Extracurricular Rules Take Effect

Texas public school students may miss no more than 10 days of class for extracurricular activities during the next school year. That rule went into effect after it passed its third reading this spring at the Texas State Board of Education, Wellington school board members were told at regular board meeting Monday, May 14.

Other new rules which go into effect next fall include the requirement that a student must be passing 4 subjects to participate in extracurricular activities. (The rule will begin to apply after football season next year---the old rule of passing 3 subjects will apply for the last time during the football season.) Another rule is that a student may not miss a subject in which he is failing in order to attend an extracurricular event.

Junior high principal Bob Allen also said that the new rules required a student to pass each subject in 7th and 8th grade in order to pass on to the next grade. That means that if a student fails one subject, he will fail the year and be retained.

The board also heard a report from Supt. Kenneth McKay on a recent audit of the vocational education program by the Texas Education Agency. The school will be required to refund $6,114 to TEA from its vocational program as a result of the audit, McKay said. He said that certain equipment that the school had purchased under the vocational program was disallowed, even though the school had received assurances at the time of purchase that the equipment was within TEA guidelines.

The board also put up for bids several used sewing machines from the home economics department, accepted the resignation of coach Dale Morris, postponed a decision on renewal of property insurance, renewed a contract with Keystone Insurance for student accident insurance, and nominated Dr. Max Reno of Panhandle to a place on the board of the Texas Association of School Boards.

The board also heard a report that the school's average daily attendance was running under 700 students this year in comparison with 716 students last year. Average daily attendance is the basis for state funding of the school district.

Present at board meeting were Frances Schmidt, Reed Souder, John Barton, Kirby Campbell, Dan Langford and Bill Spillman. Carroll Nunnelley was absent.

Democrats to Hold County Convention on Saturday

The Democratic County Convention will be held Saturday, May 19, in the county-district court room on the second floor of the court house, Democratic County chairman Doug Seal reminds voters. The convention will start at 2 p.m.

During the action at the Saturday convention, three delegates will be elected to the Democratic State Convention. Under party procedure, two of these will be committed to Gary Hart and one to Walter Mondale.

Three alternates will be elected also in case any of the delegates cannot attend the state meeting. Two of these will be for Hart and one for Mondale, Seal explained.

This business will be carried on by the 34 delegates elected in the precinct conventions on Saturday, May 5.

Again by party procedure, 7 of these are Mondale supporters and 26 are for Hart. There is one uncommitted delegate to the county convention, and by party rules she will have to switch to Hart or Mondale. Jessie Jackson had no delegates and will receive no delegates to the state convention from this county.

The second major piece of business will be the passing of resolutions which will be carried by the delegates to the state convention.

These will be acted on by the 34 delegates, but Seal said that any other person who has a resolution he would like to have passed should come prepared to discuss it.

The county convention Saturday is the last time the voters themselves or their representatives elected directly by them will have an opportunity to speak out at the grass-roots level. For this reason, Seal urges those interested in the political procedure, or those concerned with the future of the country, to attend, although at this convention everyone except the delegates will be spectators.

The Gary Hart delegates elected to the county Democratic convention are:

Voting Pct. 1: L.A. Davis, Sam Adams and James Richardson. Doug Seal, Wyvon Seal, Lorene Jenkins and Bill Lindsey.

Pct. 2: Mr. and Mrs. Olan Farris and Nadine Birchfield.

Pct. 3: Willie Faye Patrick, Dan Henard, Jr., Danny Davis and Lennie Lou Sims.

Pct. 4: Edgar Wischkaemper and Joe F. Knoll.

Pct. 5: Betty Oldham.

Pct. 7: Frank Coleman, Barbara Coleman, Kitten Gulley and Lottie Taylor.

Pct. 8: Cary Don Neeley and Pam Neeley.

Pct. 9: Raymond Horton, Carolyn DeVoss and Judy Baker.

Mondale Delegates elected are:

Pct. 1: Myra Hays and Tommy Hudson.

Pct. 2: None.

Pct. 3: A.L. Kitchens.

Pct. 5: Clifford Oldham and Rudie Tate.

Pct. 7: Ruth Phipps and Dudley Phipps.

Pct. 8: None.

Pct. 9: Billye Owens.

Faye Horton from Pct. 9 is the uncommitted delegate.

"Lifeline" Plan Discussed by Hospital Board

Collingsworth General Hospital board discussed at regular board meeting Tuesday, May 15 the possibility of buying a "Lifeline" emergency response system to be used by people who live alone and might need emergency help.

Charges for the system would be about $15 per month to the user. The system would allow a person living alone to summon help immediately by pressing a button. It would also provide a systematic method of checking on people if they should become disabled and not be able to call for help.

Hospital administrator Perry Foster said the hospital would need about 20 clients to make the system feasible. Anyone who wishes to learn more about the system should contact Foster at the hospital.

Foster also told the board that the hospital's application for "Swing bed" skilled nursing care will go before the Texas Health Facilities Commission Thursday, May 17. Under the swing bed program, a patient who has been hospitalized and who still needs skilled nursing care but no longer needs full hospital care can remain in the hospital for a longer period of time.

The hospital's Home Health Agency made 125 visits in April to patients

Auxiliary to Sell Poppies May 25

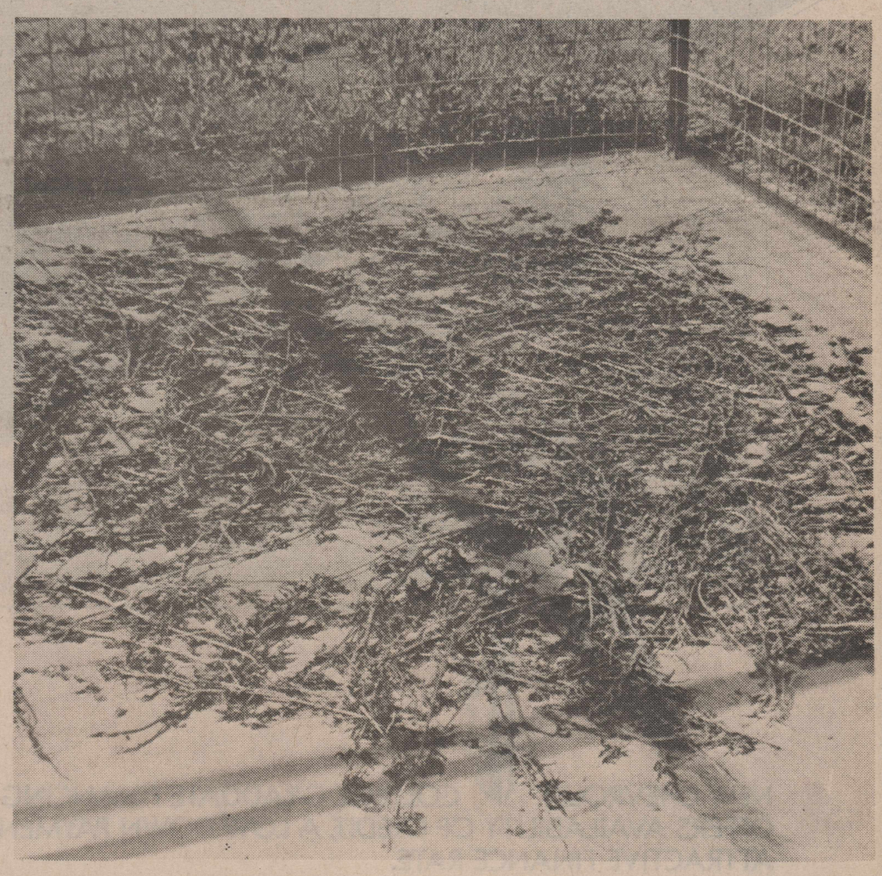

The Auxiliary unit of Glynn Moore Post, Veterans of Foreign Wars, will hold its annual Poppy Sale on Friday, May 25, Mrs. John R. Henard, Jr. president, announced.

The poppies will be sold from tables at the usual locations Parson Drug on the west side of the square and C&H Pharmacy on the north side.

There will be members contacting people in other areas.

The poppy sale will begin at 9 a.m. and continue until 5 p.m.

Recalling the origin of the name, Mrs. Henard said that when Col. John McRae wrote his poem, In Flanders Fields the Poppies Grow, little did he realize that those lines would a few years later become the symbol of those men who gave their lives in World War I.

MARIJUANA SEIZURE

An estimated 35 lbs. of marijuana dries at the county jail before being destroyed this week. Collingsworth County Sheriff's officers located the plot west of Wellington Sunday, May 13. The plants showed signs of being topped and groomed and the Sheriff's department reported several tire and footprints near the plants. No charges have been filed in the case.

City State Announces Purchase Agreement

City State Bank officials announced this week the completion of an agreement under which a group of 28 local residents have bought 1/3 interest in Security Bankshares, Inc. which owns City State and Security State Bank in Hedley.

The remaining 2/3 interest in the banks is owned by J.L. Diamond of Bartlesville, Oklahoma.

"Eventually, we hope local people can buy the other 2/3 of the bank," Cliff Goss, City State vice president, said. "But for now, we're pleased that the new ownership has been able to inject $450,000 in capital into the bank to bring our capital level to $800,000. That means we'll now have a $200,000 loan limit."

"We received a clean bill of financial health from the State Banking Department even before the capital was added to the bank, so with the additional capital, I would suggest we're in better shape than most banks in the state," Goss said.

"Our problems are over and we're ready to grow," Goss said.

City State experienced a series of problems over the past several years after former president Chet Long left the bank and the state appointed a conservator to oversee the bank's operations. Long was indicted last month on charges of forging a fradulent note.

"Decisions will be made locally, and we'll run the bank here," Goss said. "We have a good local board, and we're looking forward to working in the community."

City State directors are Cliff Hartman, Louis Allred, Wayne Cudd, Richard Fourmentin, John R. Henard, Jr., William O'Rear, Ralph Owens, Earl Patterson, Raymond Ward, Don Donaldson of Union Bank and Trust, Bartlesville, Oklahoma and Cliff Goss. Officers are Richard Fourmentin, president, Cliff Goss, vice president, Glenna Hernandez, cashier, and June Owens, assistant vice president

One of the more difficult things about a burglary or fire in your home is documenting the loss for the police and the insurance company. It's hard to remember what you owned when it's no longer there.

* * *

Every homeowner needs to inventory their possessions; few really get around to it. The most useful listings include photographs as well as detailed descriptions.

* * *

Home videotape and camera units add a new dimension to doing inventories. Color-tv pictures, with a descriptive narration made as you shoot, can provide a tremendous amount of detail. Be sure to shoot the outside, as well as the contents inside. Take close-ups of manufacturer's identification plates on your appliances.

Partnership Tournament Slated at Country Club

A Men's Low Ball Partnership Tournament will be held at Wellington Country Club Saturday and Sunday, May 19 and 20, according to Eddie Orr, president.

The entry fee will be $85 per team, and only the first 72 teams will be accepted.

Tee times will be 8 a.m. and 1 p.m. on both days. The number of flights will be determined by the number of entries, Orr said.

Because the number of golf carts is limited, those who will need carts are asked to call early. Visiting players who have carts are welcome to bring them.

First place winners will receive Powerbilt Irons, 2nd prize Powerbilt Woods and 3rd, Ben Hogan bags.

Tickets will be sold to players and the one closests to the pin on Hole No. 7 will win a set of Dunlop Irons and Woods.

A Hogan Radial Putter will be given away for the player closest to the pin on Hole No. 4.

Women of the Swimming Pool Committee will serve a meal Saturday evening which will be free to all players. Tickets will be available to non-players at $5 each.

The Ladies Golf Association will make and sell sandwiches.

Orr said that greens are in excellent shape for the tournament, although weather during the winter damaged fairways, killing the grass in spots.

Orr also announced that Shane Cobb has been hired as greenskeeper with the immediate objective of getting the course in good shape for play this summer.

Ted Martin, who resigned to go to Childress Country Club will be in charge of the Wellington tournament, and those wanting to enter may call him at 806-447-2230 or call the pro shop, 806-447-5050.

Merle Black Completes Book on Dodson School, Community History

MERLE BLACK

Merle Black of Dodson has completed her book, "History of Dodsonville School and early History of Dodsonville." Her manuscript is prepared, and the book will be printed during the months ahead.

"Really, it's a continuation of the book published by the late Deskins Wells, Early Days of Collingsworth County, in which the late D.E. Scott wrote the portion relating to Dodson," said Mrs. Black.

They stopped in 1925. I took it up from there and finished it to the present day.

"I plan to dedicate it to the Dodson High School graduating class of 1938. We were always so close and now it's like brothers and sisters having a reunion. With Edna Copeland Crow as president and myself as vice-president. Next year we decided to honor our class with the book at next year's big homecoming and alumni meeting."

Mrs. Black has already compiled a book with Fanny Jean Martin on all surrounding early day schools. Merle Black has pictures and artifacts dating back to 1900 when her family, the Talleys homesteaded here. Ten years later the town of Dodson was established 2½ miles north of the Talley farm. She went to Dodsonville (now Dodson) School from 1st to 11th grade, graduating in 1938.

"Right now, we're finishing the history of Arlie School to present at the Loco-Arlie Reunion in August. Lucille Covey Motsenbocker, Edith Carter and myself have spent days reseraching old records at Childress Court House. Edith has almost completed the Loco School History," Mrs. Black continued.

"Then, I work on my family history. My daughter-in-law Lameda Hatcher Black got me started in this. I really didn't know I had so many artifacts and old pictures until I went through the old Talley pictures."

Clarence Black, her husban, is an avid geneologist also. He has compiled his Black family history.

With three in the family working on geneology and history it is evident in their homes. Lameda Black is furnishing her new home with old family furniture and heirlooms.

Merle Black is a graduate of Western Oklahoma College at Altus and was named Mother of the Year by Dodson Civic Club in 1978.

She teaches a Sunday School Class in her church where her grandfather was a charter member, North Baptist Church. This was built in 1911 and was used as one of Dodson's first school rooms until in 1912 when the four room school was built.$

Merel and Clarence Black had two boys, Melvin, who died a few years ago, and Linvel, who owns and operates a garage in Wellington. There are two grandchildren.

LETTERS FROM THE PEOPLE

May 9, 1984

Dear Editor:

I am seeking help in locating Wellington High School ex-student Bill Plank. He was on John Lee's boxing team in 1947. Bill joined the Air Force in December 1948 and never returned to live in Wellington.

The faint uncertain memories I have of Bill's family are that his father worked at a cotton gin or was in the cotton business, and his older brother lived at Altus, Oklahoma. His father and mother moved to Fresno, California, sometime between 1949 and 1952.

Anyone with information can write me or contact Louise (Mrs. Marshall) Peters of the Wellington High School Ex-Student Association in Wellington.

Yours truly
Clifton E. Hunter

Bartlett-McKay Lose 1st Match In UIL Tennis

Wellington high school's boys doubles tennis team of Lynn Bartlett and Jamie McKay lost their first match in the state UIL playoffs in Austin, but they played what Coach Ronnie Williams called "the best tennis those boys had played all year."

Bartlett-McKay lost to Casey and Fox of Baird, who won third in state last year and went on to win third again this year.

"Even though we didn't win the match, I was pleased," Williams added.

From the time Leonardo da Vinci made the first sketches of gliders to the first real airplane was a period of 400 years.

LEARNING GOOD HABITS EARLY

"Train up a child in the way he should go: and when he is old, he will not depart from it."

This statement (made by Solomon, thousands of years ago) is just as true and vital today as it was then.

Teach your children the good practice of saving for the future. Teach them to attend worship services in God's house by taking them each Sunday.

EVERYONE IN THE CHURCH — THE CHURCH IN EVERYONE

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Take control of your Life.
Universal Life. A remarkable new policy that puts YOU — not the insurance company — in control of your life insurance.
- You determine premiums (how much, how long, when to pay)
- You determine protection/cash value blend (adjustable to meet your current needs)
- You save on administrative costs (have one flexible plan instead of several policies)
- You earn competitive interest rates (Your cash value is credited with an interest rate determined monthly. The rate may rise or fall periodically but never below 4½%.) We're currently paying over 12% on amounts of cash value in excess of $1,000.
