Trainmen's Walkout Officially Condemned

CHICAGO, March 6. (AP)—Railroad management declared today that a strike called by engineers and trainmen for Monday was "a senseless and flagrant disregard of the Railway Labor Act."

Railroad Unions Threaten Strike For March 11

CLEVELAND, March 6. (AP)—Heads of two big railroad brotherhoods, the trainmen and engineers, today set 5 a. m. (CST) March 11 as the deadline for a progressive strike which would tie up the national rail system.

The expected announcement was made at a press conference called jointly by President A. F. Whitney of the Trainmen's Brotherhood, which has 215,000 members, and Alvanley Johnston, grand chief engineer of the Brotherhood of Locomotive Engineers' 78,000 members.

The actual walkout could be delayed 30 to 60 days by the president's appointment of a fact-finding committee as provided by the Railway Labor Act.

Such a committee would have 30 days in which to study the strike call and report recommendations for a settlement. The panel's recommendations are not binding on either party to the dispute.

Johnston said at Washington last month, when he and Whitney called on President Truman, that the brotherhoods probably would exhaust machinery set up by the Railway Labor Act and on another occasion declared that "whatever provisions the law calls for we will abide by."

Red Cross Still Far Below Quota

Howard-Glasscock chapter still is at least \$4,250 short of the 1945 Red Cross quota. H. D. Norris, roll call chairman, said today.

Total collections in Howard county has reported about \$800. This gives the chapter a total of \$9,234 on a quota of approximately \$13,500.

Announced today was receipt of \$700 from Cosden Petroleum Corp., half of which came from employees and half from the company.

Additional special gifts from the Wacker's store, \$50; Kids Shop, \$25; Sallie Ann Shop, \$25; Croan Motor Service, \$15; Mrs. M. L. Musgrove, \$10; Lester Fisher, \$10; Lemon Shepherd Company; Mr. and Mrs. J. D. Barron; Beaty Laundry.

Car Theft Charges Filed Against Boy

Charges of car theft have been filed against James Lee Gray, 18, arrested by Jake Bruton, juvenile officer, last week and transferred to the county jail Tuesday.

In a signed statement, Gray admitted joining with Verdie Moore to "borrow" three local vehicles within a space of three weeks but said they used the cars only for "joy rides."

The machines, belonged to Claude King, H. O. McCright and Jack Payne. All were found abandoned later.

Moore was apprehended last week.

Rainey Severs Last Tie With University

AUSTIN, March 6. (AP)—Homer P. Rainey, former president of the University of Texas, had the decks clear for political action today.

What the action would be was not announced, but every indication was that Rainey would become a candidate for governor.

Yesterday Rainey severed his last tie with the University by resigning as professor of educational administration.

This was a position he held in conjunction with the presidency. When dismissed as head of the school, he retained the professorship.

Chinese Troops Fired On By French Vessels

CHUNGKING, March 7. (AP)—A Central News dispatch said today that five French warships bombarded Chinese troops at Haiphong, Indochina yesterday, and both sides suffered casualties in a hot but brief exchange.

The dispatch said the French attempted to land at the northern port, which Chinese forces had been occupying and which the French are supposed to take over under an agreement announced Feb. 28.

Iranian Premier Prolongs Visit For More Talks

Says Discussions Concern Evacuation Of Russian Troops

MOSCOW, March 6. (AP)—Iranian Premier Ahmed Qavam es Soltanich prolonged his stay in Moscow today for further conversations with Soviet officials concerning the troublesome situation in Iran.

The premier originally was scheduled to depart for Tehran yesterday but changed his mind suddenly and an informed source said an understanding of some sort might be in the offing.

Ahmed Qavam said in an interview that he had discussed with the Russians the question of the presence of Red army troops in Iran.

"One of my aims was taking up the question of the evacuation according to the terms of the treaty," Ahmed Qavam told newsmen. "I have done this."

There was no indication of the outcome of this discussion, but a well-informed source expressed belief that the Russians and Iranians had not reached any agreement to date.

Informed foreign quarters in Moscow said the British embassy had received no answer from the Russian government to a request for an explanation as to why all Russian troops were not evacuated from Iran on the specified date.

An Iranian said the question of Iranian oil was not being negotiated either.

"This question cannot be negotiated while foreign troops are still on Iranian soil," this source said.

Jap Constitution Renounces War

TOKYO, March 6. (AP)—A new Japanese constitution renouncing war for all time and prohibiting the maintenance of armed forces was announced today.

General MacArthur, reporting that it was drafted with his full approval, emphasized that "the foremost of its provisions that abolishing war as a sovereign right of the nation renders (Japan's) future security and very survival subject of the world."

(MacArthur's approval of the constitution, maintaining the Mikado as a symbol of state with very limited formal functions, presumably ends any possibility of his being arrested as a war crimes suspect.)

The proposed constitution vests sovereignty in the people and strips all governmental powers from the emperor.

It replaces the powerful house of peers with a house of councilors who must be elected by all the people and who may be overruled by the House of Representatives on some major issues.

It enumerates a long list of revolutionary individual rights for the Japanese.

It renounces "as a sovereign right of the nation and the threat or use of force as a means of settling disputes."

Blankenship Will Preside At Meeting

LUBBOCK, March 6. (AP)—W. C. Blankenship, superintendent of Big Spring schools, will preside at the night session of the West Texas Teachers Association annual meeting in Lubbock March 15.

Speakers will be Dr. Robert L. Sutherland of the Hogg Foundation at Austin, and Mrs. Evelyn Duval of Chicago, representative of the National Conference of Family Relations.

R. W. Matthews, Lubbock superintendent, is president of the association. Frank Monroe, Midland superintendent, and Miss Bonnie K. Dysart of Texas Tech, immediate past president, will preside at morning and afternoon sessions.

Colorful Chicago Labor Leader Dies

CHICAGO, March 6. (AP)—Steve Sumner, 95, one of Chicago's most colorful labor union leaders until his retirement in 1939, died last night after a long illness.

Sumner, one of the founders and for more than 35 years an official of the AFL Milk Wagon Drivers union, during the late 1920's and early 1930's had fought the old Capone and other gangs which he accused of trying to gain control of the union.

Bibles To Japan

TOKYO, March 6. (AP)—A shipment of 100,000 copies of the Holy Bible printed in Japanese arrived by plane today. They are the first of a consignment of 300,000 donated by the American Bible Society.

Churchill's Speech Excites Comments

Many Senators Reject Military Coalition Idea

WASHINGTON, March 6. (AP)—A number of influential senators today rejected Winston Churchill's suggestion for a military coalition with Britain as an affront inviting Russian retaliation and a "body blow" to the United Nations.

Senator George (D-Ga.) told a reporter an agreement to dovetail American and British armed forces, as proposed by Churchill would "weaken the United Nations," and "would be a body blow to the U.N.O."

Similarly, Senators Pepper (D-Fla.), Kilgore (D-W.Va.) and Taylor (D-Ide.) criticizing what they termed "Tory clamor in Britain and the United States which is building up war," said "the new British-American imperialism which Mr. Churchill proposes simply makes the world situation intolerable."

Senator Ball (R-Minn.) commented that such an agreement "would obviously be interpreted by Russia as directed against her—and with some justification, I think."

Some on Capitol Hill, like Senators Taft (R-Ohio), Edwin C. Johnson (D-Colo.) and Maybank (D-N.C.) agreed generally with the former prime minister's estimate of Russian aims. None, however, saw a military alliance as the answer to that problem.

Moreover, Senator Brewster (R-Me.) said he thought a military arrangement between the United States and Great Britain would be likely to "precipitate the world against us."

"We ought to orient American policy with Russia instead of taking steps calculated to feed, if not to justify, Soviet suspicions," he said. "Ignoring Russia only arouses her suspicions."

As an example, the Maine senator said he thought Russia should have been a party to the Anglo-American petroleum agreement and should share in any decision made about the future of Palestine.

City Officials Hope Property Owners Will Take Part In Drive

With free pickup-service arranged outside the city limits, officials were hopeful today that all property owners in and around Big Spring will take full opportunity and join in the current clean-up drive.

In voting for full co-operation in the program Monday, county commissioners stated that vehicles will be made available for regions outside the city limits simultaneously with pick-up work by city department trucks within the corporate limits. All residences and business houses are urged to complete their clean-up this week and have all articles ready for the trucks when they begin their rounds on Monday.

The Lions clubs is taking an active part in work scheduled for this afternoon on West Third street.

Dallas Strike Slate Partially Clear Now

DALLAS, March 6. (AP)—With basic steel production resumed, Dallas' slate of strikes and company shutdowns brought on by steel starvation was partially cleared today.

Eleven hundred Ford Motor Co. employees will go back to work March 18 after being away since Feb. 6.

Production of stoves at the Guberson plant in Oak Cliff was resumed on a limited basis after a month's complete stoppage.

Union and management relations at the Murray Co., however, were not improved and both sides upheld a settlement of the four-week-old CIO steelworkers strike unlikely soon.

McDonald Suggests Growing More Food

AUSTIN, March 6. (AP)—Why not ask farmers to produce 25 per cent more food instead of asking Americans to consume 25 per cent less, State Commissioner of Agriculture J. E. McDonald today asked President Truman in a telegram.

In order for the farmers to produce 25 per cent more food, McDonald said, the OPA would have to be abolished or its price ceilings lifted; or there would be no profit in increasing farm production.

President Appeals For Church Help

COLUMBUS, O., March 6. (AP)—President Truman today laid at the door of "certain interests," which he described as "greedy for gold," the responsibility for much of the opposition to his domestic legislative program.

Appealing directly for church support of measures which have bogged down in congress, the president said:

NO TROUBLE—HE'S IN UNION

COLUMBUS, O., March 6. (AP)—President Truman arrived here at 9:39 a. m. CST today for an important speech at noon after taking his turn at the throttle of his special train.

He addressed the Federal Council of Churches of Christ in America.

While newsreel and still camera men photographed the scene, the president raced the 10-car special through Bloomingburg, Mt. Sterling and Debray, O., at a 60-mile-an-hour clip.

Reporters reminding him that he had performed briefly as an engineer on his trip from Washington to Fulton, Mo., warned that he might get into "union trouble."

"Oh, they gave me a card, he answered, smiling.

Attaches said Mr. Truman was an honorary member of the Brotherhood of Locomotive Engineers.

Mr. Truman was accompanied to Columbus by Winston Churchill of Great Britain.

Union Terms GM Strike 'Lockout'

DETROIT, March 6. (AP)—CIO United Auto Workers officials, charging their 105-day General Motors strike is now a "lockout," meet again today with corporation officials in renewed attempts at settlement.

Both sides awaited the outcome of a planned telephone conference between special federal mediator James F. Dewey and Labor Department officials in Washington. Dewey, denying persistent rumors last night that talks would move to the capital, said he planned to contact Labor Secretary Lewis B. Schwellenbach or one of his aides regarding the GM dead-lock.

The union's "lockout" charge came yesterday after GM repeated its rejection of a UAW proposal for arbitration of unsettled issues.

"The refusal of the corporation to arbitrate the issues clearly makes this strike a lockout," the UAW said in a statement from President R. J. Thomas, Secretary George F. Addes and Vice President Walter P. Reuther.

Public Opinion Generally Seems To Favor Speech

WASHINGTON, March 6. (AP)—A disturbing new element beset suspicion-riddled big three relations today — Winston Churchill's plea for quick creation of an Anglo-American military alliance.

Two schools of diplomatic thought here reacted to Churchill's address. One held it would bring hidden distrust into the open and force a showdown; the other that it would bolster belief security must entail spheres of influence.

There appeared little sentiment to discount the weight of Churchill's words on American public opinion, coming only five days after Secretary of State Byrnes declared this country must stand ready to fight to protect principles of the United Nations charter.

On top of Byrnes' words have piled these developments in recent weeks to strengthen arguments in some American diplomatic quarters that another face to face meeting among the chiefs of state has become essential:

1. A US protest sent to Moscow yesterday against the failure of Russia to withdraw army forces from Iran by the March 2 treaty deadline.

2. A second note of protest based on a Chinese report to this government that the Soviet Union had claimed Japanese industries in Manchuria as "war booty."

3. Canada's disclosure—and Russia's acknowledgment—that Soviet agents in Canada had obtained military secrets.

4. Published reports from Dairen that Russian troops were deporting Japanese forces to Siberia for use in labor battalions.

5. A Soviet announcement that the Kuriles and southern Sakhalin have been incorporated into Russia by a Yalta agreement.

6. Secretary of Agriculture Anderson's statement yesterday that the soybean crop in Manchuria had been "liberated."

Ickes Says Pauley Memos In Vault

WASHINGTON, March 6. (AP)—Harold L. Ickes told the Senate Naval committee today his memoranda on conversations with Edwin W. Pauley are locked up in a bank vault and could not be produced immediately for examination.

The committee had ordered Ickes to produce the memoranda which he testified previously he made three or four days after Pauley offered him "the rawest proposition ever made to me," asserted in connection with an attempt to raise Democratic campaign funds in 1944.

The former secretary of Interior said he did not receive notification until 6:45 p. m. yesterday to appear again.

"I'm used to being given more or less of a bum's rush," said Ickes, resigned recently from the cabinet in a huff. "But to expect me to produce memoranda that are under time lock in a bank vault in the time given is too much."

Irish Brides En Route

BELFAST, Northern Ireland, March 6. (AP)—The US transport Henry Gibbons sail today for New York with 314 Irish brides and 140 children of American service men.

Liu Chieh Reports—

Chinese Urge Russia To Withdraw Troops

CHUNGKING, March 6. (AP)—The Chinese government has been pressing for withdrawal of Russian troops in Manchuria but Soviet authorities intimated their delay was "due to certain difficulties which they didn't specify."

Liu Chieh, vice minister of foreign affairs, said today. He did not elaborate.

He also said China is keeping the United States informed on the course of Sino-Soviet negotiations.

Liu skipped some queries with a laconic "no comment" at a press conference.

Answers he did give showed that Russia had not informed China of the movement and size of Soviet forces at Port Arthur—made a joint Sino-Russian naval base under the Sino-Soviet treaty of last Aug. 14.

Reports received by the Chinese government confirmed that Soviet authorities removed machinery from industrial plants in Manchuria.

Inability of the Chinese government to restore Chinese sovereignty in Manchuria was due in general to the failure of Russian forces to withdraw from that vast territory, particularly from Changchun, the capital, and Mukden.

Inability of the Chinese to assume control of civil administration of Dairen, as provided in the Sino-Soviet treaty, was connected with "the general question of Manchuria." The treaty declared Dairen an open port.

St. Mary's Auxiliary Revives Fashion Tea Custom Tuesday At Settles Hotel

Local Stores Place Newest Spring Ensembles On Display; Lighter, Brighter Colors Evident In Informal Clothing

For a showing of the first peacetime fashions ladies of the St. Mary's Episcopal church were sponsors of the 13th annual exhibition spring styles at a fashion tea held Tuesday in the ballroom of the Settles hotel.

The wartime theme of apparel was still apparent in the types of clothing modeled with only a few formal gowns shown. The majority of the clothes emphasized informal living with play clothes, suits and dressier street-length frocks displayed.

For the first time in several years the Episcopal ladies revived the custom of serving tea. The table was arranged with a full cloth of white Italian cut work, and the centerpiece was a low arrangement of red roses set in a low crystal bowl. Tall white tapered were placed in triple silver holders set

ruffles, sang several numbers. They included "Wait and See" and "I'll Be Walking With My Honey." The ensemble included Leta Frances Walker, Janis Yates, Mabel Smith and Leslie Cathey, accompanied by Mrs. Ann Houser.

Wearing brief costumes of red satin with silver trim, novelty top and dance numbers were presented by the Farrar school. The dancers were Lynette Blum, Mary Jane Alexander, Nancy Smith, Judy Douglass and Joyce Ann Pritchett. They were accompanied by Betty Farrar.

The Kid Shop models were dressed in the favorite attire for the younger set on Easter morning, complete with mannish little suits with harmonizing hats and caps, and for the little girls there were beffuffed and furbeled pinafores and frocks with all their accessories and coats. Other children modeled delightful little informal play clothes with cotton sun dresses and their matching bonnets.

Models included Teddie Groebel, Mike Collum, Lonnie Lovelady, Barbara Coffee, Mary Ann White, Beverly Vaughn, Jane Cowper, Sharon Snodgrass, Priscilla Pond, Lee Denton, Dorothy Sue Wasson and Mary Louise Davis demonstrated the use of glassed chins in play-suits for the sub-deb set.

The informal attire for relaxation and play was shown by all of the models and ranged in style from the "little girl" play suit to more sophisticated cotton sport dresses, and tailored slacks. Apparent in all of the creations was a galaxy of color and fabric combinations.

Daytime apparel featured suits, ranging from the popular dressmaker type to the tailored ensembles. Here, again, bright colors were in evidence, but black still held firm place in the fashion limelight. Gray appeared frequently in the daytime wear, denoting its popularity in spring styling. Suits and two piece dresses were shown by all of the stores participating.

For Anthony's the models included Mrs. Esol Compton, Mary Lou Chancellor, Elnora Hubbard and Mrs. Cecil McDonald. Mrs. Oliver Goodman, Billie Catherine Chelf, Wilda Watts and Tina Lea Ridgeway modeled for Franklin's. Wearing Swartz costumes and Pitman's jewels were Mrs. O. O. Craig, Mrs. Mort Denton, Mrs. Harold M. Hall and Mrs. T. A. Harris, Jr.

Among Hemphill-Wells costumed were Mrs. Morris Patterson, Anna Claire Waters, Mrs. John Davis and Patty Toops. Lou Ann W. Betty Lou McGinnis and Melba Anderson displayed the "Mango" styles, and for Sallie Ann there were Evelyn Green, Evelyn Arnold, Alvina Rowland and Mary LaVonne Franklin.

The last grouping featured particularly the "after five" styles, and the more ornate and decidedly more formal costumes were exhibited. Light, bright colors were employed and the softer look, especially at the neckline, was obvious. Hats were definitely on the elaborate side with their flowers and veiling.

Formal attire was at a minimum with only four evening dresses shown. Franklin's showed three of the costumes with Mrs. Orville Goodman, Billie Catherine Chelf and Tina Lea Ridgeway modeling. Representing Hemphill-Wells, Anna Claire Waters exhibited a formal costume.

Local florists furnished table decorations, corsages and decorations for the ballroom.

Miss Barron Wed Tuesday In Ceremony At Church

Double Ring Vows Read At First Baptist Church

Wearing a formal gown of white wedding satin, Myrtle Barron, daughter of Mrs. T. J. Hale of Cisco, was married to Donald Swope of Wheeler, Mich., Tuesday evening at six o'clock in the First Baptist church.

Before an altar decorated with baskets of Picardy gladioli and ferns, Rev. P. D. O'Brien read the double ring ceremony by candlelight. Wearing a gown of powder blue with a gardenia corsage, Clara Brewer lighted the candles.

The bride's gown of satin was designed with a high neckline extending into a yoke of chiffon, with a satin bow applied at the edge of the yoke. The basque waist went into a full gathered skirt. The finger-tip length veil of bridal illusion was edged in lace and fell

from a coronet of seed pearls. For her bouquet the bride carried a long arm arrangement of gardenias and white carnations backed by a broad white satin ribbon. For something old she carried a handkerchief belonging to the bridegroom's great-grandmother, something blue was a ribbon and something borrowed was a cameo necklace.

Julia Mae Cochran was maid of honor, and were a formal gown designed with a blue satin basque waist and a full chiffon skirt. She carried a colonial nosegay of daffodils and yellow ranunculus, with a matching arrangement in her hair.

Sgt. Robert W. Swope of San Antonio acted as best man for his brother.

Mrs. Ernest Hock played the traditional wedding marches and accompanied Helen Blount as she sang "O Promise Me," and "Because."

Ushers were J. C. Mittle and Hugh Cochran.

Following the ceremony a reception was held in the parlor of the church. Guests were registered in the bride's book by Pat Cochran, and the registry table held an arrangement of red roses. The table was laid with a lace cloth and centered with the decorated wedding cake, with the miniature couple on top. White candles were set on each side of the cake. Clara Brewer served the punch, and Ruth Griffin cut the cake.

The bride is a graduate of Coahoma high school and prior to her marriage had been employed at the Big Spring Bombardier school for two years.

Swope, son of Mr. and Mrs. Frank Swope of Wheeler, graduated from Wheeler schools and had served in the Army Air Corps for three years. He was a pilot and had been stationed in Big Spring. He plans to attend college in Lansing, Mich.

The couple left Wednesday morning for Michigan where they will make their home. For traveling the bride chose a brown tailored suit with matching accessories. Her hat was of brown felt with decoration of green suede and her corsage was of yellow spring flowers.

Scouts To Elect City "Officers"

Boy Scouts of Big Spring will hold an election next week to select a full slate of city officials and a chamber of commerce manager to serve for a day during safety week.

Elective posts are to be filled by boys of either star, life or eagle rank, and current boy scout membership cards will be honored as poll tax receipts.

The election is to be held in the government department of the high school, after a study of election laws and procedure is made. In addition to the city officials, about 60 scouts will be on duty as traffic patrolmen. All will be previously instructed in traffic regulations by members of the city police department.

The committee in charge of arrangements, all eagle scouts, includes Donald Williams, chairman, Bobo Hardy, Harold David Berry and Charles Seydler. Only requirement placed on patrolmen is that they must be regular scouts and in good standing scholastically so that they can miss a day from school.

The idea originated with a recommendation by the safety and fire prevention committee of the chamber of commerce.

Hopes For Unity

HANKOW, March 6. (AP)—China's Unity Committee, headed by US General Marshall is confident the nation's warring factions "will immediately terminate" all violence and are "now ready to undertake the difficult problem" of merging into a single national army.

Mrs. J. E. Hardesty has left for Cleburne and Fort Worth to visit with her children.

Region Cooperating In Providing Jobs

This region is cooperating in a nation-wide campaign to provide more job opportunities to the 6,000,000 discharged veterans and displaced war workers. Henry A. Clark, manager of the USES, said today.

To the end that each locality may attack the problem, an appeal is being made for more and more individuals and business firms to list job opportunities with the USES.

Interest is being manifest not only in providing jobs, but also in providing jobs with opportunity. In this connection, Clark pointed out that generally speaking those registering for employment were of the highest quality on record, a fact attributed to the preponderance of veterans and war workers now available.

The purpose of the campaign is to awaken the nation and employers to their opportunity and obligation for seeing that veterans and other job applications going to local offices have a complete list of all job openings in the community.

Unless unemployment is solved on a local level, Clark pointed out, it will not be solved.

Price Board Urges Check By Cafe Owners

The local price control board today urged all veterans who plan to buy or open a restaurant or cafe to check with the board office to verify prices which can be charged for meals to be served.

Everything sold by restaurants is under price control and a definite ceiling price has been established for all existing restaurants. Records of these prices are on file for observation at the local price control board office.

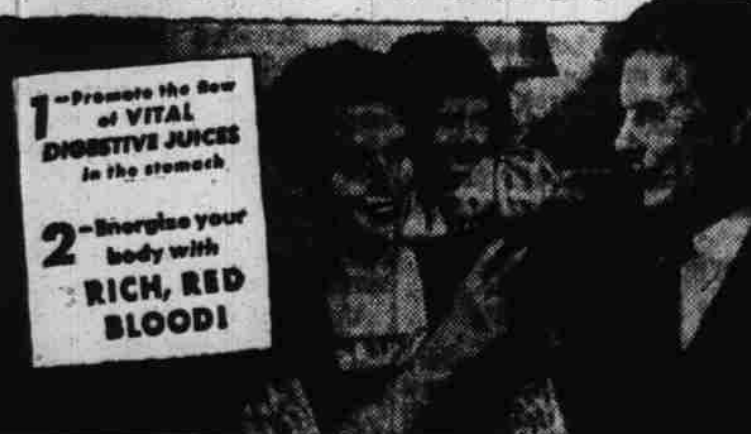

The district OPA office in Fort Worth has announced that an increasing number of veterans are being misled as to the ceiling prices of meals by "unscrupulous owners who want to sell their establishments at a high price."

Jimmie Greene Day

LIONS PAY HONOR TO VETERAN CHAMBER OF COMMERCE MANAGER

It was "Jimmie Greene" day at the Lions club Wednesday noon at the Settles.

In honor of the occasion of completing 35 years of work in the chamber of commerce, profession, 20 of them as a professional worker, several speakers lauded the manager of the Big Spring chamber of commerce.

His achievements as a chamber executive were sketched by Joe Pickle, local chamber president, who pointed to his role in community campaigns to secure a number of things, among them the state hospital, the bombardier school, veterans hospital, etc. Joe Pond, in a humorous talk, had words of praise for Greene as his father-in-law, adding that "this is one time I'm happy to refer to him as my father-in-law instead of my mother-in-law's husband."

Activities of Greene as a church

member, his devotion to causes he believed right, his energy and dependability in the church were reviewed by George Melear, who serves with him on the board of deacons of the First Baptist church. Dr. P. W. Malone pointed to his faithful and energetic record as a member of the Lions club and presented him with a Lions statuette.

Crowning speech of the occasion, however, came from little Miss Priscilla Pond, who presented him with a bouquet, saying: "You're the best grand-daddy a little girl ever had." Guests were Mrs. J. H. Greene and their daughter, Mrs. Joe Pond.

Bill Thomas, most recent father in the club, was presented with a gift for his and Mrs. Thomas' baby. Lions were reminded of the club's clean-up project at the west end of W. 3rd street at 5:30 p. m. today.

Volleyball, Cage Clubs In Action Thursday Night

Three athletic teams representing Big Spring high school swung into action at the local gymnasium Thursday evening.

Anna Smith's eighth grade basketball team, which trounced Coahoma last week, square off with the Knott juniors in a game booked for 6 o'clock.

At 7 p. m., Arach Phillips sends her girls' volleyball B string into play against Knott. Immediately after that bout, the varsity squads of the two schools get together.

The Big Spring club is preparing for the invitational tournament, which will be held here March 15-18.

Pinkney's Motion For Retrial Denied

Motion for a new trial for George Pinkney, Louisiana negro convicted for the Christmas day shooting of Mrs. Monoree Darnabe, was heard and overruled by District Judge Cecil Collings in district court this morning.

The appeal had been filed by Grover Cunningham. Cunningham was in the court room with the defendant when Collings made public his decision.

Sentence was pronounced at not less than five years and more than life imprisonment.

Pinkney was returned to his cell in the county jail to await shipment to the state prison at Huntsville.

All Veterans Urged To Attend Meeting Thursday Evening

An urgent invitation for all ex-service men to be present at an open meeting of the Howard county American Legion post, slated for Thursday at 8 p. m. at the Settles hotel, was renewed today by Post Commander Alvin Thigpen.

Thigpen said non-Legion veterans are urged to be present, to assist in shaping up a civic and entertainment program for the benefit of all men who formerly were in uniform.

Robbery Suspect Taken To Monahans

Wilbur F. Keene, one of four men picked up here last week on a charge of rifling a local package store, has been carried to Monahans by Ward county peace officers.

Keene admittedly had been in that vicinity for several days before joining forces with Martz Doran, John Q. Hancock and Luther Bone, the others rounded up here. The Ward county lawmen said they would try to link him with a series of robberies that have taken place in that area recently.

Bond has been set at \$2,500 for each of the trio still held here. None had been able to meet that figure by noon today.

SCS Supervisors Approve Reports

Board of supervisors of the Martin-Howard soil conservation district, in regular monthly session at Stanton Tuesday, discussed and approved the annual report of district activities.

At the same time, preparations for the 1946 plan of operations within the district came in for liberal discussion.

Applications for assistance include: John Whitmire, 2,500 acres; R. E. Martin, 1,581 acres; J. O. McMarries, 160 acres; and Stanley Lewis, 84 acres.

Conservation plans approved included Ralph Proctor, 252 acres; and Dorward Estate, 320 acres.

Troop Two Wins Most Awards In Court Of Honor

Boy Scout troop two won the Shick trophy, court of honor banner and visitors' banner Tuesday night at the regular court of honor in the high school gymnasium.

Life awards went to Bryan Carr and C. L. O'Brien of troop six, and Bobby Joe Blum and Billy Bob Watson of troop two. Stars were given to Charles Rainwater and Billy Wheeler of troop two, and James Roy Odum of troop five.

Bill Johnson and Charles Bailey of troop five advanced to first class. Moving up to second class were Carlton Watson, Jackie Gilbert, Woody Wood and Clarence Long, all of troop two, and Gordon Myrick of troop five.

Merit badges issued, with troop and type of badge, were as follows: C. L. O'Brien, six, athletics; Charles Rainwater, two, reading, blacksmithing and first aid; Woody Wood, two, cement work and blacksmithing; Murph Thorp, Jr., two, carpentry and blacksmithing; Kenneth Cannon, two, public health, first aid and blacksmithing; Fred Herrington, two, first aid and public health; Billy Bob Watson, two, cement work and athletics; Charles Willbanks, two, automobile, blacksmithing; W. D. Willbanks, two, carpentry, blacksmithing, cement work; Gordon Myrick, five, home repairs and safety.

Also, Bobby Joe Blum, two, blacksmithing and athletics; Bobby Hobertz, two, blacksmithing and dog care; Roy Lee Pool, one, swimming; Pat Kenney, one, first aid; Carl McDonald, five, bird study; Eddie Kobanek, five, bird study; James Roy Odum, five, bird study; and Mimmy Jennings, five, wood carving, reading, and poultry keeping.

Charles Willbanks and Jim Clark, both of troop two, received special awards for 100 hours of civic service.

Making the awards were Rev. W. L. Porterfield, Charles Watson, M. N. Thorp, Champ Rainwater and Hayes Stripling. W. C. Blankenship was in charge. Included on the program was a film on aeronautics, shown by J. C. Webb.

Powell Calf Fourth In Show At Abilene

Bobby Powell won fourth place with his steer in the heavyweight milkfed class at the Abilene 4-H and FFA livestock show, it was reported today.

His name was omitted inadvertently from the list of winners carried previously. The county group placed third in competition.

Lloyd Robinson's steer was 17th in the heavyweight milkfed class and Roger Brown was 18th. In the lightweight milkfed class J. O. Hane ranked 10th (not 19th as previously listed) and James Fryar was 16th.

Four Pairs Of Shoes Per Person Foreseen

BOSTON, March 6. (AP)—Four pairs of shoes in 1946 for every man, woman and child in the United States!

That was the prediction today of Maxwell Field, executive vice president of the New England Shoe and Leather Association, whose members produce a very sizeable proportion of the nation's footwear.

No Violence Planned In Railroad Strike

AUSTIN, March 6. (AP)—No violence of any nature whatsoever will be tolerated by the Brotherhood of Railway Trainmen in the strike of locomotive engineers and trainmen beginning Monday, Joe Steadham, Texas representative of the brotherhood, said today.

Workers on 40 Texas lines will be affected, Steadham declared. "All men on strike will keep away from company property except such men designated certain duties by the organization," Steadham declared.

Ten Texas trunk systems and their terminals in San Antonio, Dallas, Fort Worth, Houston, Fort Arthur, El Paso and other cities will be tied up in the strike, Steadham declared.

Paris was the largest city in the world for 1,000 years.

CONSTIPATION Is the cause of MUCH SUFFERING

Constipation may cause no symptoms for a long time, but unless corrected will finally impair the health. Symptoms associated with advancing constipation are loss of appetite, heavily coated tongue, tired feeling and mental depression. Headache, dizziness, anemia, and skin disturbances such as acne, are commonly experienced. In severe cases, neuritis and joint pains occur. Indigestion, with gas formation and colic, and piles and hemorrhoids frequently add to the discomforts of severe chronic cases.

No matter how many other medicines you may have tried for constipation, we urge you to try B-L PREPARATION, with the understanding that B-L PREPARATION must bring you satisfactory results or your money back. Caution: Use only as directed.

LOOKING 'EM OVER

With ANGUS LECESTER

El Pasoans who sat in on the recent bi-district basketball championship series between teams of Abilene and the border city were not at all pleased about some of the officiating doled out by the boys in the striped blouses.

Wrote Bob Ingram of the El Paso Herald-Post:

"City Athletic Director L. W. McConachie and Coach Jarvis are very much dissatisfied over the officiating in the series, a fact that I don't like to stress ordinarily, because oftentimes when a team beefs about the officials it sounds like an alibi or excuse.

"But McConachie and Jarvis seem to have something in their indictment of the two officials at Abilene.

"I'll never agree on officials again if I have anything to do with making arrangements on a series down there," McConachie says.

"He said that he will insist that Rodney Kidd, athletic director of the Texas intercollegiate league, personally select the officials. This is done only when contending teams are unable to agree on officials."

El Paso supporters are inclined to believe that their club could have beaten the Eagles in two straight games had the series been played on the home court.

It appears likely that Master Melvin Ott, major domo of the New York baseball Giants, will hit himself into the game's hall of fame before many seasons pass.

The Gretna, La., native has been in the major leagues since 1926. Since that time he's collected 492 home runs, collected 2,871 assorted hits. He leads the National league in circuit hits, trails Babe Ruth's all-time major league record by 222 four-batters. He's 36 now, would have to average something like 30 four-batters for the next seven seasons to surpass the Bambino's all-time mark.

That's asking too much, even of an Ott, but Mel is expected to put the National league standard out of sight for a long time to come before he hits for the exits.

Ott's 2,871 base knocks puts him in sixth place among the all-time leaders. He'll go ahead of the man immediately in front of him—Frankie Frisch—the first week of the 1946 season, if he plays regularly. Frisch's grand total is 2,880.

Only the standards set up by Ty Cobb and Tris Speaker, both American leaguers, seem out of reach for the rampaging Ott. Cobb rolled up 4,191 safeties in his long

MIKAN HAS ONLY OUTSIDE CHANCE TO LEAD SCORERS

NEW YORK, March 6 (AP)—If he gets "hot" in his last two games against Bradley Tech and Beloit this week, big George Mikan of DePaul has a chance to return to first place in the national collegiate individual high scoring basketball race.

The Associated Press weekly tabulations today showed Elmore Morgenthaler of New Mexico Mines leads the scoring at 591 points, followed by Bill Hall of Marshall at 572 and Fred Lewis of Eastern Kentucky at 516.

Mikan, the No. 1 shooter on an average-per-game basis at 23.1, ranks fourth at 509 points and apparently has only an outside chance of catching Morgenthaler and Hall.

No Changes Planned In March Proration

AUSTIN, March 6 (AP)—The Texas railroad commission plans to make no immediate changes in its proration order despite upwardly revised US bureau of mines' estimate of demand, says Chairman Olin Culberson.

Culberson told the bureau that additional evidence bearing upon the reasonableness of the March order can be taken at the commission's statewide hearing March 15. He said that no change would be made unless evidence presented at the hearing seemed to show necessity for upping the March allowance.

The bureau of mines' final estimate of demand for Texas crude in March was increased to 1,910,000 barrels daily. This was 120,000 barrels daily above the original.

Awarded Medal

WASHINGTON, March 6 (AP)—Otis B. Sikes, a Red Cross supervisor of Brenham, Tex., has been awarded the Bronze Star medal, the war department announced today, for "conspicuous and meritorious service to the United States Army from January to May, 1945."

PANAMA CITY, Panama, March 6 (AP)—Taylor Cole of Midland, Texas, was elected vice president of the International Junior Chamber of Commerce for North America at the final session of its convention here.

RIZZO SIGNS

DAYTONA BEACH, Fla., March 6 (AP)—Outfielder Johnny Rizzo and catcher Cliff Dapper have signed their Brooklyn Dodger contracts.

Sports Briefs

ABILENE, March 6 (AP)—The Eula high school basketball squad of 10 left today with Coach W. T. Gassiot for Austin to compete in the state schoolboy basketball tournament.

Tomorrow some 40 fans will journey to Austin by school bus to root for their favorites in the big meet.

Since Eula has a population of 50, it can be seen that there won't be many folks in the little Callahan county community at home to visitors for the next three or four days.

HILLSBORO, March 6 (AP)—Eight games will open the annual Texas high school girls basketball tournament here tonight with top-seeded Follett and Aquilla playing in the same bracket.

Follett, winner of 40 straight games, meets Dialville and Aquilla, defending champion and winner of 31 consecutive contests, will play Sweeney. Should Follett and Aquilla both win they will meet each other in the quarter-finals.

SAN ANTONIO, March 6 (AP)—Texas track and field stars will have to qualify in order to enter the National AAU outdoor track and field meet here in Alamo stadium June 28 and 29.

Ralph Hammonds, president of the South Texas AAU sponsor of the national meet, stated that a Texas state-wide track and field meet will be held here Friday afternoon and night, June 15, in order to keep the national event from being flooded with entries from Texas points.

NEW YORK, March 6 (AP)—The eight team lineup for the national invitation college basketball tournament in Madison Square Garden is expected to be completed today.

Six teams already have been named for the tourney which gets under way March 14 but the selection committee, which was to have announced the other two quintets yesterday, apparently is still dicker with a number of schools.

Asa Bushnell, chairman of the committee, declined to name the teams under consideration but did say that "they likely will come from the west or southwest."

KELTNER RETURNING

CLEARWATER, Fla., March 6 (AP)—The Cleveland Indians were cheered today by a report from Mrs. Ken Keltner that her navy husband is on his way back from duty in Hawaii.

Hefner, Watson Golf Winners

Sam Hefner and Charley Watson wound up in a first-place tie in the Big Spring country club's ringer tournament, which closed last Sunday.

Bill Crook captured third place, according to Shirley Robbins, manager.

All three received golf balls as prizes.

Myatt Eyes Third

ORLANDO, Fla., March 6 (AP)—George Myatt, the never-give-up man of the Washington Senators, may land in the regular lineup after all—at third base. Considered the most valuable player on the club last season as a second baseman, Myatt has relinquished his old job to Gerry Priddy, returned serviceman. But third base is a Washington weak spot, and Myatt, who is leading the Senators in camp hitting, has designs on the hot corner.

Card Outfield Set

ST. PETERSBURG, Fla., March 6 (AP)—St. Louis Cardinal Manager Eddie Dyer says he plans to open the regular season with Terry Moore, Enos Slaughter and Stan Musial as his first-line outfield trio.

Road Magnet Collects Scrap

SAN BERNARDINO, Calif. — Through the daily use of an electric road magnet mounted on a truck, the Army Air Technical Service Command here collects a total of 20,476 pounds of metal scrap a year on roads, streets, parking areas and flight lines.

Mack Sings Blues For His Athletics

Philly Expected To Finish Last Again This Year

WEST PALM BEACH, March 6 (AP)—Baseball's most remarkable specimen, the 83-year-old Connie Mack of the Philadelphia Athletics, is laboring mightily with 54 assorted athletes here, and about the best he found to say was: "It isn't as bad as I expected it to be."

"What the venerable president and manager had expected must have been horrible, for it is difficult to see wherein he detects a gleam of light in connection with the coming American league race.

Yank Squads Split

ST. PETERSBURG, Fla., March 6 (AP)—The New York Yankees master-minding board has made the St. Petersburg-Bradenton split for the heavy Yank squad. Thirty players will stay here and 31 will head for Bradenton Thursday. With the exception of first baseman Nick Etten, all the name players remain here.

NOT ENOUGH COACHES

MIAMI BEACH, Fla., March 6 (AP)—There are 30 many ball players at the Philadelphia Phillies training camp. Manager Ben Chapman says he hopes to open the Blue Jays farm-club camp at Rock Hill, N. C., on March 15 instead of April 1. "There aren't enough coaches to go around," he said.

Sig Jakucki Sent To San Antonio

ANAHEIM, Calif., March 5 (AP)—Sigmund (Jack) Jakucki, St. Louis Browns pitcher who had several disagreements with Manager Luke Sewell last year, has been sold to San Antonio of the Texas league, General Manager Bill DeWitt announced today.

DeWitt said he had tried to make a deal with other major league clubs for the eccentric right-hander but was unsuccessful, and that he decided to put Jakucki with one of the Browns' farm clubs.

Eck To Quit Game

ALLENTOWN, Pa., March 6 (AP)—Heavyweight Bill Eck of Allentown "doubts" if he'll "ever box again" because his last opponent died without regaining consciousness after Eck knocked him out. The victim of the fight tragedy was Nat Hines, a Philadelphia negro. He died last Monday morning, 59 hours after he was kayoed in the sixth round of a Philadelphia-Cambria club match Friday.

They do not have a double play combination in sight, and they have only one outfielder of proved big league caliber — Sam Chapman, who has been in the service four years.

The Former DR. GEORGE L. WILKE Watch Repair Business Is Now Owned and Operated By J. L. SANDERSON 108 W. Third Street

SEVENTY-FIVE YEARS AGO, on March 3, 1871, the first spike was driven to anchor the rails of the Texas and Pacific—rails that were destined to push back the wilderness and open up a new world of opportunity to the nation. In a land where shaggy buffalo roamed the plains... where Indian raids were still a threat and where stage coach and wagon train were the mode of transportation, this was an epoch-making undertaking. For wherever those rails touched, progress followed in their wake. All along the Texas and Pacific towns sprang up, industry thrived and the whole Southwest was sparked to unprecedented development.

The steady, sure growth of the Texas and Pacific has continued throughout the years—drawing cities and towns closer—moving the products of Louisiana and Texas to the markets of the world—bringing in essential goods to further the economic development of the Southwest. Today, as we celebrate our Diamond Jubilee after 75 years of service, the Texas and Pacific dedicates itself to the task of providing you with the finest and safest transportation... to expanding and broadening the industrial, economic and agricultural progress in Louisiana and Texas and throughout the entire Southwest.

BUZ SAWYER

HERE'S THE SHACK I RENTED, MAHARANI. I THINK YOU'LL AGREE IT'S SECLUDED ENOUGH. YES.

COME, TABOO. HERE YOU CAN ROMP AND PLAY UNTIL THE YACHT ARRIVES.

THAT HORRIBLE BEAST! I STILL DON'T SEE WHY YOU DIDN'T SLIT HIS THROAT.

BECAUSE I'M LOYAL TO A PET. YOU THINK I'M A FOOL, SKAGG. YET I'VE ELUDED THE POLICE. I'VE ARRANGED TO SLIP OUT OF THE COUNTRY. ALL THAT REMAINS IS TO GET SUSCHA, MY MAID, OUT OF THE HOTEL. THAT I LEAVE TO YOU.

PATSY

WHEN WE GET TO HOLLYWOOD DO YOU THINK YOU CAN FIND A SPOT FOR US AT PARAGON STUDIOS?

I DON'T SEE WHY NOT... YOU BOTH HAVE TALENT!

I DON'T LIKE TO BRAG BUT I'M A SELF-MADE MAN!

TAKE IT FROM ME, MR. HOGAN... I'M THE POWER BEHIND THE DRONE!!

OAKIE DOAKS

I'LL GET EVEN! THIS TIME I'M REALLY GOING TO SMASH THIS BOTTLE AND END EVERYTHING!

OH, YEAH?

G-GOSH! SHE VANISHED!

WHEW!!

STUBBY

OH YEAH!! THAT PEN'S NEVER WORKED RIGHT SINCE TH' DAY I BOUGHT IT!

GOIN' RIGHT OUT AN' BUY ANOTHER ONE IF I HAFTA PAY A WHOLE DOLLAR FOR IT!

HMM-M-

GIVE

SCORCHY SMITH

AFTER THIS SHELTER JOB I'D BE ASHAMED TO LOOK IN MY OLD SCOUT MANUAL BUT I'LL HAVE TO DO!

HOW'S THE PATIENT, CELIA?

HE'S BEEN STIRRING... I THINK THE HEAT IS HELPING. BETTER TAKE A LOOK.

W-HO HIT ME WITH THAT HUNK OF ICE? ...IT'S COLD!

BUNKIE! ...ARE YOU ALL RIGHT?

SURE... THIS IS GETTING TO BE A HABIT WHERE ARE WE SCORCH? WHAT DID I FORGET TO DUCK?

IT WON'T BE WORK. CHUN... WE CRACKED UP!

STUFFY SMITH

PAW-IF I DISAPPEAR OFF IN THIN AIR LIKE MIZ TATTERSALL DONE, WOULD YE BE HEART-GRIEVED LIKE SUT ARE?

I'D BE PLUMB LOST WIFOUT YE, MAW!! WHO'D PLOW THE FIELD, CHOP TH' KINDLIN', DARN SOCKS, SLOP TH' HOGS, WARSH AN' COOK TH' VITTLES??

SNIF... SNIF... YE ARE THE GOODEST TREASURE ON AIRTH, PAW

DICKIE DARE

SO, YOU BEER BRUTE TAKE THAT, SHACK, BIFF

THAT BEAR'S A GENTLEMAN

LET ME AT THAT BABOON

BRAVO, BRAVO N'SIEUR LE BEAR

YOU ARE WANDERPOOL! LOOK, ZE CROWD SHE HAS GONE WILD

BLONDIE

I JUST PHONED HE CLEANERS AND TOLD THEM TO CALL FOR YOUR TROUSERS

THANKS

I'M FROM THE CLEANERS

ALREADY?

HEY! WAIT! WAIT!

SINCE THE WAR THEIR SERVICE IS AWFULLY GOOD!

ANNIE ROONEY

YOU KNOW, ZERO-WHEN MRS. MEANY DRESSES ME UP AN' PUTS ME HERE IN THE SHOWCASE IT MEANS I GOTTA LOOK HAPPY ALL THE TIME

EVEN IF I DON'T FEEL HAPPY I GOTTA KEEP SMILIN' ALL THE TIME - SMILIN' FOR FUN IS LOTS A FUN -

BUT SMILIN' WHEN YOU AIN'T HAPPY HURTS YOUR FACE - JUST LIKE SOME KIND OF A TOOTHACHE -

I'M SORRY-I NEVER ALLOW ANYONE TO TALK TO ONE OF MY LITTLE CHARGES UNTIL DEFINITE ARRANGEMENTS HAVE BEEN MADE

LOOK, MISTER MURPHY—I WON THE JUNIOR BOYS' BOXING CHAMPIONSHIP AT THE BOYS' CLUB AN' I GOT THIS SWELL LOVING CUP! THAT SHOWS HOW MUCH STRONGER YOU ARE THAN THE OTHER BOYS, TOMMY!

I'LL BET YOU TAKE GOOD CARE OF YOURSELF—EXERCISE A LOT, EAT PLENTY OF FRUIT AND VEGETABLES, GO TO BED EARLY WITH YOUR WINDOWS WIDE OPEN—IN GENERAL YOU MUST LEAD A FINE, HEALTHY AND WHOLESOME LIFE, TOMMY!

THAT'S RIGHT, MISTER MURPHY—BUT THERE'S ONE THING YOU OVERLOOKED!

Texas Today—

ARMY REJECTEE BORROWS MONEY, IN FOUR YEARS WORTH-THOUSANDS

By JACK RUTLEDGE
Associated Press Staff

Four years ago a valley man named Pablo Zamora, Jr., was turned down by the army.

He decided to help the war effort—and himself—by farming. He borrowed \$200 and bought some land.

Today he is worth \$20,000, owns 40 acres of land that he farms and has paid for with crops, is erecting a \$5,000 building at Penitas for a feed and seed store, owns an equity in another 50 acres and is farming 100 acres more than he is renting, has bought \$3,000 worth of equipment and is raising a family.

Ten years ago, Saint Jo, Texas held its last rodeo. Recently the little North Texas cattle town received a request

Army To Investigate Immorality Charges In Officers' Quarters

FRANKFURT, Germany, March 6. (AP)—Maj. Gen. Miller G. White, deputy chief of staff in Europe, said tonight the army probably will investigate immediately charges that German women were being permitted to live in headquarters compound here.

He said the army was not going to raid officers' quarters, but if individual cases were reported the army probably would take "strict disciplinary action" for conduct unbecoming gentlemen.

A high officer said, without permission to use his name, that there probably were dozens of women spending one or more nights within the closely guarded enclosure which contains army headquarters and officers and civilians billets.

Officers and civilians living in the compound are permitted to take girls into the compound anytime except between 10:30 p. m. and 8:30 a. m.

On weekends, girls are permitted to stay in the compound over Sunday, but must leave early Monday morning.

Egg-Laying Contest To Be Resumed Oct. 1

STEPHENVILLE, March 6. (AP)—John Tarleton college will resume its international egg-laying contest on October 1, with T. A. Hensarling, professor of poultry husbandry, as director.

The contest was last held in September 1943 after sixteen years of operation. War conditions made it impossible to continue.

The new contest will consist of 112 pens of 13 hens each. Each hen will be trap-nested, and the weights and point values of each egg will be recorded. Breeders from all over the United States send hens to the contest.

"I knew there'd be a better blade someday..."

...and now there is—and it's PAL HOLLOW GROUND

Lots of men have said just that—until Pal came along. Now, they say "They're all the same—except Pal!"

Ordinary safety razor blades are ground like a pocket knife. Pal Blades are different—they're Hollow Ground just like a barber's razor.

Result: Pal Blades are flexible in your razor—follow facial contours effortlessly. Your shave is cool, quick, no "bearding down." And delicate edges last longer, too. That's why millions call it the Pal

FREELY PAID FINE TO BE RETURNED

MINNEAPOLIS, March 6. (AP)—Loren Spaulding, New Richmond, Wis., motorist, is going to get back the one dollar he sent to Minneapolis police.

Spaulding wrote that although he had not been given a ticket for parking overtime in the business district, he felt he owed the dollar.

But police returned the money and told Spaulding there was no charge of traffic violations against him.

Muskies Pay Off

BEAUMONT—There's big money in those little swamp muskies. Beginners were able to net \$3,000 this season from trapping while experienced line-runners doubled that amount in three months.

GIFT POTATOES CAUSES HEADACHE

LOS ANGELES, March 6. (AP)—A government agency gave the city school system two carloads of potatoes and business manager A. S. Nibbecker a headache. The potatoes came free with the proviso they be served at school cafeterias.

That's all very well, says Nibbecker, but costs of unloading, peeling and serving the potatoes would overrun the cafeteria's budget.

THE NATIONAL AND INTERNATIONAL ROUTE OF THE FLAGSHIPS

"It's a buy! — with an OIL-PLATED engine!"

You want an eye-ful of 1946 style. . . And you're taking in many an earful on chassis features. . . And you can have an OIL-PLATED engine—a wear-fighter!—by saying one mouthful. . . Just say you want Conoco Nth motor oil—because you want minimum carbon and sludge, plus fat mileage. Those gains depend largely on wear-resistance, and that's what OIL-PLATING is for. Here is how it works . . .

In any make of new car—or equally well in your old car—OIL-PLATING will make an addition to inner engine surfaces. That's where it's fastened durably—across the path of wear—by Conoco Nth oil's magnet-like action. This power to OIL-PLATE and protect comes from the added Conoco Nth ingredient. It will add to the safety of your new car investment. . . It will add to your veteran car's chances! . . . And the cost it adds is a few cents! Get your correct grade of Conoco Nth oil for Spring; see Your Conoco Mileage Merchant. Continental Oil Company

CONOCO Nth MOTOR OIL

and remember another big thing:
Don't say octane—SAY N-TANE®
... CONOCO N-TANE GASOLINE
