

WHIRLWINDS BUCK BULLDOGS LAST DITCH FRAY FRIDAY

one of the most important games of the year, Floydada Whirlwinds and the Spur Bulldogs tangle in the district football honors Friday at Wester field, kick-off time 7:30 p. m.

Whirlwinds lacked a certain spark that marked them losers Friday afternoon, but should come up with the right mental attitude, which is all important, possibly do in the Bulldogs.

completed their ten-game schedule and unless a four way tie exists in which only Lockney will be included in the drawing, will hang up their suits for the year.

With the district as erratic as it has been in the past games and also because of the number of teams involved in competition, it is very possible for a four way tie to exist after tomorrow night.

Salvation Army Service Unit in Annual Appeal

The local Salvation Army service unit will soon begin a fund-raising campaign to secure funds to provide assistance for the less fortunate of our community and to aid The Salvation Army carry on its expanded Texas program.

Mr. Word said he would be assisted in conducting the annual appeal by the service unit committee made up of W. E. Grimes, chairman, C. H. Bedford, Treasurer, W. Edd Brown, L. W. Chapman, Walter G. Collins, Tom W. Deen, Lorin Leibfried, Homer Seem, J. C. Wester and J. W. Reue, James Wilson, Jr. and Jewel Elza; and also by other local citizens.

On the completion of this campaign a portion of the funds will be left with the local committee; the remainder will go into the Salvation Army regional fund for the maintenance of a hospital for unmarried mothers, fresh air camp benefits for mothers and children, aid to veterans, a state-wide character-building program among youth, and other regional services including a reserve fund for emergency and disaster.

"A very definite program will be worked out with the funds remaining here," Mr. Word said. "We have an opportunity to provide medical care to poor and needy families, medical benefits to expectant mothers and new mothers who could not ordinarily afford such services, hospitalization for unmarried mothers, aid to handicapped boys and girls and dozens of other worthy projects."

"We know of no place where a generous gift will do so much good, for The Salvation Army seeks always to minister to human need whenever and wherever that need arises," Mr. Word said in speaking for the local committee.

He described The Salvation Army as an evangelical movement with the aim of converting people to Christian living and said that in all the 97 countries where it operates The Salvation Army has become a social and religious force in the lives of the people where it serves.

Following several days treatment at the Peoples hospital, Mrs. Smith was taken to the hospital at Temple Sunday, October 30.

Mrs. Foy Smith of Levelland has been with Mrs. Smith since that time. Visiting her over the week-end were Mr. and Mrs. Ray Lloyd of Floydada. Mr. Lloyd is a brother.

When the rock house is completed, it will be called "Maud's Rockie Ranch," named by Mrs. Hollums' grandson, Randy Hollums. The house will have four large rooms, including a huge fireplace.

Weatherman Favors Area's Rush Harvest

As Floyd county gins continue work on a round-the-clock basis this week, total ginnings began to mount up fast, the number of bales turned out by the 15 plants passing the 20,000-bale mark late Tuesday.

This week, however, the gins were getting a bit further behind the harvesters daily. Reports from over the territory indicate that about as much cotton is going on the ground and on turn rows as is going to the gins.

Machinery Goes to Work A few fields are just being entered for the first time and a few other fields are waiting another week for the staple to dry.

In the case of the machine harvesters many of them are doing an acceptable job, while others appear to be wasting a lot of staple.

Cottonseed Buying Continues The cottonseed purchase plan, inaugurated early in the month by the Commodity Credit corporation, operating through the local office of PMA, is continuing.

Grain Harvest Almost Over As the grain harvest nears the end, almost all of the elevators here in Floyd county, as well as most of them in surrounding counties, are accepting little grain, as they have little storage space left.

The elevator men say that the farmers are from 75 to 90 per cent through with their feed harvest. The lack of storage space here in Floyd county is caused by a shortage in the larger cities, such as Fort Worth.

Most of the elevators have plenty of cars available but are not shipping any grain out, for this one reason.

C. W. McCarty of Kimbell Milling company says he can accept more grain after the first of December, as a new elevator is near completion at Fort Worth.

Piling Grain on Ground Roe Jones, manager of the Producers Cooperative elevator, said that quite a few of the farmers are putting their feed on the ground, and before the harvest is over, will be forced to do the same thing, if they have no granaries or barns for temporary storage space.

Farmers from surrounding territory, such as Muncy, South Plains, Petersburg, Sterley, have been calling to bring grain to Floydada, as elevators there are in the same shape as the ones here.

Weather for harvest has continued favorable. Recording thermometer at West Texas Gas Company showed the low temperature for the week was Sunday November 13 which was 35 degrees. The high was 85 degrees on Tuesday, November 15.

Source for the cotton raisers has been the net income from their high-producing fields. Costs of getting a crop ready for harvest has been highest in years and a bigger than usual gathering cost is being tacked on to their bills.

Some of the grade reports from the classes have been disappointing also. Gins also are operating at a low price per bale and their expenses are far in excess of any previous ginning year in recent history.

Funeral rites for Mrs. N. W. Williams were held in the First Methodist church Monday, November 14, at 2 o'clock p. m. with Rev. R. N. Hucksbee, its pastor, assisted by Rev. Phil H. Gates, of Abilene, officiating.

Mrs. Williams died Sunday, at 9 a. m. in the Pitts hospital. Her health had been declining for six or eight weeks.

Johnston, Ginn and Ferguson PMA Committee G. B. Johnston, Lone Star farmer, will again head the Floyd County Production and Marketing Administration committee during the coming year.

Mr. Johnston was elected chairman of the county committee of three members and two alternates at the county convention of community delegates held last Monday in Floydada at the PMA office.

Vice-chairman of the committee is W. F. Ferguson of the Starkey community. Clarence Ginn of the Cedar Hill community is the third member.

The first and second alternates are W. H. Nelson of the Baker community and Henry W. Schacht of the Lockney community.

The new chairman is a wheat and cotton farmer and has served on all phases of the old AAA program as well as the newer PMA programs.

Mr. Johnston will begin his eleventh year of consecutive service as county committeeman.

The other members of the committee are veterans of past programs.

County and community committees of the Production and Marketing Administration are responsible for the local administration of such farm programs as agricultural conservation, price-supporting loans and purchase agreements, acreage allotments and marketing quotas for cotton and wheat, and the cottonseed purchase program.

Although the Federal Crop Insurance program is now handled by a separate office, after the first year, the Federal Crop Insurance program will be returned to the county committee.

Bob Gibson, county agent for the Agricultural Extension service, is an ex-officio member of the committee.

Lions Schedule Program for Today The Lions club of Floydada will have its annual Thanksgiving program today to celebrate turkey day, because of the fact the club will not hold a meeting on Thanksgiving day proper, which would be their regular meeting date.

The program today at noon will be featured by an address by Dan Castles, of Plainview, with Ralph Glover and A. E. Baker as program arrangers, President Enos T. Jones, announces.

W. A. Gound Home W. A. Gound, who left Floydada in June to spend an indefinite stay east of the Mississippi with relatives, returned home last week.

During his absence Mr. Gound built a house for a brother at Tellico Plains, Tennessee. Also he spent sometime with another brother at Glasgow, Virginia, and with a sister at Sarasota, Florida.

Schools of Floydada Inaugurate Health Program; Full Time Nurse is Employed of the children of Floydada Public schools.

Equipment such as an audiometer and a visual screen have been ordered to make testing for hearing and seeing.

Another objective is to immunize for the several different diseases such as diphtheria, smallpox, tetanus, and whooping cough.

During the first year it has been planned to concentrate on immunization of diphtheria and the following procedure will be used:

The school will want 100% immunization against diphtheria for all children attending Andrews Ward school. We are requested that this immunization be obtained through your family physician.

Since it will be necessary to have three different injections of serums to immunize for diphtheria and many children will need to be im-

munized, we know that it will take several weeks to have this done; but we are in hopes we can reach our 100% by February 1, 1950.

Women's Council Meeting Saturday The Floyd County Home Demonstration council will have its regular meeting at 2:30 on Saturday afternoon, November 19, in the County Court room in Floydada, according to an announcement by Mrs. C. L. King, council chairman.

Club presidents will give their annual reports. After Council adjourns a Christmas workshop will be held with each member exhibiting a Christmas gift, preferably hand-made.

Delivery of Fish Sometime This Year The State Fish hatcheries at Dundee, Texas, have advised Floyd County Agent Robert H. Gibson that fish ordered by Floyd county persons will be delivered sometime this year.

Mr. Gibson contacted the hatchery authorities with the idea of getting a definite date. The hatchery men were unable to give a definite delivery date at this time.

But this date will be announced in advance in time for those who have asked for fish to make necessary arrangements to accept them.

Those persons who will be unable to accept fish should notify Mr. Gibson so that other arrangements can be made to place the fish, he said.

Court House Plans Still in the Making

Judge G. C. Tubbs said this week that the plans for remodeling the court house and making additions are still in the making in the hands of the architects, Haynes & Kirby, at Lubbock.

The judge said the court was not given a definite date on which they could base plans for contract letting.

Representative Vote in Floyd

How Floyd county citizens voted for representative in the three-cornered race, which district-wide, resulted in victory for Harold M. LaPoint, is given below.

MRS. G. W. SMITH DUE HOME FROM TEMPLE THIS WEEK

Mrs. G. W. Smith, who underwent a major operation at the Scott and White hospital at Temple, Texas, two-weeks ago is reported much improved and is to return home this week-end.

Following several days treatment at the Peoples hospital, Mrs. Smith was taken to the hospital at Temple Sunday, October 30.

Mrs. Foy Smith of Levelland has been with Mrs. Smith since that time. Visiting her over the week-end were Mr. and Mrs. Ray Lloyd of Floydada. Mr. Lloyd is a brother.

Wireworm Damaged Acreage Should Be Reported to PMA

Wheat farmers in Floyd County who have suffered wireworm damage and are planting wheat on additional acreage should make application to the PMA office for permission to abandon the damaged acreage.

Unless this is done there is a possibility that the farmer may find himself out of compliance with the 1950 wheat program.

This is brought about by the fact that the wheat definition is different from what it has been in the past. All wheat seeded, whether harvested or not, is classified as wheat.

Consequently, any acreage abandoned and then this acreage planted on another tract, will be added together and in most cases will force the farmer out of compliance. Hence, it is very important that application is made to the county committee at once.

Abbott Tells Opportunities in Vet Training

N. S. Abbott, coordinator of the Floyd County Veterans Vocational school, announced this week that Kenneth Bain, jr., replaced A. D. Fultz as bookkeeping instructor on November 1.

Mr. Abbott also states that if there are other veterans interested in this particular type of training, the school will be glad to accept their applications, and it is possible to start them in training as soon as papers are processed, if this can be accomplished during the next enrollment period. There is an enrollment period every 28 days.

The veterans, if so desiring, can make application in the county school superintendent's office in the basement of the courthouse. Mrs. Virgil Shaw is the secretary.

Veterans interested in pursuing training in tractor mechanics, should make application immediately, if they expect to enter the school by the next enrollment period.

Mr. Abbott states that there are openings for trainees in this particular phase of education. All interested, please make application.

Veterans desiring to enter training in agriculture, in planning to enter this training the first of next year, should make application as soon as possible at the school office in order for papers to be processed in time for entering.

Humansville, Mo., Was Childhood Home, Mrs. Morckel

The mention of Humansville, Missouri, in The Hesperian recently, created much interest in the mind of at least one considerable personage in Floydada, namely Mrs. Harry Morckel.

Reason is that Humansville is her home town, where she grew up and attended high school. A very livable town, she says. It is located in northwest Polk county in the Ozark country.

Humansville has many pretty homes and one of the community's greatest prides is an adequately financed 25-bed hospital given to the community by a leading citizen as a memorial to his son.

Humansville was named for James G. Human, who owned the land on which it was built. He staked his claim in 1830.

Like all other Ozark towns, Humansville had its own Civil War history. Confederate and union soldiers fought it out in their community on March 25, 1862, second year of the war. The city was incorporated in 1881.

Using Native Rock to Build Vacation Home

A home built of native rock is being completed this week by Mrs. Maud Hollums on an 800-acre tract, 25 miles northeast of Floydada.

The tract was acquired by the Hollums' several years ago from Frank Kell. The only house that has graced the ranch type acreage in the broken country immediately below the escarpment has been an old two-room house.

When the rock house is completed, it will be called "Maud's Rockie Ranch," named by Mrs. Hollums' grandson, Randy Hollums. The house will have four large rooms, including a huge fireplace.

A spring of natural water runs through the yard.

No one will live in the house for quite some time. It will be a vacation spot for Mrs. Hollums and her children. Mrs. Hollums said that it would be a wonderful place for her to spend the week-end.

Bob Willis and his crew are doing the carpenter work. G. M. Hagle, the rock masonry, and Duncan Hollums is acting as overseer of the building.

Compulsory School Term Begins Nov. 28

According to the compulsory school law, it is required that each child of the school age attend school 120 days or six months. The State Board of Education has set the last six months of the 1949-50 school term as the period for compulsory attendance in Floydada.

Students will make the beginning date November 28 for compulsory attendance. According to the law, parents are held responsible for their children to attend during the compulsory period, the school board has been advised.

Speech Department Players

The above picture is a scene from the school play "The Family Tree," a comedy that will be presented by the speech students of Floydada High school. The time is 7:30 p. m., Thursday, November 17, at the high school auditorium. Admission is 35 and 50 cents.

An evening of fun and entertainment is assured. Members of the cast left to right are Barbara Marshall, Douglas Whitfill, Carol Handley, Don Pope, Leroy Parrish, Dorothy Bishop, Grace Muncy, Trois Muncy, Nancy Thomas, Joy Bunch, Janet Lloyd and Ray Cook.

# EDITORIALS

Members of the legislature, some of them somewhat caustically, are now saying that the constitutional amendments defeat last week can be laid at the door of special interests. While we do not know this is incorrect, because what we speak of as the big interests are smarter than the run of mine citizens and may have influenced most of us unbeknownst to ourselves. We are inclined to think the legislators are wrong on this point. Our belief is that the more the people thought about the proposed amendments the less they thought of most of them and had the election been 30 days later every proposal would have lost by larger majorities, and at least one of the two that did go by would have lost also.

This reasoning is based on what we believe to have been the trend of thinking. For our own part The Hesperian was for and this writer voted favorably on only one of the amendments. Maybe we were and are wrong, but this morning we wish that only the lunacy trials amendment had passed. The people of Texas for many years have been treating their mentally sick like criminals instead of like sick people. The change in the law could have and doubtless would have been so much more humane. The fear the voters had was that the change in the constitution could have been used to permit sane helpless persons being railroaded to the "insane asylum." That horror is one of the deepest grounded antipathies in the mind of the average person. Especially is the thought horrible to persons who begin to age a bit and are mindful of the fact they are not as resourceful as formerly, find themselves beginning to be dependent upon others.

There was something wrong one way or another with every one of the other amendments. We illustrate with the poll tax amendment as proposed. The fact is the amendment did not abolish the poll tax except as a requirement for voting and it did add on a registration provision that would have had the electorate getting "certificates" which labeled them and would have required a fee. Since the poll tax already has served its purpose, great majority of the people would not be adverse to a simple abolishing. The times, including the threat of the federal government to take over, made it really desirable to abolish the poll tax. We blame the legislature for not making it possible for the people to do the job in the plainest and simplest way. The "interests" did not have anything to do with the matter, is our guess. The people just decided they'd like for the legislature to give them a crack at the issue without adding on more things for the citizen to do.

more fees to pay. You can find something of the same general tenor wrong with every one of the other amendments including the one about the courts. For some reason or other the trend of thought among men in office now seems to be that they must fix it so the people can turn their decisions on affairs of public import to some one more able than the people to handle. Is this just an idea we have? Is it bad thinking?

Some of the legislators complainants of the undue influence of "special interests" on the results of balloting in the amendments election, who also claim that the lobbyists have about taken over at Austin, should be reminded that when they complain of lobbyists and big interests and steak dinners they (the complainants) point the finger at themselves. Which legislator did the lobbyist influence? Why did the legislator or legislators as the case may be, permit themselves to be compromised? The Hesperian just says frankly that we believe no legislator of a considerable acquaintance of ours allows himself to be influenced to the extent he would do more than listen to a fair presentation of any man's right to be heard before a legislative committee. Also we are cognizant of the fact that some mighty reputable people, not representing boodle money, have representatives who give their time to watching the legislature against the possibility of injurious measures. Right this very month The Hesperian is lending its efforts toward raising a fund to get a lobbyist sent to Austin who will try to put over a rural road building tax and law.

## 6183 YEARS of Public Service

6183 years of electric service "know-how." 6183 years spent at bringing you the best in electric service, community leadership, and good citizenship.

That's the record of 453 men and women, members of the 1700-strong Public Service Company families, who will be the guests of honor this week at service award dinners to be held throughout our service area.

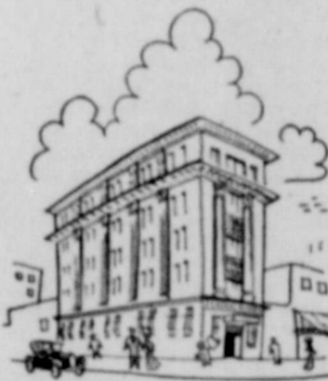

The "old-timer" of this group has devoted 44 years to public service, while the "youngsters" to be honored have served you for at least five years.

As a company, we are proud of our record of 25 years of good citizenship and public service. As an employer, prouder still of the 453 men and women who, as a group, have spent 6183 years making that record possible.

## F. H. A. News

The Ag boys had a picture show Monday night, November 14, at the high school, and the Homemaking girls were their guests for the entertainment.

The girls have chosen Mary Plumlee as courtesy queen and Junior Perry as courtesy king. The girls made a very good selection when they chose those two, who have outstanding personalities and are liked by all.

The F. H. A. girls are planning a meeting for Monday, November 21. Every one is urged to be present.

## Candid Camera

The very lovely lady who wore a dazzling red satin evening dress, looking like a million dollars, who was crowned queen of F. H. S. about two weeks ago, is our Candid Camera this week; of course, the only lovely lady who could fit this description is Betty Laminack.

Betty was gifted with pretty brown eyes and short brunette hair. At the sweet age of sixteen she fits nicely into a very shapely package weighing 120 pounds, being 5 ft. 6 inches tall. Betty was born on a hot August 31 in 1932. The fortunate town blessed with her arrival was none other than Floydada.

Wrestling matches, slumber parties, sweaters, tall boys, little baby girls, lemon pie, shoes and being a swish twirler, are just what Betty ordered. She loves to tag along with Bill and Sherwyn, talk to Sammie, go on band trips, and eat dinner with Jane.

Betty's pet peeves are gripey people, Nashes, carrots, people that exaggerate things, loose levis, too good boys, oyster soup, and Jane's "pokey-dotted" bedroom paper.

The best show Betty ever saw in her estimation is "Wake of the Red Witch", and she just adores John Wayne, Jimmy Stewart, and Doris Day.

Betty's weaknesses are sweaters, tall boys, and cats.

Her favorite sports are football, swimming; and she loves wrestling matches.

She says she has three great ambitions and they are to be a swish twirler at T. C. U., see Gorgeous George wrestle, and drink a glass of champagne.

A guy about 6 ft. 2, with real broad shoulders, dark curly hair, brown eyes with a winning personality is her ideal boy. She says he must also be a professional football player.

Betty's favorite song is "Jealousy" and her favorite subject is biology. She says Miss Sweepston is her favorite teacher.

During her pastime she'd read part of the time and dance the rest.

Her worst habit is being so slow. Our candid camera says she was most embarrassed one day when she had bought an unmentionable

**Chiefs Over-Score The Whirlwinds**

The scrappy Crosbyton Chiefs led by Lawrence Hargis rolled over the Floydada Whirlwinds at Wester field, Friday afternoon before an approximate 1500 spectators by the score of 14-6.

Crosbyton scored first on a drive started on the 45, in which the Chiefs covered a 'Wind fumble, and Hargis, covering the ball, led the attack to the 2 yd. stripe, where Hargis ran it over. Hargis' try for point was good, and the Chiefs led at the half time 7-0.

The Winds came back in the third period and played their part of the game, with alert co-captain Jr. Perry, the Wind's right end, covering a fumble on the 1 yd. line. Then fullback Wayne Robertson hit the line for the lone score. Guthrie's attempt for the point was no good.

The Winds held pretty tight until they took to the air in an attempt to score again, and Smith, who was tossing on this certain play, tried to hit Perry but it fell short and was intercepted on the

twenty by a Chieftain who ran it all the way for their last T. D., and Hargis' try for point was again good. That ended the scoring for the day 14-6.

**Band News**

Friday afternoon at the half of the Floydada-Crosbyton game, the Whirlwind band made a performance corresponding with the date, which was Armistice.

They entered the field, marched to the center, made a right corner, and halted in front of the west stand. Here a huge cross was formed and "Taps" was played. After this they came back to regular position, did a counter march, a right corner, a right flank movement, and then came to a halt.

Immediately the band formed a cannon and played "U. S. Artillery March". At the end of the march the drum majorette lit the cannon and it fired a ball which formed a "U". The remainder of the band then formed an "S" and an "A". The twirlers and flag bearers came to the front of the "U. S. A.", and Mr. Kattner lead them in "The Star Spangled Banner".

After regular position were again formed, a counter march was made, and they left the field playing "The Thunderer."

Wedding Bells, Wedding Bells, Lou Reta Poteet and her soldier tied the little knot that means so very much. Congrats.

I don't think, and I always know what is best, that Chuck and Gayle make such a bad couple. Do you? ? ? Sherwyn what happened to Bill Saturday night after coronation? I understood you had a date with him. Did you? ? ? ?

Well, that Bettye Laminack was happy when Leonard came home from school over the week-end, best of luck, Bettye.

Can it really be love between Bill Jones and Joy Bunch? He was the one that wanted to go steady again, wasn't he? I think so.

Say, that Gayle Carver gets around. Its Carol one night, Jo Mac another, and last but not least Chuck.

Genelle and Bill Johnston sure have fun, don't they? Jane, I understand you had a date with Leroy Friday night, what happened? I saw you with Hubert Ring didn't I.

Well, well, accidents will happen, won't they? Poor Fred and "T". What will Peggy and Katie do now? Has Mack really lost all hopes of going with Pat again? It seems as though "Gut" has taken over.

What is Wayne Robertson going to do about all these girls running after him?

**What a wonderful bargain!**

For five days Mrs. J. E. Brasac kept an accurate record of all the telephone calls she made and received—and here's just a sample of the shopping she did and the steps she saved. Altogether, she carried on 44 telephone conversations, figures they cost her less than 2¢ each and covered a total of 183 miles.

"I don't know where you'd get a bigger 2¢ worth," she comments. "My telephone keeps me in touch with my family and friends, helps me run my household, and it's always there to call for help in an emergency. Thanks for a wonderful bargain!"

☆☆☆

Thank you, Mrs. Brasac, for your kind words. We are working constantly on technical improvements so you can hear better, get your calls through quicker, enjoy more trouble-free service. Every year we're adding new telephones so that you can call more people, more people can call you. Our aim is to give you the best possible bargain today... and to keep it growing in value every year. Southwestern Bell Telephone Company.

# Whirlwinds Fall Before Chiefs Armistice Day

Chiefs recovering from injuries received throughout the season and the juggling of positions which resulted, the Floydada Whirlwinds fell before the might of the Crosbyby Chiefs, 6-14 last Friday night.

Against hard hitting, low running backs, the Floydada defenses stated that certain something of the game was to stop the Chief offensive line consistently. Their end runs seldom netting more than a few yards and frequently in yardage.

Floydada on the other hand, stopped up holes and little help on their attempts at punting the ball, the Chiefs having their offensive number, their line hitting hard and low.

The ball game was as the score stated, Crosbyby at least one touch down better, at least for that game. The Floydada eleven showed the spark, aggressiveness in conditioning they lost through weeks of injuries and lack of practice due to injuries took their

The starting kick went to Crosbyby who drove to their 31 where they recovered a Chief fumble in the wind. In four plays, Floydada moved the ball only 4 yards at last possession on downs. Crosbyby was stopped cold and on the fourth down punted to Smith, who rebounded Crosbyby recovering on the Floydada 39. The Chiefs pushed the ball to the Floydada three-yard line where Floydada line held. The Chiefs lost the ball on downs through one penetration. Finley kicked to the Floydada 29, the quarter being three plays later on the Floydada 16.

Rathael Plunges Over

In the second period, Crosbyby had only five plays to traverse the ten yards and a T. D., Rathael plugging over from the three, and Crosbyby adding the extra point from the goal line.

The rest of the quarter Crosbyby back and forth neither team making and Floydada making the first first down.

In the third quarter Finley with the aid of the wind, kicked the

Chiefs into their territory consistently and when the Chiefs fumbled on their eight yard line, Perry recovered for Floydada on the Chief one foot line. Robertson crossed on the next play for Floydada six points. Guthrie's place kick was blocked.

In the fourth period Floydada, trailing by one point, took to the air in a desperate attempt to break into the lead, only to have a pass intercepted on their own 24 yard line by Rathael, who crossed the stripe, Hargis adding the second point from placement.

After kick-off, Floydada again took to the air, Hagood to Perry for 27 yards, the next being intercepted and the game ending two plays later.

Floydada players entering the game were Mooney, Fulton, Hagood, Roberts, White and Lloyd.

Floydada Starters were:

**Last Week's Games**

Tulla downed Abernathy 13-6 in the final period of a hard windy game Friday; Spur piled up a very impressive score of 29 points against the Ralls Jackrabbits who made no tallies; Lockney scored two touch downs in the final period to overcome a first half trailing score with the Paducah Dragons, who led at half, the score 7-6 ending 19-7; Lockney leading; and Matador took the week off, no game scheduled.

**District Standings**

Team	Win	Lose	Pct.

Matador	1	6	.143
Abernathy	1	7	.125

Lockney, Abernathy and Tulla have completed their schedule for this year, the remainder having one more scheduled game for the season. Ralls Jackrabbits go to Crosbyby and the Paducah Dragons to Matador.

Mr. and Mrs. J. D. Cleveland visited in Lamesa over the weekend with Mrs. Cleveland's mother, Mrs. J. M. Wood and other relatives.

# Nazarenes To Begin Revival Friday Night

A ten day meeting at the Church of the Nazarene is being sponsored by the young people of that church beginning Friday, November 18, and

REV. LEON CHAMBERS

continuing through November 27. Rev. Leon Chambers who will do the preaching, will be assisted by his wife, who is a talented musician.

Special services will be held on Sunday, November 20, at 3 o'clock p. m., Rev. C. C. Calhoun, pastor of the church, announced this week.

Rev. Chambers began preaching when he was seventeen years old, and at the age of eighteen, he was elected as district young people's president in the Alabama district.

Let stand over night. Drain vegetables to remove brine thoroughly. Put spices in loose bag and heat with vinegar. Let simmer (not boil) for 10 minutes. Add sugar and drained vegetables. Cook slowly stirring often until tender (about 1 hour). Pack into sterilized jars and seal.

A cordial invitation is extended to the public to attend these series of evangelistic services held at the Nazarene church, located at Tennessee and South Fourth streets.

## Guest Speaker Tells of Arabian Affairs at B & PW Dinner

Joe Smith, who recently returned from a three year assignment on an agriculture project in Arabia, related many interesting experiences to the Business and Professional Womens club at a dinner meeting at the Hotel Coffee shop Monday evening.

Mrs. Winnie Angus, president, had charge of a short business session, after which she turned the meeting over to Leila Petty, chairman of the program committee, who introduced Mr. Smith. He is the son of Mr. and Mrs. Charlie Smith of the Harmony community, finished Floydada High school and did college work at Texas Technological college. He considers his experiences a great gain, but does not plan to go back to Arabia.

Mr. Smith gave many customs of the some four or five million people living in the vast desert lands approximately the size of Texas and California combined. He stated, "There are two classes of people; those in the small settlements around the oasis and those who roam the desert, known as the Bedouin." These tribes follow the showers, hoping to find grazing for their herds of camels and goats.

The country is producing large quantities of oil, about a half million barrels a day when Mr. Smith left the country. With this revenue and the development of agriculture, the people should be able to raise their standard of living. The people are pretty well satisfied with their way of life for the past hundreds of years and it will take a long time for them to change, even though it would be much to their advantage.

Considering that only four percent of the soil would be productive with plenty of water, agriculture has great possibilities in Arabia. Water is very precious and is never re-used a tribe traveling through the desert with their flocks, even that pumped by the agriculture project authorities for their crops, said the speaker.

The king, who was once a Bedouin roaming the deserts, rules his country with a life and death reign. With the development of the oil industry and agriculture, his problems have changed more in the last few years than in the entire history of his country.

The people dress as they did before the time of Christ; in long flowing garments made of various materials, depending on the financial standing of the individual. The women wear veils from the time they are eight or nine years old, a custom begun by Mohammed. All of the people are Moslems, which is a strict requirement of the king.

Arabia has very poor schools and they are forbidden to women. A large percent of the people never learn to read or write, Mr. Smith said.

Everyone present thoroughly enjoyed hearing the experiences of Mr. Smith. Other club members and guests present were: Mr. and Mrs. J. A. Currie, Mr. and Mrs. Eld McLeary, Mr. and Mrs. O. C. Bally, Mrs. Charlie Smith, Mary Shaw, Thelma Jones, Earl Oden, Dessie Dennison, Bob Smith, Ham Smith, Glenn Day, Kenneth Bain, Jim Barnard and Misses Francis Mitchell, Modena Hartzell and Maurice Burton.

Alene Warren and Maurice Burton spent the week-end in Portales, New Mexico, guests of Rena Taylor and Rev. and Mrs. L. A. Doyle and family.

## Harmony H. D. Club Meets with Mrs. Hale

Mrs. J. Sam Hale, 202 South White street, was hostess when the Harmony Home Demonstration club met in her home last Thursday afternoon. Mrs. Mather Carr won the prize during the recreation period for a convincing performance of "doing everything at once."

Roll call was answered with ways of wrapping Christmas packages. Following the business session, Mrs. Hale gave a tribute to Thanksgiving. Mrs. Everett Miller gave the history of silver followed by a demonstration on china, crystal and silverware by the Home Demonstration agent, Leila Petty. The demonstration proved to be very interesting and helpful. Miss Petty pointed out that the best care for Sterling silver is daily use.

Mrs. Hale was assisted in serving refreshments by Mrs. A. H. Ralner and Mrs. Gene Blackmon. Present were Mrs. D. S. Batten, G. L. Snodgrass, Roy Hale, Charles B. Smith, Charles Trowbridge, Zant Scott, E. M. Rutherford, Walter Hanna, C. A. Williams, Bob Hopper, Everett Miller, Glen Pool, Mather Carr, Carrick Snodgrass, Donald Finkner and Miss Leila Petty.

Announcement was made of an entertainment to be at the schoolhouse Friday night, November 25. Everybody is asked to bring a dish and spread the food together for the community feast. The hostess committee will furnish bread and drinks. Games of bingo will be played following the supper.

The next meeting of the club will be Wednesday, November 30 at 2 o'clock with Mrs. Walter Hanna as hostess.

## Betrothal Announced

## Men in Our Lives Study Club Theme as Spouses Are Feted

Entertaining the Men in Our Lives study club theme as spouses are feted was the theme for the evening at the Hotel Coffee shop given by the 1949 study club members Saturday, at 7:30 p. m.

The turkey dinner with all the trimmings honored the ladies' husbands and the study club members. A horn of plenty filled with nuts and autumn leaves and miniature of plenty on the tables decorated the Coffee Shop.

J. D. Cleveland, president, invited the guests for the evening and each member introduced a guest. The speaker, Dr. E. Johnson, was introduced by Mrs. Johnson.

Following the plentiful dinner, Mrs. Jones, vice-president of Texas Biological college, delivered an address upon the subject, "The Men of Right Ideas." Dr. Jones' address was a brilliant defense of the man which has ever permitted individual full and complete development of his own capabilities.

## Holiday Decorations Theme of Our Home Garden Club Meeting

A program on Christmas decorations directed by Mrs. James Potts highlighted the meeting of Our Home Garden club last Thursday. The meeting was held in the home of Mrs. D. T. Mayo with her daughter-in-law, Mrs. G. E. Mayo, as hostess. The house decorations and the refreshments carried out the Christmas motif.

Garden cutting was given by Mrs. Fred Cardinal and the flower arrangement was by Mrs. Billy Henry.

Members present for the meeting were Meses Alpha Boothe, Alton Chapman, R. C. Clem, Robert Collier, Kinder Farris, W. E. Garrett, Guy Ginn, J. S. Hale, Jr., Billy Henry, Seaton Howard, Ralph Johnston, Tate Jones, John Kimble, John Kizer, M. J. McNeil, James Potts, Aubrey Stewart, George Van Wickel, Fred Zimmerman, Jr., Jake Watson, Fred Cardinal and the hostess, Mrs. Mayo. Mrs. Kizer's mother-in-law was a visitor.

## Mrs. Williams honored by McEntires Sunday

Mr. and Mrs. Ray S. McEntire of 129 West Mississippi street, honored her grandmother, Mrs. L. E. Williams of Farmington, New Mexico, and Mrs. Edith Allmon, of Granis, Arkansas, with a dinner Sunday of last week.

Those who attended the family gathering were Mr. and Mrs. Erx Williams, Petersburg, Texas; Mr. and Mrs. Paul Williams and children Ronnie and Richard of Wellington; Mr. and Mrs. Albert Clubb and children Mike and Jek, and Mr. and Mrs. Jack Allmon and Bonnie all of Lubbock; Mr. and Mrs. Elmer Williams and children Leone, Leon, and Elmer Dean, Floydada, Devona and Larry McEntire and the honorees.

Mrs. L. E. Williams was formerly a Floyd county resident and lived in the Harmony community.

F. Gresham, Mr. and Mrs. J. S. Hale, Jr., Mr. and Mrs. John Hoffman, Mr. and Mrs. Harry James, Mr. and Mrs. Ralph Johnston, Mrs. Jack Lackey, Mr. and Mrs. J. P. Moss, Mr. and Mrs. John Stapleton, Mr. and Mrs. James Willson, Jr.; Guests attending were Dr. E. N. Jones, Mr. and Mrs. L. W. Pfluger, Austin, Texas; Mrs. C. K. Arnold, Mrs. G. R. May, Mrs. Guy Ginn, Mr. and Mrs. Hollis Bond, Mr. and Mrs. Russell Looney and Mrs. Adelaid Lloyd.

The next meeting will be December 6 in the home of Mrs. Jack Armstrong.

## As A Farm Woman Thinks

Nellie Witt Spikes

Autumn was nodding over the brown plains country lanes, the fields were white with cotton and the pear tree blazed like a fire to warm the frosty mornings. The apricot tree flaunted a bright yellow dress and the cottonwood fanned with gray yellow fans. The windmill wheel turned with a lazy motion when the winds of the west were un-chained to sweep over the land driving dust down the roads like a wild cattle driver with a giant lash. The pear tree was picked as easy as one picks a scalded chicken and the red leaves of fire were blown away making bright spots of flame in the brown waves of dirt which began filling the air.

The yellow leaves of the apricot tried to hold on, but they, too, whirled away. The leaves of the cottonwood danced and twirled to the pressure of the wind but they held on through their slender stems and today the storm is over and the tree proudly displays its gorgeous fans of solid gold but the pear and the apricot trees are brown and bare. The whirling sand has settled in piles, ready to rise and go again at the call of the wind.

If you did not hear the southern Jubilee Singers from Waco you missed something fine. Voices melodious as stringed instruments keeping perfect melody together, singing of Noah and the Ark, of Heaven and of God. Very fine indeed.

"I know what I am going to do when I drive my car," so say I and so say you, but it is "that other fellow" that worries us. I have talked and talked on this subject to many and we all agree that it is always the "other fellow" that is the one to blame.

Thanks to Miss Lela Staley for a box of black walnuts and a nice note. We hope some of the walnuts make trees some day and we shall call them our Missouri walnuts. We have a black walnut that St. Smith brought us the seed from Kentucky.

Did you ever sit down and have a pleasant time with your mind because it was happy?

I remember how Grandma Jones cut strips from brown paper sacks and pasted the cracks in windows and would not be opened till spring and this morning I have been following her plan and fixed two in the north room that the sand and wind seem to come in stronger through cracks than through a whole open window only a couple of months ago.

## Allen's Reds Winning Flock in Laying Test

The Twenty-seventh Oklahoma egg laying test at Stillwater, Oklahoma, started October 1, 1949 and a flock of S. C. R. I. Reds from Floyd county won top honors in the first month of competition, reports Edd C. McLeRoy, Ass't County Agent-in-training.

The following information has L. Brooks, Supervisor of the Oklahoma Egg Laying Test:

Winning pen of the month in the first month of competition of the 27th Oklahoma Egg Laying Test was a pen of S. C. R. I. Reds owned by Allens Red Farm, Floydada, Texas. This pen of 13 pullets laid 342 eggs earning 332.75 points which is the second best record for October of all Oklahoma tests since the 13 hens pen was adopted. The highest October record was made in 1940 by a pen of Reds belonging to J. J. Warren, North Brookfield, Mass., with a record of 342 eggs and 338.05 points. All of the five high hens for October produced 27 eggs each, but the Allen's Red Farm hen won first on points. Mr. Allen also owned the 5th place hen of the 650 hens entered.

McLeRoy states that the point system is based on the weight of the eggs per dozen. To explain this, one hen might produce 29 eggs per month and not score as high as a hen that produced 27 eggs in a 31 day period. This actually happened in the contest. The hen owned by Mr. Allen scored as high as possible as far as weight of eggs is concerned.

Mr. Allen has been closely associated with the poultry business since 1917. He has participated in many shows and has his share of the winnings in numerous egg laying tests in Texas and Oklahoma.

Mr. Allen now has about 400 birds in his laying flock, four miles north of Floydada, and a visit to his farm is certainly worth while to anyone interested in raising poultry, states Mr. McLeRoy.

## Many Mourn Death of Mrs. Williams

## Three Floydadans In W. Tex Upset Win Over H-SU

Bill Cross, the Canadian Comet, Eddie Wayne Conner and Bruce Womack of Floydada, had major roles in Saturday's game of the West Texas Buffaloes against the Hardin-Simmons Cowboy team, which brought victory to the West Texans, their first since 1924 against the Abilene team.

In the final score of 19 to 7, Cross is credited with one touchdown and Conner with another. Womack played a sterling tackle game to help break the offensive of the league-leading Cowboys. Johnny Cardinal also went into the game at end on several occasions.

Cross is the husband of the former Nanette Bishop, and Floydada is his adopted home.

# Story of Troy Lee McNeill's Electric Study

Winners in the 1949 Texas 4-H Electric Contest recently announced by Floyd Lynch, State 4-H Club leader, include Troy Lee McNeill, 14 year old son of Mr. and Mrs. Bill McNeill of the Dougherty community. He is 4th place district winner in the 1949 Texas electric contest.

The contest is sponsored by some twelve Texas electric service companies. The county agents handled the programs in the counties with the objective of finding better ways to do jobs on the farm and in the home through the use of electricity.

Troy Lee's home has been electrified since April 1939, when service became available from the lines of the Floyd County Rural Electric cooperative. Mr. McNeill has been a cooperator for this and other benefits to his community, which has made it possible for Troy Lee to learn much of the advantages and possibilities of electricity on the farm and in the home to-day.

Troy Lee has been active in 4-H work since 1944. He has held numerous offices in his 4-H clubs, carried out many projects in crops and livestock, and has taken an active part in the Floyd county livestock shows. His story that follows shows how he has put electricity to work in carrying out his 4-H Club projects.

**Lamps and Fans Hobby**

"In looking for better methods to properly care for my projects, and make farm life more pleasant for all my family, I attempted to put electricity to work whenever possible. As a means of learning more about electricity I helped an electrician wire houses all last summer. I made lamps and fans as my hobby. I wired our barn and put a flood light on the windmill tower, which provided light for feeding and watering the swine, my calf and the cows. I wired and equipped the chicken house for night lights so the egg production would be much

better. I wired the brooder house, and installed large bulbs which provide heat for the baby chicks. On this electric brooder I installed an automatic control which saved me much time.

I have encouraged my friends to work with electricity and have tried to teach them its value and safety when properly used.

The R. C. Andrews 7th and 8th Grade 4-H club studied electricity very carefully and we attended a demonstration about electricity at the REA building.

Alma Jean Porter, a local 4-H club girl and I were chosen winners in the county contest, Better Methods Electric, and we were honored at a farm electrification field day at Plainview, October 8. We were given a plane ride over Floyd county and our farm homes, and a tour of the Tucco power plant at Abernathy, Texas.

Through these efforts I have become vitally interested in electricity and I am looking forward to the day when every farm home will enjoy its benefits."

**Is Given Certificate**

At the 4-H and FFA Hog show held November 5, Troy Lee was presented a beautiful framed certificate and a prize of \$20 by George Caven, manager of Southwestern Public Service of Floydada. This certificate was presented to Troy Lee in recognition of his 4th place district winning in the Texas 4-H electric contest.

At the close of the Hog show Troy Lee carried home, not only the framed certificate, but a rosette for exhibiting the grand champion boar of the show.

Troy Lee is not new in the winning circle and his many friends know that he certainly has potentiality of future success in 4-H and any other work that he wants to do.

**GREETING:**

You are commanded to appear and answer the plaintiff's petition at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 19th day of December, A. D. 1949, at or before 10 o'clock A. M., before the Honorable District Court of Floyd County, at the Court House in Floydada, Texas. Said plaintiff's petition was filed on the 31st day of October, 1949. The file number of said suit being No. 3940.

The names of the parties in said suit are:

Western Cottonoil Co., as Plaintiff

and J. S. Williams; Williams, wife of the said J. S. Williams, her given name and initials being unknown; H. P. Brown; Edna Brown, the wife of the said H. P. Brown; J. O. Crockett; Crockett, wife of the said J. O. Crockett, her given name and initials being unknown; W. W. Turney; Turney, wife of the said W. W. Turney, name and initials being unknown; Florence N. Miller (a widow); each deceased, and their heirs and legal representatives, the name and residence of each and all of whom is unknown, and all of the heirs, spouse, or spouses, legal representatives devisees and legatees of the above named persons and of each of them, as defendants.

The nature of said suit being substantially as follows, to-wit:

A suit to recover the title and possession of Lots Nos. THIRTEEN (13) and FOURTEEN (14) in Block No. ONE (1); All of Lots Nos. ONE (1) and TWO (2) in Block No. TWO (2); lots Nos. ELEVEN (11) and TWELVE (12) in Block No. ONE (1); all of Lots Nos. ONE (1), TWO (2), THREE (3) and FOUR (4) in Block No. THREE (3); all situated in the Town of Aiken, Floyd County, Texas, as shown by the plat thereof, duly recorded in Volume 36, page 224 of the Deed Records of Floyd County, Texas; said suit being in the usual form of trespass to try title, and containing further allegations to the effect that plaintiff owns the record title to the said property and further owns title to said property under the three, five, and ten year statutes of limitation, and that title is in the Plaintiff all as a result of peaceable and adverse possession under duly recorded deeds and claim right, and payment of taxes on said property.

If this Citation is not served within 90 days after the date of its issuance, it shall be returned unserved.

Issued this 31st day of October, A. D. 1949.

Given under my hand and seal of said Court at office in Floydada, Texas, this 31st day of October A. D. 1949.

Mary L. McPherson, Clerk, District Court, Floyd County, Texas 4041c.

## Display 1950 Ford Models Here Friday

The 1950 Ford line of passenger cars with scores of improvements, made public today by the Ford Motor company, shows the progress that has been made in performance, economy, safety, and appearance will again make the 1950 Ford as the car of the year, according to L. D. Cruikshank, president and general manager of the Ford Division.

The new Fords will be on display in the showrooms of 6,400 Ford dealers throughout the nation starting tomorrow (November 18) in the Bishop Motor Company of Floydada.

The new features embody improvements throughout the car—the engine, the body, the seats, the frame, trunk, fabrics, interior panel, brakes, floors and more.

The 50 Fords will be offered in three—the Custom Deluxe and the lower priced Deluxe series. A range of body styles will be available, including station wagons and convertibles. Ford will continue to offer the choice of two engines—the 100 horsepower V-8 and the 95 horsepower six.

The styling of the 1950 car, although radically changed because of public acceptance of the modern design of the Fords, nevertheless shows several distinctive features which give it a new appearance.

A colorful new crest, derived from an authentic coat of arms and dating back to 17th century England, appears on the front of the hood and center of the trunk lid. It is the first crest that has appeared on Ford cars.

The 1950 Ford Deluxe Tudor Sedan combines the modern styling so widely acclaimed by the car-buying public with the comfort and economy demanded of a family automobile. Smart new treatment of the grille and parking lights and a colorful new crest—the first in Ford history—distinguish the front of the new models. Comfort features include new non-sag front seat springs covered with a new foam rubber cushion, additional head room and smoother, quieter V-8 and 6-cylinder engines.

Other styling features include a new hood ornament, re-styled parking lights in new positions and a new ornamental deck lid handle. Engine improvements include the latest developments in engine design to give 1950 Ford cars the quietest and smoothest running V-8s and 6-cylinder engines ever produced by the company.

Some of the engine features are a new timing gear, autothermic type pistons, new design camshaft lobes, new fan and reduction of fan speed on the V-8s and many other improvements adding to the life and quietness of the engine.

Comfort features offer a new non-sag front seat spring, new sponge rubber front seat cushion, improved front-end suspension.

Safety factors include the strengthening of Ford's famed "Life-guard" body, new bumper guards, a ribbed rear bumper and bumper supports for added strength.

Doors will be equipped with new rotary locks as in the costliest cars. Other features include an attractive new three-quarter horn ring, new gas filler tube and cover, new rigid regulators for windows, new double-walled glove compartment door, new automatic courtesy lights which go on when front doors are opened, new durable floor coverings and increased openings for defrosters.

Overdrive, which improves gasoline economy up to 15 per cent, will continue to be sold as factory-installed optional equipment on all models.

### ARMISTICE HER BIRTHDAY

# 1950 FORD

## IT'S HERE FRIDAY AND 50 WAYS NEW!

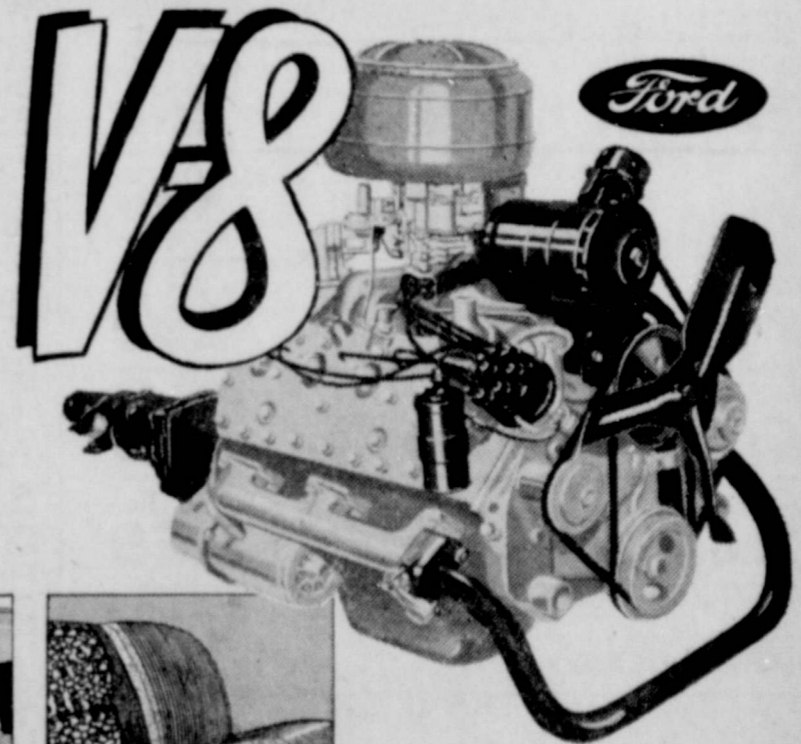

White sidewall tires available at extra cost.

### WITH THE EXCLUSIVE NEW 100 H.P. FORD

#### ITS QUIET WHISPERS QUALITY

It's the quiet of new super-fitted pistons, new "hushed" timing gear, new fan designed for better cooling at slower, quieter speeds. And what power! There's a full 100 horsepower wrapped up in this V-8 design that makes you master of any road. It delivers more power than any other car anywhere near Ford's low price and sells for less than most conventional "sixes." And Ford offers a Six, too—an advanced Six with 95 horsepower.

But see it for yourself.

Drive it so you can feel and

hear the difference.

And price it and see how much

less it costs than

any other really fine car.

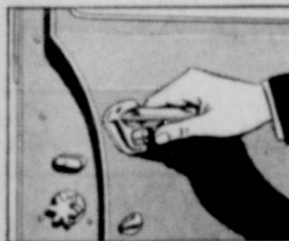

#### NEW SOUND CONDITIONING

New "sound conditioning" in floor, doors and body panels insulates Ford's "Life-guard" Body against road noises. More extensive body insulation and sealing in 41 areas give additional interior quietness and protection.

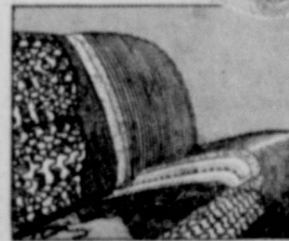

#### NEW "HUSHED" RIDE

Ford's famous "Mid Ship" Ride is now so quiet you can talk in whispers while travelling at highway speeds. So smooth (with its great team of "Hydra-Coil" and "Para-Flex" Springs) that it virtually erases every bump.

#### NEW QUALITY FEATURES

New quality is easy to find in this 50-way-new Ford. You find it in the new push-button door handles, in the long-lived driving comfort of a new foam rubber front seat cushion over new non-sag seat springs. Arrive relaxed after hours of riding.

#### NEW DRIVING COMFORT

Not only does the 1950 Ford offer you more hip and shoulder room than any other car in its field—it offers you the long-lived driving comfort of a new foam rubber front seat cushion over new non-sag seat springs. Arrive relaxed after hours of riding.

There's a Ford in your future

## Insurance Co. Pays Off Big Church Claim

LOCKNEY—Trustees of the Lockney Baptist church received a check amounting to \$18,720 last week in full settlement of the insurance policy the church held on the building which was destroyed in January. The building was insured with the Hardware Dealers Mutual Insurance company with state headquarters at Dallas.

The insurance policy amounted to \$18,000.00. The \$730.00 represented, interest which had accumulated on the policy. The company also agreed to pay all court costs in the suit which was tried before Judge Joe B. Dooley in the United States District Court, Northern District of Texas, at Lubbock last May.

Representing the church in the suit were Lucian Morehead and Tom Parrish of Plainview. Trustees of the church making the settlement Wednesday were Leslie Ferguson, R. T. Spence, Hugh Carroll, and the pastor, Rev. E. J. Cobb.

### Church Destroyed by Sleet

The roof of the brick and tile church building collapsed last January 12. The collapse wrecked the entire building and it had to be torn to the ground since the remaining part was unsafe to use according to building authorities. Cause of the collapse was a layer of sleet ranging from 4 to 5 inches thick.

After the insurance adjuster viewed the building and reported to the company, the church was notified that the company did not believe their policy covered such a loss and the church trustees were asked to sign a waiver of liability so that the company then filed suit in the Federal court at Lubbock asking the court to render a judgment of non-liability on their behalf.

The church trustees waived the jury and the case was tried before Judge Dooley in May. At the close of the case Judge Dooley stated to the participants that he was inclined to believe that the church was entitled to recover on the policy. In explaining his position, the judge brought out the point that the company's policy denied any liability for snow or rain but admitted liability for hail. It did not mention sleet.

### Is Sleet Hail?

Judge Dooley pointed out that sleet and hail were very similar, in fact of the same family. He stated that it was his opinion that should the company not be liable for sleet damage, they should so state in their policy and set up a scale to determine where the ice particles stopped being sleet and became hail.

He then stated that he was taking the case under further advisement so each party could file written briefs. He promised to make a final judgment at a later date.

It was reported that Judge Dooley advised both parties in October that he was preparing to render final judgment in the case and that he was still of the opinion that the

church was entitled to recover full value of the policy, plus interest since the case was filed.

Last week legal counsel for the insurance firm contacted Mr. Morehead and stated that they were ready to make full settlement on the policy without the court judgement, to which Mr. Morehead agreed. The settlement resulted.

There were many other losses very similar to this one all over West Texas and, in most cases, the insured did not press for settlement since insurance companies denied all liability. Many people have been watching the outcome of this case because of this fact.

## Fairview News

### LUBBOCK PARRISH'S HAVE NEW SON BORN NOVEMBER 9

Mr. and Mrs. Marion Parrish, Lubbock announce the birth of a son, Paul Dan, November 9, at West Texas hospital in Lubbock. The new arrival is the first child for the Parrishes. He weighed 8 pounds and 6 ounces.

Mrs. Parrish is the former Geneva Marr, a teacher in Floydada High school. She is the daughter of Mr. and Mrs. J. W. Marr, Crowell.

Mr. Parrish is the son of Mr. and Mrs. Creed Parrish, Floydada, and is employed as a wholesale grocer in Lubbock.

Mr. and Mrs. Edd Shaw of Lovington, New Mexico, visited over the week-end with Mr. and Mrs. W. A. Shaw.

## Returns for Sight of Floyd After 45 Years of Absence

Mrs. T. L. Lane, of San Antonio, who was one time a resident of Floydada, was here again this week for a brief visit after 45 years. She was enroute to her home from a visit in San Francisco by train but at Amarillo couldn't resist the urge to make the remainder of the trip through by bus that would bring her back through the south plains.

The Lanes lived here for three years. Mr. Lane was in the real estate business. Forty-five years ago, the year of the birth of her son Elbert H. here, Mrs. Lane said they moved to Canada to live for a year, returning to Texas and to San Antonio to make their home.

Many of the names Mrs. Lane remembered are connected with the early-day history of Floydada and Floyd county.

"This is a beautiful country," Mrs. Lane said.

## Center News

CENTER, November 14—We had a few hours of high wind near the week-end, but for the most part the perfect harvest weather continues. What a big maize crop and a whole of a cotton crop! Town and highways are crowded with trucks and trailers on their way to the gin—only they can not get there for hours; the gins are already surrounded with cotton waiting to be ginned.

W. L. Hartline who was hurt in a gin accident some ten days ago is convalescing satisfactorily in the Pitts hospital.

Rev. R. C. Hodges is recovering from pneumonia in the Plainview hospital.

The Welborn family have been sick with colds.

Mr. and Mrs. Fred Cone of Wichita Falls visited last week with Mr. and Mrs. Leo Frizzell and relatives in town. Mr. Frizzell and Mr. Cone made a trip to Plainview Saturday and visited Bro. Hodges at the hospital. Among Sunday evening callers at the hospital were Mr.

and Mrs. J. E. Green.

O. C. Vinson returned Thursday from his "flying trip" to Kansas City. He went in an airplane and purchased and came home in a new Chevrolet truck.

Mr. and Mrs. Horace Mangrum of Harlingen visited last Tuesday in the Vinson home.

Mrs. J. M. Scroggin and son, J. A. and wife of Claude, Texas, visited Mr. and Mrs. Heim Wednesday of last week.

Mr. and Mrs. J. A. Strain and children of Amarillo visited Sunday in the home of his sister and family, Mr. and Mrs. J. R. Robertson.

Mr. and Mrs. Thurman Wall of Levelland visited the week-end with her parents, Mr. and Mrs. Robertson and family.

Sunday dinner guests of the C. L. Ashtons were his parents, Mr. and Mrs. R. H. Ashton.

Bobby Ashton and James, David and Bobby Welborn were Sunday dinner guests of Jimmy Dunn.

Bobby Robertson spent Saturday night in Canyon visiting his brother Melvin at WTSC.

Victor Green and Miss Sue Green of Plainview visited with Mr. and Mrs. J. E. Green late Sunday afternoon.

D. I. Bolding is in the Lockney hospital being treated for shock and bruises received Monday morning when his car collided with a truck near Floydada.

Mr. Williams in the Post office has our deepest sympathy in the loss of his wife, who passed away on Sunday morning.

The Home Demonstration club met Friday with Mrs. Rhodes. Fifteen members attended.

Come to church Sunday.
