

PURELY PERSONAL

by John

The cost of living continues to spiral with each passing week. The vicious spiral of incomes trying to keep up with costs and wage raises boosting costs is rapidly accelerating. No business is immune from the pressures of our national inflationary syndrome.

The latest company to succumb is Southwestern Public Service Company. Last Friday SPS filed a rate increase plan with the Public Utilities Commission for an 8.8% systemwide raise. This request will not go unnoticed either by individuals or cities. It is primarily up to the city governments of the municipalities on the SPS system to register objections to the Texas PUC in Austin.

The Farwell City Council can, and did, pass an ordinance or resolution suspending the application for increase for further study for a period of 120 days from the proposed effective date; however, under the recent rules the Company has the right to put the proposed rates into effect under bond 90 days after the proposed effective date. This would mean that the higher rates would go into effect on September 14, 1978.

If such be the case it would get us past the heat of the summer and the big air conditioning usage season. We are also sure that the farmers who pump water with electricity would like to see a delay for them until after the summer growing season.

We drove to Lubbock over last weekend and were properly impressed with the beauties of the Golden Spread in the "green season" of the year. Everywhere a body looked it was green, green wheat fields, green spring planted crop fields, green pastures, green barrow ditches and green trees. It won't be long until the spring grass and weed growth lose their colors to our inevitable drouthy conditions, while the wheat will ripen into golden waves and checkerboard the croplands in gold. There are only a couple of weeks in the late spring that we can enjoy this panorama of green loveliness. Take a drive and see it this week, it will soon pass for another year.

This also reminds us that the schools will turn out their inventory of exuberant youngsters for the annual summer interregnum. This will call for special care from the driving public as the possibility of an unheeding youngster dashing across the street is always present. Caution is always the word - more especially in the summer.

There may be some of you who are not as addicted to watching green as watching skin. We noted, casually, that last Monday's scorching brought out a lot of epidermis that had been under wraps since last fall. We suspect that there are a lot of sunburns in the Twin Cities this week. Remember a sunburn, is not a minor inconvenience, it can be quite serious. Take care in the sun and don't try to do it all at once.

Then there's the one about the theater magician who had this drinking problem, see, and one evening he began his act rather unsteadily and obviously under the influence. He grandly announced he would make a table rise from the floor unassisted, but the trick didn't work. After several attempts and failures, a member of the audience near the front remarked: "He who levitates is sauced."

Farwell Council Defers SWPS Rate Increase

Farwell City Council members voted unanimously Monday night to challenge Southwestern Public Service Company's proposed 10 percent rate increase. City Commissioners agreed to turn the matter over to the Municipal League, of which the city is a member, for further action. Any legal ramifications due to the Council's actions will be handled by the ML. The necessary papers were to be filled out by Council members, signed by either City Attorney Charles Aycock or County Attorney Johnny Atkinson, and mailed this week.

The Commissioners also announced that as of May 10 the city had paid off all its paving warrants to the sum of \$47,700. However, it was also reported that city property owners owe the city \$26,910 in paving fees. These residents are asked to pay their paving fees as soon as possible. Even though the city had not collected all the paving fees, the warrants were paid off when they fell due rather than let them default.

Jack Landrum, head of the

sanitation department, said that since the new dump ground hours have been enacted (Friday afternoons from 4-6 p.m.) no one has used the area during that time. In general, the council felt that since this system is not working out, some adjustments will be made in the near future.

To that end, a survey is being prepared which will be delivered to all local residents by Landrum and John Johnson, city employee. Purpose of the survey is to attempt to discover the best time in which to keep the dump ground open. Everyone is asked to fill out these surveys promptly and return them to City Hall.

The Council agreed to begin action toward paving Avenue I between Sixth and Seventh streets. Since the Farwell school system owns the north side of the area in question, the school board will be contacted in regard to obtaining its cooperation in pursuing the project. Before the matter will be officially discussed with the school board, Lydick

Engineers and Surveyors of Clovis will survey the area and provide a cost estimate.

A portion of the "T" shaped alley on Second Street in close proximity to the residences of Onie Bradshaw, Marcia Cole and Loyce McCleskey will be deeded to them with the understanding that utility right-of-way easements will be written into the agreements. They will also pay to have the gas meters moved according to the gas company requirements. Once the plans have been finalized, that section of the alley will be closed off in

an attempt to keep the area from continuing to be a trash pile. Mrs. Cole intends to fence her section off in an effort to combat the situation.

The Commissioners also commended Dee Hammit, water superintendent, for becoming AA certified in both water and waste water.

Present for the meeting were Mayor Walter Kaltwasser, Commissioners Fred Chandler and Johnny Curtis, and city employees Janie Bowery, Jack Landrum, Doug Landrum, Johnson and Hammit.

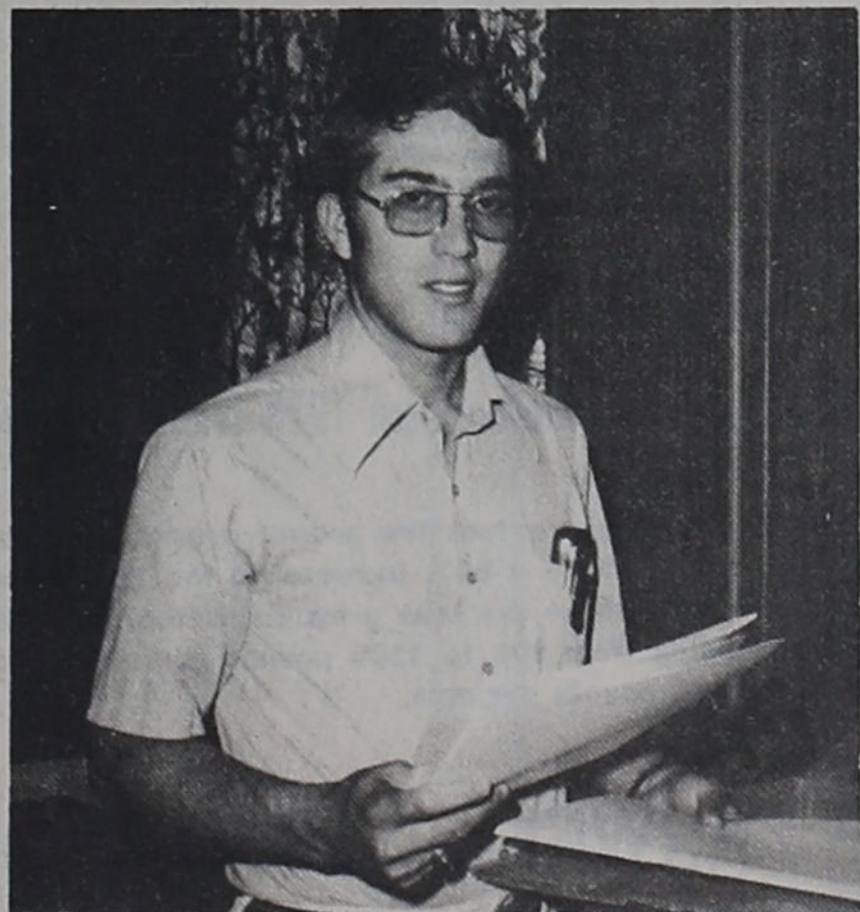

Absentee Voting To Begin Soon

Absentee voting for the June 3 Democratic and Republican runoff elections will begin May 24 and continue through May 31. However, the courthouse will be closed May 29 for Memorial Day. Anyone wishing to vote absentee may do so between the hours of 8:30 a.m. and 5 p.m. in the county clerk's office.

AROUND THE TWIN CITIES

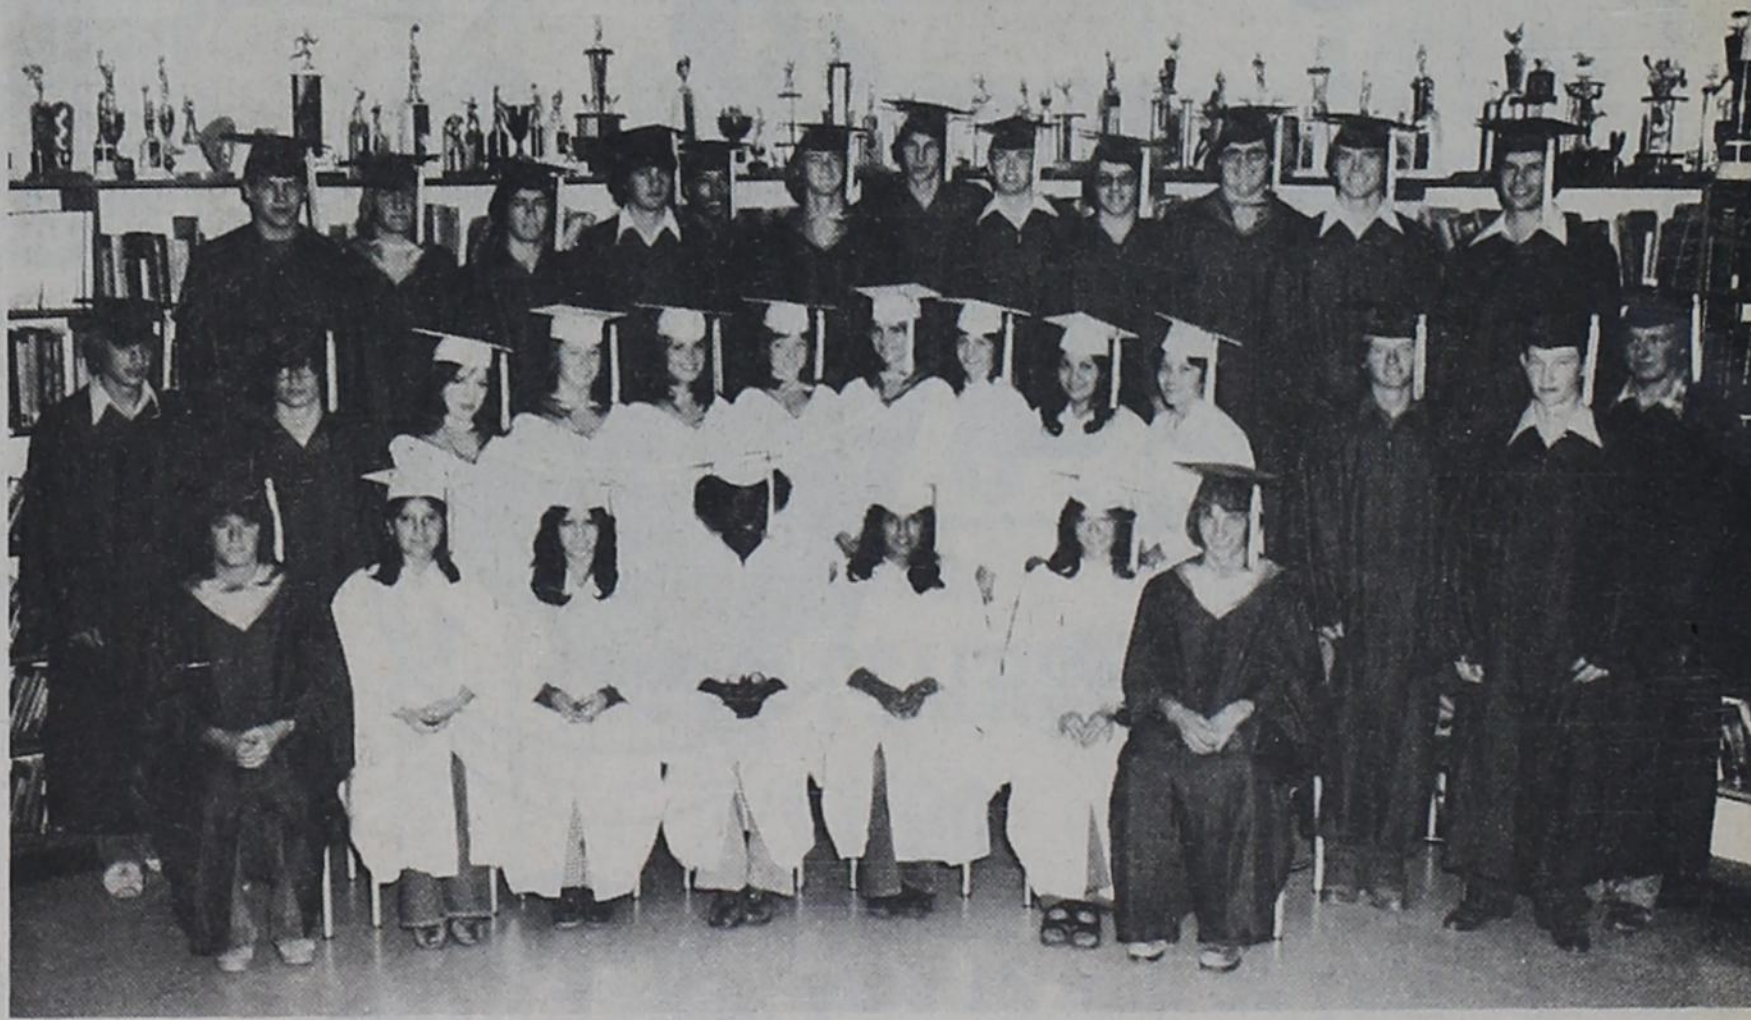

The Parmer County Commissioners Board of Equalization will meet Monday, May 22, at 2 p.m. in the county courtroom.

Texico City Council will meet Tuesday, May 23, at 6:30 p.m. MDT at the City Hall.

New Parmer County Agent

Seth Ralston, new Parmer County Extension Agent, has been busy this week unpacking and settling into his new office at the Courthouse. He officially began his duties Tuesday. Ralston was formerly the assistant county agent at Castro County. He and his wife, Anita, and their two children are presently living in Dimmitt, but plan to move to Farwell in the near future.

Committee Appointed For Community Center

Twelve Farwell residents attended a meeting Tuesday night at the school auditorium to discuss securing a community center. Superintendent W.M. Roberts acted as moderator.

A nine-member planning committee was appointed to begin the task of establishing a community center in Farwell. Three members present were appointed at the meeting and six other persons were also appointed.

Committee members who were present at the meeting are Martha Curtis, Lynne Mahaney and Dianne Actkinson. They were to contact the six other appointees in regards to their accepting a place on the committee. In the near future the committee is to meet to elect a chairman and other officers as needed.

As brought out Tuesday night, the initial action of the

planning committee will involve three basic steps. First, they must determine the actual need for a community center in Farwell. Another step will be to meet with the presidents of all the local community and civic groups to determine how much support exists for the community center.

After completing the first two steps the planning committee will meet with the Farwell Development Corporation. Even though the FDC is not presently active the organization does still exist. At one time they researched the possibility of establishing a community center in Farwell and a floor plan of a building was drawn up.

Once the community center project gets underway the planning committee will also look into possible ways of financing the facility.

Planning Committee

Martha Curtis, Lynne Mahaney and Dianne Actkinson, left to right, were appointed Tuesday night to serve on a planning committee designed to initiate action toward securing a community center for Farwell. Six other members were also appointed. Twelve local residents attended the community center meeting at the school auditorium.

Arrested For DWI, Possession

Earl D. Smith, 36, of Carlsbad, N.M., and Robert Lynn Vessels, 38, of Irving, Tex., were tried Monday in Parmer County Judge Paul Fortenberry's court.

Smith was charged with driving while intoxicated and possession of marijuana under two ounces. Vessels was charged with driving while under the influence of drugs and possession of marijuana under two ounces.

Smith was fined \$100 plus court costs and given six months probation for each count.

Vessels was fined \$250 plus court costs and given three days in jail for possession of marijuana under two ounces. On the DWI charge, he was

fined \$200 plus court costs and given 10 days in jail.

According to Parmer County Sheriff Charles Lovelace, Vessels is incarcerated in the county jail.

Department of Public Safety trooper Glenn Fant arrested Smith Saturday at 1:51 a.m. five miles east of Farwell on U.S. Highway 60. Fant said that after stopping Smith in the DWI charge, a routine inventory of the contents of

the car revealed the marijuana which was found in the dash. Fant said that any time anyone is arrested and the vehicle is to be towed away, the arresting officer must conduct inventory of the contents of the car.

Fant arrested Vessels Friday five miles east of Farwell on U.S. Highway 84. He said that after "smelling the marijuana" he discovered it in the car.

From Farmers, Ranchers - -

Crop, Livestock Reports Needed

During late May and June, many Texas farmers and ranchers will receive a crop or livestock questionnaire from the Texas Crop and Livestock Reporting Service or will be personally interviewed by the Service's field staff. This is part of the continuous effort of keeping track of Texas' big-gest business - agriculture.

The information gathered through the questionnaires and interviews provides the basis for determining the acreage devoted to the various crops and midyear livestock numbers for the state of Texas and for each county.

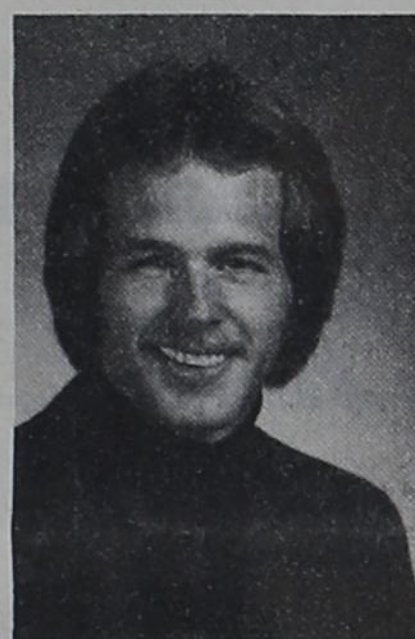

With the depressed prices of many agricultural commodities, it is more important than ever that the statistics be as accurate as possible to aid producers in making the best production and marketing decisions. They are also essen-

tial in enacting wise legislation affecting agriculture and are used in determining the national program acreage and payment levels to producers under the various commodity programs. The primary beneficiaries of accurate estimates are farmers and ranchers themselves.

Prompt and accurate completion of the survey forms provides for more reliable estimates of Texas' largest industry - agriculture. It also helps to reduce survey costs.

All individual farm and ranch information is kept confidential, and only state and county summaries become part of the final published estimate.

This is a cooperative effort of the USDA's Economics, Statistics, and Cooperatives Service and the Texas Department of Agriculture.

LYNN BLANKENSHIP

Blankenship Graduates

Lynn Blankenship, son of Mr. and Mrs. R.E. Blankenship of Farwell, graduated from Texas Tech University Friday. He received a BBA in accounting. He is a 1974 graduate of Farwell High School, and plans to attend Southwest Baptist Theological Seminary in the fall.

Convalescent Center Chit Chat

Visiting Nina Dickinson was her daughter, Joyce Harlan of Hondo, Tex., and Aleane West of Hereford. They were able to spend a lot of time enjoying the pretty weather outdoors.

Willie Shields spent the weekend in Portales with her son and family, the Byron Shields. She visited all her old friends in the nursing home, enjoyed Mother's Day lunch with an old time friend, and then finished the day by shopping in Clovis. She returned home tired but content - with two new dresses.

Visiting Bobby Hix were his son and wife, Mr. and Mrs. Bobby Don Hix of Eunice, N.M.; his parents, Mr. and Mrs. L.D. Knight of Bovina; his sister, Margaret Mason, also of Bovina; and an aunt and uncle, Mr. and Mrs. Tex Bailey of Albuquerque, N.M. "If you can't go out to see your mother, she can always come to see you," Hix said.

Visiting Wilma Walding was her nephew, Harley Stone of Dodge City, Kan.

Bertha Kaltwasser enjoyed Sunday lunch with her son, Walter Kaltwasser and family. Also visiting were her two granddaughters, Pat Madison of Arlington, and Vicky Lynn and family of Hagerman, N.M., and grandson Kevin Kaltwasser who is home from college.

Maud Wilson spent Mother's Day with her niece and family, Bert and LaMoin Williams and children.

Lela Carpenter and Callie Taylor are new roommates. They both received lovely red bouquets for Mother's Day.

Rubie Craft ate Mother's Day lunch at the Center with her mother, Thelma Kittrell, and she brought her a bouquet of flowers.

Lyra Holland received a beautiful orchid from her son, John Holland.

Cora Lunsford spent Mother's Day in Clovis with her daughter, Thelma Plaster. She reports she had a lovely day and received flowers, money and candy.

Visiting new resident Lois Massey was her brother, J.M. Hagler of Truth or Consequences, N.M.

In Amarillo

Estellene Billington and Kitty Johnson of Estellene's Beauty Shop, Farwell, were in Amarillo Monday to attend a workshop for hair dressers. The one-day meeting concerned techniques in hair coloring and hair cuts. Mrs. Billington reports that they gained many new ideas to benefit their patrons.

C. McFarland Graduates

Claire McFarland, daughter of Mr. and Mrs. John McFarland of Farwell, graduated from Midland College, May 13, receiving an associate degree in applied sciences. Miss McFarland, a member of the girls golf team there, also received the "Fighting Chaparral" award for the second year in a row.

Those attending the graduation ceremony besides the John McFarlands were their children, Lonnie and Leslie McFarland of Farwell; Mr. and Mrs. Kirk McFarland of Clovis; Mr. and Mrs. Mack McFarland and Derek of Iraan; and Buddy Hughes, also of Iraan. Hughes is the fiancé of Leslie McFarland.

Mrs. Mack McFarland and Derek accompanied the family home to Farwell for a visit, and Mack is expected to join them shortly.

Visiting Addie Jones was her granddaughter, Marie Tomlin of Clovis; a son and family, the Joe Joneses of Clovis; a son, Orval Jones and family of Clovis; and Marilyn Hammit, her granddaughter.

Christa Gohlke spent three days visiting her old homeplace at Littlefield. Mother's Day visitors included her daughter Gladys Hobratsch and family of Littlefield, and Edith Bourland and family of Hollis, Okla.

While Christa's family was visiting they helped her plant flowers in her flower pots. They were hung on the old cream separator on the patio just outside her window. This looks quite unusual and attractive and everyone enjoys looking at it. Christa plans to leave next week for Atlanta, Ga., to visit her son and family, the Arthur Gohlkes, for a month.

Visiting Pearl Monk were her sisters, Alta Elliott of Childress, Ethel Pope of Wellington; and her brother-in-law, Tuck Monk of Midland.

Hedwig Gast received some lovely handmade yarn flowers made by her daughter, Bertha Reynolds. She also received cut flowers from her son Buster Gast and white artificial roses from another son, Smokey Gast.

Lois and Milton Poteet have been kept busy as they have so many friends visiting them. Lois still drives her car to the post office each day and they are both looking forward to Milton recuperating enough to go out for long rides.

About 40 fourth graders visited the Center recently bringing laminated book markers with names of each resident names on them. "We appreciate these children thinking of us and sharing their talent with our residents," Floe Copeland, activity director, said.

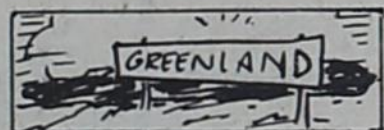

Church services were not held Sunday due to many of the residents being away for the day.

Special Reminder - Family Day is this Sunday at 3 p.m. CDT. Everyone is invited to enjoy homemade ice cream and cookies. Farwell Junior High twirlers Kay Geuther and Betsy Black will provide the entertainment.

Plan June Wedding

Mr. and Mrs. Edward Kirkmeyer of Hobbs, N.M. announce the engagement and approaching marriage of their daughter, Miki Joyce, to Robin Bruce Bain, son of Mr. and Mrs. Kenneth Bain of Clovis. The bride-elect is the granddaughter of Mr. and Mrs. Almer Powell of Farwell.

Miss Kirkmeyer is a 1976 graduate of Hobbs High School where she served as president of Chi Delta Chi Sorority her senior year. She is now employed as a bookkeeper in Hobbs.

Her fiancé was graduated from Clovis High School in 1974 and attended New Mexico Junior College for two years where he was a member of the Thunderbird track team. He is employed by a construction company in Hobbs.

The wedding will be at 6:30 p.m. June 17 at Taylor Memorial Baptist Church of Hobbs.

All friends and relatives of the couple are invited to attend the ceremony.

Alpha Rho Lambda Has Special Fete

Alpha Rho Lambda chapter of Beta Sigma Phi sorority had its first Mother's Day tea Saturday, May 13, at the home of Laura Jacobs.

Janice Fant, president, welcomed everyone and made introductions of members, their mothers and mothers-in-law who were present.

Miss Jacobs then read a poem entitled, "What is a Mother?"

The door prize was a book entitled, "A Mother's Source Book of Inspiration," and a

floral arrangement which were won by Mrs. Paul Guss.

Refreshments of fruit kabobs, sausage balls, finger sandwiches, coffee and punch were served to Mesdames Art Hutchins, Otto Lingnau, George Magness, Ed Hardage, Paul Guss, Lynn Miller, A.V. Warren, and A.V. Burch, guests; and the following members: Kendale Burch, Janice Fant, Laura Jacobs, Mary Ann Lingnau, Julie Lingnau, Gloria Hutchins, Kitty Johnson, Pam Smith and Pauletta Curtis.

Apples Supply Vitamins, Minerals And Fiber

COLLEGE STATION - Apples - with only 70 calories - supply needed vitamins and minerals plus fiber, an important contribution for its cleansing effect on teeth and gums.

In addition, it's hard to beat the firmness and natural sweetness of a fresh apple, says Marilyn Haggard, foods and nutrition specialist with the Texas Agricultural Extension Service, The Texas A&M University System.

For a quick and easy dessert, peel and core one apple for each serving, she suggests.

Or, slice the apples into about 10 pieces each and place in a saucepan with enough water to cover the bottom of the pan.

Next, sprinkle with one tablespoon brown sugar and one tablespoon raisins for each apple.

Then, add a sprinkle of cinnamon and simmer for 15 to 20 minutes.

Serve hot as is, or add a small spoonful of sour cream. Or, serve cold with vanilla ice cream.

For a more elegant dessert, core apples and fill each with raisins and brown sugar. Bake in a shallow pan containing about one-fourth inch of water for one hour at 375 degrees F.

Pork chops are a natural mate for the apple, the specialist points out.

Place one-inch apple slices topped with brown sugar and a dot of butter on thickly sliced pork chops.

Bake at 325 degrees F. for about one hour.

Gay Rundell Gets Degree

Gay Lynn Rundell, daughter of Johnnie Rundell of Farwell, received her bachelor of science degree in nursing from West Texas State University on May 13. The pinning ceremony for nursing was conducted May 12. Guest speaker was Max Sherman, president of the university.

Miss Rundell is a 1973 graduate of Farwell High School.

Steers Compete At State

The five Farwell Steers who competed in the state track meet at Austin last weekend are pictured limbering up before the events. They are, from left, Mark Owen, Russ Jones, Vick Christian and Max Lonsdale. Boyd White, alternate, is partially seen behind Vick. The sprint relay team finished sixth in state competition.

Farwell To Stage Athletic Banquet

All Farwell High School and Junior High School athletes will be honored at a banquet tonight (Friday) at 8 p.m. in the cafeteria. Guest speaker for the occasion will be James Odom, head football coach at Lubbock Monterrey High School. The Booster Club is sponsoring the banquet.

Odom has been at Monterrey for 14 years, compiling a record of 134 wins, 35 losses and 9 ties. Monterrey went to the quarterfinals in 1965, 1972, and 1977. They went to the semi-finals in 1976. In 1970, '74 and '75 they were district co-champions.

Before coming to Monterrey, Odom coached at Petersburg for two years. In 1962 they were regional champions and in 1963 they were the state champions. Odom is married and has two daughters.

The topic of his address will be athletics in general. Numerous awards will be presented, including most outstanding boy and girl in each sport, Steer and Steerettes of the year, student council award, Chamber of Commerce award, and scholastic award.

Head Coach Don Alana will serve as master of ceremonies and will introduce the guest speaker.

Superintendent W.M. Roberts will give the invocation and the benediction will be given by Tom Knoy, principal.

The cheerleaders are in charge of decorations. The menu will consist of steak, baked potato, salad, tea, garlic bread, dessert.

Lazbuddie Girl Wins Fifth In State Meet

Lazbuddie's Tammie Smith, defending state champion in the Class B 880-yard run, finished fifth in this year's state meet. Tammie is the daughter of Mr. and Mrs. Gene Smith and is a senior at Lazbuddie High School.

This is the second consecutive year for the Lazbuddie trackster to compete in the state meet in Austin.

Former Resident Wins In Track

Robin Ennen, daughter of Rev. and Mrs. Cliff Ennen of Las Cruces, N.M., former Farwell residents, won four first place medals at the recent Annual City Girls Junior High Track Championship at New Mexico State University. Robin is a ninth grader at Lynn Junior High.

Robin won three dash events and the long jump. She won the 100 yard dash in 12.0; the 220 in 28.0; and the 440 in 1:04.2. She long jumped 15 feet, five inches.

Place At District

Several Farwell Junior High School tennis players placed in the district tournaments held Saturday. The winners are from left, Ginger Ellison and Lana Turner, third in doubles; Bobby Silva, sixth in singles and Janene Berry, 5th in singles. Hart hosted the boys meet while the girls tournament was played at Kress.

FHS Sprint Relay Sixth At State

Farwell Steer sprint relay team of Mark Owen, Russ Jones, Vick Christian and Max Lonsdale placed sixth in state this past weekend at Austin. They ran the course in a time of 43.9. Jones who also ran the

120 high hurdles in 14.9 did not place.

Coach Royce Baker said he was pleased with the effort. "I wanted us to place and we did. I was also very glad we broke 44 flat in the sprint relay."

District Tennis - -

Farwell Jr. High Nabs Four Firsts

Farwell Junior High boys and girls tennis teams competed in district tournaments Saturday. The boys' tourney was in Hart and the girls competed in Kress.

Eighth grade girls placing first were Tracy Williams in singles, and Karen Magness and Kay Geuther in doubles.

Janene Berry finished fifth in singles and Ginger Ellison and Lana Turner placed third in doubles.

Doug Cole garnered first in the eighth grade boys singles and Elcio Silva finished first in the seventh boys singles division. Bobby Silva, also an eighth grader, placed sixth in the singles division.

District Tennis Champs

These Farwell Junior High tennis players finished first in their respective divisions Saturday in district tennis competition. The winners are, from left, Doug Cole, singles; Elcio Silva, singles; Tracy Williams, singles; and Kay Geuther and Karen Magness, doubles. Second In State

Coach Paul Topliff, center is holding the second place trophy which the Wolverines won last weekend in the New Mexico state AA track meet. Members of the mile relay team, which placed first and broke the existing record, are, from left, Justin Gaddis, Robert Lacy, Steve Turner and Keith Hadley. Don Duncan placed fourth in the pole vault. Gaddis also took first in the long jump and Hadley finished first in the 440 yard dash. The Wolverines earned 36½ points in the two-day meet.

Champion Wolverines

Keith Hadley, left, garnered first in the 440 yard dash and Justin Gaddis placed first in the long jump during the New Mexico state track meet. The Texico Wolverines finished second in the AA division with 36½ points. Hadley and Gaddis also comprise one-half of the first place winning mile relay team which broke the meet record.

Break Mile Relay Record - -

Wolverines Win Second In AA State Track

Texico varsity Wolverines are riding on a cloud this week as they are still in "seventh heaven" over winning second in the AA state track meet last weekend at Albuquerque.

The mighty Green and White grabbed three first places on

its way to a smashing second place finish. Texico was tagged as the dark horse going into the meet.

Topping the list is the mile relay team of Keith Hadley, Robert Lacy, Steve Turner and Justin Gaddis who finished first with a time of

3:28.95, breaking the existing state record.

Gaddis jumped 20'11½" in the preliminaries to assure himself of the first place win. Hadley breezed to a first place finish in the 440 yard dash with a time of 51.5.

Steve Turner came in second in the 120 high hurdles with a time of 15.5. Don Duncan tied with Ward of Lordsburg for fourth in the pole vault with a leap of 12'.

The 880 relay team placed second with a time of 1:33.7. Terry Rolan took sixth in the shot put with a throw of 43'8".

In the state meet, Texico accumulated 36½ points. Lordsburg placed first with 43½ and Jal and Dexter finished third and fourth with 35 and 28 points, respectively.

Coach Paul Topliff said he was "super thrilled" with the

win. "Of the seven young men who competed, five scored points," he explained. "But it was a team effort all the way. Even the Wolverines who did not get to go were very excited about the victory. We have turned the corner because now they know they can win."

"I am proud of them because they went to Albuquerque to play and not to mess around," the coach said. "We were in good physical condition and I think that helped us to fight it out with the other teams."

Junior High Athletes Receive Awards

Texico Junior High athletes were honored last week with an awards assembly. Six athletes named "best all-around" were Ruth Scott and Paul Salguero, 7th grade; Tracy Dobbs and Tony Tubbs, 8th grade; and Lisa Coffey and Herbert Bibbs, 9th grade.

Outstanding volleyball awards were presented to Scott, 7th; Dobbs, 8th; and Schree Rucker, 9th.

and John Kelley, 9th.

Most valuable honorees were Rucker, volleyball; Coffey, basketball; Coffey and McDonald, track; Foreman, football; E. Bibbs, basketball; and Kelley, track.

Carletta Fitz won a "spark-plug" (enthusiasm) award in every sport.

Certificates were also presented to all participants in the Play, Inc. basketball

program.

Cheerleaders for the 1978-79 school year were also announced. The newly selected 7th cheerleaders are Valda Cavallero, Dana Morris, Christi Barfield, and Beth Goode, "Wally Wolverine."

The 8th grade cheerleaders are Tammy Landis, Jeanne Chavez, Carey Ruszenas, Jana Stephens, Kerri Gaddis, Cara Reid and Anna Flores.

Optimist Club Plans Olympics

Sunrise Optimist Club is sponsoring the first annual Junior Olympics this Saturday at the Clovis High School track field (Leon Williams Stadium.) Events begin at 9 a.m. MDT.

A total of five running and two field events will be offered, but contestants may enter only two running and two field events. First, second, third and participation ribbons will be issued.

Children ages 8-9 will choose from 40, 50, 60 and 100 yard dashes and the running high jump and broad jump. Contestants ages 10-11 will participate in the 50, 60, 100 and 220 yard dashes and the running high jump and broad jump.

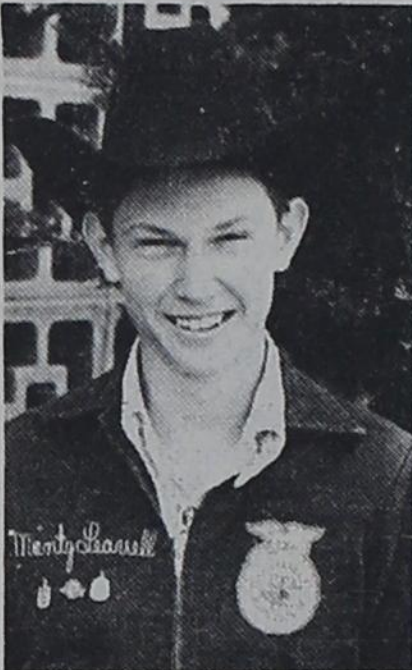

Admission is \$1 for adults and 50 cents for high school age and below. Contestants will be admitted free.

Leavell To Get Degree

Monty Leavell, Texico senior, will be conferred with a State Farmers Degree award at the New Mexico state FFA convention in June, reports Eddie West, Texico FFA instructor. The convention will be in Las Cruces.

Only two percent of all the FFA members in New Mexico may receive the award each year. The honor is based on an accurate, complete record book, chapter participation and leadership, and net agricultural income from various projects.

Monty is the son of Mr. and Mrs. Howard Leavell.

Farwell All-Stars Head For Regional Tournament

Farwell Little Dribblers All-Stars scrimmaged their Bovina counterparts Monday night winning 19-18. The game was in preparation for the All-Stars Regional Tournament which was to begin Thursday at Dalhart. The local All-Stars were to play Plainview in their first game at 2:15 p.m. Thursday. If Farwell won they were to play again at 8:30, but if they lost they will play at 10:30 Friday morning.

Scoring points in the scrimmage game were Lezie Castleberry, 15; and Suzahn Inman, 2. A Bovina player added two points to Farwell's score when she made a basket on the wrong goal.

Members of the 1978 All-Stars team are Norine Jones, Tami Goldsmith, Geretta Hutchins, Sheila Smith, Cynthia Ancira, Suzahn Inman, Erlene Rudd, Denise Ford, Renee Bartley, Sherilyn Thig-

pen, Shaylene Jones and Lezie Castleberry. Coaches for the All-Star team are Betty Jean Castleberry, Eddie B. Smith, Kathy Curtis and Gaye Coffman.

The Little Dribblers closed out regular season play last Thursday. The major team Steerettes defeated the Tigerettes, 15-8. Castleberry scored all 15 points for her team and

Cynthia Ancira, Denise Ford, and Manuela Terrazas scored for the Tigerettes.

In the minor league the Patriots blasted the Tigerettes, 20-10. Making points for the Patriots were Camille Buchenau, 10; Michelle Herrera, 6; and Dana White, 4. Earning points for the Tigerettes were Melinda McMillan, 4; and Angie Bristow, Alma Nicholas and Ursula Dollar, 2 each.

The Steerettes narrowly bested the Queens, 14-10. Steerettes Renee Bartley and Shonda Foster scored 8 and 6 points, respectively, and the point-getters for the Queens were Sherilyn Thigpen, 6; and Jeanette Chavers and Susan Romas, 2 each.

Pee Wees To Start

The Pee Wee baseball teams will see their first action of the season next Monday night, May 22, starting at 6:30 p.m. CDT.

Parmer County Observing Nat'l Transportation Week

The modern transportation system of the United States - including air, water, rail, highway and pipeline - affects every American while at home, at work, in the market place or at play. Perhaps no other function of society plays such an important part in the life of each American. About 20 percent of the nation's annual expenditure for goods and services is for transportation.

Governor Dolph Briscoe designated the period of May 14-20, as TRANSPORTATION WEEK in Texas. Each year, the week including the third Friday in May is designated NATIONAL TRANSPORTATION WEEK and is sponsored by Traffic Clubs International.

and includes the member states of the American Association of State Highway and Transportation Officials (AASHTO).

Parmer County Judge Paul Fortenberry recently signed a proclamation declaring this week as Transportation Week in Parmer County, along with the state and national observance. The proclamation is as follows:

WHEREAS, transportation is the lifeline that ties together the production, marketing, and distribution that determines the worth of our state and national economy; and

WHEREAS, the facilities and services that comprise our transportation system vitally affect not only our economy

but the environmental and social fiber of our total existence; and

WHEREAS, transportation in all of its forms is a major user of our energy and other natural resources, as well as a major contributor to the development of those resources;

NOW, THEREFORE, I, Paul Fortenberry, Judge of Parmer County, do hereby proclaim the period of May 14-20, 1978, as

NATIONAL TRANSPORTATION WEEK and call upon all citizens to observe the period with especial concern for safe, economical use of our transportation facilities; and call upon all providers and planners of transportation to take special care and exercise respect for the state's social, environmental, and economic well-being.

Little League Results

Last Thursday night Worley Grain bested Kelly Green Seeds 10-1 with Brad Maxwell pitching for the winners. Pitching for Kelly Green were Kevin West and Joe Sanchez. Roger Robertson scored the lone run for Kelly Green.

Alan Eubank hit an "over-the-fence" homerun to score three runs and Dennis Chavez also hit a homerun.

In other Thursday night action Tide beat Aldridge 19-1. Blake Kelley and Danny Powell handled pitching chores for the winners while Steven Smith and Tommy Watkins pitched for the losers. Ronnie Galvan hit a homerun to score for Tide. Smith also got a homerun on errors for Aldridge's single score. Manuel Cantu and Powell each hit a triple in this game.

On Monday night, Kelly Green edged Tide 7-5. Jeff Johnson and Kevin West

pitched for Kelly Green while Blake Kelly and Manuel Cantu pitched for Tide. Lucio got a double and a triple for Kelly Green. Ronnie Galvan hit a triple and Lezie Castleberry hit a double.

Worley Grain defeated Aldridge 18-5 with Joe Steward pitching for the winners. Billy Bibbs and Tommy Watkins pitched for Aldridge. Hitting triples for the Worley team were Eubank, Jesse Coburn, Dennis Chavez, Maxwell, Scott Elliott and Sandoval.

Bibbs got a homerun on errors and Steven Smith hit a double for the Aldridge team.

The games scheduled for May 18 and May 25 have been re-scheduled for the Saturdays following those dates because of conflicts with graduation programs at the local schools. Games will be played on Saturday afternoons instead of late evening.

Farwell Schools Name Cheerleaders

Cheerleaders at Farwell High School and Junior High School have been announced for the 1978-79 school year.

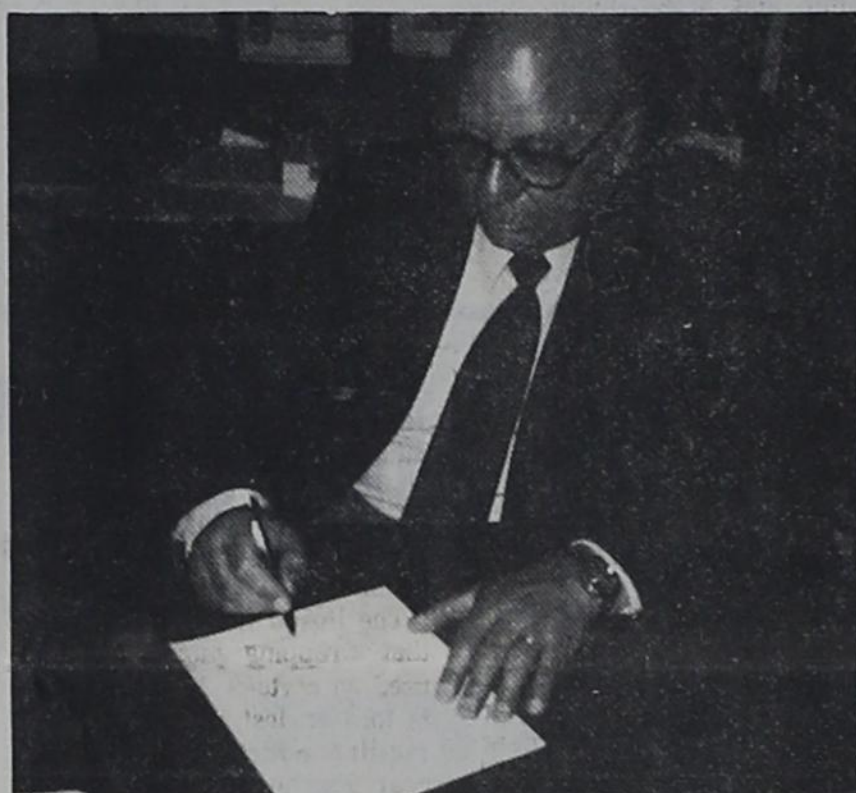

Varsity cheerleaders for next year are Toby Curtis, head; Vicki Vinton, Lisa Hughes, Jana Berry, Lori Turner and Robin Vinton.

The 1978-79 junior varsity cheerleaders are Ginger Ellison, Tracy Williams, Sandra Rudd and Angelica Jaime.

The junior high school cheerleaders are Polly Turner, Shana Blain, Erlene Rudd and Geretta Hutchins.

The girls were chosen by the cheerleaders of Eastern New Mexico University in tryouts performed there last week.

Signs Proclamation

Parmer County Judge Paul Fortenberry is pictured signing a proclamation declaring the week of May 14-20 to be National Transportation Week in the County. Each year the week in May in which the third Friday of the month falls is set aside in honor of transportation. About 20 percent of the nation's annual expenditure for goods and services is for transportation.

This I Know - - -

by Leonard Harper
Minister
Farwell Church of Christ

Many folk are faced with the task of finding enough time and energy to do all of the things they want to do. They have two or more places to go at the same time; more than one job they should do immediately; and various endeavors that are overlapping in both time and purpose. Trying to do too many things, and go too many places is causing many people to be unhappy, ineffective, and inefficient. Spreading out and trying to cover too much territory is making it impossible for many folk to do anything well. As a consequence, they are always disturbed and dissatisfied. Many well-meaning individuals are so busy with the good that they have very little time and energy to devote to the best. H.A. Courtney has made a challenging statement as follows: "Finding a way to live the simple life today is man's most complicated task."

People are busy, they work hard, and they have worthy designs, but many of them never seem to realize the joy and satisfaction so necessary to their well-being. One obvious cause of this condition is the unnecessary complication of our daily activities. We can and must find ways to simplify our manner of living. The divine injunction is that "we aspire to live quietly."

We must learn to live quiet lives in order to realize the maximum accomplishment from the use of our time, thought, energy, and abilities.

Awards Presented At Banquet

The annual Farwell High School Future Farmers of America and Future Homemakers of America banquet was held Saturday night, May 6, at the school cafeteria. Highlights of the occasion included presentation of awards and the installation of the 1978-79 officers for both organizations.

Dianne Robery was recognized as the high point FHA girl and Linda Gohlke was named the "outstanding FHA member."

Todd Meeks was named the outstanding Greenhand Farmer and Terry Miller was recognized as the outstanding Chapter Farmer. These awards were given for the first time in many years.

It was announced that the Greenhand Wool Judging team of Charlie Rose, Robert Thurman and Kenyth Key garnered 9 first places at the Texas Tech judging contests.

Greenhand pins were presented to Mark Anderson, Brent Black, Chris Bristow, Grover Halsell, Randy Herington, Roy Hill, Ricky Tims, Sid Howard, Billy Hull, Kenyth Key, Mac Langford, Randy Sierra, Thurman, Rose, Donald Lovelady, Richard May, Meeks and Ricky Pierce.

Those receiving Chapter Farmer pins were Roger Johnson, Willie Martin, Ted Mesman, Alan Warren, Rusty Smallwood and Richard Winegeart.

The 1978-79 FFA Sweetheart is Dondra Geries and the Plow Girl for next school year is Gina Eubank.

For the first time, Honorary Chapter Farmer plaques were presented to three community members who have been outstanding supporters of the FFA.

Greg Martin was recognized for donating a barn to be used for local livestock shows and Mike Haseloff was presented a plaque for serving as superintendent of the local livestock show for the past two years. Bill Thigpen was also honored for "helping with the FFA projects a lot."

Newly-installed FFA officers for the 1978-79 school year are Willie Martin, president; Brent Inman, vice-president; Yolanda Martin, secretary; Richard Winegeart, treasurer; Rusty Smallwood, reporter; and Mac Langford, sentinel.

New FFA officers for the next school year are Val Bass, president; Lisa Howard, vice-president; Paula Hukill, secretary-treasurer; Trudy Watkins, reporter; Julie Mason, song leader; and Carolyn Lovvorn, historian.

The FFA officers were installed at a special table covered with a white cloth and centered with several candles which were used as part of the ceremony. Delia Dollar, outgoing president, served as installing officer and co-master-of-ceremonies of the banquet.

Terry Miller, outgoing president of FFA also acted as master-of-ceremonies and also officiated at the FFA officer installation ceremony.

Richard Montgomery, FFA sponsor, presented the FFA

awards. Janice Fant is the FFA sponsor.

Guest speaker for the banquet was David Louder, a freshman majoring in agriculture education at Texas Tech University, Lubbock. He is the current FFA State Vice-President for Area II.

Louder spoke briefly about the "perfect recipe" for a good life. The first ingredient, according to Louder, is always maintain a "youthful attitude." "Never get discouraged," he said. "build a little at a time and learn from failing."

Another ingredient for the recipe of life is optimism. A third all important ingredient is unity, Louder said. "By working together we can get things done." A positive mental attitude (PMA) is very necessary, Louder said. According to him, an important saying to remember is, "If it is to be, it is up to me."

The last ingredient for the recipe is "you," Louder said. He concluded by saying "the future is up to you."

Val Bass gave the invocation and Willie Martin gave the benediction. Members of the Steer band provided entertain-

ment. Jan Bradshaw gave the welcome and Miller and Miss Dollar introduced special guests.

Lisa Howard acknowledged the entertainment and Randy Geries introduced the guest speaker.

The FFA held the opening ceremony and the closing ceremony was conducted by the FFA.

Tables were covered with white and were centered with bouquets of handmade flowers. The bulletin board behind the main table and speaker podium was decorated with a background of red, bordered with blue. The following verse was written and placed on the center of the board:

"Like dew and freshness of morn
Like Sunshine that kisses the clover

Like tassels of silk on the corn
Like clouds when the sun dips low

Like colors that gratefully blend
Like everything breathing of kindness

Like this is the love of a friend."

The menu consisted of barbecue, salads, bread, desserts, tea and lemonade.

Chapter Farmer

Terry Miller, outgoing president of Farwell chapter of Future Farmers of America, was recognized as the outstanding Chapter Farmer May 6 at the annual FFA-FHA banquet. Todd Meeks was named outstanding Greenhand Farmer.

Farwell FHA Officers

Farwell Future Homemakers of America officers for the 1978-79 school year were installed May 6 at the annual FFA-FHA banquet. New officers are, from left, back row: Lisa Howard, vice-president; Val Bass, president; Carolyn Lovvorn, historian; front row: Julie Mason, song leader; Trudy Watkins, reporter; and Paula Hukill, secretary-treasurer.

CARD OF THANKS

It is with grateful hearts that we say "thank you" for all the prayers, flowers, cards and words of sympathy toward us in the loss of our mother, Mrs. Edna Henson. And especially to those who drove long distances to the funeral services. Your love has been shown to us many times in the past. And though we neglect to say so too often - we do love you all and we say now "God bless you everyone."

"A STONE OF STUMBLING"

Some thirty years after the death and resurrection of Christ, St. Peter wrote to the believers of the dispersion:

"Unto you therefore which believe He is precious; but unto them which be disobedient, the Stone which the builders disallowed, the same is made the head of the corner."

"And a stone of stumbling, and a rock of offence, even to them which stumble at the word, being disobedient..." (1 Pet. 2:7,8).

It is true that Israel's builders, 1900 years ago, "disallowed" Christ as the cornerstone for their building, and that when He became the "Head of the corner," according to Psa. 118:22, it was for them an occasion for stumbling and embarrassment.

But Christ is a "stone of stumbling" to all who reject Him. In Rom. 9:33, St. Paul quotes from several Old Testament passages:

"As it is written, Behold, I lay in Zion a stumblingstone and rock of offense; and whosoever

believeth on Him shall not be ashamed."

In Peter's day and Paul's, those who looked upon Christ as their cornerstone were never given cause to be ashamed. It was those who disallowed and refused Him, it was they who kept stumbling over Him and were constantly embarrassed by Him.

So today, those who put their trust in the crucified, risen Christ are eternally secure and will never be put to shame for having done so. But those who reject Christ keep forever stumbling over Him. They hear him preached over the radio, they see Him offered as the One who died for their sins, they are constantly confronted with His claims and they are embarrassed. They keep forever stumbling over Him.

Moral: Trust Him as your personal Savior, for "whosoever believeth on Him shall not be ashamed."

THE STATE LINE TRIBUNE

First Federal Names New President

First Federal Savings & Loan Association Board of Directors have announced the appointment of Don Bonner as President of the Association, effective May 15.

Bonner, a former Clovis City Commissioner, replaced Reese Cagle, who retired effective that date. Bonner first joined the Board of Directors in October, 1967, and has been chairman of the board since January 19, 1977. He is president of Pepsi-Cola - 7-Up Bottling Co. of Clovis and church treasurer and trustee of First United Methodist Church, Clovis.

Cagle first became a member of the board of directors in 1959. In 1965 he accepted the position of full-time appraiser for the association. In 1975, Cagle was appointed President

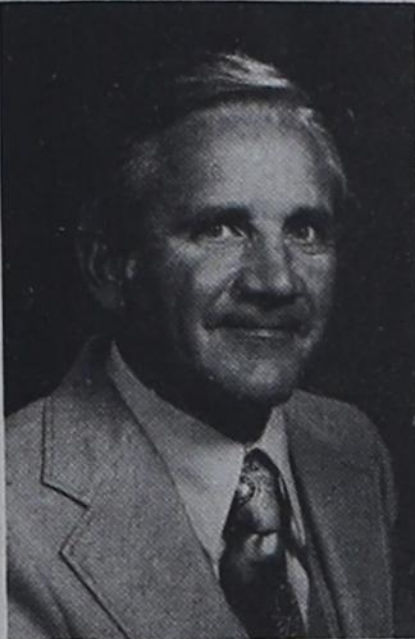

of the Association, a position he has held until his retirement.

Other personnel changes announced by the Board of Directors include the retirement of Dixie Hogg, and the appointment of Brenda Spangler.

Mrs. Hogg retired from the position of assistant vice-president in charge of the savings department on April 7. She first joined First Federal as an employee in the savings department in 1947, and also served as secretary of the association until her appointment as assistant vice-president in charge of savings. She also held the position of secretary to the Board of Directors, which was filled by Patricia Price.

Brenda Spangler, the newly appointed assistant vice-president in charge of savings department, first joined First Federal as a receptionist in

1973 and was later promoted to a savings counselor in the savings department. She also serves as assistant treasurer of the association.

Electric Co. Files For Rate Increase

Southwestern Public Service Company has announced that it has filed for a general retail rate increase in the cities and counties served by the company in Texas.

The request was made with the cities and the Public Utility Commission of Texas on or about May 12, 1978, and the company is requesting that the increase become effective

35 days after the filing date.

It is expected that the proposed new rates will result in an increase of approximately 10 per cent for residential, commercial, industrial and school customers. This would result in an increase of about 8.8 per cent in the company's total revenues from Texas, or about \$22 million annually. Rates to

wholesale customers and for retail service to municipal customers would not be affected.

The last base rate increase in Southwestern's rates for residential, commercial and industrial service was granted in 1974 and amounted to about 10 per cent.

Increased costs of building new power plants, as well as the increased costs of labor, materials, money and taxes were cited by the company as the major reasons for the proposed increase.

In 1972, SPS made the commitment to switch from gas to coal as the primary fuel for their generating plants. This decision was made due to a long-range forecast which indicated increases in the cost of gas and diminishing availability. The present cost of new gas is about 70 per cent higher than the cost of coal. Government regulations have restricted the use of gas as a boiler fuel.

Southwestern's first coal plant, a \$100 million, 356.7 megawatt facility located in the north part of the company's system, went on the line in 1976. The total cost of

this plant was almost three times more than a gas-fired plant of the same size. The second 356.7 mw coal unit is scheduled to go on the line in June of this year. This new unit will also help stabilize fuel costs.

Texico Band Taking Orders For Calendars

by Texico Journalism Class

Students in the Texico Band program are selling calendars for the 1978-79 school year. They will contain birthdays, anniversaries, athletic activity dates and other school activities, as well as photographs of the various band organizations.

If you would like to have your birthday or anniversary in this calendar, contact any band member. The cost of each date is 25 cents. Also, if you have any special club

meetings or other important group dates which you would like to have included in the Texico Band Calendar, there will be no charge.

If you would like to purchase a calendar, the price is \$1.50. If you would like to advertise your business in the calendar, the rate is \$5.00 per quarter page, \$12.50 per half page, and \$25.00 per full page.

Money raised from the band calendar will be used to pay fees for Texico band students in their activities next year.

Board Meets

Farwell Hospital District Board conducted a routine meeting Tuesday night at the Convalescent Center. Reports were heard from Dora Nittler, Convalescent Center administrator, and Jeannie Norris, Farwell Clinic administrator.

Attending the meeting were Pudge Rose, Bert Williams, Jim Berry, Ralph Franse, Bob Anderson, Prentice Mills, Maxine Williams and Mesdames Nittler and Norris.

Billy R. Boling
Receives Award

Billy R. Boling of Farwell, Farmer County supervisor for Farmers Home Administration, recently received a "length of service" award at the state meeting in Brownsville. State Director William Pieralt presented Boling with a pin and certificate in recognition of the completion of 25 years of service as a federal employee.

Boling began his FHA career in Deaf Smith County as an assistant county supervisor. He also served as an assistant in Ochiltree County before moving to Farmer County as county supervisor in 1956.

Gene Sheets
Receives Honor

Gene Sheets of Abilene has recently been named to be included in the 1978 edition of "Outstanding Young Men of America" which recognizes the achievements and abilities of men between the ages of 21 and 36.

Sheets, a graduate of Farwell High School, is the son of Harry Sheets, Farwell, and Alta Sheets of Clovis. He is married to the former Melody Roberts, also of Farwell.

Men selected for this honor are chosen from nominations from senators, congressmen, governors, mayors, state legislators, university and college presidents and deans as well as various civic groups, etc.

Criteria for selection to the prestigious group include a man's voluntary service to community, professional leadership, academic achievement, business advancement, cultural accomplishments and civic and political participation.

Farwell Bands Receive
I, II Division Ratings

Farwell's sixth grade cadet band and the fifth grade elementary band each earned a I Division trophy in sight-reading and a II Division rating in concert at the UIL Regional Concert Contest in Friona Saturday.

Judges for the contest were James Petty, sight reading, and Bob Bryant, Gary Laramore and David Pennock, concert.

According to Lynn Burton, Farwell band director, all of the judges commented that the two bands were "very sharp and attentive looking groups." "I felt the bands did a very fine job for their age and ability," Burton said. "I'm looking forward to combining them for the final concert."
