City council approves grant projects

Following public hearings Tuesday, the Colorado City Council adopted resolutions to proceed with two different grant projects.

The first grant request is for $224,450 from the Texas Community Development Program and is earmarked for water line improvements. If the grant is approved, water lines on Oak Street from 6th to 10th streets, Walnut Street from 6th to 10th Streets, Elm Street from 4th-10th streets, Cedar Street from 10th-13th streets and Locust Street from 19th-22nd streets will be replaced with six and eight inch lines. The present four-inch lines are corroded to the point where it causes pressure problems in that area, said City Manager Brenda Hammond.

Of the total $269,450 project, the city will pledge $45,000 in either money or in-kind services which will give the city a better chance to be awarded the grant.

The other grant will be sought from the Texas Parks and Wildlife Department to build a boatramp at the city-owned Fisher Parker at Lake Champion. Total cost of the project is $40,000 with the city pledging $10,000 in in-kind services.

Hammond said the Fisher Park project calls for a wooden dock and walkway to be built along with a 20-car parking area and a concrete ramp and landing leading to the present boatramp which is under water when the lake is full or near full capacity.

The council also approved an agreement with Willis Environmental Engineering, Inc. for engineering services for the boatramp.

The council agreed to go ahead and pay off the $35,544.44 owed on the fire station. Hammond said that there is $45,433.95 cash on hand to pay off the loan and suggested that the remainder be earmarked for the water fund. The council also agreed to continue collecting the $1 per month from each water user for the remainder of the fiscal year with that money also going to the water fund to help finance needed improvements and repairs.

Director of Public Works Buz Rich gave an update on the problems facing the city concerning water transmission. The council agreed to hire two more summer employees to assist in the laying of a new line on Pine Street from Main to 4th streets and to finish the project on Oak Street from Main to 2nd.

"Replacing these old mains will solve lots of problems," said Rich. "Those old four-inch lines downtown are creating a lot of problems for us."

Mayor Jim Baum appointed himself along with Gary Redwine and Rex Thackerson to a committee to study the possibility of a bond election sometime in the future for water improvements. The city's bonded indebtedness will be paid off in 1993 and Baum said the city should start looking now at a major bond program for water improvements.

Baum also appointed Brian Bassham and Bob Reily to a committee studying ways to proceed with implementing the 9-1-1 emergency system.

The council deadlocked at 3-3 on a request from Bob Dennis for a carport variance at 863 East 13th Street. Thackerson, Bassham and Redwine said they were unable to visibly inspect the site because they were given the wrong street. The item will be placed on the next agenda.

Hospital district board gains one, loses another

The Mitchell County Hospital District board of directors gained a new member but lost another one during a special meeting Tuesday.

The new member is H.E. (Gene) Parker, a Colorado City resident retired from the Morgan Creek Power Plant. He fills the vacancy created by the recent death of Margaret Baum.

Following an executive session, the board accepted, with regret, the resignation of chairman Gus Armstrong.

Armstrong cited personal reasons for the resignation.

The only other nominee to fill Baum's place was Connie Penland whose past efforts to win election to the board have failed. Penland was nominated by Marion Bassham.

Junior Smith nominated Parker with Parker receiving the votes of Smith, A.K. McCarley Jr. and Sybil Stephens. Bassham voted for Penland.

CISD board begins new budget process

The Colorado ISD board of trustees Monday night began its task of formulating a budget for the 1990-91 school year by meeting with administrators and committee members in a budget workshop.

"This is a chance for the members of committee to share information with the board and to help build toward next year's budget," said Dr. Jim Ramsey, superintendent.

Ramsey said the average daily attendance (ADA) is expected to be about 1,210 next year and noted that the ADA has steadily declined from 1,400 for the past several years.

He said it probably will be next week before the district finds out the amount of funds to expect from state for next year, but anticipates the amount to be about $2 million. The district this year received $2.3 million.

The board heard what items were included on this year's "wish" lists from the various committees and also heard ways on controlling expenditures in such areas as instruction, instructional administration, curriculum and personnel development, transportation, co-curricular and extra-curricular and administration.

The "wish" lists included items from each campus as well as the sports, transportation and cafeteria departments.

Board president Dwayne Harris thanked the committee members for their input. "This will give us a direction on what should or could be cut from the proposed budget," said Harris.

Harris said that the district stayed under the budget this current year, but said that the next year's budget will have to reflect an increase $200,000 for teacher salary increase alone.

In other business, the board approved the career ladder committee report as presented. Asst. Supt. Don Nimmo said there will be $112,293 shared by the 50 teachers named to the lists.

Teachers named to the Level II Entry on the career ladder were Martha Anderson, Nancy Carroll, Linda Green, Barbara Hammond, Sonja Hanks, Kim Harlin, Nell Holman, Phyllis Ramsey, Carrie Richardson and David Woods.

Level II Maintenance teachers are Allie Beth Beauchamp, Brenda Billings, Thelma Blake, Molly Bruce, Gaye Carpenter, Annette Chesser, Bebe Colaw, Ronney Conner, Ray Ellis, Bruce Evans, Emma Godina, Janie Lou Greenlee, Rita Hardegree, Jen-

City sales tax rebate up slightly

State Comptroller Bob Bullock has sent a check totaling $24,931 to Colorado City as its local sales tax rebate.

The check reflects a increase of 3.59 percent from the $24,066 received for the same period last year. The 1990 payments to date total $202,566, down 7.32 percent from last year's total of $218,561.

Westbrook received a check for $727 this time. Its 1990 payments to date are $4,399, up 111.96 percent from the 1989 payments to date of $2,075.

Loraine did not receive a check this time. Its payments to date are $3,447, up 6.28 percent from last year when the amount stood at $3,243.

Mitchell County received a check for $13,601, up 32.37 percent from last year's check totaling $10,283. The 1990 payments to date total $117,175, up 45.29 percent from a year ago when the total was $80,646.

This month's check includes taxes collected on May sales and report in June by businesses filing monthly returns.

Merchants collect the sales taxes and send them to the comptroller's office with their tax returns.

All local sales taxes must be approved by local voters and may be used for any legal city or county expenses. Most areas put the money in their general fund and use it for operations like fire fighting, maintaining roads and law enforcement.

Area cities and the amounts they received include Big Spring, $79,560, down 7.29 percent; Snyder, $56,695, up 3.56 percent; Sweetwater, $46,262, down 6.51 percent; and Sterling City, $3,698, up 17.48 percent.

The only area county to collect optional local sales tax is Scurry which received a check for $35,334, up 2.62 percent.

4-H leader honored

Kleta Smith, a Mitchell County 4-H leader, was honored recently along with 33 other 4-H volunteers from 16 counties across Extension District 7.

San Angelo's Brentwood Country Club provided the setting for the 4-H Volunteer Recognition Luncheon on July 10. Rick Perry, District 64 state representative, was the featured guest speaker.

Mrs. Smith is a 4-H volunteer leader in the Lone Wolf 4-H Club. She works with 4-H members in the food and nutrition, clothing and public speaking projects. She is a very energetic 4-H leader and is also an active member of the First Baptist Church in Colorado City.

She is married to William Smith and they have three children - Brian, 12, Stacy, 11, and Autumn, 6.

County approves road seal coating bid

The Mitchell County Commissioners' Court Monday approved a bid for seal coating some eight miles of county roads in precincts one, two and three.

Bids were received from Jones Construction of Odessa, Nobles Road Construction of Colorado City, Price Construction of Big Spring and Lipham Construction of Aspermont.

The bid was awarded to the low bidder, Lipham. Commissioners noted that even with the low bid, it will cost about $6,000 per mile for seal coating, and more than twice that amount if a double coat is applied.

In other business, the court agreed to seek and advertise for bids for a new car for the sheriff's department to replace a 1988 model with 85,000 miles. Bids will be opened at 2 p.m. on Aug. 13.

The court also gave permission to Sheriff Wendell Bryant to attend the annual sheriff's conference in Austin July 21-25.

Commissioners approved a request from the library board concerning a temporary policy change regarding overdue materials. The board recommended that after the first notice of an overdue item, that $1 be charged for each additional notice in addition to the regular fine.

No action was taken on a petition from a group of property owners concerning a paving request for county road 171, approximately .6 mile in length. Commissioners noted that the road is not on a priority list of roads to be paved and that there is not enough traffic to warrant placing it on the priority list.

The court agreed to advertise and seek bids for a new bulldozier to be used in precincts one, two and three. It will replace a 1980 model. Bids will be opened on Aug. 13 at 2 p.m.

Commissioners scheduled a budget workshop meeting at 1 p.m. on Wednesday, July 18.

Representative to be here

State Comptroller Bob Bullock said that a representative from his agency will be in Colorado City on Thursday, July 19, to answer questions about Texas taxes and assist taxpayers with paperwork and problems.

"I don't want to see state taxes turn into a burden for folks who can't get to a field office. Our visits are a service we're happy to provide to Texas taxpayers," Bullock said.

Bob Jones, enforcement officer in the Abilene office, will be at the Southwest Savings meeting, 2205 Hickory Street, from 1-2 p.m. The public is welcome and there is no charge.

"I'm sending my employees out to help people with questions, filling out forms and working out problems on a local, one-on-one basis. There are some things you just can't do as well over the phone or through the mail," Bullock said.

Big Country area taxpayers who can't attend the workshop can still get individual tax assistance by calling the Comptroller's toll-free telephone number, 1-800-252-5555, from anywhere in Texas.

The Abilene office, headed by James Martin serves Mitchell, Brown, Callahan, Coleman, Comanche, Concho, Eastland, Erath, Fisher, Haskell, Jones, Mason, McCullough, Menard, Mills, Nolan, Runnels, San Saba, Shackelford, Stephens, Stonewall, Taylor and Throckmorton counties.

He was selected as first chair alto sax during tryouts in New York City.

The tour group is visiting Paris, Lucerne, Lugano, Milan, Verona, Venice, Innsbruck, Salzburg, Heidelberg, Cologne, Amsterdam, Windsor and London. Highlights of the tour will include concerts in the concert halls and major parks of Europe and a two-day visit in the homes of Dutch families. Students will visit many sites of musical and historical importance as well as popular tourist attractions.

The American Musical Ambassadors have taken over 4,000 outstanding young musicians to Europe in the 18 previous years. Conductors of the bands are among the most prestigious band directors in the U.S. 1990 conductors include Professor Larry Rachleff, University of Southern California, and Professor Don Wilcox, director of bands at the University of West Virginia. The tours are organized and directed by Professor Maxine Lefever, a member of Purdue University's band staff for 25 years.

The purpose of the tour is to foster cultural and personal relationships between students of the United States and people of Europe. In past years, students of AMA bands, through their high standards of musical excellence and equally high standards of personal excellence, have indeed served as fine representatives of American youth and as ambassadors of goodwill through their music for audiences throughout Europe.

Loraine Personals

...by Lois Phillips

Shawn Finley will play in the six-man All-Star game in Stephenville on July 21 at 8 p.m. at the Tarleton State College.

Shawn and a boy from the Trent football team were chosen from our West Texas district. We are proud of them.

Shawn is a 1990 graduate from our school and is the son of Sue Finley of Loraine and Gary Finley of Abilene. Mr. and Mrs. Charles Finley are grandparents and Judy Price of Loraine is maternal grandmother. He also has a younger sister who will cheer him on.

* * *

Judy Price has been to Louisiana to see her doctor for a check-up. I don't know how she came out but I hope she is much better.

* * *

Mrs. Paris Yarbrough, her daughter Nelda Jo and Gladys Payne were in San Angelo last week visiting Mrs. Jean Vest who is in the hospital there but will soon move to South Texas to be close to her oldest son and his family, hope all will be well with you.

* * *

Don Epperson has been home on leave recently. He happens to be one of my favorite people.

* * *

Thanks Gene and Pearl Smith for the kind words you had to say about me and my Meanderings in this paper. Glad you enjoy reading it.

* * *

Trixie West called to tell me she was doing much better, even though she still sounds like she has a frog in her throat. She also told me about her company. Bonnie Ruth House and her husband from Rotan, Mr. and Mrs. Don Riley of Sweetwater and Boyd and Jessie Scott House came by after visiting Al and Ronell Simmons of Amarillo. Ronell is in bad shape. I wish we could do something for her.

* * *

The Fourth of July is always when the Stewarts, in-laws, outlaws, brothers, sisters and cousins come to Loraine to see everybody. On Saturday night before the 4th each family and friends get together to eat and visit, then on Sunday they all meet in Sweetwater for the day.

Those who came for this affair were Mr. and Mrs. Raymond Stewart of Cumby, Mr. and Mrs. Neil Stewart, Mr. and Mrs. Mark Keyhea and Scott Stewart of Commerce, Mr. and Mrs. Jess Stewart of Ladonia.

Also Mr. and Mrs. W. O. Stewart, Mr. and Mrs. Jimmy Hodges and Kristie, Mr. and Mrs. Bobbie Green, Mr. and Mrs. Ronnie Reed and Chelsea and Mr. and Mrs. Derek Wall of Post.

Others were Mae Paul Stewart of Colorado City, Doug Harmon and Shane, Mrs. Deborah Murphy, Mistie and Marty of Snyder.

Others present were Mr. and Mrs. Jackie Walker, Ryan and Garrett of Big Spring, Mr. and Mrs. Ray Harmon, Mr. and Mrs. Christian Siebenehausen, Christina and James of Greenville, Mr. and Mrs. Ralph Lankford of Loraine, Mr. and Mrs. Forrest Oglesby and family, Tulsa, Okla., Frankie and Judy and boys of Loraine, James and Inez Stewart Loraine, Billie and Kay Nell and Nolan Cornutt of Loraine.

* * *

Visiting in the Elmer Rainey home Sunday July 8 were Mr. and Mrs. Weldon Rainey and son J. Rainey from Coahoma and Mr. and Mrs. Richard Read and son J. Read of Big Spring. Also visiting were Mr. and Mrs. Odis Wade of Weatherford.

They all ate supper with the Raineys and fixed home-made ice cream. Don't you know that was good.

* * *

Mr. and Mrs. Paul Brown and Paul Jr. and Meredith of Houston visited his parents, Paul and Jan Brown of Lake Colorado City and her mother Bertha Faye Snyder of Loraine.

* * *

Saw Wanza Graham at church Sunday. Good to see her up and about. Love you Wanza.

* * *

Both of our teenage grandsons are playing in a tournament in Abilene this week. Chris plays at 6 p.m. tonight and Stacy will play on Wednesday at 8 p.m. I suppose you call this a district all-star tournament.

Other Loraine kids chosen for All-Stars were Michael Moore, Kyle Moore and Chris Phillips. Several were chosen from Westbrook, Colorado City and Roscoe. Hope we can at least stay on the field with them part of the time.

A few hours later the game is over and believe it or not we won. We played a team from Coleman and won 8-3. We were really happy for the boys.

We saw the Marlin Moores, Janet's parents, Juan Ybarra's mom and dad and several other relatives and friends. Never will know if Marlin and Ruth Moore or Janet's family came to watch Michael play ball or to watch their great-grand play in the stands.

Also saw Mr. and Mrs. Parker from Colorado City. Others I don't know their names but they were there to help with the team in any way they could and that's good enough for me. I guess the ladies also went along to pick up the loose ends that Dad and son forgot, socks, belts, etc. I noticed the Coleman team forgot their catchers' gear or something anyway they borrowed from us.

Oh by the way Colorado City, you sent the team to the tournament in style. They sure looked nice. The addition to the uniform looked good.

* * *

Betty and Raymond had company last week, a brother of Betty's and his wife. They stayed until after church on Sunday night and did the singing at the First Baptist Church. It was extra good and everyone enjoyed it.

Dear Loraine PTO Members:

Our 4th of July booth was a colorful success! No, you're right, we didn't make a whole lot of money.

But, you worked together like a well oiled machine thanks to those of you that stayed up half the night cooking and you that jumped up at the crack of dawn becoming an instant assembly line. You worked the booth as you saw you were needed all day and still had a smile for all of us as you walked away.

Thanks for your patience with last minute changes and the mixed up schedule, the use of your vehicles, the money donations and of course, a special thanks to all you men folk who chose to 'grin and bear it.'

To coin a phrase guys, "It was a real hoot!" I can't wait to see what's next...What? You're great-great aunt on your cousin's side is sick and you'll be out of town that day?

Your grateful president
Sharon Green
