

Hammer Wielding Grandmother Terrifies Robbers

"I'll kill you! I'll kill you!" eighty-four year old Emmie Kidd of Rosalie screamed at the intruder who was trying to break down the front door of her home. The threat frightened the attackers, and the description Mrs. Kidd gave officers resulted in the arrest Tuesday, Jan. 22 of four juveniles and the solving of ten burglaries in the Bogata area.

A youth with a mask made out of T-shirt material had already knocked the chain lock off Mrs. Kidd's door when she reached the front room about 10 p.m. Monday night, so she grabbed a hammer which had been left lying near the door and started screaming and beating the door with the hammer. Officers said the attacker thought the gray haired grandmother was going to do him bodily harm with the hammer.

The hammer had been left by the front door after Mrs. Kidd had hammered a nail in the facing to hold the door closed earlier in the day, and

the pounding she was giving the door, plus the threat of death to her attacker, was all that was necessary to give the youth more problems than he needed. The attacker gave up the attempt to enter the house, and left with an accomplice who was hiding outside.

Officers located much of the merchandise taken during 10 burglaries in Bogata dating back to December, 1979, when they made the arrests, along with the T-shirt with holes cut for eyes and mouth like the one worn when Mrs. Kidd was almost robbed.

Cleared with the arrest of the four juveniles were five other burglaries in the area, including the Monday afternoon, Jan. 21 burglary of the Sarah Fleming home, Nell Grant's cabin, Jim's Corner Grocery, and two burglaries at the D.E. Bynum residence.

The Fleming burglary was discovered when Mrs. Fleming called her home and a juvenile answered, then identified himself as a

friend of her son. When Mrs. Fleming became suspicious and went home, she found 50 pounds of frozen meat missing, along with a radio and some canned food.

Taken from Jim's Corner Store were assorted cigarettes, and fishing equipment and boat tires were taken from the Bynum residence.

The juveniles told officers they had broken into the Precinct 1 Barn in Bogata, Kwik Korner, Kisner's Grocery, and a barn at the Buckman farm. A shotgun taken from Kwik Korner was recovered by officers.

The juveniles arrested Tuesday had not been linked to the eight burglaries which occurred in Bogata on Jan. 10 and 12.

Sheriff Storey said Tuesday that his department had been working on this series of burglaries for several months.

Other juveniles involved in the thefts and burglaries will be arrested in the next few days, according to Sheriff Storey. Juveniles in custody at this time are two 15 year old and two 16.

SHERIFF Bob Storey holds a shotgun taken in a burglary of Kwik Korner grocery in Bogata. Deputy Mark

Whitehouse, left, and Chief Deputy Doug Jackson are helping the sheriff inventory loot taken from the 10 burglaries. Four

juveniles were in custody Tuesday in connection with the 10 burglaries and one attempted robbery. (Staff Photo)

Rivercrest Teams To Meet Maud

The Rivercrest Rebels and Rebelettes will be battling the Maud Cardinals at Rivercrest Gym this Friday night, with the junior varsity boys game scheduled to begin at 5:30 p.m. The girls will play the second game, followed by the varsity boys.

"The Maud Cardinals are much better than the record indicates," Coach Wake Wood said Monday, "having been beaten by Detroit in a 50-40 game by five points. This indicates the caliber of the team they are. Maud was

one of the pre-season favorites starting district competition."

Queen City and Rivercrest will start off the second half of District 20-A competition in important games at home Tuesday night. The winner of this game will be in a good position to win the second half championship.

Queen City defeated Rivercrest by two points in an earlier meeting at Queen City. A large crowd is expected at Rivercrest because this will be one of the better home games of the season.

Red River Rental Assistance Available

If you have trouble paying your rent because you are elderly, disabled, or have a limited or low income, you may qualify for the rental assistance program in Red River County.

The Section 8 Housing Assistance Program has been operating successfully for over three years in Red River County, helping qualified renters afford safe, decent housing.

The rental payments are made directly to the landlord, while the tenant is responsible for paying the remainder of the rent. Eligible tenants pay no more than one-fourth of their monthly income for rent. Each tenant must find suitable housing and deal directly with the landlord. The housing must meet local housing codes to qualify for the program.

Landlords and tenants who would like more information may contact Section 8 representatives on the first and third Thursdays of each month from 9:00 a.m. until 1:00 p.m. at the CARS office, 313 South Locust, or call 427-5466, in Clarksville.

County Sheriff's Workload Increased

Titus County Sheriff's Officers traveled fewer miles to make almost twice as many arrests in 1979 as in 1978, according to figures prepared by the department. The comparison of activities and transactions of the department reveals almost four times the number of offenses cleared within the county.

Other figures reflect a steady increase of activity

for the department: civil papers served, 1978—577, 1979—624; calls received, 1978—1546, 1979—1910; on view arrest, 1978—460, 1979—667; arrests by warrants, 1978—281, 1979—695; offense reports, 1978—106, 1979—238; offenses investigated, 1978—108, 1979—238; offenses cleared, 1978—28, 1979—107; juvenile arrests, 1978—59, 1979—82; total arrests, 1978—800, 1979—1444; total number of people handled by

Titus County Jail, 1978—739, 1979—953; total mileage for year, 1978—198,491, 1979—177,304.

According to the report, offense reports were not recorded on this form until July, 1978, and the monthly report for each officer was not recorded until February, 1978. January, 1978, is not totaled in the 1978 report. John A. Moss is Titus County Sheriff.

Rebelettes Clinch Two More District Wins

By Mary Fortner

The Rebelettes clinched two more district wins to extend their district record to 6-0 by overtaking the Redwater Dragon fens and the James Bowie Pirate fens.

The game began as Rebelette Veronica Howerton tipped off. Rivercrest scored first and took an early lead ending the quarter 20-10 over the Dragons.

Veronica Howerton went to midcourt in each of the remaining quarters to jump for the Rebelettes. In the second quarter the scoring was about equal as Rivercrest sank for 15 points and the Dragons 13 points making the halftime score 35-23.

In the third quarter the Rebelettes extended their lead from a 12 point difference to a 28 point difference to close the period 61-33.

Robyn Reeder led the Rebelette offensive attack with 21 points followed by Janet Webb with 16, and

Scotti Wood with 12 points.

On defense Robyn Reeder came up with 11 rebounds and one steal, Donna Hines grabbed 11 rebounds, Judy Via had six rebounds and four steals, and Veronica Howerton had seven rebounds and one steal.

Diann Culpepper was high point for Redwater with 17 points followed by Debbie Jordan with eight.

Friday night the Rebelettes destroyed the James Bowie Pirates 83-26. Veronica Howerton tipped and the Rebelettes jumped to a quick lead. They held on for a 19-10 decision by the end of the first period of play.

In the second and third quarters Veronica Howerton gave possession to the Rebelettes. On defense the Rebelette's speed and full-court press held the Pirates to only one basket in each of the quarters, while on offense the Rebelettes ended the half 33-12 and the third quarter 59-14.

In the last quarter there

was a scramble on the tip off, and it looked as though the Pirates might take possession, but on a rejump Scotti Wood went up for Rivercrest.

High point for the Rebelettes was Veronica Howerton with 20 points. Close behind were Robyn Reeder with 19 points and Judy Via with 16.

Judy Via led the defensive attack with eight rebounds and five steals. Robyn Reeder had seven rebounds and five steals, Veronica Howerton grabbed six rebounds and two steals, and Donna Hines had six rebounds and one steal.

The Pirates were headed up by Christy Tidwell with 10 points and Carol Henderson with five points.

Red River General Hospital Accredited

Red River General Hospital has again been accredited by the Joint Commission on Accreditation of Hospitals (JCAH) according to Jonathan F. Godfrey, Executive Director of the hospital.

This accreditation extends from the period of November 1979 through November 1981 and is the highest rating given to an institution. The accreditation is the result of an on-site survey made by a team of field representatives of the Joint Commission's Hospital Accreditation Program. Accreditation indicates that this facility has chosen to operate according to standards set by JCAH and that the facility has, in the main, met these standards.

The standards, published as the Accreditation Manual for Hospitals, set forth op-

timal achievable goals of excellence against which a facility can measure itself and be measured by the Joint Commission's survey.

Red River General Hospital is one of approximately 4,800 general hospitals throughout the United States that have earned this recognition. There are approximately 7,150 hospitals in the U.S.

The Joint Commission's accreditation surveys are voluntary. It is not legally necessary for a hospital to be accredited, but health care facilities have sought accreditation because it represents a benchmark of quality that is higher than governmental licensure alone.

The chief aim of the Hospital Accreditation Program, one of four such programs under the JCAH umbrella, is to help hospitals in their pursuit of excellence

and thereby provide a higher quality of care to patients. The program also seeks to recognize, and to identify for the public, those facilities which meet its standards.

The Joint Commission began in 1918 under the auspices of the American College of Surgeons. It was incorporated in 1951 with the support of its present member organizations: the American College of Surgeons, the American College of Physicians, the

American Hospital Association, and the American Medical Association.

JCAH is a Chicago-based, non-governmental, not-for-profit organization. In addition to hospitals, it has programs for the accreditation of long term care facilities, psychiatric facilities, facilities for mentally retarded and other developmentally disabled persons, and ambulatory health care.

Rebels Still Contender

The Rivercrest Rebels started off slowly against the James Bowie Pirates, but caught fire in the second half and coasted to a 69-32 victory over James Bowie.

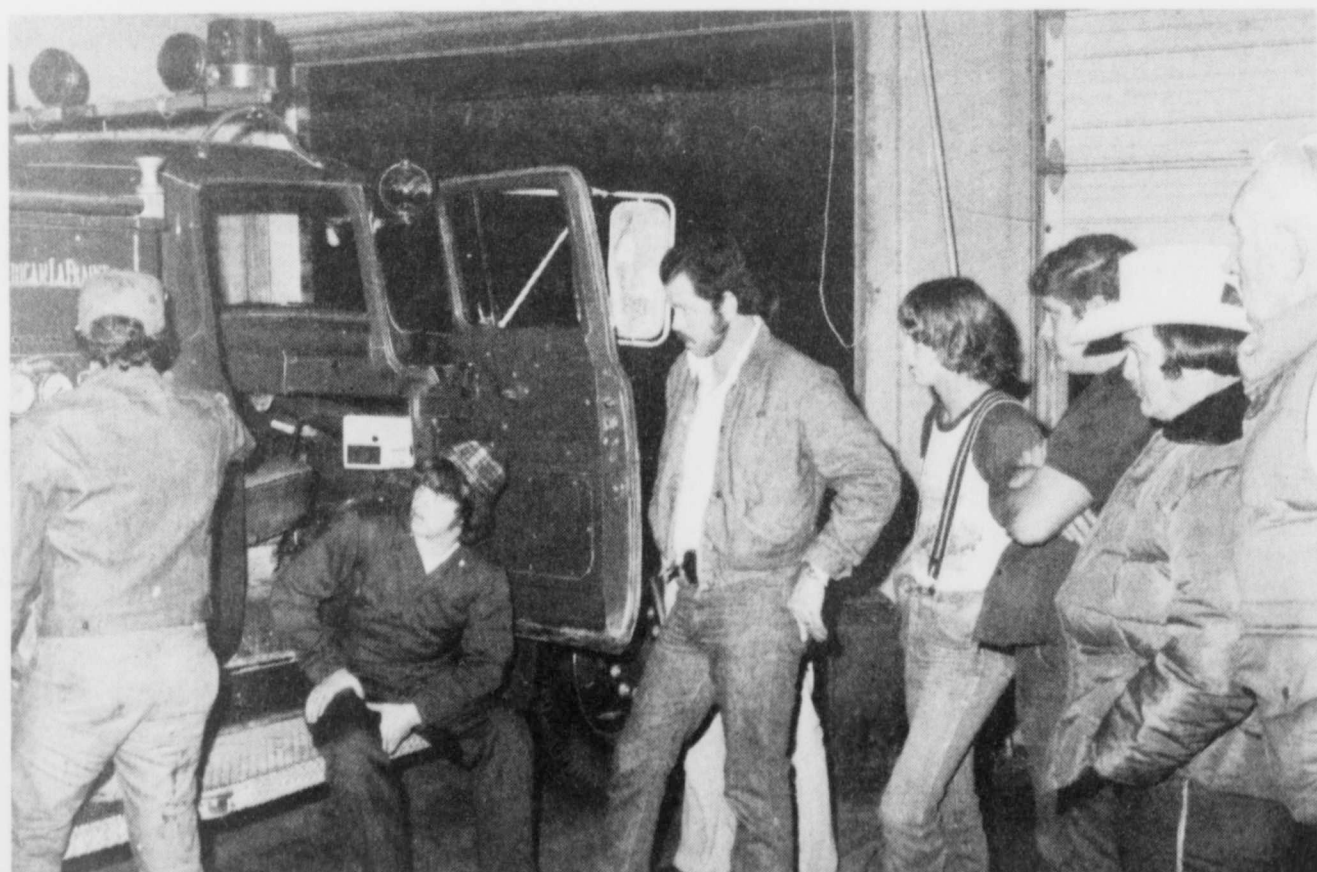

The Rebels were paced in scoring by Jimmy Via with 19 points, Greg Norman with 12 points and Billy Scales with 11 points.

The win by the Rebels kept them in the running for the first half of the District 20-A Championship.

Other Friday night contests put Ore City over Queen City 51-49; and Detroit over Redwater 68-40.

The Rebels were defeated Tuesday, Jan. 22 by the Ore City Rebels 57-43 in a game which was a disappointment to Coach Wake Wood. "We didn't play well," Wood said, "and when you don't play well against a good team, you are beaten."

Standings for the boys division of District 20-A are Ore City, 5-0; Detroit, 4-1; Queen City, 4-2; Rivercrest, 3-2; Redwater, 1-3; Maud, 1-4; and James Bowie, 0-5.

Your next County Attorney will have a free office, a free secretary, and a free law library. Yet I am the only candidate who has so far stated clearly to the public that if I am elected, I would take no private practice and participate in no other business while in office. Red River County deserves a truly full-time County Attorney if he spends any of the County's time working on private practice or other business.

At age 37, I have 14 years experience as an attorney. I was born and raised in Red River County, and I care about the future of Red River County and its government.

I believe in hard work, and if I am elected, I will be available and ready in the Courthouse to do the work that should be done.

East Texas Eating

"Conversation With A Good Bean Cook" When the subject of pinto beans comes up around Deport, Dorcas Read's (Mrs. Bob Read) name is invariably mentioned. "Dorcas Read cooks the best beans! Talk with her."

I did talk with Dorcas—over a cup of coffee at her dining table. "Dorcas, how do you cook your pinto beans?" "Marge, I hardly know how to cook beans unless I cook two pounds. You know, I cook them in that big old iron Dutch oven with a glass lid, so I cook up enough for us, some to take over to Farris and Ouida (Bob's brother and his wife who live across the street), and a bowl left over."

"How long do you cook them?" "A lot of time I start the beans at night, cook them for several hours, set them out on the back porch where it is cold. Then, I finish cooking them the next day. Lots of time I cook beans twelve hours—slowly. We like the soup good and thick."

"Do you soak the beans before you cook them?" "Nope. I put them on cold and cook them on top of the stove—very slowly."

"How much water do you use for the two pounds of beans?" "Well, I cover them with at least three inches of water."

"What else do you add?" "A couple of teaspoons of chili powder. And, a nice ham hock from Giffords. Sometimes, I use salt pork instead. But, we really like the ham hock."

"When do you add the ham hock?" "When I start the beans. Then about 2 or 2½ hours before the beans are done I peel two big onions and halve

On January 2 at 2:00 p.m. in the home of Mrs. Pauline Hutson, the Bogata Garden Club was privileged to hear John Parish speak about birds. Not only was his presentation informative, but his wit and style provided fun for each one present.

On January 16, at 2:00 p.m.

in the home of Mrs. W.C. Barnard, Roy Marris presented slides that he had made of a great variety of trees in bloom, fruit, foliage and dormant situations. Marris also gave valuable information about proper selection of trees for their varied plantings as: for shade, windbreak, fruit, screening, for solitary

planting or for group plantings at home and for public areas.

He also explained the fact; were it not for our trees the oxygen would be in short supply.

Marris' presentation was sponsored by the Bogata Garden Club to honor Arbor Day.

A United Methodist Is...

Someone who has
acknowledged Jesus Christ as
Lord and pledged allegiance
to his kingdom,
professed the Christian faith as
contained in the Old and
New Testaments,
promised to live a Christian life
and remain a faithful
member of the church,
pledged to be loyal to the
United Methodist Church
and support it with presence,
prayers, gifts and service.

Four simple vows.
But they can lead to a life of
service and of joy, sustained by
the courage and wisdom God
grants to those who seek to
live as disciples of Jesus Christ.

Merry-Go-Round Of Time Day Held

Rivercrest students donned costumes portraying styles of the past as part of a special dress-up day labeled "A Merry-Go-Round of Time." An assembly for the student body began with a skit narrated by FHA president, Mary Fortner. Humorous quotes introduced participants dressed as characters from cave man and woman up through the mini skirts of the sixties. Judging of costumes followed.

Awards for best costumes went to Staci Brooks, dressed as a Pilgrim and Kenny Dodd as a cave man. Runners-up went to Jeannie Edge, a flapper, and Terry Bull as "the Fonz." Best dressed teacher award went to Mrs. Ann Roberts dressed

as Snow White. Each received a box of candy. Jeannie Edge danced "the Charleston," followed by a pantomime to "Bogie Woogie Bugle Boy" presented by Sharon Embrey, Belva Ward and Mary Fortner as the Andrews Sisters.

Humorous awards were presented following the format of the Academy Awards. Winners received miniature loving cups. Presentations were done by FHA vice-president, Susie Hanes and members Brian Roberts and Terry Mauldin.

Mrs. Gieger Hosts Book Lovers

Mrs. James Gieger was hostess Friday, January 18 to the Book Lover's Club in her home when Alice Ruth Tidwell brought a most interesting program on Presidents' wives. She chose to give the life story of Mary Todd Lincoln, wife of President Abraham Lincoln. Miss Tidwell told how Mary Todd made up her mind when she was a very young girl, that one day she would marry a President of the United States. After her dream came true and she became the first lady, she was never happy in the White house.

Roll Call was answered by each member present giving highlights of some first lady which was very interesting. It was interesting that no one answering roll call chose the same first lady to talk about.

Following the program, Miss Tidwell entertained

with several games in which Mrs. J.H. Weatherall and Mrs. Ollie Jones won prizes.

Assisted by a visitor, Mrs. B.L. Gieger, the hostess served a refreshment plate to the following, Mrs. T.L. Barton, Mrs. Cleone Sullivan, Mrs. Ruby Cogburn, Mrs. Ollie Jones, Mrs. A.E. Foster, Mrs. Ivy Smith, Mrs. Hiwatha Rodgers, Mrs. J.H. Weatherall, Alice Ruth Tidwell and two visitors, Mrs. Lola Richardson of Paris and Mrs. B.L. Gieger of Talco.

At the end of 1978 there were 723 telephones in service with a gain of 55 for the year.

Jack O. Herrington
Candidate For County Attorney

I am Jack O. Herrington and I was born and raised in Red River County, son of Dixie Edwards Herrington and the late Tom Herrington. I returned to Red River County, with my wife Lue and two sons, John and Michael, in December 1974 to make our home and to engage in the practice of law. During this time I have worked actively in Red River County and Civic activities. I have served as President of the Chamber of Commerce, President of the Rotary Club, Chairman of the Red River County Historical Commission for 4 years, City Attorney for the City of Clarksville for 5 years, and City Attorney for the City of Detroit for 4 years, and I feel I am aware of many of the problems of our County.

If elected it is my promise to conduct the office of County Attorney to the best of my ability. It is my pledge to maintain office hours and to be available at any hour to any citizen of our County, no matter how small your complaint may be. The interests and welfare of each of our people is my foremost consideration.

It is my hope to meet and personally talk to as many of you as possible. I sincerely believe I can do a good job for you as County Attorney.
