VOLUME 17 | TALCO, TITUS COUNTY, TEXAS, FRIDAY, MAY 9, 1952 | NUMBER 13

CITY-WIDE CLEANUP BEGINS IN TALCO NEXT MONDAY, MAY 12

In the interest of public health and to improve the appearance of the city of Talco, Mayor George W. Bonds has declared the week of May 11 Clean-up Week.

City officials stressed this week that each and every person within the city begin now to "clean-up, paint-up and fix-up" so that too much will not be left to do at the last minte. The measure s voluntary, but it is hoped that each person will recognize his responsibility for making Talco safer, cleaner and a finer place in which to live.

Although the entire week of May 11 is to be devoted to this effort, special emphasis is to be placed upon a big Clean-up Day on May 15. Volunteer trucks and wagons will haul away trash and garbage placed along the streets. Be sure to get your trash cleaned up before that date!

Volunteer mowing machines will cut weeds on vacant lots and along the city's streets. It is hoped that everyone in Talco will enter into the spirit of this campaign.

To give color to the affair and to help create interest, a street parade will form at the City Hall at 1 p. m., May 15. This will mark the beginning of the official clean-up program with cooperating merchants and business places of Talco closing at that time to take part in the effort.

The Clean-up committee working in cooperation with Mayor George W. Bonds and City Health Officer Dr. E. L. Miller, is composed of Harold Bonham, Frank Sloan, Roy Farrar, Bill Thurman, James Robertson, Omer Cole, Johnnie Weatherall and Jack Braden. This committee along with the designated zone leaders urge that everyone have their trash and rubbish placed in front of their place by 1 o'clock Thursday afternoon, May 15. There will be someone to pick it up at no cost to you. For your own benefit and for the welfare and benefit of the entire city, cut your weeds and clean up around your home and lot.

It cannot be urged too strongly that disease makes its inroad into a city, often in the form of an epidemic, when poor sanitation conditions exist. The city health officer will inspect all property after May 15.

Remember . . everyone in Talco . . let's make next week a big Clean-up Week. Thursday, May 15, will be the big day! Remember the parade at 1 o'clock! The High School Band will start things off!

The following names have been selected for the different zones and to see that everyone has been contacted for their different jobs:

P. O. Wilhite and Kenneth Westbrook, 1st South Zone.

A. G. Norwood and Omer Cole, 1st North Zone.

H. L. Carlisle and John Dvorak, 2nd South Zone.

A. J. Adams and Garland Jaggers, 2nd North Zone.

R. T. Fuller and Frank Sloan, 1st East Zone.

V. J. Braden and Farris Brown, colored section.

S. A. Tidwell, place to dump trash.

Bud Hunt and Jerry Jones, trucks to pick up trash.

Johnnie Weatherall, contact Boy Scouts.

Felix Jones and Geo. W. Bonds, mowing machines.

S. O. Loving and Joe Williamson, advertising and parade.

Frys to Open Ice Cream Drive-In

Mr. and Mrs. Wallace Fry have constructed an attractive drive-in ice cream station at the corner of Highway 271 and FM 71 in southwest Talco.

They plan to hold a formal opening next Wednesday, May 14, and serve free ice cream that day between 2 and 5 o'clock to all who call.

The business will be in charge of Mrs. Fry and they will make their own ice cream. The place will be open daily from 2 p. m. to midnight and on Sundays from 11 a. m. to midnight.

The reader's attention to the formal opening invitation will be found in this edition.

Talco Oilers Beat Winnsboro But Lose to Sul. Spgs.

Talco besaball games turned from the tight pitching duals to the wild and runmaking type this week as Sulphur Springs clipped the Oilers Sunday afternoon 9-4.

The Oilers jumped on the Winnsboro nine Tuesday night for 15 hits and a 14 to 12 decision in as wild a game as has been seen in Oiler Park since Talco scored 6 runs on Pittsburg after two were out in the ninth to defeat the Pirates 10-9 in 1949.

The Oilers went into the seventh inning with a 3-2 lead over Sulphur Springs, but a walk, catcher interference and an error filled the bases. Then the Eagles squeezed in 3 runs to go ahead. The Oilers came back to score a lone tally, but Sulphur Springs came back to score 3 more runs which the Oilers never could overcome.

In the game Tuesday night, Winnsboro jumped on Gray for four runs in the first inning, but the Oilers scored five in the second to take a short-lived lead. Harrison homered for Winnsboro in the 3rd to knot the count at 5-all. Talco then scored a lone tally in the bottom of the 3rd to regain the lead. Winnsboro then combined 3 hits in the 4th to score two more runs to go ahead 7-6, but the big sticks of the Talco Oilers boomed out four hits in their half of the 4th, including a 3-run homer by F. A. Jones, to score 3 runs, and take the lead, which they never lost. Talco scored two more in the sixth to run their lead to 14-7. Winnsboro scored 5 runs in the seventh on 4 walks, 4 errors and a hit batter. The game ended as Duncan, who had relieved Gray in his second fling at the pitching, struck out Harris, with two men on.

Talco Delegates Go Uninstructed

Democratic convention of Precinct 3 met Saturday at 10 a. m. at the city hall in Talco. Louis Cato was elected chairman and Mrs. Ida Welch secretary. Twenty delegates were elected to attend the county convention in Mt. Pleasant on Tuesday.

Appointed were P. O. Wilhite, Roy Farrar, S. O. Loving, Harold Bonham, Felix Jones, Jerry Caldwell, C. N. Hunt, H. M. Johnson, S. F. Worthington, H. L. Carlisle, Hughie Harper, Farris Brown, R. A. Miller, S. A. Tidwell, J. C. Stewart and W. R. Shaw, Mrs. B. L. Gieger, Mrs. Ernest Smith, Mrs. W. H. Crawford and Miss Beulah Smith. These delegates were to go uninstructed.

Break in Water Line at Sulphur Cost Talco Plenty

Cost of pumping Talco's city water from a deep well on the north side of Sulphur river to the big overhead tank in Talco, a distance of about two miles, has been reduced more than half, according to Mayor George W. Bond.

The cost for electric power to operate the pump was entirely too high, and believing there was a big leak in the line somewhere, he walked it out. On the river bank at water's edge, he discovered the break—about half of Talco's nice, soft, deep well water was going into the river.

The break was repaired and the Community Public Service Co. agreed to reduce the rate for the big pumping motor, which operates automatically.

The power bill dropped from about $340 a month to $132, and that saving has been in effect for several months.

The water line from the well to Sulphur river and from the river to the overhead tank is six inches in diameter. Where the line crosses the river it was reduced to four inches.

"Engineers tell me that bottle neck at the river requires more pumping, and just as soon as the river gets low again it will be replaced by six-inch pipe," Mayor Bond told The Times.

Titus Gets Two Oil Explorations, One A Deep Test

Titus County took top spot in the East Texas district's expanding wildcat program this week.

The county got two explorations, one a Travis Peak test. It will be drilled by J. Z. Werby, Longview, as an 8,200-foot hole six miles southeast of Mount Pleasant. Permit shows it to be No. 1 L. Sanders, W. K. de Spain survey.

Ten miles east of Talco near Wilkinson, A. O. Phillips, Dallas, and John B. Stephens, Mount Pleasant, spotted No. 1 F. H. Aunschultz as a 5,000-foot Paluxy venture. Location falls 210 from the south and east lines of the M. J. Davis survey, A-172.

Carter Jones Drilling Co. will drill the wildcat. It is about a quarter mile east of Wilkinson stores and better known as the Dick Crooks ranch.

Two other tests, one a quarter mile northwest and another southeast of Wilkinson, were dry holes.

Short Term Write Off Issued for New TPL Plant

Certificates of necessity have been issued by the government which provide for rapid write-off of defense facilities in several southern states include two for the Texas Power and Light Co. in Texas.

One is for an electric power plant which press dispatches designated as Paris, but which is probably the new plant the company proposes to build on Sulphur river in southwest Red River County, near Johntown.

Cost of that plant was set at $12,650,000 and a quick write off of 65 per cent was allowed. The other plant is to be at Elton, to cost $3,912,000 and a 65 per cent short term write off was permitted on it.

Talco Boy Scouts Tie for 1st Place

On Monday night 25 Boy Scouts and 13 Explorer Scouts from Talco Troop 205 entered the annual Clarksville Boy Scout circus.

The Explorer Post won second place in the flag relay. Fifth in the fire building; second in the chariot race, and first in tower building.

Boy Scouts won first in flag relay, third in fire building, second in chariot race and second in tower building.

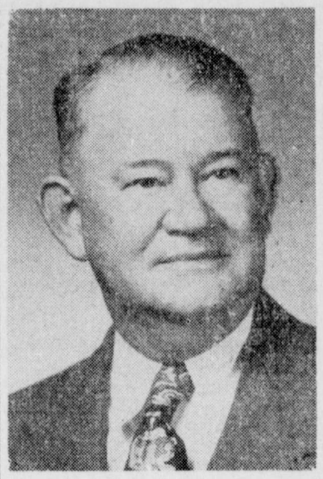

Talco Troop 205 ended up in a first place tie with Troop 210 of Clarksville.

The boys should be congratulated for the excellent showing they made.

Many activities are planned for both Explorers and Scouts of 205 and you will be hearing from us regularly in the future.—Reporter.

Mr. and Mrs. Hollis Ford, their two daughters, Janice and Connie Sue, and Beverly Jane Gieger of Ft. Worth, visited their aunt, Miss Blanche Gieger and other relatives the past week end.

S. O. Loving Heads School Executives

Supt. and Mrs. S. O. Loving went to Commerce Saturday, where Mrs. Loving visited her brother, Noble Arthur, and Mr. Loving attended North East Texas Association of Colleges and Public Schools.

At this, the last meeting of the year, Mr. Loving was elected president of the association for the coming year, succeeding Dee Cunningham. principal of Paris High School.

H. B. STEVENS, 70, OF OMAHA, SUCCUMBS

H. B. Stevens, 70, Omaha banker, merchant and real estate man for many years, died Monday.

Funeral services were held at the Omaha Baptist Church Tuesday at 3 p. m. Burial was in the Omaha cemetery.

Mr. and Mrs. Elton Tennison and their week end guests, Mr. and Mrs. Robert Owings and family of Dallas, visited Mr. Tennison's aunt, Mrs. G. C. Keith and family in Bogata.

Troutt Will Open Furniture Store In Talco Soon

Talco is to have a new furniture store. H. E. Troutt, former Bogata furniture dealer, has rented two buildings from Mrs. Dan Morgan, on Broad street in Talco. The buildings are being remodeled and a stock of furniture will be moved in.

Mr. Troutt was formerly in the furniture business in Paris. Later moved to Bogata and purchased the Bogata Hardware and Furniture store from E. G. Hutchings, which he operated for a number of years.

Owner of the new store is progressive, and will identify himself with those things calculated to make Talco a better shopping center.

"I am glad to establish a furniture store in Talco," he told The Times.

"I am acquainted with many people in this area, and want to meet all of them," he added.

Mr. Troutt will open for business just as soon as the two buildings can be remodeled and the stock of merchandise moved in.

Jack Loftis Dies Of Heart Ailment

Funeral services were held at Smith-Bates Funeral Chapel at Mt. Pleasant Monday afternoon for Jack Loftis, prominent real estate dealer at Kilgore but a former resident of Titus County. Mr. Loftis died at his home early Sunday morning from the effects of a heart ailment.

In the early part of the 1920s Mr. Loftis was cotton weigher at Talco and then moved to Mt. Pleasant. At one time he was a scout for major league baseball.

BELIEVE IN HEALTH ... ?

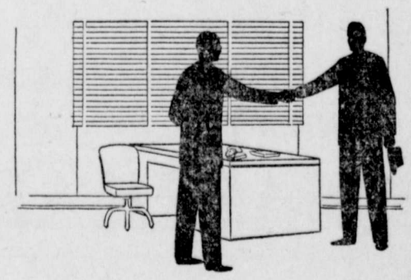

Then surely you will believe in helping to clean up Talco. Disease germs grow in unsanitary conditions.

A clean-up "epidemic" NOW might save an epidemic of disease—LATER!

Entered as Second Class Matter March 20, 1936, at the postoffice at Talco, Texas.

It now develops we pay France port fees that some times amount to $5,000 per ship. An American officer costs $6 a head and GI's $2 each. Cargoes, including guns, are also taxed. And we send an army and equipment to France to protect them from Russia and give them several billions of dollars for free. There has been a great change in the French nation since Lafayette's time. Reminds us of the greed of a French waiter in a New Orleans fashionable cafe several years ago—he was much more interested in the size of his tip than the service he rendered.

Sunday press dispatches announced the death of Howard W. Blakeslee, 72, Associated Press science editor. He was a pioneer in making science clear to the layman. Blakeslee was at one time manager of the Associated Press in Texas. This editor had the pleasure of spending a week in his company in June, 1914, when he and Blakeslee, Congressman Hatton Sumners of Dallas and Dick Harris of Henderson were guests of Col. Frank Holland at Oakshore near Corpus Christi. Blakeslee had won the Pulitzer prize for his brilliant writing. He had just "covered" the recent atomic tests in Nevada when coronary thrombosis cut him down. He was one of the nation's most brilliant journalists.

Lindley Beckworth, new dealer congressman of Gladewater, has announced his candidacy for retiring Tom Connally's seat in the senate. Beckworth was elected to congress in 1938 by promising free this, that and the other from the U. S. treasury. So said this newspaper when he announced for office at that time. He has ridden the New Deal and Fair Deal coattails of both Roosevelt and Truman since that time. Now we have a bankrupt treasury and the government taking a third of our incomes in taxes. Back of his candidacy was the urging of Truman and his loyalists. When Price Daniel defeats him in July, a Federal judgship will be the sop thrown him for his unsuccessful efforts.

Don't ask City Commissioner W. E. Welch to be seated. Friday he was doing some painting and cutting spots where paint shouldn't be with a turpentine soaked rag. That rag found its way into his hip pocket and produced a blister as large as the hip pocket. He prefers to stand.

A bouquet to the 90,000 members of the International Typographical Union that is 100 years old this week. It is the oldest union in America and its members produce most everything that is printed. Unions generally are not so popular right now, but be it said to the credit of ITU, it has exercised more brains and common sense in employer-employee relations than any other union has ever shown.

Ralph Yarborough, an also ran for attorney general a dozen years ago, announced Thursday for governor against Allan Shivers on his second term. He should have awaited the results of Saturday's precinct primaries and then refrained from announcing. But Trumanites just had to have some one to oppose Shivers, who has led the fight in this state against what we now have in Washington. In our humble judgment, after what happened at Saturday's Democratic Precinct conventions, there is no question but what Shivers will be re-elected governor.

Increase in the interest rate on government bonds is announced. For a long time the government insisted upon the Federal Reserve Banks supporting the price of these bonds at par. When that support was withdrawn, prices fell. Now the Raw Dealers are trying to sell by offering a higher interest rate, which adds to the inflationary trend, if we assume Washington's reasons for higher taxes. The proper way to maintain investment in government bonds is to stop reckless and unnecessary spending, which has sent the value of the dollar to half its original price of a few years ago.

Good Shower Would Help Crops

Most of the cotton in this area has been planted during the past two weeks. Some of it is up to a fair stand and some beginning to come up. A good shower would be helpful in bringing up the seed and soften the hard crust of the soil. It would be beneficial to corn, gardens, tomatoes recently put in field and other young crops.

COST OF MAILING NEWSPAPERS IS UP

Washington.—As of April 1 the postal rates on second-class bulk mail were increased 10 per cent.

The law calls for an additional 10 per cent increase on the first of April next year, and another 10 per cent on the first of April, 1954—a total of 30 per cent increase over the three years.

On July 1 the rates on third-class mail are due for an increase, too.

GIVING CIVIC NEGLECT the AIR

EDITORIALLY SPEAKING

BURT LOCKHART
in Pittsburg Gazette

No matter who is elected president, the American people will continue to work.

Making the curves on two wheels is another way of helping the ambulance business.

Better keep on good terms with your conscience. You might have to live with it a long time.

It won't be long now until our systems will be saturated with good old summer sunshine.

Most any man you meet has accumulated a lot of experience that he would sell at half price.

Many people who delight in looking up the family tree are careful not to go too far back to look.

Many a man owes his success to his banker. And it might also be noted that some who did not succeed also owe the banker.

Ponce de Leon little dreamed that the fountain of youth could eventually be found under the lid of a box of vitamin pills.

"If you want to stay young, just associate with young people. If you want to get old in a hurry, just try to keep up with them."

We like the philosophy of our friend around the corner who believes everything works out right in the end, if only he would tell us where we may find the end.

We would feel more inclined to work twelve months in the year if we were assured that three or four months of our time would not be for the spenders in Washington.

With Harriman in the race, President Truman's retirement makes little difference. People vote for carbon copies and then wonder what's wrong with the country.

Having spent the past regretting and the future doubting, there seems to be nothing left but the present which can supply all the moods needed for joy, hope and happiness.

Most of us try to console ourselves with the though that we get punishment in this world. Punishment for our enemies is reserved for the next world.

After an hour or so at a radio one wonders if the public really cares for the distorted programs they hear, or if they listen to them because there is no other kind to hear.

Blalock Announces For Commissioner

In announcing my candidacy for the office of Commissioner, Precinct 3, of Titus County, I do so with the full realization of the responsibilities of this very important office. But I do so with the feeling that I am fully qualified to fulfill the duties of the office in a capable and efficient manner.

I was reared in the Wilkinson (Sugar Hill) community and believe that most of the voters in Precinct 3 know me. If there are some who do not I would appreciate it if you would inquire about me.

I make only one promise if I am elected Commissioner, and that is to serve you to the very best of my ability and in the way that you, as taxpayers, deserve. Any support or influence in my behalf in the coming Democratic primary will be gratefully appreciated.

Sincerely yours,
ALVIN BLALOCK.

HE UNDERSTOOD

A man was giving some advice to his son. At the end of a rather stern lecture, he said, "Now, my boy, you understand perfectly what I mean?"

"Yes," replied the boy, "what it boils down to is this: If I do it well it's because of heredity, and if I fail it's my own fault."

USED CARS

You can drive your car only four more months without inspection.

If you buy a car that hasn't been inspected it can cost you plenty. And it isn't safe, either.

The following cars have been inspected:

"BY WHAT AUTHORITY DOEST THOU THESE THINGS?"

WHY STUDY THE BIBLE

We should study the Bible because it is the one book by which we are to be judged when we stand before the judgment seat of Christ in the last great day. Paul declared that God, "hath appointed a day, in the which He will judge the world in righteousness." (Acts 17:31.) The same writer said: "For we must all appear before the judgment seat of Christ; that everyone may receive the things done in his body, according to that he hath done, whether it be good or bad." (2 Cor. 5:10.) In that day Jesus Christ shall be our judge, and the Judge has said: "He that rejecteth me, and receiveth not my words, hath one that judgeth him. The word that I have spoken, the same shall judge him at the last day." (John 12-48.)

If I were charged with a serious crime, and knew that soon I should have to stand trial in one of the courts of Texas, I should be very much concerned about the laws of the State of Texas. The laws of other states would not especially interest me. I am not especially interested in the creeds, disciplines and confessions of faith written by men. I shall not stand before their authors in judgment, nor be judged by the contents of such books. I am deeply concerned about the teachings of the Bible, because I know that one day I shall stand before its Author, and that its teachings shall be the standards by which I shall be judged.

SHOE DEPARTMENT

North Side Plaza PARIS

All farm and ranch products are included in the above map showing sales of farm products. The upper figure in each county is the sale reported in the 1940 Census. The figure below is the sale reported in the preliminary release of the Census of 1950. All farm and ranch products are included—crops, poultry and poultry products, dairy products, other livestock and livestock products, fruit, vegetables, forest products and other products of the farm and ranch.

Farm anl Ranch Prosperity the Basis for All Our Wealth

Upon the request of newspaper publishers and editors of this area, this map on farm and ranch income has been reproduced so that you, the men and women, boys and girls who build your home community may have a better understanding of where we are going, where we can go. Ordinarily, statistics are dry, dull reading. The writers and your editor are trying to make these statistics on the accompanying map alive, truly vital facts that will give a clearer understanding of what is happening and that will inspire the young people to want to build better and finer home communities. Special permission has been given your editor to publish the copyrighted map.

We, the writers, have as our work the building of cities. But we are convinced that cities grow only as the farm and ranch family prospers. And we are equally convinced that whether we go up or down depends upon our young people and the inspiration which we can instill in them.

These figures on the map merit your careful study. And although they are in millions of dollars, they do not indicate that the farmer is getting rich at the expense of the rest of us. In fact, such prosperity as is enjoyed by the farmer or ranched and his family is the basis for such wealth as comes to the rest of us. Admitted of course that the rest of us have been in recent years also reaping temporary war-contract dollars in some communities, and in this part of the country enjoying the relatively temporary oil and gas production dollar.

The figures on the map show sales from all farm and ranch products during the year reported at each Census—including crops, dairy products, poultry products, other livestock products including sales of livestock, and timber and nursery sales from farms.

Sales from agricultural products for all the 71 counties of North-Central Texas shown on the map rose from $137,985,000 at the 1940 Census to $416,573,000 at the 1950 Census. For the rest of Texas this was $301,079,000 at the 1940 Census and $1,336,479,000 at the 1950 Census. The ten year increase for this area was 202%, compared with an increase of 344% for the rest of Texas.

In reviewing the accompanying map the reader should keep in mind the fact that between these two Census dates there were price changes which accounted for most of the dollar changes shown on the map. Production has actually dropped on some farm products.

Comparisons of farm commodity prices, as reported by the U. S. Department of Agriculture for the years covered by these two Censuses, disclose increases as follows: Cotton, 215 per cent; wheat 172 per cent, corn 113 per cent, oats 113 per cent, grain sorghum 97 per cent, sorghum forage 117 per cent, peanuts 206 per cent, watermelons 154 per cent, fresh tomatoes 111 per cent, hogs 142 per cent, pecans 93 per cent, milk 136 per cent, cream 151 per cent, milk cows 247 per cent, other cattle 284 per cent, sweet potatoes 194 per cent. Even higher prices were paid for farm products during some years between the two Censuses and since the latest Census.

But with these increases in prices of farm products were greater increases in farm expenses, the expenses going way ahead of increases in the prices of the things which the farmer had to sell.

On the single item of hired labor, the total cost to the farmers of all the counties of North-Central Texas on the map was, $16,379,000 at the time of the 1940 Census. Ten years later, $62,596,000 was the amount these farmers paid out for hired labor. Every other expense for the farmer went up in like manner.

Dairy farming faced great obstacles during war years, with price controls on dairy products and greatly increased feed and livestock costs cutting into the dairy farmer's profit. Milk prices between the years on the map increase 136 per cent, cream went up 151 per cent, but the cost of a milk cow went up 247 per cent, and the total outlay for feed in this area for all livestock and poultry went up 372 per cent.

A 284 per cent increase in the price of beef cattle caused many farmers to go into the cattle business in a big way. For this North-Central Texas area, however, the chief increase was from 1940 to 1946, with a decrease in number of cattle between 1945 and 1950 due to the fact that there were too many cattle on too few acres of pasture, with much of this poor pasture. During that period the total cost of feed for all livestock and poultry increased from $11,898,000 at the 1940 Census to $56,224,000 at the 1950 Census.

More efficiency in our farming, better educated farmers, better markets for our farm poducts, hard-surface farm roads to get the farmer and his family to school, church and market—all are needed for greatest prosperity in this area. City and farm people must work together to get these. And our boys and girls, with our encouragement, are the ones to see the job done.

5th and 6th Grades Produce Playlet

Miss Frances Cox's fifth and sixth grades entertained elementary school Tuesday morning in assembly with a playlet, "The Curiosity Cure." The program was enjoyed by several visitors, besides regular grades. Taking part were Bob Daugherty, Gerald Morris, Jerry Clemmons, Barbara Medlin, Joanna Mitchell, Dorothy Spivey, Betty Stockton, Sally Dale and Jane Ottinger.

Visitors were Mmes. Garland Jaggers, Joe Morse, Troy Rhoades, W. H. Hammond, J. C. Morris, Floyd Jones, L. L. Burcalow, A. V. Flanagan, J. F. Swope, Joe Martin, R G. Hood, A. A. Spivey, A. L. Rodgers, G. A. Daugherty and Mr and Mrs. Joe F. Mitchell.

NICE PLACE TO GO!

He had been courting the girl for ten years, calling on her every Wednesday and Saturday night.

"Why," someone asked him, "don't you marry her?"

"If I did," he answered, "I wouldn't have anywhere to go on those evenings."

Successful Bible School Closes

A successful pre-school age Bible school was held at the Methodist church last week under the direction of Mrs. W. S. Richardson, superintendent of the children's division of the Church School.

Twenty-two children between the ages of 3 and 6 attended with almost perfect regularity and received certificates at a "sharing program" Friday night at the church. Parents and friends witnessed and shared with the children the study theme of the week, "God's Creation."

Ladies who assisted and cooperated together in the school endeavor were: Mmes. Bill Seabaugh, L. D. Hanks, E. L. Miller, Charles Grissom, Guy Walker, Shelby Johnson. W. H. Hammond, Roger Neugent, Boyd Horton, W. S. Richardson, Jack Thompson, Jack Brown and Clark McPherson.

Children enrolled in the school were: Richard Shaw, Linda Whitney, Jessica and Wayne Powell, Karol Kaye Seabaugh, Chuck Seabaugh, Douglas and Pamela Miller, Donna Ward, Johnny Horton, Wanda Hanks, Shelby Jean Johnson, Nancy Carlisle, Butch Walker, Charles Grissom, Patricia Grissom, Sheri and Vicki McPherson, Richard McAfee, Martha Neugent, Terrye Leake and Ronnie Joe Holloway.

SPANISH GROUP TO DENTON

Five members of the Spanish Department and their instructor, Mrs. Perkins, will attend the Lone Star Chapter of American Ass'n of Teachers of Spanish and Portuguese, on Saturday, May 10.

Talco students will give their demonstration of Spanish conversation and Mrs. Perkins will participate in a panel discussion on "Concrete Statements of Problems to be Considered in the Professional Workshop at TSCW this Summer." Another added attraction to the program will be a dance by eight teachers from Panama.

Talco Happenings Ten Years Ago

Week of May 8, 1942

Talco Asphalt and Refining Co. had been notified to cut its production 50 per cent.

Miss Annie Sue Cato of Talco, and Corp. J. T. Goodroe of Pittsburg, had married April 27.

A son had been born to Mr. and Mrs. J. W. Holleman in Texarkana, named Weldon Richard. Mrs. Holleman was the former Miss Adelene Swartz.

Tom Stephens of Talco, and Miss Fannie Robbins of Sherman, had married in Paris.

Miss Mildred Henry and Miss Pauline Riley would receive Bachelor of Science and Bachelor of Arts degrees, respectively, at ETSTC. Miss Henry had a major in business administration and Miss Riley in English.

Vernon Guest, son of Mr. and Mrs. Harve Guest, was the first Deport boy reported missing in action in World War II. The Navy Department had officially notified his parents.

Miss Aline Chandler, 16 year old daughter of Mr. and Mrs. A. I. Chandler of Pattonville, had drowned in a gin pool at Pattonville. Her sister, Marie, 17, was rescued by John Crockett and Will Bryson.

Mrs. C. H. Sistrunk, 60, of Bogata, hd died.

Lester Cole of Normangee, was elected vocational agriculture teacher at Fulbright. He replaced John Harkrider, resigned.

Births: Daughter to Mr. and Mrs. W. R. Franklin of Talco.

Shivers Program Wins in Precinct And County Meets

Anti-Truman Democrats ran over the liberals in Texas precinct conventions Saturday. Reports indicated an overwhelming victory for Gov. Allan Shivers' political program, which was:

1. An uninstructed delegation to the Democratic national convention, free to bargain for a presidential candidate and a platform acceptable to Texas conservatives.

2. No blind loyalty pledge to support the national Democratic nominees until Texas Democrats find out who they will be.

Liberals will keep on fighting.

Precinct conventions were the first round in the fight over who shall sit in the national convention. Precinct conventions named delegates to Tuesday's county conventions, which in turn named delegates to the May 27 state convention, where the national convention delegates will be picked.

The so-called Democratic "loyalists" walked out of scores of precinct meetings where they were outvoted in their demands for a strict pledge to support national nominees, regardless of who they turn out to be.

They'll keep on bolting—they say—from the county conventions and from the state convention, if they lose in the loyalty demand. And that would mean rival Texas delegations at the Chicago national convention, where the liberals think they would win seats over the Shivers followers.

The Shivers victory—for "uninstructed" delegates—was general throughout the state.

Gov. Allen Shivers' forces drubbed the "Loyal Democrats" soundly in Democratic county conventions in Texas Tuesday.

The defeat was so resounding that it was obvious Wednesday the Loyalists have no hope in Texas—that their only hope lies in the national party convention at Chicago.

An Associated Press count of results from 145 counties showed Shivers had 337 unchalleneged state convention votes, the Loyalists 72 unchallenged votes. There are 1,227 votes in all.

An Ordinance

At a regular meeting of the City Commission of the City of Talco, Texas, held upon the 10th day of April, 1952, the following ordinance was offered for adoption:

"BE IT ORDAINED by the City Commission of the City of Talco, that it shall be hereafter unlawful for any person to allow to remain on any premises within the corporate limits of the City of Talco, Texas, owned or controlled by such person, any hogpen emitting any foul odor or stench, and any person violating the provision of this ordinance shall be fined not less than One Dollar and not more than Ten Dollars, and each day such hogpen is allowed to remain on such premises shall constitute a separate offense.

Commissioner Welch moved the adoption of said ordinance and the motion was seconded by Commissioner Hood and, upon being put to a vote, the ordinance was adopted unanimously.

Approved this 10th day of April, 1952.

Attest: G. W. BOND, Mayor.
MRS. O. D. WELCH,
City Secretary.

THE CASE ENDS

The United States has 76 per cent of the world's 53 million passenger cars, and 51 per cent of the world's 17 million trucks and buses.

MT. PLEASANT, TEXAS

Transport Truck Driver Beat Up At Mt. Pleasant

First picket line violence in the oil refinery strike was reported at Mount Pleasant Thursday of last week, when Marvin M. McCarrell, 41, of Tyler, was "roughed up" after being pulled from a gasoline transport truck.

Another driver, Arnold White of Mount Pleasant, was not believed harmed. McCarrell received treatment in Tyler where a doctor said he had a broken nose and looked "like he had been in a cat fight."

The American Liberty Refinery has continued operations with supervisory and other personnel since the Oil Workers International Union (CIO) called a nationwide oil strike at midnight Tuesday of last week.

Apparent purpose of the pickets was to shut off company attempts to reduce their stored gasoline. Once refinery storage facilities are full, the refinery would have to quit operations even though it had managed to get manpower to continue production.

V. T. Robinson, president of the Allied Oil Company of Tyler, for which McCarrell was employed, said the driver told him he asked and got permission to pass thru the picket lines at the Mount Pleasant refinery, loaded his truck and left.

Robinson said McCarrell told him three cars followed him down town from the refinery, and "from eight to twelve men" dragged him out of his truck and beat him.

Police Chief William T. Harris of Mount Pleasant said he had assigned all available local police to prohibit interference with movement of trucks in and out of the refinery.

On Friday a federal injunction was issued restraining members of Local 471 at Mt. Pleasant from intereference with operations at the refinery or from molesting, threatening or intimidating customers and movement of gasoline trucks.

District Attorney Morris Rolston and County Attorney Alford H. Flanagan have preferred charges against two men, following a court of inquiry, in connection with the beating of a gasoline truck driver.

Press Book Fine Arts Club Wins State First Prize

Mrs. Fred Love was hostess to the Fine Arts Club in her home in Humble Camp Tuesday afternoon.

Mrs. Love, president, called the meeting to order and presided at the business session. Mrs. C. C. Collins, chaplin, gave the invocation. Announcement was made that a picture called "Pewitt Ranch in the Spring" had been presented to the local school. The picture was painted by Mrs. B. H. Hazzard, local artist, and member of the Fine Arts Club. Mrs. R. T. Fuller and Mrs. F. B. Haynes were appointed a committe to supervise the disposal of a quantity of used clothing collected by the club from members and friends.

Mrs. Odell Morrison and Mrs. D. D. McKnight will entertain members and their guests with a canasta party at Humble recreation hall Friday afternoon. This is one of the club's friendship and fund raising projects.

Mrs. M. E. Jones, corresponding secretary, read a letter from Miss Nanine Simmons, chairman of the Press and Publicity division of the Communications Department of the Texas Federation of Women's Clubs, informing the club that its Press Book had been awarded first place honors in its division in the 1951-52 State Press Book contest. Previously, this book had been judged in the Third District, TFWC, contest and won first place in its division. The book, along with first place winners in other divisions, will be on display at Austin in November for delegates to the State convention to inspect. It was prepared by the club reporter, Mrs. Howard Johnson.

The program for the afternoon was a discussion of prominent women artists and concluded the year's study of "Women of Achievement." Those participating in the discussion were:

Mrs. C. N. Hunt Jr.—"Georgia O'Feeffe"

Mrs. Hazzard—"Grandma Moses"

Mrs. Johnson—"Gladys Rockmore Davis"

Mrs. McKnight—"Doris Lee"

During the social period refreshments were served to Mmes. G. N. Anderson, D. D. McKnight, B. H. Hazzard, R. T. Fuller, C. N. Hunt Jr., F. B. Haynes, Odell Morrison, C. C. Collins, M. E. Jones, Howard Johnson and the hostess.

EXPERT CAMOUFLAGE

Walking through the woods, an artillery officer was surprised to see a number of men climbing trees and crawling through the bushes.

"What's the great idea?" he snapped. "What do you men think you are doing?"

"Well, sir" said the sergeant, "we've camouflaged the gun so well that we can't find it."

NO-GOOD NEIGHBOR POLICY

The Smiths, who lived next door to the Joneses, were moving and the Jones family was watching, when Mrs. Smith came by.

"We'll certainly be living in a much better neighborhood after we move," she said very haughtily.

"So will we!" echoed Mr. and Mrs. Jones.

Mr. and Mrs. B. L. Hoffpauir, Cynthia and Clifford of Port Arthur, spent Friday through Sunday with Mr. and Mrs. H. A. Hoffpauir and Clara.

Miss Marie Reed and Mrs. John D. Wright, Doug, Sue and Camellia spent the week end with Mr. and Mrs. Ellis Denise and children in Stillwell, Ok.

Mr. and Mrs. Will Ed Baugh and Mr. and Mrs. Tommie Lee Baugh of Negley, visited their sister, Mrs. Ervin Horn and family during the week end.

Mrs. W. W. Richardson, Mrs. Grady Traweek, Mrs. L. G. Adams and Mrs. Jack Thompson attended a Bible training school in Sulphur Springs Saturday.

Mr. and Mrs. W. F. Henderson, their baby son, Louis, and Miss Georgia Ella Gieger of Mt. Pleasant, visited Mr. and Mrs. Zeno Gieger Friday of last week.

Mrs. Joda Nelson of Nashville, Ark., has been released from a Paris hospital after several days treatment. She is the daughter of Mr. and Mrs. H. F. Teague.

Miss Wanda Rogers and Miss Anita Rich, Billy Joe Vickers and Frank Stubblefield of Bogata, attended the Rangerette Round-up in Kilgore Thursday evening.

Mr. and Mrs. Dysart Anderson of Muleshoe, were here Friday visiting friends. They visited Mr. and Mrs. Oscar Goodloe, Mr. and Mrs. Onis Welch and Mrs. Lallie Welch.

Mr. and Mrs. Kenyon Eaton, Tommy and Nancy of Conroe, were here over the week end visiting Mr. and Mrs. W. A. Perdue and Mr. and Mrs. Jack Winn.

Mrs. Joda Nelson, daughter of Mr. and Mrs. H. F. Teague, who underwent a major operation in a Paris hospital last week, is now recuperating at the home of her parents.

Mr. and Mrs. S. A. Tidwell spent the week end with Mrs. Tidwell's nephew, Doris Shelton and family in Denton and went to Dallas before returning home Tuesday.

Mrs. Hattie Andrews of McLean, has been visiting her daughter, Mrs. Eugene Mankins and family and her daughter-in-law, Mrs. Ester Andrews, Jean and Bruce.

Mrs. Sims Parish of Hughes Springs, visited her son, Vernon Leftwich, Sunday. Mrs. Parish and Mr. Leftwich attended decoration services at Damascus during the day.

Mr. and Mrs. Lyndon L. Reed and children, Misses Marie Reed, Nora Biles, Esco Lowery and Mr. and Mrs. M. J. Spruell spent Wednesday afternoon at Daingerfield State Park.

Mr. and Mrs. R. V. Parker, their children, Miss Charlene Collier and Miss Melba Hearron visited Mrs. Parker's sister, Mrs. J. C. Van Winkle and family in New London, Sunday.

Mr. and Mrs. P. O. Wilhite attended the funeral of his great nephew, J C. Nelson, at Liberty Thursday of last week. Mr. Nelson, a student of the university at Norman, Ok., was killed in a car wreck earlier in the week.

George Cheatham, Elementary Principal at Deport, was elected superintendent of Deport Schools in a meeting of trustees of the Deport Independent School District Monday night. He replaces Theron M. Jones, who resigned to head the schools at Canton.

Mrs. E. J. Dorr and Jo Beth, formerly of Midland, Mich., spent Thursday through Sunday with her parents, Mr. and Mrs. W. A. Perdue and her sister, Mrs. Jack Winn, Mr. Winn and Jackie. She was enroute to San Antonio, where they will make their new home.

Mrs. Praytor and Mrs. Darling of Fairfield, came for their parents, Mr. and Mrs. G. W. Griffith and took them to their homes for a visit. Mr. and Mrs. R. E. Griffith of Houston, brought them home.

Mr. and Mrs. H. A. Hoffpauir visited Mr. and Mrs. M. A. Ferguson Jr. and family in Greggton, Friday and Saturday. Mrs. Hoffpauir's mother, Mrs. B. A. Magee, returned home with them for an indefinite visit.

Mr. and Mrs. John Carter and daughter of Cookville, Charlie Carter and Miss Jena Oliphant of Mt. Pleasant, visited the Messrs. Carter's sister, Mrs. Zeno Gieger and family Sunday.

Janie Wilson of the Dallas school faculty, spent the week end with her parents, Mr. and Mrs. H. O. Williams. Mrs. Williams and Miss Wilson attended the funeral of Mrs. E. E. Hawkes in Roxton Saturday afternoon.

Sam Mayfield suffered a broken and bursted little finger Saturday when his horse became frightened, reared up and fell backward. In attempting to get up, the animal struck Sam's left hand with a freshly corked hoof, breaking the finger and almost tearing it off.

Guests of Mr. and Mrs. J. W. Garner were their son, Bob Garner and family of El Dorado, Ark., here for their vacation and Mrs. Garner's sister, Mrs. C. J. Nowlin and family for the week end from Smackover, Ark. Mr. and Mrs. Bob Garner will also visit Mrs. Garner's parents, Mr. and Mrs. Roy Lilley.

Visiting Sammie Burton on Monday were Mr. and Mrs. Raymond Burton and Michael of Andrews, Mr. and Mrs. Billy Wayne Burton of Mt. Vernon, Mrs. Joe Lewis Borden and Catherine of Mt. Pleasant and Mr. and Mrs. E. M. Burton and Joe Clyde of Mt. Vernon.

R. R. County Dems Go Uninstructed

Red River County Democrats voted an uninstructed delegation to the state convention Tuesday at their county convention in Clarksville.

Harmony prevailed at the meeting, which was presided over by J. T. Jolley, chairman, and M. E. Waldrep, secretary.

Resolutions were approved commending Gov. Allan Shivers of Texas and endorsing the "constructive leadership" of Attorney General Price Daniels in his tidelands fight.

Delegates named to the state convention were Tom DeBerry, Jo Ed Russell, Pat Beadle, J. T. Jolley. Alternates are Ross Hughston, W. R. Garland, M. E. Waldrep and E. R. Stiles.

DAIRY MEETING MAY 9 AT CLARKSVILLE

A dairy meeting of Red River County Dairymen Association will be held at the PMA building Friday night, May 9, at 8 o'clock, according to Herman Lynch, Red River County Agent. R. L. Jones of Detroit, is in charge of the program, which will be "APA At Work." There are several members in this section planning to attend.

Mrs. W. S. Richardson, Mrs. Grady Traweek, Mrs. Jack Thompson and Mrs. L. G. Adams attended a planning conference for Vacation Bible School workers at Sulphur Springs First Methodist Church Saturday morning. Mrs. Richardson had a part on the program, with a presentation of primary work.

SCHOOL TALK

By JACKIE WINN

Everyone is beginning to blossom out in new summer outfits as the days roll on. We can certainly tell it's getting close to school being out, because of not only this, but our time is being pushed more every day..

Another fashion hint we notice tells us that the banquet must be around the corner. The girls are busy putting the last minute touches on their formals. The prom is to be carried out in western theme and just as a reminder, the annual affair comes the 10th of this month—Saturday.

Through the week we had our regular routine of studies, play practice and the freshmen even had a party Thursday night. We understand that it was very enjoyable. That was the main topic of discussion Friday. Games were played and a delicious dinner was served. Miss Flanagan and Mr. Burton are class sponsors and they received help on the party from some of the room mothers.

About the most enjoyable thing that happened over the week (besides winning the first half in baseball) was the trip the Spanish Club took to Dallas. Just so those who couldn't go will know what a good time we had, we're going to try to summarize our trip.

Bag in hand, we loaded a school bus at the school house Friday afternoon at 5 o'clock. Oscar Elliott drove. Mrs. Perkins and Miss Cox were sponsors, and 32 high school students made the trip. We now know how sardines feel after we all piled on the bus with each one carrying a suitcase or two!!

Our first stop was in Greenville and we kept on going after that till we arrived at the Baker somewhere in the vicinity of 8:30. We got straightened in our rooms, there being seven to some rooms. Those who weren't too tired went down for a look around town. We were lucky, our rooms being on the 3rd and 4th floors. Of course, we couldn't leave without seeing what made up the 17th floor.

As you probably guessed, there wasn't much sleeping done during either night. We'll say it was due to all the noise. Saturday morning we met in the lobby and went to the Early Birds. Apparently, we weren't the only ones with that idea, because the auditorium was packed! We managed to find seats and Ben Loving represented our group by telling of our trip over the air.

After leaving the Early Birds, we took a shopping spree. Due back at the hotel at 12:30, we took taxis to Fair Park. Nothing was open to amount to anything, so we caught a bus back to town and the larger portion took in a movie. Incidentally, some of the girls found a sad movie and came out with red faces.

That night we had reservations at El Phoenix, where the atmosphere was entirely Spanish. Although some of us might not have known what we ordered, we had a very delicious meal.

Sunday morning we went to the church of our choice. Upon return, we had lunch, packed and boarded the bus for home. We took a different route home and pulled into Talco about 6:45. Everyone was well worn out, but had a trip behind them that they won't forget.

Monday, school was dismissed at 2:30 for those who wanted to to attend the baseball game between the Trojans and Linden. We came out with the top score 16-5 in 5 innings. No other details were available at the time the news was written.

THEY'RE ALL USEFUL

A prospective groom went into a jewelry store.

Young man: "I want to see a wedding ring."

Salesman: "Would you like to see our special three-piece combination?"

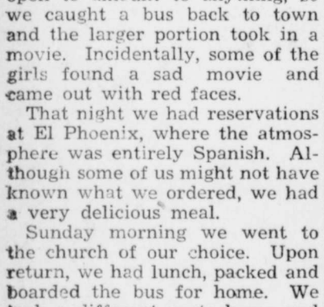

Young man: "What's that?"

Salesman: "Engagement, wedding and teething!"

Those visiting in the home of Mr. and Mrs. J. A. Jones, Friday evening were Mmes. Edna Wilson, Hatfield, Margie Greer, Faye Scanland, all of Mt. Pleasant and Mrs. Covey of Lubbock.

Joe Jones of McKinney V. A. Hospital, came home Thursday after ten months in the hospital

The Wilkinson girls baseball team went to Mt. Pleasant Friday to enter the Interscholastic League meet of 1952. The girls won a victory over Maple Springs by a score of 22-4. They will receive a first place trophy. The girls also won a first place trophy in basketball.

Summer Roundup Pre-School Kids

Pre-school summer round-up was held in the junior library Tuesday. Nineteen children with their mothers came for a medical record check form. They received instruction and help in registering and partly filled in the forms to be carried to their family doctor and dentist.

This is planned to help your child begin his school life in a healthy condition. Those who missed coming can still call for the forms in Mrs. Hopwood's office. The first grade teachers were introduced and Mr. McPherson and Mr. Loving welcomed the group.

Birth certificates must be brought next fall when enrolling all beginners.

Mrs. W. H. Hammond was in charge of the round-up and has done an excellent job.

When registration was over several parents and their children remained to attend the regular grade school assembly program. Miss Cox's sixth grade presented an interesting program.

DRIVING PROGRESSING

A Dallas woman tells of asking a female acquaintance how she was progressing in learning to drive a car. "Oh, fine," the woman enthused. "Yesterday, I went fifty miles an hour, and tomorrow I'm going to try opening my eyes when I pass another car!"

RIB BUSTER—

Husband: "Darling, every time I see you in that hat I have to laugh."

Wife: "Good! I'll put it on when the bill for it comes in."

William, Duke of Normandy, conquered England in 1066 A. D.

Safe-T-Way SERVICE

IN COOPERATION WITH . . .

1 ONE OUT OF THREE automobiles has one or more safety defects. These defects can—and often do—cause accidents.

2 With the Chevrolet "Safe-T-Way" Program the points of possible failure in your car are expertly inspected by specially trained mechanics.

3 THESE INSPECTIONS are made regularly . . . each time you bring in your car . . . without cost in time, trouble or money to you. This assures maximum safety to you, to your family, to your car.

4 YOUR CAR, as a result, is *always* in top mechanical condition to give utmost protection to you and your family.

5 FURTHERMORE, this constant service check of your car enables us to give the highest possible allowance when you buy another.

6 WITH THIS year-round "Safe-T-Way" Program you not only help protect your car, yourself and your family . . . you also help reduce the accident rate in our community. This in turn will foster lower premiums for automobile insurance in this area.

7 FREE! You enjoy all the benefits of this entire program at no charge. We supply the trained inspectors—without cost or obligation to you!

8 AND ALL YOU DO is bring your car to our Service Department. Just tell our friendly Chief Inspector you wish to participate in the Chevrolet "Safe-T-Way" Program. We suggest you act at the earliest possible opportunity to protect yourself, your family and your car. Remember, good drivers drive safe cars.

Another Chevrolet First

This *continuing* program for safety is pioneered by the Chevrolet Division of General Motors Corporation, as a continuation of their 40-year-old history in being first with the best for you.

Lions Club Seeks To Serve Needs Of Talco Area

Talco Lions Club regular meeting Monday night at the Educational building of the Methodist church was devoted almost entirely to a discussion of various projects which the club is undertaking as it seeks to serve the needs of the community.

It was voted by the club to purchase camping equipment for the Boy Scouts; and in connection with this, Lion Frank Sloan presented to the Lions on behalf of the Boy Scouts, the troop charter for the new Scout year.

The Lions voted to send $25 to the Lions Crippled Children's Camp at Kerrville.

The Lions Club is sponsoring the High School Choral Club under the direction of Lion Joe Williamson in the performance of the show "Oklahoma" at Linden, Friday night, May 16. Linden co-sponsors will be the American Legion of Linden.

In appreciation of the excellent service rendered by the choral club of the high school to the Lions, the club members voted to sponsor a trip to Daingerfield for the group, time and arrangements to be made later.

The Lions cleared $331.28 on the recent minstrel and variety show performance.

Special emphasis was given to the Clean-up week campaign, beginning during the week of May 11, with the special clean-up day designated as Thursday, May 15. Business places will close from 1 o'clock until after 4:30 on Thursday, May 15, to assist in the big parade and clean-up drive. Harold Bonham and Dr. E. L. Miller gave reports on progress made and plans thus far completed. It is hoped that clean-up efforts will begin now on a city-wide scale.

The next Lions meeting will be Monday night, May 19, 7:30 p. m. This date was set so that it might not conflict with the high school commencement exercises to be held May 26. The meeting time was voted to be moved from 7 o'clock until 7:30 for the summer months.

Lions present were: B. H. Hazzard, Jack Braden, W. T. Hughes, Jerry Jones, Kenneth Westbrook, Joe Williamson, J. H. Weatherall, J. A. Davis, James Robertson, Felix Jones, Bill Thurman, Dr. E. L. Miller, Harold Bonham, R. T. Fuller, L. G. Adams, Omer Cole, Frank Sloan, Ray Farrar and John Dvorak.

FOURTH QUARTERLY CONFERENCE

The very important fourth quarterly conference of Talco Methodist Church will be held Monday night, May 12, 7 p. m., with the Rev. Earl M. Jones, District Superintendent of the Sulphur Springs District, presiding.

The quarterly conference will follow a fellowship supper to which every member and friend of the church is invited. Families are requested to bring covered dishes; the arrangements will be under the direction of the committee on Social Life of the local church, Mrs. Guy Walker, chairman.

The conference will present a resume of the year's activity with recommendations and nominations for the new officials for the coming church year. It is requested that everyone who can be present, make plans now to attend. It is a must that all quarterly conference officials be present.

The church year closes with the 4th Sunday in May. Annual conference meets in Dallas on June 4-8.

Talco Takes First Play-off Game From Linden

Talco Trojans got off to a flying start here Monday evening in the District 16A Conference play-off series, and took the Linden boys into camp by a score of 16-5. The play-off between Linden and Talco is to be a 2 out of 3 series for conference championship. Both teams have lost only one game this season prior to the play-off series. Talco will go to Linden Friday for the second game of the series. Game time 2:30 o'clock.

This is the third time in three years that Talco has been in the thick of play for district honors.

Talco got away to a two run lead in the initial frame and Linden did not score until a big 4th inning saw five runs cross the plate on two errors and two hits, bringing the score to 6-5, Talco. The Trojans got to Simmons, the Linden hurler, in the bottom half of the 4th inning for five hits and three walks to have a big inning of 8 runs.

Only two Talco boys failed to get a hit in the game. Blanton Gage of Talco had a perfect day at bat with a single, double and triple in three trips to bat. Jim Henry and Elton Belcher also had perfect days at bat marks, Henry getting one for one, Belcher getting a double and triple in two trips to the plate. Billy Ramey hit a triple into the boards with the bases loaded.

Talco gathered 16 runs off 12 hits, 6 walks and had 4 men strike out. Linden garnered 4 runs off 7 hits and 1 walk and had 6 men go the strike-out route.

Pennington and Belcher did the pitching duties for Talco, with Freddie Rodgers receiving.

Simmons went the route for Linden on the mound, with Cox and Hines as catchers.

REV. JOHN DVORAK SPEAKS TO METHODIST LADIES

Monday afternoon, in connection with the recent study on "The Family—A Christian's Concern," directed by Mrs. Gerald Kempe, Rev. John Dvorak gave a resume or report to the WSCS of the findings of the National Conference on Family Life.

Rev. Dvorak's presentation followed a business session and a skit by Mrs. Jack Thompson and Mrs. John Dvorak, concerning two Methodist ladies' publications, "The World Outlook" and "The Methodist Woman."

PARTY FOR GAYLON HUGHES ON NINTH BIRTHDAY

Mrs. Sam Kelsey of Deport, was hostess for a birthday party honoring her brother, Gaylon Hughes on his ninth anniversary at the Hughes home, April 30.

The children played games in the yard after which Gaylon opened his many gifts. The hostess, assisted by Betty Thurman, served cake, ice cream, suckers and bubble gum to Virgle Jones, Jimmie Jones, Ronald Denton, Rodger Hawkins, Junior Easterling and Anna Sue Webb, Nancy and Danny Pat Buchanan, Brenda and Becky Lewis, Connie and Joe Travis Kelsey, Joan Garner, Carolyn Hendley, Sandra Bean, Bonnie Belcher, Linda Holmes, Jerry Robinson, Susan Ryan, Jerry Rothwell, Bonnie Beth Daugherty, Mrs. Gertrude Walls, Mrs. Garner, Mrs. Thurman, Mrs. Guy McGill and daughter and Mrs. Hughes.

Alcorn Wants to Know Why Nobody Seems to Be Running for Vice-Pres.

Editor's note: Achin Alcorn, philosopher on his Johnson grass farm on Sulphur, has something of an idea this week, his letter reveals.

Dear Editar: I have been follow-in the Presidential nomination business pretty close all this year, especially after President Truman took out, and while we seem to have plentry of men who are willin to run for the main job and are convinced they could shoulder the responsibilities and head off anything we're headed for, I've noticed an alarmin lack of interest in the number 2 place.

For months the reporters kept after Truman askin him if he was gonna run for re-election, but have you ever heard of any reporter anywhere askin the vice-president if he was gonna run for re-election?

It must be pretty lonesome, sittin around Washington and watchin reporters rush past you to get at the president, without ever stoppin and askin what your plans are. Don't nobody want to know whether Vice President Barkley is gonna run or not?

And I've been thinkin. History teaches us, if you ain't too close up to the most recent lesson to recognize it, that the vice presidential candidate is sometimes pretty important, sometimes he is likely to have a bearin on the future of the country, and I would like to see more of a scramble for that office.

Why, apparently nobody even thought of holdin a single preferential primary that went to the trouble of askin who you're for for vice president. The people talk of wantin more voice in namin the candidates for president, but nobody seems interested in havin any voice in namin the vice president, everybody seems willin to leave that up to the hotel politicians.

Ain't there nobody in this country who is an open, avowed, hat-in-the-ring, fight-to-the-finish candidate for vice president? If nobody else wants it, you reckon . . . no, I wouldn't have time to go to Washington myself.

But it looks to me like, just for courtesy's sake if nothing else, somebody ought to go up to Vice President Barkley and ask him if he is willin to run for re-election. It just ain't human to leave him alone and un-asked.

In case the Federal government has taken over the farmin operations in this country and wants to seize my tractor, it's right at the turn row where it run out of gas week before last.

Yours faithfully, A. A.

J. D. Parrish Named Supt. Daingerfield

J. D. Parrish, county superintendent of schools in Morris County since 1941, has been named superintendent of Daingerfield schools to succeed the late R. E. Richards. The school board made the selection from more than fifty applicants.

Parrish taught in Titus County before he was named Morris County superintendent.

Parrish is married and has three sons. He is a member of the Christian Church, past president of the Lions Club and has served six years as chairman of the American Red Cross.

State Health Man Warns Against Flies and Rats

Austin.—With the approach of warm days, emphasis on home sanitation becomes increasingly important, stated Dr. Geo. W. Cox, State Health Officer.

At this season of the year your State Health Department puts special emphasis on a clean-up designed primarily for the two fold purpose of elimination of flies and rats. These two health hazards can be controlled only through sanitary practices. Places where they feed and breed and rest must be destroyed.

The common housefly has demonstrated it can spread more than 20 human diseases. Some of the more serious are typhoid fever, diarrhea and dysentery. They have also been implicated in the spread of polio. Rats and mice have been accused in the spreading of 20 to 30 diseases.

"It is plain to see," says Dr. Cox, "that your health and that of your family and community depends in a good measure upon your maintenance of clean, fly and rat-free premises."

Spraying to kill flies and poisoning of rats are valuable supplements to the sanitation program, but will not do the elimination job by themselves.

Sanitation is largely a personal matter. It is a way of life expressed in clean healthful surroundings.

500 New Homes For Steel Workers Are Authorized

Steel plant workers at Lone Star will build a new town there to be known as Lone Star. Commitments to build 400 units of defense housing have been issued.

Another 100 defense units will be built in the Lone Star area outside the community of Lone Star. Location preference will be given to the towns of Avinger, Daingerfield, Hughes Springs, Naples, Pittsburg and Ore City. FHA will take applications from builders on the new program from May 12 to June 2.

The two announcements publicly settled a dispute that developed about a month ago when leaders in several East Texas towns protested the location of the 400 units at the community of Lone Star.

They said it would mean the building of an entire new city.

The new program is to house defense workers of the Lone Star Steel Company and Consolidated-Vultee Aircraft Corporation.

Some 150 defense housing units already are under construction at Lone Star.

Sales prices for these houses are $8,500 and $9,250 for 2-bedroom houses and $9,500 and $10,000 for 3-bedroom homes.

The 350 rental units with two or three bedrooms will rent in a range of $59.25 to $75 a month.

Farm Leader Will Oppose Rayburn

Reagan Brown, 31-year-old agricultural expert, announced for Congress Friday against Speaker Sam Rayburn of Bonham.

The Kaufman County man said he would conduct "a poor boy's campaign" and pitch his appeal for votes on opposition to President Truman's policies.

He linked Rayburn with the Truman administration.

TALE OF TWO CITIES

First Waitress: "Just before we were married Bill was reading that story 'The Tale of Two Cities,' and our first born were twins."

Second Waitress: "Good Heavens! Mike and I have been married only a month and he's reading a novel called 'Thirteen to Dinner'."

Sixtytwo Per Cent 36 Hiway Deaths Blamed on Speed

Sixty-two per cent of the deaths in District 12, including nineteen East Texas counties, were caused by speed, Captain Guy Smith of the state highway patrol reported in his summary of the first quarter of 1952. There were thirty-six persons killed, 267 injured and property damage loss of $342,399 for the quarter, compared with thirty-seven deaths, 265 injured and property damage loss of $269,570 for the same period of 1951.

Bowie County, with eight, led in the number of deaths; Smith County with five, next, and Van Zandt County was third with four.

Five counties in the district had no fatalities for the first quarter. They were Anderson, Camp, Marion, Red River and Titus.

Study of the detailed reports of accidents revealed that 22 per cent of them happened on Saturday with Sunday showing 20 per cent.

In Red River there were 14 accidents, seven injured and property damage was $6,880.

Titus had 20 accidents, 13 injured and property damage of $13,035.

Franklin had six accidents, two injured and property damage, $4,165.

HAD SCRIPTURE WITH HIM

"What piece of chicken would you prefer?" a dear lady asked the minister as she dished out the food at the church.

"The leg, please," replied the parson.

"Drumstick or short leg?" asked the woman.

"My good lady," responded the minister, "what nature hath joined together, let not man put asunder."

The title "admiral" comes from the Arabian words "Amir al Bahr," meaning "Ruler of the Sea."

Birthday Dinner for Mrs. A. W. Kelley

Honoring Mrs. A. W. Kelley of Fulbright, who was 88 years old on May 2, a family dinner and reunion was held at the Kelley home Sunday. The bountiful dinner was served picnic style at the noon hour.

Attending were Mr. and Mrs. John Ford and Joe Ford, Mr. and Mrs. Gilbert Huddleston, Gary and Berney of Bogata; Misses Justine and Jean Ford, Mrs. Minnie Kelley of Dallas; Mr. and Mrs. Wayland Walker and Janie of Wolfe City; George Ford, Mr. and Mrs. Weldon Abbott and Linda of Ft. Worth; Mr. and Mrs. Peyton Kelley and Linda Ann, and Marijohn Edwards of Lockhart; Mr. and Mrs. Weldon Dugger, Nick and Donna of Sweetwater; Mr. and Mrs. Lee Kelley and Elizabeth Ann of DeKalb; Mr. and Mrs. H. D. Brown, Dee Ann and Deryl, Mr. and Mrs. R. K. Storey and Shelley, Mr. and Mrs. Donald Kelley of Paris; Mr. and Mrs. Pete Storey of Deport, Miss Georgeanne Storey of Greggton; Mr. and Mrs. F. L. Kelley and Miss Maxine, Misses Tina Lee and Kay King and the honoree of Fulbright.

Others calling during the day were Mrs. Tom Keith of Bogata, Mr. and Mrs. Thomas M. Keith of Ft. Worth, Mrs. Minnie Benton, Mrs. M. E. Waldrep and children, Mrs. John McClendon and Charles of Clarksville, Mr. and Mrs. Ed Proctor of Detroit, Mrs. O. W. Oney of Dallas and Mr. and Mrs. Pete Watson of Fulbright.

New Wildcat Test On Smiley Farm

A new wildcat oil test in Lamar County has been located on the M. L. Smiley farm eight miles northwest of Paris, on a 1,200 acre block. To be known as M. L. Smiley No. 1, the well is scheduled for a depth of 3,000 feet or possibly deeper. The hole will be drilled by the Gose Drilling Co. of Honey Grove.

Chief financial backer of the new test is John Dillon, well known oil operator of St. Louis.

From where I sit ... *by* Joe Marsh

As a Matter of Fact...

Out of all the newspaper and magazine columns I read, the ones I enjoy most are those that pack in a whole lot of facts—unrelated facts, but each one an interesting bit of information in itself.

These columns go something like this: "Did you know that humpback whales are addicted to snoring? That bees have been bred with red, brown, and buff-color eyes?

"Did you know that lead can be converted to gold—at a cost of $1,000,000 an ounce? That a 555-pound fat girl went on a diet and lost 401 pounds in 12 months? That a chrysanthemum has been developed that smells like a violet?"

From where I sit, maybe I'm a kind of "Johnny-one-note." My own columns always seem to revolve around *one* idea—a plea for us to make sure we respect the other fellow's rights—like the right to vote for your own choice or the right to enjoy a glass of beer now and then. I may not be in style, but I believe my one fact is *worth repeating*—and remembering!
