Time To Change Sunday

Next Sunday, most Americans will get back that hour of sleep they lost in April when the nation went on daylight saving time.

Standard times resumes at 2 a.m. on October 30, meaning areas that have been on daylight time should set clocks back one hour.

Most families will set their clocks back before going to bed Saturday night.

The present system of starting daylight time on the last Sunday in April and returning to Standard time on the last Sunday of October was set by law in 1966 under the Uniform Time Act.

In January, 1932, the Haberer's began attending the First Baptist Church of Earth. Bonnie has attended every Sunday since, unless providentially hindered.

Her favorite gospel song is "Amazing Grace" and her favorite scripture passage is Matthew 5:9-13, since she led the Lord's Prayer while standing in the tomb of Jesus during a visit to the Holy Land. Mrs. Haberer has been privileged to see her sons, Russell and Ted, baptized in the First Baptist Church here.

Attending church Sunday with Mrs. Mrs. Haberer were, Adolph Dieter of Vancouver, Washington, Mrs. Roy Haberer, Plainview, Mrs. Gene Whitfill, Silverton, Mrs. Ted Haberer, Mrs. John O. Haberer and Mr. and Mrs. Roger Haberer.
