CLARENDON, DONLEY COUNTY, TEXAS, THURSDAY, MARCH 24, 1966

A Common Paper for Common People

Photo by Saye—Leader Engraving

No heist job here just the City safe on the move to its new quarters in the Red School building. The moving job was performed by city employees down the long flight of stairs at City Hall last Friday. City employees shown here are, left to right, Homer Holman, Ken Schull and Carrel Rippetoe. Police Chief Gary Gerdes is shown in the background. The safe was moved ahead of time before the carpet was laid in the new office space. All records are being kept in another smaller safe and will be moved along with other office equipment within the near future.

Jaycee - Jaycee-Ette Banquet Friday Night

The annual Clarendon Jaycee and Jaycee-Ette Installation Banquet will be held at 7:30 p.m. Friday, in the Clarendon High School Cafeteria.

Guest speaker for the banquet will be state Jaycee president A. J. Carrubi, Jr., of Pampa.

Several awards will be presented to several local Jaycees and Jaycee-Ettes at the banquet. These awards will be for the outstanding Jaycee and Jaycee-Ette, Key Man, Distinguished Service Award and Outstanding Jaycee-Ette officer award.

Installing officers will be state Jaycee director Wesley Simpson of Amarillo and Area I Jaycee-Ette vice president Mrs. Ann Hommel of Clarendon.

Special guests will also be recognized. A large crowd of Clarendon citizens are expected to attend.

Tickets will be sold at the door for \$2 each.

FREE VOTER REGISTRATION ENDS

Free voter registration ended in Texas at midnight, March 17th. In Donley County 91 persons registered. This number was somewhat less than anticipated but percentage wise was comparable to other areas. Larger cities and concentrated areas of population of course picked up the greatest number of registrants.

Now voters, it is up to you! Exercise your rights and privileges. Study the issues, and vote in all elections. Now is a good time to start.

Thomas E. Bugbee Services Held Monday

Funeral services for Thomas Everett Bugbee, 59, who lived in the Goodnight area, were held Monday afternoon in St. John Baptist Episcopal Church with the Rt. Rev. George H. Quarterman officiating. Entombment followed in Bugbee Mausoleum at Citizens Cemetery with Murphy Funeral Home in charge of arrangements.

Mr. Bugbee died Friday morning at Baylor Hospital in Dallas after a lengthy illness. He was born August 11, 1906 in Clarendon, and on June 25, 1932 was married to Ann Craven in Childress County. He moved to Armstrong County in 1932 where he has been engaged in farming and ranching. He was a member of St. John Baptist Episcopal Church in Clarendon.

Survivors include his wife, Ann of the home; his mother, Mrs. Mary Bugbee of San Bernardino, Calif.; three sisters, Miss Mary Isabell Bugbee and Mrs. Peter B. Long, both of San Bernardino, Calif.; and Mrs. Harold Pool of San Gabriel, Calif.

Palbearers were Carroll Knorpp, Weslep P. Knorpp, John C. Knorpp, Walter B. Knorpp, Walt Knorpp, and Joe Carroll.

NOTICE TO BAND PARENTS

There will be no Band Parents meeting for the month of March. The next scheduled meeting will be held Tuesday evening, April 19th, at the Band Hall, announced Sid Stewart, president of Band Parents.

Leader local rate \$3.50

NEWS FROM CITY HALL

by R. L. Gilkey, Mayor

Several weeks ago the question was asked: "Should the water users and the City Water Department bear the greater part of the expense of city operation?" The answer is NO. In fact, the main purpose in the garbage and trash pick-up charge is to prevent this service from being a constant loss to the city which has to be made up from water fees. We all know that our tax base is far too inadequate to operate our City, and for many, many years the required funds have come from the water fees.

This belief implies that further increases in city funds should come from a true valuation of city taxes. With this I heartily agree. Too many new residences and buildings are valued too high, and too many are valued too low. They simply are unfair to the taxpayer. I hope this valuation will be equalized by the next fiscal year.

Speaking of fiscal years, our fiscal year has been changed to correspond with the tax year. This is a practice used frequently in business. It was the belief of our aldermen that this would be a better practice for the city, although it would mean that each year in April when new aldermen went into office, they would do so without benefit of an audit. The prime reason for a March (See CITY HALL, Page 8)

Mrs. J. R. Bulls Services Held Here Sunday

Mrs. Grace Maria Bulls, 84, a former Clarendon resident, died in St. Mary's Hospital in Lubbock Friday, March 18, after an illness of almost nine months.

Funeral services were held in the First Methodist Church in Clarendon Sunday afternoon with Rev. A. B. Cockrell, pastor of St. Paul's Methodist Church of Amarillo, officiating. Burial was beside her husband in Citizens Cemetery with arrangements under the direction of Murphy Funeral Home.

Mrs. Bulls was born February 16, 1882 in Newport, Texas. She was married to James Robert Bulls in 1902 and they moved to Clarendon in 1919. Mr. Bulls was a former County Commissioner of Donley County prior to his death August 25, 1956. Mrs. Bulls was a member of the Asbury Park Methodist Church in Lubbock.

Surviving are two daughters: Mrs. Ross Adamson of Wolforth, Texas and Mrs. H. H. Hahn of Pampa, Texas; three sons, Roy of Spearman, J. W. of Shreveport, La., and B. F. of Kermit, Texas; also eight grandchildren and nine great grandchildren. One son, Ray Bulls, was killed in France in World War II.

Palbearers were H. M. Breedlove, Tullis Davis, Steve Fedric, Lester Schull, Clyde Hudson, and Carl Bennett.

TICKET SALES GOING GOOD FOR ANNUAL C OF C BANQUET

From all reports, ticket sales are going good and a large crowd is anticipated for the annual Chamber of Commerce banquet set for Thursday night April 7 in the school cafeteria at 7:30 p.m.

The program for the event has been completed and George McCleskey, former Clarendon resident and presently president of the Lubbock Chamber of Commerce, will be the guest speaker for the occasion.

Tickets for the banquet are now available from any Chamber of Commerce director at the moderate price of \$1.50. Whether you are a chamber member or not, you certainly will be welcome to attend this annual event. The deadline for purchasing tickets is Tuesday, April 5.

WHY BE CONCERNED?

(editorial)

This question is being asked by quite a number of people who are apparently not concerned with anything as long as they have ample money to go the gait. It is time to face the fact that more interest should be taken on the local level and on up the line if we want to assure ourselves of our future preservation.

It is such items as the \$1 added to the water minimum for garbage service that should draw our attention. First it was an added \$1 to the sewer charge; without contest, what would the added charge of another \$1 or so be next year. If you can pick up revenue that easy ... why not continue. (The auditor assured me last week that this was the easiest means of picking up revenue.) When will these added charges be dropped? There is always a place to spend money for progress, personal fancy or otherwise.

Back in 1964, according to the official audit, the sum of \$23,000 was borrowed to run new sewer lines in both the east and west parts of town. On March 1, 1966, the balance on this note was \$16,500. A total of \$6,500, had been repaid plus interest. There is an average of around 795 sewer connections bringing in a total of approximately \$795 monthly and a total of approximately \$11,130 up to March 1. By law, this money must be used in the sewer fund only ... so it is now taking care of current sewer connections. A majority of water customers are paying the bill.

We understand, according to law, that the \$1 added to the garbage collection must be spent for that purpose. If a deficit exists in the department of \$400 a month, this would leave a large surplus to purchase equipment etc. I don't believe the average person prefers that type of extravagance in our local government.

According to one informant, plans have been studied and figures prepared to increase property valuations after the city election. Also city paving plans have been discussed. I don't believe the residents of Clarendon want both fees and added taxation. We are forced to pay high taxes on the national level. With the added dollar fees to the water minimum, you are actually paying a higher tax but you certainly are not allowed to deduct it from your income tax.

RED CROSS FUND DRIVE TO BEGIN MARCH 28

The annual American Red Cross fund raising drive will get underway in Donley County Monday, March 28th and will continue through April 4th. Residents of the area are urged to give generously to this worthy cause.

Within our own county, the American Red Cross has assisted us in many ways among them: providing classes in First Aid, Care of the Sick and Injured, Mother and Baby Care, and aiding in the "Bleed In" sponsored by Clarendon College.

A year of severe disasters from the Atlantic Coast to the river valleys of the northwest kept the Red Cross workers in almost constant action from the late summer of 1964 to the summer of 1965. Its staff is steadily being increased in South Viet Nam to serve American troops in that country and it continues to serve hundreds of other military installations and hospitals in this country and overseas.

Donations may be left at either the Farmers State or Donley County State Banks or sent to Mrs. Bright Newhouse, local Red Cross Chairman. Groups of Boy Scouts and Girl Scouts will also assist in the drive and all donors will be given membership cards.

VEHICLE REGISTRATIONS REMAIN LIGHT

With the April 1 deadline drawing near for the placement of new license plates on all motor vehicles it appears that the lines will be long at the Tax Assessor-Collector's office this coming week for the number of vehicles now registered is far short of the usual tally.

One week from this Friday is the deadline. Have you realized this fact? The Tax office will not remain open at night but personnel will be in the office during the noon hour beginning Monday, March 28, to give working people a chance to come by the office at that time. Remember those necessary papers—your title and previous tax receipt.

CHS Band Students In Saturday Contests

Saturday, March 19, twenty-five members of the Clarendon High School Band entered the Region I Solo and Ensemble contest at Canyon. Approximately 1000 band students from this area attended. Outstanding judges from Texas and Oklahoma were assembled to individually judge each solo and ensemble.

CHS solos and ensembles and their ratings were as follows: Kay Pfeiffer—Baritone Solo, Division I; Adele Barnhill—Alto Saxophone, Division I; Clarinet Trio composed of Carol Chamberlain, Dana Estlack, and Lee Stribling, Division I; Brass Quarter composed of Sherol Shelton, Donna Hill, Brian Tucker, and Eddie Carmichael, Division I.

Mike Stewart—Snare Drum Solo, Division II; Brian Tucker—Trombone Solo, Division II; Saxophone Quartet composed of Adele Barnhill, Judy Greene, Martin Hendrix and Donna Tomlinson, Division II; Clarinet Trio composed of Mike Graham, Linda Vaughan, and Truetta Hall, Division II; Woodwind Quartet composed of Suzanne Moore, Carol Chamberlain, Dana Estlack, and Pam Crawford, Division II.

Coronet trio composed of Steve Bell, Cindy Myers, and Clyde Helton, Division III; Coronet trio composed of Don Helton, Sherol Shelton, and Donna Hill, Division III.

The High School Band is now busily preparing music for the Borger Band Festival April 1. The Broncho Band will also enter the U.I.L. Contest and Sightreading Contests to be held at Hereford April 28th.

"SAMPLER SUPPER" TO BE SPONSORED BY LES BEAUX ARTS CLUB

Les Beaux Arts Club is sponsoring a "Sampler Supper" to be held at Patching Club House from 5 to 7:30 p.m. Friday, April 1. Tickets may be obtained from any Les Beaux Arts Club members for \$1.25 per plate. Two recipes will be given free, all over two costing 10 cents each.

A smorgasbord of food from meats to desserts will be on array and those attending will be served a sample of every dish that appeals to them. Recipes for each dish will be available. Each club member has selected two of her favorite recipes to be served at the supper.

Proceeds will be given to Patching Club House to be applied on the fund necessary for the continuation of this vital town social meeting place. The "income" has not met the "out-go" this year and this deficit must be remedied.

Dr. and Mrs. R. W. Bingham Killed In Africa Accident

Word was received here Tuesday by Mrs. R. C. Bingham that her son, Dr. and Mrs. R. W. Bingham were killed in an accident in Khartoum Sudan, Africa some time Tuesday. Particulars regarding the accident were not available.

Funeral services for Dr. and Mrs. Bingham have been tentatively set for Friday or Saturday in the Trinity Episcopal Church in Houston where they made their home several years.

Dr. Bingham was connected with the William Hood-Dunwoody Industrial Institute of Minneapolis, Minn. and was associated with the U. S. Aid for International Development in Sudan. He started his 3rd year of service in Africa last September.

Bingham was raised in Clarendon and was a graduate of Clarendon Junior College. He received his Doctors degree at Houston following a tour of duty with the armed services.

Survivors include a son, Anthony Robinson of New York, a daughter, Mrs. Kenneth Jank of Pasadena, Texas. Other survivors of Mr. Bingham include his mother, Mrs. R. C. Bingham of this city, two sisters, Mrs. Troy Guy of Clarendon and Mrs. Juanita Phelps of Scottsdale, Arizona; Mrs. Bingham is also survived by her mother, Mrs. F. A. Cleghorn of Temple, three sisters and two brothers.

CHS INVITATIONAL TRACK MEET SCHEDULED FOR SATURDAY

The Clarendon Invitational Track meet will be held Saturday, March 26th, at the Rodeo Grounds. Preliminaries are set to get underway at 9 a.m. with finals beginning at 1:30 p.m.

Teams for this event have entered from Clarendon, Groom, Lefors, McLean, Vega, and possibly from Turkey and Matador. Coaches Walker and Noonkester invite all who can to attend this meet. There will be no admission charge.

MOTOR INSPECTION DEADLINE NEARS

All owners of Motor Vehicles are reminded that April 15 is the deadline for displaying the new Motor Vehicle Inspection Sticker. It appears that more stickers have been issued to date than in years previous.

Texans are aware of the benefits of having their cars inspected for it assures each driver that his vehicle is mechanically sound. Don't wait until the last possible moment and find yourself standing in a long line. You have about three weeks. Avoid the rush.

Leader out-of-county rate \$4.50

Pictured above are Danny Lee Hill and Shelia McAnear, winners in the Donley County and Junior Spelling Bees. Danny is the son of Mr. and Mrs. Ralph Hill, a seventh grader who will represent Donley County at the Amarillo Globe-News Bee April 23. Shelia is the daughter of Mr. and Mrs. A. S. McAnear, winner of the Junior Bee and a sixth grader. She spelled down twenty-five other contestants from fifth and sixth grades.

JAYCEE-ETTE PROJECT — Mrs. Patsy Robertson, left, and several pre-school children undergo one of the "tests" used in the detection of minor eye defects in such school children. The Jaycee-Ettes received an eight-hour course of instruction in how to detect "lazy eye blindness."

Neal Bogard visited Monday evening with the Roy Robersons.

HEDLEY NEWS

Mrs. Mabel Bridges

The Hedley FHA chapter members and their Homemaking teacher, Mrs. Sue Shields, attended the Area I meeting in Amarillo Saturday. Members attending were Peggy and Sharon Bain, Joan and Judy Leggett, Sharon Richey, Kathy Skaggs, Beverly McPherson, Kay Stewart, Pam Myers and Jamie Evans who received recognition for application of state award with other Area I members. Mothers who went with the group were Mrs. Opal Evans and Mrs. Alma Bain. They report a very fine meeting and a large number of FHA girls were present.

Jamie Evans, daughter of Mr. and Mrs. James Evans has been notified by Area I FHA degree chairman that her application for State FHA degree of achievement has been approved by the evaluating committee. She will receive the certificate of achievement at the State FHA meeting in San Antonio on April 29-30. Congratulations!

Frankie Stiles and family of Mineral Wells were recent visitors in the home of their mother, Mrs. J. F. Stiles.

Mrs. S. F. Blackwell is in Hall County Hospital. We wish her a speedy recovery.

Mr. and Mrs. C. J. VanZandt of Wheeler visited Mrs. Rains and Ike Friday afternoon.

Mrs. S. F. Blackwell returned home Wednesday from an extended visit in California with her daughters. Mrs. Blackwell has not been feeling well. She returned home as soon as she was able to fly.

Mrs. Iva Ranson visited Miss Jessie Davis Wednesday night enroute to Dallas.

Mrs. T. J. Cherry spent Monday with her sister-in-law, Mrs. Loyd Kidd of Clovis, in St. Anthony's Hospital in Amarillo. Mrs. Kidd underwent open heart surgery and passed away during the surgery. The body was returned to Clovis where funeral and burial were held. Mrs. Kidd was no stranger here having visited here often. Her friends extend deepest sympathy to her family. Mr. and Mrs. Elmer Howell and Mr. and Mrs. Sherry attended the funeral returning home Saturday.

GI EDUCATION BILL EFFECTIVE JUNE 1

Veterans planning to go to school under the new GI Bill do not have to rush to meet the deadline, Jack Coker, Manager of the Veterans Administration Regional Office in Waco, said today.

Although most benefits under the new Bill are effective immediately, the education benefits will not begin until June 1, 1966, Coker said.

Late in April, the VA expects to have application blanks and full information available at all VA offices and at the admission offices in most approved schools.

Veterans will have ample time to select courses and make application without losing either class time or payments from VA Coker said.

SOCIAL SECURITY AND MEDICARE INFORMATION

In an effort to be of service to the citizens of Donley County, the Donley County Agents Office, in cooperation with the Amarillo Social Security District Office has this important announcement.

The 1965 Amendments to the Social Security Act provide Hospital and Voluntary Supplemental Medical Insurance to persons age 65 or older.

The reason for the urgency of this announcement is that a March 31, 1966 deadline is approaching for applying for the Supplemental Medical Insurance. This deadline applies to those who were age 65 before January 1, 1966.

If you were 65 before January 1, 1966 and have never applied for Social Security Benefits, Railroad Retirement Benefits, Civil Service Retirement Benefits, nor Old-Age Assistance, it is strongly recommended that you contact the Amarillo Social Security District office, or the Representative when he visits Clarendon.

Whether you apply or not, you should become familiar with the protection provided by this latest change in the Social Security Law.

2 RURAL ACCIDENTS IN DONLEY COUNTY DURING FEBRUARY

The Texas Highway Patrol investigated 3 accidents on rural highways in Donley County during the month of February, according to Sergeant J. W. Wilson, Highway Patrol Supervisor of this area.

These crashes resulted in one death, and an estimated property damage of \$1,235.00.

The rural traffic accident sum-

mary for this county for the first two months of 1966 show a total of 14 accidents resulting in 2 persons killed, four persons injured and an estimated property damage of \$5,475.00.

Only one month remains for some 2,340,000 vehicles registered in Texas to secure the 1966 safety inspection sticker. The period set by law for securing the 1966 sticker ends at midnight, April 15, and there can be no extension of that deadline. The Sergeant stated "Any motorist whose vehicle bearing Texas license plates that does not display the 1966 sticker after April 15 is subject to arrest by any Sheriff, Deputy Sheriff, City Policeman or any Officer of the Department of Public Safety and upon conviction will be subject to a fine not to exceed \$200.00.

FOUND FISH FOOLED SAME

Rancher Tommy Waters baited a trotline with minnows for channel catfish and promptly caught fourteen crappie that weighed 13¼ pounds. This occurred in Waters' waters—his own farm lake where crappie had never been stocked intentionally.

There were probably other incidents where the fish fooled everyone and didn't bite at all, but in East Texas you never hear of such things.

HILLTOP NOTES

News From Clarendon College

HERE AND THERE

Campus Chatter
by Jim Blackerby

It has been "dead week" on the Hill this week, with nine weeks tests and all. Although there has been much activity, not only on the campus but everywhere else in town, there is a certain expression that enters a student's face during test weeks. This is a sort of foolish look that seems to say, "Now I know that." Not only does this look show on faces, but it also appears in the actions of students.

Very few can retain their natural identity during test week. Some become "know-it-alls" who just aren't about to tell the teachers everything they know but are willing to bend every available student's ears with this important knowledge. Then there are those who claim not even to have cracked a book, but seem to make a good test grade. Didn't crack the book, my eye! they memorized it. Also there are those with notes sticking out of every pocket, stacks of books, drawn faces, red-rimmed eyes. They have been cramming all night, but still can't make the high grades on the tests. Their problem is merely too much, too late. Invariably, there is the serious student who always

does well on tests. Usually no one knows much about this student's study habits, but the general assumption is either he is a brain or he studies all the time.

We have all of these types on the Hill and then some. All in all, it makes for very entertaining sport, just watching the students when test time rolls around.

THIS AND THAT

Dafynitions
by Gwen King

Definition of Suspicion: During chemistry the other day, Mr. Ellerbrook had just concluded an experiment concerning atoms. He commented, "Please note that at the beginning of the experiment there were twenty-seven atoms; now there are only twenty-six. 'Students,' he demanded pointedly, 'what happened to the other atom?'"

There were several moments of tense silence. Then in a low voice from the rear of the room Mr. Reed said slowly, "Don't anybody leave this room."

Asked to define an advertising man, Todd Dyess replied, "Yessir, no sir, ulcer."

"An alibi," says Lila Holman, "is a slipcover."

"Utopia," explains Mrs. Naylor, "is conditions that will prevail when Americans enjoy 1958 wages, 1926 dividends, 1932 prices, and 1910 taxes."

WHEN AND WHERE

Phi Beta Lambda
by Betty Dever

The Clarendon College Chapter

of Phi Beta Lambda met in special session on March 14 during the activity period.

The group voted to go to Amarillo to visit various business establishments. Members of Phi Beta Lambda will be given an excused absence on that day, March 29.

Community Fine Arts Week

Final plans have been announced by the Library Faculty Committee for this year's Community Fine Arts Week. The program will be held during the week of April 25-29 and will be open to all persons in the area.

An art exhibit of great religious paintings from the National Gallery of Art, Washington, D. C., will be displayed April 4th-29th. The exhibit features oil reproductions of World Painters now on exhibit in the Washington gallery and should add to the religious theme of the Easter season. It will be shown during the regular library hours.

Short story writer and newspaperman, Thomas Thompson of the Amarillo Globe-Times will speak in the college auditorium at 9:30 A.M. on April 25. A reception in his honor will follow in the library.

A book-review of James Michener's best selling book, *THE SOURCE*, will be given in the college auditorium by Mrs. Mollie Ritter on Wednesday, April 27, at 11:30 A.M. Mrs. Ritter will be remembered for her most stimulating review last year of William Humphrey's, *THE ORDWAYS*.

Also on the same day, a special one day showing of the film adaptation of Jean Anouilh's play, *BECKET*, will be held at the Mulkey Theatre downtown Clarendon. The picture stars Richard Burton and Peter O'Toole. There will be two performances only; at 5:00 and 7:30 P.M. Regular admission prices will be charged.

The week's activities will end with a performance of the Bell-ringers from the music department of Wayland College, Plainview, under the direction of Earl Miller. Two performances will be given at 10:30 A.M. and 12:30 P.M. in the college auditorium.

Members of the Library Faculty Committee who are in charge of the program are: Mrs. Velma Weaver, Chairman, Doyle Williams, James Tucker, Dean Welton Day and Library Director, Oaniel Nutter.

WHO AND WHAT

Tucker TSTA Official

Mr. Jim Tucker, head of the Department of Mathematics has been elected vice-chairman of the Mathematics Section, TSTA, District 9, for 1966-67.

The action was taken at the annual District 9 T.S.T.A. meeting which convened at Amarillo on March 13. Other officers include Mrs. Emily Springer, Amarillo, Chairman, and Mrs. Irene Unger, Amarillo, Secretary-Treasurer.

Daniel L. Nutter, Library Director of Clarendon College, has been appointed area chairman for National Library Week, April 17-23. The area consists of Childress, Collinsworth, Hall, and Donley Counties.

The emphasis of this year's program will be on the Governor's Conference on Libraries held in Austin yesterday (March 23rd). An area post-conference has been set tentatively for April 21st to report to the people on the events of the Governor's Conference.

Several persons from this area were in attendance at the Austin meeting.

Surprise! Surprise!

Most adults would just as soon forget birthdays, but two faculty members were not permitted this luxury last week. Through some super sleuthing, a group of students discovered that Mr. Williams and Mrs. Moore had twin birthdays. As a result, members of the Office Practice Class brought two delicious cakes and threw a party. Mr. Williams suspected an ulterior motive, suggesting that the students used the occasion as an excuse to postpone class work. And who could suggest a more delightful way to do so? At any rate Mr. Williams and Mrs. Moore are each a year older, and the students enjoyed a brief respite from mental concentration.

Potatoes, Irish Potatoes, Fresh Tomatoes—Onion Plants fresh from the Valley.

Likely, one of our most common sins is that of faithfully watching the television serial Peyton Place. It is so very much like life as most of us know it in our own hometowns that some feel that it is too terrible for the children to watch. Anyhow, it isn't anywhere nearly as suggestive as some of the men

and women hair-do ads. But, this time we have a complaint. For weeks we have been breathlessly waiting for the trial of Rodney Harrington to end. It seems that everyone but the jury and prosecuting attorney knows that he is not a murderer, but as the curtain went down last week it looked for all the world like things were going bad for him. In the closing seconds, as if you all didn't already know, the judge asked the foreman of the jury to stand and give the verdict. We all almost stood, but right there it all ended until next week. Until next week we will have to wait for the outcome, and as it appears to be in the making is a guilty verdict, then weeks and weeks more of suspense while we wait for the dead man's sister to break down

and tell the truth. Oh me, Oh me... is to close our mouth.

Special to those in the Claude, Conway, Groom, and Highway 66 area; This week we received a letter from Mrs. H. W. Lauderback Rt. 1, Washington, Illinois. Her husband who has since passed away was a road grader operator between Groom and Conway back in the days before Highway 66 was paved. I think she would love to hear from anyone who remembers when they lived near Claude, and also in Borger when things were really booming. She is 73, writes poetry, and loves people. Drop her a line and say that Uncle Zeb told you. Thanks.

Some people are free-hearted... always ready to get their hands in your pockets.

It is said that loaded dice were found in the ruins of Pompeii which was destroyed by the volcano Vesuvius in 79 AD.

The hours pass by so quickly when we are happy, and when we are working at a job which we love to do. As the hours go by so goes the days, weeks, months, and years. Sometimes we get to wishing we could slow the pace down just a bit so that we could enjoy more fully the moments of pleasure.

A good place to look up trouble

The person who prays in the dark and alone really prays.

Even a whitewashed crow will soon be black again.

BRONCHO COLUMN...

FTA NEWS

Last week the Clarendon Chapter of Future Teachers met in the high school library. After a short business meeting, the program was presented by Rhonda Burgess, Shirley Hall, Linda Vaughan, and Donald Helton. After their interesting presentation followed a short discussion of the program and the one for the next meeting. The meeting was then adjourned.

SENIOR PERSONALITY

Dwayne Lamberson is the son of Mr. and Mrs. Jack Lamberson. He stands five feet eleven inches tall, weighs 165 pounds, has black hair and brown eyes. Dwayne was born in Groom, Texas. He has attended school at Elizabeth Stevens, Ashtola Grade School and Clarendon High School. His favorite subjects are speech and agriculture. His favorite colors are blue and white. His favorite foods are fried steak, fried pota-

toes and lemon pie. After graduation from high school Dwayne plans to attend Clarendon College and later on become a veterinary. Dwayne's pet peeve is picking on people bigger than me. This is what Dwayne has to say about his most embarrassing moment. "My most embarrassing moment was the day I ripped my pants while talking with Mr. Ledger." Dwayne says that his favorite person is anyone with a nice personality and anyone who can take a joke.

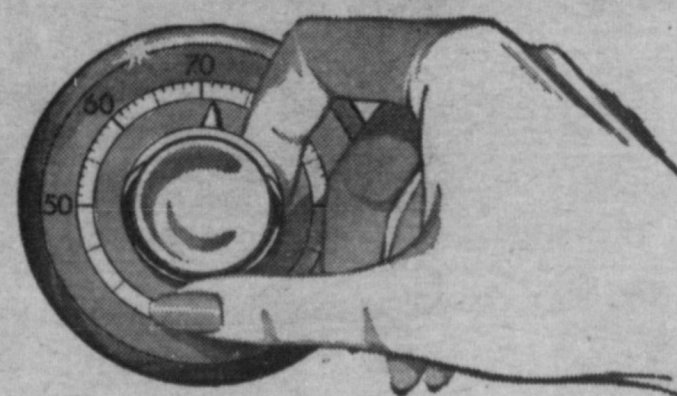

Bruce Shields is the son of Mr. and Mrs. George C. Shields. Bruce stands five feet nine inches tall, weighs 125 pounds, has auburn hair and green eyes. Bruce was born in New Orleans, La. He has attended school at Harahan Elementary, Aleita Spring Elementary, and Clarendon High School. Bruce's favorite subjects are American History and agriculture. His favorite color is red and his

favorite foods are red beans, rice and steak. Bruce says that his pet peeve is school. After graduation from high school Bruce plans to attend Clarendon College. Bruce describes his favorite person this

way. "He is nice, and is willing to help you when you need help." Part of the Danube River flows underground and emerges as a tributary of the Rhine River.

Tired of the fumes and dirt from combustion type heating? Want to enjoy the remainder of winter, and winters to come?

Switch to FLAMELESS ELECTRIC HEAT

Now at a low rate!

With Flameless Electric heat there's just clean even wall-to-wall warmth that sort of surrounds you with comfort... none of the dirt created by flame type heating systems. And electric heat is dependable and carefree. Because of its unique simplicity, upkeep is negligible. With baseboard Electric heating, individual room control allows the nursery or bathroom to be kept warmer without heating up the entire house and wasting heat. Completely silent Electric heat is now available at non-luxury cost. The special low rate is 1¢ per kilowatt hour for all energy used during the winter months in excess of the first 500 KWH. *Plus Fuel Cost Adjustment and Sales Tax.

Ask WTU or your heating contractor for full information on Flameless Electric Heating.

If you take a minute to check our list of winning vehicle identification numbers, you may know how it feels this week.

The contest is in its last week. So hurry. Here's how it works. Look at the first symbols (the prefix) on your vehicle identification slip. Then look at the symbols listed above. If you find yours on the list, you've taken the first step toward being a winner. Now go see your Buick dealer. He has a list of 72 winners posted in his showroom. If you see your entire vehicle identification number on the poster—the symbols plus the rest of the numbers—\$2332 cash is yours. (If your prefix isn't listed in this ad, don't give up. Your numbers may have been posted during the past six weeks. Every week 72 winners were posted on the showroom wall.

You may have missed your number before. No slogan to invent, no puzzles to solve. In fact, you don't even have to own a Buick to have a winning number.

Contest Rules: Residents of Kansas, Missouri and Nebraska may, if they prefer, send in a postcard to R. L. Polk and Co., P.O. Box 1347, Detroit, Michigan 48231 and receive the weekly list of winning numbers by mail for comparison with their own vehicle identification number. An official entry form will be included. Sweepstakes limited to persons over 21 living in the continental U.S. Not valid in Florida or states where prohibited by law.

Hurry. Buick's \$1,000,000 Sweepstakes is in its last week.

There's an authorized Buick dealer near you. See his Double-Checked used cars, too.

NEW TRUDAN 2 IS HERE!

Trudan 2, Northrup King's new true hybrid sudangrass, is an exciting forage. Unlike sorghum-sudangrass hybrids, Trudan 2 produces fast growth without coarseness... the fine-stemmed, highly palatable plant yields high TDN. Trudan 2 grows back fast with lower prussic acid content. Great for grazing, hay or haylage. Trudan 2 can mean more beef or milk per acre. In tonnage trials, Trudan 2 has out-yielded sorghum-sudangrass hybrids.

Order NEW Trudan 2 now. Supplies are limited.

Tests Offered College Students For Draft Data

Around 100,000 bulletins of information about upcoming draft tests for students, plus application blanks for taking it, are scheduled to be mailed to state draft boards today.

Colonel Morris S. Schwartz, state Selective Service Director, said students could get the bulletins and blanks by writing their local draft boards, or calling at any board.

In some college and university towns, arrangements may be made with college or university registrars to have the information bulletins and application blanks on campus.

Taking the test is entirely optional with students. Colonel Schwartz pointed out. He estimated a "possible" 50,000 Texas students would take the test in May and June.

Full details about the test will be found in the bulletins of information, available at the boards. Purpose of the test is to furnish information to the students' draft board.

The application blanks to take the test must be mailed to Selective Service Examining Section, Science Research Associates, P. O. Box 4610, Chicago Illinois. A self-addressed envelope will

be furnished with each bulletin of information and application card.

The test is scheduled to be given on the following area college and university campuses. They are: Amarillo College, Frank Phillips College, West Texas State, Texas Tech and Wayland Baptist.

HOSPITAL NOTES

Patients as of Wed., March 23—Mrs. Buel Sanford, A. M. Anderson, Mrs. Sue Rhoades, Mrs. Jewell Sickles, L. M. Spier, Mrs. Frances McCully and Mrs. Mae Kennedy.

Dismissals—Mrs. John Blocker, Edna Daniels and baby girl, Mrs. Bertie Gunter, Mrs. J. W. Glaze, Betty Ruth Jones, Mrs. Bessie Lane, Mrs. W. R. Lawrence, Mrs. Norma Selvidge and baby girl.

YOUNG FARMERS REPORT GOOD FARM SALE

The Donley County Young Farmers reported their Farm Sale a big success last Saturday considering that this was their first venture along this line. Plans are already underway to make the Farm Sale an annual affair.

They expressed a desire to thank everyone who contributed to or assisted in any manner in making the sale a big success.

MEDICARE BLANKS AVAILABLE AT POST OFFICE

Postmaster Mike McCully has announced that application blanks for supplemental Medicare benefits are available at the Stamp window at the local Post Office. March 31 is the deadline for filling out these applications.

The supplemental program costs \$3 per month and provides doctor bill and other benefits. Everyone 65 and over is eligible for the basic hospital benefits under Medicare. A copy of the application blank is on display on the bulletin board in the lobby of the Post Office.

Senior citizens who reach 65 before 1966 face a two year delay if they do not sign up by March 31.

WILD TURKEYS ON THE MOVE

A flock of wild turkeys were on the move last week and were quite a sight for area residents. Approximately 30 birds were seen grazing a mile and a half east of town Saturday morning and later Saturday afternoon Nolie Simmons reported a flock of around 20 grazing on his wheat field north of his farm home about 3 miles southwest of town. They were traveling northwest the last he saw of them, he stated. Incidentally, Turkey hunting is not in season.

SCHOOL CAFETERIA MENU

March 28-April 1

Monday — Barbecue Wieners, creamed potatoes, green salad, stewed apricots, hot rolls, butter, milk.

Tuesday — Ham Salad with cheese slice, baked beans, sliced tomato, apple pie, enriched bread, milk.

Wednesday — Oven fried chicken, scalloped potatoes, green beans, prunes, bread, cookies, milk.

Thursday — Hamburger on bun, lettuce, tomatoes, pickles, onions, potato chips, Wheat cake, milk.

Friday — Fish sticks, black-eyed peas, spaghetti with tomato sauce, corn bread, butter, milk.

FOOEY! WRONG KIND OF WEATHER

As far as the weather department was concerned, Tuesday was a nasty day. It was a good reminder of the old dust bowl days. Wind gusts were estimated at 50 to 70 miles per hour during the day and Tuesday night.

So far this month, rain gauges have caught no moisture but a measurable amount of dirt. It's a bit early to be sure, but the way the temperature tumbled Tues-

day night, the apricot crop was most likely destroyed. The low Tuesday night was 26 and the high for the month was 88 on Monday. Quite a contrast.

Help Nominate Outstanding Employee Of The Year

Nominations for the outstanding Employee of the year have started arriving at the Clarendon Chamber of Commerce.

The award, sponsored by the Clarendon Lions Club, will be

presented to the outstanding employee of the year, at the annual Chamber banquet on April 7.

Nominations may be made by anyone in Clarendon. An official nomination blank may be found in the Leader this week. Anyone wishing to make a nomination is requested to send the nomination to the Clarendon Chamber, Box 730, as soon as possible. A committee, appointed by Lions Club president George Thompson, will screen those nominated and select the winner.

The winner will receive a plaque.

Leader Out-of-County Rate — \$4.50 a Wk.

According to the United States Forest Service, many well-built frame structures have withstood dozens of hurricanes with winds exceeding 125 miles per hour.

Texans who failed to pay their poll tax have another chance to register for a vote in the 1966 elections. This time it's "for free!"

Registration period extends from March 3 through March 17. Any citizen eligible to vote can sign up with his county tax assessor-collector and his name will be placed on the poll list at no charge.

So read the "emergency" provision in the new voter registration act just passed by the Legislature and signed into law by Gov. John Connally.

Hereafter, free registration will take place from October through January each year.

There is one possible hitch. Atty. Gen. Waggoner Carr fears that names of those who sign up during March won't be available for local elections already slated on bond issues, local option liquor questions, etc. He asked the three federal judges who banned the poll tax to put off their order until March 26.

Estimates of the number of Texans who will take advantage of the free right to vote vary widely — from 50,000 to 1,000,000. Any figure approaching the latter could make a substantial difference in the outcome of many local and some statewide elections. Indications are that the number of new voters will be nowhere near that high, however.

All who paid poll taxes by January 31 will be entitled to vote as usual without re-registering. PECOS SULPHUR BOOM — Land Commissioner Jerry Sadler compares reaction to the recent Pecos County sulphur discovery with California's Gold Rush days of 1849.

He said "operators are moving in both day and night attempting to locate and file claims on state-owned land to mine sulphur."

Sadler declined to accept 50 cents an acre per year for sulphur leases when, he stated, leading sulphur operators paid up to \$2,000 an acre bonus for five-year leases in a recent sale off the coast of Texas.

State School Land Board rejected a rash of filings under an 1895 claim law. Board set a sulphur lease sale, along with oil and gas bidding, for May 3.

APPOINTMENTS ANNOUNCED — Governor Connally appointed Hill County Attorney Steve Latham of Hillsboro to succeed Sam Johnson, resigned, as Judge of the 66th District Court of Hill County. Latham formerly practiced law in Wichita Falls.

Governor chose former District Attorney Dan Walton of Houston as judge of Harris County's Criminal District Court No. 4, succeeding the late Judge A. H. Krichamor.

Connally's appointees to the new Texas Air Control Board are Clinton Howard of Irving, Henry J. LeBlanc Sr. of Port Arthur, Herbert Whitney of Corpus Christi and Dr. Wendell Hamrick, John Files and Dr. Herbert McKee all of Houston.

Bob Cheatham of Texarkana and Clifford Hensley of El Campo were named by the Governor to the Texas Real Estate Commission.

WATER DEBATE RE-HEARD — Supreme Court of Texas has taken under advisement a long standing dispute between city of San Antonio and cities in the Guadalupe River basin.

San Antonio is appealing a 1957 Texas Water Rights Commission decision. Ruling denied the Alamo City's application for 100,000-acre feet of water a year from Canyon Dam near New Braunfels and awarded 50,000-acre feet from the reservoir to Guadalupe-Blanco River authority for municipal use downstream.

ges to members on the premises with out a special license.

● New act calling for deposit of justice of peace court fines and fees in officers' salary funds of counties is constitutional.

● Funds appropriated to National Guard Armory Board can be legally spent for addition to the building at Camp Mabry in Austin subject to necessary agency approval.

● Harrison County juvenile board or commissioners court has no authority to hire a secretary for the county juvenile officer, but can hire a child service worker with added duty of secretary.

● State Board of Control still has supervision of the Battleship Texas Commission.

11 TEST FOR BRUCellosis — Eleven counties — Atascosa, Brooks, Coryell, Falls, Hamilton, Hood, Jack, Limestone, McLennan, Milam and Roberts — are testing for initial brucellosis eradication certification.

Borden County has qualified for recertification.

During January 16,331 back-tagged cattle originating in Texas were tested at slaughter. A total of 18,202 cattle were tested at Texas livestock markets for return to the county, and 284 reactors were disclosed.

According to a U. S. Department of Agriculture report, the screwworm eradication program in Texas has been successful. Only 75 cases were confirmed in January as compared to 237 for the same period last year.

VISITORS INCREASE — Attendance at 22 Texas vacationland

attractions increased 13 per cent last year, with total admissions of 30,403,000.

Six Flags over Texas rated as top tourist stop with 1,713,000 visitors, outdrawing by 446,000 San Antonio's Alamo, according to Tourist Development Agency. Biggest percentage gain was marked by Bishops Palace on Galveston Island. Big Bend National Park reported another big increase, as did the Aquarena at San Marcos, Old Stone Fort of Nacogdoches, Fort Davis National Historic Site and Padre Island.

BUILDING SALES DROP — Texas building and retail sales dropped during January. However, both December and January still were above the first month of 1965.

UT's Bureau of Business Research reported total retail sales in January off 28 per cent from a record December — due largely to the "greater-than-seasonal rise" during the Christmas month. Nevertheless, retail stores generally posted gains of two per cent over January a year ago.

Building permits for the first month of 1966 dropped a whopping 22 per cent below December and four per cent below the 1965 average. But the \$133,200,000 total was 16 per cent over January, 1965.

Amber, a fossil resin, is found in many colors ranging from blue to the usual golden amber.

Over 260,000,000 gallons of water are used daily in the U. S. for home and industrial purposes.

The Chamberlain Community extends special thanks to all the candidates, friends, and neighbors who came to our Candidate Rally and Pie Supper Friday night. Donald Ballew, president of the Community Center, started the rally off by asking each candidate to make a talk. Everyone had fun and enjoyed each talk that was made. Then, Flip Breedlove was asked to auction off the pies. Flip talked the crowd out of \$240.00. Thank you, Flip, for donating your time, we really appreciate all you have done now, and in the past in helping raise money for our building fund.

NATIONAL POISON PREVENTION WEEK
BEING OBSERVED
National Poison Prevention Week, March 20-26, has been proclaimed by President Lyndon B. Johnson.

For
COLDs
take 666

County Agent Ronald Gooch says the proclamation calls attention to the need for every citizen to be careful with poisons especially when children are involved.

The proclamation says, "It was noted long ago that, 'Poison kills only where there is no antidote.' But no antidote will ever take the place of precaution. For when precaution is used, antidotes become unnecessary."

"Last year more than 600,000 American children were the victims of accidental poisoning. Nearly 500 of these children died."

"These poisonings took a variety of forms. Some were medicines and some were from household products. But all had one thing in common: carelessness. To store drugs and poisons within reach of children, or to store them along-side of food, is as foolish as leaving a loaded pistol lying around the house—and as dangerous."

"To alert adults to the dangers of accidental poisoning and to

encourage them to take appropriate preventive measures, the Congress, by joint resolution approved September 26, 1961, requested the president to issue annually a proclamation designating the third week in March as National Poison Prevention Week."

"I can direct the appropriate agencies of the Federal Government, and I invite state and local governments and organizations, to participate actively in programs designed to promote better protection against accidental poisonings among your children."

he county agent added that farm and home safety programs for both adults and youth, 4-H Club members, are a part of Extension's educational efforts to prevent accidental poisonings as well as accidents.

Robert Fulton's first steamboat in 1807 traveled the 150 miles from New York to Albany in 32 hours.

The discoverer of barbiturates named the drug after St. Barbara.

Spanish at its colorful best, intermingled with Early American in warm-but-restrained friendliness this is Monterey, a deft blending of the two. You'll appreciate Monterey's many different motifs ... everything blends without matching, making it easy to intermingle with furniture of other styles and periods. All in superb native pecan with a warm Vintage finish.

Why should you own a Beautyrest Long Boy Set? It's 5 inches longer than a standard Beautyrest and gives you the best rest a body ever had because its over 800 coils are individually pocketed and Beautyrest springs never, never sag ... even the heaviest husband won't disturb his wife's rest ... Beautyrest lasts 3 times longer than ordinary connected coil mattresses.

REV. JOHN DENTON

GOODNIGHT BAPTIST CHURCH ANNOUNCES REVIVAL

Rev. John Denton, pastor of Keeler Baptist Church, Borger, will lead the Goodnight Baptist Church in a Revival beginning March 27 through April 3. Rev. Keeler is a native of Hall County and has held pastorates in Texas, Oklahoma, and California. He also served as a missionary in Alaska for several years.

Rev. O. C. Edwards, pastor of the Goodnight Church, extends a cordial invitation to the public to attend these services daily at 10 a.m. and 7:30 p.m. The song service will be led by Miss Inez Blankenship.

FARM NEWS

from County ASCS Committee

COUNTY WIDE MEETING

We told you in the article last week that we were trying to schedule a county-wide meeting. These plans are now complete and we hope that each of you will try to attend. It will be held Tuesday night, March 29, at 7:30 P.M. in the College Auditorium.

Please bring any questions you may have concerning the new farm measurement system or any other phase of the farm program. Remember, the farm programs are different this year and we feel an open meeting would be beneficial to all.

PROGRAM SIGN-UPS

Only six working days remain for you to sign-up in the wheat, cotton, and feed programs. The programs are voluntary; however, you must sign up to be eligible for program benefits and price support.

There is NO automatic participation. This includes the small cotton farms. To receive any payments, you must sign up by the final date—April 1, 1966.

CROP MEASUREMENTS

You must measure and report your wheat and barley acreages by May 1, 1966. This office will assist you in any way we can in converting your measurements to acreages, planimetering fields, etc. Please bear in mind, however, that our helping you does not relieve you of the responsibility of the acreages reported. Our assistance is based only on the information you bring in and cannot be official unless a representative from the county office goes to the farm and measures the acreages.

The provisions above do not apply to soil bank farms. Acreages on these farms will be determined by this office as in the past.

If you want to request the measurement service for wheat, you must do so before April 15, 1966. The cost of the service will vary from farm to farm, so if you are interested, check with us.

OLD TIMERS PLAN PAMPA MEETING

There will be a meeting of all who have lived in the Panhandle area 50 years or more Friday, April 1, at 12 o'clock noon in Lovett Library at Pampa. All Old Timers are invited and urged to attend. Bring a covered dish for the luncheon and meet your friends.

Mr. and Mrs. Raymond Darsey of Pampa will show pictures of their recent trip to Hawaii and there will be a business meeting. Edna Carr Vincent, chairman of Pampa, reported.

VOLLEY BALL TOURNAMENT IN LELIA LAKE

There will be a Volley Ball Tournament held in Lelia Lake at the Community Center, beginning Thursday evening, March 24th thru Saturday the 26th. Everyone is invited to come and enjoy the games and the good food that will be available.

CITY HALL

(Continued from Front Page)

11st audit was for the benefit of changing city officials and not necessarily for the consideration of city finances. With the present form of Government and one half of the city officials being elected on alternate years, there is no need for the audit to be held on March 31st.

Here are some more answers. No, the bookkeeping system has not been changed. Yes, the auditor did suggest some additional entries and changes which were performed. Yes, the city did hire an extra secretary, but during the tax season only, and she was released shortly after the 1st of February. We presently have only one full time secretary, the City Secretary. No, I do not spend a full eight hour day at the city offices. I do attempt to be at the offices at 8:00 A.M. and 1:00 P.M.

Many administrative problems and decisions are made after the close of the working day. Yes, I am well aware of the cost of the city police department. A police dept. is a service. It is not expected to produce income for the city. I would be delighted if we were all such perfect citizens that there would be no need for traffic tickets. But we do have minor robberies, peeping toms, animal poisonings, etc. Some type of law enforcement is necessary in our city. This is a good one, let's give it a chance. No, no administrator as yet, but we're still looking.

In Sept. 1964 a \$1.00 sewage charge was added to our monthly bill. This was to pay for a \$21,000 sewage extension in the West part of town which was badly needed. This debt is being retired at a rate of \$500.00 per month, the balance going into a "sewage fund" for the purpose of maintaining sewage improvements and extensions. This fund recently allowed the city to purchase \$800.00 of sewage pipe directly from the manufacturer at a considerable savings rather than purchasing this pipe in smaller quantities and at greater expense from Amarillo distributors. During the past two weeks much of this pipe has been laid to residences that have long been in need of sewage service. Contrast this action of your city aldermen with the council in past years. In 1927 Water Works Refunding Bond, 5½%, was for \$21,000 also. In 1964 payments toward the principal was started on this bond. This means that an interest of \$1,155.00 has been paid annually since 1927. It doesn't take much figuring to realize that the interest alone has far exceeded the principal loan. I prefer the present pay-as-you go aldermen, don't you? And if you want paving, we'll have to pay for that too.

Yes, Clarendon is unique. Not because city expenses have gone up, because our expenses and taxes have not gone up for years while it has in other cities. Taxation has increased in those cities that have not progressed. It has increased tremendously in those cities that have.

Now the cost on the "new" city hall. We're getting it at a steal. Here are some of the people you should thank: the Farmers

State Bank for the beautiful glass door; Bagby Motel for the twin glass front doors; Chamberlain Motor Company for metal side doors; and John Jones Contractor without whose help this would have been impossible. He has graciously donated his time to help his city. These offices are not completed yet, but it won't be long, and it will be an improvement. One of our citizens pointed out that a county seat is judged by its city hall and court house. Well, our city hall will be a place of which we will all be proud.

This column has been absent for several weeks. To me, there was simply no need to add fuel to the fire. We are interested only in building up our city and improving our city. Aren't we?

Congratulations to the Greenbelt Municipal Water Authority. What are we doing to help them?

CLARENDON JAYCEES TO SPONSOR VOLLEYBALL TOURNAMENT AT COLLEGE

The Clarendon College Athletic Department announces that a volleyball tournament is being sponsored by the Clarendon Jaycees on March 31, April 1 and 2. All proceeds from the tournament will go to the Athletic Department. The games will begin each afternoon at 4:00 P.M. in the college gym. The entry fee is \$6.00 per team, payable at the gate. All entries must be in by March 28, and should be addressed to Coach Lawrence Overcast, Clarendon College, Clarendon, Texas.

The number of participating teams will be limited to thirty because of the time limit.

The Jaycees and College Athletic Department invite all who wish to play and enter the tournament.

Regular rules will be observed and 1st, 2nd, and consolation trophies will be awarded. The concession stand will be open for the benefit of players and fans.

HUGHES IS CANDIDATE FOR CITY ALDERMAN

The Leader has been authorized to announce that Walter Hughes is a candidate for City Alderman subject to the City Election April 5. "I am interested in sound financial operation of our city...Your vote and influence will be appreciated," Mr. Hughes stated.

Mr. and Mrs. Beard of Wilmer, Texas and Mr. and Mrs. Rene Sears of Hutchinson, Texas visited G. A. Anderson Friday enroute to visit their children in Amarillo.

FINAL DRIVE UNDERWAY TO MARK VETERANS GRAVES AT CEMETERY

This week presents the final appeal to families of all who desire to place standard American Legion Markers on Veterans Graves in Citizens Cemetery which are now unmarked. These markers must be ordered through an American Legion Post. However, they must be paid for by the Veteran's family. The cost per marker is \$4.80.

Since these markers must be ordered time is required to get them here and in place. It is hoped that all of these graves may be marked by Decoration Day. Checks should be sent to B. C. Antrobus, Box 876, Clarendon, Texas. This week is the final date for ordering.

Leader Out-of-County Rate — \$4.50 a Yr. Leader Local Rate — \$3.50 a Year.

JAYCEE-ETTES COMPLETE STUDY COURSE IN EYE DEFECTS

The Clarendon Jaycee-Ettes have recently completed an eight hour course of instruction on the detection of minor defects in the eyes of preschool children. Miss Betty Kimmey, Executive Director for the Prevention of Blindness in Houston conducted the course. Instruction was given over a two-day period in the Hospitality Room of the Farmers State Bank.

Pre-school children will be given a free visual eye screening in late April or early May. Additional information will be released regarding this free program within the near future. Some of these defects if detected and treated before the age of six may prevent permanent eye damage.
