4 until 6 p. m. Sanders said he expects the band to be from 70 to 75 members strong this year.

Supt. L. B. T. Sikes announced two more teacher resignations this week and two replacements.

M. A. Barber resigned his post as principal of South Elementary and will move with his family to Big Spring. Ron Murdock, junior high social studies and basketball coach, resigned to take a coaching job at Cameron.

Douglas Fisk will replace Murdock. He has his Masters from North Texas State and has taught three years. He comes here from Wilma Hutchins School near Dallas.

Graydon Hicks, Jr., with a B. S. from Sul Ross, will teach high school math and be assistant coach for the junior high Cubs. He has three years experience and comes here from Sierra Blanca, where he taught last year.

A complete list of the school faculty will be announced at a later date.

Sylvia Vitela Attends Music Camp At T-Tech

Miss Vitela made second chair trumpet the first week and moved up to first chair the second week in the Symphonic Band, conducted by James Suddeth of Lubbock.

Mr. and Mrs. Vitela attended the final concert.

Miss Vitela will be a junior student this fall and is a member of the Ozona High School Band.

Fire Destroys Cervantes Home Wednesday Night

Although firemen arrived in record time, the home of Mr. and Mrs. Santos Cervantes on Highway 163 South was completely gutted by fire early Wednesday night. Firemen were in a meeting at the fire station when the alarm came in and immediately rushed to the scene, but the small frame house was totally engulfed in flames when they arrived.

The fire was discovered when a group of people sitting in the yard smelled smoke and looked around to see flames leaping out of the interior of the house. Within minutes the entire house was ablaze.

Fire Chief Jim Marks said as near as could be determined the fire started from faulty electrical wiring in the kitchen of the house.

Grid Hopefuls Due Physicals Saturday, 2:30

Football physicals will be given at 2:30 Saturday afternoon at the field house. Coach Sam Mosley announced earlier this week. All high school boys who plan to play football on either the A or B teams are asked to be on hand.

Football shoes and socks will be issued Wednesday at 9 a. m. and practice begins officially Monday, August 19. Remaining equipment will be issued before the start of the first practice session.

Swimming Pools To Close Aug 26, Many Learned To Swim

Ozona's three public swimming pools will close Sunday afternoon, August 26, the day before school begins. Young people have crowded the three pools daily all summer and many have learned to swim through swimming lessons given by pool managers.

At the North Pool, managers Jack Applewhite and David Lewis taught two classes of swimmers, intermediate and beginners. There were 20 children in the beginner's class and all learned to swim, most jumping off the diving boards now. Ten children took advantage of the intermediate class. The children ranged in age from 6 to 11 years, including a couple of 4-year olds.

Carl Conklin, manager of the South Pool, had a large group of boys and girls in swimming and diving classes and reported the program was a big success.

THREE TRASH FIRES

Ozona firemen were called out three days in a row during the weekend and Monday to extinguish trash fires in different areas of town.

Saturday the alarm sounded for a trash fire in the draw, Sunday the blaze was at the Frank James residence and Monday the truck rushed to the W. W. West home. No property damage was incurred.

Selling Course To Be Offered Here Aug. 19-22

"Sales Sharpners," a special sales training course, has been scheduled for Ozona, starting August 19 and continuing through August 22. The announcement was made today by Hubert Baker, manager of the Ozona Chamber of Commerce, sponsoring organization.

Designed for salespeople who sell merchandise in retail stores, this course is ten hours in length. The course emphasizes analysis of selling situations, such as evaluating customer's objectives and needs, determining merchandise to show and developing sales strategy.

The course is made possible by the Distributive Education Program of the University of Texas and the Texas Education Agency and will be presented in workshop form in four two and a half hour sessions Monday through Thursday. A place for the meetings will be announced next week by the C of C. Cost is \$4 for each person.

Mrs. Mary Frances Bowden, Supervisory and Management Training Specialist of the Division of Extension, University of Texas at Austin, will conduct this course. A graduate of Tulsa University, Mrs. Bowden has served as personnel and training director of department stores and specialty shops.

"Because salespeople are not selling as well as they can, they seem indifferent to the customers," explains Mrs. Bowden. Mrs. Bowden's course places emphasis on getting ready for the customer, gaining product knowledge, adding the plus sale, and building clientele.

Baker urges all salespeople in Ozona to attend. For reservations or more information on the course, contact the Chamber of Commerce park,

STOP LAUGHING?

Must we stop laughing? That attack on Stepin Fetchit which one of the television networks aired a few days back fired up some defenders of the comic, and we want to join them. Lincoln Theodore Monroe Andrew Perry was criticized for portraying what was alleged to be a superstitious, stereotypical of an "Uncle Tom" servant.

Nuts. Does anyone believe for an instant that the Keystone Cops in the old Mack Sennett comedies were representative of any police force ever found on the face of the earth? Is anyone prepared to insult our intelligence by asking that we accept this celluloid bunch of buffoons as an example of our "Finest"?

Can you think of anyone who accepted Laurel and Hardy as an average pair of citizens? They were escape entertainment and a successful partnership which degraded no other partnership in the world.

When the incomparable Fred Allen toured "Allen's Alley," and talked with Mrs. Nussbaum of Titus Moody or any other of the accented residents, did any one fancy that any race or religion was being degraded?

Dialect jokes, and dialect comedians are part of our heritage. Nobody ever suggested that Weber & Fields or Moran & Mack were malicious. And who ever reached the fame enjoyed by Amos & Andy? When Amos ordered his own tombstone and had it inscribed, "He Left His Wife and Found Peace", a whole nation could laugh and only some kind of nut could suggest that there was anything racial about it.

So what has happened to us?

That Stepin Fetchit was only playing a role is evident from his fighting rejoinder to the TV program. "If it weren't for me there wouldn't be any Sidney Poitier or Bill Cosby."

You know, he may be right.

Stepin Fetchit was never a stereotype of the Negro; he was an American folk character along with other comedy greats, and let no young whippersnappers say that we were wrong to laugh at his antics.

Letters to the Editor

Dear Mr. White:

I subscribed to your paper a few years back, after selecting Ozona as the best place in Texas, from studying qualifications as described in the Texas Almanac published by Dallas Morning News. The issue of the Stockman July 18, 1968 is the finest I have read. You covered foreign policy (Viet Nam), foreign aid, internal security measures, and recent Supreme Court appointments. The facts of these issues were presented clearly, and editorial opinion well expressed. As a patriotic citizen I wish to express my thanks for your efforts to improve our society. I feel free to make these observations in good humor, because no one will attach any importance to what I say, at least they never have.

The column in the upper left hand corner is inconsequential, carping, or caviling. The recipes are uninspiring. I long for a return to the humorous approach you used to print by Allen Bosworth.

Most of what I have been able to learn about my state legislature has come from your paper.

You regard DeGaulle as unfriendly to the U. S. DeGaulle loves France. He believes in gold as the base of currency. During his long life he has seen his country go through the ravages of

inflation several times I suppose. He understands why U. S. citizens are not allowed to own gold. (It would check the politician's inflationary monetary policy.) He tried to protect the franc by backing it with gold, to prevent the U. S. from blaming off our inflation on France. If you were president of France, you would do the same thing, wouldn't you?

Mixed emotions fight for control inside me. My son is a 1968 highschool graduate, an army paratrooper at home right now with orders to proceed to the Republic of Viet Nam soon, wearing on his head the beret of the Airborne Infantry U. S. Army, genuine wool made in Basque, France. Would you care to take that up with the wool growers in Crockett County?

He and General of the Army Westmoreland got home about the same time. I heard on the radio that day that Westmoreland made a speech upon arrival in U. S. A. in which he said "Peace with honor." Since when do United States Army generals concern themselves with peace? I thought they went to West Point to learn military actions. In my war when I was young, general (McAuliffe) said "Nuts" (when asked to surrender). And the fight went on till we beat them. Treasonable acts by civilians were punished, and so were armed robbers.

Perhaps I have mentioned too many subjects, but since there is space left and I have time, I would like to ask you if you have ever

Children's Story Hour To End 20th; Record Attendance

Storyhour, sponsored by the Beta Sigma Phi Sorority, will end August 20 and all children's books must be turned in at that time. After books borrowed from the elementary schools have been returned, some booklets for pre-school children will remain on the shelves and may be circulated all year long.

Top attendance for the Tuesday morning event was 84 children this year. Attendance this summer has doubled that of last summer when the program was started.

read the Emancipation Proclamation by Abraham Lincoln? I thought I read in it that he adjured the slaves to refrain from violence. Do you know?

A reply to my letter is not expected by me, as I brought up these points purely as points of possible interest to you in the paper. You may quote me if you wish, but I request that my name be omitted from publication.

Yours truly,

Recipe of the Week From Kitty's Kitchen

Out of ideas when it comes to sandwiches? Here are some to perk up jaded summer appetites.

Chicken-Cheese Clubs

8 tsb. cottage cheese
2 tbs. chopped pecans
1 tbs. dates
9 slices white bread buttered
Sliced chicken breast
Mayonnaise
Lettuce leaves
Sliced smoked tongue
Combine cheese, pecans, and dates and spread on 3 slices buttered bread. Lay second slice on top and cover with sliced chicken, mayonnaise, lettuce, tongue and more lettuce. Lay a third slice of buttered bread, buttered side down, on top to close the sandwich. Cut sandwiches in triangles or

quarters. Serves 3. Recipe may be doubled.

Baked Ham and Cheese

Butter enough slices of bread to cover the bottom of a shallow casserole, fitted neatly together. Cover bread with fairly thick slices of Cheddar or American cheese, fitting them together. Spread over the cheese a large can of deviled ham. Cover this layer with another layer of bread, buttered side up. For a four-slice layer, beat 3 eggs with 2 cups of milk and a little salt. Pour over the top gently. Sprinkle thickly with grated parmesan and paprika. Let stand an hour or so in the refrigerator if possible, and bake 45-60 minutes in a 350-degree oven, or until a knife inserted in the center comes out clean. Serves four generously.

Section 1. That Section 11a, Article VII, of the Constitution of the State of Texas, be amended to read as follows:

"Section 11a. In addition to the bonds enumerated in Section 11 of Article VII of the Constitution of the State of Texas, the Board of Regents of The University of Texas may invest the Permanent University Fund in securities, bonds or other obligations issued, insured, or guaranteed in any manner by the United States Government, or any of its agencies, and in such bonds, debentures, or obligations, and preferred and common stocks issued by corporations, associations, or other institutions as the Board of Regents of The University of Texas System may deem to be proper investments for said funds; provided, however, that not more than one per cent (1%) of said fund shall be invested in the securities of any one (1) corporation, nor shall more than five per cent (5%) of the voting stock of any one (1) corporation be owned; provided, further, that stocks eligible for purchase shall be restricted to stocks of companies incorporated within the United States which have paid dividends for five (5) consecutive years or longer immediately prior to the date of purchase and which, except for bank stocks and insurance stocks, are listed upon an exchange registered with the Securities and Exchange Commission or its successors.

SCHOOL DAYS! SCHOOL DAYS!

Time has passed - vacations are about over - and it is time for school to begin again.

This is a "peak time" in the family - that of getting the children ready for school. The extra clothing, the school supplies and all the essentials of starting to school again.

We all count it a privilege which we in America enjoy - that of our children having this opportunity to attend school.

With every privilege that we enjoy comes responsibility. We have the privilege of the credit system in our country, and it is a privilege to be able to charge the

extra things we need at this time for our children when the ready cash may not be available. With this comes the responsibility and the obligation of paying our bills on time and as agreed.

We depend upon our local merchants to supply us with these needs, and they in turn, depend upon us to pay our bills on time. These are some of the things that make for a free America in a free society.

"Nothing so cements and holds together all the parts of a society as faith or credit, which can never be kept up unless men are under some force or necessity of honestly paying what they owe to one another." - Cicero.

a real VACATION

Kester Advertising Service, Inc.
Strasburg, Va.

They had waited for this *real* vacation — this long trip — for years. But this time it was different, this time he wouldn't be going back to his job.

At first, retirement seemed frightening, like being shut off from the mainstream of life. He had seen too many men age beyond their years, after their career ended. He had no wish to be on the sidelines. He and his wife could have moved to a warmer climate and just have taken it easy. He didn't want that. So, before he left home, he had a long talk with his minister.

He found that there was plenty a man his age could do. Financially secure, he could afford to volunteer for a job. In fact, through the Church there was work he could do that would spread to the farthest corners of the world.

Right now, he is enjoying this vacation. He is savoring every moment of it. Because, when he gets home, he's going to lead a full and useful life. And that's the way he wants it.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Subsection (a) of Section 62, Article XVI of the Constitution of the State of Texas be amended so as to read hereafter as follows:

"Section 62. (a) The Legislature shall have the authority to levy taxes to provide a State Retirement, Disability and Death Compensation Fund for the officers and employees of the state, and may make such reasonable inclusions, exclusions, or classifications of officers and employees of this state as it deems advisable. The Legislature may also include officers and employees of judicial districts of the state who are or have been compensated in whole or in part directly or indirectly by the state, and may make such other reasonable inclusions, exclusions, or classification of officers and employees of judicial districts of this state as it deems advisable. Persons participating in a retirement system created pursuant to Section 1-a of Article V of this Constitution shall not be eligible to participate in the Fund authorized in this subsection; and persons participating in a retirement system created pursuant to Section 48-a of Article III of this Constitution shall not be eligible to participate in the Fund authorized in this subsection except as permitted by Section 63 of Article XVI of this Constitution. Provided, however, any officer or employee of a county as provided for in Article XVI, Section 62, Subsection (b) of this Constitution, shall not be eligible to participate in the Fund authorized in this subsection, except as otherwise provided herein. The amount contributed by the state to such Fund shall equal the amount paid for the same purpose from the income of each such person, and shall not exceed at any time six percent (6%) of the compensation paid to each such person by the state.

"There is hereby created as

an agency of the State of Texas the Employees Retirement System of Texas, the purpose of membership in which, the retirement privileges and benefits thereunder, and the management and operations of which shall be governed by the provisions herein contained and by present or hereafter enacted Acts of the Legislature not inconsistent herewith. The general administration and responsibility for the proper operation of said system are hereby vested in a State Board of Trustees, to be known as the State Board of Trustees of the Employees Retirement System of Texas, which Board shall be constituted and shall serve as may now or hereafter be provided by the Legislature. Said Board shall exercise such powers as are herein provided together with such other powers and duties not inconsistent herewith as may be prescribed by the Legislature. All moneys from whatever source coming into the Fund and all other securities, moneys, and assets of the Employees Retirement System of Texas shall be administered by said Board and said Board shall be the trustee thereof. The Treasurer of the State of Texas shall be custodian of said moneys and securities. Said board is hereby authorized and empowered to acquire, hold, manage, purchase, sell, assign, trade, transfer, and dispose of any securities, evidences of debt, and other investments in which said securities, moneys, and assets have been or may hereafter be invested by said Board. Said Board is hereby authorized and empowered to invest and reinvest any of said moneys, securities, and assets, as well as the proceeds of any of such investments, in bonds, notes, or other evidences of indebtedness issued, or assumed or guaranteed in whole or in part, by the United States or any agency of the United States, or by the State of Texas, or by any county, city, school district, municipal corporation, or other political subdivision of

successors; and provided further, that not less than twenty-five per cent (25%) at any time of the book value of the investments of said Fund shall be invested in Government and Municipal Securities as enumerated above. This Amendment shall be self-enacting and shall become effective immediately upon its adoption without any enabling legislation."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on November 5, 1968, at which election all ballots shall have printed thereon the following:

"FOR the Constitutional Amendment amending Subsection (a) of Section 62, Article XVI of the Constitution of the State of Texas relating to the Employees Retirement Fund and the Employees Retirement System of Texas, revising provisions for investments of moneys and other assets of the Fund, and changing other existing provisions and making other new provisions with respect to the administration of the Employees Retirement System."

Sec. 3. The Governor of Texas shall issue the necessary Proclamation for the election and this Amendment shall be published in the manner and for the length of time required by the Constitution and laws of this State.

Washington News Letter

Congressman O. C. Fisher

Great society's poverty war was very properly ridiculed the other day when it developed that OEO had made a grant of \$272,443 to what was called "Connecticut Law Reform, Inc." of Windsor, Conn. The money was supposed to finance a 12-month program "to coordinate legal services to low income families."

A nosy reporter tried to locate the Law Reform office, but to no avail. The name didn't appear in the Windsor telephone book. Town officials at Windsor had never heard of it. LeRoy Jones, Connecticut's Commissioner whose department contains the state OEO organization, said he hadn't heard of it.

Finally, light streaked through the clouds! It turned out that the address of the newly created paper corporation to which the grant was made was the same as the home address of an OEO legal services "consultant." Apparently the lawyer who was to get the hand-out had dreamed up the "Law Reform, Inc." title without bothering to incorporate.

It also turned out that although, with appropriate ballyhoo, Senator Ribicoff and Rep. St. Onge, both of Connecticut, had announced the grant, the check had not been sent before the stink was raised. Now OEO says it will withhold the money until the paper corporation is formally incorporated. Then supposedly OEO will dish out the dough — despite protests from a number of us.

Students radicals who take part in campus disturbances will not be eligible for Federal loans and grants in the future, if the recent House action, if approved in the Senate. The curb on student rioters was written into a two-year college aid program.

Similar action was taken

by the House in May, but the administration is reported to have wanted the prohibition softened. When the watered-down version was debated the House inserted the mandatory language — which should cramp the style of some of the campus trouble-makers.

Ozonan's Grandson Cops State Title Colo. Junior Golf

Here from Lamar, Colo., for a vacation and visit are Mrs. N. E. Smith and son, Mike, who are guests of Mrs. Smith's mother, Mrs. J. M. Baggett.

Mike Smith has just emerged as district and state golf champion as a result of his performance in the annual J. C.'s Junior Golf Tournament in Colorado.

After winning the district competition, Mike, who is 14, was eligible for the state meet at Denver for players in the age bracket of 15 years and under. The state tourney was played on the Wellshire and John F. Kennedy golf courses in Denver and Mike carried off top honors to win a handsome trophy as state champ in his age group.

Mrs. N. E. Smith and son, Mike, from Lamar Colo., are here visiting Mrs. Smith's mother, Mrs. J. M. Baggett, and other relatives.

Mrs. Tommy Harris spent last week visiting her son, Brad, in Houston. Young Harris is employed in the lay-out department of Evans Advertising Agency, a subsidiary of UniRoyal.

Widow Of Former Ozona Doctor Is Buried In Lometa

Funeral services were held in Lometa, Texas, July 18, for Mrs. Grace Procter Kirby, a resident of Ozona for several years in the late thirties. Mrs. Kirby, whose husband, the late Dr. M. F. Kirby, practiced medicine in Ozona, died in Lometa following a heart attack. She had lived in Ardmore, Okla., for the past 15 years but was visiting her sister at the time of her death.

Survivors include two daughters, Mrs. Tom C. Sparks, Jr., of Ardmore, (nee Tommy Kirby), and Mrs. Joe W. McMakin of Monroe, La., (nee Tincy Kirby), both of whom are graduates of Ozona High School; one son, M. F. Kirby, II, of Jackson, Miss., a brother, three sisters and ten grandchildren.

Parks Admission System To Pay \$75 Million Bond Sale

Austin — Steps to provide more outdoor recreation sites in Texas were taken by the Texas Parks and Wildlife Commission Tuesday when \$5,750,000 in bonds were authorized for sale and a statewide park entrance fee system to begin as soon as feasible after Sept. 1, 1968 was established.

The bonds are the first issue of a \$75 million program first proposed by Governor John Connally, passed by the 60th Legislature, regular session, and approved by referendum on Nov. 11, 1967.

These first bonds will be used to purchase and develop recreation sites in areas of the greatest need. Commission authorities said other bonds would be sold in the future as needed.

To repay these bonds along with the interest in the 10-year period as outlined

in the statutes passed by the Legislature, the Commission set a \$1 per day per carload entrance fee at 30 existing State parks, a 50-cent per carload entrance fee for six existing State Parks, and exempted 13 state parks from entrance fees.

Parks where the \$1 entrance fee will be charged are: Abilene, Atlanta, Bastrop, Blanco, Bonham, Bentzen-Rio Grande, Caddo Lake, Cleburne, Daingerfield, Davis Mountains, Eisenhower, Falcon, Fort Parker, Garner, Goliad, Goose Island, Huntsville, Inks Lake, Kerrville, Lake Brownwood, Lake Corpus Christi, Lake Whitney, Lockhart, Martin Dies, Jr., Meridian, Palmetto, Palo Duro Canyon, Possum Kingdom, Stephen F. Austin and Tyler.

Parks where a 50-cent entrance fee will be charged are: Balmorhea, Big Spring, Governor Hogg Shrine, Monahans Sandhills, Mother Neff and Washington-on-the-Brazos.

Realizing that many individual families use the State parks quite heavily, the Commission authorized an annual \$12 permit which can be used at all State parks where entrance fees are charged, by person or carload, except at San Jose Mission, Varner-Hogg Plantation and Eisenhower Birthplace State Parks.
