Israel Agrees To Cease Fire

King Abdullah's Capital City Bombed By Jews; RAF Field Also Is Raided

(By The Associated Press)

Jewish bombs dropped today on Amman, where Arab leaders assembled to talk over the latest United Nations peace plea.

Within hours, Israel accepted unconditionally the U. N. plea for a four-week armistice during which an arms embargo would be enforced on Arabs and Jews alike.

The British said the Jewish warplanes attacking Amman also bombed an RAF field nearby and that 12 persons were killed and 30 injured.

The Arabs said two children and four other civilians were killed, but that property damage was slight. Amman is the capital of Trans-Jordan, the home of Warrior King Abdullah, who leads five of the seven Arab armies arrayed against Israel.

About ten 50-pound bombs were dropped during four single flights. No fire was started. No air raid precautions had been taken. The Arabs demanded that Tel Aviv be bombed again in reprisal.

Haganah, the army of Israel, was reported driving on strategic Jenin in north-central Palestine. Jenin is the apex of the Nablus-Jenin-Tulkarm triangle, a key to Arab strength.

The Arab higher committee in Cairo claimed the capture of Natanya, 18 miles north of Tel Aviv and cutting of the coastal road from Tel Aviv to Haifa. The claim was unconfirmed from any other source.

If true, it represented a tightening of the loose encirclement the Arabs say they are forging around Tel Aviv. To the south, the Jews said 500 armored infantry carriers had been rolled up by the Egyptian army to Isdud, 23 miles below Tel Aviv at the border of

Big Companies Are Reluctant To Take Risks

Lubbock Officials Suggest Ways To Protect Property

By H. I. KIEFER
Journal Staff Writer

Robbery, burglary and theft insurance in Lubbock has become increasingly difficult to place because of the unprecedented wave of that kind of crime recently, local insurance men said today.

At least a third of the applications for insurance of that kind are being refused, according to the head of one of the largest Lubbock insurance agencies.

Unless the wave is checked, he and other insurance men said, rates for that sort of protection almost certainly will be increased at a cost of "many thousands of dollars a year" to Lubbock policyholders.

Solution Is Sought

This information was supplied by insurance men while Mayor W. H. Rodgers, City Manager Marlin R. Smith, jr., and Police Chief Lewis Kittrell sought methods of dealing effectively with the recent outbreak which they, emphasized, is area-wide and nationwide. It is not confined to Lubbock alone, they declared.

Two suggestions emerged immediately from their discussions.

The first was that establishment of all kinds which handle substantial sums of cash make use of the night deposit facilities available in all local banks. Don't keep large sums on the premises overnight and especially over weekends, the officials urged.

Police Guard Available

The second was the reminder that a police guard is available, and has been available all along, for those having substantial sums to transport from their places of business to a bank or other place of security.

Police said that some of the heavy losers in recent burglaries have been offered this cost-free service, and have declined it.

While no definite plan of action was announced by the mayor, city manager and police chief to cope with the problem, the tentative possibilities were several.

Some of these would require approval by the city commission, which asked Mayor Rodgers and City Manager Smith at its meeting last week to make a personal investigation of the city's policing needs. The next regular meeting of the commission takes place June 10, but a special session can be called whenever deemed advisable.

One possibility mentioned was a strengthened plain clothes, or detective bureau, in the police department.

Another was the need for putting more "prowl cars" into service at night.

A third was the need for a drive

Evacuation Of Oregon Cities Rushed Today

Part Of Portland Downtown Area Is Under Water

(By The Associated Press)

PORTLAND, Ore., June 1 — Mass evacuation began today as the flood - swollen Columbia river brought new peril to a 120-mile section at the lower end of the stream.

The river, which already had caused the Pacific Northwest's greatest disaster, threatened to flood hundreds of farms and many small cities in the area, nearly all of which is downstream from Portland.

Losses In Millions

Army engineers ordered the evacuation of the thousands of residents of the 43 drainage districts area, but said many of them already had run for higher ground.

The Portland housing authority estimated at $27,000,000 the loss suffered by the war - hotusing city of Vanport, which was crumbled Sunday. That was the only flood loss estimate available, although before the Vanport disaster, army engineers had predicted a loss of $30,000,000 to farms and houses, and to valuable topsoil being swept to sea.

The river, second largest in the nation in amount of water discharged, is at flood stage for 750 miles. The crest will reach the Portland area tonight or tomorrow.

Downtown Area Flooded

Part of Portland's downtown area, including the union station, was under water today after the Williamette river topped the seawall. The station is Portland's only railroad depot, and trains were unable to use it.

In North Portland, where more than 18,000 persons were left homeless in Sunday's Vanport disaster, the flooded area was tripled by the bursting of two more dikes. On top of these two dikes were the approaches to the Pacific highway, principal north-south route.

The breaking of these dikes left

FACULTY CHANGES TO BE MADE

Boost In Salaries Revealed At Tech

Pres. W. M. Whyburn announced salary increases, promotions and other faculty changes, effective at the opening of the fall term, this morning with the distribution of 1948-49 contracts to faculty members at Texas Technological college.

Income increases are provided all members of the faculty either through raises in salary or 1948-49 cost-of-living increases with the exception of a few high salaried college positions, President Whyburn said. The increases and faculty changes were approved at the recent board of directors meeting held in Lubbock.

Promotions Announced

Promotions include Dr. W. I. Robinson and Dr. Waldo S. Glock, both in the geology department, from associate professors to full professors. J. C. Hardgrave was elevated to a full professorship in mechanical engineering.

Jesse Q. Sealey, assistant professor in biology, and Dr. George A. Whetstone, assistant professor in civil engineering, are to be associate professors.

Earl A. Camp, instructor in biology, Miss Ellen Wright, instructor in clothing and textiles, and Miss Mary Frances Hill, instructor in physical education for women, were designated assistant professors.

Changes Are Made

Changes in department chairmanships, President Whyburn said, include the appointment of Dr. R. G. Sidwell, new chairman of geology, succeeding Dr. Leroy T. Patton, and Dr. Emmett A Hazlewood, new chairman of mathmetics, succeeding Prof. J. N. Michie. Dr. Patton and Professor Michie will continue as full professors in their departments.

Dr. R. A. Studhalter, professor and head of biology department, also has requested relief from the responsibility of headship by September, but a successor has not yet been named, Dr. Whyburn said.

Chairmanship of the dairy manufactures department will be decided pending Prof. L. G. Harmon's plans for graduate study under an outstanding fellowship awarded him. Professor Harmon is acting chairman now.

Position Is Vacant

Resignaiton of Prof. T. C. Root to become assistant to the president of Southern Methodist university, announced from Dallas Monday afternoon, also leaves the

June Building In Fast Start

New construction lagged slightly in Lubbock last month, but June got off to a rousing building start today.

Applications were pending in the city building inspector's office for nearly $300,000 worth of construction, with close to $500,000 more definitely in sight for issuance this month.

Ahead Of 1947

Despite last month's slight lag, new construction totals this year still lead those for the corresponding period of 1947 by $340,905.

Permits for the first five months of this year have totaled $5,193,635, as compared with $4,852,730 last year. The total for last month was $974,760, or $179,727 less than the $1,154,487 issued during May, 1947.

Applications for new permits pending included one of the C-V-H Corp. for the two-story office building at 1628 Nineteenth street to be occupied by the Stanolind oil refining and pipeline interests. The cost of the structure, as shown by the application, is $175,000.

Others Announced

Other applications included:

L. E. Davis, owner, and Carl Maxey, contractor, six-space concrete block retail store building at College avenue and Ruby street, $60,000, and J. R. Thomas, contractor, and College Avenue Baptist church, owner, frame and stucco addition to church building at 2422 Tenth street, $20,000.

Several residence permits also were pending for issuance within the next few days.

Among projects for which permits are virtually certain to be sought this month are an addition to Senior High school costing more than $300,000 and the high school physical education and gymnasium plant to be built at an approximate cost of $75,000 on Chapman field.

Permits issued last month included 80 for residences costing $436,031. Since the first of the year, 498 such permits have been issued, the cost t otaling $2,732,499.

The Weather

WEST TEXAS: Considerable cloudiness with scattered thundershowers this afternoon, tonight and Wednesday. Not much change in temperatures.

EAST TEXAS: Fair this afternoon, tonight and Wednesday. Not much change in temperatures. Moderate occasionally fresh northeasterly winds on coast.

EXTENDED FORECAST: — Texas Gulf Plains, Northeast Texas: Temperatures will average 3-6 degrees above normal. No important changes. Little or no precipitation indicated.

Texas west of Gulf Plains: Temperatures will average 3-8 degrees above normal. Relatively cool Wednesday, warmer Thursday, little change Friday and Saturday. Precipitation light. Scattered thundershowers Wednesday.

Carlsbad-To-Clovis Train Is Wrecked

CARLSBAD, N. M., June 1 (AP) —The Santa Fe railway's Carlsbad-to-Clovis, N. M., passenger train plunged into a southern New Mexico washout last night The engine and four of five cars upset. One life was lost.

Engineer K. D. Shumate of Clovis was trapped in the cab and killed. Fireman R. K. Williams of Clovis was scalded and his leg broken. Four other members of the train crew and an unidentified passenger were hospitalized for minor injuries.

The washout resulted from one of several cloudbursts which swept scattered sections of New Mexico. In the northern part of the state a flash flood ripped down Carrizozo canyon near Cimarron.

U. S. Prods Russia On Trieste Proposal

WASHINGTON, June 1. (AP)—The United States prodded Russia a third time today for a new reply to the American-British-French proposal to return the free territory of Trieste to Italy.

The State department said in a note delivered to the Russian embassy that the problem requires a "very early resolution."

State Department Press Officer Michael McDermott told reporters he understood the British and French governments are sending similar notes to the Soviet government.

"Mr. X" Is Tops

Blonde To Reveal The "Lucky Man"

HEMSTEAD, N. Y., June 1 (U.P.)—Blonde Dorothy Lawler, who advertised in a newspaper for a husband with $10,000, said today she will announce her choice at midnight tonight.

Of the 16 men who offered to marry her after hearing of her "wife for sale" ad, two are still in the running. One is a horse breeder, and the other a nightclub owner. Mrs. Lawler, mother of two children, said she will choose between them by midnight.

The 28 - year - old divorcee said the most likely candidate was a Lexington, Ky., horse-breeder whom she identified as "Mr. X."

But, Mrs. Lawler indicated, a dark horse candidate might leave the horsebreeder at the post.

"I'm expecting a call any minute from a man named Benny who owns a night club in Florida," she said. "And I'd like to see him. He offered me $13,000."

But Mrs. Lawler said the Lexington, Ky., man was "tops."

"Handsome, distinguished, well-dressed, about 40 or a little over," she said. "And he's got plenty of money. He says he likes me. I showed him pictures of my children, Dorothy and Tommy, and he

Negroes Held For Burglary

Burglary charges will be filed, probably this afternoon, against two negro men in connection with burglary Monday night of Bill Reed's grocery, at 2306 East Ave. B, and theft of 10 bottles of bay rum.

City Patrolmen Pete Hubbard and L. W. Fristoe arrested four negroes early this morning and found them in possession of four bottles of bay rum. Two of the suspects gave statements, one of them alleging the other broke a glass window of the store, and both reached in and took several bottles of the bay rum, it was announced.

Oklahoman Chased

Others arrested were charged with drunkenness, police said.

Police said they ran down a 47-year-old Elk City, Okla., man on a country road four miles off the highway, after a chase that started on a city street. They said the man, in a 1928 light car, sped out to the Idalou junction before taking to a dirt road. Overhauled, he took to his heels and had to be run down afoot, officials said.

A drunk driving charge may be filed against the Oklahoman, police said.

A drunk driving charge subsequently was filed against the Oklahoman, H. T. Guthrie, who

TOKYO, June 1. (AP)—The U. S. Army weather stationed announced a typhoon which had been expected to hit Okinawa today had turned northeast and was heading into the open ocean with diminished intensity.

Nine Marines, 13 Sailors Die In Sea Mishap

Rescue Operations Are Hampered By Winds And Rain

(By The United Press)

NORFORK, Va., June 1. — Fifth naval district headquarters announced today 22 men were drowned when a 90-man liberty launch foundered and overturned in the black waters of Hampton Roads last night.

A revised casualty list released by the Navy said nine marines and 13 sailors died in the rain-swept, surging roadstead.

Careful Check Made

The Navy announcement came after a careful check of personnel aboard the vessels of a Mediterranean task force and a check of those still ashore.

Adm. C. A. F. Sprague, commander of the task force, had said earlier that as many as 20 men may have been lost. The official statement shortly after 9 a. m. EST increased the toll.

The task force had been scheduled to sail for Mediterranean waters at 6 a. m. EST today, but sailing time was postponed indefinitely when the liberty launch overturned while bringing naval personnel back from their last night ashore shortly before midnight.

On Four Hours' Notice

The force was put on four hours' sailing notice and orders were expected momentarily setting the sailing time at some hour later today.

The Navy said that the launch was carrying a "normal load" of about 90 when it was swamped in heavy seas within 250 feet of of the carrier Kearsarge.

Rescue operations went on throughout the night, hampered by pitch blackness, a driving rain and heavy winds.

Confuson reigned nightlong.

An outgoing tide, which began to ebb shortly before 6 a. m. EDT, made rescue operations more difficult.

One Swims Ashore

Coast guardsmen aboard two vessels conducting the search feared the tide would carry any remaining swimmers or bodies out with it.

Some survivors were picked up by naval vessels in the harbor,

House Okays Funds For New Airport

WASHINGTON, June 1. (AP) — The House today by a 129 to 37 vote approved funds for the proposed greater Fort Worth international airport.

It accepted a Senate amendment adding $2,608,000 to the Commerce department appropriation bill for the controversial airport. It is to be halfway between Fort Worth and Dallas. The latter city has vigorously opposed the airport on the ground it would compete with its Love field.

GOP Talks Social Security Problems

Republicans Ready Bill Not Expected To Be As Sweeping As President's Program

(By The Associated Press)

WASHINGTON, June 1—Republicans made ready today to unveil their own social security program. It is expected to fall something short of President Truman's call for higher old age benefits and the addition of 20,000,000 people to the social scurity rolls.

Republicans cried "election year politics" when Mr. Truman sent his proposals to Congress last week.

The Republican bill has been prepared by a House ways and means subcommittee headed by Rep. Reed (R-NY). It will be presented to the full committee today or tomorrow.

While details have not been made public, the subcommittee bill is not expected to propose any broad increase in old age benefits or any immediate increase in social security taxes. However, it may open the way for about 3,500,000 more people to take part in the program.

Government Workers Included

The increased participation, it is understood, would be principally through a provision that employes of state and local government agencies could come into the program, if the local governments gave their approval.

Mr. Truman asked that the old-age and survivors insurance be broadened to cover self-employed, farm workers, domestic workers and other groups that were excluded from the original law because of difficulties in collecting security taxes from them. He said experience now has proved that this tax problem can be licked.

The President's plan would boost the number of employed

Holiday Death Total At 378

(By The Associated Press)

The nation's death toll from violent accidents over the extended Memorial day holiday appeared headed close to the 400 mark today. Traffic accidents, as usual at a holiday period, caused more than half of the fatalities.

Deaths of a violent nature reported from 6 p. m. Friday up to midnight Monday totaled 378 — not including the unknown number dead in the Vanport, Ore., flood.

504 Killed In 1947

The toll compared to 504 violent deaths over the three-day 1947 Memorial day holiday and to 292 over a similar period in 1946. Last year's big total was boosted considerably because of two serious airline crashes in which 95 persons were killed and tornadoes in Arkansas and Oklahoma which took the lives of 43.

An estimated 30,000,000 automobiles were on the country's highways over the three-day holiday period and more than 200 persons were killed in traffic mishaps. Of the 378 violent deaths, 203 died in motor accidents; 70 persons drowned, and 105 others lost their lives in accidents of miscellaneous nature — including plane crashes, fires, falls and other causes.

Texas Is Second

The National Safety Council had estimated that unless caution was exercised by motorists 225 persons would be killed in traffic ac-

(By The United Press)

HOUSTON, June 1.—The grand jury began an investigation today into charges that horse meat has been sold to the Houston school system and fed to school children in cafeterias.

The Harris county grand jury also will investigate reports of widespread sale of horse meat, masquerading as beef, to public eating places and through retail meat shops.

Going On For Weeks

The investigation has been going on for weeks, the Houston Press reported, and has been conducted by inspectors from the state health department at Austin.

Samples suspected of being horse meat have been gathered from scores of retail shops selling ground meat and sausage. The Houston Press reported that a reliable source in Austin said samples taken from school cafeterias proved to be horse meat when tested.

Officials Are Called

J. F. Lackey from the state health department, a chemist from the department, officials of the packing house workers' union, and other persons connected with slaughtering plants were called before the grand jury.

Also called were three persons from the city health department, the head of meat inspection, and an inspector and a sanitarian.

No major packing company was in any way suspected of having a part in the sale of horse meat, the newspaper learned.

Retailers who may have pur-

Hiring Halls Said Illegal

WASHINGTON, June 1 (U.P.)— Robert N. Denham, general counsel for the National Labor Relations board, has advised shipowners and longshore employers that the hiring hall of maritime unions is outlawed by the Taft-Hartley act.

A strike on the issue is in progress on 12 Great Lakes tankers. It is also one of the principal obstacles to an agreement that would head off a threatened nationwide shipping strike on June 15.

Is Given Verbally

Informed sources said Denham's interpretation of the law was given verbally. It is understood, however, that he has raised no objections to proposals that other federal agencies seek an interpretation on the same issue from Attorney General Tom C. Clark.

Federal mediaton Director Cyrus S. Ching reportedly may ask the Labor department to seek the ruling from Clark.

Denham's view is understood to be that the hiring hall, as now operated by the powerful maritime unions, discriminates against non-members in violation of the Taft-Hartley law.

Communist Arrested For Deportation

WASHINGTON, June 1 (AP) — The Justice department today announced the arrest for deportation of Jacob Abraham Stachel, national director of education for the American Communist party.

The department said Stachel was picked up by immigration agents in front of his residence in New York City this morning. He was removed to Ellis island to await deportation proceedings.

Stachel is accused of illegally entering this country and of joining a subversive organization after his entry.

Five Planes Start Powder Puff Derby

PALM SPRINGS, Calif., June 1. (AP)—Five light private airplanes carrying six feminine fliers took off from here early today in a 2,600 mile powder puff air derby to Miami, Fla.

First away was Jeanne D'Ambly of Palm Springs. She was flying a Stinson.

The race was limited to stock model planes of 250 horsepower or less.

Competitors must limit flying to day light hours, sunrise to sunset. They are expected to arrive in Miami late Wednesday.

Sponsoring the race is the Miami chapter of the Ninety-Nines, women pilots' organization, with the Los Angeles chapter handling starting arrangements. Speed flier Jacqueline Cochran is offering $1,500 in prizes and a trophy.

Man Jumps In Well To Commit Suicide

SAN ANTONIO, June 1 (AP) — Clements P Scherrer, 37, ended his life by jumping into a 50 foot well where he drowned

A verdict of suicide was returned today Deputy Sheriff Oscar Warnke said Sherrer had been despondent over a crop failure

The victim's brother-in-law, Walter Etter, told authorities that he saw Scherrer, sitting on the well's edge

"I cried, 'No, don't jump'," Etter said

Scherrer yelled back, "I've been wanting to do this a long time."

The Castroville fire department pulled the body of the 237-pound Scherrer from the well an hour later.

NEED FOR MORE MOISTURE CITED BY WEATHER BUREAU

Rains In May Brighten Crop Outlook Of South Plains As Additional Showers Are Predicted

The South Plains began a new month today under cloudy skies and with the ground soaked in some locations from rain in the last 24 hours.

During May, the agricultural outlook had been brightened by frequent showers over the area. At the U. S. Weather bureau station north of Lubbock, a total of 2.88 inches were recorded during May and that total was .34 inch above the May normal. It was far below last year's May precipitation of 6.35 inches, however.

Rain started falling again about noon today in Lubbock and at 1:20 p. m. the weather station had measured .19 inch. The station had measured .10 inch rainfall Monday. In Lubbock, however, .25 inch was recorded Monday at Central Fire station.

More rain was in prospect. The forecast was for considerable cloudiness, with little change in temperature, and occasional thunderstorms today, tonight and Wednesday in Lubbock recently.

Need for additional moisture was indicated in the weather station's announcement of 8.56 inches precipitation since last July 1, to today, and that the figure is 8.12 below normal for that period.

A "flash flood" occurred at Anton Monday and the rainfall was variously estimated at from three to six inches. The Santa Fe listed precipitation at Anton for the 24-hour period ending at 6 a. m. today as five inches. Farms were covered in water, in many instances, and lakes in that vicinity were full. Water rose to sufficint height to run over railroad tracks.

Other rainfall reports received by the Santa Fe for the 24 hours ending at 6 a. m. today were: Texico, .75 inch: Muleshoe, .50;

Heavy Vote Foreseen In Cuban Election After Hot Campaigns

BY BEN F. MEYER
Associated Press Staff Writer

HAVANA, Cuba, June 1 — Cuba elects a new president today and a hot campaign by the four candidates brought predictions of a heavy vote.

With 2,506,754 Cubans eligible, a vote in the neighborhood of 2,000,000 is expected.

In all, 572 men and women are running for 132 offices — 54 seats in the senate, 70 seats (half the membership) in the house of representatives, six provincial governorships and the presidency and vice presidency. The four men seeking the presidential chair range in political leanings from the right to the far left.

Heated Campaign

The polls are open from 8 a. m. to 6 p. m. (EST) today and although presidential returns will be counted first, the official results may not be known before Thursday, unless there is a runaway.

The campaign has been so heated that the government issued a last-minute appeal to citizens for "calmness, patriotism and common sense" to keep the peace. The army was put on 24-hour duty to guard the polls and the sale of liquor was banned for the day.

The stormy drive for votes continued right up to the end. Trucks, cars, motor launches at sea, and even airplanes were used to advertise the candidates.

The issues are national, centering around present and past administrations.

Praise Is Given

The administration of president Ramon Grau San Martin became an issue when he endorsed Senator Carlos Prio Socarras, 44, an anti-Communist revolutionacy for the presidency. Critics accused Grau's administration of "waste, inefficiency, graft, corruption."

Prio praised Grau as one of Cuba's greatest presidents, citing public works projects throughout the island as proof. By Cuban law, Grau is ineligible for re-election.

Dr. Ricardo Nunez Portuondo, 54, a surgeon and a rightist, is the anti-Grau candidate and is regarded as Prio's main opposition. The two other candidates are Senator Eduardo Chibas, 40, and Senator Juan Marinello, 49, a Communist. They also blasted Grau.

Chibas and Prio fought a saber duel last July, in which Chibas was wounded three times and Prio once. Chibas is a veteran of a dozen duels. Impartial observers give him only an outside chance at beating Nunez and Prio, and feel sure that Marinello will finish fourth.

Nunez was attacked throughout the campaign, by all three of his opponents, as "a disciple" of Gerardo Machado, the dictator president who was removed in 1933.

Ex-President Fulgencio Batista, who took over after Machado was ousted and who now is in exile in Florida, is a candidate for the senate on the Nunez ticket. Predictions here are that if he wins today he will be a candidate for the presidency four years hence.

FRESH BLOOD A MUST FOR FREE ENERGY

Do you feel like you are tied to a drag everytime you try to do something? If so, don't let a low blood count hold you down when you may release vibrant energy to every muscle, fibre, cell.

Every day—every hour—millions of tiny red-blood-cells must pour forth from the marrow of your bones to replace those that are worn-out. A low blood count may affect you in several ways: no appetite, underweight, no energy, a run-down condition, lack of resistance to infection and disease.

To get real relief you must keep up your blood strength. Medical authorities, by analysis of the blood, have by positive proof shown that SSS Tonic is amazingly effective in building up low blood strength in non-organic nutritional anemia. This is due to the SSS Tonic formula which contains special and potent activating ingredients.

Also, SSS Tonic helps you enjoy the food you eat by increasing the gastric digestive juice when it is non-organically too little or scanty—thus the stomach will have little cause to get balky with gas, bloat and give off that sour food taste.

Don't wait! Energize your body with rich, red-blood. Start on SSS Tonic now. As vigorous blood surges throughout your whole body, greater freshness and strength should make you eat better, sleep better, feel better, work better, play better, have a healthy color glow in your skin—firm flesh fill out hollow places. Millions of bottles sold. Get a bottle from your drug store. SSS Tonic helps Build Sturdy Health.

Main Street Prank Costs Airman $10

DALTON, Neb., June 1 (U.P.)—Aeronautics department officials were stumped when William D. Bates taxied his plane up Main Street.

Bates had landed on a field outside the city limits. He maneuvered his aircraft onto the highway, proceeded into town and parked in front of a cafe. There he sipped a cup of coffee.

Study of the department's rules failed to show a precedent. The state highway patrol came up with the answer. Bates was fined $10 for operating a moter vehicle more than eight feet wide on a highway.

Fourth Division Marines Make Plans For Their First Reunion

KANSAS CITY, June 1 (AP) — Fourth division Marines of World War II are about to make another beachhead—this time to reminisce.

Some 500 of them are going to hit Kansas City Friday and Saturday for a reunion, the first ever held by a Marine division.

It's strictly going to be a Marine show. Robert K. Ryland, convention chairman for the Fourth Marine Division association made it clear today the leathernecks were going to shy clear of politics and political speechmaking.

The only scheduled talks is by the Marines' head man, General Clifton B. Cates. He commanded the Fourth at Tinian and Iwo Jima.

Another top Marine of the wartime Fourth also will be on hand. He is Maj. Gen. Franklin A. Hart, now commander of the Second division. As a colonel, Hart led the division's 24th regiment in its invasion of Namur in the Marshalls.

The Fourth's war stories begin in the Marshall islands where they took Roi-Namur, the first Japanese soil seized by Americans in the war. Until then it had been a case of recapturing British and Dutch isles occupied by the Japs.

The Fourth, which won two presidential citations, fought both at Saipan and Tinian in the Marianas and wound up in one of the bloodiest battles of the central Pacific sweep — Iwo Jima. Altogether some 35,000 men served in it during the war.

Ryland said the association expects representatives from 32 states.

Gas Almost Choked Him

"My stomach swelled with gas until I could hardly breathe, said one man living near here: "I couldn't sleep, in fact had horrible nights. Was always constipated. I got INNER-AID. Oh! what relief! It worked so much gas from me that my stomach reduced 4 inches. Can breathe freely again. Sleep soundly now. Bowels also have been given a Great Cleansing."

INNER-AID is the new mixture of 12 Juices from Nature's Herb. It has relieved many people who had never been really helped before by any medicine. Taken shortly before meals it mixes with your food, thus eliminating the poisons that foster stomach trouble. It will cleanse the bowels, clear gas from stomach, enliven liver and remove old bile from the system. So don't go on suffering! Get INNER-AID. Sold by all drug stores. Adv.

New Dormitory East Wing Opens June 9

The east wing of the men's dormitory under construction at Texas Technological college will be completed and open for summer school residents June 9, W. T. Gaston, college business manager, has announced.

The east portion of the two-unit building will house 350 men, Gaston estimated. The completion of the second campus dormitory in the $4,000,000 dormitory construction project is to be realized by September, and both wings will be occupied next fall. The women's dormitory, constructed under the same contract, was opened in September, 1947.

Drane hall, women's residence hall, Doak hall and Sneed hall, men's residence halls, will be closed for painting and general repair throughout the summer, Gaston stated.

West hall, the new dormitory wing and women's Dormitory No. 3 will be used for student housing during the summer terms.

Broken Mirror Is Lucky For Family

JAMESTOWN, N. Y., June 1 (AP)—A broken mirror proved lucky for Fred J. Harrington's family.

A light bulb ignited a celluloid lampshade. The flames spread to a curtain and window sash, then burned through a cord suspending a mirror. The crash attracted the attention of the family at dinner downstairs in time to avert serious damage.

Tips For Tired Eyes

1. Hold reading matter about 14 inches from face. 2. Avoid reading in poor light. 3. After driving, exposure to dust or wind or when eyes are overworked, bathe them with Lavoptik. Quickly soothes inflamed, sore, burning, itching and granulated eyelids or money refunded. Thousands praise it. 30 years success. Get Lavoptik today. At all drug stores. adv.

All over America... Smokers Report

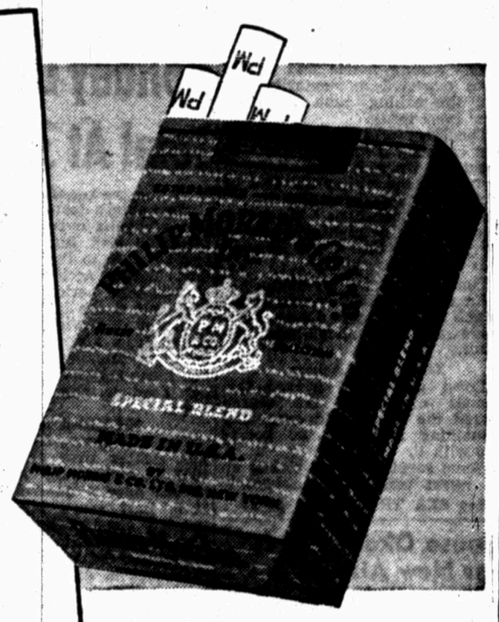

NO CIGARETTE HANGOVER

when you smoke PHILIP MORRIS!

—because PHILIP MORRIS is

DEFINITELY LESS IRRITATING

than any other leading brand!

All over America, smokers who have changed to PHILIP MORRIS tell us . . . they now enjoy a milder smoke, a fresher, cleaner smoke than they've ever known before.

Yes, there's a difference in PHILIP MORRIS that distinguishes it from all other leading brands!

If you're tired of "cigarette hangover"—that stale, musty taste in your mouth—that dry, smoked-out feeling in your throat...join the millions who CALL FOR PHILIP MORRIS.

Remember . . . *Of all leading cigarettes, PHILIP MORRIS—and only PHILIP MORRIS—is recognized by eminent nose and throat specialists as definitely less irritating!*

NO OTHER CIGARETTE CAN MAKE THAT STATEMENT!

Read What One of America's Top-Ranking Doctors Says About PHILIP MORRIS

"I have often suggested to patients who smoke that they change to PHILIP MORRIS. I have seen the results of such a change —and the results have convinced me that PHILIP MORRIS Cigarettes are less irritating than the other brands."

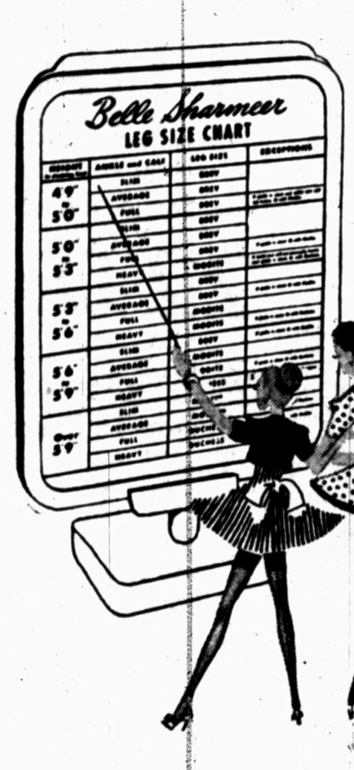

From one of a series of PROFESSIONAL STATEMENTS by EMINENT NOSE and THROAT SPECIALISTS.

CALL FOR PHILIP MORRIS

You'll be glad TOMORROW—you smoked PHILIP MORRIS TODAY!

Nations Study German Plans

LONDON, June 1 (AP)—A six-nation conference on western Germany's political and economic future puts its special drafting committee to work today polishing final recommendations.

The discussions have been conducted for more than a month by the states, Britain, France Belgium, The Netherlands and Luxembourg.

A plenary session of the nations was called for noon, but there is no certainty the conference will end today.

Phrasing Delays

American sources reported there existed a slim possibility that delgates may be able to wrap up the recommendations before night fall.

The chief difficulty remaining is to obtain agreement upon phrasing of the document.

The London Times commented on the talks, and said they demonstrated a need for closer union between the United States and western Europe.

"The talks have brought into the open divergencies and doubts which will have to be examined sooner or later and are better examined now," the Times said. "It was always clear that the reorganization of Germany, whether political or economic could not be separated from the wider purpose of the recovery of Europe. One less on of the last few weeks is that fresh attention should now be directed to the important business of democratic change in western Germany, and especially in the ownership of basic industries.

"Another lesson," the newspaper continued, "is that closer liaison between the United States and western Europe has now become an essential to real agreement."

NEWS that makes folks sleep all night!

Thousands now sleep undisturbed because of the news that their being awakened night after night *might be from bladder irritation—not the kidneys.* Let's hope so! Young Mother Awaits Hearing In Slaying

GALVESTON, June 1 (AP) — A young mother with shoulder-length hair and an upturned nose remained in jail here today awaiting a hearing next week in the death of a Houston cabbie.

The woman is Mrs. Margie Dee Carreon, 22, of Houston, whose husband came here to be by her side when he heard she was involved in the cab driver's death.

The driver, Merion Metts, 45, of Houston, was found dead early Saturday in his cab. A woman's brassiere was looped around his neck. Mrs. Carreon was found in the cab with the dead man.

When photographed by news photographers she was wearing a V-necked button-up print dress.

She is held under $2,500 bond. An examining hearing, originally scheduled for Wednesday, was postponed to June 9. The hearing was reset because two witnesses could not appear at that time.

FAMILY BUS—Standing in front of the bus in which they plan a vacation trip is the John Bell family of Ellendale, N. D. Left to right: Emil, Winston, Franklin, Lois, Leonard, Douglas, Alexander, Dulcie, Lenora, Grace, Joan, Dauna, Robert, Fred, Mrs. and Mr. Bell. North Dakota officials have ruled that Bell must pay $32 for a license to operate the machine.

College Boys Have Replaced Champagne

Broadway Has Lost Its Glamor Of Days Gone By, Veteran Of 30 Years Believes

BY BARBARA BUNDSCHU
United Press Staff Writer

NEW YORK, June 1 — There's no more glamor on Broadway, Mae Browne said today.

"The gorgeous girls are fading out in the night clubs," Miss Browne said.

She was a Zeigfeld girl at 16. At 18 she joined the costume department of George White's Scandals. And she's been backstage ever since — 30 years.

Short And Skimpy

Glamor, in Mae Browne's book, was the word for the Rhinestone-studded pink tulle costume Marilyn Miller wore in "Sally." It was so fragile she needed a new one every three months.

"Ziegfeld did things right," Miss Browne said. "She looked like a Beautiful cream puff."

Today's costumes, she said, are "short and skimpy. Everything's profits. Why one show last year they even danced in street clothes. Imagine!"

Glamor is Miss Browne's word for the tall and gorgeous girls George White dressed in black net and rhinestone tights from Paris to grace a velvet and rhinestone stairway.

Short Type Favored

Today's equivalent, Miss Browne said, is a plain black leotard on a "short type of girl."

"She'd look like she had her mother's clothes on if you tried to dress her glamorous," Miss Browne mourned. "She doesn't even have to be good looking—just a good dancer."

And the glamor has gone out of their lives, too, Miss Browne said.

"In the old days you couldn't get in the stage door for flowers and champagne and astors and goulds. Now it's college boys with nickels for cokes. If they get any flowers, it's maybe a rose from the management.

Moved To Hollywood

"Men begged them to share a bottle of champagne. Today, I see them, out at nightclubs buying their own drinks."

The glamor has gone to Hollywood, Miss Browne said. It's left the side streets off Times square. But Mae Browne has no wish to follow it.

"It's still show business. I couldn't leave that," she said.

Fearing a caterpillar plague, Canvey Island, in England, has a kill-every-moth campaign.

"What this country amounts to depends on what happens to its homes." . . . That's why the life insurance companies and their agents are bringing you this series of messages from the nation's foremost authorities, to help you plan for happiness in the handling of your family money. (This is Message No. 37.)

Joe Thomas joined the "Cards" at 65!

Today, Joe hasn't a worry in the world!

Your last years *can* be your best years . . . but it takes good planning, as this true-to-life story shows

by DR. LLOYD E. DEWEY
Professor of Finance
New York University

DR. LLOYD E. DEWEY

VERY FEW people are ever able to quit work in time to enjoy life, and yet all of us dream of doing it.

Today the average child at birth can expect to live eighteen years longer than his grandfather lived. Are these years to be some of the best of your life, as they are for my friend Joe Thomas, or will you miss your chance to have your dream come true?

Joe used to be in the machine shop at Stewart & Brown. (I am changing real names, of course.) A great sports fan, Joe's ambition was to retire and see every home game of the St. Louis Cardinals, his favorite team . . .

Go to the ball park any day now, and you'll see Joe cheering in the stands!

Joe will tell anyone he owes it all to a man he met by chance in his early thirties, a life insurance agent named Ed Barrow, who became one of the best friends he ever had. It was Barrow who sold him the idea of planning for the future—a hard job when most of us are interested only in the present.

He set up a retirement income program for Joe that required no more money than he had been intending to save (and was never quite saving), but made his saving systematic!

Also, he pointed out to Joe that some of the family life insurance protection he carried could safely be rearranged when he was 65 years old, to provide additional income that he and his wife could enjoy together.

Agent can be a real help

Your life insurance agent can be a real help with your plans for retirement. If you have social security benefits and perhaps a company pension to look forward to, your agent can fit both into a program that will really give you what you need.

If you are planning to start taking it easy, get used to it gradually. The next problem to the financial one is that of empty time. An interesting hobby can add years to your life. My friend Joe Thomas looks like he has many a ball game ahead of him!

Make retirement plans early!

Nearly half the people over 40 answering a recent survey did *not* expect to be able to retire in reasonable comfort at 65! Let your life insurance agent explain why it's important to make retirement plans *early*. You can start with a modest amount.

How to PLAN for Family Happiness

● Planning for retirement is only part of sound money planning. You'll be more likely to have enough money on hand when you need it, if you'll follow these few simple rules:

FOR TODAY . . . The first thing, for most families, is to take care of the larger fixed items such as rent, taxes, insurance, mortgage and installment payments, etc.

So start by adding up all your fixed items for the year, divide by 52, and set aside that amount weekly.

Also, every family should have a "rainy day" fund equal to at least four weeks' income. Set aside a little every week until you have that much. Then, you'll know how much you can spend for food, clothing, heat, light, amusements, and so forth.

FOR TOMORROW . . . We live in a changing world. Family needs and circumstances change . . . living costs . . . taxes. If you have not had your life insurance program reviewed lately, the chances are 2 to 1 that it should be brought up to date.

There are so many ways in which you can use your life insurance, that you should have the life insurance you now own checked to see if it is suited to your needs. This is a service that comes with your life insurance.

The person best equipped to help you with this is the well-trained life insurance agent. Get in touch with your agent, or write your life insurance company. INSTITUTE OF LIFE INSURANCE, 60 East 42nd Street, New York 17, N. Y.

McGlothings Are On Trip

A garden wedding ceremony performed in Abilene Saturday night united in marriage Miss Freelin Shoemaker, daughter of Mr. and Mrs. Hart Shoemaker of Abilene, and Paul G. McGlothing of St. Louis, son of Mr. and Mrs. H. M. McGlothing of San Angelo. The bride is a graduate of Texas Technological college where she was a member of Las Chaparritas social club.

Rev. W. Harlie Woolard, pastor of the First Christian church, officiated at the twilight service. Mrs. Edward C. Prock, pianist, offered wedding selections and accompanied Mr. and Mrs. Robert J. Tiffany as they sang "Because" and "Why Do I Love You?"

Given in marriage by her father, the bride wore a dress of crisp white imported organdy with a fingertip veil of illusion attached to a braided tiara. She carried a colonial bouquet of white orchids and white glamellias and wore a strand of pearls, gift from her father to her mother on their wedding day.

Attendants Named

Mrs. Hart C. Shoemaker, sister-in-law of the bride, was matron of honor and Mrs. J. E. Harvey of Austin, Miss Dimple Mickey, formerly of Lubbock, and Mrs. Jimmy Whitcher of Marshall, sister of the bridegroom, were bridesmaids. They wore identical dresses of pastel organdy. The matron of honor was gowned in melon pink and carried a matching ruffled organdy and taffeta parasol.

Best man was Hubert Ingraham, brother-in-law of the bridegroom, and ushers were Hart C. Shoemaker, Hubert Ingraham, jr., and David Scott Holland.

Wedding guests were entertained at a reception given in the Shoemaker home following the ceremony.

For a wedding trip to Mexico City, the bride wore a suit of navy blue linen with white and navy accessories and a white orchid corsage. She is a graduate of Abilene High school and since graduating from Tech has been employed as stenographer at the West Texas Utilities company in Abilene. The couple will be at home in St. Louis where Mr. McGlothing serves as manager of the St. Louis branch of Abott laboratories. He is a graduate of San Angelo High school and the University of Texas.

CHANGE of LIFE?

Are you going through the functional 'middle age' period peculiar to women (38 to 52 yrs.)? Does this make you suffer from hot flashes, feel so nervous, high-strung, tired? Then do try Lydia E. Pinkham's Vegetable Compound to relieve such symptoms. Pinkham's Compound also has what Doctors call a stomachic tonic effect!

LYDIA E. PINKHAM'S VEGETABLE COMPOUND

MARY HAWORTH'S MAIL . . .

Man, Who Married Again After Divorcing Mate Who Was Alcoholic, Is Badgered By Ex-Wife

DEAR Mary Haworth: I was married for years to an alcoholic wife, who cared nothing for cleanliness, either During those years I raised a good boy by making him a pal; and now he is married, happy, and doesn't drink.

I am a hard worker, have held the same job for 25 years and have many men friends here. During Sara's sprees, I would tell friends she was ill, and in fact was obliged to call a doctor occasionally because of her condition.

In those years, pride kept me from consulting anyone except our minister and two doctors. The minister wasn't much help. I felt he was disgusted and thought it hopeless; but the doctors, knowing my shame and humiliation, kept my secret and did their best.

Working with the doctors, I planned trips, remodeled the house, bought the best of everything, trying to interest Sara. On paydays I gave her new dresses, lingerie, etc., but she wouldn't wear them, only hoarded them. Finally I gave up.

USES SLANDER AND SENTIMENT

SARA got a divorce, took everything I had, and later I married a good woman, who truly believes cleanliness is next to godliness. She is a wonderful cook, has a fine disposition, we go places together, have nice friends in for meals, and for the first time in years I have peace, contentment, happiness and pride in my home life.

However, Sara is waging a planned campaign to wreck our happiness She comes back here from her home town to drink in places where no respcted woman would go; she circulates slanderous stories about my son, my wife and me; she telephones me at home and on the job, writes to me, sends gifts, tc,' — though birthdays and Christmas meant nothing to her before—and no matter how I protest, she keeps it up.

I discuss these hings with Nan, my present wife, who says, "don't worry; live above it; forget it as soon as you can; you did all you could to help her," etc., but I get angry and upset. If Sara were a man, I would know how to deal with her, but I have never struck a woman in my life.

Nan says this badgering doesn't worry her. However, I am afraid it does; and afraid that if it continues it will cause trouble between us. At times I feel I should give up my job and leave here. What do you think? Please advise.

MAN IS ACTING SOMEWHAT WEAK

DEAR J. N.: You have a real helpmeet in Nan, so don't be a weakling on her hands, as you would be if you were to pull up stakes and leave town to "hide out" from Sara's badgering.

Sara can make trouble between you and Nan only if she succeeds in her malicious intent to keep your thoughts moodily fixed on her much of the time, in which case you would be only half a husband in relation to Nan, lacking the lightness of heart and peace of mind to give her undivided interest and full appreciation of her loyal ministrations to your welfare.

It is good married teamwork to keep Nan posted about Sara's crackpot skirmishing, especially as regards her attempts to get clubby with you, so that Sara can't take her by surprise or "get her goat" by referring to exchanges that she (Nan) hasn't heard about from you. But it isn't manly of you to blubber, fume and look sick with anxiety about Sara's pestering, when reporting new instances of it to Nan.

IRON INDIFFERENCE THE BEST ANTIDOTE

TO HOLD Nan's respect, you must display mature sense and strength of character in fending against Sara, which means that pursuant to Nan's sound advice, you must develop a tough philosophic attitude toward the nuisance campaign; and as Nan says, live above it in general.

Judged on performance, past and present, Sara is an incorrigible psychopath, shameless and vicious, who gets a kick out of mocking decency and hurting intimates, hence doesn't merit anybody's sympathy as the pastor long since indicated. It were craven to fear and foolish to humor her; rather, iron indifference immovably maintained affords your best hope of putting her to rout by degrees.

M. H.

Mary Haworth counsels through her column, not by mail or personal interview. Write her in care of The Lubbock Evening Journal.

(Copyright, 1948, The Washington Post)

Only two per cent of the people of the United States have what is called "perfect vision."

Girls May Register For Summer Charm School

It's not too late for registration in the charm school being conducted at Senior High school during Lubbock Public school summer session under the supervision of Mrs. Paul Mills.

Girl students who will enter junior high school next fall and those who will go from junior high to senior high are invited to enroll for the course which will include lessons on personality, manners and conduct, the right choice of friends and guidance in selecting organizations in which one would like to become affiliated.

The course will be conducted in Room 331 at Senior High school from 10 until 12 o'clock each morning. There is no fee and it is noncredit.

The Charm School proved so popular last summer that principals of the schools asked that it be repeated this year. Initial enrollment Monday was small, but it was thought the Memorial Day week end holiday may have contributed to it.

Homemaking teachers will assist Mrs. Mills.

Paul Elliott Is Lecturer

The dropping of the atomic bomb on Hiroshima was compared with the opening of Pandora's Box when Paul P Elliott, lecturer in Physics at Texas Technological college, addressed the Church Women's Federation of Lubbock Monday afternoon at Asbury Methodist church.

In the comparison, the speaker explained that with the dropping of the bomb many ills were loosed as was the case when Pandora opened her box for the first time. With the second opening of the box, however, Pandora discovered that "hope" had not escaped, and at present, when one looks above the ills of the atom bomb, he can see hope in the atomic age. Our hope, Mr. Elliott said, is related to the Christian principle of "brotherhood of man."

"The atom bomb can be controlled but human nature cannot; so there must be no more war," stated the speaker. He concluded his talk with the words of Jesus, "Except ye repent ye shall all likewise perish."

Music Presented

A devotion based on the Twenty-third Psalm was brought by Mrs. R. E. Douglas and a solo, "I Shall Not Pass Again This Way," was sung by Miss Lucille Rucker, accompanied at the piano by Mrs. Bob Lowery. A prayer was led by Mrs. C. A. Bickley. Mrs. Elliott Taylor, program chairman, introduced the speakers and the musicians.

Mrs. J. H. Hankins presided for a business session, during which Miss Margaret Turner was elected historian to replace Mrs. R. S. Wilkinson who has resigned. The women, who meet each fifth Monday, took an offering of $17.55 which will help pay the salary of the Community Center's summer librarian, Miss Atha Lynn Adams. The library, which has obtained 50 children subscribers in the five weeks that it has been open, needs more children's books, especially picture books, according to an announcement made at the meeting.

A tea hour followed the business and program meeting. Fifty women were present.

Mary Virginia Mixon Is Mr. Kirchoff's Bride In Plainview Vows

PLAINVIEW, June 1—Mr and Mrs. Ashley Mixon are announcing the marriage of their daughter, Miss Mary Virginia Mixon and John Joseph Kirchhoff, son of Dr. and Mrs. E. H. Kirchhoff, which took place Sunday, May 23, at First Christian church. Rev. Leon England, pastor, officiated.

Wedding music was provided by Mrs. J. B. Hardeman, organist, and Miss Georgia Mixon, soloist.

Given in marriage by her father, the bride wore a gown of white Duchess satin with a full length veil of illusion and a bouquet of white and purple orchids arranged on a white prayer book. Mrs. Stanley Mudge of Vernon, matron of honor, wore a gown of orchid taffeta. Miss Nan Bradbury of Lubbock, Mrs. Jimmie Cates of Fort Worth and Mrs. Robert L. Shick were bridesmaids. Their dresses were duplicates of Mrs. Mudge's and were in yellow, green and peach taffeta.

John Howard Burt of Amarillo served as best man and Robert L. Shick, Eugene Ragland and Robert M. Carter were groomsmen.

The parents of the bride entertained at a reception given in their home following the ceremony. Guests from Lubbock included Mr. and Mrs. James Williams and Mr. and Mrs. William Bradbury.

Following a wedding trip to Arizona, the couple will be at home in Plainview. Mrs. Kirchhoff attended Texas Technological college, where she was a member of Ko Shari social club, and Texas Christian university, where she was vice-president of the junior class. Mr. Kirschhoff attended Tech.

Winning 4-H Club Girls Will Stage Style Show

Girls 4-H club members of Lubbock county who have been selected winners of style shows in their clubs will present a style show at 2:30 o'clock Wednesday afternoon in the auditorium of the agricultural building at Texas Technological college.

Judges will select the winning girl to take part in the state 4-H girls' style show at College Station in August.

Approximately 35 girls are to participate in Wednesday's style show, said Mrs. Dora McGehee, assistant county home demonstration agent.

E. Phillips Is Honoree

Miss Elaine Phillips, bride-elect of Talmadge Garrett, was named honoree at a miscellaneous shower given recently in the home of Mrs. George Gilliam, 1304 Twenty-eighth. Mrs. John A. Milligan and Miss Mary Jane Jackson were assistant hostesses.

The refreshment table was covered with a hand crocheted cloth and lighted with white tapers. Purple larkspur and pansies were floral decorations.

Mrs. Gilliam presided at a crystal punch bowl and Miss Jackson served cakes from matching service.

Guests were Mrs. Claude Phillips, mother of the honoree; Mrs. L. L. Booker, mother of the prospective bridegroom and Mesdames Camilla O'Briant, H. B. Etheredge, Jess Davis, Harold Grinstead, D. I. Hawn, Clayton Enger, R. E. Armstrong, Corenne Adams, M. C. McGee, Misses Noma Eakin, Dorothy Hawn, Mildred Bull and Marie Word. Gifts were sent by a number of others.

Personality Course For Students Is Scheduled By Business College

Under sponsorship of Draughon's Business college, a presonality course will open Thursday for present and former students of the college.

Miss Lena Marie Skeen of Hemphill-Wells Co., will be the speaker Thursday, on the subject of ready-to-wear.

The course, first of its type ever to be offered at the school, will be given to "help the girls to improve appearance and personality," because those are considered important in business, Mrs. T. H. Brown of the staff of the college explained.

Classes will be conducted from 10 to 11 a. m. Mondays through Fridays. Special programs will be offered on Thursdays.

Classes will be conducted from 10 too 11 a. m. Mondays through Fridays. Special programs will be offered on Thursdays.

A speech will be presented each Thursday. The programs have been planned in the following order, with the name of the speaker or the subject of the speech listed: Dr. Roy C. Sloan, phychiatrist, next week; foundation garments, the following week; "Woman Dissected," Dr. Ø. W. English; shoes and accessories; speech by Dr. W. A. Petty, optometrist; hair dress and facial grooming; care of skin, by a dermatologist; cosmetics and make-up; dentisty, Dr. Glenn D. Gay, home sewing; and business etiquette, by a leading professional woman. The final special program will be a resume and style show.

Freedom Chapter Of OES Plans Public Ceremony

Freedom chapter of Order of Eastern Star is to conduct a public installation at 8 o'clock Wednesday night in Masonic hall.

Congratulations To

Mr. and Mrs. Victor Vara of Southland on birth of a son weighing 7 pounds 4 ounces at 4:15 a. m. today in Lubbock Memorial hospital. The father is employed by Santa Fe railroad.

Mr. and Mrs. O. A. Maudin of 1510-B Nineteenth on birth of a daughter weighing 6 pounds 4 ounces at 10 a. m. Monday in West Texas hospital. The father is a trucker.

Mr. and Mrs. E. E. Cude of 314 Ave. G on birth of a son weighing 7 pounds at 1 p. m. Monday in West Texas hospital. The father is a cab driver.

Mr. and Mrs. Vernon Lara of 116 Ave. N on birth of a son weighing 6 pounds 8 ounces at 2:50 p. m. Monday; reported by Porter-Bistrand clinic. The father is a construction worker.

Mr. and Mrs. James White, jr., of Lubbock route 1 on birth of a daughter weighing 7 pounds 3 ounces at 8:15 p. m. Monday in Porter-Bistrand clinic. The father is a carpenter.

Mr. and Mrs. A. H. Osborn of Lubbock route 7 on birth of a son weighing 9 pounds 6 ounces at 9:10 p. m. Monday; reported by Porter-Bistrand clinic. The father is a house mover.

Mr. and Mrs. John Steen of Lubbock route 6 on birth of a daughter weighing 4 pounds 2 ounces at 3:35 a. m. today in Porter-Bistrand clinic. The father is a service station attendant.

Scurry County Well Is Still Drilling

Sun No. 1 Schattell, in southwest Scurry county, seven miles southwest of Snyder, and 1,980 feet from south and west lines of section 186, block 97, H&TC survey, had reached 4,971 feet, in lime, and was making more hole.

It cut a core at 4,926-31 feet. Recovery was five feet of hard dense lime, with no shows of petroleum. The project is contracted to a possible bottom of 8,500 feet to explore into the Ellenburger.

Restaurant Owner Has Diamond Zipper

NEW ORLEANS, June 1 (U.P.) — Big Jim Moran, New Orleans, restaurant proprietor who was once a bodyguard of the late Sen. Huey P. (Kingfish) Long, loves diamonds — all kinds.

He wears them everywhere — on rings, stick pins, belt buckles and even on his glasses.

Today he came up with the latest — trousers equipped with a diamond zipper.

TO BE HOSTESS

Friendly Thirteen club will meet at 3 o'clock Wednesday with Mrs. W. T. Milam, 3800 Ave. H.

OES CHAPTER TO MEET

There is to be a regular meeting of the Lubbock chapter, Order of Eastern Star, at 8 o'clock tonight in the Masonic hall.

DOES ALL 3
✔ Bleaches Down FRECKLES...
✔ Refreshes SALLOW SKIN
✔ Helps Smooth ROUGHENED SKIN

Othine is a delicately scented, medicated cream . . . for "extra-special" aid with your daily routine. It helps restore smoothness to ROUGH, WEATHERED SKIN, refreshes SALLOW SKIN by hastening the natural flaking-off of the dried surface skin and often FADES FRECKLES completely for a time. Apply nightly as directed. Pronounced O-THEEN. At your drug counter.

June Courtesies Given For Brides-Elect And Visitor

First week in June finds the social calendar filled with events for brides-elect and visitors.

The home of Mrs. E. F. Alford on the Levelland highway was scene for a luncheon given today by Mesdames Alford, C. M. Trotter, J. W. Riss, jr., and Emmett Kerr as a courtesy to Miss Betty McFarling. The honoree is to marry Roy Clark June 12.

A hostess gift marked the honoree's place.

Red roses decked the tables where covers were laid for Mesdames Hugh McKelvy, Jack Griggs, Lillian Clark, Bill McKelvy, S. O. Adamson, Lewis Kerr, Gilmer Aycock, Turner Adams, R. L. Adamson, W. H. Dickson, George McKelvy, Marshall Howard, Gordon Thompson, J. L. Downs, Frank Gumm, E. H. Armstrong, E. W. McFarling, mother of the honoree and Misses Joy Munden and Marge Williams.

For Miss Stewart

Mrs. S. O. Adamson and Mrs. R. L. Adamson are planning a party Wednesday morning at 10 o'clock in the home of the former, 3004 Twenty-sixth, as a compliment to Miss Mary Beth Stewart, bride-elect of John R. Adamson, jr. The young couple is to marry Friday.

Honor California Guest

A coffee today was given in the home of Mrs. A. B. Bryant, 3110 Thirtieth, to compliment a visitor from Santa Rosa, Calif., Mrs. Paul Williams. Assistant hostesses were Mrs. V. H. Melton and Mrs. Martha Hazelwood.

Guests were Mesdames Herman Mosley, Joe Gaylor, Allen D. Loter, J. H. Pruitt, W. S. Pool, Dick Lindley, C. B. Lively, J. J. Rozzell, E. L. Gabbard, Tom Biggs, J. L. Howard, V. O. Jennings and L. L. Watson of League City.

Ramona Eagan To Marry Jack Foust On Friday

Announcement of the approaching marriage of Miss Ramona Eagan, former student of Texas Technological college, and Jack Foust is being made by her parents, Mr. and Mrs. Vernon Eagan of Littlefield. The couple will marry Friday night at the Littlefield First Methodist church with Rev. S M. Dunnam officiating.

Mrs. Curtis Lee is to be matron of honor and Miss Nelda Willis of Littlefield and Mrs. Irving Sinclair of Muleshoe are to be bridesmaids. James Foust of Tahoka, brother of the bridegroom-elect, is to be best man and Don Eagan, B D. Garland and Joe Foust are to be ushers.

Miss Eagan is a graduate of Littlefield High school and has been employed at the Littlefield First National bank. Mr. Foust, son of Mr. and Mrs. J. E. Foust of Littlefield, attended Sudan High school and served with the Seabees during the war; he is employed with a Littlefield drilling contractor.

Mrs. Alton Hall Gives Party For Card Club

Mrs. Alton Hall, Mrs. M. D. Lakey and Mrs. Roy Grimes were guests when Mrs. Jay Gordon, 2411 Twenty-ninth, entertained Monday night for the Doublette Bridge club.

Members attending were Mesdames Hayden Garrett, Dick Hitt, Ben McGregor, jr., C. T. Perhamus, Cliff Widener, John Wilson, Miss Beth Bailey and Miss Aline McCarty.

High scores were made by Mrs Lakey, Mrs. McGregor and Mrs. Widener.

Save Money!
You now get 25% MORE VEL for your money in the new, bigger box!

*NEW Colgate-Palmolive-Peet product . . .

VEL* cuts dishwashing time in half!

Dishes, glassware gleam without wiping!

VEL is so different, so much more labor-saving . . . you even use it differently! Just wash and rinse dishes . . . don't wipe them! Even glassware dries sparkling clear without wiping, for Vel leaves no soap scum or streaky film to polish away.

Pots and pans rinse nearly clean after a short soak in Vel suds. Almost no scouring necessary! That's because Vel removes grease faster and more completely than soap. Vel leaves no dishpan ring to scrub out. This Colgate-Palmolive-Peet soapless suds cleans dishes cleaner than soap; saves up to half your dishwashing time.

Milder to hands than any leading product made for washing dishes, fine fabrics!

Actual skin tests made by an independent laboratory — name furnished on request — prove that Vel is milder to hands than any other leading product made for washing dishes and fine fabrics.

*VEL is the trade-mark of the Colgate-Palmolive-Peet Company.

RODEO BOOSTER TRIPS BEGUN—A busload of members of the American Business club left Lubbock this morning on the first of four trips over the South Plains advertising the ABC-Boys' Club rodeo to be staged at Tech's Jones stadium, June 9-12. Today's trip is visiting all towns on the line to Clovis and Portales, N. M., with the return trip coming via Morton, Whiteface, and Levelland. The group is pictured just before they left this morning at 7:30 o'clock. They are, left to right, back row: O. B. Ratliff, Jimmy Robertson, John Wilson, Grady Harrist, Royal Ferguson, Preston Johnson, Paul Patillo, Finis Myrick and Cecil Sanders; front row: Mack Weiser, Harry Van Horn, Jimmy Whiteside, trip chairman; Rev. Melvin Ratheal, B. Briggs Irvin, Bud Mitchell, driver; Jimmy Poteet, I. D. Dunagan, Mr. and Mrs. Stanley Dunagan, members of Dunagan's School of Music, who are furnishing entertainment on the trips. (Staff Photo).

Insurance Deadline Warning Is Issued

Ex-servicemen have only until Aug. 1 to reinstate their National Service Life Insurance on the basis of a comparative health statement by the veteran, a local Veterans' Administration official announced today. He urged veterans who have allowed their policies to lapse to renew them before the Aug. 1 deadline.

To reinstate the insurance prior to Aug. 1, a World War II veteran genrally needs only to certify that his health is as good as it was on the date the policy lapsed, and to pay two monthly premiums on term insurance. One is for the month of lapse, the other for the month of insurance.

Features incorporated in policies include unrestricted choice of one or more beneficiaries, lump settlement or choice of three monthly installment options, three endowment plans payable to the veteran at maturity, making six permanent plans in all, and total disability income benefits for an additional premium.

Veterans will have until Jan. 1, 1950, to reinstate their GI insurance on the basis of a complete physical examination, and veterans will not be denied reinstatement of insurance for service-incurred disabilities, the official emphasized. Disabling injuries not service-incurred, however, will prevent the reinstatement of the insurance, it was pointed out.

Additional information and application forms may be obtained from contact officers at the Veterans' Administration Regional office at 1600 Nineteenth. The office is open from 8 a. m. to 5 p. m., Monday through Friday.

Big Spring Man New District Governor

FORT STOCKTON, June 1 (AP) —New governor of Lions district 202 is Schley Riley of Big Spring.

He was elected to succeed M. O. Milam of Andrews here yesterday at the district's first annual convention.

Pecos was chosen as the 1949 convention city.

Permanent Charter Asked By Pioneer

WASHINGTON, June 1. (Special) — Pioneer Airline today asked the Civil Aeronautics board that a permanent operating certificate be issued Pioneer to replace the temporary certificate now held by the company.

Pioneer, the nation's first community airline, has been operating with a temporary certificate since August 1, 1945.

In the application to the board, Pioneer stressed that all 24 cities served by the airline had expanded capital to improve airport facilities and that these cities should be assured of continued operations by Pioneer.

"The temporary certificates we now hold will expire on November 14, 1949. Pioneer must make plans for the future and those plans necessarily must cover more than the next ten years," Robert J. Smith company president, declared.

Smith also pointed out that the citizens of Pioneer's 24 cities were using the service in a steadily increasing volume and were becoming to depend on the Air Line's service.

"These people deserve to know if these services are to continue and if they can rely on Pioneer to provide that service in the future," he said.

Inspector Killed Under Freight Car

SHREVEPORT, La., June 1 (AP) —Funeral services are planned in Marshall, Tex., tomorrow for Ira Wood, 59, who was killed by a freight car which ran over him in the Kansas City Southern railroad yard here yesterday.

Wood, a car inspector for the railroad, had stepped between two stationary cars, police said. A line of cars backed into the cars on which he was working. The impact knocked Wood down, and a wheel of one car passed over him. He was killed instantly.

Automobile tire casings and tubes frequently become vulcanized solidly together during the high-speed driving in auto races.

Reporter Absolved Of Contempt Charge

CLINTON, Tenn., June 1 (U.P.) — Reporter Nat Caldwell of the Nashville Tennesseean today was absolved of contempt charges after he refused to tell a grand jury where he got his information regarding bootlegging activities in east Tennessee.

An Anderson county grand jury investigated the charges which Caldwell made in a series of newspaper articles, reported it found no evidence to support them, and asked that Caldwell be held in contempt for refusing to identify his sources.

Criminal court Judge Jesse L. Rogers refused to hold Caldwell in contempt. He said that while it was hard to place serious charges against officials on hearsay evidence, nonetheless "much good has been done in this way."

Caldwell charged that bootleggers had been given "safe conduct" from wet to dry counties by state policemen. The jury dropped the investigation.

British Ease Rules On Pleasure Driving

LONDON, June 1 (U.P.) — The British government today lifted a six-month ban against the use of gasoline for pleasure driving.

An estimated 300,000 pleasure cars were expected to take advantage of the new law which permits them enough gasoline to travel 90 miles a month for the next six months.

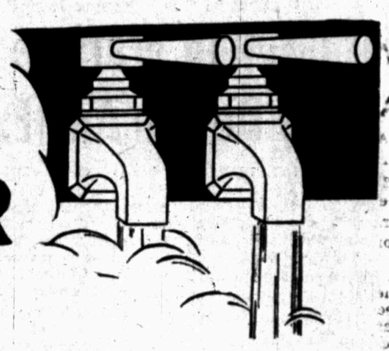

MEDICATED POWDER'S
AMAZING ACTION EASES *SKIN RASH*

For itching, burning of heat rash, prickly heat, chafe, use Mexsana. Wonderful relief comes fast due to remarkable 'Sorb-Shield action, which helps absorb irritating excess moisture, then forms a shield on skin against painful rubbing. It's medicinally textured for long-clinging smoothness to insure long-lasting comfort. Grand for baby's tender skin, too. Sprinkle on Mexsana to actually help prevent burning diaper rash. THAT YOU CAN TAKE OFF
Ugly Fat

IT'S SIMPLE. IT'S AMAZING, how quickly one may lose pounds of bulky unsightly fat right in your own home. Make this recipe yourself. It's easy—no trouble at all and costs little. It contains nothing harmful. Just go to your druggist and ask for four ounces of liquid Barcentrate. Pour this into a pint bottle and add enough grapefruit juice to fill the bottle. Then take two tablespoonfuls twice a day. That's all there is to it.

. . . . . .

If the very first bottle doesn't show the simple, easy way to lose bulky fat and help regain slender, more graceful curves; if reducible pounds and inches of excess fat don't just seem to disappear almost like magic from neck, chin, arms, bust, abdomen, hips, calves and ankles, just return the empty bottle for your money back. You don't have to starve yourself; eat sensibly according to instructions on bottle. Follow the easy way endorsed by many who have tried this plan and help bring back alluring curves and graceful slenderness. Note how quickly bloat disappears—how much better you feel. More alive, youthful appearing and active.

NOTHING HARMFUL IN BARCENTRATE

Barcentrate is the original grapefruit juice recipe for taking off weight. No starvation diet. No diet list to pay for. No vitamins to fortify you against hunger for you won't be hungry.
Ask your doctor about the Barcentrate formula. Barcentrate contains; Sassafras, Oregon Graperoot, Senna Leavas, Prickly Ash Bark, Cascara, Magnesium Sulphate, Saccharin, Sodium Benzoate. LOWEST IN PRICE—HIGHEST IN RESULTS.

OVER ONE AND A QUARTER MILLION BOTTLES SOLD IN TEXAS IN 3½ YEARS

McALLEN LADY LOSES 50 POUNDS

"I want to tell you that I have lost 50 pounds since taking Barcentrate. I still want to lose 20 more pounds as I now weigh 167, a reduction from my former weight of 217 pounds." Mrs. C. M. Earnsh, 303 N. 12th St., McAllen, Texas.

ATE ANYTHING AND LOST 37 POUNDS

"When I started taking Barcentrate, I weighed 210 pounds. I now weigh 173 and I ate anything I wanted. I am still taking Barcentrate for farther weight reduction." Frederico Rodaguez, 6709 Esteband St., El Paso, Texas.

LOST 42 POUNDS— FEELS FINE—NOTHING HARMFUL IN BARCENTRATE

"I endorse Barcentrate not only for losing weight, but for health as well. Before taking Barcentrate, I weighed 197 pounds. I now weigh 155 and I feel better in every way. I am not flabby—no loose flesh and skin." Mrs. J. L. Caskey, Box 27, Sabinal, Texas.

FEELS LIKE A DIFFERENT PERSON

"I think Barcentrate is wonderful. It has made me feel like a different person. I have lost 10 pounds which is all I wanted to lose." Rosa Belle Moore, Rockwood, Texas.

18½ POUNDS LOST BY SAN ANTONIO LADY

"I have taken Barcentrate in grapefruit juice and found it very satisfactory. I had to lose weight for an operation and I took Barcentrate and lost 18½ pounds." Mrs. Dollie Douglass, 916 W. Kings Highway, San Antonio, Texas.

ODESSA LADY LOST 20 POUNDS

"I have lost 20 pounds taking Barcentrate. I can't praise it enough." Mrs. Levi Dwain Newman, 802 N. Grant, Odessa, Texas.

3 BOTTLES—10 POUNDS LOST

"I can gladly recommend Barcentrate. I lost 10 pounds on the first three bottles. I am glad to recommend it to anyone who wishes to reduce." Mrs. Abner Amox, Hughes Springs, Texas.

Push Button Warfare Is Still Merely Design And Experiment

By HAL BOYLE
Associated Press Staff Writer

NEW YORK, (AP)—If war comes tomorrow it will only be more of the same old bloody business battle has always been.

This is pointed up by a primer for total war put out by the Defense department's munitions board in Washington.

Should a third world war break out in the immediate future, there could be no reliance on "push button" weapons. You have to have more than a button to win a push button war, and that's all we've got today.

Design And Experiment

No other country has more than the button either. Beyond the button all is design and experiment.

The plain truth is that if war broke out overnight we'd have to fight it pretty much on the basis of the last war. Certainly at the start, that is.

The report of the munitions board emphasizes that another war would require immediate and complete mobilization of national resources, industry and manpower.

Few people in the United States realize what this means. It means absolute and entire devotion of every ounce of the nation's energy toward one aim—support of the armed forces.

War At Front Door

It means that war will begin at your own front door, figuratively if not literally. It means war on a body.

Only on such a basis could America defeat the only possible present enemy—Russia.

Over-confidence is the greatest enemy of any nation. Optimism thrives at the rear headquarters and on the home front. An enlightened pessimism always rules the courageous men on the actual battlefield. They face and fight the enemy, and they kno his worth.

It never pays to underestimate a foe. That is the lesson taught by the two American retreats in the European theater in the second World war—Kasserine Gap in Africa, the Battle of the Bulge in Belgium. I know because I had to run from both places.

Not Fault Of Men

In neither of these cases were the men at the front to blame. They knew and said the enemy against them was still strong. The miscalculation was made by generals far behind the lines who weren't being shot at.

Our semi-remoteness from possible foreign foes isn't an advantage. It's our biggest disadvantage. There is only one good place to fight a war—on the other fellow's soil. To do that you have to get there.

And for all the developments that have taken place in the theory of warfare, there is nothing to indicate that a vast foe such as Russia could be knocked out by anything short of a gigantic expeditionary force.

This would require every man, ship, gun, airplane and guided missile the American nation could summon in an uttermost test of its strength.

Size Is Cited

It is folly to rely alone on our airpower. For all the tremendous bombing raids by Britain and America, the German nation continued to build up its productive power to 1944. If this concentrated bombing couldn't quell a country of 225,256 square miles and 80,000,000 population, could it subdue a land of 8,473,444 square miles and 211,384,985 home-based people?

There is a tendency to forget that in the conquest of Germany the Russians threw in from two to three ground soldiers against the Nazis for every one put in by the allies. Yet Germany crumbled only when its earth was fought over and taken by the allies in foot-by-foot struggles.

Would Be Total

So only would Russia or our own country cave in—within the forseeable future. To throttle Soviet Russia or any other big power we'd have to grab her by the throat where she lives. And that would take every doughboy, in good or bad health, we could put in uniform. It would also require every gun, tank, plane and ship we could build.

There is no push button war on the horizon yet. War today against a major foe would be not only total. It would have to be utter. No other way could victory be gained.

ENGAGED—Mary Ellin Berlin, 21-year-old daughter of Irving Berlin, the country's top songwriter, is engaged to marry Dennis Burden, a New York socialite and Navy veteran. Her father is this year celebrating his fortieth year as a composer of hit melodies.

CARNIVAL — By Dick Turner

"Notice how he buys her a fur coat without insisting that she'll put him in the poorhouse!"

Peace Hint Is Said Made By Guerrillas

ATHENS, June 1. (AP) — The Greek army general staff said today it intercepted a guerilla radio broadcast last night in which rebel peace overtures were made.

The general staff said the broadcast quoted the "provisional government of Greece" as saying it did not aim to prevail by force.

The radio message, said the general staff, declared Markos Vafiades, leader of the guerrillas and head of the so-called provisional government, is "always ready to accept and encourage any initiative coming from anywhere" which would lead to peace.

Such a peace, the radio broadcast reportedly said, would be only under the condition there would be no "foreign interference."

The broadcast—in Morse—included demands for the "democratic rights of the people," and "national independence." These latter demands are frequently used in routine Communist propaganda.

Blotting paper was discovered by accident. A worker in a paper mill forgot to include sizing in a batch of ordinary rag paper.

"You Can't Stop Progress"

Dunn Withdraws From Commissioner's Race

Flim V. Dunn, farmer who lives in the Center community, Monday announced his withdrawal from the race for Lubbock county commissioner from precinct No. 3.

"I found out that I had to spend too much of my time in Lubbock and not enough of it out with the hands working the roads, so I decided to withdraw from the race," Dunn said.

Dunn, who announced for the office about three weeks ago, is a farmer in the Center community in central-northeast Lubbock county.

Because her husband played his favorite record on their tenth wedding anniversary,, a housewife in Berlin smashed it against the wall—and the couple has been granted a divorce on grounds of "insurmountable incompatability."

Gentlemen:
keep your hats on!

Come in . . . discover the height, width, and length of Packard luxury!

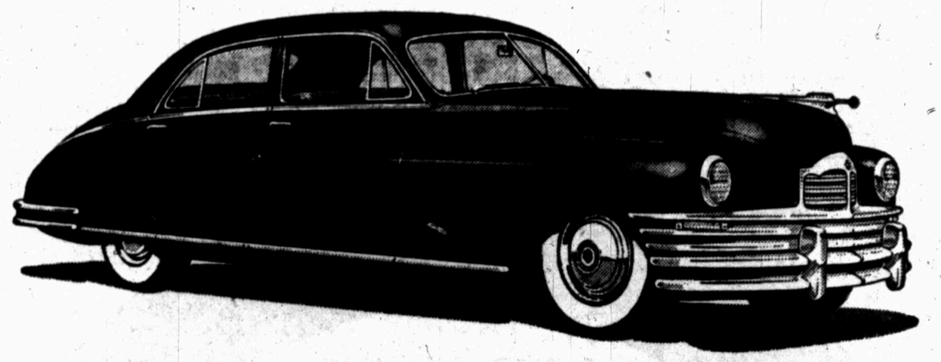

To look at this sleek, low-slung beauty with its road-hugging lines, you'd scarcely expect the inside story that is revealed to you the instant you open the door.

Plenty of height for hats, plenty of width for coats, plenty of length for legs! In this smartly tailored Packard interior, impressive size combines with ingenuity of design to achieve the *roominess* story of the year!

Come in—see it—compare the dimensions with those of any other car. Then, we're certain, you'll want to take *off* your hat to Packard for thinking of your motoring comfort in such generous terms!

Many Restaurants Serve Oleo, Not Butter, Survey Discloses

By DAYTON MOORE
United Press Staff Writer

WASHINGTON, June 1 (U.P.)—Sen. Edward J. Thye, (R-Minn) said today a check of 159 restaurants showed that 1 out of 3 served colored oleomargarine or some other substitute to patrons requesting butter.

Therefore, said the Dairy state Senator, Congress should forget about repealing federal taxes on colored oleo and prohibit its manufacture altogether to stop a "national hoodwink on the American people."

Thye is a leader of the Senate butter-bloc which is opposing a House-passed bill to repeal oleo taxes. He said the survey of the 159 restaurants was conducted in eight cities last month by Fact Finders Associates, Inc., of New York.

The spot-check, he said, found that 53 of the restaurants served oleo or another substitute when butter was specifically ordered.

"The significant point is that if existing oleo regulations are repealed, oleo in the guise of butter will be served with a large proportion of the 62,000,000 daily meals sold in restaurants," Thye said.

Of the eight cities surveyed, he reported, only Los Angeles showed a perfect record with butter served in each of the 20 eating places visited.

In Washington, D. C., he said, oleo or some other substitute was served in 1 out of 20; Atlanta, in 7 out of 20; in Indianapolis, 6 out of 20; in Louisville, 15 out of 19; in Memphis, 1 out of 20; in St. Louis, 5 out of 206 and in San Antonio, 18 out of 20.

Thye said that "palming off" oleo for butter is not a violation of federal law, and the "widespread" cases showed that colored oleo is often served as butter where it is freely available.

Repeal Proposed

The House-approved bill would repeal the 10 cents a pound federal tax on colored oleo, as well as the quarter-cent—pound tax on white oleo and the various special makers and sellers handling fees on both varieties.

The Senate finance committee, which has approved the measure added an amendment requiring restaurants serving oleo to display prominent signs saying so, and labeling each individual serving as oleo. This was designed to meet just such objections as those raised by Thye.

Mechanical loading machines, some of them able to load a 5-ton car in less than a minute, now move in, and do the work which used to take a miner several hours of hard hand-labor to do.

Constipated? So Was This Woman

"I would go from one Sunday to the next, then take a harsh purgative. That's over now that I eat KELLOGG'S ALL-BRAN daily."—*Mrs. Katherine Turner, Indianapolis, Ind.*

If your diet lacks bulk for normal elimination, eat an ounce of KELLOGG'S ALL-BRAN every day in milk—and drink plenty of water. If not satisfied after 10 days, send empty carton to Kellogg Co., Battle Creek, Mich., and get DOUBLE YOUR MONEY BACK. Get KELLOGG'S ALL-BRAN now!

POLITICAL CAMPAIGNING WITH CURVES — Here are two convincing ways to get a political message across. Ann Hoehler, left, of Jefferson City, Mo., shows one of the first Taft ties to be seen in Washington, D. C. Barbara Grand-Bergh, right, of Jersey City, N. J., wears buttons of all leading candidates. She's campaigning to get Republican delegates to visit Atlantic City.

Convention Report Made At GOP Meet

A detailed report on the Republican state convention held at Corpus Christi May 25 was made Monday night at a monthly meeting of the Lubbock County Republican club in Hotel Hilton by M. D. Temple, club president.

Temple, who was a delegate to the convention, outlined the work of the session including work of the credentials committee, resolutions committee, and committee on permanent organization. The 19th congressional district, of which Lubbock is a part, was represented on each of the groups.

The Texas delegates to the Republican national convention at Philadelphia will be an uninstructed delegation, Temple said. The delegation also will not be bound by the unit rule, he said.

Temple emphasized the necessity of attending precinct conventions to be held July 24 to select delegates to choose county chairmen.

The next meeting of the club will be directed toward the study of procedures followed in selecting county officials for the party and the maintenance of strong party organization. Temple emphasized the sentiment during the last presidential election indicated a strong trend toward a two-party system in Texas, and pointed out that the trend was on the increase.

Gordon Treadaway was elected secretary-treasurer for the club to replace Bill Fleming who had resigned.

Several out-of-town visitors attended the meeting.

BASEBALL COMMISSIONERS

The post of baseball commissioner was established in 1920. Kenesaw Mountain Landis filled it until his death, upon which A. B. "Happy" Chandler succeeded him as the second man to hold the position.

There are from 30,000,000 to 40,000,000 egs in the average shad.

Some Top Hollywood Stars Give Ideas On Making Better Films

By BOB THOMAS
Associated Press Staff Writer

HOLLYWOOD, June 1 — The problem of getting Ma and Pa into movie theaters is an important one in Hollywood today.

A recent survey reported that 80 percent of the movie audience is under 30 years of age. This came as a shock to many people in Hollywood. The younger folks have always been the backbone of the film audience, but the industry never realized so few oldsters were going to the movies.

Some screen savants opine that if Hollywood can figure a way to get the older citizens to attend film houses more often, the current business slump will be solved. At any rate, the AP Hollywood Forum has thrown the question open for discussion by the film famed. Take it away:

Popcorn, Double Features

Van Johnson: "I think popcorn and double features have done a lot to keep the old folks away. They don't want to pay to listen to the crunch of popcorn. And they don't want to sit for hours and hours looking at two pictures."

"Movie makers have made pictures so easy for audiences that you can sit and watch them in a half-awakened state. Everything is too obvious; the characters will repeat plot points like 'The bonds are in the lower drawer,' until the fact is drummed into the audience. Adults resent this and so stay away from the movies. There should be two theater chains—one for children, one for adults."

Charles Bickford: "Adults get fed up with seeing only teen-age romance on the screen. There should be more middle-aged romance, with guys like Charles Bickford.

Four Factors Named

Ronald Reagon: "I believe there are four factors in the drop of adult movie attendance: 1. In big cities, comfort-loving adults are discouraged from going to the theather because of traffic, parking, box-office lines, cramped seats and faulty ventilation. 2. Few films are aimed at adult intelligence. 3. Deceptive advertising often fools people into seeing awful turkeys. 4. Publicity about supposed immorality of Hollywood stars discourages the public's desire to see them on the screen."

Brian Donlevey: "False advertising scares 'em away. You can't tell them every picture is colossal."

Sonja Henie (obviously with an ax to grind): "Include more ice skating scenes. I've found that ice show audiences are mostly mature people. Watching graceful skaters seems to recall days of their youth."

Clark Gable: "Maybe we should take a more adult approach to films. Heaven knows—we haven't contributed much in this regard."

An automatic electric executioner of flies, gnats and other small insects, eliminating the need for sprays, has been devised for use, especially in dairies and bakeries.

Pattern for the fine cars of the 'Fifties

THE LINCOLN

TWO COMPLETELY NEW 1949

Lincolns

IN A CHOICE OF MAGNIFICENT BODY STYLES AND TWO SEPARATE PRICE RANGES

A NEW *fine car* isn't made overnight. Not a *really* new and really *fine* car.

The 1949 Lincolns you can see now at your Lincoln dealer's have been years perfecting. Here was a job that couldn't be rushed. For *these* 1949 Lincolns were designed to meet the 1950s more than half way; to be the automotive pattern for years to come.

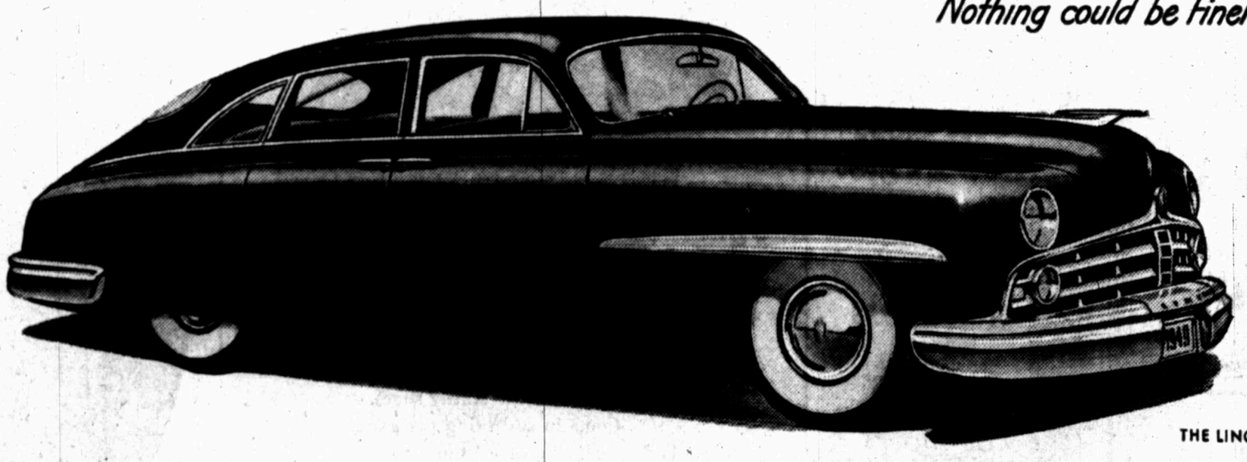

Are they beautiful? Of course, with a new, massive breadth of line that's fresh to the eye...and sheer joy when you see how much *extra* room it means. They've got a low, hug-the-road look. And feel how their new super-balloon tires, with their wider, safer rims, really *cushion* your ride.

Are they powerful? In both the Lincoln and Lincoln Cosmopolitan, there's the same powerful engine. Newly designed right from the blueprints up, 8-cylinder, V-type, 152-horsepower...it's as fine an engine as human skill can make. A fortress of strength...built with the precision that goes into aviation engines.

Are they luxurious, these new Lincolns? Naturally. From the smart upholstery fabrics and distinctive color combinations to their new carefree, effortless ride, these Lincolns are a revelation and a new experience in motoring.

Yes, look at the fine cars of the '50s...Look at Lincoln.

Nothing could be Finer_or Newer!

Between . . . The Lines

— By JOE KELLY —

We want to start this right off with a large THANK YOU to all the good people who called yesterday afternoon and night about Wayne Greer. He is located so thoroughly that we could go into Lockney blindfolded and find him. There must have been over a dozen calls about Wayne from people who knew him from childhood to college classmates.

• • •

Our own Naomi Caddell was the first to spot him chiding us for not asking right here in the office to begin with! She was followed by Floyd Horton, who is a fireman at No. 2 station and who has known Wayne a long time. Then, in rapid succession, came calls from H. J. Blanchard, Jelly Brown, Mrs. Walter Howard, Earl Wilson, Mule Dowell, Mrs. Baker of the Baker company, a Mr. Wolf who used to live in Lockney, V. L. Williams and others.

• • •

It was most gratifying to have so many persons interested and to have such a rapid response. We appreciate it more than we can say. We shall lose no time in getting in touch with Wayne, who is a dentist in Lockney. One thing this experience taught us, it pays to advertise! (free plug for the Avalanche-Journal).

• • •

So far no one has commented on the Sunday column about loss of the proposed fight, but before they do we want to make a statement. We'd like to say that so far as we are concerned, LaVern Roach is still a fine man, one who deserves continued support from the South Plains. It was no fault of his that the fight fell through. He told us in Plainview this spring that he does exactly what Abood and Dundee tell him to do. He figures that they know what is best and what is right for him.

• • •

As a result, if you're feeling bitter towards him, or resentful that he won't be able to come here to fight, forget it. He'd like to stage his next fight in Lubbock and he's sincere in that. At the same time, you must admire him for following the instructions of his handlers. He still has a long road to climb, but we aren't getting off his bandwagon and we hope you won't.

• • •

Bill Henderson of Levelland has returned to New York, after receiving treatment for his swollen knuckle here. The knuckle is a lot better and won't hinder him. According to Bert Kahn, who treated him, the knuckle is surrounded with scar tissue now and should be stronger than ever before. He will have a deformed knuckle as long as he lives, unless he wishes to have an operation to remove the dead tissue. But instead of continuing to hurt him, the extra gristle will make his fist tougher.

• • •

Bill dropped by to say adieu and we had a nice talk with him. He's convinced that he is going to give boxing everything he has. If he doesn't think he is going anywhere, he's going to quit. If he has the promise Manager Joe Vella says he has, he won't be quitting for some time to come. The quiet, likeable Levelland boy is intelligent. He's gone into professional boxing with an open mind, determined to do his best, but wise enough not to tie his hopes to a future. If he makes it, fine; if he doesn't, it's been a good experience.

• • •

THE ROUNDUP: Mrs. H. C. Leach and party of Lubbock caught a 27-pound trout at Port Aransas Wednesday. . . . News from the port indicates continued good fishing this week end. . . . The U. S. Olympic team sails for Europe from New York on July 14. . . . Earl Scudday of the sports staff has gone on a two-week's vavation, hence no Sports Study until June 14. . . . The National Baseball Congress tournament will be held in Wichita, Kans., Aug. 13 to 25. Competition to determine Texas entries will be held in Waco July 24.

Second Round Starts In Baseball Tourney

DALLAS, June 1 (AP)—Second-round games in the state high school baseball tournament are scheduled here today and tonight.

Longview meets Austin and Beaumont meets Highland Park of Dallas in afternoon games, and Hondo meets Wichita Falls and Amarillo meets Adamson of Dallas in night games.

Results of yesterday's games:

Longview 5, North Side of Fort Worth 2; Austin 3, San Angelo 0; Beaumont 17, Jasper 3; Highland Park 6, St. Thomas of Houston 4; Hondo 3, Ball High of Galveston 2; Wichita Falls 4, Irving 2; Amarillo 3, Waxahachie 2, and Adamson 11, Bryan 1.

Hubs Wallop Dukes While Borger Holds Torrid Pace

The Lubbock Hubbers blew into Albuquerque after a near disastrous visit to Clovis, also in New Mexico, and proceeded to blow the Dukes out of their own stadium last night.

The belligerent Hubbers lost little time in putting quietus on Don Cantrell, the righthander who has been called cousin by the Hubbers this year. They continued against Joh Behl and Charles O'Neill and, when they finished, they came out with a 10-3 victory.

Gassers Beat Abilene

In other games last night, the Borger Gassers kept step by beating the Abilene Blue Sox 5-2 and the Amarillo Gold Sox nosed out the Lamesa Loboes 5-4 to move into fourth place. Pampa at Clovis was rained out.

Tony Fiarito, the usually dependable Lamesa player, made a costly error last night that led directly to the Gold Hose getting two runs and a close victory. Jim Skidgel homered for the Loboes, but it wasn't enough.

Well Pitched Game

The Hubbers, for a delightful change, had a relatively well-hurled game to back their hitting. They won in a walk behind Bob Clodfelter, who rapidly is rounding into "Mister Dependable" on the staff. Clodfelter wasn't his usual brilliant self, giving up nine Annie Oakleys, but his control was there when needed and he dished out six scattered hits.

Ron Bowen touched Clodfelter for a homer but the Dukes were shackled when men were on bases, leaving 11 runners stranded, three less than the Hubbers.

Three Runs In Fourth

Meanwhile the Hubbers were putting some good timely singles and doubles together for their runs. They scored twice in the first frame and added four more in the second. Then, just as Behl began to look good, the Hubbers reached him for three runs in the fourth.

O'Neill came on to throttle the Hub City crew until the eighth, when a single run was added to the total. Rain, suddenly drenching everyone in the top of the ninth, finally got the Hubbers out, something the Dukes had been having trouble doing.

The Lubbock and Lamesa box scores:

If Fruit And Milk Only Come Through . . .

Sluggers In Major Loops Solve Breakfast Worries

By OSCAR FRALEY
United Press Sports Writer

NEW YORK, June 1—Hungry Hank Sauer and Ken (Kitchenette) Keltner were leading the major league home run parade today with 13 each—which means they won't have any breakfast worries for eight years, six months and 20 days.

That is, if they aren't addicted to fruit.

Diluted with, say bananas, they have enough cereal crowding the furniture from their respective homes to last 10 years, three months and four days.

Gets Them By Case

Figure it out yourself. Each and every time a major leaguer lofts a ball out of the park he gets, along with a handshake, a case of those "delicious, wholesome" you-know-whats. There are 24 boxes to a case and hasty research proves there are 10 meals per box. Padded out with, say, those same bananas, you get 12 meals per box.

At 13 homers that 13 cases amounts to 312 boxes each or 3,120 plain bowls.

The gastronomical situation is most severe in the National league where the hitters have walloped 212 home runs this year. Over in the American league, where there must be more hotcake and egg devotees, they only have belted 182.

Could Feed Two Cities

Taking both leagues together they have enough breakfast food on hand to throw a morning meal for everybody in Topeka, Kan., with enough left over for each man, woman and child in Rocky Mount, N. C. That would be 95,000 people—the bowl total for 394 cases.

Hitting a record 221 homers last year apparently didn't teach the New York Giants a lesson. Figuring in the digestive demands of the winter banquet circuit, they must be iron men. For at this moment a year ago they had 37 homers. Today they have 38 cases.

But all those reports about the Yankee and Cleveland teams paying high salaries must be a bunch of bunk. The players would have to be awfully hungry to accept 43 cases of cereal on each team, yet that's exactly what they've done. For the Yanks and the Indians are leading the homer output with 43 each.

Cereal Situation

The cereal situation in both leagues, figuring a case per circuit clout, comes out like this:

New York, 38; Cincinnati, 34; Pittsburgh, 29; St. Louis 24; Chicago, 24; Brooklyn, 23; Boston, 20, and Philadelphia, 20.

In the American league, the Yanks have 43 along with Cleveland; Boston, 27; Philadelphia, 24; Detroit, 19; Chicago, 12; St. Louis, 9, and Washington, 5.

The SCORE BOARD

YESTERDAY'S RESULTS

WT-NM League

LUBBOCK 10, Albuquerque 3.
Amarillo 5, Lamesa 4.
Borger 5, Abilene 2.
Pampa at Clovis, ppdnd, rain.

American League

Albuquerque Open Starts Thursday

ALBUQUERQUE, June 1 (AP)—The advance guard in an expected 100-plus player field started checking in today for the $10,000 Albuquerque open gold tournament.

Affording a last chance competitive tuneup before next week's national open in Los Angeles, the tournament starts Thursday over the mile-high University of New Mexico course.

Lloyd Mangrum, seasoned Chicago campaigner, is due back to defend the crown he captured in last year's inaugural event, and most of the other 1947 money winners also have reservations.

Others registered include J. D Taylor of Clovis, New Mexico amateur champ; and these pros: Bill Davidson, Clovis; Jimmy Gamewell, Hobbs; Raymond Connell, Roswell; Bill Keith, Los Alamos; and Chuck Klein, Amarillo.

BUFFS RECALL WRIGHT

HOUSTON, June 1 (AP)—The Houston Muffs of the Texas league have recalled Claude (Pappy) Wright, who played shortstop for them last year, from Columbus, Ga.

Cats Tighten Hold On Top

By ROBERT H. JOHNSON, JR.
Associated Press Staff Writer

The Fort Worth Cats held a tighter clutch on first place in the Texas league baseball standings today.

The Cats' lead over Houston looked in danger until they beat Tulsa for a change last night. Their 2-0 victory came after two straight losses on Tulsa's diamond, and it put Fort Worth three and a half games to the good.

Houston helped out by dropping a 3-0 decision to the Shreveport Sports.

Rebels Beat Indians

Meanwhile, the Dallas Rebels, who have been up and down like a yo-yo this season, rolled a turn back up the string within sight of the first division by trimming the Oklahoma City Indians, 5-2.

The Beaumont Exporters, down in the cellar came through in the tenth inning to snatch a 2-1 decision from San Antonio's fourth-place Missions.

Right-hander Bob Austin pitched three-hit ball for Fort Worth as Tulsa went down to its first shutout of the season and the ned of a five-game winning streak. It was Austin's seventh victory.

Mack Stewart, newest member of the Shreveport pitching staff, was the hero in the Sports' decision over Houston. Stewart took over in the ninth with the bases loaded and one man out, then struck out the first two men who faced him to insure the Sports' 3-0 edge.

Two Swap Places

Dallas swapped places with Oklahoma City for the second night in a row. The Rebels went back into fifth place, a game and a half out of fourth. They did all their scoring in the first two innings—one run to start and four in the second to wrap it up.

Beaumont trailed San Antonio without a score all the way into the ninth when Bill White's homer sent the game into the extra inning. In the tenth, Wayne Tucker singled, went to second on a sacrifice and dashed in with the winning run on a fly to left field by Bill Rodgers.

Tonight, Fort Worth goes to Dallas and Oklahoma City to Tulsa. Houston stays at Shreveport and San Antonio at Beaumont.

Honest Race Track

Baruch Recovers Missina $2,200

NEW YORK, June 1 (U.P.)—Elder Statesman Bernard M. Baruch said today he was convinced everyone at Belmont race track is honest.

While attending the races Saturday, Baruch lost a roll of 22 $100 bills. He reported the loss to the track management but doubted he would ever see the money again. George Pearsall, found the money yesterday and turned it in.

"In all my years or racegoing, I've never received such a kick," Baruch said. "'It proves everyone at Belmont is honest. I'm going to give that man a $500 reward."

Cards Lose Pair, Topple From Top

BY JOE REICHLER
Associated Press Sports Writer

Memorial day, 1948, which produced the greatest single day turnout ever witnessed in the major leagues, will be remembered by baseball fans for a long time but it will bring only poignant memories to followers of the St. Louis Cardinals.

Only a comparative handful — 24,009 persons — of the record paid admissions of 337,776 were on hand in Cincinnati to see the lowly Reds inflict two decisive defeats upon the slump-ridden Redbirds that knocked the Cards out of first place in the National league.

Prepare For Home Stand

The scores were 4-3 and 7-0. The defeats were the fourth and fifth straight suffered by the Cards. Today, as they prepare to open a long home stay, they find themselves out of the league lead for the first time since May 13.

The new occupants of the top berth are the New York Giants, who assumed a half-game lead over the Cards by earning a split in their double header with the Dodgers in Brooklyn. The Giants bowed, 4-3, in the morning game, but came back strong to win the afternoon game, 10-1.

The Philadelphia Athletics bounced first out and then back into the lead in the tight American league race by dividing a doubleheader with the Boston Red Sox before 24,838 hometown roosters. After Joe Dobson of the Red Sox had blanked them, 7-0, on four hits, the A's came back to win the second, 2-1, to retain their game lead over the Cleveland Indians.

Run Scores On Balk

Held scoreless for 14 innings, the A's were presented with a pair of runs when Lefty Mickey Harris gave up a hit, three walks and committed a balk which allowed Hank Majeski to stroll home.

The Red Sox have won only three of their last 15 games and Dodson has won them all.

Manager Lou Boudreau's grand slam home run helped the Indians defeat the St. Louis Browns, 8-3, in the first game to put the Tribe into temporary possession of first place. The huge crowd of 48,961 Cleveland rooters was doomed to disappointment, however, when the Browns came back to win the second game, 6-0.

The New York Yankees defeated the Washington Senators in both ends of a double header, 10-0 and 5-4, before 62,626 fans at Yankee Stadium. Frank Shea, backed by a 16-hit attack, held the Nats to two hits in registering his third victory and second shutout for the Yankees.

Tigers, Chisox Divide

Detroit's biggest crowd of the year — 55,875 fans — saw the Tigers divide a doubleheader with the Chicago White Sox. Scoring four runs in the first two innings, the Tigers won the opener, 5-4. The Sox belted four pitchers for 15 hits to win the second game, 9-3.

The largest attendance in the history of the Chicago club — 46,965 — saw the Cubs and Pittsburgh Pirates split a twin bill. The Cubs won the opener, 4-3 and the Pirates took a 4-2 second game.

After losing the opener to Philadelphia, 6-3, the Boston Braves sent the home crowd of 17,400 home happy by whipping the Phillies, 10-4, to snap a four-game losing streak.

Jones Contract Is Bought By Lamesa

LAMESA, June 1 (Special) — Dan Y. Davis, principal stockholder of the Lamesa Loboes, announced yesterday that the Lamesa Baseball club had purchased outright the contract of Bill Jones, last year's leading hurler in the West Texas-New Mexico league.

Jones was picked up under the draft ruling during the winter by Austin of the Big State league, but Jones never reported and never signed a contract. A rookie last year, he won 24 games while losing four and will be a rookie again this season.

Drafted By Austin

The big righthander was drafted during the winter by Austin for the $1,000 draft price, but refused to report this spring. He has been pitching semi-pro ball for Trent, his home.

Davis disclosed today that Jones probably would hurl in the Abilene-Lamesa series starting Thursday.

The purchase price was not released.

LEVINE'S BEAT ARMY

Levine's softball nine won an 11-10 victory over the Salvation Army crew yesterday afternoon in a City League softball game Lord pitched for the Salvation Army and Mack and Baldridge shared honors for Levine's.

Two Softball Games Slated

Providing the weatherman cooperates, two games will be played tonight at Jumbo Webster Field, as the South Plains Softball League returns to the battles.

Last week's intermittent showers flooded out both Tuesday and Thursday night games, so with some cooperation tonight at 8, the Golden Light Coffee nine will face the Baldridge Bakery. In the nightcap, the Thomas Jewelers will collide with the Cloverlake Dairy nine.

Dewey Carr or Bobby Young, both respected hurlers, will be on tap for the Coffeemen and one of them will be given the starting nod. Loy Hubbard, a real ace, and Bill Kizer, another topnotch hurler, will be on hand for the Bakers.

In the second game, the pitchers are known now, with Manager Whistle Banks going for the Dairymen against G. W. Warden for the Jewelers. Both are outstanding pitchers and a real duel is forecast.

TEXAS SOFTBALL LEAGUE RESULTS ARE GIVEN

Bluebonnet went into a longer lead in the Texas Softball League Saturday night, winning two games from Nathans at Webster Field, 4-0 and 2-1.

In other games played Saturday night, Baldridge split with Ragsdale, winning the first 2-1, but dropping the second 4-3. Crane and Odessa also split, Crane winning the opener 3-2 and being blanked in the second 1-0. Monahans and Big Spring were rained out and Stamford drew a bye.

Loy Hubbard chucked the Baldridge nine to its initial victory, the pitcher giving up only five hits. He turned right around and lost the second game when he relieved Bill Kizer in the sixth.

Area's Golfers Tee Off In U.S. Open Qualifying Play

Lubbock is host to 20 golfers from West Texas today, the visiting linksmen touring the Lubbock Country club's course over the 36-hole route as the qualifying round of the United States Golf Association's National Open is played.

The first pair of golfers teed off from the Number one tee this morning at 8:30, with the other nine duos scheduled to leave every seven minutes thereafter The aspirants for the two places alloted to West Texas in the National Open, to be held in Los Angeles this summer, will play 18 holes in the morning.

The final 18 holes will be fired at 1 p. m., with the twosomes teeing off at seven minute intervals, as in the morning. The two golfers turning in the low score over the 36-hole medal course will be eligible to enter the National Open.

Two Men To Qualify

These two golfers, strictly on the basis of their qualifying scores, and without regard as to whether they are amateur or professional, will be eligible to compete in the National Open.

Lubbock, as might be expected, heads the list of entries with nine, of whom seven are amateurs. The two professionals head Lubbock's two golf clubs, Herb Schroeder of the Country club and Paul Jones of the Meadowbrook Publinx Golf club.

Altogether, there will be 11 amateurs in the qualifying round fighting for the two places against nine professionals. Among the outstanding pros entered in the tourney are William T. McEachern of Plainview, Woodrow P. Foster of Levelland, H. T. Hornbuckle of Odessa, C. W. Hogan of Lamesa, Jack Harden of El Paso, one of the most highly favored, Lloyd Wadkins of Midland and Warren Cantrell, also of Midland.

Among the known amateur golfers entered are James G. Wilhite of Midland, Jack W. Vaughn of Lamesa, Vann M. Ligon of Midland and one unknown, William P Castleman of the Riviera Country club, Los Angeles.

Lubbock's contingent will be headed by Chick Trout, Sr., a former professional and one of the outstanding amateurs in West Texas. Other men entering include James E. Goldman, Ted T. Tipps, Roy B. Howard, J. K. Bradshaw, Fenner Tubbs and Raymond Marshall, all from the Lubbock Country club.

The golfers will tee off every seven minutes in pairs, with the first pair leaving the tee at 8:30 a. m. The afternoon round will begin at 1 p. m., with pairs teeing off every seven minutes, as in the morning.

Lubbock Is Honored

Lubbock is honored in having the sectional qualifying round site for the National Open. Through the efforts of Fred Hogan of Midland, sectional executive chairman, New York headquarters recognized the need for two qualifying sites in Texas. Lubbock was designated the site for West Texas.

The complete pairings for today's qualifying round, follows:

Vaughn, amateur, and McEachern, pro; Trout, amateur, and Foster, pro; Goldman and Tipps, amateurs; Hornbuckle and Hogan, pros; Howard, amateur, and Schroeder, pro; Harden, pro, and Ligon, amateur; Jones, pro, and Castleman, amateur; White, amateur, and Wadkins, pro; Bradshaw and Tubbs, amateurs; and Marshall, amateur, and Cantrell, pro.

Mauri Rose Fights Off Challengers All The Way For New Mark In Speed Classic

INDIANAPOLIS, June 1. (AP)—Fighting off challenges all the way, Mauri Rose of South Bend, Ind., yesterday won the speediest 500-mile automobile race since the Indianapolis motor speedway's first Memorial day feature in 1911.

Rose crossed the finish line with an average of 119.813 miles an hour for his third speedway victory and his second in a row.

Right behind the wiry little Hoosier were his hard luck teammate, Bill Holland, Reading, Pa., at 119.147; Duke Nalon, Los Angeles, 118.034, and Ted Horn, Paterson, N. J., 117.844.

All Four Better Records

All four of those times were better than the previous record of 117.2 miles an hour, set 10 years ago by the late Floyd Roberts.

It seemed to be a record crowd as well as a record race. Although the speedway management never discloses attendance figures, the crowd appeared to be between 150,000 and 200,000.

Drivers had to fight off challenges from behind all the way and any one of the first four finishers could have won with a few breaks. Rose got them.

Last year Holland led most of the race and surrendered the victory to Rose.

Holland had bad luck again yesterday. He was running strongly near the end when his transmission began kicking out of gear. Duke Nalon also was coming up fast in the Novi grooved piston special when he had to make a pit stop for fuel.

More Pit Stops

Nalon and Horn both made two pit stops to one each for Rose and Holland, and that was the difference at the finish.

Mack Hellings, Burbank, Calif., won fifth money in the new Don Lee Kurtis-Kraft. The other Don Lee entry, a pre-war Mercedes, was a disappointment for the second time. Chet Miller, Glendale, Calif., had to pull the German car off the track at 108 laps with oil line trouble.

Finishers besides Hellings were Hal Cole, South Gate, Calif., sixth, in the "City of Tacoma" Kuris-Kraft, and Lee Wallard, a first-time driver from Schenectady, N. Y., seventh in the Iddings special.

Junior League All Set To Go

The American Legion Junior League Baseball program, tied down and branded by the weather, may get underway today, with games scheduled for both the Pee Wee and South Leagues at the Lubbock Boys club.

The Exchange club nine will collide with the Jaycees in the feature game of the South League, while the Cardinals and the Tigers meet in Pee Wee league action.

At the same time, boys interested in forming four teams for the North League will meet at 4:30 on the east side of Jones Stadium at Texas Tech.

This will be the third effort the Legion officials have made to form a North League, but not enough prospective players have shown up yet to get the league organized. For four teams, at least 40 boys are needed and the number is short by about one squad.

H. J. McCabe, Commander of Allen Brothers Post, American Legion, who is in charge of the program has urged all boys living in the required zone to report to the stadium today. Since rain washed out the opening of the South League yesterday, the North League is not behind.

Three Tilts This Week

This league will be composed of boys living north of 19th street, west of Avenue Q and north of Broadway. Sponsors of the teams will be the Optimists, the Lions, the Kiwanis and the Rotary.

Games are scheduled to be played every Monday, Tuesday, Thursday, Friday afternoons, with an inter-league game slated for each Wednesday afternoon.

McCabe also said that more boys were needed for the Senior Legion baseball team, which is holding practice sessions each night at 6 on the Boys club diamond. Games have been slated for Wednesday and Sunday with the Morton Legion nine on a home and home basis, and there will be a game Friday night.

Boys entered in the South League, with coaches, follow:

Methodist Men, Willie Schuster, coach: Billy Presley, John Von Redden, Jimmy Crawford, Earl Crawford, David Smith, George Guy, Dale Clark, Ralph Murphy, Wallace Wilson, Miles Bondurant, Randall Breedlove, Leon Bostick, Richard Hitt, Jimmy Stanford.

ABC, Thomas George, coach: Bobby Tollison, Truman Jones, Pinky Owens, Dickie Lowrey, Dan Heard, Don Stewart, Dennis Zachary, M. Cooper Neal Vaughn, Tommy Stevens, Wendell Lawson, E. Simons, Ernie Sullivan, Doyle Dean, Lindell Bailey, Glen Akin.

Jaycees, Dawson Reid, coach: Richard Lowrey, John Terry, David Morgan, Carroll Walker, Sam Scott, Joe Gray, Jerry Martin, Ira Owens, Jackie Chancery, Don Presley, Don Washington, Don Sparks, Lee Gholson.

Exchange, Edward Maeker, coach; Harold Teal, Hulen Haley, Charles Brewer Bill Breedlove, Dan Boone, Dub Sampson; Bobby Craig, Frank Wright, Royce Shipp, Ray McLarty, Billy Hollingsworth, Bill Whitson, Duane Rampy and Jimmy Spence.

YOU CAN DREAM, CHUM — Shirley Talbott, 19, Washington, D. C., tries her new crown for size after being named "America's Dream Girl of 1948." Shirley was chosen from among 3,000 dream girls by the Board of Directors of the UN Girls Organization.

Lone Star Leaders Both Lose Games

(By The Associated Press)

Longview and Tyler both missed chances last night to help themselves in their two-team duel at the top of the Lone Star league.

The pace-setting Texans, one and one-half games ahead of Tyler, dropped a 5-4 decision to Henderson, and Tyler lost a ragged 5-2 decision to Bryan.

In other games, Marshall edged Lufkin, -8, and Kilgore squeezed by Gladewater, 12-11.

To lower the world temperature, "obviously far too hot," Professor Conrad Wadfington, Edinburgh University, Scotland, would make all newspapers extremely dull, "so that few people would read them or read them with interest—and not get a kick out of them every morning at breakfast."

It requires 13 months and six days to hatch turtle eggs.

Grim Protest Is Threatened

(By The Associated Press)

WASHINGTON, June 1 — Belligerent opponents of the Mundt-Nixon anti-Communist bill threatened today to lead a protest demonstration at the capitol Wednesday.

Len Goldsmith of New York, executive secretary of the Committee for Democratic Rights, said "thousands of people" will be on hand to demand a hearing before the Senate judiciary committee.

There were angry shouts from the audience when the committee closed public hearings yesterday on the House-passed bill to force registration of Communists. A group of about 30 men and women were waiting to testify.

"We're tired of being shoved around," Goldsmith shouted. "We demand the right to be heard."

But Senator Wiley (R-Wis), committee chairman, already had left the committee room. Acting Chairman Ferguson (R-Mich) said he had no authority to continue the hearings.

Wiley's committee will meet Thursday, it was learned, to decide what to do about two witnesses who refused to say whether they are Communists.

Singer Paul Robeson and Joseph Kehoe, New York union leader, declined to answer when Ferguson asked them if they are members of the Communist party.

Robeson termed the question "an invasion of my right of secret ballot." He said he would go to jail if necessary before he would answer.

Kehoe, secretary-treasurer of the CIO American Communications association, said "I am happy to join Paul Robeson."

There is growing doubt first whether the House-passed bill will clear the committee this session and second whether it could be acted upon by the Senate in the adjournment rush if it does get to the floor.

Plains Rains

(Continued from Page One)

Sudan, 50; Amherst, 50; Littlefield, showers, rain reported falling this morning; Shallowater, .75; Kress, showers; Plainview, .50; Slaton, .25; Idalou, showers; Lorenzo, .12; Levelland, .50 Whiteface, .25; Lehman, .50; Bledsoe .75; Ropesville, Meadow and Brownfield, showers; Seagraves, none; Wilson, .25; Tahoka, .25; O'Donnell, .50; Lamesa, mist reported this morning.

The monthly climatological summary being prepared today by the weather station north of Lubbock showed thundershowers had occurred there 10 days during May. The high temperature for the month was 95 degrees, recorded on May 16 and May 21, and the low was 40 degrees, recorded on May 4. The total rainfall for the year, through May, was 4.90 inches.

The United Press reported early morning readings today were down to 55 degrees in the western part of the state.

Fresh northeasterly winds were predicted to sweep the coastal areas today, keeping temperatures inland at a moderate level.

Gusty winds were reported at scattered points late yesterday. At Brownwood, a 25-foot sign toppled from a two-story building onto a power line. The only damage was to the sign, which was wrecked. A ball game at Odessa was called off because of high winds.

Presidio, with a maximum of 103, was the state's number one hot spot yesterday. Readings varied sharply, down to a maximum of 74 at Amarillo and 75 at Pampa.

Crystal City and Laredo both had 97 degrees, El Paso 96, San Antonio and Austin 94, Houston and Big Spring 92, Waco 91. Other scattered readings: Brownsville 89, Texarkana 88, Dallas 84, Fort Worth 81, Wichita Falls 76, and Lubbock 83.

Light rains fell in West Texas, including .87 of an inch at Guadalupe Pass, .30 at Salt Flat and barely measurable amounts at Amarillo El Paso, Mineral Wells, San Angelo and Van Horn.

The Associated Press reported showers fell over West Texas today while in East Texas it was generally fair.

The heaviest rainfall was 1.39 inches at Haskell. A quarter of an inch fell in the San Angelo area.

Guadalupe Pass had .87 inch, Graham .43, Albany .98, Bridgeport .50, Henrietta .52, Seymour .49, Weatherford .04 and El Paso .02.

This morning's temperatures ranged from 55 at Dalhart to 75 at Del Rio.

Socia' Security

(Continued From Page One)

persons participating the insurance program to approximately 50,000,000. He also suggested:

1. Increased old age insurance benefits by at least 50 per cent, with women to become eligible at ag 60 instead of 65.

2. Boosting the social security tax on employes' pay and employers' payrolls from one percent to 1-2 percent on next January 1, instead of waiting for such an automatic increase in 1950; making the tax apply to the first $4,800 of a person's income—instead of the present $3,000 limit.

$600,000 Loss Is Estimated In Fire

SOUTH ST. PAUL, Minn., June 1 (AP)—Loss today was estimated at more than $600,000 in the prairie-like fire which razed a fifth of the stockyards area here Memorial day.

Three firemen were overcome by smoke as flames engulfed the tinder-dry sheds, corrals and stock chutes. Handlers freed 2,000 cattle into swampland along the Mississippi river.

Daily Markets

Stock Market

MARKET FOOTING FIRM

NEW YORK, June 1 (AP) — A surge of demand for oil issues lifted many to the highest prices of the year or longer and kept the stock market on a firm price footing today.

A little late selling nipped the best levels of the day here and there but generally the market closed with gains of fractions to around 2 points in the majority.

Turnover was limited in comparison with some recent fast sessions although volume for the day still totaled around 1,300,000 shares.

Hitting new highs were Standard Oil (NJ), Ohio Oil and Phillips Petroleum. Others higher included Sinclair, Mission Corp, Pacific Western Oil, U. S. Steel, Bethlehem, Youngstown Sheet, General Motors, American Smelting, American Can, and Santa Fe.

Decca Records dropped around 2 points in line with a cut dividend. Also lower were Glenn Martin, Curtiss-Wright, Virginia Carolina Chemical, and Paramount Pictures.

Cotton Market

NEW YORK REPORT

NEW YORK, June 1 (AP) — Cotton futures were irregular in quiet dealings today. Pessimistic sentiment over the export situation for the balance of the current season brought in liquidation in nearby deliveries, with losses extending to 70 cents a bale before the market recovered partially on mill and New Orleans buying. New crop deliveries received some support on buying against sales in nearby July.

Traders anticipated further buying of cotton by Japan later in the week. According to trade reports, purchases of 46,500 bales have already been confirmed by the Japanese board of trade.

Late afternoon prices were 45 cents a bale lower to 40 cents higher than the previous close. July 37.06, Oct. 33.61 and Dec. 33.00.

Futures closed 35 cents a bale lower to 90 cents higher than the previous close.

Hogs 4,500; fairly active, steady to 50 lower than Monday; top 24.25; good and choice 170-240 lb. 23.75-24.15; 250-290 lb. 22.50-23.75; 290-375 lb. 19.75-22.00; sows 25-50 lower than Friday at 18.00-19.00; stags 16.00 down.

Sheep 9,000; moderately active, no spring lambs sold early, asking higher; clipped lambs around 25 higher; wool firm; good and choice native spring lambs held above 29.00; 6 cars good and choice clipped lambs with No. 2 and No. 3 skins 24.50-75; odd lots good and choice slaughter ewes 11.00.

Grain Market

CHICAGO REPORT

CHICAGO, June 1 (AP) — Hedging in wheat and profit cashing in feed grains reduced prices from the day's high at the board of trade today.

At the close wheat was ⅞ to 1¼ lower than Saturday's close, July $2.33-33¼. Corn was ⅞ to 2 cents higher, July $2.17¼-½. Oats were unchanged to ¼ higher, July 92½-¾. Soybeans were unchanged to 7 cents higher. July $4.14.

FORT WORTH REPORT

FORT WORTH, June 1 (AP) — Wheat No. 1 hard 2.46-50.
Oats No. 2 white 1.29¾-32¼.
Corn No. 2 white 2.82½-84½.
Sorghums No. 2 yellow milo per 100 lbs. 3.80-85.

Produce

CHICAGO REPORT

CHICAGO, June 1 (U.P) — Produce: Poultry — 1 car, 23 trucks, hens steady, chickens firm. Hens 32, leghorn hens 26, hybrid hens 29, colored fryers 41, plymouth rock fryers 44, white rock fryers 48, plymouth rock broilers 40, white rock broilers 39, colored broilers 39, plymouth rock springs 47, white rock springs 48 colored springs 44, old tom turkeys 32, young geese 32, light ducks 20; old 25, ducks 31, ducklings 31, guineas 30, pigeons 3.00 (doz.), roosters 20.

Butter — 787,614 pounds, market steady. 93 score 80, 92 score 79, 90 score 74½, carlots — 90 score 74½, 89 score 72½.

Eggs (Brown and whites mixed) 70,849 cases, market steady. Extras 70-80 per cent A 43½-46½, extras 60-70 per cent A 43½-44½, standards 41½-42½, current receipts 40.

Markets At A Glance

NEW YORK, June 1. (AP)—
STOCKS—Firm; oils strong.
BONDS — Steady; selected rails improve.
COTTON—Irregular; liquidation, New Orleans buying.
CHICAGO:
WHEAT—Lower; optimistic private reports.
CORN—Higher; light country offerings.
OATS — Steady; advanced with corn.
HOGS: Generally 25 cents lower; top $24.75.
CATTLE — unevenly 25 cents higher to $1.00 lower; top $36.00

Henly Elected To Head Lions

Wayne (Mickey) Henly, head of the advertising department of the Avalanche-Journal, was elected president of the Lubbock Lions club for next year at the annual election of officers today at the regular luncheon.

Henly is to succeed J. Wm. Davis, head of the government department at Texas Tech college, and is to take office at the first meeting in July.

Other Officers Named

Other officers named were Ruel Martin, first vice president; Dallas Whaley, second vice president; Vincel Larsen, third vice president; H. G. Denman, secretary-treasurer (re-elected); Dr. C. H. Schulkey, tail twister; Marion Key, Lion tamer. Two new directors named were Tom Ingram and B. C. McCasland.

It was announced that the club's family night, originally scheduled Tuesday night of last week, and re-scheduled due to bad weather for tomorrow night, had been postponed again, this time indefinitely. Date for the event is to be announced after the weather settles, but probably some time the latter part of this month, the announcement said.

Resignation of Mrs. Johnnie Mae Barron as office secretary because she is moving from the city was announced. Miss Edith Moore, her successor, who has already assumed her duties, was introduced.

Short Program Held

A short program featured Girl Scout activities. Mrs. Cecil Cagle was in charge of the program, and a girl representing each phase of Girl Scouting—from senior scout to Brownie—made short talks of appreciation for the club's part in building and equipping a camp at Buffalo lakes.

The camp, named Los Leonitas, is to be formally delivered to the scouts and dedicated to their use the afternoon of June 6. The dedication program starts at 4 p. m.

Club President J. Wm. Davis was in the chair, with invocation by Rev. R. A. Partlow.

Negroes Held

(Continued From Page One)

pleaded guilty and was fined $100 and county court costs.

A Lubbock man is supposed to report back Wednesday in connection with informal charges of statutory rape, police reports said. The report said he was in a house with a girl under the age of 18 early this morning.

Police said he would be questioned by juvenile officers, indicating he is a minor.

Window Is Broken

Police were investigating the breaking of a window of the John Spikes residence at 1903 Twenty-third Monday night. A pellet from an air-pistol was found inside on the floor, a report said.

The pellet is approximately the size of a .22 caliber slug, Capt. Gilbert Newton, who investigated, said. He said he believed juvenile pranksters were responsible.

An automobile reported stolen Sunday from Bill Moss of 2525 Maple was reported recovered There were no other details.

No clues had been announced by state, county and city officers who are investigating two burglaries that grossed more than $7,000 over the weekend. They were of Piggly-Wiggly store 15 at 203 North College and Ave. H Drug store at 411 Ave. H. Both places were entered through roofs.

It was the fourth major haul made by burglars in Lubbock during a period of three months, most of the jobs being similar in that entrance was made through the roof.

Piggly Wiggly store No. 16 was cracked for about $7,000 and of that amount about $4,000 in cash, in March. Ellison Drug company took an estimated loss of $2,000 in jewelry and other merchandise in early April, and Bray's Toggery was looted of about $2,500 in clothing the first part of May. On May 23, Furr Food store No. 16 was hit by roof burglars who escaped with about $2,000 in cash. Approximately $3,500 in checks was later recovered when the safe was found abandoned.

H. D. Jones, of 2403 Thirtieth, reported theft of a Ford radio, valued at $50, an Arwin car heater, valued at $25, and a sport coat, valued at $25. An Agfa camera valued at $16 was reported stolen from the car of Floyd W. Stinson, 1210-B Tenth.

Property valued at $75 was taken from a truck in the 500 block of Broadway, and belonging to E. C. Wooten, of O'Donnell. Included in the loss was an oval camera, ladies' make-up kit, a gold necklace on gold chain with the initials V.L.M. on it, and a billfold containing $10.

A $24.95 radio was reported stolen from an electronic company at 910 Thirteenth, police said.

Holiday Deaths

(Continued from Page One)

cidents Saturday, Sunday and Monday.

Pennsylvania, Illinois, New York, California, Ohio, Texas and Michigan counted the largest death tolls. Nevada, New Hampshire, North Dakota, Vermont and the District of Columbia did not report a single violent death.

Pennsylvania ranked first with a total of 33 dead, including 14 traffic fatalities. Texas was second with 27, Illinois was third with 26, followed by New York's 25, California's 24, Ohio's 20, and Michigan's 18.

Soldier Is Killed In Auto Collision

SAN ANTONIO, June 1 (AP) — Sgt. John B Broome, 20, of Lackland Air base, was killed and two other soldiers and County Judge Charles W Anderson were injured when cars in which they were riding crashed near the city limits late yesterday.

Brooke General hospital attendants reported Judge Anderson received a broken rib

Four Transferred To State's Prison

Three white men and a negro were removed from county jail this morning by prison transfer agents who left with them for the state penitentiary at Huntsville.

They were:

Charles Alford Brown, 26, of Lubbock, who had been sentenced to three years for forgery.

Erwin Ernest Ross, 17, of Tahoka, who had been convicted of burglary in Lynn county.

Dewan Combs, 26, of Tahoka, who had been convicted of forgery in Lynn county.

Allen Demas, 46, a Lubbock negro, who had been sentenced to three years for hog thief.

Crime Wave

(Continued from Page One)

aimed at individuals of uncertain occupation but obvious prosperity to ascertain their means of income.

All Face Problem

Still another was an effort to bring law enforcement authorities of this entire area into closer cooperation in the effort to solve a problem which all seem to face.

All authorities share the opinion that the same gang, probably headed by the same "master mind," has committeed most of the larger burglary and knob knockings which have occurred in this area recently. These include the safe burglaries in Furr and Piggly-Wiggly grocery stores which, in Lubbock alone, have resulted in reported losses aggregating close to $20,000 since the first of the year.

Similarities Are Striking

But similar break-ins, according to police, have been reported in Amarillo, Plainview, Midland, Odessa and a number of other towns. The similarities are so striking, authorities say, as to make virtually certain that the same individual, or gang, has executed them all.

The break-ins, according to police, indicate experience, careful planning and a high degree of skill. Preparations have been thorough. Outposts apparently have been planted while burglaries have been in progress to give warning of anyone approaching the scene of action.

Police suggest that anyone hearing unusual noises at night in or on such establishments as grocery stores, drug stores and the like should call police without delay. This especially is true of neighborhood stores, which have suffered most during the recent outbreak.

Becoming Poor Risk

Meanwhile, local insurance men said that Lubbock is becoming an increasingly poor risk for robbery, burglary and theft protection. Some of the big insurance companies, according to some of the local agencies, don't want policies of that kind at all from Lubbock.

"Sometimes we can place such insurance, and sometimes we can't said the head of one agency. "Sometimes, when we do place them, it frequently is as a courtesy by the insurance company to our agency. They would prefer not to issue the policy."

Costs To Be Increased

Local dealers explained that they have nothing to do with fixing the rates charged for such protection. Rates are established by the National Bureau of Casualty and Surety Underwriters.

Insurance men here agreed that costs of protection almost certainly will be increased unless the present wave is checked. If there should be an increase, their expectation is that it will be by not less than 15 percent, and possibly a good deal more.

While they said that no guess is possible that pretended to be accurate as to the amount now being paid by Lubbock businesses for such protection, they agreed a 15 percent increase would add "many thousand dollars" to the total cost each year.

Local insurors added that, even with an increase, those able to get insurance would be fortunate. The greater hazard would be faced by the firms which cannot get such protection under any practical condition. The number of places unable to qualify for policies was declared to be increasing steadily.

Sea Tragedy

(Continued From Page One)

and at least one sailor from the swamped launch swam ashore safely.

The 40-foot motor launch foundered in heavy seas within 250 feet of the aircraft carrier Kearsarge a mile offshore, shortly before midnight last night.

Water Very Rough

Richard D. Mowry, a photographer's mate, first class, who went out with a naval rescue party aboard a tug, said on return that "we didn't find anyone."

"The water was very rough with gusts of wind 25 to 30 miles per hour," Mowry said. "All we found was a white hat and a jacket all knotted."

Mowry said other naval vessels were "making every effort to find the men, but it seemed to be in vain."

One Navy spokesman said last night that "it doesn't look so good for the men in the water."

"Lucky Man"

(Continued from Page One)

says he likes them too."

Mrs. Lawler said she would make her announcement in the Valley Stream night club where she works as a hatcheck girl and then quit her job. She said she plans to fly to Mexico to be married.

"I've always had a yen for a Mexican marriage," she said. "And Mr. X says he'd like one too."

EIGHT MORE DEATHS

SAN ANTONIO, June 1 (AP)—Eight more deaths from infant diarrhea over the weekend set a new high mark of any similar period in recent years, the city health department reported Monday

Little Change Noted In Boy's Condition

Little change was noted today in the condition of Terry Young, 16, son of Mr. and Mrs. Claude Young of 2820 Maple here, who was seriously injured in an automobile accident near Petersburg Sunday afternoon.

Young was in a Plainview hospital, where an operation was performed Monday in an effort to relieve paralysis from his waist down as result of a fractured spinal column and partly severed spinal cord.

Friends here were advised that doctors had expressed fear the mishap victim may be permanently paralyzed.

Slight improvement was reported in the condition of Miss Sheilla Jondahl, 16-year-old daughter of Mr. and Mrs. Sam Jondahl, 2511 Nineteenth, who was injured in the same accident and also is in a Plainview hospital. The two were the more seriously injured of the group of five in the car which went out of control in sand alongside the highway, crashing into a power line pole.

Rites For Plainview Woman Set Thursday

Mrs. Sallie Vicie Edwards, 70, of Plainview, died at 9:40 p. m. Monday in West Texas hospital as the result of a heart condition. She had been a resident of Hale county five years.

A Bryan McDonald & Son Funeral home ambulance is taking the body to Plainview this afternoon, where it will lie in state at the Lemons Funeral home there until services are held sometime Thursday at Estelline.

Survivors include four sons, Finas of Plainview, O. C. of Shawnee, Okla., Earl C. of N. Hollywood, Calif., and Steve Edwards of Burbank, Calif.; five daughters, Mrs. J. D. Gilbert of Artesia, N. M., Mrs. A. T. Couch of Anton, Mrs. Gene Bumpus of Plainview, Mrs. Myrtle Irby of Turkey and Mrs. Lena Mitchell of Perryton; three brothers, W. C. of Clifton, Andrew of Waco and Ernest Chandler of Estelline.

Army Nurse Seeking Reserve Candidates

Lt. Bernice Ray from Fourth Army headquarters at Fort Sam Houston arrived in Lubbock Monday night to remain through Wednesday in interest of the nurse procurement program of the Army Nurses corps seeking to increase number of nurses on inactive duty to 25,000 and number on active duty to 4,000 in the nation.

She will confer with representatives of this year's nurses' graduating classes and other graduate nurses here. Anyone applying must be a graduate registered nurse, she said.

Nurses joining the organized reserve corps will remain on inactive status unless they apply for active duty, except in case of national emergency, she explained. Married nurses are eligible to apply but will not be eligible for active duty even on request except in national emergency.

Nurses eligible for active duty may apply for a commission in the Regular Army if they wish.

Lieutenant Ray said anyone wishing to talk to her may see her at Lubbock hotel.

Tech Salaries

(Continued From Page One)

headship of the department of accounting and finance vacant.

Dr. S. S. McKay has been granted a year's leave of absence to serve as visiting professor at the University of Texas.

Faculty members who have been granted leaves for research study toward doctorates are: N. C. Fine, associate professor of animal husbandry; Harmon professor of dairy manufactures; Byron J. Bennett, associate professor of electrical engineering; Wann Langston Jr., instructor in geology; James F. Adams, instructor in government; Miss Margaret W. Henderson, instructor in marketing and secretarial administration; Robert L. Newell, assistant professor of mechanical engineering; Cecil Ayers, assistant professor of mechanical engineering; Cecil Ayers, assistant professor of plant industry and George Elle, assistant professor of plant industry.

Texas Physician Is Heart Attack Victim

CORPUS CHRISTI, June 1. (AP)—Word was received here today of the death in New Orleans last night of Dr. Thomas Hillman Oliphant, 48, Corpus Christi physician.

Enroute here from Washington where he had taken examinations before the American Board of Obstetrics and Gynecology, Oliphant suffered a heart attack and died before reaching a hospital.

He formerly lived in Jackson, Miss. He came here in 1940 after teaching several years at Tulane, his alma mater.

Survivors include his wife, two sons and three sisters.

Funeral services will be held in Jackson tomorrow.

Another GAR Veteran Is Claimed By Death

CHICAGO, June 1. (AP)—Death has claimed James Crugom, 97, the nation's youngest member of the fast shrinking Grand Army of the Republic.

He died in Hines veteran hospital May 30, five days before his 98th birthday.

He was 11 when he enlisted as a drummer boy in the first Wisconsin infantry in September, 1861.

His death leaves only 51 GAR survivors in the United States.

PRIZE IS OFFERED

WACO, June 1 (AP) — Caso March, candidate for governor, today offered $100 to the ex-serviceman sending him the best defintion to "Un-Texan," the term Gov. Beauford H. Jester once pinned on veterans' state bonus demands. Definitions, he said, should be sent to him at the Roosevelt hotel, Waco

Summer School Total Reaches 2,000 Mark

Increased enrollment and a check of registration in special non-credit courses brought enrollment in Lubbock's free summer school to 2,000 students, according to a check in the office of Superintendent R. W. Matthews today. Monday, the first day of registration, enrollment was 1881.

Six-year old students registered in the pre-school being held in all elementary schools of the city numbered 479 on the check at noon today. With 1,029 six-year old students enumerated in the census this spring, school authorities were anxious to get more children registered in the pre-school. The enrollment this summer is as high in proportion as it was last summer, but because of advantages for students the school administration is anxious to have as many pre-school children registered as possible. Attendance is not compulsory, and those students now attending daily vacation Bible school may register later.

Registration in regular credit work totaled 1,932 today. Registered in special courses were 207 students and adults, but approximately 141 of these students were probably taking credit work also. A night woodwork shop which meets from 7:30 until 9 o'clock each evening in the senior high school building had 14 men registered, while 15 boys were taking the course during the morning. Dramatics was also proving popular, with 64 students of junior and senior highs registered. Night classes in shop and the home beautiful workshop are to be offered if there is sufficient demand.

Enrollment by schools is as follows: senior high, 380; junior high, 257; George R. Bean, 112; Chris Harwell, 85; McWhorter, 142; Cottage, 64; George M. Hunt, 78; Dupre, 105; East Broadway, 98; Roscoe Wilson, 172; K. Carter, 201; Thirty-sixth street, 54; Sanders, 136; Guadalupe, 50; Dunbar, 189.

Raging Floods

(Continued from Page One)

three square miles under water, with houses from Vanport pouring through both gaps. Some of them turned end-over-end, and all hope of salvaging these was lost.

No bodies have been recovered from Vanport. Some bodies might be swept so far they never would be found.

Survivors are scattered in thousands of homes throughout the city, in schools and churches.

The major threats downstream from Portland were at Clatskanie, Rainier, Woodland, Kelso, Longview and Kalama. Those areas, where much of the population is being moved out by army engineers, national guardsmen and civilian agencies, are like vast swamplands.

Conscription Ordered

In British Columbia, military authorities were given power to conscript citizens and requisition transport to fight the disastrous Fraser river flood. Four thousand Canadian soldiers are in the area.

A gasoline tank containing 100,000 gallons fell into the Columbia river at Umatilla. But army engineers discounted the danger of fire, asserting the gasoline was being mixed well with the flood waters.

Railroad service and telephone communications north of Portland were broken at the Columbia. Trains operating south were unable to use the union station. Airlines had to abandon their Portland bases because the Portland airport was under water, forcing them to move to nearby Salem and McMinnville.

Power Shortage Faced

The northwest was faced with a power shortage as Booneville dam was compelled to drop its production 50 percent. Grand Coulee dam's power output was down ten percent. Customers were asked to curb their use of electricity.

The Red Cross estimated that 45,000 persons already have been "severely affected" by the floods in the Columbia basin—and the total is expected to mount rapidly when the crest hits the downstream lowlands. It said 10,000 homes have been destroyed or damaged.

Army engineers said that flood waters were receding upstream on the Columbia, "easing things considerably."

But at Bonners Ferry, Idaho, where the Kootenai was falling slightly, flood water still stood two feet deep in the business district. Loss there will total millions of dollars, including 30,000 acres of rich farm land flooded, loss of 1,200,000 bushels of wheat, destruction of dikes which cost $1,000,000, and damage to more than 300 buildings.

Two Dairies Fined For Price-Fixing

ST. LOUIS, June 1 (U.P)—Two mayor St. Louis firms were fined $500 each in federal court today for conspiracy to fix the price of fluid milk.

U. S. district Judge Rubey M. Hulen levied the fines against the St. Louis Dairy Co., and the Pevely Dairy Co. The firms were convicted by a jury last Friday, the first conviction obtained by the government in its series of anti-trust actions throughout the nation aimed at lowering the cost of food items.

Six officers of the two dairies were freed of the conspiracy charges.

Austin Plans School Expansion Program

AUSTIN, June 1 (U.P) — City school board members today gave the green light to a $950,000 expansion program, laying the plans for next year's work on the assumption voters will approve a 45 cent tax increase at a mid-July election.

In a report to board members, J. W. Edgar, superintendent of schools, discussed a $190,000 operating deficit and warned that if plans are held until after the tax increase is approved, it may then be too late to hire an adequate number of teachers.

EUROPEAN AID BEHIND SCHEDULE

Federal Spending Short Of Estimate

(By The Associated Press)

WASHINGTON, June 1—Government spending is falling short of White House estimates for the fiscal year now drawing ot a close.

Fiscal experts said privately today that Treasury outlays will run between $300,000,000 and $400,000,000 below President Truman's January forecast of $37,728,000,000.

Fails To Hit Levels

The chief reason, they said, is that actual spending for foreign aid has failed to hit expected levels, partly because the European recovery program got into operation behind schedule.

With only one months ot go, ERP expenditures so far total under $500,000—or less than one-tenth of one percent of the $500,000,000 budget allowance for the year ending June 30.

Under - spending on the scale now forecast assures an historic surplus of at least $7,200,000,000.

There even is a fair chance for a $7,500,000,000 surplus—Mr. Truman's January figure—despite the new tax cut, which had been calculated officially to trim the excess to $6,900,000,000.

Revenue To Be Higher

Some government analysts believe revenue will run $200,000,000 to $400,000,000 above the $44,610,000,000 figure which has stood as the official estimate since the tax cut knocked 600,000,000 off the higher January forecast.

Officially, however, the Treasury is standing pat on the $44,610,000,000 revenue guess.

One thing that could take a big bite out of the June 30 surplus is a Republican proposal in Congress to shift—strictly a matter of rearranging bookkeeping entries—would be to bolster next year's weaker budget prospects. Mr. Truman in January put the probable June 30, 1949, surplus at only $4,800,000,000). Since then there have been predictions that the tax cut bill might lead to a deficit on that date.

IN CAPSULE FORM

News Briefs

W. W. Rix of 1601 Thirteenth left Monday night by plane to attend a two-day conference of the Texas Funeral Directors' association in San Antonio. While there, he will also attend a meeting of the state rate board for burial associations, of which he is a board member. Mr. Rix is expected to return to Lubbock sometime Thursday.

Original blueprints for the 1948-49 program speakers for the Knife and Fork club here were set Monday night at a meeting in the Chimayo room of the Hilton hotel. Present were eight members of the board of directors and E. M. Avery, national secretary of Knife and Fork Club international. Board members present were Clarence Whiteside, Louis Rix, Mrs. R. B. Luker, Mrs. O. R. Hand, Mrs. Lila Lenning, Cecil Cale, Dr. Doyle D. Jackson and Dr. R. E. Garlin.

Back in Lubbock Monday night after a weekend trip to Ruidoso, N. M., were Mr. and Mrs. Arnold Purtell of 2702 Twenty-fifth, Dr. Pauline Miller of 1910 Ave. H, Mr. and Mrs. Mark Anthony of 2815 Twenty-sixth, Mrs. Lesta B. Boles of 2406 Ave. U and Mrs. Lottie Hilton of 1601 Thirteenth. The group, which was joined by Mrs. Ralph Goodnight at Roswell, was the guest of Mrs. Boles at the Goodnight cabin in Ruidoso.

Pee Wee Lynn, formerly of Lubbock, has a six-weeks contract as piano accompanist with a quartet which is appearing at "400" club in St. Louis, according to word received by friends here. Lynn played at Lubbock Supper club previously.

Mr. and Mrs. Gene Young of 1819 Ave. K held a small-scale family reunion at their home this weekend. Present were Mr. and Mrs. Durwood Young and twins, Linda and Daile, of Stephenville, Mr. and Mrs. Raymond Young and son, Mikie, of Dallas, and Mr. and Mrs. Dorcell Young of 1819 Ave. K in Lubbock.

John Brown, one of several persons injured in an automobile accident Sunday at Plainview, was released from St. Mary's hospital here today and was reported doing well at his home, 2802 Thirtieth. Brown suffered a minor skull fracture and cuts and bruises.

Gayle Adams, 34, of 607 Fourth, a mechanic, was released after treatment this morning in West Texas hospital of injuries suffered in a car mishap. State highway patrolmen said the Adams car was overturned about 5 a. m. three miles west of Ralls. Adams complained of severe pain in his abdomen and left hip. X-ray examination was prescribed, it was learned.

All children who are six years old in the Central Ward school zone are being asked to report to room 211 in the junior high school building at 8 a. m. Wednesday to register for pre-school. No other classes are to be held at the regular Central Ward school, Alfred Smith, principal, announced. For the first two days of summer school pre-school students have reported to K. Carter school. Assignment of regular class time will be made on Wednesday morning, Smith said.

The board of directors of the Lubbock Exchange club will meet tonight at 7 o'clock at Hotel Lubbock.

Term "Undertaker" Is Found Objectionable

SAN ANTONIO, June 1. (AP)—A resolution asking that publications refrain from using the word undertaker when referring to funeral directors was to be presented today to the 61st annual convention of the Texas funeral directors and Embalmers association.

President Perry Crane of Dallas said the word undertaker should be dropped in favor of mortician or funeral director. He defined a mortician as a funeral director who is also a licensed embalmer.

Holy Land

(Continued From Page One)

Arab-Jewish Palestine.

Other Arab forces were at Lydda, 12 miles southeast of Tel Aviv. The place was bombed yesterday by Jewish planes. The Jews said Iraqui troops were within nine miles of Tel Aviv at another point.

Deadline for the sixth United Nations effort to bring a truce to Palestine ends tonight at 5 p. m. CST. The U. N. proposed a four-week armistice and arms embargo. The Jewish provisional legislature was called into session at Tel Aviv last night to hear reports on the truce.

Count Folke Bernadotte, U. N. mediator, left Haifa for Amman in an effort to further peace. The prime minister of Egypt said the Arab reply to the U. N. will be "moderate, reasonable and acceptable."

There still were vehement public demands in the Arab states for bringing the Jews to their knees in Palestine. The Arabs also were apprehensive of world repercussions should the Jews accept peace terms and the Arabs turn them down. One result might be the lifting of the arms embargo to Palestine.

Horse Meat

(Continued From Page One)

chased horse meat and resold it were believed to have done so innocently. However, the grand jury was expected to investigate the possibility that meat from dead animals purchased by rendering plants may have been sold for human consumption.

Have Been Slaughtered

It was known that live horses have been slaughtered here in quantities, presumably for meat to feed pets or use as crab bait.

The grand jury was believed to be especially interested in learning how horse meat could have eluded city inspection and found its way into school cafeterias.

Persons selling the meat would be guilty of a misdemeanor.

The penalty is a fine from $100 to $500 with each sale a separate offense.

Meanwhile, Mayor Oscar Holcombe and City Health Director Dr. Fred Laurentz said rumors that horse meat was being sold in Houston have been prevalent for some time.

Boy Weeps For First Time When Parade Marches Past His House

By BOB MAHER
United Press Staff Writer

WESTBROOK, Me., June 1.—Everybody in Westbrook felt a little better today for having staged a special memorial day parade for David Gagnon.

David, age 9, was too happy to talk much about it. But he guessed it was the best parade he had ever seen.

The youth, who has survived more than 100 operations since his clothing caught fire in a brush fire two years ago, was dozing in his bed near an upstairs window yesterday when the line of marchers swung down his street.

Mayor's Idea

First came the brass band, then the color guard, followed by the boy and girl scout troops, veterans organizations, a platoon of police and an infantry company of the national guard.

The parade was Mayor Ernest Porell's idea. David had expressed a desire to see one last Memorial day and the mayor ordered the special parade to honor the youth's fight for life.

"It just doesn't seem real," David told the mayor.

The mayor assured him it was.

"You're in command," he told the boy. "We've installed that loud speaker system so you can tell them what to do. Go ahead. Try it."

Order Is Given

The mayor shoved a michophone in the youth's trembling hands.

David looked at the microphone, then at Porell. The mayor smiled encouragingly. Finally David got up enough courage to speak.

"Halt," he said tremulously.

The parade stopped. The National Guard company was directly in front of David's window. The men stood stiffly at attention.

The mayor whispered into David's ear.

"Order arms," the youth commanded.

The men obeyed with precision.

"Left face," David shouted.

The men faced him then he ordered them to right face, gave them the command to forward march and the parade resumed.

Then for the first time during his two years of invalidism, David wept.

Midland Plans Annual Rodeo

MIDLAND, June 1 (Special)—A mammoth horsemen's parade, perhaps the most colorful ever staged in West Texas, will be held in Midland at 4 p. m. Thursday, June 3, officially opening the 14th Annual World Champion Midland Rodeo, which will continue through Sunday, June 6. The 85-piece Midland High school band will lead the procession. Other West Texas bands also have been invited to participate.

Night performances of the big annual western event will be held June 3, 4, 5 and 6, with a matinee scheduled at 2 p. m., Sunday, June 6. The night shows will start at 8:30 o'clock.

Six Rugged Events

Six rugged cowboy events — bronc riding, bareback bronc riding, bull riding, steer wrestling, calf roping and wild cow milking —will be held at each performance, with the nation's best cowhands competing for purses and prizes of $7,500, including entrance fees.

The tough rodeo stock, the wildest ever seen in this section, will be furnished by Gene Autry and Everett Colborn of the World's Championship Rodeo corporation of Dublin, Texas.

The nation's foremost Cowgirl Sponsor contest will add color and glamor to the rodeo. More than 30 of the Southwest's best cowgirls will compete for prizes valued at more than $1,500.

The rodeo world's best trick riders, trick ropers and clowns will perform. A colorful mounted quadrille will be seen at each of the five performances. Action from start to finish is promised by the sponsors.

Midland rodeo, one of the nation's biggest and best western shows, is sponsored and produced by West Texas for residents of the great Southwest. Everyone is invited and urged to attend.

Salary Adjustment Slated At Houston

HOUSTON, June 1 (U.P.) — Houston's 3,000 school employes will receive an extra $100 salary adjustment for the 1948-49 school year, bringing the total increase to $200 more than the salaries for the 1947-48 term.

Beginning in 1949, teachers will receive annual raises of $150 rather than the current $100, an other clerical employes and custodians will receive proportionate raises.

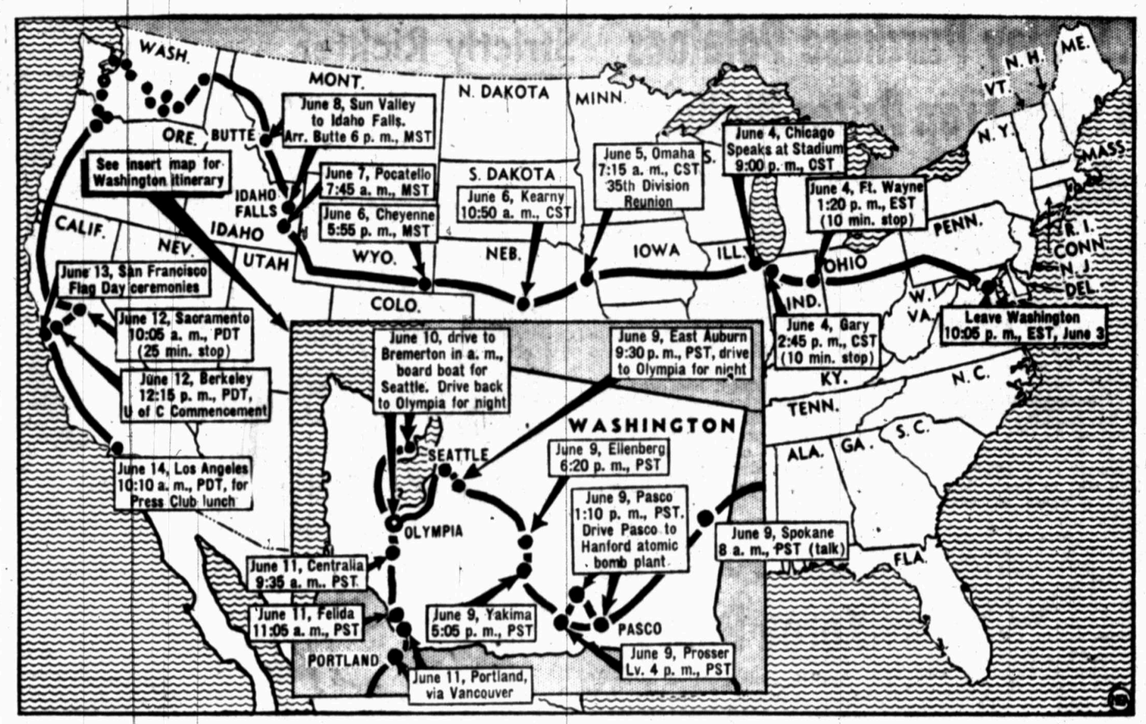

The salary adjustment and increased annual increment were approved by the board of education yesterday on the motion of Dr. Henry A. Petersen.

Negro Held For Sex Crime Investigation

HOUSTON, June 1 (AP) — Houston police today held a 29-year-old negro for investigation in a series of sex crimes here.

The negro was arrested early yesterday. Police questioned him in two sex murders, the rape of three white women, and an unsolved slaying of a housewife here four years ago.

Ventilation is one of the most important factors in successful farming, agricultural specialists emphasize.

HERE'S ITINERARY FOR PRESIDENT'S COAST-TO-COAST TRIP—President Truman's Western trip, which will take him as far as the Pacific Coast, is mapped above. Highlights of the tour are speeches in Chicago and Berkeley, Calif., attendance at the reunion of his wartime outfit in Omaha, Neb., and a visit to the Hanford, Wash., atomic bomb plant. He will also make numerous back-platform talks. His itinerary from Los Angeles east is not definite.

Defense Plans Are Discussed

LONDON, June 1. (U.P.)—Military experts of the western European union have completed the first of a series of plans for defense against possible aggression, it was reported reliably today.

Lengthy secret talks have resulted in an inventory of the men, arms and air power of Britain, France, Belgium, the Netherlands and Luxembourg—the union powers. The inventory was supplemented by an estimate of requirements to make the union's military strength enough to stop any potential aggressors.

American Reaction Awaited

The United States has been informed on the London discussions and is understood to have been asked to examine suggestions for American assistance. It was said that American reaction was awaited.

Present available armed forces in the union countries was estimated at little more than 1,500,000 men, including 700,000 from Britain.

Some $4,500,000,000 would be needed for western defense during the current year, the experts estimated.

Meet Set In July

Final proposals are expected to be ready by July, when the foreign ministers of the five powers are scheduled to reconvene.

Prior to that meeting the defense ministers and chiefs-of-staff may meet again to complete security considerations of the union. They laid plans for the present talks by experts when they first met in London at the end of April and set up a permanent military committee in accordance with the provisions of the Brussels pact.

R. B. Rossell, of Uitspan, South Africa, has just learned that he has shared a room for a month with a six-foot cobra, which hid during the day and explored at night until Rossell saw it and killed it.

Survivor In Sea Tragedy Tells Story Of Long Swim To Safety After Boat Mishap

(EDITOR'S NOTE: The following eyewitness story was told to the United Press by Boatswain's Mate 3/C Thomas A. Rowe, 22, of 3621 Randolph Ave., Huntington Park, Calif. He swam more than two miles to shore from a Liberty launch which foundered in Hampton Roads last night and was being treated today on board a hospital ship at Norfolk naval station. Doctors said he was in "fair condition" suffering from shock and exhaustion).

By BM 3/C THOMAS A. ROWE
As Told To United Press

NORFOLK, Va., June 1. — I fought on Saipan and Okinawa, but never in my life have I been as shocked as when I woke up this morning.

I was pretty groggy when I got to the pier after my last shore leave. I guess I got into the wrong boat, because they told me this morning I was headed for the Kearsarge. I'm really from the attack transport Randall.

Woke Up In Water

I fell asleep as soon as I got in the liberty launch. And when I woke up I was in the water. The boat all of a sudden seemed to have disappeared.

I saw a lot of men in the water. I guess most of them came up. Several of them tried to pull me under. And I had to fight to stay up.

A tug passed close to where I was but didn't see me.

I knew there were life preservers in the launch, but there just wasn't time to get them out. All I knew was I was in the water and so was everybody else. It was raining and the waves kept slapping us around.

Everybody was trying to hang on everybody else.

When the tug passed me by, I knew I'd have to get to shore. I could barely see some light off in the distance, so I headed in that direction.

I was scared but I knew I could make it. I learned to swim when I was 10 years old and I'm pretty good. But just the same, I thought a little later, I wasn't going to make it. I guess I was in the water three hours, swimming and floating.

When I got to the dock everybody was surprised to see me.

They took me to the hospital ship.

There for a while I thought I'd never get to land. It must have been more than two miles, and I hit a strong current that seemed like it was going to push me back.

But I got to the dock. I had to.

POLL IS STARTED

OAK RIDGE, Tenn., June 1 (AP) —A two-day poll to decide whether 875 atomic plant workers want to accept a final contract offer began here today under auspices of the National Labor Relations Board.

Youth Suspected Of Prowling Is Shot

HOUSTON, June 1. (U.P.)—Robert Sartwelle, 19-year-old son of J. W. Sartwelle, president of the Port City Stockyards Co., was shot and critically wounded early today by a neighbor who suspected the youth was a prowler.

Young Sartwelle was in critical condition in Hermann hospital. His father is seriously ill at the Mayo clinic in Rochester, Minn., and does not know of the incident. The youth was wounded in the right thigh and left hand.

Paul C. Creekmore, 44, made a written statement to police in which he said he shot the youth at 2:15 a. m. He said he thought he was a prowler who for three straight nights crept under the bedroom window of Creekmore's sister-in-law, Margaret Elizabeth Whitely, 24, and made indecent proposals.

A charge of trespassing has been filed against young Sartwelle.

Manufacture Of Tags To Be More Costly

AUSTIN, June 1. (U.P.)—Members of the state highway commission were told today that the cost of everything is higher—even prison-made license plates.

The commission appropriated $228,500 for the manufacture and distribution of 5,344,670 plates for 1949.

The plates will be manufactured at an estimated cost of $38.26 per thousand, $6.36 above the 1948 cost. The increase was attributed to higher costs for both steel and paint used in the manufacture of the license tags.

INSECT HUNTERS

Scientists hunt insects with bows and arrows. Feathers on the arrows are covered with glue, which ensnares the insect. The arrows are shot through swarms of high-flying insects so small that they scarcely can be seen.

The elder Sartwelle is a former president of the Houston Fat Stock Show and Livestock Exposition.

Skin Sufferers

PSORIASIS—ECZEMA—ATHLETE'S FOOT—LEG ULCERS

"It's Only Common Sense," Writes Dr. R, "That Skin Troubles Result From Unbalanced Internal Conditions"

"COLUSA NATURAL OIL AND CAPSULES"
(an external and internal treatment)

Quickly Releases Thousands From Skin Misery

CLINIC REPORTS

A doctor in a Texas hospital reported under oath that in a clinic of 20 cases of psoriasis, "16 cleared of all lesions completely in 30 days—4 were 70% clear; that out of 40 cases of eczema all but 3 were cleared of all lesions in 3 weeks to a month with prognosis of the 3 good for recovery; that out of 11 cases of athlete's foot all, save one who did not return for treatment, were dismissed completely cured; that out of 3 cases of leg ulcers complete healing resulted in all 3 of the cases in a month."

Two other doctors make similar glowing clinic reports — one, a U.S. Government health physician reporting on 25 cases, and the other a Mexican Government health physician reporting on 43 cases.

Thousands of Doctors Are "Colusa" Customers

Dr. J. M., Colorado, writes: "My wife had an extreme case of Psoriasis which was cleared up almost as by magic."

Dr. J. W. C., New York, reports: "Case (a) ECZEMA 6 years, steadily getting worse. COLUSA OIL & CAPSULES used 3 days with good results, completely cleared in 4 weeks; (b) POISON IVY, intense itching stopped almost immediately, cleared in 5 days; (c) ATHLETE'S FOOT, 15 years, couldn't wear shoes for 3 weeks, cleared in 10 days; (d) LEG ULCER 2 year standing, cleared in 8 weeks with COLUSA."

Dr. C. W., CALIFORNIA: "Patients are thrilled, claim no itching or scaling after first day's application."

U.S. May Purchase Potatoes To Keep Crop Prices Higher

By OVID A. MARTIN
Associated Press Staff Writer

WASHINGTON, June 1 (AP) — The lowly spud threatens once again to cause food officials, farm leaders and possibly politicians many headaches during the next four months.

Potato supplies are expected by Agriculture department officials to start flowing to market within a few days in a volume far above consumer needs.

Purchase Predicted

If this is so, the department will be forced for the third straight year to buy the surplus to carry out grower price guarantees.

The cost to Uncle Sam in the past two years exceeded $125,000,000.

The department formally predicts that it will have to buy from 300 to 500 carloads of potatoes a day this month, or a total of at least 25,000,000 bushels by the end of July. Most of the surplus is expected in California, North Carolina and Virginia.

The market glut may reach its peak about the time Congress is due to take up bills continuing farm price supports.

Laws Expire Soon

Present price guarantee laws, fixing minimums at not less than 90 per cent of parity expire December 31.

(Parity is a standard for measuring market prices intended to be equally fair to farmers and users of farm products.)

Farm leaders fear that a serious potato surplus would attract so much public attention to the support program that Congress might vote lower guarantees than the 60 to 90 per cent of parity favored by most farm spokesmen.

The potato situation could easily become an issue in the coming campaign. The cost of living is a sore spot with many voters.

Some May Be Dumped

This support program this year will have to hold prices above last year's levels. That's because the parity price is higher—since farm costs have risen too.

Some of the potatoes bought by the government will be diverted into livestock, feed, alcohol, and other by-products. But because of a shortage of processing facilities, officials said some of the spuds may have to be dumped.

Potatoes moving to market this spring and summer contain a high percentage of moisture and are thus very perishable.

The government has been trying to get farmers to produce fewer potatoes. Farmers actually have cut down on potato acreages. but the use of more fertilizers, better seed stock, and improved insecticides have increased yields per acre.

WELL SETTLED—Betty Jane Rase Rooney, "Miss Birmingham" of 1944, has won a divorce from film star Mickey Rooney. She claimed he told her to "go back to Alabama with the rest of the hicks." The beauty contest winner was awarded $100,000 over 10 years, $25,000 to buy a house, and $5000 annually for support of their two children.

Arms Found By Korea Police

SEOUL, June 1 (AP)—A cache of 12,000 Japanese hand grenades possibly a central supply for saboteurs, has been seized at Taikyu, Korean national police announced today.

Police Director P. O. Chough said the grenades were found in an ironworks in the south Korean city, and evidently had been left there by Japanese troops. The Korean ironworks manager and 16 others were arrested for questioning.

Used Recently

Grenades from the cache were used in two recent attacks on police officials in Taikyu, Chough said. Such attacks were numerous before the May 10 election in American-occupied south Korea.

"We do not know how many grenades may have been taken from the supply before it was discovered," Chough explained. Only part of those left contained explosives.

Opening of the national assembly yesterday evoked little or no violence. However, Chough said a dozen persons were arrested in Seoul for distributing handbills urging "do away with the national assembly."

Police are furnishing a bodyguard for each assemblymen, and spectators entering the hall are first searched for weapons.

The assembly is at work on procedural matters.

Grave Of Soldier Contains No Body

FARMINGTON, Me., June 1 (AP)—Like all the veterans graves in Fairview cemetery Private Earl E. Sawyer's was decorated by the American Legion yesterday.

But Sawyer's grave, unlike the others contains no body.

His remains are in his mother's parlor. His body in a sealed casket has been there since it was returned from Europe last November.

"In a few weeks now," Mrs. Rita Brown said, "there will be a quiet service and burial for my son."

Rising River Blots Out Lovers' Lane

CAMDEN, N. J., June 1 (U.P.)—Love may laugh at locksmiths, but not at an overflowing river.

Two young couples parked in the Farnham Park section. They failed to notice the Cooper River was rising steadily. By midnight, they were isolated by three feet of water.

They blinked their lights at a police car. The police called firemen, who took a rowboat to cross a flooded field, a swollen lake and an inundated section of the park to bring the four to dry land.

A special body has been named by the Chinese Government to return to their rightful owners things looted by the Japanese from China, including automobiles, curios, paintings, ships, machinery, gold, silver, jewels and books.

Tech Grads To Get Degrees On June 7

More Than 500 Students Are In Class At College; Sterling C. Evans Will Speak

More than 500 students will receive degrees from Texas Technological college on June 7, comprising the largest graduating class in the history of the college, James G. Allen, dean of men, has announced.

Plans for the commencement program at the college are practically complete, Dean Allen said Monday afternoon, with only minor details remaining to be taken care of during the week.

52 To Get Commissions

In addition to the students receiving academic degrees at the commencement exercises will be approximately 52 members of the Reserve Officer's Training Corps who will receive their commissions as lieutenants in their various branches of the service, according to Lt. Col. L. C. Adams, head of the Military Science department at Tech and professor of military science and tactics.

Commencement exercises will be held at 8 p. m. June 7 in Jones stadium, and baccalaureate ceremonies will be held there at 6 p. m. the preceding evening. In the case of inclement weather, either or both of the ceremonies will be held in the Lubbock High school auditorium, which will accommodate only the faculty, the graduating students and their families, Dean Allen said.

Houston Man To Speak

Sterling C. Evans, president of the Federal Land bank of Houston will deliver the commencement address, and Dr. Wm. H. Alexander, prominent religious leader in the Southwest and pastor of the First Christian church in Oklahoma City will give the baccalaureate address.

Music for the event will be furnished by a wind ensemble from the Texas Tech band, directed by D. O. Wylie, professor of music and director of the Tech band. "The ensemble will be composed of approximately 20 students, but they have not been chosen as yet, nor, have we chosen the selections which we will play," Professor Wylie stated.

Invocation will be given by Carl Spain, minister of the Broadway Church of Christ, and the benediction by Father William F. Blakeslee, of St. Elizabeth's Catholic church, Dean Allen said.

Graduating students' lines will be formed just outside the fence by the East stands, while the faculty will be inside and in front of the East stands. The public is encouraged to come into the West stands from Fourth street, Dean Allen stated.

Death Toll In Texas Hits 27

(By The Associated Press)

Drowning proved Texas' No. 1 killer as 27 persons died in the state during the Memorial day weekend.

Eight drowned. Six were killed in traffic accidents and four in plane crashes. There were five homicides. The rest died from assorted causes.

M. C. Goodchild, 50, of Houston was the latest drowning victim reported up to last midnight, end of the three-day holiday. He fell from a speedboat in Galveston bay yesterday.

Others Are Victims

Deaths of two other Houstonians were reported yesterday. Edward F. Gillies, 36-year-old dental technician, shot himself fatally Sunday with a .22 automatic rifle he had used for target practice, according to an inquest verdict. Charles Moffett, 49, Houston restaurant operator, died of injuries received in an automobile accident south of Humble Sunday.

Howard Bradley, 26, of Dallas was killed Sunday when his car was in collision with a truck near Atlanta, Tex. His wife was critically injured. The truck driver was not hurt.

Antarctic "Icebox" Preserves Motors

SAN FRANCISCO (U.P.) — The Antarctic "icebox" tends to preserve motorized equipment as well as foodstuff, according to a Navy civil engineer corps officer just returned from a second visit to Little America.

Ensign C. W. Mallory said that after 12 months of exposure to the frigid temperatures and 100-mile-an hour winds of Little America, a Navy jeep and several other types of motorized equipment showed no signs of rust or appreciable damage and were started without difficulty.

Dug out of a 10-foot snowdrift, a snow tractor was started up on the fuel, lubrication and storage battery which had remained in it a year.

Burma's Ministry of Defense is seeking Army pattern cloth, foodstuffs and equipment in America for the Burmese Army.

Girl Goes Without Food For 9 Years

CHUNGKING, China, June 1 (U.P.) — Yang Mei, China's medical puzzle—a girl who says she never eats—went happily home today after what doctors swear was a three week fast. She didn't look hungry, either.

With Yang Mei went two nurses. They will continue a constant observation of the 20-year-old peasant girl who insists she hasn't eaten for nine years.

Doctors in municipal hospital, where she had been under day and night observation 21 days, say they are certain she had no food in that period.

She shows no ill effects.

Area War Dead Aboard Vessel

The bodies of nine South Plains men are among the remains of 4,458 veterans who have been returned to the U. S. from Manila aboard the U S. Army transport Lt. George W. G. Boyce, the Department of the Army announced Monday.

They had been interred in temporary military cemeteries in New Guinea and the Philippine Islands, and are being returned upon instructions of next of kin.

War Dead Listed

War dead listed by the Army included Second Lt. Martin T. Cave, Air Force, next of kin, Ben Cave, 1620 Ave. G; Pvt. George L Green, Army, George G. Green, of Slaton, Cpl. Frank R. Harris, Air Force, Frank Harris, 2205-B Eighteenth, Sgt. Daniel J. Huckleberry, Army, Della Huckleberry, Brownfield route 1; Pfc. Hershel I Moses, Army, John F. Moses, Olton; Pvt. Truitt W. Norrell, Army Jim Norrell, Ropesville; Pvt. Raymond E. O'Neal, Army, Riley M O'Neal, Wolfforth; Pfc. Gleadon M. Reasonover, Army, Lewis E. Reasonover, Sulphur Springs, (services to be held in Lubbock), T/Sgt. William C. Sparks, Air Force, J. E. Sparks, Spur.

Also included on the Army list were Cpl. Robert L. Bradley, Army, Robert N. Bradley, Tulia; Pvt. Walker H. Fly, Army, Walter G. Fly, Amrillo; PhM2 James W. White, Navy, Verna M. Eisenberg, Amarillo.

Boy Has To Retrieve His Strayed Snake

BUFFALO, N. Y., June 1 (AP)—Police telephoned Ronald Brown, 14, that his lost property had been found, but that he'd have to pick it up personally.

Ronald retrieved "Mortimer," his five-foot pet black snake, in a neighbor's driveway.

Job Of Picking GOP Delegates Nearing Close

WASHINGTON, June 1. (U.P.)—Selection of the 1,094 degelates to the Republican national convention will be completed in two primaries today and a state convention on June 11.

Today's primaries are in California, where 53 delegates will be instructed for Gov. Earl Warren, and in South Dakota where the 11 delegates are expected to support Harold E. Stassen. The last Republican delegation will be selected in an Indiana state convention on June 11. Indiana's delegation will number 29.

Lineup Is Given

On the basis of actual instructions to delegates the Republican presidential candidates line up this way three weeks before the convention meets in Philadelphia on June 21:

Governor Thomas E. Dewey of New York 128.

Sen. Robert A. Taft of Ohio 74.

Harold E. Stassen of Minnesota 62.

Sen. Raymond E. Baldwin of Connecticut 19.

Gen. Douglas MacArthur 8.

Dewey, Taft and Stassen all have considerably greater delegate strength than the numbers actually instructed for them. Dewey and Taft spokesmen each claim their candidates will poll upward of 300 first ballot votes. Stassen headquarters claims 340 votes on the first ballot with around 200 second choice delegates prepared to support the Minnesotan later on. The claims are exaggerated somewhat because they add up to more votes than the convention has delegates.

Require Bare Majority

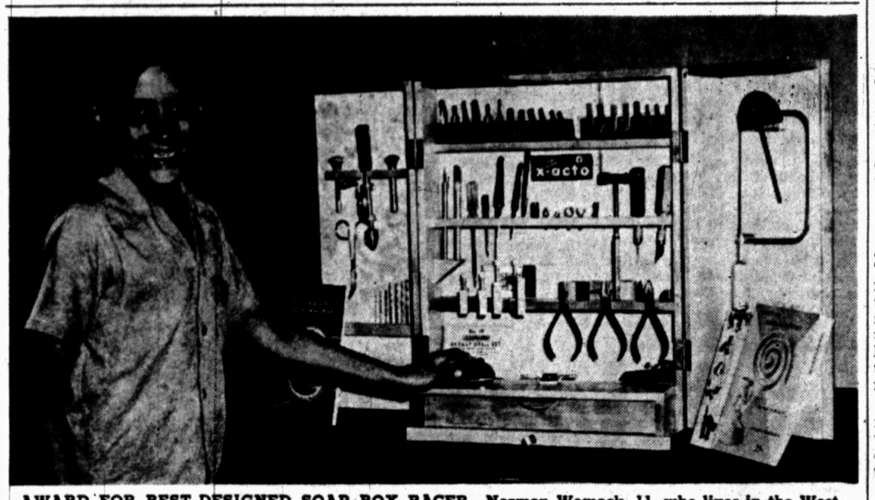

Republican convention rules require a bare majority to nominate a presidential candidate. That would be not less than 548 votes in this year's national convention.

Some of the uninstructed delegates are as firmly committed to one or the other of the leading candidates as they would be if a primary or state convention formally had committed them to support a given individual. But the balance of power delegate strength apparently will be on the fence during early balloting.

U. S. Official Is Back From Greece

NEW YORK, June 1 (AP)—Dwight Griswold, chief of the American mission for aid to Greece, says he is "very optimistic about the Greek situation."

Leaving for Athens by plane last night after conferring for two weeks with U. S. government officials, Griswold said there is no change in American policy toward Greece as a result of the visit.

AWARD FOR BEST-DESIGNED SOAP BOX RACER—Norman Womack, 11, who lives in the Westwood addition, is standing beside the large, cabinet-type tool chest designed for scale model building and wood finishing, which will be awarded by the Shell Oil company to the boy building the best-designed car in the Avalanche-Journal-Chevrolet Soap Box Derby, July 5. Young Womack is an entrant in the Derby. The tool chest, containing a complete assortment of knives, blades, gouges, punches, routers, and specially-designed hobby tools, is ideal for many types of work with wood, leather, plastics and paper. Besides serving as a prize in the Lubbock derby the chest will be one of the big prizes in the national finals at Akron, O., Aug. 15, where it will be presented to the boy with the best-constructed car. The chest measures 17 by 22 by 6 inches. Shell will give each local registrant a free can of new 1948 Soap Box Derby lubricant, perfected at Shell's laboratories at Wood River, Ill. The lubricant is now available at Derby headquarters in the showroom of Kuykendall Chevrolet company, 1902 Texas avenue. The X-acto tool chest was donated to the Lubbock Derby through courtesy of J. L. Wardlaw, manager of Shell's Atlanta marketing division. (Staff Photo.)

Noted Author Dies Of Gunshot Wound

NAPA, Calif., June 1 (AP)—William Martin Camp, author and marine combat correspondent in the late war, died of a gunshot wound yesterday. Searchers found his body on a hilltop in the middle of his 200 acres ranch near Calistoga. A .45 caliber revolver lay at his side.

Coroner Charles Burchell said Camp, 38, had been worried over money. His wife organized a search after he failed to dress for Memorial day exercises at which he wa sto have spoken.

Camp edited the North China Marine late in the war. He was author of "Skip to My Lou," a best seller novel; "Retreat, Hell!", a novel about Marine warfare in the Philippines before Corregidor's fall; and "Port of Gold," a history of San Francisco harbor.

He had worked for Washington, D. C., Star and Times-Herald; the San Francisco Chronicle, the Pan-Pacific Press in Honolulu, and Shanghai news services and once was a journalism instructor at the University of California.

NATIONWIDE DEMONSTRATIONS SET

Zionist Groups Reveal Plans For Protest Against Britain

CHICAGO, June 1 (INS)—Zionist groups disclosed plans today for a nationwide demonstration against England for what the Jewish organizations term "continued interference in the Middle East."

Plans call for more than 3,000 Chicagoans to demonstrate before the offices of the British consul Wednesday afternoon. The picketing will be conducted as part of anti-British demonstrations at English headquarters and offices in cities throughout the nation.

Ben Zion Ginsburg, president of the Zionist organization of Chicago, said the demonstrators will carry signs demanding that "Britain stop helping the Arabs destroy the peace of the world through their open aid in the death struggle ensuing for the new republic of Israel."

He added that the purpose of the nationwide demonstration is to place the blame for the war in Palestine "squarely at the door of Great Britain."

Of 837 vessels launched throughout the world last year, 530 were motorships, of which nearly one-half were launched in Northern Ireland and Britain.

Argentina has received cruiser "Nigeria," over three Argentines who have set up a base at King George Island, the Falklands, on British territory.

Thousands Of College Grads Given Degrees

(By The United Press)

Several thousand new college graduates set out from their campuses today to find their places in the post-war world, told that an enlightened people are the best insurance for peace.

Largest graduating class was one at the University of Texas where degrees were awarded some 1,500 graduates.

Hickman Is Speaker

Texas grads were told by Judge J. E. Hickman, chief justice of the Texas supreme court, that the main goal of modern education is the development of "effective citizens of our Democracy." He urged them to become "evangelists of Democracy" supporting its institutions with "vigor, animation and fervor."

Historic Baylor university conferred degrees on 563 men and women, as well as an honorary doctorate of law degree for Secretary of the Army Kenneth Royall.

Dr. Jim Dan Hill, Baylor alumnus now president of State Teachers college in Superior, Wis., said in his commencement address that what the world needs fost urgently "is a mass intelligence, sufficiently widespread . . . to work out the plans which already have been proposed for peace."

600 Get SMU Degrees

Six hundred students received degrees from Southern Methodist university. SMU President Umphrey Lee told them:

"These are men and women who refuse to become a lost generation. They do not have the apathy of students that followed World war I, but have a healthy interest in current events. They come out of World war II knowing one thing: they do not think all their problems are solved, that the problems are recurring ones. Perhaps they will help us to find ourselves."

Gov. Beauford H. Jester, addressing the graduating class at Texas Wesleyan college, said that young men and women of Texas will have to indulge in action and hard work if they are to take their place in the "turbulent, post-war world."

Lt. Gov. Allan Shivers told 147 members of the Hardin-Simmons univresity graduating class that apathy and indifference are the reasons for the "slipshod thinking" that has caused a breakdown in relationships between the United States and Russia.

GRANDMOTHER MAKES GOOD

SCHUYLERVILLE, N. Y. (U.P.)—When Schuplerville Central High School graduates 39 seniors in June, Mrs. W. Elmer Shaver, 59-year-old grandmother, will realize her life's ambition. She will be one of the graduates.

EXTRA HOURS OF DEBATE SET

Displaced Persons Bill Faces Defeat

(By The Associated Press)

WASHINGTON, June 1 — A minority combination of southern and midwestern senators threatens possible defeat for the bill to admit 200,000 displaced persons from Europe.

Senate leaders called for extra hours of debate today in an effort to speed a decision. The session was called an hour earlier than usual with a night session under consideration.

But with the calendar already crowded and the adjournment goal less than three weeks distant, opponents are in a strategic position to block the bill merely by prolonging debate.

Figure Boosted

They are among the 33 senators who failed to defeat the move by Senator Ferguson (R-Mich) and others last week to double the number of persons to be admitted in the next two years.

The Senate judiciary committee had voted to allow 50,000 the first year and the same number the second, a total of 100,000. But Ferguson and others boosted this to 200,000 for two years by a 40 to 33 vote.

Next up for decision was a proposal by Senator Saltonstall (R-Mass) to revise the method for selecting displaced persons to be admitted. Saltonstall said the committee bill might not be fair to Jews and Roman Catholics.

That bill requires that 50 percent of the immigrants be farmers and that 50 percent come from part of Poland and three Baltic countries—Lithuania, Latvia and Estonia.

Saltonstall said there are very few Jewish farmers in Europe and that most the Baltic and Polish refugees are Protestants.

Saltonstall's amendment would admit racial groups in proportion to displaced persons certified by the international refugee organization, in which the United States takes part.

Senator Revercomb (R-WVa.), floor manager for the committee bill, opposes this, saying it has the effect of revising the basic immigration laws of the United States.

Senator Wherry (R-Neb.), acting majority leader, tried in vain to get an agreement last week to fix a day and time for a final vote on the DP bill. But Revercomb and others would not agree.

The measure already had been set aside numerous times for other measures, such as conference reports and appropriation bills.

This prompted Senator Hatch (D-NM) to say the DP bill has been shunted around so often it should be known as the "displaced bill to admit displaced persons."

Timetables On Cash Bills Set

WASHINGTON, June 1 (AP)—The House headed today into what appears likely to be the biggest peacetime appropriation week in its history.

Led off by a relatively small measure for the Treasury and Postoffice departments, four money bills carrying between $15,000,000,000 and $20,000,000,000 were lined up by the appropriations committee for House action by Saturday night.

They will finance the Army, Navy, Air Force, foreign aid program, Coast Guard, Postoffice department and tax refunds to be paid during the year starting July 1.

Timetables Revealed

Backing them up are an estimated 5,000 printed pages of testimony taken by the committee behind closed doors during recent months.

The committee's timetables for sending the bills to the House:

Treasury - Postoffice (including Coast Guard and tax refunds), Tuesday.

Army and Air Force, Wednesday.

Navy, Thursday or Friday.

Foreign aid Friday or Saturday.

Appropriations committee veterans said that never before except in wartime has such a heavy flood of money bills been readied for action in a single week.

New Student Dean Is Appointed At TSCW

DENTON, June 1 (U.P) — The board of regents of the Texas State College for Women here today named Mary Hufford, associate professor of English, as acting dean of students.

She replaces Mrs. Mattie Lloyd Wooten, who resigns in September. She holds her bachelor's and master's degrees from the University of Texas, and her doctor's degree from the University of Chicago.

Autrey Nell Wiley was named director of English to replace L. M. Ellison, who will retire.

Standard Traffic Signals Planned

AUSTIN, June 1 (U.P)—Colorblind motorists—the boys who can't tell a green signal from a red one—are going to get a break.

The state highway commission announced today it has adopted a manual working toward the gradual standardization of all traffic control devices.

State highway Engineer D. C. Greer said the change won't be overnight.

Ultimately, however, the commission hopes to standardize devices throughout the state. For colorblind drivers, this will mean that all stop-and-go signals will have three lenses. Red will always be at the top, yellow in the middle and green at the bottom.

Royal Wedding Plans Are Said Postponed

ATHENS, June 1 (U.P) — The wedding of former King Michael of Romania and Princess Anne of Bourbon-Parma has been postponed indefinitely, a palace spokesman said today.

He did not give any reason but it was reported earlier that Michael, irritated by the publicity given his romance with the Danish princess, had ordered a halt in arrangements for his marriage here this weekend.

Czechoslovakia Loses Its Last Vestige Of Genuine Democracy

Associated Press Staff Writer

The Democracy of Czechoslovakia was wiped out in last Sunday's Communist-controlled election — a terrible warning to other countries which temporize with the Red ism.

This represented the final step in the Bolshevist conquest of the 30-year-old republic which now becomes to all intents a part of the Muscovite empire. Formal "admission" of Czechoslovakia into the Soviet Union may or may not follow in due course, but that makes small difference. The little nation is now under the Russian totalitarian dictatorship.

One Ticket

There was only one ticket of hand-picked National Front candidates, so that the outcome was cut and dried. The sole way opposition could be shown was by casting blank ballots under scrutiny of Red watchers — a dangerous defiance.

Despite the risk, 770,701 citizens are said by the ministry of the interior to have cast these blanks. Another 806,041 voters didn't go to the polls or had their ballots declared invalid. Thus a total of at least 1,576,742 didn't vote. This represented about 20 per cent of those registered — 8,005,887 The front received 6,429,145 votes.

Benes Believed Dying

A responsible diplomatic official in London said President Eduard Benes might resign soon owing to the "serious state of his health." There are many who believe this great patriot, who was co-founder of Czechoslovakia, is dying of a broken heart because of the enclavement of his country.

Here we have a perfect example of the way Communism proceeds in the conquest of a nation. The Reds first began with specious overtures of comradeship for their Slavic brothers. There was infiltrations of Communist agents into Czechoslavakia, the unostentatious creation of a Communist party which gave lip service to the Democratic government. Came the war, and the "liberation" from the Germans by the Russian army, after which the Bolshevists intensified their crusade within the country.

Relations Seemed Grand

If the Prague government was uneasy, there was small sign of it. The relations between Czechoslovakia and Russia appeared to be grand.

There was no Czechoslovakian F. B. I. announcing subversive Red activities.

There was no Attorney General Tom Clark stating that the Prague government's authority to dismiss employes having Communist connections was established clearly in law and by Supreme court rulings.

There were no witnesses flatly defying a congressional committee and refusing to disclose whether they are Communists.

There was no House Speaker Joseph H. Martin, jr., to declare, as he did yesterday in a speech at Gettysburg:

Strange Paradox

"It is a strange paradox that when we seek to curb their seditious activities, the subversionists seek refuge under the protection of the same constitution and the same bill of rights they are attempting to destroy."

The Communists and fellow travelers in Czechoslovakia found a friendly atmosphere at that time. Possibly the nearness of Russian fighting forces helped the Red cause some Anyway, things fan along fairly smooth until February 25 of this year. Then the Communists staged a strong-arm coup and Communist Premier Klement Gottwald emerged as dictator of Czechoslovakia after beating down Benes' resistance in a six-day crisis. Now we have the climax in the rigged national election.

That surely is writing on the wall for all democracies which are smart enough to read it.

Tractor Drivers Aid In Delaying Flood

WOODLAND, Wash., June 1 (INS—That little Dutch boy with his thumb in the dike was emulated in a big way today by two burly "Cat" operators.

They sank their tractors into a hole in a weakened Lewis river dike and gave the town of Woodland a few hours to prepare for the flood that finally swept over the town.

Ed Wieri and an unidentified Cowlitz county worker were blading dirt along the top of the dike when they came to the soft spot. They rammed their tractors into the hole and narrowly escaped burial in the sliding mass of diking material.

Workers piled sandbags around the "Cats" and held out the combined Columbia-Lewis river flood long enough for patrols to sound the last "all out" warning.

Wives Get Citations From Notre Dame

SOUTH BEND, Ind., June 1 (AP) —Eighty women will get diplomas at the University of Notre Dame Thursday.

No, old Notre Dame is still an all-male institution. The diplomas won't be given for academic work completed.

They might better be called citations. They will be given to wives of war veterans who are graduating.

They will recognize officially that each wife has "survived the postwar hardships of South Bend housing, the rigors of Indiana weather, and with courage beyond the call of duty has helped her husband to a happy graduation."

TOUGH TURTLE — Officer Queen of Washington, D. C.'s, 13th Precinct accompanies his prisoner back to the station. The charge was biting pedestrians, and resisting arrest. The turtle was found on a busy street and nipped two men before the policeman captured it.

Jap Fishing Boat Is Drifting In Pacific

KOBE, Japan, June 1 (AP) — A Japanese fishing vessel, the Taiyo Maru, has been drifting helplessly with 19 men aboard in mid-Pacific for nearly a month, the U. S. Navy reported today.

The destroyer John T. Kreg was expected to reach the 64 ton craft tomorrow.

The Taiyo Maru, the Navy said, broke down between Guam and Okinawa May 5. It was discovered two days ago by an army patrol plane about 200 miles south of Kobe. The plane dropped food to the helpless crewmen yesterday.

Senate Committee Not Expected To Press MacArthur For Return

WASHINGTON, June 1 (AP) — Gen. Douglas MacArthur's not-now-please response to a homecoming invitation goes before the Senate appropriations committee today with little indication that the matter will be pressed.

Chairman Bridges (R-NH), to whom the far eastern commander addressed his reply to the committee invitation last week, said he expected no outright demand for the general's return.

"If anything should happen while he was away," Bridges said, "I certainly wouldn't want the responsibility of having him back here."

The committee had asked MacArthur to testify on conditions in Japan and other areas in the Far East.

Re-Wording Asked

The general, however, said any such journey in advance of the Republican national convention opening June 21 at Philadelphia would be misunderstood as "politically inspired." He offered to return later if the committee still wants to question him then.

Gen Jonathan M. Wainwright, leader of a MacArthur-for-President movement, wired Bridges last night suggesting that the committee re-word its motion to change it from a "mere invitation" to a "formal committee requests."

Wainwright said he thinks MacArthur would come home at once if that were done.

On the other side of the political fence, Georgia's 28 votes to the Democratic national convention lined up solidly against President Truman.

Truman Loses

The state executive committee yesterday instructed the delegation to vote as a bloc, with no dissenters. While the anti-Truman stand was not put into a formal pledge, party leaders left no doubt that the state's votes will be cast for someone other than the President.

As for Mr. Truman's western swing starting Thursday night, GOP national chairman Carroll Reece said in a statement last night that it will be "as 'non-political' as the Pendergast machine."

Delegate picking was in progress in two states today. In South Dakota Republicans name 11 delegates and Democrats eight.

Alabama completes its 26-vote Democratic delegation by choosing 11 in a run-off primary. Fifteen were picked last month.

TO FCC—Frieda B. Hennock, a Wall Street corporation lawyer, has been nominated by President Truman to serve on the Federal Communications Commission. The first woman to be so named, she replaces Clifford J. Durr, who declined reappointment.

An African west coast Negro flings himself to his knees and kisses the ground three times as a salutation on greeting a friend.

Police Musicians Have Double Duty

NEW YORK, June 1 (AP) — A bugler and a drummer in a police department band did double duty yesterday.

Informed that a man in the audience at a Central park band concert was wanted for car theft, the two musicians stepped out of ranks and arrested him.

AFL Union Seeks To Organize Truckers

DALLAS, June 1 (AP)—An AFL Teamsters union drive to organize employes of four motor freight lines in Texas was underway today.

Meanwhile, a National Labor Relations board official said the firms have until June 8 to show they are carrying out an NLRB order to "dis-establish" a rival union. The order tells the companies not to interfere in the AFL drive.

The drive started yesterday, said Ralph Dixon, business manager for the Teamsters local, after all Teamsters business agents had met with M. W. Miller, international union representative.

The freight lines are Sproles Red Ball lines, Dallas; Red Arrow Freight lines, Houston; Brown Express, San Antonio; and Merchants Fast Motor lines, San Angelo. Also names in the NLRB order—but not announced as immediate objectives of the AFL organizing drive—were Johnson Motor lines, Johnson Storage & Distribution company, and Sproles Motor Freight lines, Fort Worth.

Two company officials have taken exception to the ruling. But in Fort Worth, Dr. Edwin A. Elliott, regional NLRB director, said: "We don't anticipate any trouble. The companies must notify our board within ten days after the ruling of their intentions of compliance."

Sir Thomas Beacham, famous British conductor, will visit South Africa in August to conduct a 130-piece orchestra, the largest South Africa has ever known.

Two Persons Shot To Death

NEW YORK, June 1. (INS)—Police reported that a 35-year-old Brooklyn shipping clerk last night shot to death his father-in-law, seriously wounded his estranged wife and then fired a bullet into his own head.

The clerk, Charles Gordon, died a short time later of the wound.

Police said the shootings took place at the Brooklyn home of Joseph and Rebecca Dunowitz, Gordon's in-laws.

They said Gordon killed the 49-year-old Dunowitz when the latter confronted him brandishing a stick as Gordon sought to visit his wife.

He Ran Upstairs

Gordon, they added, then ran upstairs. He did not molest Mrs. Dunowitz, who is blind, or his two-year-old son. In a bedroom he found his wife, Rose, 25, and shot her twice, wounding her in the shoulder and breast.

He cried out. "Oh, my God. She's dead."

Both were taken to King county hospital where he died. It was believed Mrs. Gordon would recover.

Police reported that Gordon had stabbed his wife during a quarrel three months ago and had been hunted since.

Shun Cold Showers, Bath Expert Says

NEW YORK, June 1 (U.P.)—This country may lead the world in the number of bathtubs but many Americans don't know how to take a bath properly, according to Harold J. Reilly, for 30 years head of a health service here.

"A lot of people actually do damage to themselves by lack of proper bathing knowledge," Reilly said.

"They seem to think that sitting in a hot tub, using a lot of perfumed soap, shivering under a cold shower and drying by the brisk rubbing of a rough towel are essential parts of being clean and healthy. Actually, some of those things can hurt their health."

Sitting in a hot tub is all right as far as it goes, but that doesn't mean you're getting clean, he explained. The dirt that has come off is still with you when you get out because you have been sitting in dirty water. Tub bathers should finish off with a cooling—not cold—shower and pat—not rub—themselves dry with a towel.

"Cold showers are never advisable except as a treatment by a physiotherapist for poor circulation," Reilly added. "Brisk drying overheats the body to the point where, if you go near a draft or dress immediately and go outdoors, you are likely to get some kind of muscular ache or a cold."

Dr. J. T. Williamson, the Tanganyika diamond king, has presented Princess Elizabeth a valuable 54 carat pink diamond from his mine.

Mrs. Eisenhower Says That Her Husband Never Wanted To Be President Of U. S.

NEW YORK, June 1. (INS)—Mrs. Dwight D. Eisenhower said today that her husband never wanted to be president of the United States.

Mrs. Eisenhower declared the general's decision not to run was made "right from the beginning." She added:

"He never wavered from the fact that he never wanted to have anything to do with politics, and he told everyone that."

She declared in an article appearing in the American magazine that "Ike" always made his own decisions and that she never interfered in his affairs.

Mrs. Eisenhower explained that it was again the general's own decision when he agreed to accept the presidency of Columbia university.

She said Eisenhower took this step because he "thinks education and a broader knowledge of the world and its people is the road to peace."

She explained:

"Ike has dealt so closely with so many different countries that he believes there is a basis for understanding among the peoples of the world.

"He wants to have a part in building toward that peace which the victory he fought for offers."

Mrs. Eisenhower disclosed that her husband is the best cook in the family. She said:

"He likes to stir up something good out of the icebox. Ike would rather serve fried eggs at home than go out for a six-course dinner."

Scientists Study Enormous Crater

SYDNEY, Australia, June 1 (U.P.) What is believed to be one of the world's largest meteorite craters has been found in Western Australia, reports from an oil exploration party indicate.

The crater is 150 feet deep and more than half a mile in diameter. It is on the edge of a desert basin, 400 miles from the town of Broome, and 61 miles south of Hall's Creek, the nearest large airport.

It first was noted June 21, 1947, during an air reconnaissance flight by Frank Reeves, Stand-N. B. Sauve, a geophysicist. On N. B. Sauve, a geophysicist. On Aug. 27, 1947, Reeves and another companion, Budley Evans, traveled by jeep to the crater.

They decided after two hours' inspection that it was of volcanic origin.

Later, however, Reeves and Evans were shown pictures of the famed meteorite crater in Arizona, as depicted in the June, 1928, issue of the National Geographic magazine. With Dr. H. G. Raggatt, director of the commonwealth bureau of mineral resources, they decided that the Australian crater actually was of meteoric origin, also.

Standard Vacuum Oil in collaboration with the Australasian Petroleum Co. and Island Exploration Co. is conducting an extensive oil search in Australia and New Guinea.

Because of a gasoline shortage, Afghanistan is discouraging the importation of passenger automobiles, but encouraging the bringing into the country of trucks and other vehicles for essential transportation.

That Girl on Broadway says the world is full of people who can lead the way, but the trouble is where they would lead.

* * *

Oh, if there were just some way to impress flies with the fact that human beings carry germs!

* * *

IT is good to find a man in public office who does not lose sight of the fact that he owes his deep appreciation, as well as his best efforts, to the people who have selected him to represent them.

Rep. George Mahon, who has been elected to seven terms in the House of Representatives and whose eighth election is a matter of course this year, has such appreciation. Perhaps his having that appreciation has been as important in his political success as have been his untiring efforts in Congress.

We are sure we are violating no confidence of Mr. Mahon's when we reproduce here the last paragraph of a recent letter he wrote us. The letter was purely personal and Mr. Mahon had no idea any part of it would see print. We merely use the paragraph in question to let people know how their Congressman really feels about them, and the job they have given him to do.

Wrote Mr. Mahon, in noting the fact that he is unopposed for re-election to a well-earned eighth term:

"Believe me, I am most happy over the prospects of being free from a political campaign this Summer. I promise you, faithfully, that I will devote the energies which I otherwise might have been forced to devote to a political campaign to serving the district and the nation. It seems almost unbelievable that the people could have been so good through the years to me."

That is a fine spirit. The people of the U. S. need more of it from their elected representatives.

* * *

Thought for the Summer: Don't dive into strange pools unless, of course, you carry a spare head!

* * *

MARION SANFORD, one of the more serious-minded members of our recently organized "Coming Apart at the Seams club," evidently got to worrying about getting older. Whatever the reason, he has been doing a little research into the question of old age and has come up with some statistics which should be reassuring to a lot of us.

According to Mr. Sanford's findings:

Benjamin Franklin was 77 when he went to France as ambassador and there accomplished one of the nation's all-time diplomatic triumphs; and was over 80 when he wrote his famous "Autobiography;"

Clara Barton was 84 when she founded the American National Association for First Aid, then learned to run a typewriter when she was 89;

England's great Gladstone was 80 when he started his campaign to overthrow the Conservative government and was 83 when he accepted the portfolio as Prime Minister;

Commodore Cornelius Vanderbilt, the "old he" of one of America's most storied and richest families, ran his railroad mileage from 120 to 10,000 miles when he was between the ages of 70 and 83. While doing so, he made himself a hundred million bucks;

Galileo Galilei was 73 when he discovered the diurnal and monthly changes of the moon;

Michaiangelo, who could translate Sanskirt, play poker and pool and strum on the Spanish guitar, painted immortal canvases at 89 and throughout his old age continued to exhibit a talent for every letter of the alphabet;

Goethe completed "Faust" at 82;

Verdi composed "Te Deum" at 85;

Tennyson wrote "Crossing the Bar" when he was 83.

All of which goes to show that a guy's not licked—he isn't even old—until he gives up!

* * *

That Man on Avenue Q says it's pretty bad when a fellow spends all he makes—and even worse when he doesn't make all he spends!

* * *

APPARENTLY, city officials are veering away from original plans to build our "if-and-when" auditorium - colisseum - library somewhere else besides on the area bounded by Seventh and Ninth streets and by Avenue L and the alley dividing Avenues J and K.

The principal reason for the change of heart is real estate prices in the area have gone higher than the city can or will pay for an auditorium - colisseum - library site. At first, it looked like the area was a "natural," since it is not built solid, hence fewer houses would have to be purchased than on any other near-in site.

But with prices going high in the section, officials are looking elsewhere and surveying other possibilities.

* * *

In this connection, we have a suggestion which should be worth looking into.

Supt. of Schools R. W. Matthews, in recent speeches before civic and study clubs, has explained how the K. Carter and George M. Hunt schools soon will go the way of the old Central Ward, which has given way to business property.

Mr. Matthews pointed out that business and industry are encroaching to such an extent on both the Hunt and Carter schools that it will only be a couple of years before their locations will be entirely unsuitable for school purposes. The reason, of course, is that when business and industry goes into a neighborhood, homes go out—and with them school kids.

Since this is the case—and there's no argument about it—why couldn't the city and the schools work out a deal whereby the K. Carter location could be used for the auditorium - colisseum - library site and a new K. Carter school be built on a location more fitting for the purpose?

* * *

THE arrangement, it seems to us, could be worked out in either one of two ways. Either the city could buy the K. Carter property for a cash price agreed upon; or the school system could trade the K. Carter site to the city for a more suitable school site which the city could buy and deed to the schools.

If such an arrangement can be worked out, and the deal is a help to all concerned, that would be fine.

Such a mutually beneficial deal would give the schools what they need most; the city what it needs in the way of an auditorium-colisseum-library site — and neither public agency would have to pay inflated prices.

That would be a break for the taxpayer.

* * *

It is not yet decided whether or not the library will be included in the auditorium-colisseum construction, although many citizens—including some officials—think that would be both wise and economical.

The taxpayers have voted $1,750,000 for the auditorium-colisseum and $500,000 for a library. If the three are built together, that's $2,250,000 for the whole-shebang—including the ground.

A survey of the Avenue L, Seventh and Ninth streets area last week indicates that under present "asking prices" it would cost up to $500,000 to purchase the ground.

That, definitely, is too much for ground.

* * *

A SCHOOL-City deal, is mutually beneficial and agreed upon, could get the K. Carter ground for considerably less money than $500,000. Then the extra money left from the $2,250,000 total could be spent for a better building—or could be saved the taxpayer.

Surely such a two-way arrangement is worth consideration of school and city officials, and our information is that some of both groups already are thinking about it.

BY DREW PEARSON: FRIENDSHIP TRAIN TO RUSSIA PROPOSED AS PEACE GESTURE

U. S. Said Losing Battle Of Notes With Russia

WASHINGTON — Reports from Europe indicate that we are muffing the ball in the exchange of so-called "peace notes" with Russia. We wrote a note to the Russians saying that the door was open to diplomatic discussions.

PEARSON

The Russians fired back saying that they would like to talk. Then we replied that we didn't want to talk after all been some explanations and counter - explanations since then, but the net impression in Europe has been bad. The Moscow radio makes us out as warmongers.

While the State department may be right that diplomatic talks with Russia are of doubtful value, there can be no doubt about the value of getting to know the Russian people and letting them know that we Americans are not warmongers.

If the Russian people and the American people could pierce part of that Iron Curtain and ever get on speaking terms, there would be as little chance of war between us as between the U. S. A. and Canada. For governments don't declare war when their people are overwhelmingly opposed to war.

Believing, therefore, that the only sure way of preventing war with Russia is a people-to-people relationship, I have written a letter to Joseph Stalin. It may not accomplish anything. It may not even get a reply. But you never accomplish anything in this world without trying, so here is the letter:

* * *

Letter To Stalin

"Washington, D. C.
"May 31, 1948

"My Dear Premier Stalin:

"As you may have heard, a large number of Americans, acting quite spontaneously, last year organized a train of friendship to carry food and good will to the people of Europe at the Christmas season.

"There was nothing governmental about this Friendship train. We, the American people, were merely conscious of the fact that Europe was suffering and we wanted to do our part—and do it directly from people to people. So a Friendship train started rolling from California to New York with the hope of collecting perhaps 100 carloads of food In the end 700 boxcars of food were collected by all sorts of people, farmers, Housewives, war veterans, school children, labor union members and businessmen — all of it collected in the spirit of the Sermon on the Mount.

"I recall, Premier Stalin, that at one time you studied for the priesthood, and doubtless remember from those days the messages of the Sermon on the Mount and the brotherhood of man. The Friendship train was conceived in that spirit.

"We carried our food not only to an old ally, France, but to our former enemies—Italy, Germany and Austria. We would have liked also to have visited eastern Europe and your country—had Americans been permitted to go there.

"We, the American people, know the tremendous sacrifices of the heroic Russian people. We know the devastation suffered by your towns and villages And we, having been spared Hitler's bombings and blitzkriegs, feel a certain responsibility to alleviate suffering and hunger wherever it exists.

"Therefore, this letter is written to you, Premier Stalin, as we commemorate America's war dead, who more than anything else would like to know that they had not died in vain and that their sacrifice had finally ushered in an era of peace. It is written to you at a time when tension between our governments is great, at a time when your newspapers and ours are speaking of a war which neither of our peoples want."

* * *

"ONE reason for this tension is suspicion on the part of the peoples of both countries, suspicion generated by the fact that they do not know what is going on inside the other's country. The so-called Iron Curtain has given Americans the impression that Russia hates and fears the United States. It has given Americans the impression that something mysterious is being developed inside your country which may lay waste our cities and farms.

"So I would like to suggest to you, Premier Stalin, that you lift a corner of the Iron Curtain as the first step toward improving diplomatic relations between us —which you have requested in your recent notes. I propose that we, the American people, again organize a Friendship train, this time from the people of the United States to the children of Russia. For children should not be made to suffer the mistakes of their fathers. We will take this Friendship trail full of food to the Soviet Union on a nonpolitical basis so as to prove to you and your people that the American people want friendship, not fear; that we are very weary of war.

"Our Friendship train through Russia will not engage in politics. We will ask no special privileges. no political priorities. We only ask that we have the opportunity to deliver our gifts in person as guests of your people, to meet them face to face and tell them that these gifts are from the heart of the American people.

"I can assure you that your acceptance of this friendship gesture would be carried out in all sincerity by us and might be a milestone in avoiding the war which I am sure none of us wants, but toward which we seem to be drifting.

Very sincerely yours,
"Drew Pearson."

That's the letter I am sending Stalin. I don't know that he will act on it, but if he doesn't, then we will know exactly where we stand with Russia. We will know —and can tell Europe—that the shoe is o nthe other foot and that it is Russia, having rebuffed this act of friendship, which is the real warmonger.

I also know that if Stalin should act favorably and if a new American Friendship train were ever allowed to visit Russia, a part of the Russian people would realize that the American people are not warmongers, but genuine believers in people-to-people friendship. And between people who understand each other it is not easy to make war.

A starfish has no brain, but it is able to learn.

BY WALTER WINCHELL

Male Star Of Big Town Show Still Attends Acting School

NOTES of a Not-So-Innocent Bystander — The Broadway Lights: "Ballet Ballads" got such good notices it was transferred Uptown to play with the Big Boys . . . It was turned down by two prominent showmen because "after all, ballet isn't commercial!" It is a click, according to nearly all daily critics, liked much less by the terpsickree reviewers of the Trib and Times, whoever they are. . . . Betty Reilly is reported a scene - thief in "On an Island with You," which MGM will soon unveil. In the meantime, she is struggling along on only $1,000 (and no billing) a week at the Harem . . . Everyone at the Palace Theatre (from mgr. down) got their "notice" as "walking papers" are called in show business . . . Marlon Brando, male star of "Streetcar Named Jessica Tandy," who rave reports for his acting, but isn't rusting on his laurels. He's a student at an acting school between performances . . . Fame Must Be Wonderful Dept.: Tennessee Williams, author of two prize plays, has had a new pinball machine named after him.

WINCHELL

* * *

The Moom-Pitchers: Gene Kelly and Judy Garland are celebrating a holiday of entertainment in "The Pirate." His footwork and her larking guarantee a good show . . . "Two Sainted Sisters" has some romantic taffy whipped up by Veronica L. . . . "River Lady" offers adventurous persiflage with curvesome Yvonne de Carlo — proving hips were made for something more than a place for pockets. . . . "Another Part of the Forest" is a replica of the stage success—depicting a cobra-blooded family pickled in venom . . . Ann Sheridan tames Errol Flynn (armed only with her torso) in "Silver River," a Western with Tiffany trimmings . . . Margaret O'Brien gives "Big City" the best thing it has . . . One of the breeziest news-reel shows was at the B'way Embassy last Tuesday eve'g . . . At least two movie reviewers referred to "a faithfulful screen rendering" of Miss Hellman's play ("Forest") "except for a suicide at the end, which is omitted." There was no suicide in the play's end. The boys mustn't believe everything they read in studio publicity handouts.

* * *

THE Networks: Freddy Martin's crew toys with our pet version of "The New Look" . . . Art Ford (via WNEW) has the best dreamy music plus importations from Paree . . . Have you heard, Sarah Vaughan's "It's Magic"? . . . Jerry Devine's FBI program hugs the ear . . . The N.B. Carnation program (Mondays) added new zing with Ted Dale at the baton. He conducted in big-time vaudeville for seasons . . . Mr. Kaltenborn (unsponsored) made sense Wednesday night on the situation abroad. He has stopped saying "Russ-eeyah" (for Russia) and he says "ish-you" (for issue) instead of "iss-eeyoooo." He is more effective when not affected . . . Russ Emery (on WNEW) is a new singer who sings like a man. (Imagine!" . . . Bob Garrity started a new program last eve'g for WGBB. Bop music, he says, doesn't have to be frantic. He features records that are relaxing. Local jocks please copy . . . Radie Harris, the CBS Hollywood-Broadway historian, has done a book about her career for Double-day. It is called: "With My Hair Down."

* * *

The Intelligentsia: John Erskine can't remember writing (in his "My Life as a Teacher") some of the things Lewis Gannett said he did. Erskine's asked students to read his tome and let him know if they encounter them. . . . . Edward Aswell, ed-in-chief at Whittlesey, is now administrator of the T. Wolfe estate which the late Maxwell Perkins held for years . . . Gresham Press publishes "Tell the West," written by a former prisoner in Russian slave labor places. The notices were fine . . . Philip Wylie beat Kinsey and the rest of them to it on page 57 of his "Generation of Vipers." (Ooooh, what he says!) . . . The magazine set has the giggles over the practical jokester who had the New Yorker's movie critic as his chump. John McCarten (of that mag) was summoned to the phone the other Sabbath evening, told to move his radio closer to the receiver—and was asked silly questions for a quiz contest, which it wasn't. Insiders (who pulled the gag) still have the belly-ache from being in stitches!

* * *

No machine can do the work of one extraordinary man . . . A. Smith: Time fell asleep in the afternoon sunshine. . . . R. Allan Monroe: A Jewish Homeland—the Isrealization of their dreams . . . Don Blanding: A flower watched her dance and learned how to sway . . . Victor Hugo: Whenever I see a man with a woman in his arms I think of a gorilla holding a violin . . . James Burrell: Politics is like an insane asylum where people keep saying things they never mean to other people who are never listening . . . Richard Harding Davis: No civilized person goes to bed the same day he gets up.

"Okay, Honey --- Put It On"

BY RUTH MILLETT: TO THE LADIES

The Feminine Viewpoint

By Bennett Cerf

"Try And Stop Me"

A SHIP owner who scoffed at superstition had the keel of a new vessel deliberately laid on a Friday the thirteenth, launched it on the thirteenth, and sailed for the maiden voyage on the thirteenth. The end of this story, as I heard it in New Orleans, was that to this day nothing more ever has been seen or heard of the ship or the crew.

That reminds me of a bookseller in Washington who also claims he is not superstitious. "I would be," he admits, "but I'm afraid it would bring me bad luck!"

* * *

MRS. WHARTON descended upon her grocer with mayhem in her eyes. "Something must be wrong with your scale," she declared. "I sent Junior for three pounds of roasted chestnuts and you gave him only a pound and a half."

"There's nothing wrong with my scale, Mrs. Wharton," maintained the grocer. "How about weighing Junior?"

(Copyright, 1948, Bennett Cerf.)

Laff-A-Day

"Relax! We're going to put you in a deep-freezer for next year's festival."

"I'M doing my best to keep Jim from becoming an old man before his time, but it's an uphill job," said the middle-aged wife of a middle-aged man.

Jim is lucky he has a wife who realizes there are unhappy years ahead for any couple, if one grows old and the other stays young.

Yet that happens in a good many marriages. And it is often the wife who refuses to grow old.

Some women—like Jim's wife—make a real effort not only to stay young in spirit themselves, but to see that their husbands stay young, too.

Others don't realize that there are many things a wife can do to encourage a man to keep a young spirit through the years.

* * *

WHAT SHE CAN DO

SHE can share some of her own enthusiasms with him instead of going in for activities he can't share.

She can encourage him to keep up his old friendships, and make it easy for him to make new friends.

She can go serenely ahead with social plans she knows will benefit them both, even though he may grumble a bit about them at first. Some men would never have any life at all outside of business if their wives didn't insist on it.

She may be able to kid him out of some of his "old" ideas, instead of taking them seriously.

It may be an "uphill job," but it is one many a woman has to tackle, if she wants to keep her husband companionable through the years.

The planet Neptune never is visible to the naked eye, but is seen easily with a telescope.

Today's Thought

And bring hither the fatted calf, and kill it; and let us eat, and be merry . . .—Luke 15:23.

* * *

An ounce of mirth is worth a pound of sorrow.—Baxter.

BY MARQUIS CHILDS

McKinley's Trade Views Were Ahead Of Those Of GOP Today

WASHINGTON — Several times in this column there have been references to Republican leaders who want to take the country back to the log-rolling tariff days of William McKinley. They have ganged up in the House to extend the reciprocal trade agreements for only one year and with amendments which would hamper this system of insuring the free movement of trade across national boundaries.

CHILDS

Now, from a friendly correspondent in Iowa, I learn that I have done McKinley an injustice. McKinley, the creator of Mark Hanna, the white knight of Republican oratory, was actually ahead of the party of today. Or, at any rate, he was ahead of the potent GOP leaders who believe they can sidetrack the reciprocal trade issue.

On Sept. 5, 1901, President McKinley made a speech at the Pan-American exposition in Buffalo. It was his last public utterance On the following day he was shot by an assassin, and he died eight days later.

That was a singularly significent time in the history of the Republic. The Spanish-American war had pushed America's vital interests into the far Pacific, with responsibility for the Philippines. While most Americans in that comfortable era were not aware of it, the days of isolation were numbered.

* * *

Spoke With Vision

In that last address, McKinley talked to the new era and of American responsibilities with something like prophetic vision. On the subject of trade, McKinley said:

"The period of exclusiveness is past. The expansion of our trade and commerce is the pressing problem. Commercial wars are unprofitable. A policy of good will and friendly trade relations will prevent reprisals. Reciprocity treatries are in harmony with the spirit of the times; measures of retaliation are not. If, perchance, some of our tariffs are no longer needed for revenue or to encourage and protect our industries at home, why should they not be employed to extend and promote our markets abroad."

Even as he was speaking those final words, McKinley was waiting for the Senate to act on a dozen commercial treaties providing reciprocity —treaties that were caught in the jam of political pressures. Log-rolling Senators could easily kill off those individual treaties. They could, and did, pick them off one by one.

That was a major reason for the Hull Trade-Agreements act. It was intended to take such reciprocal tariff reductions out of politics and put the whole business in the hands of an inter-departmental committee that would consider it from the point of view of the economic good of the nation.

* * *

NOW the little band of men who run the House mean to put it right back into politics, and all their double talk does not conceal that fact. Secretary of State George C. Marshall has said that passage of the one-year extension with its crippling amendments would be worse than no extension at all.

Unless the Senate can act with exceptional speed and determination, that is just what we will get. The chairman of the Senate finance committee, Sen. Eugene D. Millikin of Colorado, is a fair-minded man. It is inconceivable that he would use the high-handed tactics of the House which kept the hearings secret and dismissed opponents as mere meddlesome clubwomen.

Open hearings before Millikin's committee would at least give the opposition a chance to present its views. Even though the time is so short, with the present trade-agreements act expiring on June 12, the debate on the Senate floor promises to be hot.

Those in favor of the present law, and this includes many Republicans, believe they can knock out the crippling amendments. But they would be likely to pay for that victory with a compromise which would mean extension for only a year.

Here is an issue that gets down to whether the Republicans are capable of accepting responsibility for government in the middle of the 20th century. The nations of western Europe have followed the U. S. lead in moving toward a world trade organization built around reciprocal lowering of tariffs. If that policy is now repudiated, western Europe will feel that we have run out on the kind of program which would make a real rehabilitation and reconstruction possible.

Today's Journal Editorial

A SENSIBLE DECISION

While Congress Republicans undoubtedly have played politics with the issue, public policy supports their refusal to extend for three years State department authority to negotiate trade agreements with other nations.

Indications are that a one-year extension will be approved, with sharp curtailments in the powers exercised by the department under the law which expires June 30. A veto of such a bill, if passed, seems unlikely since the President would have to accept either one year, or more at all. A veto would mean the outright scrapping of the whole reciprocal trade program which has been one of the administration pets.

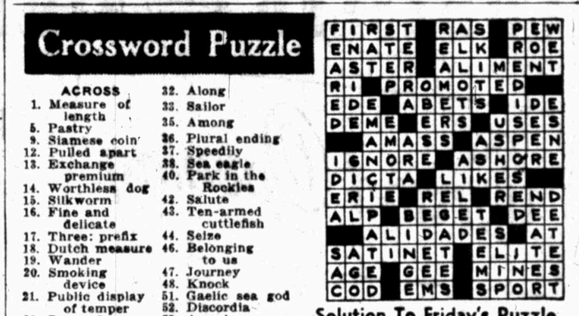

One year unquestionably would be an exceedingly short extension of authorizations of the kind involved. But it is an extension justified completely by the fact that this is a national election year.

The administration's entire foreign policy has been based, in large degree, on the State department's power to negotiate trade agreements.

If a Republican should be elected President next Fall, his victory will represent, in some degree, a repudiation of the policies of the present administration. Yet, if trade agreement authority should be extended three years now, such a President might find himself stuck with his predecessor's foreign policies during more than half his term.

Congressional Republicans naturally have declined to take any such risk. They take the sensible view that the decision on long term authority properly should wait until after the American people have had opportunity to express their preferences in the national election next November

NOTICE OF SALE BY WAREHOUSEMAN
THE STATE OF TEXAS
COUNTY OF LUBBOCK
WHEREAS, the undersigned, L. Young, a warehouseman, has in his possession the following described goods:
One 1948 Model Ford V-8 Truck, Motor No. 99T540445, Certificate of Title No. 214965, the same being burned and damaged, which said property was deposited with him by Hernandez Macara, the owner thereof, for storage and preservation: and
WHEREAS, lawful charges for storage, preservation and other expenses in relation to such goods to the amount of $80.00 are now due and unpaid; and,
WHEREAS, the owner and depositor, although notified to come forward and pay such charges on the 8th day of May 1948, has failed and refused to do so;
THEREFORE, the goods described above are hereby advertised for sale and will be sold by auction at 2:00 o'clock P.M. on the 16th day of June, 1948, being not less than 15 days from the date of the first publication of this notice. The auction will be conducted at the front door of the building located at 406-16th Street, City of Lubbock, Lubbock County, Texas, this being the place where the lien was acquired.

(L. Young.)

LEGAL NOTICE
of
Proposed Amendments to Zoning Ordinance of the City of Lubbock, Texas.
NOTICE is hereby given that the Planning and Zoning Commission has recommended to the City Commission that Zoning Ordinance No. 661 be amended so that:
The South one half (S-½) of Block 2, Paul M. Crouch Subdivision of Blocks 15 and 16, Roberts & McWhorter Addition to the City of Lubbock be taken out of the "C" District and placed in a "G" District.
The City Commission will hold a public hearing on June 24, 1948, at 2:30 o'clock P. M., in the City Commission room on the second floor of the City Hall in Lubbock, to consider the recommendations of the Zoning and Planning Commission to determine the advisability of adopting its proposal, and at which time and place all interested persons will be given an opportunity to protest against the Proposed amendment or make recommendations in support thereof.
After said hearing the City Commission will determine whether the Zoning Ordinance will be amended in accordance with such recommendation
W. H. Rodgers
Mayor of the City of Lubbock, Texas.
Attest:
Lavenia Williams
City Secretary.

New Oil Burner Is Like Flame Thrower

LAFAYETTE, Ind., June 1 (U.P.)—Flame throwers of today deal in comfort not in death.

A modern peace-time device resembling the devastating weapons which burned the Japanese out of Kwejalein and Imo Jima caves has been developed. With it the reconverted GI will heat his civilian headquarters this winter and save on his fuel bills.

The flame thrown by this new "jetronic" oil burner is far hotter than any which seared Pacific foxholes. The burner converts oil into jets of gas before combusion takes place, and the resultant white-hot flame burns ata top temperature of 2,300 degrees F.

Consolidated Industries here, which produces the burner, says it's the only fully automatic one to burn less than one gallon of oil an hour, an amount adequate to warm the small home going up today.

PRESENT CREDENTIALS

NANKING, June 1 (AP)—Gen. N. V. ROSCHIN, new Russian ambassador to China, presented his credenitals to President Chiang Kai-Shek today.

Coffee cakes that have sugar and cinnamon toppings should be cut in the pan in which they are baked; in this way the topping will crumble less.

Flock Gives Shelter To Evicted Pastor

NEW ROME, O., June 1 (U.P.) — The Rev. Elwood L. Rose and his family are living in a garage but not for long.

The congregation of Columbia Heights Methodist Church was around when the pastor was evicted from his home so the landlord church-goers decided to have an old-time "house raising" and provide a parsonage.

The lot was donated by one member of the church, while another member provided the plans. A steam-shovel made a basement. Once the framework of the house is completed, the men of the congregation will pitch in and help finish the construction. An electrician member will do the wiring.

The youth class of the church donated $1,000 toward the purchase of materials and other groups are raising more money.

BURNS TO DEATH

MOUNTAINAIR, N. M., June 1 (AP)—Two-year-old Janie Misner burned to death in a sudden fire which swept the Misner ranch home at Tajique, 18 miles southeast of here. Her mother, Mrs. Beulah Misner, was burned seriously. Rescuers said the fire was caused by lightning.

Moral Decency Of U.S. Public Is Claimed At New Low Today

BY JOHN ROSENBURG
United Press Staff Writer

NEW YORK, June 1 — John Sumner, an attorney who gets paid to worry about other peoples' morals, said today his job is getting bigger every day.

Sumner is executive-secretary of the Society to Maintain Public Decency, an organization which for 75 years has been trying to keep the public eye and ear free from moral turpitude.

Not As Decent

"The country just isn't as decent as it used to be," Sumner said. "Moral standards are at a new low."

Sumner's records showed that the society confiscated more than 15,000 objects of obscene nature in 1946. These included books, circulars, postcards, photographs, phonograph records and motion picture reels.

"Last year the figure rose to 33,000," Sumner said, "and this year it may be higher yet."

Follows War

Sumner said a lowering of moral standards had followed every war.

"And always," he said, "there have been individuals unprincipled enough to take advantage of it just to make money."

Sumner said that in the early 40's most of the violators of the obscenity laws had been driven out of business by the society and federal, state and local police officials.

"They were our cleanest years," he said.

He blamed present conditions on "the breaking up of homes; undisciplined children who are allowed to run wild; easy money and general lawlessness."

Society Started In 1873

Sumner said the society got its start in 1873, when the YMCA appointed a committee to examine the effect of reading matter on young men.

The effect was pretty bad, he said.

Two years later Anthony Comstock and several New Yorkers pooled their resources and began prosecution of publishers of obscene books.

"The organization, which changed its name last year, was first known as the "New York Society for the Suppression of Vice'," Sumner said. "It was, and is today, a semi-law enforcement bureau."

Does Big Job

The society, supported by private contributions, has a president, three vice presidents and an 11-man board of directors. It hires two attorneys and several detectives to carry out its work.

"The organization is doing a whale of a job," Sumner said, but we've got to do a bigger and better one if we're going to halt the drop in moral standards."

Snake Skins Flown To Shoe Factories

NEW YORK, June 6 (U.P.)—Flying snakes need not necessarily signify a hangover.

A $20,000 shipment of cobra skins from Siam and India was landed at LaGuardia airport as the latest of a lengthening line of exotic cargoes flown by Seaboard & Western Airlines from remote corners of the globe.

Feminine fashion foibles dictated air shipment of this largest and most valuable reptile skin cargo. The two tons comprising over 30,000 individual skins, represent at least 10,000 pairs of shoes and countless accessories now at peak demand.

Pioneer Huntsville Druggist Claimed

HOUSTON, June 1 (AP)—Funeral services were to be held in Huntsville today for J. Robert King, sr., of Huntsville, one of the state's leading druggists. He died in a hospital here Sunday night at the age of 83.

King entered the drug business in Waco. He moved to Huntsville in 1896. Recently, his son, J. Robert King, jr., took over the business.

Other survivors include a daughter, Mrs. Thomas Fletcher of Houston, and a brother, William King of San Antonio.

Government Renews Its Search For Way Out Of Rail Dispute

By HAROLD W. WARD
Associated Press Staff Writer

WASHINGTON, June 1 (AP)—Presidential Assistant John R. Steelman today doggedly renewed the government's search for a way out of the deadlocked rail dispute.

Steelman called negotiators for the nation's big railroads and three disgruntled labor unions to his White House offices. He had recessed the talks over the Memorial day weekend.

The unions, with about 190,000 members, were forced to call off their proposed May 11 strike after the government seized the roads and then got a temporary restraining order from Justice T. Alan Goldsborough.

Goldsborough Upheld

Goldsborough twice has extended the brief restraining order, which now runs until June 11. On June 10 he will hear arguments on a union motion to throw out the whole injunction proceeding.

The union attorneys say the rail workers are not government employes in the same way that John L. Lewis' coal miners were when they struck during government operation of the mines in November-December, 1946. That was when Goldsborough first ruled that the Norris-LaGuardia anti-injunction act of 1932 does not apply to government workers.

The Supreme court upheld Goldsborough's decision but ordered the fine against the United Mine Workers from $3,500,000 to $700,000. Lewis' $10,000 fine was allowed to stick. The penalties were imposed for contempt of court, when Goldsborough's back-to-work order went unheeded.

Order Not Defied

The railroads workers have not defied the current Goldsborough order, so no fine is threatened. But they have made it plain that if the order is dissolved, they'll strike.

The dispute is over wages and working rules. The three unions, which started the drive for higher pay and changes in operating rules a year ago, refused to accept the recommendations of a presidential fact-finding board.

The union leaders—David R. Robertson of the firemen and enginemen, Alvaney Johnston of the locomotive engineers, and Arthur J. Glover of the switchmen—urged that the 15½-cent hourly pay increase recommended by the board, and accepted by the other railroad unions, was no longer enough to meet higher living costs.

They also want some more rules changes which would add to their take-home pay.

The railroads say they can't meet the demands of the three unions without making the same concession to the 18 or 19 other unions, a step they refuse to take at this time.

So Steelman's task of breaking the stalemate before the next court maneuver June 10 or 11, is no easy one.

Lewis comes up before Goldsborough again tomorrow in another injunction fight. This time, general counsel Robert N. Denham of the National Labor Relations board seeks an order to force Lewis to bargain with the Southern Coal Producers association.

The association, headed by Joseph E. Moody, has been authorized to speak for one-third of the nation's coal operators. But Lewis would not agree to admit Moody to the contract talks May 18, saying the association had not signed the current agreement. The contract expires June 30. Moody asked the NLRB to help him get his foot in the door at any negotiations with Lewis for a new contract.

GOT QUICK RHEUMATIC RELIEF WITH MERTOX

"For the past 15 years I have been bothered with frequent rheumatic pains in my left shoulder. This trouble later spread to my right shoulder also," writes Mr. J. C. Kirkland of Dallas. In my work I have to use my arms a lot, and my shoulders were beginning to stiffen up. After taking Mertox Compound for a short time this condition was quickly corrected, so that now I am free from rheumatic trouble and free of the aches and pains. I was also troubled with gas and bloat, which were very painful. I felt tired and rundown; just seemed to have no life or pep at all. Had severe headaches, too. The gas would seem to press against my heart and lungs and make it hard to breathe. Now I can eat anything, even meat, which was impossible before taking this splendid medicine. My bowels are now regular and I do not have to get up at night as I did before."

You can get Mertox Compound from any Texas druggist at the new REDUCED price.

GIESSEN, Germany, June 1 (AP)—Dr. Theodore Morrell, once Adolf Hitler's personal physician, died last week, it was learned here today. He was released from an American internment camp only a few months ago.

Hugh Dalton Is Back In British Cabinet

LONDON, June 1 (AP) — Hugh Dalton is back in the British cabinet today, less than seven months after he quit because of a budget leak while he was Chancellor of the Exchequer.

His new post is Chancellor of the Duchy of Lancaster, which up to now entailed administration of the British zone of Germany.

Jester To Advocate More School Funds

AUSTIN, June 1. (AP) — Gov. Beauford H. Jester said today he would advocate increased appropriations for schools during the next two-year fiscal period.

In a statement enlarging upon some points the program upon which he seeks re-election, Jester called attention to the fact that "the public schools of Texas are receiving over 59 million dollars more in state funds than during the preceding two-year period."

Jester advocate prompt passage of emergency legislation by the 51st legislature to supplement the equalization or rural aid fund. He said he would also recommend action to make full payment of the $2,000 minimum salaries to all teachers who hold bachelor's degrees.

Jester said he was sure the report of the Gilmer-Aiken committee, now studying public schools needs, will be worthy of our most earnest support."

Modern Houses Said "Goldfish Bowls"

STATE COLLEGE, Pa., June 1 (U.P.)—The average American family is living in a goldfish bowl instead of a house, Dr. Walter Couto, associate professor of sociology at Penn State, contends.

Couto said the national trend is to "minimized space by crowding several functions and several persons into one or two rooms." That, he said, results only in a "loss of respect of family members for one another and a battleground for frustrations."

The future house, Couto believes, should have moveable walls so a person can "pull one around" whenever he feels the need for more room.

Meteors cannot be seen until they enter the earth's atmosphere and become heated by friction.
