

The Lynn County News

Lynn county, in the heart of the best diversified farming country in Texas.

We invite you to locate in beautiful Tahoka. Good homes, good schools, good churches.

Volume XXIV

Tahoka, Lynn County, Texas, Thursday, February 2, 1928

Number 23

MRS. MILLER IS NEW SECRETARY

New C. of C. Directors Organize For Year's Work; Nance Is Treasurer

At a meeting of the board of directors of the local Chamber of Commerce held Tuesday afternoon, Mrs. Paul Miller of this city was elected secretary and Emory Nance treasurer.

The election of Mrs. Miller seems to meet with general approval, and the business men of the town almost without exception have expressed confidence in her ability to do the work of a secretary in a most satisfactory manner.

While Mrs. Miller has had no experience in Chamber of Commerce work, yet she has had much experience in dealing with the business world and in organization work of various kinds, and she has been uniformly successful in "putting over" everything of this character which she has undertaken. She frankly states that she will have many things to learn but she has confidence in her own ability to do the work. The locus of her office has not been established at the time this is written.

Mrs. Miller will begin the work at a most modest salary, but the organization will accordingly have more funds with which to carry out its program, and it is believed that a good year's work before us.

Mrs. Miller is one of the few women secretaries in Texas. Big Spring had a woman secretary for a number of years, and she did very excellent work.

Caveness Is Out For Re-election

We are authorized to announce this week the candidacy of Prof. H. P. Caveness for re-election to the office of County Superintendent of Public Instruction.

This office came into existence, as a separate and distinct office a little more than two years ago by operation of law. Prof. Caveness was nominated for this position in the Democratic Primaries of July 1926, and after his nomination but before his election, which took place early in November, he was appointed to fill the office which had been created by operation of law, the law providing that the office is automatically created when the scholastic population of the county reaches 3,000. Assuming the duties of the office about September 1st Mr. Caveness has served now about 16 months. During this brief time he has already brought about wonderful improvement in some of the rural schools that come under his jurisdiction. He has been working tirelessly for the betterment of the schools and the procuring of better educational advantages for the rural child. He asks for a second term in order that he may carry to fruition some of the plans that he has worked out for the advancement of the rural schools.

"Please say to the voters of the county that I am doing what I think is best for the schools of the county," Mr. Caveness stated in authorizing his announcement, "and if I am elected I shall continue to do my best. I shall not be able to see all the voters of the county on account of the duties of this office, but I shall appreciate every vote I receive."

Mr. Caveness has been a citizen of Tahoka almost ten years, having served as Superintendent of Schools in the Tahoka Independent School District for seven consecutive years. He did very fine work as superintendent of the schools in Tahoka, and we believe that it is the general verdict that he has been doing most excellent work as county superintendent. He will probably have no opponent for election to this office.

MANY POLL TAXES PAID

The tax collector has not yet had time to make a compilation of poll tax receipts issued but he states that the number appears to be approximately 3,300. This is a larger number of poll taxes than was ever before issued in a single year in the county. We expect to give the exact number next week.

Makes Survey For Boll Worm Fight

Herbert Steed of the Federal Horticultural Board, of San Antonio, was here this week making a survey of this county for the Government with a view to combating the pink boll worm, which is threatening to invade the lower south plains. Mr. Steed is at this time making a survey of Lynn, Dawson, Borden, Gaines, and Terry counties. He is getting in touch with some of the farmers and some of the key men in these counties in order that proper information may be easily disseminated at the proper time in the event the pink boll worm should appear here. These pests have not yet appeared in any of the above named counties but it is said that they have made their appearance in Midland and Howard counties, the furthest point north being 25 miles northeast of Midland.

J. B. Nance was here Wednesday from Pyote, to which place he went a few weeks ago to watch the oil game, and possibly to get into it.

TEACHERS TO MEET AT DRAW

County-Wide Meeting Set For Saturday; Good Program Is Arranged

This will be the second meeting of the teachers this year. Lynn county has a wide awake corps of teachers, most every teacher not only belongs but attends these county meetings. Most of the schools have one hundred per cent enrollment in the State Teachers Association, and a number of teachers belong to the National Educational Association.

Every progressive teacher in the county is very much interested in the coming Interscholastic League meet. Supt. Rickard of O'Donnell will discuss the coming meet, giving plans for a number of new events that the county executive has added this year.

Supt. Rogers of Lamesa, third Vice President of the State Teachers Association and one of the leading superintendents of west Texas will speak.

The program for the afternoon is: 1. Song—Glee Club of Draw. 2. Words of Welcome—Prof. Griggs. 3. Response—Supt. Caveness. 4. Song—Male Quartet of Draw. 5. The Coming Interscholastic Meet—Supt. Rickard. 6. Song—"The Farmer Boys"—Primary Boys of Draw. 7. Address—Supt. Rogers of Lamesa. The public is invited.

Simpson In Race For Re-election

Wesley Simpson this week makes his announcement as a candidate for re-election to the office of Sheriff and Tax Collector of Lynn county.

Mr. Simpson's life as a man and his record as a peace officer are too well-known to the citizens of Lynn county to need any comment on our part. Mr. Simpson was appointed to the office less than three years ago upon the death of his brother, Marshall Simpson, who was then the incumbent. Serving out his brother's unexpired term, he was elected to the position in 1926, and is now serving his first elective term.

Mr. Simpson has a host of friends throughout the county, who will rally to his support. They believe that he is entitled to a second elective term. Read his announcement in this issue of the paper and give his candidacy your earnest consideration.

Whippet Agency Established Here

George Knight announces that he and Terry Noble have secured the agency for the Whippet car at this place and will have several car loads of Whippets here at an early date. He has not yet announced what building they will occupy as a sales and service room. Mr. Knight is an experienced and successful car salesman and Mr. Noble possesses splendid business ability and it is predicted that they will do a thriving business here.

APPROXIMATELY 38,000 BALES GINNED IN COUNTY TO DATE

The News this week received an official report as to the number of bales ginned in Lynn county prior to January 16. We have misplaced same but it showed that about 36,300 bales had been ginned prior to that date. Since much cotton has been gathered since then, it is safe to estimate that the total has now almost reached 38,000.

Approximately 10,700 bales have been ginned in Tahoka, counting round bales as half bales. Practically the same number has been ginned in O'Donnell, while nearly 5,000 bales have been ginned in Wilson, more than 4,000 at Grassland, and about 2,500 at Draw.

New Lynn, Gordon, New Home and New Moore will bring the total for the county to near the 38,000 figure. This is about 11,000 bales below the 1926 crop, which reached a total of 48,956.

The cotton now being ginned is all pulled or snapped, some of it being gathered with sleds. It has been bringing from 14.50 to 15.50 cents per pound. The great bulk of the crop this year, however, brought from 18 to 21 cents. The country is in better condition financially than for several years.

Lynn County Is Invited To Garza Terracing School

For the benefit of the Lynn county farmers who wish to attend, one day of the two day terracing school to be held in Garza county will be held on the west side of the county on the L. G. Theut farm, nine miles west of Post on the Post-Tahoka road. A cordial invitation is extended to all the Lynn county farmers who might be interested in attending this school.

The school will be held by Mr. M. R. Bentley, Agent Engineer of Extension Service, A. & M. College and Mr. A. K. (Dad) Short of the Federal Land Bank, Houston, Texas. Mr. Reese of the Corsicana Grader Manufacturing Co., will also cooperate and will be in charge of the construction of the terraces.

The purpose of this school is to train the farmers in the use of the farm level, its adjustments, laying of terrace and contour lines and in the construction of terraces. The whole day will be devoted to this work and if a man comes to learn he will be given an opportunity to do so. Lunch will be served by the Post merchants.

The first day of the school will be held in the breaks two miles east of Post on the Z. D. Kemp farm.

The dates for this two-day school are February 13th and 14th. The first day, Monday, February 13th, will be held east of Post as indicated above and the second day, Tuesday, February 14th will be held on the L. G. Theut farm on the Post and Tahoka highway, nine miles west of Post.

KNOX PARR, County Agent, Garza County

ENGINEER CONSULTS WITH MAYOR ABOUT SEWER SYSTEM

W. D. Howren, general and consulting engineer of Amarillo and formerly city engineer of that city, was here today interviewing the mayor members of the city council with respect to a city sewer system.

Mr. Howren called at the News office and gave some reasons why he thought a city should install its own sewer system rather than permit some corporation to install it. He is now installing a system for the city of Crosbyton and states that he has heretofore installed systems for many of the cities and towns of the Panhandle and Plains. Ralls, Tulsa, Hereford, Canyon, Panhandle, Pampa, Dalhart and a number of larger towns own their own sewer system.

The News will probably present some definite information next week as to the local situation.

Baptist Meeting Begins This Month

Announcement was made at the Baptist Church Sunday that a revival meeting would be held here, beginning probably about Wednesday, February 22, and continuing over the second Sunday following. Rev. B. N. Shepherd, the pastor, will do the preaching. Mr. and Mrs. Virgil Reynolds, of Fort Worth, Texas, evangelistic singers, will conduct the song services and otherwise assist in the meeting. Mr. and Mrs. Reynolds are also very highly accomplished pianists and play other instruments, and they are very popular wherever they go.

This will be the major meeting of the Baptists of the year. Of course all other Christians are invited to join in the services.

Post School Board Inspects Tahoka School Building

Supt. Watson and most of the members of the Post school board, accompanied by the wives and children of several of them as well as a teacher or two, and Mr. Hiner of the David Castle Company of Abilene, architects, came over Sunday afternoon to inspect the new \$100,000 high school building here. They were piloted through the building by Supt. M. L. H. Baze and the president of the board, and they expressed the greatest admiration of the building.

The initial steps for the holding of a bond election have been taken at Post. The petition and other papers are being prepared incident to the calling of the election and it is contemplated that an election will be held at a very early date. The bond issue will be in the sum of \$100,000 and the bonds have already been sold provided the election carries. The board has been offered a premium of \$125.00 for the bonds, which bear 5 per cent interest, we understand. If the bonds carry, a building very similar to the Tahoka building will probably be constructed.

Wood Announces For Public Weigher

R. C. Wood has requested that we place his name in our announcement column this week as a candidate for reelection to the office of public weigher of the Tahoka precinct.

Mr. Wood has been serving in this capacity for a number of years. He was first appointed to the place by the commissioners' court and has been elected at each recurring election since. Mr. Wood says that he has tried to give service and we believe he has succeeded. We have heard practically no complaint of his work as public weigher. Scrupulously honest, courteous, faithful, always at his post of duty, a hard worker as long as there is work to be done, Mr. Wood has truly given service to those who have had business at the cotton yard. He promises to continue to give the same kind of faithful service if he should be re-elected. He respectfully solicits your vote and influence.

Chevrolet Agents Locate Here; Will Erect Building

Messrs. M. H. Snowden and C. A. Rayburn of Littlefield have removed to this place and opened a Chevrolet sales and service business under the firm name of Snowden-Rayburn Chevrolet Company. They come highly recommended as citizens and business men and they will be cordially welcomed to the business circles of our city.

Temporarily their place of business will be at the Burleson Grain Company, but if present plans materialize, a new building will soon be constructed by Sam Sanford and Ira Doak on the east side of the square to be occupied by Messrs. Snowden and Rayburn as a sales and service room.

Mike Redwine and family removed the first of the week to Slaton. This good family have numerous friends here who regret their removal and who hope for their return at a later date.

Chester Connolly went down to Dallas Tuesday to bring back one of those new Ford cars for a customer.

Many At Terracing Demonstration

Many farmers from various parts of Lynn county attended the series of terracing demonstrations conducted on the Park farm seven miles northeast of Tahoka by C. C. Willis, farm agent of Scurry county, on Monday, Tuesday and Wednesday of this week. Mr. Willis gave these demonstrations at the request of his friend, Robt. H. King of the Security State Bank.

Also many farmers, we understand are attending the terracing demonstration being conducted today on the Lockhart farm south of town by Knox Parr, county farm agent of Garza county, who came over at the request of Miss Halsey, home demonstration agent.

These demonstrations will be quite helpful to the farmers of Lynn county, but how much more helpful it would be if we had a farm agent in this county to do this kind of work continuously through the winter and spring as long as there should be demand for such services!

POST OFFICE GIVEN DRAW

Will Be Sub-Station Of Local Office. Affords Much Better Service

A sub-station post office has been authorized at Draw, according to Postmaster D. A. Parkhurst, who has been working faithfully on the proposition for the past few months. The station will open on March 1, with A. R. Hensley of Draw as the clerk in charge.

Routes 2 and 3 will be slightly rearranged. The carrier on one of the routes will carry the mail from Tahoka to Draw while the other carrier will bring the mail in from Draw to Tahoka. There will be mail service six days in the week.

This will not be an independent post office but will be a sub-station of the Tahoka post office. We are not advised as to the exact points of distinction between the two characters of office, but mail will be distributed at the Draw office in the same manner as at a regular office. Mr. Parkhurst says this sub-station will be the only one of its kind that he knows anything about in this part of the state.

Mr. Parkhurst and the people of Draw are to be congratulated upon the successful consummation of his efforts to have this station established.

Re-election Sought By Miss Viola Ellis

Miss Viola Ellis is a candidate for re-election to the office of county treasurer, subject to the action of the Democratic Primaries, as will be noted by scanning our announcement column this week.

Miss Ellis was elected to this office in 1926 and is serving her first term. She is asking that the time-honored Democratic rule shall be applied in her case and that she be given a second term. We know of no reason why her desires should not be complied with. So far as we know she has performed the duties of this office in an efficient and entirely satisfactory manner. We have never heard a word of complaint as to any official act of hers.

Miss Ellis is the daughter of Mr. and Mrs. S. W. Ellis, who, until recently, resided in the Three Lakes community. Prior to her becoming a candidate two years ago, she was a teacher in this county. She has hosts of friends throughout the county, who will be delighted to cast their ballots for her to remain for another term in her present position.

OPERETTA AT HIGH SCHOOL AUDITORIUM FRIDAY NIGHT

An operetta, entitled "Love Pirates of Hawaii" will be given in the spacious and beautiful auditorium of the High School Building by the members of the Boys' Glee club and the Girls' Choral Club under the direction of Mrs. Jackson Friday night.

This operetta was given early in December and was highly complimented. Tickets are now being sold and Mrs. Jackson says she expects a full house. Admission, 15 and 25 cents. The proceeds will be applied to the payment of the Baby Grand piano in the auditorium.

COUNTY COURT IS IN SESSION

Number Of Cases Disposed Of; Much Interest Is Manifested In Case

Several cases have been disposed of in the county court this week. Some of them have attracted considerable interest.

George Washington, a gentleman of color, was tried before a jury Monday on a charge of unlawfully carrying a pistol. The evidence failed to show him guilty in the opinion of the jurors and they turned him loose. George lives in the Wells community, and quite a crowd of people were here from that section of the county either as witnesses or as innocent by-standers at the trial.

H. C. Wilhite of the New Moore community was tried Tuesday on a charge of aggravated assault. It was alleged that he had struck F. L. Burroughs of the same community with a hammer in a fracas in which the two men engaged early in December. The jury found the defendant guilty and assessed his punishment at a fine of \$50.00.

On the same day Claude Poston was tried upon a charge of aggravated assault and acquitted. Poston was alleged to have struck and cut one Jack James with a knife in a fracas at the dance hall north of town a few weeks ago. On the trial, however, the prosecuting witness failed to give any damaging testimony against the defendant, claiming that the injury was accidentally inflicted. On Wednesday Troy Veach entered a plea of guilty to a charge of drunkenness. The court assessed his punishment at a fine of ten dollars.

J. W. Morgan Jr. of Big Spring entered a plea of guilty to a charge of "cold checking." His punishment was a fine of \$25.00 and confinement in jail for 5 hours.

A civil suit styled The Vacuum Oil Company vs. The Sullivan Auto Supply Co. was also tried Wednesday. Suit was upon an account alleged to be due, which defendants denied. Other cases are being tried today.

Happy Smith Sails Lid Into Ring

W. E. (Happy) Smith will again ask the voters of Lynn county to leave his name on their ballots when they go to the polls next July. His name appears in our announcement column this week as a candidate for re-election to the office of county and district clerk.

Mr. Smith is now serving his third term. By training and experience he has become unusually proficient in the duties of this office, and it is often said by those who have business in the courts that Happy Smith is one of the best county and district clerks in Texas. He knows all the "ins and outs" of every department of his work, and he performs his duties in such a happy, pleasing manner as to win the good will of all. He even has a painless method of extracting the dollar from the fellow that incurs expense in the courts.

Not only is Happy a jam-up good county and district clerk, but he is a leader in all civic activities. When any organization in the county needs help, they always feel free to call on Happy to lend a helping hand. And he is always right there with the goods.

Having waited until candidates were announcing for other offices like corn popping, Happy decided this week that it was about time to get his name in our sheet, and so it is. He wants your vote and influence in July.

Hill Motor Company Buys Property Here

The Hill Motor Company of Lamesa announces that it has purchased the building occupied by the Chevrolet dealers here and will hereafter use it as a Buick Sales and Service room. We understand that Mr. Hill has also purchased some adjacent vacant property, and while we have no information to this effect, yet it would seem probable that the Buick dealers expect to erect a new building on these lots in due time. Mr. Knight, who has heretofore occupied this building, will procure other headquarters but is not yet ready to announce his new location.

METHODIST SOCIETY HAS INTERESTING HISTORY (By Mrs. H. C. Crie)

(Continued from last week)

Our next president was Mrs. John Donaldson. In her term of office we bought a large rug, folding bed, davenport, and two rocking chairs. A barn was built. Mrs. Cain was teacher of the young ladies' class in Sabbath school. She created a great amount of missionary enthusiasm among her class. When the Conference thought best to send us Brother Callaway as pastor Mrs. Cain interested her pupils in furnishing a room for Miss Ola Callaway, the parsonage daughter. The girls gave an ice cream supper in the Gores old building and raised enough to buy a dresser, two rockers, and some window shades. When the morning train came through, the girls went aboard and sold ice cream and collected for it to be delivered when the train came back in the afternoon from Slaton. The train hands and passengers were much surprised to see the girls come on board with the first freezer of cream they had prepared for the festival that night. The trainmen had merely considered their expenditure as a contribution and not a bona fide sale. This added materially to the girls' fund, and long afterwards when ever the society held a dinner the train crew would order an afternoon lunch put aboard the train and would gladly contribute that much "to help the Methodist girls."

While Mrs. Donaldson was president it was decided that a delegate was to be sent to district conference. That was the first time Tahoka had ever been personally represented. To us it was not merely one of the prominent ladies of the town going somewhere. No sir-ee. It was We, Us and Company making our very first and very personal bow to the whole of the Big Spring District. We were "somebody goin' somewhere," and determined we were that all Big Spring District would know that we were really "somebody come" when we got there—would sit spell bound with mouths agape while our delegate "strutted her stuff." So elated did we become over the splash we were to make into "high society" that we conferred many, many times together but forgot to elect our delegate until the afternoon before she was to start on the next morning's train. Mrs. Ellis was the one chosen; though the poor lady protested that she had a new dress cut out to make, had not done her week's laundry and would have no time to prepare a written report. What! Do all that in such a short length of time and do Tahoka Society credit? The Society answered in sweet soprano voices that they'd "see her through." They did! Some of the ladies and a Singer machine made that dress before dawn. Others helped launder our delegate. As editor of The Lynn County News, writing was in Mrs. Crie's line. She and a sister, who was a cub on the Floydada Hesperian, pitched into that report and by train time next morning had their part of the "seeing through" ready. Our delegate was not only absolutely prepared, she looked like a June rose in a bride's bouquet, as she fared forth to put Tahoka Society on the map at the Big Spring district meet. Had she been first lady of the land she could not have looked more wonderful to us. Imagine our pride when we learned that our delegate was the only one who answered roll call every session of the conference, and one of three who presented a written report! After thoroughly airing our pride with the peacock feather fan of self-esteem we viewed the landscape over and put our hand to the next job in sight. This took the form of some minor repairs about the Church and Parsonage.

A revival brought into the church

the largest class of members ever received up to that time except while Brother Hanks was with us. This materially built us both in courage and numbers.

When Brother Ledger came as our pastor we chose Sister Ledger as our president. They were with us for 18 months. We bought a bed and duofold and a few other things for the parsonage. That year occurred an awful drouth and finances were poor, but faith was strong. While we made but little material improvements on the church and parsonage, yet we held our own and paid every inch of our way.

Sister Dunn was our War president. Most of our activities centered around Red Cross work. She served the society during Brother Dunn's pastorate at Tahoka Church.

The two years Brother Hinds was pastor Mrs. J. A. Brashear was our president. The parsonage was wired for lights and other repairs and improvements that materially added to the comfort and convenience of the pastor's family. Mrs. Brashear is our only president to have been called by death.

Mrs. Northercross was our president during the Upton's year in the Tahoka church. A new brick flue was built. The house had a completely new roof put on it and a handsome coat of gray paint spread on the exterior.

Many of the "first ladies" have moved or been called by death. Mrs. John Thomas, Mrs. Donaldson, Mrs. Swan, Mrs. Slover, Mrs. Coughran, Mrs. Henderson, Mrs. White, Miss Clayton, Mrs. W. K. Ray are those now residing in Tahoka who were members at any time during the period ante-dating the year 1912.

Following the close of Brother Upton's ministry, Brother Howell, who was with us just following Brother Hanks' pastorate, came back to us for a second time. The improvements at this time were a lot and yard fence and papering the kitchen and dining room.

Last year, under the leadership of Sister Eldridge, our society took up the zone work with great enthusiasm. One after another of the different societies have taken their time at entertaining the societies federated under the zone system. Lamesa, O'Donnell, and Tahoka have had their time and Ackerley will be hostess to the Zone in December. Tahoka, T-Bar, Lamesa, McCarty, and Ackerley are the societies included in Zone 6. Tahoka, Lamesa, and O'Donnell have the three branches of work, with three active societies. The leader of the Tahoka Junior Society is Mrs. Suddarth. They have been affiliated since October.

Mrs. Crie, Mrs. Swan and Mrs. Fenton, the present president, have each served the society three consecutive terms. Mrs. Crie has also served two other terms as president. Two wives of pastors, Sisters Ledger and Dunn, have occupied the president's chair. Mrs. Fenton, our 13th president, has accomplished much. Brothers Eldridge and Breddova have been our pastors while she has directed the society's efforts. During that time the society has bought and paid for the pews, completely repapered the parsonage, put in several new windows and a door. A bath room with all fixtures and sewerage facilities has been installed. City water has replaced the old windmill pumping outfit. We have paid our part toward the Girls' Encampment in the Palo Duro Canyon. There are two traits of our society which stand forth like a banner proudly streaming. Such loyal team work is seldom met with and never is it excellent. And Tahoka Society always "pays in full."

During the past Conference year the Elizabeth Hughes Society came into existence with Mrs. John Thomas as superintendent and Mrs. Roscoe Roberts as president. The society gets its name from a cousin of

Mrs. Thomas, who was for twenty years a missionary to China. A brief sketch of Miss Hughes' life and achievements for the church is here appropriate.

Miss Hughes was born at Daleville, Miss. She was converted at the age of ten and joined the church. Returning from church that night she stated she had received a definite call to the foreign mission field. At sixteen she attended Conference at Meridian, Miss., and volunteered for life service. Immediately she began her training at Scarritt Bible and Training School. At the end of four years preparation she sailed from New Orleans, La. She spent twenty years in China, going through the Boxer war. She was furloughed home during a year's ill health. At this time her mother's health failed and she remained with her until Mrs. Hughes was called by death. While in the home land these two years she was traveling missionary evangelist. Returning to China for two years she passed away at Shanghai, China. Her brother had her body brought back to Meridian, Miss., where she was laid to rest beside her parents, Charles and Pauline Hughes.

The Hughes family also furnished another missionary. Harry Hughes spent two years as a missionary in Japan. When Mr. Hughes sailed for Japan the Tahoka Society gave him a shower of articles useful on the mission field. Mr. Hughes died in Japan, thus completing two gifts made by this grand old Methodist family to the cause of Christ in the foreign land. From this source the Junior Missionary Society proudly derives the name of Elizabeth Hughes.

This band of young matrons are displaying the same enthusiastic loyalty that is apparent in their elder sister society. The Elizabeth Hughes Society is the "Baby" society of Zone Six and the elder society looks with loving pride upon the achievements of the younger sister. They have numerous trays and visits to the sick and considerable charities to their credit. In October the two societies put on an elaborate program and luncheon for the occasion of the Zone Six meeting at Tahoka Church. The Elizabeth Hughes was organized March 27, 1917, and has a wonderful record. This society meets at the homes of the several members. They have an enrollment of fourteen members.

The elder society has completed its year's study course, which consisted of the Bible as outlined in The Missionary Voice, also two mission study books, "The Moslem Woman" for foreign work, and "Our Templed Hills" for home mission study. The summer months were taken up with the studies of the Minor Prophets. The study book for the opening of the Conference year will be, "A Straight Way Toward Tomorrow." The Bible study will be "Twelve Hundred Questions and Answers."

The officers of both societies for the present Conference year follows: First Society—President, Mrs. E. W. Fenton, Vice President, Mrs. A. L. Jones; Corresponding Secretary, Mrs. C. A. Thomas; Conference Treasurer, Mrs. Larkin Weathers; Social Supt., Mrs. W. B. Slaton; Supt. Supplies, Mrs. B. H. Robinson; Social Service, Mrs. Clinton; Local Treasurer, Mrs. L. E. Turrentine; Recording Secretary, Mrs. G. M. Stewart; Reporter, Mrs. Marshall Stewart.

Elizabeth Hughes Society—President, Mrs. Harley Henderson; Vice President, Mrs. Cliff Dickson; Corresponding Secretary, Mrs. J. A. Brashear; Local Secretary and Treasurer, Mrs. Seago; Adviser, Mrs. Thomas.

A condensed statement gathered from returned checks gives the information that the society has disbursed upwards of six thousand dollars since the beginning of Brother Howell's pastorate. As our society has never had an enrollment of more than forty at any given period of its history, we are well proud of this record. The loss of our books while without a church home makes it impossible to give any detailed account of money disbursed.

During the era when the Baptist ladies were associated with us in the "Court Dinners" they had a number of members, who, to make this story complete, should be mentioned: Mendames S. N. McDaniel, W. D. Nevels, S. H. Howell, R. J. Hones, Stokes, Doak, McGonagill, E. N. Weathers, Ora Ewing and others contributed the "Baptist half" in time, material, and work, to make successful those financial harvests, which so richly rewarded our efforts. Some of the happiest associations of all time and place center around the assembling and serving of these feasts. When the division of proceeds arrived it was discovered that there was an odd nickel. Who should have it? A precedent was established at the first dinner, which, ever afterward, stood the ladies in good stead. "How shall we divide this extra nickel?" asked one president of the other. Up spoke

the banker where the deposit was being made, "Easy enough! Let the Goddess stand for the Methodist and the Letter for the Baptist society; then toss the coin in question." A smiling little Baptist lady, now no longer with any earthly society, laughingly tossed the coin. Presto! The Baptist society received the extra money. The flashes of wit and humor during these divisions of funds are some of Memory's most winsome treasures. Across the span of years we smile at an incident occurring when the Baptist ladies received the "first odd nickel." Mrs. Howell, the gold-en-voiced singer of Lynn county during those early days led the Baptist ladies in singing: "It Really Pays Us to Serve the King."

A long trail has been made. Members save come and gone, leaving with us a richness of experience, carrying with them an enthusiasm and zeal for work in the Lord's Vineyard. We too have our ambassadors to that Other country, Our Silent Ones! They who day and night do behold the face of our Father. Adown thru the years the Death Angel has borne away several of our number. They are gone, but in our hearts their memory sweetly abides. Mrs. Ida Thomas and Sister Lisemby were our first two members to be called to the Home Above from Tahoka Society. Since then we have lost by death two presidents, Mrs. Brashear and Sister Callaway, wife of our 8th pastor. Mrs. Mittie Montgomery, Mrs. Darthula Clayton, Mrs. Minerva Fleming, Mrs. McCarley completes our roll of members lost by death. Mrs. McCarley was the mother of Mrs. Slaton, who at present is our Social Leader.

Smiling eyes, willing hands, winsome voices! From out the shadows of the Past, Memory calls them tonight. Hands now engaged in the Missionary endeavor, hands folded long since or but last eve! Would I had magic pencil to portray scenes of those other days! Would that from its flowing word there could flash across the phantom stage those events, that you could see them as clearly as those of us who have had active part in the society's endeavor from its first humble beginnings.

As the golden curtains of the past roll backward and each scene stands out in clear relief before our enchanted eyes, then listen, dear reader,

er, and you will hear faintly, faintly, and yet very sweetly, clearly adown the corridors of yesterday, the sil-ver bells of memory. And as we journey, by aid of this loquacious pencil, may we gather those dewey, matchless, thornless creations that we view across the widening vistas of the years—the flowers of kind deeds and generous friendships which alone

abide after all else shall have faded into oblivion. Tahoka has been and is now rich in love and friendships and will lay them up in the golden storehouse of Heaven. The women of Tahoka, the stalwart ones, daughters, the honey bees

T-Bar

As we have had a few weeks vacation from the paper, we'll come to the News telling our sad stories.

As far as health is concerned, the majority of the community are well, although we have a few cases of the "flu".

Most of the farmers are at work on a new crop. Unless it rains pretty soon the plowing will have to be postponed on account of the dry soil.

There was not such a large crowd out to Sunday School Sunday. What is the matter with our people? If it's cold weather keeping you away, just button up your coats and come on.

Brother Shumake from Bethel will fill his regular appointment Sunday evening. Let's everybody come out and hear him. You who have heard him know his singing and his sermons. Tell your friends about him and let's have a large crowd.

School is progressing fine. Just about eight more weeks and it will come to a close. The school term has been shortened on account of the school funds being short. You who have children had better place and keep them in school the rest of this term.

Ritcher, and Gladys Terry were visitors in Mr. Crews' home Monday night.

Mrs. J. A. Beasley and husband were called to Lubbock Sunday to see the sick. We haven't learned their names.

Mr. Charley Henderson is building more to his store.

Ruby Moore took dinner with Ruth Crews Sunday.

Mr. Skeet Ward and Edmond Tigger returned to their home in New Mexico after visiting friends and relatives here.

Carl Ritcher and Raymond Moore left Tuesday for Cleburne, where they will join Raymond's people, who now live near Cleburne.

Mr. W. M. Waldrep was called to his mother's bedside, who is seriously ill. We hope he will be able to report her health better when he returns home. We understand his daughter Willie, best known as Bob, will come back with him.

—APPLE BLOSSOM

Infant Dies Of Typhoid Fever

Billie Hugh, seven months and two days old, infant son of Mr. and Mrs. Hugh Hendrix died about 8 o'clock last Friday morning at the family residence seven miles south of Lubbock. The child was a grandson of R. N. Hendrix and a nephew of E. J. Hendrix of this place, the father of the child having previously resided here. Burial was at Lubbock.

Death resulted from a combined attack of typhoid and pneumonia, the child being sick about a week.

The parents and relatives have the sympathy of numerous friends here.

MARY MARGARET TUNNELL ENTERTAINS WITH PARTY

On Monday afternoon, January 30, there were many happy children at the home of Mr. and Mrs. J. H. Tunnell, where they were invited to little Mary Margaret's birthday party.

Games of "Hearts" and "Thimble" were played and enjoyed, after which the little guests were invited into the dining room to eat the birthday cake, which was topped with six candles. Cream, cake and candy were served, during which time the little tots gave birthday greeting to the honoree.

Red and white were used in the decorations, carrying out the idea of Valentine day. The favors were tiny Valentines.

The invited guests were Louise Le Mond, Nell Le Mond, Louise Heath, Mary Bland Wells, Allen Wayne Lullin, Olga Fay Taylor, Zella Margaret Taylor, Jerry Nash, Marjorie Wells, Dottie Turrentine, Norma Jean Weathers, Mavis Brasfield, Ruth Brasfield, Dorothy Ann Roberts, Eloise Roberts, Bettie Sue Roberts, Tommie Le Mond, Lucille Slaton, and Mary Margaret Worth.

Texas now has about 8,000 miles of natural gas main pipe line, one of the largest gas systems in the country.

Legion To Move Into New Home

Below we give the names of those who have voluntarily contributed to our fund for the purpose of assisting us in paying out our home since our last report:

Mrs. Linnie Windham \$5.00
B. J. Leedy \$5.00
Additional contributed to Oyster supper Jan. 19th \$2.00

Total \$12.00
Total Last report \$176.13

Grand Total \$188.13

With such good support coming in each week and with our membership promising to be a hundred per cent, we feel sure that our goal for 1928 will be reached before the year is out.

Within the next few days we will assume possession of our home and will begin to make necessary arrangement to furnish with furniture and many other things which we will need. We plan to give a furniture shower, the date of which will be published later. Now folks, if you have anything in the way of furniture you don't need, just bring it along and we can handle it for you; not only furniture but such as cooking utensils, dishes, and anything that can be used in the kitchen. Also if you have some chickens, pigs, hogs, calves, cows or anything you might feel like you would want to give, bring them along as on that date we will be in a very receptive mood.

It has been called to our attention that some are under the impression the Legion intends to use the home for revenue purposes thru rentals, which is a misunderstanding, as the building will be used exclusively by the Legion and its Auxiliary for business and social activities, and such organizations in the town and county who desire to hold banquets etc. Through the permission of the Legion we intend paying out our home through our own efforts and with the help and cooperation of the public in general. "Let's go. Who'll be next?"
Publicity Committee.

RAILROAD MEETING AT BROWNFIELD MONDAY EVE

An enthusiastic bunch of about 50 citizens of O'Donnell invaded our city Monday for the purpose of discussing an east and west railroad line proposed to pass through the two cities. A crowd of Brownfield people met with them under the chairmanship of W. A. Bell. They were given a very hearty welcome to our city and a promise of co-operation looking toward any future railroad building.

Much speaking both by visitors and local people was indulged in, and we believe if nothing else comes of the meeting other than a better understanding and the fellowship of the two towns, the meeting was not in vain. But perhaps if there is really any railroads to be built, this understanding will stand in good stead for any joint work the two towns may undertake.

While the visitors were given to understand that they were not lining up with any town against any other neighboring town or city, they admitted that any railroad built through this section from Rotan to Roswell would find O'Donnell and Brownfield nearer on an air line than perhaps any other two towns in this section. The proposed railroad through this section however, at the very best, is months, perhaps years in the future. It takes time for big movements like this to get under way, and then they are generally out of the hands of any promoters when they are begun.

When real builders get ready to enter the field they do not desire nor call for mass meeting, but rather they want a permanent committee of the leading business and professional men of the town to meet with them and the proposition and demands of the builders are squarely put up to them, and the committee in turn are then to put the proposition up to the community in general.

The Brownfield people should, in view of these facts appoint a committee of two fisted business men and given full instruction to keep their ear to the ground for anything of this nature with full and complete powers to treat with any bona fide proposition that is put up to them. Too many promoters are simply out for a bonus and really have nothing whatever to do with any railroad that may be built in the future.—Terry County Herald.

CARD OF THANKS

We wish to thank each and every one for their help and kind words during the illness and death of our darling child and grandchild William Eric Tadlock. We pray God's richest blessings on all.

Mr. and Mrs. Buck Tadlock
Mr. and Mrs. T. G. Dulin and Children

The Boys' Glee Club and the Girls' Choral Club had charge of the music at the Baptist Church last Sunday night. Their singing was very fine and was much enjoyed by the congregation.

Supt. M. L. H. Baze and Prof. Taylor White were business visitors to Midland last week-end. They were accompanied as far as Stanton by Prof. Williams, who visited a brother at that place.

Uncle Will Brown says that practically the entire family is sick this week. No serious cases, however, and it is hoped they will all be up within a few days.

Three Lakes

A prominent family moved out of our settlement several days ago. S. W. Ellis and family removed to Christoval, where he is in the hotel business. He has leased his farm to Geo. M. Duckett.

Quite a few around here visited their friend, Mrs. Alta Johnson in the Lubbock Sanitarium last week. Among these were Mrs. T. M. Ellis Jr., Mrs. Carroll Edwards, Mrs. W. E. Sikes, and Mrs. Ella Johnson.

H. T. Ellis and G. M. Duckett spent two days in Lubbock last week. W. E. Sikes went to Lubbock last Saturday and treated himself to a new Chevrolet car.

Our teacher, Prof. Huff, accompanied three of his eighth grade boys to Slaton to see the basketball game between Crosbyton and Floydada. Archie Johnson and Cecil and Oran Hickerson are the boys that went. They say the game was interesting.

Brother Vinson preached for us last Sunday and a large crowd was there. He spent the night with W. A. Yates and went home Monday. Newton Barham and family took dinner with W. E. Sikes and family Sunday.

John Anderson and family of Odonnell visited J. Wright Edwards and family last Sunday.

Wash W. Johnson is attending county court this week.

A word about our church crop. Last year we cultivated 50 acres in cotton, made enough to pay some back debts, got money to pay our pastor for the next 12 months and then some. The church has 75 acres crop for this year, under the management of G. W. Hickerson, Sr., who is treasurer of the church.

LAKE WATER

NEWMORE NEWS

Last Friday night the Newmore school gave a carnival for the purpose of raising money to buy some very much needed playground equipment. There were several attractions including a Symphony Orchestra (a bunch of "simps playing phoney" music) and a debate between two citizens on the all important question: Resolved that the rolling pin is a more useful article than the broom. After this the large crowd amused themselves by visiting the many side-shows. At last a cake (of soap) for the ugliest man and a fine cake, beautifully decorated in the school colors for the prettiest girl brought a neat sum for the school.

The Newmore school girls organized a basketball team last Friday and will soon be ready to play any

A chartered Training School for Nurses is conducted in connection with the Sanitarium. Young women who desire to enter may address the Lubbock

team. Luther Clarence Goad, a student at the Texas Tech spent the week end with his uncle, Mr. L. F. Goad.

Mr. Clarence Daniel returned Saturday from a weeks visit with his father-in-law, Mr. S. M. Moore, at Southland.

Mr. and Mrs. Staton Gardenhiser, who have been running the Newmore boarding house have recently moved from the community.

Mr. and Mrs. Perry of Slash-L were visitors in the home of Mr. and Mrs. Walter Taylor Sunday.

Mrs. Thomas Moore of Wells spent Saturday and Sunday with her father and mother, Mr. and Mrs. L. E. Daniel.

Mr. and Mrs. E. A. Goad returned Wednesday from visiting friends in Southland, Slaton, and Lubbock.

Mr. Herbert King is in a Lubbock Sanitarium where he has been operated on for appendicitis.

Edgar Goad spent the week-end visiting friends in Lubbock.

Mr. and Mrs. Joe Curry, their little son, Billie Joe and Miss Freda Goad are visiting relatives and friends at Rule.

Mr. and Mrs. Gus Caruther's baby has been very ill for the past few days.

Farmers of this section report that practically all the cotton is out. Ten days of fair weather will probably end the cotton season.

—REPORTER

Petty

(Delayed)

Moving is still going on in this part of the county. We think we have lost good neighbors, and we hope we have gained good ones.

Mr. and Mrs. Lonzo Stroud of Lubbock were the guests of Mr. and Mrs. Brooke Smith Sunday.

Mr. and Mrs. G. C. Beatty visited in the home of Mr. and Mrs. O. S. Smith Sunday.

Mr. and Mrs. Ray Odum have moved to Lubbock. We regret to see them leave but hope they have taken a higher step in life. They have bought a nice home in Lubbock and Mr. Odum has a good job awaiting him.

Brooks Smith made a business trip to Anton Monday.

Mr. and Mrs. Blair of New Home visited at Petty Monday.

Our school is getting along nicely. We think we will have a full school soon.

Warren Smith visited at New Home Sunday.

O. E. Smith and G. C. Beatty made a business trip to Lubbock Tuesday.

SLASH L CLUB REPORT

(Delayed)

The Slash L Club met at the home of Mrs. A. G. Crutcher Monday evening, January 16. A very delightful evening was spent. There were only 7 members present. Mrs. Minnie Crutcher resigned as secretary and Miss Ruby Pharr was appointed to take her place.

Arrangements were made to get post and wire to fence the school house, for the purpose of helping the school get state aid.

Miss Halsey was present and gave some very interesting and useful demonstrations on living rooms, arrangements of furniture, curtains and floors. This demonstration will prove very useful to those wanting to improve their living rooms. There were several members entered. The yard contest. Our next subject will be on the yard improvements at the home of Mrs. Ed Anderson, February 6 at 2:30 p. m. There will also be a box supper at Slash-L School house January 28 for the benefit of the school. Everyone is invited to come. There will be several boxes for outsiders.

—REPORTER.

W. M. MONEY AND FAMILY

MOVE TO SOUTHLAND

W. M. Money, who has held the position as manager of the local yard of the Panhandle Lumber company, has been transferred to the yard at Southland, on the South Plains, and left with his family for that point yesterday.

The Money family have made their home in Miami about one year, coming here from Tahoka, Texas, and have made many friends in this section during their short stay here. Southland is to be congratulated in securing these good people as citizens of their town and community.

—Miami Chief.

Now is the time to plant a tree. Consult your nursery catalogue, decide what varieties of fruit trees are best adapted to the South Plains section and then order a goodly number. Grapes and berries of the right kind nearly always do well here. Let's make this a land of orchards and vineyards.

SHERIFF J. W. SIMPSON

ANNOUNCES FOR REELECTION

TO THE VOTERS OF LYNN COUNTY, TEXAS:

Due to the responsibilities of my office it will be impossible for me to devote my time at present in seeing the voters of this county and expressing to them my appreciation of their past support of me and asking their support in the coming election, I take this method at this time to announce that I will be a candidate for re-election to the office of Sheriff and Tax Collector of Lynn county, subject to the action of the Democratic Primary in July 1928.

In submitting my candidacy for re-election, I am mindful of the fact that I have made mistakes and that I will be criticised for not only the mistakes I have made but for many I have not made; however I have served the people of Lynn county for nearly three years as Sheriff and Tax Collector, having been appointed to fill out an unexpired term of my deceased brother, and having been elected at the election and served you one whole term, and the unexpired term as above stated. During this time I have not devoted all my time to the enforcement of any one Law, but have put forth every effort of my office and every moment of my time toward the fair and impartial enforcement of each and every law on our Statute Books, without fear or favor to any one. In this connection let it be distinctly understood that I am in favor of the enforcement of our Prohibition laws as well as all other laws, and when I have been armed with the proper legal documents for the apprehension of any man or woman, I assure the citizenship of this county that such party will be apprehended if it is in my power to do so.

Before the campaign closes I shall do my best to see as many of the voters personally as possible, yet I ask my friends to bear in mind that I have a duty to perform under my oath of office in assisting in the protection of the lives, the property, and the homes of this county, first of all, therefore will be impossible to see as many as I would like to see, however my record is before you and based upon that record I am again submitting my candidacy for re-election to this office.

For the purpose of keeping the record straight, I wish to say that in so far as my election to this office is concerned I am asking for reelection for a SECOND TERM, however it is true that I served, as above stated, an unexpired part of my brother's term. With the experience I have now had in familiarizing myself with the grave responsibilities of this office, I feel that I am just now in a position to render real service to the people of Lynn county, and if I am honored with this office for a second term, I hereby rededicate my every effort to the service of the good people of Lynn county to the end that this county may be made a safer and better place for our lives and our children.

Respectfully submitted,
J. W. SIMPSON,
Sheriff Lynn County, Texas

NEW TEXAS ALMANAC

Some folks say they can't make a living in Lynn county and not raise cotton. Here is an estimate of what Brooks Smith did on his dairy farm: He sold six hundred and thirty-five dollars worth of cream last year besides the hogs, eggs and chickens that were sold from this farm. It is

therefore safe to say that every farm should produce dairy products. Poultry production is probably the second safest and most satisfactory to dairying. There is some difference of opinion as to whether all farmers should produce pork for home consumption. The writer believes that every farm family should raise its own pork for home use.

EDITORIALS

CONTINUED

We do not know how many candidates will seek the office of representative in the legislature from this district this year. But if there should be more than one candidate, we are sure that the voters should exercise more discrimination than is usually the case in electing men to this office. The business of making laws is one of the most important matters that concerns us. Yet we frequently elect men to this position whom we would hardly trust with the most insignificant position in the home town or community. There is not much remuneration attached to the office and for that reason it is sought chiefly by young men, ambitious fellows without experience and often without ability, or by men who have some kind of an axe to grind. We ought to pay legislators a decent salary and then elect our ablest men to the position.

Houston got the National Democratic Convention. It is a signal distinction, if not a distinct honor, for this is the first time a National Democratic Convention has been awarded to a city of the "Solid South" since 1860—a period of 68 years. There is reason for rejoicing at "Heavenly Houston," and the entire State should join in the welcome to the host that will be drawn to the Lone Star State next June for this great gathering. But what of the price to be paid for this political plum? If it is only the cash consideration offered with the good will and hearty welcome of our people, all is well. But, if it includes a surrender of principle to Tammany, incident to a nomination of its big chief for the Presidency, then the price is too high, and it would take no prophet to predict that the sponsors of the scheme will be disappointed when the Lone Star State speaks through its duly accredited delegates at the Convention—Rogers News.

Tom Connolly is the latest entry into the race for the U. S. Senatorship. This place is now held by Earle B. Mayfield. Others who have paced out on the race track are Oscar B. Colquitt, Tom Blanton, Alvin Owsley Jr., Mrs. Minnie Fisher Cunningham, and a fellow down at Houston named Rowe. Some time ago Don Biggers also announced that he was a candidate but said he did not expect to win. Nobody ever takes Don seriously, for he never takes himself seriously, and the chances are that his name will not go on the ballot. All the others probably will. And the boys are going to have some fun on the hustings this spring.

If any stranger doubts that a progressive people inhabits these plains, let him come to Lynn county and look around a bit. He will find more modern, brick school houses in the rural districts of Lynn county than he will find in almost any one of the older and more populous counties of East, North, South, or Central Texas—brick buildings with splendid auditoriums with a seating capacity of 300 or more, such as are found in the rural communities of Draw, Dixie, New Home, and Wells. We are a peculiar and a progressive people.

Ordinarily cotton will continue to be the big money crop in Lynn county for many years to come. But all of us should cut down expenses by continuing to diversify. Jersey cows, and hogs, and chickens, and turkeys can be raised here by the oodles, and all these should be found on every farm. Let's grow rich through diversification.

There has long been a cry for "fewer and better laws." But why not start a campaign for fewer and better law makers?

We have a great people here on the plains—a great people here in Tahoka. We are proud of our little city and our great citizenship.

H. A. Riddle and family left the first of the week for Glen Rose. They expect to remain there for several months for the benefit of Mrs. Riddle's health. They were accompanied by the latter's mother, Mrs. W. J. Crutch.

Clyde Thomas says that his big brother, Hugh Thomas, and his good wife of Petersburg are the happy parents of a fine girl born a few days ago. The grandparents here, Mr. and Mrs. John Thomas, are very proud of the young lady.

Mr. and Mrs. C. L. Backenstoss of the Lubbock Business College were here in the interest of that institution today.

Joe Bailey Man Died Last Sunday

Tom Anderson, living on the Sam Sanford farm in the Joe Bailey community, died at about 2 o'clock Sunday morning and was buried Sunday afternoon at O'Donnell. The funeral service was conducted by Rev. Braswell, a Baptist minister of Lamesa. Mr. Anderson had been a highly respected citizen of this county for the past six years. He was about 60 years of age and had been in failing health for a year or more.

Federated Societies Met Last Monday

The Federated Societies met at the Methodist Church Monday afternoon and the following program was rendered:

Scripture Reading—Mrs. John Stokes.
Prayer—Mrs. Carmack.
Duet—Margaret and Mildred Wetzel.
Reading—Janice Sanders.
Contest—
Officers for the coming year were elected with Mrs. A. Z. Jackson, president; Mrs. John Evans, vice-president; Mrs. H. P. Caveness, reporter. Dainty refreshments were served to a large number.

DRAW-REDWINE H. D. CLUB HAS INTERESTING MEET

The Draw-Redwine H. D. Club met January 27 with Mrs. D. G. Cook. Miss Halsey was present, and the subject discussed was "The Livable Living Room." She gave much helpful information on that line.

The following members were present: Mrs. W. T. Luttrell, Mrs. J. A. Williams, Mrs. Carl Williams, Mrs. W. H. Wright, Mrs. J. E. Crabtree, Mrs. I. N. Sandifer, Mrs. C. C. Johnson, Mrs. Willis Pennington, Mrs. Jesse Veach, Mrs. Gus Porterfield, Mrs. Bud Moore, Mrs. T. I. Parks, Mrs. A. R. McDaniel, Mrs. C. C. Jackson, Mrs. D. A. Cook, and the hostess, Mrs. D. G. Cook.

A program committee was appointed consisting of Mrs. A. R. McGonagill, Mrs. Willis Pennington, and Mrs. Gus Porterfield. Six new members were enrolled. The next meeting will be with Mrs. J. A. Williams, on February 10; subject to be discussed is "Poultry." —REPORTER.

SLASH-L CLUB REPORT

The Slash-L canning club met at the home of Mrs. Ed. Anderson Thursday, January 20, for the purpose of canning a beef.

There were several club members present, including Mrs. R. R. Seay, Mrs. R. E. Seay, Mrs. A. L. Perry, Mrs. H. T. Thomas, Mrs. J. D. Pharr, Miss Ruby Pharr, Mrs. Gladys Carroll, and Mrs. J. E. Carroll. Miss Halsey, our home demonstration agent, was also present. A very pleasant day was spent. The canning was quite a success. There were 67 No. 3 cans and 143 No. 2 cans filled with beef. We learn each meeting that the club work is becoming more beneficial.

CANYON NEWSPAPER MAN RUNS FOR REPRESENTATIVE

Our good friend, Clyde Warwick, editor of the Canyon News, has been lured into the political game. He has announced as a candidate for Representative in the legislature from his district, which is commonly known as the Amarillo district.

If Mr. Warwick proves to be as good a lawmaker as a newspaper man, he will be a find-dandy. He is owner of one of the best newspaper plants in Texas and publishes one of the best weekly newspapers in the state. He has prospered financially too and is now one of the big property owners of his town. Since there is no money in the office to which he aspires, his only motive can be that he may render service to his district and his state. If we had more men in the legislature of Mr. Warwick's poise and keen business judgment, we are sure there would be fewer foolish bills introduced in that body and more sane and sensible legislation.

All the editors of this section of the state will hope for Mr. Warwick's election.

We failed to note last week the advent of a fine little miss into the home of Mr. and Mrs. B. H. O'Neal, which happy event occurred the preceding Sunday. Mother and babe are doing well and B. H. is a bit more cheery than usual.

Tahoka is in fact one of the most attractive towns on the plains. We can make it more attractive by growing more grass and shrubs and flowers. Why not plant a rose

WOMEN'S CLUB MEETING ANNOUNCED FOR FEB. 7

The Women's Club of Lynn will meet at 2:30 P. M., Tuesday, February 7, with Mrs. Herbert Huff. All members of the club are urged to be present. Visitors are invited.

E. E. Meads and family and Mr. and Mrs. W. M. Jackson of Tuxedo,

Jones county, were visiting in the home of J. L. ... city.

J. V. Dyer returned from San Angelo, where he ... family of his son-in-law, ... Mr. Sanders suffered a ... of a leg several weeks ... he fell from a building ... is not healing rapidly.

Sweets for Your Sweetheart

When Valentine's Day arrives, be on deck with a box of the preferred Candy—Pangburn's. It is the surest compliment to the lady's taste.

METHODIST SOCIETY HAS INTERESTING HISTORY

(Continued Next Week)

best mounds, where rest our departed sisters, our town, with all its influences for civic righteousness, our schools, our lodges, clubs, and social life—Tahoka had an important part in all, in helping make Tahoka the "Queen City of Lubbock District."

And this is the story of our achievements adown the years. There have been smiles and tears; glad hands and tender hearts strong and true. The story of our society has been one of accomplishing "that which hands found to do." Mrs. Gore, Mrs. Porterfield, Mrs. Hampton, Mrs. Cris, and Mrs. Millman were the charter members of this society. Of that number, only Mrs. Cris yet resides in Tahoka. When those five pioneers blazed the trail for those who would come after and later carry the burden of the work, the had meager ideas of the good they were setting in motion. Vision they had—but their eyes were too hidden to envision the smoothly operating unit of church endeavor it has since become.

"There will come a day" when all earth shall be covered with the pure white light of Eternity. All isms and creeds and differences will be swept away as rose petals on the

wings of a dewey sun-drenched morning. Those loved and lost will appear again, clothed in living, breathing presence. We who are now busy in the Vineyard will be so spiritualized that we may see with clearness of sight, not as now, darkly, through a glass. In that day will an all-consuming gladness claim us. And as we look on the achievements realized by Tahoka Society we will be satisfied with what prayerful, consecrated effort has wrought. Our fears, hopes, faith, and trust, the work, sighs, tears, prayers, songs, smiles, things visible and invisible, the quick and the dead, those of us who are in voice, those silent, in low-lain, flower-grown mounds, all—all silent or vocal, we, our work, and all it has accomplished, have had but one thing as a goal—promoting Christ's Kingdom on earth. And while time lasts, it shall be told as a memorial of these faithful handmaidens of our Lord. "They have done what they could."

Edith

The play, "The Old Fashioned Mother" will be presented at Edith Saturday night, February 4, by the people of the community. The admission will be 35 and 25 cents. This play will be well presented for much time and study has been spent in its preparation. Each character is well suited to his part and appropriate costumes have been selected for all. Humorous, interesting, and entertaining vaudeville has been prepared for between acts. Don't fail to see Jerry Gosling, the swappiest boy in the state of New York.

Lakeview

Mr. Bryon Wright went to Lubbock Saturday in a Ford Roadster, but came home in a Chevrolet Coupe.

Mr. Whitley, a man from Petty School has been attending prayer meeting at the Lakeview church for the last Sunday nights and last night January 29 he gave us a good talk. We want him to come and be with us any time he can.

J. W. Wright moved down close to Meadow this last week. He and family were here visiting yesterday.

Mrs. Henry Wright has returned home from Lorenzo and he is going to move there and barber.

The Senior Sunday School is going to have a social at J. K. Wisdom's Friday night and the Junior class is going to have one at Mr. John Moore's house.

There was a large crowd at prayer meeting Sunday night and we surely are glad to have them. We want them to come back every time they can.

Mrs. Hollingsworth gave the Junior Sunday School a supper Sunday night. Mrs. Moore gave one for the Senior Class.

Miss Jewell Bartlett has had a real bad hand on her. Don't know what caused it but hope it will soon be well.

Mrs. Mary Wright and Mrs. C. A. Wright went to Lubbock on a business trip Monday.

Mr. Loyd Bartlett was not at school today, but we hope he will be here tomorrow.

Kay and Medford Moore are having to stay out of school to pull bolls. They will start back Monday week.

Mr. Hollingsworth's folks are moving today down to Meadow.

The Lakeview boys and girls are going to play New Home a game of basketball in a few weeks, and Buck Campbell is the main player on the boys team.

Mrs. C. E. Campbell.

Charles Underhill, her son—Edgar Hammonds.

John Underhill, the younger son—Ralph Payne.

Widow Bill Pindle—Mrs. Jodie Hodge.

Sukey, the widows mite—Gerald Campbell.

Jerry Gosling—Warner Boyce.

Lovingly loving Custard—Bertha Phillips.

Isabell Simpsett—Eva Smith.

Gloriana Perkins—Lorene Phillips.

Enoch Rone—Guy McCoy.

Jonah Quackenbush—C. M. Phillips.

Quintus Todd, the Sheriff—Alvin Rhea.

Miss Halsey met with the Edith Club girls last Wednesday January 25 at the school house. She gave them an interesting talk about their health. The club will meet next Wednesday, February 8, to elect officers for this year. The members of the Club are asking for the cooperation of the parents in club work this year.

Mr. E. H. Herd and family of Wheeler, Texas, are visiting Mr. O. H. Hargett and family.

Mr. J. T. Owens and family attended the old Sacred Harp singing at Ragtown last Sunday.

Mr. Jim Taylor from Seagraves and Mr. Tom Downey Ballinger moved into our community last week.

The singing at Mr. and Mrs. J. K. Nowlin's Sunday night was enjoyed by all.

The Edith girls' club gave Mr. and Mrs. Jodie Hodge a shower last Saturday night at the home of Miss Ida Mae Tucker.

Mr. Ira Krebs of Tulsa is visiting with his parents, Mr. and Mrs. C. W. Krebs.

Guy and Roy McCoy attended the singing convention at Shallowwater Sunday. Guy also made a flying trip to Littlefield.

Mrs. Seals has been very ill the past week.

Mr. Sam Harter and Clyde Wilson went to Gaines county Monday.

Mr. Lunceford moved five miles northeast of Tahoka Monday.

—REPORTER

UNCLE BEN ENTERTAINS WITH 'POSSUM DINNER

Some time ago some of Uncle Ben Rogers' friends gave a surprise dinner in honor of his birthday—we have forgotten which one—but they took occasion to roast him good and proper, and in a good-natured way.

But revenge is sweet, even to Uncle Ben. He got it on Wednesday night of last week. He had a 'possum party. Uncle Ben lived for years down in the 'possum country, of which Palestine is the capital. He still has a niece residing there. Recently he wrote his niece to have some of his east Texas friends to catch and ship to him one of those fat, juicy 'possums, such as Uncle Ben used to hunt with his hounds.

The 'possum was forthcoming. He arrived in due time. We have no idea where Mrs. Bray of the St. Clair Hotel learned the fine art of cooking 'possum, but they say she did it to a queen's taste. All things being ready, Uncle Ben sent out and invited a number of his friends to the 'possum feast. They came. They saw. They feasted. Judge Elliott sat at the head of the table and presided. But it was Uncle Ben's party, and he was intent on having his revenge for the cruel thrusts he had suffered at the hands of his guests on the previous occasion. Their gibes rankled in his heart. He opened up on a perfectly innocent guest, Bill Nev-

els.

He said that the secret of Bill's success in the cow business was that Bill always managed to have a bunch of some other man's calves suckling each of his cows.

Ches. Connolly, he said, claimed to be in the automobile business. It was not so. He only sells Fords. Then he told this story: A donkey met a Ford. He says, "Who are you?" "I am an automobile," replied the Ford, "who are you?" "I am horse," said the donkey. They both laughed.

Uncle Ben said that George Small's wife recently told him that he was a model husband. George was feeling quite chesty about it until he decided to go to the dictionary and find the exact meaning of the word "model."

This was the definition that he read: A small imitation of the real thing. J. W. Elliot, he declared, could preside with more dignity and less ability than any one he ever saw.

Don Bradley, he said, claimed to be in the abstract business. As a matter of fact he is in the "extract" business; he extracts from \$2.50 to \$5.00 from nearly every fellow he meets.

He told this one of Mrs. Lowrey, explaining first that Mrs. Lowrey is very accomplished and an adept at unraveling puzzles. Have you heard the latest in Ladies Ready-to-wear? she was asked, "No what is it?" "A woman," she was told.

Uncle Ben seemed to have a special pique at Happy Smith. He told so much on Happy that no one present could remember it all. But his chief revenge on Happy was that he so worked it that Happy had to carve the 'possum. It was Happy's maiden effort. He worked furiously while the rest of the party made all kinds of fun.

Uncle Ben got his revenge and all the guests had a glorious time. Plates were spread for the following: Mr. and Mrs. Geo. W. Small, Mr. and Mrs. W. B. Edwards, Judge and Mrs. J. W. Elliott, Don Bradley, Chester Connolly, W. D. Nevels, Happy Smith, Mrs. Zoe Lowrey, Miss Pearl Kéner, and Miss Gertrude Bishop.

Three sections of Texas are without parallel as game preserves: The forested area of East Texas; the Edwards Plateau of Southwest Texas and the Gulf Coast.

OBITUARY

The Death Angel came Thursday morning at 2 o'clock and took from our midst the infant son of Mr. and Mrs. Buck Tadlock. He was born December 11, 1927, and died January 26, 1928.

Dear little William Earle, we loved you so much, and we will miss you. But we know you are one of God's brightest angels. We know you are waiting for us on the other shore, where there will be no tears. You are gone but not forgotten.

—A LOVED ONE.

Rev. Graves Darby of Wilson was a Tahoka visitor Monday.

SHERIFF'S SALE

THE STATE OF TEXAS
COUNTY OF LYNN

Notice is hereby given that by virtue of a certain Order of Sale issued out of the Honorable District Court of Lynn County, on the 1st day of February 1928, by W. E. Smith, Clerk of said District for the sum of \$3364.15 Dollars and costs of suit, under a judgment, in favor of E. Roper in a certain cause in said court, No. 664 and styled E. Roper vs. Mrs. L. L. Fulton, J. P. Fulton and J. B. Anderson, placed in my hands for service, I, J. W. Simpson as Sheriff of Lynn county, Texas, did, on the 1st day of February, 1928, levy on

certain Real Estate, situated in Lynn County, Texas, described as follows to-wit:

40 acres of land out of the south side of the northwest one fourth of survey No. 110, Cert. No. 637, in Block No. 12, E. L. & R. R. R. Co. land and also the north one half of the S. W. one fourth of section No. 110, Cert. 637, in Block No. 12, E. L. & R. R. R. Co. land, all of same located in Lynn County, Texas and levied upon as the property of Mrs. L. L. Fulton, J. P. Fulton, and J. B. Anderson and that on the first Tuesday in March, 1928, the same being the 6th day of said month, at the Court House door, of Lynn county, in the town of Tahoka, Texas, between the hours of 10 A. M. and 4 P. M., by virtue of said levy and said order of sale I will sell said above described Real Estate at public vendue, for cash, to the highest bidder, as the property of said Mrs. L. L. Fulton, J. P. Fulton and J. B. Anderson.

And in compliance with law, I give this notice by publication, in the English language, once a week for three consecutive weeks immediately preceding said day of sale, in the Lynn County News, a newspaper published in Lynn county.

Witness my hand, this 1st day of February, 1928.

J. W. SIMPSON,
Sheriff Lynn County, Texas.

NOTICE OF IMPOUNDED STOCK

Notice is hereby given that I have impounded the following live stock found running at large within the corporate limits of the City of Tahoka, to wit: One gray horse, about 15 1/2 h. h., no brands; and one black horse about 14 h. h., branded on the left hip, both smooth mouthed, and the same will be sold to the highest bidder for cash at public auction between 10 o'clock a. m. and 4 p. m. on Monday, Feb. 13; proceeds to be applied as provided by City Ordinance. M. C. FINCH, City Marshal.

LET'S HELP THIS NEEDY FAMILY

There is a family named Gray living about three miles east of town that is in destitute circumstances—a family consisting of a father, mother, and six children, ranging from one to twelve years of age. The mother has appealed for help. We have made some investigation of the case and find the conditions to be pitiful. The eight members of the family have only one bed on which to sleep and not enough bed covers to keep them warm. The children are all scantily clad. They have been actually suffering from cold. They came to this county about 7 weeks ago to pick cotton. The have barely made enough to buy their food. The mother is in poor health. It is possible that the father is shiftless, or it may be that he is just a bad manager, or he may be the victim of misfortune. At any rate, the children need bedding and clothes. Since we have no charity organization here just at this time, The News is undertaking to acquaint the people with the facts, and we suggest that clothing and bedding be provided. We would not recommend the giving of money, particularly. What the children need is something to keep them warm. If any one desires to contribute, the family may be found in a little house near the G. C. Sargent home. Or, if any one wishes to bring bedding or clothing of any kind to the News office, we will see that it is delivered to this needy family. Or, if money is contributed, we will see that it is spent for something to keep these children warm.

—THE NEWS

LOCAL CHURCH CONTRIBUTES \$500.00 TO McMURRY COLLEGE

At the close of the service at the Methodist Church here last Sunday morning, a collection for McMurry College was taken amounting to almost \$500.00. At the night service the collection was increased to slightly above that amount, the exact figures being \$505.06.

Since the membership of the church is a little less than 300, this is considered a very fine collection. In fact Dr. Hunt, President of the college, stated that the Tahoka church holds the record, according to numerical strength, in the matter of contributions to the College among all the churches in the Northwest Texas Conference up to date.

Dr. Hunt filled the pulpit at both the morning and evening services, bringing a great message at each hour.

While here Dr. Hunt gave out some very interesting information concerning McMurry college, some of which we pass on to our readers as a matter of general information.

During the four and one-third years of its existence, it has enrolled 1250 students. It now has in attendance 134 per cent more than at its opening four years ago.

Of its students, 62 have been preachers, 60 life service volunteers, and 50 preachers' children. The preachers and preachers' children receive free tuition.

In the College meetings, over 400 have been converted and 90 per cent of all the students have been sent out confirmed in their determination for definite Christian life and service. Graduates and student pastors serving charges in the Northwest Texas Conference last year reported 361 conversions and additions in their charges.

The College has met all requirements for first class standing.

In the two years since it became a Senior College, 25 students have received the B. A. degree. This year there are 35 candidates for the B. A. and B. S. degrees.

In intercollegiate contests, McMurry students have won many honors in athletics, debate, and literary work.

It is fast becoming one of the great educational institutions of the Southwest.

YOUNG COUPLE MARRY HERE

On Wednesday night of last week, Elmore Boydston and Miss Oleta Snider were married by Uncle Ike Metcalf at his residence in south Tahoka. They have the best wishes of many friends.

Mrs. O. B. Adams and children of Abilene and her sister, Mrs. Carrie Smith of Denton, were week-end visitors here.

REMINGTON PORTABLE TYPEWRITERS, Standard keyboard and with carrying case, \$60. Easy terms. Call on us for a demonstration. Lynn County News, Phone 35.

The Lynn County News can still be had for \$1.50 per year—\$2 issues. We are also still offering the combination of The News and the Dallas Semi-Weekly Farm News for only \$2.00.

Valentine Party Planned By P. T. A.

Backward, turn backward, O Time, in your flight; make me a kid again just for tonight. That's what the members of the Parent-Teachers Association are going to say to themselves Tuesday evening, February 7. They will meet at 7:30 P. M. at the Central Ward school building for a few hours of real fun. There will be no program—just kid games and fun, a regular Valentine party. Every member is expected to be present and to have his or her little verse ready to say, such as this for instance: If I ask you to be mine, won't you be my Valentine?

This is Mrs. Paul Miller's month to act as President of the Club, and she is planning for this meeting to be a real social meeting. Just forget that you are grave and dignified men and women for this one night and be a kid again. You'll miss a lot of fun if you miss it.

Take Lessons In Kiwanis Work

At the Kiwanis luncheon Wednesday, the members took a lesson in Kiwanianism, if that is a proper word. Each had previously been furnished with a questionnaire about the Club and its work, which none could answer in full. Judge Cain acted as instructor, informing the members as to the correct answer to each question.

The entertainment for the day consisted of a very dramatic vocal performance by Mr. Klein of the Tahoka Drug Company, who gave a song in mimicry of Caruso. Mr. Klein has a most excellent voice and his burlesque was really high class and brought down the house.

White Demonstrates Terracing Methods

A terracing demonstration is being given today by Prof. Taylor White, vocational agriculture teacher in the Tahoka High School, on the Terry farm in the Lynn community. Mr. Terry has a ditcher and a regular terracing outfit, and Prof. White, who is a graduate of the A. & M. College of Texas, has had much experience in this kind of work. In fact he is an expert at the business and will be glad to assist farmers at frequent intervals in this kind of work.

CANDIDATE FOR CONGRESS VISITS TOHOKA TODAY

Hon. J. Ross Bell of Paducah, candidate for Congress from this the 18th district, was in Tahoka today making acquaintances and seeking support for his candidacy. Mr. Bell has a pleasing personality and made a splendid impression with all whom he met. He is one of the leading lawyers of northwest Texas, having served as district attorney of the district for six years. He has the highest esteem and confidence of those who know him and is apparently has the undivided support of his home people. Mr. Bell is making a preliminary campaign in the district and expects to make a full campaign later. Of course, he will have a speaking engagement in Tahoka some time prior to the election.
