Lions earn playoff spot

By Michelle Holtz
STOCKMAN SPORTSWRITER

Ozona's Lions will take on the Sonora Broncos in round one of the playoffs this Friday night, Nov. 16, at Bobcat Stadium in San Angelo. Game time is 7:30 p.m.

The Lions finished their regular season with a 7 win, 3 loss record and a 4 win, 1 loss district record for second place. McCamey won the district championship with a 5 win, no loss record, and Reagan County was third with 3 wins and 2 losses.

At the playoff game, the Lions will be the visitors; therefore, Lion fans will be in the east side stands.

"We (coaches) are extremely proud of the kids for taking Ozona to the playoffs for the third year in a row," said Steve Taylor, head coach of the Lions. "These guys play as hard as they can every time, and have battled bigger guys every week. They're a bunch of winners.

"The three teams who beat us have a combined total of 28 wins and 2 losses," said Coach Taylor.

Project Graduation food bazaar Nov. 20

The Ozona Project Graduation board is having a food bazaar Tuesday, Nov. 20, beginning at 5:00 p.m. at the Crockett County Civic Center. Cakes, pies, cookies, breads and cinnamon rolls will be among the items available for shoppes.

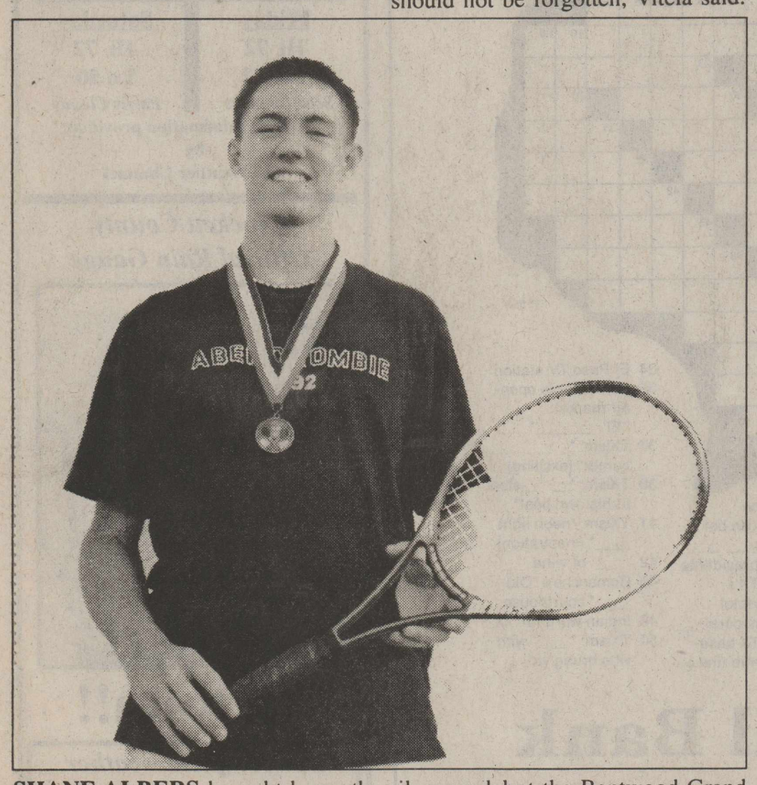

The board is also asking all parents of high school students to help make this a success. Board members ask that parents provide some type of baked good to sell. If possible, more than one item would be great. These items can be delivered to the civic center anytime during the day on Nov. 20.

Project Graduation hosts a fun-filled all night party on graduation night. All high school students are invited to come and eat, play and win prizes. However, the most important highlight is that kids can have a safe alcohol and drug-free celebration on what could be one of the most dangerous nights of the year.

Board members truly appreciate all support that the community gives to Project Graduation.

Thanksgiving service Nov. 18

Everyone is invited to attend a community Thanksgiving worship service Nov. 18. The service will be held at 7:00 p.m. at First Baptist Church.

Veterans honored with banquet

A banquet honoring veterans of the community gave citizens an opportunity last week to show appreciation for their military service to the country. Held on Veterans Day, Nov. 11, at the civic center, the program began with master of ceremonies Frank Tambunga speaking words of appreciation for all the veterans. These honored guests entered the banquet room single file behind Ray Valadez Jr., passing under an arch of swords formed by an honor guard of 4th Degree Knights of Columbus, themselves veterans, from San Angelo.

A four-member color guard made up of Boy Scouts presented the United States and Texas flags. Roman Tambunga sang the National Anthem, led in the Pledge to the Flag and gave A Veterans Salute. Cristofer Fierro delivered the invocation, and the meaning of Veterans Day was told by Freddy Fierro.

Tambunga, a member of the veterans' memorial committee, sponsors of the dinner, along with Aurora Najar and Charlie Lopez, recognized two veterans with framed letters of appreciation. Recipients were Napoleon Vitela and James Haire. Two veterans will be honored each time the memorial committee has a function, Tambunga said.

Scouts Matthew Harris-Cane and Johnny Tambunga served special cake to these two representatives of the veterans present as a symbol of appreciation from the youth of the community.

Guests were asked to join in a moment of silence to contemplate a table draped in black which held a serviceman's gloves and hat symbolizing veterans who died in the service of their country or those missing in action. The playing of " Taps" followed.

Cody Frasure, chief of social work service at the Veterans Administration in Big Spring was the speaker for the evening.

Entertainment included a song chosen by the Boy Scouts, "Proud to be an American", Girl Scouts singing "My Country 'Tis of Thee", a monologue by Mac Richie and a special performance by Sonny and Cher, perhaps better known in the community as Mac Richie and Patricia Sutton.

Of special interest to all was a display of veterans' photographs provided by Crockett County Museum. Museum coordinator Lynn English invited all to view these and other veterans' pictures and memorabilia at the museum through December.

Veterans signing the guest register Sunday night were: James Springer, A. O. Fields, Joe Moran, Nip Vitela, Len Hillman, Johnnie Perkins, Ray Martinez, Dick Kirby, Armando Ybarra, Elliott Barrera, Jason Moran, Ben English, Perry Hubbard, Ray Valadez Jr., Bob Darling, James Haire, N. W. Haire, Emilio Tambunga, Basiliso Ramirez Jr., guest speaker Cody Frasure and Knights guard members Stephen Kelly, Charles Ahern, Joe Rodriguez and Harry J. Pelto Sr.

Students host freedom celebration

Members of the Ozona Middle School Seventh Grade Class hosted a Freedom Celebration Nov. 12 to honor the community's veterans. Held in the high school auditorium, the program began with DPS Cpl. Ben English, a former Marine, calling for the posting of the colors by active Marine reservists Frank Tambunga and Carl Mayfield.

Guest speaker for the occasion was veteran Napoleon Vitela, Mr. Vitela, who enlisted at the age of 17, told his audience they were gathered to remind good citizens of their obligations to their community, state and nation. "Jesus died to set our souls free," said Vitela, who went on to talk about the Declaration of Independence. Since its signing, "good men and women have crossed the line in the sand in the cause of freedom."

In addition to honoring the country's veterans, the people behind the men and women in the service should not be forgotten, Vitela said. He concluded his portion of the program with an emotion-filled roll call of veterans he knew who had not returned from their wars.

Teacher Lloyd Winkley provided the introduction and recognition of guests, and Boy Scouts led the Pledge of Allegiance. Roman Tambunga sang "Proud to be an American', Jordan Long explained the meaning of Veterans Day, and Britni Buchanan and Amy Trujillo told of the signers of the Declaration of Independence.

An explanation of the moment of silence was given by Ben Peña, and Peyton Fenton introduced "In Flanders Field" which was recited by Justine Fielding. Special music was provided by members of the seventh grade choir, and "Taps" was played by seventh grade band students.

The program concluded with the audience singing "This Land is Your Land" and the retiring of the colors.

BONILLA TAKES A STAND FOR SAFER SKIES
- House of Representatives approves Airline Security Measure -

WASHINGTON, D.C.- In response to the terrorist attacks of September 11th, Representative Henry Bonilla voted recently for a measure that will keep the nation's skies safe for air travel.

"This legislation has perfect timing. We are less than one month from the busiest travel season of the year," said Mr. Bonilla. "By approving the airline security legislation, we're sending a message to the people of America that we stand dedicated to keeping the skies safe."

The Secure Transportation for America Act will enforce stricter guidelines for the nation's airlines and airports. The legislation requires that a law enforcement or military official be present at all screening stations. The bill also requires that all screeners be U.S. citizens and requires the deployment of sky marshals on United States airlines. Additionally, the bill develops specific security measures including securing cockpit doors, arming pilots with weapons, and establishing standards for airport grounds crews.

"The events of September 11th have shown us that loopholes exist in our airline security procedures. This legislation will close those holes and promote safer travel for all Americans," said Mr. Bonilla.

A similar bill was passed earlier this week by the United States Senate. While the two pieces of legislation are similar in nature, Mr. Bonilla felt obligated to take a stand against the legislation passed in the Senate. The Senate version of the bill requires that all screeners become federal employees. The process of "federalizing" a civilian employee could take six or more months. This process would create massive delays in implementing new safety measures.

Mr. Bonilla believes it is important to understand that the legislation passed in the House of Representatives does not PROHIBIT creating a federal employee work force. Instead, it gives President Bush the ability to make screeners either private employees, federal employees or a combination of the two. President Bush has given his full backing to the legislation approved by the House of Representatives.

"By giving President Bush this much needed flexibility, we're allowing him to promote strict and swift discipline, rather than forcing him into a rigid and slow system," said Mr. Bonilla. "The American people should not be forced to wait multiple months to see changes in the air transportation system. The sooner we make things happen around here, the sooner we will bring piece of mind to the nation's travelers."

"This plan will get the job done and provide the safest possible environment for American travelers. Safety should not take a back seat to the politics of federal employment," said Mr. Bonilla. "The American people deserve secure travel, and that's exactly what this legislation will deliver."

Square dancers entertain at care center

Thursday night, Nov. 8, Levis and Lace entertained the residents at the Ozona Care Center with line dancing and two couples square dancing. Attending were Mozelle Houston, Nell Wester, Bill and Bernice Cota, Maria De La Rosa, Leroy and Carol Adcock, Lucy Hinde and Otis Nester.

The square dance club celebrated a wonderful Thanksgiving with a dance Saturday night, Nov. 1, at the Senior Citizens' Center with Skip Miller from San Angelo calling. It was a great evening with lots of square dancing with line dancing between tips.

Great fun, food and fellowship were enjoyed by all attending. Maxine and Fred Gudmundson from San Angelo, along with Skip's lovely wife, Beverly, traveled with the caller from San Angelo.

Also attending were: Al and Betty Fields, Bill and Bernice Cota, Leroy and Carol Adcock, Maria De La Rosa, Otis Nester, Lucy Hinde, Betty Bullard and Nell Wester. Nell and Betty are students and really enjoyed dancing at a regular dance. They learned the new concept of tuning in to different callers as well as learning some new square dance moves.

A special basket was set up at Otis Nester's table for donations for the Youth Scholarship Fund. This year 11 scholarships of $1,000 each were given in Texas.

The next dance will be the Christmas dance on Dec. 8 at the Senior Citizens' Building with Tracey Dowell from McCamey calling. Everyone is welcome to come join the good fun, fellowship and dancing with Levis and Lace.

Turkey time for Preceptor Mu Chi

Terry Adams and Billie Morris were hostesses for the Nov. 12 Preceptor Mu Chi meeting held at the Adams home.

All enjoyed apple dumplings and chocolate cake.

Prayers go out to Harold and Penni Tippie. We are thinking of you.

Care Center Chatter

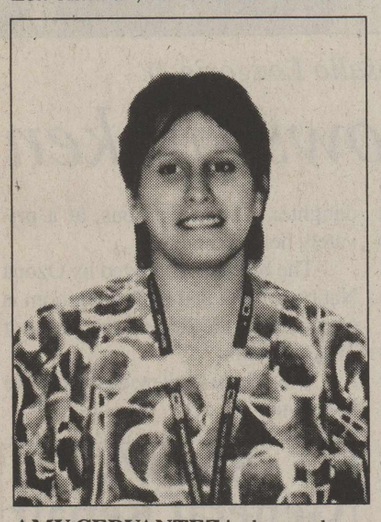

Everyone needs to come by and see the main dining room after the remodeling that has taken place; it's just "great".

Amy Cervantez was selected as Employee of the Month of November. Amy works in housekeeping and has been employed for five years with Crockett County Care Center.

Resident of the Month for November is Ruth Bissett, mother of Bob Bissett of Ozona.

We thank the following churches for their faithful services here at the care center: Harvest Time Christian Center, Iglesia Bautista, First Baptist Church, Ozona United Methodist and Ozona Church of Christ.

Our volunteers for the week are Len Hillman, Otis Nester and Commissioner Freddie Nicks. Thank you all.

Thursday evening the Levis and Lace square dancers entertained residents in the main lobby. Thank you all. Our residents really enjoy your dancing each week.

Thanks go to Margaret Galbreath and Robert Schoenhals for being the first to donate Christmas lights for our residents' doors. We are in need of more Christmas lights and extension cords.

Please note, when bringing foods during the holidays, please check with our charge nurse at the nurses' station before giving items to residents as we have residents with swallowing problems and diabetics and special diets for their health. Fruit is one item that all our residents can have and enjoy.

Friday at 3:30 p.m. in the main lobby, residents will celebrate Nov. 16 birthdays. Residents with November birthdays are Bea Beckett, Ruth Bissett, Mae Gomez and Consuela Sarabia.

Our family and resident Christmas party will be Monday, Dec. 17, at 7:00 p.m. Each family needs to bring a gift for their family member here at the care center to put under the Christmas tree.

Our residents are looking forward to moving back into the newly remodeled main dining room by Tuesday evening of this week.

Please note, I need a month's notice for activities inside or outside the facility as my calendar is planned in advance.

June Diehl, Frances Flanagan, and Bea Beckett were the big winners in last week's bingo.

Come by and check us out here at Crockett County Care Center.

Great things are happening.

Not Being Separated

I really had the good life when I was growing up, but I did not always realize it. We did not have a lot of money, but one thing we did have was a very loving and caring family. The holiday season always brings back memories of those good times I had with my family. Many times we would travel all day and night to be with our loved ones. We knew when we arrived there would be good food (our favorite dishes), and then we would get to sit around and visit. Our grandparents and loved ones would hold us and talk and spend time with us. We knew we were loved very much. I miss those times and I miss those loved ones.

The Bible has a lot to say about love. It says we are to love our neighbor, love one another. It also says that God loves us very much (John 3:16). Another subject it talks about is not being separated from the love of God. I am separated from my loved ones that have passed on, but that is only temporary. The Bible promises I will see them again one day.

Another promise (if we have Christ as our Lord and Savior) is that we will never, never be separated from the love of God (Romans 8:35-39). That is good news and will help you sleep better at night.

See you in church on Sunday.
Brother J

Healing of Our Land

By Rev. Velma Trimble

If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from Heaven, and will forgive their sin, and will heal their land. II. Chron. 7:14

Americans are being called to repentance and intercessory prayer. Repentance is being sorry for our sin and turning from that sin, ceasing to commit that sin. As a Nation we have much to repent of.

We have much to pray about

1. Pray for our President and the men and women who serve with him in all branches of Government. Pray that God would give wisdom.
2. Pray for a spiritual awakening for our Nation.
3. Pray for those who are being called to serve in our Armed Forces.
4. Pray for those who have suffered the loss of loved ones in New York, Washington, DC, and Pennsylvania, and for those who are suffering from physical harm such as burns, broken bones, etc. and those who have been exposed to Anthrax.
5. Pray for God's mercy, forgiveness, and favor.

Ozona High School students make research film

We would like to acknowledge the following law enforcement personnel for their help in making a research film to go along with our research paper on drug trafficking. Thanks go especially to Corporal Ben English who was instrumental in involving the Sheriff's Office and getting their cooperation, and to Larry Sanchez and Caddo, Pablo Talamantez and Mike Bullard of the Sheriff's Office. Special thanks also to Sheriff Shane Fenton for his permission to use the jail facilities and allowing his personnel to permit us to go through all the booking procedures in order to make a more realistic film.

All of these men really took a lot of their time to help us, share their expertise with gave us a lot of information to help make our project a success. We realize the risks they take daily and are truly grateful to have them on the streets of our community. We live in a safer place because of these dedicated men.

For all who might have seen part of the staging behind the hospital on Sunday night, you might be able to realize how realistic the film is. We want to let anyone who saw us know that we weren't really in trouble!

Although we haven't received the grade yet, we have high expectations due to all their help! Just one more reason it's great to live in Ozona.

Thanks again from Shane Albers, Kristen Tambunga and Martin Sanchez.

PICTURED IN THE SHERIFF'S OFFICE after filming the project were: (back, l. to r.) Michael Bullard, Pablo Talamantez, Kristen Tambunga, Shane Albers and Larry Sanchez. In front: Cpl. Ben Engish and Martin Sanchez. *Submitted Photo*

Smokeout in 25th year

On Nov. 15, 2001, Americans will observe the 25th annual Great American Smokeout. The Smokeout was started as an annual day to spotlight the dangers of smoking and challenge people to stop using tobacco. On this anniversary milestone, the Society renews its pledge to conquer lung cancer, help smokers make the important decision to quit and support them in their efforts.

An estimated 47 million U. S. adults currently smoke. Tobacco use can cause lung cancer, as well as other cancers, heart disease, and respiratory diseases; and each year smoking is responsible for one of five deaths. Fortunately, the past 25 years have seen tremendous strides in reversing attitudes toward smoking, understanding the addiction and learning how to help people quit.

To quit successfully and permanently, most people need support. Not just one simple act, quitting involves four crucial steps: making the decision to quit, setting a date to quit, dealing with withdrawal, and maintaining a smoke-free life. Quitting can be tough, but the American Cancer Society offers several ways to make it easier.

If you're ready to quit, you should know you're not alone. The American Cancer Society provides a variety of progressive, science-based resources that can double your chances of quitting successfully. When you contact the American Cancer Society for help, you can:

*Talk with trained specialist about your decision to quit

*Receive printed material designed specifically for where you are in the quitting process

*Learn about options to increase your success

*Receive information on over-the-counter and prescription therapies (patch, gum, inhaler, nasal spray and Zyban) that might help

*Find our if you're eligible for a clinical trial offering counseling

*Get referrals to local support groups and resources.

While helping smokers quit is one focus, the American Cancer Society is working to help America kick its addiction to tobacco on many other fronts as well. For example, groundbreaking research helps people better understand the health effects of smoking and ways to quit. And advocating for responsible tobacco policies and public program impacts all levels of government, schools and workplaces.

For more information about quitting smoking or improving your health, getting involved in the Great American Smokeout, or supporting the American Cancer Society call 1-800-ACS-2345 or visit www.cancer.org.

Four things to remember when quitting smoking

1. Stay positive. When you wake up, promise yourself that you won't smoke a cigarette that day.

2. Picture success. Plan ahead and think of how you'll deal with stressful situations without lighting up.

3. Take a breather. Relaxation exercises help relieve urges to smoke. Remember, the urge is temporary.

4. Work out. Exercise, such as swimming, running, and racket sports, helps relieve tension and reduces your urge to smoke.

Ozona scholars recognized

Casey Jamerson and Ty Porter from Ozona were among students recognized Tuesday (Nov. 6) at the annual South Plains College Scholars Recognition Banquet honoring both donors and scholarship recipients.

Jamerson is recipient of the API-Paul Musslewhite Scholarship in Pre-Engineering.

Porter is recipient of the Christine DeVitt Memorial Scholarship for College Relations.

The SPC Foundation, since its charter in 1979, has helped about 10,000 students attend SPC, said Steve Bryant, director of development. Bryant reported that $600,000 has been donated in the current fiscal year for scholarships and that the Foundation currently has $7 million in assets, which include planned gifts. These are unaudited figures, he noted. "It means a lot when you help students reach their academic goals," Bryant told the audience. "It's a way to help others win."

The history of Veterans Day

Veterans Day got its start around the time of World War I. In the United States it was first called Armistice Day. In France it is still called that. In Great Britain and Canada the same holiday is known as Remembrance Day.

On the eleventh hour of the eleventh day of the eleventh month in 1918, World War I ended. To honor those soldiers, men and women, who sacrificed their lives in the war, and to celebrate peace, U. S. President Woodrow Wilson proclaimed Nov. 11, 1919, as Armistice Day. An armistice is a truce, an end to fighting. People celebrated with parades, ceremonies and speeches.

Two years after the war ended, England and France held special ceremonies and erected permanent memorials to the soldiers who had sacrificed their lives in the war. These memorials are actually tombs where the body of an unknown soldier has been buried. In England the Tomb of the Unknown Soldier is in London's Westminister Abbey, and in France it is at the Arc de triomphe in Paris.

One year later, on Nov. 11, 1921, the United States placed its Tomb of the Unknown Soldier on a hilltop at the Arlington National Cemetery near Washington, DC. In 1958, the bodies of unknown soldiers from World War II and the Korean War were buried there, and the memorial also became known as the Tomb of the Unknowns.

Armistice Day was declared a national holiday in the United States 20 years after World War I ended. In 1954, its name was changed to Veterans Day to honor those who have served in the armed forces.

We would like to take this opportunity to express our appreciation to coaches Bachman and Delgado for their work with and support of the 7th grade Ozona Middle School football team this past season.

We believe success is not achieved by the number of games won, but rather by these young men learning personal responsibility, team work, and integrity. We believe Coaches Bachman and Delgado excel in this area and we believe them to be more than good coaches, but more importantly good examples.

Ozona, you can be proud of the way your 7th grade football team conducted themselves on and off the field this season. You can be proud your sons learned some football skills, but prouder still of their conduct and professional attitude. You can be proud of the way your sons are growing up to represent Ozona High School in the not so distant future; but prouder still of their growing into responsible adults.

Thank you once again coaches Bachman and Delgado for a truly successful year!

Sincerely,
Mack & Carol Richie

JV halts Lakeview Chiefs

Ozona's Junior Varsity Lions won their game against Lakeview here Nov. 8 to end the season 5-5 and share co-district honors with Reagan County.

Thursday's game ended with a score of Ozona 29, Lakeview 12 despite Lakeview being first to score.

The Lions fumbled on their first two possessions, and the Chiefs launched an 81-yard drive for the first score of the game.

The Lions regrouped in the second quarter and put together a 63-yard drive. This drive resulted from several good lineman blocks by Chris Martinez, Aaron Espino and J. T. Lara. Brad Mayfield, Tyson Vordick and Romeo Perez ran the ball well, and the drive ended with a 47-yard sweep by Mayfield for the touchdown. The quarter ended in a 6-6 tie.

The Chiefs drove the ball to the Ozona 44 yard line, but the Lion defense brought them to a halt. Abel Martinez, Clay Hale, Ryan Wiley and Harvey Ruiz did a good job at this point.

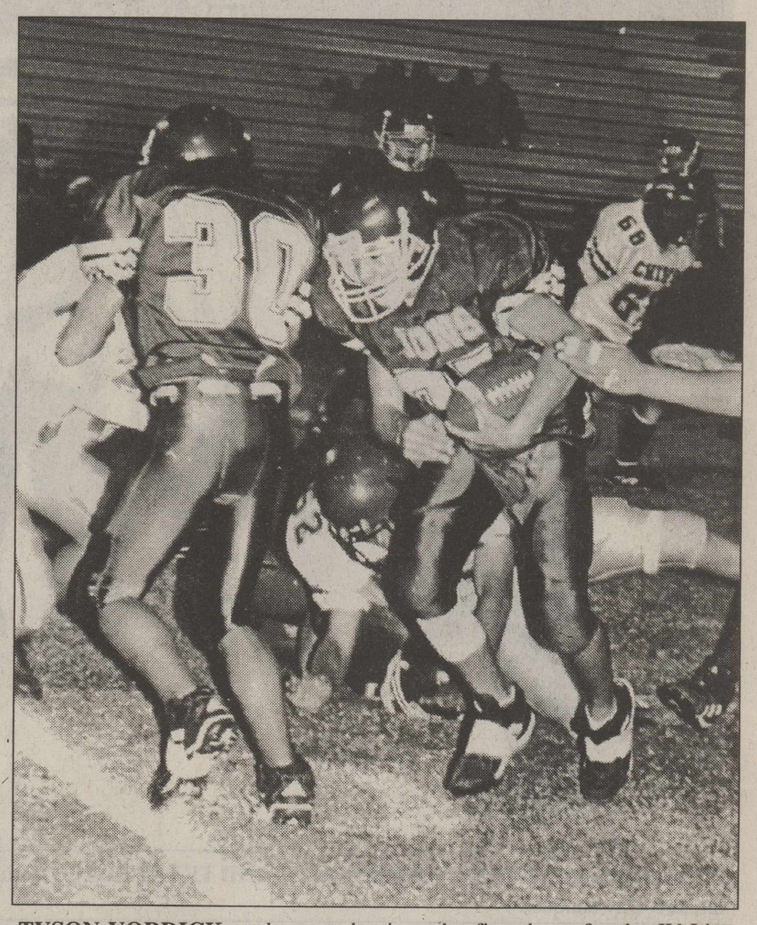

The Chiefs faked a punt, but a good heads-up play by Robert Ogle stopped them. Clay Hale then connected with Wilson Stokes on a 21-yard pass. Vordick and Mayfield ran the sweep well, and Perez advanced the ball up the middle for a 9-yard touchdown behind a key block by Luna and Ortiz. This brought the score to 12-6, Lions.

Lakeview fumbled on their next possession, and the Lions recovered to push the ball to the 9-yard line. Perez kicked a 19-yard field goal to bring the halftime score to 15-6, Ozona.

Ozona's defense held the Chiefs in check with Ortiz, Vordick and Mayfield doing a good job.

The Lions took possession on their own 38-yard line, driving to the 4. Mayfield took the ball in on the sweep for the score, and a PAT by Vordick brought the score to 23-6.

Ozona recovered their own onside kickoff followed by Hale hitting Stokes on a 52-yard pass and run. Mayfield scored on the next play, but a penalty called the TD back.

TYSON VORDICK made a good gain and a first down for the JV Lions behind a great block by #30 Ryan Pearl. The Lions defeated Lakeview 29-12 Nov. 8 in Lion Stadium. *Photo by Stephen Zuberbueler*

Lakeview took over the ball and made one more run at the Lions, scoring on a 12-yard sweep. The quarter ended with Ozona 23, Lakeview 12.

The fourth quarter started with a 26-yard return by Ogle on the kickoff. Lara added 23 yards on a sweep, Perez got another 14 yards on a trap, and then Mayfield broke three tackles to score on a 30-yard run.

This ended the scoring for the night with Ozona 29, Lakeview 12.

"Our offensive line did a good job in the second half," said Coach Lynn Searsy. "Hale connected with his receivers, and our running backs ran hard.

"A special thanks to the parents of these young men. Many traveled long distances to support us, and we all appreciate it. These young men have come a long way since two-a-days. They represent their parents, school and community well with their appearance and good manners. They will no doubt do well in the future because of their coachable attitudes and hard work."

Basketball game rescheduled

Friday's varsity girls' basketball game with Colorado City has been rescheduled. They will play here at 2:00 p.m. on Saturday.

The JV girls' game with Colorado City has been cancelled.

Seventh Grade Mustangs defeat Lions

By Michelle Holtz
STOCKMAN SPORTSWRITER

Ozona Middle School's Seventh Grade Lions were defeated 14-0 in their final game of the season Nov. 8 against the Midland Christian Mustangs in Midland.

In the first quarter the Mustangs overwhelmed the Lions as they began their attack by running the opening kickoff back 77 yards for a touchdown.

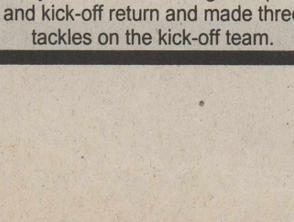

The Lion defense held the Mustangs for the rest of the quarter, allowing no further scoring. However, in the second quarter the Mustangs broke free from the Lion defense to score on a 16-yard run. The 2-point conversion was good for the Mustangs as they took a 14 point lead over the Lions at the end of the first half.

Neither team scored in the second half. The Lions had several good runs but were unable to get in the end zone to score against this undefeated team.

"This was a great opportunity for us as we traveled to Midland to play a very polished, undefeated football team," said Coach Rick Bachman. "Most of Midland's players have been playing football since they were in the fourth grade and possess many advanced skills.

"I was extremely proud of the way we played with them, as we were able to move the ball very well at times, and Coach Delgado's defense again stepped up and played an outstanding ball game. I truly feel that this group of young men will continue to develop into a fine football team with a very bright future," said Coach Bachman.

Bank Repossessed Cars to be Sold Directly to the Public

San Angelo Dealership Disposing of 90 Bank Repos and Other Used Vehicles for Only $59 Then Start Making Payments*

SAN ANGELO, TX - Bank Repossessed cars and trucks are among the most hunted-for bargains in the automotive industry. Unfortunately for John Q. Public, they're also the hardest to come by.

Banks often unload repossessed vehicles to car dealers at rock-bottom prices - allowing dealers to re-sell them for retail value. But bargain-seekers can take heart: This week, Mitchell Buick Pontiac GMC is going to change that.

This Wednesday, November 14th through Saturday, November 17th, Mitchell Buick Pontiac GMC will offer 90 bank repossessed, lease return and other used vehicles for thousands below normal values, and pass the savings on to their customers.

"These vehicles have been acquired at incredible savings from banks (repos), auctions, and other sources," Dick Kibiloski of Mitchell Buick Pontiac GMC said. "We have been asked to sacrifice this inventory immediately - regardless of loss of profit. And if that means selling these vehicles for up to thousands below normal values, then that's what we'll do."

Every bank repossessed and other pre-owned vehicle will be available for just a $59 possession fee* then start making payments. Payments start as low as $79 per month.* "It's that simple," said Mr. Kibiloski. "To make these bargains even easier, we'll mark the payments right on the windshield. Just pick your vehicle and pick your payment. You won't find a faster, easier way to get a great deal on a pre-owned vehicle."

"The opportunity San Angelo area bargain hunters have been waiting for is back! Customers may never see savings like this again."
DICK KIBILOSKI, MITCHELL BUICK PONTIAC GMC

Almost every type of vehicle and price range will be available, from luxury 4x4s to basic transportation. Many are still under warranty. "With our pre-owned inventory near an all-time high, chances are we have what you're looking for in stock and ready to drive home," Mr. Kibiloski added.

Extra sales and finance staff will be on hand to assure customers prompt, quality service and the best finance terms possible. Mr. Kibiloski said, "We'll have over $4 million in financing available for this event, so chances are we can arrange financing for just about anyone who is employed, regardless of past credit history."

Trade-ins will be accepted, and customers should bring their title or payment book to expedite delivery.

"The opportunity San Angelo area bargain-hunters have been waiting for returns this Wednesday through Saturday at Mitchell Buick Pontiac GMC. Every bank repo and other used vehicle is just $59 then start making payments.* Customers may never see savings like this again," said Mr. Kibiloski.

After the $59 SuperSale ends at 7:00 p.m. on Saturday, November 17th, many of these vehicles will be sent to auction. Any questions can be directed to (915) 949-1811. Mitchell Buick Pontiac GMC is located at 4105 Sherwood Way in San Angelo.
