Inch To Two Inches Moisture In Week's Rains

Abundant rainfall in Ozona and the surrounding county has resulted in well over an inch of moisture during the early part of April and 1968 continues to be a record "wet year" thus far.

Heavy falls Monday night and Tuesday noon resulted in well over an inch of moisture in town and varying amounts were reported from ranchlands in the area. Monday night the official gauge at the water office recorded .47 of an inch of rainfall and recorded the fall Tuesday as .76 of an inch. The fire department recorded .83 of an inch after Tuesday's downpour. Both gauges recorded 12 of an inch on the first day of the month.

Up to 2 inches of rainfall was reported in the east part of the county with over 2 inches reported in the northwest part. South and north falls were lighter with around .50 of an inch reported.

Falls of around 1.50 were reported from ranches in the west and southwest part of the county.

Mrs. Nora Gee, 95 Former Ozonan Dies In S. Angelo

Mrs. Nora B. Gee, 95, well known West Texan and former Ozona school teacher, died early Wednesday morning at Park Plaza Memorial Nursing Home in San Angelo. Funeral services will be held from Johnson Memorial Chapel this afternoon at 6:30, with burial in Evergreen Cemetery in El Paso Friday afternoon.

Mrs. Gee came here from El Paso, following the death of her husband and daughter, and resided with her brother, the late John Bailey and his family while she taught school at Turkey Roost School. The one-room school was one of the first in Crockett County and several pioneer ranch families sent their children there.

She was born in Birdville Dec. 10, 1882 daughter of Mr. and Mrs. Robert Bailey, and was married to Thomas Lee Gee in Dublin Sept. 19, 1894.

Mrs. Gee, along with her brothers and other Bailey heirs, were instrumental in providing Texas Christian University with a \$200,000 educational building several years ago and donated the major portion of the cost. It is the Bailey Building and houses TCU's School of Education.

A resident of San Angelo the past 20 years, Mrs. Gee lived in the San Angelus Hotel until it was demolished and was active in the San Angelo Historical Society and Pocahontas chapter of (Continued on Last Page)

District Championship, 6th Meet Title In Row Won By Lion Tracksters

Ozona Lion Tracksters continued to dominate West Texas track meets as they won their sixth championship in a row last Saturday in Eldorado, adding the District 8A Title to their trophy

case. The Lions, coached by Chick Womack and Grosse Moehler, had to fight all the way Saturday to ward off a strong Rankin Red Devil challenge.

It was a first and third finish in the mile run, the next to last event of the meet, that brought the Lions from behind. Ozona finished with 109 points; Rankin, 102; Eldorado, 83; Sonora, 77; Iraan 69; Junction, 40; Sanderson, 12; and Menard 4.

In winning another district title, OHS qualified Louis Flores, Gary Sutton, Larry Kilgore, Ernest Rios, and Mike Haire for regional competition in Lubbock on April 19 and 20.

As has been the case all year, the Lions did not win first in many events (2), but overall team depth in all events and a determined band of tracksters has kept plugging away for points and championships.

Coach Chick Womack's two biggest surprises of the year came through for the Lions' two first places. Miller Flores beat teammate Maggie Galindo for the first time this year in 4:56. Galindo was the defending district champ in the mile run. Sophomore Ernest Rios continued his consistent good high jumping and won with a leap of 5-10.

Lion weightman Gary Sutton got off his best throws in both the shot and discus but lost by inches in both events to big John Mayo of Eldorado. Sutton hit 58-6 1/2 in the shot, and 175-6 in the discus, but Mayo had 59-4 in the shot and 176 in the discus. But the Sutton-Mayo battle is not over! They will meet again in regional competition, and, more-than-likely, in the state meet. (Continued on Last Page)

NATIONAL DECAY

Out of all the insane goo that has flowed from the lips of that mutual admiration society, the so-called newsmen who sound off from the one-eyed monster in your living room, it is impossible to find a glimmer of rationality in reporting the death of Martin Luther King.

Perhaps the sanest comment was made by Texas' own Governor John Connally — "Dr. King had contributed much to disorder in this country, but he didn't deserve to be assassinated."

Dr. King had contributed much to disorder. While he spoke of non-violence he was contributing to violence by inciting his followers to march, to demonstrate, to sit-in and all the other means of getting before the television cameras. After Watts, Detroit and Memphis, Dr. King should have known that his people were riot and looting and that his leadership on a march could by no means guarantee non-violence. In fact, an hour before his death, in Memphis, Dr. King was urging his followers to defy a court injunction against his proposed march on behalf of the striking garbage collectors in that unhappy city.

That's non-violence? That's inciting to lawlessness and an invitation to riot.

Dr. King was a Negro Baptist minister who gained national prominence in troubled times with his gift of oratory in the leadership of his people toward equality with the white race, and so glibly mouthed by the news media — civil rights.

Dr. King's assassination, therefore, was news of nationwide and worldwide importance. But neither Dr. King's Nobel Peace Prize award nor his record of achievement on behalf of his race, which was meagre, was sufficient to make of him a national hero in death, worthy of claiming the undivided attention of the President of the United States in deeply troubled times such as these. His death, in our opinion, should not have diverted the President from pursuing his mission to Hawaii in further pursuit of a cease fire, or negotiation of whatever it is he seeks in the Viet Nam war. The President was ill-advised in proclaiming a nationwide day of mourning and ordering flags flown at half staff over federal buildings throughout the nation.

The record of the leadership of this nation the past

35 years, during which the philosophy so early expressed — "tax and tax, spend and spend, elect and elect" — has been distilled into concentrated fervor the last eight, has cheapened the American flag throughout the world. It has been trampled, spit upon and burned by the very people whose favors we sought to buy with our deficit dollars. Its being lowered to half staff in this instance is but another effort at appeasement — an effort to appease the lawless element among the negro race in this time of crisis. It will produce no better results than has our worldwide spending. It has cheapened the flag in the eyes of patriotic Americans all over this nation. Dr. Martin Luther King had not earned obeisance from a nation whose laws he defied.

It is indeed a sad chapter in American history, not alone because of the tragic death of man, but, more importantly, because of the sure signs of the suicide of a great nation.

Wise and Otherwise

Rambling Reflections
By Dr. R. F. Curl

Those of us who have lived across the last forty years have witnessed the transformation of America from a predominantly agrarian rural society to our present highly mechanized urban complex.

The old simplicities are gone, never to return. Many of these we have given up gladly. But we tremble at the crowding pressures of a fundamentally materialistic culture which is fast robbing us of our precious heritage of the essential dignity and the central place of the individual. Bureaucratic government, mechanized industry, mass media of communication, and centralized big business are here to stay. Probably they are necessary in a modern world. But they do combine to make the individual insignificant.

With his loss of the sense of dignity and worth of the individual there is fast disappearing the sense of moral and civic responsibility. If I am an island unto myself and a very minor cog in a vast mechanism, why should I assume the burden of moral and civic responsibility?

No wonder then that the President of the United States in the midst of the fast events of recent days should have called for a rebirth of moral and civic responsibility on the part of all citizens.

No wonder, either, that Billy Graham in commenting on the same events should have sounded a solemn note that only a revival or religion calling men back to responsible living could save America. Otherwise, he prophesied that we, like ancient civilizations, are on our way out with our days numbered.

Mounting armaments and multiplying laws cannot save this nation. Only a genuine repentance and return to life on the basis of man's oneness under God and his high obligation to live in acceptance of others can suffice to stem the flooding tides of

disasters that inundate our land. We are all creatures of one and the same God and destined to live in understanding and acceptance one of the other if we are to live otherwise.

Let us then as a people get out of the murder business whether in Vietnam, Memphis, or an American city streets and get to the task of living responsibly together as God's one family.

Perhaps inspiration for such a way of life might come out of our smaller and more rural communities in which close personal relationships come much easier than they do in the crowded complexes of mass life in great cities.

Ozona has already taught me much in this aspect of life. We have three communities — Negro, Latin, and Anglo. Each community has its own distinctive cultural peculiarities. But I have observed in hours of need especially strong concern one for the other leaps over these cultural gaps and brings sympathetic solidarity.

I find flowers from Anglos in hospital rooms occupied by Latinos; I discover that a leading financial figure of the community has just preceded me in a visit to the bedside of a sick Negro man.

Ours and other small communities find many ways in which to bridge the gulfs of separation and to give recognition to the individual merit and worth of any human personality.

Can we contribute to our nation in a discovery that moral and civic responsibility can be found only in acceptance of the essential dignity and worth of every human soul? God help American if we or someone else does not do this!

I shall be appearing a little less regularly in this column due to other pressures of schedule and responsibility. But I do hope by the kind and appreciated courtesy of the good publisher and fine editor of The Stockman to have a word to say from time to time.

Many of you frequently make highly appreciated, although undeserved, kindly comments about my ram-

blings, which I fear are more often unwise than wise. And seldom do I meet a former resident that this column does not serve as an immediate and happy introduction. All of which goes to show the paper is read thoroughly. Even Kitty discovered that when she ushered Spring in a week ahead of time. When do you suppose she'll make her promise of Spring's coming a reality and give us some warm weather?

So, although perhaps not as regularly as in the past, I'll be having something to say — wise or unwise — in future Rambling Recollections. Right now I have some ideas bubbling about in my rooey head — not crowded with brains — that I shall hope to share before too long.

SERIOUS QUESTION

By Helen King

What do you think of President Johnson's withdrawal from the presidential race?

Elizabeth — I think he's doing this for the good of our country because he feels he has a better chance for peace in Viet Nam if he does not run for re-election.

Connie D. — I think that he withdrew because he was so heavily criticized and because he didn't think that he would be re-elected anyway.

Duane C. — When Johnson withdrew from the presidential race, this was his way of showing the North Vietnamese government that his efforts for peace in Vietnam were not for personal political gains but for the entire welfare of the United States. His main reason for withdrawing was to restore peace in Vietnam.

Randel Clepper — Who? Gary Sutton — It gives me more of a chance!

Eleno — I think that's the only thing he can do.

DEAR GABBY

Dear Gabby,

I have this problem. Everytime I talk to this teacher, something always happens. The other day I accidentally knocked over his coffee. It went everywhere. What can I do about this.

Thank you

MONAHANS CHOIR SINGS IN ASSEMBLY

The 65 members of the Monahans High Schools acapella mixed Choir sang in assembly Tuesday at 1:00 in the Ozona High School Auditorium.

The choir, under the direction of Mr. Kenneth R. Mills, traveled to Kerrville Tuesday afternoon to spend the night. Wednesday they sang for the HemisFair upon request.

Mr. Stanley Smith, the principal of Monahans High School, traveled with them. They began their program with a religious number called "Agnus Dei." They also sang the "Laughing Song."

A girl sextet sang three numbers. One was "I Believe" and "When Love is Kind."

Then the choir came back and sang "Somewhere My Love" and "The Devil's Gonna Get You" with soloist Barney Peruca and preacher David Williams.

They ended their program with two Negro spirituals, "Swing Low, Sweet Chariot" and "Ezekiel Saw The Wheel."

MOST HANDSOME AND MOST BEAUTIFUL

In past years the students of OHS have selected the girl considered Most Beautiful and the boy considered Most Handsome in much the same way as they were selected this year.

First, the students voted for five boys and five girls that they thought were deserving.

After the votes were counted, the top girls were Sharon Lawson, Bonnie Carson, Peggy Hagelstein and Helen King. The boys were Duane Childress, Larry Don Webb, Randel Clepper, Fred Chandler, Gary Sutton and Wesley West. Their pictures were sent to San Angelo for the annual staff members of Angelo State College to select the winner.

The results were Sharon Lawson runner-up for Most Beautiful, Duane Childress runner-up for Most Handsome, Peggy Hagelstein, Most Beautiful; and last but not least was Larry Don Webb, Most Handsome.

Congratulations to all of you.

GOSSIP

When Mrs. Fowler made a trip to Angelo last week she

brought Coach Fowler back a little something, I wonder what it was?

Marjorie and Marsha already look like different people and the holidays have just begun — wonder if they'll make it till Sunday? It's really great seeing all the exes home again!

Congratulations to the golf team for qualifying for regional and also to Duane Childress who was first medalist. They see me to be getting use to the Lubbock golf course in fine fashion — Lubbock must really have a bad effect on Coach Gerber, or was it the???

I hope every one knows Joanne B's hair is groovy — she told everybody in band about it last week!

Everyone be sure and buy an annual. They're on sale now — ask Jacquie T. or Peggy H. and they'll tell you who is selling them.

Helen almost "goofed" Monday night — but she was just trying to be sociable Marjorie!

If you see Beverly Loud, amy sliding down steps, don't think anything about it — after all, it is quicker than walking down them!

Donald and Deborah must really be watching their pennies — they just try one ice cream cone between

them!

It seem all the girls that went with Connie W. to Angelo really learned (?) alot — was it really that good?

Has someone else decided to be a spyder? How about it P. H.?

Has Molly C. really found a friend? How bout it R. O. W.

Who learned how to use a brush this week? How about it A. V. and C. M.

Who are the new cartoons in town? M. F. V. and J. R. Hey, Mando T. What were you blushing about at the weiner roast Thursday nite. Could it be he'd never seen one before!

T. Lara is it true you've started a zoo!

Has Betty M. really turned into an Indian girl.

Did Manuel C. and B. M. really have fun in the car Thursday afternoon.

Alice, is it true you have a new sister-in-law?

Did P. L. really go to the prom with R. V.

Does Amos C. really have spotlight eyes.

Did Debbie V. have fun in Alda's get together?

Did Sutton get a painful blow Sunday afternoon?

Did Jessie really find his car in front of the Junior High.

Can't anyone hug their

cousin without

getting ideas!

HALLELUJAH

Eddie was the smallest one in the choir today. He stood at the end of the front row, stretched tall as he could, and sang with his whole heart.

I looked up at his round freckled boy-face and wondered what he was thinking as the Easter anthem rose in crescendo and blessed the April air. Were his thoughts on chocolate bunnies and rainbow-colored eggs, or on the stirring story he was singing — "He is not here, but is risen"?

Of one thing I am certain. When he is grown and thinks of Eastertime back home, it won't be the candy eggs and Easter baskets he'll remember; but the smell of lilies at the chancel rail, the joy of joining his voice to a Hallelujah chorus.

Give your child a lifetime gift. Celebrate special Sundays and every Sunday by going to your church and taking him with you.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor in earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

HISTORY OF THE CLASS OF 68

(Continued from Last Week)

Finally, after twelve, long, tedious, years of struggling up the staircase of knowledge we reached the top. To lead our class our last year we elected Larry, President, Duane, Vice President, and Cheryl, Secretary. Wesley, who has presented so many fine assemblies, has lead our student body well as Student Council President. Peggy, our Student Council Secretary has kept accurate records at every one of our meetings, all three of them! Working with them are Fred and Beverly, Senior representatives. Larry was chosen Mr. OHS. Miss OHS, Connie Williams, was also elected class favorite along with Duane. We are proud to have four Senior girls to represent our school as cheerleaders. They are Helen, Peggy, Deborah, and Jerri Lynn. Head cheerleader, Helen, was also elected Football Queen. Her Senior Duchesses were Jerri Lynn and Beverly. Bonnie, our Senior Twirler also did her part to back the Lions. We've proud of the band for winning two trophies this year. Presiding over the band are President, Calvin, Sergeant-at-arms, Larry Don who won the John Phillip Sousa Award, and Secretary Jacquie, also elected Band Sweetheart. She also won the Betty Crocker Award. Hey boys! She ought to make a fine homemaker! Leading the football team were captains, Wesley, Larry, John, and Gary. Sawrany little Gary won a few honors in football. Some of them were, all-district, all-west Texas, all-state, all-west Texas Academic, the Blue Chip team, and a scholarship to Baylor. Larry received all

west Texas Academic and honorable mention all-state. Along with the Fighting Heart Award, Wesley obtained second team all-district.

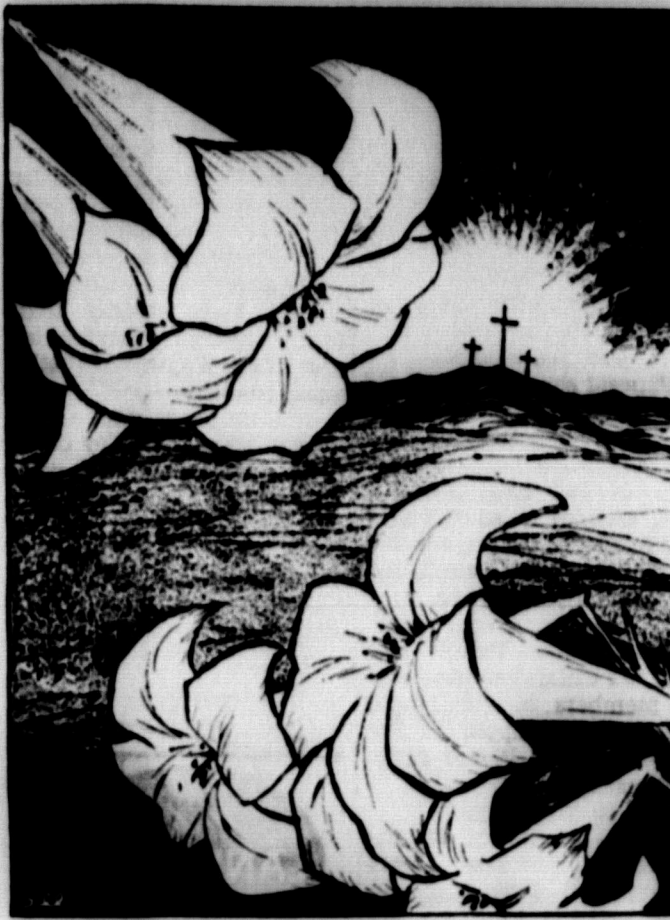

Our boys basketball captains this year were Larry and Duane. The team elected Marjorie Basketball Sweetheart. Connie, the girls basketball captain, made all-district. Our volleyball Seniors, Ginger, Cheryl, and Bonnie, are an asset to the team. Our track captains are Maggie, Wesley, Gary, and Calvin. Let's go all the way to state, boys! The publishing of the Lion's Roar is help of Miss Stringer and Cheryl, editor, and Jacquie, assistant editor. The annual is headed by Mrs. Edgerton, along with Jacquie, editor and Peggy, assistant editor. The Lion's Club Sweetheart is Connie Hubbard Davis. The Sophomores gave the Christmas Dance and elected Larry Christmas King, and Beverly Christmas Queen. We found out who our good-looking couple in OHS is as Peggy was chosen Most Beautiful and Larry Don Most Handsome. This year we gained Anna Mendez and Sharmen Lawson. We are fortunate to have Sharmen FFA Sweetheart and Track Queen. Helen and Bonnie are her Duchesses.

And now, as we close, you can conclude that the Class of 68 is a great class. After 4 years of high school and 5 English teachers, we finish triumphantly! We leave to you, Juniors, the responsibility of continuing the honored traditions of Ozona High School. Our years in school have been years that can never be forgotten. We would like to leave with you this closing thought:

Leavin' the Old and Greetin' the New

It's kind o' tough t' leave
So many folks we've learned t' know.
An' have 'em grip our hand an' tell
How much they hate t' see us go!
It's kind o' tough t' say goodbye
To friends we've seen day after day —
It's hard t' bread the happy bonds
O' comradeship an' move away.
It's hard t' pack up all our things
An' leave a cozy home be-

THAT WE MIGHT LIVE

American Party Plans Precinct Conventions To Assure Place On Nov. Ballot For George Wallace

The American Party, which is seeking to obtain ballot position for former Alabama Governor George C. Wallace as a candidate for President in the November 5 general election, is formally launching its campaign throughout the state of Texas.

Opening of the office here is part of a state-wide county-by-county drive to meet voter requirements so that Governor Wallace's name will be on the ballot in November. A number of such offices are being opened throughout the state.

As required by the Texas Election Code, the American Party will hold precinct conventions throughout Texas on Saturday, May 4, 1968, which will be general primary election day. The American Party expects to hold a precinct convention in each election precinct in Texas on that date.

Thousands of duly qualified voters participated in the American Party's precinct conventions held on Saturday, March 2, 1968, and thereupon became affiliated with the Party for the 1968 voting year.

All of these will be eligible to participate in the May 4 precinct conventions, as will all those duly qualified voters who do not vote in the Democratic or Republican primaries prior to participating in the American Party precinct conventions on May 4, according to former State Senator Weaver Moore, state chairman of the American Party.

In order to get the 14,259 eligible Texas voters who must participate in the American Party's precinct conventions throughout Texas on May 4, Governor Wallace has urged all eligible Texans to forego participating in the primaries and/or conventions of all other Texas political parties on May 4 and to attend precinct conventions of the American Party on that date.

"Should at least 14,259 qualified Texas voters participate in the May 4 precinct conventions of the American Party throughout Texas, the ballot position of the American Party will thus be secured and I will thereupon be entitled to have my name printed on the 1968 general election ballot in Texas as the nominee of the American Party for President of the United States," Governor Wallace declared.

Governor Wallace has already obtained ballot position in California, Pennsylvania, Nebraska, New Mexico, New Jersey and South Carolina.

Senator Moore stated that many Texans have already contacted their county headquarters of the American Party and that interest in Governor Wallace's candidacy is "snowballing."

Moore continued, "To help get George Wallace on the Texas ballot in November you must attend American Party precinct conventions on May 4."

For instructions on holding precinct conventions all registered voters who are eligible to vote in the voting year of 1968 are urged to contact the headquarters of the American Party at 1007 Henderson Drive, Box 820, Ozona, Phone 392-2515.

"THE RIGHT TO OWE"

The common-sense view-point is that when people apply for credit they must expect to be investigated and furthermore, that credit is a privilege and not a right.

The Easter Season is fast approaching — a time when our minds and thoughts usually turn to changes. Changes in the weather — changes in our manner of living — changes in the type of clothing we have been wearing.

Here is a time when we are glad to be able to use the privilege of charging the things that we need at this season of the year, whether it be clothes, lawn or garden supplies and implements — or whatever it may be.

There is not, as yet, any constitutional right to good credit. That is something that only the individual can develop by paying his bills promptly and on time.

Did yesterday — the 10th of the month — have any special meaning for you? It should have, if you have charged purchases the month before.

Local History Appreciation Is Planned for Week

Planning for Local History Appreciation Week, sponsored jointly by The Historical Survey Committee and the Crockett County Historical Society, for April 22-29, continues.

Beginning with the regular meeting of the Historical Society in the Civic Center on Monday Evening, April 22nd, and ending with a most interesting program for School Students on Monday morning, April 29th, something of interest for everyone is being planned.

The Historical Society will feature another panel of members of Pioneer families and all who are interested are cordially invited. High school students are especially invited for it is felt that they would enjoy learning more of their local heritage.

Exhibits at the Library, the Museum, the County Clerk's Office, and the Chamber of Commerce will feature items of local interest to all.

Local Garden Clubs, with the cooperation of County officials, have been sponsoring a community wide clean-up and beautification drive and on April 23rd will sponsor a "Plant Exchange Day" to further beautify the town. The Annual Flower Show will have as its theme "The Good Earth" which pays such a large part in the economy of this area.

Clubs, Churches, The Ozona Community Center, and others are planning special historical emphasis, details of which will be announced next week.

On Sunday, April 28th, a group from Iraan will visit Lancaster as part of a meeting of the Southwestern Federation of Archeology Societies' Symposium gathering in that city for the weekend. One of the featured speakers, Dr. E. Mott Davis, of the University of Texas Paleontological Research Center, will speak to the combined Junior High and Senior High students at 9:45 a. m. on Monday morning, April 29th to conclude the week's observance.

CROCKETT 173 MILLION — Oil Production In Texas Over 30 Billion Barrels

Texas crude oil production, recorded for the past 73 years, surpassed the 30-billion-barrel mark in 1967 according to projections based on a study by Texas Mid-Continent Oil-Gas Assn.

The state's crude total to January 1, 1967, was 29.46 billion barrels, and the state annual production in recent years has averaged a billion barrels or better.

With 199 of Texas' 254 counties producing crude oil, income averaging about \$3.4 billion a year is distributed widely over the state, making oil production an important part of the commercial scene.

Crockett County, which has had recorded production since 1925, has had a total crude oil output of 173,406,534 barrels up to the beginning of 1967. Crockett County production in 1966 was 7,438,234 barrels at the rate of 20,379 barrels a day.

The state has 36 counties which produced at the rate of 25,000 barrels or more per day. The three largest are Andrews, 215,000 barrels per day; Ector, 175,304 barrels per day; and Crane, 130,000 barrels per day. Gregg County, which still produces 75,000 barrels per day, is the only county to have produced more than two billion barrels of oil.

Two Ellenburger Wildcats Slated In Crockett Co.

Mallard Petroleum, Inc., Midland, will drill two 8,300-foot Ellenburger wildcats in Crockett County, 14 miles southwest of Big Lake.

The No. 1 Dino is 3/4 mile southwest of the lone marginal Ellenburger producer and 1 1/2 miles north of shallow oil production in the World field.

Location is 660 feet from the north and east lines of 7-A-B&F.

The No. 1 Conoco-Elec is surrounded by shallow production in the World field and 1 1/2 miles south of the Ellenburger well.

Location is 660 feet from the north and 4,000 feet from the east lines of 2-BB2-Narissa A. Miller.

The Ellenburger opener, B. L. McFarland Inc. (now Texas Crude Oil Co.) No. 1-35 University, was finished Nov. 11, 1966 for 220.8 barrels of 42.1 gravity oil, with gas-oil ratio of 1,395-1, through a 14-64-inch choke and perforations at 8,050-070 feet.

Junction Set For Easter Pageant Saturday Night

Junction's eighteenth annual Easter Pageant will be presented next Saturday, April 13, 1968, at 10 p. m. on the eve before Easter Sunday, in a natural amphitheatre on the hillside below The Everburning Cross, one mile south-east of Junction.

Presentation is by four-score Kimble County people, all laymen, women and children in colorful costumes, typical of the dress of Biblical times. There they will re-enact Jesus Christ's last Days on Earth, so timed that the scene of the final ascension will take place shortly after midnight on Easter morn.

This Holy Spectacle will be presented in pantomime, supported from a broadcasting booth by readers and background music. A dozen stages have been arranged among the rugged rocks of the hillside, and changes of scenes are effected by the shifting of spot and flood lights.

The production is entirely amateur and non-commercial. Members of the cast are all local people, with no professional or semi-actors.
