Civic Club Corner

By Club Reporter

Civic Club meeting this Tuesday was quite interesting and much business transacted. W. O. W. committee—J. B. Ragland, J. D. Braley, C. W. Bergmann met with members of club suggesting plans and means of raising money for good strong fence at Schreiner Park. Business Men's Club called meeting with Civic Club for Tuesday May 30th Hanan's Riley Hall at 8 o'clock p. m., anyone interested in the civic work is invited to attend this meeting. Civic Club work has started in good earnest everyone has made themselves a committee of one and all are doing good work; don't think you are butting in, we need your suggestions. Bro. Campbell and Boy Scouts had permission from the club and have erected a flag staff also a room 8 by 12; the scouts have established a permanent camp at the park and every afternoon you'll find them at home in the river. These boys with the help of Bro. Campbell and Mr. Newby have worked hard for their camp, and any thing you can do to encourage the scouts, "will make better scouts of them". A move is on foot and arrangements being made for a scavenger to work this town monthly. A committee has been appointed and will visit each home in the interest of this much needed work.

Children wanting a swing at park can bring rope and board evening of June 5th at 4 o'clock and some one will be at the park to put them up; that will be day before the W. O. W. picnic.

To Whom It May Concern:

Baptist Meeting Closes.

The Baptist revival meeting, conducted by Rev. J. B. Riddle of Kerrville closed Monday evening. It was one of the most successful in many respects, of any held here in a long while. Good interest was shown from the first. The evening services were held in the open air, and there was large attendance every evening. Some fifty conversions resulted from the meeting; thirty were added to the Baptist church. Sunday afternoon baptizing was held at the river near the North L. & N. bridge; twenty-seven were baptized here at one time in several years. Rev. Riddle's fervent preaching, earnest speaking and music made many friends during his stay here.

Notice has been given, and will be issued.

Another Garage.

O. L. Eastman is preparing to open up another garage in Junction. He has purchased tools and machinery and will open for business just as soon as building can be constructed. It will be located on the Butland and Riley property just north of Miss May Jeter's store. The building will be sheet iron and concrete floor. Size 40 by 60. Work of erecting has already begun and it is expected the new garage will be opened by June 15. Mr. Eastman was formerly in the garage business here, has a good knowledge of the business, and expects to have a shop and service first class in every particular.

Total Valuation

Tax Assessor J. W. Ragland has just completed the total tax valuation of Kimble County, which is \$8,500,596. The 1915 valuation was \$8,309,617. This shows the substantial increase of \$190,979. It will be well to remember, also, that in this year's rendition cattle were reduced \$250 on the head on last year's valuation.

Notice.

On June the 6th we will sell balloons for the children at 10¢ each and half of the receipts will be donated to the Civic League.

WEAK KIDNEYS MAKE WEAK BODIES.

Kidney Disease Causes Many Aches And Ills of Junction People.

As one weak chain weakens a link so may weak kidneys weaken the whole body and hasten the final breaking down.

Overwork, strains and other causes injure the kidneys, and generally when their activity is lessened, the whole body suffers.

Aches and pains and languor and urinary ills frequently come and there is an ever increasing tendency towards dropsy, gravel or fatal Bright's disease, when the kidneys fail. There is no real help for the sufferer except kidney help.

Doan's Kidney Pills act directly on the kidneys.

No need to take the statement of someone living far away as evidence.

Here is a case right in this locality.

J. F. Gardner, Sabinal, Texas says: I have found that Doan's Kidney Pills do all that is claimed for them and I take pleasure in recommending this medicine. My kidneys gave me trouble; their action being irregular and of an distressing nature. I had pains through my sides and back, also. I finally used Doan's Kidney Pills and they benefited me.

Price 50¢ at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Gardner had. Foster-McBarn Co., Props., Buffalo, N. Y.

Can you wash your walls?

You have often wished that you could remove spots and stains from your wall paper. Perhaps the paper was almost new. In that case the marks must remain an eye-sore, or you must get to the expense of repapering.

We can save you all such annoyances. We recommend that you use

DEVOE VELOUR FINISH

in place of this unsanitary wall paper. It is an oil paint that gives to walls a beautiful, soft, water-color effect. If it becomes soiled, you can wash it with soap and water.

Devoe being a thoroughly sanitary finish for your walls and ceilings, Devoe Velour Finish also offers artistic possibilities that cannot be attained by wall paper. Also, it is more economical—lasts longer than wall paper.

Devoe Velour Finish is not an experiment. We guarantee every can of Devoe we sell. Our customers tell us it gives them perfect satisfaction and that it is very easy to apply.

NEEDLE OF SUCCESS

THE camel of Extravagance has absolutely no chance of passing through the eye of the Needle of Success. EXTRAVAGANCE means WASTE, and waste is the NATURAL ENEMY of SUCCESS. The person who spends his money immoderately, lavishly, recklessly, will naturally NEVER succeed. The secret of success is MODERATION, not excess.
