COUNTY COTTON PROSPECTS

Earlier predictions are for a production of 115,000 bales. However, the continued wet cool weather just isn't good for cotton at this stage of growth. And the 115,000 prediction was made on the basis of an average freeze, which would be November 4.

The mood may change throughout the poem and the tempo changes, but it expresses a feeling. I would most appreciate it if you would. I knew and loved these people. He taught me to understand. And listen to this, John's wife, Delores is in second place, also with three misses. She will receive the \$5.00 second place prize.

Last week's first place winner, Jim Curtsinger was in third place with three misses. He will receive the \$2.50 third place prize.

In order to break the tie, the tie-breaker Floydada-Cooper game was used. The total score was 24 points. John guessed 22, Delores 28 and Curtsinger 34.

Breezers Wallop Post

Floydada's Jr. High Breezers hope they have set the pattern this week for football games with Post as both the seventh and eighth graders won at Post Tuesday night.

7th GRADERS WIN 34-0
The Breezers started off the night with Junior Arrendondo running the opening kickoff back. Fullback Ray Marcado carried the ball over for two extra points. It took our defense awhile to get going but they finally did, we held them, they punted and Junior Arrendondo ran it in for six more points. The try for 2 was no good.

At half the score was 14-0. In the third quarter Junior made six more points on a sweep. Troy Marquis the

Everyone who entered the contest missed the Littlefield-Levelland tie game.

Trava Gentry of Floydada also missed only three contests, but guessed the tie breaker at 45.

Honorable mention goes to the following contestants who missed only five games: Jennifer Paty, Jean Hale, T. L. Holland, Paul Stout, (Quitague) Jack Fugua, Tommy Lyles (Brownfield).

quarterback carried it for the two points. Our defense held, they punted and Junior ran it in for six more points. The try was no good.

The final score was made by halfback Tracy Womack going about 50 yards for the TD.

Outstanding defensive men were Keith Nixon, Jay Griggs, Todd Williams, Henry Gonzales and Robert Armstrong. Overall the Breezers did a good job. Coach said they still need a lot of polishing before Olton next Tuesday.

8th GRADERS WIN 34-0
Not to be outdone by the seventh graders, the eighth graders also came

Whirlwinds Head For Post Friday

Last year the Post Antelopes beat both Floyd County teams, but this year it seems the tide has turned. Lockney defeated the Antelopes the first game of the year and now the other Floyd County team, the undefeated Whirlwinds will also be out to make good on last year's defeat.

The Whirlwinds will meet the Antelopes at 8 p.m. kick-off time in Post Friday night. Although the Antelopes have been picked by some forecasters to win their district, they have lost to Lockney and last week to Coahoma. However, Coahoma is in the top AA state team ranking at this time.

Actually, Post is playing about the same team that played the Whirlwinds

last year. Antelope coach Bobby Davis has 16 returning lettermen, and his son, Bryan (6-3, 175) Junior will be quarterbacking from the slot-I attack.

Fullback Joe Moore (5-9, 160) senior is also returning and making a lot of yardage. Two juniors, Garland Dudley (5-11, 160) and Lee Cruse (5-9, 150) will probably start in the halfback positions.

The offensive line isn't particularly big — average around 175 pounds, but all four: George Hester, Randy Rudd, Tim Owens and Tony Conner all started in that position last season.

The strongest phase of the Antelope's game seems to be defense with eight starters back. Senior noseguard Grayling Johnson is plenty effective and is 6-0, 190 pounds.

Post was tied with Coahoma 14-14 at halftime, and this week Coahoma is ranked number two in the state for AA teams.

The Whirlwinds go into the game in good physical condition and here's the starting lineup:

OFFENSE

ENDS — Tom Assiter, Elton Ratliff
TACKLES — Billy Fulton, Mark Craig
GUARDS — Joel Hendrix, Gary Nixon
CENTER — Tony Hesson
QUARTERBACK — Mike Vickers
FULLBACK — Malvin Collins
HALFBACKS — Kelvin Ratliff, Rex Yeary.

DEFENSE

ENDS — Mark Craig, Steve Moore
TACKLES — Monte Williams, Leslie Soto
INSIDE LINEBACKER — Keith Marricle, Mike Reves
CENTER LINEBACKERS — Mac Mitchell, Lyle Suggs
HALFBACKS — Donzelle Minner, Kelvin Ratliff
SAFETY — Tony Soto.

Freshmen

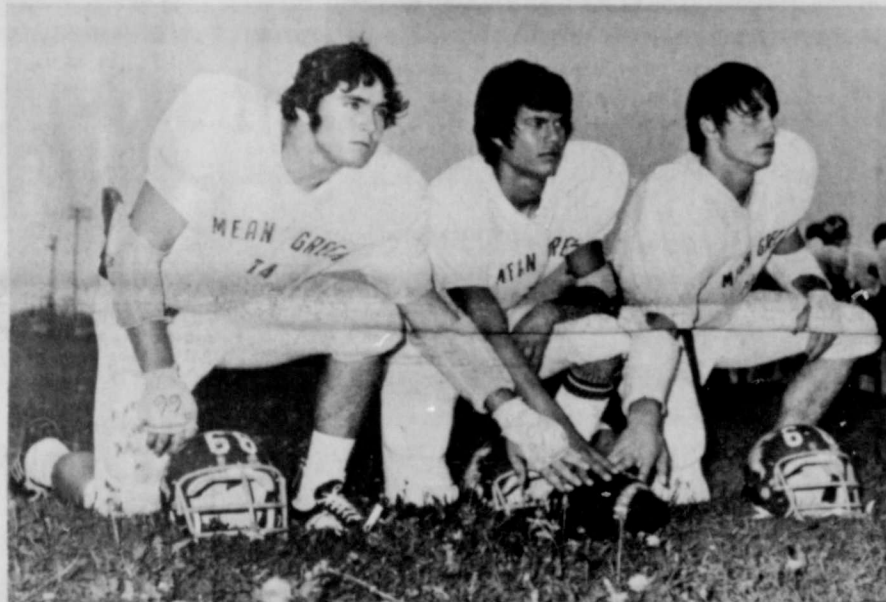

Blank Slaton

The Freshmen Whirlwinds opened the season last Thursday night by soundly defeating Slaton 16-0.

Coach Don Rainer's team looked good all the way with the strong defensive team really coming through in the clutches.

On the scoring side, it was touchdowns by Larry Jones and Ricky Covington. Larry also ran for four extra points.

The Freshmen play Post here tonight at 5 p.m. You all come!

out with a "shut-out" for Post.

In the first quarter it was Jimmy Jackson with a TD as he caught a pass. Then in the second quarter the Breezers picked up four points on two safetys. Gary Ware and Ricky Luna get credit for fine defensive work on the safetys.

The score was 10-0 at halftime. In the third quarter Ricky Jackson made a TD and Ricky Day made the two point conversion.

Ricky Luna ran over another TD in the beginning of the fourth quarter. Then a bad snap by the Post center that went out of the end zone gave the Breezers another two points.

Michael Sales then made another TD with Bobby Don Green catching a pass for the two extra points.

Coach Gary Jones said his defensive players did a great job. Floydada had three touchdowns called back on account of penalties.

Next Tuesday night the eighth graders will be playing Olton here. . . so everyone is invited to come out and watch some exciting football.

School Out Early!

Floydada schools will turn out at 2:30 p.m. on Friday so everyone will have plenty of time to travel to the Post game.

And . . . on Monday, schools will turn out at 2:30 because it's "Fair Day" at the South Plains Fair in Lubbock.

The "Beat Post" pep rally is scheduled for 2 p.m. Friday.

"You all put on the green and fill the gymnasium!"

"Star Spangled Girl" Presentation Saturday

The unhatched egg of an illiterate looney bird, a fink who has the sensitivity of a used car lot, and a star-spangled corn pone all find their lives entangled because of an overworked sense of smell. This is the essence of Neil Simon's "Star-Spangled Girl", to be presented this Saturday, Sept. 21, at 2 and 7:30 in the FHS Auditorium.

Andy Hobart (Craig Hambricht) and Norman Cornell (Ray Foster) are two bachelors who share a conventionally unconventional San Francisco apartment. They also share a business — the publication of *Fall Out*, a small protest magazine. Unfortunately, the common everyday citizen of 1966 is not ready for a politically controversial magazine.

In other words, Andy and Norman are flat broke.

A young star-spangled girl, Sophie Rauschmeyer (Sharon Decker) inadvertently becomes involved in our

bachelors' lives when Norman falls in love, with all of things, her smell. Even though Norman leaves a trail of little heart shaped peanut brittles from his door to Sophie's, she fails to find Norman attractive. In fact, everything he does nearly drives her to distraction. She discovers, to her complete dismay that her sense of smell has attracted her to Andy even though she is engaged to marry a marine in six weeks.

Their situation goes from bad to worse to totally unbelievable. In fact, to believe any of this play, you will just have to see it for yourself.

For a really enjoyable time be sure to be at the Floydada High School Auditorium Saturday, September 21 at eight 2 p.m. or 7:30 p.m. The Drama Club members are selling tickets or they can be bought at the door. Be sure to come and enjoy a really hilarious play.

DRESS REHEARSAL for "Star Spangled Girl" is pictured above. Actors left to right are Hambricht, Sharon Decker and Ray Foster. (Staff Photo)

MARY KIRCHHOFF PROMINENT AT CONVENTION

Mary Kirchhoff, executive committeewoman for the 30th District and candidate for the State Senate, played a prominent role in the convention in Houston Monday and Tuesday, participating also in board meeting and committee sessions held during pre-convention days.
As a worker involved in state issues for twenty years, Mrs. Kirchhoff appeared before the Resolutions Committee chaired by Senator O. H. ("Ike") Harris of Dallas, and presented her views on the important issues facing the state of Texas at this time. "Your views on the important issues facing us are important to those who will be drafting the platform for presentation to the State Convention" wrote Senator Harris in extending the invitation.

As a member of the State Republican Executive Committee, Mrs. Kirchhoff met with this group on Monday morning to receive reports of the pre-convention committees and related matters. Additionally, she worked with the state Positive Action Committee which held hearings Monday afternoon. She was one of 37 appointed in the State of Texas.

On Monday evening Mrs. Kirchhoff attended a reception with a galaxy of national leaders including George Bush, former National

MRS. BRIAN VICKERS

Miss McMahan And Brian Vickers Wed In Lubbock September 14

Wedding vows were read in the Agape United Methodist Church in Lubbock Saturday, September 14, for Deborah Kay McMahan, daughter of Mr. and Mrs. J. B. McMahan of Lubbock, and Brian Lane Vickers, son of Mr. and Mrs. Bob M. Vickers of Dougherty.

Charles Dunnam, minister of the church, performed the twin ring vows at 8 o'clock p.m. Warren Hunt was organist. Mrs. Ricky Mosley sang, "We've Only Just Begun" and "The Lord's Prayer", accompanying herself on the guitar.

Escorted by her father, the bride wore a wedding gown of silk organza fashioned with a fitted bodice and portrait neckline. Motifs of re-embroidered Alencon lace enhanced the gown, complementing the sheer yoke and neckline and used again on the fitted sleeves which fell to a soft ruffle at the cuff. The Princess style skirt was sketched with additional

lace appliques and a delicate border of re-embroidered motifs edged the hemline. A sweeping chapel length train was similarly accented with the lace.

She wore a bandeau of re-embroidered lace and seed pearls which held bridal illusion falling elbow length. For something old she wore a gold cross, a gift from the groom, and borrowed her mother's wrist watch. She also carried out the tradition of wearing something blue, and a dime and penny in her shoe with the birthdates of her and the groom.

Mrs. Danny Mears of Littlefield was matron of honor. Jerry Chappell of Floydada was best man. Serving as ushers were Craig Turner, Dan Daniel, Brent Wester and Mike Vickers, cousin of the groom.

Guests were registered by Miss Brenda Vickers.

A reception immediately following the wedding was held in Fellowship Hall of the church. Elaine Jones presided at the punch service and the wedding cake was cut by Mrs. Lewis McMahan and served by

Beverly Vickers.

The newlyweds now reside at Townhouse Plaza, 400 Cedar Ave., Apt. 58, Levelland, where both are sophomore students at South Plains Junior College.

Vickers, a graduate of Floydada High School, is employed at Lee Home Furnishings in Levelland.

West Texas Festival Set

Twirlers from Lockney and Floydada plan to participate in the 21st West Texas Twirling Festival in conjunction with the South Plains Fair at Lubbock September 28. Entry deadline for the all trophy contest is September 20.

First, second and third place trophies will be awarded in corps and duet events, but only two places will be recognized in team events. The first four top spots will receive trophies in individual competition. High point awards will be made to a Lubbock County contestant and an out of town entry.

A sweetheart of the festival will be chosen prior to Sept. 21 from photographs submitted earlier. The sweetheart will reign over the festival and also will ride in the Parade of Bands which is scheduled for September 23. Floydada's Whirlwind Band and the Lockney Longhorn Band will participate in the Parade.

crusted capulet held veiling of three tiers that was also edged in Venice lace. The bridal bouquet was fashioned of broken crystal and pearl tear drops showered with mint green and sunshine yellow satin.

The bride followed tradition, and carried her mother's wedding Bible for "something old", wore a blue garter, and a single pearl necklace borrowed from Brenda Giles of Lockney. "Something new" was her wedding attire.

Ann McMorris, Floyd County Extension Agent, the new series, "You Can Do It!" is a 13-part, educational series on home care and repairs.

"It is designed to teach viewers simple, money-saving car and maintenance techniques," she said.

Locally, the half-hour programs each Saturday will be sponsored by Floyd County Family Living Committee and KLBK-TV.

Created and produced by home economics specialists with the Texas Agricultural Extension Service, the Texas A&M University System, through a special United States Department of Agriculture grant, "You Can Do It!" is being aired statewide on an alternating basis.

During the 13-week series, hostess Cindy Kidwell will teach lessons on how to repair leaky faucets, how to caulk and weatherstrip, and how to paint interiors and exteriors, Mrs. McMorris said.

"On the first program, viewers will learn how to do simple electrical repairs."

"Other lessons will teach viewers how to make toilet repairs and adjustments, how to repair walls, and how to care for wood finishes and carpets."

"The series also will include a lesson on care and maintenance of ranges and refrigerators and a lesson on how to make storage space," Mrs. McMorris added.

Reed Ford Punt, Pass, Kick Contest Open

Local youngsters awaiting the 14th annual Punt, Pass and Kick season will soon be sharpening their skills. PP&K registration begins Sept. 3 and closes Oct. 4. Reed Ford & Mercury Sales is the Floydada sponsor.

The program, which is co-sponsored by the National Football League and the Ford Dealers of America, has registered more than ten million youngsters over

the past 13 years — making it the largest youth activity of its kind in America. This season, PP&K expects to attract more than 1,200,000 registrants.

Any youngster 8 through 13 years of age, accompanied by a parent or guardian, may register at any participating Ford Dealer. There is no entrance fee.

FLOYD PHILOSOPHER

Admits He Has Made A Terrible Mistake And Offers His Humble Apologies

Editor's note: The Floyd Philosopher on his Johnson grass farm confesses to a mistake this week.

Dear editor:

Before it gets out of hand and I have to issue clarifying statements saying it was taken out of context not to mention mis-quoted I want to say I made a big mistake in my letters to The Hesperian and The Beacon last week, probably the first one I've made prior to the ones in the letters before that, and I want to apologize.

The reason I want to apologize is that the mistake was inflationary and inflation is something we have ten times too much of already. Make that twenty times; things just went up again while I was writing this.

The mistake was that I gave the price of sugar by a pound bag instead of a 5-pound bag, making it read that sugar was now selling for over \$2 a pound.

Now this may seem like a harmless mistake but if you think so you don't understand the psychology of inflation, price-gouging division. That single error may

have a far-flung impact on everybody's cost of living, with a chain reaction starting in Floydada or Lockney and spreading to the far corners of the civilized world. Actually it may go further than that and get into New Mexico or Oklahoma, and some portions of France.

Anyway, don't you know that when the sugar people hear that sugar has been reported at \$2 a pound and nobody has fainted, somebody in the outfit may say, "Well, whatta you know, maybe we could get that much. Let's raise the price and see."

You see, inflation is caused by a lot of things, like for example dropping 100 billion dollars in Viet Nam with nothing much to show for it, but one of the other things is that people are so used to seeing the price of everything go up that they just shrug or bite their lip and go ahead and pay, and a lot of manufacturers and sellers have caught on and raising prices is now a national pastime.

So you see what I've done to the price of sugar. I apologize.

Yours faithfully,
J.A.

SWPS Plant To Use Reactor

Southwestern Public Service Co. Wednesday announced the first step in a program which sets the stage for the company to take a lead role in the construction of the nation's first power plant to use a gas-cooled breeder reactor.

Roy Tolk, chairman and president of the electric company, said the gas-cooled fast breeder reactor (GCFR) plant, would have a generating capability of 300,000 kilowatts and would be located on a site provided by Southwestern.

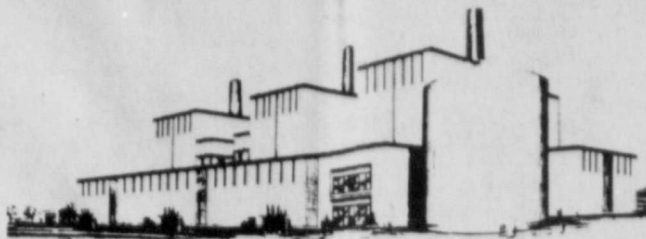

"We have signed a letter of intent with General Atomic Company of San Diego, in which we would contribute \$100 million to the project. Substantial additional financial support will be required from the electric utility industry and the U. S. Atomic Energy Commission," Tolk said.

Fits Pattern

"Our long-range projections call for additional generating capability in the mid-1980's; so, this development program fits right into our growth pattern and could very well be our introduction to nuclear power. We will, of course, have a conventional generating unit in service to meet our customer's needs, if that is necessary, but are enthusiastic about the prospects for the breeder unit being available," Tolk said.

General Atomic has been working on a gas-cooled breeder reactor for 13 years. Support for the program has come from the Atomic Energy Commission and a GCFR Utility Committee comprised of 57 investor-owned utilities, 55 rural electric cooperatives and three European electric utilities.

Joyce Thomas, Plainview, admitted 9-17, continues care.

NUCLEAR POWER — Artist's rendering of how Southwestern Public Service Company's proposed 300,000 kilowatt GCFR nuclear demonstration plant might look adjacent to a conventional coal or gas-fired generating station. The cylindrical structure on the right houses a prestressed concrete reactor vessel, 84 feet in diameter and 71 feet high, and contains the principal components of the nuclear steam supply system.

Breeder reactors have the unique capability of producing more nuclear fuel material than they consume. Because of this potential to

stretch nuclear fuel resources, breeders are regarded as an essential component of the long-range success of the nuclear power industry.

Register At Baccus Motor Co. For Punt, Pass And Kick Contest

Lockney youngsters, between the ages of 8 and 13, will be competing on Saturday, October 5, at the football field for one of 18 trophies in the first level of Punt, Pass and Kick competition. PP&K is an annual event, co-sponsored by the National Football League and the Ford Dealers of America. Baccus Motor Company is the Lockney sponsor of PP&K.

First, second and third place winners of local competition in each of the six age groups will receive a trophy. Additional trophies will be awarded to the first place winner in the Zone, District, Area, Divisional and National finals.

Area, Division and National matches will be held in NFL team stadiums immediately preceding actual NFL games or during their halftime programs. Youngsters participating at these levels have a chance to meet some of the NFL players. PP&K finals will be held at the National Football

Conference championship game on December 29. Finalists will appear on national television and the winners in each age group will receive their trophies from Pete Rozelle, Commissioner of the National Football League.

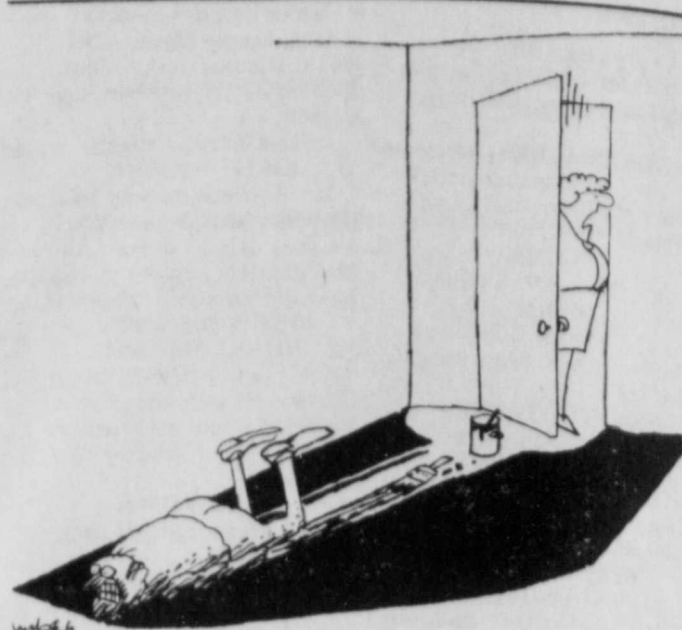

Also, the names of the top winner in each age group will be enshrined in the Pro Football Hall of Fame at Canton, Ohio.

Any boy or girl (8-13) accompanied by a parent or guardian may register at Baccus Motor Company, where complete details and a free PP&K Tips Book are available.

PRODUCER ROBERT LOYOLA has brought together three unique actors, a rare script and a twist for the unusual to make "Sonny & Jed". Thomas Milan, Telly Savalas and Susan George give an outstanding performance in the new motion picture showing Friday and Saturday at the Seale. The era of the late 1890's, tough times that made tough people, is the background for "Sonny & Jed." The picture, spiked with topical conversation, is certain to cause a great deal of comment from any audience that views it.

The next club meeting will be in the home of Mrs. Billie Cherry Oct. 9, at 2 p.m. Roll Call will be My Everyday Pleasures. Drying and dyeing flowers will be by Mrs. L. T. Wood, and thought for the day will be brought by Mrs. Alvin Nichols.

Recently returning from a week's fishing trip to Antonio, Colo., were Mr. and Mrs. Herbert Smith, Lori and Lisa, and from Plainview, Mr. and Mrs. Norman Smith, Mr. and Mrs. Sonny Seal.

Mr. and Mrs. Randy Duckworth visited Monday in Lubbock with Mrs. Duckworth's brother, Mr. and Mrs. David Scheele.

Mr. and Mrs. Clarence Saathof of Qhihi visited several days last week with Rev. William Durkop, Rev. and Mrs. Luther Durkop.

Mrs. Bob Damron was in Tulsa Sunday to sit at the hospital with her grandmother, Mrs. O. S. Finch.

Many people from Providence attended the Floyd County Fair last weekend in Lockney.

Mr. and Mrs. Everett Crume, Mr. and Mrs. Edwin

Barker were guests Saturday night at the Klyce Ooley home in Plainview.

The Herbert Smiths were dinner guests Sunday in the home of Mr. and Mrs. Loyd Morphis near Edmonson.

Mrs. Eldon Box and Michelle and Kim Faver of Plainview visited Sunday afternoon with Mr. and Mrs. Marvin Scheele.

Pastor and Mrs. Luther Durkop were hosts last Friday to the Pastors' Circle of this area. Lutheran ministers and their families were present from Amarillo, Lubbock, Posey, Wilson, Clovis, Levelland and Slaton.

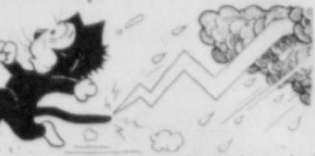

Albert Scheele represented Floyd County at the Texas Republican Convention this week in Houston. While there he also visited his sister, Marie Scheele and at Galveston with Mr. and

Mrs. Thad McCormick. Guests Monday night of Mr. and Mrs. Herbert Smith and daughters were Mr. and Mrs. Ted Porter, Richie, Paula and Becky of Floydada.

Pastor and Mrs. Durkop and his father, Rev. William Durkop recently enjoyed several weeks vacation near Alamosa, Colorado. They also visited in Chicago, Illinois, with Mrs. Durkop's sister and her family.

Visiting several days this week at Bethany, Oklahoma, were Mr. and Mrs. James Landtroop, who made the trip to visit their daughter, Mr. and Mrs. Doug Yates, and their son, Ricky Landtroop.

Free Adult Education Classes

Free adult education classes will begin on September 23 in the Floydada High School at 618 S. Tree. Evening classes will meet on Mondays and Thursdays. Classes are scheduled from 7 until 9:30 in the evening.

Instruction will be given on an individualized basis and will include reading, writing, English, arithmetic, and English as a second language to Spanish speaking adults. Also included will be a class designed to help achieve a certificate of high school equivalency. The GED test will be given as each person feels he is qualified to take it. Additionally, help in passing the tests required for obtaining citizenship papers will be offered.

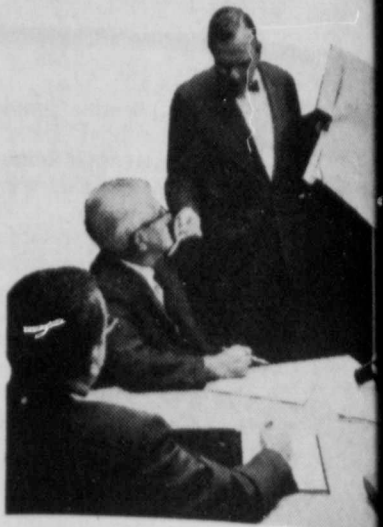

Adults, or out of school youths may enroll at any time during the year. Kerman Bond, Floydada teacher of Adult Education, says that there are no fees of any kind required. "This

program will improve a person's ability to secure better employment or qualify for a job promotion as well as to become a more efficient consumer and more active citizen."

Bond explained that last year out of some 90 enrolled in the free classes a good average obtained their GED certificate. He said not only do the classes open a field toward a new career and jobs but it enables a person to complete their high school education regardless of how old the person may be.

Bond and Mary Garza will be in Lubbock Friday night and Saturday to attend a workshop pertaining to Adult Basic Education.

Additional information on the classes may be obtained by calling Mr. Bond at Andrews Elementary School, 983-2594 or Mrs. Emily Potts, counselor at high school, 983-3916.

Supplement Food Program Now Available

A new special supplemental food program is now available to expectant women and small children, through the South Plains Health Provider Organization, Inc. You may be eligible to receive these food products so those interested

should contact personnel at the SPHP, Room 207, Floyd County Court House in Floydada.

The supplemental food program comes from a grant totaling \$1,008,800 for a 10 county area which includes Floyd County, and will

benefit 3,607 eligible participants.

Individuals eligible are infants less than one year of age, children ages one to four years, and pregnant or lactating women. In addition, participants must reside within an approved project area, must fall into a low income status and be determined by competent medical professionals on the staff to be in need of the nutritional supplements.

The SPHPO will provide medical assistance - most of it provided with the help of Texas Tech Medical School students - to about 23,000 persons this year, mostly migrant or seasonal farm workers. It is funded by federal, state and local monies and patients pay as they are able according to their income status.

Employing a total of 23 persons in Hale, Crosby, Floyd and Lamb Counties, the SPHPO has a budget of about \$700,000 of which \$500,000 is federal money.

Employees in the Floydada office include Billie Jordan, RN, Choise Smith, sanitarian; Beverly Kincaid, secretary, and Amanda Torrez, nurses aide.

FOR JUNE CASH IN 1975 PLANT WHEAT Results from 1974 wheat production indicate CENTURK and TAMWHEAT to continue to be superior yielders. Even during 1973-1974, a bad year for wheat, each cut yielded competitive varieties by 3 to 5 bu. per acre. CENTURK works best for dryland and light to heavy irrigation. Tamwheat 101 or 103 is for heavy irrigation. Both are excellent grazers. Crosbyton Seed Company has prepared to serve your wheat seed needs and offer the following choices to you: * CERTIFIED CENTURK * CERTIFIED TAMWHEAT 103 * CERTIFIED TAMWHEAT 101 Select Tascosa (Limited Supply) Select Palo Duro (Limited Supply) Select Triumph (Limited Supply) * We think Centurk and Tamwheat to be the best for our area and have provided extra inventory, especially Centurk. One half our present inventory is already committed. We ask that if you are going to need seed that you contact us soon. Then if we were to run out we would have time to get more. All of our seed has good germ and is free from bindweed and johnson grass. It has been cleaned and treated with Vitavax 200 Seed Treatment, the new systemic fungicide that controls diseases. The manufacturer states Vitavax 200 produces stronger root system for yield increase and better grazing. We also have a limited quantity of Elbon Rye. We appreciate your business! Center News

By Mrs. J.E. Green

CENTER, Sept. 16 — It's cool today and cloudy. Everything is green and fresh looking after the Sunday rain.

At Calvary Baptist we had a weekend youth revival with the Wildwood Quartet from Missouri which we enjoyed very much.

Miss Frances Ashton of New York City visited last week with her parents, Mr. and Mrs. Clarence Ashton.

Mr. and Mrs. J. B. Massingill of Borger came through Wednesday and spent the night with her sister, Mrs. J. E. Green. They were on their way to

Galveston where they manage a motel through the fall and winter months. From here they went by San Antonio to visit a son and wife.

Mrs. Morris Carroll is recovering from a virus taken while visiting relatives in east and southeast Texas.

Mr. and Mrs. Otis Huckabee of Weatherford came Thursday and visited over the weekend with relatives, the Burl Huckabees, Mrs. Ola Warren and Mr. and Mrs. Fred Battey in Floydada and some in Lockney.

Mrs. H. E. Payne of Silvertown visited Sunday with her sister and family, the Dale Millers.

Mr. and Mrs. Johnny Warren and children near Lubbock visited Sunday with his mother, Mrs. Elmer Warren.

Mr. and Mrs. Leo Frizzell, Mr. and Mrs. Elco Frizzell and Mrs. Ava Jackson are having lunch today with Mrs. Elmer Warren.

Mrs. C. M. Meredith was hostess for Sunday dinner to Miss Vera Meredith, Mrs. Maudell Meredith of Plainview and Bro. and Mrs. Clay Muncy of Lockney. The birthday cake made by his wife and brought to the dinner was a surprise for Bro. Muncy, whose birthday is today, Monday.

Mrs. Keller Holmes visited Mrs. O. C. Vinson last Monday.

Mrs. Ross and Mrs. Vinson visited Mrs. Flora Warren one p.m. last week.

Mrs. Edna Phillips and Mrs. Clay Muncy visited Miss Vera Meredith Thursday afternoon.

Mr. and Mrs. Hal Thomas are in Plainview today, Monday, on business and calling on relatives.

Mr. and Mrs. W. C. Plumlee are expecting company today — his brother and wife, Mr. and Mrs. C. L. Plumlee of Milsap.

The Gordon Mayfields are home again after taking the grandchildren home and visiting several days with the sons, Eugene and family at Little Rock, Ark.

Visitors in the Mayfield home Sunday p.m. were Mr. and Mrs. Merton Myers and Mrs. Lula Moreman of Canyon.

Mr. and Mrs. Weldon

Cambie of Providence visited briefly Tuesday with the Mayfields. They were enroute to visit relatives in the eastern states.

Mr. and Mrs. Claud Carpenter, 503 West Virginia St., Floydada, are to celebrate their 65th wedding anniversary Thursday, Sept. 19. And Mr. and Mrs. Charley Spence, Ralls Highway, Floydada, are approaching their 63rd wedding anniversary, Sept. 24. These couples, long ago former Centerites, plan a quiet day together this coming weekend, and will "dine out" to celebrate.

May these "good neighbors" have many more happy years.

Floydada Schools Beginning Career Education Program

Superintendent A. E. Baker has announced that the Floydada School System will begin a career education program this year. Floydada is one of seven schools in a 20-county region to join an existing network sponsored by the Education Service Center, Region XVII.

Baker said that Floydada will have 31 teachers and 1499 students involved in the career education program, which carries a priority rating in public schools across the nation.

Other schools besides Floydada beginning the program are Olton, Petersburg, Plains, Ralls, Shallowater and Sudan.

The main purpose of career education is to prepare young people for a productive and rewarding life. It helps them in their search for values in a work-oriented society and in integrating those values into their own life in such a way that work becomes meaningful and satisfying.

Piloting career education programs last year were Denver City, Lorenzo, Meadow, Morton and Plainview. Brownfield was the one pilot school for the Center during 1972-73.

James W. Wilson, career education project director of Washington County, Maryland, was assigned by the

Center Floydada from the Schools resources. Consult training September at least through
