LONDON W. C. MAKES VISIT

The Junction Woodmen Circle entertained the London Circle on Wednesday of last week. Two o'clock dinner was served to both Groves, in the spacious dining room of the Fritz Hotel. The table was lovely with cut flowers brought by the ladies of both Groves. The feast was one of those the Fritz Hotel is famous for, and was greatly enjoyed by all. After dinner they entered the W. O. W. Hall across the street. It was beautiful in its decorations of chrysanthemums and the grove colors. A regular meeting was conducted and closed in proper form. During the "Good of the Order" the guests were entertained with an advertising contest by Mrs. Nellie Hankins. First prize was won by Miss Jessie Weaver and second prize by Mrs. G. T. May. A very interesting and instructive reading was given by Mrs. Agnes Jordan. Mrs. Eula Ramsey distributed dainty little booklets, with Grove colors, full of questions. Miss Sadie Lewis won the prize in answering the most questions. Mrs. G. T. May and Miss Weaver of London and Mrs. Mabus of Mason addressed the Groves with interesting talks in which they praised the Advisor, Vashti Taylor, who was acting in the absence of the Guardian; they spoke highly of our clerk Minnie Riley.

At the Hankins Parlour the tables were gorgeous with (Ellen Jones) chrysanthemums. Here chocolate and cake was served, after which the goodbyes were said, hoping to meet at London on the 3rd Saturday in February in another joint meeting.

Out of town guests for Wednesday's entertainment were: Misses Sadie Lewis, Maud Childs, Jessie Weaver; Mesdames George Pearl, Able Maysey, L. H. Ainson, S. H. Weaver, E. W. Brewer, Jack Ivy, G. T. May, R. F. Cannon, W. C. Jones; Messrs. Jack Ivy, George Pearl and Claud Weaver; all from London; and Mrs. Mabus of Mason.

Third Lyceum Attraction

Pronounced a Rare Treat

The third Lyceum attraction. Hon. Booth Lowery, appeared at the Opera House and spoke before a large audience last Friday evening. For about one hour and a half he held the pleased attention of his hearers and all who were present pronounced it a rare treat to hear "The Blue Mountain Philosopher." Mr. Lowery has inexhaustible sparkling wit and genuine humor and withal a most apt manner of driving home a splendid lesson all the while. Then to climax his address he floated away on flights of oratory about the magnificent beauty of our country here, declaring it was some of the prettiest he had ever seen and he left the impression that he had seen several places, including the richest scenic beauty of the old world.

Junction is fortunate in having a speaker of Mr. Lowery's type to visit us. Every number of the Lyceum attractions which have appeared here thus far have been not only very high class entertainment but highly instructive as well. Junction needs more of that kind of entertainment.

Hi School Athletics.

Apart from the fun to be had, by both participant and spectators, the valuable exercise to be had therefrom athletics should be encouraged, because it is the bond by which good fellowship is established and kept in the school for athletics makes for genuine democracy; snobbishness and class distinction vanish up on the athletic field.

Divisions in sport such as foot ball, baseball, and basketball should not detract from the central thought that it is for the advancement of our school among other schools that these games are utilized.

Cora Middleton was absent from school Monday.

While ice skating Tuesday Joe Felps had the misfortune of getting his wrist dislocated by being run into.

A \$6.00 Daily and Sunday Newspaper for \$3.65.

A PENNY A DAY

IMPORTANT NOTICE!

With the exception of black ink, all raw materials used in manufacture of a newspaper have advanced in cost during the past twelve months approximately 100 per cent. This means that it will cost your publisher practically double to supply you with a newspaper the coming year.

Under stress of these unusual conditions, The Star-Telegram has been forced to increase its "Bargain Days" rate from \$1.25 to \$1.45. An increase of 40 per cent. (1.25 per month) or 12 per cent. Based on the conservative estimate increase in production cost of 100 per cent, under this price the division of added expense will be as follows:

Increased expense to The Star-Telegram..... 88%

Increased expense to The Reader..... 12%

This situation means that after "Bargain Days" the regular rate of \$6.00 per year must be strictly enforced. We have lowered the price to the very bottom in order to protect our Annual Subscription Cheap Rate Period, which has been in effect since the establishment of The Star-Telegram.

Do not take chances, save the 12.5% by ordering before Bargain Days expire. Take advantage of the \$1.45 rate.

The high standard of The Star-Telegram will be maintained as long as there is a Star-Telegram regardless of any war burdens.

Dr. D. S. Stone Hurt

Dr. D. S. Stone has been in a hospital in San Antonio the past ten days suffering with a twisted muscle in one of his legs. He and George Braley left here and joined by others at San Antonio formed a hunting party who were enroute to Webb County after big game. When down near Cotulla they stopped for the doctor to get out of the car and open a gate. Just as he stepped from the car the car gave a jump forward and the doctor gave a quick turn at the same time stepping into a hole. His foot and leg was given a severe twist. It did not pain him so badly at first and thinking it not serious they proceeded on their way. By the time they reached Cotulla the pain was more severe and they turned back. The pain soon became more intense and Dr. Stone took the train back to San Antonio where he arrived in much pain. He has been under treatment at the hospital since and is now, we are glad to learn, improving nicely. He expects to return home in a few days.

First Quarterly Conference

First Quarterly Conference of the Methodist Church in Junction for this conference year will be held here Sunday. The new Presiding Elder, Rev. J. M. Perry will be here and preach. Rev. Perry was here during the Encampment last summer for a few days and his sermons here were powerful in their strength and appeal. He is a preacher of excellent ability and we feel that Junction is fortunate in having him for Presiding Elder.

Game Regulations

Open season on doves in Texas was effective September 1st. The season for buck deer opens November 1, and continues to January 1, and season for wild turkeys opens on December 1. There is practically no change in the game laws from last year. Persons may hunt in the county of their residence or adjoining counties without licenses. The hunting license is necessary however, for hunting in other counties of the state. The license fee is \$1.75 for residents of the state, and \$15 for non residents.

State game, fish and oyster department has mailed to county clerks over the state large quantities of hunting licenses. Game reported to be plentiful this season.

SCHOOL CHILDREN

Whose eyes burn, water, itch, or ache while studying should see Dr. Jones at the Hotel in Junction Friday, Saturday Nov. 17-18. At London Monday 20th.

The Country Editor

A preacher, at the close of one of his sermons, said, "Let all in the house who are paying their debts stand up." Every man, woman and child, with one exception, rose to their feet. "Now every man not paying his debts stand up." The exception, a careworn, hungry looking individual, clothed in his last summer's suit, slowly assumed a perpendicular position.

"How is it, my friend," asked the minister, "you are the only man not able to meet his obligations?"

"I run a newspaper," he answered meekly, "and the brethren here who stood up are my subscribers, and—"

"Let us pray," exclaimed the minister.

We hope having read the above, that a number of our subscribers are going to say "Let us pay"—Selected.

The Ford Is My Auto

The Ford is my auto. I shall not want another.

It maketh me to lie down beneath it, it leadeth me in the paths of ridicule for its name sake.

Yea, though I ride through the valley I am cowed up the hill and I fear much evil.

Tiny rods and thy engine they discomfort me. I anoneth thy bearings with oil, my radiator runneth over.

I adjust my carburetor in the presence of mine enemies.

Surely trouble and ridicule will follow me all the days of my life and I shall dwell in the bug house forever.

If We Could See You Face to Face

If we could see you face to face we could prove to you beyond the shadow of a doubt the advantages of the famous Hyne Practical Bookkeeping and Simplified Shorthand. Our Bookkeeping is one of actual business from start to finish and our shorthand may be written either with pencil or on typewriter. We could show you clearly how it is that we can turn out a letter stenographer or bookkeeper and do it in three months less time than when we used to teach the systems that have been used by other schools. This saving of three months time means much to the prospective student; at a conservative salary of \$50 per month, the three months time would amount to \$150, three months' board at \$12 per month would amount to \$36, or a total saving of \$186, to say nothing of the fact that the student of our school gets three months' practical experience, while the student of the other school is just finishing his course and has no experience.

We have hundreds of graduates holding the very best positions to be found in our larger cities. We have more calls for our graduates of Bookkeeping, Shorthand and Business Administration and Finance, Cotton Classing or Telegraphy than we are able to supply. You may enter with us at any time; our works practically all individual instruction. Thorough preparatory work in English branches is given free. Write for catalogue, make your arrangements to enter at once, that we may soon have the pleasure of placing you in a good position. Tyler Commercial College, Tyler, Texas.

A Smile

The poultry editor (name unknown) of a Georgia country weekly received this letter from a postical summer cottager:

"Dear Editor: What shall I do? Each morn when I visit my hen house I find two or three fowls on their backs, their feet sticking straight up and their souls wandering through fields. Elysian. What is the matter?"

The prose editor replied by return mail:

"Dear Friend: The principle trouble with your hens seems to be that they are dead. There is not much that you can do as they will probably be that way for some time. Yours, respectfully,

ARE YOUR KIDNEYS SICK?

Many Junction People Have Kept Well By Keeping Their Kidneys Well

The first symptom of kidney trouble may be only a slight pain in the back, a feeling of stiffness or soreness in the loins, or some annoying irregularity of the urinary passages. Urine is often discolored and perhaps sediment gathers upon standing. Next may come a dull, throbbing, back ache, sharp knife-like pains, head aches, dizziness, and in many cases lameness when arising in the morning. No one can afford to delay until these troubles become serious. Begin using Doan's Kidney Pills, the tried and tested kidney remedy that has won the praise of thousands. Junction readers should find convincing proof of merit in the following statement. It's from a resident of this locality.

J. S. Osbourn, Llano, Texas, says: "The action of my kidneys was irregular and I had to get up frequently at night to pass the kidney secretions, which broke my rest. I used Doan's Kidney Pills and found them to be all that is claimed for them. They did me more good than any other kidney medicine I had ever taken and gave me great relief."

Price 50c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Osbourn had. Foster-McMillan Co., Props., Buffalo, N. Y.
