Panhandle Firemen to Hold Convention Here on Saturday

Three hundred firemen and their guests from 85 fire departments will be Wellington's guests for the 57th semi-annual convention of the Panhandle Firemen's Association Saturday Sept. 8.

The Wellington Volunteer Fire Department is host at the

day-long meeting, and most events are slated for the community building, according to Richard Bailey, fire chief.

An address by District Attorney John T. Forbis will highlight the morning session, which will be given over principally to Association business.

Election of new officers will be the major business for the afternoon, and there will be a talk by some member of the executive staff of the Texas Firemen's Association, according to Bailey.

There will be two events of interest to the general public:

the pumper races and water polo, and a chemical fire-fighting demonstration by a team from Amarillo Air Force Base, about 5:30 p.m.

"We hope the public will come," Bailey said. "The contests, which are regular features of the Firemen's conventions, will be in the street in front of the fire station."

"The Air Force demonstration will be at the northwest corner of Marian Airpark and will feature fighting oil fires with chemicals, as well as other types of fire fighting."

Registration for the convention begins at 8 a.m. at the community building, and the morning session starts at 10, with Cliff Delano of Dalhart, president of the association, presiding.

The Rev. J. F. Michael, chaplain of the fire department, will give the invocation and Mayor Hiram Cudd, himself a Wellington fireman and former fire chief, will give the welcome address, to which B. W. McMeans of Dalhart will respond.

Entertainment will be by the Kiwanis Quartet, made up of Morris Sullivan, L. B. Bratten, the Rev. Glenn Hickey and Gene Nelson. V. E. Haffner of Chillicothe will give the report of the secretary-treasurer.

The legal aspects of arson will be discussed fully by Mr. Forbis, in a talk that will be of interest to those both in and out of fire departments.

A coffee is planned at 10 a.m., at Cecil's Steak House, for the women attending the convention. Wives of Wellington Department members will be the hostesses, with Mrs. Millard Brown Jr., heading the arrangements committee. Assisting her are Mrs. Dick Pendleton, Mrs. Billy Ray Ford, and Mrs. Wayne Cudd.

Luncheon will be served to the visitors.

Following the address of a representative of the state association, the members will go into a business session in which a report of the resolutions committee will be heard, new officers will be elected, and the next convention city selected.

The skill and knowledge that goes into firefighting will be displayed in the pumper races, with teams from a number of Panhandle towns participating.

Water polo will be a skill event, too, with contesting teams attempting to guide a ball strung on a cable with streams of water under fire-fighting pressure.

Prizes of \$25, \$15 and \$10 will be given to the top three winners in each race.

The Air Force team firefighting team demonstration will come immediately after the races and the exact time will depend on when those events are finished.

Firemen and their guests will relax at the two final events—the Firemen's Barbecue at 6:30 in Ellison Park, and the Firemen's Ball, which begins at 9 p.m.

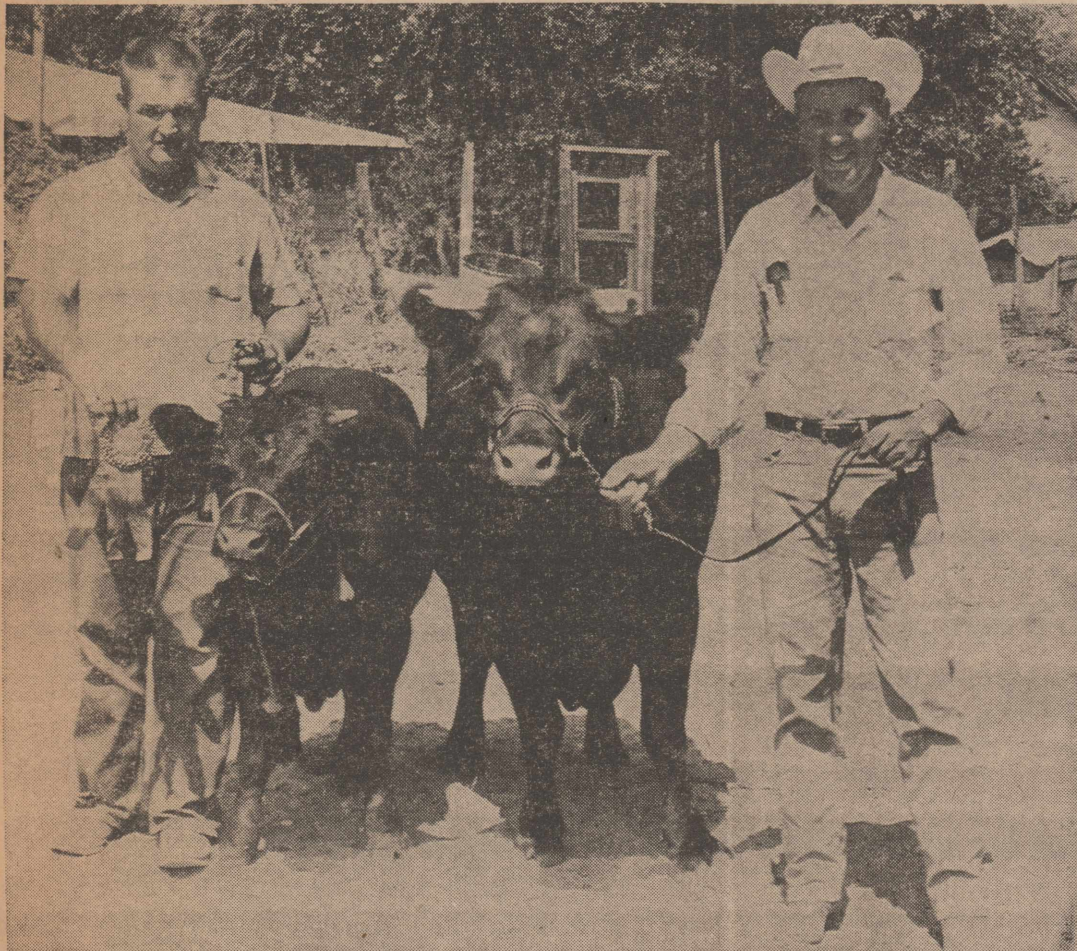

Burglars Rob Bob's Sept. 1

Bob's Grocery & Station, located on Highway 83, was robbed of approximately 60 cartons of cigarettes on Saturday night, Sept. 1.

The thieves broke into the engine room and then knocked out a window between the engine room and the store proper. Richard Owens said that the cigarettes were the only things that he could find missing. Some canned goods had been disarranged, but as far as Owens could tell, none had been stolen. No money or checks were lost.

To Six Farms

Soil Conservation Tour Is Slated for September 7

Farms on which outstanding soil conservation projects are being carried out will be included in the Salt Fork Soil Conservation District tour Friday, Sept. 7, Bob Crawford, SCS conservationist, has announced.

Climaxing the tour will be a barbecue for members served at Ellison Park.

All Salt Fork SCD cooperators are invited to attend, and approximately 90 agriculture students from Samnorwood, Wellington and Quail will be included, Crawford said.

Transportation will be by bus, leaving the courthouse at 9 a.m.

Six farms will be visited—

those of Sandy Parsons Jr., L. A. Gilmore, Frank Kennedy, James Doneghy, W. C. Harwell and M. B. Parrigin.

At the Parsons farm, south of town, tour members will inspect a diversion and waterway. This has made possible the use of a reclaimed lake where the operator had not been able to grow crops due to washing out. The diversion now takes the water to the Fort Worth and Denver right of way.

The second stop will be the Gilmore farm at Rolla, where a seeding of switch grass is being grazed and an erosion control dam was built to stop washing.

At the Doneghy land, the

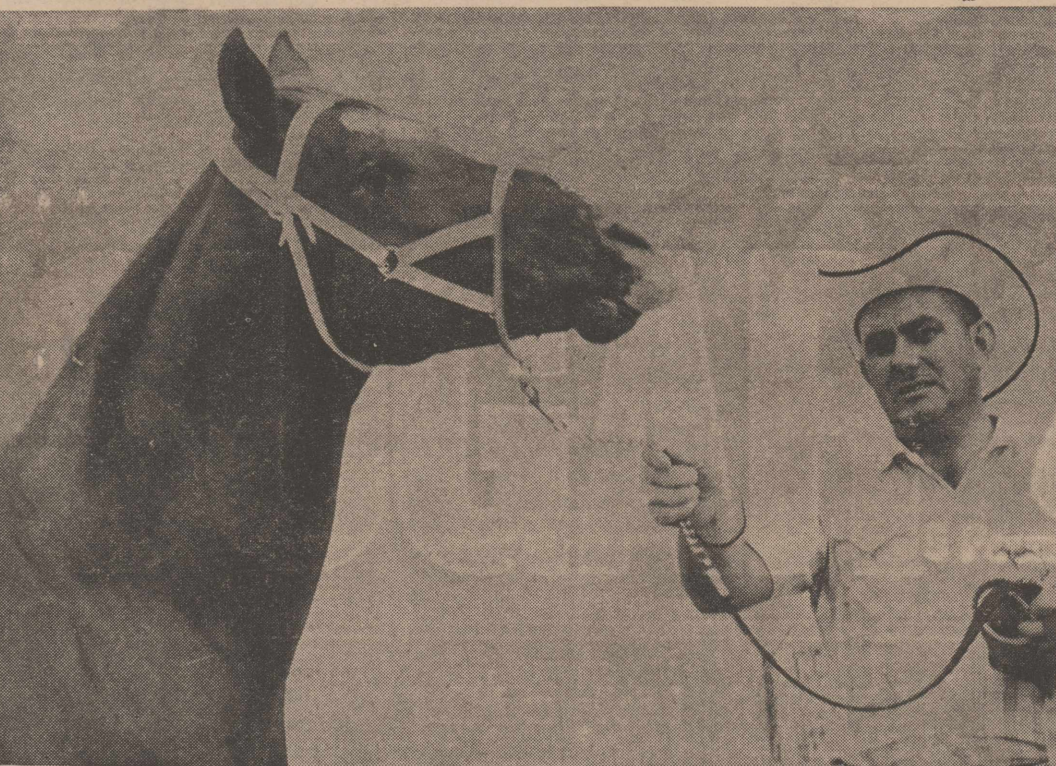

tour members will inspect range land where mesquite was sprayed and which is now being deferred to improve the grass.

The Kennedy farm at Quail has a waterway planted with a protective cover of cane, in which grass will be seeded.

A seeding of switch grass in soil bank land will be seen at the Harwell farm at Lutie.

The final stop will be at the Parrigin farm at Cross Roads, where grass was seeded this year and diversions constructed as part of the owner's Great Plains Program.

All cooperators wishing to make the tour are urged to be at the courthouse at 9 a.m.

Kansas Stallion Wins at First Appaloosa Horse Show

Unico, a handsome stallion owned by Dr. Fowler Poling of Wichita, Kan., and leased to George Talbot of Dodge City, Kan., was the grand champion of Wellington's first Appaloosa Horse Show Friday, Aug. 31.

Forty-two horses were entered, according to Paul Guthrie, chairman of the Rotary-sponsored show. This was more than

were expected for a first show and made it, in the eyes of horse breeders, an unqualified success.

Tonto, owned by Lloyd Rice of Amarillo, was the reserve champion stallion.

Grand champion mare was Texas Belle, owned by L. G. Hooper of Plainview and the reserve champion was Bonita

Sue, owned by Charles Caldwell of Hollis, formerly of Wellington, and one of the better known Appaloosa breeders of this area.

Rusty Day, owned by Baba Ray Wood of Amarillo, was the champion gelding.

This was the third time Unico has been entered in a show—and his third grand championship. He was grand champion of the Kansas State Fair at Hutchinson in 1961 and won the same honor at the regional show at Eureka, Kan., last year also.

He is under a two year lease to Talbot, owner of the Flying T Stables of Dodge City. His owner, Dr. Poling, who now practices medicine in Wichita, formerly lived at Hollis.

Show winners included:

1962 stallions: first, Abdul's Fire Eyes, owned by J. B. Fairchild of Crowell; second, Comanchera, owned by Paul Guthrie of Wellington; third, Rob Roy's Tonka, owned by Elaine Yarbrough of Wellington; fourth, Childress C. Man, owned by J. B. Fairchild of Crowell; fifth, Hot Spot Dandy, owned by

How Long Can We Cover Our Debt?

A spendthrift—individual or government — eventually faces but one end — bankruptcy.

It takes government longer than individuals to go broke, because governments can cover their waste and extravagance by bleeding the individual white with taxation and by borrowing until inflation makes their money worthless.

Commenting on the tax and debt situation in the United States, Garth A. Shoemaker, president of the Citizens Expenditure Survey of New York, points out that federal governmental expenditures planned for 1963 exceed those of 1962 by nearly \$3.5 billion and 1962 spending exceeded 1961 by about \$7.5 billion. He adds: "In the period of the last six fiscal years ending . . . June 1962, budget expenditures of our national government have exceeded revenues by \$23 billion and the difference was made up by going into debt. The statutory limit on the federal debt has been raised twice in the past year and is now being raised a third time to \$308 billion. At its World War II peak, the debt never exceeded \$290 billion. Decline from that height was reversed by the outbreak in Korea but, even so, the \$308 billion ceiling will be some \$40 billion higher than the debt at the end of the Korean War."

The costly welfare-state is being steadily forced on our nation. This, together with various schemes, whereby tax-exempt federal business projects discourage or displace tax-paying private enterprise, costs the government tax revenue and forces it to borrow more and more money to meet deficits.

Just why Congress tolerates socialistic experiments that sap the vitality of sorely needed taxpaying enterprise, is hard to understand. Unless the trend is reversed, our loss will be more than money — it will be the end of individual opportunity and liberty itself.

First Lady Is Linguist

Not depreciating the enthusiasm with which President Kennedy greeted in Mexico, may we suggest that his Spanish-speaking wife contributed no little to the reception. With a little speech in French she did equally well for the U. S. in France. Her linguistic accomplishments should serve as an example for all Americans who travel abroad. Nothing pleases people more than to hear THEIR LANGUAGE spoken by a visitor from the U. S.

CROSSROADS REPORT

Dear Editor:

I see where President Kennedy says the Constitution is a remarkable document, considering that it was written away back when people didn't have many problems.

But he seems to feel like it has been over-run by Progress, same as the Ten Commandments, which deal only with the sins that mankind had invented up to the time these rules were handed down.

And the Constitution's writers naturally couldn't foresee and set up guards against the modern day perils such as atom bombs and Harvard professors.

I see where a world convention of nudists spent nearly all of its time wrestling with the problem of how to get recognized by society.

Whereas many raimented people probably thought all the time that the nudists' chief worry would be flies and gnats.

But it hadn't ought to strain society any, learning to recognize these people, on account of the summer shorts-halter show gives us numerous lessons in the identification of formerly disguised features of the human chassis assembly.

I note that many experts on human cussedness are saying that society is to blame for more people all the time getting robbed and murdered by juvenile thugs.

They claim it is because we don't provide enough other entertainment for these youngsters, so they just have to take their fun where they can find it.

My federalized neighbor says there is a herd of young rattlesnakes in his south pasture which he is going to see if he can re-direct their social habits by putting in ping-pong tables and a bowling alley for them.

I see where a stomach expert says lots of very young children are showing up with the type of ulcers which are caused by deep worry.

No doubt the kids are worrying about whether Life Adjustment procedures in school will have them adjusted in time for this modern free-style

Life which is displayed in books and movies by our over-mature crop of writers.

After all, even in this enlightened age, there are still some backward areas where kids get to be maybe 10 or 12 years old before they ever have a date or get drunk.

I see where President Kennedy told a group of young people they ought to study the opportunities offered by careers in government work.

Which is shrewd advice for people wanting job security, as government is the only employer that can put on more help and raise wages while going in the hole every year.

But it ought to be pointed out to ambitious youth that sometimes Congress or the FBI takes a spell of being contrary with fast operators such as Billie Sol Estes, which cuts down on the fringe benefits of government employment.

Out of newspapers, electronics and after-dinner speakers, we have got a first rate communications explosion going, and the confusion fallout from same is pretty bad.

This vast surplus of words could be a bigger menace to society than any of our other gluts, such as surplus wheat, surplus babies, and surplus politicians.

Obvious solution is a government program to put a lot of our word producers in a Think Bank, by paying TV stations to stay off the air part time,

The bride is the daughter of Mr. and Mrs. Milburn Gibbs, while the bridegroom's parents are Mr. and Mrs. Henry Langford.

An arch covered with foliage and accented with white gladioli, was at the center of the altar area. On either side were candelabras holding lighter tap-

ers, and beyond this arrangements of white gladioli. Satin bows marked pews along the bridal aisle.

Wedding music was presented by Mrs. Earl Gibbs, aunt of the bride, who was organist, and Donnie Moore, vocalist.

Mr. Gibbs gave his daughter in marriage.

The bride wore a white velvet dress which she designed and made. The basque bodice had a rounded neckline, long tapered sleeves and a deeply pointed waist line. The sheath skirt was floor length, and an overskirt formed panels at the hip and extended into a chapel

train. Her elbow length tulle veil was attached to a velvet headband, and she carried a bouquet of white carnations atop a satin-covered Bible.

Miss Nancy Gibbs was her sister's maid of honor, and the bridesmaids were Miss Elaine Yarbrough and Miss Joy Hartman of Amarillo. Candles were lighted by Charlotte Gibbs, another sister, and Nancy Thomas. The attendants wore turquoise velvet sheath dresses, made with scoop necklines and three-quarter sleeves. Matching headbands held short circular veils and they carried white carnation nosegays.

H. C. Langford of Sentinel, Oklahoma, was his brother's best man, and ushers were Don Langford of Mangum and Dan Langford, brothers of the bridegroom; Clinton Gibbs of Amarillo, the bride's brother, and Bobby Langford, a cousin of the bridegroom.

Monda Sue Alexander of Amarillo, cousin of the bride, was flower girl. Mrs. H. C. Langford and Miss Lynda Orr registered the guests at the wedding.

Following the ceremony, Mr. and Mrs. Gibbs were hosts at a reception in the church parlor. Mrs. Jerry Thompson of Weatherford, Oklahoma, and Mrs. Garland Fielding, sisters of the bridegroom, presided at

the bride's table, while Mrs. Donnie Moore registered the guests.

As the couple left on their wedding trip to points in New Mexico, the bride wore a turquoise jersey suit with matching fur collar. Her accessories were black and her corsage was of white carnations.

They will make their home at 310 West 14th St., Amarillo.

The bride is a graduate of Wellington high school and is employed by Amarillo Motors. She is a member of the Amarillo Toastmistresses' Club.

The bridegroom was graduated from Quail high school. He attended Clarendon Junior College and is a senior in West Texas State College, Canyon. During the summer he was employed by the ASCS office in Wellington.

Mrs. Danny Wheeler

Miss Charlotte Richmond Weds Dan Wheeler in Corpus Christi Ceremony

Miss Charlotte Richmond became the bride of Danny Ray Wheeler in a ceremony performed at the Norton Street Church of Christ in Corpus Christi Saturday, September 1, at 7:30 o'clock in the evening.

Mr. and Mrs. J. D. Richmond of 1457 Miami, Corpus Christi, are the parents of the bride, while the bridegroom is the son of Mr. and Mrs. Ted Wheeler of Wellington.

The church was decorated with white gladioli and bronze chrysanthemums. Two spiral candelabras decorated the rostrum and tapered out to the aisles.

Mr. Richmond gave his daughter in marriage.

The bride wore a floor-length gown of chiffon, designed with a scalloped neckline overlaid with English lace, traced with seed pearls. The skirt was appliqued with lace medallions accented with seed pearls. Her finger-tip veil of French illusion was caught in a crown of seed pearls, and she carried a cascade bouquet of feathered chrysanthemums, centered with white butterfly roses.

The matron of honor was Mrs. Renett Moore of Corpus Christi. Bridesmaids were Miss Helen Strange of Panhandle, and Miss June Ingalls of Corpus Christi, while the junior bridesmaids were Clarice Wheeler and Laura Faye Wheeler, sisters of the bridegroom and Stephanie Richmond and Brenda Richmond of Fort Worth, nieces of the bride.

The attendants wore street length dresses of silk organza over taffeta designed with scooped necklines and full skirts. The matron of honor and bridesmaids wore gold, with headpieces of gold taffeta to which tulle veils were attached. Two of the junior bridesmaids wore gold and two green, and their headpieces were of gold flowers with tulle veils. All the attendants carried nosegays of feathered chrysanthemums.

The best man was Ken Mc-

Kutchen of Abilene, while the groomsmen were Eddie Wheeler and Buford Wheeler, brothers of the bridegroom. Junior groomsmen were Ronnie McGrew, Jerry Smith, Ricky McMinn and Charles Boecker of Corpus Christi. Ushers were Wayne Moore of Corpus Christi, George Sullivan of Panhandle, Lee Montgomery and Wayne Gamble of Corpus Christi.

Mr. and Mrs. Richmond were hosts at the wedding reception in their home. Decorating the bride's table was an arrangement of white gladioli and bronze chrysanthemums, while the bridegroom's table was decorated with an arrangement of autumn foliage.

After a wedding trip to Hot Springs, Ark., the couple will be at home in Searcy, Ark., where both will attend Harding College.

Both the bride and bridegroom are graduates of Lubbock Christian College. The bridegroom also was graduated from Quail high school, while the bride was graduated from W. B. Ray high school and attended Del Mar College in Corpus Christi.

Dodson SS Class Holds Cook-Out

The Young Adult Sunday school class of the South Baptist Church of Dodson had a cook-out in the back yard of the Floyd Teutsch home Thursday, Aug. 30.

The hamburgers they grilled teamed up just right with potato salad, homemade ice cream, chocolate cake and lots of coffee and tea. After everyone could eat no more, there were jokes, reminiscing and a few tall tales which were enjoyed by all. Then Mr. Crowder brought a very timely devotion dedicated to the optimism and courage portrayed by young adults through faith in God.

Those present for the festivities included Ed and Virgie Crowder, Truitt and Mary Alice Holland, Wendell and Joreta Burge, Tommy and Jackie Van, Lonnie and Barbara Roberson, Joe and Beth Lennon, Raymond and Charlotte Minatrea, Roger and Gay Painter, Floyd and Jeanette Teutsch, Dennis Holland, Glen Hunt, Linda Ford, Freddie Mayhugh, Mike and Nancy Teutsch, and Wen and Mike Burge.

WHAT'S AN INDUSTRY IS QUESTION

AUSTIN.—The School Land Board is going to have to decide before long what the Legislature meant when it said state-owned islands and submerged lands along the inland waters of Texas could be leased by the Land Board for "industrial purposes only."

For example, Port Aransas wants to lease some state land for a city airport. Is that an "industrial" use?

Land Commissioner Jerry Sadler, chairman of the board, thinks it is. He wants to give a liberal interpretation of the term.

A study of the law by the Attorney General's department has provided no judicial interpretations by Texas courts of the term "industrial." But they can take their choice from the courts of other states. There the interpretations range from "manufacturing only" to one case where the courts held that rice farming was an industrial activity.

Deck's DIDACTICS

—By Deskins Wells

The 1962 Free Fair was advertised as the best thus far and it lived up to its billing with plaudits to spare. As far as I could observe every department surpassed the displays of other years. There were over 600 items in the agriculture exhibits alone and the quality of those that did not even place was excellent. The parade was longer and more interesting and as usual it hit the square at precisely 10 a.m. The horse shows were better and so were the art, culinary and other departments.

The Quarter Horse show has been outstanding for years and had over 60 animals, but the surprise was the Appaloosa show which was held for the first time and attracted over 40 registered animals. All of this is not so much looking back as it is in looking forward to an even greater fair next fall.

The efforts of the VFW and the American Legion to secure proper respect for the Flag produced results. Congratulations.

I am reminded that I need to look up Dick Lindley and Frank Fourmuntin and collect my turtle money. They gave me a New Frontier guarantee that my terrapin would win.

Members of the Wellington Volunteer Fire Department will be busy men this week end as they play hosts to firemen from all parts of the Panhandle. There will be a barbecue, a dance, and special contests in addition to the business meeting. I like barbecues most, but the one I enjoy the most is the annual one given by the firemen for their families and the families of present and past city officials.

I am wondering if the landowners in the affected areas couldn't get together and do something about the bindweed in the bar ditches. It seems a little futile to fight the pest in the fields while it remains in the bar ditches as a constant source of infestation. Johnson grass is bad enough but it can be controlled by several different methods. The problem of bindweed is much more difficult.

Turn off the air conditioner and turn on the gas stove. We had five days in the latter part of August when the temperature went over 100, but on Sept. 5 it was down to 57.

CHAMPION GILT

This champion gilt was hunting a shady spot. Her owner, Garland Boyce, 4-H Club boy, had something like that in mind and had gone to get a hamburger, his friends report-

ed when time came for the show pictures. Garland entered this gilt in the class of gilts under 6 months. Garland is the son of Mr. and Mrs. M. A. Boyce.

Boyce, Kindrick Show Winning Hogs

Saunders, Reynolds Have Champion Show Cattle

J. C. Saunders, Quail Future Farmer, showed the grand champion beef calf, a fat Black Angus, at the Collingsworth County Youth Project Show held Saturday, Sept. 1 in con-

nection with the Fair. A glistening red shorthorn cow and a young bull won for Butch Reynolds of Samnorwood FFA a double grand championship.

The reserve champion beef calf was an Angus exhibited by Tommy Yarbrough.

This year's show was the largest in several years and an on-the-ground addition of a third class of beef calves was added, according to Bob Lynch.

The hog division, smaller than usual, saw Garland Boyce of Quail 4-H exhibit the grand champion gilt, and David Kindrick of Samnorwood FFA the grand champion sow.

These winners were listed:

Light weight calves: first, Ricky Nall, Wellington 4-H; second, Dean Tate, Samnorwood FFA; third, Loyd Stice, Samnorwood FFA.

Heavy weight calves: first and grand champion, J. C. Saunders, Quail 4-H; second, Tommy Yarbrough, Wellington 4-H; third, Joe Wood, Wellington 4-H; fourth, J. C. Saunders, Quail FFA.

The exhibitors of the grand champion and reserve champion received halters from the Memphis Production Credit Association.

Dr. Wilson Visits Here

Dr. Gene Wilson of Dallas was the guest of his parents, Mr. and Mrs. J. D. Wilson, over the Labor Day week end.

This was his first visit here since his return July 28 from a two months tour of Holland, France and Spain.

Dr. Wilson lectured for a week at the medical school of the University of Leiden in Amsterdam, Holland.

SEWER PLANT GRANTS

AUSTIN—A total of \$3,200,000 in Federal grants to 46 Texas cities to improve their sewage disposal plants will be parceled out by the State Health Department and the Texas Water Pollution Control Board early this month.

Congress has stepped up its efforts to help cities obtain health-protecting sewer systems. Federal grants, a maximum of 30% of the cost, up to \$250,000.

Mr. and Mrs. C. A. Winton and daughter, Linda, attended a reunion of his family in Hallettsville at the home of his sister, Mrs. J. T. Johnson. His mother, Mrs. J. H. Kiehlbauch of Freeport, who formerly lived here, joined them there.

Ruling on Location of Mail Boxes

The following announcement was made this week by Postmaster L. B. Bratten concerning the location of rural mail boxes.

"In a reasonable length of time, all rural mail boxes have to be moved to the right side of the road. This is not the whim of a new postmaster but a ruling of the Post Office department.

"I have been aware of the ruling for a year now, but have not pushed the issue except to request new patrons to erect their boxes properly.

"Your carrier and your postmaster will have to be persistent in our efforts to have our patrons comply with this regulation.

"The reason for this is that the Department is involved in several accidents where rural carriers and patrons have lost their lives due to crossing to the left side of the road to serve a box.

"Since this has to be done, I trust that you will accept it with the proper spirit of co-operation, and if you have an old box in need of repair, or is too high or too low, that you will back up and look at it. If you aren't proud to have your name on it, let's fix it."
