Along The Waterfront

The weather the past week may have dampened some fishermen's enthusiasm but those who went, found that the fish didn't care about the rain.

The Green Stocker party of 24 from Mineral Wells ganged up and landed 1254 nice trout, redbait, whiting and a few flounder in two days' fishing. Two members joined the local punch club, much to the amusement of the others in the boat. One gentleman was hauled back "sans trousers."

The group headquarters at Sea Gun Sports Inn and fished Copano, San Antonio, Mesquite Bays and Cedar Bayou. The catches appeared to be well spread. One flounder went over four pounds. Bob Erlison of San Antonio caught 27 nice speckled trout fishing Cedar Bayou with Capt. A. Hagy aboard the "Peggy H."

There are 31 whooping cranes on the Aransas National Wildlife Refuge at Austwell, and birders aboard the 65-foot motor vessel "Whooping Crane" have sighted birds on all scheduled runs. The "Whooping Crane" operates out of Sea Gun marina, departing at 1:30 each Wednesday, Friday and Sunday. This schedule is effective throughout the migratory season. Birders or not, all are welcome.

Ed Mayers and Earl Collamore, of Pleasanton, fished with Fred Christilles Monday, catching 150 trout.

Mary Lou Atchley Homecoming Queen

Mary Lou Atchley, attractive daughter of Mr. and Mrs. C. C. Atchley, was crowned Queen at the homecoming celebration of Aransas County High School last Friday.

She received a beautiful bouquet of red roses and the crown from Eldon Mackey, president of the Student Council. During the coronation the Queen was escorted by Ray Brown of the Lettermen's Association.

Another highlight was the introduction of the Queen's four duchesses: Betty Ann McDavid, escorted by Lee Meador of the National Honor Society, Roylenn Harris, escorted by Chris Edwards of the Greenbackers, Darlene Rouquette, escorted by Dennis Davenport of the Student Council, and Sandra St. Clair, escorted by Jody Rouquette. Each duchess received a robe from Charlie Roe, vice president of the Student Council.

Queen Mary Lou Atchley is the head cheer leader, historian of the Future Homemakers of America, reporter for the National Honor Society, historian of the Paramedical Club, member of the Curtain Club and Thespians Club, treasurer of the senior class, treasurer of the Student Council and a member of the Pirate Log staff.

MINK STOLE TO BE SOLD AT RUMMAGE SALE

A rummage sale will be held at St. Peter's Episcopal Church from 1 to 5:30 p.m. Friday and from 8 a.m. to 5 p.m. Saturday. Clothing, linens, household items and even a mink stole will be offered for sale.

LIBRARY HOURS

The Aransas County Library is open Tuesday, Wednesday, Thursday and Friday from 2 to 5 p.m. and Saturday from 9 a.m. to noon. In last week's Pilot, an incorrect opening time was listed due to a typographical error.

RYSCO Building Quick Freezer Shrimp Boats

The first freezer catcher shrimp boats ever built in this area are now under construction at the Rockport Yacht & Supply Co., Inc., it was announced Thursday by John P. Mitchell, Vice President.

Designed by A. B. Silchenstedt, Production Superintendent, the boats will be 72-feet long and will have special insulation and equipment specifically designed for freezer operations. The shrimp will be quick frozen as soon as they are caught. Two of these new type boats are now under construction.

Mitchell also reported that the Rockport Yacht & Supply Co. has just received a contract from Booth Fisheries to build four 60-foot trawlers to be operated in South American waters. Silchenstedt also is designing these boats.

The Rockport firm recently built four 65-foot trawlers designed by Silchenstedt, which were shipped out as a deck load from the Houston port and bound for Damman, Saudi Arabia, where they will be used for shrimp trawling.

In other news pertaining to Rockport Yacht & Supply, the "Irish Sea," which the company built for J. D. Welborn of Ingleside, recently returned from her maiden voyage with 10,507 pounds of shrimp with a heavy poundage grading 15-20. This is the largest catch unloaded at Conn Brown Harbor at Aransas Pass this season.

The "Wild West," delivered by the Rockport firm to Winston Caraker of Aransas Pass, came in with 83 boxes in eight nights of fishing.

Life Staffers Visit Rockport

Three representatives of Life Magazine were in Rockport last week taking photographs and gathering information for a picture story.

Their main interest was whooping cranes, and during their busy day they saw 24 of the 27 whooping cranes which are reported to be in Aransas National Wildlife Refuge at the present time.

They saw the cranes while aboard the "Whooping Crane," the 65-foot motor vessel operated by the Sea Gun Sports Inn. They cruised up and down the intercoastal canal, shooting many pictures. They also spent some time motoring throughout the refuge area with Bob Shields, manager, acting as their guide.

The Life representatives were Mary Leatherbee, travel editor; Ralph Crain, a photographer; and Holland McCoombs, Dallas bureau manager.

SPORTSMEN'S CLUB TO MEET NOV. 23

The Rockport Sportsmen's Club will hold its monthly meeting at 7:30 p.m., Tuesday, Nov. 23, at the Woman's Club. The Parks and Wildlife Department will present a new movie on white tail deer.

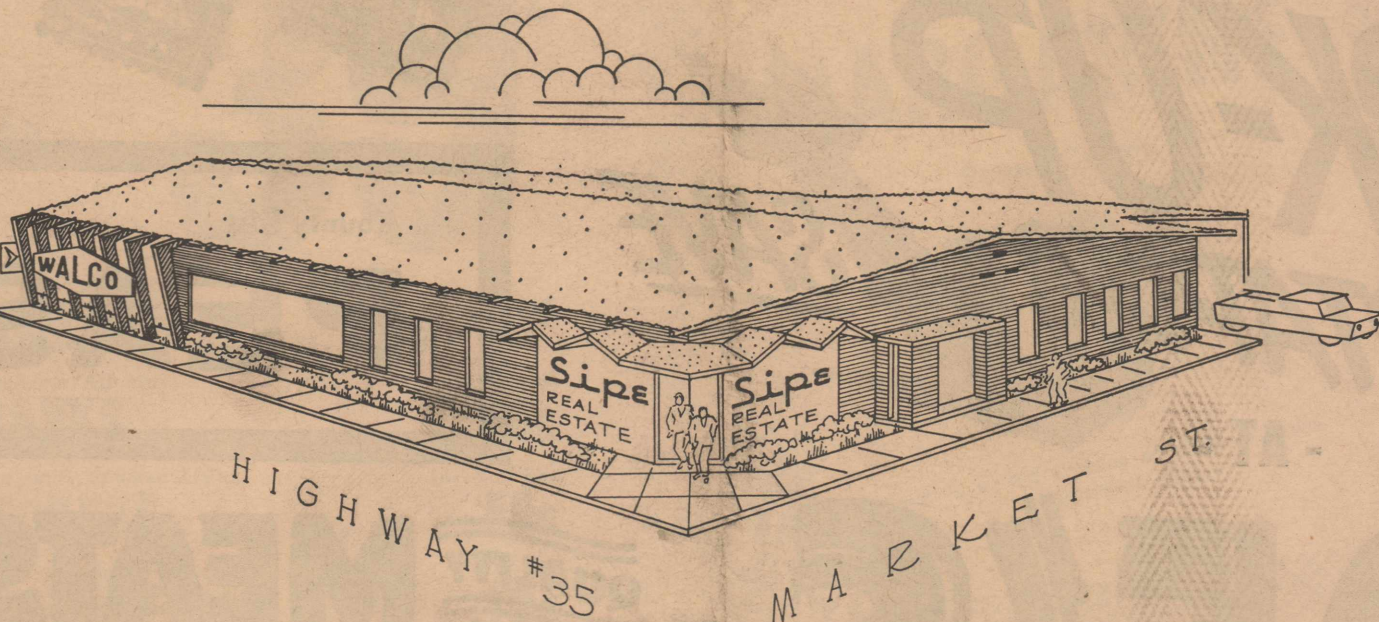

The Club will sponsor a series of fishing clinics with the first one to be held Nov. 23 on "How to Catch Redfish and Where." Local experts will explain the right techniques and will demonstrate the proper use of fishing equipment. Following the talks, a question-and-answer period will be conducted.

Members are urged to bring their wives. Two door prizes will be awarded to ladies.

VETERANS DAY PROGRAM PRESENTED

Veterans Day was observed at Aransas County Junior High School in a brief but impressive program. Ruby Nell Glass read "I Am Old Glory" while a recording of America was played in the background. This was followed by a moment of silence after which Taps was sounded by Linny Landrum and Royce Itschner. The program was concluded with the playing of the National Anthem.

New Look at Intersection of Highway 35, Market Street

Work is underway on the foundation for a new building on the corner of Highway 35 and Market Street, which when completed, will be occupied jointly by Mrs. R. B. Sipe's real estate office and Wagley Lumber Co. offices. It will also contain living quarters for Mrs. Sipe.

Mrs. Sipe has been conducting her real estate business

from her present location for over 20 years but even with several remodelings and additions, present facilities are inadequate and in keeping with the growth of the Rockport area, this new office building becomes a necessity.

Wagley Lumber Co. will handle construction of the (continued on page 8)

Johnson Gives Inspiring Veterans Day Address

Chester Johnson of Rockport was the principal speaker at the Veterans Day program at the Benavides School Thursday morning.

Speaking on "Our Freedom and the United States Flag" Johnson said "As most of us in America today do not know what it is to be without freedom, it is not surprising that some of us take our freedom for granted."

"With equal danger, many of us may confuse freedom with license. To keep America strong, we must realize that our freedom is not free. For though we are the inheritors of freedom, unless we protect this gift, invest in it and cherish it, we shall surely lose it. We must believe in our democracy and we must be prepared to defend it."

Reading Improvement Course to Be Offered

If there is sufficient interest, a special "Reading Improvement" course will be presented in Rockport by experts in this field from Del Mar College. It is the same type of training which has attracted widespread interest at the college.

At least 12 "students" are needed for the course to be conducted here, consisting of 10 three-hour sessions which probably would be held on Thursday nights.

The cost would be approximately \$11 per student including all books and materials used in the instruction. There would be no home assignments.

Objectives of the program are to help people read faster and improve their comprehension and retention. People who would benefit are those who do a lot of reading in connection with their work or, in the case of retired persons and others, who read for pleasure.

General office workers, bank employees, city hall and courthouse employees, administrative people, those engaged in education and many others could be considered prospective students.

Everyone interested is requested to call Johnny Ross at the Central Power and Light Co., SO 4-2372.

C. OF C. COMMITTEE DISCUSSES WAYS TO ATTRACT MORE TOURISTS

At a luncheon meeting in the Sea Gun Restaurant Wednesday noon, the Tourist Entertainment Committee of the Chamber of Commerce discussed a number of ways to attract more winter tourists. One suggestion was to put up many signs on highways within several hundred miles, inviting tourists to visit Rockport and enjoy its many attractions. The signs would not be in the form of huge billboards, but rather would be

Miss Sue Johnson Finalist In SWTCS Beauty Pageant

San Marcos—Beauty was honored Friday night at the Southwest Texas State when Sue Ann Johnson was selected a finalist in the San Marcos college's annual All-College pageant.

The chestnut-haired beauty, representing the Junior Class, was escorted on stage by Kenneth Koop, Skidmore senior. Competing with 33 semi-finalists, Miss Johnson was picked one of the 10 most beautiful coeds on campus.

Upon being announced a runner-up to the title of All-College Beauty, Miss Johnson was presented with a bouquet of carnations. She was selected by a five-member judging panel from the San Marcos college.

Miss Johnson, Rockport junior, is a business education major. She is a member of Chi Omega sorority and served on the Panhellenic Council. Last year she was a freshman dormitory counselor and a member of Strutters, precision dance organization. She was also a Gaillardian nominee and All-College Beauty nominee in 1964.

Miss Johnson is the daughter of Mr. and Mrs. Chester Johnson, Rockport.

GREGORY-PORTLAND SMASHED WITH A CAR BASH

A new money making project was introduced last week by the ACHS class of '66. Through the efforts of David Vavra, the Junior Class acquired an old decrepit Ford station wagon donated by Joe A. Barrera. Members of the Junior class painted the car red and blue to represent the Gregory-Portland Wildcats.

A sign stated "Help Mutilate the Wildcats by Taking a Smash," 10c for one or two for a quarter. A sledge hammer was provided and the fun began.

Selling mums for the homecoming game continued to be a worthy project of the Junior class as the sales were very satisfactory this year.

DENTIST TO ATTEND FIVE-DAY CONVENTION

The office of Dr. Leonard Goldman, local dentist, will be closed from Nov. 11 through 16 while he is attending a dental convention in Las Vegas.

Rockport Tips Wildcats In Final Game

The Rockport Pirates closed out their season Friday night in a homecoming game that gave them a 22-16 victory over Gregory-Portland.

Both 30-2A teams had won only one game before Friday's game. Both wins were over Ingleside.

The Gregory-Portland Wildcats scored first on a 40-yard pass play in the first quarter from quarterback Bill Floerke to Tony Munson. Julio Trevino ran the ball over for two points.

Rockport came back in the second quarter with a 25-yard run for a touchdown by halfback Bart Rozzell. Ray Brown ran for two extra points.

In the third quarter Rockport scored again on a pass from Rozzell to end David Nava that covered 35 yards in the air. Quarterback Chris Edwards passed Brown for two points.

Rockport sewed the game up in the fourth quarter with another 35-yard pass play. This one went from Brown to Brian Barnard. A pass for two extra points failed.

Gregory-Portland scored its second touchdown in the last quarter on a 75-yard pass and run. Floerke threw the ball to Rick Turner who outran everybody to the end zone. Jimmy Grissom ran it over for the two points.

School Board Appoints New Textbook Committee

The School Board of the Aransas County Independent School District met Tuesday night with all members present including Dr. H. T. Elliot, president; Tom Rogers, Otis Mundine, Monte Rouquette, Shelley Roaten, Roberts Johnson and Jim Jackson, board members and Supt. of Schools J. D. Gray.

Actions taken include the following:

—The regular meetings of the board during the basketball season will be changed from the second Tuesday night to the second Monday of each month at 7:30 p.m.

—The following were chosen to serve as the 1965-1966 Textbook Committee: Cepha I. Jessee, Jane L. Eller, Sheila J. Roach, Golda S. James, Jimmy S. Whitfill, Russell D. Segler, Emeley G. Brooks, Jesse H. Lindenmayer, Chester Barre, Thomas E. Dannelly and Supt. Gray.

—Reported also was the fact that through October 30, 1965, 85 per cent of current taxes have been collected.

—Tax collections show a total of \$407,835.35 collected through October, the period when the 3 per cent discount is allowed. This represents approximately 85 per cent collections to date. Through October in 1963, 81 per cent of total taxes had been collected. Through December, 1964, 87 per cent of total taxes due was collected.

County Commissioners Approve Holiday Beach Lots

Plats of South View, North View and Woodland Hills (lots 104 through 704) units of Holiday Beach were approved for record at a meeting of the Commissioners Court on Nov. 8. T. E. Griffith, surveyor, presented the plats.

Dr. George Strickhausen also met with the Court and presented a re-plat of Gulf Gate Subdivision, lots one through 77, to be approved for record. Approval was given by the Court.

Tom Bradford of Austin met with the Court, seeking information in regard to subdividing a portion of Shell Ridge, south of Rockport.

The following monthly reports of fees collected were read and approved: G. G. Gilson, Constable, Precinct No. 2; I. E. McLester, Constable, Precinct No. 3; G. D. Johnson, Justice of Peace, Precinct No. 1; E. B. Crawford, Sr., Justice of Peace, Precinct 3; Joe Earl Hunt, Sheriff; and W. E. Beasley, County and District Clerk.

A letter from Hobart Huson was read to the Court stating that Judge Crain had set a pre-trial conference for Nov. 19 and asking that the County Judge and the Commissioners Court be present. This is in connection with a suit brought by Aransas County against Nueces County regarding the southern boundary of Aransas County.

Present at the meeting were County Judge John D. Wendell and Commissioners W. B. Allen, J. M. Sparks, Jr., Raymond Owens, Albert Wofford and County Clerk Beasley.

City Council Holds Regular Meeting

The City Council met in regular session Monday night with a full council present. Also present were several visitors.

Tom Bradford, resident of Shell Ridge, discussed the possibility of a larger water line for Shell Ridge. No action taken.

Jack Keller requested the paving of Second Street. No action taken.

Laddie Janacek, fiscal agent for the city, discussed the forthcoming water and sewer revenue bond election.

Mayor Collum introduced a resolution and order for the water and sewer revenue bond election. This was adopted and Dec. 7 was set as the date of election.

The mayor signed the notice of election and Mrs. Elbert Mundine was named as presiding judge, with Mrs. Fred Diederich acting as alternate judge.

William McClendon of McClendon and Associates submitted the preliminary plans for the proposed sewer plant expansion. These were approved by the council.

Tom Shults, water superintendent, presented the specific (continued on page 8)

City Calls Bond Election Dec. 7

The City Council, in the regular meeting Nov. 8, called for a \$300,000 water and sewer revenue bond election to be held on Dec. 7.

In view of the rapid growth of the city and the surrounding area, the City Council has anticipated the necessity for the water and sewer systems to match this growth. The issue will be presented

in two parts: \$125,000 for sewer system expansion, and \$175,000 for improvement and expansion of the water system.

The Council also authorized the filing of an application with the State Health Department for a 30% grant under Public Law No. 660. If this grant is approved, it can only be used for improvements to the sewer system.

At the present time, plans and specifications have been submitted and approved for revamping the sewage treatment plant. The proposed improvements to the sewage treatment plant are necessary to provide a higher degree of treatment in accordance with State Board of Health requirements and so that Rockport can maintain its high degree of standing with the Health Department without penalty. The present plant, which was built in 1954, has exceeded its designed capacity and the new plant is being designed on the basis of population projection for the next ten years.

In addition to the sewer improvements, the drilling of three new water wells and various other improvements to the water system are in the planning stage.

The bonds being voted in this issue are strictly Revenue Bonds and can only be paid off from the Revenue from the (Continued on Page 8)

Deer and Turkey Hunting Season Opens November 13

The hunting season for deer, turkey and quail in Aransas County will open on Saturday, Nov. 13.

The Texas Parks and Wildlife Department has announced that the season for deer and turkey in counties east of the Pecos River which are regulated by the Department will open Nov. 13; and in counties governed by State Law, the season will open Nov. 16. The Department also points out that there are exceptions to these dates and that the Trans-Pecos deer season opens Nov. 27.

There are so many different limits and regulations generally depending on localities involved that the Department urges hunters to obtain a copy of the Texas hunting guide, available at all places where licenses are sold, as well as at district and regional offices of the Department. The hunting hours for both deer and turkey are from one-half hour before sunrise to one-half hour after sunset.

Another reminder from the Department is that hunters should be sure to affix a hunting license tag to the carcass of each deer brought down. Wardens have no choice but to seize as evidence an improperly tagged deer or a deer lacking a tag altogether.

The quail season opens Nov. 13 in 139 counties under regulatory authority of the Texas Parks and Wildlife Department, and Dec. 1 in some regulatory counties and another large bracket if counties functioning under the General Law.

LUMBERMAN ATTENDS ESTIMATING CLINIC

Willie Hiller, Sales Manager for Wagley Lumber Co., attended the Herb Lotz Estimating Clinic held this week at the Bar K Guest Ranch near Austin. This school, sponsored by the Lumbermen's Association of Texas, of which Wagley Lumber Co. is a member, is designed to train lumber dealers to make fast and accurate estimates.

The Lumbermen's Association states that there is not a better method of making estimates nor a better teacher than Herb Lotz, who has conducted this course throughout the United States and Canada.

SCHOOL OF INSTRUCTION FOR REBEKAH LODGE

Mrs. Harriet King of Ingleside, District Deputy of District 59, held a school of instruction at a meeting of the Rockport Rebekah Lodge on Nov. 4.

The meeting was opened at 7:30 p.m. with the Noble Grand, Mrs. Della Scott, presiding. Fourteen members and the following guests were present: Mesdames Harriet King, Ethel Byrnes, Vera Smith and Merle McAtee of Ingleside, Evelyn Gidion, Eulah Daniels, Bonnie Yarbrough and Mona McCulloch of Aransas Pass.

After the meeting members of the various lodges made plans for entertaining the president of the Rebekah Assembly of Texas, Mrs. Lee O'Dell who will make her official visit to this district in Ingleside on Thursday, Nov. 18, at 8 p.m.

Mrs. Zoe Heath and her committee served cake, punch and hot drinks. The Thanksgiving theme was carried out in the centerpiece on a lace covered table.

FIRE DEPARTMENT HOLDS MEETING

The regular meeting of the Rockport Fire Department was held Nov. 4. Mr. Dodson from A & M Firemen's Training School conducted a special instruction class on truck operation and fire fighting procedures. Refreshments were furnished by Mrs. Velma Malchar and Mrs. J. C. Gurley.

Junior High Teams Make Good Record

Although the Junior High "Fighting Buccaneers" lost to Gregory-Portland last Thursday, 14 to 12, and thereby missed a chance to tie for the district championship, the team racked up a fine record for the season. The 8th graders had two losses and one tie.

The 7th grade team tied the Gregory-Portland 7th graders with a score of 6 to 6 and finished the season with an excellent 6-1-1 record.

Although district championships eluded the 7th and 8th grade teams, Head Coach Pat E. Smith said they enjoyed the success in aspects other than district titles.

This year the "Fighting Buccaneers" ended the season with 66 boys still out for the team. The previous high was 44. Of the 66 there are 33 on the eighth grade team and 33 on the seventh grade team.

According to the district coaches, the Buccaneers ended the season with the district's second largest team. The largest squad is Gregory-Portland with 74 boys.

Another point that Smith and assistant coach, Norman Spears take pride in is that only three boys quit the team throughout the season.

Smith said that one of the most satisfying things about the season was the small number of injuries sustained by the team. Only about five boys had to see a doctor the entire season. The worst injury was suffered by Jerry West when he broke his nose in the second game but was able to return and play in the fourth game.

The following boys made up the 66 boys that finished the season:

Seventh grade team: Eddie Setterbo, Mike McLead, Pete Perez, Robert Brooks, Willie Rinche, Richard Schendel, Mike Kelly, Eddie Holt, Charles Nava, Mike Meek, Keith Rouquette, Gary Gray, Randy Purdy, Robert Little, Douglas Williams, Greg Stevens, John L. Garcia;

Jerry Garcia, Ricky Fleming, Mitchell Gillilan, Robert Moody, Jesse Roberts, Keven Rouquette, Mike Hill, J. D. Peterson, Dwain Eller, Oscar Lara, John Cooling, Russell Johnson, Melvin Moore, Ivan Silchenstedt, Andrew Perez, Joey Dufrene.

Eighth grade team: Royce Itschner, Robert Garcia, Joe Blackburn, Jeff Thornton, Robert Cortinas, Ruford Huff, Alan Leisenheimer, Fred Somora, Bobby Jackson, Alonzo Solis, Hector Cruz, Mike Holt, Jerral Hawes, Jeff Lassiter, Jimmy Clark, Danny Wright, Keith Reed, Earnie Beasley, David Tribodaux;

Jerry West, Roy Eaton, Andy Valdez, Roy Pena, Andy Crawford, Roque Garcia, Jimmy Arthur, Richard Anderson, Tito Rodriguez, Linny Landrum, James Court, Glenn Davis, Miguel Hernandez, Daniel Burke.

Trainers: Mark Jeffers, Dennis Bauer, Charles Lister, Julian Cantu, and Robert Johnson, James Donnan.

Coaches: Pat Smith and Norman Spears.

Troop 63

Cadette Troop 63 met Nov. 2 at the home of Mrs. Frank Hunt. Each patrol was chosen as a certain committee as follows: Honeymoon Patrol, Hostess Committee; Rat Fink Patrol, Decorating Committee; and Warlocks Patrol, Refreshment Committee.

The Troop also met Nov. 9 at the Scout House. We had a Court of Honor. Our treasurer, Jeanie Prophet, reported there was \$15.50 in the treasury. After this report, a business meeting was held.

Our Girl Scout investiture will be held Nov. 15 at the Junior High School cafeteria. Cadette Troop 63 will be the hostesses, and there will be a round-up movie.

—Pam Griffith, scribe.

Troop 48

Girl Scout Troop 48 met Nov. 7 for their regular meeting. All 13 girls were present. We put cards on our patrol leaders, Lisa Dick and Marcy Wendell. Plans were made for the Fly-Up ceremony to be held Monday night. Dues were collected and refreshments served.

Pam Ross, scribe.

Troop 69

Troop 69 met Nov. 4 at the Little House. Roll was called, dues collected and money for the Juliette Low World Fellowship fund collected.

We discussed our part in the investiture ceremony to be held Nov. 15 at the cafeteria.

Patrols met for badge work. Patrols 1 and 4 planned a hike for Saturday, Nov. 6. Girls were to meet at the Little House and go to Goose Island for an all day hike and picnic.

Girls to make the hike are Ann Wolf, Joy Bright, Patricia Bowling, Sandra Simmons, Mary Griffith, Renee LeBounty, Carrie Sue McElveen, Atoma Bateman, Sue Ann Driver, Rachael Saucedo, Molly Wright, Debra Chupe, Julie Dawn Bright, accompanied by Mr. and Mrs. Jack Bright.

Square Dance Huge Success

Miss Lola Bonner, president of the local Chamber of Commerce, extended a warm welcome to some 250 square dancers who assembled last Saturday night at the Paws and Taws Building in Fulton, for their quarterly Association Dance. Visiting dancers came from all over South Texas, some from as far away as 200 miles, for this event. The largest single contingent was a busload of 42 teenagers and their sponsors from the Teen-age Club in Victoria.

Area callers were featured and during the course of the evening, 24 different callers took the microphone to direct the dancers through their paces.

This was also the annual election of officers for the South Texas Square Dance Association, and Rockport is represented on the slate of officers for the coming year by Helen and Travis Johnston, (owners of Rockport Roofing Co.), who were elected treasurer. (Square dancing being a couple activity, the officers are usually held jointly by husband and wife.) Other association officers elected were Bill Thornbrough, of Victoria, president; and Milton Carlson, of Corpus Christi, vice-president.

Harley Deisler of Kingsville and the outgoing president of South Texas Square Dance Association, was program chairman, while Arthur and Vee Leslie of Corpus Christi were Round Dance chairmen. The program was handled by four Emcees: Bill Robinson of Premont; Charley Van Hette of Victoria; Mac McDougal of Kingsville; and Eddie Smith of Victoria.

Leonard Morris of Houston, president of the Texas State Federation of Square and Round Dancers, was also on hand to call one number, and was accompanied by a group of accomplished dancers from Houston.

In addition to her welcome to the visitors, Miss Bonner also paid tribute to the local club members responsible for the fine facilities of the club. Commenting on this and the tremendous enthusiasm of the crowd, one spectator, Dave Tandy of Ft. Worth and Fulton, president of Tandy Corp., summed it up neatly by saying "It's fantastic — this is the

Don't Loan Your Car To Kinsey

John R. Kinsey, the new reporter on The Rockport, seems to put a jinx on the cars he drives.

On Oct. 19, while driving his car from Corpus Christi to go to work, the engine caught fire about half way between Aransas Pass and Rockport. He pulled off the road and fortunately a motorist with a fire extinguisher in his car stopped and quickly put out the blaze.

On Nov. 5 he borrowed his daughter's car and started from Corpus Christi about 7 a.m. Just before reaching Aransas Pass he noticed that the temperature gauge was nearing H (HOT). So he stopped in an oil station and learned that the heater hose had burst. A new hose was installed by an Aransas Pass garage.

Anybody got a car they'd like to loan Kinsey?

S. W. BELL PRESENTS TELEPHONE PROGRAM

The teachers of the Rockport Elementary School wish to express their appreciation to the Southwestern Bell Telephone Company, and to Miss Daisy Lee Kelly, San Antonio District Representative, for making available for their usage telephones, directories, manuals, charts, film, and student booklets for teaching the usage of the telephone.

The children learned how to dial the telephone, use correct manners in speaking over the telephone, the importance of not using the telephone as a toy, dialing emergency calls in case of no available adult help. Many of the students do not have telephones in their homes. This instruction was an important experience for them.

EDITOR'S VIEWPOINTS

HOFFA SINKS LOWER IN FREEDOM QUEST

Truth really is stranger than fiction and anyone who does not believe it can take a look at the latest move by Teamster boss Jimmy Hoffa. Here is a man convicted of jury tampering. Here is a man who has been found guilty of defrauding dues-paying drivers. He faces 13 years in prison. He refuses to give up leadership of the 1.7 million member union. He even wants rank-and-filers to re-elect him in 1966.

Jimmy Hoffa carries the Barnum sucker-theory almost beyond the real of belief with his new plan. He wants Teamsters to belly up to \$100-a-plate dinner so he can get his mitts on \$100,000 to pump into court appeal machinery. Imagine Hoffa bilking the Teamsters, ruining their image, delaying their progress and then wanting them to slosh down an expensive meal in his behalf.—Dayton (Ohio) Daily News.

SCIENCE MARCHES ON

University of Illinois scientists have put together genetic material of a virus in a test tube. Several scientists called the event a major advance toward understanding the genetic processes that govern the growth and development of all living creatures.

The also said the achievement does not mean that scientists are about to create life from scratch in a laboratory. But to a layman, it certainly appears to be a step in that direction.

So try not to be too surprised if some day you pick up a news paper and read that some scientists has tossed some ingredients into a test tube, shaken it up or heated it or something and turned to his colleagues to announce: "That's life, boys."—Atlanta Journal.

DOWN THE DRAIN

Ever since mankind began using bathtubs that drained at the bottom, the observant has been involved in heated arguments about which way the water swirls out of the tub. Now scientists in both the northern and southern hemispheres have at last proven, at least to their own satisfaction, something about the rotation of the earth.

The conclusion has long ago been assumed. If the earth rotates on its axis, the water should run out counterclockwise in the northern hemisphere, or at least look that way, and clockwise in the southern hemisphere. But the earth's rotating motion is so slight that a lot of things influence what ought to occur in the ordinary bathtub. Skeptics have maintained that water really goes out the same way it comes in and this might depend upon the faucet.

A professor at the Massachusetts Institute of Technology build a round tub, filled it with a clockwise swirling motion and then let the water stand in still air for 34 hours. This was to do away with any possibility of a surface breeze. When the plug was gently pulled, sure enough, out swirled the water counterclockwise. Meanwhile researchers at the University of Sidney tried the same thing and out went the water, over and over again, clockwise.

So now most ordinary householders, except those addicted to quick showers or a sponge bath, can be almost sure of determining a couple of important things while they are relaxing in a warm tub. They'll be able to alert scientists if the earth starts rotating some other way or stops altogether (there wouldn't be any swirl at all). And they ought to know if they inadvertently cross the Equator.—Appleton (Wisc.) Post-Crescent.

IKE'S ADVICE

Dwight D. Eisenhower has some good advice: "No matter how hard you work, no matter how tough the going, always have some fun every day of your life," he says. "If you do not enjoy life, it is not worth living."

He has expanded on the old saying that all work and no play makes Jack a dull boy, and perhaps an unhappy one, too.

Too much play, of course, is as bad as too much work. The trick is in achieving a reasonable balance, and it is a necessary trick, for if you don't work chances are you won't be able to finance playing.—Orlando Sentinel.

S/A JOHN S. MOWERY ABOARD USS HANSON

USS Hanson (DD-832) (FHINC) — Seaman Apprentice John S. Mowery, USN, son of Mr. and Mrs. George W. Mowery, Sr., of 614 N. Ann St., Rockport, Tex., is scheduled to return to San Diego, Calif. Nov. 10 aboard the destroyer USS Hanson, after a seven-month deployment to the Western Pacific with the U. S. Seventh Fleet.

While in the South China Sea, Hanson acted as a life guard and escort vessel for aircraft carriers, and concluded shore bombardment against the insurgent Viet Cong.

While acting as life guard, the destroyer rescued a sailor who had fallen overboard during a routine refueling at sea. Despite high seas and darkness, Hanson recovered the man in a few minutes.

In 11 shore bombardment missions, Hanson fired 2,274 rounds of ammunition against the Viet Cong. After each mission, artillery spotters commented on Hanson's speed and accuracy of fire.

BAPTIST CIRCLE MEETS

The Josephine Ward Circle of the First Baptist Church met this week at the home of Mrs. Ed Whitfill for the Royal Service Circle program. Twelve members were present.

tion. The motion was seconded
by Alderman Jackson. The
motion, carrying with it the
adoption of the resolution and
order, prevailed by the follow-
ing vote:

Ayes: Aldermen Garrett,
Harriss, Jackson and Maley.
Noes: None.

The Resolution and Order
is as follows:

Whereas, the City Council
of the City of Rockport, Texas,
deems it advisable to issue
the bonds of said City for the
purposes hereinafter mention-
ed; therefore,

Be It Resolved and Ordered
By the City Council of the
City of Rockport, Texas:

Section 1: That an election
be held on the 7th day of De-
cember, 1965, which date is
not less than fifteen (15) nor
more than thirty (30) days
from the date of the adoption
of this resolution and order,
at which election the follow-
ing propositions shall be sub-
mitted to the resident qualified
electors of said City, who own
taxable property therein and
who have duly rendered the
same for taxation:

PROPOSITION NUMBER 1
"Shall the City Council of
the City of Rockport, Texas,
be authorized to issue the
bonds of said City in the
amount of One Hundred
Seventy-Five Thousand Dol-
lars (\$175,000), maturing
serially in such installments
as may be fixed by the City
Council, the maximum ma-
turity being not more than
Thirty-Five (35) years from
their date, bearing interest at
a rate not to exceed Five Per
Centum (5%) per annum, for

the purpose of constructing
improvements and extensions
to the City's Waterworks
System, to be issued in ac-
cordance with and secured in
the manner provided in Article
1111, et seqq., V.A.T.C.S.,
each bond to be conditioned
that the holder thereof shall
never have the right to de-
mand payment of said obliga-
tion out of funds raised or
to be raised by taxation, and
secured by a pledge of the net
revenues from the operation
of the City's combined Water-
works and Sanitary Sewer
System?"

PROPOSITION NUMBER 2
"Shall the City Council of
the City of Rockport, Texas,
be authorized to issue the
bonds of said City in the
amount of One Hundred
Twenty-Five Thousand Dol-
lars (\$125,000), maturing
serially in such installments
as may be fixed by the City
Council, the maximum ma-
turity being not more than
Thirty-Five (35) years from
their date, bearing interest
at a rate not to exceed Five
Per Centum (5%) per annum,
for the purpose of construct-
ing improvements and exten-
sions to the City's Sanitary
Sewer System, to be issued in
accordance with and secured in
the manner provided in Article
1111, et seqq., V.A.T.C.S.,
each bond to be conditioned
that the holder thereof shall
never have the right to de-
mand payment of said obliga-
tion out of funds raised or
to be raised by taxation, and

precinct.

Section 3: That the follow-
ing named persons are here-
by appointed officers of the
election:

Mrs. Elbert Mundine, Pres-
iding Judge; Mrs. Fred
Diederich, Alternate Presiding
Judge.

If the regularly appointed
Presiding Judge is unable to
serve at the election, the Al-
ternate Presiding Judge there-
for shall serve as Presiding
Judge. The Presiding Judge
shall appoint at least two (2)
Clerks (one of whom shall be
the Alternate Presiding Judge
if the election is conducted by
the regularly appointed Pres-
iding Judge) and not more
than two (2) additional
Clerks, as he deems necessary
for the proper conduct of the
election.

Absentee Voting shall be
conducted at the City Secre-
tary's Office in the City Hall,
in accordance with the pro-
visions of Chapter 424, Acts

of the 58th Legislature, Regu-
lar Session, 1963.

Section 4: That said election
shall be held under the pro-
visions of and in accordance
with the laws governing the
issuance of municipal bonds
in cities, as provided in the
General Laws of the State of
Texas, and only resident
qualified electors, who own
taxable property in the City,
and who have duly rendered
the same for taxation, shall
be qualified to vote.

Section 5: That the ballots
for said election shall be pre-
pared in sufficient number
and in conformity with Chap-
ter 6, V.A.T.C.S., Election
Code, as amended, and that
printed on such ballots shall
appear the following:

PROPOSITION NUMBER 1
"For the issuance of \$175,-
000 Revenue Bonds for Water-
works improvements and ex-
tensions and pledging the
revenues of the City's com-
bined Waterworks and Sani-
tary Sewer System to the
payment thereof"

"Against the issuance of

bined Waterworks and Sani-
tary Sewer System to the
payment thereof"

PROPOSITION NUMBER 2
"For the issuance of \$125,-
000 Revenue Bonds for Sani-
tary Sewer System improve-
ments and extensions and
pledging the revenues of the
City's Combined Waterworks
and Sanitary Sewer System to
the payment thereof"

"Against the issuance of
\$125,000 Revenue Bonds for
Sanitary Sewer System im-
provements and extensions
and pledging the revenues of
the City's Combined Water-
works and Sanitary Sewer
System to the payment there-
of"

As to each of the foregoing
propositions, the voter shall
mark out the statement For
the proposition or the state-
ment Against the proposition,
so that the statements re-
maining shall indicate the way
he wishes to vote.

Section 6: That a copy of
this resolution and order,
signed by the Mayor of the
City and attested by the City
Secretary, at the top of
which shall appear the words
"Notice of Election for the
Issuance of Bonds", shall serve
as proper notice of said elec-
tion. Said notice shall be
posted at three public places
in said City, one of
which shall be the City Hall,
not less than fourteen (14) full
days prior to the date on which
said election is to be held,
and be published on the same
day in each of two successive
weeks in a newspaper of gen-
eral circulation in the City
of Rockport, Texas, published
in the City of Rockport, the
first of said publications to be
made not less than fourteen
(14) full days prior to the
date set for said election.

Passed and Approved, this

Enjoy Modern Electric Heat

Low Winter Rate Now In Effect...

As the temperature goes down, so does the cost of cold
weather comfort—when you heat your home electrically!

During the five cooler months, CPL offers a reduced rate
for electrically-heated homes.

That makes electric heat a big bargain
in comfort. Electric heat is also
clean, carefree and quietly efficient.

Now is an ideal time to install flameless
electric heat. Take advantage of the
low winter rate and discover another
of the joys of total electric living.

BOND ELECTION—
(continued from page 1)

water and sewer system. Taxes will not be affected as taxes cannot be used to pay off revenue bonds.

Based on a report by Laddie Janecek of the First Southwest Company, the City's fiscal agent, no increase in the water or sewer rates will be necessary.

The election will be held at the City Hall Dec. 7, with the City comprising a single election precinct. The polls will be open from 8 a.m. to 7 p.m., with absentee voting starting Monday, Nov. 15, and ending Friday, Dec. 3.

In order to be a duly qualified voter in this election, one must meet all of the following requirements:

1. Own property in the city which has been duly rendered and placed on the tax roll.

2. Must have resided in the city six months prior to the date of election.

3. Must have paid poll tax or have exemption (overage).

The proposal will be placed on the ballot in two separate propositions in accordance with state law as follows:

Proposition Number 1
"For the issuance of \$175,000 revenue bonds for waterworks improvements and ex-

tensions and pledging the revenues of the city's combined waterworks and sanitary sewer system to the payment thereof."

Proposition Number 2

"For the issuance of \$125,000 revenue bonds for the sanitary sewer system improvements and extensions and pledging the revenues of the city's combined waterworks and sanitary sewer system to the payment thereof."

The benefits and improvements which were made possible by the last revenue bonds are more than obvious to the citizens and the people who visit the city. The water is of a much better quality due to installation of their removal plants. The increase in storage capacity has not only prepared us for emergencies, but also has resulted in a decrease of insurance rates. The installation of larger lines has given the customer better pressure.

The City Council has worked long and hard to bring these improvements about for it realizes that the prosperity and progress of this community depends upon ability to be prepared for the anticipated and hoped for development of this community and area.

ST. PETER'S HOLDS BREAKFAST MEETING

The vestry of St. Peter's Episcopal Church held a breakfast meeting Thursday morning in honor of the Rt. Rev. Everett H. Jones, Bishop of the Diocese of West Texas, who is here for his annual pastoral visit.

Present at the meeting in the Key Allegro Islander Room were Father Harold W. Edmonson, James H. Sorenson, Jr., Gay Copeland, Mr. and Mrs. John Beasley, David Black, Miss Iris Sorenson and Bishop Jones.

cations for the drilling of three water wells. These were approved by the Council and bids were called for 8 p.m. Dec. 13.

In other action, the Council voted to change the title of Tom Shults, from "Water and Sewer Supt., to Director of Public Works."

—Approved the current bills.

—Received the police report.

—Discussed the parking situation at the Methodist Church.

Underwood, time keeper; John Kinsey, reporter for The Rockport Pilot; Dave Segler, athletic director; and J. D. Gray, superintendent of schools; Coaches Sonny Watkins, Jerry Harper, Pat Smith and Norman Spears.

This was followed by the introduction of the Varsity, Junior Varsity and Junior High players and their dads. Coach Bloomer praised all the players and emphasized that all season long they never gave up and they continued to go "all out" and give their best efforts in every game.

The names of the Junior High players are listed elsewhere in today's issue of the Pilot. Here are the names of the Varsity players:

Chris Edwards, Bart Rozzell, Jerry Brundrett, Joe Torres, John Cummings, Phil Howard, Ray Brown, Charles Simmons, Jerry Hill, David Picton, Mark Johnson, Dennis Davenport, Jack Gwynn, James Dinger, Jack Russell, Eric Henderson, Rocky Sanders, Thomas Lewis, Tommy Johnson, Raulie Irwin, Jim Russell, David Nava, Charles Roe, Mark Meador, Brian Barnard, Jim Baugh.

And here is the list of Junior Varsity players:

Charles Cady, Leslie Casterline, Bill Coleman, Duke Eaton, Alan Edmonson, Alex Garza, Leo Huerta, Bobby Iles, John Jackson, Roy Johnson, John McDavid, Richard McMakin, David Martinez, Edward Pena, Jerry Ray, Robert Rinche, Jesse Rios, Elmer Roberts, Rocky Rountette, Frank St. Clair, Domingo Sanchez, Larry Samora, Ricky Smith, Phil Tedder, George Thornton, Joe Valdez, Leo Villa, Apolonio Morales, and George Rinche.

MRS. TOWNSEND RETURNS FROM BUYING TRIP

Mrs. Clyde Townsend, owner and operator of Townsend's Dress Shop, has just returned from the resort and early spring women's wear market which was held at the Gunter Hotel in San Antonio. While there she saw the latest fashions from which she made her selections.

First coeducational college in the U. S. was Oberlin College founded in 1833 in Ohio.

SIPE-WAGLEY BUILDING—
(continued from page 1)

building, which will contain approximately 6,000 square feet under roof. The exterior of the building will be brick veneer, with built-up gravel roof, and the interior will feature paneled walls and acoustical ceilings. Perhaps the outstanding feature will be the poured terrazzo floors which will be installed throughout the building. An interesting aspect is that the terrazzo will be poured on the foundation before any framing is done. Several months ago Wagley acquired a complete line of terrazzo equipment and this feature is now being used extensively in his homes constructed in Oak Terrace Subdivision. As with other phases of Wagley's construction, this terrazzo work is handled in its entirety by his own crew.

A black-topped driveway is planned to completely encircle the building, with ample off-street parking for both the real estate and lumber yard offices. The portion of the building to be occupied by the lumber yard will include a 900 square foot display room for appliances, plumbing, electrical fixtures, and hardware.

Wagley is well equipped with machinery and trained personnel to handle construction from the foundation through completion, as his staff includes men skilled in all phases of construction. Before moving to Rockport in 1959, Wagley was engaged in commercial building in Houston, specializing in major service station construction. Since moving to Rockport, he has engaged primarily in residential construction. No completion date has been established on this new building as it will be worked in conjunction with his regular home building program.

Mrs. Sipe was distressed at the necessity for bulldozing down 9 oak trees, one of which measured 42" across the base, to make way for the foundation of the new building. However, the building will be completely surrounded by a beautiful setting of large oaks which could be saved. Mrs. Sipe has contributed immeasurably to the progress in this area through her untiring efforts to help new families get happily settled here. So although sorry to see some of the oaks sacrificed, as always she is on the side of progress and views this building as another step forward in Aransas County's growth. It is interesting to note that at the last moment, while 9 oak trees were being reduced to logs, a quick revision was made in the floor plans to include a woodburning fireplace.

Weekend guests in the home of Mr. and Mrs. Lloyd Smith and Mr. and Mrs. D. L. Kight were Mrs. George Sorenson of Port Lavaca, Mrs. Fred

Mires of Taft, Mrs. William Kell and daughter, Mrs. Wanda Beal of Premont, and Mrs. Jack Butler and son of San Antonio.

NOTICE

NOTICE is hereby given that the City of Rockport, Texas adopted an ordinance on Oct 27, 1965, said ordinance providing rules and regulations governing the approval and requirements for plats of subdivisions within the corporate limits of the City of Rockport and within five miles of said corporate limits; said ordinance having a penalty provision reading as follows:

SECTION IX

I. PENALTIES. Violation of any provision or provisions of this Ordinance by any subdivider shall constitute a misdemeanor and upon conviction of such violation in the Corporation Court of the City of Rockport a fine not exceeding One Hundred Dollars (\$100.00) shall be imposed, and each day that such violation continues shall be a separate offense. In case a corporation is the violator of any provisions of this Ordinance, each officer, agent and/or employee in any wise responsible for such violation thereof shall be individually and severally liable for the penalties herein prescribed; provided, however, the penal provision and application of this Ordinance shall not apply to a duly qualified County Clerk and/or Deputy County Clerk acting in their official capacity, or in any wise be construed to conflict with Article 427b, Penal Code of the State of Texas.

II. PENAL CONVICTION NO BAR TO OTHER LEGAL ACTION. No conviction or convictions under the penal provisions of this Ordinance, or Article 427b, Penal Code of Texas, shall ever be considered as any bar to any injunctive or other legal remedy, relief, right or power existing in the City of Rockport, Texas, to enforce the application and provisions of this Ordinance by virtue of the Constitution and Laws of the State of Texas.

WITNESS my hand and seal, this 28th day of October, 1965.

Now! '66 Chevelle Malibu by Chevrolet

'66 Chevelle Malibu Sport Coupe (foreground) and new 4-door Malibu Sport Sedan.

Two racy new hardtops

A clean-sculptured new sport coupe with recessed rear window, and—for the first time—a 4-door Chevelle Sport Sedan. Pick from 12 racy-looking new Chevilles in all for '66.

Not only will you find more variety in the '66 Chevelle lineup, but even more of what makes a Chevelle a Chevelle.

Say you pick a new Malibu Sport Sedan and specify the new 220-hp V8. You've got yourself quite a machine.

Or pick a Malibu Sport Coupe, equip it with the new Strato-bucket front seats, and order the new 275-hp V8. You've got yourself even more machine.

Or maybe you'd like to pick a new black-grilled SS 396 Coupe or Convertible. (Standard engine is a Turbo-Jet 396 V8 with 325 hp. And there's also a 360-hp version you can specify.) Now you've got yourself the most.

Which '66 Chevelle for you? The answer to that covers a lot more ground than we can here. And that's where your Chevrolet dealer comes in.

See the new '66 Chevrolet, Chevelle, Chevy II, Corvair and Corvette at your dealer's

IT'S KATHY, NOT DOUGLAS BAUER

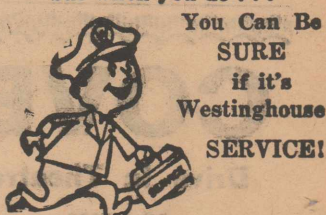

In last week's story about the Coronation Service presented by the Girl's Auxiliary at First Baptist Church, a mistake somehow was made and Kathy Bauer was called Douglas Bauer.

The paragraph should have read as follows: Brenda Clark escorted by Joe Wofford; Lawrence Miculka, crown bearer; Jean Novosad escorted by Stephen Harry; Douglas Urban, crown bearer; Kathy Bauer escorted by Jim Baugh; and Dean Smith, crown bearer.
