

Border Banter

By Mike Pomper

Let's forget about it all

I was very pleased to see the news that the federal judge in Washington, D.C., has dismissed all charges against Oliver North, the central figure in the Iran-Contra affair, after the special prosecutor gave up trying to reinstate North's felony convictions.

There's no question that North, and his fellow conspirators, crossed the line in this affair. They had no business doing what they did without congressional approval.

That's how a democracy must work. We all know it doesn't work the way we want it all the time, but that doesn't mean we have to make an end run.

The arms for hostages deal, or whatever you want to call it, was verbally approved by President Reagan, who has vociferously denied doing it.

Every President lies. We all remember that President Eisenhower first said the U-2 shot down over Russia was not one of our planes. And President Kennedy's first statements that the U.S. was not involved in the Bay of Pigs invasion.

I'd list all of Presidents Johnson's and Nixon's "goodies" but we don't have enough room in this newspaper.

So if correct prosecution occurred, it would have meant that Reagan would have to stand trial. I don't think any of us would want to see that. Besides, Reagan's denial "goes with the territory."

Anyway, Reagan gave the okay to William Casey, his CIA chief. And Casey had Adm. John Poindexter handle it. North reported to Poindexter.

Poindexter also was convicted in 1990 of five felonies, including obstruction of Congress. I hope he gets off, too, like North, since the convictions were tainted by immunized testimony before Congress.

Casey, the key figure, died during the first Congressional hearings on Iran-Contra.

The main reason I'm glad to see North exonerated - and, hopefully, Poindexter, is that because I like the aggressive avenue they took in our foreign policy.

You have to go back to the period they were working in. Communism was still the "evil empire." Nicaragua had just gone leftist, after the Sandinista overthrow of the dictator Somoza. Nicaragua was supplying arms to Marxist guerillas in El Salvador.

Elsewhere in the world, it looked like Communism was reaching out everywhere you looked: Libya, Ethiopia, Angola, Cuba, Eastern Europe, Vietnam, Afghanistan, and so forth.

In that environment, you had a new administration under Reagan that was pledged to roll back the Communists. Thus, actions, some of which were covert, began throughout the world:

- Supplying arms to Muslim guerillas in Afghanistan.
- Backing Savimbi's guerillas against the Soviet-backed regime in Angola.
- Bombing Quaddafi, Libya's leader.
- Organizing the Contras to pressure the Sandanistas to become more democratic.

The 1980s were successful years for American foreign policy, especially after the "we don't know what to do" attitude of the Carter administration.

Not only has Communism crumbled (which still stuns me), but the Sandanistas were booted out in free elections; the Marxist threat in El Salvador has lessened dramatically; Quaddafi's use of terrorism has abated; a com-

Parmar okays voting districts

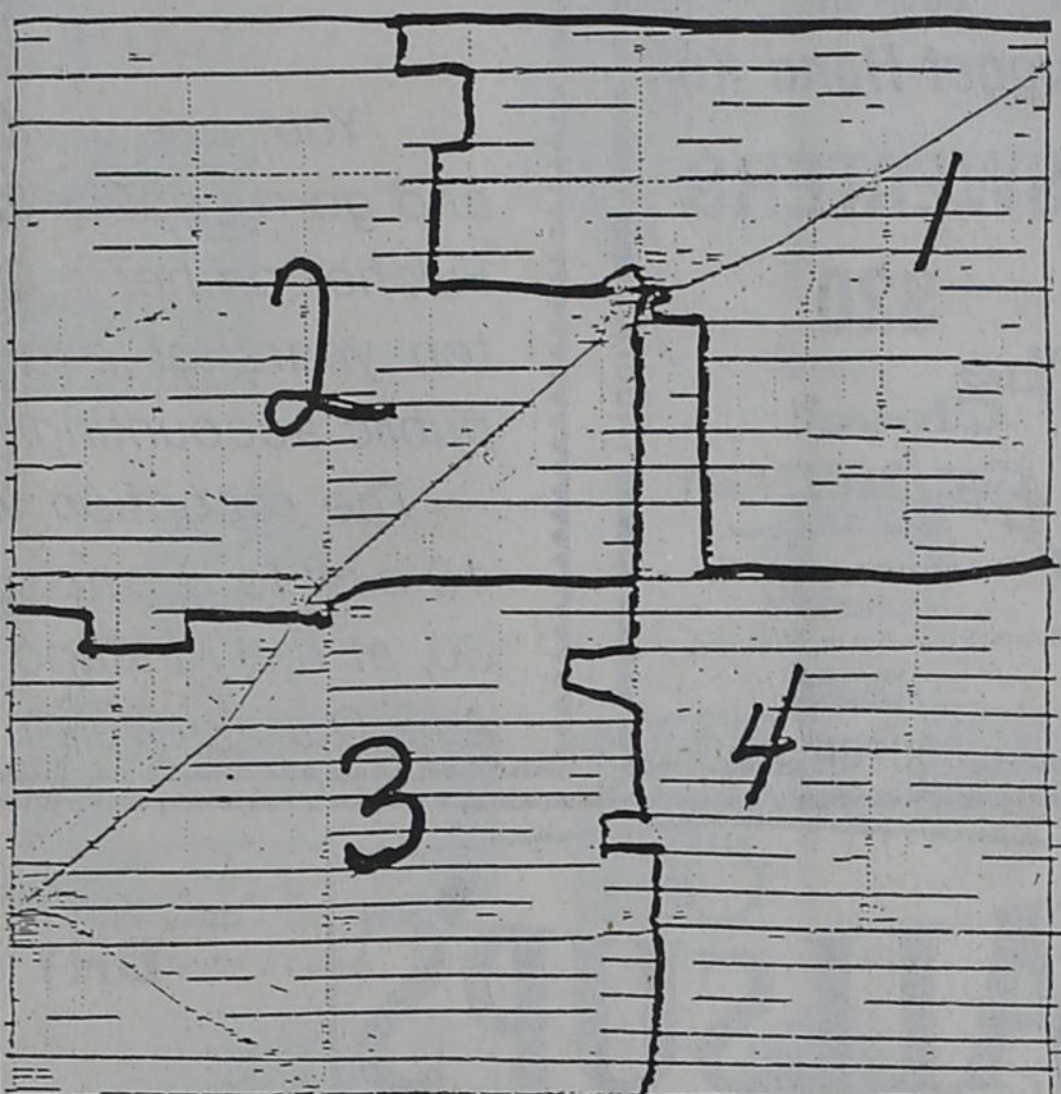

(Bovina, Friona district maps - Page 5)

The Parmar County Commissioners have approved new voting districts, subject to U.S. Justice Department approval.

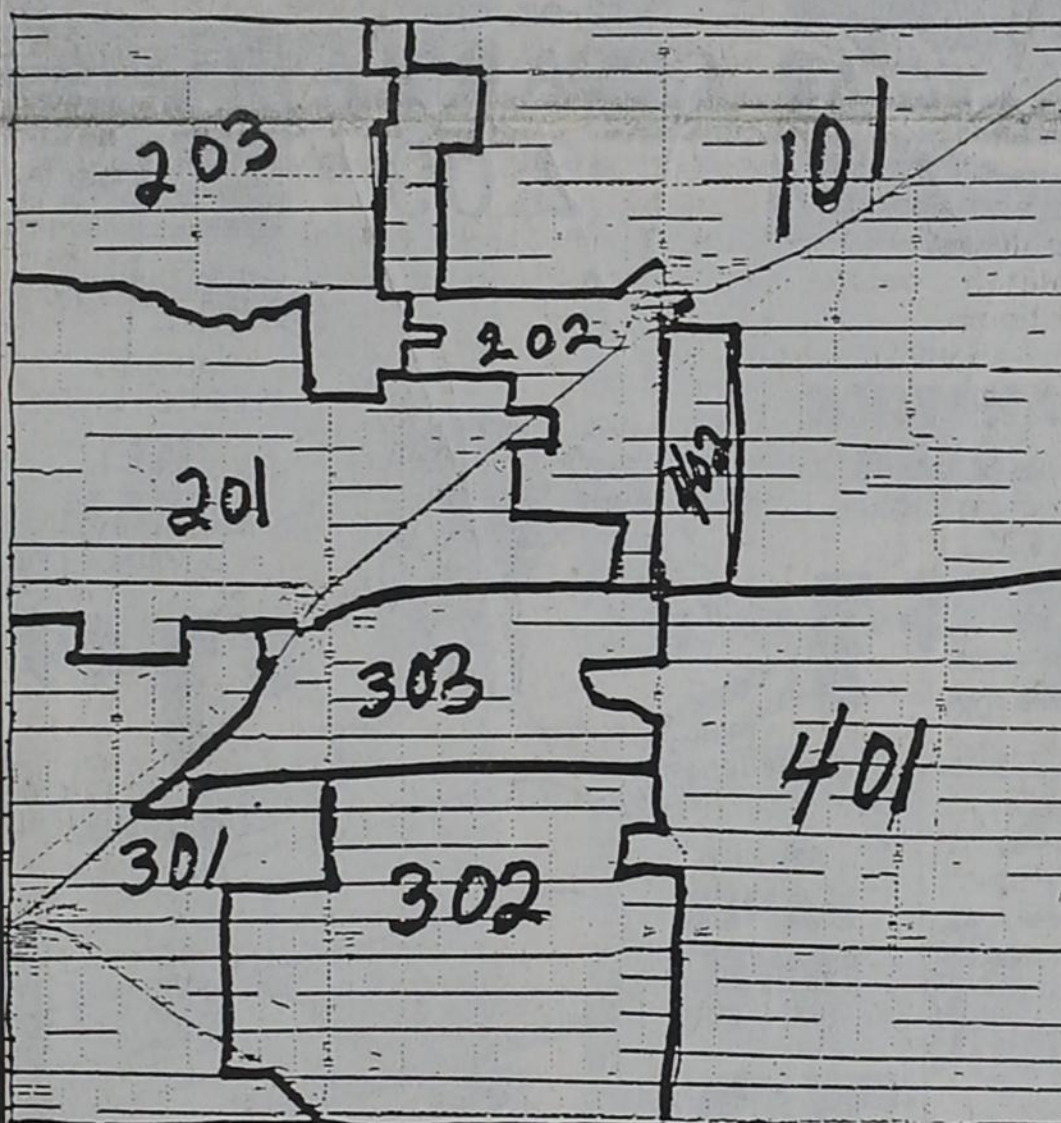

The proposed districts are for county commissioners, justices of the peace, and election voting precinct places.

County Judge Bonnie Clayton stressed that the new districts, if approved, would go into effect Jan. 1, 1992.

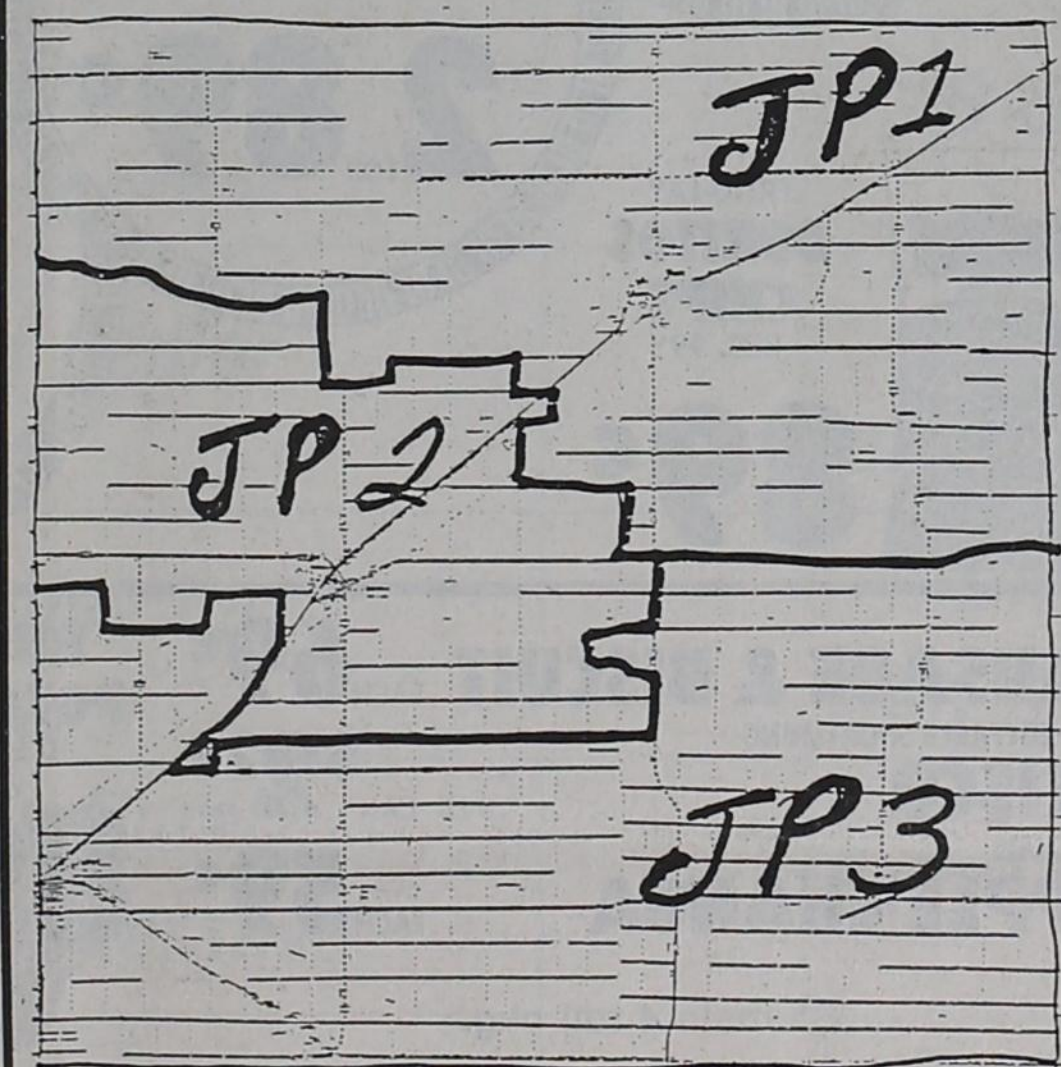

"For the November elections, voters should go to the same polling places they have been going to for the past 10 years," she said.

Under the new county commission districts, Pct. 1 will have 2,468 residents; Pct. 2, 2,462; Pct. 3, 2,465, and Pct. 4, 2,468. Hispanic populations are: Pct. 1, 34.15%; Pct. 2, 49.11%; Pct. 3, 23.28%, and Pct. 4, 59.56%.

Here are the election precincts, with their populations: #101 - 2,468; #201 - 1,717; #202 - 624; #203 - 121; #301 - 1,874; #302 - 453; #303 - 187; #401 - 868; and #402 - 1,600.

The Justice of the Peace precincts will have these populations: Pct. 1 - 4,810; Pct. 2 - 1,905; and Pct. 3 - 1,854.

Gustin captures contest No. 3

Last week's Area Merchants Football Contest was a proverbial "piece of cake" for many of its participants.

High scores were the rule of the day although no one got all 12 games picked correctly.

Thirteen contestants got 11 games picked correctly. By virtue of being closest to the tie breaker (Hart 19, Farwell 0), the winner was Mary Gustin, who was 11 off the tie breaker. She received the first place cash prize of \$10. Winning the second place prize of \$5 was Fabian Garcia, who was 12 off the tie breaker.

Others with 11 right, and their totals off the tie breaker, were: Clyde McDonald, 33; Marion Rutter, 13; Todd Lingnau, 23; Myrna Lingnau, 26; Angie Gutierrez, 16; Robin Mahaney, 23; Ronnie Dunsforth, 16; Steve Kittrell, 25; Rick Castaneda, 26; Lorine Dannheim 26, and Marshall Pool (left off the tie breaker score).

With 10 right were: Jesse Barba, Renee Bartlett, Heath Brown, Harold Carpenter, Richard Carpenter, Lance Castleberry, David Dannheim Jr., James Haseloff, Vicky Haseloff, Betty Jean Kelley, Rick Ketcherside, Kim Kimbrough, Rick Lewis, Delbert Lingnau, Betty Marshall, Donnie McDonald, Lonnie McFarland, Domingo Orozco, Fuji Ortis, Champ Porter, Albert Smith, Mike Woods, Bill Roberts, Joey Winkles and Pat Marshall.

Results of last week's games were: Texico over Eunice, Lorenzo over Kress, Boys Ranch over Vega, Lubbock Christian over Melrose, Wyoming over Texas Tech, Auburn over Texas, Baylor over Missouri, Alabama over Georgia, New Orleans over Minnesota, Detroit over Indianapolis, Philadelphia over Pittsburgh, and Miami over Green Bay.

The overall contest, with the Dallas trip as the prize, has now completed 3 weeks, with 9 more to go. Here's a look at the leader board:

- 30 points - Robin Mahaney.
- 29 - Rick Castaneda.
- 28 - Richard Carpenter, Lance Castleberry, Fabian Garcia.
- 27 - Clyde McDonald, Harold Carpenter, Chase Chisman, Lorine Dannheim, Mike Goettsch and Kyle Kimbrough.
- 26 - David Dannheim Jr., James Haseloff, Rick Ketcherside, Rick Lewis, Myrna Lingnau, Todd Lingnau, Betty Marshall, Lonnie McFarland, Fuji Ortiz, Alice Pierce, Angie White and Leslee Williams.
- 25 - Mark Williams, Robert White, Pam Carpenter, Lezlie Castleberry, Ronnie Dunsforth, Kevin Hardage, Keevin Kelly, Clint Kelley, Betty Jean Kelley, Roy King, Steve Kittrell, Rick Marshall, Champ Porter and Albert Smith.
- 24 - Heath Brown, Avis Carpenter, Pat Chumley, Rex Cumpston, Frank Landry, Matthew Williams, Don Gartin, Kent Gast, Duane Hamar, Doug Hill, Marion Hudson, Dana White, Katrina Stewart, Guy Via, Tim Walton and Shayne White.

Mary Gustin, left, was the winner of last week's Area Merchants Football Contest. She is shown receiving her first place check from Donna Ratke, of Farwell Uniter Drugs, one of the contest sponsors.

- L.A. Fuller & Sons, Amarillo, \$424,469.

Texico survey must be retaken

Texico city employees will be knocking on every city door Thursday, Sept. 26, and Friday, Sept. 27.

Residents will be asked to answer another survey which is most important to the success of getting a state grant for several hundred thousand dollars to solve the KKR water well contaminant problem.

This survey had been taken at the beginning of August - but Texico officials just found out it had been done in error. So it must be retaken.

The problem when it was taken in August was that it didn't include names and addresses. State officials have now told Texico the questionnaire was invalid due to that.

So the new questionnaire will include names and addresses, so an audit can be taken if necessary.

Texico officials said the grant request for \$600,000 will be in jeopardy if the questionnaire isn't redone correctly. "We know some folks don't want their names used, but this is critical," stressed Mayor Doyal LaRue.

If the grant request is denied, then it's likely that Texico will have to float a bond issue to pay for the well cleanup. Thus, Texico residents would be faced with three bond issues in a short time. Bond issues already are scheduled for the Texico Schools (more classrooms) and Curry County (new jail).

The questionnaire asks two basic questions:

1. How many people in their family live in their home.
2. The total income of all members of their households.

A minimum of 60 percent of the city's households must answer the questionnaire for it to be accepted. The deadline for turning it in to the state is Oct. 4.

When the August survey was taken, it showed that 86 percent of the city's residents fell into the low to moderate income class. To show this group over 50 percent is important in getting state approval.

The costs of fixing the well problem are expected to run into the hundreds of thousands of dollars because a four-fold approach is needed: 1) connect the KKR and Tower wells so water will be diluted enough to keep the contaminant under federal guidelines, 2) excavate the area to remove the contaminant causes, 3) install an aerator, costing about \$60,000, at the KKR well, and 4) find a site for a new well and install it.

Announcement of those who get the grants will be made in November.

In other business, the council:

- Discussed whether to stay in the mowing business. Currently, the city charges \$15 an hour to mow someone's property for them. Councilman Butch Sharp said the city is competing with private businesses and should get out of the business. There are three private mowing businesses in Texico, it was said.
- Instead of the city mowing someone's property, the city could give the person requesting the service the list of those Texico businesses doing it.

Obituaries

Andy Bowery

Services for Andy Bowery, 35, Farwell, were Tuesday at Hamlin Memorial United Methodist Church with the Revs. Jim Gardner and Larry Heacock officiating.

Burial was in Oklahoma Lane Cemetery. Steed-Todd Funeral Home handled the arrangements.

He died Sept. 22 after a long illness at Lubbock Methodist Hospital. He was born March 29, 1956, in Weslaco, Texas. He was an agricultural inspector.

Surviving are his wife, Vicki; 2 daughters, Shasta and Samantha, both of Farwell; 1 son, Wayland, of Farwell; his father, Joseph, of Breenam, Texas; his mother, Janie, of Farwell; 3 brothers, Joe and Cecil, both of Pasadena, Texas, and Charles, of Pleasant Hill; 2 sisters, Irene Montgomery, of Portales, and Bessie Ingram, of Farwell; and his grandmother, Velma Magness, of Farwell.

Casket bearers were Dennis Demaree, Kevin Hardage, Gerald Hardage, Carl Kirkland, Kie Watkins and Kevin Hargrove.

Etha Harding

Services for Etha Harding, 76, of Levelland, were Tuesday at the First Baptist Church of Levelland with the Rev. Steve Vernon and the Rev. Donald Moreland officiating. Burial was in the City of Levelland Cemetery.

She died Sunday at Levelland Methodist Hospital after a long illness.

She was born in Bethel, Okla., and moved from Monahans to Levelland in 1945. She also had lived in Farwell.

She married J.D. Harding on June 12, 1935, in Roswell. He died March 23, 1985.

She was a graduate of Farwell High School and attended Texas Tech University. She was head cashier for SPS until retirement in 1971. She was a Baptist and member of Euzelian Sunday School class.

Surviving are 2 sons, Derry, of Lubbock, and Herby, of Waco; 1 sister, Roberta Daniell, of Dallas, and 4 grandchildren.

A check of other small communities found that only Farwell also was mowing properties for folks, also at \$15 an hour.

No decision was made.

- Heard that the city swimming pool will be winterized next week for \$100.

- Scheduled a special meeting Oct. 2 at 6:30 to discuss the state CDBG grant request for funds to help solve the water well problem.

- Held an executive session to discuss possible pending litigation.

- Heard LaRue announce that former city marshal Walt Causey, who resigned in January, had told him he would pay the city \$50 a month until he paid a total of \$300 for a .38 revolver. LaRue said Causey had only made one payment of \$50.

LaRue also said that the camcorder belonging to the police was ruined through abuse and the VCR damaged in the fire at Causey's home last winter was not worth repairing.

- Heard engineer Bob Lydick say that in order to prevent water meters from freezing they need to be set 18 inches below the yard surface. Lydick also was also to check into a sewer question.

- Heard Fire Chief Lewis Cooper say that the city didn't have a city fire code. He had a copy of the state code and discussed with the council whether the city should adopt pertinent parts of it.

- Didn't receive any bids for removing the scrap pile from the old city landfill. But a man from Archie's, in Clovis, said he would remove it if the city wanted. The council voted to do so.

- Approved a mobile home variance at 417 Turner St.

- Discussed a setback problem. A mobile home owned by Nora Netcher is 2 feet closer to the property line than it ought to be.

- Heard city attorney Duane Hamar report that several lots with weeds and junk on them are being cleaned up.

Marriage Licenses

There were three marriage licenses issued in Parmer County last week:

They were issued to Russell D. King and Brenda Ann Williams, Michael Waites and Robin Reed, and to Larry Dodd and Tammy Parker.

Lazbuddie outscores Lake Arthur, 56-42

The Lazbuddie Longhorns continued to roll along last Friday, outscoring Lake Arthur, N.M., 56-42 in a home game.

The Longhorns, 3-0, take on Agape Christian at home at 7:30 p.m. tonight (Friday).

Coach C.W. Williams wasn't overly happy with the win, saying the defense had let down. There may have been a sense of over confidence since the Longhorns had defeated two highly-ranked teams in the previous two weeks.

Both teams scored one TD in the first period. The Panthers opened the scoring with a 1-yard TD run by Jamey Bratcher. The kick failed. The Longhorns responded with a 19-yard TD run by Kirk Jesko. The Luis Gonzales kick made it 8-6.

promise was reached in Angola, with Cuban troops withdrawn; and Afghanistan is on the threshold of throwing out its Communist leader.

A lot of the credit for those victories - important ones for our nation - must be given people like Casey, and other administration figures - George Schultz and James Baker, for example. And, yes, President Reagan.

In virtually all the aforementioned cases, even with the use of covert action, they were done legally. Congressional oversight committees

were involved. It was done by the book.

But Iran-Contra wasn't. Reagan and Casey over-stepped in their zeal to fight Communism.

I try to look at the big picture. Overall, these men were patriots who we should be thankful for. In one, Nicaragua, they went too far.

I won't hold that against them.

Parmer

(Continued from Page 1)

The reason the bid wasn't awarded immediately was because there's only about \$337,000 left from the original \$400,000 grant. Funds already have been spent on fees and permits. So about \$20,000 has to be shaved from the project to get into line with the low bid.

In other business, the commissioners:

- Received a safety award for Parmer County for having a low number of worker's comp claims.

- Hired Johnny Franse to install a new sprinkler system for the courthouse lawn.

Y.E.S. gives post office a facelift

Y.E.S. (Youths Exchanging with Seniors) was begun at Lazbuddie Schools last year, involving student volunteers from community youth groups who are specially trained to help the elderly, their adult leaders and advisors. It's directed by Barbara Lust, school home economics teacher and FHA adviser.

The Farmer County Y.E.S. program is part of a 20-county pilot project in Texas created to help communities reach out to its senior citizens through these youthful volunteers.

One Y.E.S. goal is a joint project of youths and elderly to benefit their own community. This summer, Y.E.S. members helped give a face-lift to the Lazbuddie post office, directed by Mrs. Lust and her husband, Glenn. The students scraped and repainted the building which had once served as a general store and meeting place of farmers.

Mrs. Lust said the project was a high priority for youths and senior citizens. Residents and several local businesses donated funds for the project, and the youths donated their labor. Some seniors helped paint, and Mae Davis provided refreshments each work day for the youths. R.L. Barber spearheaded the fund drive, bought paint and gathered supplies and equipment.

Mrs. Lust said contributors included the R.L. Barbers, Sherley-Anderson elevator, the Glenn Scotts, the Max Steinbocks, Easter Grain, the J.T. Mayfields, Foster Fertilizer, Randy Thomas, Jennings Land and Cattle, Connie Barnes, Mr. and Mrs. Frank Hinkson Sr., the C.W. Dales, Clay's Corner Gin, North Lazbuddie Gin and Irene Thorn.

Students participating were Brandy Nelson, Stormy Davison, Jonas Hernandez, Joni Hernandez, Janis Hernandez, Rachelle Rice, Joele Weaver, Lori McBroom, Christina Perkins, Jerri Cozby, Bobby Weaver, Heather Engelking, Richard Flores, Brice Foster, Roxann Warren and Troy McBroom.

The students and senior celebrated the project finish with a hamburger get-together at the school Aug. 29. They also viewed two films about the Y.E.S. project, parts of which were filmed at Lazbuddie.

Mrs. Lust invites any interested senior, student or potential adult leader to get involved in the program by calling her at 965-2828.

Stormy Davison and Rachelle Rice work away.

Scraping paint are Joele Weaver and Brandy Nelson.

Church to dedicate building

Bishop Louis Schowengerd will speak when the Lazbuddie Methodist Church dedicates its new educational building at 7 p.m. on Sept. 29.

He is the bishop of the North West Texas Annual Conference of the United Methodist Church.

The dedication service will be the highlight of a building program at the church. A new educational facility has just been completed, giving the church 5 additional classrooms and a large storage area.

During the service, special music will be presented by the children's choir and by other members of the church. A ribbon cutting ceremony and open house will follow the dedication service. Refreshments will be served during the open house.

Yes, more rain

Rain fell Wednesday, Thursday, and Friday of last week.

"We get the idea that it's doing this everywhere in the world, but the sun's shining in most places," said Fred Chandler on a gloomy Friday morning. He noted that he had measured .6" of moisture at the Sherley Anderson Pitman Grain Elevator in Farwell during the period from Sept. 18-20.

Lonnie McFarland reported .63" fell during the period from Sept. 18-20 at the Sherley Anderson Grain Elevator in Lariat. Lonnie reported that Lariat had received 18.6" of moisture for the year up to Sept. 20. This is a little less than the 23.9" of moisture reported in Farwell up until Sept. 20.

Scott Brown reported that the rain had "shut harvest down," at the Sherley Anderson Grain elevator in Lazbuddie. He reports 1.25" of moisture had fallen there between Wednesday and Friday of last week.

Runners vie

The Farwell Cross Country team participated in a meet in Hereford Saturday.

None of the Farwell girls placed in the top ten at this meet which included runners from much bigger schools.

Traditional team leaders Sharla Lingnau and Katrina Stewart stepped in holes, and hurt themselves. "It was a real rough course," said coach Jimmy Taylor.

Melanie and Melissa Everett led the Farwell squad. Molly Miller, Christy Corn and Mona Schenk also participated.

The men wore ski masks, blue jeans, Levi jackets. One was about 6 feet tall, weighed about 160 pounds, and had a red plain shirt. The other was about 5'7 and weighed about 140 pounds.

Williams said the men left the store on foot but believes they had a vehicle packed nearby.

On Sept. 23, Jimmy Williams 23, Friona, was arrested by the sheriff's office on charges of assault and criminal mischief. Before County Court Judge Bonnie Clayton, he was fined \$350 and \$450 on the charges, plus court costs of \$147 on each charge, restitution and given 45 days probated for 365 days.

Here is the weekly report from Texico Marshal Fry Urioste:

On Sept. 15, Nicolas A. Chavez, 24, Clovis was charged with DWI first offense and open container.

On Sept. 20, Alonso Ontiveros, 33, Muleshoe, was charged with DWI first offense.

A juvenile from Clovis was arrested on Sept. 20 for trespassing at Texico School. The juvenile had been warned previously about trespassing.

The marshal's office also recovered a three wheel motorcycle that had been reported stolen from Farwell several weeks ago.

Lady Spikers run mark to 2-2

The Texico Lady Spikers lost to Melrose in a close match: 15-5, 9-15, 14-16 and 14-16.

"We gave it away. We were up 14-8 in game 3 and gave it away 16-14. In game 4 we were up 8-0, and gave it away. We've got a young team. They got ahead and then tried to give it away. They started playing a little different. They have got to play to win, not play to defend," said coach Michael Littlejohn.

Individual statistics:

Marhsa Hamilton had 5 aces; 27 excellent passes, 10 kills and 15 assists. Chesna Campbell had 3 aces, 16 excellent passes, 1 kill and 15 assists. Lorissa Pate had 4 aces, 17 excellent passes, and 14 kills and 4 stuff blocks. Dara Jenkins had 3 aces, 13 excellent passes, and 2 kills.

Leslie Servatius had 16 excellent passes and 10 assists. Alison LeFrenz had 16 excellent passes and 2 blocks. Coming off the bench were Chanda Campbell, who got 2 excellent passes, 6 blocks and 4 kills, and Amber Bruce, who got 2 assists.

According to Littlejohn, the team was up 15-8 in game 3 and even though some of his best servers came up to the line they were only able to make 1 out of the next 4 serves.

"Three people missed - for two of them it was the only

serve they missed in the whole match; the third only missed three serves in the whole match. It was just a bad time to miss. Some of our best servers were in. They were the four I'd want serving again," he said.

"We've got to do a little bit better. I know we should have won. We just have to get that consistency," said the coach. "Basically we have sophomores and juniors with one senior. We are going to have to learn something new."

The Lady Spikers will have plenty of opportunity to learn in the next week or so. On Sept. 24 they were scheduled to play Dora; on Sept. 26 they play at Floyd at 5 p.m.; this weekend they play three games at the Capitan Tournament. They also play Tatum on Oct. 1 for Parent's Night, and they host Elida on Oct. 3.

"We'll be a veteran team after two solid weeks of playing, but we learn more by playing," said Littlejohn.

The Lady Spikers now have a 2-2 record.

Texico Junior High

The Texico Junior High volleyball team lost to Dora 6-15, 15-8, and 12-15 and they lost to Yucca 10-15, 10-15. The losses brought their record to 0-3.

Despite the losses, coach Michael Littlejohn notes that the Dora game was "by far the best the junior high has played all year. They had a chance to win the match; it is more encouraging. They are starting to get better. I'm pleased with the serving. They have been serving 77%, and they served 90% in this game. In junior high volleyball you have got to serve and pass well."

The match with Yucca wasn't as encouraging. "We didn't serve or pass real well," said Littlejohn.

Texico JV

The Texico JV volleyball squad lost to Melrose 13-15, 15-13, and 13-15 on Sept. 21 and they beat Yucca 15-11 15-7 on Sept. 19. The matches bring their record to 3-1.

The Melrose match was a difficult loss for the Texico girls. The games were "all real close. We messed up a couple of times. We have all freshmen starting, and they made a couple of mistakes," said coach Michael Littlejohn.

"They played real well. They pass, set and spike real well. The whole team played well. This year they are all freshmen. There are no junior or sophomores. We've got a real good crew. They are awful young and they have got to learn the mental part of the game. They are doing well on the physical part," he added.

Hart blanks Farwell, 19-0

The Farwell Steers were blanked by the Class 2A Hart Longhorns last Friday in an away game, 19-0.

The Steers, 0-2-1, face Sudan in a home game tonight (Friday) at 8 p.m. After that, they have a week off before district play starts.

Turnovers dominated the game. In the first half, Farwell turned the ball over 6 times to Hart's 4. In the second half, the Steers turned over the ball twice more.

The Steers played without three of their first string linemen and their first string halfback against Hart. Also, pass receiver Ray Haseloff injured his leg and is out the rest of the season. And quarterback Chad Byrd was thrown out of the game during the third quarter.

Farwell took the kickoff at its own 28. Chad Byrd ran for 14 and a pitch to Brent Harrison gained 12. On a 4th and 2 at the Longhorn 38, Kirk Lingnau rambled for 17 yards. Lingnau then burst through the middle to the Hart 6 but lost a fumble.

Hart was stopped and punted to midfield. A Farwell fumble was recovered by Hart at its 45. Byrd intercepted a pass at the Steer 15. Farwell was held and used another strong punt by Lupe Garza to put Hart on its 43.

Roger Billingsley intercepted at the Steer 45. Farwell was held and a bad snap on 4th down gave the ball to Hart at the Steer 27. Although Brian Johnson had a QB sack, the Longhorns scored at 2:07 on a 19-yard pass. The kick made it 7-0.

The Steers started on their 40. After 3 incomplete passes, Garza boomed a 51-yard punt to the Hart 10. Another Johnson sack put the ball at the Longhorn 2 as the first period ended.

Hart's punt was shanked and the Steers started on the Hart 20 but couldn't move the ball. Hart later punted to midfield, then recovered a fumble there. Hart had to punt. The Steers moved the ball on a screen pass from Byrd to Harrison, Lingnau runs and Byrd draw. But Hart recovered a fumble at its 35. In the final 1:30, there were 3 interceptions.

On the first play of the second half, a Hart run up the middle gained 61 yards to the Steer 6. Hart scored from the 1 at 10:13. A run off kick formation failed and it was 13-0.

After the teams traded possessions, the Steers moved the ball behind Lingnau and Harrison runs up the gut. But

a fumble was lost.

On defense, Johnson and Dean Rubio had big sacks. On offense, Farwell tried a fake punt but the pass failed. Hart then used a 47-yard TD run to run the score to 19-0 with 55 seconds left in the third quarter.

The final period saw little more than the teams trading possessions.

Individual statistics: Byrd, 7 carries for 30 yards; Lingnau, 17 for 74; Harrison, 14 for 49. Receiving - Roger Billingsley, 2 for 17 yards, and Harrison, 1 for 17.

Team statistics: Rushing - Farwell, 138 yards; Hart, 143; passing - Farwell, 34; Hart, 53; first downs - Farwell 10, Hart, 9; penalties - Farwell, 4 for 40; Hart, 4 for 25; punting - Farwell, 5 for 43 yard average; Hart, 6 for 30 yard average.

Coach Rex Cumpton commented: "We cannot continue to make critical mistakes and hope to improve. Elimination of the turnovers is critical. Eight turnovers in one game makes it virtually impossible to win. I felt our defense played well for the most part. They had 196 yards on offense with 150 yards of it coming on 4 plays. We must get our offense going."

Gooden tallies twice

Texico Junior High beat Clovis Marshall 12-0 Sept. 19.

"The kids played pretty decent ball considering the fact that it was raining and cold," said coach Richard Luscombe.

Mop, broom sale planned

The Texico-Farwell Lions Club will have its annual fund-raising broom and mop sale in front of the Farwell post office Friday afternoon and Saturday morning.

Tyrone Gooden scored both of Texico's TD's. "He ran the ball well," said Luscombe.

The coach also complimented Michael Eaton for his blocking.

"They are getting better, and they are starting to get more physical," he added.

The squad has 14 freshmen. They next play Oct. 11 against Hagerman.

Yearlings fall

The Farwell Junior High Yearlings lost their first game of the year, but it was a close one. Hart edged the Yearlings, 18-14.

Nic Ketcherside scored Farwell's first TD, and Brock Anderson scored the 2 point conversion. The second Yearling TD was scored by Brock

Anderson who intercepted a pass and ran the ball back for 65 yards.

"I was very impressed," said coach Monty Sartain. "They played very well."

The coach noted that although the team needs work in some places, he thinks that it will come around. "I was real pleased with the way they played Saturday," he added.

The game had been postponed from last Thursday due to an extremely wet field.

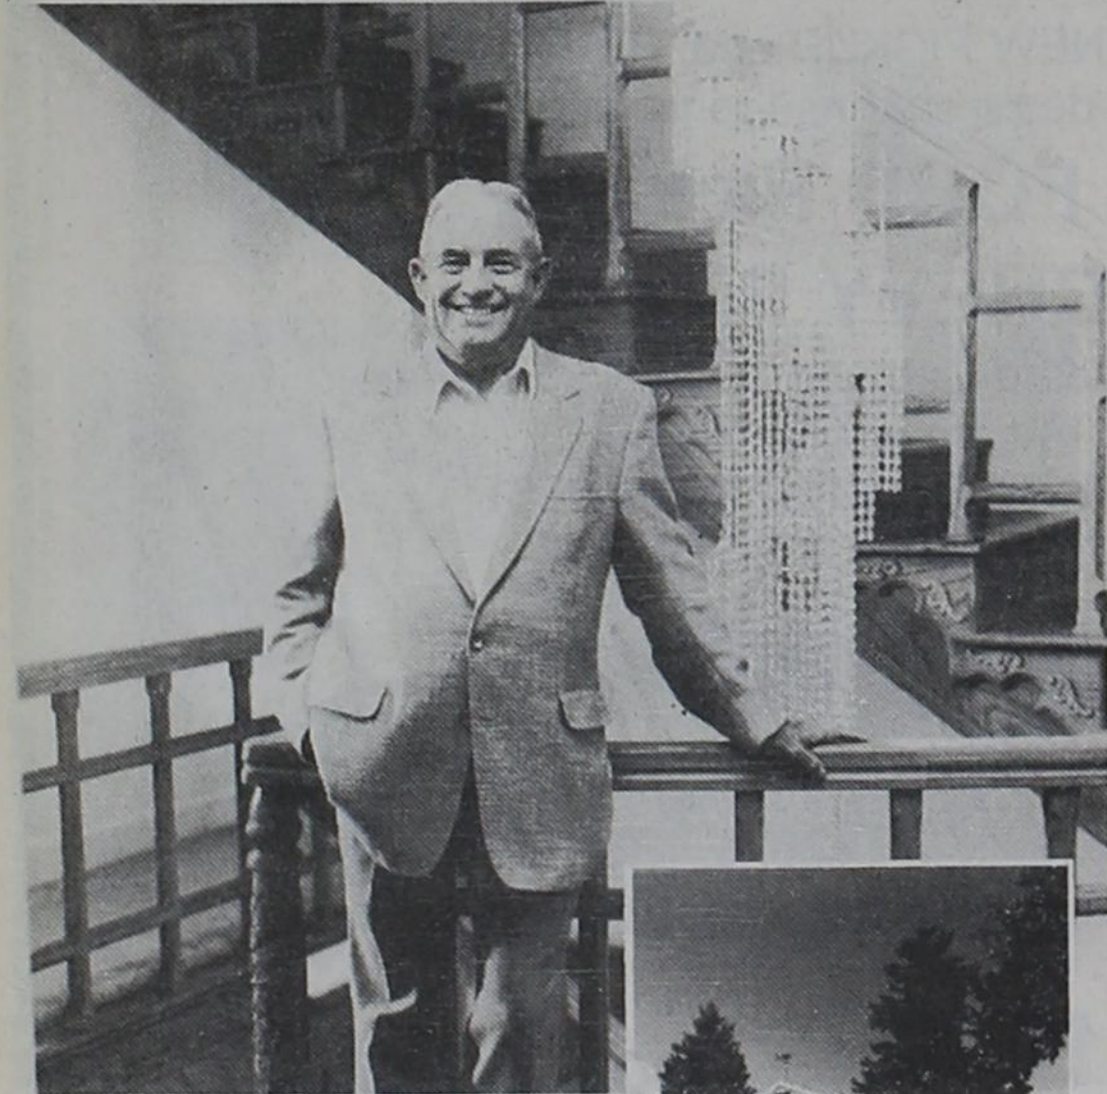

The Yearlings play at Sudan Sept. 26.

Steer of the Week

Coach Cumpton named the Player of the Week as Brian Johnson, who had 12 tackles, including 6 for negative yardage.

"Nothing but the best heating and cooling system would do . . . the Heat Pump."

Marion Hightower of Hobbs

The Hightowers restored this historic home into a showplace. Among its many outstanding features are a spacious living room and a hand-carved staircase. A Heat Pump keeps it comfortable year-round.

Wolverines shut out Eunice, 9-0

by Janice Jenkins

It was a great Homecoming for Texico last Friday as the Wolverines defeated Eunice, 9-0.

Texico is now 3-0 and plays at Jal tonight (Friday) at 7:30 p.m.

Texico kicked off and Billy Rogers made the tackle. Kelvin Gooden also had a strong tackle and Eunice was forced to punt.

Kenny Shaw received it and got to the 25 yard line. Both teams were hitting hard, and Eunice recovered a fumble.

On the next play Texico forced Eunice to fumble and Corey Horner recovered. Gooden ran twice, gaining a first down. Two plays later Shaw made good yardage for a first down, breaking a tackle. After Shaw ran for another first down, Josefre "Pepe" Gonzales then picked up another first down.

Shaw made a good block to help Gonzales pick up big yardage. Then Gonzales ran around the end and picked up a first down on a nice carry. Gonzales then hit Gooden with a 6-yard toss in the end zone with 1:38 left in the first period for a TD. The 2-point run attempt failed and the Wolverines led 6-0.

On defense, Chad Dunsworth and Shaw made strong tackles. Then it looked like Eunice was going to go for a TD when Steven Horner made a super tackle. Both Corey Horner and Steven Horner made tackles and held Eunice scoreless as the first quarter ended.

After Texico was unable to move the ball, Shaw tripped up the runner and Steven Horner made the tackle. Matthew Williams and Louie Delgado contributed good tackles, forcing Eunice to punt.

Marsha Hamilton was crowned as queen and Josefre Gonzales as king of the Texico Homecoming. Pictured with them are last year's king, David Johnson and last year's queen, Jennifer Gentry and crown bearers, Cherry Mayfield and Jerrod Richards.

Bond issue election slated

Texico voters will probably be asked to consider a proposed bond issue to enlarge the Texico Junior High School on Jan. 14.

The exact date for the election and the total amount of the bonded indebtedness will be set at the Sept. 30 meeting with the financial consultants and architects and school Supt. Dr. R. L. Richards.

The board has already had

input from the building committee which has established its priorities.

Shaw took the punt, returning it 33 yards, helped by a Gonzales block. But Texico was held and Eunice took over the ball.

After a tackle by Dunsworth, Eunice was 4th and 1, going for it. They completed a pass for the first down, but a few plays later lost a fumble.

On offense, Gooden made good yardage, but Eunice recovered a fumble. Eunice moved the ball well but the first half came to a close.

Texico got the ball in the second half but was in a 3rd and 30 situation after penalties. On defense, after a Corey Horner tackle, Steven Horner recovered a Eunice fumble.

Texico again was stopped and punted. On defense, tackles by Shaw and Gonzales and a broken up pass by Williams stopped Eunice.

On offense, Johnny Salinas took a 26-yard pass from Gonzales deep into Eunice territory. With 4:51 left in the quarter, Luis Gonzales kicked a 22-yard field goal to put Texico up 9-0.

Eunice went all out to score but Texico's defense, with tackles by Billy Rogers, Salinas, Steven Horner, Gonzales, Gooden, Greg Akers and Anthony Garica, stiffened once again.

Coach Bruce Scroggins said, "We played much better. We were much improved. I was happy with what I saw."

Individual statistics: Rushing - Shaw, 16 for 75 yards; Gooden, 13 for 37; Gonzales, 6 for 27; receiving - Gooden, 1 for 6 yards; Salinas, 1 for 36; passing - Gonzales, 2 for 6 and 49 yards.

Team statistics: first downs - Texico 9, Eunice 14; rushing yards - Texico, 37 for 122; Eunice, 50 for 150; yards passing - Texico 40, Eunice 41; total yards - Texico 162, Eunice 191; punts - Texico 5 for 30.8 yard average; Eunice, 3 for 33 yard average; fumbles recovered - Texico 5 (Garcia, Akers, Steven Horner and Williams 2), Eunice 2; penalties - Texico 5 for 45 yards, Eunice 1 for 15.

Texico plays at Jal on Sept. 27. It should be a good game. Jal has "only lost one game to Tatum which is the number 1 team in Class A. They are every bit as good as Eunice," said Scroggins.

Something to think about:
A smile is the most important thing people can wear.

Buying a center pivot
VS.
buying a Valley
and a good dealer.

One thing is for sure, a good dealership doesn't cost a penny more, yet a poor one can cost you a bundle. That's something to think about, because if hardware is all you measure, you're missing the vital link - us, your Valley dealer.

That link is why the cheapest produce is not necessary the best buy. Through thick and thin, good and bad economic times, the biggest bargain in irrigation is a good dealership. One with staying power, factory-trained service, and parts. It means service, and parts you can depend on for many, many years.

So don't just compare equipment when you buy your next system. Compare dealers. We're ready to talk when you are.

Rest easy. It's a Valley.

Texico has a new deputy marshal

"This is the best of both worlds," says Texico's new Deputy Marshal Kirk Roberts. Roberts comes to Texico from the South Valley area of Albuquerque where he spent two years with the Sheriff's department. The El Paso native says that he didn't like living in a city. "I was looking for a small town. I wanted a career in law enforcement, and it is important to me to help people. But, I wanted to be in a place where you could still find some of the morals and values that still exist here and don't exist in cities," he says. In Bernalillo County, Roberts says, "I'd probably get 25 to 30 calls per night. They would range from domestic violence

to armed robberies to stab-bings to bar fights and shoot-ings." He has lived in a variety of different communities, and small towns are a favorite. He lived in Roswell for nine years, the longest time he ever spent in one place. He attended the University of New Mexico, and then he joined the U.S. Navy. He was a torpedoman and a work center supervisor, career counselor, and drug and alcohol advisor during the 5 years he was in the Navy. After his time in the Navy he returned to UNM for some more classes, but left without taking a degree. Roberts is still single. He hopes to find some time to golf and to participate in sports. "I plan to live in Texico," he adds.
