High Crop Damage For County

Several thousand acres of crops in Mitchell County suffered extensive damage this week from hail and high winds.

Hail and hard rain came Wednesday afternoon in Landers Community and south of Loraine did quite a bit of damage, according to Bobby Lemons, county extension agent.

Thursday winds destroyed crops all areas of the county. "Sand" damage is one of the hardest to overcome", Lemons said. See DAMAGE Page 7

Board Reviews Policies

Rules Spelled Out for School Students

School board this week spelled out specific policies to be followed by students in Colorado Independent School District.

The rules, reviewed in a Monday night board meeting, pertain to student suspension and expulsion, use of drugs and/or narcotics, student conduct, dress and student organizations.

Suspension, as defined in school policy, is "a temporary status in which a pupil may be placed by a principal for short times only."

Expulsion from school is a permanent status requiring action of the Board of Education both to effect and to rescind.

Suspension and expulsion are extreme measures to be employed only when all available school resources are unable to cope constructively with pupil misconduct.

The Board will expel pupils from school for misconduct when other means of correction fail to bring about proper conduct. A pupil will not be excluded from school for any

reason unless the parents have been notified in writing by certified mail and given an opportunity to be present at the meeting in which the expulsion of pupil will be considered. At the time of expulsion the Board shall be sent to the sheriff's office and to County Judge's office.

USE OF DRUGS

A student may be suspended from school for a drug and/or narcotic abuse who (a) attends classes or participates in school sponsored functions while under the influence of drugs and/or narcotics, (b) sells or administers drugs and/or narcotics to another student

on school property or at school-sponsored functions, (c) has in his possession dangerous drugs and/or narcotics on school premises or related property.

At a reasonable time following a student's suspension for use or possession of drugs and/or narcotics, the board of education will conduct a hearing giving the student an opportunity to prove his innocence prior to expulsion.

Any student convicted of a misdemeanor or a felony for the possession, use or sale of dangerous drug or narcotic drug (outside the school) may also be expelled by the board of education and no credit given

the students for the current semester of attendance.

CONDUCT

Students are expected to act in such fashion that their behavior will reflect favorably on the individual student and on the school, will show consideration for fellow students and will create a harmonious school atmosphere. To accomplish this, all students must recognize their individual accordance with the school regulations.

All students should conduct themselves as ladies and gentlemen. This refers to their actions toward each other, to

their language, to their dress, and to their manners.

Attention is called to behavior on school buses, at lockers, in the lavatories, in the gymnasium, in the corridors, in the cafeteria, in the area outside the school, in the library, in school offices, and of course, in the classrooms.

DRESS

Cleanliness and proper dress are important in setting the pattern of school and social conduct. There is considerable evidence to indicate a close relationship between pupil See POLICIES Page 7

City Population Drops

Officials Express Concern in 1970 Census Figures

City leaders Friday expressed concern over the announced drop in Colorado City population.

Preliminary census report received Thursday by Mayor C. C. (Mike) Burt set Colorado City population at 4,915, a loss of 1,542 from 1960 official count.

Earlier preliminary census showed Mitchell County residents numbered 8,878 compared with 11,255 in 1960 U. S. Census.

Following the preliminary county report Chamber of Commerce began a campaign to seek out residents within Colorado City and all of Mitchell County missed by census takers.

At least 60 families have already reported to Chamber of

Insect Control Meet Set Thursday Night

An early season cotton insect control meeting has been set for Thursday, 8 p.m., in Loraine's Lions Club building.

Dr. Bill Clymer of Lubbock, area entomologist for Texas Extension Service, will be principal speaker for the session.

All interested persons are invited to attend, according to Bobby Lemons, Mitchell County agent.

Official figures that they were not counted.

College students, were not counted in Colorado City either.

Chamber of Commerce officials and other civic leaders here had hoped that any drop in population would be slight.

Mayor Burt expressed disappointment in the decline and showed concern for the city's attempt in establishing a new industry here.

"I do feel that the new census might have a direct bearing on our getting industry in our town", he said. "I feel like it will give prospective new industry leaders the idea that we might be short on labor force and this would be to our disadvantage."

The mayor said he had expected the population to be about the same as in 1960 because the city maintains about the same number of water meters as then.

"I do think the census does not give a true picture of our city because quite a few people live within a mile of town but not in city limits."

City Manager J. A. Sadler Jr. also expressed belief that many were missed in the count and that city population will reach almost 5,500 as final county ends.

J. C. Britton, president of Chamber of Commerce, said one good purpose of the report is to "wake a bunch of us up to reverse this trend we've been showing the last few years."

"And the new project that Operation Pride has proposed for our downtown, I think, will be a real good place to start."

"Colorado City is at a crossroads," he continued. "We can start working to build our town back up or we'll continue to see a decrease in population."

Britton emphasized the need for cooperation from everyone

in Mitchell County in reversing this trend.

Another good place to start, according to the Chamber president, is the current "GIT" industry drive.

He quoted Texas Industrial Committee as saying that Colorado City will have to provide 500 additional jobs by 1972, 1,000 by 1980, in order for the town to grow as it should.

"We can't do it without everyone helping," he warned, "a few can't get the job done."

"It has to be one great effort. See POPULATION Page 7

Colts Defeat Braves 12-3

Junior Teen-Age Colts continued their winning streak Thursday night as they beat out the Braves 12-3.

The Braves jumped ahead in second inning scoring a run, then added score number 2 in their third time at bat.

It was anybody's game in the fourth as Colts starting their scoring venture.

Fifth inning scoring brought Colts two runs ahead. Then they cinched it with four more in sixth and three final scores in final inning.

First score for Braves was set up by Felix Franco's single and 1-base hit by Santos Ruiz. Franco stole third and then scored on an overthrown ball as Gene Banks struck out.

First two batters struck out in third inning. Bo Taylor hit a double, then moved to third as Tim Bell singled. Another single by Franco allowed Tay-

lor to score. Ronnie Lindsey's fielder's choice out sent the Braves to field play.

Fifth inning batting got underway when David Silva got on base after an error by second baseman. He stole second, then Randy Erwin was thrown out on first. Taylor's single moved Silva up to third and as Colts attempted to tag Taylor out, Silva scored.

Silva, Braves pitcher, struck out nine Colts in seven innings of play.

Bill Dockrey made first score for Colts in fourth inning. He got on base with a single.

Lozano was put out at first as Hill scored. Warren and Dockrey scored before sides retired.

In fifth inning Kenny Hammond went to first on error by third baseman. Singles by Little Bruce Hill and Ed Warren, Colt pitcher, loaded bases. Dockrey's single sent Hammond in to score.

Lozano was put out at first as Hill scored. Warren and Dockrey scored before sides retired.

Steve Marcom walked to first and then moved to second as Hammond went to first on an error by first baseman. A single by Hill again loaded ba-

ses. Marcom scored as Warren was thrown out at first.

Dockrey then cleared bases with an inside park home run.

James Mitchell singled in the seventh innings but was thrown out at second as Steve Marcom hit a fielder's choice. John Sanchez singled. A triple by Hammond scored Marcom and

Sanchez, Hill followed with a double scoring Hammond.

Vest Home Run Wins Game For Colorado City Reds

One lone score was all Colorado City Reds could manage Tuesday night in their game here with Snyder Jets.

But that one score made the difference. Reds won 1-0.

And making it even more exciting was that score came suddenly—a line drive home run hit by Steve Vest in the third inning.

Two batting rounds for Reds went quickly. It was 3 up and 3 down in the fourth and sixth innings.

Out of 20 Red batters, 4 were credited with hits, 8 with strike outs and 3 with walks.

First inning play saw Tommy Boyd get a 1-base hit and Vest go to base after an error by Snyder first baseman. Then the next three Red batters struck out.

Gene Self, Red center fielder, walked to begin second inning batting. Alfred Lynch, first baseman, singled to move Self to second. After the next two batters struck out, Self was tagged out.

The third inning, the big one for Vest, showed strike outs by Boyd, Wayne Banks and Glenn Chalker.

Terry Brock, first batter in fifth, fired out to right fielder. Randy Wright, Red pitcher, got on first but found himself out at second as Boyd hit another single. Walks by Banks and Vest loaded bases before Chalker fanned for third out.

The visiting Jets put only nine men on base during their seven innings of play.

Wright struck out 17 of 30 Snyder batters, walked 6 and gave up 3 hits.

Two Jet players got on base in first and third innings. Other innings saw only 1 Jet on base each round of batting. In no inning did Wright pitch to more than 5 batters.

WED HERE LAST SATURDAY

Sam Thomas Parham, Bride Honeymoon in New Mexico

Mr. and Mrs. Sam Thomas Parham are in New Mexico following their marriage last Saturday in Oak Street Baptist Church parsonage.

The bride is the former Janice Marilyn Hegg, daughter of Mr. and Mrs. James H. Hegg of Abilene. She is the granddaughter of

Mr. and Mrs. B. B. Honea and great-granddaughter of Mr. and Mrs. J. D. Yarbrough, both of Colorado City.

Parents of the bridegroom are Mr. and Mrs. Gene Parham, 1004 East 6th.

Given in marriage by her father, the bride wore a linen dress and carried a heirloom prayerbook topped with pink gladiola corsage.

Rev. Don Timberlake pastor read the wedding vows.

Virginia Trammell was maid of honor. Wayne Parham, brother of the groom served as best man.

The bride is a graduate of Abilene High School and of Atlantic Airline School at Kansas City, Mo.

A graduate of Colorado High School, the bridegroom lettered in football and basketball during his high school years.

He attended Howard County Junior College and McMurry College in Abilene. While at McMurry last year Parham played football for the Indians.

MRS. SAM THOMAS PARHAM, exchanges vows here.

MRS. GLYNNE RICHARD HAMRICK, wed in Georgia.

Capt. Glynne Hamrick, Bride Honeymooning in Bahamas

Capt. and Mrs. Glynne Richard Hamrick are honeymooning in Bahamas following their marriage last Saturday in Waycross, Ga.

The bride was given in marriage by her father.

The groom chose as his best man his triplet brother, Lt. Wynne Hamrick.

The bride is the daughter of Mr. and Mrs. Moi Madison Monroe Jr. of Waycross, former residents of Colorado City.

The bridegroom is the son of Col. and Mrs. James Quinton Hamrick, Air Force retired, of Stevenson, Ga. He is the grandson of Mr. and Mrs. J. M. Hamrick of Colorado City.

The couple said vows before the Rev. Dr. James Varnell, in the sanctuary of First United Methodist Church during the evening ceremony.

Against a background of emerald Columbia greenery and topiary trees, soft candlelight from tall candelabras accented the sanctuary.

A massive arrangement of gladioli, pompano and daisy chrysanthemums, centered the nuptial scene and baskets of matching flowers backed by white candelabra were placed on either side.

Pre-nuptial music was played by Mrs. James D. Matthews, organist. She accompanied Mrs. John Strickland, who sang "The Corinthians" and "Wedding Benediction".

Her formal gown of white silk-pearl de soie was designed on princess lines with a wedding ring neckline of Brussels lace. The lace was repeated on the cuffs of the long fitted sleeves.

Tiny covered buttons added an interesting detail to the regal train, which extended from a belted empire bodice into a cathedral length.

Her veil was of white imported Brussels rose-point lace. She carried a bouquet of white rosebuds and lilies-of-the-valley.

As maid of honor, Ann Monroe, twin sister to the bride, wore a floor length gown of lime silk linen. The fitted empire bodice was topped with a sabrina neckline and the semi-fitted skirt was designed with an apron ruffle which reached from waist to hemline.

Her hair was caught in back with a tiny spray of pink sweet heart roses, yellow carnations, purple florets and baby's breath. They were repeated in the Colonial nosegay which she carried.

Bridesmaids wife Mrs. John Monroe III, Beth and Martha Monroe, sisters of the bride, and Mrs. John G. Dotson III.

Their costumes were identical to that of the maid of honor's attire.

Groomsmen were Moi M. Monroe III, brother of the bride; William J. Monroe, Jr., cousin of the bride; William Scott, Jr., Thomas Chumney, Richard Yeager and John Dorrough III.

Following the ceremony, Mr. and Mrs. Monroe honored the bride and groom with a reception at their home. They were assisted by Mrs. M. M. Monroe, grandmother of the bride.

Out of town guests were from Dallas, San Antonio, Fort Hood, Fairfax County, Va., Americus, Ga., Atlanta, Ga., The Azores, Stevenson, Ala., Augusta, Ga., Gainesville, Fla., Hoboken, Ga., Marietta, Ga., Fort Lupton, Va., Warner-Robins, Ga., Brunswick, Ga., Macon, Ga. and Savannah, Ga.

NOTICE

1 AM NOT responsible from June 3, for any bills made by Mrs. Beverly Rich.

NOTICE

Tractors all over the county have been running full steam, but even some land that had been run over with sand fighters blew.

NOTICE

It was the worse wind we've had in a good while, the agent reported. It's been a hard year to get crops started. With the cool weather the first of June, the young cotton planted in mid-May had just begun to grow. Some of the cotton suffered from damping off, seedling rot, big shank, ascochyta blight also brought on by cool weather.

NOTICE

Lemons advised local farmers that they might need to change their cotton to an earlier maturing variety when replanting since time is of great importance.

Citation To Bradbury And Rich

An official State Health Department citation for work proficiency has been awarded to Clayton Bradbury and Buford M. Rice Jr., plant operations specialists for the Colorado City sewage control system.

Signed by State Health Commissioner and authorities of Texas Water Utilities Association, the certificate of competency is awarded only to those utility plant operators who have successfully demonstrated their skill and knowledge in modern principles of plant management.

To qualify for certification, a plant operator must have accumulated a prescribed amount of actual work experience. He must also have attended both regional and statewide short schools at which the techniques of water treatment and waste water disposal are taught, and must have passed an examination given by State Health Department sanitary engineers.

Engineers said the attainment is evidence of the men's efforts to better prepare themselves for the duties of their profession.
