Historical marker for school to be dedicated

A few hardy farmers and ranchers were in this area in the 1870's but the first train did not reach Wichita Falls until 1882. Three years later the Ft. Worth and Denver City Railroad passed on west through the Iowa Park area. Grenville M. Dodge, Civil War general and railroad builder, purchased 80 acres along the railroad right-of-way. He and D.C. and Jennie Kolp filed the plat for the town of Iowa Park in October 1888.

The first school in Iowa Park was in a small frame building on the south side of town about three blocks from the railroad. No deed has been found tying the school to a particular piece of property. According to County Judge W.P. Skeen in his annual report, "houses are usually built by neighborhoods and used free of charge for school, church and general public purposes." Tradition also says that different churches used the house until they could construct buildings of their own.

County Treasurer J.A. Kemp's report to the State Superintendent noted expenses of $91.24 to J.S. Akers for "building school house" on May 30, 1888 and $68.50 to Iowa Park Lumber Co. on April 25, 1889 for "Lumber for S. House", but these may not refer to the Iowa Park school.

The first teachers listed were W.W. Wise who taught two months in the 1889-90 term and J.S. Beck who received $130 a month for six months in the 1890-91 term. Tradition names Mr. and Mrs. Beck as early teachers and since this amount is far above the going rate for one person, we guess this was for both of them. Other teachers listed before 1900 and thought to be in Iowa Park were Lizzie Marney, Mrs. J.F. Reed, W.J. Whittenberg, W. Mamie Dyer, F.W. Morris, Elma Childs, Ida Akers, Lucy Miller, T.R. Moreman, A. Clayton, Mr. and Mrs. L.A. Wells, G.J. Moore and G.A. Willis.

Iowa Park was in Wichita County Rural School District No. 7 until it became an independent district in 1899.

Eventually the school grew to four rooms, but it was still not adequate to meet the needs of the growing community. Valued at $400 in 1900, the school house sold in 1901 for $300.37 but there was no indication as to the buyer.

General Dodge, donated Block A and sold Block F for $99.00 to school trustees J.S. Bell, W.P. Cagle, C. Birk, J.S. Akers, D.K. Harbour, T.J. Waggoner and Harry Zink. Iowa Park Masonic Lodge No. 713 laid the cornerstone on June 29, 1901 for a two-story brick building on the north side of town. Located on Block A, it faced Victoria Street, between East Park and East Bank Streets. Approximately $6,000 construction cost did not include provision for a foundation able to withstand the shifting clay soils of this area. Many cracks in exterior walls were evident in extant photos of school groups showing the building in the background.

In 1916 the community passed a $16,000 bond issue to build and equip a new school. The second brick school was south of the old one and faced East Cash Street. Its two stories and basement contained 10 rooms and an auditorium. A storm damaged this school in 1920 and the Board collected $13,629.72 in insurance. Apparently they restored the building because photos of it in 1919 and 1924 look alike.

The first and only school annual until 1947, *The Whirlwind*, came out in 1919. The senior class that year began with 23 seniors but only six graduated.

Superintendent A.S. Johnson began the process of seeking accreditation when he asked the Board to purchase equipment needed for chemistry and physiology to which they agreed. W.R. Bradford, who came as superintendent in 1920 and would remain for a total of 30 years, continued seeking accreditation. The State Department of Education granted 11 units of affiliation on July 5, 1921. At that time there were 11 teachers and 495 students. Average teacher's annual salary was $1,050. By the 1925-26 term there were 30 units of affiliation, 25 teachers and 595 students.

Marker dedication

A dedication ceremony will be held at 10 a.m. Friday at the school district's administration building on East Cash, with the unveiling of a historical marker.

Following the ceremony, a reception will be held in the W.F. George Middle School library, according to Jeff Watts, committee chairman.

Information on the permanent marker includes:

IOWA PARK CONSOLIDATED
INDEPENDENT SCHOOL DISTRICT

The first school building in Iowa Park was erected in 1888, soon after the town was platted. Iowa Park was in Wichita County Rural School District No. 7 until it became an independent school district in 1899. The school grew to four rooms but soon was inadequate for the growing student population, new brick structures were erected in 1901 and 1916.

Superintendent W.R. Bradford sought accreditation for the district and achieved this goal in 1921. At that time there were 11 teachers and 495 students; by the 1925-26 school year there were 25 teachers and 595 students. The new W.F. George High School, built in 1924, had 13 classrooms, a laboratory, office, library and an 800-seat auditorium. The 1916 structure became the Ward School for elementary student. Works Progress Administration funds made possible the erection of a new elementary school with a cafeteria in 1940.

Five rural school districts consolidated with Iowa Park in 1941, and the campus grew with the student body. In 1960 Ethyle Kidwell Elementary was the first school to move off the original campus. W.R. Bradford Elementary opened in 1963. Iowa Park High School opened on a new campus in 1970, the same year Valley View Schools joined with Iowa Park to form the Iowa Park Consolidated Independent School District.

By the end of the 20th Century, Iowa Park schools had expanded from one room to five campuses. With more than 2,000 students, the school district continues to provide a quality education.

(1999)

The Board built a modern domestic science cottage for the 1922-23 term across Victoria Street from the other school on Lots 1 and 2 of Block E donated by Mr. and Mrs. J.A. Tanner. Miss Thelma Trussell was the first instructor. After the high school moved to a new structure with facilities for teaching home economics, this cottage was leased to the city for its first library building. When no longer needed for a library, it was torn down.

The first mention of a teacher contract was in 1921 to include the wording "that teachers do not draw pay if the school is closed by the health officers on account of disease."

In 1923 a $60,000 bond issue along with a $30,000 donation from a local philanthropist and his wife made possible the construction of the two and one half story W.F. George High School which sat east of the 1916 building facing Cash Street. It had 13 classrooms, laboratory, library, office, a basement boiler room with central heating, and an auditorium seating 800. The 1916 building was then known as the Ward School and used for elementary students.

After the stock market crash of 1929, large and small communities alike were in the grasp of the Great Depression. School board minutes reflect this by the numbers of citizens coming before the Board and asking for tax relief, teacher salary cuts and the Board's reluctance to hire married women teachers.

The Board raised all salaries to $100 a month for nine months on January 13, 1941 to meet state standards for accreditation. This resulted in a $5 or $10 raise for the lowest paid teachers.

With aid of a bond issue and help from the Works Progress Administration in 1940, the Ward School building was torn down and a new one-story elementary building raised in its place. It contained the first cafeteria. During the demolition and construction, students attended classes in First Methodist, First Baptist and First Presbyterian Churches.

Up to this time students attended school for 11 years. In the 1941-42 term Texas implemented the 12-year system. To make this work, each student enrolled at that time "skipped" a grade.

At different times the city closed parts of East Park, North Texowa and North Alcott Streets giving the campus an area of six blocks, A, F, 72, 73, 82 and 83, as well as Lots 1 and 2 Block E of the original town site.

Five rural school districts elected to consolidate with Iowa Park in 1941. They were Prairie Cottage, Weeth, Harmony, Deep Creek and Pleasant Valley.

A fire of unknown origin started in the basement of the high school in January 1949. Fortunately there were no injuries when the students evacuated the building. Much of the damage inflicted was due to smoke and holes cut in floors to access the basement.

As the Board began to plan for a band program, they purchased two bass horns, two alto horns and one baritone for a cost of $1,150. And they hired a Mr. Hatch to give class band instructions to as many as 24 students with two lessons per week. He taught during the spring and summer of 1949 for $80 per month. The Board hired the first band instructor, Thomas Taylor, and also began drivers education during the school term of 1949-50. They hired a teacher for handicapped student that same year.

Apparently the first vocational agriculture teacher was B.L. Bradford whom the Board hired in 1921 to also serve as principal. This course was not offered in the 1943-44 term because of a lack of student interest. Later a delegation of Fred Parkey, Al Reed, L.E. Brooks, O.R. Kelly and W.R. Pastusek from the Agriculture Committee of the Chamber of Commerce urged the Board to reinstate the program. It was reestablished by

State Representative David Farabee will speak on Long Term Care Legislation (both pending and future).

TANHR is a non-profit volunteer organization working to improve the quality of life and quality of care of Texas nursing home residents. Its mission is to inform and empower consumers on state regulations so they will address the unacceptable care of nursing home residents.

The meeting is open to the public, and refreshments will be served.

Red food coloring
1 1/2 cups raw peanuts
Dash of salt

Beef Jerky

1 1/2 lbs. flank steak, brisket, or venison
1/2 tsp. seasoned salt
1/3 tsp. pepper
1/4 cup soy sauce
2 Tbsps. Liquid Smoke
1 tsp. monosodium glutamate
1/3 tsp. garlic powder
1 tsp. onion powder
1/4 cup Worcestershire sauce

Trim off fat. Semi-freeze meat and slice with the grain, making strips approximately 4-6 inches long and 1/4 - 1/2 inch thick. Place meat in shallow baking dish. Combine all other ingredients and pour over meat. Marinate overnight.

Pre-heat oven to 140-150 degrees. Lay strips of marinated meat in single layer on oven rack with a baking sheet or foil underneath to catch drippings. Leave oven door open a crack and bake 8-12 hours, or until meat is chewy. Test by tasting occasionally. The thinner the strips the less time in cooking. Store in plastic bag or air tight container.

White Chocolate Chunk Macadamia Nut Cookies

3/4 cup unsalted butter, slightly softened
1/2 cup packed light brown sugar
8 ozs. white chocolate
1 1/2 cups flour
3/4 tsp. baking powder
1/2 tsp. baking soda
1/4 tsp. salt
3 Tbsps. sugar
1 large egg
1 tsp. vanilla extract
1/2 cup coarsely chopped unsalted macadamia nuts

Place butter in a heavy, medium-sized saucepan over low heat and heat until butter boils and bubbles gently but steadily. Adjust heat as necessary to prevent butter from burning; continue simmering uncovered 4 to 5 minutes or until golden but not browned, stirring frequently. Be careful not to burn butter.

Immediately remove pan from heat and stir in brown sugar. Pour into a large mixing bowl and refrigerate 50-60 minutes or until mixture solidifies but is not hard.

Preheat oven to 350 degrees. Grease several baking sheets and set aside. Grate 3 ounces of the chocolate. Coarsley chop the remaining chocolate. Set the two aside separately.

Thoroughly stir together flour, baking powder, baking soda and salt and set aside. Remove bowl from the refrigerator and beat cooled butter-brown sugar mixture until lightened. Add granulated sugar; beat until fluffy and smooth. Beat in egg and vanilla. Beat in dry ingredients. Add grated chocolate and the nuts and stir until well combined.

Roll dough into generous 1 1/2-inch balls. Dip top of each ball into remaining chopped white chocolate, pressing lightly to imbed some pieces in the dough. Space balls, chocolate-studded tops up, about 2 1/4 inches apart on baking sheets. Press down balls just slightly with heel of hand.

Place on center rack of oven and bake 9 to 11 minutes or until just tinged with brown. Reverse baking sheets from front to back half way through baking to ensure even browning. Be careful not to overbake. Remove baking sheets from the oven and let stand 4 or 5 minutes.

Using a spatula, transfer cookies to wire racks to cool. Store in an airtight container 3 to 4 days. Freeze for longer storage. Makes about 2 dozen 3-inch cookies.

As I See It...

By Bob Hamilton

Though I enjoyed almost everything about last week, I'm glad it's over.

As I've mentioned in this space before, I'm a routine kind of guy. And when my daily routine is interrupted, I feel kind of lost.

There was virtually nothing about last week that was routine.

First of all, because of Thursday being a postal holiday, we had only two days in which to get the paper out.

That meant that Wednesday wasn't a press day for my routine. It was, in fact, only half a day in the office.

Then, on Thursday, there was nothing routine about 21 sitting down at our house for lunch.

Most of you will remember that we always have our grandchildren here on Thanksgiving, so we can take their picture to be used on the front page of the Christmas issue.

Well, they were all here, with one exception. But filling in for him was the latest addition to our family, our first great-grandson.

Anyway, that day was great, even though there was nothing routine about it.

The next day, obviously, was Friday. My routine in the fall calls for a football game that night. As you know, the Hawks didn't play until Saturday.

So my routine on Friday, and now on Saturday, was foiled.

The only thing I didn't like about Saturday's playoff game was that our Hawks lost to Crane. They played well, but just not well enough, so now I've got to readjust my routine from weekly football games to basketball.

That'll take a while, but the adjustment will come about.

One thing I really enjoyed about Saturday's football game was getting to see some folks I've not seen in several years.

They were Jerry McWilliams, his two sons and grandson, and Mr. and Mrs. David Baugh.

Both McWilliams and Baugh are former Iowa Park coaches.

McWilliams and I had not crossed paths since he left Iowa Park with Tommy Watkins to go to Andrews in 1972. Though Watkins came back later for another stint, Jerry stayed, became an administrator, and has retired recently.

Baugh, as most of you know, was a Head Hawk and has for several years been the head coach at Snyder.

It was great to visit with those two guys after years of absence.

So, now I'm back settling into my routine ways. And loving it.

Of course, that routine includes lots and lots of extra things that have been added into the pre-Christmas season this year.

Such as, a historical marker dedication for the school district, burial of a time capsule for the school, open houses for various entities, parties, and, of course, shopping for Christmas.

But, as you may remember from this space in the past, that shopping won't happen until after we get the Christmas edition to press. That will be on Dec. 23 this year.

Don't you just love routines?

Iowa Park on Hardcastle's tour

State Rep. Rick Hardcastle will announce his bid for re-election during a press conference and town meeting at 10 a.m. Monday, at the Recreational Activities Center in Iowa Park.

Hardcastle's whistlestop in Iowa Park will be part of a three-day tour of House District 68, starting Monday and concluding the following Wednesday.

He is serving his first term in the Texas House of Representatives and will be seeking another two-year term during the 2000 election. The district includes the counties of Archer, Baylor, Clay, Cottle, Foard, Hardeman, Haskell, Jack, Montague, Throckmorton, Wilbarger, Young and part of Wichita.

"I'm looking forward to visiting with the folks I represent," Hardcastle said. "The main purpose of this tour is to help me stay in touch with the people of this district and the diverse concerns and challenges we share going into the new millennium."

After making brief comments about the 1999 session of the legislature and previewing legislative issues anticipated during the 2001 session, Hardcastle will be available to field questions from the press and public. This will be followed by a period of informal visitation as time allows.

His first conference Monday will be in Vernon, at 8:30 a.m. Following the session here, he is to be at the Clay County courthouse at 11:30, and wind up the day at the Jack County courthouse, at 3:30 p.m.

News Briefs

Senior Citizens who reside in the Iowa Park School District will be treated to a free breakfast Saturday morning, compliments of the Iowa Park MuleSkinners.

Police activity reported

Iowa Park police arrested two persons during the past week on warrants issued by the county sheriff's department.

When officers responded to a reported domestic disturbance Friday evening at a residence in the 600 block of South Park, they took into custody Jimmy Lee Via, 29.

The warrant for Via's arrest was for theft of service, with a bond of $1,000. He was transported to jail by a county deputy.

Sunday, officers arrested Irma Danielle Alvarez, 17, on a warrant for theft $50 to $500. She also was transported to jail by a deputy, according to the police blotter.

Officers arrested a couple Thursday evening at a residence in the 300 block of East Aldine, charging both with Class C family violence assault.

Gary Allan Grubbs, 32, and Shana Colleen Grubbs, 35, were taken to the police station where they were held until 11:29 p.m., at which time they were released after promising to appear in municipal court.

A cashier at Allsups reported her purse being stolen while she was working Thursday.

Two criminal mischief reports were filed with police last week.

The owner of a vehicle that was parked in the 1600 block of Yucca Tuesday of last week told police one tire had been slashed.

Then, on Thursday, the owner of a vehicle in the 100 block of West Pecan told police someone had used a cigarette lighter to burn holes in the vehicle's carpet.

Both cases are under investigation.

IOWA PARK FIREMEN and police officers work to save a home on fire Monday afternoon. Fire totaled the bedroom of the home owned by Bruce and Debbie Habeck on Park Plaza, and caused heavy smoke damage throughout the rest of the house. No one in the family was injured, however one of the family's dogs perished in the fire, and another is reportedly in critical condition.

ARSON IS SUSPECTED in a Saturday morning fire in Kamay that totally destroyed a home at CBS Ranch. Kamay volunteer firemen, assisted by Iowa Park and Wichita West units, fought the fire more than four hours and were unable to save the home. Wichita County Arson Investigator David Duke said it is believed that an accelerant was used to start the fire, and the Sheriff's Department is looking at suspects.

The North Texas Men's Chorus will present its annual Christmas program at 7:30 this evening at First Baptist Church.

Half of the program will be devoted to favorite songs the chorus has sung over the past 10 years, and the second half will feature Christmas selections.

Members of the chorus from Iowa Park include: Bob Dawson, Jim Edwards, Erwin Soell, Hozea Clark, David Elder, Jerry Evans, Robin Robinson, Joe Singer and Jess Payne.

DUTTON FUNERAL HOME

"FUNERAL DIRECTORS SINCE 1908"

LARRY L. DUTTON — NORMA J. DUTTON

December 2, 1999

To Our Cherished Friends:

The holidays are an extremely difficult time for families who have lost a loved one. As a memorial to those families we have served this year, we have decorated a "Memory Tree." Each ornament on the tree contains the name of the deceased, the year of birth and the year of death. We plan to make the Memory Tree a tradition.

You are invited to visit the funeral home during the month of December to locate the ornament for your loved one. During the week of December 20, you may pick up the ornament as a keepsake to be used on your own tree each year. If you would like to place an ornament on our Memory Tree as a memorial, you are welcome to do so. It will be returned to you after the holidays, or you may pick it up. We hope that this small gesture will help you recall fond memories of your loved one.

As you recall your loved one, we hope Dutton Funeral Home will not be just a memory of death, but a place to celebrate a life that was lived.

Your continued support and confidence in our services are greatly appreciated. As we begin the new millennium, we hope that you will allow us to serve your family's funeral needs in the years to come.

Sincerely,

Larry and Norma Dutton, Kassie and Lynn

WHAT DOES GOD SAY?

By Ross Saunders

About Pornography? The word "pornography" is not found in the Bible, but involves lust, of which the Bible has a great deal to say.

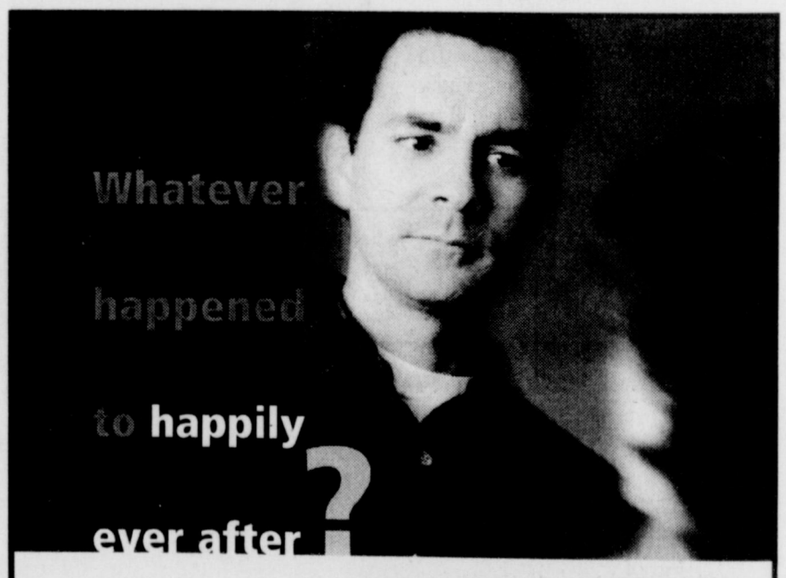

Knowledge of nakedness did not surface until after Adam and Eve ate of the forbidden tree in the garden of Eden (Genesis 3:7-10). God clothed them with "coats of skins" (Genesis 3:21). In Exodus 28:42, regarding the attire of priests, God said "...and thou shalt make them linen breeches to cover their nakedness." God uses the term figuratively to describe Babylon, referring to her nakedness as shame (Isaiah 47:3). The shame of nakedness is seen again in Lamentation 1:8, regarding sinful Jerusalem. In Ezekiel's indictment of Jerusalem he said, "Because thy filthiness was poured out, and thy nakedness discovered through thy whoredoms with thy lovers..." (Ezekiel 16:36). John also associated nakedness with shame when he said to the church at Laodicea, "that the shame of thy nakedness do not appear" (Revelation 3:18). Whether the word is used literally or figuratively, God links nakedness with shame.

Nakedness incites lust. The cry of our people is, "If it feels good, do it" no matter what God says or what anyone else things. The advertising media is filled with scantily clad models as a means of drawing attention to their product, which in most cases bears no relationship to their product. In the fifties, we would have seen no advertisements showing models in undergarments, to say nothing of the suggestive gyrations of the younger set. Not many walked the streets in their short shorts. In fact, in my memory, in the thirties and forties, decent, well-mannered ladies, like my mother, did not wear slacks in public! That we have lost the sense of shame is obvious, resulting in increased sexual sins, disease and destroyed relationships. In short, our "freedoms to do as we please" are destroying us spiritually, burdening our nation economically in court battles over rape, child pornography and sexual abuse, medical research for cures for sexually transmitted diseases, legislation to control the behavior of citizens, with only a program here and there to actually teach moral rectitude among our people, and those who so teach are considered "out of touch with the times."

In the words of the great statesman Abraham Lincoln, "we have forgotten God." "...My people have forgotten me days without number" (Jeremiah 2:32). God said, "Then when lust hath conceived, it bringeth forth sin: and sin, when it is finished, bringeth forth death" (James 1:14-15).

What kind of behavior can we expect when we fail to recognized God's presence, deny the right of prayer in schools and simultaneously make pornography available in libraries!? A warped sense of "rights!" May God help us!! Jeremiah 5:31.

Tour of Lights

We're looking forward to our first annual Tour of Lights this weekend! It will be lots of fun, and it's all for two great causes... Spring Break activities for the kids of Iowa Park, and YOUR entertainment. Please let us know your addresses and join us on the tour on Dec. 4 at 6:30 p.m., so we can help you show off your sparkle. Who knows... you might even win an award! Prizes will be awarded to the home displaying the most Christmas Fun and the most Christmas Spirit. Also, there will be a Best All Around award and a People's Choice Award.

Tickets for this event are $5 and are available at the RAC, at the library, or from any RAC board member. Included with the tour will be a stop for refreshments, entertainment, and a visit to the North Pole for the kids. Oh yes, Santa Claus will be along for the kids' ride! To reserve your ticket, or for more information, call the RAC at 592-4471.

Kids New Year's Eve Party

Thank You

We would like to express our appreciation to Wal-Mart and Cryovac for the lovely Christmas trees in our front entrance and in the main room. Thanks to your contributions, it's really beginning to look a lot like Christmas at the RAC!

RAC Pac Kids News

Winners of the RPK Christmas card contest have been chosen, and our 1999 official Christmas cards are being printed from their designs. This year's cards were drawn by Garrett Reis, SheaLeigh Jones, Jessica Vanderzwaag, Chelsea Cullar, Tasha Albertson, and Donovan Merk. It was a very difficult decision, since everyone did a great job. Thanks to our judges for their time and efforts!

Calendars for the year 2000 will soon be available from the RAC Pac Kids. Watch this column for further details; there will only be a limited number printed and you don't want to miss out!

Hawks outscored by Crane, again

Sometimes the best defense is a good offense.

That turned out to be the case Saturday night in Sweetwater as the Crane Golden Cranes defeated Iowa Park in the Regional Round of the State Class 3A playoffs 41-25.

All week long the talk had been about the mighty Crane defense which had allowed a total of only 50 points in it's first 12 games.

But it was the Crane offense which had to come up big in crunch time to prevail over the Hawks.

Iowa Park trailed by 15 at the half but came out of the locker room on fire, scoring 13 points in the third quarter to pull to within two at 27-25 heading into the final period.

The Hawks had the momentum, they had the wind in the fourth quarter and they had the fans on their feet. The only thing they didn't have was the football.

Crane used a 19-play, 82-yard drive that consumed almost 10 minutes of clock to eliminate the chance for an Iowa Park - Childress rematch in the Quarterfinals and end Iowa Park's season.

It was Iowa Park that got on the board first, scoring on its first possession of the game against the Crane defense that had allowed only four points average per game coming in. The Hawks traveled 80 yards in only three plays, capped by Jimmy Wilson's two-yard touchdown with 10:53 left in the opening period. The big play of the drive came on a 76-yard scamper by Chase Wright. The point-after attempt was no good, leaving Iowa Park with a 6-0 lead.

Crane quickly answered with a touchdown of it's own on it's second snap of the game. Clay McGuire found a wide open Joe Henderson for a 67-yard bomb with 10:10 still left in the first to tie the game at 6-6. Luis Hernandez added the point- after to give Crane a lead that they would never give up.

Iowa Park was unable to move the ball on it's next possession, giving it back to the Cranes at the 41. Five plays later the score was 14-6 after Harrold Jeffery scored the first of his four touchdowns with 5:10 left in the opening period.

The Hawks cut the lead to 14-12 on their next possession, driving 77 yards in 12 plays, capped by Wright's 32-yard touchdown reception from Tyler Pulley. The try for the two-point conversion failed, leaving Iowa Park behind by two with 10:53 left in the half.

The Cranes answered with a pair of second-quarter touchdowns to take a 27-12 halftime lead on scores by McGuire and Jeffery.

The third quarter opened with Wilson returning the kickoff 62 yards to the Crane 34, giving Iowa Park excellent field position to start the second half. Five plays later, Pulley hooked up with Wright for an 11-yard touchdown to pull Iowa Park to within nine, at 27-18 with 9:34 left in the third.

After forcing the Cranes to punt, Iowa Park took over at it's own 20 with5:20 left in the period. This time it took only two plays for the Hawks to cover the 80 yards, with Wilson getting the score on a 74-yard touchdown run with 4:37 left in the quarter. Rick Hartman added the point-after to make the score 27-25.

Iowa Park's defense again did the job, forcing the Cranes to punt, giving the ball back to the Hawks at the 31. On the first play from scrimmage Wilson broke free for 24 yards, moving the ball to the Crane 45, but the Hawks were not able to do any more damage from that point on and were forced to punt.

Little did the Hawks know that it would be the last time the offense would be on the field until the 3:15 mark of the fourth quarter.

In the Crane drive, the longest run was seven yards and the longest completion was 14 yards. Four times the Cranes converted on third down and once on fourth down to keep the drive alive. Jeffery's three-yard touchdown gave the Cranes a nine-point lead at 34-25.

When the Hawks got the ball back with under three minutes to play trailing by nine, Pulley threw to Justin Phillips for 19 yards to start the drive, but on third down, Pulley's pass was intercepted and returned to the Iowa Park five. Two plays later Jeffery scored to make it 41-25, which turned out to be the final.

Crane advances to play Childress in the Quarterfinals in Lubbock this week.

Wilson led the Hawks in rushing with 116 yards on seven carries, followed by Wright with 94 yards on seven tries. Ryan Huff finished with 26 yards on four carries, while Bryan Swenson added 24 yards on four tries.

History of Iowa Park schools

Continued from page 1

J.K. Bradshaw in 1950 in a new $50,000 building located east of the high school which also included space for a shop program.

A successful bond election allowed the construction of a physical education building with seating for about 1,000 spectators for sports events. This building, equipped for basketball and volleyball, has a complete gymnasium for physical training of students of all ages. Also included in this building project was a band building with several practice rooms and a large room for group practice.

The first group to move off the Cash Street Campus was part of the elementary under the capable leadership of long time principal, Miss Ethyle Kidwell. Kidwell Elementary, named in her honor, opened for classes for the 1960-61 term at 1200 North Third Street. Later additions brought the classroom total to 19. Bradford Elementary was constructed in 1963 at 800 South Texowa. This school was named to honor W.R. Bradford who has had the longest tenure as superintendent. Since Iowa Park experienced a building boom in the 1960's, even these two new schools did not provide enough classrooms and elementary classes continued on the Cash Street campus for about two years.

Then the relatively new elementary school on the Cash Street Campus became the home of the Junior High with some classes conducted in the old high school building, as well. In 1963 the school district built an administration building across from the Cash Street Campus.

A large metal building, 60 by 100 feet, was constructed on the east part of the Cash Street Campus, to be known as the Blue Building.

Special education for the handicapped became a priority. Speech therapy was added in 1965 and by 1972, 11 special education teachers were employed in the system. In the 1973-74 term, the West Wichita Cooperative formed with Iowa Park, Electra, Holliday and City View schools. It offers an array of services to handicapped students and was housed first on the Bradford Elementary campus and later moved to Valley View campus. John Sibley was the first director. In 1965 Dean Miller was the first guidance counselor employed, soon joined by Herman Escue and Colleen Roberts.

The first bond election to build a new high school failed, 547 to 266, possibly because the public was not well informed. The Board then appointed a Citizens Committee whose primary interest was the building program of the school district. Although there was some controversy as to site, the next bond election passed 800 to 641, with almost twice as many voting as in the previous election. The building contract was awarded to N.E. Guthrie, Jr., immediate past member of the school board who submitted the low bid. The modern high school, located at 1513 West Highway, opened for classes January 22, 1970.

Basking in the glory of a State 2A football championship in 1969, the Iowa Park Booster Club led the community in building a recessed football stadium seating 5,000. The school board provided land adjacent to the new million-dollar high school. Contributions of money, donations of materials, discounts, volunteer labor and borrowed equipment built the stadium valued at $126,000. The oval stadium was completed in time for the Iowa Park Hawks to use it for games leading up to the thrilling 7-7 tie with Refugio for the State 2A championship in 1970.

Also in 1970 Valley View schools joined with Iowa Park forming the Iowa Park Consolidated Independent School District expanding the area served to 184 square miles. Valley View had an almost new building, constructed in 1967. Valley View students and others who volunteered continued there for two years in grades one through eight with high school students coming in to Iowa Park. Beginning in the 1972-73 term fifth and sixth grade students in the district, including those bussed from Iowa Park, were taught at Valley View with all other classes conducted in Iowa Park.

Bradford Elementary hosted Region IX Model Pilot Kindergarten Program in 1972-73. A federal grant funded the program which served as a guide for other schools in the region to follow when kindergartens became mandatory.

For its Bicentennial project the community raised funds for a swimming pool and placed it on the high school campus.

The 1976-77 term saw the demolition of the old high school building with the former elementary made into a modern junior high. Some classes met in the Blue Building during renovation with students bussed to Kidwell and Bradford schools for lunch.

In 1977 the Board appointed Martha Dudley to fill an unexpired term making her the first woman to serve on the School Board. Standing for election several times since then, she has the longest tenure to date with 18 years.

For the 1980-82 term, the Board determined it no longer economically feasible to bus fifth and sixth graders to Valley View. Only the West Wichita Cooperative meets there at this time. The Board also divided elementary students with kindergarten through second grade going to Kidwell and grades third through fifth going to Bradford.

In 1989 the community passed a $2.75 million bond issue to construct additional classrooms on the Junior High, Kidwell and Bradford campuses, to construct a new bus barn, to repair the roof and other areas at the high school, and to make other improvements.

Construction at the Junior High consisted of adding a new wing located on the site of the old W.F. George high school. Somewhere along the way, the name W.F. George was dropped. The Board acted to rectify this and the name is now officially W.F. George Middle School.

In Superintendent Mike Caplinger's words, "During the school year 1996-97, our students exceeded the eight-percentile mark in all grade levels and all subject areas of the TAAS test. Additionally, the Texas Education Agency recognized Iowa Park High School for exceptional achievement on SAT and ACT scores. These accomplishments would not have been possible without involved parents and good teachers. We are so fortunate to have both!

"To mention only a few programs: the school district offers a cooperative special education program, a gifted and talented program, a variety of advanced courses on various campuses, and an outstanding offering of vocational courses. Both boys and girls excel in athletic programs, and the winning tradition is alive and well among those who love the Hawks! The award-winning sweepstakes band is a source of pride to the entire community."

From one room to five campuses, from a few students to over 2,000, from one teacher to 126, from the 3R's to the World Wide Web, this is the story of the school system in Iowa Park in its 108 years.

(EDITOR'S NOTE: This article was written by Lita Huggins Watson, recognized authority on the history of Iowa Park.)

JV, Freshman reports

The JV Lady Hawks lost their only game of the week, falling 39-22 to Rider on Tuesday night.

Rider jumped on top 13-1 after the first quarter and Iowa Park could never dig themselves out of the hole.

Dana Smith led Iowa Park with seven points followed by Janna Stevens with five. Five other players scored two points for Iowa Park.

The Lady Hawks will be playing in the Iowa Park JV Tournament starting today at the High School.

****

The Freshman Lady Hawks opened the season with a 45-11 win over City View before falling in their next two games.

The Lady Hawks outscored City View 20-2 to start the game and never looked back. Kristen Garcia and Candace Smock led Iowa Park in scoring with 10 points each followed by Heidi Little with six.

Iowa Park then fell 35-28 to Burk, with Smock leading the Lady Hawks in scoring with 11 followed by Joni Love with eight and Laura Davis with four.

Against Rider Tuesday night, Iowa Park lost 26-14, with Smock again leading her team in scoring with 11 points followed by Meagan Miller and Jenny York with four points each.

Iowa Park will be playing in the Iowa Park Freshman Tournament starting today at the High School.

Called meeting set for school board

The Iowa Park school board will have a called meeting, beginning at noon Friday, in the school administration office.

The agenda calls for a discussion on employee health insurance and action to accept or reject bid proposals. Also, a closed session is posted for: (a) Private consultation with attorney; and (b) Deliberation regarding real property.

Top of Texas Football

Three years ago, the Top of Texas Football League added another dimension to their annual football games between East and West.

The concept of "Children Helping Children" was adopted, and proceeds from the East-West competition went to children's services at North Texas Rehabilitation Center.

This year, on Dec. 4, the Pee Wee All Stars will compete at 1 p.m. and the Midget All Stars at 3 p.m., both in Hawk Stadium.

Approximately 150 young players, their coaches and cheerleaders and sponsors will team up to produce a promising afternoon of entertainment -- demonstrating how young players can show commitment, all-out effort and smart football strategy.

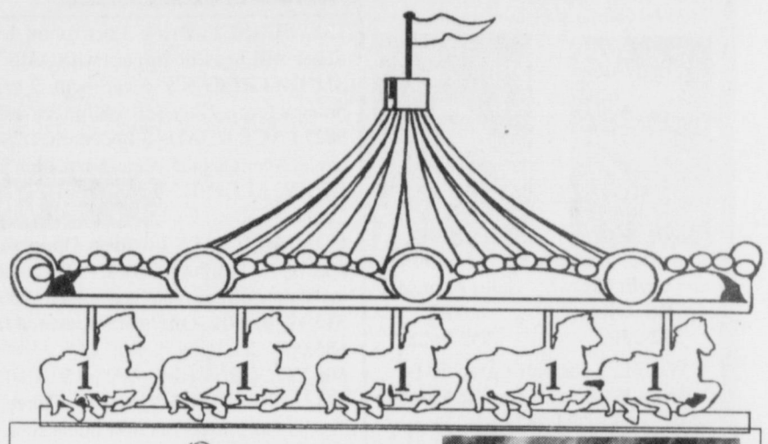

North Texas Rehabilitation Center serves all the communities which will have participating football teams.

Hawks win, lose in tournament

The Iowa Park Hawks played in their first tournament of the season this week, playing a pair of games in the Fantasy Of Lights Tournament in Wichita Falls.

Iowa Park fell 72-56 in the opener to Jacksboro, before coming back to defeat Lake Worth 60-51 in the second game.

The Hawks played only two games before dropping out of the tournament because of the Iowa Park-Crane football game.

In the opener, Iowa Park fell behind early and never really recovered as Jacksboro jumped out to a 22-10 first-quarter lead.

Landon Miller led the Hawks in scoring with 16 points, followed by Zac Miller with 10. Justin Penn and Aaron Thomas each scored eight.

In game two, Iowa Park led 17-12 after the first quarter and maintained the five-point lead until the third quarter, where they outscored Lake Worth 21-11, and went on to win 60-51.

Landon Miller led the Hawks with 21 points, followed by Penn with 15 and Thomas with 14.

"We looked like we were sleep walking in the first game," said head coach Tim Clark. "I thought we played much better in the second game. Our hustle was much better and we really got after them. Lake Worth was a good team. They had some size and some height and we just out-hustled them, which I thought was the difference in the game."

The Hawks will travel to Archer City tomorrow night to take on the Wildcats at 7:30.

Lady Hawks post their first win

The Iowa Park Lady Hawks split a pair of games in the Fantasy Of Lights Tournament this week, then fell to Rider on Tuesday night and now stand at 1-4 for the season.

Iowa Park opened the week with a 67-28 loss to Burkburnett. The Lady Bulldogs jumped out to a 32-6 halftime lead and finished with a 35-22 second half to take the win. Lacy Wells led Iowa Park in scoring with 14 points, followed by Erin foster with six and LeAnn Duran with five.

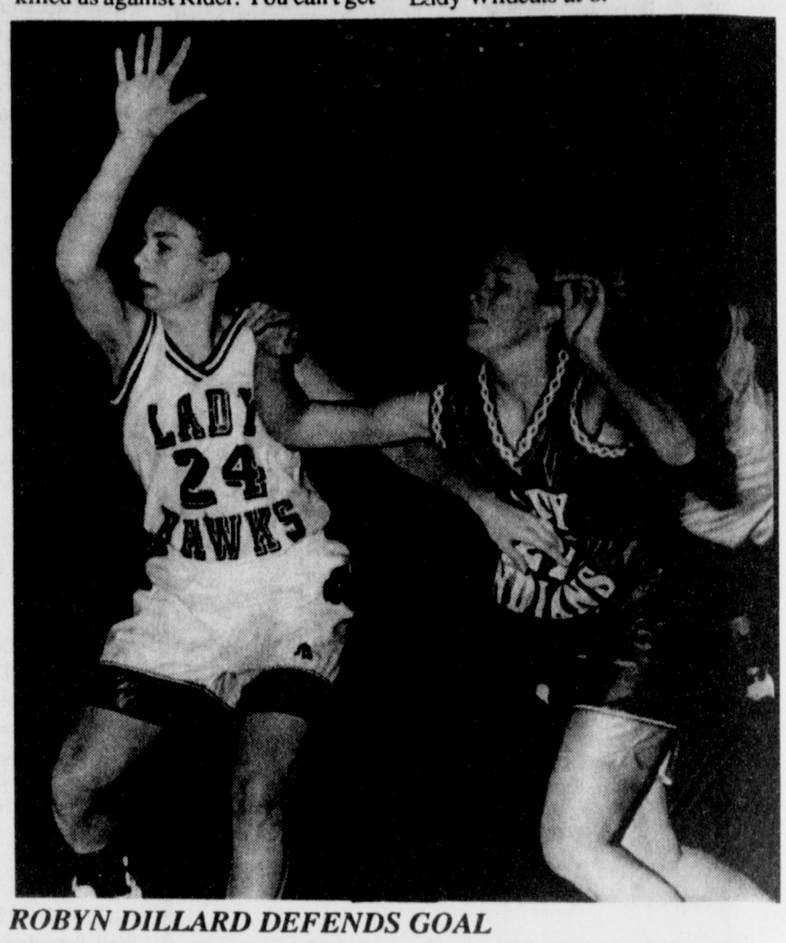

In the opener of the Tournament, Iowa Park fell 58-40 to Sanger. Iowa Park led 23-21 at the half, only to be outscored 19-3 in the third quarter and 18-14 in the fourth. Foster led Iowa Park in scoring with 16 points, followed by Robyn Dillard with 10. Wells added seven and Duran five.

In game two, Iowa Park defeated Oakridge 49-39 by outscoring their opponents 32-19 in the second half. Foster finished with 17 points, followed by Duran with 11, Wells with 10 and Christine Dillard with six.

Tuesday night Iowa Park lost to Rider 63-36 after falling behind by 29 at the half. Rider led 37-8 at the half before Iowa Park won the second half 18-17. Robyn Dillard and Foster each finished with eight points while Wells and Melissa Threet each finished with five.

"We're still not playing at the level we need to be playing at right now," said head coach Kim Huff. "Our goal at the start of the season was to be playing at a level good enough to make the playoffs and to improve on that level every week. We're still not there yet. Turnovers killed us against Rider. You can't get behind by 30 and turn it over 30 times and expect to beat anybody. When we did beat their press we couldn't finish."

Iowa Park will travel to Archer City tomorrow night to take on the Lady Wildcats at 6.
