Apartment Construction To Begin In Two Weeks

Construction on the 24-unit apartment project at 10th and Eastover will begin in about two weeks, Bright Company partner Roy Clark informed the crowd attending groundbreaking ceremonies at the construction site Friday morning.

Clark and partner Theron Bonham began paper work on the project last spring and it was recently brought to fruition with the approval of a $300,000 Farmers Home Administration loan. Bright Company, a Fort Worth firm, also has a similar project slated in Winters.

When construction begins, it will be the first such apartment housing project for Colorado City.

Clark said in an interview following the ceremony that he hopes the project will be completed in 90 days and open by the first of next year.

Persons interested in renting an apartment are asked to contact the company representatives at the site when construction starts. Clark said an office will be moved in at 10th and Eastover and prospective tenants may talk to someone there.

The units are designed to rent for $165 per month, fully furnished with separate laundry facilities. Living space includes two bedrooms, separate bathroom partitions between bathroom facilities, living room, dining room and kitchen, including kitchen appliances, two parking spaces and individual patios. Units are total electric with central air conditioning and heating.

The two-story sand brick building will be matched with almond-colored trim and will be fully landscaped, he said.

A Fort Worth architect, Ronnie Perkins, is in charge of construction and Clark said as many local contractors will be used as possible to meet the 90-day deadline.

Clark was in Colorado City Friday for the groundbreaking ceremony and to attend to final legal work involving transfer and abstracts for closing the transaction.

County FmHA supervisor David Marion introduced Clark to the crowd preceeding the ceremony and Chamber of Commerce president B. B. Hardee spoke briefly, stating the city's need and appreciation of the housing project.

Clark lauded efforts made by Marion and Bob Reily to get the final approval for the loan so the city could have the additional housing, cited by the Industrial Team as one of the major needs of the city in order to draw industry here.

GROUNDBREAKING CEREMONIES at the 10th and Eastover site of Bright Company's 24-unit apartment complex were held Friday morning. FmHA county supervisor David Marion was Master of Ceremonies and brief talks were given by Chamber of Commerce president B. B. Hardee and Roy Clark, center, partner in Bright Company. Pictured weilding shovels in the groundbreaking are Jack Bowers, district director of FmHA, Clark and Bob Reily, left to right.

Thornal is the son of a Baptist minister and is a graduate of Baylor University, where he studied music and played basketball. After graduation, he taught and coached basketball in the public school system and has served four churches as minister of music, presently for the First Baptist Church of McAllen. PP&K Signup Continuing

Signup for the Punt, Pass & Kick contest, set for Saturday morning Oct. 4 for kids ages 8-13, is continuing at Hutchins Ford Agency in Colorado City.

Participants in the PP&K program compete only against others in their own age group for trophies at each age level.

No special equipment is needed and participation does not impair a youngster's amateur standing. Each youngster will compete in three categories--punting, passing and kicking. Judges will score one point for each foot the ball travels on the fly, minus one point for each foot the ball lands to the right or left of the center tape.

Youngsters, accompanied by a parent or guardian, may register for PP&K at any time at the Ford agency. There is no entrance fee.

Bulldogs Fight For 12-0 Win

Loraine's Bulldogs travelled to Garden City and took a major victory over the Garden City team, 12-0, Friday night.

Bulldogs coaches Ken Lightfoot and Gene Rankin had prepared the team for a tough defensive showdown and that's what it turned out to be as the first half ended in a 0-0 tie.

Then in the final part of the third quarter, Loraine began to move the ball and a Ricky Moreno to Jeff Merket pass connected in the end zone for a Bulldog touchdown. Attempt to kick the extra point was blocked.

In the final period, Mark McDaniel passed to Ricky Moreno for the game's final score and the kick was again blocked.

Garden City attempted numerous passes that were knocked down by linebackers Thomas Raney and Frankie Martinez or broken up by a fine line rush led by defensive tackle David Taylor.

The Bulldogs open their district contests at home next Friday against Roby. Kickoff is 7:30 in the Johnson Field.

Bomb Scare Rumors Persist

Rumors of a bomb threat at Cosden Refinery in Big Spring have been circulating among workers at the plant, including many employees who live in Colorado City and commute.

Cause of the rumors is reported to be a change in the sign-in proceedure for trucks entering the refinery to haul gasoline and also use of contract maintenance crews instead of local employees.

Two phone calls have been reported to the plant, one Thursday afternoon and one Thursday night, both placed from public phones in Big Spring.

The plant is also rumored to be part of an investigation of an area-wide gang of crude oil thieves recently unearthed by the Texas Railroad Commission and FBI.

County Fair To Open Thursday

The Mitchell County Fair, featuring a Bicentennial theme this year, opens to the public at 5 p.m. Thursday in the Agriculture Barn at Mitchell County Fairgrounds.

The Chamber of Commerce is also sponsoring a Bicentennial Parade at 4 p.m. Friday, an Old Timers Reunion Saturday and has made arrangements for a carnival to be held in conjunction with the Fair.

There will also be a Pet Show starting 10 a.m. Saturday at the Fairgrounds.

Exhibitors may bring items to enter from 7:30 until noon Thursday morning, they will be placed and judged from noon until 5 p.m. and the barn will be closed during the arranging and judging.

Then, from 5 until 10 p.m., the Fair opens and will be opened from 10 a.m. until 10 p.m. Friday and Saturday.

Members of the county's Home Demonstration clubs will operate the snack room at the Ag Barn, offering hot dogs and home-baked pies and drinks.

Fair Parade chairman Mildred Free says that this year's Bicentennial theme is drawing entries from local businesses and organizations and Webb Air Force Base and Lackland Air Force Base are to be represented in the parade as well as Sheriff's posse riding groups from the area.

Judging the parade in order to award the $50, $25 and $15 prizes will be two Scurry County residents, Mrs. Jess Everett, co-ordinator of the Scurry County Bicentennial Commission and a well-known writer and Mrs. Derl Lovell, a Snyder artist who designed the commemorative Bicentennial medal for Scurry County.

Mrs. Free says that many floats have already been entered in the parade, including Home Demonstration clubs, Pink Ladies, B&PW and an antique automobile display by Hutchins Ford Agency.

The parade will progress through the downtown business section and proceed to the Fairgrounds.

Opera House Play Tryouts

Tryouts for the forthcoming Playhouse production of the children's play, "The Hide and Seek Odyssey," are set for 7:30 p.m. Monday and Tuesday in the Colorado City Opera House.

Director of the Frank Gagliano play, Jolyn Mikow, says that kids from ages 6-16 are being encouraged to try for parts in the play. There are parts for six principle characters and some nonspeaking parts, Mrs. Mikow said.

Production dates are set Dec. 11-14.

Post Beats Wolves 30-0

Colorado City's Wolves found out Friday night why the Post Antelopes are ranked among the top state teams in AA football.

The Antelope herd came to Wolf stadium and after a hard fought game, went away with their third straight victory of the year, winning 30-0.

However, it was a much better game than the score indicates. What proved to be the downfall of the Wolves was turnovers, three pass interceptions and two fumbles.

The first half was a tough defensive struggle with Post taking their first possession and marching some 48 yards after a bad Wolf punt. The Wolves held Post out of the end zone but the Antelopes' place kicker came on to boot a 37 yard field goal with 2:28 left in the first quarter.

The big play on the drive for the field goal was a 20 yard run by Post quarterback Brian Davis after it appeared he was trapped behind the line of scrimmage on an attempted pass play.

On Post's next possession which came after a Colorado City fumble on the Wolves 46 yardline, a Post runner broke two tackles and raced those 56 yards after receiving a pass. The kick for extra point was good, making the score 10-0 with 17 seconds to go in the first quarter.

The second quarter was scoreless, although the Wolves did put together several drives, all of which were stopped by pass interceptions.

To start the third quarter, Post received the kick-off and after a good return, marched some 60 yards to score with the point after touchdown good, making the score 17-0 with eight minutes to go in the third quarter.

Post came right back and got the ball inside the Wolves 25 on a fumble and went in for the touchdown, making the score 24-0 with 5:45 to go in the third quarter.

As the third quarter was ending, Post again mounted a drive of more than 50 yards, going in to score on a 22 yard pass with the point after touchdown attempt no good, making the score 30-0.

There wasn't any scoring in the fourth quarter, although the Wolves theatened once as they got to the four yardline and had first and goal to go. However, on second down, a Wolves pass was intercepted in the end zone, ending that scoring threat by the Wolves.

After looking at the game film, Colorado City Coach Mike Farda said Post has a tremendous team and that the Wolves played good in most instances but broke down on defense a number of times and turned the ball over to Post five times, giving them good field position and an opportunity to score.

The game, like the previous three contests, was costly in the terms of injuries, Farda noted. Fullback Robert Rivera suffered a severe wrist bruise and a Post player poked a finger in the eye of Guard Ruben Ornelas, scratching the cornea.

It is not known just yet how serious Rivera's injury is and it is thought that Ornelas will be all right and able to play next week when the Wolves travel to Coahoma for the first district 6-AA game of the year.

Farda had praise for Sopho-

Adult Registration Tuesday

The Colorado ISD Adult Education Classes will be offered again this year beginning with registration Tuesday night from 7-8 at the Wallace Center south of Colorado City on the San Angelo Highway.

"There is no charge for the program. The school furnishes all books and materials," said administrator Barbara Gray.

Instruction is individualized--students can go just as fast as time and ability allows, she said. Teachers develop a course of study suited to each student in order to prepare him for basic education achievement or the General Equivalency Development Test (GED). Students study in an informal atmosphere without the pressures of competition.

"Many of our students have been housewives, coming to school to gain self-respect and confidence," Mrs. Gray added, saying some are looking for jobs--others are interested just in the diploma.

Receiving a GED Diploma can enable a person to go on to train to be an L.V.N., enter college, or open other doors that require a high school education. The GED Test is divided into five parts: Literature, science, social studies, math and English. Test parts may be taken on different days.

Students can enroll any time during the semester at the Wallace Center.

Classes will be held Tuesday and Thursday each week from 7-9 p.m. The program is designed for persons (17 & over and have been out of school at least a year) who have not completed their elementary or secondary education, or have not attended school at all. "It takes a lot of courage for an adult to come to school, but it's worth every minute," Mrs. Gray emphasized.

The Adult Education Program staff will include:

--Teachers: David Woods and Bob Reily.

--Aides: Thelma Lee and Alice Molina.

JV Wins Winters Battle

Colorado City's Junior Varsity Wolves took on the Winters team Thursday night in Wolf Stadium and won a decisive 17-0 game.

Terming the win a "superb defensive game," coach Mike Easterwood said that Winters was held to only one or two first downs on their own efforts, although penalties on the Wolves gave up a few.

Both Junior Varsity and Freshmen teamed for the winning effort as Winters cancelled their Freshman game last week.

The score was 11-0 at the half as Gary Hulme carried over from the one yard line for the first TD, the entire defensive unit captured a Blizzard player in Winters end zone for a 2-point safety and with one second left in the half, Ruben Garcia booted an authoritative 25-yard field goal.

In the early part of the fourth quarter, Danny Torrez made another TD with a 20-yard run, set up by his own interception of a Blizzard pass. The defense held for the rest of the game.

Quarterback Torrez was the outstanding offensive player, Easterwood said, running and carrying the ball and making two interceptions, another one run back for a TD but called back on a penalty. Both Jim Jordan and Ruben Garcia made key interceptions and Bill Jordan ran back a punt for a 60-yard TD that was also called back because of a Wolves penalty.

Receivers Freddie Womack and Terry Culbertson aided the offensive unit, the coach said, as well as linemen Matt Sheppard, Scott Neff, Joey Landeros and Ricky Sanchez.

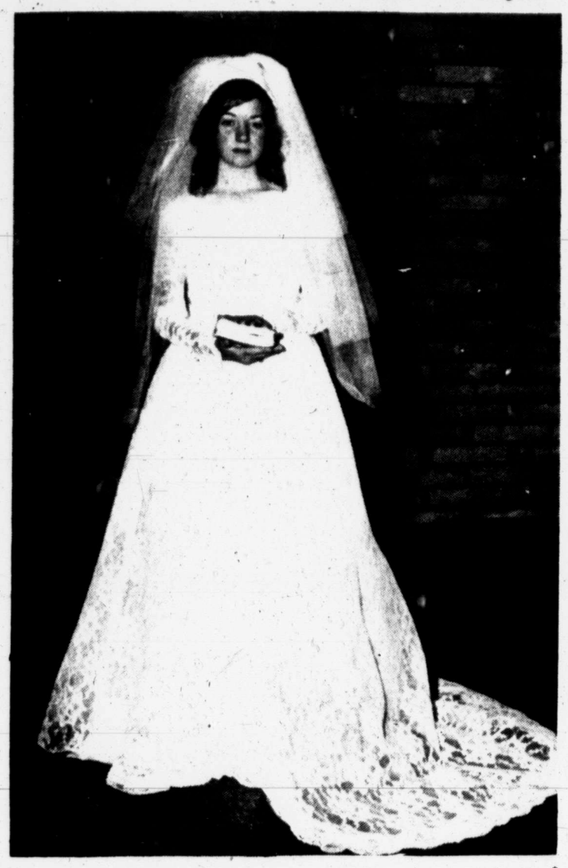

Defensive players deserving mention were Gary Hulme, Bill Jordan, Danny Torrez, Scott Neff, Jay Feaster and Ernest Aguilar.

The JV take on Coahoma here at 7:30 p.m. next Thursday and Freshmen play Sweetwater here at 6 p.m.

Salad Supper, Installation Highlights Maranatha Meeting

The Maranatha Study Club met in the home of Mrs. Dona Reed last Thursday afternoon Sept. 18 for a salad supper and the installation of officers for the 1975-76 club year.

The invocation was led by Mrs. Midge Crabtree. Della Fox read the clubs' history.

Installed as officers were Mrs. Cecil Smith, president; Mrs. Edna Pace, vice president; Mrs. Midge Crabtree, secretary, Mrs. Marion Bassham, secretary, Mrs. Della Fox, historian-reporter and not installed was Mrs. Daisy Henry, parliamentarian.

Mrs. Reed installed the officers using as her theme the subject, "What is that in your hands?"

She read Exodus 4:2 - "And the Lord said unto him (Moses), what is that in your hand?" She also read a short poem and the thought was this:

"That a secret plan
Is hid in my hand,
That my hand is big,
Big, because of this plan,
That God
Who dwells in my hand
Knows this secret plan
Of the things He will do
for the world
Using my hand!"

"The vice-president has a yearbook in her hand which the president and vice-president will keep as a constant guide to the club," Mrs. Reed continued.

"The secretary reminds the club members that in her book is a record of what the club does during the meetings.

"The treasurer has a bank book which is very important that you keep things in balance that we may serve others as we find the needs to each member and to others.

"The historian-reporter is to report to the news media of the activities of this club so that the public may know what we are doing and what kind of club this is," Mrs. Reed concluded.

Following the installation the new president gave a short talk about plans for the clubs work during the year.

After a short business session the following members joined for a salad meal: Midge Crabtree, Billie Martin, Daisy Henry, Edna Pace, Dona Reed, Cecil Smith and Della Fox.

Members unable to attend the meeting were Margaret Bullock, Marian Bassham, Margurite Helm and Minnie Howell.

Death Can Be A Wonderful Experience

Bob Grayson

Calvary Baptist Church

Pastor

Colorado City

Hebrews 9:27 says "And as it is appointed unto men once to die, but after this the judgement." This verse tells us that everyone has an appointment with death. It can't be avoided or cancelled, but you can be prepared for it. Death is merely a doorway to existence beyond that on earth. But it is what lies beyond that door that either makes death a dreaded, fearful experience or one that can be wonderful and enticing.

My purpose is not to scare people but to give them hope and good news. It has been said, and rightfully so, that no man is ready to live until he is ready to die. Therefore every man owes it to himself to ponder this most certain event. Let me share with you how some men of history have faced this event.

Voltaire lived in the 17th century and is considered one of the most intelligent men of history. During his life he continually attacked the Bible and Christianity. But when he faced death he completely fell apart, and exhibited none of the confidence and assurance that he had spoken with so often. His nurse who looked after him repeatedly said that for all the wealth of Europe she would never see another infidel die. It was a scene of horror that lies beyond all exaggeration.

Thomas Paine and David Hume were also famous men who in health denied Jesus and His Word, the Bible. But as death aproached they turned into frightened, screaming men afraid to be left alone.

Clarence Darrow, the famous agnostic lawyer, said to three clergymen he had summoned, "Gentlemen, I have written and spoken many things against God and the churches during my lifetime. Now I wish I hadn't! For I realize it is entirely possible that I may have been wrong. So I would like to ask a final favor--that each of you intercede for me with the Almighty."

Charles Darwin died expressing an attitude similar to Clarence Darrow's.

King Philip III of France made this statement, "What an account I shall have to give to God! How I should like to live otherwise than I have lived."

Cardinal Borgia's last words were, "I have provided in the course of my life for everything except death. Now, alas! I am to die, although entirely unprepared!"

Adoniram Judson's last words were "I go with the gladness of a boy bounding away from school. I feel so strong in Chrsit."

Elizabeth Barrett Browning's last words were, "It is beautiful."

Martin Luther said, "O my Heavenly Father my eternal and everlasting God! Thou has revealed to me Thy Son, our Lord Jesus Christ! I have preached Him! I have confessed Him! I love Him and I worship Him as my dearest Savior and Redeemer! Into Thy hands I commit my spirit."

As Dwight L. Moody lay on his death bed, he made the following remarks to his son. "Earth recedes-Heaven opens before me. This is no dream, Will. It is beautiful! It is like a trance! If this is death, it is sweet! There is no valley here! God is calling me, and I must go! This is my triumph; this is my coronation day! I have been looking forward to it for years."

I think you can see from these few examples that are representative of millions of others that death can be experienced in basically two ways--with regret or with joy. I hope that by faith in Jesus and daily fellowship with Him, that when the time comes you will also find that death is a wonderful experience.

8th Grade 25, Winters 0

Colorado City's 8th grade football team won their game in Winters Thursday night, 25-0.

The stingy defense made an interception and a fumble recovery, Ken Baker making the steal in the air and Clay Sayger recovering the fumble. James Edwards also had a good defensive game, coach Rick Robinson said.

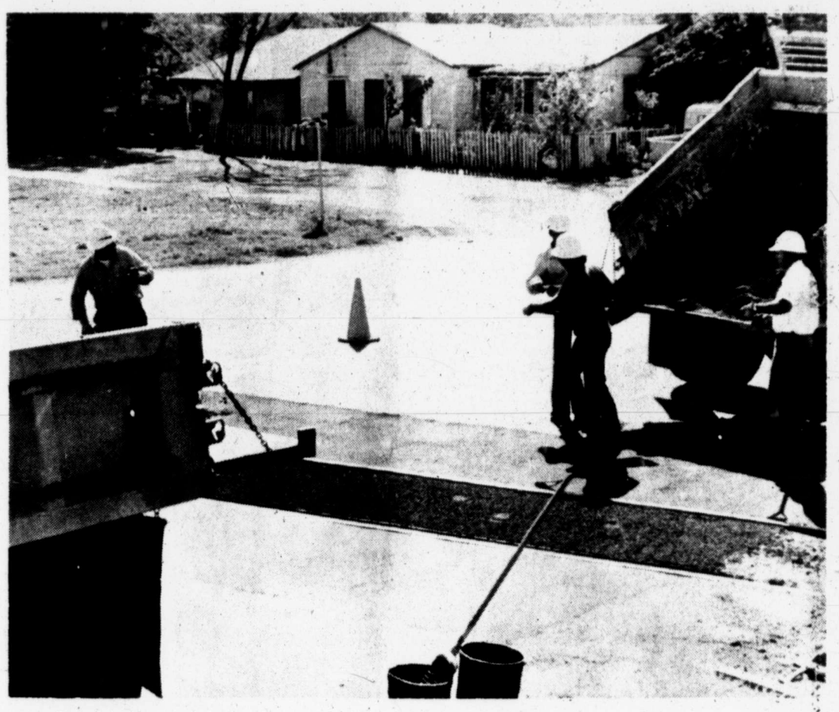

The first touchdown was scored on a 22-yard run by Rudy Garcia, kicker Jerry Don Lewis tacking on the extra point.

Chuck Claxton scored on a one-yard quarterback sneak and the third TD was a punt return of about 70 yards by Ruben Garcia. Rudy Garcia scored the fourth with a 76-yard run, the offensive line doing a fine job of blocking, coach Robinson said.

He named the fine efforts of Lupe Luera, Russell Noel, Kirk Williams, Otis Ruffin, Steve Schauwecker, Abel Alvarez, Jerry Don Lewis, Bob McDonald and Raul Gomez.

The team made 12 first downs, 272 yards rushing and no yards passing for the night.

They travel to Coahoma next Thursday for a 6:30 p.m. kickoff.

Introduction of 8th grade football players was one of the highlights of last Tuesday's Wolves Booster Club meeting and the 7th grade team and positions will be presented during Tuesday's meeting, set for 7:30 p.m. in the high school cafeteria.

WINNING A STARTING position at halfback for the North Texas State University Mean Green during the game with Oklahoma State in Stillwater, Michael Jones, sophomore halfback from Loraine beat out former first-stringer John Atkins for the starting job. Mean Green coach Haden Fry says that the 2-deep roster gives him a chance to award outstanding effort with the chance to start.

Re-Elected To PCA Board

T. L. Finley of Loraine was re-elected to the board of directors of Sweetwater Production Credit Association during the annual stockholders meeting in Sweetwater Friday.

Finley is also board chairman and has been a PCA member since 1944. He is a Mitchell County cotton, grain and livestock producer and was opposed on the ballot by Billy Cornutt, also of Loraine, a PCA member since 1962.

L.D. Echols of Dawson County was also re-elected to the board.

Overall high-point prizes will also be awarded, according to a club member.

7th Grade 0, Winters 40

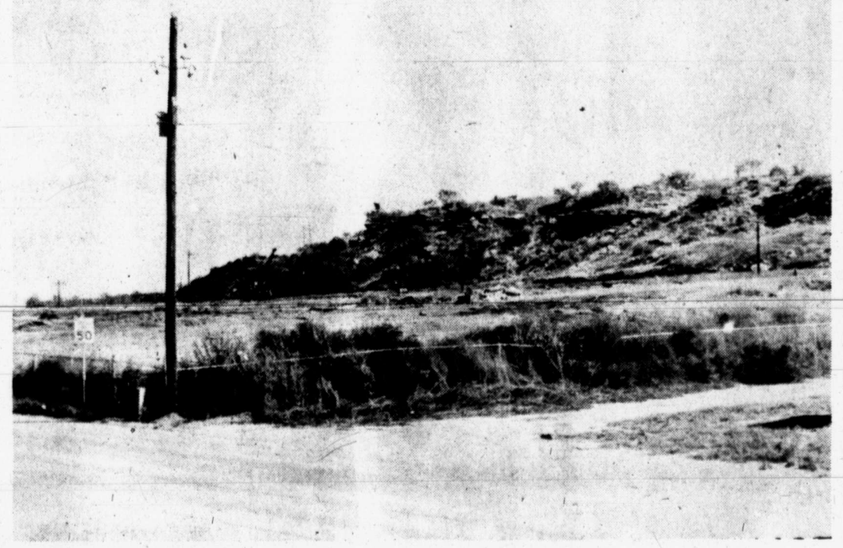

Colorado City Middle School's 7th grade team lost a game to Winters Thursday night in Winters, final score 40-0.

Fumbles by the offense hurt the young team, coach Steve Van Hoozer said, as seven kickoffs were fumbled five times and there were a total of eight Colorado City fumbles for the night.

Again, all 35 players saw some action. Van Hoozer mentiond the fine defensive play of first stringer Dese Vanderpool and second string defenders Kirk Evans, Joe Stinson, Weldon Walker and David Alvidrez.

Defender Jerry Jackson recovered a Winters fumble and Arthur Reyes ran a kickoff back into the end zone, an apparent TD that was called back because he stepped out of bounds on the 10 yard line.

The next game for the 7th grade team is in Coahoma Thursday, kickoff at 5 p.m.

ALMOST GONE--BUT NOT QUITE, the photo above shows progress of the clean-up work at the old Col-Tex Refinery on West Highway 80. Most of the old equipment was auctioned off more than two years ago and work crews have been at work at the site, moving and cleaning the area.
