Sheriff McGuire Re-elected Hunter-Mendoza, Blassingame-Logsdon In Run-Off

A heavy turnout of voters Saturday in Mitchell County totalled more than 50 percent of the more than 4,000 registered voters in the county as they overwhelmingly returned Sheriff Bill McGuire to office and sent two commissioners' races into run-offs.

The run-off elections will be held Saturday, June 7.

The run-offs will be for County Commissioner, Precinct 1, between Murrell Blassingame and Paul Logsdon and for County Commissioner, Precinct 3, between Paul Hunter and Julian Mendoza.

In the sheriff's race, McGuire was being challenged by acting Colorado City Police Chief Jerry Cowin. McGuire won an overwhelming victory by a 2 to one

margin as he was re-elected to a third term. McGuire won handily in each Precinct.

In the race for County Commissioner, Precinct 1, there were five candidates and it was a tight contest with Blassingame edging out Hubert McKinney by two votes for the run-off position. Here is the order in which they finished:

—Logsdon, 286.
—Blassingame, 212.
—McKinney, 210.
—Stoney Stone, 128.
—Jackie Joiner, 68.

In the race for County Commissioner, Precinct 3, Incumbent Paul Hunter edged out Colorado City Street Superintendent Julian Mendoza by a vote of 310 to 285. The third candidate, Jimmy Harrison, received 177 votes, throwing the race into a run-off as neither of the front run-

ners received more than 50 percent of the votes. Those were the only locally contested races.

One other interesting facet of the primary was a presidential preference poll and President Jimmy Carter easily out-distanced all of the other candidates combined.

Carter received 1,353 votes while Senator Edward Kennedy got 224. California Governor Jerry Brown received 52 votes and there were 487 votes for the uncommitted category.

Here is how the statewide races went in Mitchell County.

Rabies Clinic Today

Due to a verified report of a rabies case in Mitchell County, another clinic has been scheduled for today from 1:30 p.m. until 4:30 p.m. in the City Maintenance Barn on East Highway 80.

This special clinic is sponsored by the City of Colorado City and Dr. Larry Helms, veterinarian at the Colorado City Hospital.

Everyone is urged to protect their pets, as well as themselves, by making sure their pets have had their rabies shots, stated Dr. Helms.

Cost will be a special reduced rate for the shot and tag and in addition, the City will make available a license for the pet at a cost of \$1. Distemper shots will also be available at a reduced rate.

Bands To Present Concert

The Colorado High School and Middle School Concert Bands will present the annual Spring Concert Tuesday at 7:30 p.m. in the High School Auditorium.

Directing the evening's entertainment will be Band Directors Kent Holder and Don Chandler.

Graduation Days Are Announced

Colorado City High School graduation ceremonies are scheduled May 26 at 8 p.m. at Wolf Stadium.

Baccalaureate services will be held Sunday, May 25, in the High School Auditorium with Rev. Ron Hamby of the First United Methodist Church officiating.

The public is invited to attend ceremonies.

Loraine High School graduation ceremonies and Baccalaureate services will be held May 21 at 8 p.m. in the school auditorium.

Junior High School graduation ceremonies and Baccalaureate services will be held May 22 at 8 p.m. in the school auditorium.

Out of a graduating class of ten persons, Jana Shackelford was chosen Westbrook High School Valedictorian for 1980.

Her grade point average is 95.215.

She is the daughter of Mr. and Mrs. Johnny Shackelford of Westbrook.

Bryant Dies Saturday

Hank Bryant, 77, former city councilman and mayor pro-tem of Colorado City in the early seventies, died Saturday at Root Memorial Hospital after a lengthy illness.

He was a member of the First Baptist Church and a retired refinery operator.

He is survived by his wife, Ruby; one daughter, Mary Alice Lewis of Loraine and one grandchild.

Funeral services will be held at 3 p.m. Monday in Kiker-Seale Chapel with the Rev. Fred Smith officiating. Burial will be in the Colorado City Cemetery.

Teresa Dorn was chosen Salutatorian of the 1980 graduating class. Her grade point average is 92.375.

BARBER, From Page 1
and married. There he
returned to school.
When he left two years

later, he had completed
high school.
Southwest Texas

State Teacher's College
in San Marcos was Barber's
next stop. There
he went to work and put
himself through college
for one year.

At about this point in
Barber's life, the land
owned by his mother in
N.M., came under con-
sideration for possible
oil leases. His mother
was swindled out of a
part of the mineral
rights and this was the
deciding factor in his
determination to be-
come an attorney.

At Southwest Texas
College, Barber met and
became friends with a
man who was in later
years to become presi-
dent of the school, Le-
land Derrick. Derrick
became his "mentor."

"I have heard my fa-
ther speak of Leland
Derrick many times. It
was he who encouraged
my father to fight for
his mother's right to the
minerals in N.M.," Bar-
bara (Barber) Darnall,
Barber's daughter, said.

"Because Derrick
kept insisting that Dell
could do anything he set
his mind to do and be-
lieved in him, father
fought and won. As a
result, the property sup-
ported his mother
throughout her life,"
said Mrs. Darnall.

Barber went on to
school at the University
of Texas to study law.
He worked as a barber
to earn enough money to
support himself and his
family while he learned
to be a lawyer.

He took the Bar exam
and moved to Colorado
City in 1930 to practice
law and raise his fam-
ily.

Barber has a daugh-
ter, Barbara, who is a
tax consultant; a son,
James, who is affiliated
with religion; two sons,
Dan and Patrick, who
are practicing attor-
nies; a son, Tommy,
who works in rehabili-
tation of children in Ok-
lahoma; a son, Gene,
11; a daughter, Shelly, 8
and a son J.D. Jr., 5.

"Father was a man
before his time. During
this period, people were
losing their homes,
mortgages were being
foreclosed. Dell defend-
ed these people, black or
white, even before it
was popular to defend
black people. He tried to
save their homes be-
cause he thought it was
wrong for them to lose
them," Mrs. Darnall
said.

Dell was the first
man to use irrigation
water in Mitchell Coun-
ty. We still have a well
in Looney Community
that produces great amounts of water. He has
always been a great in-
novator. He never knew
there was such a word
as "can't," Mrs. Darnall
said.

Dell Barber served as
Mitchell County Attor-
ney in 1931-33 (this was
during the prohibition
era).

He was elected Dis-
trict Lieutenant Gov-
ernor of Kiwanis Club in
1949. He was the found-
ing father of "Kids'
Day" in Mitchell Coun-
ty.

"He kept this pro-
gram going when oth-
ers had lost interest
and would have dropped
it," Kiwanian Mac Mor-
ris said.

"Dell does so many
good things for people,
things that no one knows
about," R.B. Baker
said.

"He helps anyone who
is down and out," Baker
said.

Tuesday night in the
Lone Wolf Medallion
Room, the Kiwanis Club
will hold a bar-b-q and
have honored him by
proclaiming it "Dell
Barber Night."

One of Barber's main
concerns in life has al-
ways been the welfare
of children.

Barber's interest in
education for children
did not stop with only his
family.

"In 1973, I went to Dell
to ask his help," Mac
Morris, school board
trustee, said.

"At that time Barber
was the largest individ-
ual taxpayer in the dis-
trict and ranked about
ninth county-wide.

"I explained our need
to him and he not only
wrote an endorsement
for the issue but got out
and campaigned for it,"
Morris said.

"He has always been
totally supportive of the
schools' needs," Morris
said.

Morris recalled one
year when the Kiwani-
ans were to send four
boys to camp. He noted
that previously the club
had sent problem chil-
dren to the camp.

"Dell suggested that
we were paying too
much attention to the
problem children and
not rewarding good kids
for being good.

"He suggested we
have the schools choose

boys making average
grades who would not be

able to attend camps
because of finances.

That's what we did,"
Morris said.

Short Course In Tractor Maintenance Will Be Offered Starting May 5

A tractor main-
tenance short course for
adult farmers will be
held from 5 p.m. to 8
p.m. beginning Monday
under the sponsorship of
the Loraine High School
Vocational Agriculture
Department, according
to Dennis Moore, teach-
er of vocational agricul-
ture and Glen Sand-
ers, superintendent.

Richard Pivonka,
tractor maintenance
specialist with the Voc-
ational Agriculture Divi-
sion of the Texas Edu-
cation Agency and the
Department of Agricul-
tural Engineering at Tex-
as A&M University, will
do the instructing. He
is headquartered at
Texas A&M University.

The short course at
Loraine High School is
scheduled to begin Mon-
day at 7 p.m. in the vo-
cational agriculture
building. Other meet-
ings in the series of four
will be held Tuesday
through Thursday.

Farmers interested in
attending the short
course should write or

Richard Pivonka

call vocational agricul-
ture teacher Moore or
the Superintendent of

Schools Sanders. An en-
try fee of \$5 will be
charged.

Open House Set By Senior Citizens

May is Senior Citizens' Month and mem-

bers of the organization in Loraine have extended a personal invitation to everyone in Mitchell County to their open house on May 6.

Open house is from 10 a.m. to 11:30 a.m. and they will be serving coffee and cinnamon rolls.

They ask that you come by for a visit and see their center and ask questions concerning its operation and the eligibility for participating in the county nutritional program they supervise.

The open house is located in the County building across the street from the Loraine Post Office.

The "Roaring 20's" will be the theme used in the show. This is the Annual Final Review and installation of officers event of the year.

All persons are invited to attend.

Not All Home Insurance Policies Are Alike.

Fact 1: Fire insurance alone on home and contents is not enough. Your home could be destroyed by windstorm, explosion or other hazard.

Fact 2: Theft coverage of your possessions, at home and away, should be included.

Fact 3: A lawsuit judgment against you could cost you everything you own. You need liability insurance.

Fact 4: You get all this and more in one Homeowner's Policy...with one low premium!

Chamber Sets Meet

The Colorado City Chamber of Commerce will have the Board of Directors meeting Monday night at 7 p.m. in the Chamber Board room.

Shirley Delaney is scheduled to report on the Centennial celebration scheduled for next year.

The board also plans to discuss the painting of the arena and the bleachers for the rodeo. The use of an electric eye at the arena will be discussed by Chris Hubbard.

Betty Williams is to give a report from the merchants on plans for Fiesta Day.

Barbara Gray will report on the community questionnaire passed out by the Wallace Community Center.

The floor will then be opened for any committee who wants to give a report and opened for any other business.

The Colorado City Chamber of Commerce will also welcome a new member, Sanderson Jewelry and Office Supply.

Loraine Council To Meet

The Loraine City Council will meet on Tuesday at 6:30 p.m. in the City Hall.

Besides the regular business of the meeting, the agenda will include a request by the fire department for a new fire truck.

The town is not in need of a new fire truck but they are requesting one in advance because of the cost.

Discussion of the budget and the repairs or replacement of street department equipment is also planned.

New Tax District To Meet

The Mitchell County Tax Appraisal District Board has scheduled two meetings in which to hold workshops on revaluation of real estate by contract firms.

The meetings are set for 7:30 p.m. Wednesday and Thursday evenings in the curriculum room of the School Administration Building.

The board will also hear reports from the office space committee in regard to location of the new office.

Investment of funds and opening a bank account for the District will be acted on by the group.

Payment of debts incurred by the district is also scheduled to take place during the meetings.

MAY 04 80

May Is OLDER TEXANS MONTH

In Texas today, there are almost two million senior citizens. We are deeply indebted to this rapidly growing segment of our population for the rich heritage they have created for us.

In recognition and appreciation of that heritage, it is important that we encourage older Texans to remain active so that our State can continue to benefit from their experience and wisdom.

By showing our appreciation for their many years of leadership, we can help to keep senior citizens in the mainstream of our society.

Traditionally, the month of May is a time when Texas pays special tribute to senior citizens.

Mitchell County Ambulance Service Approves Budget For 1981

Mitchell County Ambulance Service met in the conference room of Root Memorial Hospital Friday at 1:30 p.m. to discuss the fiscal budget for the coming year, 1981.

It was noted under the present circumstances each of the three political entities involved in support of the ambulance service will need to increase their operations supplements to the ambulance service by about \$520 per month.

Last year an anonymous donor contributed \$10,000 to the cost of operating the ambulance service. That sum will need to be picked up by the three governmental units and additional funds will be needed to meet increased operations costs during the next year.

The new budget was approved with a 10 percent increase in the three E.M.T.'s salaries. Health and life insurance, vacation pay and sick leave were also added. The E.M.T.'s have not had the fringe benefits the other hospital employees have had.

This is the first time in two years they have received a raise. This raise and fringe benefits are for the three full time E.M.T.'s.

The total suggested budget of \$82,868 for 1981 was approved by the ambulance board.

It was suggested that the cost of ambulance service be increased, but this was vetoed. An

addition to the cost of ambulance service would mean an increased cost to the public.

The service made a total of 282 trips from June 1 to date, with total charges of \$16,307.60.

Insurance on the two ambulances was approved for renewal with the same insurance company.

Much needed repairs on the ambulances were approved. It was also

approved that the service does not need the committee approval to make emergency repairs.

A policy was set for round-trips and for more than one patient in

the same ambulance. The cost was set with Blue Cross standards.

Approval was also given that the ambulance may radio the police to let them know where they are going. This will

be done in codes in order to decrease public interference.

Hospital Administrator Charles Root advised Committee members that there had been thefts from the ambu-

lance vehicles, apparently occurring at night, and that some of the supplies, with which the ambulances are always stocked, are missing. This is being investigated.

Alvarez Represents CHS At State Meet

Freddie Alvarez won second place at the Regional Match in Lubbock April 25th and 26th, qualifying him for the State Tournament Thursday.

Coach David Redwine said that Alvarez will be in exclusive company when he arrives in Austin on Thursday to participate in the State Tennis Tournament.

According to UIL reasoning, Alvarez is one of the eight top tennis players among his peers in Class AA Schools in Texas.

Alvarez is a four year letterman in tennis at Colorado High School. He represented Colorado High at the Regional Tournament in 1977, 1978 and 1979 by playing doubles. Redwine said, "Freddie decided to play singles this year and I think it was a good decision, especially considering the fact he just might be the Top AA player in Texas."

Redwine reported that the trip to Austin didn't come easy for Alvarez.

At the Regional Match in Lubbock, Alvarez defeated a player from Spearman 3-6, 6-4, 6-2 in the first round match. In the quarter finals, Alvarez was seeded against the number three seed player from Crane. Alvarez won that set 6-3, 6-2. In the semifinals match, Alvarez played against a veteran player from Morton who was seeded number two. Alvarez beat him 6-4, 3-6, 6-4 to get into the finals.

Redwine said, "I was especially proud of Freddie in this match

because he was down 3-0 in the final set and pulled it out." "At this point I wanted to tell that seeding panel, I told you so."

In the final match Alvarez played the number one player from Kermit who defeated him 6-2, 6-1.

"I feel there wasn't that much difference in the two players' abilities."

"It was sort of an anticlimax for Freddie since he had already qualified for the State Tournament," Redwine added.

Alvarez practices every day and he feels he will be much improved by the time he gets to Austin.

Students Competed In Regional Competition

The Loraine Migrant Program competed in the Third Annual Migrant Competitive event in Sweetwater last Saturday at Sweetwater High School.

First through eighth grades competed in academic and track and field events in Sweetwater.

Sponsoring the migrant students at the Sweetwater event was Carol Sue Dakan (C-City Athletics).

The following students placed first, second and third and went on to the Regional competition last Friday.

In the Junior High Division: Lupe Rodriguez, 3rd in the 100-meter dash; David Barrera, 2nd in the broad jump; Janie Guerrero, 2nd in the softball throw and in the 100-meter dash.

In the first grade was: Ruben Vasquez, 1st in the 50-meter dash.

In the second grade was: Danny Barrera, 1st in the 100-meter dash; Maria Leija, 1st in the 50-meter dash; Liabel Barrera, 1st in the 100-meter dash and 2nd in the softball throw.

In the third grade was: Luis Leija, 1st in crafts, 3rd in the 100-meter dash and 3rd in the softball throw.

In the fourth grade was: Richard Barrera, 2nd in crafts, 3rd, in the 50-meter dash; Thomas Hernandez, 1st in the 100-meter and 50-meter dash.

In the fifth grade: Jason Wells, 1st in the softball throw.

In the sixth grade: Ralph Rodriguez, 3rd in crafts, 2nd in the 100-meter dash and 3rd in the 50-meter dash.

CITY, From Page 1

"There have been flagrant violations in these areas, with up to 55 m.p.h. speeding tickets issued," he noted.

Roundtree reported numerous complaints of reckless drivers on city streets.

The radar units will be placed in the marked vehicles also.

"Marked and unmarked vehicles with radar units will be used around the clock until we can bring this problem under control," Roundtree said.

He noted there were several intersections where accidents occur regularly because persons fail to come to a complete stop or yield.

He said since January 1 there have been 73 automobile accidents reported and the incidence of injury was increasing in these wrecks.

The business area will also be targeted as a focal point for radar units in an effort to slow traffic.

The City Police Department currently has only four policemen and these four are working double shifts to give the City 24 hour coverage.

Off-duty policemen will be operating the unmarked vehicles equipped with radar until the traffic problem has been controlled.

Art Show Is Set For Local Artists

The Brush and Palette Club is sponsoring an art showing of Mrs. Elvora Barber's and Mrs. Ethel Gist's paintings on May 3-10 in the Hesperian Room of the Mitchell County Library.

A reception was held on Saturday afternoon, from 2 p.m. to 4 p.m., in the Hesperian Room of the Mitchell County Library.

The paintings will hang at the library the following week and may be viewed during regular library hours.

Mrs. Gist and Mrs. Barber are long-time members of the Brush and Palette Area Club, Texas Fine Arts and Big Country Art Association.

Mrs. Gist has studied under Carolyn Walker, Jo Taylor, John Crumps, Myrtle Joiner and Melvin Branch.

Mrs. Barber has studied under Carolyn Walker, Jan Herring, water color artist, Pierel and Anita Maynig.

Jerry Rankin, Left
& Alex Rocha, Jr.

Last year, Lone Wolf Electric Cooperative hired four employees. By now, many of our members may have met these four individuals, but for those who haven't, we'd like to introduce them!

Jerry Rankin began his career at your Cooperative in September. Currently, Jerry is one of the system's apprentice linemen. His wife, Betty, works for Texas Electric Service Company in Colorado City.

Jerry graduated from Loraine High School and when time permits he enjoys fishing, hunting and camping.

Cynthia Barnes began working for Cooperative in August last year as a cashier. She is a graduate of Colorado City High School and Western Texas College in Snyder.

The new cashier attends the First Assembly of God Church, and her hobbies include all forms of handicrafts.

Brenda Mason has worked at Lone Wolf Electric Cooperative as a bookkeeper since October. Brenda and her husband, Ray, who is the city manager of Colorado City, have two sons. They are Michael, 11, and Richard, 13.

Brenda is a graduate of Loveland High School and attended South Plains College in Loveland.

She is a member of the First United Methodist Church of Colorado City and her hobbies include reading and working in the yard.

In February last year, Alex Rocha, Jr. began working for the Cooperative as an electrician. Alex graduated from Colorado City High School and his hobbies include baseball and working with a youth.

Alex is a member of the Optimist Club and he attends the Baptist Mission.

We are proud of these four new employees and take this opportunity to welcome them aboard!

Girls' Softball Has Free Five Minutes Of Shopping

Players in the local United Girls' Softball Association are now offering area residents the "opportunity of a lifetime," a free five-minute shopping spree in E-Z Way Superette.

Members of local UGSA teams are now accepting \$1 donations on tickets for a draw-

ing to give away the shopping spree. There are more than 80 girls ages 8-16 on the seven local teams.

There is no limit to the number of times a person can make the \$1 donation for another ticket to go into the drawing.

The drawing will be held May 15 with the shopping spree to take

place May 21. They will have five minutes to grab as many items as can be placed in shopping carts.

The only restrictions are that only two meat items can be obtained and no non-food items can be picked up.

Money raised by the donations will go toward the operation of the girls' softball league this year. Donations can be given and tickets obtained from any of the players.

Junior Martinez Goes To State Meet In May

Junior Martinez, a senior at Loraine High School, qualified for State, May 8th and 9th in Austin in the 800-meter run.

This is Junior's first time at State competition and even though Martinez had been in track since junior high, this is his first year in the 800-meter run.

During his Senior year, Martinez had taken first place in the 800-meter run in Borden County, Robert Lee, Wylie, the District meet in Snyder, the Regional Qualifiers meet in Rising Star and the Regional meet in Loveland. He also took second in the 400-meter run in Snyder and Robert Lee.

In his Junior year he made it to the finals at the Regional meet with the third best time and took fifth place in the finals.

Martinez went to Regionals in his Sophomore year in the 400-meter run and the mile relay but didn't place for State. He also went in his Freshman year in the mile relay but didn't place for State.

Martinez played football his first three years in High School but due to

a leg injury didn't play in his Senior year. He received All District in football in his Sophomore and Junior years.

Martinez also played basketball in his Freshman year and received honorable mention that year.

In his Junior year (1978-1979) and his Senior year (1979-1980), he was presented with the Bulldog Heart Award from the Colorado City Record. He also received the Best Track Award presented by Loraine High School.

Coach Clack has been training Martinez for the last year and a half. This consists of running 8 miles a day and pulling a tire the last mile. To warm up before the run he does six to eight 220-meter runs every day.

Martinez reports his best time for the 800-meter run is 2 minutes flat.

Martinez was born in Colorado City but has lived all his life in Loraine. He is the son of Valentina Martinez of Loraine. He has four brothers and five sisters.

Martinez plans to attend college but is undecided as to which at this time.

PAUL

Rev. Luke Smith
Pastor
First Baptist, Loraine

Philippians 4:13 "I can do all things through Christ which strengtheneth me."

This statement in the Bible is the favorite of many people. It tells of the unlimited power that Christians have through Jesus Christ. The question that comes to my mind is; if this is true, why is Christianity on the decline as it is? The man who made this statement, Paul the Apostle, demonstrated its truth by a completely victorious life that saw not only the salvation of many people but also the founding of many Churches which, in turn, brought salvation to many. The ramifications of his ministry have reached through the ages to the point that Paul's written testimony still brings many people to the saving knowledge of Jesus Christ. What we need today is not another Paul but every Christian a Paul.

As we look at this scripture in Paul's writing, I feel we find the keys to his life. First of all, we find him saying "I can do." Today which of us are willing to say this instead of nominating someone else for the job? I do not know a single person that is doing literally all they can for the Lord, but I can show you many who feel they are doing enough, or more than others, or at least enough to get by. These are the people that say "I have done" instead of "I can do" and they are waiting for everyone to catch up to them or their past achievements to grow sufficiently dim for them to move on without getting out of the limelight. They remind me of a track race that I saw between six men. One of these men was so fast that he quickly led the pack and in this position he slowed down and simply finished first instead of best (His best time). In God's eye we are measured against our potential, not other Christians.

Then Paul says he can do **all things**. Every Christian is qualified to do anything for the Lord. This is not to say we do not have special gifts and talents but it is to say we can fill gaps through the power of the Lord. During a strike on the railroad when the union employees refuse to work trying to get some concession, the railroad does not ease to work but rather the supervisors don their work clothes and do the best they can to keep the trains rolling. In the Lord's business, a missing person may bring an end to all things to keep God's work in motion. A Christian should never say "that is someone else's job, but rather someone else can do it better but I am willing to do my best."

The Paul says he does the things he does through or in Christ. Meaning the tasks he took on were not for personal gain, recognition, fun or just to be doing something; but rather all that he did he did for Jesus. Many sermons have been preached to win personal recognition, many Christian deeds have been done to show self-righteousness, many churches have been built for men; but no matter what you do, if it is not for Christ **you lose**.

Finally Paul says all these things are in the Lord's power and strength, he is simply being a tool used by God. This is what Paul was, A tool for God. In God's hand anybody can be a Paul. Will you put your life in God's hand?

Howard College Takes Applications

The Howard College Associate Degree Nursing Program is now taking applications for the next class, beginning fall semester, 1980. This is a two calendar-year program which prepares candidates who are eligible for state board examinations leading to licensure as registered nurses. Deadline for submitting applications for those individuals without required pre-requisite college credits is May 30.

The primary goal of Howard College School of Nursing is to educate nursing students who, upon graduation, are qualified for beginning staff positions in medical, surgical, pediatric, obstetric and psychiatric nursing areas of hospitals and similar community facilities.

Applicants accepted for admission are selected by the Admissions Committee on the basis of the following criteria: high school transcript and or GED results; college transcripts, including 14 semester hours of required prerequisite courses; ACT results; performance on pre-entrance nursing interest and aptitude tests; health records and personal interview.

Applications can be requested from the office of the Director of the ADN Program, Lettie Lee, at Howard College, or by calling (915) 267-6311, extension 75. For additional information and or counseling regarding the nursing program, please call for an appointment.

Applicants are considered for admission regardless of race, creed, sex, age, marital status or ethnic group.

Self Culture Club Meets In The Home Of Mrs. J. Brown

The Self Culture Club met in the home of Mrs. John Brown on April 17 with Mrs. Jess Small, vice president, presiding in the absence of the president.

Mrs. L.B. Elliott opened the meeting with a prayer and the pledge of allegiance was recited in unison by all attending the meeting.

The club recognized Mrs. Wilfred Fox with a vote of thanks for her work at the beauty spot, near the Round Top Cafe. Mrs. Leslie Keith and Mrs. Elliott thanked the members for the show of concern during Mrs. Keith's illness and Mrs. Elliott's loss of her brother-in-law.

Mrs. Addie V. Payne was the guest speaker, speaking on her recent trip to China. She stated that China was an emerging nation, but rather slow. In old China, she said, it had been discovered that central

heating was used about 700 B.C. which was a different world, the oldest nation in the world.

She added that there were four or five different types of worlds in China: China country, emperor China, communist China, short time democracy and the socialist state. She also said that all the people work for the government.

She stated that there were requirements and a control on what they could own or have, such as: they live monthly in apartments, allowed one bicycle and one radio, have two children, both men and women work in factories and they were owned by the factory in which they worked.

She stated that all the women dress alike and there wasn't a look of happiness on any of their faces. She did note that the food was plentiful and good.

In conclusion she stated that the average income for men and women was approximately \$148 per month.

Attending the meeting were Mrs. Payne, Alice Coles, Madge Williams, Beeman, Elliott, Logsdon, Fox, Reed,

Tiller, Keith, Small, Brown and Solomon.

Proclamation

and individuals;
NOW, THEREFORE,
I, Bill F. Carter, County Judge of Mitchell County, in full appreciation of the value of soil

to the public welfare, and desiring to honor those who protect it, do hereby designate the week of May 11-18, 1980 as Soil Stewardship

Week in Mitchell County, Texas.

In official recognition whereof, I hereby affix my signature this 1st day of May, 1980.
