Board Drops Plan To Change Tax Roll

Collingsworth General Hospital Board will not seek special legislation this year which would have separated the hospital's tax rolls from county tax rolls.

That decision came on a unanimous vote after board members were told that it was probably too late to begin the process of getting a special bill passed through the state legislature that would have changed the law that set up the hospital district.

The board had considered separating the hospital's valuations from those of Collingsworth County because the hospital is expected to be at the legal taxing limit after the tax rate is raised this spring to pay for additional bonded indebtedness approved by voters last fall.

The board unanimously approved a \$5,898.20 expenditure from that bond money for improvements to the hospital including new heating and cooling blowers, two new five-ton air conditioners and a cinder block building to house oxygen tanks, and unanimously approved the purchase of a new automated blood test machine at an estimated cost of \$8,500.

The board also unanimously voted to file in small claims court for collection of \$2,577.75 in overdue accounts.

The board voted unanimously to drop the hospital's retirement plan and study alternatives, after hospital administrator Morris Barcroft told board members that former employees currently receiving pensions from the retirement plan would not be

affected by the change.

And the board voted unanimously to raise the hospital's travel allowance from 15 cents to 17 cents per mile for employees who commute and to pay for gasoline for the hospital administrator when he is using his private vehicle for hospital business.

Barcroft also reported to the board that he and others in the community are working on two grant applications for the hospital: an HEW grant to update hospital equipment, and a HUD grant to provide clinic facilities for physicians.

Present were board members Bill Janes, Lyman Daniel, Clyde Drake, Otis Emmert, Tom Cunningham and J.C. Howell. Truett Holland was absent.

WHS One Act Play Winner In District 2-A Contest

Wellington High School's one act play entry received a top place in the UIL District 2-A contest and will advance to the area level in Plainview Friday, April 6.

The performance given by four cast members won them places on the district all-star cast: Kelly Ferguson, Kandi Ford, Beverly Orr and T.J. Roberson.

Gay McAlister, speech teacher and play director, explained that the two plays judged to be the best are designated to advance to the area contest. Neither is given rank over the other.

Advancing along with Wellington is Clarendon.

White Deer's play was designated the alternate. The other three schools making up District 2-A were also represented: Shamrock, Panhandle and Memphis.

The contest judge was Mrs. Linda Elms of Texas Tech University drama department.

Wellington's entry was "Of Poems, Youth and Spring," a story of teen-age romance with a lighthearted touch.

Ferguson had the male lead, Toby, while Kandi Ford was the girl, Susan. Appearing as voices were Teresa Hodges, Kelly Covey and Beverly Orr.

Chorus members were Tina Young, Robert Burba, Lynda Brooks, T.J. Roberson and Teena Hightower.

Stage crew members were Carol Ann Daves, Charles McIntosh and Laura Gragon.

Competing in the area contest at Wayland Baptist College will be two plays from each of UIL Districts 1, 2, 3 and 4.

Wellington won the Area one-act play contest last year, as did Gruver, and advanced to regional competition at

Odessa.

Gruver was the regional winner in Odessa and went on to win the State Class A one act play contest.

It is not yet known which schools will compete at the area event this year, said Mrs. McAlister. Gruver is consistently strong and is expected back. Vega also is competitive, said Mrs. McAlister.

Two plays will be selected to advance from the area contest.

Mrs. McAlister praised the support that came from Wellington Tuesday evening, as the WHS play was the last presented.

"We had a number of students as well as parents who came, and the Clarendon College students from Wellington were there," she said. "I like for the younger ones to see the contest, then they are ready next year."

AAM Chides President During Elk City Visit

Approximately thirty Collingsworth County farmers and their families and eleven county tractors were among the 200 tractors and several hundred American Agriculture Movement demonstrators who demonstrated in Elk City, Oklahoma Saturday during President Jimmy Carter's visit there.

Carter kept a campaign promise to return to the western Oklahoma community after he was elected President by participating in a "town

meeting" where he spoke briefly and answered questions from citizens.

Carter had received a warm welcome from Elk City during his campaign stop there, and he received another warm welcome Saturday night.

But American Agriculture Movement supporters in western Oklahoma and the Texas panhandle saw it as an opportunity to express their displeasure with the administration's farm program and brought in tractors to line the

President's route into Elk City and positioned them at several key intersections in downtown Elk City.

Saturday afternoon the tractors paraded through Elk City before Carter arrived.

Handmade signs admonishing the President to support the Democratic Party platform plank on agriculture and to raise price supports plastered the farm machinery along the parade route.

There was also a little street theater: several farmers were

dressed in imitation of Arab sheiks and others wore Jimmy Carter and "peanut" masks.

The mood of protesters on the outskirts of the city was markedly different from the excitement which was evident in downtown Elk City where residents and out-of-towners began lining the President's parade route early in the afternoon. Area high school bands were on hand to provide parade music.

The questions which Carter was asked by citizens at the town meeting were for the most part amicable and the President seemed to have no difficulty in answering the questions. Several of the women who asked questions seemed to be more interested in getting a kiss from the President than in hearing the answer to their question.

In response to one farm question, Carter invited a group of young Elk City farmers "including some of the so-called radicals" to come to the White House and

discuss farm programs with him.

In response to another question, Carter said that net farm income was up 30% from last year and that he had not heard "farmers sitting on their tractors complaining about that."

Carter also said that there "will never be price controls on beef as long as I am President." That came in response to a woman who said that cattlemen were looking back on five bad years in the marketplace, and she wondered—See PRESIDENT, page 2

Rockets Face Toughest Test at Angelo Relays

Wellington's Skyrocket varsity track team will face its toughest test of the season Friday and Saturday at the San Angelo Relays.

A San Angelo sports writer has picked Wellington in the top four teams (along with Marfa, Mason and Stanton) out of the 19 Class A schools entered, but Coach Phil Bailey says it's going to be tough running this week.

"Stanton finished second to us in the regional track meet last year in Odessa when we beat them by only one point," Bailey said.

"Mason has an open quarter runner who clocks it at 50.19 seconds, a high hurdler at 15.16 seconds, and a sprint relay team that has only been beaten when they dropped the stick," Bailey said.

"And Marfa has a mile relay team that has not been beaten, so it's probably the toughest track meet we will go to," Bailey said.

Marfa was the team champion at San Angelo last year with 68 points and Stanton was second with 61 points.

The Rockets will leave

Thursday morning for the meet, and Bailey hopes the team (which has suffered from pulled muscles, colds and a variety of other ailments) will be running at 100% by Friday.

Last week the Rockets had a disappointing day at the Lefors track meet where the sprint relay team (James Thomas, Robert Powell, Tim Anderson and Robert Chambers) dropped the baton, but managed to finish third with a time of 46.2. Clarendon won the event with a 45.9.

The mile relay team (Marty Warrick, Chris Lynch, Robert Powell and Robert Chambers) took first place with 3:36.2, and Robert Chambers won the 440 yard dash in 51.2 seconds. Chris Lynch took third place in the 440 with 52.9.

Other Rocket scoring included:

- 100 yard dash - Tim Anderson, 2nd, 10.2;
- 120 yard high hurdles - Jon Sessions, 5th, 16.8;
- 880 yard run - Marty Warrick, 6th, 2:14.8;
- 330 intermediate hurdles - Robert Powell, 5th, 44.2; Jody Coleman, 6th, 44.8;
- 220 yard dash - Tim

Anderson, 2nd, 23.2;

Mile run - Juan Granados, 5th, 5:18.4;

Long jump - James Thomas, 2nd, 19 ft. 10 inches; Robert Chambers, 4th; Kevin Hall, 6th.

DS Pipeline Construction Due to Start on April 1

Diamond Shamrock Oil and Gas Co. will begin construction April 1 on its new pipeline which will cross Collingsworth County, a company spokesman has told The Wellington Leader.

All right of way was secured several weeks ago.

This pipeline will be laid within a few feet of another line that Diamond Shamrock put down several years ago.

The pipeline will originate at the McKee Plant of Diamond Shamrock near Sunray and have as its destination a terminal in the Dallas-Fort Worth area, according to information released

by the company a short time ago.

It will enter Collingsworth County about three miles west of FM Road 1547 at the Collingsworth-Wheeler county line. It will extend in a southeasterly direction, cross US 83 four miles north of Lutie, and exit into Oklahoma at mid-point on the state line.

Its distance across Collingsworth County is approximately 27 miles.

Diamond Shamrock hopes to complete the line this spring.

The size of the new line will be 8 inches in diameter and it will have a capability of

transmitting 8,200 barrels of refined petroleum products per day, or 2,993,000 barrels per year.

The present pipeline carries ethane, used in chemical manufacturing processes. This is the second major pipe line to cross the county within a year. Completed in late 1978 was the Perry Pipeline Company line which extends from north to south through the middle of the county. It originates in Wheeler County and terminates at Sweetwater.

Cost of the new Diamond Shamrock pipeline was not announced.

YH Slates Three-day Benefit Volleyball Tournament Here

Play will start at 5:30 p.m. Thursday and Friday and 6:30 on Saturday, according to Mrs. Joe Wood.

The tournament will be in Skyrocket Gymnasium. Men's and women's divisions are planned and individual trophies will be given for the first, second, third and consolation winners in each.

"The \$6 entry fee per team will be refunded Thursday if your team participates," said Mrs. Wood.

"We want to urge everyone to come to the tournament and help us support our community with projects and scholarships," she added.

The concession stand will be open with homemade ice cream, frito pies, pickles, soft drinks and cookies.

Admission will be 75 cents for adults, 50 cents for children and preschoolers will be admitted free.

This is the largest annual project sponsored by the Young Homemakers. This year, approximately \$1,000 was spent on school playground equipment and for the

YH scholarship, of which John Birkey was the recipient. He is attending Texas A&M University.

Thursday games in the women's bracket will include: 5:30 p.m., Wellington State Bank and Rainbows of Wellington.

6:00, Last Chances of Shamrock and Wellington YH.

6:30, Amazing Aces and Sidekicks, both of Shamrock.

7:00, City Grocery and Hit and Misses of Childress.

8:00, Dixie Bells of McLean and Riggs Farm and Ranch of Lelia Lake.

9:30, City State Bank and Babes of Shamrock.

Friday second round games in the championship bracket will be played at 5:30 and 6:30 p.m. and the second round consolation games at 6:00, 7:00 and 8:00.

Championship semi-finals will be at 7:30 and 8:30 Friday and the consolation semifinals at 9:00 p.m. The consolation finals will be played at 6:30 p.m., Saturday, the third place will be determined at 7:30 and the women's championship game

will start at 8:00 p.m.

In the men's bracket, Thursday games will be: 7:30 p.m. Renegades of Shamrock and Six Shooters of Wellington.

8:30, Jokers of Samnorwood and Ghost Riders of McLean. 9:00 p.m., Carlson and Craddock of Pampa and Salty Dogs of McLean.

The second round championship game, which will also determine third place winner, will start at 9:30 p.m. Friday and the second round consolation game at 10:00.

The consolation finals are slated for 7:00 p.m. Saturday and the men's championship will be played at 9:00.

High school students may not play in the tournament, although college students can play if they commute every day.

A complete list of the tournament rules and bracket information may be had by calling 447-2917.

Extension Specialists to Plan Demonstration Work

Plans for the 1979 Northwest Texas Research Demonstration Program will be made in a meeting scheduled for Tuesday, April 3, in the Heritage Room. The session will start at 10:00 a.m.

Participating in this review and planning conference for research and result demonstrations will be Extension Service and research personnel involved in the program, according to Ray Null, farm demonstration assistant.

Future plans to meet the needs of producers in the five-county area will be projected.

"This meeting will provide the opportunity to share ideas for getting the most complete and useful information poss-

ible from this program," said Paul E. Gross, district extension agent.

Meetings are held at the beginning of each crop year.

Selection of the specific tests and demonstrations to be carried out is left up to the county agents, with Extension Service personnel assisting in planning and observing the demonstrations.

Five counties make up the Northwest Texas Research Demonstration Program. These are Collingsworth and Hall, the original counties, also Wheeler, Donley and Childress.

Extension and research personnel expected here for the meeting are Dr. Levon Ray and Dr. James Supak, cotton production; Dr. Dale Pennington, fertility and soil testing; Dr. Kenneth Porter, wheat research; Dr. Allen Wiese, weed research;

Dr. Bob Berry, disease control; Dr. Carl Patrick and Emory Boring, insect control; Dr. Tommy Welch, range control; Dr. Frank Petr, grain sorghum, wheat and forage; Norman Britts, farm management;

Ray Null, demonstration; Dr. Gene Cope, animal health; Dr. John McNeill, beef cattle; and the five county extension agents: Don Reeves, Collingsworth County; Ronnie Gooch, Donley County; Don King,

Wheeler County; Buddy Logsdon, Hall County; and Ronnie McNutt, Childress County.

The Northwest Texas Research Demonstration Program was begun in the fall of 1956 when farmers and ranchers of Collingsworth and Hall counties, through their legislative representative, requested that the Texas A&M College System conduct a program of research and demonstration to solve certain problems peculiar to this general area.

That first program was carried out jointly between the Texas Agricultural Extension Service and Texas Agricultural Experiment Station, with the county agents of the two counties in charge of work in their counties.

Annual Tea Will Focus on National Library Week

What are the needs of your library? This has been discussed on the state level and from October 28 through November 2, 1979, it will be discussed in the White House.

The week of April 1 through 7, National Library Week, will be a good time to spotlight the needs of the Collingsworth County Library.

On Tuesday, April 3, the annual library tea will be held—where else but in the library?

This is an all-day affair, said Mrs. Clara F. Mote, librarian. The public may stop by, drink coffee or punch, and eat cookies, from 10:00 a.m. until

noon, and from 1:00 to 5:00 p.m.

And with this there will be a time to browse among the several thousand books that are available.

"We invite everyone to come by and see the library," Mrs. Mote said.

In charge of this year's tea are Miss Bonnie Willis, president of Friends of the Library, and Mrs. Bill Beall, president of 1924 Study Club.

Children will be urged to visit and browse any time through the week.

Library plans for future months are already under way. The two librarians, Mrs.

Mote and Mrs. Emil Kersten, attended a workshop Tuesday, March 20, sponsored by the Texas Panhandle Library Systems in Amarillo.

This featured the summer reading club for children, and professional story tellers demonstrated how interesting story telling can be, for both the teller and listener.

Theme of the 1979 summer reading club will be "Hunting Texas Treasures."

Those treasurers, Mrs. Mote explained, are one's family tree, and the children will learn how to trace their own.

Mrs. Mote returned to another meeting Tuesday, March 27, made up of librarians and lay representatives from over the Panhandle.

She pointed out that the Collingsworth library is one of two in the Panhandle not yet signed up for reciprocal borrowing, although work is being done in this direction.

When this is completed, a book not on the shelves of the library in Wellington may be borrowed directly from a neighboring library, for example, those in Shamrock or Childress.

At present, books are borrowed through the State Library Systems arrangement with the Amarillo Library or

On a motion by Willie Gragson and seconded by Lyndon Crellia, the council agreed to buy one radio and make available other units Taylor has acquired in a trade with Pampa.

Present were council members Owens, Gragson, Crellia and Cudd, along with Mayor Bill Hatch, Taylor and city secretary Hazel McKinney.

City Questions Bill For Legal Counsel

The Wellington City Council has voted to pay its legal counsel, Paul Spillman \$3,131 for representing it in litigation with Lone Star Gas Co., but it declined to pay \$1,565.55 remaining on the bill he presented.

During the discussion, council members said Spillman had agreed to represent them for a fee which the Railroad Commission considers a fair legal fee. This was to be paid by Lone Star.

The city received notice that the commission had set the amount at \$3,131, and a check from the gas company was received in that amount.

The itemized bill from Spillman and Spillman, two and one half pages long, for "time spent in preparing written arguments, briefs and motions to the court," totaled \$5,600.24.

The city earlier had paid Spillman \$903.69 leaving a \$4,696.55 total to be considered in the council meeting.

On a motion by Councilman Ralph Owens and second by Councilman Wayne Cudd, the council voted that a letter should be written to Paul Spillman informing him of the action.

In other business, the city agreed to co-operate with the Chamber of Commerce in a clean-up drive to begin Monday, April 30, furnishing trucks to haul away large debris, such as trees and other things that cannot be handled by the dumpster system.

City Manager Glen Taylor pointed out that city trucks will have to be taken off street repair work for the one-week clean-up. There was some discussion that the city's input into this project was more than the Chamber's, and the council did cut its portion of the advertising allotment.

Danny Gray appeared before the council to request that the city install radios in firefighting equipment so they can be in contact with the sheriff's department. This is not now possible.

Seniors Earn College Credit by Examination

Eleven Wellington seniors will enter college with advanced standing, having earned college hours by successfully passing college level examinations in one or more subjects. Altogether, they earned 78 college hours.

The same testing agencies which give college entrance examinations also give the exams for advanced standing: College Entrance Examination Board (CEEB), College Level Examination Program (CLEP) and American College Test (ACT).

Some colleges accept all of these, others only one, or two, explained Louis Graham,

school counselor. Other students have taken courses from Clarendon College.

Robert Burba will enter West Texas State University with 21 hours college credit, including 6 in English (CLEP), three in college algebra, 6 in American history and 6 in college science, all by taking the ACT examination. He is the son of Mr. and Mrs. Dee Burba.

Don Lewis, son of Mr. and Mrs. Robert Lewis, earned 6 hours of college English with a grade of B from the University of Texas at Austin by taking the CEEB achievement test.

Chuck Darter, whose parents are Mr. and Mrs. Charles Darter, has 6 hours in college English from Texas Tech after passing the CLEP test and an additional three hours in government earned from Clarendon College.

Scott Peeks, son of Mr. and Mrs. Ken Peeks has 6 hours credit in American history from West Texas State University (ACT) and three in government from Clarendon College.

Mike Ray, son of Jerald Ray, received 6 hours credit in American history from WTSU after taking the ACT test.

Kim Judd, daughter of Denny Judd, has three hours in intermediate algebra and 6 in college English from WTSU through the ACT test.

Chris Watts, son of Mr. and Mrs. C.W. Watts, will enter Angelo State University having three hours in physical science, with a grade of A, earned by the ACT.

Beverly Orr and Kelly Covey each earned three hours in College English and three in Government and Robby Mur-

dock three in government, all from Clarendon College.

Students prepare for these tests leading to college credit on their own time, Graham said.

This years number of students, and the total number of hours they earned, is unusual in any senior class, he added.

Acquiring college credits is not limited to high school seniors, he added. Neither they nor adults are limited to the source of the material they study, although a person who has taken a course in residence and failed to complete it cannot then take the CLEP, CEEB or ACT test to acquire college credit in that particular course.

Johnson on UT Honor Roll

AUSTIN, (Spl.)--Eight hundred seventy-one University of Texas engineering students have been recognized as honor students for the 1978 Fall Semester by Dean Earnest F. Gloyna of the College of Engineering.

Among these was Dickie Johnson, son of Mr. and Mrs. O.V. Johnson, 1610 Corsicana Street.

To achieve the engineering honor roll, a student must have maintained at least a 12-hour course load throughout the semester, passing all courses with a minimum grade-point average of 3.25. Total grade points are calculated by multiplying course hours by the value of each grade (A equals 4 points).

Big Bluff Motocross Has First Race Sun.

Big Bluff Motocross track will open Sunday, April 1, with races starting at 1:00 p.m., according to Jake Maxwell, one of the owners. Seventy or more racers are expected for the opening day.

The one-mile track will be open at 11:30 for practice. Races will be held on the first Sunday of each month through the summer and into early fall.

There will be 6 races each month: mini-man junior, mini-man senior, 100 cc, 125 cc, 250 cc, and open class.

Trophies will be given in each class for first through either third or fifth places, depending on the number of entries.

These will be point races, and at the end of the season, these will be tallied and a year-end trophy will go to the rider in each class with the greatest number of points.

Maxwell and his son-in-law, Auther Jones, are partners in the track, which is known as a rough one to riders of this part of the Panhandle and southwestern Oklahoma.

They're ready to rest when a race is over," said Maxwell. The concession stand will be open at all races.

From Wellington, Big Bluff Motocross is located three miles west and one south of Highway FM 338, then one mile east on a dirt road.

Annual Salt Fork FFA Judging Contest Slated

Salt Fork Soil and Water Conservation District will hold its annual land and plant judging contest for Future Farmers of America Wednesday, April 14.

This is the official contest for the Greenbelt-FFA District, and about 100 boys and girls are expected to compete, according to Tommy Powell, SCS district conservationist.

In addition to Wellington, Samnorwood and Quail FFA chapters, teams are expected from Childress, Lakeview, Memphis, Paducah, Hedley, Valley and Clarendon.

Immediately after the judging is completed, Salt Fork SWCD directors will prepare a hamburger meal for the contest participants in Ellison Park.

Winners will be announced and award banners presented at the end of the meal.

Land judging consists of classifying the soils on four

sites in the field. Such factors as depth, slope, texture, permeability, erosion and other characteristics are considered in determining the soil class and recommended treatment needs, Powell explained. About 40 plants are identified in the plant contest. Each plant is then classified

according to whether it is an annual or perennial, native or introduced, cool or warm season of growth, and its wildlife and grazing value.

Current SWCD directors who are hosting the contest are Doug Coleman, Dan Henard, Jr., Earl Patterson, John Brim and John Carson.

Personnel of the Wellington field office of the Soil Conservation Service assist in setting up and conducting the contest.

Jones and Maxwell Race at Lefors Sun.

Jay Jones, racing in the mini-senior class, placed second in the Lefors Motorcycle races Sunday, March 25.

Tony Maxwell, in the 100 cc class, was fifth in the first race, then his motorcycle threw a chain in the second.

Tom Johnson of Memphis, who often races with the Wellington boys, was first in the 125 cc class.

Auther Jones took the boys to Lefors.

VFW Election Meeting Set On April 3

All members of Glynn Moore Post, Veterans of Foreign Wars are urged to attend the business meeting Tuesday, April 3, as this will be the last meeting before the District convention here on April 28 and 29.

"We will also elect post officers for the coming year," said Commander Tony Stephens. "Every member should come and vote for the men of their choice and also express their views on the way they want things run or the changes they would like to see in the VFW as a whole.

"If for no other reason, come out and see the tremendous improvements that have been made in the last two years on our building."

Barrel Racing Winners Listed

Barrel racers from throughout the area were in the winners brackets at the first West Texas Barrel Racing association contests held here Saturday and Sunday, March 24 and 25.

In Saturday's events, Teresa Langston placed first in the open division, while Pam Davis of Lubbock was second and Kelly Moore of McLean third.

Missy Bearden of Stamford was winner of the second open

division. Pam Davis took top honors in the 50 Novice class, while Lee Ann Shults of Pampa was second and Sherry Felton of Childress third.

Missy Bearden again took top honors in the flag race, while Lean McMurtry, a WTSU student, won the poles.

In the junior show, Christine Langston won the 50 novice class.

The 250 novice race was won by Donna Hendricks of Miami and second place went to Peggy Bliker of Channing.

Kelly Moore was in top place in the 500 Novice and Mrs. Lowe came in second.

Sunday's races were open to association members only.

Pam Davis, of Lubbock was first in the Open Division and also the halter winner.

First in the 250 novice first round went to Mary Guy of Abilene; second, Pam Davis; and third, Judy Morriss of Lefors.

Second round winners were Judy Morriss first, Mary Guy second and Pam Davis third. Mary Guy was judged the winner and received the halter.

Judy Morriss won the first go round of the 500 novice class and Pam Davis the second round. The halter went to Ms. Morriss.

In the junior division, Missy Bearden won the first go-round and Christine Langston the second. Ms. Bearden won the halter.

"Saturday we had 59 barrel racers and everyone said it was a success," said Mrs. Lowe. "Sunday there were not as many but we had a good time."

Cooperating in putting on the contest were the Wellington State and Billy Moseley, executive vice president; Livestock Supply and Western Wear; The Wellington Leader, City State Bank, Lyman's Auto Supply, Butler's Locker, Andy's Meat Market; Roberson Cafe; Wellington Livestock Commission, Farmers Co-op Gin, Thomas Boys Grocery, Lewis Grocery, Sullivan Hardware, Town and Country and Town and Country Fashions, Montgomery Ward, Steve Davis Construction and Vernell's Jewelry.

Bob Weatherly and Fred Cox furnished the portable pens where the horses were kept overnight. Rodney Myrick, boys from the Wellington vocational agriculture class, and Tony Martinez put them up. The VFW provided the arena pens and Bill Wilson made his new indoor arena available.

Norwood Men Build Destroyed Bus Barn

Men of the Samnorwood community gathered Wednesday and Thursday, March 21 and 22 for a "barn raising"--a bus barn.

This will replace the one destroyed in a twister that swept across the school campus Sunday, March 18, said Supt. Rex Peeples.

The school lost no time in clearing the ground.

The new barn will house 6 buses. The school provided the material and a call went out for men to furnish the labor.

Responding were Donald Coleman, Selba Rainey, Leon

Myers, Tommy Lindley, E.E. Darrow, Laron Breeding, Douglas Coleman, Jr., Clarence Loring, Dudley Coleman, James Martindale,

Merle Reynolds, Alex Garza, Joe Frank Knoll, Mark Simpson, Jimmy Breeding, Jimmy Brown, B.A. Purkey, W.R. Breeding, Bobby Myers, Doug Darrow, Jim Ray, Rudie Tate, Ronald Carter, Gary Oldham and Peeples.

Lunch was served in the school cafeteria.

"We appreciate the community effort," Supt. Peeples declared.

JV Takes Second In Memphis Meet

Wellington Junior Varsity track team took second place with 125 points at the Memphis track meet Saturday, March 24.

Childress won first in the JV division with 149 points.

It was the second meet of the year for some of the Rocket JV. Some of them had run at Shamrock meet in miserable weather earlier this year.

The Rockets won the sprint relay with a time of 48.6. On the team were Mike Thomas, Joe Saldana, Kenneth Warren and Darrell Thomas.

Mike Thomas won the long jump with a leap of 18 ft. 5 1/2 inches, and Raymond Mackey took third place with 17 ft. 2 inches.

Other Rocket scoring for the meet included:

880 yard dash - Lennie Archie, 2nd, with 2:23.7.
120 high hurdles - Jeff

Barnett, 4th, with 18.3;
100 yard dash - Joe Saldana, 2nd, with 10.9;
David Castillo, third, with 11.0;

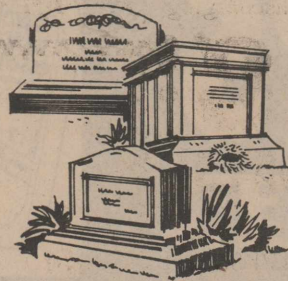

440 yard dash - Kenneth Warren, 2nd, with 58.2;
Parnell Outley, 4th, with 60.1;
330 yard intermediate hurdles - Raymond Mackey, 3rd, with 49.2;

Mile relay - Kenneth Warren, Parnell Outley, Lennie Archie and Kevin Culpepper, 3rd, with 3:59.2;
Mile run - Juan Grapados, 2nd, with 5:17.8; Jackie Fowler, 6th, with 6:30.

High jump - Lennie Archie, 5th;
Shot put - Joe Saldana, 2nd, with 39 ft. 6 inches.

Quail Seniors Host Mexican Dinner Fri.

Quail seniors have completed plans for their Mexican supper Friday night, March 30, at the school cafeteria.

Funds from this event will finance the annual senior trip. This year's class has as its goal enough money to take them to Colorado for three days, May 26-29.

The dinner will be served from 6:00 to 9:00 p.m. Tickets are available from the seniors

at school and are \$2.50 for adults and \$1.25 for children. Class members, all of whom are selling tickets are, Donna Langley, Le Ann Marcum, Mike Guthrie, Ricky Needham and Bill Kennedy.

The meal will include enchiladas, tacos, Spanish rice, beans, salad, and tostados. Dessert will be cobbler and this is included in the cost of the dinner, said Donna Langley.

Rockettes Compete in Lefors Meet

The Rockette track team placed sixth in a field of 14 teams competing in the Panhandle Girls track meet Saturday, March 24.

The girls who placed were announced by Coach Debbie Chisum and include:

Shot Put, Suzy Chandler, 31'6"; fifth, Tawana Benton 30'4"; sixth, Jennifer Pendleton, 30'3".

Long jump: fifth, Laura Gragson, 13'6".

440 yard relay: sixth, Pam Ingram, Kathleen Reeves, Mary Sue Thompson and Laura Gragson, 54.4.

220 dash: fourth, Valerie Thomas, 27.5.

880 yard relay: third, Reeves, Gragson, Thompson and Thomas, 1:57.5.

100 yard dash: 4th, Vernita Shrubs, 11.7.

1 mile run, second, Vanessa Ingram.

1 mile relay: 6th, Melanie Pendleton, Renessa Cardwell, Valerie Van Pelt and Shrubs.

The team will compete in the Amarillo relays Friday and Saturday, March 30 and 31, then take part in the District 2-a girls track meet at Shamrock Tuesday, April 3, Miss Chisum said.

Greg Neeley Chosen For '79 Boys State

One high school boy will represent Wellington at the 1979 session of Texas American Legion Boys State, Commander Jim Sikes of Frank King Post No. 249 of The American Legion announced.

Named to participate in this annual American Legion workshop in the organization and operation of state and local governments is Greg Neeley of Wellington High School. His parents are Mr. and Mrs. Jack Neeley.

The 1979 Texas American Legion Boys State will be in session from June 6 to June 12, 1979, at The University of Texas, Austin, Commander Sikes said.

Departments (state and territorial organizations) of The American Legion will sponsor 51 of these Boys States this summer. Two outstanding youths from each of The American Legion Boys States will go to American Legion Boys Nation in July in Washington, D.C., where they will study federal government organization and operation in much the same manner as the Boys State delegates participate in training in state government.

During their Boys State sessions, the Wellington youth will participate in the organization of political parties, campaigns, elections, and the enactment and enforcement of their own laws within a mythical state.

"As one of the Legion's outstanding youth-training programs, Boys State affords these youngsters an opportunity to learn the functions of government," Commander Sikes said. "Also, they will see the importance of the role a good citizen has in discharging

his citizenship responsibilities. They soon discover how good government depends upon the active interest of every citizen."

On behalf of Post No. 249, Commander Sikes expressed appreciation to the Kiwanis Club of Wellington, which is helping.

Eagle Scouts Recognized At Council

Three Eagle Scouts from Wellington participated in the Adobe Walls Council banquet and eagle recognition dinner in Pampa Saturday night, March 24.

Receiving the official neckerchief, and recognition on the council-wide basis were Brent Long, Tim DeVoss and John Birkey. Others attending were Mr. and Mrs. John Birkey and Mr. and Mrs. Bill Long, along with Scoutmaster Glenn McLain and Mrs. McLain.

In another scouting activity, Chuck Darter and Tim DeVoss, with their leaders, Lee Devoss and McLain, all members of the Order of the Arrow, attended a chapter meeting at Camp M.K. Brown Sunday, March 18. These were held monthly to plan service or camping programs.

At this meeting, plans were made to get Camp M.K. Brown ready for the summer season.

In addition to the telephone, Alexander Graham Bell invented the grooved wax cylinder with spiral sound track for Thomas Edison's phonograph.

Quail Boosters Name Don Hall President

Quail Booster Club members elected Don Hall president for the coming year in a meeting and family dinner held Friday, March 23.

He succeeds Benny Carson, who is completing an unexpired term.

The new vice president is John Farris, while Delbert White is secretary-treasurer. Members voted to abolish

the school loyalty fund committee, which since it was begun two years ago has raised approximately \$10,000 to assist in rebuilding the school destroyed in a tornado May 15, 1977.

The fund will be continued, and it will be separate from the general booster club funds, Carson said. It now has approximately \$700 and donations will continue to be accepted from those wishing to help the school.

"We have had people from all over to donate money to the Loyalty Fund--from both ends of the country. It was a remarkable effort," Carson declared.

A membership drive will be held later, with dues set at \$5.00 per family. Anyone interested in the organization's work is eligible to join.

Plans were made for the FFA-FHA slave which the Booster Club is sponsoring as a fund raising event for the groups.

Approximately 70 members and their families attended the covered dish supper and business meeting.

Howard Hunts Visit In Lubbock, Dallas

Mr. and Mrs. Howard Hunt were in Lubbock Friday, March 16, to visit Mr. and Mrs. Paul Scott, former residents of Dodson.

They also visited other former residents, Mr. and Mrs. E.L. Stephens, Mr. and Mrs. Hardy Scott, and Mr. and Mrs. Floyd Teutsch, all of Lubbock, and Mr. and Mrs. Truman Stephens of Colorado. Mr. and Mrs. Hunt went on to Dallas for the weekend to see their sons, Eddie Hunt and Tommy Hunt and families.

On Monday they met the Paul Scotts at the airport and took them to Morton Hospital, where Scott will receive treatment.

ERA In Action

Defense secretary Harold Brown recommended to congress Jan. 29, 1979 that any legislation to require young people to register for the draft be applied to women as well as men. "Legislation should include registration of women if it takes place, Brown told the House Arms Committee Defense".

Mrs. E. Colwell Dies Sunday At Age 80

Mrs. Etta Colwell, 80, died at 9:00 p.m. Sunday, March 25, in Thomas Nursing Center. She had lived in Collingsworth County 46 years, coming from Paris in 1923.

Mrs. Colwell, the former Etta Feemster, was born March 14, 1899, in Howard County, Ark., daughter of the late Mr. and Mrs. N.E. Feemster.

She was married to Ira Colwell May 29, 1926, in Wellington. They farmed at Quail and later at Cross Roads until they retired. He died May 7, 1972.

Mrs. Colwell had been a member of the Primitive Baptist Church since early childhood.

Funeral services were conducted at 10:00 a.m. Wednesday, March 28, in the Primitive Baptist Church, with

Elder Jack Hayes of Wheeler officiating. Burial was in the family plot in Fairview Cemetery under the direction of Kelso Funeral Home.

Pall bearers were Larry Colwell, Gary Colwell, Jim Colwell, Rodney Smith, Rayford Smith and Roy Huffaker.

Survivors include two daughters, Mrs. Estelle Stanley of Lamesa, and Mrs. Jo Ann Smith of Ft. Worth; four sons, Luke Colwell of Springfield, Ark., Earl Colwell of Tulsa, Okla., A.D. Colwell of Ft. Worth, and Kenneth Colwell of Wellington; two brothers, R.E. Feemster of Wellington and Jim Feemster of Ft. Smith, Ark.; two sisters, Mrs. Una Wingate of Ft. Smith, Ark., and Mrs. Zona McClellan of Houston; 14 grandchildren and 25 great grandchildren.

TOWN & COUNTRY FASHIONS

Two Buildings on the East Side of Square Wellington, Texas

Cary Neeleys Honored at Quail Housewarming Sun.

A housewarming, given by people of the Quail community honored Mr. and Mrs. Cary Don Neeley in their new home one-half mile south of Quail Sunday, March 25.

Acting as hostesses were Mrs. Johnny Carson, Mrs. Don Hall, Mrs. Mack Shields, Mrs. Gary Barton, and Mrs. Benny Carson.

Mrs. Hall greeted the guests, while Mrs. Johnny Carson and Mrs. Benny Carson showed them through the house.

Punch, coffee and cake were served from a table centered with a gaily decorated money tree. Mrs. Barton and Mrs. Shields alternated at the table.

The community gift was a set of fire place accessories and the money tree.

Approximately 50 friends called between three and four-thirty o'clock. Relatives from Shamrock were Mrs. Denny Marcum, Lee Ann and Lori, and Mrs. Elmer Smith.

The six-room house is built on a rise, beside an older house that will be moved. It looks across an open field to the west. A charming small lake, directly across the road, is only temporary, a reminder of the rain which accompanied a twister that barely missed the place a few nights earlier.

Dark wood panels the living room-den, which has a brick fireplace with raised hearth. Ceiling beams are of matching wood, as is that used for cabinets in other rooms.

Early American furniture, as it is interpreted today, was

selected for the living room, master bedroom and guest room. There are two and a half baths.

Cary and Pam Neeley's two small sons, Curtis 6, and Davis, three, have their own toy-filled room, to which they eagerly led visitors. Their dark stained beds are of western style, hand made for them by their father and their uncle, Benny Carson. Shelves of matching wood provide places for toys to be put away.

A garage was not part of their plans for the house as a big barn is less than a minute away and can hold the car and pickup and any other vehicles they want to put there.

Instead, there is a large laundry room, with ample storage and the half bath.

The couple's new house is on land which has been in the Neeley family 31 years, which they bought from Mr. and Mrs. Z.J. Neeley.

Both Cary and Pam Neeley grew up at Quail, and he has farmed there since he graduated from West Texas State University.

Liberalized divorce is easing alimony, reports Debby Johnson, family life education specialist with the Texas Agricultural Extension Service, The Texas A&M University system. Hills Attend Birthday Party

Mr. and Mrs. Bill Hill were in Amarillo for the birthday dinner which honored her sister, Mrs. Ileta Thomas on Sunday.

Joining them were the Hill's daughter and family, Mr. and Mrs. Charles Floyd, Suzanne and Kandace, of Bovina; Mrs. Thomas' daughter, Mr. and Mrs. Tom Bunch of Lake Tanglewood; a sister-in-law, Mrs. William Graves of Dalhart and Bob Lane of Texline.

The Floyds were Saturday night guests of Mr. and Mrs. Bunch.

M. Pendergraft Visits in Paris

Mrs. R.L. Pendergraft returned home Sunday from a three week visit with her son, Mr. and Mrs. Lee Pendergraft, of Paris.

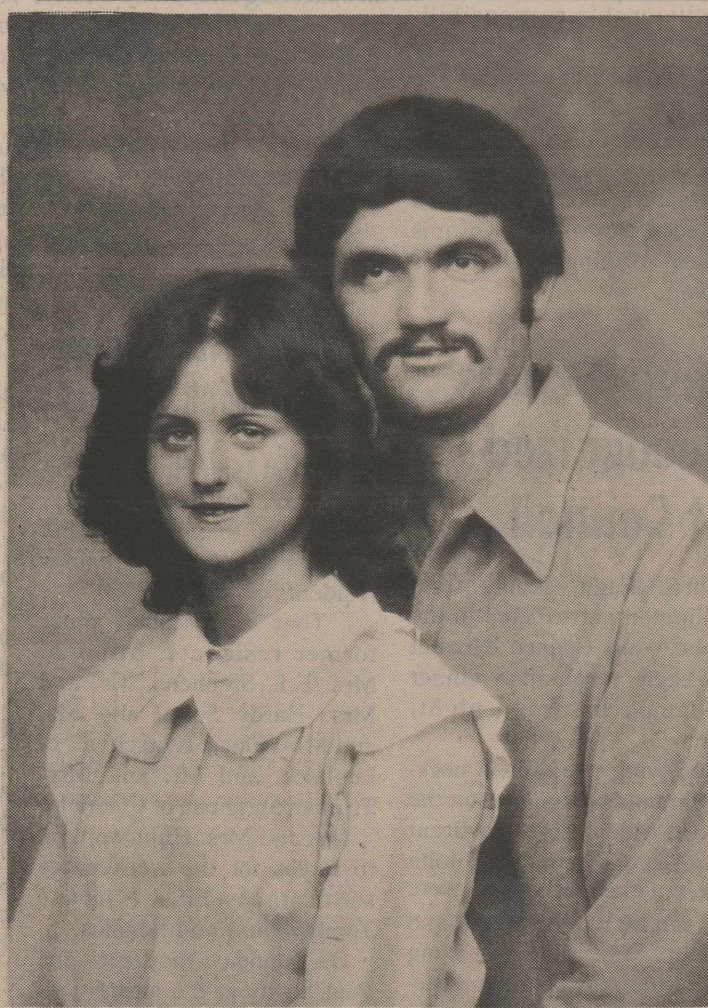

She also visited five of her grandchildren and their families, Mr. and Mrs. Buddy Powers, Mr. and Mrs. Bob Pendergraft, Mr. and Mrs. Billy Clint, Mrs. Julie Lee and Mr. and Mrs. Jimmy Pendergraft and son.

Mrs. Pendergraft attended a donkey basketball game.

District President, Mrs. Harry W. Youngblood, Lefors, officially opens the 19th annual convention of Top of Texas District, Texas Federation of Women's Clubs at 1 p.m. Friday, April 6, at the Dumas Inn, Dumas. Her convention theme is "Patchwork of Harmony".

Wellington clubs and presidents are 1924 Study Club, Mrs. Bill Beall; 1954 Study Club, Mrs. Lynn Wright; Koshari Juniors Club, Miss Cheryl Birkey.

Mrs. T.E. Lennon is Dodson Civic Club president.

Activities begin with a buffet brunch at 11 a.m. Friday honoring past district presidents and district life members. A Junior High trio will provide musical entertainment.

During the afternoon session Mrs. Vester Smith, Higgins, plans a "man on the street" interview with all district club presidents. Mrs. Don Max Vars, Canyon, will discuss the district Girlstown project and the kiln fund in progress at this time.

Jean Burchett of Childress, writer of the "Daze of Our Lives" column, Amarillo Daily News, will be speaker at the Friday night banquet. Entertainment will include a vocal trio, Cherise Brothers, Christa Peeples and Laura Loving. Special awards will be presented on membership, outstanding club program, federation heritage program. The district poet laureate is to be recognized and Sally Youngblood gives her award winning speech on "Free Enterprise". An informal open house will follow.

Past District Presidents will meet for breakfast April 7, 8:30 a.m. with Mrs. Bill Reed as hostess.

Mrs. Helen Botsonis will show a film, "Woman-Child".

on teenage pregnancy to general assembly at 9 a.m. This is a General Federation of Women's Clubs film and of special interest to both general and junior clubwomen.

Mrs. Scott Whorton, Stratford, will conduct a junior session Saturday morning. Special awards are to be presented and workshops conducted by Marva LaMaster, Charlotte Price and Margaret Chandler.

Mrs. James W. Bayley, Houston, State Director of Junior Clubs, will speak on "Juniors Roll in Federation". Mrs. John Brown, Spearman, will conduct a juniorette session.

Junior and Juniors club members will be honored guests at the 1 p.m. Saturday luncheon. Mrs. Bayley will be the featured speaker. "Fashions for Fun" is directed by Mrs. Howard Dietrichsen and Mrs. W.D. Southworth. The garments modeled have been constructed by club members. Coke Harlow will provide dinner music and accompaniment for the models. Special awards for yearbooks, arts & crafts, etc. will be presented.

Top of Texas District officers are Mrs. Youngblood, president; Mrs. Vester Smith, Higgins, president-elect; Mrs. Bill Griffin, Borger, 1st vice-president; Mrs. Coy Palmer, Spearman; 2nd vice-president; Mrs. Scott Whorton, Stratford, Junior Director; Mrs. Edward Jones, Dalhart, Trustee; Mrs. Bill Reed, Stratford, parliamentarian.

Applicants were the ignition source for 3.4 million fires, with stoves, ovens and ranges making up 45 percent of the total, reports Linda McCormack, family resource management specialist with the Texas Agricultural Extension Service, The Texas A&M University System.

Calcote Family Gathers for Annual Reunion at Wheeler

The children of William S. and Ora Belle (Mayo) Calcote met for their annual reunion Sunday, March 25, at Wheeler. Hosts for this year's gathering were Mrs. Jim Calcote and her children and grandchildren.

Family members began arriving Friday and some remained through Tuesday for extended visiting.

Basket lunches were spread Sunday at noon, with Mrs. Odessa Mooney giving the invocation. After the meal, pictures were taken and games of dominoes played.

A short business meeting was conducted by Mrs. John Wolf. The next reunion date was chosen as June 4, 1980, and Wellington will be the site.

Attending from Amarillo were Mr. and Mrs. J.V. Calcote, Mrs. Marie Cayton, Mrs. J.O. Walker, Diane

Cummings, Sherry Walker, Mr. and Mrs. Chet Calcote, Mike Calcote and Jon Calcote. Others present were Mr. and Mrs. Clifford Calcote, Kiki and Shawn Byrd of Dalhart; Mrs. Artie Sailor and Theresa Davis of Pampa; Mrs. Emma Adkins, Mrs. John Wolf and Mrs. Pauline Patterson of Wellington; J.W. Calcote of Mulvane, Kansas; Mrs. Dorthea Calcote of Kelton; Mrs. Hutch Moore of Miami; Mr. and Mrs. Ed Trimble of Briscoe; Mrs. Edith Levitt of Allison; Mr. and Mrs. Lynn Levitt and Michelle Levitt of Panhandle;

Mrs. Lynette O'Gorman, Shanna and Tricia and Mr. and Mrs. Dean Lax of Shamrock; Mrs. Ethel McWhorter, Linda Calcote, Leslie Calcote, Paul Calcote, Mrs. Odessa Mooney, Mr. and Mrs. Thurman Calcote, Marion Lesb, and the hostes, Mrs. Jim Calcote, of Wheeler.

Deborah Class Holds Dinner

The Deborah Sunday School Class of First Baptist Church met Thursday, March 15, in the Fellowship Hall for a dinner.

Entertainment was a duet, "Moment by Moment," by Mrs. Jack Lowry and Mrs. Rufus Sweat, then the entire group sang the class song, "Surely to Goodness and Mercy."

Mrs. Malcolm Horton gave the devotional, "What Do I Owe to My Master."

Yellow flowers formed the centerpiece for the table.

Attending were Mrs. T.B. Wilkins, Mrs. Cicero Gulley, Mrs. Ray Clubb, Mrs. C.C. Brown, Mrs. Oran Starkey, Mrs. Drury Lacy,

Mrs. Ben Wilhelm, Mrs. Eula Mae Morgan, Mrs. Mabel Ingram, Mrs. John Brim, Mrs. Lettie Hanna, Mrs. Horton, Mrs. Lowry, Mrs. W.F. Harbin, Mrs. Sweat, Mrs. Edna Bradley, Mrs. T.E. Lennon and Mrs. Tom Cunningham.

Old Newspapers Can Make Pots for Transplanting

From a recent issue of the Quincy (Ill.) Herald-Whig comes the idea that newspapers are a valuable source of potting material for gardeners.

According to Herald-Whig writer Jan Rigganbach, it's easy to make pots for starting plants indoors from newspapers - newspapers that already have been read cover-to-cover, of course.

The newspaper pots, like peat pots available commercially, can be set right into the garden at transplanting time, Rigganbach says. The roots will grow through the paper, and the pot will rot away eventually.

Rigganbach's instructions are:

* Cut three layers of newspaper nine inches square. Fold the stack in thirds, like a letter, and then unfold. Then, fold the stack in thirds in the other direction. Unfold again. The nine-inch square now will have fold lines dividing it into nine small squares.

* Make a diagonal cut from each corner of the big square, through the small square on each corner. Then, fold up the square on the fold lines, and overlap the corners. Staple each side.

Rigganbach says a nine-inch square will produce a pot three inches square and that gardeners easily can vary the pot size by starting with a smaller or larger square.

La Paisana Chapter Hears Program on DAR Library

La Paisana Chapter, Daughters of the American Revolution met Monday, March 26, at the Cherokee Inn dining room with Miss Maudie Coffee as hostess.

Mrs. Jack Davis and Mrs. Bill Long presented the program on the DAR Library in Washington, D.C., illustrating their talk with pictures, maps and diagrams.

The library was officially established in 1896 and through the years has increased in size until it now occupies a spacious area of Memorial Continental Hall, the oldest of the three buildings owned by the Daughters.

It holds a collection of genealogy and historic material unequalled by few libraries in the world.

The 90,000 books, pamphlets and manuscripts have been contributed by members or purchased from special funds. Also records from court, county, Bible and family manuscripts are copied annually.

The defense program was given by Mrs. Frank Fourmentin from a paper written by the Rev. Donald Hinkle, using the verse from Proverbs, "Godliness exalts a nation, but sin is a reproach to any people."

"Our country has a rich religious heritage as first shown in such documents as the Mayflower Compact and the Massachusetts Bill of Rights, and religious considerations entered into the founding of every colony," Mrs. Fourmentin said.

"Harvard and Yale were founded for the training of

ministers and of the nine colonial colleges, six were established between 1740 and 1769, and all had some relationship to the Great Awakening under Jonathan Edwards and George Whitefield. A different philosophy prevails today, but there is still hope for a spiritual revival."

Mrs. Dee Coleman, Mrs. Bura Handley and Miss Coffee and Mrs. H.H. Bowen reported on the state meeting in El Paso March 13-15.

Present were Miss Coffee, Mrs. Bowen, Mrs. Long, Mrs. Jennie Holcomb, Mrs. Les White, Mrs. Boyd Derryberry, Mrs. Coleman, Mrs. Handley, Mrs. Davis, Mrs. Velman Warrick, Miss Rita Lowrie, Mrs. Richard Fourmentin, Mrs. Frank Fourmentin, Miss Hattie D. Wells, and a guest, Mrs. Wayne Pritchard of Albuquerque, N.M.

Pathfinders Have Meeting

The Pathfinders of First United Methodist Church met Monday, March 19, at the home of Mrs. Tom Thomson. Mrs. Gary Killian was co-hostess.

Mrs. Johnny Holton presented the program, "What Happens When People Pray?" by Viola Blake.

Mrs. Jerry Lewis presided at the business meeting and Mrs. Dan Henard, Jr., read the scripture.

Those present were Mrs. Lewis, Mrs. Mike Barjenbruch and her infant son, Rob Eldon, Miss Jean Chandler, Mrs. Holton, Mrs. Sandy Covey, Mrs. Rodney Kane, Mrs. Dan Henard, Jr., Mrs. Glenn Thomas, Mrs. Larry Henard, Mrs. Andy Henard, Mrs. Bill Spillman, Mrs. Thomson, Mrs. Killian, Mrs. Mike Belev and Mrs. Lynn Emmert.

Other Editors Say ...

When The Farmer Needs A Friend

Abraham Lincoln stared impassively east from the Doric splendor of his Memorial the other afternoon, while two blocks up Washington's Mall thousands of farmers shouted demands for "parity" and tear-gas canisters splintered the windows of their tractors.

Abe was more than "a farm boy", he was the father of modern agriculture. In 1862, he signed the bill that established a US Department of Agriculture. Two years later, after successfully lobbying the Act that launched our system of Land Grant Colleges, he called a Chicago convention to assure speedier delivery of farm goods to urban markets and seaports by finally settling on a route for the trans-continental railroad.

He was also blessed with a historian's sense of perspective. If he had been in the White House the other afternoon, it would have been typical of him to dismiss the nuisance of the farm tractors' traffic jam and concentrate, instead, on techniques to restore the American farm's lost traction.

But of course! Every country lawyer on that plow-happy Illinois prairie knew that "traction" has two meanings. The primary one is to "advance forward". The other one, and more significant in 1979, is "to attract influence." But a tractor parade up the Mall is not going to restore the influence that the American farm has lost during the past century. The real challenge is: better communication between the consumer and the producer.

The USA was founded by "embattled farmers." A three-generation struggle between the family farm and the slave-powered plantation spawned the Civil War. In 1860, New York, Boston, Philadelphia, Baltimore and New Orleans were the only cities in the nation with more than 100,000 population. Consequently, everybody knew the mores and perils of agriculture's way of life.

But in 1979, the census reports, 160 of our cities have more than 100,000 population, and 24 of them have more than 500,000 population.

This spinoff of technology has blocked neighborly communication, as well as understanding, between the agricultural producer and the consumer. The refrigerator ... the freezer ... the tin can ... the cardboard carton ... Pliofilm ... the processor ... the wholesaler ... the jobber ... the chair store all contributed to the barrier. In 1979 pitifully few urbanites comprehend the problems of agriculture — or give a tunket. To them, food comes from a supermarket, leather from a shoe store, fiber from a department store. Try telling the gum-cudding beauty that her "lanolin beauty cream" is the grease from raw wool! Perhaps she knows what "Popped Wheat" costs but she doesn't know that the farmers who raised that handful of kernels received less than a penny for it.

The same techno-pressures have forced millions of farmers to abandon the profession. Those who have struggled on have had to triple and quadruple their croplands and herds to earn a modest living. In 1979 there are only 2,300,000 farms and ranches in our 50 states.

Still all 250 million of us, plus many millions in Europe, Africa and Asia, are direly dependent of the productivity, hence on the well-being, of those 2,300,000 farms. They are not only our principal source for food, clothing, and many household essentials; they are the most trustworthy guardians of our most cherished heritage: The American Land.

The tractor demonstrations along Washington's Mall were a demand for "parity", which is merely saying, "More government aid!"

But that is not the solution of the farm problem. What we desperately need is a restoration of neighborly communication between the farms and the cities; gossip sessions and demonstrations to convince the city folks that the farm is our best hope of peace and plenty; hence the farmer deserves a fair share of the retail price.

If anybody heard a sigh echoing from Mr. Lincoln's statue the other afternoon, that's what he was pondering.

STATE CAPITAL HIGHLIGHTS

By Lyndell Williams
TEXAS PRESS ASSOCIATION

AUSTIN—After months of tedious and sometimes mind-boggling work, the Texas House of Representatives this week gave final approval to legislation implementing the voter-mandated 1978 Tax Relief Amendment.

Passage of the bill—HB 1060—came after three days of debate over the legislation's major provisions. Texas voters approved the Tax Relief Amendment in November and automatically got a \$5,000 homestead exemption from school district property taxes.

The legislation sets aside more than \$400 million for state payment to local school districts to replace tax revenues lost because of various exemptions created by the bill.

The legislation would also: —add another \$10,000 homestead exemption for the disabled and those over 65, and would freeze school taxes for the elderly for the rest of their lives.

—exempt two cars or light trucks for each family from property taxes, and the state would reimburse an estimated \$17 million to local school districts because of tax dollars lost in 1979 due to the exemption.

—exempt intangibles—stocks, bonds, and bank accounts—from measurements of a school district's total wealth.

—keep state spending at levels equal to the percentage of growth of Texans' personal income each year.

—set up methods of taxing farm, timber and ranch land on the basis of its productivity rather than its market value.

The omnibus tax bill now heads for the Senate where committee hearings on the House members' work will begin soon.

Initiative & Referendum

Late last week, after hours and hours of testimony before the Senate Jurisprudence Committee, a constitutional amendment giving voters initiative and referendum powers got only two votes—one from a conservative and one from a liberal.

The seven other members of the committee decided the whole issue was too hot to handle and sent it packing to a subcommittee where most Capitol observers expect it to sit quietly out of the way while the Legislature goes about the business of the 66th session.

So, despite the fact that Gov. Bill Clements has called initiative and referendum the foundation of his "Taxpayers' Bill of Rights," the issue appears to be stuck on the sidelines and indefinitely out of action.

Is this a victory for Lt. Gov. Bill Hobby—Clements' chief adversary in the Legislature? Probably. Hobby, the man at the tiller in the Senate, has sounded his outright opposition to adding any more levers to the already complicated and delicately balanced machinery of democracy.

What would initiative and referendum powers mean? It would mean voters could pass laws at the local level, constitutional amendments that applied state-wide, and voters could also strike down laws already on the books.

Simply stated, voters would be able to get a proposed law or constitutional amendment on the ballot by rounding up a certain percentage of signatures of those who voted in the most recent elections. The ballot box and voting booth would become an even more important part of the lawmaking process.

But critics of the idea

point out that it is difficult to verify signatures on petitions, and go on to ask: "How many times would you have to vote on the same issue?"

NEWS FROM THE CAPITOL
BY Foster Whaley
State Representative

Three days of tough debate ended March 15 on H.B. 1060. This is the house bill that activates the tax relief act that appeared on your ballot last November. Here are the main

points as finally passed.

Farm and ranch land will be taxed on a productive basis, formulas will be developed by the school tax assessment practice board and necessary forms developed and rules written as to how this will be done. The S.T.A.P.B. (School Tax Assessment Practice Board) will be run by a committee composed of the comptroller, the Attorney General, the Commissioner of Agriculture, Commissioner of General Land Office, and the Governor. If S.T.A.P.B. is abolished, the authority of this board transfers to the comptroller. The capitalization rate will be 10 percent of 2.5 percent above the federal land bank rate of Houston on December 31. Tax penalties are imposed for those who convert land to uses other than

agriculture after having had their land taxed on a productive basis. The school district will be reimbursed dollar for dollar for any losses suffered as a result of using the productive formula.

Article 2 also allows timber land to be taxed on a productive basis as well.

Article 3 exempts most intangibles but not all.

Article 4 exempts household goods.

Article 5 exempts two motor vehicles per family. School districts will be reimbursed by the State on a dollar for dollar basis for losses incurred by granting this exemption.

Article 6 gives a residence homestead exemption to each family.

Article 7 grants \$5,000.00 market value residence exemption to all homeowners: It

also grants a \$10,000.00 market value exemption to those 65 years and older or disabled. The elderly and disabled will have their taxes frozen where it can't be raised in the future.

Article 8 is a complicated formula for reimbursing school districts for losses incurred by giving the exemptions. I did not vote for this method because it was unfair to most of the school districts in my Legislative District. Most of the school districts in District 66 suffered only minor losses, however.

Church of Christ Hosts Youth Rally Saturday

The Church of Christ will host a youth rally Saturday, March 31, according to David Hall, associate minister.

Youth groups will come from near-by towns, including Childress, Hollis, Memphis, Shamrock, Clarendon, Hedley and Dodson.

"We'd like to invite the junior high and high school young people from Wellington as well," said Hall.

The speaker will be Garrell Forehand of Slaton. Marvin Eads of the Dallas area will be present a magic show.

Registration will be from 12:00 to 1:00 p.m. at the church. The activities will continue until around 5:00 p.m., Hall said.

Cub Scout Circus Slated April 5

Cub Scouts will hold their annual circus and sideshow Thursday, April 5, preceded by food and games.

A new location was announced, the National Guard Armory, which will give the boys a much larger area in which to perform.

Food will be served and games will be played from 6:30 until 8:00 p.m. This will include sandwiches, popcorn, cookies, cold drinks and coffee.

Games will include a cakewalk, dartboard, fishing, bean bag throw and box hockey.

"We urge people who are interested in the Cubbing program to come out, eat their supper with us, and relax with fun games for an hour and a half," said Mrs. Tommy Powell, who is helping with arrangements. "We emphasize that this is a community-

wide event, just as cubbing is community wide."

The circus and sideshow will begin at 8:00 p.m. and last until 8:30. The boys will be "everything under the big top", presenting their magic acts and carnival fun.

This is the major fund-raising event which the Cubs hold each year, and the money they raise Thursday night, April 5, will help to finance the program through the remainder of the year.

The first American song was reputedly "My Days Have Been So Wondrous Free," written in 1759. It was composed by Francis Hopkinson, a Declaration of Independence signer.

Dodson Ex-Students To Meet April 14

The Dodson Ex-Students banquet will be held Saturday night, April 14--the night before Easter.

The dinner will be served in the Dodson Cafe, while the meeting and visiting will be at the American Legion Hall, across the street, according to Mrs. Howard Hunt (Jo McKinney), secretary.

Reservations of \$4.00 per person should be sent to Mrs. Hunt by Monday, April 9.

Some classes are planning their own reunions to be held in conjunction with the general reunion. Among them are the

classes of 1954 and 1939.

"No invitations will be sent in the county, so this will be your invitation if you are eligible," Mrs. Hunt said.

Fats have "staying power" in the diet because they stay in the stomach longer and take longer to digest than proteins and carbohydrates, reports Marilyn Haggard, foods and nutrition specialist with the Texas Agricultural Extension Service, The Texas A&M University System.

Two Peggram Cousins Win Student Honors

Two cousins, both grandchildren of Mr. and Mrs. Roy Peggram of Quail, recently won student honors. They are Kimberly Peggram of Dimmitt and Tim Peggram of Sterling, Colorado.

Kimberly, daughter of Mr. and Mrs. J.E. Peggram of Dimmitt, was chosen this year's DAR Good Citizen of the senior class at Dimmitt High School. The award is presented annually by Los Ciboleros Chapter, Daughters of the American Revolution, Hereford.

She received a bronze pin and engraved certificate in recognition of the honor and will compete on a statewide level.

Miss Peggram is president of DHS student body and has been a member of the student council four years. She was chosen secretary and then vice-president.

She belongs to the National Honor Society, FHA, band, Lyre Club, Thespians and Key Club. She attended the

Presidential Classroom in Washington D.C. and is this year's Flame Queen, best all-around in her junior year, most likely to succeed in her sophomore and friendliest girl as a freshman. She has been a member of the All-Region Band three years.

Tim Peggram, a third-year Agri-Business student was designated Northeastern Junior College Agricultural Student of the Month for February by selection of the agricultural faculty.

He is the son of Mr. and Mrs. Bill Peggram, Sterling, Colorado.

This program is to recognize students with outstanding achievement.

Peggram will graduate at the end of the winter quarter with an Associate in Applied Science degree in Agri-Business. This two and one-half year program consists of two years of class work and the remainder in industry experience, accomplished in alternating six-months periods of

on-campus study and on-the-job training.

During the first 6-months period on-the-job he was employed by AgriChem, Inc., at Wiggins and the second period was with the fertilizer division of Wiggins Co-op, Inc.

At the end of the fall quarter Peggram had completed 144 credit hours (96 classroom plus on-the-job training) with a cumulative grade point average above 3.5.

He is a member of the Agri-Business Corporation, Aggies Club, Campus Christian Fellowship, Baptist Student Union and Phi Theta Kappa. He is the Campus Activities Board Representative for Agri-Business Corporation and has served on committees dealing with the Agri Institute, club social functions and the Aggies Livestock Expo.

The first refrigerators were caves or cold springs, and these are still sometimes used today, says Linda McCormack, family resource management specialist with the Texas Agricultural Extension Service.

Mrs. Ora Nelson Dies March 22 In Moab Utah

Mrs. Ora Barbara Nelson, who lived here more than 50 years before moving to Moab, Utah, died in Allen Memorial Hospital March 22.

Funeral services were conducted at 1:00 p.m. Saturday in First Baptist Church of Moab, and interment followed in Sunset Memorial Gardens at Moab. Arrangements were by Sheldon Hefner Funeral Home.

Mrs. Nelson and her husband, the late Ernest H. Nelson, moved to Moab in 1972. He died March 7, 1975.

She was born December 23, 1899, in Cherokee County, the daughter of the late Robert and Margaret Cates McMinn.

She and Mr. Nelson were married in Wellington November 9, 1918, and this remained her home until she moved to Utah. She was a sales clerk most of her working life.

Survivors are three sons, Ernest E. Nelson and Denzel (Dan) Nelson of Moab, and William Harlace Nelson of Amarillo; three daughters, Mrs. James H. (Margaret) Richerson and Mrs. LaWanda Joyce Coulston of Burleson, and Mrs. Jesse C. (Hazel) Ticer of Reno, Nevada; 15 grandchildren and 14 great grandchildren.

Mrs. Auburn Keller is a sister-in-law, and was in Moab for the funeral.

Two brothers preceded her in death, Harlace McMinn and Tommy McMinn.

Honor Band Concert Tapes Available

Recordings will be made of the Greenbelt Honor Band concert, which was presented Saturday, March 24, according to Jamie Larson, band director.

These will be available in cassette, tape or reel-to-reel tapes. The cost is the same, \$5.25.

Mail orders will be filled within 48 hours after they are received, Larson said.

Local residents may come by the band hall and place orders in person with Larson. April 20 is the deadline for placing local orders. Out-of-town orders should be made by Friday, April 6.

James Larson, director of bands at Tarleton State College, Stephenville, directed the honor band, which was revived after a lapse of a number of years to recognize outstanding band students in the southeastern Panhandle and southwestern Oklahoma.

Most area towns were represented in the 39-piece band.

Tarters Return From Arizona

Mr. and Mrs. Bill Tarter have returned from more than two months visiting their daughter and family, Mr. and Mrs. Del Risley, Jyll and Derek in Litchfield Park, Arizona.

This was their first plane ride and they enjoyed that. Litchfield Park is surrounded by vegetable fields and they enjoyed seeing those and the oranges, grapefruit and lemons on the trees.

They took trips to other parts of Arizona and their favorite place was Sedona which looks like a combination of Red River and Colorado's Garden of The Gods.

They were surprised to see Wellington's name in the Phoenix newspaper a few days before they came home. Most of the people there are from the midwest and barely know where Texas is. Tornado activity is news most anywhere.

On their return trip, their plane could not land in Amarillo because of stormy weather, and they went on to Wichita, Kansas, where they remained overnight, returning to Amarillo and on home Thursday, March 22.

LaDonna Jones in Honor Fraternity

LaDonna G. Jones, junior in the College of Business Administration at Oklahoma State University, Stillwater, has been named to Beta Alpha Psi national accounting fraternity.

Students must maintain a 3.0 grade point average with a minimum of 9 hours in accounting to be eligible for the honor.

Miss Jones also was named to the OSU Dean's Honor Roll for the fall semester.

Last week, during the college spring break, she visited her parents, Mr. and Mrs. Don Jones.

Final Rites Here for Rhoda Ketchum

Graveside rites for a former Wellington woman, Mrs. Rhoda P. Ketchum of Pampa, were conducted at Memorial Gardens at 3:00 p.m. Saturday, March 24.

Pampa services were at 10:30 a.m. in the Baptist Temple, with the Rev. John Hulse, Jr., pastor, officiating at both. Wellington arrangements were under the direction of Kelso Funeral Home.

Mrs. Ketchum, 82, died unexpectedly Thursday, Mar. 22. She had been hospitalized three days, but her death was attributed to a heart attack.

The former Rhoda Kindrick, she was born in Oklahoma and grew up in Lamb County, where she and Samuel Glen Ketchum were married.

They came here in 1950 from Seagraves and lived in the Lutie Community several years before moving to Wellington. He died July 19, 1954. Mrs. Ketchum lived here until she moved to Pampa 11 years ago.

She was a member of Faith Baptist Church here and Pampa Baptist Temple, and was active in their work as long as she was able.

Survivors are three sons, Sanford Glen Ketchum and Emmitt Ketchum of Pampa, and Fred Ketchum of Olton; a brother, Elmer Kindrick of Irving; three sisters, Mrs. Mary Lee Heckman of Amarillo, Mrs. May Edwards of Frederick, Okla., and Mrs. Nadine Hamilton of Texas City; 22 grandchildren and 8 great-grandchildren. Mrs. Jake Meadows is a niece.

In addition to her husband, she was preceded in death by two sons, Sgt. Herschel Ketchum of Amarillo AFB, and Wayne Ketchum in 1974.

Outdoor Service at Quail Church Easter

Quail Baptist Church will hold a special outdoor service at 6:30 a.m. Easter Sunday, April 15.

"This will be in the form of a worship time and will conclude with the observance of the Lord's Supper," said the Rev. Elvis Pitts, interim pastor.

"After the worship ends, members and visitors will go inside for a breakfast and time of fellowship together."

Committees have been named to plan and carry out the Easter service. In case of bad weather, the service will

be held in the sanctuary. "It is hoped that all members and friends will take advantage of these special services," the pastor declared. Remodeling the sanctuary is under way and it is hoped to have it completed by that time.

"The Church will also hold its customary fifth Sunday fellowship dinner on Sunday, April 29. This will be in addition to the Easter service," Rev. Pitts said.

You get more than phones when you order a phone system from us.

You get us.

Any shrewd business person—you, for example—knows that value is measured by what you get for your money.

That being the case, the service you get from General Telephone is one of the best values around.

For instance, we don't vanish the minute your phone system is installed. Our communications service advisors help to train you to operate your equipment. And they don't leave until you're as good at it as they are.

We provide maintenance and repair technicians who really know their stuff. And we make

sure we have enough of them to give you fast, efficient service.

If your system is ever damaged by circumstances beyond your control, we get it working again faster than you'd think possible.

And, of course, our Communications Consultants are always available to analyze and meet your changing communications needs.

You don't pay a penny extra for any of this. When you think about it, you get a lot more than just phones from the phone company.

That's value.

Drive Started to Improve Bitter Creek Cemetery

A fund drive has been started to keep the old Bitter Creek Cemetery cleaned and in good condition during the coming year, Mrs. Georgia

Owens of Dodson, secretary, announced this week. It is believed that if weeds can be kept down through this year, bermuda grass will take over, she said.

Money is needed to pay for the work, and anyone who has relatives buried in this 77 year old cemetery, or who is interested in its upkeep, is urged to make a donation.

The money can be given to the Bitter Creek Cemetery fund in Wellington State Bank or sent to Mrs. Owens at Dodson. The beginning of the fund was \$30 left from an earlier committee and almost forgotten.

Only one member of that

committee, H.P. Scott is alive. In reorganizing the fund, Mrs. Owens was named secretary.

She is contacting those still living in the area whose families are buried at Bitter Creek and is writing to others. D.E. Watson of Dodson has been hired to keep the cemetery clean through the year.

Bitter Creek Cemetery is located southeast of Dodson in the edge of Oklahoma and was established in 1902 on land given by C.L. Ragsdale. Mrs. Owens father, G.H. Luck, later bought the place. The first person buried there was Mrs. Martha Scott.

Many markers in the cemetery have been lost, and an effort will be made to identify the graves and mark them.

Floyd Carter, Harmon County commissioner, recently cleaned the cemetery of weeds and pulled down old trees, and raked the grounds.

Church Group Wins In Talent Contest

A group of children and one teenager from the Dodson Church of the Nazarene won honors in a talent contest in Abilene recently. This was on the district level with young people participating from approximately 100 churches of the West Texas District.

Jon Beanland, son of Mr. and Mrs. Sherrell Beanland won first place and received a trophy in the art contest. His entry was a water color of a church.

Leslie Black, daughter of Mr. and Mrs. Lynvel Black, won first place and a trophy in the creative art contest with her angel made from egg

cartons. Misti Beanland, daughter of Mr. and Mrs. Sherrell Beanland, placed second in the music contest with her vocal solo, "America the Beautiful." She received a red ribbon.

Misti then joined Crysta Caswell, daughter of Mr. and Mrs. Randall Caswell, in a duet, "I Have Decided to Follow Jesus," and received first place and a trophy.

Renessa Cardwell, daughter of Mr. and Mrs. Melvin Cardwell, placed first and received a trophy in the youth speech interpretation contest, reading "Rizpah," by Alfred Lord Tennyson.

Contest judges were from Hardin-Simmons University, Abilene.

The children's contest lasted 5 hours, that for youth in music, speech and art division, 4 1/2 hours. Other events were girls volleyball, tennis, boys basketball, Bible quiz team and instrumental music.

The children do not advance to another contest, but Renessa Cardwell will go to Bethany, Okla., to compete in the regional event. This will include district winners from 5 states.

Attending from Dodson in addition to the contestants were the Rev. and Mrs. Howard Smith, Amy and Chris Collier, Mrs. Lynvel Black, Mrs. Randall Caswell, Mrs. Sherrell Beanland and Mrs. Melvin Cardwell.

Between 1950 and 1971 the death rate from chronic respiratory disease, emphysema, showed an increase of 1,250 percent.

Big Walleyes Starting to Run

FRITCH--P&WD fishery personnel are beginning their annual walleye egg procurement in Texas and some real whoppers are being recorded at Lake Meredith in the Texas Panhandle.

Although the water is still very cold, big walleye in the 8 to 10 pound class are being netted by the department crews.

The walleye are being caught by the really dedicated fishermen willing to face the strong winds and cold water on Lake Meredith on jigs, spinners, and live bait.

The walleye spawning run should increase by leaps and bounds within the next two or three weeks as the fish move onto the spawning grounds near the rocky points and along the Sanford dam.

The biologists are also quite excited about two 30-pound

flathead catfish picked up in the walleye nets last week. Bargains are offered every week in Leader Classified. When catfish begin to move, Ads. Save money by reading spring fishing weather cannot be far away.

Going from here were Mr. and Mrs. John Sherman and daughters, Mrs. Andy Bell and Mrs. Pat Slavin who came from Lubbock. Their other daughter, Mrs. Bill Scurry of El Paso met them at Ft. Worth.

Auction for Missions Apr. 7

A public auction for missions for the Church of the Living Word will be held Saturday, April 7, at the American Legion Building, 10th and Amarillo Streets.

Starting time is 1:00 p.m. Prior to this, there will be an inspection period, according to Danny Leathers.

"These items are personal belongings that have been donated by church members to raise funds for missions. Most of the items are exceptionally nice," he said.

Among the items to be auctioned are antique figurines, tableware and furniture, jewelry, stock shares, guns, and even a pickup and motorcycle, said Leathers.

Jerry Jernigan of Shamrock will be the auctioneer.

Certified Seed Pays

In side-by-side field tests, cotton researchers have proven that certified seed produces higher yields than farmer-saved or select seed of the same varieties. And the extra production — as high as 18% more lint — is more than enough to pay for the cost of planting the certified varieties.†

Before you plant another row of non-certified seed, consider the advantages you get from Pioneer,® brand certified cotton planting seed:

- Certified cotton planting seed from Pioneer has not undergone genetic deterioration in the field. Volunteer plants and undesirable cross-pollinations have been eliminated.
- Certified cotton planting seed from Pioneer is free from pests and weeds which often accompany non-certified varieties. You can be sure of the purity and uniformity in the seed and the crop it produces.
- Certified cotton planting seed from Pioneer is carefully handled and stored to avoid contamination by other varieties. Then, if it doesn't meet high standards for germination and purity, it's not used.

SAMNORWOOD TROOP 43

The Samnorwood Girl Scout Troop 43 has had a busy year. From the time school started until Christmas, the girls helped their leader Frances Barker to collect toys and dolls to be given to the needy children at Christmas.

This is International Year of the Child in Girl Scouting.

As a special project, the girls brought a doll, toys and games to make a big gift box which they sent to Mary Ann Whitaker of Wellington, who was in the hospital. They are writing to her and are making a big picture to send her.

They are also collecting old eye glasses. These will help the needy.

The girls had a good cookie sale this year, thanks to the Samnorwood people.

The girls observed Girl Scout Sunday on March 11 by attending Samnorwood Baptist Church.

More projects are planned for the remainder of this year.

The girls meet on the second and fourth Wednesdays of each month at the Samnorwood School from 1:30 to 3:30 p.m. There are two

Some Farmers, Ranchers Seek New Lenders

COLLEGE STATION--Rising interest rates and a brisk demand for credit may cause some farmers and ranchers to seek service from lenders other than banks during 1979, reports a marketing economist with the Texas Agricultural Extension Service.

Although funds at some country banks are limited, no overall shortage is expected from agricultural lenders, says Dr. Carl Anderson. This is because production credit associations and federal land banks obtain funds through national money markets. Anderson predicts average interest rates for 1979 will be higher than a year ago.

Government lenders are playing an increasingly important role in lending to farmers and ranchers. Repayment of loans has been helped by increased lending from the Commodity Credit Corporation (CCC), Farmers Home Administration (FmHA) and Small Business Administration (SBA).

The FmHA received new lending authorities with the passage of the Agricultural Credit Act of 1978. The legislation increased lending limits on both farm ownership and operating loans. The FmHA will give more emphasis to economic emergency loans this year. These loans can be used to pay installments on existing debts and to pay expenses for farm operating purposes, says the Texas A&M University System specialist.

Agricultural lenders will encourage year-round marketing plans and forward pricing of commodities. It is much easier to get adequate financing if the lender has assurance that a reasonable price has been established for at least a part of the crop. Good records, appropriate financial statements and cash flow statements are necessary parts of financial planning from the standpoint of both lenders and borrowers, emphasizes Anderson.

With net agricultural income during 1979 expected to be near last year's level, a substantial number of producers will continue to be concerned with repaying old debts, financing new acquisitions and paying for operating expenses.

Greatest financial stress will likely be on middle-sized farming and ranching operations, contends Anderson. These operations are too small to make efficient use of labor and modern equipment. On the other hand, they are too big to depend on off-farm

employment to supplement their income.

More and more producers are having difficulty obtaining farm and ranchland to expand their operations. Current incomes usually fall short of meeting payments on money borrowed to finance land purchases. As a result, such purchases are more easily handled by individuals or firms with a large financial reserve or with substantial income flow from off-farm sources.

Overall, financial conditions of agricultural borrowers are expected to hold stable in 1979, believes Anderson. Marked improvement is expected for cow-calf, dairy and poultry producers. Cotton, grain, soybean and hog producers will likely maintain their present financial position. Cattle feeders will be under considerable pressure to maintain their financial position as profit margins may be slim most of the year.

Girl Scout Council Board Members Given

Ralph Ferguson and Lisa Nix were elected to the board of Quivera Council of Girl Scouts of America at the annual meeting in Pampa Tuesday, May 20.

Ferguson, who is on the staff of Kelso Funeral Home, has worked in the Girl Scout program for about five years, assisting his wife who is a Girl Scout adult leader.

He has taught first aid classes for the girls and instructed them in camping skills.

Lisa is the first board member from Wellington to serve while still in high school.

She has been a Girl Scout 7 years and is presently a senior scout and has earned her first class Scout award. She has completed those requirements that are the equivalent of an Eagle Scout in the boys organization.

She is a freshman in Wellington High School.

Her parents, Mr. and Mrs. Jerry Nix, have held council offices.

Mrs. Nix was District 3 chairman for 5 years and Nix was on the board of directors. Wellington delegates to the Quivera Council are Mr. and Mrs. Jerry Settle.

In England and in China it was once believed a man whose eyebrows met was lucky.

'68-9 Quail Classes Plan Reunion Apr. 14

The Quail class of 1969 will observe the 10th anniversary of its graduation with a reunion Saturday, April 14, in the home of Mr. and Mrs. Cary Don Neeley.

Special guests will be members of the class of 1968. The two were closely associated through their school years. Mrs. Neeley, the former Pam Langley, graduated in 1969, her husband was a member of the 1968 class.

Other hostesses with her will be Mrs. Zeldon Jenkins (Reta Cummings), Mrs. Benny Carson (Paula Langley) and Mrs. Gary Barton (Donita Pitts), the wife of a 1969 class member. The reunion will start at 3:00 p.m. and continue until time for the guests to attend the annual Quail Ex-Students Reunion and banquet in the evening.

The time will be spent visiting. Those who would like to continue the visit will return to the Neeley home, one-half mile south of Quail, after the banquet, said Mrs. Neeley.

Teachers and parents of members of the two classes are invited to attend the

reunion also. The sponsor of both classes was Bill Wilson.

There were 10 members in the 1969 graduating class: Gary Barton, John Blevins, Ben Carson, Reta Cummings Jenkins, Pam Langley Neeley, Paula Langley Carson, all living in the county; Navy Lt. Steve Tennison, Washington, D.C.; Lanny McGill, Childress; Jan Gosnell Lawson, Lubbock; Joyce Johnson Booker, Dallas; and Linda Wall, whose address is needed. Only four graduated in the class of 1968: Cary Don Neeley, Quail; Darrell Colson, Wellington; Jarrell Fielding, Pampa; and Stella Johnson Bagley of Dallas.

Promotions Announced By WTU Tues.

Durwood Chalker, president of West Texas Utilities Co., Tuesday was elected chairman and chief executive officer of Central Power and Light Co. in Corpus Christi, and has submitted his resignation at WTU, effective July 1.

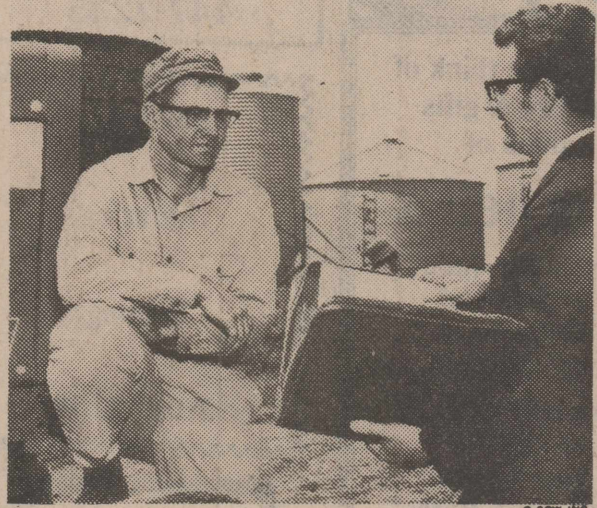

Chalker will be succeeded at WTU by Glen D. Churchill, former WTU vice president who since July 1976 has been executive vice president of Central Power and Light Co.

At Corpus Christi, Chalker will succeed Roff W. Hardy, also a former Abilenian, who will retire on July 1. Hardy has been chairman and chief executive officer of Central Power and Light since resigning as WTU president on Jan. 1, 1975.

WTU and CPL are sister companies within the Central

and South West Corporation. Also announced following the WTU Board meeting was the resignation of Glenn Rosilier, corporate treasurer and director of accounting and finance. Rosilier has been

elected controller for the Central and South West Corp. Promoted by WTU as result of Rosilier's resignation were Don Shahan, to secretary-treasurer, and Larry Connors, to controller.
