Tickets Available

Season tickets for the Wolves five home games go on sale Monday as the Colorado High School cheerleaders will operate a ticket booth in the lobby of City National Bank from 9 a.m. - 2 p.m.

After Monday, the tickets will be available from the CHS business office, phone 728-3424.

Early purchase of season tickets represents a saving of $2.50 as they are now available for $7.50 but will cost $10 after the season starts. Gate prices are $2 each, student and adult, since a recent UIL ruling prohibits sale of student tickets at the gate. Students may buy tickets at the schools before the games for 75c each.

The Wolves home games this year include the following:

--Sept. 3, Slaton, favored to win District 5AA.
--Sept. 10, Sweetwater.
--Oct. 8, Wylie.
--Oct. 29, Ballinger.
--Nov. 12, Stamford.

COLORADO HIGH Athletic Director Mike Farda, right, holds a new helmet emblem for the Colorado City Wolves varsity. The design, a Wolf's head on a big "C," was designed by Larry Hamner, partner in H&H Auto Air Inc. Hamner helped acquire the emblems for the Wolves from a company that designs helmet emblems for most professional football teams.

College Classes To Be Taught At CMS

Extension classes by Western Texas College will be taught at Colorado Middle School this year as the Snyder college hopes to have better attendance at the more central location.

Last year, the college extension classes were taught at Wallace Center and attendance dropped from the previous year when classes were taught at the then Colorado High School campus.

Enrollment that first year of extension classes here was from 110-120 and dropped to 90 or less last year at Wallace.

The Wallace Center will continue to be used as a Senior Citizens' Center and for Adult Basic Education (ABE) and Graduate Equivalency Diploma (GED) classes, as well as serving as the site for Emergency Medical Training (EMT) classes which will start sometime after the first of September.

Barbara Gray, Wallace coordinator, said that the center will also serve as the location for special enrichment classes taught by WTC. Such special interest courses include photography, art, ceramics, etc.

Colorado City Schools Superintendent Lloyd McKee said that the satellite campus concept initiated when Wallace was used last year will not be changed.

"We've simply moved the location of the satellite campus," McKee said. "The extension campus will now be at the Middle School and WTC will still offer extension classes taught in Colorado City."

He listed benefits of the Middle School campus as a central location, people won't have to drive across town to get to the classes and the Middle School offers better air conditioning and heat controls.

"The college is expanding into a two-year plan available to city and county residents. Students can now enroll for the two-year course with classes here the first year and then by attending some classes in Snyder, they can get their Associate of Arts degree," McKee said.

Registration is set for 6:30-8 p.m. Tuesday, August 24 at Colorado Middle School.

Classes begin Wednesday, Sept. 1.

According to Dr. Duane Hood, the new plan will offer the required courses within a two-year time span (including summers). The plan is coordinated to course offerings on the Snyder campus and can be used by all university parallel students by carefully planning course work in advance.

All classes will be offered in the evenings and the majority of courses, including most of the basic requirements for graduation, will be offered in the extension center here.

Another aspect of the Colorado City center is the new ruling of the Coordinating Board, Texas College and University System, that all classes in extension centers must average 15 students. Western Texas College will abide by this ruling in all its extension centers.

Further information can be obtained by contacting the coordinator, Jerry Reynolds, 728-2673, or by calling Dr. Hood in Snyder.

A complete fall schedule and a copy of the long-range plan are included in the WTC ad in this issue.

Seminar Wednesday

A Shoplifting Seminar for Colorado City merchants and their employees has been set for 5:30 p.m. Wednesday in the Civic Center.

The Seminar will be conducted by the Colorado City Police Department, Mitchell County Sheriff's Office and Abilene Police Department's Crime Prevention Unit.

Following the formal presentation, which includes a film and discussion, Police Chief Jesse Browning and Sheriff Bill McGuire will be available to answer any questions, as will representatives of the Crime Prevention Unit.

The Shoplifting Seminar is being sponsored by the Chamber of Commerce Merchants Committee.

$300 Stolen From E-Z Way

A theft of $300 was boldly made of E-Z Way Superette about 10 Friday morning as a man, described as in his mid-20's, took the cash from the office area of the grocery store during a busy mid-morning shopping period.

Police were called to the scene immediately as the man left the store to get in a car driven by another person and leave the parking lot headed west on 17th Street.

Mrs. Jean May, bookkeeper, told Police Chief Jesse Browning that she saw the man coming out of the office with a cigar box and when she yelled, he dropped the box but ran from the store and jumped into the waiting car and it left before she could see any part of the license.

The cash was four $50 bills and one $100 bill.

The man was described as about 25, nice looking and clean cut with a neatly trimmed mustache. He is of medium build and height.

The car was described as a light color, either light green or light blue, and was a heavier model of Pontiac, Oldsmobile, or Buick, either a '68, '69 or '70 model.

Police officers and Sheriff's deputies immediately searched the area on west 17th Street and along I-20 and Highway 208 but could find no trace of the car. A bulletin was sent to surrounding towns to be on the lookout for the car or the man. No one saw the driver of the car and the man who ran from the store was not known to anyone in the store who was able to give a description.

Greetings and remarks will be presented by Chamber of Commerce President B. B. Hardee, followed by introduction of the staff by Supt. Lloyd McKee.

Reporting for the TSTA will be Mrs. Dovie Brownfield and McKee and CTA report will be by Mrs. Connie Easterwood.

McKee will then address the faculty on the topic, "Meeting the Challenge for Quality Education."

Afternoon sessions will be held with principals in the various buildings.

Registration for Kelley Elementary, Hutchinson Elementary and Colorado Middle School students is set for 8:30 to noon Thursday.

Dawson said that the schools expected to attend the development sessions include Blackwell, Divide, Hermleigh, Highland, Hobbs, Ira, McCaulley, Roscoe, Loraine and Westbrook.

Westbrook students preregistered before school was out in the spring and will have no pre-registration before classes start. Dawson said that busses will run their regular routes the first day of class and the cafeteria will serve meals. School is dismissed at 3:40 each day.

Band Starts Fund Drive

Colorado High School Wolf Band will have their annual fund drive by selling subscriptions to the *Colorado City Record* Monday, Tuesday and Wednesday.

This will be the 16th consecutive year in which the band has conducted the drive which is the group's major money making project of the year.

By earning money on commissions and cash bonuses, the band finances educational trips, purchases special equipment and develops music projects.

For each subscription sold, the band gets a cash commission. Cash bonuses are awarded daily for volume sales. Individual students working in teams get cash bonuses for leading in daily sales.

In the 15 year period the band has been holding the subscription drive the band has earned almost $14,000.

Last year the band earned about $970 in sales commissions and cash bonuses, third highest ever. Highest amount was in 1968 when the band earned $1,000 in the three-day period the drive was held.

Regular subscription rates are in effect for the band drive:

--$7.50 per year for in-county residents.

--$9 annually for out-of-county addresses.

--$6.50 for a nine-month college subscription, Sept. 1-June 1.

Purchaser of a 12-month in-county subscription saves over 100% of the newsstand price of 15c per issue, a savings of $8.10 for the 104 issues annually.

All subscriptions sold by the band become effective Sept. 1, allowing time to process and complete paperwork.

Colorado City Wolves Booster Club has been organized for the coming year with Eddie Swinney being named president and a number of activities already slated.

Other officers are Ather Ellis, vice president; Bonnie Hammond, secretary-treasurer; Hortense Neff, in charge of refreshments, and Janie Farda, reporter.

Helping in the membership drive is Ather Ellis, A. M. Holman, Bill Carter, Bob Chalker, Mac McKinnon and Drew Ballard.

Swinney said he also hopes the Booster Club can help boost the number of season tickets sold to home games this year. Season tickets go on sale for $7.50 per person at Colorado High Monday.

The first Booster Club activity of the year is scheduled for 7:30 p.m. this coming Tuesday, Aug. 17, in front of the Field House when an ice cream supper will be held. The event is co-sponsored each year by the Wolverines.

Bulldogs Working Hard In Workouts

Loraine Bulldogs Coach Ken Lightfoot says that the football team this year will be young but they are enthusiastic and working hard to get into condition for the first scrimmage with New Home Friday, Aug. 20 at 6 p.m. there.

He said that 24 boys are coming to the two-a-day workouts and there will be two more when school starts. Of the group, there are five Seniors, two Juniors, nine Sophomores and eight Freshmen.

The biggest boys on the Bulldog squad are Senior Gary Bailey, 213 lb. tackle who moved from Kress this year and is eligible to play because he is a senior, and Sophomore defensive tackle Frankie Martinez, 200 lbs.

Team captains are Bailey, Senior running back Mike Vallejo, Senior Quarterback Richard Garcia and Senior tackle Jeff Merket. Merket was All District last year at tight end but is making the switch to tackle. Garcia played quarterback in junior high and has stepped in at the spot from playing running back last year. Ricky Moreno, last year's quarterback, is a Senior this year but underwent internal surgery recently and is not expected to see any action until very late in the season, Lightfoot said.

Backup quarterback will be Freshman Curtis Haden. Others on the team include Sophomore Rodney Taylor and Donnie Dunn at Center. Lightfoot said Dunn is the utility player on the line as he can fill in at any position as needed.

The Bulldogs lineup includes these players:

--Seniors, Richard Garcia, Jeff Merket, Tommy Williams, Mike Vallejo and Gary Bailey.

--Juniors, J. D. Sheffield, playing his first year of football at tackle and guard and Donnie Dunn.

--Sophomores, Frankie Martinez, Ricky Williams, Ricky Hallmark, Rodney Taylor, David Munoz, Tino Sanchez and Martin Rodriguez. Alan Bailey and Terry Massingill are on the squad but ineligible for competition until next year because of recent moves into the district.

--Freshmen, Casey Merket, James Wooddell, Mark Cornutt, Junior Martinez, David Finley, Tommy Darnell, Tino Galvan and Curtis Haden. Team managers are Ricky Moreno, David Galvan, Joe Martinez and Tommy Brown.

Anyone interested in serving as an officer, managing a team or helping with the Little League in any way, is encouraged to attend the meeting, Blassingame said.

The city of Loraine will receive its check when the quarter ends.

Mrs. Jim Phil Leach
...the former Miss Sherry Lynne Mills

Sherry Lynne Mills, Jim Phil Leach Exchange Nuptials In Candlelight Ceremony August 14 In Methodist Church

Miss Sherry Lynne Mills became the bride of Jim Phil Leach in a candlelight ceremony at 7 p.m. Saturday, August 14, in Means Memorial United Methodist Church of Andrews. The Rev. Miller Robinson of Colonial Hill Baptist Church in Snyder performed the double ring ceremony.

The bride is the daughter of Mr. and Mrs. Van C. Mills of Colorado City, formerly of Andrews. Parents of the groom are Mr. and Mrs. Don Leach of Andrews.

The bridal pair stood before a candelabrum bearing thirty-six tapers and entwined with greenery. A spiral candelabrum stood on either side. Triple chimney candelabra and bows marked the family pews.

The organist, Mrs. Joyce Nix, played a prelude of traditional music and accompanied Mrs. J. D. Koehn of San Angelo as she sang "One Hand, One Heart" and "There Is Love." Mrs. Koehn sang "The Lord's Prayer" as the couple knelt at the altar. John Waggoner and Wayne Roberts lit the candles.

The bride, given in marriage by her father, wore a Baroque style gown of white silk organza, Venise, Venetian Point and Cluney lace over silk Peau-D-Ange. Garlands of Venise lace flowerlettes encircled the wedding band neckline and shield shaped yoke.

The molded bodice was accented with appliques of Venise and Cluney lace flowers. Long, slender candelstick sleeves fell to form peaks at her wrists. The sleeves were accented with lace appliques.

The bouffant A-line skirt fell with gentle fullness from the Venise lace flowered crescent waist line. The entire skirt was enhanced with appliques of Venise lace designs which formed a deep border at the hemline as it swept to a chapel train. Her bouffant altar veil drifted from a Baroque capulett of white Venise lace flowerlettes and was edged with matching flowerlettes.

She carried a bouquet of white roses and baby's breath.

For something old, she carried the white Bible carried by her mother at her wedding. She borrowed her blue garter from Mrs. David Sisson and her gown was new.

Matron of honor was Mrs. Ron Leach of Odessa, sister-in-law of the groom. Donna Mills, sister of the bride was maid of honor and Mrs. David Sisson of Irving was bridesmaid.

The bridal attendants wore floor length dresses of apricot nylon organza fashioned with empire waistlines and bouffant skirts. The scoop necklines, puffed sleeves and self-ruffle at the hemline were edged in white lace.

They wore apricot picture hats trimmed with bows matching their dresses. They carried bouquets of apricot roses, yellow daisies and baby's breath.

Flower girl was Elise Person of Glenrock, N.J., cousin of the bride. Her floor length dress was identical to those of the bride's attendants. She carried a white basket filled with yellow daisies. Jim Bice of Andrews was ring bearer.

Best man was Ron Leach of Odessa, brother of the groom. Groomsmen were David Sisson of Irving and Jimmy Rex of San Angelo.

Ushers were John Waggoner of Comanche, Sandy Lawrence of San Angelo and Wayne Roberts of Andrews.

The reception was held in the church parlor following the ceremony. The bride's table was laid with a white lace cloth over yellow and centered with an arrangement of apricot roses in a crystal compote. The tiered cake was accented with fresh roses and topped with a bride and groom.

German Chocolate cake and coffee were served from the groom's table.

Raleen Martin of Snyder registered the wedding guests. Others in the houseparty were Susan Rex, Mrs. Jimmie Rex, Mrs. Sandy Lawrence, Linda Andrews and Sherry Lee.

For her going away attire, the bride chose a dusty rose pantsuit with a print shirt.

After a wedding trip to Ruidoso, N.M., the couple will be at home in San Angelo.

The bride, a 1974 graduate of Andrews High School, is a senior elementary education major at Angelo State University.

The groom, a 1973 graduate of Andrews High School, is a senior physical education major at Angelo State University. He is a member of the Angelo State University Rams basketball team.

The rehearsal dinner was held on the patio of the Leach home.

Out of town guests were from Glenrock, New Jersey, East Hartford, Connecticut, Irving, San Angelo, Claude, Lubbock and Wellington.

Clubs Have Supper & Skit

The Mitchell County Annual Home Demonstration Club Supper was held in the Lone Wolf Medallion Room Aug. 10 at 7 p.m.

A large crowd attended the pot luck supper which was followed by a Bicentennial skit, acted out by the members of the local HD clubs.

A patriotic theme was carried out by Mrs. R. E. McMillan in decorating for the supper. Paul Hunter spoke the invocation and Mrs. Raymond Wheeler introduced the program and guests.

Special guests were Mr. and Mrs. Paul Hunter, Robert Bruce and daughter and Johnny Shackelford.

Datha Byrne and Shelia Benson presented the flag and led the group in the Pledge of Allegiance.

Mrs. Charles Smith led the group in singing *God Bless America* with Mrs. Mary Womack accompanying the group on the piano.

Mrs. R. D. Penny, using an unusual theme, installed the officers of the club. With each newly elected officer placing a vegetable in a pot, Mrs. Penny indicated the job each would perform during the year with an amusing play on words.

The new officers are: Mrs. Charles Smith, chairman; Mrs. Arthur Shepherd, vice chairman; Mrs. Don Blassingame, secretary; Mrs. Raymond Wheeler, parliamentarian and Mrs. Sydney Compton, treasurer.

The skit entitled "Poky Huntus," performed by members of the club was the entertainment for the evening. Narrated by Janis Choate, the skit was a fictitious story of Captain John Smith and 'Poky Huntus,' and acted out with exaggerated movements in the style of the old silent movies. The skit concluded the program.

Students Attend Workshop

Students from Colorado High School attended the annual Texas Association of Student Councils leadership workshop at Trinity University in San Antonio.

Attending session II of the workshop were sponsor Bill Simmons and students Marla Bodine of Route 1, Luis Rios of 344 W. 4th Street, Sally Sparks of 1021 E. 17th Street, and Kathleen Utsman of 1005 Locust.

The workshop drew students from hign schools all over Texas for two week-long sessions. Under the leadership of consultant Mary McKinnon and director Sid Langhart, students studied problem solving, organizing activities, preparing activities calendars, budgeting, and group dynamics. Each session included recreational activties such as athletics, a talent show, and a singsong. The week climaxed with an achievement banquet in the university refectory. Workshop students stayed in the Trinity dormitories.

"PERSONAL & PUBLIC MORALITY"

Calvary Baptist Church

Pastor,

Bob Grayson

For the last two years many situations of corruption and questionable practices have been exposed. Some have been in the public duties of our elected officials and some have been in the area of their private lives.

It is amazing to me how conveniently many people are able to overlook a man's immoral private life as none of their business. They say, "As long as he does his job in congress, what he does in his private life is up to him." You would think that people are smart enough to know that it is the same man in both areas. A man who will cheat on his wife will hardly be the great example of a selfless, hard working, public servant that will be honest and fair in his public duties.

We like to excuse our sins by rationalizing and making up for it in other areas. But when the temptation comes to do something a little unfair or a little crooked in one's public duties the same character and morals are appealed to as when the temptation comes to have an affair or to get drunk, or to break any other law.

A former con artist explained that the way he and many others worked was to get a person to compromise a little in order to make a profit. The money they would make in a particular situation was enough that they were willing to overlook a few dishonest, or rather questionable, practices in the process. Then having done a little wrong they could be persuaded through little reminders or direct threats to go along with bigger violations of the law. In other words a man who compromises with honesty in any area is vulnerable to greater acts of dishonesty.

Therefore I am interested in the private lives of our elected officials on a national level and also right here in Colorado City. I am interested in the private lives of our police officials, our school teachers, and all who serve the public. That doesn't mean we are to snoop into people's private lives. It doesn't mean you have to be a model of virtue to be able to serve the public. But it does mean that when an attitude of condoning immorality is revealed in a person's life, I am going to take it into consideration when I vote or have an opportunity to influence the situation.

It all comes down to the fact that you and I can't be dishonest on our taxes, or unfaithful to our families, or undisciplined in resisting temptation and then expect the President or congress or others to do what is right. Good government and a healthy society begin with you and your relationship to God. You may be opposed to the communist goal of destroying our nation and yet unknowingly working to do just that. Herbert Marcus, a university professor in California and an avowed communist, says that the greatest tool the communists have to destroy our society is an over-emphasis on sex. He knows man pretty well.

Let's all stop during this year of our presidential election and ask ourselves what influence we are having on society. Does our political philosophy agree with our private conduct? Only God can make us into the kind of person and citizen we should be.

Life-Long Dream Is Now A Reality

Mrs. Joy Morris fulfilled a life-long dream when she passed flying tests Wednesday and received her pilot's license.

Mrs. Morris finished the course of study she started 13 months ago when an instructor at Levelland gave her passing marks for the coveted pilot's license. Her trimph included overcoming setbacks caused by delays when she underwent surgery and also when she dropped a garage door on her thumb about a month and a half ago.

Instructing her during the course which includes not only flying but also written and oral tests and ground school was Frank Deregibus, veteran pilot, who said he discovered why "Joy tries harder--when she filled out the application Wednesday, she had to write her full name and I found out it is Avis Joy Morris. I told her her name caused her to try harder," Deregibus said.

Mrs. Morris' 9-year old daughter, Sheri, spent a lot of time in flight during the instruction period and she says she wants to get her license when she is 16. S. L. (Mac) Morris already has his license, completing the requirements in February.

The Morrises have two other children--a married daughter in Austin and Steve, a spring graduate of Colorado High School. He is working with the family in operation of Costin Implement Co. in Colorado City and plans to attend night classes conducted by Western Texas College this fall.

Mrs. Morris finds time to help with the secretarial work for the Ford tractor house and also is a volunteer with the Ladies Auxiliary at Root Memorial Hospital. She also enjoys yard work and sewing, besides flying.

Resident's Sister Dies

Mrs. Eula Kounts, 81, sister of Mrs. George Callender of Colorado City, died Friday in a Wichita Falls hospital. Funeral services were held Saturday in Wichita Falls.

She is also survived by her mother, Mrs. Dora Clark of Wichita Falls; by two other sisters and two brothers.

Miss Sherry Christian Becomes The Bride Of Leslie Anderson In Afternoon Ceremony At Oak St. Baptist Church

Sherry Joy Christian became the bride of Leslie Stephen Anderson, August 14 at 3 p.m. in the Oak St. Baptist Church. The Rev. Wayne Oglesby, pastor of the church, officiated at the double ring ceremony.

Parents of the bride are Mr. and Mrs. H. A. [Bob] Christian of 744 E. 17th St. Parents of the groom are Mr. and Mrs. Warren Anderson of Rt. 3 W. W. Anderson is the grandfather of the groom.

The bride, escorted to the altar by her father, wore a carpet length gown of organza. The gown featured an empress bodice with a V-neckline and long full sleeves accented by beaded re-embroidered alencon lace.

The full skirt formed a chapel train gathered in the back with a self-bow. The matching veil was accented with alencon lace on the headpiece and with seed pearls.

For the traditional something blue, the bride wore a garter made by her mother. Something new was her dress and something old and borrowed were brooches belonging to the bride's late maternal grandmother and the groom's late paternal grandmother. The two brooches were attached to the bride's cascading bouquet of daisies, yellow roses, spider mums, baby's breath, ribbons and bows.

Wedding music was provided by organist, Mrs. Robert Sayger. Miss Ginger Noel provided the piano music. Mrs. Nathan Hoyle sang "The Twelfth of Never," "To God Be The Glory" and "We've Only Just Begun."

The church was decorated with a heart-shaped arch flanked on either side by fifteen branch and seven branch candelabra. Yellow bows marked the pews. Greenery and bows marked the family pew.

Miss Ellen Sayger of Canyon served as maid of honor. Miss Kathy Anderson of Abilene, sister of the groom and Miss Christie May of Clyde, niece of the bride served as bridesmaids.

The attendants wore carpet-length gowns of yellow miniflake polyester cotton, featuring V-necklines, short puff sleeves and self bows in the back.

The neckline and sleeve bands were accented with yellow lace. Yellow picture hats completed their outfits. They carried bouquets of daisies, spider mums, baby's breath, ribbons and lace.

Registering guests in the foyer of the church was Mrs. Woody Anderson, sister-in-law of the groom.

Jimmy May of Clyde, nephew of the bride and Stan Richey of Ballinger, cousin of the groom served as candlelighters.

Woody Anderson, brother of the groom was best man. Warren Anderson, father of the groom and Randy Anderson, brother of the groom, served as groomsmen.

Jimmy May of Clyde, Alan Richey of Ballinger and Nathaniel Jackson of Colorado City served as ushers.

The wedding reception followed in the fellowship hall of the church. The bride's table was highlighted by a three-tiered cake adorned with fresh flowers. Crystal appointments and floral bouquets completed the table setting.

The groom's table featured a German Chocolate Cake, silver appointments and a school supply centerpiece.

Members of the houseparty included Mrs. Pete Humphreys, aunt of the bride, Mrs. Douglas May of Clyde, sister of the bride, Mrs. Woody Anderson, sister-in-law of the groom and Miss Sharon Richey of Ballinger, cousin of the groom.

For going away outfits the couple chose matching beige and patchwork denim jumpsuits.

Following a short wedding trip, the couple will be at home at 1306½ Royal Lane #5, Cisco.

The bride is a 1974 graduate of Colorado High School and a 1975 graduate of Texas State Technical Institute in Sweetwater.

The groom is a 1972 graduate of Colorado High and a spring graduate of McMurry College in Abilene. He has been employed by the Cisco School Systems.

The rehearsal dinner was hosted Friday night by the parents of the groom in the Charles C. Thompson Room of the City National Bank Annex.
