Volume 54 | Tahoka, Lynn County, Texas Friday, September 19, 1958 | Number 50

Tahoka-O'Donnell Will Meet In Game Tonight

Tahoka Bulldogs open their home football schedule tonight with their traditional south-county rivals, the O'Donnell Eagles of District 5-A. Game time is 8:00 o'clock.

The Bulldogs will be seeking to avenge a 19 to 0 defeat handed them by the Eagles last year at O'Donnell.

This year, O'Donnell has won one and lost one, defeating Crosbyton 2 to 6 and losing to Ralls 8 to 0. Tahoka has lost two, to Seminole 30 to 0 and to Denver City 28 to 6.

Coaches, Joe Palmer and Bob Agnew have a scrappy ball club, and, as usual, will be out for Bulldog meat.

Some of the Eagles who are most likely to see action are: Tommy Gardenhire, 151, junior, quarterback; and backs, Neal Shaw, 151, senior; David Bessire, 120, and Roger McMillan, 153, both juniors.

Linemen will include: David Spraberry, 160, senior center; Price Parker, 200, and David Gary, 153, senior guards; Billy Russ, 198, soph., and Kent Thompson, 225, senior, tackles; and Lanny Brewer, 151, and Kenneth White, 150, senior ends.

Tahoka will be playing without the services of one of its better halfbacks, Billy Tomlinson, who received a knee injury Tuesday and will be out of action for at least two weeks.

Tahoka starters will possibly be: David Bray, 180, center; Roy Thomas, 166, and John Hegi, 166, at guards; Richard Stice, 223, and Dean Elliott, 203, tackles; Jerry Adams, 174, and Billy Cain, 153, ends; George Adams, 182, quarterback; Weldon Calloway, 176, fullback; and Kenneth Stice, 153, and David Copeland, 146, or Robert Cloe, 140, halfbacks.

Although Coach Bill Haralson's Bulldogs have started slow and have looked a bit ragged in their tackling and blocking, they showed much improvement last Friday and are expected to put up a strong battle tonight and develop into a pretty good ball team, unless other injuries occur.

Regardless of previous records, the Tahoka-O'Donnell game is usually a real battle, and fans will not want to miss this one.

COACH BILL HARALSON

ASST. COACH DEANE WRIGHT

ASST. COACH TOM BARTLEY

Score Board Is Installed Here

When Tahoka Bulldogs and O'Donnell Eagles meet in football here tonight, fans and players will have for their added enjoyment and convenience an electric scoreboard.

The scoreboard was installed several weeks ago, and its cost of $1,453.00 was underwritten by Tahoka Chamber of Commerce, of which Dean Taylor is currently the president.

Taylor says the drive will be started next week, during which fans and business institutions will be asked to help pay for the board.

The score board not only gives the score, but also the quarter of play, time remaining in each quarter, the team with the ball, down number and years to go.

Tahoka has been one of the few schools in this area not having a modern, electric scoreboard. Coach Bill Haralson says it will not only be a convenience to fans but, of more importance, it will help the boys keep up with the game.

16 Men Fly To Buddy's Bedside

Sixteen men of the Lewis Construction Co. of Tahoka recently flew to Houston in the firm's four planes to visit Bobby Bolin, 21, who has been a patient in M. D. Anderson Hospital there.

Bolin, ill with a serious ailment, has since been allowed to come home for about two weeks. He has been an employee of the Lewis Construction Co., and the group made the trip to Houston to help cheer him up.

Mrs. Mayfield Rites Tuesday

Funeral services for Mrs. Callie Nevada Mayfield, 86, who died at the home of a son, G. B. Mayfield, in New Home Sunday night, were held at 2:00 p. m. Tuesday, Sept. 16, in the New Home Methodist Church.

Rev. Wendell Vernon O'Kelly, pastor, officiated. Burial was in Tech Memorial Park of Lubbock under direction of Stanley Funeral Home.

Mrs. Mayfield had been seriously ill about six weeks.

A native of Greenville, Miss., Mrs. Mayfield came to Lynn county in 1950 from San Antonio. Her husband, W. S. Mayfield, died in 1926.

Survivors include three daughters, Mrs. John D. Phillips, Whitney; Mrs. J. B. Peacock, San Angelo; and Mrs. F. A. Laxson, Ozona; six sons, W. H., Crosbyton; G. B., New Home; J. O., El Reno, Okla.; O. G., Floydada, J. C., Seminole, and J. R., Rolla, Mo.; a brother, Henry Suddeth, Hillsboro, and 16 grandchildren.

Mrs. J. R. Wyatt was admitted to the hospital Tuesday after breaking her right arm just above the wrist. She was recuperating from breaking her left shoulder several weeks ago.

Winston Wharton underwent surgery in the Methodist Hospital, Lubbock, Tuesday morning.

School Students Pass 1,000 Mark

There are 952 students in the local schools, and 64 in the colored school which brings the total enrollment to 1,016 students, a record for recent years, according to Supt. Otis Spears.

Due to this increased enrollment, two new teachers have been employed and a change in assignment of another teacher made.

Paul Barron of Lamesa, a graduate of Texas Tech who has been conducting safety schools for an insurance company the past few years, has been employed to teach chemistry and general science in the high school.

Due to a recent change in requirements made by the State Department of Education, Lester Adams has been moved back to his full time teaching job in the Vocational Agriculture department.

Also, Mrs. Ruth Walker, who has taught in the system previously, has been hired on a temporary basis to teach in the grades.

Plan Carnegie Course In City

The Dale Carnegie Course will be presented in Tahoka during the next few weeks, if sufficient people are interested.

A free demonstration of the course and how it helps people will be presented next Tuesday night at 7:37 p. m. in the American Legion Hall. All men, women, and school students of the county are invited to attend and will be welcomed in the class which will follow, beginning at an early date.

Developed by the late Dale Carnegie, author of "How to Win Friends and Influence People" and other best sellers, the course trains adults and teen-agers to speak effectively, conquer fear, increase income, develop self-confidence, improve memory, increase one's ability to deal with people, win more friends, improve personality, and prepare for leadership.

During the past 46 years, 750,000 men and women have taken the course in 750 cities of the world. Many corporations have utilized the training for their employees.

The classes will likely be taught by James E. (Red) Norman and Charles Whitson, both of Lubbock. Noah Lee Cromer, formerly of Tahoka and Petty, is also working with the Dale Carnegie organization as a solicitor.

Such a course at Ralls recently met with such favor that a second class is now being organized there.

Among Tahoka people who have taken the course in the past are: A. M. Bray, Ronald Sherrill, J. M. Uzzle, Wynne Collier, Bill Ware, Dr. Emil Prohl, and Karl Prohl.

Organization of the class here is being sponsored by Tahoka Rotary Club.

Football Tickets Still On Sale

Reserve seats for the home football games are on sale at the school tax office and Maurice Small reports a number of people have not picked up their tickets.

The district executive committee has also voted to change the price of student tickets for 25 to 50 cents, according to Superintendent Otis Spears. This will make the ticket prices 50 cents for students and $1.00 for adults.

The change in prices will be in effect starting tonight, Friday, when the Tahoka Bulldogs meet the O'Donnell Eagles at Kelley Field.

Well Abandoned, Another Started

Northwest Lynn county will get a new deep oil test of the Ellenburger, location having been made on the Mrs. C. O. Edwards land east of Petty and about 12 miles northwest of Tahoka.

The test is by W. E. Bakke of Midland known as the No. 1-158 Mrs. C. O. Edwards, situated 1,980 feet from the south and 660 feet from the east lines of Section 158, B. P. Flakes survey. Contract depth is 11,000 feet.

The test is a short distance north, in the same section, as a well drilled by The Texas Company in 1945 to 7,238 feet.

Felmont Oil Corporation on Sunday abandoned and plugged its No. 1 E. L. Powell test on the Howard Cowsart land west and north of Petty, to the discouragement of many people.

Shows of oil were encountered in Mississippi, Strawn, and Ellenburger, but tests failed to reveal paying production. Total depth was reported at 11,050 feet.

The test was located about a half mile northeast of the three-well Tahoka Field, 660 feet from the north and west lines of Section 139, Block 12, EL&RR survey.

In the Suniland field in northwestern Lynn county, two new tests have been announced.

Suniland Oil Corp of Fort Worth is drilling its No. 1-6 S. G. Wilson, 2,310 feet from north and 1,650 feet from east lines of Section 16, Block J. EL&RR, by rotary to 4,500 feet.

The same company is drilling its No. 1-6-A in the same section 2,310 feet from the south and 1,650 feet from the west lines. Contract depth, 5,500 feet.

Former Citizen Dies In Wreck

F. C. Thorpe, former Lynn county teacher, and a doctor friend were killed in an airplane crash at Alice on Sept. 9, according to information received here by Ellis Barnes of Wells.

The two men were killed as their plane crashed when they were taking off for a hunting trip to Casper, Wyoming.

Mr. Thorpe and wife and daughter had, just the week before, visited Mr. and Mrs. Barnes here.

He taught school at both Draw and T-Bar back in the 1920's and was well known to many people in this country. At the time of his death, he owned two grocery stores in Alice. Surviving are his wife and two daughters, one married and one about 14 years of age.

TAYLOR KNIGHT WINS

Taylor Knight's quarterhorse colt, Colonel, won the reserve championship in the horse show at the Hockley County Fair in Levelland Saturday.

Mrs. Guy Smith returned home Saturday from a month's visit with two sisters in California.

Showers, Shortage of Hands Delay Harvesting of Crops

Joe Tasiaux, Rotary Guest, Tells Of Belgium, Impressions of U. S.

Joe Tasiaux, 24, of Belgium, who has been here 10 weeks this summer as guest of Tahoka Rotarians, spoke to the club Thursday noon on his native land and on his impressions of America.

Joe, who left Tuesday for Belgium by way of New Orleans, Washington, D. C., and New York City, is the fourth European agricultural student brought here in as many years by Tahoka Rotary Club and the International Research Fund of New York City. The others have come from France, Austria, and Switzerland.

He and two brothers operate a 170-acre farm in Belgium owned by their mother, a widow. This is considered a very big farm in that country, where the average farm is only 10 acres and a very intensive agricultural program is carried on, where fertilizing, rotation of crops, and more cultivation is a necessity.

Much rain there makes rain coats and umbrellas a necessity, and because of the rain and high humidity all houses are of brick or stone.

He and two brothers do all the work on the farm except during the harvest season, when outside labor is hired at 40 cents an hour minimum. Extra labor is required for harvesting sugar beets. Wheat produces about twice the per acre yield in the U. S. They milk 17 cows and sell butter to a private concern for 80 cents to $1.00 per pound. The cows are worth $22 per year for fertilizer.

Belgium is 24 times smaller than Texas but has about the same population, about 9 million. However, its income ranks fifth per capita among the nations of the world.

(Cont'd. on Back Page)

JOE TASIAUX

Wilson Boy Is Gilt Winner

Gene Herzog of Wilson was top winner in the 4-H club Sears gilt show held here Saturday, and he will show his animal in the area show at the Livestock Pavilion on Texas Tech campus this Saturday. His brother, Gary Herzog, who has the Sears boar will show this animal in the district meet, also.

County Agent Bill Griffin said the other winners were: L. B. Strickland, second; Marvin Kaatz, third; Harold Jenkins, fourth; and Kenneth Hart, fifth.

T-Bar Annual Meeting Thursday

A free supper will be served members and their families at the annual membership meeting of T-Bar Country Club next Thursday night at 7:00 o'clock, according to J. E. (Red) Brown, club president.

Also, members will be permitted to bring prospective members to the dinner.

Two new members of the board of directors are to be elected at the meeting to succeed A. N. Norman Jr. and Frank Hill, whose terms expire. Holdover members of the board are Brown, Reble Thomas, Sonny Roberts, Irving Dunagan, and Jack Smith. Mrs. Melba Clem is the club secretary-treasurer.

Brotherhood To Meet Monday

The men of the First Baptist Church will have their monthly meeting at 7:30 p. m. Monday. This will be the last meeting for the old officers as there will be a new group of officers beginning October.

Ray Adams has served for the past several years as Brotherhood president, and Dub Harvick has been elected to serve as president for the new yar.

Supper will be served at 7:30 Monday evening and all men are cordially invited to attend this meeting.

TEACHERS MEETING

There will be a meeting of Lynn County Unit TSTA in the Wilson High School auditorium Monday, September 22 at 7:00 p. m., according to Mrs. Ruth Jolly, county school superintendent. All members are urged to attend.

Mrs. Rowland Nitcher, wife of the educational director of the First Baptist Church is a patient in the West Texas Hospital, Lubbock, having undergone surgery Wednesday morning.

W. G. Caswell, driver of a Pepsi Cola truck from Lubbock, spent Monday night as a patient in the hospital.

Increased Activity At Local Airport

More and more planes are stopping in at Tahoka Airport, reports John Henry, manager of the Tahoka Flying Service.

Among those flying in here have been Roy Botkin of Hereford in a low wing Comanche Piper, a drilling contractor from Midland in a 182 Cessna, both of these men coming in several times; a two engine Apache Piper from Muleshoe, and a two engine 310 Cessna from Abilene.

During the cotton poisoning and defoliation season still in progress, there has been much activity at the air port.

Mrs. Minnie Parker has been admitted to the hospital as a medical patient.

In spite of damp weather and a shortage of hands, ginning was picking up rapidly this mid-week, and 680 bales had been ginned in Tahoka up until 10:30 a. m. Thursday.

Grades are good, staple close to an inch, and cotton is bringing about 34 cents, one local ginner told The News. Cottonseed is bringing from $40. to $45.

The showers of the past week have delayed harvest somewhat, as well as the shortage of hands. More hands are arriving this week, but prospects are that there will not be sufficient hands to keep up with the crop.

Many fields are opening rapidly, and farmers are anxious to get cotton out of the fields before the grade is damaged.

Maize harvest is progressing more rapidly, although some grain will not be ripe until later in the fall. The crop, much of which is in the new hybrids, is turning out unusually well. Some dry land maize is cutting up to 2,500 pounds per acre and much of it is reported cutting a ton or more.

With one of the best maize crops in many years and an average or better cotton crop, weather permitting, farmers should end the year with a pretty fair income. Many farmers hard hit by the long drouth which ended last year have a chance to get out of debt this year, The News is informed.

Rain Is Heavy Near New Home

Showers of the past week have delayed some crop harvest operations, and a heavy downpour in the northwest part of Lynn county damaged some crops.

A cloudburst west of New Home accompanied by scattered hail, did some damage. The hail damage is said to have been slight, but some fields washed and crops in lakes and low places are standing in water. Up to five inches of rain fell over a relatively small area from a cloud traveling from Southwest to northeast in the area between New Home, Lakeview and Petty.

Among those receiving damage were Gene Eades, C. E. Gannaway, R. W. Allen, and W. T. Knight.

Last week, a heavy rain fell west of O'Donnell out to Newmore but no material damage was reported to The News.

Tahoka received .07 on Sept. 11, .05 on Sept. 15, and .03 on Sept. 16, bringing the total precipitation for the month to .42 inches and for the year 14.38 inches.

Rev. J. P. Durham Guest Speaker

Rev. J. P. Durham, faher of K. R. Durham, was speaker at the morning worship service last Sunday at the First Baptist Church. Rev. Durham has been in the ministry for 60 years.

Recently one of the churches in Shreveport, La presented him with a car that would enable him and his wife to continue to visit the shut ins and sick in their city. Rev. Durham is 86 years of age and brought a very forceful message on "Missions as State Missions" which was the theme in many of the Southern Baptist Churches last Sunday.

The minister and his wife plan to leave this week to visit another son in Oklahoma. The couple has eight children.

Ronnie Brooks is another of the Tahoka young men enrolling in college this fall. He enrolled Saturday in Lubbock Christian College. His bride, the former Miss Venita Shipley, expects to enroll in the college in February.

Charlene Riddle, daughter of Mr. and Mrs. A. D. Riddle, returned to Abilene this week where she will begin her sophomore year in Hardin-Simmons University.

WOW Gives Hall To Local Rotary Club

Tahoka WOW Lodge, inactive for the past several years, has donated its building on North Sweet Street, just south of the Methodist Church to Tahoka Rotary Club.

Deed o the building was turned over to the club last week by H. B. Howell, J. G. Price, and W. E. (Happy) Smith, trustees of the building for the Woodmen of the World local lodge.

The Tahoka Rotary Club is considering adding a kitchen to the building and using it as a meeting hall. For several years the building has been used by Men's Sunday School class of he Methodist Church and the Pythian Sisters Lodge.

The deed provides, according to Truett Smith, that in case the Rotary Club disbands that the property will go to the First Baptist and First Methodist Churches.

Trustees stated that since the lodge is now inactive that they wanted the building put to good use and at the same time to be relieved of responsibility for its care.

Mr. Howell said the building was erected in 1938. It is 24 by 80 feet in size and constructed of frame and stucco, with a concrete floor, has a foyer, rest room, and storage room.

The Rotary Club a few years ago acquired the old City Hall building, and with the financial help of other citizens, remodeled this building and converted it into a Boy Scout Hall and Lynn County Library. The club is now considering making more improvements of this building.

Cades Tell Of Trip To Alaska

Mr. and Mrs. A. M. Cade returned home from a six weeks trip to Canada and Alaska, during which they traveled 10,000 miles by car and 1,000 miles by boat and saw just about everything that could be seen from a highway.

In fact, except for one little stretch, they traveled over every mile of public highway there is in Alaska.

Aubra says it was a wonderful trip. The scenery was fabulous. They saw many bear, caribou, and moose, but no deer and elk. They did see mountain sheep and a large grey wolf. Fishing was excellent, and they caught a lot of Salmon and grayling.

They saw many galziers, some of them solid ice for a 1,000 feet or more in depth.

On the way up, they went by Denver, Cheyenne, Billings and Great Falls and on the Edmonton, Alberta, Canada. About 360 miles further, at Lawson Creek, they took off up the Alcan Highway to Fairbanks, 1,523 miles away, by way of Whitehorse.

From Fairbanks, where they spent three days, they went to Mount McKinley National Park, back down to Anchorage, Seward, Homer, Valdez, and Chitina, all on branch roads.

They next went over to Dawson, Youkon territory, off the beaten path, up the Klondike, and back to Whitehorse. Here they loaded their station wagon on the train and went to Skagway.

At Skagway, they boarded a Canadian Lines steamship (freighting their car) and went down the Inside Passage to Juneau, Petersburg, Wrangell, Katchikan, and from there back into Canada waters to Pince Rupert and finally to Vancouver.

Taking out in the car again, they traveled down the Coastal Highway through Washington and Oregon, into California, thence to Reno, Salt Lake City, Denver, and on home.

Some nights, they slept in their station wagon. Both agreed it was a trip never to forget in spite of the graveled roads along the Alcan Highway and high prices paid for gasoline up to 70 cents per gallon and probably an average of 60 cents after leaving the U. S.

There are many opportunities in Canada and Alaska and much virgin territory to be developed.

CORRECTION

The News erroneously printed last week that Mrs. W. R. (Tiny Lee) McNeely underwent surgery Thursday of the preceding week in a Lamesa hospital instead of the Methodist Hospital in Lubbock. Mrs. McNeely returned home Friday of last week and we wish her a speedy recovery.

By Leroy Cowan

SABBATH . . . In the beginning of time God rested on the seventh day after he rad finished his work of creation. Later when God gave the Law through Moses, he commanded the Isrealites to "Remember the sabboth day to keep it holy," Ex. 20:8. The sabbath law was given to the Isrealites and to them only, except as Gentiles were proselyted to their faith. Ex. 20:1-2; Duet 5:1-3. The sabbath was given as a sign between Isreal and God. Ex. 31:13,17. He gave it to Isreal as a remembrance of his delivering them from Egypt Deut. 5:15.

God has never in any age commanded a Gentile, as such, to keep the sabbath. There is no more reason for a Gentile to keep the sabbath than there is Russia to celebrate the 4th of July, or for the white race the 19th of June. The sabbath had a national significance to the Jews. It was made known through Moses. Neh. 9:13-14.

There is neither command, example or penalty for sabbath observance during the patriarchal dispensation which embraces the first 2500 years of the history of man. During the next 1500 years, from Sinai till the new law went into force, Acts 2, we find the command, example and penalty concerning the sabbath observance. From the time the church was established (Acts 2) until the last word of Revelation was penned there is not one command for observing the sabbath nor one penalty for not observing it. The law given by Moses was blotted out and Paul said that no man was to judge in respect of sabbath days. Col. 2:14-17. The sabbath was the seventh day of the week.

In the Christian age we are to hear Christ. Matt. 17:3-8.

HARVEST SUNDAY AT FIRST BAPTIST

The First Baptist Church will observe Harvest Sunday Sept. 14. Harvest of the crops in our community are just beginning and the members of the church are beginning their new church year. Sunday has been set aside to make plans for a great year in the spiritual life of the church.

Mr. and Mrs. Hubert Davis of Marlin have been here visiting her mother, Mrs. Nettie Davis, and other relatives.

Rev. J. B. Thompson spent Monday and Tuesday in Tahoka Hospital with a severe attack of an allergy which doctors thought for a while might have been a heart attack, the symptoms being similar. But, the preacher was "up and at "em" again Wednesday.

Watch For School Children, Advises Safety Council

College Station—The beginning of a new school year means that unless those who use the highways and byways use caution and keep a sharp lookout for youngsters. Ranch Safety sirtheh,,ruck sters, accidents are likely to increase. Children, points out the Texas Farm and Ranch Safety Council, often do the unexpected in crossing busy streets and highways, and unless the motorist is on guard, a serious or even fatal accident may occur.

The Council urges motorists to observe all traffic rules and to pay strict attention to markers and signs which have been placed to provide protection for children. They also urge parents to discuss with their children the rules of good behavior as they apply to personal safety. Even the youngest child can be trained in safety say the safety group. A young child, they remind, is a keen observer and often repeats the actions which he has seen older persons do. Therefore, say the Council, adults and older youth can have much influence on the safety habits which a child may develop.

In urging farm families to give more thought to the safety of children, the Council points out that accidents cause more deaths of children under 14 than the total of the next four leading causes. Major causes of accident to farm children are listed as falls, motor vehicles and farm machinery.

Most accidents can be prevented if the simple rules of safety are followed. The Texas safety group believe that time spent teaching safety habits can be a mighty important factor toward given a child the right start in life.

International Truck Dealership Opening Here Next Tuesday

An International Pick-up and Truck sales and service agency will open in Tahoka next Tuesday under the firm name of Tahoka Motors, Inc.

The agency is opening in the former Buick agency building on Main (the Lubbock highway) and North Fifth streets.

Marvin Healy, a 1947 graduate of Tahoka High School who has been living in Lubbock and Colorado City the past ten years, is the general manager. Dave Polk will be shop foreman, and Fred 'Slick) Williams will be mechanic. Both are experienced mechanics, and Polk has had much experience with IHC equipment.

Texas petroleum industry taxes account for 33 percent of all the state taxes and licenses.

THE AMERICAN WAY

No Time — Nor Money — For Frills

TAHOKA JUNIOR CLASS NAMES 1958-'59 OFFICERS

The Junior class elected officers in a class meeting held last wek.

Officers elected were: Sandra McNeely, president; Sharon Applewhite, vice president; Sunny Gibson, secretary-treasurer; Danuy Uzzle, reporter; Student Council representatives, Barbara Thomas and Foster Dudgeon.

Sponsors this year for the class are Coaches Bill Haralson and Deane Wright.

Mr. and Mrs. W. O. Robertson of Mt. Pleasant arrived Thursday for a few days visit with old friends while en route to California to visit their daughter, Mrs. J. C. (Edith) Francis. A former citizen of Tahoka, he was in the postoffice at Mt. Pleasant for 15 years until retiring a year ago April 1, 1957. He now represents an investment banking firm.

Texas has 24,000 miles of gas pipelines.

Eight out of every ten tons of commerce handled in Texas harbors is petroleum.

The first Navy "SeaBee' battalion went into battle Sept. 1, 1942, when they were landed on the beachhead at Guadalcanal in the Solomon Islands.

On Sept. 20 1814, after the national Capitol had been destroyed by the British, Congress moved into Blodgett's Hotel under guard of U. S. Marines.

The U. S. Navy's missile age began Sept. 6, 1947, when a V-2 rocket was successfully launched from the aircraft carrier USS Midway.

John Adams, second president of the U. S., once volunteered to fight with the Marines during a sea engagement in 1778.

Two out of very three tons of Texas inter-costal waterway traffic is petroleum.

Texas production taxes on oil raised $152 million in 1957, on gas, $41 million.

Denver City Takes Bulldogs 28 to 8

Tahoka Bulldogs showed improvement over their first start last Friday night at Denver City, but lost to the Mustangs 28 to 6.

Coaches and boys are working this week to iron out more of the mistakes and deficincies, and the Bulldogs expect to give the O'Donnell Eagles a real battle here tonight.

Although Tahoka rolled up 264 yards rushing and 22 passing and 16 first downs to Denver City's 200 rushing and 36 passing for 12 first downs, the Mustangs were more alert and took advantage of breaks.

For example, with the game only a few minutes old DC led 14 to 0 and had made but 21 yards.

Tahoka received, lost the ball on a fumble, but HB Kenneth Stice intercepted QB Dan Nicewander's first play pass. After an exchange of punts, Tahoka had the ball on its 27, when QB Geo. Adams' jump pass was intercepted by Bill Gravitt for DC, who returned to the Tahoka 16. On the next play, FB John Johnson went over right tackle to score. Conversion pass attempt failed.

DC kicked off, the Tahoka boys watched the ball roll over their goal line, and Johnson covered in the end zone for the second TD. A pass to End Jimmy Curtis was good for 2 points. Score 0-14.

Tahoka immediately came to life and moved 81 yards in 17 plays, with Stice, FB Weldon Calloway, and HB David Copeland carrying the ball, and a pass Adams to Stice for 22 yards mixed in. From the 11 yard line on the second play of the second quarter, Calloway went around right end to score, but failed to run over the extra points. Score 6-14.

Late in the quarter, Tahoka moved 77 yards to the Denver City six before being held on downs.

To open the third quarter, the Mustangs marched 60 yards to score again, with Nicewander going the last 24 yards over right tackle. Conversion failed. Score 6-20.

Stice brought the kick-off from the 10 to 19, and HB Billy Tomlinson got away on a 41 yard run to the DC 40, but on the next play the Mustangs covered a Tahoka fumble.

Early in the fourth, on a 60 yard drive, DC scored again with Nicewander again going over his right tackle 11 yards, and then HB Lovelace carried around right end for the conversion. Score 6-28.

Late in the fourth Tahoka moved 76 yards from its 20 to the DC 4 as the game ended.

The Bulldogs looked much more aggressive than in the Seminole game, but the left side of its line leaked badly, at times. Tackling still was not sharp, and the Bulldogs had little downfield blocking.

Stice carried the ball for 110 yards, Tomlinson and Copeland 53 each, Calloway, 28 and Cloe 21. Ends Billy Cain and Jerry Adams showed improvement, and Center David Bray, Guard John Hegi, and Tackle Richard Stice were in the thick of the fray.

Coach Bill Haralson thinks all the boys are gaining confidence, in spite of the two losses, and will continue to show improvement. Barring injuries, the club could round into a pretty good ball team by mid-season or before if the boys continue to put out their best. The boys have a good attitude, and are gaining experience.

Tahoka	Satistics	Denver City
16	First downs	12
264	Yds. rushing	200
22	Yds. pasing	36
1	Passes com.	3

New Home Wins Game At Hart

New Home Leopards racked up a 22 to 0 victory at Hart Friday night, and Coach Hubert Williams' boys are showing new enthusiasm this week in preparing for their game at Ropesville this Friday night.

Halfback David Crooks got in the spotlight this week by scoring two times, once on a six-yard off tackle slant in the first quarter and again in the second on a three yard plunge.

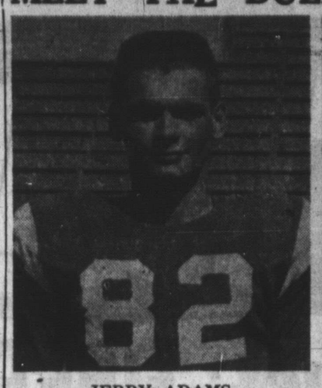

Wesley Dean furnished New Home fans a thrill with a 78 yard scoring dash, and Crooks ran over the extra points.

O'Donnell Eagles Lose At Ralls

Coach Joe Palmer's O'Donnell Eagles will really be out for Bulldog meat at Tahoka tonight following the 7 to 0 upset by the Jackrabbits at Ralls last week end.

The fighting offense-minded Eagles failed to develop a scoring punch against Ralls. The Jackrabbits' score came on a pitchout from Quarterback David Wheeler to Halfback Jimmie Boydston, who ran 32 yards down the side-line.

Wilson Is Host To Meadow Today

Wilson Mustangs will attempt to corral Meadow in a home game tonight after having been over-run last Friday at Wilson by the powerful Plains Cowboys 50 to 6.

Wilson's lone score came in the third quarter when Quarterback Billy Weaver intercepted a Plains pass and ran 20 yards for the goal line. Wilson was threatening to score again in the fourth when time ran out.

A sophomore halfback, Ray Faught, was the sensation of the game with his dazzling and consistent gains, including an 80-yard touchdown runback of the kickoff by Wilson following its lone score.

FOOTBALL SCORES

Denver City 28, Tahoka 6.
New Home 22, Hart 0.
Plains 50, Wilson 6.

Junior Teams Play Schedule

Tahoka junior football teams won one game and tied one in the opening of the new junior league play here Tuesday night with Frenship. Post and Slaton being the other two teams in the league.

Tahoka Seventh Grade won over Frenship 8 to 0 as the result of one touchdown and a conversion both made by Mike McCuiston, fullback. Coach Jake Jacobs is in charge of the Seventh Grade team.

Tahoka's Eighth Grade team outplayed Frenship all the way but came out with an 8-8 tie. Three other touchdown threats of the Junior Bulldogs were nullified by penalties and fumbles at the critical moment.

Halfback Taylor Knight scored Tahoka's touchdown in the first quarter on a 4-yard drive through the line. Conversion failed. Frenship went ahead 8-6 in the second quarter on a touchdown and conversion. Then, in the third, Tahoka drove to the Frenship 2-foot line before losing the ball on downs, and on next play a Frenship lad was tackled behind the goal for a safety and two points for Tahoka. Coach Bill Haralson appears to have some good boys coming up on this squad.

The Two Tahoka Junior teams play at Post next Tuesday night.

Schedule for the four-team league follows.

Sept. 16: Post at Slaton and Frenship at Tahoka.

Sept. 23: Tahoka at Post and Slaton at Frenship.

Sept. 30: Slaton at Tahoka and Frenship at Post.

Oct. 14: Post at Tahoka and Frenship at Slaton.

Oct. 21: Slaton at Post and Tahoka at Frenship.

Oct. 28: Tahoka at Slaton and Post at Frenship.

Lutheran League Holds Meeting

The St. Paul Lutheran League had its regular meeting Sunday evening, Sept 14, in the Parish Hall.

The opening devotion was led by Mrs. Hubert Tienert and Melvin Lehman. Bobby Wied, chairman, presided over the meeting. Arnell Lehman was accepted as a new member. The closing devotion was given by Mike Moerbe, Buddy Kaatz and Ray Nolte.

Record music was played while refreshments were served to a large group of Leaguers and visitors by Margie and Charles Talkmitt.

Bridal Shower For Mrs. Strickland

Mrs. Eddy Strickland (nee Gustene Sherrill), daughter of Mr. and Mrs. Gus Sherrill of Draw, was honored with a bridal shower Saturday afternoon, Sept. 13.

Co-hostesses for the Sept. 13 event were Mmes. J. H. Stalcup, C. L. Cook, R. C. Nichols, J. C. Bailey, Thedo Cook, Louis McKay, James Brookshire, Zan Hensley, Graham Hensley and Joel Holloway.

Miss Bessie Moore registered the guests in a white bridal book. Mrs. Thedo Cook and Mrs. J. H. Stalcup served punch, cake, mints and nuts from a lace covered table. The centerpiect was a miniature bride and groom. Ribbon streamers with the bride and bridegroom's names, Gustene and Eddy, in gold letters were also featured.

The bride's chosen colors of blue and white were carried out in the refreshments and decorations.

Approximately 100 guests called or sent gifts.

REV. W. A. BROOKS GUEST SPEAKER

Rev. W. A. Brooks, pastor of the First Baptist Church, will speak next Monday evening at the First Baptist Church in Brownfield.

Mrs. Meldon Leslie and Mrs. A. N. Norman Jr. visited last week in Henryetta, Okla., with their aunt, Mrs. J. R. McAtee.

Miss June Philpot Married Sunday To John Pinkston

Miss Elva June Philpot became the bride of John Ralphton Pinkston Sunday, Sept. 14, at 3:00 p. m. in the home of the bride's parents. The Rev. Jim Sharp from Shamrock read the double ring ceremony.

Parents of the couple are Mr. and Mrs. E. Philpot, Rt. 2, Tahoka, and Mr. and Mrs. H. R. Pinkston, Ralls.

Given in marriage by her father the bride wore the wedding gown of her older sister. The dress was of white embroidered cotton satin. The bridal bouquet consisted of red roses.

Maid of honor was Miss Margaret Cawthron. She was attired in a pink cotton satin dress.

Mr. Pinkston served his son as best man.

Miss Ruth Curry played "The Wedding March" on the record player.

At the reception which followed the ceremony the table was laid with a lace cloh centered with pink carnations. Miss Mae Daun Ashbrook welcomed wedding guests and held the bride's book to be signed by guests. Mrs. Johnette Havens and Miss Shirley Lambert assisted in hospitalities.

After a wedding trip to Nashville, Tenn., the couple will be at home in Ralls. Mrs. Pinkston is a graduate of Tahoka High School. Her husband attended the schools in Ralls and at the present is employed by the P. & S. Grocery in Crosbyton.

New Home Club Plans Year's Work

The Home Demonstration Club of New Home met at the Community Center, Thursday, September 11, at 2:00 p. m.

Plans were made for the program activities for the coming year, and a committee on nominations was appointed for the election of officers in October.

Activites planned in sponsoring the Cub Scouts of the community were discussed and approved.

The special feature of the program was a very informative discussion by Mrs. Elmer Shoppa of requirements for U. S. citizenship, and the way her own citinzenship was acquired.

Ways of observing National Citizenship Day, Sept. 17, were discussed. Plans were made for a community-wide 42 party to be held at the Community Center, Monday night, Sept. 15.

Refreshments were served by the hostesses, Mrs. Claude Brown and Mrs. E. R. Blakney.

Women's Club Elects Officers

The Young Married Women's Club met Wednesday evening, Sept. 10, in the home of Mrs. Ed Miller with nine members present. A new member, Mrs. Bill Gilbreath, was admitted to the club.

Purpose of the meeting was to elect new officers. The new officers are Mrs. Wayne Huddleston, president; Mrs. Wayne Reeser, vice-president; Mrs. Bud Holland, secretary; Mrs. Ray Toney, treasurer; Mrs. Billy Reeser, reporter; Mrs. Ed Miller, Mrs. Fred Perguson and Mrs. Carl McClintock, Ways and Means chairmen; Mrs Troy Haggar, Mrs. Bill Gilbreath and Mrs. Walter Stice, program chairmen; Mrs. John Henry and Mrs. Ray Toney, Social and Gift chairmen.

The next meeting will be held Sept. 24 in the home of Mrs. Walter Stice.

Mr. and Mrs. Berry Fischer and twin daughters were called to Throckmorton Saturday to see his grandmother, Mrs. Eula Killman, 84, who suffered a stroke on Thursday.

Today's MEDITATION from The World's Most Widely Used Devotional Guide

The Upper Room

© THE UPPER ROOM, NASHVILLE, TENNESSEE

I came down from heaven, not to do mine own will, but the will of him that sent me. (John 6:38.)

Here Jesus speaks of two wills, separate and distant: His own will and His Father's will. Just as Jesus had a will of His own, so have we. One of God's greatest gifts to us is free will. We can exercise our will for or against God. We are free to do His will or our own.

Jesus knew that the great purpose of His life was to do the will of His Father. We also fulfil the purpose of our lives when our wills work in harmony with God's will.

I have a friend who one day was offered an important contract. He turned it down, saying: "It might throw me into an atmosphere where I may lose my soul. And 'What is a man profited, if he shall gain the whole world, and lose his own soul' ?"

He could have gone ahead, doing his own will, but he refused. He knew that his peace was determined by doing what he believed to be God's will rather than his own. When God's will and our own are one, our thoughts are heaven-like. So are our actions.

PRAYER

Eternal Father, Thou hast given me the choice either of refusing to go Thy way, or of doing Thy will. Thou art wiser than I. Come and dwell in my heart and mind. Fulfil Thy high purposes in me; work in and through me. For the Saviour's sake. Amen.

THOUGHT FOR THE DAY

When I do God's will, I do not lose my way. —J. Clifford Mitchell (England)

World-wide Bible Reading—Hebrews 3:1-19.

District Deputy Pythian Visitor

Most Excellent Chief, Corene Cathcart, directed Tuesday night's meeting of Pythian Sisters Lynn Temple No. 45 in the WOW Hall with 26 members present.

District Deputy, Mrs. Gayle Johnson, Big Spring, made her official visit to the Temple and gave a talk. She also stated that Sterling Temple No. 43, Big Spring, will be hostess to the district meeting to be held in March. Visitors from Lamesa and Big Spring were in attendance.

On Sept. 11 six members from the Lynn Temple attended a banquet and meeting in Big Spring at which time the Grand Chief, Ruth Russell, made her official visit.

Several members plan to attend a banquet and meeting at Lamesa Thursday night, Sept. 18, when the grand chief will make her official visit there.

Hostess duties were carried out by Nina Short, Mildred Sherrill, Florene McCracken and Helen Ellis.

Next meeting will be Oct. 7 at 7:30 p. m.

Bridge Winners At T-Bar Club

Winners in duplicate play at T-Bar Country Club Tuesday night were:

Mrs. D. W. Gaignat and Johnny Wells, first; Mrs. Eldon Carroll and Mrs. Mel Leslie, second; Mrs. A. N. Norman and L. C. Haney, third; and Mr. and Mrs. Dale McElroy, fourth.

Next Tuesday night is Master Point night at the club.

District Lutheran Meet At Wilson

Northwest Texas Pastoral Conference of Texas District of American Lutheran Churches was held at St. John's Church in Wilson, Monday and Tuesday, Sept. 15 and 16.

Seventeen pastors of the area, which extends from Odessa to Wichita Falls and from Amarillo back to Odessa, attended the conference. The pastor of the Evangelical Lutheran Church in Midland, Rev. Ehring Peterson, and Rev. V. A. Mohr, president of the Texas district also attended the conference.

Laymen gave information on Grace Lutheran Sanitarium and Texas College, Seguin.

Officers for the conference were Rev. Bill Slaughter, Lubbock, president; Rev. C. C. Ehlers, Abilene, vice president; and Rev. Robert Barry, Haskell, secretary-treasurer. These officers were all re-elected before the conference concluded.

PREPARATION WEEK FOR FIRST CHURCH

The officers and teachers of each department of the First Baptist Church will meet with the pastor, W. A. Brooks, and superintendents each evening beginning Monday. Pastor Brooks will meet with the Intermediate Department on Monday at 7:30 p. m., the Adult and Young People on Tuesday, the Junior Department on Wednesday and the Beginner and Primary Departments on Thursday.

Pastor Brooks will discuss the plans for study courses for each teacher and officer and also discuss the program of visitation for each department. Every officer, teacher and superintendent are requested to meet with their department the evening designated.

September 21 through the 28 is the date set aside for Preparation Week and Plans for the New Sunday School Year.

SPEAKER AT BAPTIST MISSION

Rev. Jose Tenorio Trujillo, Spanish speaking evangelist from Odessa will speak at both of the worship services Sunday at the Mexican Baptist Church.

Everton Nevills urges all members of the Mexican church to be present for Sunday School at 9:45 a. m.

The following committee of the First Baptist Church will work with the members of the Mexican Mission in securing its own pastor. Everton Nevill, chairman; Lynn West, Frank Greathouse, George McCracken, M. H. Brasher and Rev. W. A. Brooks.

Mr. and Mrs. R. J. Herbst and children moved from Farmington, N. M., to Lubbock this week. Mrs. Herbst is the former Miss Mary Carpenter, daughter of Mr. and Mrs. Dan Carpenter, route 4.

ASSEMBLY OF GOD
Rev. H. C. Lonis, Pastor

Sunday

Sunday School	9:45 a. m.
Morning Worship	11:00 a. m.
Childrens Hour	7:30 p. m.
Evening Worship	8:00 p. m.

Wednesday

Prayer and Bible Study	8:00 p. m.

We invite you to come worship.

FIRST BAPTIST TRAINING REVIVAL

The week of Sept. 28-Oct. 2 is the date for the week of training for all members of the First Baptist Church. The week of training is being sponsored by the Training Union.

Mrs. Pat Crawford, Eastland, will direct the school of instruction and will lead the adults in Christian Leadership. Mrs. Crawford has directed many training schools over the state. All members of the First Baptist Church are urged to make plans to attend.

Mr. and Mrs. Johnny Reasonover went down to Abilene Saturday, visited their daughter, Ann, and saw McMurry College defeat Sul Ross 36 to 6.

Scotch Foursome Is Held Sunday

Last Sunday afternoon at T-Bar Country Club a Scotch Foursome Tournament was held. Each player was allowed the use of only one club and there was no handicap.

Jeanette Harvick and Lottie Jo Walker each won a golf ball on the No. 6 green. Each player was given golf balls, and trophies were presented to the top eight players.

Winners for the top three places are as follows: First place, Robert Harvick and Lottie Jo Walker with a score of 44.

Tied for second, Irene Spears and C. W. Conway; Glenda Dunagan and Jack Alley Robinson with a score of 46.

Tied for third, Jeanette Harvick and Punk White; Red Brown and E. L. Short with score of 47.

Tommie Beckwith and Lester Strech won the prize for the highest score which was 62.

Noah Lee Cromer, 1947 graduate of Tahoka High School and now a resident of Lubbock, was a visitor in Tahoka the past week.

Congratulations:

Mr. and Mrs. Cecil Ray Owens on the birth of a daughter Sunday, Sept. 14, at 12:15 a. m. at Rumbo Clinic in O'Donnell. She has been named Mary Lou Owens and weighing six pounds seven ounces. The Owens have one other daughter.

Mr. and Mrs. Billy Lee Long, Post, on birth of a daughter in the Tahoka Hospital Wednesday, Sept. 17, at 2:46 a. m. She has been named Julie Roxanne Long and weighed eight pounds two ounces.

CARD OF THANKS

Many, many thanks for the cards, flowers, candies, and well wishes on my birthday Wednesday—my 90th. It's certainly fine to know one has such good friends, and my prayer is that the good Lord will bless all of you. —Mrs. W. A. (Hattie) Yates.

Mr. and Mrs. Homer St. Clair of Garner arrived Sunday for a few days visit with her mother, Mrs. S. N. McDaniel. Although the latter is 91 years of age, she still does her own housework.

WASHINGTON AND "SMALL BUSINESS"

By C. WILSON HARDER

Obviously, it is not in the best interests or fitting to the dignity of the United States of America for the nation's vice president to get roughed up.

* * *

Yet, the recent unfortunate experience by Richard Nixon may bear beneficial fruit, provided that even the leaders of the executive branch of the government can overcome the somewhat fuzzy machinations of the State Dept.

C. W. Harder

* * *

While it was officially announced that the violent demonstrations against Nixon were Communist inspired in the Latin American Nations he was visiting, there were also reports the people were mad in one instance because we had curtailed imports from the nation, other reports were to the effect they were not satisfied with the extent of American give-aways to them.

* * *

But it probably remained for the Vice President to state what he felt was wrong with the American policies which have resulted in digging deep into every cash register along Main Street.

* * *

He said quite plainly and simply, that the United States should re-evaluate its relations with dictator led nations.

* * *

This could be one of the most important utterances of modern times, if government acts upon this observation.

* * *

Or, as Sen. Joseph O'Mahoney has long held, as and he reiterated in Washington during hearings on the extension of the foreign give away bill, there should be more judicious determination of just who gets what. The Wyoming Senator, for example, would withhold foreign aid from any nation lacking anti-trust laws on the basis that building up monopoly systems is not doing the world any good.

* * *

And perhaps he is well supported by current events in France which next to the United Kingdom has received the biggest chunk of foreign give-away money. Despite all this outpouring of American dollars, largely to French cartel interests, it does not appear that France has been one whit stabilized.

* * *

It has always been claimed that the idea behind the huge give away programs is to build up the "free" nations. This definition of "free" has always appeared to be most peculiar.

* * *

If a nation's government is against Russia, that in the minds of the State Dept, immediately makes it a "free" nation. There is no weighing whether or not the nation is only "free" of Russia because it's run by a dictator who doesn't want to let the Kremlin spoil the good thing he has.

* * *

Thus, by this same specious reasoning, the U. S. had no business fighting Germany in World War II. Nobody hated Russia worse than Hitler.

* * *

Neither was Imperial Tokyo and the Kremlin on exactly a buddy-buddy basis.

* * *

Thus, the Vice President of the United States made a very apropos comment on this matter of foreign aid.

* * *

It will be interesting to see if there is a continuation of mammoth give aways to dictator ridden nations such as was being handed out to communist Tito's Yugoslavia before Sen. Wm. Knowland exposed the situation. Elimination of gifts of tax money to foreign dictators could make it possible for a very tidy tax cut.

© National Federation of Independent Business

Belgian . . .

(Cont'd. From Page 1)

The country went socialistic four years ago, and since then there has been less freedom. Religiously, it is strongly Catholic. The only Protestant church in Namur, a city of 40,000 is the Anglican Church. He langhingly said the Methodists need to send some missionaries to Belgium. Boys and girls go to separate schools.

Belgians dislike the Germans very much because of the treatment they received during the four years of Nazi occupation. He declared they like Americans and thank them for liberating their country.

He said most Europeans think New York is America, but he has found this is an entirely-wrong impression.

He was impressed by the number of cars, doors operated by electric eye, people calling each other by their first names, the friendliness of the people, especially of Texans, air-conditioning in cars, the many comforts and conveniences in the homes, and the shops which sell almost everything.

Among the new experiences he enjoyed while here were surfboarding, golf and tennis, all too expensive for anyone but the rich in Belgium. He was surprised at our freedom and the amount of traveling around we do.

He had enjoyed a trip to Ruidoso, to El Paso and Juarez, to Austin," the capital of the world," to an old ranch house in San Saba county, and to the lake fishing with Happy Smith, "The world's best fisherman."

Tasiaux said he had studied English, but now speaks Texan and still can't speak English. He said he had learned never to believe a Texan. "I think Texans are crazy, but I wish to come back and be crazy, too."

Joe said in his country, they think of Rotarians as being rich men, but over here he found out Rotary is truely democratic and is open to men from all walks of life seeking to serve.

Rotarians and others of the community greatly enjoyed the young man's visit here, as he had a fine since of humor, as have the other three visitors from Europe the club brought over here.

Dr. Skiles Thomas introduced the speaker.

Following the talk, a pair of cowboy boots and a Western hat were presented Joe by the Rotary Club.

Charles Whitson of Lubbock made a brief talk on the proposed Dale Cornegie course to be offered in Tahoka soon. A committee composed of Dr. Emil Prohl, Wynne Collier, Ronald Sherrill, A. M. Bray, and Frank Hill was appointed by Pres. Otis Spears to sponsor the course.

Truett Smith announced the donation of the old WOW hall to the Rotary Club by the trustees, headed by H. B. Howell.

FAIR BOOSTERS HERE

A group of Lubbock men were here Wednesday advertising the Fair which will be held in that city Sept. 29- Oct. 4.

Mary Lou and Margaret Sue McKee returned home today from Wayland Baptist College in Plainview to visit their parents, Mr. and Mrs. L. D. McKee, and to see the Tahoka-O'Donnell game.

Mrs. Jodie Nevill is a medical patient in the hospital.

On Sept. 2, 1945, the Japan-World War II ended. The formal surrender of Japan was signed aboard the U. S. Navy's USS Missouri in Tokyo Bay. At anchor in Japan's main seaport was the victorious U. S. Fleet.

Society & Club

Dixie H. D. Ladies Enjoy Program

The Joe Stokes Club met with Mrs. Tom Russell for a regular meeting. Seven members were present for the short business session and games that followed.

Mrs. Laura Bowman, Lynn County Home Demonstration Agent, and Mrs. Aubrey Russell, district agent, were also present.

The group played games of "It Could Be You" and the "Hulla Hoop." Mrs. Bowman told much about grasses and trees to be grown in this locality.

Next meeting will be Oct. 9 with Mrs. H. D. Dean.

Joe Stokes Club Holds Meeting

The Dixie Home Demonstration Club met in the home of Mrs. Troy Copelin with eight members present.

The group studied the legal discriminations against married women in Texas.

Next meeting will be with Mrs. Glon Cobb at which time the ladies will study how to prepare beds for shrubs and bulbs. Mrs. Laura Bowman, Home Demonstration Agent, will again lead the group.

Mrs. Sam Reid returned home this week from Fort Worth after undergoing surgery in a hospital there a few weeks ago.

The Lynn County News

TAHOKA, TEXAS — "Heart of the South Plains" — FRIDAY, SEPTEMBER 19, 1958

Lynn County Soil Conservation District News

ROY L. WILLIAMS — ELLIS BARNES
O. E. TERRY — W. L. (Cap) ROWE
ELMER BLANKENSHIP

Management of Crop Residue

The care you give your crop residue next winter may give you protection to your land next spring when the winds really begin to blow hard. We had a rather easy spring this year as far as wind is coneerned but we all know that we can expect a lot of wind sometime during the spring. Maize stubble can be very valuable in cutting down on wind erosion if it isn't cut off next to the ground and you leave it standing to break the wind. The stubble may not be enough to do the job alone but don't be in too big a hurry to plow —give your stubble a chance to hold and then plow when you need some roughness to help hold the blowing.

Cover Crops

The best protection you can give your land is a good growth of small grain. This cover can not only protect the land, but will give you some added income in the way of grazing and added organic matter to the soil. The new strains of rye look very promising in providing cover and grazing. The Tetraploid Rye we had in the District last year made a quick early growth and produced well through the winter and spring. The District has inter-row seeders for cover crops between the rows of cotton and feed. Cover crops can be seeded behind the combine and grain sorghum stubble. Eight row cotton dusters may also be used. The secret is to get it in early so it can get some growth before cold weather and then plow it up in the spring before too much moisture is taken from the following crop.

Conservation Reserve

In order to put your land in the conservation reserve next year you will need to make your application with the ASC office by September 26. Dee Green can give you the details on the new provisions for this program for next year.

Need a Trip to Bronco?

It is worth the time to go up to Bronco to see the pasture that Bobby Field had sprayed for control of turpentine weed (broom Snakeweed). Clipping studies show that grass production was doubled where the weed was killed.

The Proper Use of Range

Proper range use is a practice important in Great Plains agriculture. Use of the practice seems to be a tough one to catch the hang of in some areas. The object of proper range use is to leave, in grazing, enough grass for the protection and improvement of the soil and to keep and improve the quantity and quality of the kinds of grass you want.

The research folks have come up with a pretty good rule of thumb. Grasses like sideoats grama and blue grama do best if only about half the plant is grazed off. In an average year, this means that sideoats stubble should be left about 4 inches high and blue grama about 3 inches. At those heights these grasses would have about 50 percent of their current year's leaf growth taken. There are variations in this, of course; and variations in growth mean variations in stubble height. On low growing stands of buffalo grass, one to two inches of stubble should be left, or enough to insure that the soil will be protected from washing. The stubble is merely a way of figuring in general what amount of grass you can safely take.

The Soil Conservation Service men who check on this practice in the Great Plains Conservation Program are instructed to make sure that farmers and ranchers understand it. They will help in every reasonable way.

Too dry weather will be taken into account always. Farmers and ranchers will have every chance to do a good job of proper range use.

Great Plains Conservation

The Lynn County SCD now has seven Great Plains Program Contracts in force and three are in the process of completion. Check with your supervisor or with the technicians at the SCS office in Tahoka. This program may be made-to-order for your farm or ranch.

Supervisors Election

The Lynn Soil Conservation District is governed by a board of Supervisors. These men are elected by the landowners in the District and serve a five year term. Each year one supervisor is elected. This year is to be in sub-division 5 and will be held on October 6th at the New Home community club house. This part of the District encomposes all of the north west one-fourth of Lynn County except for a rectangular block formed from the town of Tahoka to seven miles west, thence 5 miles north, thence seven miles east, thence five miles south to Tahoka.

To be eligible to vote in a soil conservation district supervisor's election, a person must own agricultural land within the subdivision where the election is being held. He (or she) must live in a county all or any part of which is in the soil conservation district. The voter must have attained the age of 21 years. No poll tax is required. Under the community property laws of Texas the wife of a land owner also owns land and is entitled to vote and hold office.

Sioux Prayer

As a parting shot, here is a Sioux indian's version of the Golden Rule: Great Spirit, help me to never judge another until I have walked a mile in his moccasins.

O'Donnell Calls Bond Election

O'Donnell citizens will vote Oct. 4 on a $50,000 bond proposal for City of O'Donnell improvements. The election was authorized at a meeting of the City Council Thursday night presided over by Mayor J. T. Forbes.

Among the improvements proposed are a city park and swimming pool, a community club house, and a new fire station.

Voting the bonds, which would be retired in ten years, would require a tax increase of one-third, from $1.00 to $1.33.

HONOR VERNON CLEM

Vernon "Skeet" Clem, local manager of Pioneer Gas Co. at Seagraves, has been elected as a member of the Chamber of Commerce board of that city. Formerly of Tahoka, he is the son of Mr. and Mrs. C. A. Clem.

School cafeteria menus for next week follow:

Prizes Awarded Mrs. Sue Hudman

Mrs. Sue Hudman, daughter of Mr. and Mrs. Dan Carpenter, who was crowned queen of the Blanco Canyon Cavalcade at Crosbyton's 50th anniversary celebration was the winner of many valuable prizes along with the honor, according to her mother.

In addition to an all-expense paid trip to Galveston, Sue was awarded $300.00 in cash, a mouton coat, on oil portrait, a $120 gown and negligee set, luggage, an electric razor, and several other gifts.

BRAYS ATTEND FUNERAL

Mr. and Mrs. A. M. Bray attended the funeral in Paducah Saturday of E. A. Carlock, long-time publisher of the Paducah Post, who died Thursday from burns received while trying to extinguish a grass fire on the golf course. Mr. Carlock had been supenintendent of the Methodist Sunday School there 42 years. His wife and Mr. Bray's moher are cousins.

Area Papers Form Agency

The Lynn County News has joined an advertising-marketing association composed of nine major weekly newspapers covering the South Plains area.

Formation of the South Plains Newspaper Association took place late last month with the election of Jim Cornish, Pos Dispatch, as president; Curtis Sterling, News-Herald of Brownfield, vice president; and Francis Perry, Slaton Slatonite, secretary.

Central office of the association will be maintained in Lubbock to facilitate servicing area-wide advertising accounts.

In organizing the South Plains Newspaper Association, the member papers compiled information that showed their counties contain about 400,000 people who make about $500 million annually.

Member papers of the association are: the Lamb County Leader, Lynn County News, Slaton Slatonite, Ralls Banner, Post Dispatch, Floyd County Hesperian, Crosbyton Review, Brownfield News Herald and the Hale Center American.

TV Will Carry School Program

The first program of a new educational television series entitled, "Texas Curriculum Studies" may be viewed on Channel II, Station KCBD at 5:15 P. M. October 8. Dr. Isham Hill, assistant superintendent of Lubbock Public Schools and chairman of the Area Education Television Committee, explained that this is the third year the Texas Education Agency has sponsored such a series. The programs last year were entitled "Adventures in Education."

Main objective of the new series is to stimulate state-wide study of the school curriculum, grades 1-12. All viewers of the telecasts, including lay citizens, will be asked to make suggestions and recommendations to the eleven study commissions which were activated earlier this year by the State Board of Education and which will be continuing their studies throughout the 1958-59 school year. The programs are also presented for the purpose of qualifying holders of Bachelor Degrees for temporary teaching certificates.

Doesn't Look So Good When You Take Her Home

FLORENCES TELL OF TRIP TO EAST COAST

Mr. and Mrs. Walter Z. Florence returned recently from a visit of several weeks to the Eastern States.

They visited in Georgia and South Carolina with brothers and sisters and in New Jersey with their daughter, Mrs. Mamie Hackenburg.

While visiting the daughter, they went to New York City to see the sights and saw a baseball game between the New York Yankees and Boston.

Supt. W. T. Hanes of Irving, former local school superintendent, announced last week in the Irving News, that 9,252 students had enrolled in schools there the first week in the mushrooming town. Leo Jackson, former Tahoka coach is athletic director there, and Homer Tompkins, formerly of Slaton, is head coach.

Homemaker News . . .

By Laura Bowman
County H. D. Agent

For several weeks I have been intending to mention the road side park north of Tahoka. People passing through this country have commented on how beautiful the park is. All summer we have enjoyed the flowers and greenery in the park. I think we should let the Texas Highway Department personnel know just how much we appreciate having such a nice spot in our country for our enjoyment.

* * *

To clean and brighten velvet, extension clothing specialists make this suggestion. Place the velvet on the ironing board with the nap up. Smooth gently to remove the wrinkles, then pin down the edges. Put a few drops of chloroform on a soft cloth and rub carefully with the pile of the velvet. The chloroform evaporates rapidly, so redampen the cloth several times. This helps to restore the color as it cleans. CAUTION: Work outdoors or near an open window.

* * *

I have heard a number of women complain of their canned vegetables having spoiled. Several factors can enter in when canned food spoils. One of the most common cases is faulty or worn-out pressure cooker gauges. Lynn County has a gauge tester which is kept in my office. If you are in doubt as to the accuracy of your gauge, don't take a chance. Just notify my office to have your gage tested. Pressure cooker gauges should be tested once a year.

* * *

The other day I was at the Gion Cobb home. Having a pretty well planned yard is certainly enjoyable for visitors. In West Texas, wind breaks are a necessity for farm homes. The Cobbs have a nice start with Arizona cypress. Not only do wind breaks help to prevent sand from covering the house, they also give privacy. This fall home demonstration clubs are studying landscaping. If you are interested in having and keeping pretty yard, visit some of the club meetings.

For a "hot dog" that's different try grilled frankfurters on onion-buttered rye bread. Spread bread generously with butter, sprinkle with instant minced onion, then top with hot frankfurters split lengthwise. The sweet crispness and gentle flavor of this moisture-free onion are delightful.

Thinking of doing some painting, papering, or refurnishing before winter comes? If so, choose colors for a reason—to get the special effects that you may want and, at the same time, provide a comfortable, pleasant background of everyday living.

Begin by analyzing the room, suggest extension home furnishings specialists. Its use, shape and exposure will determine colors best suited.

Decide how you want the room to look. Will it be light and gay, restful or dramatic? Do you want it to be pre dominantly warm or cool?

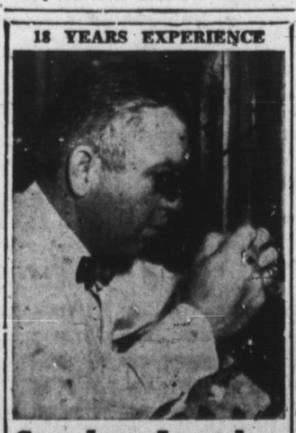

A good color plan has few colors, usually no more than two or three—in different values and intensities. The best color schemes grow from a dark color, a light color and a bright color. Black, white and grey are not considered colors, but are often used to give a needed accent of light or dark.

Choose your favorite color if you do not need to consider the color or colors of furnishings which you must keep. Or select a picture or print which has your chosen colors and plan your scheme from that.

Good proportion of the different colors is important. This means that your color scheme will be definitely dark or light and that either warm or cool colors will predominate. Proportions of 60 per cent for accent, insure good cent of area for one color, 30 percent for a second color and 10 proportion.

When you place the colors in a room, choose the color for the largest areas first—floor covering, walls and large upholstered pieces. In most cases, these should be your most livable colors, or colors that are greyed in intensity. Next, choose colors for small upholstery and the window treatment. This treatment may be a blend of the room colors, or match or contrast with the walls. Lastly, choose your colors for accessories and small areas—pillows, lamps, ash trays, etc. Usually, this accent color is the brightest color.

Roy Everett reports his wife, Elizabeth, who has been visiting her parents at Paducah the past two months is now getting along fine and regaining her health. She was very critically injured in a car wreck last year.

Everyday Religion

By
J. B. Thompson

Fortune Magazine had a success story of an industrailist who had been catapulted into prominence by the war industry. The biographer described him as one who "swears beautifully and easily" and addresses all, cultured and uncultured alike, with an evil epithet. It is a poor notion that to be a real "heman" one must be a human volcano belching forth a seething stream of foul-sounding oaths.

We are told by the proponents of profanity that it furnishes a necessary condiment for speech and that it is to language what mustard is to a "hot dog." The lowly wiener may need a taste crutch but a thick, juicy, Hereford T-bone steak can stand alone. Solid speech, likewise, can stand on its own without profane embellishments.

Profanity denotes weakness of vocabulary and sterility of thought. A "cuss word" is a poor substitute for an idea. Wit, to be spicy, does not require doses of caustic corruption and pungent emphasis is possible wihtout irreverence.

The use of profanity does not end merely in the blighting of language; it goes deeper and dulls the edge of moral judgment. A pure, clean life and a pulluted stream of profanity cannot issue from the same fountain. The writer once saw a high school play that reeked with profanity and suggestive vulgarity, and in discussing the question with the school principal was told that students must experience the realities of life as well as the ideas to be truly educated. It is a strange logic that assumes that filth is real and purity is unreal. Is not a pure idea as real as a polluted one.

Susie Smith, daughter of Mr. and Mrs. Happy Smith, is another of the students returning to Texas Tech, where she is a senior this year.

Legal Notices

STATE OF TEXAS
106TH JUDICIAL DISTRICT OF TEXAS.
COUNTY OF DAWSON

On this the 6th day of September, 1958, came on to be considered the matter of the salary of the official court reporter of this, the 106th Judicial District, and it appearing that under the laws of this State such salary may legally be set at the sum of $6,600.00 per annum, the exact amount to be determined by the Judge of the Judicial District, as provided by law, and it further appearing that the salary of public officials have been from time to time increased by the Legislature of this State because of the increase in cost of living, and it appearing that the duties and responsibilities and amount of work of the official court reporter has greatly increased, that the salary of P. G. Vander Linden, court reporter of this Judicial District should be placed at the sum of $6,600.00.

IT IS THEREFORE ORDERED, ADJUDGED AND DECREED that the salary of P. G. Vander Linden, Official Court Reporter of this, the 106th Judicial District of Texas, be and is hereby fixed at the sum of $6,600.00 per annum, payable $550.00 per month, beginning on the 1st day of October, 1958, to be paid by the several counties of this Judicial District in proportion to their population, according to the United States 1950 census, as provided by law regulating such salary.

IT IS FURTHER ORDERED that a copy of this Order shall be entered in the Minutes of the District Court of each county in this Judicial District, a copy shall be furnished to each Commissioners' Court in each county in this Judicial District, and that copy shall be printed one time in at least one newspaper in each county of this district, and that the cost of publication of said notice shall be paid by the Commissioners' Court of each such county, as provided by Article 2326, Revised Civil Statutes.

Payment for each county should be as follows, commencing on the 1st day of October, 1958.

County	Pop.	Perct.	Salary per Annum	Per Month
Dawson	19,113	30.4	$2,006.40	$167.20
Gaines	8,909	14.2	937.20	78.10
