

## New GOP Slate Set For State

By The Associated Press  
Conservative Republicans, a Fort Worth GOP leader said, are planning a separate party slate for the November election.

Edward B. Holman, a witness for the Taft Texas delegation at the Chicago Presidential convention, said the new group would be composed of Republicans opposed to the leadership of National Republican Committeeman Jack Porter of Houston.

Holman said the new group called itself the Conservative Party and would present a full slate of "real Republicans" for state and local offices.

General Dwight D. Eisenhower and Sen. Richard Nixon would head the Conservative ticket, he said, but complete slates of local candidates would be added to the present Republican line-up.

Earlier in the week, a group calling itself the Christian Nationalist party entered the name of Gen. Douglas MacArthur on the Texas presidential ballot for November.

While the new parties developed, Gov. Allan Shivers urged Texas Democrats to exercise their right of vote in Saturday's Second Democratic Primary.

"All elections are important in a democracy," Shivers said. "The second primary is no exception," and he added:

"The fact that only one state race is at issue should not lessen the interest of the voters in having a voice in their government, since many important district and local races will be decided."

Seeking Place 1 on the Texas Supreme Court, Judge Frank P. Culler of Fort Worth and Spurgeon Bell of Houston are the contestants in the lone state race.

District races include one Civil Appeals Court post, four Congressional seats, three State Senate seats, two district judgeships, four district attorney posts, one criminal district attorney place and 29 seats in the state House of Representatives.

Several counties have such jobs as sheriff, county clerk, treasurer, justice of the peace, etc., at stake.

While the governor prodded apathetic Democrats and while feud-

### Bench For Baruch

Bernard M. Baruch (right) sits with California's Gov. Earl Warren on a bench hewn from redwood log and dedicated at Dyersville, Calif., by the governor in honor of Baruch on the latter's 82nd birthday. The bench is located in a redwood grove at the foot of a 384-foot tree. (AP Wirephoto).

## Details Are Asked On Drought Relief

By The Associated Press  
Gov. Allan Shivers Thursday called for immediate response from farm leaders and small farmers and ranchers on whether they think Texas should seek benefits of the federal drought disaster program.

He said he wanted wire replies today so he could decide tomorrow whether to act or not.

"I think if we're going to take any action, it should be taken immediately," he said.

His request for wires went directly to county agents, farm editors, editors, and county judges in areas he considered most seriously affected by the drought. He asked each to contact at least six small farmers and ranchers to determine if they want the program in Texas and what they think the benefits will be.

Shivers said he has also wired Under-Secretary of Agriculture C. J. McCormick to determine the benefits of the program for small farmers and ranchers and how soon assistance could be given.

Shivers said he was "amazed if not astounded" to find at a drought conference he called Wednesday that state leaders did not know what the federal drought program involves.

"There's no question that some small Texas farmers and ranchers need help," he said, "but I don't want anybody to mislead them about what they can expect to get."

Shivers Wednesday questioned political implications of a move to declare the state a drought disaster relief area less than three months before the Presidential elections.

"We've had the drought about three years," he told a meeting in Austin. "I don't know whether this being a particular year has anything to do with it." Asked what he meant by "particular year," he answered that this was an election year.

He was addressing about 75 West

Texas farmers, ranchers, agriculture officials, bankers, chamber of commerce leaders and others attending his hurriedly-called drought conference.

Some aided with the governor in seeking the delay. Others were inflamed at what was called "dilly-dallying."

Dairyman-Farmer Joe Bob Shelton of Brownwood said, "We're at the end of our rope. We have come to a point where we need some help that we're not able to get at home."

James McAnely, assistant manager of the Brownwood Chamber of Commerce, added: "We didn't come here to talk politics. . . . If we dilly-dally around, it's going to be too late. I think it's time we did something."

Agriculture Commissioner John C. White, backing the Shivers stand, said the governor had not been slow to act but had waited to hear from the farmers before doing anything.

B. F. Vance, state director of the USDA's Production & Marketing Administration, was doubtful specific information could be secured on how the program would work.

Shivers wanted to know if farmers would get hay at subsidized prices, what kind of herds it could be used for, and what would happen to hay prices. He asked Vance to seek the best answers possible from Under-Secretary of Agriculture C. J. McCormick, who attended the West Texas drought conference in Abilene Monday.

Shivers noted farmers had been receiving emergency loans from the Farmers Home Administration since 1951, when Secretary of Agriculture Brannan declared Texas a disaster area under another law.

Rep. Bill Chambers of May said Wednesday's meeting was not the proper place to argue the kind of program would be available. He maintained the only purpose of the conference was to decide whether

## NOT MAN FROM MARS Pilot's Peculiar Rig Bars Welcome

Orval O. McGee, crop-duster pilot from Sinton, wasn't impressed with the hospitality hereabouts when he tried to find a place to park his light plane late Wednesday afternoon.

He admits, however, he was flying a queer-appearing craft and thinks he may have been mistaken for the celebrated "man from Mars."

McGee's difficulties started shortly before dusk when his efforts to land the "duster" at Webb Air Force Base drew repeated red lights. He knew there was another landing field around someplace, but was unable to locate it in the falling light.

Finally McGee picked himself out a nice level farm field a few miles north of Big Spring and landed. Not too far away was a house with the porchlights on and people sitting around the yard.

The flier taxied his odd-shaped plane—with all its crop-dusting attachments and a modified fuselage—toward the house, hoping to get permission to park the craft and maybe catch a ride into town. As he approached the house the people disappeared and the lights went out.

McGee dismounted, hailed the place and found everything locked up tight and quiet. He walked over to another house, nearby, where he said a man was hiding behind some shrubbery. He did some more hailing, asked permission to use a telephone, and still got no response.

Then the airman gave up, tied down his plane and started hoofing it into town. He was met out on the Lamesa Highway by Barney Edens, local airport manager, and M. B. Anderson, another duster pilot from Sinton, who had seen the plane go down.

After McGee related his experiences, the three airman decided it would be best to wait until daylight before he picked up his "flying saucer" and completed the hop to Lamesa.

## Nab Suspect In Smuggling

SACRAMENTO, Calif., Aug. 21 (AP)—State and federal narcotics agents engaged in a crackdown on an alien and narcotics smuggling ring said to be operating from Mexico, have arrested a suspect on charges of possessing a three-pound brick of marijuana and 18 heroin capsules.

State Narcotics Officer John Mistry identified the suspect as Antonio Alvarez, who was seized with the dope in his hotel room yesterday.

Mistry said it is known Alvarez's supplier is an illegal Mexican alien who is still at large.

Testifying before an assembly subcommittee on narcotics Tuesday, Mistry said a combination of alien and narcotics smuggling has caused a large increase in the dope traffic in the Sacramento and San Joaquin valleys.

The dope peddlers, he said, find their markets among the illegally smuggled-in aliens to whom the use of narcotics is not exactly strange.

Mistry said Alvarez served a prison term from 1948 to 1951 on a narcotics conviction.

### THE WEATHER

NO SPRING AND WINTER: 3 p.m. to 10 p.m. tonight, 70 to 75; low tonight, 55. High tomorrow, 75.

Highest temperature this date 100 in 1910; lowest this date 55 in 1902; maximum rainfall this date 4.18 in 1928.

## Truman Knows Nothing Of Washington 'Mess'

### Factories Are Left In Flames By Superforts

By WILLIAM C. BARNARD  
SEOUL, Korea (AP) — U. N. B-29 Superforts, B-36s and fighter-bombers left Communist factories, stockpiles and troop installations in flames today in two massive raids.

Thirty-eight Okinawa-based B-29s hurled 350 tons of bombs on Pyongyang, the North Korean capital, last night and early today after civilians had been warned to get out.

The Air Force said the big bombers rumbled 400 acres of troop supply and industrial areas and left huge fires burning at opposite ends of the city in the four-hour strike. All 38 planes returned safely despite Red anti-aircraft fire and fighter opposition.

More than 100 B-29s and fighter-bombers followed with a daylight bombing of a giant cement plant at Osu, about 50 miles south of Pyongyang. Returning pilots estimated they destroyed 63 buildings and damaged 29 others.

The Osu raid was the third big Allied bombing of Communist targets in two days. The Air Force said 59 buildings were destroyed Wednesday in a 200-plane Navy and Air Force smash at the Red buildup area near Namyang, 25 miles northwest of Pyongyang.

Swift U. S. Sabre jets destroyed three Communist MIG-15s and damaged two more in high-altitude dogfights over Northwest Korea Wednesday.

The raid on Pyongyang was the third in six weeks.

U. S. Marine planes blasted 33 troop concentrations and buildings on the battlefield Wednesday.

Ground action was extremely light yesterday and early today.

### Thirty Soldiers Caught In Flood

By SAM SUMMERLIN  
SEOUL, Korea (AP) — Thirty U. S. soldiers on a training exercise were engulfed by a wall of water as they crossed a river and today are feared drowned, the Eighth Army announced.

The Army said bodies of only four men caught in the flash flood had been recovered.

Boats with grappling hooks swept the unidentified South Korean river for the other 26 missing men of the 45th Infantry Division.

Names were withheld.

Rain from a typhoon which lashed Okinawa and Korea this week unleashed the crushing nine-foot wall of water in the normally knee-deep river.

The men, part of one platoon, were trapped on a sandbar as they started to ford the river.

The Army said the platoon leader lost his life trying to reorganize his men and get them to safety when the flood roared down the stream.

It called the tragedy an "act of God" and said the tricky terrain in Korea made sudden river floods possible at any time.

A truck bearing eight men and some ammunition was caught in the flood as it started across at a shallow point.

A sudden rise bowled over the truck and swept it and its passengers downstream.

The Army said the missing 26 included one officer and 25 enlisted men.

Eleven of the platoon were swept onto higher sandbars and escaped.

The 45th Division originally was made up of Oklahoma National Guardsmen called to active duty but in recent months it has become something of a rainbow division, with soldiers from all over the United States making up its ranks.

### A HOT TIME IN BOX CAR

HOUSTON, Aug. 21 (AP) — Twenty million matches burned early today—but nobody got a light.

The matches were in a steel box car at the Houston Central Warehouse. No estimate of damage was made and the cause of the blaze was not immediately determined.

### X-Ray Survey Continues At Rate Of 100 Per Hour

Chest X-rays had been given to more than 1,650 persons at 11:30 a.m. today as the anti-tuberculosis survey moved into its third day.

Chest pictures still were being made at the rate of about 100 an hour, a pace established on the second day of the survey.

Local health authorities were disappointed with the relatively light turnout of foodhandlers, however. Only 125 persons who work as distributors of dispensers of foods and beverages had been registered Thursday morning.

There are an estimated 1,500 foodhandlers employed in the county and health regulations now require that they receive chest X-rays at least once a year. All are being urged to get the free examinations while the annual survey is in progress.

All other residents of the county 15 years of age or older also are being requested to participate in the survey. Mobile equipment of the State Health Department is set up in E&R Jewelry, 112 E. 3rd, and X-rays may be secured at any time between 8:30 a. m. and 5:30 p. m. through next Tuesday.

The mass survey, sponsored by the Howard County Tuberculosis Association, is aimed at diagnosis of any "hidden" or unknown tuberculosis infections in their early stages in order that treatment may be started in time to affect a cure.

### Two Stolen Cars Found Abandoned

Two automobiles reported stolen here since Monday have been recovered, police said today.

A 1941 Ford, stolen from Francisco D. Valdez Tuesday night, was found abandoned Wednesday afternoon on West Highway 80.

A 1950 Lincoln Cosmopolitan, owned by James Petroff and stolen from the VA Hospital sometime between Monday night and Wednesday, was discovered abandoned at Fifth and Goliad this morning. Petroff had parked the vehicle when he entered the hospital for medical treatment Monday. He noticed the machine was missing from its parking place Wednesday and notified officers.

### Admits New Blood Needed By Demos

By DOUGLASS B. CORNELL  
WASHINGTON, Aug. 21 (AP) — President Truman said today there ought to be some new blood in the Democratic Party but he knows of no mess in Washington.

At a news conference with the accent on politics, Truman said he had no comment on the way the Democratic candidates, Gov. Adlai Stevenson and Sen. John Sparkman, have started their campaign. He said too that:

He doesn't have to read what the opposition says—he knows ahead of time what it is going to say and it's all wrong. He thinks he knows more about the government than anyone in the United States.

Certainly Stevenson can have the advantage of the good research which fortified his own campaign speeches in 1948, Stevenson can have all the information he wants—and so can

ment because he knew nothing of any mess.

A reporter noted that Stevenson has said something "to the effect that he wants to bring a refreshing of what's gone on for 20 years."

It was then that Truman spoke of infusing new blood into the Democratic Party while declaring there will be no turning back on what the party has done for 20 years.

There was no comment on Sparkman's statement that the recent steel strike had been mishandled.

Nor did the President want to go into any detail on the incidents involving daughter Margaret, Secret Service and Swedish newspapers.

In response to a question, Truman said he hadn't made any personal inquiries but had read reports regarding charges in the Swedish press that Secret Service men accompanying his daughter had used roughhouse tactics.

He said no new instructions are planned for the Secret Service guards because they are always right and don't need any.

On another international matter, Truman had nothing to say about the calling of a new Communist Party Congress in Moscow, slating it up as none of his business.

At one point, he took a swipe at the Saturday Evening Post, saying it is always wrong. That was in response to an inquiry whether he intends to answer an article in the magazine that said he gave the county false information about a grain shortage. Truman said he hadn't read the article and didn't intend to. He said he, almost never reads the Post because it is always wrong. Asked how he knows whether he got a briefing on such things, the President said all he needs to do is look at the table of contents and he knows.

Another line of questioning centered on an exchange of correspondence between Gov. Stevenson and a Portland newspaper editor which suggested the mess in Washington. Truman said he had no com-

ment because he knew nothing of any mess.

### Ike Directs Speech Against Extremists

By MARVIN L. ARROWSMITH  
KANSAS CITY, Kan. (AP) — Gen. Dwight D. Eisenhower said he has set forth those views in a speech last night in Boise, Idaho, and then flew here for a conference today with GOP leaders from seven Midwestern states.

Eisenhower's plane circled an hour and 20 minutes before landing at Fairfax Airport early today waiting for rain and gusts of wind sweeping the runways to moderate.

Eisenhower showed no concern during the wait aloft, chatting with members of his staff most of the time. A crowd of approximately 200 greeted him at the airport and another group cheered him as he entered his hotel for a few hours sleep before the conference.

At Boise, Eisenhower told a police-estimated crowd of about 20,000 persons:

"We have had for a long time a government in power that applies the philosophy of the left to government."

And he said centralization of power in Washington has become so great that the government "does everything but come in and wash the dishes for the housewives."

The general spoke from the steps of Idaho's Capitol in making what his associates had billed in advance as his first frank political speech since winning the GOP nomination July 11.

He got a rousing ovation at the outset and was interrupted by applause several times.

He disregarded his prepared text, but in his off-the-cuff remarks he stressed much the same theme he has outlined in the prepared version.

"The great problem of America today," he said, "is to take that

### Right-Of-Way Deeds Signed

Two of three remaining pieces of right-of-way for the U. S. 87-U. S. 80 cut-off have been acquired.

The road is to connect the San Angelo Highway with the Stanton Highway via the foot of scenic Mountain and will skirt the Webb Air Base on the northeast edge.

Deeds have been signed to right-of-way on the Edwards Estate (see Marcy Drive) and by M. S. Goldman adjacent to the Air Base, said A. J. Stallings, commissioner of Precinct No. 3 in which the road lies.

Remaining is right-of-way to be secured from the Texas & Pacific Railway Company which has agreed to donate the required land. However, the form of deed under which the company has given the state roadway for a quarter of a century now has been questioned by the State Highway Department. This legal snag remains to be worked out before construction can be started under a co-operative program by the county and state. Plans call for surfacing the road, which would make the Air Base accessible from the east by all-weather road.

### Tech Has Its First Candidate For PHD

LUBBOCK, Aug. 21 (AP)—Texas Tech's first candidate for the doctorate degree is on the tentative list of 303 graduates this summer.

He is Estus C. Polk, Fort Worth, assistant professor of English at Texas Christian University, holding a doctor of philosophy degree. Graduation exercises will be held Aug. 27.

### Macau Border Is Reported Closed

HONG KONG, Aug. 21 (AP)—Reports from Macau today said the tense border between that tiny Portuguese colony and Red China has been closed again. No reason was given. The border was reopened early this week. It had been closed and opened several times during a series of clashes last month between Chinese Communist and Portuguese border guards.

### Masked Gunmen Hold Up Station Attendant Here

Three masked Negroes, armed with an automatic pistol and driving a stolen automobile, held up and robbed a service station attendant of some \$130 here early today.

The trio were the objects of a quest covering several area counties. Search apparently was narrowed about 11 a.m., however, when the 1950 Lincoln Cosmopolitan they were driving was found abandoned at Fifth and Goliad.

Eddie Lynch, 17, relief night attendant at the Reed Oil Company Station, 1628 E. 3rd, identified the automobile as the one used by the three Negroes when they robbed the service station sometime after 2 a.m. today. The car was one stolen from James Petroff, 1111 Settles, between Monday night and Wednesday when its disappearance was first noticed.

Police and sheriff's department cars swarmed to the scene of the robbery about 2:40 a.m. today. They set up roadblocks on Birdwell Lane and between Big Spring and Garden City in hopes of bottling up the stickup men who turned off East Third onto Birdwell Lane after leaving the Reed station.

Lynch reported the robbery several minutes after it occurred. The masked bandits had forced him into a restroom and cut telephone lines before leaving the station. Lynch had to go next door to the Skyline Supper Club and awaken the proprietor before he could notify officers of the holdup.

Lynch said the three men drove into the station and parked near a soft drink machine. Two got out of the car, leaving one man in the driver's seat. The masked men confronted the attendant with an automatic pistol and took approximately \$130 from the company's till.

City and county officers Thursday were attempting to determine the approximate time Petroff's car was stolen, or locate someone who had seen the three men in possession of the machine.

Petroff had parked the car at the Big Spring VA Hospital Monday when he entered the institution as a patient. He first noticed it was missing from the parking place Wednesday afternoon.

Cleaning's A Big Job

Lt. and Mrs. James M. Kennedy find it takes a lot of dusting and sweeping to get ready to move into a new house but they're glad to do it. They are moving into the first house occupied of the 300-unit housing project under construction in Big Spring. They moved in their house at 1222 College Avenue Wednesday.

FIRST IN PROJECT

Couples Move Into New Rental Houses

The happy day many have been watching for months finally arrived for two couples Wednesday as they moved into two houses on College Avenue—the first two houses completed and occupied of the 300-unit housing project southeast of town. Lt. and Mrs. James M. Kennedy were the first couple to occupy a house. Their furniture was moved Wednesday. They spent most of the day cleaning, waxing and dusting preparatory to putting their furniture in their new home at 1222 College Avenue. Lt. and Mrs. John Nyquist were to have occupied their house next door to the Kennedy's Wednesday also. In addition to the two houses ready Wednesday, 17 more on

College and South Monticello will be inspected and be ready for occupancy by Friday, officials of the Henry A. Young Construction Company builders of the houses, have announced. Lt. and Mrs. Kennedy, who moved here from their home, Sherman, in March, were among the first ones to register for a house about June 1 and Mrs. Kennedy declared, "We have watched them build the house from the foundation almost board by board, we've been so anxious to move in." She went on, "Living in one room and eating three meals a day in cafes, like we've done since moving here, is not like living at home."

Walkouts Will Be Blocked In Atomic Plants

FADUCAN, Ky. (AP)—A plan to block any further unauthorized walkouts at the billion-dollar atomic energy plant was agreed upon by union and management officials yesterday.

While there was no word on whether the dispute involving AFL carpenters had been settled, the agreement, drawn up by President Truman's atomic energy labor relations panel, was signed four hours after the carpenters withdrew their picket line at the plant.

The declaration of policy provides penalties for workers taking part in wildcat walkouts and failing to return when ordered by the company and the union.

Although only a third of the 22,000-member work force went through the picket line yesterday, a spokesman for the F. H. McGraw and Co., prime contractor, said normal operations are expected today, the series of walkouts began over a week ago, reportedly caused by strife within the union local.

Yesterday, state police and sheriff's deputies were on guard to see that those who wanted to work were allowed to pass.

The agreement provides the following machinery for handling any future disturbances:

When a stoppage occurs the company will contact the union involved to see if it was authorized. If the walkout was not, the union will notify its members to return. Failure to do so makes the member liable for discipline provided by the union's constitution and by-laws.

The company also will be required to inform workers the stoppage was unauthorized and request them to return. Any employee who remains out will be fired or disciplined.

The panel said the policy may be extended by the consent of the parties involved to other projects for the atomic energy program in the vicinity.

Stevenson Working On Drafts For Talks

By DON WHITEHEAD MINOCQUA, Wis. (AP)—Gov. Adlai Stevenson blocked out the rough drafts today of the 15 or 12 speeches he will make on a hard-driving tour next month to win the Western vote in the November election.

This campaign may open Sept. 5 in Denver, Colo., the headquarters of his opponent, GOP presidential nominee Dwight D. Eisenhower, before moving westward to the Pacific Northwest and California.

Stevenson planned to sleep late and mix a little fishing, boating and just plain loafing with his speech writing. He also agreed to another news conference today.

Yesterday, the Democratic presidential nominee told reporters he feels "very comfortable" about his chances for beating Eisenhower. But he said the greatest obstacle in his path is the Republican argument that it's "time for a change" in administration.

Stevenson said he would deal with corruption "ruthlessly" if elected. "I always have and I always will," he added. And he went on to say that the best way to deal with what he has called "a mess in Washington" would be to name qualified and incorruptible men to government jobs—thus eliminating the wrongdoing before and not after it happens.

Asked if it would be a desirable thing to have Eisenhower directing America's foreign policy, Stevenson replied: "I don't know that I shall address myself to his undependability for anything. I don't think it will."

Stevenson reiterated he thinks foreign policy the greatest problem facing the nation. "The destiny of the United States and the free world are at stake," he said, "and it's a problem that will confront us for years to come."

He was asked to expand on what he had meant last week when he wrote a letter to Editor Tom Humphrey of the (Portland) Oregon Journal in which he referred to a "mess in Washington."

Stevenson said he was only repeating a phrase that Humphrey had used in a letter to him when he referred to a "mess." But then he conceded that the conviction of wrongdoers was proof there had been a mess and he said: "Crime, corruption and misconduct are messy wherever they are."

Three Pilots Are Fished From Water

TOKYO, Aug. 21 (AP)—Three American pilots were fished ashore from Communist waters off Northwest Korea yesterday after they ditched their crippled aircraft, U. S. Far East Air Forces said tonight.

Two were rescued by a helicopter flown by Capt. Edwin L. Leonard, Spokane, Wash.

Leonard first picked up a Sabre jet pilot, Lt. Norman Schmidt of Boulder Creek, Calif. On his way back to U.N. lines with Schmidt, Leonard dropped down again, with

in wake of Communist shore batteries and rescued a Marine F4U bomber pilot, Maj. J. B. Griffin, Jacksonville, Fla. A thunderjet pilot, Lt. G. L. Whitcomb, Cushing, Okla., was hoisted to safety in a helicopter flown by Capt. Walter E. Karutz, Sacramento, Calif. None of the rescued pilots was injured. All managed to fly their crippled planes over water and parachuted. Crewmen aboard Leonard's helicopter included Lt. James P. Kirkland, Fort Arthur, Tex. In Karutz' crew was Lt. Walter L. Johnson, 100 E. Houston St., Highlands, Tex.

PRINTING T. E. JORDAN & CO. Phone 486 117 W. 1st St. JAMES LITTLE ATTORNEY AT LAW State Nat'l Bank Bldg. Phone 393

Posse Is Unable To Locate Assailant

HOUSTON, Aug. 21 (AP)—Hounds, a posse and a posse have found no trace of the thug who shot Mrs. D. K. Marks in the side and burned her with a cigarette.

She is the daughter-in-law of Emil Marks, whose LII-J Ranch is the home of the largest known herd of vanishing Texas Longhorns.

Mrs. Marks said the prowler was after money. She was blindfolded from behind while she washed dishes on the 5,000-acre Marks Ranch in Harris County.

Hospital attendants said today her wounds are not considered serious.

RALPH PROCTOR FOR COMMISSIONER, PRECINCT 1 (Pol. Adv. paid for by Ralph Proctor)

To The Voters Of Precinct 1

I am very grateful to those who supported me in the first primary. I sincerely solicit your continued support. To you who had another first choice in the first primary, I sincerely hope you can give me your support in the runoff. If I have failed to see you since the first primary, I hope you will consider this a sincere appeal for your vote. I can better show my appreciation as your next commissioner in precinct 1. Thanks.

Let's Get A Progressive Administration For Howard County!

- Elect -

R. H. WEAVER COUNTY JUDGE

R. H. Weaver is 29 years old—young enough to be energetic; old enough to have sound judgment. He has the conscientious desire to serve his county.

Last year there were 596 civil, criminal and probate cases filed in County Court. Howard County needs a judge trained in the law.

Compare His Qualifications:

- Graduated from Public Schools of Howard County
● Graduate in law from University of Texas
● Veteran of World War II
● Practicing Attorney
● A qualified young man with an understanding of County legal and administrative affairs

Vote Saturday For R. H. Weaver

(Pol. Adv. paid for by friends of R. H. Weaver)

An Endorsement Of J. B. Bruton

for SHERIFF

We, a representative group of the women voters of Howard County, have made an independent investigation of the administration of J. B. Bruton as sheriff, and this we have done without his knowledge, and we make the following findings of fact:

That J. B. Bruton is absolutely honest, and has so conducted his official duties during his term of office.

That J. B. Bruton is a Christian man, and has been active in his church ever since he has lived in Howard County, long PRIOR to his TAKING OFFICE.

That, as sheriff, J. B. Bruton has treated everyone alike, with no enemies to punish and no friends to reward.

That J. B. Bruton has been vigorous in presenting to Grand Juries cases well prepared, and has collected more in fines during his administration than has been collected ever before during the same length of time.

That, after long and patient work, J. B. Bruton and deputies have, with help of other officers, broken up a 'dope ring' of marijuana and narcotics, this being the first time in the history of law enforcement in Howard County that such dope peddlers have been convicted in groups, with still more pending trials.

That J. B. Bruton's present opponent was defeated when he and Bruton were candidates two years ago, in the SECOND PRIMARY; that his opponent Jess Slaughter, then RAN AGAIN as an INDEPENDENT in the GENERAL ELECTION.

That J. B. Bruton is such an honorable man that we feel that we can be assured that, if HE is defeated in the Second Democratic Primary he will not run as an INDEPENDENT in the GENERAL ELECTION.

Thus, we believe that, in the interest of law and order, and an honest administration of the Sheriff's office, J. B. Bruton should be given a second term.

Dallas, Tabbies Maintain Pace In Loop Race

By CHARLEY ESKEW Associated Press Sports Writer

Dallas and Fort Worth, first and second in the Texas League, are bound and determined for a last ditch, finish fight over the championship this year.

Both won Wednesday night and extended into the fifth day their matching striders that are a game apart. What's more, the two have been rubbing shoulders with no more than two and a half games difference for over a month.

Dallas Dave Hoskins tossed his best game of the year to get the Eagles by Beaumont, 3-0, this time the Roughnecks have been shut out in five days. Hoskins' performance was a two-hit job and he drove in the first Eagle run in the third with a double.

Getting only four hits, the Cowtown club mustered three of them in the second inning for all of its runs and a 3-2 victory over Shreveport.

In the other games, San Antonio enjoyed a rare 20-hit night in beating Tulsa, 12-2, and Houston snapped Oklahoma City's win streak at four games by a 6-2 margin.

LIKE LAST YEAR?

Jimmy Dyke's Athletics May Be Starting Another Drive

NEW YORK (AP) — It's beginning to look as though Jimmy Dyke's hustling band of Philadelphia Athletics are starting to make another stretch run reminiscent of last year's final quarter push.

Dyke

With a come-from-behind 4-3 win over the Detroit Tigers last night, the Philadelphia Athletics moved into a tie for fifth place with the Chicago White Sox, eight games behind the first-place Yankees.

And to make their threat serious,

the A's have as well a balanced squad statistically as there is in the league. Three of their number either lead or are near the top in almost every hitting department.

Ferris Fain, Dyke's swarthy first baseman, is making a substantial bid to retain the league hitting crown he won last year. He is setting the pace with a .341 mark, 14 points ahead of his closest pursuers, Dale Mitchell of Cleveland and the Yankees' Gene Woodling, who are deadlocked in second place with .327.

The A's first sacker, whose forte is consistency, went four-for-five last night. After a slow start Fain rose gradually from the low 200s by virtue of two long hitting streaks, one for 24 games, a league high this year. He also seems to have abandoned the habit of aiming for the fences. The results speak for themselves, as his 140 hits are second best and his 38 doubles are tops in the league.

The long ball department is in the hands of Gus Zernial. Gus set

the pace last season in home runs and runs batted in and is making motions toward the double crown again. He stands third in homers with 22 and third in RBIs with 78.

Last in the trio of Athletics as prominent in American League hitting is the remarkable Eddie Joost. At the present sidelined with a leg injury, the 36-year old shortstop has been in the big leagues for 16 years, and still ranks second in runs with 79 and is just out of the top five in home runs with 19. Spectacular Eddie has also knocked in 61 runs, an eye-opening figure for a leadoff man. In this capacity he tops all leadoff men in baseball.

In pitching there's no need to tell anything about Shantz. Every other baseball story this year has been about Bobby Shantz. Just for the record, he is second among A. L. hurlers in percentage with .340. His 21 victories are tops. In strikeouts little Bob is third with 118.

YANKEES STUMBLE

Easter Propels Warriors Toward American Lead

By RALPH RODEN Associated Press Sports Writer

Ever since Luke Easter became a regular infielder for the Cleveland Indians it has been said, "As Easter goes so go the Indians." Cleveland's pennant hopes have waxed and waned the past two seasons coinciding with the rise or decline of Easter's fortunes at the plate. A trick knee more than lack of punch in the clutch has been responsible for Easter's failure to deliver the goods in the past.

Easter

His value to the Indians is clearly demonstrated by his performance this year. Big Luke is hot right now and so are the Indians. Cleveland, with Easter playing a leading role, swamped the Boston Red Sox, 18-3, yesterday and pulled to within a game of the American League's front-running New York Yankees. The Yanks were humiliated, 12-3, by the Chicago White Sox, Philadelphia tripped Detroit, 4-3, in the circuit's only night game. A night game between St. Louis and Washington was rained out.

Brooklyn moved seven games ahead of the New York Giants in the National League chase, downing Cincinnati, 6-3. The G's and Chicago Cubs were rained out. In other games, Philadelphia tamed Pittsburgh, 3-1, and St. Louis trounced Boston, 9-2, in a game called in the eighth inning because of rain.

The Indians got take over the lead today with the help of Chicago. A Cleveland victory over Boston and a Chicago triumph over New York would enable the Indians to move out in front by one percentage point.

Cleveland enters the crucial stage of its 12-game road trip tomorrow when it invades Yankee Stadium for a two-game series. Easter, Ray Boone and Larry Doby were the ringleaders in Cleveland's rout of the Red Sox. Easter batted in six runs on a grand slam homer and two singles. Boone sent six mates across on a homer and two singles and Doby batted in a pair of runs on his 27th homer and two singles.

Since July 15, when Easter rejoined the Indians after a short exile to Indianapolis of the American Association, the Tribe has won 24 games and lost 15, a .61 pace. During this span Easter has whacked out 28 hits in 78 times at bat, a .333 average, driven in 28 runs and clouted eight homers. Before he departed for Indianapolis he was hitting .308 and had driven in 33 runs and connected for only 11 homers in 63 games.

The Indians spotted the Red Sox a 3-0 lead in two innings before they lowered the boom with a 10-run uprising in the third against Maury McDermott, Ray Scarborough and Willard Nixon. Easter climaxed the rally with his jackpot wallop. Easter and Boone singled home a pair of runs apiece in the fifth and the Tribe closed out their scoring with four more in the seventh on Doby's homer and Boone's three-run blast. Bob Lemon gave up 15 hits in notching his 15th victory.

Giammalva To Work Out In New York

BROOKLINE, Mass., Aug. 21 (AP) — Sam Giammalva, Houston, will join the rest of the U. S. Junior Davis Cup Tennis Team Saturday for practice matches at Forest Hills, N. Y.

Col. James H. Bishop, squad committee chairman, announced the addition of Giammalva to the squad last night.

Johnny Hernandez, Houston, declined an invitation to take part in the junior squad training.

Softball Tourney To Begin Tonight

TEXAS CITY, Aug. 21 (AP) — The Texas Amateur Athletic Federation State Softball Tournament opens tonight. Thirteen teams are entered. The strongest contenders are Austin's Merchants, Lackland Air Force Base, Boatwick's Cafe of La Marque and Houston Grand Prize. Other teams are entered from Corpus Christi, Baytown, Galveston, Kingsville, Waco, Dallas and Fort Worth.

Tourney Opens

TYLER, Aug. 21 (AP) — Sixteen teams will be in the Texas Amateur Athletic Federation Women's Softball Tournament which opens today. The tourney runs through Saturday.

Chicago also came up with a big inning to beat the Yanks. The White Sox scored six runs in the third inning to wipe out a 2-1 deficit and that was more than Saul Rogovin needed to hang up his 11th triumph.

Carl Scheib drove home two runs and scored the winning run in the A's triumph over Detroit. Scheib singled home two runs in the seventh to tie the score at 3-3 and then pranced over the plate on one-baggers by Pete Stader and Ferris Fain.

Brooklyn found Veteran Ken Raffensberger for 11 hits and all

of their runs in less than four innings.

Connie Ryan was the big wheel in Philadelphia's triumph over Pittsburgh. Ryan clouted his 19th homer, walked three times and stole two bases in posting his 10th conquest.

Harry (The Kitten) Haddix turned in a five-bitter in his major league debut for the Cards. Haddix, awaiting discharge from the Army, coasted home after the Cards jumped on Lew Burdette for six runs in the second inning on three doubles, three singles and two walks.

LITTLE LEAGUE

Yankees Go One Up In Set With Tribe

D. E. Gartman's exploded for nine runs in the fourth inning and went on to belt the Indians, 19-6, in the first game of the Little League championship series at Steer Park Wednesday night.

The score was tied at 3-all when the Yanks went to work on Jimmy Subiate in the fourth, at which time they sent 13 men to bat.

Trailing, 18-3, going into the final inning, the Warriors broke loose with a rally of their own when

Cook, People's Register Wins

Two games in the YMCA Industrial Pastball League Wednesday night produced 61 runs as Cook's Appliance and People's Investment won from Henderson Plumbing and Webb Air Force Base.

Cook's scored 16 runs to blast the Plumbers 16-1 in the first game. Spec Franklin hurled for the Cook's nine and gave up two hits.

Cook's got but eight. The winners scored four in the first frame, one in the second, went scoreless in the third and fourth and came across with 11 in the fifth. Henderson scored their lone tally in the first inning.

In the second game, Peoples outlasted Brook's Appliance by a 25-18 count. Cecil Winabar was the losing hurler.

Jimmy Marin led off with a home run but the uprising fell far short.

Billy White pitched all but the final inning for the winners and did a fine job of containing the Indian power.

The two teams tangle again tonight. If the Yanks win, it'll all be over. If the Tribe comes back and even the count, the series will extend through Friday night.

Winner of the playoffs will win the Poncho News Stand trophy and recognition as the 1952 champion of Big Spring Little League baseball.

The champion does not qualify for regional play, since the local entry was forwarded too late to National League headquarters for recognition.

Table with 4 columns: Player, AB, R, H, I. Lists stats for Yankees and Indians players like Haddix, Ryan, Scheib, etc.

Texans In Shape

KERRVILLE, Aug. 21 (AP) — No injuries are anticipated that would keep any Dallas Texans on the bench for their game with Carwell Air Force Base at Corpus Christi tomorrow night.

All the Texans are in good shape, trainers Raymond West and Frank Medina said yesterday.

Graham Defeats Carmen Basilio

By CHARLES CHAMBERLAIN CHICAGO (AP) — At the age of 30, and after 113 professional fights, Irish Billy Graham is willing to admit that it's hard work being a boxer.

"I always liked to fight and can remember when I'd rather fight than eat," he said. "But now it's just plain hard work. The only thing that keeps me going is the chance at Gavilan's title."

After polishing off rugged Carmen Basilio, the Uplstate New York former onion-grower, in 10 rounds at Chicago Stadium last night, Graham wasn't even breathing hard.

"I'm going back to New York and rest for five days then go back to work," he said. "I'd start preparing for Gavilan by doing roadwork at Greenwood Lake (N.Y.) then move my training quarters to Miami about Sept. 10 or 12. I'll go to Cuba 10 days before the fight."

The powerfully built Graham, who, in his Chicago debut, impressed ringiders as the sharpest and cleverest boxer since Ray Robinson, will shoot for Kid Gavilan's welterweight crown in Havana Oct. 4.

Graham, who lost in New York to someone named Joey Giardello two weeks ago, easily took a unanimous decision over the aggressive Basilio in last night's nationally televised bout. He weighed 148 to Basilio's 146½. Only 2,782 fans were at ringside, contributing to a gross gate of \$5,913.

Cochran To Coach At Odessa Crockett

High Cochran, former Big Spring High School griddler, has been named a Seventh Grade football coach at Crockett Junior High in Odessa.

He will help Tom Davis tutor the eleven.

Horses In Tie

GLADEWATER, Aug. 21 (AP) — High point honors in the East Texas Quarter Horse show and races were taken by Red Bubbles, a 6-year-old stallion, and Star Jack Jr., 4-year-old gelding.

The horses tied, show officials announced yesterday. The show closed the night before.

# Guerra Gains 22nd Win Behind Steeds

## Grantham Loses In Hill Duel

ROSWELL, N. M. — Gil Guerra duplied Elwood Grantham to achieve his 22nd mound success of the season as the Big Spring Bronces nipped the Roswell Rockets, 4-3, here Wednesday night.

The defeat all but eliminated Roswell from any chance at entering the Shaugnessy playoffs, which begin Sept. 8. Arriola defeated Odesa to move eight full games ahead of the Rockets in the battle for fourth place.

Big Spring leads Roswell by 13 full games, with but 21 to play. The Bronces also sliced into Odesa's lead. They now trail the pace-setters by five games.

Buddy Grimes again paced the 14-hit Big Spring attack with four safeties, all of them singles.

The visitors' victory was achieved through a steady 14-hit attack on Grantham, plus the hurrying of their own mound ace. Big Spring hit safely in every inning and had a 4-1 lead over Roswell before a two-run outburst brought the Rockets back into the ball game in the seventh inning.

The seventh stanza Rockets tales were the work of Bill Roemer and Bobby West, who singled in rapid succession after Manager Al Monchak had led off the inning with a single and Audie Malone had received one of four bases on balls given up by Guerra. Roemer's single to right scored Monchak, West's to the opposite field plated Malone.

Roswell's first run came in the opening inning and deadlocked the ball game. I. J. Bobby Lemmer's leadoff double plus Les Palmer single accounted for the Rocket tally while Big Spring tallied on a single by Witty Quintana and Roswell's only two errors of the game.

The Bronces surged to a 3-1 lead in the third. Quintana opened the stanza with a single to left, went to second on a wild pitch and third on an infield out. Juan Visteur plated Quintana with a single to right, then scored himself when on a ground out after moving around to third on a safety by Buddy Grimes.

Big Spring scored its fourth and final run in the fifth, then held on. Manager Pat Stacey walked to open the inning, went to third on a single by Visteur and scored when Al Costa sliced still another single into left field.

The two clubs play the second game on a three-game series here tonight.

**McAlester Holds To First Place**

By The Associated Press  
 Texas City, hopelessly deep in the Gulf Coast League cellar, refuses to take its licks and like it now that the race is about over.

The bent-but-not-broke Texans ran their win streak to four over first division clubs Wednesday night. First place Fort Arthur, invading the Texans' lair, was the victim this time, 7-4.

Sixth-place Brownsville got 13-strike-out hurling by Andy Sierra and four consecutive doubles on the part of Walt Seal in beating Harlingen 9-2.

Lake Charles rapped 20-game winner Roy Contreras for 15 hits and beat Galveston 8-5.

Corpus Christi moved into second place over Laredo 5-4. A three-run homer by Luke Lukenbach and three singles put the Aces ahead 4-0 in the first frame.

**Texas City Licks Top Nine, 7 To 6**

By The Associated Press  
 There are 13 Soccer State League playing days left, and barring a Cinderella finish like last year's National League Giants, the McAlester Rockets have the top spot sewed up.

All the terror Rockets have to do is play 300 ball the rest of the way to win. Even if they do worse than that, second-place Chickasha will probably lose a couple before the season is out and the Rockets can go back into first place.

Chickasha stayed in the race, beating Shawnee, 7-4.

**Texarkana To Use Negro Baseballer**

TEXARKANA, Tex., Aug. 21 (AP) — Texarkana will flash a Negro ball player, John Wills, against Austin in a Big State League game Saturday.

The 36-year-old native of Lisbon, La., is the first of his race on the Texarkana club. Other Negroes have been used in the league.

Caddie Medalist

Fred Lawson, 17, Tulsa, Okla., mops off with a towel after he proves to be the hottest golfer in the opening rounds of the PGA-National Caddie Tournament being played at Columbus, Ohio. Lawson said he sprayed through the trees most of the day, but still turned in cards of 71-77-148. His prize is a \$300 one-year college scholarship. (AP Wirephoto).

## LOOKING 'EM OVER

With Tommy Hart

Now that the bitterness of the principals involved has been sweetened by the vicissitudes of time, the pillar will try to unveil the mystery that surrounded a eighth inning play which occurred in the first game of the San Angelo-Big Spring set here last week.

Big Spring, ahead at the moment, was threatening to go further out in front after loading the sacks. With two away, Catcher Al Valdes stepped to the plate.

The runner at third, Witty Quintana, elected to try and steal home at that time. Valdes didn't know it and didn't offer at the pitch as it rode in. In his eagerness to arrest the speeding Quintana, Catcher Ronald Decko of Angelo, says Valdes' charged and ran into Valdes' bat in such a way that it propelled the pitch out onto the diamond, where it was taken by J. B. May, the pitcher, for an easy out.

Valdes protested interference, insisting he should have been given first base. Umpire Orville Eckstein insisted he did not see it that way and had no alternative but to call Valdes out.

Fortunately, Big Spring didn't need the run. The Bronces prevailed, 5-2. It's just as well. The parties involved would probably have been arguing until midnight.

Clarence Trantham, who will pitch for the Old-Timers if that one-inning game between the Greybeards and the Bronces shapes up, says he played his best ball for Amarillo after leaving here in 1940.

Trantham was used as a relief pitcher that year and saved many a ball game for the Gold Sox.

Sacramento of the Class AAA Pacific Coast League, drew only 5,048 paying customers to a recent seven-game series. That averages out to only 721 a game. Several of the Longhorn League clubs have been faring better at the gate.

**FARQUHAR TO PLAY FOOTBALL AT ARLINGTON**  
 Ronald Farquhar, who is carrying 30 more pounds than he did last fall, will try and make the Arlington State College grid team this fall.

Ron, who played and for Big Spring High School, is up to 125 pounds now and is hard as nails. He's been working as a roughneck this summer.

Jumbo Joe Stydahar, the Los Angeles Rams' coach, says he wouldn't trade Jim Winkler for any tackle in the National Football League.

Winkler, as most every one knows, played college ball at Texas A. & M.

**POP WARNER ALMOST WENT TO MINNESOTA**  
 Pop Warner, the great football mentor who gained fame as Jim Thorpe's coach at Carlisle, almost went to Minnesota University as coach instead of the Indian school.

He applied for both jobs and vowed he'd take the one who asked him first. Each reply came by mail. The Carlisle offer arrived one morning, the Minnesota offer that afternoon.

## Texas Favored By Magazine

The University of Texas Steers will be the best team in the Southwest this fall, and should drop only two games, to Notre Dame and Oklahoma, Francis Wallace predicts in this week's Collier's.

Collier's associate editor believes that Texas will pull away from the park and land in the Cotton Bowl, with Georgia Tech winner of that classic.

At the same time, Wallace turns to Baylor for his sole choice from Texas for Collier's pre-season All-America eleven. Wallace selects Bill Athey, Baylor guard.

The team lines up with Dekker of Michigan State, and McPhee of Princeton, ends; Evans, of Penn and Modzelewski, Maryland, tackles; Athey, and Nichols of Tennessee, guards; Catlin, center; and a backfield comprised of Lettner, Notre Dame; Oleszewski, California; Scarbath, Maryland; and Vessels, Oklahoma.

The University of Maryland is chosen as the top team in the nation. Among the top 20 teams, Wallace rates Oklahoma fifth and Texas 18th.

Here's the way Wallace figures teams in the Southwest will finish the season in the won-lost column: Texas, 8-2; Rice, 7-3; TCU, 7-3; SMU, 6-4; Arkansas 6-4; Baylor, 5-5; W. Texas State, 5-4; TAMU, 5-5; Texas Tech, 5-3; Temple, 5-2; McMurry, 5-4; Hardin-Simmons, 6-3; and Arizona, 6-4.

## IN NATIONAL AMATEUR

# Cherry Beats Stranahan Ward Loses To Littler

By BOB MYERS

SEATTLE (AP)—Sixteen survivors of play, headed by former Champion Charlie Coe and such strong challengers as Walker Cup player Jimmy McHale, sailor Gene Littler and crooner Don Cherry, head into another double round of match play today in the Men's National Amateur Golf Championship.

Coe, the 1949 champion, and McHale are familiar names in the national classic.

Littler and Cherry earned their way into prominence by producing the two most resounding triumphs of the fifth round yesterday afternoon.

Littler, 25-year-old former junior star, with perhaps the most brilliant play thus far in the tournament, defeated the British amateur champion, Harvie Ward Jr., of Tarboro, N. C., 4 and 2.

Cherry, 28, from Garden City, N. Y., well known in the East as a professional singer, made it another year of sorrow for Frank Stranahan, the perennial contender from Toledo.

Cherry, who has played without acclaim in three other nationals, defeated the handsome Ohio strong-boy, 2 and 1.

Stranahan, twice British champion, has never won the American crown.

Arnold Blum, Macon, Ga., a hot threat, cooled off before the golf of Paul Johanson, Seattle. Johanson came out of a tree, literally, on the ninth fairway—to halve the hole—and go on to win, 1 up.

Ray Billows, Poughkeepsie, N. Y., a three-time runner-up like Stranahan, will have to wait a year to try again. Johanson beat him, too, 5 and 3.

Johnny Dawson, Palm Springs, Calif., missed seven putts of four feet or less to run an otherwise beautiful game and lost to Edward Meiser Jr., Willoughby, O., 1 up.

Cherry, who has played without acclaim in three other nationals, defeated the handsome Ohio strong-boy, 2 and 1.

Stranahan, twice British champion, has never won the American crown.

Arnold Blum, Macon, Ga., a hot threat, cooled off before the golf of Paul Johanson, Seattle. Johanson came out of a tree, literally, on the ninth fairway—to halve the hole—and go on to win, 1 up.

Ray Billows, Poughkeepsie, N. Y., a three-time runner-up like Stranahan, will have to wait a year to try again. Johanson beat him, too, 5 and 3.

## ASK STENGEL

### Saving Regular Hurlers Hurt Yankee Drive

By ORLO ROBERTSON

NEW YORK (AP)—Win today's game today and worry about tomorrow's game tomorrow.

That's an old baseball saying in which Manager Casey Stengel of the New York Yankees apparently doesn't concur.

At the least it looks that way with the pilot of the world champions holding out his two ace pitchers — Allie Reynolds and Vic Raschi—for the two-game series against the red-hot Cleveland Indians opening in Yankee Stadium tomorrow.

"Old Case," obviously concerned with Al Loper's sluggers breathing down his neck, twice had led with second-string hurlers against the second-division Chicago White Sox.

And twice he has seen his proud Yanks go down to defeat. As a result today they hold only a one-game margin over the Indians and that's in the win column. They're all square on the losing side—50 games each.

That's the shortest lead held by the champions since June 14, when they paced Cleveland by a half-length.

Stengel, however, will try again today to whip the Pale Hose with a second-string pitcher. He has nominated rookie Tom Gorman, a righthander with a 4 and 1 record.

Should Gorman fail and the Indians again beat the Boston Red Sox, the standings tonight would show Cleveland leading by one percentage point.

Present plans call for Reynolds to hurl tomorrow's game against the Indians with Raschi getting Saturday's assignment.

Either one or both were ready to pitch against Chicago but Casey chose to gamble with Johnny Schmitz Tuesday night and lost.

Then yesterday the Yankee manager tried to slip his bullpen brigade past the White Sox. Johnny Sain took a quick whipping as he was belted for six runs in the third.

Harry Schaefer (who didn't get a pitch over the plate), Jim McDonald, Joe Ostrowski and Bill Miller trailed Sain in a forlorn array with only Miller looking like a major leaguer as the Sox won, 13-3.

# Presbyterian Group Meets In New Church

Around 15 or 20 prospective members of the new Presbyterian Church being erected on Birdwell Lane across from Howard County Junior College attended the first meeting in the partially-completed structure Tuesday evening.

The walls of the building are now up, and the contractor expects to finish the roof within a few days.

Charles Spivey of Midland, a student at Princeton Theological Seminary, has been here since Aug. 4 assisting with organizational details.

At the meeting Spivey showed a film, "Like a Mighty Army," showing how one small church was started, and appointed a steering committee to work out policies and future plans of the church and a religious education committee to study the Sunday School situation.

On the steering committee are Ralph McKenzie, Leroy Olzak, D. T. Evans and Mrs. C. M. Wozencraft.

Comprising the religious education committee are Mrs. Gill Bar-

nett, Mrs. Hal Culp, Leon Moffett, Mrs. Eugene R. Peters, Mrs. Harry W. Banker, Billy Suggs and Mrs. L. B. Edwards.

It is hoped that the building will be completed in time for Sunday School classes to be started by the middle of September. Parents interested in sending their children to the school should contact some Presbyterian in the area so that some estimate may be made of the potential enrollment and the necessary materials ordered, Spivey said.

Sponsored by the Presbyterian Board of Church Extension, the new church will be sponsored by the Board as a bonus mission church until it becomes financial-ly independent.

A number of members of First Presbyterian Church have contributed to the building fund. Most of those who attended the meeting were members of First Presbyterian who live in the vicinity of the college and expect to unite with the new church.

## DESIGNING WOMAN

### New Lamps Follow Lines Of Bookcase Headboards

By ELIZABETH HILLIER

Lamps fit more spots in the room than they used to, and there's more reason for putting them there. The popularity of the bookcase headboard, for one thing, brought about a need for a new kind of lamp and so has television, which demands a new plan for room lighting.

Mrs. F. C. asks what kind of lamp to put on her bookcase headboard. "I still don't really like the modern fixture kind of lamp," she writes, "but haven't found any other kind made would stay put with safety." Lamp designers have just come up with an answer to your problem.

Mrs. C., by plotting a lamp that follows the lines of the top of the headboard. Here is one in wrought iron with a polyplastic shade that is sturdy and low and gives a long range of light. It's intended for use atop a chest or higher piece of furniture in a room for television, too. Because it can be set where another type of lamp could not go, it helps to balance the lighting of the room as it should be according to the advice of the lighting experts.

## Mrs. Knight Entertains; HD Club Has Family Picnic

FORSAN, (Sp1) —Mrs. D. L. Knight entertained with a demonstration party at her home Tuesday evening.

Mrs. O. W. Averitt and Mrs. G. G. Green were prize winners and Mrs. C. B. Nunley of Big Spring was the demonstrator.

Others attending were Mrs. L. T. Shoultz, Mrs. C. L. Draper, Mrs. Frank Swiger, Mrs. Harry Barnett, Mrs. H. E. Peacock, Mrs. J. B. Hicks, Mrs. J. P. Kubecka, Mrs. T. R. Camp, Mrs. John B. Anderson and Mrs. C. L. Fowler.

Members of the Home Demonstration Club and their families met at the Country Club recently for their annual picnic.

Mrs. Sammie Porter was in charge of recreation and 14 attended.

G. W. Overton underwent spinal surgery Tuesday in Harris Hospital, Dallas. His wife and his son and daughter-in-law, Mr. and Mrs. Jesse Overton are with him.

Peggy Knight was a patient in a Big Spring hospital during the week.

New Forsan residents include Mr. and Mrs. R. S. Hyden and baby formerly of Coahoma. Hyden is employed by the Shell Pipe Line Co.

Mr. and Mrs. O. K. Barnhart and children recently visited Mr. and Mrs. H. L. Gibson and family en route from California to Houston.

Recent visitors in Forsan were Mr. and Mrs. V. I. Porter and Mrs. W. C. Yandell of Wichita Falls.

Mr. and Mrs. Joe T. Holladay and family are visiting in Dallas and Midlothian.

Mr. and Mrs. George Deldhart of North Hollywood, Calif. were recent guests of Mr. and Mrs. C. M.

## Mrs. Stinson Gives Report At Meeting Of Ruth Circle

Mrs. Nera Stinson reported on a recent meeting she attended when the Mary Martha Circle of the First Christian Church met at the church recently.

Mrs. Stinson told of attending a gathering in Kingsville where E. Stanley Jones gave excerpts from his book, "How to Be a Transformed Person."

Mrs. J. R. Parks presented the devotional.

Mrs. Shelby Hall, the hostess, served refreshments to the group.

## Rebekahs Meet

Nell and Harvey Coleman were guests when the John A. Kee Rebekah Lodge met Tuesday evening at Carpenter's Hall. Twenty-three members also attended.

## Picnic Changed

Date of the Clover Leaf 4-H Club picnic, originally scheduled for Friday night, has been changed to Saturday night. All the picnicers should meet at the office of Mrs. Eugenia B. Toland at 7 p. m. Anyone planning to attend should contact either Mrs. Toland or Barbara Lewter.

## Wilma Nancy Dunn Feted With Party On 5th Birthday

FORSAN, (Sp1) —Wilma Nancy Dunn was honored on her fifth birthday Tuesday evening by her parents, Mr. and Mrs. W. B. Dunn, with a party at the Forsan Country Club.

Mrs. E. E. Everett assisted the hosts.

Games were played and movies were shown by Mrs. F. P. Honeycutt. Favors were candy and bubble gum.

The white birthday cake was topped with five yellow candles and decorated with yellow icing.

Attending were Susan Heideman, Linda Sue Wingett, Susan Swain, Sharon and Sandra Klahr, Judy

## REPORTS TO PARENTS

### NY Hospital Finds Way To Erase Children's Fears

By DR. MARTHA M. ELIOT

Chief, Children's Bureau, Federal Security Agency

A hospital needn't be a terrifying place to children.

The child who first sees a hospital as a place where he can play while he is waiting for the doctor or while his mother is seeing the doctor certainly would not be as likely to approach his first hospital experience on his own as something to be feared.

Some children have their first contact with the smells, sounds and sights of a hospital because they are accompanying their mothers when they go to a clinic, or are attending well-child clinics.

At the Jewish Memorial Hospital in New York City, a way has been found to make the first hospital experience reasonably acceptable for children.

It started when officials found that attendance at prenatal clinics was dropping off sharply. A check of mothers-to-be showed that many of these women were not attending clinics because they had no one with whom to leave their little children during the clinic hours. The women were worried that they were not receiving prenatal care, but had no way of solving the problem of temporary care for their other small children.

Out of this problem, an idea grew. If the mothers had some place where their children could play in the hospital's out-patient department while they attended clinics, they could come for prenatal checkups.

So hospital officials checked with the engineer and the carpenter, who found space for a play corner close to the clinic. The social worker and assistant administrator of the hospital learned what equipment would be needed. This included sturdy, child-size tables and chairs, which were built on the premises. Toys and photographs for the walls were donated. Within a month the play corner was open for business.

Not only did attendance at the prenatal clinics increase, but mothers took to sitting outside the playroom so they could have the fun of watching their own children play with others.

The play corner was such a success that before long, doctors and nurses wanted to join in the fun, to help them with their "garages" and "trains."

Soon, not only children waiting for their mothers, but children coming to well-child clinics were crowding into the playroom.

The children get a great deal of enjoyment out of learning of arts and crafts teacher, and much encouragement from the teacher in expressing their own individuality.

Officials at the Jewish Memorial Hospital feel that a hospital should not only be concerned with illness, but with persons as individuals. They feel that this concern is one way of wiping out fear of the hospital, doctors and other hospital personnel.

**Humming Birds**

By CAROL CURTIS

In color transfers in shocking pink and light emerald green are these fascinating, glowing little humming birds. Eighteen motifs which require no embroidery are in sizes from 8 by 5-inch motifs to separate little motifs of 1 1/4 inch. Usually colorful on lines, guest towels, blouses, dainty place mats, dresser sets. You'll like them come gift-making time!

Send 25 cents for the HUMMING BIRD Transfers in COLOR (Pat. No. 534) all transferring and laundering instructions. YOUR NAME, ADDRESS, PATTERN NUMBER to CAROL CURTIS, Big Spring Herald, Box 225, Madison Square Station, New York 10, N. Y.

Quick Super Clam Chowder\*  
Cucumber Sandwiches  
Fruit  
Beverage

(Recipe for Starred Dish Follows)

**QUICK SUPER CLAM CHOWDER**

Ingredients: One 10 1/2-ounce can condensed clam chowder, 1 cup light cream, 1/4 cup milk, one 7-ounce can minced sea clams, 2 teaspoons minced parsley.

Method: Empty clam chowder into saucepan; swirl out soup can with light cream and add to chowder with milk and clams (including liquid from can). Place over low heat and stir often until very hot; do not boil. Ladle into soup bowls and sprinkle with parsley. Makes 4 hearty servings.

Notes: 1/2 cup steamed chopped clams and 1/2 cup clam broth may be substituted for 7-ounce can of clams.

## Mrs. Carter Is Honoree At Coffee

Mrs. Dutch Carter, most excellent chief of the Pythian Sisters, was honored at 8 a. m. Thursday at a sunrise coffee in the home of Mrs. W. L. Thompson, 1608 Stadium Ave.

Co-hostesses were Mrs. Doyle Vaughn and Mrs. Frank Martin.

Mrs. Carter will leave around Sept. 1 for Rocky Ford, Colo. to make her home.

She was presented a gift by the group.

The refreshment table was laid with a multicolored cloth and centered with a rubber plant. The hostesses alternated at the table.

Attending were Mrs. Eva Lee Trotter, Mrs. Janet Lilly, Mrs. Juanita Fannin, Mrs. Mae Carter, Mrs. Ann Darow, Mrs. Jannie Hufstetter, Mrs. Annabel Huddleston, Mrs. Mamie Hill, Mrs. Verna Martin, Mrs. Earlene Davidson, Mrs. Maurayne Chrans, Mrs. Lou Jean Renshaw and Mrs. Ophelia Tucker.

## Circle Meets In Baird Home To Hear Rev. Strong

The Rev. D. Orval Strong taught the lesson, "How the Church Serves Itself and the Community" at the meeting of the Fannie Hodges Circle of the First Methodist Church in the home of Mrs. J. T. Baird Monday afternoon.

Mr. R. S. Youngblood gave the devotional from Hebrews 1:5.

Prayers were offered by Mrs. Baird and the Rev. Strong.

Mrs. S. R. Nobles presided during the short business session.

Refreshments were served to 10 members and two guests, Mrs. W. L. Baird and the Rev. Strong.

## Hillcrest WMS Meets At Church For Bible Study

Mrs. Don Duke, community mission chairman, gave the devotional at the meeting of the Hillcrest Baptist WMS Tuesday afternoon at the church.

The group sang the "Woman's Hymn" accompanied by Mrs. Virginia James, pianist.

Mrs. Cecil Cook led the opening prayer and Bible study was from the 11th chapter of "Women of Destiny in the Old Testament."

Participating on the program were Mrs. Troy Harrell and Mrs. J. T. Grantham.

The meeting closed with a season of prayer. Next week the group will have a business meeting.

## Foot And Fiddle Club Has Meeting

Jimmy Fells and Tommy Whalley called the dances when the Junior High Foot and Fiddle Square Dance Club met Monday evening at the YMCA.

The three sets danced to recorded music. Kay Hanna of Quanah was a guest.

## Galveston Vacation

Ray Adams and Jack Little have returned from a week's vacation trip to Galveston and will leave soon to resume their college work. Jack will enroll at the University of Texas and Ray will be a student at North Texas State College.

## Rogerses Have Guests

Mr. and Mrs. E. K. Billington of Hawthorne, Calif., are here visiting with Mr. and Mrs. J. Tom Rogers, 508 W. 13th. Mrs. Billington and Mr. Rogers are cousins.

## Mrs. B. J. Wiss Honored; Son Arrives For Disneys

FORSAN, (Sp1) —Mrs. B. J. Wiss was honored with a pink and blue shower recently in the home of Mrs. W. H. Swain.

Mrs. B. P. Huichon was co-hostess.

The honoree wore a corsage of pink and blue corn flowers. The flowers were repeated in the centerpiece which was a baby shoe planter flanked with pink candles in crystal holders. Baby toys were scattered about the table.

Attending were Mrs. B. D. Caldwell, Mrs. James Underwood, Mrs. Jack Marshall, Mrs. Guy Stephenson, Mrs. John Sweeney, Mrs. G. F. Duncan, Mrs. A. J. McAllen, Mrs. C. H. Martin, Mrs. D. W. Robertson, Mrs. J. D. Gilmore and Mrs. Charlie McGuire.

Mr. and Mrs. Jay Disney have announced the birth of a son, Richard Keys, Aug. 16 at 8:30 a. m. in a Big Spring hospital.

The baby weighed six pounds, five ounces and is the grandson of Mr. and Mrs. C. R. Disney of Berger and Mr. and Mrs. Rex Keys of Dublin.

Mrs. Disney and Mrs. Keys are guests in the home of the baby's parents.

Bobby Wise is visiting his grandparents in Sweetwater this week. Mr. and Mrs. C. J. Wise, Betty and Jack are spending a week in Colorado Springs, Colo.

Mr. and Mrs. J. D. English spent the week end in Stamford.

Guests in the home of Mr. and Mrs. C. L. Fowler and family are Mr. and Mrs. Glen Gill of Duncan, Okla. and Mrs. Denton Prestigrove, Terry and Sonia of Pampa.

Mrs. Buddy Cox and children of Sweetwater are guests in the home

shall. Mr. Dempsey went back to work Monday with the Gulf Oil Co., following a sick leave.

Mrs. Pearl Scudary was admitted to the Big Spring Hospital Tuesday.

Mr. Jim Snelling is spending a few days in Snyder with her mother, who was recently dismissed from the hospital.

## Culvers Win High At Bunko Party

Mr. and Mrs. Joel Culver won high scores when the BOP was sponsored with a bunko party Monday evening at the Elks Club.

Mrs. Helen Kelly was awarded low score for the women and Jimmy Giesler, for the men.

Refreshments were served to about 25.

AREA OIL

Plugging Due Hobo Outpost; Shallow Test Nears Pay Zone

Abandonment was due for a southwest outpost to the Hobo field which was bidding as a possible link with the East Vealmoor pool.

Operators were nearing anticipated pay zone in a shallow test east of Vincent.

Borden

Union No. 1 Loggie, C SE SW 9-32-6n, EL&HR, prospector 15 miles northwest of Gail, drilled past 7,965 feet.

Standard No. 6-14 Griffin, 467 from the north and 1,980 from the east lines of section 35-25, EL&HC, half a mile southwest of Hobo production and 2 1/2 miles east of Vealmoor pay, took another (the fourth) drillstem test from 7,148-76 in lime with the tool open three hours. There was a fair blow of air at the outset and it increased to a good blow in five minutes. Recovery was 150 feet of salt water-cut mud and 995 feet of salt water. Operator is plugging to abandon.

Dawson

Sinclair No. 1 Scott, 600 from the south and east lines section 101-M, EL&HR, 10 miles west of Lamesa, continued at 12,356 in Devonian lime.

Standard and Chicago Corp. No. 1-4 Smith, C NE SE 2-H, EL&HR, 14 miles north of Lamesa and a mile north of present Spraberry production in the Smith pool, drilled to 5,212 in lime.

Glasscock

Turner No. 1 Currie, C SW SW 4-32-5, T&P, 14 miles southeast of Garden City and 4 1/2 miles northeast of Seahoard No. 1. Bishop, a recent discovery in the Wichita-Albany, drilled to 6,053, within about 200 feet of the possible top of this section.

Sinclair No. 1 Hall, C SW NW 5-34-2n, T&P, drilled below 8,797 in shale.

Phillips No. 1-C McDowell, C SW NE 31-32-2n, T&P, was at 931, waiting on cement to set. Youngblood

& Force No. 1 Hodges, C NE NE 42-32-5n, T&P, was at 3,351 in lime.

Howard

Crane Oil and Newman Bros. No. 1 Clanton, C NE SE 35-32-3n, T&P, drilled below 5,630 as an east outpost to the Vealmoor pool.

Cosden No. 1 Jones, C SE NW 5-25, H&TC, two miles east of Vincent, was drilling at 7,225 in shale. This is about 200 to 250 feet above the anticipated top of the reef.

Cosden No. 1 Read, C NE NE 22-30-1n, T&P, drilled to about 4,500 but it had dripped stuck at about 1,800 feet again Thursday morning.

Stephens Petroleum No. 1 Simpson, C NE NE 43-31-3n, T&P, drilled to 2,302.

Standard of Texas No. 1 Jones, 330 from the south and 1,650 from the west lines of section 59-20, La-Vaca, two miles east of Vincent, was at 2,896 in lime, taking a drillstem test from 2,876-2,896. This is near the level where Coronet No. 1 Brookhage discovered a 19-gravity producer in the San Angelo lime. A drillstem test had been taken in Standard No. 1 Jones from 2,454-94 with the tool open one hour. The packer failed. Then a test was taken from 2,798-2,830 with the tool open two hours and 25 minutes.

Sparkman Plans For Next Talk

BIRMINGHAM, Ala. (AP)—Ahead of schedule in his vice presidential campaign, Sen. John Sparkman headed today for this humming steel center primed for another economic blast at the Republicans.

He set the pace yesterday with a dramatic homecoming speech at Hartselle, Ala., his birthplace. It was his first political address since the Democratic convention, and it officially got his campaign under way even though he had said that he wouldn't open up until later.

He confined his kickoff speech to a comparison of economic conditions in the United States now and before the Democrats came to power 20 years ago.

Recalling his own humble background, the vice presidential candidate turned back to the days when the entire nation was in a depression.

"I remember those days, year after year, when farmers, merchants, businessmen, bankers went broke," he continued, "when people everywhere lost their homes, their businesses, their savings."

But a "daring program" under 20 years of Democratic administration has brought unheard-of prosperity to the nation instead, the senator declared, "and I know what it has meant to the people."

Strike Is Called In IH Factories

CHICAGO (AP)—The Independent Farm Equipment-United Electrical Workers Union called a strike last night at 10 International Harvester Co. plants in three states after contract negotiations broke off on a bitter note.

The union called 25,000 workers off the job, declaring, "The company has asked for a fight and is going to get a hell of a licking."

The company in turn accused the union of "irresponsible leadership."

The union had served notice of a walkout if a new contract was not signed when the old one — already extended 60 days — expired at midnight.

Plants involved in the dispute are at Canton, East Moline, Rock Island, Rock Falls, Ill., four in the Chicago area, and at Richmond, Ind., and Louisville, Ky. The company manufactures farm equipment.

Picket lines were placed around the Chicago plants, but there was no violence.

The union's demands included a 15-cent hourly pay hike, compulsory union membership for employees, sharing union-negotiated gains and other benefits.

Boys Who Whipped Girls Are Sought

Police today were still seeking two boys, both about 12 years of age, who were reported to have whipped two eight-year-old girls Wednesday.

The youths hemmed the girls against a fence in the 500 block of Main Street and attacked them with switches, officers said. Mrs. Ruth Gibson, 503 Main, reported the incident and all city officers were alerted to be on the lookout for the boys.

Demonstration By Paratroopers Set

FT. BRAGG, N. C. (AP)—A mass jump of approximately 3,000 paratroopers highlights the activities today as this military base puts some of its armed might on display for 46 military attaches from 37 countries.

Heavy equipment, including howitzers and jeeps, were scheduled to be dropped during the aerial display in which paratroopers of the famed 82nd Airborne Division planned to take part.

with recovery of five feet of mud and no shows. Still another test was taken from 2,835-65 with the tool open two hours and 43 minutes. There was a fair to good blow, which died in 43 minutes. Recovery was 40 feet of sulphur water.

Lynn

Great Western Production No. 1 Williams progressed to 5,398 in lime.

Martin

DeKalb No. 1 Knox, C NW NE 233 Ward CSL, plugged back at 9,320 and pulled tubing and was squeezing.

Gulf No. 1-P Glass, C SE NW 12-30-1n, T&P, was at 9,733 in shale.

Phillips No. 1-C Schar, section 324 LaSalle CSL, plugged back at 9,320 and pulled tubing and was squeezing.

Plymouth No. 1 Morris, C NW SW 7-35-1n, T&P, pumped 128 barrels of load oil in 23 hours and was still pumping to test. It has been shut in for several days and is not testing to see if it can be made into a small producer.

Standard No. 1 Cowden, C SE SW 30-40-1n, T&P, swabbed at 9,260 with no gauges.

Standard No. 1 Flynt, C SW SW 12-248 Hartley CSL, was at 12,378 in Devonian, preparing to core.

Midland

H. L. Dalton No. 1-5 Duddy, 660 from the east and south lines of section 5-37-5n, T&P, was spotted as a Driver-Spraberry location. Projected depth is 8,000.

Local Troops Will Enter Swim Contest

Representatives of two and possibly three Boy Scout troops and one Explorer Post from Big Spring are planning to enter the Buffalo Trail Council's sixth annual swimming meet in Midland Saturday.

Scout Troops No. 4 and 1 have announced they would send a team and also Explorer Post No. 106. The Scouts will compete in one class and the Explorers another, Hale noted.

Events in the meet include the breast stroke, back stroke, free style, a medley relay, a free style relay, diving and a lifesaving swim. The Explorers will swim different distances farther than the Scouts.

Soldiers Contribute For Korean Orphans

WITH 2ND DIVISION, Korea (AP)—Donations by soldiers of the 2nd Division have given scores of homeless Korean orphans a new lease on life in the past few weeks.

The division-sponsored orphanage near Kapyong, "The Friendship Home," began operations late in July and the initial fund-raising drive within the division netted more than \$15,000.

The orphanage is caring for 67 children and plans to raise the number to 100.

DROUGHT

Texas should be considered a drought disaster area.

To those against the proposed federal aid, May said, "If any of you gentlemen don't want to take part in the program, stay out of it."

Joe Montague of Fort Worth, attorney for the Texas and Southwestern Cattle Raisers Association, said his organization opposed any form of federal subsidy.

Texas' designation as a drought disaster area for FHA loans, as declared last year by Secretary Brannan, expires next December. But L. J. Cappelman, FHA state director, said the designation undoubtedly could be extended with no trouble.

Cappelman, who Tuesday predicted his agency would handle 20 million dollars in loans this year, said one good reason for seeking extra help in the form of federal imports by the Commodity Credit Corporation is that many ranchers are shipping boy livestock out of the state. "That's something of a disaster in itself," he said "shipping them while they're to this."

Under the designation sought—and delayed until the governor sets—the OCC buys feed in areas which have surplus stocks.

The agency ships this feed into disaster areas and sells it at prices determined as fair by a committee supervised by the CCC. Any cost to the government, including freight rates, over the price is taken care of by funds under Public Law 875.

Meanwhile, a bank president in the stricken West Texas area called FHA's offer of assistance "a lot of politics."

San Angelo National Bank President Ray B. Johnston said, "The government won't lend a farmer anything a bank wouldn't lend him."

"As far as I know," Johnston said in San Angelo, "West Texas banks would rather take the risk of lending to farmers and ranchmen than to subordinate their accounts to the FHA."

Johnston added that the government "just wants the farmers to think it is doing something for them."

Key Figures In Soviet Changes

This is one of the few pictures ever to reach the United States showing Georgi Malenkov with Josef Stalin. It was taken from a Russian movie made during the 1949 May Day parade in Moscow.

Oklahoman Is Named To Head PAD Materials Unit

WASHINGTON, Aug. 21 (AP)—Appointment of Harris Bateman, Bartlesville, Okla., as director of the Materials Division of the Petroleum Administration for Defense (PAD) was announced yesterday.

Secretary of the Interior Chapman said Bateman will serve as deputy director until he takes over his new job Oct. 1.

Bateman has been chief engineer for Cities Service Oil Co. at Bartlesville and has worked with that company and its affiliates since 1927.

Joe Hall of Bartlesville, a statistician with the Phillips Petroleum Co., to be chief of the program division of the Phillips Petroleum Co., who has returned to the Continental Oil Co., Houston.

Byron E. Francis of Omaha, Neb., who has been assistant to the vice president in charge of operations of Northern Natural Gas Co., to be special assistant to the director of the gas facilities division.

Chapman said the four new officials will serve PAD without government pay.

In a collision at 600 Scurry about 7:30 p.m. Wednesday were cars operated by L. H. Pennington, West Highway 80, Wilbur William Sides, 609 Gollad, and Mrs. B. B. Badger, 2107 Scurry, according to police reports.

Henderson Service Is Set In Lubbock

John E. Henderson died in a hospital here today and the body was taken to Eberley Funeral Home.

His body was taken to Lubbock this morning for burial by Sanders Funeral Home of Lubbock.

Scout Committee Meeting Tonight

The monthly Lone Star District Boy Scout committee meeting will be held tonight in the home of Gil Jones, 1610 Scurry, Jones, district chairman, announced.

Plans for the fall schedule will be discussed and also definite arrangements for the Lone Star District camp-out to be held here September 12 and 13, Jones signified.

MARKETS

NEW YORK, Aug. 21 (AP)—The stock market performed quietly today with small fluctuations in gains and losses registered.

Many leading issues failed to appear on the tape until relatively late in the session. The usual thing was changes of an eighth or quarter.

This is the third straight day that the market has been heavily quiet. On Monday it dropped sharply, the biggest fall in the year so measured by the Associated Press average of 69 stocks, and since then the market has had the appearance of consolidating at the lower levels.

NEW YORK, Aug. 21 (AP)—Noon cotton prices were steady, choice 15-16 cents higher than the previous close. Oct. 28.44, Dec. 28.38 and March 28.26.

NEW YORK, Aug. 21 (AP)—Cattle 2,700; calves 1,300; trade in cattle and calves opened about steady but some late sales were slow in weaker. Good and choice slaughter steers and yearlings \$26.00-\$31.00; common and cull \$15.00-\$25.00; yearling steers and cull \$18.00-\$22.00; good and choice stocker calves \$23.00-\$28.00; common and medium calves \$17.00-\$23.00; feed yearlings \$12.00-\$20.00; stocker cows \$14.00-\$20.00.

Sheep 2,300; mostly steady, some yearlings strong in higher. Good and choice slaughter spring lambs \$25.00-\$33.00; cull down to \$15.00; yearlings \$15.00-\$21.00; cull down to \$8.00-\$12.00. No good feeder feeders were offered; feeder yearlings \$10.00-\$14.00.

WEST TEXAS: Partly cloudy Thursday, Thursday night and Friday with westerly afternoon thunderstorms. Moderate to strong southerly winds on the coast.

SOUTH CENTRAL TEXAS: Clear to partly cloudy Thursday, Thursday night and Friday. Not much change in temperature. Moderate to strong southerly winds on the coast.

NORTH CENTRAL TEXAS: Clear to partly cloudy Thursday, Thursday night and Friday. Not much change in temperature. Moderate to strong southerly winds on the coast.

WEST TEXAS: Clear to partly cloudy Thursday, Thursday night and Friday. Westerly afternoon and evening thunderstorms in Panhandle and west of the Pecos Valley. Not much change in temperature.

Shivers Plans Saturday Visit With Stevenson

AUSTIN, Aug. 21 (AP)—Gov. Allan Shivers said today he will confer Saturday with Gov. Adlai Stevenson on issues in the Democratic Presidential campaign.

The Texas governor said issues he plans to talk over with Stevenson to get his views include foreign policy, corruption in government, taxation and spending, the federal budget, civil rights and tidelands.

Stevenson earlier wired Shivers that he was taking a few days' vacation but would be back in Springfield for the conference Saturday, Sunday or Monday. He left choice of a specific day up to Shivers.

Shivers plans to leave for Illinois by plane early Saturday from Wichita Falls where he will attend the Oil Bowl football game tomorrow night. He expects to arrive in Springfield about 9 a.m. (CST) Saturday.

Shivers has repeatedly refused to take a personal stand in the presidential campaign until he learns Stevenson's views, particularly on the tidelands question. He says he will not support a man who does not favor state ownership of the potentially oil-rich tidelands.

He has also expressed belief that Texas Democrats will be influenced greatly by the stand the Democratic nominee takes on tidelands.

Until Stevenson's stand on the issue has been made clear, Shivers has said he believes Texas is in "the doubtful column" as to how it will vote in November.

He will serve under and then succeed Richard M. Morrison who will return to private industry on Oct. 1.

Chapman also announced these other PAD appointments:

W. G. Donley of San Francisco, economic counsel for the Standard Oil Company of California, to be assistant director of the program division, succeeding Robert C. Steves, who has returned to a post with the same company.

Joe Hall of Bartlesville, a statistician with the Phillips Petroleum Co., to be chief of the program division of the Phillips Petroleum Co., who has returned to the Continental Oil Co., Houston.

Byron E. Francis of Omaha, Neb., who has been assistant to the vice president in charge of operations of Northern Natural Gas Co., to be special assistant to the director of the gas facilities division.

Chapman said the four new officials will serve PAD without government pay.

Freighter Crewmen Rescued By British

DOVER, England (AP)—Two British lifeboats hauled the 37 crewmen of the American Liberty ship Western Farmer from the gale-swept English Channel early today after their freighter, rammed by a Norwegian tanker, split in two and sank.

The lifeboats landed Capt. Gunnar Utvik of Galveston, Tex., and the rest of his crew — some bruised and battered but all safe — at this famous old port of Southeast England and at nearby Ramsgate.

The 11,732-ton tanker Bjorgholm, out of Oslo, came through without serious damage. She stood by until the rescue boats picked up the crew of the ill-fated 7,239-ton Western Farmer, a 9-year-old veteran of World War II.

The collision occurred shortly after 10 p.m. last night in a wind-driven rain near the Goodwin Sands — the "cannet graveyard" eight miles off the Southeast Coast of England.

The tanker's bow, one survivor related, "mashed into the freighter amidships — right into the radio room." The crash put the American ship's engines and radio out of action, but emergency signals from the tanker brought rescue craft rushing to the stormy scene.

As searchlights from the rescue ships played over the wallowing wreck, the forward part of the stricken ship broke away and the crew abandoned her, some taking to the ship's boats and others going over the side straight into the rescue craft.

The forward half sank almost immediately, but as we left, the after part was still afloat but sinking slowly," said First Engineer Dulcilio Santiago of Brooklyn, N. Y.

The two big lifeboats, meanwhile had assembled the survivors — Capt. Utvik and 23 others in one that brought them to Ramsgate, and the other 13 in a Dover boat.

The Western Farmer, which sailed under the name Henry Lomb during the war, was on her way to Bremen, Germany, with a load of coal from Norfolk, Va. She was owned by the Western Navigation Co. of New York.

The survivors, soaked and covered with grease and oil, were taken to a local seamen's club and given hot drinks, food and dry clothing.

At another point off Britain's East Coast, a small British trawler, the 260-ton Magnolia, blew up and sank in seven seconds. Three of the crew were killed; eight were rescued.

Among 13 men in a lifeboat which landed at Dover was Steve Munroe Flash, third engineer, Texas City, Tex.

30-Ton Carload Of Granite Is Lost

SPOKANE, Wash. (AP)—Lost: one 30-ton carload of granite, including the cornerstone for the Federal Savings and Loan Association's new building.

The association had invited its 15,000 members to cornerstone-laying ceremonies, scheduled today. But it had to cancel the event. There was no stone.

The carload of granite started west from Minnesota more than a month ago. Fidelity officials believe they've located the stone — on a railway siding at Havre, Mont.

Large advertisement for Lone Star beer featuring a hand holding a glass of beer, a man pouring beer, and the slogan 'Oh Boy - What a Wonderful Beer!'. Includes text: 'Its popularity GROWS and GROWS' and 'WHY DO PEOPLE change their minds about beer? ... Thousands and thousands switch from brand to brand every few weeks. That's a lucky habit as far as we are concerned. It's their SEARCH for a better-tasting beer that gives us a chance to make new friends. When they try LONE STAR — most people stick! That's made LONE STAR the fastest growing brand of beer in the U. S.!' and 'Do you know how fast LONE STAR's popularity has grown? Ans. Sales of LONE STAR have grown 886% faster than sales of the next fastest growing brand of beer in America — from 1941 through 1951. In 11 years — LONE STAR's total sales have grown 1403%! And its popularity grows and grows! Lone Star Brewing Company, San Antonio, Texas.'

## Black Marketeers Arrested By Authorities In Japan

TOKYO (AP) — U. S. military authorities and Japanese police said today they have arrested some American servicemen and 73 Japanese, Chinese and Korean nationals in connection with what they called a three million dollar a year black market ring that feeds dollars to Communists.

Major Jack Elliott, judge advocate for the Far East Air Forces, said the ring operates in this manner:

Military payment certificates, used in lieu of money by U. S. forces in Japan, are spent illegally by servicemen in bars, hotels, restaurants and for taxi fares. The certificates are not supposed to be used in dealings with Japanese. The certificates reach money dealers who then pay other servicemen to exchange them for dollar drafts or money orders.

The money orders and drafts are turning up in Hong Kong, off the Red China mainland, Elliott said, and "it's a conclusion anybody can make that the dollars are going to the Communists" to give the Reds "dollars they need to support their operations in dollar areas over the world."

## Aly Kahn Is Staying Longer In Hollywood

HOLLYWOOD (AP) — Prince Aly Khan is staying on for another day in Hollywood.

He was scheduled to leave by air last night for Louisville, Ky., to buy and sell horses, but delayed his departure 24 hours. No reason was disclosed.

Aly has been seeing his estranged wife, actress Rita Hayworth, frequently during his visit here, but there has been no word to support the possibility of a reconciliation.

## Lineman Electrocuted

JACKSONVILLE, Aug. 21 (AP) — A Texas Power and Light Company lineman, J. B. Weems, 35, of Mineral Wells, was electrocuted here yesterday when he accidentally touched a 4,100-volt wire.

## Convention Closes

WACO, Aug. 21 (AP) — The 40th annual convention of the Texas Redman Lodge closed here yesterday. Raymond Brunson of Houston was elected head of the state organization.

## SERVICE SET FOR SATURDAY

# Southwest Will Pay Respects To Memory Of J. Frank Norris

PORT WORTH, Aug. 21 (AP) — A large portion of the Southwest will pay respects to the memory of the Rev. J. Frank Norris here Saturday at 2 p.m. when his funeral services are conducted in the auditorium of the First Baptist Church.

Texasans today recalled the high spots in the long life of Norris who died Wednesday at the age of 74. Death came at a Florida camp meeting for the man who termed himself a fighter for fundamentals.

The Rev. R. D. Engle of Jacksonville, Fla., a close friend of the Rev. Norris who was with him when he died of a heart attack, will conduct the Saturday services.

The fiery Fort Worth evangelist gave battle on religious, moral or political issues, and in the pulpit, on the courthouse square or on the world scene, he met all comers rough and tumble.

He lived and died a fighting campaigner against religious "modernism." His long record of tumultuous campaigns against liquor, his clashes with leaders of the Southern Baptist Convention and fiery zeal in all his works resulted in melodramatic episodes.

His sensational murder trial sprang from a crusade in Fort Worth politics.

D. E. Chipps, a lumberman, protested accusations made from the pulpit against Mayor H. C. Meacham. On July 16, 1928 after words in his church study, Norris whipped a gun from the top drawer of his desk and shot Chipps five times.

Through passing years Norris was quick to demand in errors of statement regarding the Chipps affair. On occasion he would re-enact the shooting in his study. His voice broke and he spoke with "sorrow, but not remorse" when he talked of the Chipps killing, saying:

"It was his life or mine."

During the trial he had wept in the witness box and told the jury he prayed no man among them would have to so defend himself in such a tragic moment.

Perjury and arson indictments against Norris grew from a hot liquor fight in Fort Worth as long ago as 1912. Thousands heard his tirades against liquor and local politicians, and one night the great tent where he preached was cut to pieces. Later his church burned.

Norris stood trial on a perjury charge and when the jury acquitted him, followers stood in the courtroom and sang "The Old Time Religion." An arson indictment was dismissed.

As an evangelist Norris' friends ranked him with the great Billy Sunday. His churches in Fort Worth and Detroit were great barn-like structures. In 1927 the total membership rolls of both churches were more than 22,000, said to be the largest membership in the world under one pastorate.

In London a newspaper described Norris as a "fundamentalist who preaches hell fire and brimstone." Another London paper described him as "a man of powerful physique, with craggy features and a picturesque violent vocabulary."

Norris lived to see the passing of

the British Empire, scattered all over the world," Norris countered.

"What do Fundamentalists believe?" Pope Pius XII asked the Texas preacher during a special audience in 1947.

"I believe the supernaturally inspired written word of God," Norris answered.

When the Pope asked Norris and his group, the Texas with the hearty informality of the Southwest, responded:

"And may God bless you, too, your Holiness," Norris was accompanied by several of his fundamentalist Baptist preachers.

In Texas, in his prime years, "J. Frank," as he was called by friend and foe, was one of the most controversial figures of his day. In civic and state politics, on public issues and in denominational disputes in his church he was a man of action. His Fort Worth church covered almost a city block.

From his study there he directed his battles against religious "modernism." His long record of tumultuous campaigns against liquor, his clashes with leaders of the Southern Baptist Convention and fiery zeal in all his works resulted in melodramatic episodes.

His sensational murder trial sprang from a crusade in Fort Worth politics.

D. E. Chipps, a lumberman, protested accusations made from the pulpit against Mayor H. C. Meacham. On July 16, 1928 after words in his church study, Norris whipped a gun from the top drawer of his desk and shot Chipps five times.

## Speeding Car Is Only Clue

RIVERSIDE, Calif. (AP) — A mysterious speeding car was the only clue today in the brutal slaying of Kathryn Knodel, 15, whose battered, nude body was found on a desert highway early yesterday.

Motorist Fred Lacy told officers he met a fast-traveling automobile a few moments before he came upon the body on a lonely road near Palm Springs.

Police said it apparently had been thrown from that car. The vehicle could not have passed without running over the body, police said, and there were no tire marks on the girl's flesh.

Chemical tests are being made by sheriff's officers here today to determine whether the girl was raped.

The Redlands High School student's death was attributed to skull fractures. Her head bore the marks of many heavy blows from a blunt weapon, possibly a tire iron. Five of these were deep enough to have caused death.

The girl had been dead two hours when her body was discovered. Oak leaves and red earth in her hair indicated she had been slain somewhere in the Redlands area, not far from her home, and the slayer had driven down into the desert, where he dumped the body.

## Secret Information Is Held By General

MINEOLA, N. Y. (AP) — Secret code books and "top secret" information on all airfields in Chinese Nationalist territory were reported yesterday to have been found in the home of a dismissed Nationalist general.

The home belonged to Lt. Gen. P. T. Mow, former chief of a Chinese Air Force purchasing commission in Washington. He now is in a Mexico City jail, accused of failing to account for at least 25 million dollars in Nationalist funds.

Nassau County police and Nationalist officials search the home Tuesday on a search warrant obtained by the Nationalists. Dist. Atty. Frank A. Gulotta impounded the records.

## Ginny Simms Is Hailed Into Court

SANTA MONICA, Calif. (AP) — Ginny Simms' ex-husband says the singer has ignored his demands for custody of their children for the summer vacation.

As a result, Superior Court yesterday ordered Miss Simms to show cause Aug. 29 why she should not be held in contempt of court.

Her former husband, Hyatt B. Dehn, industrial engineer, said that under the terms of their 1951 divorce he was granted summer custody of David, 6, and Conrad, 2.

The first child of a President born in the White House was Esther Cleveland. Her birth took place on Sept. 8, 1893. Seven years earlier her mother had married Grover Cleveland in the famous Blue Room.

Model K Models

Showing off the new Model K Harley-Davidson motorcycles at the Cecil Thixton shop are Gary Blalock and Fred Shannon. Thixton has the modern new Ks as well as a "big twin" and H-D 125s on display at his place, 908 W. 3rd.

## New K-Model Cycles Shown At Thixton's

"New, brilliant and beautiful"—the featured attraction at the Cecil Thixton Motorcycle Shop is the Harley-Davidson Model K motorcycle—a completely new machine "from tire-tip to tail light," says Thixton.

The Model K is the latest addition to the Harley-Davidson line of motorcycles. It incorporates a number of features not found on any other motor.

For instance, the K has a unique new rear suspension system which is designed to "smooth out" even the roughest road. Rear wheel is mounted in a swing arm, hydraulically controlled with coil spring suspension and automotive-type shock absorbers.

Front fork also is hydraulically suspended for riding ease and comfort, as well as for elimination of jolts and vibration which might shake engines and accessories. The Model K is powered by an all-new 45-cubic-inch side valve motor with a four-speed transmission which is an integral part of the crankcase. The motorcycle also has a foot shift and hand clutch.

Economy of operation, of course, continues to keynote the performance of Harley-Davidson motorcycles. Thixton recently rode one of the Model Ks from Big Spring to Amarillo—a distance of approximately 250 miles—using less than four gallons of gasoline.

Thixton Motorcycle Shop also has

## Midland Rotary Will Be Honored

Big Spring Rotarians Friday will treat members of the Midland Rotary Club to a barbecue dinner at the local Country Club.

The dinner, and a program of music and other entertainment, will be reward for the Midlanders who won an attendance contest conducted over a four-month period with the Big Spring Club.

The Odessa Chuck Wagon Gang will serve the meal and local talent will be presented on the program. Festivities are to get under way at 6:30 p.m. Wives of members of both clubs are to attend.

No meeting of the local Rotary Club was held today, attendance at the Friday gathering to count as a regular meeting.

Jenny Lind, the "Swedish Nightingale," had the first private rail-road car, especially outfitted for her use, during her tour of the United States in 1850.

## Fall Fabrics Arrive Daily

Many varieties and patterns of fall and back-to-school fabrics are arriving daily at Brown's Fabric Shop, 201 E. 2nd.

Expected shortly, possibly this week, are materials in the popular Butterick patterns. Stocks in other lines are being expanded with fall goods as the fall and winter season approaches and the thrifty seamstress probably will find many attractive fabrics on the Brown shelves.

Among the materials now on display are plaids and prints ideally suited for school dresses, a new line of sharkskins, flannel, year-round prints, gabardines, and check-a-berry cloth. The latter is extremely crease-resisting.

Also, the fabric seeker will find flannels, broadcloths, tridacene corduroy and raydene corduroy. A new line of broadcloth has been shipped and is expected within the next few days.

All materials at the Brown Fabric Shop lend themselves to the economy of clothing made at home. In addition to the fall and winter fabrics, many summer styles also are available for the remaining hot-weather months.

All sewing accessories are stocked at Brown's. The seamstress will find Simplicity Patterns, lucite buttons (which won't break, lose their shape, fade, or be damaged by dry-cleaning chemicals), tapes, edgings, threads, elastic, beading material, laces and other types of buttons.

Materials come in widths of 36 to 45 inches, suitable for making practically any garment without unnecessary piecing.

Brigham Young created, in 1868, the Zion's Co-operative Mercantile Institution, which became the country's first department store.

## Plumbing Work Should Be Done During Summer

It's a horrible thought but for those persons who will be literally crying for a plumber the first time the mercury dips below the 32-degree mark, Fiveash Plumbing is calling for all people in that category to begin—now—preparing for cold weather.

Fiveash Plumbing, located at 821 E. 3rd Street, is now taking orders for heating equipment and has already begun stocking parts for gas stoves, floor furnaces and other types of heating units.

E. A. Fiveash, owner and operator, warns people not to wait until cold weather to call for a plumber. Now is the time, he says, to have that floor furnace cleaned out and lit.

Also there are gas stoves to be adjusted, pipes to be insulated, outside cutoffs to be fixed, furnace controls to be cleaned, and many other chores that can be avoided until it's too late, Fiveash warns.

Should a person desire to have a floor furnace installed, now is the time for that, he declared. If the person waits much longer, the hole in the floor or wall where the unit is to be installed will turn into a "pneumonia hole". For, he added, the plumber cannot always come when the customer desires.

And if you are thinking only in the present, Fiveash urges you to call them if you need air conditioner repairs. Just call 310 for service—whether it be for hot weather air conditioners or for cold weather furnaces.

## Fried Chicken Is Ready Within Minutes At Toby's

Fried chicken—whether it be three pieces or large picnic orders—can be ready for you within a few minutes by the cooks at Toby's Fast Chick.

Toby's Fast Chick, located at 1801 Gregg, can fill the ordinary-sized order within 10 to 14 minutes and they deliver.

The time saved in preparing chicken for a picnic, a quick meal or a Sunday dinner is enough within itself to merit calling 9673 for an order without thought to the energy saved in the kitchen.

Toby's Fast Chick takes orders from a three-piece order to whole chickens. They also have special all-white, all-drumstick and gizzard orders, in addition to preparing large orders for picnicks.

Toby's Fast Chick makes special prices for large picnic orders. In addition to the chicken, customers get "all the trimmings." All orders contain honey, french fried potatoes, hot rolls and cream gravy—all at no extra cost.

Each order is boxed in individual

boxes which serve both to hold the freshness and heat and also to form handy containers, thus saving plates.

Toby's Fast Chick is open daily—except Monday—from 10:30 a.m. until 1:30 p.m. and from 4:30 p.m. until 10. Phone number is 9673.

Howard M. Grounder built the first American air raid shelter in 1940 at Fleetwood, Pa. The concrete structure with 18-inch walls had movable bunks accommodating six people.
