Along The Waterfront

Fishing has suffered a bit the last few days because of a lack of fishermen who were using the time to oil up their guns and getting ready for the opening of goose hunting season.

However from reports received at the Sea Gun marina, those who did go were kept busy landing nice trout and reds.

Dr. Jerry Newton and party fishing with Capt. Al Hagy brought in 141 nice trout and a few reds. The Fr. Beck party of Victoria fishing with Capt. Jimmy Warrach landed 127 trout, reds, and sheephead.

The Sprinkle Irrigation Co. group fished with Capt. Herb Mills and Jimmy Greeson and brought in 280 trout and a nice mess of reds.

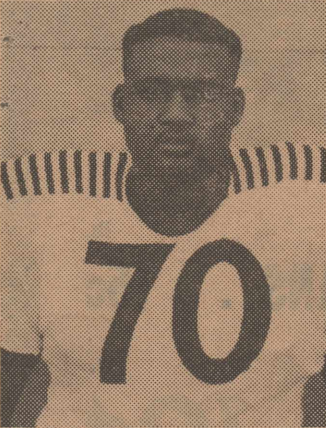

The Arthur Baird party of Victoria aboard Capt. Jim Karow's charter boat brought in 135 trout and several nice sized redfish.

Dr. Sweepston of Dallas brought in good catches of trout and reds during three days of bay fishing with Capt. Batsell.

Capt. F. M. (Brownie) Brown, master of the 65' Motor Vessel "Whooping Crane" reports that guests aboard the big boat are really sackin' 'em up."

The first two trips through the Aransas National Wildlife Refuge waterways have been most successful for the bird watchers. Last Sunday five of the "Whoopers" were seen.

Player of the Week

THOMAS LEWIS

Thomas Lewis, a senior player on the ACHS Pirate varsity team, was chosen player of the week last Friday night for his defensive performance against Calallen.

Lewis, the 6 feet 10 inch 320 pound giant, led the defensive attack for the Pirates all night long. He made tackle after tackle on and behind the line of scrimmage. He made several key tackles to prevent runs that would have gone for long yardage.

Lewis has been a letterman since his freshman year. Besides lettering in football, he has received three letters in basketball and three in track. Lewis is a member of the Letterman Association and the FTA.

Now in his fourth year of high school football, Lewis began playing football while he was in the seventh grade and participated in the sport for two years while in junior high school.

Lewis is the son of Mr. and Mrs. Oscar Lewis of Rockport.

FIVE FINED FOR ILLEGAL HUNTING

Judge John D. Wendell has imposed \$40 fines for illegal hunting on Jack C. Smith, Tommy Gary, Frank A. Tijerina, William J. Dobrowolski and Scott H. Bergher.

School District to Move Ahead on Building Program

Following the overwhelming success of the \$800,000 school bond election, Aransas County Independent School District will proceed as fast as possible with its building program to relieve overcrowded conditions.

The School Board on Monday canvassed the results of the Oct. 22 election and declared official the vote of 446 "For" and 41 "Against," better than 10 to 1 in favor.

Hunting Licenses For Those Under 17 and Over 65

Tom Moore, Regional Director of the Texas Parks and Wildlife Department, says his office receives many inquiries about hunting regulations for persons under 17 and over 65.

In addition to the requirement of paying \$3 for a migratory duck stamp, here are the regulations as prescribed by law:

Licenses
Resident: Price \$3.15. Required of every Texas citizen who hunts outside of his county of residence or who hunts deer or turkey, except: Persons under 17 or over 65 years of age or persons hunting on land on which they reside are not required to purchase this license, but must have an exempt license to hunt deer or turkey. The exempt license may be obtained for an issuance fee of 25c. "Citizen" includes any person except an alien, who has been a bona fide resident of Texas for more than six months immediately preceding application for license.

Non-Resident Hunting License: No exemption. Annual license for all game \$25. 5-day Migratory Bird license \$5. Migratory Waterfowl license (issued on reciprocal basis only) \$10. Shooting Resort hunting license (for licensed shooting resort hunting only) \$3.15.

New Scout Troop Being Organized

Good progress was made at the first organizational meeting of a third Boy Scout troop in this area.

The new troop is being sponsored by the Men's Club of First Methodist Church. Application blanks will be distributed to approximately 100 boys who are eligible.

Joe Petty, member of the U. S. Coast Guard at Port Aransas, will serve as scoutmaster. He previously was scoutmaster of Troop 57 at Port Isabel. Petty and his wife, Marilyn, a Cub Scout den mother, have lived in Fulton one year.

An assistant scoutmaster also will be named and a committee selected. The next meeting will be at 7 p.m., Wednesday, Nov. 2 at the Methodist Fellowship Hall. This will be for fathers and sons.

Any boy between the ages of 11 and 14, or any adult who would like to learn more about the new troop, is invited to attend. For further information, contact Rev. Ben Bohmfalk.

Open House at CPL

Open House will be held at the Central Power and Light Company office here Nov. 2 (Wednesday) as part of the power company's Golden Anniversary celebration. CPL Manager John Ross has announced.

He pointed out that day will mark the 50th anniversary of the company's founding.

"We're proud of the fact that we have been supplying electric service to the people of South Texas for a half-century, and hope all our friends will drop by the office to take part in our birthday party," Mr. Ross said.

Open House at the CPL office will be from 8 a.m. to 5 p.m. Free coffee, cake and soft drinks will be served, and visitors will be given an attractive booklet which describes the company's colorful history.

The Board agreed that in setting up the building program, emphasis will be placed on construction of a new elementary school west of Rockport.

A tentative time schedule has been adopted for sale of bonds, advertising for bids and letting contracts. Superintendent of Schools J. D. Gray said contracts will be awarded in more than one letting to give local contractors an opportunity to bid.

Clearing of undergrowth and brush at the site for the new school will begin soon, Gray said.

In behalf of the School Board, the Administrative Department and all the teachers, Gray expressed gratification with the result of the school bond election.

"The schools belong to the people and we are proud that the residents supported type of expansion program we recommend by such an outstanding mandate," he said, adding:

"We wish to thank all organizations and individuals for doing a fine job in getting out the vote."

Attending the special School Board meeting Monday were Dr. Homer F. Elliot, president; James B. Jackson, vice president; Shelley P. Roaten, secretary; Otis Mundine and Tom Rogers; also Gray and Laddie T. Janicek of First Southwest Company, San Antonio, school district financial advisor.

Pirates to Play Gregory-Portland

Robert Oliver

The Aransas County High School Pirates will travel to Gregory-Portland this Friday night to meet the Wildcats in a District 28-2A football game. The game will be played in the Wildcats' stadium with kick-off at 7:30 p.m.

Gregory-Portland, which is 2-2 in district play, lost its last game to Taft by a score of 26-0. The Pirates fell to the Taft Greyhounds three weeks ago by a narrow margin of 6-2.

The Pirates defensive will have the advantage over the Wildcats small defensive unit. The Wildcats will also be at a speed disadvantage against the Pirates.

If the Pirates use a combination of good defense and improved offense against the Wildcats, they should have no problem in chalking up another Pirate victory.

REV. CECIL LANG APPEARS BEFORE ROTARY CLUB

Rev. Cecil Lang, Jr., minister at First Presbyterian Church presented slides pertaining to South Africa at the luncheon meeting of the Rotary Club Wednesday noon.

Guests were Jim Frye, Rockport; E. B. Peschel, Brenham; George Strickhausen, Galveston; Earl Warren, Galveston; John Mitchell, Corpus Christi; Travis Long, Corpus Christi; Bill Rumpf, Ingleside; A. C. Blunt, Aransas Pass; Tom Dean, San Antonio; H. D. Benardon, Aransas Pass; Ernest Simmons, Livingston, N. M.; Ross Norman, Refugio.

THANKS

Mrs. Ruby Hart, chairman of United Fund, wishes to extend very special thanks to the directors for attending the luncheon meetings at the director's expense, and everyone else who is participating in our U. F. drive.

"We're entering the second week of our campaign. Although we're well on our way, we know that the last part will be the hardest; however hopes are still high for reaching our goal," she explains.

NOTICE

Due to circumstances beyond our control the Girl Scout News does not appear in this issue of The Pilot. The omitted articles will appear next week.

A WORD ABOUT THE UNITED FUND

By
R. L. Eckman, Chairman,
Special Gifts Division

The drive has been launched in the Rockport area and is now underway. The workers are calling on individuals. Letters and cards have been mailed by the Special Gifts Division. Success depends on you, the individual givers.

In deciding as to whether you contribute, and as to what amount, this must necessarily be left to your judgment and your ability to give.

In making your decision, please bear in mind these facts:

The United Fund serves nine separate charities. You make one contribution for all and no further solicitation will be made for them. We add here that you may strike the name of any organization to which you do not wish to contribute. In fact, you may select any one or more to receive your contribution.

All United Fund campaign activities are being performed by local people free of charge. We have no paid professionals. The Committee members and workers pay for the meals served to them at meetings, and this is without cost to the United Fund.

The Special Gifts Committee appreciates the response to the individual cards mailed and while it is not possible to acknowledge each contribution by separate letter, you may be sure that your generous contributions are recognized and are properly recorded.

While our workers are endeavoring to reach everyone, we know that many are missed. If you are missed, call any worker or Chamber of Commerce.

This is your community. Success or failure depends on contributions. Please do your part.

City Council Acts On Zoning Requests

The City Council this week took action on 27 requests for rezoning and one special request to build a private pier. All these requests had previously been considered by the Planning and Zoning Commission which made recommendations for the consideration of the City Council.

In all cases in which the Zoning Commission recommended the granting or denial of a request, the Council voted to follow the recommendations.

However, in every instance in which the Zoning Commission recommended a change in a zoning classification which was not the same as requested by a property owner, the City Council voted to send these recommendations back to the Zoning Commission for further study.

Following are the Council decisions listed in the order in which they were considered:

Emory M. Spencer made requests for rezoning regarding 10 pieces of property. Two requests were granted, three were denied, and five were sent back to the Zoning Commission for further consideration.

Harold Wise made one request which was denied. Weldon Cabaniss made one request which was granted. J. S. Farrow made two requests (continued on page 8)

Fishermen: Please Stay off Causeway

With the recent announcement of the opening of the new causeway across Copano Bay, it was also announced that approximately 500 feet of the old causeway, including the bascule span, was to be removed and the remaining north and south ends turned over to the Texas Parks and Wildlife Department for further development into fishing piers for local people and tourists.

This announcement caused hundreds of fishermen to rush out to the old causeway—before the 500-foot section was removed—and start fishing.

In fact, the old causeway is swarming with so many fishermen that Austin Bridge Co. workers are finding it difficult to maneuver trucks and other equipment on the structure.

James Barnes of the Bridge Company called the Pilot today and said:

"Please publish a story asking all the fishermen to wait until we complete our work before they start using the old causeway."

'Trick or Treat' For C.R.O.P.

The young people of the First Methodist Church and of the Sacred Heart Catholic Church, together with other workers who are interested, are sponsoring a collection for C.R.O.P., Saturday evening, Oct. 29, from 5 to 7 o'clock.

The Christian Relief Overseas Program (CROP) is a part of the Church World Service Program. This provides relief in the disaster stricken areas, and in the developing countries.

This aid is especially directed to help the children suffering from malnutrition in such lands as Asia, Africa, and Latin America.

Since 1947, CROP has provided food and supplies worth more than \$15 million for distribution both through church agencies and in cooperation with government donated supplies.

Following the collecting, the local young people will meet at the Methodist Fellowship Hall for a period of recreation.

Plan to Honor Mrs. Connie Hagar

The Rockport Sportsmen Conservation Association is sponsoring a plan to honor Mrs. Connie Hagar, 80-year-old nationally known authority on birds.

The Association has passed the following resolution to be presented to the state legislature:

"Whereas the Rockport Wildlife Sanctuary was created by H. B. 965, Acts 1939, 46th Legislature, amended by H.B. 282, Acts 1941, 47th Legislature in order to create an area where all bird life would be protected; and

"Whereas Mrs. Connie Hagar of Rockport, Aransas County, Texas, has spent most of her adult life studying, caring for and working for the protection of birds; and

"Whereas Mrs. Hagar has contributed much to the knowledge and understanding of the people of Texas, and the World, through her writings about birds; and

"Whereas Mrs. Hagar deserves the gratitude of, and should be honored by, the people of Texas;

"Now therefore be it resolved by the House of Representatives of the State of Texas, the Senate of Texas concurring, that the Rockport Wildlife Sanctuary be henceforth known as the Connie Hagar Wildlife Sanctuary, and that a copy of this resolution be sent to Mrs. Hagar."

\$125,000 Fire Sweeps Jackson Boat Stalls

Fire at the Jackson Boat Stalls early Wednesday morning caused more than \$125,000 loss including destruction or extensive damage to nine yachts, nine boat stalls and boating equipment.

The fire started at about 2 a.m. and raged for three hours before being brought under control by 40 fire fighters from Rockport and Fulton Volunteer Fire Departments and the Aransas Pass Fire Department.

UNITED FUND REACHES \$4,000

At a breakfast meeting of the Board of Directors of the United Fund this (Thursday) morning, both optimism and gratitude were expressed. Gratitude for the fact that more than \$4,000 already has been contributed by generous people willing to help others, and optimism that the goal of \$11,228 will be reached.

The breakfast meeting, held in the Colony Room at the Sandollar Motel and paid for by the motel management, was attended by the following:

Mrs. Ruby Hart, General Chairman, Mr. and Mrs. H. T. McDow, Mrs. Matt Scott, Mrs. E. T. Busch, J. D. Gray, Joe R. Bush, Sheriff Joe Earl Hunt, James H. Sorenson, Jr., Joe D. Evans, Mrs. T. L. Beedy,

Mrs. Bernice Ingersoll, Mrs. Linda Tidd, Mrs. Louise Pierce, Mrs. Virginia Shivers, Mr. and Mrs. H. A. McDonald, Dick Weekley, Mrs. J. W. Pierce, Ed Harper, R. L. Eckman, John Ross, John Kinsey, Rev. Ben Bohmfalk, Bob Fleming, John P. Mitchell, Jr.

It also was announced that Roatan Drug Store was the first firm to have 100 per cent participation in United Fund by all employees.

Darlene Rouquette Homecoming Queen

Darlene Rouquette, daughter of Mr. and Mrs. Francis Rouquette of Fulton, was named homecoming queen of 1966 at the Aransas County vs. Calallen football game Friday evening.

Miss Rouquette was sponsored by the Letterman's Association and was escorted by Bart Rozzell.

Johnny Kuehn, president of the Student Council, presented Miss Rouquette with the homecoming crown and a bouquet of red roses. Mark Johnson, vice president of the Student Council, presented each of the other finalists with a red rose.

Other girls participating in the ceremony were: Rose Crickenberger, daughter of Mr. and Mrs. Carl W. Crickenberger, representing the Future Homemakers of America and escorted by Roy Johnson.

Dora Lynn Wright, daughter of Mr. and Mrs. J. R. DeForest, Mrs. J. B. Greeson and Mrs. John Beasley.

The Meditation will be presented by Mrs. Paul C. Sorenson, and Mrs. William J. Sprigg will sing "Sweet Little Jesus Boy," accompanied by Mrs. Norvell F. Jackson.

The offering will be taken by Mrs. Ed Godde and Mrs. James Little and will make possible two major projects:

A new program in family planning and responsible parenthood to be started by the United Church Women through church world service in India and West Pakistan, and a new center for the training of women in the highlands of New Guinea in the South Pacific.

Following the dedication of this offering, Rev. Cecil Lang Jr., will give the benediction.

At the conclusion of the program, a social hour will be held in the church assembly room with Mrs. J. W. Ingersoll, Mrs. Ted Little, Mrs. Harry Mills and Mrs. C. G. Melton presiding.

Mrs. S. F. Jackson, Mrs. R. H. Van Horn and Mrs. H. W. Edmonson will greet the guests and Mrs. Fred Brundrett will be at the register. All the women in the county are invited to attend

N. F. Jackson of Jackson Channel and Dock Company, which owns the boat stalls, said the fire apparently started in one of two boats.

"When I arrived on the scene," Jackson said, "fire was blazing in two boats, one owned by Ed Frazier and the other owned by Hood's Construction Company."

Jackson said the firemen did a "terrific job in preventing the fire from destroying all 16 of our boat stalls."

The nine yachts lost in the fire were valued at more than \$100,000. They were:

The Leslie Linn, a 34-footer just purchased; Toy-Yot, a 28-footer; and Jack & Jill, a 27-footer, all owned by Gay Copeland and valued by him at \$60,000. He also lost \$5,000 worth of radios, bilge pumps and other equipment.

Three boats owner by Ed Frazier and reported to be valued at \$15,000.

One owned by Hood's Construction Company and reported to be valued at \$10,000.

One yacht owned by Harold Decker of Houston, with a reported valuation of \$6,000.

One yacht owned by Dennis O'Connor and valued at approximately \$10,000.

Jackson estimated the loss and damage to the nine boat stalls at \$20,000. He said the boat stalls and the yachts were covered by insurance "to various extents."

The fire was turned in by someone who went to the Rockport Fire station and pushed the alarm button but did not wait for the volunteer firemen to arrive.

WSGS Will Observe Special "Quiet Day"

Members of the Woman's Society of Christian Service First Methodist Church will participate this week in one of the most important annual observances of Methodist women throughout the United States.

"A Call to Prayer and Self-Denial," first observed by Methodist Women in 1887, focuses on guided mission study, a much needed offering for special mission projects, and a deepened spiritual life. More than 1,600,000 women in 36,000 Societies and Guilds in all 50 states will join in the observance.

The Call is sponsored by the Woman's Division of the Methodist Board of Missions. The division, one of the four major units of the Board of Missions, is the national body under which all local Woman's Societies and Guilds function.

The theme of the 1966 program is, "These My Brethren." The Quiet Day Service of prayer and meditation will be held at 9:30 to 11:30 a.m. on Oct. 28, 1966.

Leaders of the event will be Mrs. George Rhoads, Mrs. Tom Dannelly, Mrs. Bill Straley, Mrs. Lee Roy Young, Mrs. E. T. White, and Mrs. Charles Garrett.

CANCER SOCIETY TO MEET TUESDAY

The Aransas County Chapter of the American Cancer Society will meet at Duck Inn Tuesday noon, Nov. 1.

RUMMAGE SALE

The Sacred Heart Mothers Club will hold a rummage sale at the church hall from 8:30 a.m. to noon, Saturday, Oct. 29.

GOOD OPENER FOR GEESE

Good hunting, like good fishing, is where you find it and those who went for geese in the Austwell area Tuesday found it to be just great.

The foul weather waterfowler might have been disappointed, but only in the almost windless, clear, sunny day. The shooting near Aransas National Wildlife Refuge was the best in many, many years for opening day.

On the hunting leases bordering the refuge, hunting was almost too fast for many hunters. They got their two Canadas in a hurry and then couldn't find enough snow geese or blues working their decoys even to make it interesting.

Consider the shooting on the Sea Gun Sports Inn lease for example.

Vernon Kleypas said all hunters left the field with limits of Canadas by 10 o'clock and, all told, there were 44 Canadas and six snows killed during the very first hour.

One party, he added, got limits in five minutes.

On the Sandollar Motel lease nearby, where 24 hunters killed 54 geese, the hunting was over before 9 o'clock.

There was little difficulty with Canadas—actually the small varieties—but the snows and blues were something else. They flew high and generally ignored decoy spreads.

Of the 54 geese, four were snows and two were blues, with the rest of them Canadas.

Pete Owens said hunters on the Key Allegro shooting area next to the refuge found similar conditions.

There wasn't too much of a problem getting Canadas for those whose shooting eyes were right but just a few snows and blues were taken.

He said there were 24 to 26 hunters and most of them got limits of Canadas. — C. C. Caller.

World Community Day November 4

World Community Day, sponsored by the United Church Women, will be observed Friday, Nov. 4, at 2:30 p.m. at the First Presbyterian Church.

Mrs. Linda Tidd, chairman of Christian World Relations, will be in charge of the program which carries the theme, "Laity: Rights, Resources, Responsibilities."

Mrs. Hugh Morrison will lead the worship service and the invocation will be given by Mrs. B. F. Bohmfalk. The readers will be Mrs. J. R. DeForest, Mrs. J. B. Greeson and Mrs. John Beasley.

The Meditation will be presented by Mrs. Paul C. Sorenson, and Mrs. William J. Sprigg will sing "Sweet Little Jesus Boy," accompanied by Mrs. Norvell F. Jackson.

The offering will be taken by Mrs. Ed Godde and Mrs. James Little and will make possible two major projects:

A new program in family planning and responsible parenthood to be started by the United Church Women through church world service in India and West Pakistan, and a new center for the training of women in the highlands of New Guinea in the South Pacific.

Mrs. S. F. Jackson, Mrs. R. H. Van Horn and Mrs. H. W. Edmonson will greet the guests and Mrs. Fred Brundrett will be at the register. All the women in the county are invited to attend

Cemetery Ass'n**Holds Meeting**

The Rockport Cemetery Association met in quarterly session Monday afternoon at the Chamber of Commerce building.

In the absence of the president, Mayor Delmar Hiller, 2nd vice president, presided. Routine business was conducted which included reports of standing committees. The nominating committee was named to present a slate of officers at the annual meeting in January, a committee composed of Miss Vivien Picton, Miss Velma Picton and Mrs. C. R. Gibson.

Brought up for discussion was the need for someone to assist the president, Mrs. W. B. Allen, in the sale and location of lots. Several ideas were advanced, among them trying to find a man who had the leisure and would assume the responsibility and be on call for such duty.

This brought further discussion on the means for financing such a project and it was suggested that the price of burial spaces be raised as some felt that the current price was below that of neighboring towns of comparable population.

Members agreed to contact other organizations relative to ascertaining if our prices were in line with theirs.

Further discussion was held over until the annual meeting on Jan. 23. In the meantime, the members of the organization will be glad to discuss the matter with anyone interested in the proposition.

FIREMEN'S AUXILIARY HOLDS MEETING

The Firemen's Auxiliary met Tuesday evening, Oct. 26 at 8 p.m. The meeting was called to order by president, Mrs. Elva Mullinax. The roll was called and the minutes were read. Current business was carried on.

Mrs. Mullinax and Mrs. Gilbert Hill, Sr., will purchase curtains for the front room of the fire hall. Mrs. W. A. Ormand donated a stove to the Ladies Auxiliary.

Mrs. H. J. Gurley was appointed chairman of the Christmas box to be sent to the Driscoll Children's Hospital in Corpus Christi.

A buffet supper was discussed. It was decided to have the supper as a membership drive and in honor of the firemen and their families. The supper will be held in November.

Following the business, Bob

Hewes, chief of police, gave an informative talk on the problems of juvenile delinquency. The auxiliary extends their thanks to Chief Hewes for giving his time.

Afterwards, the Treasure Chest was presented. It was donated by Mrs. W. A. Ormand and won by Mrs. Elva Mullinax. The treasure was a quaint log cabin cookie jar. Refreshments donated by Mrs. Julius Malchar and Mrs. Gilbert Hill, Sr., were served after the meeting.

Members present were Mrs. Gene Howland, Mrs. Elva Mullinax, Mrs. James Ankele, Mrs. Edward Truelove, Mrs. Gilbert Hill, Sr., Mrs. Somer Smith, Mrs. Coy Truelove, Mrs. Gilbert Hill, Jr., Mrs. Bill Gray, Mrs. Sarah Belle Smith, Mrs. H. J. Gurley, Mrs. W. A. Ormand, Mrs. Julius Malchar. Guests present, Coy Truelove, Bob Hewes.

MAN ARRESTED HERE WANTED IN COLUMBUS

A man arrested here by Sheriff Joe Earl Hunt was fingerprinted and found wanted in Columbus, Texas for swindle with a worthless check.

Hunt arrested Howard E. Hoffpaur, 33, in a trailer court on a charge of aggravated assault.

Fingerprint identification determined that Hoffpaur was wanted in Columbus not only on the swindle charge but also for disturbing the peace and for passing a second worthless check.

Mrs. Walter S. Falk, Jr., left Wednesday for Columbia, Mo., to visit Miss Patricia Ann Falk who is attending Stephens College, and while there attend the parent week-end activities.

NANCY COCKE DIES

Nancy Florence Cocke, infant daughter of Mr. and Mrs. Abraham Cocke, of Fulton, died Saturday, October 22 after a sudden illness.

She was six months old and is survived by her parents, one sister, Delia; and one brother, Abraham, Jr., all of Fulton.

Graveside services were held Monday, October 24 at the Fulton Cemetery. N. E. Hicks, pastor of the Church of Christ, officiated and burial was in Fulton Cemetery.

WILLIAM BECKHAM DIES

Word has reached here of the recent death of William C. Beckham, 83, who lived here six years many years ago. Funeral services were held in Palm Heights Methodist Church in San Antonio with interment in Roselawn Memorial Park.

RAYMOND SASKI DIES

Funeral services for Raymond Saski, Jr., 46, who died Friday in a Corpus Christi hospital, were held at Cagle-McCann Funeral Chapel with Rev. Charles Fake, pastor of First Baptist Church, officiating. Burial was in Rockport Cemetery.

Saski, a native of Cuero, had lived most of his life in Rockport. He was an employee of Heldenfels Brothers and a veteran of World War II.

Surviving are his wife, Barbara, a daughter, Mrs. Barbara Ann Simmons of Rockport; his mother, Mrs. Ethel Saski of Rockport; a brother, Dayton Saski of Aransas Pass; and three grandchildren.

Mr. and Mrs. Charles Maslonka, Sr., of Fullerton, Neb., are visiting their son, Charles Maslonka, Jr. and his family.

Junior High Honor Roll

Names of 70 students were placed on the Junior High School Honor Roll for the first six-weeks' reporting period.

A student must have a minimum average of 90 to be eligible for the honor roll. A student who receives a six-weeks' grade below 70 is not eligible for the honor roll.

In the past years the honor roll was set at 85. In order to better challenge the students and to keep standards in line with other schools, the average was raised to 90 this year.

Following are the names of those who achieved this honor:

Seventh Grade

Cynthia Agler, Janet Albers, Lawrence Ashley, Patricia Bardwell, Nelson Barre, Julie Bright, Linda Brock, Rayford Brown, Mary Caspary, Charles Cruser, Annette Demory, Victor Dullye, Ronald Everett, David Fake, Lucy Griffith, Deborah Haigood, Mary Harist;

JOHN KETCHUM IN HOSPITAL

Johnnie Ketchum, who had a real estate office in Rockport and opened the Edgewater Trailer Park 20 years ago, is a patient in a San Antonio hospital.

He would like his friends to know where he is, especially those at Taylor Oak Trailer Park where he lived before settling in San Antonio.

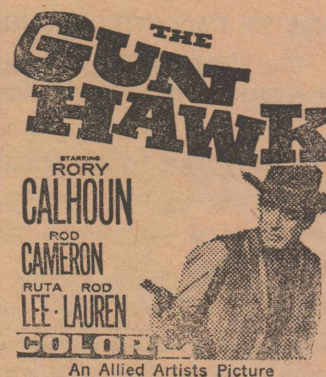

The address is J. W. Ketchum, Brooke General Hospital, Beach Pavilion, Ward 43-G, Fort Sam Houston, Texas.

Mrs. Bob Duncan of Houston spent the weekend with Mrs. Charles Roe, Sr., and also attended the homecoming football game.

SAFETY COUNCIL ELECTS OFFICERS

The Rockport-Fulton Area Safety Council elected the following officers: Rev. Dana Green, chairman; Dudley Bracht, vice chairman; and Jack Baughman, secretary.

PIRATES TO PLAY ORANGE GROVE

The Aransas County Pirates will be seeking their fifth straight district win when they meet Orange Grove. This will be the first meeting between these two clubs as Orange Grove moved into the district just this year. Orange Grove is a slight favorite.

DELINQUENT TAX LIST TO BE PUBLISHED

The City Council decided to publish in the Rockport Pilot a list of those people who are delinquent in paying their city taxes.

COUNTY DECLARES RABIES EMERGENCY

The Aransas County Commissioners Court declared a state of emergency because of an outbreak of rabies and established a 3-day, county-wide quarantine on dogs and other pet animals.

The action was taken at a special meeting of the commissioners and city council which concurred in the action.

The meeting was called after a report from the State Health Department stating that a dog examined was found to be rabid.

BAUGH APPOINTED POUNDMASTER

John Baugh has been appointed poundmaster during the present rabies epidemic, with Pete Lopez as his assistant.

LEGISLATIVE COMMITTEE MEETS

The Chamber of Commerce legislative committee recommended that everything possible be done to push the enactment of enabling legislation on a national level to implement the Hoover Report recommendations.

SPORTSMEN PLAN ANNUAL FISH FRY

The Rockport Sportsmen Conservation Association has planned its annual fish fry at Mills Wharf for Oct. 30.

Members and local people interested in conservation are invited to attend. The cost, of which pays for invited guests from other cities, will be \$3.

Magee's will serve the fish and other seafood, including oysters on the half shell.

NAVIGATION DISTRICT BRINGS FILES UP TO DATE

The Aransas County Navigation District, in order to have all the information possible available for use when needed, has recently added to its files a complete resume of the U.S. Coast and Geodetic Survey bench marks in the Rockport area.

CEMETERY ASSOCIATION MEETS

Miss Mabel Bracht and Miss Genevieve Bracht were hostesses for a meeting of the Rockport Cemetery Association. This was the initial fall meeting following a recess period during the summer. The meeting was called to order by the president, Mrs. W. B. Allen.

PERSONALS

Mr. and Mrs. A. W. Ebert have returned to Fulton after spending five months, from May to September, at Colorado Springs. They will spend the winter at the ABC Trailer Park.

Bobbie Bracht, son of Mr. and Mrs. Arthur Bracht of Fulton, came home on a 10-day leave from U. S. Marine Camp at Pendleton, Ore.

'THE BEACH' OFFERED TO CHAMBER OF COMMERCE

The Beach, popular dining and dancing spot, has been offered to the Chamber of Commerce by the Navigation District as a recreational center.

At a meeting of Chamber directors the offer was discussed, but since a representative group of directors was not present, no decision was made and the matter was to be decided at a later meeting.

FUTURE HOMEMAKERS HONORED

Gov. Coke Stevenson has proclaimed next week as Future Homemakers of Texas Week.

At the last meeting of the local high school group, the following ladies were named members of the advisory board: Mrs. Charles Cron, Mrs. L. V. McLester, Mrs. John Haynes, Mrs. J. W. Wilkinson, Mrs. B. W. Hamblin, Mrs. Clyde Townsend and Mrs. Henry Ballou.

HOWARDS SPEND LAST 15 WINTERS HERE

Mr. and Mrs. L. L. Howard of Olton, Texas, are here for their 15th winter. They say this is the best place to spend the winter on the entire Gulf Coast.

Editorial

Passage of the \$800,000 school bond issue by a 10 to 1 vote (446 for and 41 against) was a good example of community action by an informed public.

School officials and members of the School Board did an outstanding job of informing residents of Aransas County of the urgent need to pass this bond issue.

They made it clear that to relieve serious overcrowded conditions in the schools, funds were urgently needed to build a new elementary school and to build additional facilities at the Junior and Senior High Schools and at Fulton Elementary School.

Civic organizations, Parent-Teacher Associations, The Rockport Pilot and other groups and individuals cooperated in the well planned and well executed campaign to inform the public of the facts.

The Pilot salutes the Aransas County Independent School District, the various organizations and individuals, above all, the voters for action which will not only provide adequate educational facilities for our young people but also will be of great benefit to the entire community.

WHEN PARKING A CAR BE SURE IT IS PARKED

There are increasing numbers of parked automobiles running "wild" these days. Every few days it seems, there comes over the news stories about so-called parked cars rolling away—down grades into homes and store windows, doing untold damages.

There are cases, one supposes, of brakes turning loose. It does happen now and then. On the other hand, it also seems reasonable to assume that drivers are being just plain careless. They leave automatic transmission levers set on neutral, trusting the brakes. Quite often the driver forgets to set the parking brakes. Therefore, it is little wonder that the vehicle takes off a few minutes after the driver has gone down the street.

People don't usually heed advice when it comes to operating automobiles. They take the attitude that it can't happen to them. Nevertheless, a word of caution: Before leaving a parked car be dead-certain the automatic transmission is not in neutral—and be sure the parking brake is firmly in its proper place.

NOT THIS YEAR

Knowing that a proposal has been made to put this country on the metric system may have been causing you to dread having to learn a new system of measuring.

Well, cheer up. Your Congress isn't going to force you to go through the new system this year. By a vote of 7 to 7 the House Rules Committee has again declined to bring up the bill passed by the Senate. That ends it for this year.

Therefore, you won't have to worry about a surprise when you might have heard that a girl's measurements were 91-60-88.

MAN IS SUPERIOR!

A scientist says hogs are nearest of all animals to humans. The heart, circulatory system and teeth, for example, are very similar, and they have ulcers, too. Just like man.

But man has swine beat in one respect. He can smoke.

ton Beach while using a casting net trying to catch minnows for bait. He put it in a glass jar of alcohol to add to his collection of marine life.

FIRE DEPARTMENT HOLDS DRILLS

The Rockport Volunteer Fire Department held drills, with Arlie Shivers and Charles Ankele, assistant chiefs, in charge of the pumper hook-up and hose drills.

PIRATES CAN STILL SHARE TITLE

The Pirates still have a chance to tie for first place for the District 38-B championship. Refugio is second with a 3-1 record.

SIMPSONS FLY HERE FROM OHIO

Mr. and Mrs. William Simpson of Dayton, Ohio, flew here to spend a few days with her parents, Mr. and Mrs. H. S. Wood.

"It's a small world after all when people can fly 1,400 miles in a day," Mrs. Wood commented.

MULTIPLYING SCHOLARSHIPS

Much good can be done with money. Every one to his own choice. But one of the finest is an investment in higher education. And bargains are available. Did you know, for instance, that you can give \$100 and make \$1,000 available in money that can be borrowed by a student who needs help? Or you can give \$1,000 and make \$12,500 available for borrowing from another fund.

These funds make gifts to education institutions for scholarship purposes more attractive than formerly. They do not eliminate the opportunity of direct giving for those who want to present scholarships with no future obligation. But they have an advantage in that obtaining assistance can be handled on a business basis.

Under one plan, set up with the assistance of federal funds, a qualifying student can borrow and can have the loan "forgiven" by becoming a teacher and continuing as a teacher for a required time. This is the program in which \$900 in federal money can be obtained to match each \$100 in private funds contributed.

The American Bankers Association has set up the other arrangement, with \$1,000 in contribution being matched by \$11,500 from a special ABA fund. Students who borrow from it have no obligation except to repay through the bank where the loan is obtained.

It is important for every youngster with potential for advanced achievement to obtain a proper education, and it is becoming more and more unnecessary for anyone who really wants to go to college to stay away for lack of funds.—Tuscaloosa (Ala.) News.

HOME CURES

The physician discoverer of a "sugar pack" method of healing bedsores and other ulcerations recalls that when he told his mother about the treatment she was not at all surprised.

"Everyone knows," she said, "that sugar helps healing." Whether everyone knows or not, she evidently did, for she treated the boils of his boyhood with sugar and lard.

The encounter between science and a home remedy reminds one of the many times in which remedies are discovered to have scientific basis and real value. The implication is that modern smart-a-lecs should not sneer at grandma. — Fort Worth Star-Telegram.

Old maids don't look under beds any more. They snoop around to see who's watching the late, late show.

AND NOT JUST SOME

Politics, although much maligned, is nevertheless basic to the democratic process. It is as American as George Washington, and at patriotic as flying the flag. But primarily it is a service in which elected representatives serve the constituency.

We are forever concerned with the training of men and women to fill the increasing needs of our man power market. We are forever concerned with sending our children to college. We need to be equally concerned about providing the best trained and the best educated people possible for the political area of life. Politics is concerned with farm policy, with educational policy, with civil rights, with scientific advancement, with poverty, with health and with all kinds of complicated matters. It takes capable people to deal with these concerns.—Sheridan (Wyo.) Press.

UNFAIR TO BARBERS AND COVENTRY

An Indiana editor sees the long hairdos adopted by some young men as reflecting their all-consuming desires to be "different." But the style isn't contributing to "Keep America Beautiful" campaigns.

In the interest of a cleaner America, swimming pool directors in some areas are demanding that boys with long hair wear swimming caps to prevent possible contamination of the pools, and plugging of the drains. Bacteria is likely to thrive in all that hair. A Salt Lake City dermatologist blames Beatle-style hairdos for an increase in forehead acne, among other ailments.

The Hoosier scribe reasons that there is a logical explanation for the mania among young males to avoid barber shops. Experts on ancestry contend that millions of Americans and Europeans are direct descendants of the Lady Godiva, the pride of Coventry.—Boise (Idaho) Statesman.

SPACE ARK NEXT

The scientists at John Hopkins University say that new findings indicate large areas of the planet Venus are habitable. Despite the 58 degree temperatures at the equator and the 9 degrees at the poles, there are regions, they say, where a man would find the temperature comfortable.

If NAS space project turns out a vehicle large enough to take a pair of each species on earth, then it will be time to start worrying.—Norfolk (Neb.) Daily News.

Students at a Wisconsin college are prohibited from parking their cars on the campus. They'll be able to tell their children how they walked to school, two blocks from the no parking sign.

REBEKAH NEWS

The noble grand, Mrs. Lou Eller, presided at the weekly meeting of the Rockport Rebekah Lodge at 7:30 p.m., Thursday, Oct. 20.

There were 17 members and one guest, Mrs. Velma Elder of Austin, present.

Mrs. Georgia Haynes enjoyed her back and was not able to attend lodge.

A member of this lodge, Mrs. Rose Boze, was the first person to cross the new causeway.

Mrs. Mellie Edmison served coffee, punch and cookies after lodge.

IN ICELAND

AB1 Grover Traylor, Jr., USN, son of Mr. and Mrs. Grover Traylor, is now stationed in Iceland with the Air Operations Department. He began his Navy career in 1959 and has seen duty aboard the attack aircraft carrier Intrepid and the nuclear powered carrier Enterprise. The wife of Grover, Jr., is living with her husband's parents.

Mr. and Mrs. Frank Aubry and children of Pasadena, Texas spent the weekend with Mr. and Mrs. Henry Homberg.

NROTC DEADLINE IS NOVEMBER 18

The deadline date for making application for the Regular NROTC qualifying examination is fast approaching. Applications must be received by the Educational Testing Service on or before Nov. 18, 1966. Applicants will participate in the nationwide competitive examination on Dec. 10, 1966, the only date on which the examination will be given, as the first step toward a college education and a regular commission in the naval service.

All tuition, fees, and books are furnished by the Navy, and the student receives a subsistence allowance of \$50.00 per month for not more than four years. During each summer between his college years, a midshipman participates in interesting training cruises.

High School seniors and graduates who will be entering college in September 1967 and who will be at least 17 but not 21 years of age by July 1, 1967 may apply off the Navy College Aptitude Test. Those who make a qualifying score on the Navy College Aptitude Test (NCAT) will be given a medical examination and will complete their applications in January and February of 1967.

Application for the NCAT are available at local high schools and Navy Recruiting Stations, or from the Chief of Naval Personnel (Pers-B6261, Department of the Navy, Washington, D. C. 20370).

WCS WILL HOLD MEETING

The Woman's Society of Christian Service of the Methodist Church will meet for the business and program meeting Tuesday, Nov. 1 at 9:30 a.m. in the Fellowship Hall.

The program topic, "United Council of Church Women," will be presented by the members of the Faith Circle, with Mrs. D. T. Adams serving as leader.

All interested women of the community are invited. A nursery will be provided at the church.

Letter to the Editor

Dear Sir,

This may appear to you to be a strange request, coming from England — however, I hope you can accommodate me.

I consider Rockport my permanent residence, and have for the past fifteen years. I am now stationed in the midlands of England and, needless to say, the weather here is very wet, dull, drizzly, foggy and cold. I would like very much a photograph of some portion of sunny Rockport to hang on my office wall, to remind me daily that such a desirable place does, in fact, exist.

I intend to retire and practice law in Rockport when my tenure in the Air Force is complete, which will be approximately three years from now. I receive "The Rockport Pilot," courtesy of my father-in-law, A. H. "Babe" Aikman, pharmacist at Johnson's Drug Store. Lt. Colonel Robert L. Jones, one of our fighter squadron commanders stationed here, was born and raised in Rockport, and each week we share and enjoy together my copy of "The Pilot."

If any such copy of the requested picture is available, I will be happy to pay for same if you will advise me.

Yours sincerely,
Jot B. Law, Lt. Col., USAF
Staff Judge Advocate.

Publisher's Note: The Chamber of Commerce sent a letter of thanks and a number of pictures to Colonel Law.

THREE DIVORCES ARE GRANTED HERE

Judge Joe Wade in 156th judicial district court here granted three divorces Monday.

Terrie Beck from Magnus O. Beck III, Nascario Benivides from Celia Benivides, and Leonard Bone from Mary Ann Bone.

The judge also granted a marriage annulment to Nancy Frazier from George W. Frazier.

LAMAR WOMAN'S CLUB MEETS

Mrs. Walter Heldenfels and Mrs. Dailey Heldenfels were hostesses to the Lamar Woman's Club October meeting at the Sea Gun Inn.

After a short business meeting presided over by Mrs. Robert Fleming, president, with the new and old business discussed and the planning of the Christmas party, the meeting was adjourned and the social hour followed.

Each member was asked to bring a sample of her handwork and to give a talk on how it was made, there were many Oh's and Ah's as each article was presented.

Some of the articles included a gold angel made of paper, flower arrangements, crocheted covered coat hangers, wooden ducks before and after refinishing, lingerie bag, flowers made of tin cans, beautiful aprons, a delightful Santa Claus holder of Christmas cards and many more.

Three guests attending were Mrs. John Horn of Dallas and Mrs. Malcolm Bocquet and Mrs. Dick Picton of Rockport.

The following members were present: Mrs. H. W. Batsell, Mrs. James Eller, Mrs. Robert Fleming, Mrs. E. L. Hall, Mrs. C. F. Hedrick, Mrs. R. E. House, Mrs. Fred Moss, Mrs. W. P. Vandiver, Mrs. J. B. Greeson, Mrs. Weldon Cabaniss, Mrs. Gene Gregory, Mrs. M. C. Merriman and the hostesses.

THURSDAY BRIDGE CLUB MEETS

Mrs. Harold Picton entertained the Thursday Bridge Club at her home last week.

Members attending were Mrs. James Bracht, Mrs. T. J. Johnson, Mrs. Tom Rogers, Mrs. Jerry Wendell and Mrs. Lynn Wendell.

Guests were Mrs. Bob Mosier and Mrs. Jack Colley. High scorer was Mrs. T. J. Johnson and Mrs. Bob Mosier was second high.

TAYLOR OAK BIRTHDAY PARTY

A birthday party was held in the recreation hall of Taylor Oak Trailer Park on Oct. 20 honoring those born this month.

The hostesses were Mrs. Birdie Turner, Mrs. Wilbur Randle, and Mrs. Al Smith.

The honorees were Mrs. Hazel Bennett, Mrs. Jim Stansell, Mrs. Byron Smith, Mrs. Jean Chaney, Mrs. John Belt and Mrs. Arthur Bolser.

The tables were decorated with an autumn bouquet and sea shells found on local beaches.

Refreshments were served, and games were played. The winner of the bridge game was Mrs. F. Beaver. Mrs. S. Fomby won at canasta, Mrs. F. Nelson at marbles and Mrs. A. Bolser got the bingo prize.

JOSEPHINE WARD CIRCLE MEETS

The Josephine Ward Circle of the First Baptist Church met Tuesday morning at the church for mission study.

Mrs. Bernice McKnight, Circle chairman, was in charge of the meeting. Mrs. Ethel Robbins led in prayer mentioning the names of the missionaries on the calendar of prayer for the day.

Mrs. Kathryn Bartoo quoted the 23rd Psalm. The program was then turned over to Mrs. Eva Whitfill, who taught the first part of the mission book "Beneath the Himalayas." Each lady present read a small portion on the program.

Those present were Mrs. Eva Whitfill, Mrs. Bernice McKnight, Mrs. Eva Lutz, Mrs. Josephine Cox, Mrs. Ada Patton, Mrs. Kathryn Bartoo,

Mrs. Alice Ballou, Mrs. Ethel Robbins, Mrs. Ilma Cookston, Mrs. Clemie Beedy and Mrs. Lillie Calvert.

The closing prayer was by Mrs. McKnight.

CIRCLE MEETS

Ruth Circle of the Calvary Baptist Church met at the church Oct. 25 for Bible study with nine members present.

Prayer chairman read names of the missionary and had birthday names called from Royal Service. 1 Samuel 15-22 was read by Mrs. Johnny Green and Mrs. Lee Hand gave the opening prayer. Program was lead by Mrs. Perry W. Whitley. Mrs. Hand will be in charge of the November program.

Meeting closed with prayer for the world and U. S. men in the armed services.

Amendments To Constitution

With the Nov. 8 general election just a short time away, the Pilot presents proposed amendments to the Texas constitution which voters will have the opportunity to vote on.

You will have a chance to vote "for" or "against" the following:

Proposition 1—"The Constitutional Amendment to provide that all land owned by natural persons designated for agricultural use shall be assessed for all tax purposes on the consideration of only those factors relative to such agricultural use."

Proposition 2—"The addition of Section 12 of Article IX of the Constitution, authorizing the Legislature to provide by law for the creation, establishment, maintenance and operation of Airport Authorities composed of one or more counties, and authorizing the

levy of a tax not to exceed 75 cents on \$100 valuation of all taxable property within such Airport Authority except the property of state regulated common carriers required by law to pay a tax upon tangible assets, after approval of its voters."

Proposition 3—"The Constitutional Amendment withdrawing Arlington State College from participation in the Permanent University Fund."

Proposition 4—"The Constitutional Amendment changing the maximum term of office of directors of conservation and reclamation districts from two to six years."

Proposition 5—"The Constitutional Amendment authorizing the Texas Legislature to establish a Statewide Cooperative System of Retirement, Disability and Death Benefits for the officials and employees of the various counties or other political subdivisions of the state, or political subdivisions of a county;

authorizing the Legislature to provide for a voluntary merger into the system authorized by this Amendment by those officers and employees covered by the provisions of subsection (b) of Section 62 of Article XVI of the Texas Constitution as now existing or may hereafter be established; providing that costs of this system shall be borne by the counties and other political subdivisions of the state and political subdivisions of the county electing to participate therein and the officers and employees covered by the system; and forbidding the Legislature from making any appropriations for the operation of the system."

Proposition 6—"The Constitutional Amendment providing for the payment of assistance by the State of Texas to the surviving spouse and minor children of law enforcement officers, custodial personnel of the Texas Department of Corrections or full-paid firemen who suffer violent death in the course of the performance of their duties as law enforcement officers, custodial personnel of the Texas Department of Corrections or as full-paid firemen."

Proposition 7—"Repealing the poll tax as a requirement of voting."

Proposition 8—"The Constitutional Amendment permitting persons qualified to vote in this state except for the residence requirements in a county or district to vote for Presidential and Vice Presidential Electors and for all state-wide offices, questions or propositions, and permitting citizens of the United States recently arrived or departed from the state to vote for Presidential and Vice Presidential Electors."

In next week's Pilot, we will present the remaining eight proposed amendments to be voted on.

Observations:
Most writers are poor speakers.

People described as good conversationalists invariably are good listeners.

Kind persons are polite by nature without having to read a book of etiquette.

A bore is to be pitied as well as to be avoided.

It's a pleasure to watch anyone who is skillful whether the act involves carpentry, sign painting, waiting on tables, being a bartender, driving a car, playing golf, fishing or trying a case in court.

I've always hoped that a couple I know would become the parents of twins and name them Delmar and Mardel.

When I was a high school student, our gang had a number of wisecracks which we thought were about the funniest ever heard.

If one guy would ask another, "Where's Joe?" the reply would be: "He's out on the hard road selling flypaper."

Brother, we thought that was really a screamer.

Since the preceding item could hardly be called an inspiring "thought for the day," it behooves me to make a comment on something worthwhile, such as the delightful weather we had last week. One or two days were in the 70's in the daytime and 50's at night. Comfortable during the days and ideal for sleeping.

"You-all," according to the dictionary, means "you, usually used in addressing two or more persons or sometimes one person representing also another or others."

Southerners say they can always spot Yankees by the way they use you-all in the singular.

I like to hear Rockport people say you-all. Actually it sounds more like "Y'all." I really hope the time will come when I can use this expression effortlessly, but so far I feel self-conscious when I start to say it.

A medical remedy for colic and indigestion is made from sweet flagroots.

CITATION BY PUBLICATION

THE STATE OF TEXAS

TO: E. G. Twine, Defendant,
Greeting:

YOU ARE HEREBY COMMANDED to appear before the Honorable County Court of Aransas County at the Courthouse thereof, in Rockport, Texas, by filing a written answer at or before 10 o'clock A.M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 28th day of November A.D. 1966, to Plaintiff's Petition filed in said court, on the 3rd day of May A.D. 1965, in this cause, numbered 767 on the docket of said court and styled First National Bank, Rockport, Texas, Plaintiff, vs. E. G. Twine, Defendant.

A brief statement of the

nature of this suit is as follows, to-wit:

Suit for Debt as is more fully shown by Plaintiff's Petition on file in this suit.

If this citation is not served within ninety days after the date of its issuance, it shall be returned unserved.

The officer executing this writ shall promptly serve the same according to requirements of law, and the mandates hereof, and make due return as the law directs.

Issued and given under my hand and the seal of said court at Rockport, Texas, this 11th day of October A.D. 1966.

Attest: W. E. Beasley,
Clerk, County Court,
Aransas County, Texas.

OUTDOORS IN TEXAS

BY VERN SANFORD

By Vern Sanford

One of our fastest growing sports today is archery.

There is a special thrill and fascination in shooting the bow and arrow—the most primitive of weapons—that is a chal-

lenge to everyone.

But the modern bow-and-arrow in no way resembles the crude weapons of the Indians. Modern archery equipment is accurate and deadly. It still amazes me what an accomplished bowman can do with such equipment.

Maybe you've been thinking of taking up archery. If so, probably you are confused about what it involves. Should you want something simple and easy, then forget the bow-and-arrow. It takes time and patience to learn to shoot accurately and consistently.

Hunting with the bow-and-arrow is the ultimate in challenge. A bowhunter must be close to his game to score. Preferably less than 35 yards (from even a large animal like

a deer). This isn't an easy assignment.

It is difficult enough to learn to shoot proficiently with good, well matched equipment. So the fledgling archer who gets equipment not suited to him is off on the wrong foot. No matter how good he may be athletically, he'll never learn to handle his equipment with any proficiency.

Before buying any archery equipment every beginner should go to an experienced bowman and get his views on the subject. Many sporting goods dealers are not able to give information. Unless a man has tried archery, and many sporting goods dealers have not, he really doesn't understand what it involves.

Basically, there are two types of archers: The bow-hunter and the target shooter. A person can be both, but he must understand that there is a different technique involved and different equipment.

A target shooter, for example, chooses a bow that is easily pulled, something of 35-pounds-pull or lighter (a bow pull is determined by the number of pounds of pressure required to pull an arrow full length).

A hunter wants something heavier, that will drive the projectile with greater force. Preferably a bow of 45-pounds-pull or greater.

It is difficult, if not impossible, to shoot proficiently with a hunting bow.

Pulling a bow brings into play certain shoulder muscles which are not accustomed to the task. A beginner should start with an easily-pulled bow to condition these muscles and learn the proper technique. Then graduate to a heavier hunting bow. Most common fault of all beginners is "over-bowing," or choosing a bow too heavy to pull comfortably. Archery shooting involves many different things like stance, draw, anchor, aiming, release and follow-through. Each step is important to success.

Here again we say seek an experienced archer. Get him to show you the proper techniques. This is the only way to learn. Like in golf, the archer who starts off with the improper technique and form will have difficulty getting back on the right track.

Quality bows are expensive. Don't wreck the family budget with the first one. There are models priced less than \$30. And they are acceptable. Use one of these to learn. Then if

you find you enjoy archery, go to something more expensive.

All archery equipment must be matched. You wouldn't use the same arrows for both a light bow and a heavy one.

A light arrow on a heavy powerful bow tends to whip-lash as it comes off the string and it is impossible to get accuracy with this combination. Also, the arrow must be of a length suited to the individual archer.

All shots should be taken at full draw at all times. This means pulling the arrow to full length. Length of the arrow will depend on your arms. People of identical physical size often require different arrow length.

One way to check the proper length is to pull the fletched part of an arrow, or the feathered end, on your chest, as you bend back. Stretch your hands straight up and bring the tips of your fingers together in a triangle shape. The arrow should measure exactly from your chest, at the base of your neck, to your outstretched finger tips.

Arrows come in various construction: Wood, fiberglass and aluminum. The latter two best, but the wood is most economical and it is best for learning.

A leather arm guard and a finger guard also are parts while you are shooting. Any sporting goods dealer can fill you in on the various other equipment needed.

Just remember that the bow and the arrow are the most important. They must be suited to you individually.

Ethiopia has existed for centuries and is mentioned in the Old Testament.

NOTICE

Sealed bids will be received in the office of the superintendent of schools, J. D. Gray, until 4:00 P.M., Tuesday, November 8th, 1966, on clearing and removing undergrowth and brush from the new elementary school site of the Aransas County Independent School District, said site being located approximately two miles west of Rockport on F.M. 881, and composed of approximately 13.7 acres. Brush, undergrowth, tree roots, and other debris is to be removed from the site with certain marked trees left standing and undamaged. Work must be completed within 30 calendar days from November 8th, or a penalty of \$50.00 per day for time used beyond 30 days will be assessed, excluding days when weather is such that work cannot be done.

The Board of Trustees of the Aransas County Independent School District reserved the right to reject any or all bids.

For any additional information contact J. D. Gray, Superintendent of Schools, Rockport, Texas.

Pirates Beat Calallen 12-6

By
Robert Oliver

The Fighting Pirates of Aransas County High School walked away with a 12-6 homecoming victory over the Calallen Wildcats in a District 28-2A gridiron clash here last Friday night.

Calallen won the coin toss and chose to receive the opening kick-off. As the first quarter came to a quick end, both Pirates and the Wildcats had failed to score.

However, Calallen came back strong in the second quarter as wingback Allen Thomas carried 15 yards on a reverse play for a Calallen touchdown. The extra point try was no good and Calallen went out front 6-0.

The clock showed 9:55 left to play in the first half. The Pirates offense failed to move the ball and the half ended with Rockport behind 6-0.

Calallen kicked to the Pirates and the third quarter was underway. The Pirates offense was unable to move the ball throughout the third quarter.

However, the Pirates defense once again showed its strength as they broke up a Calallen drive deep in Pirate territory with a pass interception by David Nava.

The Pirates defense continued to hold and the third quarter closed with Rockport still trailing 6-0.

The Pirates came back in the fourth quarter with a 35 yard touchdown pass from quarterback Chris Edwards to end David Nava to put Rockport on the scoreboard. The two point conversion was blocked and the game evened up at 6-6.

As the clock ticked away, it

looked as if the game would end in a 6-6 stand-off.

Then with 2:09 left to play in the game, Pirates fans came to their feet and shouted with cries of victory as they witnessed a 32 yard touchdown pass from quarterback Edwards to halfback Butch Warden, who fought off two Calallen tackles to find paydirt.

The two point conversion was once again blocked and the Pirates went out front for the first time by a score of 12-6.

The Pirates defense continued to hold as the clock ran out to give them a last quarter victory of 12-6 over the Calallen Wildcats.

This was the first game this season that the Pirates had come from behind to get a victory. A combination of great defense and fine fourth quarter offense was the cause of this Pirate comeback.

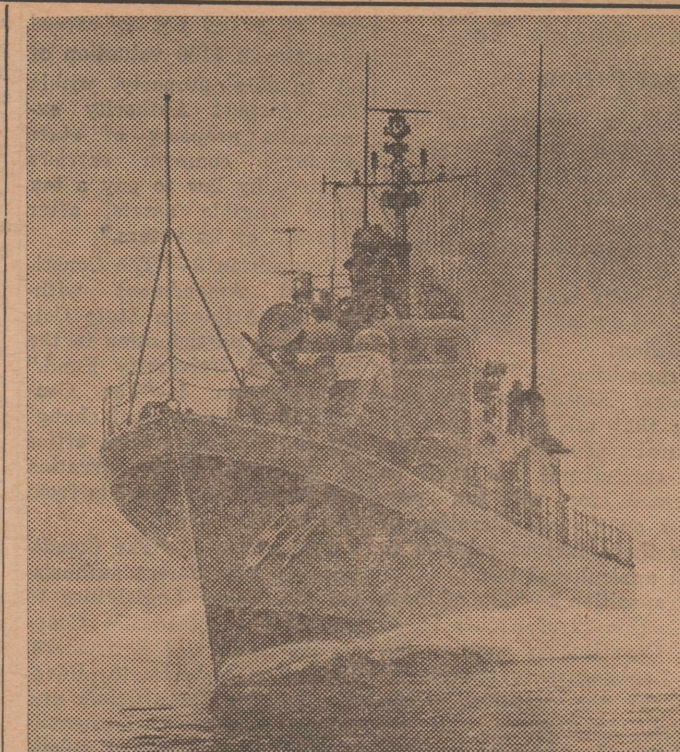

Bart Rozzell saw very little action in this game due to a leg injury received in the Taft football game. Bart says he will do his best to be ready for next week's game at Gregory-Portland.

Outstanding defensive men for the Pirates were Roy Johnson, Mark Johnson, Thomas Lewis and David Nava. Outstanding offensive men were Chris Edwards and Butch Warden.

This game gave Rockport a 4-2-1 season record and a 3-1 record in district play.

ANNOUNCE ENGAGEMENT

Mr. and Mrs. Elmer Barber of Rockport announced the engagement of their daughter, Betty Sue, to Tony O'Neal Cox, son of Clyde Cox of Rockport. The wedding will be Dec. 2 in the First Baptist Church.

NEWEST gunboat in the Navy, USS Asheville, steams ahead on shakedown cruise. The aluminum-hulled craft is the fastest of its size in service.

THIS WINTER CAN BE BETTER

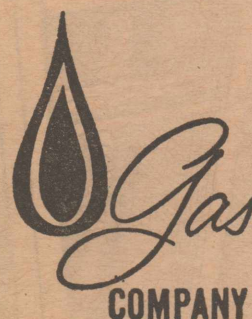

The shiver season is approaching, but you don't have to worry about it. A central gas heating system installed in your home will chase out the chills—and keep them out!

Just set the thermostat at the temperature you want. Your home stays the same even temperature day and night. There's no stuffiness either. Your modern gas furnace brings in a constant supply of fresh filtered air.

Is there any thing better than gas heating? Yes—gas heating with gas air conditioning for year-round comfort.

Let our comfort experts give you a free estimate for installing both before winter sets in.
