BLIND MARINE HERO IN NEW YORK—Al Schmid of Philadelphia, blind Guadalcanal Marine hero, has the City of New York described to him from atop the Empire State Building by Sgt. Cody Miller, Corregidor hero. Men were in New York as guests of honor at the Roosevelt Memorial Concert under auspices of the National Foundation for Infantile Paralysis.

Cisco is in Trade Area to Be Served by Braniff Lines

Cisco, as part of a trade area served by Braniff Airways through Fort Worth, will be included in a new central division of the traffic department embracing eight Braniff served cities in four states, Chas. E. Beard, vice president, announced.

Headed the division will be Douglas Wood, air corps veteran and former district traffic manager for Braniff in Dallas. A reservation manager to supervise service through this area and a cargo manager in charge of air-mail, air express, and air freight have also been added to the division staff.

Preparing for the expanding volume of peacetime air travel that will result from addition of 56-passenger DC-4 planes to the Braniff fleet this spring, the airline's traffic department is undergoing complete conversion, Mr. Beard said.

CISCOAN IN EASTLAND.

Dr. G. M. Stephenson, Cisco osteopathic physician and member of the state medical board, spoke at the Lions luncheon, Eastland, Tuesday. His subject was "The Medical Practice Act of Texas." Among other things, the Ciscoan said: "The act was passed about 40 years ago and still stands out as one of the most complete regulatory laws on the statute books, and especially in respect to its fairness and balance as between the various legalized schools of medicine."

Three-day Optometry Congress Ft. Worth, Feb. 11-13

The Southwestern Congress of Optometry is scheduled for a three-day session at Texas Hotel, Ft. Worth, Feb. 11, 12 and 13, says Dr. Doralee McGraw of Cisco, who will attend. Dr. Nelson Greeman of San Antonio is president of the 1946 congress.

Optometrist authorities from six states will be present, among them such outstanding men as Dr. A. M. Skeffington, a Fellow of the American Academy of Optometry; Dr. Samuel Renshaw, member of the editorial board, Journal of General Psychology; Dr. D. B. Harmon, a director of the division of educational services, Texas state health department.

A paragraph from literature mailed out by the congress is enlightening and indicates the coming sessions will be altogether educational and an unusual opportunity for optometrists desiring to advance in this important profession. It says:

"This will be an Educational Congress — there will be no frills, no entertainment, but there will be real achievement and sound advancement for every one attending and really striving to absorb the material presented. This Congress is an Optometric Congress in name, in program and objective. It is a Congress enabling you to learn the advanced, practical, vital procedures Optometry has developed."

Good Airport Essential to Business, Social Life

A municipal airport, Joe Coulter, Cisco airport manager, told the Rotary club today, should not be considered as a profit-making institution, but as a public service. It is in the same class with city streets, in that it provides a medium of transportation essential to business and social life.

Cisco has a splendid small town airport, he said, and the citizens of the community should be alert to its value and should get behind the city commission in efforts to develop it. Mr. Coulter was introduced by J. J. Collins, program chairman for the day.

Before his talk, Joe Eddy Hayes, chairman of the club's Institute of International Understanding, described arrangements which have been made for conducting this series of four lectures by national and international authorities, and he also announced chairman of two important committees.

Sale of the tickets for the four lectures — which will begin February 22 and continue once weekly for four weeks — will be in charge of the Lobo band. The band will receive all proceeds above actual expenses, hoping to raise sufficient funds for needed equipment, such as a piano. The band will also play a thirty-minute concert before each lecture.

Price of the season ticket entitling the holder to attend all lectures will be \$2, including federal tax, and sale of tickets will begin next week.

W. P. Guinn will head the greeting committee which will have charge of meeting the lecturers and seeing to their comfort while in Cisco. Edward Lee will arrange for the introduction of speakers at the high school auditorium where all lectures will be held.

The roster of authorities who will come to Cisco for this institute under the auspices of Rotary International is one of the most impressive that has been secured for any institute. It includes Morris H. Coers of Indianapolis; Geoffrey F. Morgan of Santa Monica, Calif.; Chester M. Tobin of Chicago, and W. Leon Godshall of Bethlehem, Penn.

Their lectures will concern themselves with important aspects of the international situation, including the use of aircraft in international commerce, security in the Pacific, world trade and a high standard of living and making an international organization effective.

Bevin Nailed Security Council Charge As a Lie

LONDON, Feb. 7. (UP) — The United Nations Security Council heard a charge by the Ukraine today that British policy in Indonesia imperiled the peace and undermined the UNO, a hotly-worded British denial, and then adjournment until Saturday without a decision.

Foreign Secretary Ernest Bevin cried "lie" to one section of the charges presented by Dmitri Manuilski.

He told the council that the British in Indonesia were only doing an "unpleasant" job given them by Gen. Douglas MacArthur, and a pull out now would spell "disaster."

Vandenberg Says UNO Home Site Plans Fantastic

LONDON, Feb. 7. (UP) — Opponents of the Greenwich-Stamford area as permanent headquarters for the UNO got indirect backing today from Sen. Arthur H. Vandenberg, R., Mich., who criticized plans to buy 40 to 50 square miles of land for the site as "fantastic and fabulous" — particularly at Connecticut real estate prices.

Capt. Kramer Not Forced to Change His Testimony

WASHINGTON, Feb. 7. (UP) — Capt. Alvin D. Kramer today indignantly denied he was "badgered" or "belaguered" to change his testimony on whether the navy intercepted prior to Dec. 7 a winds code message revealing Japan's decision for war with the United States.

Kramer told the Pearl Harbor Investigating Committee he does not believe a "winds" message referring to the United States was intercepted prior to the attack on Pearl Harbor.

Negroes Tried to Dance With White Girls, Army Field

WICHITA FALLS, Feb. 7. — The Wichita Falls Record News reported that white and Negro soldiers were involved in a brief disturbance Wednesday night during a dance at Sheppard Field.

The newspaper said the disorder followed attempts of Negro soldiers to cut in on white soldiers dancing with 100 white girls from the Wichita Falls USO Club.

Asked for comment, Lt. H. L. T. Frost, public relations officer at the Army air field told the newspaper there had been a disturbance and that the principal were being questioned by Sheppard Field provost marshal.

The Record News gave this account of the disorder: White soldiers dancing with white girls refused to allow Negroes in the stag line to cut in. Arguments that followed military police intervened.

The band played the national anthem and all soldiers and guests came to attention. Upon its conclusion it was announced that the dance was over and all soldiers were ordered to return to their barracks.

The girls returned to Wichita Falls in buses by way of the air field but did not pass through the barracks area, where it was reported without confirmation there were further disputes between white and Negro troops.

By United Press.
WASHINGTON, Feb. 7. — A coalition of Republicans and Southern Democrats today overwhelmed weak pro-union opposition in the House and passed 258 to 156 one of the toughest strike-control bills to come before the congress in years.

The House approved the bill, introduced by Rep. Francis Case, R., S. D., after rejecting by voice vote attempt by Rep. Joseph C. Baldwin, R., N. Y., to send it back to the House Committee.

The bill would impose restrictions upon the right of labor to strike in industries which affected the national welfare.

It now goes to the senate. Considerable delay is expected before any decision is made on the bill in that body.

Fed Control of Armed Marines aid Tidlands Be a in Moving Food, Blow to Texas Fuel, NY. Harbor

WASHINGTON, Feb. 7. (UP) — Bascom Giles, general land office commissioner of Texas, said today that federal control of tidlands would "undermine my state's entire financial foundation."

He testified in favor of the bill to grant states title to tidlands. Texas tidlands, he said, were the sole source of revenue for the state's public free school fund.

Giles estimated the potential valuation of Texas, tidland oil reserve at approximately \$150,000,000.

Tide Now Running Strong Against Evil FEPC Bill

WASHINGTON, Feb. 7. (UP) — Senate Republican Leader Wallace H. White Jr., Me., today denounced "the evils" of pending anti-discrimination legislation — and announced he would vote against limiting debate in order to end a 22-day-old Southern Democratic filibuster.

White's action appeared further to doom the bill.

HAS LIQUOR PROBLEM.

JACKSON, Miss., Feb. 7. — Dry Mississippi's legislature, which has experimented with such statutes as a one-quart law, is locked in battle now over the tax the state collects on the liquor sales it forbids.

FEEDER LAMBS RECORD.

FT. WORTH, Feb. 7. — Feeder lambs set a new long-time high on the Fort Worth market today when a deck of especially good lambs sold at \$15 in a generally steady to 25 cents sheep market. Hogs and calves were steady. Cattle were unchanged on all weights.

23,507 FLOWING WELLS.

KILGORE, Feb. 7. — A total of 23,507 wells were flowing and pumping in the East Texas field, according to a December statistical report issued by the railroad commission's East Texas division here.

J. WATT PAGE NOMINATED.

WASHINGTON, Feb. 7. (UP) — J. Watt Page was nominated today by President Truman to be state director of selective service for Texas.

KATY ENGINEER RETIRES.

DENISON, Feb. 7. — After 40 years of railroad service, Clinton A. Rogers retired today. He had been an engineer for the Missouri-Kansas-Texas Railroad since 1920.

Stevenson Will Oak Cliff Finds Not Seek Another Way to Build Governor Term Many New Houses

AUSTIN, Feb. 7. (UP) — Gov. Coke R. Stevenson will not seek another term as chief executive of Texas, the United Press learned today from reliable sources.

The United Press sources said the governor has other plans, and will announce in the near future that "I do not choose to run."

Jews Attack British Camp Near Tel Aviv, For Arms

JERUSALEM, Feb. 7. — An official communique reported one killed and five others seriously wounded Wednesday night when armed Jews attacked a British military camp near Tel Aviv.

The casualties included one British officer killed and one African soldier wounded, the announcement said.

The Palestine information service, in an earlier statement, said "armed Jews had attempted to penetrate the camp 'with the apparent object of capturing arms.'"

DALLAS, Feb. 7. — Three hundred and sixty-one new homes are now under construction in the Oak Cliff area, Manager Guy Draper of the Oak Cliff chamber of commerce estimated Wednesday.

He based his figures on reports from public utilities and included all of Oak Cliff and adjoining areas just outside the city limits.

Draper said the reports show 240 new homes are being constructed in the area west of Beckley, the remainder east of Beckley. Most of the new homes are five-room frame structures.

MAY RATION MEAT.

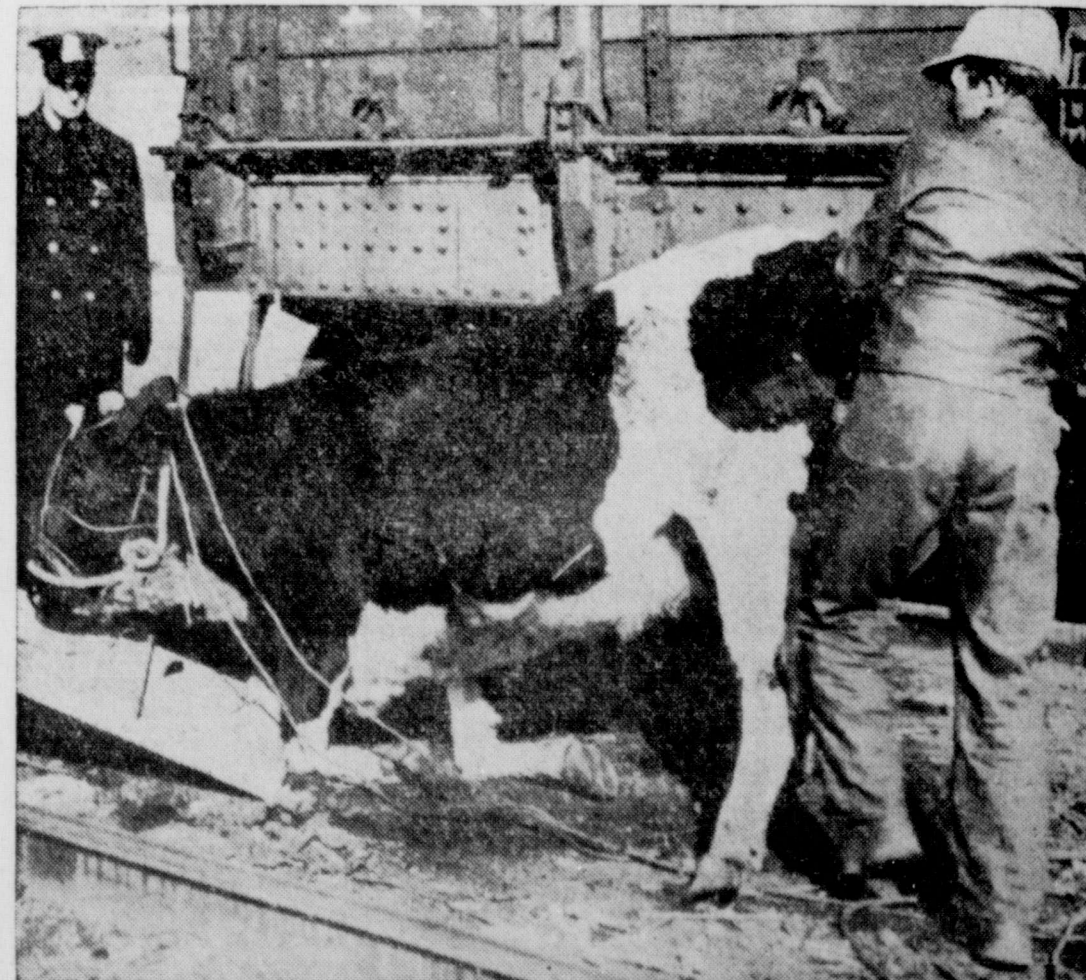

WASHINGTON, Feb. 7. — President Truman said today he would call for a return to meat rationing if it became necessary to prevent 10 to 15 million people from starving to death.

SMITH'S MOTHER DIES.

THROCKMORTON, Feb. 7. — Mrs. Margaret Ann Lee Smith, 79, mother of Lt. Gov. John Lee Smith, died at her home here Wednesday night. Funeral services are planned at the First Methodist church Friday.

ADOLESCENCE ON THE MARCH—Despite abnormally cold weather and snow, temperatures ran high among the bobby socks set when that man arrived in Washington. He came to participate in the March of Dimes' Roosevelt Birthday Party. Dressed quite nattily in his usual checked top-coat, he seems quite pleased about the whole matter. As for the girls—well a picture is worth 10,000 words. If you are wondering what all the swarming is about, the visitor is Van Johnson.

ANOTHER MEAT STRIKE—If it isn't one thing it's another. The packinghouse workers go back to the job and this steer starts a sitdown strike of its own. With two pals, the steer escaped from a truck en route to the Chicago Stockyards. When the culprits were apprehended, workers found a resistance movement on and had difficulty in getting them back on the truck.

Word has been received of the marriage of a former Cisco girl, Miss Katherine Moss to Mr. Pete Jacobs of Houston. The wedding took place Wednesday evening, November the 28th in the home of the bride's brother, Jack Moss, in Houston. Mrs. Jacobs is the daughter of Mrs. D. J. Moss of Denton, formerly of Cisco, and Mr. Jacobs is a young oil man of Houston. They left Houston Thanksgiving day for Monterrey and New Mexico for a two weeks honeymoon. They will make their home in Houston.

"Achievements of Women in the Last Century" was the topic of a round-table discussion led by Mrs. J. B. Cate at the meeting of the Twentieth Century Club in its regular meeting held in the club-room of the public library building Friday afternoon. Mrs. J. R. Burnett read a paper on "Legal Disabilities of the Married Woman." There were 20 members present.

Women of the American Legion Auxiliary will entertain their husbands at 7:15 tonight at the Legion hut with a Christmas party, according to an announcement from Mrs. Charles Robart, president of the Auxiliary, and Mr. and Mrs. M. H. French.

Judge B. W. Patterson of the 88th district court at Eastland is holding court in Henderson in the absence of Judge R. T. Brown of the 4th district court there. Patterson will return near mid-December.

The chamber of commerce board of directors will hold its regular meeting at the chamber of commerce rooms at 7 o'clock this evening. It has been announced by Secretary J. E. Spencer.

The Lady Lions of Cisco have scheduled a home talent carnival at the Cisco Country club, Dec. 13

and every one in Cisco is invited. The Lady Lions rallied to the support of their husbands as usual and have made plans for the most delightful home talent carnival ever staged in Cisco, so say those who have this Christmas activity in charge, under the leadership of Mrs. Chas. Sandier as general chairman.

Miss Nell Waters returned to Colony where she is teaching school, after spending Thanksgiving holidays with her parents, Mr. and Mrs. D. E. Waters and friends.

The telephone company reports to those waiting for service

The telephone company is anxious to bring you the service you've ordered.

Telephone factories are working hard at the tremendous task of catching up with America's backed-up demand for telephone service. (More than 2,000,000 people are waiting throughout the nation.)

In December factories were making telephone instruments at the rate of 230,000 a month. By January 1, in the five states served by this company, about 60,000 of these newly manufactured instruments already had been installed.

But making and installing telephone instruments is only a part of the job of providing service for everybody. We are planning, making, and installing the great volume of switchboards, dial equipment, cable, wire—and even buildings—necessary to make those telephones work.

By the year's end, enough central office equipment to connect 40,000 additional telephones had been made and installed in this company's territory. This is the time-taking part of the job—the apparatus is complicated to make and complicated to install. Equipment for 10,000 telephones must be wired to handle nearly 50 million possible telephone connections. We're pushing this complex job as fast as we can; it will take time, but we're doing our best to take as little time as possible.

Miles and miles of cable to connect telephones with central offices have been put in since the end of the war; and in the last few weeks, by reason of increased supplies of men and material, the rate of installation has doubled.

We have made progress—and every month during the coming year our progress will be still more rapid. Everyone will get service in his proper turn. Your service once ordered, you can be sure that your application is before us; and as soon as the equipment is available to connect your telephone, we will notify you and arrange details for providing your service.

MANY NEVER SUSPECT CAUSE OF BACKACHES.

This Old Treatment Often
Brings Happy Relief

Many sufferers relieve nagging backache quickly, once they discover that the real cause of their trouble may be tired kidneys. The kidneys are Nature's chief way of taking the excess acids and waste out of the blood. They help most people pass about a pint a day. When disorder of kidney function permits poisonous matter to remain in your blood, it may cause nagging backache, rheumatic pains, leg pains, loss of pep and energy, getting up nights, swelling, puffiness under the eyes, headaches and dizziness. Frequent or scanty passages with smarting and burning sometimes shows there is something wrong with your kidneys or bladder. Don't wait! Ask your druggist for Doan's Pills, a stimulant diuretic, used successfully by millions for over 40 years. Doan's Give happy relief and will help the 15 miles of kidney tubes flush out poisonous waste from your blood. Get Doan's Pills.

A Vital Message To Men Who Feel Old

Why not regain the vim
and vitality you once
enjoyed?

If life apparently has lost its zest, you again may be able to enjoy life as you did in your youth. If added years have slowed down your vim, vitality and youthful pleasures, here is a simple method that may change your whole outlook on life. Just ask your druggist for CASELLA stimulating tablets. Take as directed on label. Don't feel old and worn out at 40, 50 or more. Take these tablets regularly until you feel that you have regained the pleasure of living you once enjoyed. Why be discouraged? Why not try CASELLA tablets and regain the verve and zest of a much younger man? There is nothing harmful in these tablets. They contain Celery seed, Thiamin Chloride, Passion Flower, Iron. Ask your doctor or druggist about this formula.

Make This Home Recipe To Take Off Ugly Fat

It's simple. It's amazing, how quickly one may lose pounds of bulky, unsightly fat right in your own home. Make this recipe yourself. It's easy—no trouble at all and costs little. It contains nothing harmful. Just go to your druggist and ask for four ounces of liquid Barcinate (formerly called Barcol Concentrate). Pour this into a pint bottle and add enough grapefruit juice to fill the bottle. Then take two tablespoonfuls twice a day. That's all there is to it. If the very first bottle doesn't show the simple, easy way to lose bulky fat and help regain slender, more graceful curves; if reducible pounds and inches of excess fat don't just seem to disappear almost like magic from neck, chin, arms, bust, abdomen, hips, calves and ankles, just return the empty bottle for your money back. Follow the easy way endorsed by many who have tried this plan and help bring back alluring curves and graceful slenderness—how quickly bloat disappears—how much better you feel. More alive, youthful appearing and active.

MRS. W. W. WALLACE HOSTESS TO CIRCLE.

Mrs. W. W. Wallace was hostess in her home in Humboldt Tuesday afternoon to circle three of First Presbyterian auxiliary. Mrs. A. E. Jamison, chairman, presided and opened the meeting with prayer by Mrs. S. E. Hittson. Mrs. W. F. Watson was in charge of the program and also gave the devotional. Each member repeated a verse of Psalms from memory.

Fourteen members responded to roll call: Mrs. A. E. Jamison, Mrs. S. E. Hittson, Mrs. W. R. Simmons, Mrs. John Garrett, Mrs. Elizabeth McCracken, Mrs. J. G. Rupe, Mrs. P. R. Warwick, Mrs. Frank Bond, Miss Betty Baugh, Mrs. W. F. Watson, Mrs. E. P. Crawford, Mrs. D. E. Waters, Mrs. John E. Walter and Mrs. Wallace. The meeting closed with the Lord's prayer in unison.

A social hour was held during which refreshments were passed by the hostess.

METHODIST WSCS IN BUSINESS MEETING.

Mrs. J. T. Anderson was in charge when First Methodist Women's Society of Christian Service met at the church Tuesday afternoon for monthly business meeting. Group singing of two hymns, "Tis So Sweet to Trust in Jesus" and "What a Friend We Have in Jesus," opened the meeting. Mrs. James Moore brought a devotional on "Peace" with scripture reading from Psalms 103 and closed with a poem, "Why We Should Read the Bible."

During the business session resolutions made by the executive committee were read to the society and voted okay. It was decided to study the book, "The Universal Fatherhood of God." Time of meeting was changed from 3 p. m. to 2:30 p. m. Mrs. J. T. Anderson was elected delegate to the annual conference which meets in Hillsboro, March 18-19; Mrs. J. P. HOMES MAKE A
COMMUNITY

To grow, a town must have people.

Without people, it cannot have business, it cannot have schools, it cannot have churches. Without people it would be merely a plot of ground.

Conversely, the more people a community has, the greater its values and its stability. The more people who come to a community to make their homes, the larger becomes the community.

Jobs increase, business increases, tax valuations grow. Everybody benefits.

But people mean homes! They cannot live in a town that has no homes. Hence, homes is the first and most important step in building a town.

Cisco faces the best opportunity for growth that it has had in many years. If it realizes this growth, it must take care of the families who are daily asking for places to live.

For twenty years there has been practically no new construction of homes in Cisco. Some of the existing houses have been torn down.

Are we to sit down and do nothing, while returning GIs and other new families who would live here, have to go elsewhere to find places to live? Are we to lose this new population through neglect or pessimism? Or shall we meet the challenge and take the steps that will insure us of this growth?

It is up to us. Nobody else will do the job. It depends upon us.

Cisco has had rocky times in the past. But it is on a solid foundation now, and the opportunities here are as good as anywhere. Investments in Cisco are secure. It is a good town in which to invest, to live and to work.

Let's seize the opportunity! Let's meet the challenge! Let's do a job, a heroic job if necessary, to see that this need is met!

From Where We Sit and Observe---

... it is apparent that there is a growing interest on the part of many people in land titles. Every day we have folks in the office who are interested in buying a place but seem to be more interested in the title. This is a healthy sign. They certainly are on the right track. For, after all, it's the title, not so much the location or the nature of the improvements, that determines the value of all real estate.
