Bicentennial Celebration

SUE'S VIEWS

As we observe our Nation's Birthday, and look forward to the Homecoming, we here at the newspaper have been putting a few extra hours.

In looking into historical events to tie in with the advertising of the Homecoming, we have had a real lesson in history. And despite what I thought as a high school student when I was supposed to be learning American History . . . it's VERY INTERESTING!

Of course, we had to check into the history of newspapers. And it seems that historians recognize the fact that newspapers have played an important role in American History. They say without a doubt, the American Revolution would

designating their purchase of shave permits. Russell Strain and James Gallagher are just two who have elected to "match beards with the best of 'em." The royal blue tri-corn hats are on sale at the Chamber of Commerce and Agriculture office and Olton Enterprise. Mrs. Travis Walters is co-ordinator of the hat project.

"Never in the history of Olton has more cooperation gone into a community effort than is this year shown in detailed planning for the Bicentennial celebration," were the enthusiastic words of Mrs. George Redinger, Olton Chamber of Commerce representative, as she reviewed final schedules for two days of festivities, Oct. 10 and 11.

Bicentennial emphasis has this year been added to the annual excitement of Homecoming in support of Olton Mustangs.

Building upon the Homecoming parade, sponsored by Olton Student Council, townspeople have joined forces to make this the longest parade and most meaningful event possible, as a means of Offering Loyalty To Our Nation.

under direction of Fred Stockdale, will provide martial airs to accompany the two divisions of floats, and other entries, as well as form the background for the presentation of a special flag display which will climax the historic parade, at the corner of Main and 8th Streets.

FLAGS

The two flags, on loan from the federal and state governments, have flown over the National and the State Capitol buildings, and following their use in this Bicentennial celebration, and others in this area, will be returned to the Nation's Capitol encased in glass, to become a segment of the history of the area.

Presented by Larry Garvin, President of Olton Chamber of Commerce, to the mayor of the city, K.Y. Givens, the flags will be raised on a recently erected pole above the Historic Marker. Young Boy Scouts, acting under supervision of Eugene Griffin, will do the honors. The two flags will be flown throughout the two days of activities, over the Marker and in the Football Stadium. Assistant Scout Master is Wendell Potts.

cafeteria by members of the Parent-Teacher organization, will precede the gridiron clash, which pits the Olton Mustangs against the Idalou Wildcats of District 4-AA. The Mustangs will be seeking their third victory of the year.

EXES ACTIVITIES

Elmer Moore, chairman of invitations to ex-students and ex-teachers, reports that invitations have been accepted from all over the state and from Colorado, Kansas, Ohio and California. Others are expected.

Working with Moore on plans for an After-Game coffee in School Cafeteria, Mrs. Clovis Potet heads a large committee of homeowners who extend a community-wide invitation for the genial get-together following the game.

Highlighting decorations for the coffee will be a Bicentennial Birthday Cake, sporting 200 candles. This tribute to the birthday of the nation is being prepared and decorated students of Mrs. R.V. Allcorn.

BREAKFAST

Saturday morning activities will continue with a community-wide Bicentennial Breakfast, to be held in First United Methodist Church. Serving will begin at 7 a.m.

Coffee will again be offered in the Sherman Agency office during morning hours.

ARTS & CRAFTS

Arts and Crafts Show, being held in the Agricultural Community Building during the two days, will be open to public viewing all day Saturday.

Adding to the festive air of the city, fire hydrants are being transformed into red, white and blue Minute Men by high school art students, directed by Mrs. David Maxey. The class has plans for painting a mural on a downtown building later in the year.

Planning begun last May will begin to take form this weekend. The entire community and her many expected guests are invited to enter the enjoyment offered.

COSTUMES

Costumes of the Revolutionary period will be appropriate at any function as will the sprinkling of 'Mustang Blue' tricorne hats; red, white and blue shaving permit arm bands and healthy beards . . . all worn in support of the endeavor.

Parade Entry

Deadline Nears

Deadline for entries of parade units, Open Division, has been set at noon Monday, Oct. 6, according to Melvin Rape, parade coordinator.

Also, bike riders have until noon Monday to register intention to enter Decorated Wheels division, Rape said.

Competent Out-of-Town judges will be on hand to make decisions for awards in all categories.

Olton Bank Drive-In Service

The expanded facilities of Olton State Bank will begin a new service for area customers this week, according to Kenneth Burgess, president.

The drive-in window of the newly added west wing will be operating during regular hours, 9 a.m. to 3 p.m. On duty at the window will be Miss Dixie Griffin.

Any regular function of a Teller's Window may be transacted from the convenience of the customers car.

Entrance to the Window may be had from Ave G, in front of high school building with exit to be made on Seventh Street. Temporary signs will mark the path of traffic during the initial days of operation.

Patrons of the bank are invited to make use of this modern convenience which is opened during the height of the fall rush as a friendly courtesy of the local institution.

Hamburgers To Be Served

Friday night's supper menu is All American as once again PTA members serve up hamburgers and "the trimmings." The annual affair is slated in conjunction with the Bicentennial-Homecoming events of the weekend with serving hours from 5 to 7 p.m. preceding the Mustangs-Idalou Wildcats gridiron clash.

Proceeds of the supper sales will be used to underwrite scholarships for a deserving boy and girl of the Class of '76. A third scholarship is planned if funds are sufficient.

Cost of the supper, which also includes pie and beverage, is \$1.50 for adults and children.

Open House Slated By Local Merchants

Welcome mats will be out Friday and Saturday, Oct. 10-11 at a number of local spots. Otonites, former residents and other visitors are invited to stop by for visits.

Open house will be held from 9 a.m. to 3 p.m. Friday at Olton State Bank and the same hours will apply for the new office of Olton Chamber of Commerce and Agriculture in the bank building. The CC-A office will also

'Shave Sheriff' To 'Get' Offenders

Shave Sheriff Delmer Givens and his "posse" will be on patrol next week to provide strict enforcement of the shave-or-garter law. All men must be bearded Friday and Saturday during

Olton's Bicentennial-Homecoming events or must be wearing the badge of shave permit ownership. Shave permits, selling for \$5, may be purchased from any member of Olton Lions Club.

The permits, garters in patriotic colors, are garters which have been made in Olton by Pro Sox, Incorporated. Judging of beards will immediately follow the

parade activities Friday. Wayne Cole, Lion Boss, asks that all beard growers report to the "town square" so that judges may determine the winning whiskers. Trophies for the Fanciest, Ugliest, Most Abundant, Peach Fuzziest and Most Patriotic beards will be awarded during activities later that day.

Punishment for persons caught in violation of the beard law will be "made to ride, lead or persuade a goat down Main Street of Olton."

Proceeds from the sale of permits will be placed in the park fund. Chairman of the beard contest is Don Loafman.

Invitations Are Available

Letters of invitation to ex-students are available for the asking in the office of Chamber of Commerce and Agriculture (in their new location in the Bank building).

Local people are asked to secure these letters and send (via air mail) to non residents who might be interested in attending Homecoming weekend, according to E.J. Moore, chairman of invitations.

Several Set Class Reunions

Several reunions of classes and smaller units of visitors are being planned for Friday, following the community-wide coffee, and also for Saturday morning.

Presently plans are being announced for a reunion of the classes '39 through '41. Anyone who wishes to join this group, after the Friday night coffee, will be most welcome in the home of Mr. and Mrs. Clovis Potet.

The class of '66 wishes to meet during the Friday night coffee, or afterward, to make more definite plans for a reunion already scheduled for Dec. 27, according to Francine Struve Ramage.

Other small unit coffees are expected to be planned during the remaining days of this week.

Arts & Craft Show Set

Creative talents in abundance will be featured for viewing and purchase at the Bicentennial Arts and Crafts "Show and Sell" Friday and Saturday in the Agriculture Community Building at

Avenue E and 2nd Streets. Coordinator of the event is Mrs. Willie Green. Also directing the talent fair are

Mmes. Herman Howard, W.T. Hankins and W.E. Andrew.

Horseback Riders Needed For Parade

More Trays For Bicentennial

A new shipment of Bicentennial serving trays has arrived and may be purchased at Olton Chamber of Commerce and Agriculture office, Olton State Bank and Olton Enterprise.

The pretty colorful trays depict historic events of the nation's birth. Featured in vivid colors are the signing of the Declaration of Independence, the Liberty Bell, Old Glory "amid bombs bursting in air," Statue of Liberty, Bunker Hill, Washington crossing the Delaware, Spirit of '76 and Surrender of Cornwallis.

Selling for only \$2, profits of the sales will be used to underwrite expenses of the Bicentennial celebration. The two dollars also buys a beautiful souvenir of the nation's two hundredth birthday.

Twenty or more mounted riders are needed to form a contingent in the Homecoming-Bicentennial Parade Friday afternoon.

Interested persons, who have their own mounts, and wish to take part in the parade are asked to call Mr.

or Mrs. Gary Dickenson by Tuesday.

The Dickenson home phone number is 285-2061. Mrs. Dickenson may be reached during the day at 285-2659, a meeting place will be arranged.

Horse back riders will be most welcome.

Historical Bell To Signal Parade, Prayer Breakfast

Pealing out its call to worship in the yesteryears of Olton, the historic old bell from the city's first church will toll for two events of the city's Bicentennial celebration Friday and Saturday.

Erected in the steeple of the Union Church some 65 or more years ago, the huge steel bell will ring again Friday at 3:29 p.m. as a signal for the events to come. The Bicentennial-Homecoming Parade will begin as its chime fades into silence.

Symbol of the recognition of Olton's early day need for faith, the bell will sound again Saturday. Its early morning peal will call Oltonites of all ages, races and creeds to a Bicentennial Prayer Breakfast at 7 a.m. in fellowship hall of First United Methodist Church.

Chairman of the community-wide breakfast is W.T. Hall. Working with him on preparations are men from the various churches of town. Laymen will prepare

the breakfast but entire families are invited to join in the breakfast-inspiration and thanksgiving hour.

A brief program is planned but will conclude in time for persons to be at work by 8 a.m.

All persons in the community are invited.

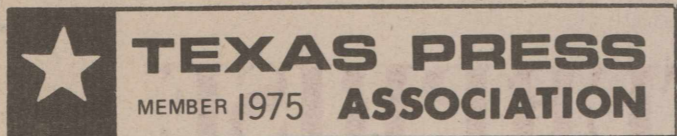

OHS Athletes Hall Of Fame

Six outstanding athletes of OHS from the era preceding 1940 will be recognized for membership in the Olton High School Hall of Fame at the Homecoming assembly Friday, Oct. 10.

Slated for 2 p.m., the ceremony will be held in the OHS gym. Selected by an anonymous committee, the honorees include the late W.R. "Dubb" Hair of Hereford, Ford Lain of Amarillo, Delmer Given, Leon George, Willard Thomas of Clovis, N.M. and George Huggins of Oakland, Calif.

For 65 Year Olds Only

(Or Those Who Plan To Become 65)

If you are 65 years old (or if you think you might be someday) then you should be interested in a bill that is before the Senate now.

S. 410. A Bill to repeal the earnings limitation of the Social Security Act for all workers age 65 and over. Referred to the Committee on Finance.

Senator Barry Goldwater introduced legislation to do away with the "earnings limitation" on social security benefits paid to workers who are age 65 and older and to their dependents.

These people are simply "penalized" if they work . . . and earn more than \$2520 a year. After that amount has been earned, each \$2 earned draws a \$1 penalty.

To get away from the penalty, you must be 72 years old.

Now, that is ridiculous! Think how must perfectly good workers are being turned away each day because they are being penalized!

There are a lot of people that age that need to work and are not able to retire.

Excerpts from Sen Goldwater's remarks follow:

Mr. President, I will say again what I have said so often in the past about this penalty: "It is a shameful robbery by the law of our senior citizens."

First, I believe the American working man and woman has been led by his Government to believe that social security benefits will be theirs "as a matter of right" when they reach a specific age. Workers have been told over and over through the years of the fact that they have earned a right to a benefit because of the payroll deductions from their own salaries and on their behalf by their employers.

Mr. President, the Social Security Administration and its defenders can hedge and hem and haw as much as they want about what these promises mean, but as

understood by the working man and woman they were pledges that the scheduled benefits will be paid automatically to workers once they reach the statutory annuity age.

If a worker must quit work in order to receive his benefits, it can hardly be said that his freedom of action has been given any consideration at all.

Bill Introduced:

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, that (a) subsections (c) (1), (d) (1), (f) (1), and (j) of section 203 of the Social Security Act are each amended by striking out "seventy-two" and inserting in lieu thereof "sixty-five".

(b) Section (h) (1) (A) of Section 203 of such Act is amended by striking out "the age of 72" and "age 72" and inserting in lieu thereof in each instance "age 65".

(c) The heading of subsection (j) of section 203 of such Act is amended by striking out "Seventy-two" and inserting in lieu thereof "Sixty-five."

SEC. 2. The amendments made by the first section of this Act shall apply only with respect to taxable years ending after the date of enactment of this Act.

The Mustang Band is high-stepping its way to a Sweepstakes! Go Big Blue! The Fightin' Fillies are runnin' and gunnin', getting ready to be #1 again this year! Go Big Blue!

The Mustang Aggies are slopping, mopping, and cropping to "take the show" this spring! Go Big Blue!

The OHS Speech Dept. is reading prose and making plans to be the #1 One Act Play again this year! Go Big Blue!

In fact everybody is busy up to their eyebrows. There's football practice and band rehearsal and basketball work-outs and dish washing and grass mowing and truck driving and Bookkeeping and Algebra and Chemistry and English and special assignments and dates and gangs and shows and places to go and things to do!

All of that along with sleeping and eating and day-dreaming is crammed into a 7 day week.

With all of that there just isn't much time to sit and think. When we do finally get to sit, there is T.V. and radio and stereo and newspaper and magazine . . . and consequently, NO TIME TO THINK.

How long has it been since you had the time or took the time to spend some "quiet time" with yourself . . . enjoying "yesterdays" or planning "tomorrows" . . . regretting failures or cherishing successes . . . worrying about Hell or dreaming about Heaven?

How long has it been since you spent some "quiet time" with the searching and consoling word of God, listening to the Lord instruct and encourage. It has been a while hasn't it? Please take a "quiet time" after you read this and consider . . . Everything But The Kitchen Sink

BY MOZELLE TROTTER

Midnight oil burned this week at the Enterprise.

It's been quite a while since the staff of the Ladies Gazette had to keep the hours that were necessary to get out this edition of the paper. Once it was not an infrequent thing to "put the paper to bed" long after the hour we would have chosen for our own Sandman's call. But, it happened again.

So, if you find a mistake (forbid!) please take it with a good measure of tolerance for a crew that heard the words "homecoming" and "bicentennial" just a few hundred times in the past few hours.

"One if by land, two if by sea" and "Don't fire until you see the whites of their eyes" are just a couple of the thought fragments that could have been overheard as we went about our "ad-spiration" attempts.

Then, in compiling all the super special events of the upcoming Bicentennial-Homecoming weekend (there are those words again) we hope that dulled minds do not result in patchwork quilt stories.

Hopefully, we haven't mixed things up to the degree that we have horses in the hamburger supper, queens in the beard contest,

goats in the arts and crafts show, Wildcats at the prayer breakfast and vintage autos in the new hospitality room of Olton State Bank.

In all seriousness, wee hours of Friday still find me tingling with anticipation of those big events of our special weekend. Every one promises to be super special. A single missed event is the loss of an unforgettable memory of the future.

MRS. TERRY RAY TRUSTY

Mr. Trusty-Miss Criswell Recite Twin Vows Saturday

Miss Cynthia Sue Criswell and Terry Ray Trusty pledged double ring wedding vows in a Saturday afternoon ceremony in First United Methodist Church.

Officiating was the Rev. Elton Wyatt, pastor. Vows were exchanged before an altar set with baskets of white gladioli and yellow carnations with candelabras at either side.

Parents of the couple are Mr. and Mrs. Frank Criswell and Mr. and Mrs. V.J. Trusty.

Mrs. Delmer Givens, organist, presented nuptial selections and accompanied Kim Kinnison as she sang

"The Wedding Song" and "For All We Know."

Given in marriage by her father, the bride wore a formal gown of white bridal taffeta and organza fashioned by Mrs. Meredith Crawford. Styled with an A-line silhouette, the dress featured a V-neckline edged with a narrow self ruffle, long sleeves caught at the wrists and accented with lace. An overlay of lace reembroidered with seed pearls, enhanced the midriff waist. Appliques of lace flowers, embellished with seed pearls, adorned the skirt and chapel length train.

Her fingertip veil of illusion was edged with wide scalloped lace and held by a lace and pearl headpiece. She carried a bouquet of white and yellow carnations with white and yellow streamers.

Her gown was "something new" and she wore the traditional blue garter. For "something old and borrowed," she carried, in her bridal bouquet, the engagement and wedding rings of the bridegroom's mother.

Maid of honor was Miss Melody Criswell, sister of the bride. Bridesmaids were Brenda Loveless and Judy Criswell, sisters of the bride, and Sharon Trusty of Lubbock, sister-in-law of the groom.

They wore formal gowns of yellow with lace cuffs and midriffs. They wore white

hats with white and yellow daisies and carried bouquets of white carnations.

Candles were lit by Iwanna Miller of Roscoe and Lindsey Fields of Springlake.

Ronnie Trusty was his brother's best man. Groomsmen were Deryl Clark, Jerry Loveless and Bobby Shipley. Guests were seated by Mark McFadden and Mark Blessing.

A reception was held in fellowship hall. Bouquets of the bride and her attendants decorated the brides table which was laid in white. The three-tiered wedding cake was accented with touches of yellow. Wedding cake and punch were served by Diane Smith and Charla Shipley.

Laid with a white cloth, the groom's table featured a chocolate cake and coffee. Presiding were Kim Rose and Carolyn Smith.

For a wedding trip to Utah and Colorado, the bride chose a going-away pants suit of blue with white sweater.

The newlyweds are at home at Avenue I and 5th Street.

The bride is a 1975 graduate of Olton High School.

Trusty graduated from Olton High School in 1974. He is employed by The Feedbarn.

Out of town guests were Mrs. J.L. Bridgeman, Mrs. Charlie Harris, Mrs. Eddie Taylor, Paul Van Huben and Cosette Holland, all of Lubbock; Mr. and Mrs. David Miller of Roscoe; Mr. and Mrs. Mike Donald of Norfolk, Va.; Mr. and Mrs. Elvin Lyon and Carol of Lockney; Mr. and Mrs. Dale Self of Levelland; Mr. and Mrs. Lonnie Miller of Branson, Colo.; Mrs. Vernon Bleeker of Muleshoe and Lindsey Fields of Springlake.

Football Contest

ENTER EVERY WEEK

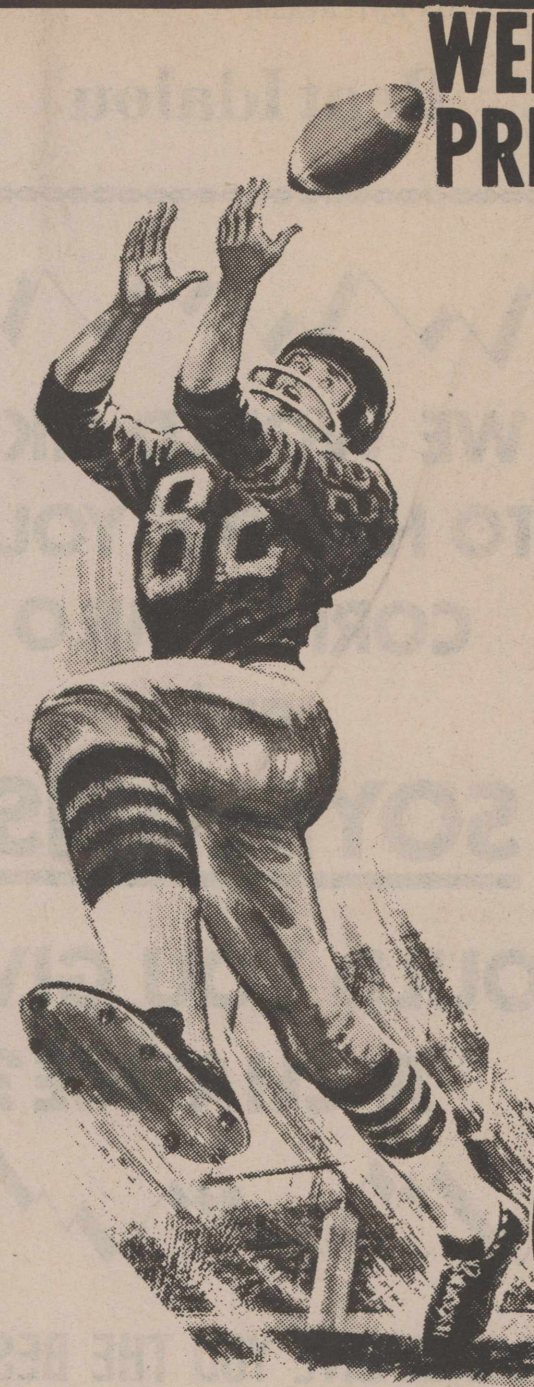

Each week's entry must be turned in to one of the merchants sponsoring the contest. Contestants are given a week to prepare and turn in their entries. Deadline is 4 p.m. Fridays.

Sponsoring merchants may accept mailed entries. All late entries will be discarded.

In case of ties prizes will be divided equally.

The weekly prizes will be given to the persons picking the most number of games for that week. The tie-breaker will count as one of the games picked, and the predicted scores will be used to determine the top three places in that week's contest, if necessary.

Only one entry per person is allowed.

Ponies Calm The Winds

In last year's clash with the Floydada Whirlwinds, the Olton Mustangs won the battle on the ground but the Whirlwinds won the battle in the air and on the scoreboard. This year, it went the other way as the Mustangs won all three battles and soundly defeated the Whirlwinds, 32-7 last Friday night.

It was an awesome performance by the Mustangs as they racked up 332 total yards (214 rushing and 118 passing) compared to Floydada's 128 yards. Olton also won the first down contest, getting 19 to Floydada's 12.

Olton won the toss and Davis Johnson took Mickey Minnett's kick at the 10 and raced up to the 21 before being brought down. The Mustang's immediately Showed Floydada what they intended to do, as Glenn Johnson carried the ball the first seven plays of the game, picking up 27 yards and two first downs. But on the eighth play, Floydada's Elton Ratliff picked up QB Jimmy Parker's pass intended for Michael Franks, and returned it to Olton's 34 yard line.

The Mustang's fired-up

defense quickly got the ball back as they stopped the Whirlwind's first two running plays for no gain and broke up their first two passing plays, so Olton got the ball back right where they lost it.

There was not much action in the first quarter as neither team could really establish themselves, until Olton started to drive with two minutes left in the quarter. They made it to the Whirlwinds 16 before losing the ball on a fumble.

Halfway through the second quarter, the Mustangs started another drive, this one originating from their own 28 yard line.

This drive started with Parker rambling to the 36. Johnson plunged to the 39 to give the Mustangs a first down. Then Parker, who completed 4 passes in 13 attempts, hit Leslie Gary on a pass play down to Floydada's 41 yard line. Next, came five straight Johnson runs. Johnson, following picture perfect blocking from his line, picked up 30 yards on those five carries, and Olton had the ball on the Whirlwinds 11.

Olton fans started yelling, "Go! Go! Go! And go, Johnson did, as he went the remaining 11 yards to put Olton on the scoreboard. Parker then ran over for the two point conversion, and with 4:32 left in the half, the Mustangs were out in front 8-0.

The score still stood 8-0 as the fourth quarter began and it looked like one break either way would swing the momentum. It was at this point that Ray Rodriguez pulled off one of the most memorable plays in Olton Football's history. Facing a third and nine situation, Floydada's Jay Womack attempted a screen pass that Ray deflected and caught. He then took off for the goal line and when he lateraled to Leslie Gary who was finally brought down at the Whirlwind's 24 yard line.

Six plays later, Johnson plunged over from the three. Parker again ran for the two point conversion and with 10:27 left in the game, Olton had a 16-0 lead.

On the Whirlwind's ensuing drive, a pass intended for Donzelle Minner was intercepted by Mark Stroebel, who returned it to

Floydada's 16 yard line, setting up another score. This one came as a result of Johnson's four yard run. Parker found Franks for the PAT and the score was now 24-0.

Five minutes later, Steve Johnson intercepted a Womack pass and almost scored but was tackled at the three. Gary then went the remaining distance and Robert Offield added the PAT to close out the Mustang's scoring at 32 points.

Trying desperately to avoid a shutout, the Whirlwinds finally scored with 15 seconds left on a pass from Womack to Greg Goen. Mickey Minnett kicked the PAT and the final score was 32-7.

Student Council Officers Named

Student Council of Olton Junior High officers have been elected to serve the school year.

President is Cindy Polanco; vice-president, Gregg Griffin; secretary-treasurer, Kelly McNeley and reporter, Jana Mandrell.

District Record

Through the first four weeks of the 1975 football season, District 3-AA has compiled a total of 12 wins against 6 defeats with a single tie. Littlefield is the only unbeaten team in the district with a 4-0 record. Following Littlefield is Olton 3-1, Morton at 2-1-1, Dimmitt with a 2-2 record and Friona at 1-2 after being idle the second week.

FARM FACTS

Compiled By The National Cotton Council

A Turning Point
The first billion-bushel wheat crop was produced in the United States in 1915.

The Big Four
Top markets for U.S. farm exports during the past four years have been Japan, the Netherlands, West Germany, and Canada.

The Greenhouse State
Ohio produces more greenhouse vegetables than any other state in the nation.

Who's Little Acre?
Farm real estate values now range from \$69 an acre in New Mexico to \$1,737 in Connecticut. National average is \$354, up 80% from 1970.

A Century Of Ag Research
This year marks the first century of research by state-supported agricultural experiment stations. The nation's first station was established in Connecticut in 1875.

Many Happy Returns
It has been estimated that insect-resistant varieties of crop plants return between \$300 and \$600 for every \$1 invested in research for their development.

A Natural Recruit
Cotton supplied about 83% of the nation's military needs for textiles during World War II.

Continuing Progress
Most of the commercial wheat varieties planted by U.S. farmers today have been developed in the past ten years.

Biological Controls Increase
Biological controls are now being used against more than 100 insects and weeds in U.S. food and fiber crops, but chemicals remain man's major weapon against these pests.

Giant Step Forward
American agriculture has advanced more in the past 50 years than in all the prior years of U.S. history.

SUE'S VIEWS

Continued from page 1

have floundered had it not been for courageous (or perhaps foolhardy) editors who risked everything to promote independence.

During 1775, the first daily newspaper began publication in Philadelphia. Known as the "Pennsylvania Evening Post," it was published by Benjamin Towne. It continued its daily schedule until 1784.

By 1775, there were 37 newspapers in the English colonies. According to one survey, the political division was 23 patriot, 7 loyalist and 7 neutral. The average weekly circulation of all papers in 1775 was 3,500.

Newspapers still play an important role in "helping get things done".

An editorial in today's issue about the proposed Senate bill 410 concerning workers age 65 and over is an example of how newspapers are used to bring attention to legislature that can change circumstances in our every day living.

Granted, some of the "better known" large daily papers kinda "color" things to look a certain way to the public, but most of the news media try to "tell it like it is."

We hope you will take time to read the ads this week since some "midnight oil" was burned getting this issue together and we'd like to think that SOMEBODY OUT THERE READS IT.

And I'd like to invite all of you to come in Friday Oct. 10 during the afternoon and we'll show you how a paper is put together.

of Mrs. Virgle Gray.

She is survived by her husband Jack, two daughters, her mother, one brother, three sisters and two grandchildren.

Mmes. L.G. Elkins, Jacky Miller, Wilma Palmer and Sarah Miller attended the services.

MRS. CORTIS COLEMAN

Mrs. Cortis Coleman, 49, died Sunday in Plainview. She was a daughter-in-law of Floyd Coleman.

Services were at 2 p.m. Tuesday in Lemons Funeral Chapel with the Rev. Richard Grisham, pastor of the Date Street Baptist Church of Plainview officiating. Burial was in Plainview Cemetery.

Mrs. Coleman was born in Crowell and moved to Plainview in 1930.

She is survived by her husband, three daughters, a step daughter, a stepson, four brothers, two sisters and five grandchildren.

MR. ED HESTON

Ed Heston of Prairie Grove, Ark. died Sept. 18 following an illness of six weeks. Funeral services were Saturday, Sept. 20, in the Church of Christ at Prairie Grove.

Heston was a former merchant of Olton where he lived a number of years. He was an elder of Main Street Church of Christ. He was a former resident of the Springlake area.

He is survived by his wife, two sons and two daughters.

HUNTERS' TROPHIES — These two antelope heads are proudly shown by the men who killed them, Billy Davis and Ershel Johnson. Killed near Santa Rosa, N.M., during a three day special hunt permitted by the State, they field

dressed out about 100 lbs. Antelopes are reported to have eyesight equal to an 8-power scope, the hunters related. They are very swift, capable of speeds up to 65 miles per hour.

MRS. JIM SMITH

Cook Of The Week

A luscious dessert, a tasty meatloaf and a snack food that "calls for more" are the recipes shared this week by our Cook of the Week, Mrs. Jim Smith. Debbie warns that the hot chili nuts are for persons who like spicy or hot foods. Her recipe for All's Well

That Ends Well is delicious despite the calorie count. Joining the faculty of Hart schools at midyear last year, Debbie teaches remedial reading and finds it very rewarding. She enjoys being a school teacher. Debbie grew up in Levelland and was a student at South Plains College when she met Jim. She received her degree in elementary education from West Texas State University. While she was commuting to college, Debbie worked part time at Plains Corn where Jim is employed. They have lived in Olton three years; the past two years in a farm house near Jim's home as a boy. Debbie loves swimming and water skiing. Horses are a special interest. She also likes to sew. She is a Presbyterian.

HOT CHILI NUTS
1 lb shelled raw peanuts
4 T peanut oil
3 t chili powder
¼ t paprika
1 t salt
½ t cayenne pepper
Brown peanuts in hot peanut oil. Combine chili powder, paprika, salt and cayenne. Sprinkle over hot peanuts and stir until well coated. Drain on paper towel. These are very hot!

ALL'S WELL THAT ENDS WELL
1 loaf angel food cake
1 3 oz pkg strawberry Jello
1 c boiling water
1 10 oz pkg frozen strawberries
1 c heavy cream, whipped
2 c Kraft miniature marshmallows
Remove crust from cake. Cut cake into 10 slices. Cut slices into 2 in. squares. Dissolve Jello in boiling water, stir in strawberries. Chill until slightly thickened. Fold in whipped cream, marshmallows and cake squares. Pour into spring, chill until firm. (You may use a tube pan with removable bottom.) 8-10 servings

MOUTH WATERING MEATLOAF
2 slices of bread
½ med onion
½ c green pepper
½ c celery
2 eggs
½ c milk
salt, pepper and worchestershire sauce to taste
Mix bread, onion, green pepper, celery, meat and eggs and work milk with mixture. After well mixed add salt, pepper and several dashes Worchestershire sauce. Garnish with potato and catsup. Bake at 300 degrees for two hours.

CORNER CATCHER

The only center pivot in the world that hits the corners.

In a typical quarter section where a regular center pivot is irrigating 132 acres, you can now do about 150 acres. But the new Valley Corner System isn't limited to squares. Irrigate both ends of a rectangle. Irrigate odd shaped pieces of land too. It's the answer to getting valuable productive land that's been wasted, back under center pivot irrigation. For flood irrigators, it's also the answer to automatic water and labor saving center pivot, without wasting valuable acres. No monitoring, no labor problems, no night work. But you have all the advantages of precise irrigation and fertilizer application through the system, that produces higher yields than ever before. It's a simple concept, precise in operation and engineered with quality of all Valley-built Center Pivots. **VALLEY**

Curtsinger Moves 3 Points In Front Of Guessers

Every contestant in the Enterprise football contest was assured of two misses last week thanks to the Baylor-Michigan and Boys Ranch-Vega tie games. Most contestants missed an additional two or more games but Martin Hernandez claims top money for the week with just one additional incorrect pick.

one who doesn't enter. Anyone may also be a winner for the week. (Only narrowly eliminated from the money winners, this was the first week of competition for Mrs. Nelson.)

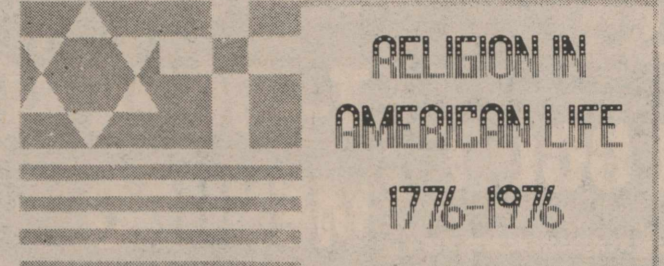

blank with your name and address.

Deposit entry blanks with any of the sponsoring merchants and while you're there, thank him or her for helping make the contest possible. And while you're there, trade with the only merchants who really care about Olton and about you, her residents.

It costs nothing to enter. Select a winner in each of the games listed in the ads of the 15 sponsoring merchants listed on the contest page of the Enterprise. Circle the number of the teams you think will be winners on the entry blank found on that page. Predict the tie-breaker score and fill in the entry

Five contestants missed four games each with out-of-town Mustang boosters claiming second and third place monies. Joel Nelson of Bovina was 13 points off the tie-breaker with a 20-6 prediction to take second place. Jim Curtsinger of Lubbock predicted the score at 24-14 to miss by 15 points and win third. Others missing four games were Myrle Nelson, 17, 20-12; Scott Parker, 19, 24-18 and Bobby Williams, 20, 12-7.

SHOULD AMERICA POSTPONE ITS BICENTENNIAL?

Some Americans have mixed feelings about the celebrations planned for our nation's 200th birthday. They find it hard to get into a festive mood when the memories of Watergate and Vietnam are still fresh in their minds. Some critics of Bicentennial observances have gone so far as to suggest plans for these events be put on the shelf until America can heal the wounds it has inflicted on itself and others.

ity of America's Bicentennial celebration? Religion in American Life thinks it can. The idea for the message comes from representatives of RIAL's 43 cooperating national groups (Catholic, Jewish, Orthodox, Protestant). It has been put into print and broadcasting forms by its volunteer agency, Compton Advertising, Inc. As one of The Advertising Council's annual campaigns, RIAL receives as much as \$27 million worth of space and time contributed by the media to carry the message as a public service.

Contentants should give up their quest for the season's grand prize of \$50 because leaders may hit guessing slumps and others may get lucky streaks. Standings are subject to change each week and the only contestant who can't win is that

One national religious communications organization has a different approach. For its annual advertising program beginning in the fall of 1975, Religion in American Life is recommending as its theme for all the media that we "Welcome God to America's Bicentennial..." that each of us "Practice what you pray." By urging Americans to return now to the high moral principles on which our nation was founded, it is suggested that we "Keep it growing for 200 more years."

If you would like to see this message used more widely in your community, write for the Bicentennial mass media kit which contains the materials you need to interest local broadcasters, publishers, and transit advertising companies. Send \$3.00 to Religion in American Life, 475 Fifth Avenue, New York, N.Y. 10017. It may be one of the most effective ways you've found to participate in the Bicentennial and to "Practice what you pray."

bicentennial briefs

Farming was so much a part of the Early American life style that Congress was slow in setting up a standing committee on agriculture.

Commerce and manufacturing were already being served by Congressional committees before the need for one on agriculture was recognized.

One senator from Maine, in fact, questioned whether any issues would arise in agriculture which would call for study by a Congressional committee.

In 1820, the U.S. House of Representatives established a standing committee on agriculture and the Senate followed suit five years later.

A bill establishing a Department of Agriculture was signed by President Abraham Lincoln in 1862 and Isaac Newton was named commissioner of agriculture. Twenty-seven years later, Congress elevated the Department to Cabinet status in recognition of agriculture's importance to the nation's economy.

Can such a message have a positive effect on the qual-

Let's keep it growing for 200 more years.

Welcome God to America's bicentennial... practice what you pray.

EPA RATING

That's with the standard 1.4-litre engine and 4-speed manual transmission. The mileage you get, of course, will be strongly influenced by how and where you drive.

- Chevette is international in design and heritage, incorporating engineering concepts proved around the world.
- Its wheelbase is about the same as a VW Rabbit's.
- It has more front-seat head room than a Datsun B-210, more front-seat leg room than a Toyota Corolla.
- Its turning circle is one of the shortest in the world.

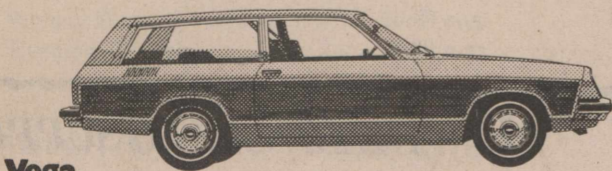

- It can carry cargo up to four feet wide.
- It is well insulated against noise.
- It is protected by 17 anti-corrosion methods.
- It is basically a metric car.
- It comes with a clear, simple self-service booklet.
- It has a standard 1.4-litre engine. A 1.6-litre engine is available (except Scooter).

Other Chevrolet values for 1976.

Vega

Built to take it. Vega for 1976: An extensive anti-corrosion program. New hydraulic valve lifters, for quieter engine

performance. A new torque-arm rear suspension. And Vega offers a tough Dura-Built 140-cu.-in. 4-cyl. engine guarantee.

Impala

One of America's most popular full-size cars. That's the result of giving America good value for the dollar. This year, the Impala series

includes the new value of the thrifty Impala S—Chevrolet's lowest priced full-size car.

Nova/Concours

America's favorite compact car. Our basic compact, '76 Nova, makes even more sense than the 3 million Novas that preceded it. And

Concours, the brand-new model featured here, is our highly practical approach to compact luxury.

Chevelle

Enough car for practically anything. It offers room for six at a sensible price. This year, more than ever, its deft blending of mid-size

economies, plus room for the average family, makes Chevelle a size whose time has come.

There's much more to see at your Chevy dealer's. Caprice, Monza, Monte Carlo, Camaro, Corvette, Chevrolet wagons—something for everyone in 1976.

ARTS.....

Continued from page 1

In addition to the talent displays of local folks, arts and crafts entries have been received from a number of persons from Plainview, Edmonson, Lubbock, Hereford, Littlefield and other surrounding towns. At least one out of town business has arranged an exhibit.

Two divisions, youth and adult, will be judged in art competition. Ted Bell of Floydada, well known artist, is judge. All media is included.

Olton State Bank is giving a \$125 purchase prize for the work judged best of the show. A purchase prize of \$100 is being made by the Feed Barn.

Prizes of money or merchandise have been pledged by Sherman Insurance Agency, Consumers, Olton Arts and Crafts, Olton Art Guild, The Art Corral and Olton Coop Gin.

Entry fee is \$3 for two paintings with \$1 for each additional painting. Miniatures have an entry fee of 25 cents. There is no entry fee for youth artists.

No limit is placed on the number of paintings which may be entered.

Paintings will be accepted by Olton Arts and Crafts on Main Street Thursday, Oct. 9 from 10 a.m. until 5 p.m. They will be accepted from 8 to 11 a.m. Friday in the ag building.

Booths will be set up in the building for arts and crafts exhibits. Deadline for registering a booth was today Sunday, Oct. 5. Fee for booths is \$7 for the two-day Show and Sell. A table and chair will be provided for each although exhibitors must furnish displays.

Arrangements have been made for persons who would

like to display crafts which are not for sell. Those interested in this may contact those women named previously.

Dress Planned By Girl Scouts

Loyal young patriots, members of Girl Scout Troop 335 have plans to make Bicentennial costumes for themselves. The troop's leader, Carol Scribner, states that the girls are excited about their new project which will be applied toward Dressmaker Badge.

Pattern for the dress of the historic era has been purchased by the girls. Selection of material is slated for Monday afternoon. The Calico Patch, yardage center, has offered the girls a significant discount on the material as a donation to their organization.

Members of the Troop are Deborah and Melba Lockett, Patsy Brown and Thelma Wade. Other girls interested in the program would be welcome to attend the Monday meeting.

AMERICA'S HERITAGE

HIGHLIGHTS OF AMERICAN HISTORY

WASHINGTON AT VALLEY FORGE

While Washington and his men starved and froze in the winter of 1777-78 at Valley Forge, the British lived in comfort at Philadelphia, 20 miles away.

Valley Forge was originally chosen for strategic reasons, essentially as an army training center, and General Washington's plans during that winter were well-drawn. But negligence and mismanagement on the part of others, particularly in the commissary department and in the transport service, almost destroyed the Continental army during the encampment.

The abnormally cold and long winter exhausted Washington's army to a handful of poorly equipped, sick, hungry men. But 10 days after leaving Valley Forge, the revived Continental

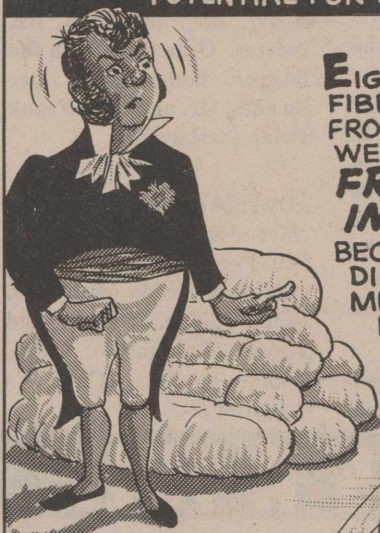

force met the British army withdrawing from Philadelphia and fought them on equal terms in Monmouth, N.J.

Morale and proper discipline were the primary factors that led to the impressive showing on the battlefield. The battle was the chance for revenge the Continentals had been waiting for while camped in the frozen fields of Valley Forge.

F.C. Yohn's painting entitled "Washington at Valley Forge" depicts a deeply concerned General Washington saluting some haggard-looking soldiers pulling and pushing a wood-laden wagon through deep mud and snow. This piece of art is part of a historical paintings collection owned by The Continental Insurance Companies.

London And Countryside Interest Mrs. H. Worley

Mrs. Homer Worley recently visited her daughter and family, Mr. and Mrs. Preston Mason, Deanne and Curtis Jay who are residing in the Hampstead area of London.

Mrs. Worley saw many interesting places during some four weeks there. She toured the National Maritime Museum which has instruments viewing the planets since the seventeenth century.

In Kenwood House she saw furniture and art collections dating back to the 1600's.

At Fenton House she saw many porcelain figurines. Among musical instruments collected there is a harpsichord which was played by Handel. In Fenton House Museum there is a clock three hundred years old which is keeping perfect time.

Mrs. Worley and her relatives traveled some three hundred miles north of London to the Lake District near Appleby. On this tour they saw Oxford University. They found the Lake Country strikingly beautiful with its fields separated by stone fences and hedge rows. In the meadows there were sheep and dairy cattle but few beef cattle. They viewed Lowther Castle which is only a hull and toured Lowther Wildlife Park.

They were in London Tower with its portions built in 1066 by stoves brought from Normandy. Near the tower is a wall erected by the Romans.

Mrs. Worley and Mrs. Mason were in Westminster Abbey which honors England's famed dead throughout several centuries. They saw the larger St. Paul's Cathedral where are honored those who became famous within the last one hundred years.

They saw the crown jewels, the coronation room, and the coronation chair which according to legend has underneath its seat the stove which the Biblical character Jacob was using as a pillow when he received a vision.

They did not go in Buckingham Palace but by chance saw the inspection of

the Queen's Life Guard, a ceremony which occurs at 4 p.m. daily.

On an inlet of the Thames River they saw the noted Cutty Sark, an old clipper which was used in imparting tea from China. Other points of interest were the Parliament Houses and Trafalgar Square with the statue of Admiral Lord Nelson.

The most beautiful view was that of the Royal Botanic Gardens which has 45,000 species of plants, with

special houses for palms, ferns, cactus and tropical plants as well as many others. Of outstanding beauty is the large peace rose which is cream in color with a touch of pink.

Mrs. Worley describes England as a country which has flowers in every possible place.

FROM DECATUR

Mrs. Dick Moss of Decatur came Monday to stay a few days with her parents, Mr. and Mrs. L.B. Kennedy.

LEAVES HOSPITAL

Orville Drake of Springlake was dismissed last week from Lubbock Methodist Hospital where he had a series of tests.

GRANDCHILD VISITS

Shauna Beth Cason, daughter of Mr. and Mrs. Wayne Cason, stayed last week with her grandmother, Mrs. Mary Lou Taylor.

Bud Andrew To Display Wood Crafts In Festival

Bud Andrew will display wood-crafted lamps, candle holders and bowls in the Running Water Draw Arts and Crafts Festival Oct. 17-19 in the Hale County Agricultural Center in Plainview. Some 110 artists and craftsmen are slated to exhibit their work at the Bicentennial festival weekend.

Admission to the festival will be \$1 for adults; 50 cents for children for one-day visits. Three-day passes are \$2.50 for adults; \$1 for children. Festival grounds will be open from 9 a.m. to 11 p.m. daily. Inquiries concerning the festival should be made to Dr. C. Gwin Morris, Box 20, Wayland Baptist College, Plainview, Tex. 79072.

The Festival, an approved

Bicentennial Committee event, is co-sponsored by Plainview Rotary Club and Llano Estacado Museum.

A variety of arts and crafts are expected including oil paintings, bronze and metal sculpture, hand-carved birds, wooden toys, macrame, wood-crafted oval frames, shadow boxes, dried flower plaques and trunks. Also planned are demonstrations of various crafts, square dancing club demonstrations and concessions.

ATTENDS RITES

Mrs. L.G. Elkins attended funeral services for Ernest Minyard, 63, Monday afternoon at the Sudan First United Methodist Church.

TO LOUISIANA

Mr. and Mrs. V.L. Dunham came back Friday from a two weeks vacation. They were in Houma, La. with their son R.S. Dunham. At Dallas Mr. and Mrs. Dunham visited his brother-in-law and sister, Mr. and Mrs. W.A. Ford and they were guests of a son and his wife, Mr. and Mrs. M.E. Dunham of Monahans.

LUNCHEON GUESTS

Mrs. A.D. Adams had as guests at the noon meal Tuesday her daughter, Mrs. Neil Wells of Tulia, and Mrs. Adams' sister and niece, Mrs. Floyd Gray and Mrs. Doris Watt.

RECENT VISITS

Mr. and Mrs. Raymon Carson recently stayed several days at Glenwood Springs, Colo. From there they went to Marble, Redstone, Basalt, Leadville and other towns of that section of Colo. They fished at Meadow Lake and Rueda Reservoir. As they were coming home they stayed Saturday and Sunday with their son and family, Mr. and Mrs. James Carson, Christie, Angela and Jamie of Hugoton, Kan. Mr. and Mrs. Carson visited until Thursday with their son and family, Mr. and Mrs. John Carson, Clay and Ray of Lewis Kan.

TO ABILENE

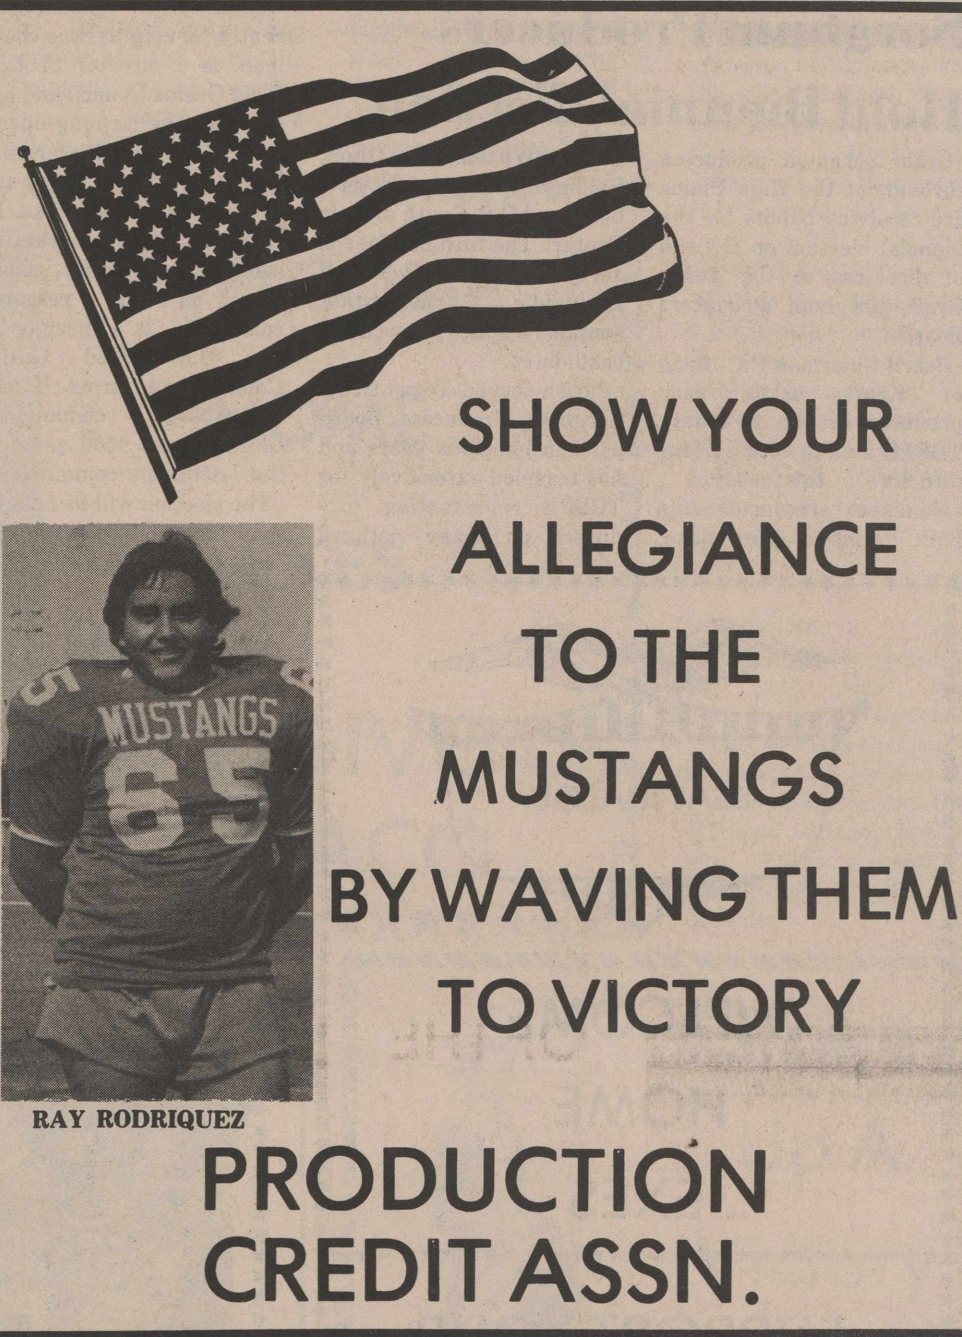

Mrs. A.W. Kersh and Mrs. Ray Gabehart attended the meeting of the Texas State Home Demonstration Association Tuesday, Wednesday and Thursday of last week.

FROM AMARILLO

Staying during the weekend with Mr. and Mrs. J.B. James were their son-in-law and daughter, Mr. and Mrs. Paul Bell of Amarillo.

TO LOVINGTON

Mr. and Mrs. James Brooks spent the weekend with their daughter and family, Mrs. Laurel White, Courtney and Regan of Lovington, N.M.

**Sorghum Producers
Hold Biennial Election**

Grain Sorghum producers throughout the High Plains are receiving ballots for the biennial election on Oct. 16 of directors to the Texas Grain Sorghum Producers Board.

Board Chairman C.C. Reed of Kress urges each producer in the 29-county TGSPB area to vote for four directors in this election. Nominees are incumbents K.B. Parish of Springlake,

Larry Witten of Olton, Ralph B. Mabry of Petersburg, and C.P. Smith of Hale Center. The fifth nominee is Jerry Don Glover of Lazbuddie. The ballot contains a space for write-in candidates.

Parish served Texas Grain Sorghum Producers Board as chairman four years and has traveled extensively for TGSPB representing producers on many national

committees. Witten, currently serving as vice-chairman, is a director of U.S. Feed Grains Council and has an extensive farming operation in Olton. Smith farms in the Hale Center area and has served the Board as the chairman of the marketing committee. Mabry, chairman on the research committee, is a director of the U.S. Feed Grains Council and farms in the Petersburg community. Glover farms 1500 acres in the Lazbuddie community.

The election will be held by mail ballot. Ballots will be

sent to all eligible voters not later than Oct. 1 and must be mailed to the TGSPB office, 1708-A 15th Street, Lubbock, Tex. 79401, before midnight Oct. 16.

Any qualified voter who does not receive a ballot by Oct. 2 may obtain one at his local county agent's office.

RECENT VISIT

Mr. and Mrs. Marlin Edwards were in Golden City, Mo. recently with her sister and family, Mr. and Mrs. Loren Young, Anissa, Antrice, Lacy and Theron.

Globe-News Area

Olton's Ray Rodriguez Is Player Of The Week

Olton Mustangs' Ray Rodriguez was cited this week as Amarillo Globe-News area Class AA Player of the Week. Tuesday's issue of the Amarillo Daily News carries the report by Garey Von Netzer, Globe-News Sports Editor.

"Friday night likely always will remain special for Olton defensive tackle Ray Rodriguez," the Panhandle newsman writes.

"That night, he took advantage of an opportunity seldom offered linemen, and as a result, he grabbed the spotlight as the host Mustangs defeated Floyd-

quez produced his crucial series of defensive heroics late in the third period."

The story continues with Von Netzer's description of Rodriguez' thrilling pass interception in the closing seconds of the third quarter when the Mustangs were leading 8-0.

ATTEND RITES

Mr. and Mrs. D.C. Eby attended funeral services

Thursday afternoon for Virgil Jones, 87, in First United Methodist of Hale Center.

Cotton exports were made from the American colonies as early as 1747, according to some historians.

One of the oldest records is a bill of lading dated July 20, 1751, certifying that one Henry Hansen shipped 18 bales of cotton to London from New York harbor.

But in 1784, eight bags of cotton shipped to England from the United States were seized on the grounds of fraudulent import since it was not believed so much cotton could be produced in America.

In the decade following Eli Whitney's invention of the cotton gin in 1793, U.S. farmers increased cotton production from 2 million pounds to almost 50 million.

By 1860, America's cotton crop reached almost a billion pounds and exports of the fluffy white fiber financed 60% of total U.S. expenditures for imports of manufactured goods, sugar, coffee, railroad iron, and other products.

Within 12 months after the Civil War, cotton exports reached the unprecedented value of over \$200 million. And by 1880, cotton production had exceeded its pre-war high by a billion pounds!

Corn From Cotton

In the early 1830's, cotton growers in Mississippi increased corn yields by burying cottonseed near the roots.

Farm Tractors Emerge

European settlers in colonial America used oxen to draw wooden plows, and it wasn't until 1950 that tractors outnumbered horses on U.S. farms.

Historical Marker Gets Beautification

The city's Historical Marker has been dignified in recent weeks by action groups supporting the Bicentennial Celebration.

Members of the Olton Garden Club have landscaped the historic corner in the center of the city by placing basic foundation plantings this fall. A trellis background is in the planning and hopefully the

triangle will be colorful next summer with blossoms against the greenery of the background.

This week a second accomplishment has been achieved. Through the efforts of the Chamber of

Commerce and Agriculture, a brand new flag pole has been installed to stand as a sentinel behind the mortar and brick reminder of the original location of Lamb County's court house.

To erect the flagpole, Eldon Franks searched the city for contributions for necessary funds. Basil Sherman, who recently installed a flagpole at Olton Recreation Center, headed a committee to assemble materials, and Green Thumb Men made the actual installation.

Citizens of Olton may well be proud of this cooperative endeavor to make the nation's 200th Birthday a flag waving event.

AMBER & BRYNEA DAVIDSON

Recipe Of The Week

Four-year-old Amber and Brynea, twin daughters of Mr. and Mrs. Chris Davidson, Lubbock, pause in a busy day to share their favorite recipe with Enterprise readers.

Although they have never lived in Olton, their mother, Paulette, is a former resident of this city, as are their grandparents, Mr. and Mrs. Paul McFadden, and their great-grandmother, Mrs. Anna Martens, all of Lubbock. Paternal grandparents, Mr. and Mrs. James J. Davidson, live in Fort Worth.

The young cooks list their hobbies as swinging, sliding and reading Dr. Seuss. They attended Vacation Bible School this summer at Rosen Heights Baptist Church, Fort Worth. They plan to enter kindergarten in Lubbock next year.

Their recipe of the week, although unusual, is made from readily available ingredients:

MUD PIES

- 2 c dirt (sifted)
 - 1 c fine granulated sand
 - 3 c water
 - 6 or 7 medium sized rocks
- Combine dirt, and 1/2 cup water. Stir until blended. (Mixture should be lumpy) Fold sand into dirt mixture slowly, add remaining water and stir until smooth, even texture is obtained.

Pour into pie pans, top with rocks and dry in sun 1 hour.

While waiting for mixture to dry, go into house and ask "Mom" for a Koogle sandwich.

IN DUMAS

Visiting from Friday evening until Sunday afternoon with Mr. and Mrs. Neal Wade of Dumas were her sister and niece, Mrs. Lester O. Kennedy and Lesley.

SATURDAY CALLERS

Saturday evening callers of Mr. and Mrs. V.J. Trusty were Mrs. J.L. Bridgeman, Mrs. Charlie Harris and Mrs. Eddie Taylor, all of Lubbock. They are the mother, grandmother and sister of the Trusty's daughter-in-law, Mrs. Ronnie Trusty of Lubbock.

TO MINNESOTA

Mr. and Mrs. Elmer F. Houston and her mother Mrs. Joe Aycock of White Wright recently returned from Cambridge, Minn. where they stayed some two weeks with Mrs. Aycock's granddaughter, Karen and Susan Usher. Mr. and Mrs. Houston and her mother visited Mr. and Mrs. Albert Scribner near Cassville, Mo., formerly of Olton. One evening the Houstons, Mrs. Aycock and Mrs. Scribner attend the show "The Ball Knobbers" at Brunson, Mo. It is similar to "The Grand Ole Opry".

TO LUBBOCK

Mr. and Mrs. Ray Gabehart were in Lubbock Saturday and Sunday with their son and family, Mr. and Mrs. Preston Leggett and Brett.
