B52s Pound Red Troops In Demilitarized Zone

SAIGON, South Viet Nam (AP) — U.S. B52 bombers pounded the demilitarized zone today just a few miles north of a sweep by U.S. Marines against North Vietnamese army regulars.

In a predawn raid, the bombers swept in from Guam to hammer at enemy troop concentrations and storage areas in the six-mile-wide buffer zone between North and South Viet Nam.

Three miles south of the zone, newly landed Marines pushed inland across coastal marshlands and paddies to track down elements of the reorganized 324B North Vietnamese Division.

The Marines landed by helicopter and landing craft Thursday and met no opposition. But in their first contact later in the day, a Leatherneck reconnaissance team surprised a company of North Vietnamese troops moving down a trail. The North Vietnamese were camouflaged with grass and bushes tied to their bodies.

A U.S. Spokesman said the Marines and Communists clashed at close range in a brief but fierce fire fight which inflicted moderate casualties among the Marines. He said nine of the North Vietnamese were killed.

The U.S. Command today acknowledged that American troops burned down the village of Lien Hoa on Wednesday after two U.S. helicopters and an F100 Super Sabre were shot down in the area a day earlier.

The announcement contradicted a statement Thursday from the U.S. 1st Cavalry, Airmobile, Division which said the fire was caused by artillery fire and air strikes.

Newsmen at the scene said they had seen cavalry soldiers set fire to thatched roofs with matches. The official U.S. spokesman said 70 Viet Cong suspects were siezed after the burning of the village, which he described as a "definitely hostile" fortified complex.

Announcing an unusual incident, a spokesman said a U.S. Marine pilot was killed today when he fell from the hoist sling of a rescue helicopter. The pilot had ejected after his A4 Skyhawk hit a tree during a bombing run near Tuy Hoa and crashed.

Elsewhere in South Viet Nam, ground action was light with only small, scattered contacts reported by both the American and South Vietnamese military commands.

A group of 730 Philippine servicemen arrived today on transport ships at Cam Ranh Bay and were flown immediately to their new camp in Tay Ninh Province, long a Viet Cong stronghold. Their arrival raised to about 1,000 the Philippine force in Viet Nam and this scheduled to be doubled within a few weeks. The new arrivals also boosted to about 346,000 the total of allied troops from six nations lined up alongside the South Vietnamese against the Communists.

UNITED FUND OFFICERS — Newly elected officers of the Scurry County United Fund are, from left, Les Francis, who has succeeded Bud England as president; Bill Schiebel, secretary; the Rev. John Bollinger and George Patterson, co-chairman for the annual campaign for funds. Not present for the picture were Jimmy Cloud, vice president, and Martin Brooks, treasurer. The officers were elected Thursday afternoon at a membership meeting. Goal for the campaign this year is $27,500, the same as that of last year.

Rural Water Organization Moves Ahead

Unanimous approval of plans to proceed toward obtaining a charter and arranging for a loan was voiced last night by members of the organization working to provide a water supply for Fluvanna and Union communities.

Some 90 representatives attended the membership meeting at the Union Community Center.

Estimates are that it will require about $415,000 to accomplish the project. A government grant of 45.7 per cent of the total will be sought.

Officers elected last night are L. M. Dawson, president; W. S. Bruner, vice president; O. P. Tate, secretary - treasurer; R. B. Daugherty and Lloyd Web, directors.

When chartered, the corporation will immediately begin plans for installing some 55 to 60 miles of pipeline

Reports were heard from Leon Decker, consulting engineer with Yates-Decker of Abilene; from J. E. Box of the Farm Home Administration and from Dan Cotton, attorney for the organization.

Rainy Spell Covers Area

Another rainy spell enveloped soggy Scurry County today as farmers anxiously awaited the sun's rays to start drying out cotton fields.

The official gauge in Snyder had measured a total of 1.23 this morning. That includes the spell which began early Thursday.

Rainfall ranging from an inch to more than two inches appeared to be general over the Scurry County area.

Lake J. B. Thomas had moderate to heavy rains, but apparently there is little prospect of any substantial runoff. A total of 1.8 inches of rain was measured at the Snyder pump station at the dam, and an inch was logged at the Big Spring-Odessa station on the south shore of the lake.

At mid-morning today, the lake's elevation was 2245.59, reflecting very little change except for the rain that actually fell on the lake.

Personal Incomes Climb In August

WASHINGTON (AP) — Personal income registered its largest monthly gain of the year during August, soaring $5 billion to a record $585 billion at a seasonally adjusted annual rate, the Commerce Department said today.

Increased salaries and wages and a rise in benefits under the health care program for the elderly were mainly responsible for the increase in this key indicator of economic activity.

Terrorists Wound Venezuelan Officer

CARACAS, Venezuela (AP) — Four Terrorists wounded the national police director, Gabriel Jose Paez, in a gun and bomb attack Thursday night. A university coed riding in a car with him was killed and another coed and the driver were injured.

The terrorists opened fire on his car as it stopped downtown moments after leaving Catholic University, where he attended classes.

Officials blamed the outlawed Communist party and a revolutionary movement for the attack.

YOUNG FARMER OFFICERS — Area II Young Farmer Officers who will be in charge of the annual area convention here Saturday are, from left, front row, Truman Hayes, state vice president of Welch; James Beaver, secretary, of Fluvanna; Stanley White, president, of Lamesa. Back row, from left, R. L. Dulin, reporter, of New Home; Don Walker, treasurer, of Stamford; Jimmy Williams of Tahoka and Hulan Harris, supervisor of Big Spring.

Electric Car Studied By Auomakers

ANN ARBOR, Mich. (AP) — The president of Ford Motor Co. says the firm is developing a battery-powered system for automobiles that could eliminate the problem of air pollution from car exhausts.

General Motors Corp., Chrysler Corp., and American Motors Corp., also are known to be working toward an electric power system or other means of propulsion.

Ford's Arjay R. Miller made his disclosure in a speech Thursday at the University of Michigan while discussing air pollution and its relation to today's gasoline-powered cars.

Speaking of automobiles and their exhaust pollution, Miller said at one point:

"The ideal answer to this problem would be development of a vehicle powered by a source that would not produce emissions. The most promising candidate at present appears to be a battery-powered electric car.

"We now have in the early stages of development a new battery power system that we expect could offer tremendous improvements in range, performance and cost.

"Eventually, we hope it will lead to a practical emission-free vehicle for local transportation needs."

Miller was unavailable to newsmen today, but a Ford spokesman said it was safe to assume local transportation needs precluded use of battery power for long-distance trips in the next few years at least.

New Rains Bring Woes To Farmers

BY THE ASSOCIATED PRESS

Widespread rains that brought almost 6 inches at one point fell again in Texas today. The water brought misery to farmers trying to harvest cotton and other crops and indirectly caused some deaths.

The heaviest reported rain was at Strawn, west of Fort Worth. Rains of two inches or more fell in many places.

A cool front which moved slowly toward the southeast, started the downpours. Relief from the rain, by now a burden on farmers and city dwellers alike, was expected to follow movement of the cold front.

Some representative rainfall totals to 6 a.m. included Decatur 1.21, Frost 1.99, Itasca 2.83, Springtown 1.58, Weatherford 2.80, West 1.40, Greenville .81, Crockett 1.35, Hempstead 2.00, Groveton 1.18, Lampasas 2.18, Georgetown 1.11.

Also Bremond 2.00, Eastland .85, Rising Star 1.84, Florence 2.00, Henrietta .90, Munday 34.1, Rotan 1.85, Stamford 1.15, Amarillo 1.24, Lubbock .64, Waco .70, Dallas .50, Abilene .93, Wichita Falls 2.08, Big Spring 1.27, Junction 2.70, and College Station 1.36.

The rainfall was blamed for at least two traffic deaths. It also was beginning to worry farmers delayed in gathering cotton and grain sorghum crops.

Forecasters expected the showers and light rain to taper off gradually in most sections by late tonight or Saturday.

One of the heavier downpours measured 5.39 inches in three hours Thursday at Strawn, between Fort Worth and Abilene. It left farm roads impassable in the vicinity.

A broad sector of the Panhandle-Plains likewise was soaked. Jayton received 4 inches, Floydada 3.61, Matador 3.33, Plainview and Silverton 2.50, Denver City 2.25 and Lockney 2.10.

In the Panhandle a drizzle continued through the night at Amarillo, where the total was 1.70, and at Dalhart, which got only .05. Early morning temperatures at both places sagged to 57 degrees.

Heavier rains elsewhere Thursday included Albany 3.10, Goree 3, Sterling nearly 3, Mineral Wells 2.76, Truscott 2.50, Cleburne 2 and Junction 1.90.

Moisture amounts of one inch or less were common over the rest of the rainy belt.

Many areas of light rain or showers persisted this morning in a North Central and Northeast Texas area largely east of a north-south line linking Brownwood and Mineral Wells. They also extended northward into southern Oklahoma.

Heavy rain limited visibility at the time of fatal accidents which killed Roy T. Smith, 73, who drove in front of a passenger train at Cleburne, and Louise P. Fuller, 45, involved in a two-car crash at Benbrook, a Fort Worth suburb.

PARKING LOT AT FIELD IS MUDDY

Football fans have been advised to avoid the parking area south of the high school field house tonight.

Ben Brock, Snyder High School Principal said the area normally used for parking between the field house and the practice field is muddy and that cars are likely to have difficulty there.

Hope Abandoned For Sub's Crew

HAMBURG, Germany (AP) — Rescuers today abandoned virtually all hope for 13 crewmen from the sunken West German submarine Hai (Shark) as high seas hindered search efforts in the North Sea.

"There is not much hope that we will recover any more survivors," a navy spokesman said Thursday night. Only one member of the 20-man crew has been rescued. Six bodies were recovered Thursday.

The German navy had hoped to put divers aboard the training sub which went down Wednesday night in 145 feet of water and possibly raise it.

But the salvage vessel Magnus III from which the divers were to be sent had to return to port because of heavy seas.

Dutch, British, Danish and German ships and planes were searching the area near the Dogger Bank of Holland. A red buoy marked the spot where the sub went down.

Two British navy ships with special diving and submarine equipment were due at the scene today and the U.S. submarine rescue vessel Kittiwake —with special submarine rescue chambers and air compressors —was due within 24 hours.

U.S. naval officers recalled that many crewmen were rescued from the submarine Squalus from a depth of 240 feet when the ship went down off Portsmouth, N.H., in 1939.

In London, a German diplomat said Thursday night "there may still be life aboard the submarine if we can get down there quick enough." But a German naval spokesman said the chances were slim that anyone was left alive aboard the Hai.

The U-boat was traveling with two other subs, a tug and a tender on the surface when a gale hit the area. The water was too shallow for the 118-foot long, 36-foot high vessel to submerge in rough seas, naval officials said.

First word of the sinking came 12½ hours after the mishap when a British trawler rescued the lone survivor, petty officer Peter Silbernagel, 23. He said the U-boat "sank like a stone."

Young Farmers, Homemakers Set For Convention

Young Farmers and Young Homemakers of Area II, numbering some 400, are expected in Snyder tomorrow for their annual convention.

Registration will begin at 11 a.m. in the foyer of the Snyder High School Auditorium. Fluvanna Young Farmers Chapter and the Roby Young Homemakers Chapter are hosts for the convention.

A general meeting of both organizations will begin at 1 p.m. in the high school auditorium.

At 2 p.m. the Young Farmers will go to the Stanfield Elementary School Cafeteria for their business meeting, which will feature an address by U.S. Sen. John Tower.

Young Homemakers will begin their meeting at the same hour in the high school auditorium. Dr. Mina Lamb of the Texas Tech School of Home Economics, will be a featured speaker at the Young Homemakers session.

Sen. Tower is scheduled to speak to the Young Farmers at 4 p.m.

The convention activity will come to a climax at the annual awards banquet set for 7 p.m. in the high school cafeteria.

Stanley White of Klondike, retiring president of the Area II Young Farmers, will preside at the banquet, and Mrs. Jane Crossland of Gaines County, president of Area II Young Homemakers, will greet the auidience.

New officers of both organizations will be introduced and awards will be presented. Young Homemakers will present awards to the outstanding chapter, to the outstanding new chapter, for publicity and the "Little Sister" award.

Young Farmers will present awards to the chapter with biggest percentage of Membership attending the convention, to the outstanding new chapter in the area, the Area II FFA award, the Star American Farmer award, publicity award, outstanding area chapter and Star Area Young Farmer award.

The Rev. Leon Hill, noted humorist of Amarillo, will be the banquet speaker.

Sponsors of awards include Texas Electric Service Co., Ezell Key Grain Co. of Snyder, Goodpasture, Inc., of Brownfield, Lyntegar Electric Coop, Pioneer Natural Gas Co., Utility Companies of Texas, J. B. Knight Irrigation Co. of Brownfield.

Picket Line Was In Tip-Top Shape

NORTH HOLLYWOOD, Calif. (AP)—The picket line had never been in better shape, observers agreed.

Leading the Thursday were Andra Sullivan, 36-25-36, a blonde professional model wearing a bikini, and two scantily dressed companions.

They were parading for the National Association of Broadcast Employes and Technicians Union, which is asking Film Fair, a television commercial producer, to negotiate.

Film Fair officials had no comment on the proportions of the picketing but reported that one male employe saw Miss Sullivan and asked, "How do I join her union—where do I sign up?"

Storm Brews In Education Panel

By JOHN BECKLER

WASHINGTON (AP) — A revolt that could blow up into one of the nastiest fights Congress has had in years is brewing in the House Education and Labor Committee. It's target: Chairman Adam Clayton Powell.

Led by Rep. Sam M. Gibbons, D-Fla., a group of committee Democrats hopes to put through rules changes that would leave the Harlem Democrat as chairman in name only, placing all power in the hands of six subcommittee chairmen.

"Mr. Powell's actions have become so damaging to the programs we have in our committee, and reflect so on the integrity of Congress that this is necessary," Gibbons said Thursday.

Unless House leaders head him off, Gibbons plans to put his proposal to a vote when the committee meets next Thursday. He thinks he has the votes to win, but nobody is counting Powell out. One certainty is that it will be a messy, bruising fight.

The committee can fix its own procedures without full House action as long as they are not contrary to general House rules.

Powell first disclosed the plot against him, and the nature of the counteroffensive he would offer, at a news conference Thursday. The Negro congressman called Gibbons' attack on him "the total racism of white vs. black at its worst."

"Next week, when Sam offers his incredible proposal, I want the American people to watch the anti-Negro termites crawl out of the woodwork of hate," Powell said.

In the five years Powell has headed the committee, it has turned out legislation that won him accolades from Presidents John F. Kennedy and Johnson.

But his well-publicized travels, vacations, mounting legal and domestic difficulties and current espousal of the "black power" approach to racial problems have kept him in continuous controversy.

RETURN TO CAPE TODAY

Geminauts To Describe Adventure

By HOWARD BENEDICT
AP Aerospace Writer

CAPE KENNEDY, Fla. (AP) — Gemini 11's astronauts fly to Cape Kennedy today to fill in the details of one of man's most remarkable space flights — an adventure that set guidelines for the moon, but which also raised questions about working in space.

Navy Cmdr. Charles Conrad Jr., and Navy Lt. Cmdr. Richard F. Gordon Jr., hoped to leave the carrier Guam this morning. But their departure time was uncertain because of predicted squally weather in the area of the ship.

The astronauts, both 36, will remain at Cape Kennedy until Sunday night or early Monday, discussing the flight in general terms. Then they will fly to the Manned Spacecraft Center, Houston, Tex., for eight days of detailed debriefings.

Then they'll hold a news conference in Houston.

Preparations were moving ahead here for Gemini 12, the last of the Gemini series.

National Aeronautics and Space Administration officials announced Thursday that the flight had been extended from three to four days so that more experiments could be conducted.

Air Force and Martin Co. technicians planned late today to erect a Titan 2 rocket on a launch pad for the shot, scheduled Oct. 31.

Conrad and Gordon climaxed their spectacular flight Thursday morning as Gemini 11 splashed into the Atlantic Ocean 725 miles southeast of Cape Kennedy, just slightly more than two miles from the Guam.

Television cameras caught their descent by parachute and, via Early Bird satellite, relayed the thrilling scene to home viewers in the United States.

Hundreds of sailors cheered America's newest space heroes as they stepped aboard the flight deck of the carrier.

"We had a very good flight, and after a couple of hours rest we'll be ready to go again," Conrad said.

WEATHER

SNYDER TEMPERATURES: High reading Thursday, 68 degrees; low, 61; reading at 7 a.m. today 61 degrees. Precipitation, 1.23 inches.

North Central Texas: Mostly cloudy tonight and Saturday morning. Partly cloudy and warmer Saturday afternoon. Low tonight 59 to 69. High Saturday 78 to 87.

Northeast Texas: Decreasing clouds and warmer Saturday. Low tonight 61 to 68. High Saturday 78 to 87.

Northwest Texas: Fair early tonight, foggy late tonight and Saturday morning. Partly cloudy Saturday. Warmer in east. Low tonight 50 to 65. High Saturday 78 to 87.

South Central Texas: Partly cloudy tonight and Saturday. Widely scattered showers, mainly in north today and in east tonight. Low tonight 64 to 78. High Saturday 86 to 96.

Southeast Texas: Mostly cloudy with scattered showers today and tonight. Saturday partly cloudy with a few scattered showers in east. A little cooler in most sections today, a little warmer Saturday afternoon. Low tonight 64 to 74. High Saturday 82 to 88.

Southwest Texas: Decreasing clouds tonight. Saturday partly cloudy and a little warmer. Low tonight 38 to 72. High Saturday 82 to 92.

Dear Abby...

By ABIGAIL VAN BUREN

DEAR ABBY: How can I help the man I love overcome his fear of marriage? We are both in our forties and have been married before.

My marriage ended in failure after 19 years, and his was a happy one until his wife died of a lingering illness after ten years. He says he will never marry again because he couldn't bear to go thru the experience of losing another wife. His mother, with whom he lives, is raising his children, and he has a good home with her, so it's not as if he needs a home.

He says he loves me very much and he knows he would never find a better wife, but he just cannot face another marriage. I love him, Abby, and want so desperately to be his wife. How can I help him get over his fear of marriage?

BREMERTON

DEAR BREMERTON: For a man to deny himself happiness today because he may lose it tomorrow doesn't make much sense. Very few things in life are "forever"—and there are no guarantees. Don't waste too much time on this man if you have marriage in mind. He hasn't.

* * *

DEAR ABBY: How old do you think a little boy should be before he has his first haircut? I have heard that if a child's hair is curly and you cut it before his first birthday it will grow in straight.

My son is a year old and he has a beautiful head of curls. I would be just sick if I had them cut off and his hair grew in straight after that. He is such a beautiful child, altho many people mistake him for a girl.

HIS MOTHER

DEAR MOTHER: Cut the child's hair, and if it grows in straight after that, forget it. Worse things can happen to a boy than losing his curls. And one of them is being constantly mistaken for a girl.

* * *

DEAR ABBY: I am an unattached woman in my late fifties. I frequently receive dinner invitations from gentlemen who come to town on business, having been in business myself for many years. I enjoy their company and want to reciprocate without going to the fuss and bother of preparing a dinner for two in my own apartment, so I invite them to be my guests at a fine restaurant.

I stress that they are to be my guests, but somehow, when the waiter presents the bill, I wind up being the guest. Not wanting to make a scene I quietly surrender, but it bothers me knowing that in some cases I am better able to pay the check than the gentleman. How does a lady get the check when she truly wants to be the hostess?

STUMPED

DEAR STUMPED: When you make the dinner reservation, select a restaurant where you are known and have an account. Instruct the maitre d' to charge everything to your account, including the usual gratuities. No muss, no fuss, no check, no embarrassment, and everyone will be happy.

* * *

DEAR ABBY: My ex-husband recently died a very untimely death. He owed me seven months back alimony. How can I collect?

HOLDING THE BAG

DEAR HOLDING: Ask your lawyer if you may file a claim against your former husband's estate for the unpaid sum.

* * *

Troubled? Write to Abby, Box 69700, Los Angeles, Cal. 90069. For a personal reply, inclose a stamped, self-addressed envelope.

For Abby's booklet, "How to Have a Lovely Wedding," send $1.00 to Abby, Box 69700, Los Angeles, Cal. 90069.

US Aid For Established Philippines

WASHINGTON (AP) — President Johnson and Philippine President Ferdinand E. Marcos have agreed upon what officials described as a $55-millic increase in U.S. aid to support Marcos' development programs.

And before completing his Washington visit today, Marcos also was to witness the signing of a formal agreement reducing U.S. leases on bases in his country from 99 to 25 years and providing for closer consultations between the two countries.

Secretary of State Dean Rusk and Philippine Foreign Secretary Narciso Ramos planned to sign the formal agreement, which actually is seven years old. It first was outlined in a memorandum signed in Manila in 1959 by former U.S. Ambassador Charles E. Bohlen and former Philippine Foreign Secretary Felixberto Serrano.

The agreement reaffirms U.S. contentions that an attack on the Philippines is an attack on American bases and instantly will be repelled.

The agreement on consultations includes notifying the Philippine government before installing U.S. nuclear missiles on the island bases and discussing U.S. use of such Philippine bases as Mactan Island in the central Philippines.

JC Penney Marks 91st Birthday

BY THE ASSOCIATED PRESS

ANAHEIM, Calif. (AP) — J.C. Penney, founder of the chain of retail stores, celebrates his 91st birthday today in Anaheim.

Penney opened his first store in 1902 in Kemmerer, Wyo., starting a chain called "Golden Rule Stores." It now links 1,664 outlets around the world. Its sales in the past year were second only to Sears, Roebuck & Co. among nonfood chains.

With Penney on his birthday are many retired store managers. A celebration was held Monday in the J.C. Penney Building in New York, before Penney left for Anaheim.

WINGLESS AIRPLANE OF TOMORROW — The U.S. Air Force's new SV-5P highlights the Air Force Association's annual meeting in Washington, Sept. 14-16. The plane, built by Martin Co.'s Baltimore plant for the Air Force's Systems Command, Aeronautical Systems Division, derives aerodynamic lift from the dolphin shape of the body. It has been nicknamed the PILOT, short for Piloted Lowspeed Test. It is scheduled to make its maiden flight next year at Edwards Air Force Base, Calif. (AP Wirephoto)

Filibuster Drones On

WASHINGTON (AP) — A listless filibuster drones on today as the Senate waits for time to run out on the civil rights bill of 1966.

On Monday, the Senate will face its second vote on a move to halt debate and force action on the bill and its controversial open housing section.

No one expects the move to succeed.

Democratic leader Mike Mansfield filed the new cloture petition Thursday. His first effort, on Wednesday, fell 10 votes short of the two-thirds vote it needed.

Mansfield and Sen. Philip A. Hart, D-Mich., conceded that the new venture probably will fail, too — although by a smaller margin.

"Arithmetic is arithmetic," said Hart.

The Senate agreed to vote at 2 p.m. EDT Monday on the new cloture petition. It seeks to end debate on Hart's motion to have the Senate take up the bill — which includes a ban on racial discrimination in housing affecting about 60 per cent of the apartments and new houses in the country. Individual homeowners generally are exempt.

Plyaers voted on the National Hockey League's All-Star team received $1,000. Those voted on the second team received $500.

Cancer Unit Has First Meeting

The Scurry County Unit of American Cancer Society met Monday for its first meeting of the year. The meetings are being held in the West Texas State Bank Community Room this year. The president, Mrs. A. D. Dodson, presided and Dr. John English, pastor of the First Methodist church gave the opening prayer.

The new officers for the coming year were introduced. They are: vice president, Ernest Sears; secretary, Mrs. Travis Rhoades; treasurer, Sam Pliler. The committee chairman for the coming year are Dr. Carl Dillaha, medical; Mrs. Bob Mahood, publicity; Rev. Bill Parkey, public education, and Mrs. Frank Wilson, service.

Jim Glenn, new field representative for this area, was introduced to the group. Mrs. Dodson announced that a committee composed of H. A. Johnson, J. D. James, Mrs. Bill Atwood and Mrs. Joyce were already working toward a new Crusade Chairman for the year 1966-67. Rev. Parkey made a progress report for his committee and stated that films were available for any service club or organization that might like to see new films during the next year.

The group discussed their booth that will be used during the coming county fair. There will be packets for both men and women available at this booth.

Mrs. Dodson stated that she and Mrs. Mahood attended the district meeting in Sweetwater in June and Mrs. Dodson will represent the Scurry County Chapter at the Annual Division Meeting to be held in Houston on Oct. 5 and 6.

An answering service for the Scurry County Unit was discussed. This service would add to the ACS year round health education Service. Glenn presented a film entitled "Please Call Us," that was very informative on this telephone answering service. Glenn also presented to the Scurry County Unit a certificate of authorization for the coming year. Rev. Parkey gave the closing prayer.

Nov. 7 will be the next meeting at the West Texas State Bank Community Room.

Lynda Bird Finds Muu Muus Too Short

HONONLULU (AP) — Lynda Bird Johnson, vacationing in Hawaii, spent part of her first day in the islands on a Honolulu shopping expedition for Hawaiian dresses, but couldn't find one to fit her.

Lynda said most of the muu muus she tried on were too short. A muu muu is a type of Hawaiian dress which has little shape but is loose-fitting and cool.

Scarecrow Cannon Is Booming Again

MILLINGTON, N.J. (AP) — Farmer Philip Bardy's wildlife-chasing cannon is making noise again.

A Millington judge, after issuing a silencing order, has reversed himself and ruled that the funny-looking scarecrow can be fired during the daylight hours, for the time being at least.

Bardy has used the cannon to frighten birds and deer away from his crops. But neighbors protested in court about the cannon's around-the-clock boom. Another hearing has been set.

Actor Jeff Hunter Sued For Divorce

LOS ANGELES (AP) — Actor Jeffrey Hunter, 39, has been sued for divorce by his wife, actress Dusty Bartlett, 30. She charges Hunter caused her "grievous mental and physical suffering," and was of "spendthrift nature" during their nine-year marriage. Miss Bartlett asked in Los Angeles for custory of their three sons.

SO LBJ CAN HEAR

Mikes Installed In Limousines

WASHINGTON (AP)—President Johnson's limousines are bugged—in reverse. He can hear people along the curb but they can't hear him.

There's no "big brother" tactic in installation of tiny microphones—just heads-up politics.

If special measures weren't taken, Johnson could drive 50 miles through crowded streets in the air-conditioned presidential limousines and—with the windows rolled up—never hear a cheer.

For any politician—and they all crave popular approval—silence is perhaps the unkindest cut of all.

But knowing what people say on the outside is particularly important to Johnson. He makes a habit of popping out of his car along motorcade routes for unscheduled speeches and handshaking sessions and he doesn't want to make this effort if the people along the way are unenthusiastic.

If he hears cheering and shouts of approval, he knows he'll get a good reception.

In 1964 when the White House got a new bubbletop limousine, tiny microphones were mounted inconspicuously on the outside to pick up crowd noises and transmit them to the insulated interior.

In a busy campaign, however, this particular vehicle—the only one of its kind in the world—can't be everywhere. If Johnson rides in four motorcades in one day, he's lucky if the big bubbletop is on hand for two of them. Cars can't be carted around the country as quickly as people.

Because the President often must drive through crowds in another, less well-equipped car, a second White House limousine has been outfitted to listen to the crowds. This is a bullet-resistant Cadillac he regularly uses in Washington.

Technicians still are experimenting with the apparatus just installed in this vehicle. It may be ready for Johnson on Monday, when he is expected to make appearances in St. Louis and Kansas City, Mo., and Atlantic City, N.J.

In everyday travels around Washington, Johnson has little or no interest in curbside comments. The "bug" can be turned off on such occasions.

Rotary Gets Report On Girls' State

Nelda Kellner, Snyder High Bluebonnet Girls State in Austin last summer, was the guest speaker at Thursday's luncheon meeting of the Snyder Rotary Club at the First Methodist Church.

Miss Kellner gave a report on activities and purposes of Girls' State. She was introduced by Frank Stephenson of the American Legion and who represented the Legion Auxiliary at the luncheon.

Murry Bowden, student Rotarian of the month, and Pat Abbanato, new minister at the Thirty-seventh Street Church of Christ, were introduced. Frank Taylor was a guest. Don Browning, Rotary president, presided.

Two-Car Mishap Is Logged On Square

City Police investigated a two-car mishap on Avenue R at the east side of the square Thursday at 4:45 p.m.

Damage to each vehicle was estimated at $30. Involved were the 1964 Model Pontiac of Freddie Barton York and the 1963 Model Chevrolet of Augustin Rios. Both drivers are Snyder residents.

Lock Is Broken

Someone took the lock and hasp off the front door at Hughes Tool Co. Thursday night and broke the window in the rest room, according to a City Police report. Apparently nothing was taken.

THE LUXURY of cashmere is especially accentuated in this exquisite new cashmere, "Hally," which offers the new lacey crochet stitch in a new autumn collection. "Hally" provides a flattering accent to a classic skirt.

WOMEN

Where Did All The Trains Go?

By RAYMOND HOLBROOK
Associated Press Writer

DALLAS (AP)— What happens to the old chair cars, diners and sleeping cars as passenger trains disappear from the American scene?

A few of the better cars may be retained by a railroad — either for use on runs that are still being made or for conversion into service cars for construction crews. The rest represent a tax liability which the railroad is eager to get rid of — either by direct sale or to brokers who specialize in railroad rolling stock.

Occasionally, some of the later model cars in good condition will be sold to other railroads in the United States or foreign countries.

Every now and then a well-heeled individual will buy a club car for a hunting or fishing lodge. Organizations of railroad buffs who yearn to preserve a bit of the Golden Age of railroading obtain representative passenger cars — along with the gigantic locomotives that are not obsolete — for Age of Steam museums scattered across the nation.

But the fate of most of the cars is the scrap pile. In the Southwest, many of the old cars meet their death in the seaport city of Houston, where they are reduced to scrap metal.

The disappearance of the passenger train is reflected across Texas. In small cities and towns passenger depots have been boarded up, torn down or converted to other uses. Terminals in the large cities, once bustling transportation centers, have become tomb - like monuments.

In its heyday, the Dallas Union Station, for example, had more than 100 train arrivals and departures on eight railroads serving more than 4,000 passengers a day. When it was opened in 1926, the three - story structure was a show place. Its facilities included its own ice plant, a bakery and a dining hall for 30 persons.

Dallas' Union Station is now for sale; the three railroads still with passenger service can no longer afford to operate it. Only a small portion is used for the hundred or so passengers a day served by the present eight train arrivals and eight departures — a figure that probably will be cut sharply.

The Golden Years of railroad passenger service were in the late 1920s when the total of passenger train cars in the United States reached 62,500, of which 9,287 were sleeping cars.

Today there are only about 21,000. Of this number, only about 12,000, including 1,600 sleeping cars, are actually passenger carrying. The rest are baggage, mail, express or service cars.

After World War II, several thousand cars taken out of commercial service were earmarked as a "mothball fleet" to be available in case of national emergency. But such a reserve no longer is considered vital in defense transportation plans.

One of the few old passenger cars to end its days in solitary and immobile glory is now a lake home for Texas oilman E. B. Chapman.

The former Missouri Pacific club car, built at a cost of $100,000 in 1927 and completely remodeled and air - conditioned in 1949, is now perched atop a bluff overlooking Lake Texoma, on the Texas - Oklahoma border. The luxurious car, retaining all the elegance of its railroad days, sleeps nine persons and has a dining room that seats eight.

But before you rush out to get an old club car for the family, ponder the cold economic facts. To get the 177,500 - pound car to its present site, Chapman had to build a railroad spur and he admits that the total cost was over the $10,000 mark.

The best place to give the kids a sample of the passenger trains of yesterday is to head to the nearest Age of Steam museum, rather than the railroad station.

At the State Fair grounds in Texas three complete passenger trains were on exhibit. A check of the city's Union Station at the same time showed only a lone passenger train at the terminal.

Coffee Adds Rich Flavor To Brownies

The rich flavor of coffee combined with chopped walnuts turns these Mocha Brownies into distinctive taste treats.

As this recipe makes three dozen, you might like to freeze some for last minute desserts or lunch box treats. Brownie a la mode is a simple dessert that combines, quickly, the family's two favorites — brownies and ice cream — and mabe fudge sauce?

MOCHA BROWNIES
(Makes 3 dozen)

1 cup butter
1½ cups sugar
1 teaspoon vanilla
4 eggs, beaten
3 squares (3 oz.) unsweetened chocolate, melted and cooled
2 tablespoons instant coffee powder
1½ cups sifted cake flour
1 teaspoon baking powder
½ teaspoon salt
1 cup chopped walnuts
Sifted confectioners' sugar

Cream butter and sugar until light and fluffy. Beat in vanilla. Add eggs in thirds, beating well after each addition. Blend chocolate and instant coffee powder together. Add to creamed mixture. Add sifted dry ingredients in thirds, mixing well after each addition. Stir in walnuts. Turn batter into a greased 13x9x2-inch pan. Bake at 350 degrees for 40 minutes. Cool. Sprinkle with confectioners' sugar. Cut into squares.

Skillet Kraut

1 tablespoon butter or margarine
1 medium onion, coarsely chopped
1 can (1 pound) sauerkraut, undrained
½ cup water
2 tablespoons dark brown sugar
1 tablespoon red wine vinegar

In a 10-inch skillet over low heat melt the butter; add onion and cook, stirring often, until golden. Add undrained sauerkraut, water, brown sugar and vinegar; mix well. Cover and simmer until liquid has evaporated — about ½ hour. Makes 4 servings.

Nectarines For Main Course-Dessert

By CECILY BROWNSTONE
Associated Press Food Editor

THAT LOVELY fruit, the fresh nectarine, is one of summer's best offerings.

We probably do not need to remind you how attractive and delicious nectarines are in a fruit bowl. The bowl may be used as a centerpiece for your dining table and then be passed for the dessert course.

Or if you want to offer a "made" dessert, you might add nectarines to Ambrosia—that old-fashioned combination of sliced oranges and grated coconut.

Nectarines also do splendid service with meat and fish. We particularly like them served with curry — whether it is made with chicken, beef or shrimp. For this course, just pit and slice the nectarines and arrange them in an attractive bowl on a tray with other condiments—salted peanuts (whole or ground), crumbled crisply cooked bacon, French - fried onion rings.

Teamed with skillet-cooked pork chops, as in the following recipe, you'll find nectarines add refreshing flavor.

PORK CHOPS WITH NECTARINES

5 loin or rib pork chops about 1-inch thick
1 teaspoon salt
2 tablespoons butter or margarine
1-3 cup chili sauce
2 tablespoons wine vinegar
2 tablespoons finely grated onion, pulp and juice
1 teaspoon Worcestershire sauce
½ teaspoon dry rosemary leaves
Generous dash of cayenne pepper
3 cups quartered fresh nectarines (3 to 5)
1 teaspoon cornstarch
½ cup water
Parsley sprigs, if on hand

Where necessary, cut away most of fat from around chops. Sprinkle chops with ½ teaspoon of the salt.

In a large skillet, melt the butter; add chops and brown on both sides.

In a small bowl, stir together the remaining ½ teaspoon of salt, chili sauce, wine vinegar grated onion, Worcestershire sauce, rosemary and cayenne; pour over browned chops in skillet. Cover and simmer until chops are tender—45 to 50 minutes. Remove chops to a heated serving dsh; keep warm. Skim excess fat from mixture in skillet.

Gradually stir cold water into cornstarch, keeping smooth. Add to mixture in skillet. Cook and stir constantly until clear, thickened and boiling. Mix in quartered nectarines; heat for about 5 minutes. Spoon nectarines and sauce over chops. Garnish with parsley. Makes 5 servings. Good served with mashed potatoes and green beans topped with onion rings.

GOOD SUPPER — Skillet-cooked pork chops with savory flavor plus refreshing fresh nectarines served in generous slices.

Richard Green uses all this equipment to make your telephone service better

As a cable splicer for Southwestern Bell, Richard brings quite a bit of gear into action. To him, work means a carefully planned, well-organized operation, from the familiar telephone truck right down to a small roll of rubber tape. Richard also brings the latest work techniques and a dedicated sense of purpose to every job.

"It's interesting work and it's important," he says. "I figure the company's business is giving the best service there is. That's my business, too."

Like 50,000 other Southwestern Bell employees, Richard Green wants to make your telephone service—already the world's best—even better.

Southwestern Bell

Recent Events Show World Prefers Muscle To Reason

By JAMES MARLOW
AP News Analyst

WASHINGTON (AP) — No tranquilizer has been found for this emotionally disturbed — or nutty, as some call it — world in the more than two decades since the last big war. And none is in sight.

Two recent events are evidence that nations have not yet reached that point in civilization where they prefer reason to muscle.

Sen. Mike Mansfield of Montana, speaking for the 13 members of the Senate's Democratic Policy Committee, on Aug. 31 startled Washington with this suggestion: A substantial withdrawal of U.S. forces from Europe where, along with allies in the North Atlantic Treaty Organization, they are part of the defense against attack by Russia or its satellites in the Warsaw Pact.

Mansfield wanted quick approval by the full Senate. He didn't get it and probably won't. President Johnson promptly opposed the idea. So did a lot of other senators, Democrats and Republicans.

This was one of the main reasons behind the thinking of the Mansfield group: That the NATO Allies in Europe are much better able to defend themselves than they used to be.

Thursday some U.S. officials, who want to remain unnamed, said the NATO countries don't seem ready yet to fill the hole which would be knocked in their defense by a big American pullout.

Further, this country and its allies want to reach a settlement with Russia about peace in Europe. Mansfield's opponents argue that before U.S. troops are withdrawn, Russia must agree to pull back its troops.

About 300,000 of the Warsaw Pact's 800,000 ground forces are Russian. Of NATO's 835,000 ground forces, about 210,000 are American.

For the United States to withdraw its troops, before Russia agreed to do the same, wouldn't leave this country much ground for bargaining later.

On Aug. 25, a few days before the Mansfield proposal, the 17-nation disarmament conference, in session on and off for years, recessed again, this time until perhaps next January. East and West seemed optimistic about the future.

It's hard to see why. The two major issues discussed have been a treaty to halt the spread of nuclear weapons and a treaty to ban nuclear tests underground. Maybe a miracle will happen. One did on Aug. 5, 1963.

That's when the United States and Russia agreed to ban nuclear tests above ground. But even this kind of miracle is a long way from the kind of dream world the United States suggested in 1962.

(The suggestion was partly propaganda to offset the Soviets' widely publicized proposal for universal disarmament.)

At that time this country proposed a world disarmament plan in three stages, with No. 3 being the grand one. From a realistic view it seems totally impossible.

By the time the world reached stage No. 3 there would be machinery for settling international disputes peacefully but, if the machinery broke down, then: Peace could be kept by an international armed force — a United Nations force — too powerful for any single nation to challenge it. But how could a nation protect its own interests if it had to depend on a U.N. force?

Junior Editors Quiz on MOUNTAINS

QUESTION: Why do mountains have different shapes?

• • •

ANSWER: Inside the earth are powerful forces which have caused its crust to buckle or crack, and to lift up or sink down. It is these forces which have built the four main types of mountains.

Fault-block mountains are caused by sharp breaks or cracks in the crust, allowing forces underneath to move blocks or rock, either up, down or sideways. The Sierra Nevada Mountains and the Grand Tetons are examples of this type. In domed mountains, molten rock has risen toward the surface, but instead of breaking through, it has caused a huge blister under the overlying rock which then hardened. In the White Mountains of New Hampshire, the outer rock has eroded away, revealing the rounded domes which have solidified into light-colored granite. When vast forces pushed the earth's crust together, it crinkled into folded mountains, which lie in parallel ridges, like those in the Western Appalachians. Finally, molten rock, erupting into the air, spews out cinders and lava which build up volcanic mountains. Many mountain ranges show combinations of these processes.

• • •

FOR YOU TO DO: Try to decide which process made the mountains nearest to where you live. Then find out if you were right. 9-16

(Julie Griffith of Bristol, Vt., wins today's combined prize of Compton's Illustrated Science Dictionary plus $10 cash for this question. Mail yours on a postcard to Junior Editors in care of this newspaper.)

Columnist Jumps To Conclusions

By HAL BOYLE

NEW YORK (AP) — Jumping to conclusions:

If a girl is looking for a contented married life, she'll do better to wed a cigar smoker than a cigarette smoker. The man who enjoys a stogie is less jittery than chain-smoking cigarette addicts, and not as dull and stodgy as the pseudo-philosophers who puff away on pipes.

Secretaries who use a pencil to dial their telephones are usually the biggest chatterboxes in the office, but I can't figure out why.

Scratch a detective and you'll find an actor. There are more frustrated Hamlets among Manhattan detectives than among the membership of Equity, the theatrical union. And some of them are better performers than those who get huzzas on Broadway.

The ambition of every tuna in the ocean must be to make a luncheon sandwich of a housewife some day.

The only man in America who can fool more people than a smart politician is a dumb weather forecaster.

The plots of television programs have become so predictable that the only fun left in watching the idiot box is to see how the commercials come out.

Half the guys you hear claiming they lost their shirt in the stock market probably never had much of a wardrobe in the first place.

Never lend money to a man under 40 who gets his fingernails trimmed by a barber shop manicurist. He's a bad risk.

Why do so many modern executives, in signing their names, leave an undecipherable scribble that looks like the marks left by a skittish hen? They pompously say it's because of the pressure they're under. Yet the signature of Abraham Lincoln remained clear and legible throughout the terrible ordeal of the Civil War.

It's time for a man to go on the wagon when he starts trying to place long-distance calls through a fire alarm box.

An old-fashioned husband is one who can remember when his wife took the cake out of the oven instead of the refrigerator.

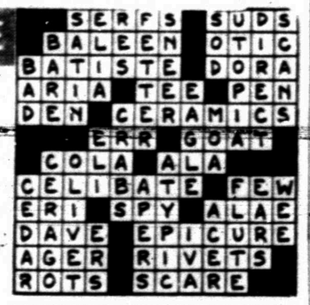

Dogs have made a greater comparative gain in life expectancy than people for the simple reason they now eat more wisely than do most people.

It's safer to shake hands with a professional wrestler than a high school boy who has taken up weightlifting. The wrestler knows his strength; it's the kid who tries to squeeze the bones out of your fingers.

The quickest way to make friends at a cocktail party is to get a case of hiccups. Every other guest present wants to have the honor of curing you with his own favorite remedy.

Nothing looks as lonesome as a backyard swimming pool on a rainy day in October.

Lamar Eighth Wins, 20-6

BIG SPRING — Snyder Lamar's 8th Grade Texans whirled through the mud to a convincing 20-6 victory over Runnels 8th graders here Thursday night.

The Texans chugged to a 6-0 lead in the first half and then came back from the dressing room at the intermission to completely dominate the proceedings on the slippery gridiron.

Quarterback Bill Branson put the Texans ahead early in the second period when he whirled into the end zone on a quarterback sneak to cap a sustained drive. The Lamar defenders kept the Yearlings at bay throughout the first half.

The Texans came back with a more potent offense in the second half, and the success of the attack only seemed to make the defense more effective than ever.

Gary Shields romped in for the second touchdown from 11 yards out and then later he put another six-pointer on the scoreboard from three paces. Branson passed to Scott Morgan for the two extra points following the third touchdown.

Runnels 8th got on the scoreboard with just 37 seconds left in the game as Lamar flooded the field with reserves. A passing attack was featured in the Yearlings' best drive of the evening that finally came to a climax in the end zone.

It was the second victory in two starts for the 8th Grade Texans of Coaches Jerry McLeod and Ned Underwood. The Lamar coaches had praise their charges, particularly for their defensive line-up.

Texas Teams Are Featured On TV

Texas teams will be featured in all three football games to be televised this week by stations in this area.

First on the tube grid menu will be the University of Texas vs. Southern California at 2 p.m. Saturday on ABC.

At 12 noon Sunday, NBC will present the Houston Oilers vs. the New York Jets in an American Football League game.

At 1:15 p.m. Sunday, CBS will carry the Dallas Cowboys and the New York Giants in a National Football League game.

All times listed are Snyder (Central Standard) times.

King Says Runners Good

LAWRENCE, Kan. (AP) — Comeback-minded Kansas tests its green backfield talent here Saturday against underrated Texas Tech, determined to prove the Southwest Conference forecasters erred in picking Tech in the second division.

Runnels Rips Lamar 9th Grade, 22-6

BIG SPRING — Heavy skies withheld their raindrops long enough for a football game to be played, but lightning struck twice on the junior high gridiron here Thursday night as the Runnels 9th graders decisioned Snyder Lamar 9th, 22-6.

The two bolts resulted in 16 points for the host Yearlings. It was a Rutherford - to - Thomas combination, with Thomas receiving in the right flat and than galloping 78 yards and 64 yards for touchdowns.

The Yearlings received the opening kickoff and methodically drove 60 yards for a touchdown. They used 16 plays and all but a few seconds of the first quarter.

Lamar struck back and on its second play from scrimmage moved to the Runnels 4-yard-line on a 58-yard pass from Lee McNair to Randy Levens. However, the Texans slipped for a 5-yard loss on the next play and ultimately surrendered the ball on downs on the 2-yard-line. The first Rutherford - to-Thomas pass late in the second period gave the Yearlings a 12-0 lead at the half.

Lamar took the kickoff opening the second half and drove steadily goalward, but again found the goal line beyond their reach—by mere inches this time. The Yearlings took over on their 1-foot line and moved out to set up the Rutherford-to-Thomas pass.

Lamar put on its only scoring drive early in the fourth period. Lynn Wilson scored the touchdown on a 3-yard blast to cap a 58-yard drive.

The game, originally scheduled to be played in Snyder was transferred to Big Spring as a result of rains. It was believed that the Big Spring field was in better shape than the Snyder junior high field, but that appeared debatable at game time.

THE YARDSTICK

Lamar		Runnels

Travis 8th Falls, 8-0

Travis' Eighth Grade football team inaugurated the 1966 football season here against a strong Sweetwater eleven and came out on the short end of an 8-0 decision.

The Blue Devils started out strong, and held the upperhand in the first two periods as they took over on the Sweetwater 40 following a high snapback from center on a 4th down punting situation. They drove down to the 15 on the strength of some smooth ball handling by quarterback Stewart Sims and some talented running by Johnny Matta. But the visitors held and the Blue Devils had to relinquish possession.

Sweetwater held the upper hand in the second half and got onto the scoreboard midway of the third period after blocking a punt on the Travis 30. They were able to drive in from there and tack on the two extra points with a burst over left guard.

Sweetwater threatened several other times, but the Blue Devil defense was equal to the occasion each time the foe neared their goal. Danny Farmer was outstanding on defense for the Blue Devils.

The field conditions were extremely wet and contributed to several loose balls.

Stamford Bulldogs Invade Tiger Turf For 8 p. m. Tilt

With a revamped lineup and an opening victory under their belts, the Snyder Tigers face another tough opponent this week with Stamford's Bulldogs providing the opposition. Kickoff is set for 8 p.m. Friday in Tiger Stadium.

Although the Bulldogs are a Class AA School, they are picked to win the championship in their district. Stamford has a winning tradition, and has a reputation for its "hard-nose" football. They never give up. Any team that beats them has to earn the victory.

The Snyder-Stamford series dates back to 1928 and the Bulldogs hold an 8-6-1 edge over the Tigers. And one of the Snyder wins was a 1-0 forfeit. The Bengals have lost five of the last six contests with Stamford, including games in each of the past two years when the Black and Gold was favored to win.

This could be the year Stamford returns to the state playoffs. They have a big, tough line with seven defensive starters and five offensive regulars returning from the team that upset the Bengals in '65.

Coach Larry Wartes' visitors will be hard to score on, and hard to stop. Fullback Raymond Cedillo gained 51 yards in 10 carries during the 'Dogs 3 - 0 decision over Quanah last week. Stamford quarterback Jaek Harkins crossed the goal before the final gun of that clash, but a penalty nullified the effort.

Don Cobb, Russ Russell and Mike Matthews give experience and depth to the backfield. Harkins seldom passes, but then he doesn't need to since they have such a fine Split-T running attack.

Snyder may be going into the game without their head coach. Keith Miles was injured in a motor vehicle accident early in the week and still is on the mend.

Coaches Jerry Bristo, Bob Carter and Wayne Tyrone have been preparing the Bengals for the Friday clash. The boys have reviewed all phases of the game. A considerable amount of time was spent Wednesday on the kicking game, and a "chalk talk" was scheduled for Thursday.

A few changes have been made in the lineup. Joe Breeden was moved from defensive tackle to nose guard and Jerry Rains was switched from nose man to right linebacker in place of Mario Tavarez, who will see action only on offense. Frankie Grimmett, who was outstanding on offense last week, will see double duty as offensive anchor end and defensive tackle. Tim Mebane is another boy who will be used on both offense and defense.

Another change finds Dwaine Boydstun, 155 - pound senior, starting at defensive left halfback. Rick Hall had a bruised leg following the Andrews tussle, but he will be ready to go offensively at wingback. Rob Golden will move from left half to monster on defense.

Most of the Tigers are in good shape physically. Bobby Clardy, senior defensive tackle, missed school two days and is a doubtful starter.

Anyone who saw the Tigers score its 14-13 triumph over Andrews is convinced the Bengals have good spirit this year. They have demonstrated they want to win. They whipped a bigger team last week, so maybe they can do it again.

With tailback Curtis Clay and fullback Mario Tavarez operating behind a quick-striking line, the Tigers have a dazzling offensive punch. Clay gained 109 yards in 21 carries and Tavarez netted 104 paces in 9 efforts last Friday.

Murry Bowden is a capable runner and an accurate passer on short ones. He hit Hall, Frankie Grimmett and Billy Wilson on 6 of 7 for 74 yards in the opener.

Snyder has a well-balanced team that can strike for victory when it gets behind. The Tigers are favored to defeat Stamford. It could turn out to be another 1-point squeaker.

The starters:

OFFENSE — Ends, Frankie Grimmett and Craig Bell; Tackles, Tim Mebane and Bobby Clayton; Guards, Larry Wadzeck and Ronnie Shields; Center, David Wilson; Backs, Murry Bowden, Mario Tavarez, Curtis Clay and Rick Hall.

DEFENSE — Ends, Danny Garner and Craig Bell; Tackles, Frankie Grimmett and Tim Mebane; Nose Guard, Joe Breeden; Linebackers, Murry Bowden and Jerry Rains; Monster Back, Rob Golden; Halfbacks, Dwaine Boydstun and Lonnie Gilstrap; and Safety, Billy Wilson.

Record of Snyder-Stamford games:

Year	Sny	Stam
1928	6	7
1931	52	6
1932	20	7
1933	28	0
X1934	1	0
1946	6	6
1947	7	19
1948	0	20
1949	13	6
1950	7	12
1951	0	20
1962	7	10
1963	28	21
1964	6	8
1965	9	14

(X-Denotes forfeit)

BENGAL BACKFIELD — Snyder backs ready to carry the pigskin against Stamford here tonight are, from lower left, counter-clockwise, Murry Bowden, Mario Tavarez, Curtis Clay and Rick Hall. Kickoff is set for 8 o'clock in Tiger Stadium.

GAIL COYOTES ARE STRONG 8-MAN TEAM

GAIL—The Borden County School at Gail usually turns out a good football team. This year is no exception as Coach Jack Aldridge and Assistant Joe Neill take aim at the District 3-B 8-man title in their second season with the Coyotes.

The Coyotes have perhaps the strongest first string in the district with five returning offensive starters and six regulars on defense. Offensive monogram winners are Tony Isaacs (169), Dale Kite (158), Don Nunnally (155) Kenny Hensley (145) and David Lansford (175).

Isaacs, Nunnally and Lansford are backfield men. Kite holds down one end, and Hensley is a guard. An All - District performer on both offense and defense, Kite again will be going two ways along with Nunnally, Hensley and Lansford.

Nunnally, one of the fastest men on the squad, will take over the quarterback chores this fall. Lansford handles the kickoffs and Isaacs is the punter, so the Coyotes should have a good kicking game with such experienced men back in the fold.

Other returning starters on defense are Jay Smith, 136-pound Junior guard, and Don Smith, 170-pound Senior end. Aldridge also has a capable substitute at quarterback in Ab Hendley, 152-pound Junior. He's not as fast as Nunnally ..or quite as good a runner, but he can pitch the pass with anyone in the league.

Although he wasn't a starter, Randy Adcock, 163-pound center, also was a letterman last season as a Freshman.

Squadmen include Senior Tommy Moreno (115), Junior Santos Tijerina (126), Sophomores Glen Perry (146), Don Jackson (107), and Mike Swinney (125), and Freshmen Steve Summers (127), Freddie Hagins (109), Gary Wilkerson (126), Xavier Benavidez (112), Ted Yadon (118), Lin Smith (168), Darrell Taylor (115) and Frank Carreno (189).

Carreno and Smith have good size for Freshmen, but the other boys are like most of the upperclassmen: they're on the light side. A lack of depth and size are main weaknesses, but strong points are good overall team speed and first string experience.

Barring key injuries, the Coyotes definitely have to be considered title contenders. Even in a strong district, which also includes Flower Grove, Sterling City, Garden City and Sands in the recent realignment. Kickoff in district games is set for 7:30 p.m., and the non-loop affairs get underway at 8 p.m. with the exception of the Cotton Center game, which also begins at 7:30 p.m.

The schedule:

Sept. 10—Gail 44, New Deal "B" 6.
Sept. 16—At Klondike.
Sept. 23—At Goree.
Sept. 30—Dawson.
Oct. 7—Whitharrel.
Oct. 14—At Cotton Center.
Oct. 21—At Flower Grove. X
Oct. 28—At Sterling City. X
Nov. 4—Garden City X
Nov. 12—Sands. XX

(X-Denotes district games; XX - Denotes Homecoming game.)

GAIL COYOTES — The Borden County Coyotes at Gail have one of the finest Eight-Man football teams in West Texas. They opened the season with a 44-6 decision over the New Deal "B" team and were to meet Klondike there Friday night. They'll be gunning for the District 3-B crown. They are, left to right, Front Row, David Lansford, Dale Kite, Don Nunnally, Tony Isaacs, Don Smith and Tommy Moreno; Middle Row, Xavier Benavidez, Jay Smith, Kenny Hensley, Glen Perry, Randy Adcock, Ab Hendley, Ted Yadon and David Wheeler (manager); Top Row, Jack Aldridge (head coach), Mike Swinney, Lin Smith, Frank Carreno Santos Tijerina, Freddie Hagins, Steve Summers, Don Jackson, Darrell Taylor and Joe Neill (assistant coach). Not pictured is Gary Wilkerson.

Rain Delays PGA Tourney

GRAND PRAIRIE, Tex. (AP) —The Texas PGA hoped to get its annual tournament under way today after a delay caused by a heavy rain.

CHURCH NEWS

CHURCH NOTES

First Presbyterian

The Rev. John Gordon, pastor of First Presbyterian Church will have as his sermon subject Sunday morning, "The Church — Its Glory and Its Greatness." The scripture reference is the 8th Psalm.

The Session will meet at 7:30 p.m. Sunday for its regular monthly meeting.

United Presbyterian Women will meet at 7:30 p.m. Tuesday, and nursery service will be available. Fall choir practice has been started and is scheduled at 7:30 p.m. each Wednesday.

* * *

First Methodist

"Basics of Christianity" will be the sermon subject of the pastor, Dr. John A. English, for the 10:55 a.m. worship service Sunday. Music will be under the direction of Mrs. Bob Womack, with Mrs. Wendell Rehm at the organ. Church School starts at 9:45 a.m.

The Junior High and Senior High MYF will meet at 5:30 p.m. for worship, fellowship and snack supper. Final plans will be made for the Youth Trip to Dallas for the SMU vs. Navy game on Saturday, Sept. 24.

Vesper Voices and Cherub Choir will meet at 6 p.m.

The evening worship service begins at 7 p.m. Miss Barbara Crowell, daughter of Mr. and Mrs. Bob Crowell, will be the guest speaker for the evening. Miss Crowell was American Field Service student to Chile this summer and she will share with the congregation her experiences and show slides of her trip.

Other activities for the week are: Methodist Men at 7 p.m. and Boy Scout Troop 27 and Explorer Post at 7:30 p.m., Monday; Story Hour at 9:30 a.m. and Chancel Choir Rehearsal at 7:30 p.m., Wednesday; Hayley Class Social at 7:30 p.m., Thursday.

* * *

Bethel Assembly

Sunday School will begin at 10 a.m. at Bethel Assembly of God Church, 1411 Twenty-fifth Street. Congregational singing will be directed by Allen Owens, accompanied by Gladys Brown at the piano and Joan Owens at the organ.

The special singing for the morning worship service will be two selections. Connie Brown will sing a solo, while Joan and Allen Owens will wing, "Until Then."

The Rev. Vernon Hagar, pastor, will preach at both morning and evening worship services.

The Christ Ambassadors group will meet at 6 p.m. Sunday. At that time officers will be elected for the coming year.

The Rev. Ralph Hagermeir will conduct a special missionary service on Wednesday night at 7:30 p.m. The Hagermeirs will soon be going to Tanzania, East Africa, as missioners sponsored by the Assemblies of God Churches. The Women's Missionary Council meets at the church at 7:30 p.m. Thursday.

* * *

St. John's Episcopal

Due to the absence of the vicar, the Holy Eucharist will not be celebrated this Sunday. C. G. McCaleb, Jr., Lay Reader, will officiate at Morning Prayer at 10:30 a.m.

Appointed to be read for the 15th Sunday after Trinity is Psalm 49. The first lesson is Eccl. 5:1-10. The second lesson is Luke 12:13-21.

Phil Lammert will be the crucifer and John Thomas will be the usher. Miss Susie Hendrix will be the organist.

* * *

Union Baptist

"The Consequences of Sin" will be the subject of the 10:50 a.m. worship hour sermon of the Rev. Guy A. White at Union Baptist Church. The text is found in Ezekiel 18:19-24.

At the 7 p.m. service, Rev. White's subject will be "The Continual Conflict — Fleshly Lust or Spirit Filled Life?" with text being in Galations 5:16-26.

Sunday School will begin at 9:45 a.m. and Training Union starts at 6 p.m.

On Wednesday's at 7:15 p.m. the GA's and RA's meet. At 7:30 p.m. the teachers and officers meet for Sunday School lesson preparation with Rev. Marvin Rogers leading. At the 8 p.m. prayer meeting, a study in the book of Revelation will continue.

Our Lady Guadalupe

Masses on Sundays are at 8 and 10 a.m. and on week days at 7 a.m. Wednesday services start at 7 p.m. with Apostolic for the Cursilliastas and Youth Hour, Confession, Mass, Instruction, Holy Communion and School of Religion. Group meetings are after Mass.

On First Fridays there is evening Mass at 7:30 p.m. School of Religion for Grammar School children is held on Monday from 4 to 5 p.m. and Sundays from 9 to 10 a.m.

The Holy Name meets on the second Monday of the month, Guadalupanas the first Monday, Daughters of Mary and CYO fourth Monday and the Altar Boys on the fourth Saturday of each month. The Parish Council meets on the second Sunday, after the 10 o'clock Mass.

Fr. Herman Valladares, M.A., is Pastor of the Church, located at Avenue K and Thirteenth Street. Services are in English and Spanish.

* * *

St. Elizabeth's Catholic

Sunday masses are at 7:30 and 10:30 a.m. Masses on Holyday are at 7:30 a.m. and 7:30 p.m. Confession is at 7:30 p.m. on Saturday and before both masses on Sunday.

Father Cyril Lange is pastor of the church which is located at Avenue A and Thirty-first Street.

The Knights of Columbus Council No. 4414 hold their regular meetings on the second and fourth Tuesdays of the month.

The St. Elizabeth Ladies Altar Society meets on the first Thursday of each month.

Both organizations conduct their meetings in the basement of the church.

* * *

Colonial Hill Baptist

Sunday School begins at 9:45 a.m. at the Colonial Hill Baptist Church, with the morning worship service at 11 o'clock. The pastor, Miller Robinson, will be in the pulpit for both services Sunday. The message for the morning will be, "Puzzling, Isn't It?" taken from John 12:25.

Richard King will direct the music Sunday in the absence of Jim Casey, music director of the church. Mr. King will present the special music for the morning.

The evening worship service will be at 6 p.m. The message for the evening will be, "Got a Problem?" taken from Matthew 14:15 - 21. Training Union will be at 7 p.m.

Tuesday at 9:30 a.m. the WMU will meet in the home of Mrs. Gene McGee for mission study.

Wednesday the GA's will meet at 3:45 p.m. The Royal Ambassadors will meet at 6:45 p.m. The teachers and officers of the Sunday School will meet at this time also for lesson discussion and preparation. Prayer meeting will be at 7:45 p.m. followed by Adult Choir practice at 8:30.

Thursday, members of the church are asked to meet at the church at 9:30 a.m. for visitation.

The following men were elected to serve as deacons at the close of the morning worship service this past Sunday: James Allen, Aubrey Blalock, Jimmie Joe Key, Ralph Wesson, and Kenneth Wilson.

* * *

Green Hill Baptist

"The Smitten Rock," Exodus 17, is the sermon topic chosen by the pastor, Rev. Jerry Speer, at Green Hill Baptist Church for the 11 a.m. worship service Sunday. For the evening worship service at 7:30 the topic is "Overcoming The Enemy," continuing in Exodus 17.

Sunday school begins at 9:45 a.m. and Training Union is at 6:30. James Patrick, music director, will meet with the students who have instruments for orchestra rehearsal at 5 p.m. He will also direct the Youth Choir at 6.

Members of WMU will meet Tuesday morning at 9:30 for Bible study. Beginner Sunbeams will meet at the same time.

Wednesday at 7 p.m. is meeting time for officers and teachers of the Sunday School, Intermediate GA, Royal Ambassadors, and Primary Sunbeams.

Prayer meeting is at 7:45 with choir rehearsal following under the direction of James Patrick.

First Baptist

Dr. Pat Carter of Yucatan, Mexico, will be in the pulpit for both services Sunday at the First Baptist Church. Dr. Carter is the newly elected president of the Baptist University in Old Mexico. He has been a missionary in this country for sometime. Morning worship service will begin at 11 with J. D. Smith, minister of music, leading the song service. The All Church Choir will sing, "Walk Ye in Him," by Reynolds, and the message in song will be brought by the ladies trio composed of Mmes. Ben Brock, Don Gressett, and Leslie Shelburne. Mrs. Nathan Mearse will be at the organ and Mrs. J. D. Smith at the piano.

Sunday school will begin at 9:45 a.m. with the lesson taught over KSNY by the pastor, Dr. A. B. Lightfoot, sponsored by the CITA class.

The counselors' training class will continue Sunday at 3 at the First Methodist Church. This will be the second in a series of four classes to train counselors for the Billy Graham film, "The Restless Ones."

Dr. Pat Carter will lead in the Sunday School Preparation Clinic September 18-21. Classes will begin Sunday evening at 6 for those who are not in Training Union and will continue Monday through Wednesday evening at 7 p.m. A study hall in the library or a film for children who do not wish to study, is planned.

The LLL Club and visitation kick-off will be held Sept. 22 at the church. There will be a noon luncheon and evening snack for those visiting.

The WMU women are preparing a box of clothing and toilet articles to sent to refugees in Florida. If you have any good clean clothing, bring it to the church office. The YWA's will meet with Mrs. Richard Hardin, 3206 Hill Avenue, Monday at 4 p.m.

September is choir enrollment month. There are choirs for beginners, primaries, juniors, youth and adults.

* * *

Bethel Baptist

Services at Bethel Baptist Church, located at North E and 18th Street, will begin Sunday with Sunday School at 9:45 a.m. "Stand Up For God," will be the sermon topic of the Rev. R. Virgil Mott for the morning worship service at 11 a.m. Scripture reference is Joshua 1.

Training Union will begin at 6:30 p.m., followed by the evening worship service at 7:30 p.m. The evening sermon topic will be "What is Life?" with scripture taken from James 4: 14-17.

The annual promotion of Sunday School and Training Union at Bethel Baptist Church will be observed Sunday, Oct. 2.

The pastor will continue discussion number 2, "How To Get Along At Church," at the Wednesday night 7:30 p.m. prayer meeting service.

* * *

First Christian

The Rev. William N. Parkey will have as his sermon subject, "No Freedom But Faith," at the 10:50 a.m. worship service Sunday at First Christian Church.

Youth groups, including Juniors, Chi Rhos and CYF will meet at 5:30 p.m. and the evening worship service will be held at 6:30 p.m.

* * *

1st Assembly Of God

Sunday school will begin at 10 a.m. at the First Assembly of God; morning worship will begin at 11, with the pastor, Rev. R. C. Dearman bringing the message. F. R. Williams will be in charge of the evening worship, which begins at 7:30.

Other service for the week include: Missionettes, Monday, 7 p.m.; WMC, Tuesday, 9:30 a.m.; mid-week worship, Wednesday, 7:30 p.m.; and Christ Ambassadors, Friday at 7:30 p.m.

* * *

Grace Lutheran

Pastor Bollinger's sermon theme will deal with the responsibility of the Church and the home in Christian Instruction. The text is 2 Peter 3:18.

In the Adult Sunday School class, pupils will be making a survey of first-century Palestine and how the situation then affected the reception of Jesus and His message.

Sunday School begins at 9:15 and the Worship Service follows at 10:30. Visitors are always welcome.

Planes Flies Nonstop Tokyo To Dallas

DALLAS (AP) — A Braniff International Boeing 707 flew from Tokyo to Dallas, a distance of 6,900 miles, in 10 hours and 58 minutes Thursday.

The airline said it was the first nonstop flight between the two cities.

Be still

"Children's children are the crown of old men.' Proverbs 17:6.

Regardless of one's advancing age,
He has no business to play the sage
If he tries to fill all youthful ears
With impeding cautions, and numerous fears.
But the elderly who have lost or won
Should cheer as the race of youth is run!

WILL CURTIS

Big Boycott On Bread Is Crumbling

By DAN TEDRICK

PHOENIX, Ariz. (AP) — Is the big bread boycott crumbling?

After two weeks at the oven, making their own bread in protest to the high price in supermarkets, several thousand housewives are giving up the baking chore.

They decided it didn't really save any money.

"They still had to buy flour, one of the main reasons for the high price of bread," explained Marlene Kresse.

Mrs. Kresse heads Housewives Organized for Better Living, which claims 2,000 members. In a letter to members Thursday she urged them to buy bread from small independent bakeries, not large chain markets.

Elsewhere in the Phoenix area, a larger group called the Housewives' Voice for Lower Prices, vowed to carry on the fight. Almost daily, the members get together in small groups over homemade bread to discuss the fight against inflation.

The boycott was having its effect on bread sales, although spokesmen for major bakeries admit only that a movement was taking place. In some supermarkets Thursday, major bakery bread was selling as low as four loaves for $1 in contrast to between 35 and 45 cents a loaf a short time back.

Mrs. Farl Friedman, who heads the Housewives' Voice, says her members feel bread prices are too high.

In their homes, and at bread-baking parties, said Mrs. Friedman, "we're turning out all kinds of bread — and some of it is turning out very well."

The housewives have sent telegrams to congressmen and U.S. Department of Agriculture officials, urging an investigation of food prices. Mrs. Friedman said letters of support have come from women in more than a dozen other states.

No comment has been heard publicly from the fathers, husbands and children who've been sitting down to homemade bread for the first time.

Court Hears Rice Case

HOUSTON (AP) — Lawyers representing Rice University's trustees say the school's founder, William Marsh Rice, had the primary intent to establish an "institute of "the very first class."

Opponents of the trustees' changes allowing the admittance of Negroes and the charging of tuition argued that Rice's principal purpose was to create "a free reading room, library and institute for the white inhabitants of Texas."

The arguments were heard Thursday in the First Court of Civil Appeals. The hearing was ordered by the Texas Supreme Court.

The changes in the university's charter to admit Negroes as undergraduates and to charge tuition was made by the trustees after gaining permission of a district court.

The hearing was ordered by the supreme court after Val T. Billups and John D. Coffee of Houston appealed rulings of lower court which found in favor of the trustees.

Dallas Marine Among Viet Nam Casualties

WASHINGTON (AP)— The Defense Department announced Thursday that Marine Pfc. Thomas W. Knight of Dallas, Tex., was among the 10 Marines and three Army soldiers killed in Viet Nam.

Knight was the son of Willian A. Knight, Route Y, Box 126A, California Crossing, Dallas.

Astronauts Fail To Convince Britain's Flat Earth Society

By RICHARD KASISCHKE

LONDON (AP) — No matter what astronauts Charles Conrad Jr. and Richard F. Gordon Jr. said about seeing the earth as a ball, they can't convince Britain's Flat Earth Society.

"Those chaps splashed down in an Atlantic that wasn't revolving as they claimed it was," said Sam Shenton, honorary secretary of the Society, today.

"The Atlantic was down there waiting to receive them," he said in a telephone interview from his home in Dover, England.

Shenton's organization has been arguing the earth is flat despite photographic and visual testimony of American and Soviet spacemen.

If you can follow this reasoning—and many people can't—here is the organization's position as outlined by Shenton: "The thing is this. Astronaut Conrad said: 'I will tell you we can't believe it—just out of my left window I could see all the way up to the top of the world—all the way around for 150 degrees including the horizon all the way around.'

"Now my comment is this. That means to say that astronaut Conrad, at some 800 miles up, has a horizon which is horizontal all the way around for 150 degrees. That means to say that, if he were looking in any other direction that same horizon, level with his eyes, would continue to encircle him.

"Now, we Flat Earthers have always stated, since the early days of balloons and such like adventures into the upper stratosphere, that the horizon is level with the eye of the observer or the camera."

"That means to say that at any height, the astronaut is still bounded by level or sea horizon, the great point being that, if the earth were revealed as one complete planet or ball, it would also imply that it was flying through space at 20 miles per second which is 1.5 thousand miles per day, to complete an imaginary orbit around the sun.

"Now, if the astronauts had got to land or splash down in the Atlantic, their very means of landing or splashdown is by parachutes or drags. Therefore, it stands to reason that their Atlantic splashdown is not moving away from under them at over 20 miles per secoond.

"The Atlantic is there waiting to receive them."

Just for good measure, Shenton said "the earth is so much higher" than we were ever taught. Why, we're only on the crust of the earth. We have been misguided from childhood."

If you have any questions, Shenton's address is Dover, England.

Eisenhower Extends Stay In Hospital

WASHINGTON (AP) — Former President Dwight D. Eisenhower remained in Walter Reed Army Hospital Thursday night for what a spokesman said was a routine checkup.

He was supposed to return to his Gettysburg, Pa., home Thursday but hospital spokesmen said Eisenhower remained to wait for results of unspecified tests.

They said there was no special significance to the extension.

Make a light, safe ball for children from an old cotton work sock. Cut off the toe of sock and stuff it with batting or clean rags. Sew up the open end, and draw a funny face on the ball with crayons.

Where you go and what you do advertise what you are. Bible Book Store, 1403 Lubbock Hghway.

Tower Asks Peace Talks

TEMPLE, Tex. (AP) — Sen. John Tower said today he hopes an all-Asian conference can be convened to discuss settlement of the war in Viet Nam.

Tower, seeking re-election, told the Temple Jaycees.

"Let it not be forgotten that America's door always is open to peace talks. I am especially hopeful that an all-Asian conference can be convened to discuss settlement of the Viet Nam War.

"We seek no territory, no bases and no annihilation of North Viet Nam. We seek only that South Viet Nam be left alone to determine its own fate."

Tower said the United States must lead the way toward world order and stability.

"To guard our own national security we must resist world aggression," he said. "America is right in Viet Nam. Communism is wrong. And the right will prevail."

BIRTHS

Mr. and Mrs. D. A. Johnson, 410 Twenty-fourth, are the parents of a 6 lb. 9 oz. baby boy born Sept. 15 at 10:32 a.m.

An 8 lb. 8½ oz. baby boy was born Sept. 15 at 5:05 p.m. to Mr. and Mrs. Rufus Ray Martin, 2707½ Twenty-sixth.

"Why Me?"

"What did I do to deserve this?"

Often adversity is a blessing in disguise. Enforced idleness has led many men to think . . . to face the future with an honest appraisal of their past accomplishments. From that appraisal has come purpose, desire and dedication to worth-while accomplishments.

It is important to realize that the calamity of today may prove to be, in the light of tomorrow, the flame that tempered the metal.

Opportunity wears many disguises and God knows truth is best recognized when misfortune forces humility.
