## PENALTIES ON UNPAID TAXES

### LIMIT ON SUSPENDING PENALTIES ON DELINQUENT TAXES EXPIRE

The time limit on the suspending interest and penalties on delinquent state and county taxes will expire on June 30, according to J. H. Talley, sheriff and tax collector. All penalties and interest will be included in tax settlements made on that date. According to a letter received by Sheriff Talley from George H. Shepherd, Comptroller of Public Accounts, the old law prescribing ten per cent penalties and six per cent interest per year will be in force after June 30. This means that on and after June 1, 1934, Comptroller Shepherd stated, "this year, the penalty interest you will be required to charge will not be six per cent, but will include six per cent interest on the date it was first delinquent, plus ten per cent penalty. Every one per cent will be added to delinquent taxes. Twenty-five per cent will be added to 1931 delinquent taxes. Nineteen per cent will be added to 1932 delinquent taxes. A delinquent cost will also be added in addition to the above." In order to avoid the payment of the extreme penalties, Sheriff Talley urges all Ochiltree county property owners to make complete payment of delinquent taxes this month.

## Observing Anniversary

The Perryton Wholesale Candy Company, operated by Mr. and Mrs. A. E. Dyatt, is observing its first anniversary this week, according to announcement in this issue of Herald.

## Dance At Farnsworth

The demonstration club sponsoring dance at community center Friday evening. The old fashioned dance and party will be held in the Community Center at Farnsworth on Friday evening, June 7. This party is sponsored by the Farnsworth Home Demonstration Club, the proceeds to be used to pay the expenses of the delegate to the Short Course College Station. Refreshments will be served. The dance of the club extend a cordial invitation to the general public to attend this dance. The cause is a worthy one and an evening of good amusement is offered all who attend. Admission is fifty cents.

## Talley Wins Tourney

Talley had an easy time winning the championship flight in the tournament at Liberal Sunday. Two liberal players were in the second and third places. This was the second of the one-day tournaments sponsored by the East Park Club. O. Young of this city was second in the first flight entries. Ochiltree flyers entered were W. Perry and Chas. Hargrave.

## Graduates Kingsville

Vern Conner Has Obtained Position as Vocational Agriculture Teacher at Rotan. Mr. and Mrs. L. R. Conner and son, Vern, returned last week from Kingsville, Texas, where Vern has just completed a course in vocational agriculture at the Kingsville College. The Conners were down for the commencement week activities. R. J. Cook, formerly head of the vocational agriculture department of the Perryton schools, is dean of the Kingsville school. Vern will return to Kingsville this week to do some special work. He has already signed a contract as vocational agriculture teacher in the schools at Rotan, Texas. His many friends in this section are proud of his record in college and the position that he has been tendered.

## Max Boyer Motored to Canyon

Max Boyer motored to Canyon Monday to take Mrs. Boyer, who will attend teachers college there this summer. Mr. and Mrs. O. M. Cooper and Winifred visited in Pampa Thursday and enjoyed the celebration.

## RED CROSS TO HOLD ELECTION

### MEETING CALLED FOR MEMBERS OF COUNTY CHAPTER AT COURTHOUSE MONDAY AT 4:00 P. M.

Jack R. Allen, president of the Ochiltree County Chapter of the American Red Cross, has called a meeting of all chapter members in the district courtroom at the courthouse for four o'clock, Monday afternoon, June 11. This meeting is called primarily for the purpose of electing the officers to serve during the next year. Reports of all activities and finances will be made. Every member and person interested in the administration of the Red Cross is urged and invited to attend this meeting. Present officers are Jack R. Allen, president; Van W. Stewart, vice president; Mrs. Dewey R. Allen, secretary; R. T. Shindler, treasurer; Chas. W. Claybaugh, publicity chairman; Mrs. H. P. Lorenz, nursing chairman; W. B. Irvin, Junior Red Cross chairman; Paul Ballew, rehabilitation and home service chairman; and Mrs. F. L. Garrett, volunteer service chairman.

## BASEBALL GAME SUN. AFTERNOON

### MANAGER WILSON STRENGTHENS PERRYTON CLUB TO MEET EAST CANADIAN NINE SUNDAY

Manager Jas. W. Wilson of the Perryton ball club states that there will be a number of new faces in the local line-up when they meet the East Canadian club on the local diamond, Sunday afternoon at three o'clock. Mr. Wilson has secured a number of new players, whom he thinks will add much strength to the team. So far this year, the local club has not proved much competition for the opposing clubs. The Canadian team is plenty good. On last Monday afternoon, they held the fast stepping professional House of David team to a 3 to 1 victory. Sandy Cliff, a former Perryton player, was on the mound for the bewhiskered aggregation. A number of Perryton people saw this game.

## FARMERS DEBTS ARE REFINANCED

### FEDERAL FARM LOANS IN OCHILTREE COUNTY TOTAL \$720,900 FOR PAST ELEVEN MONTHS

A total of \$720,900 of Federal land bank and Land Bank Commissioner's farm mortgage loans was made in Ochiltree County, Texas, from June 1, 1933, to May 1, 1934, according to the Farm Credit Administration. Of this total, farmers in Ochiltree County used approximately \$720,000, or 93.4 per cent to refinance their indebtedness. By refinancing, farmers obtained new mortgage loans which they used to repay their old debts. They generally reduced their annual interest charges in doing so. In a number of cases, scale-downs of indebtedness occurred in connection with the new loans. These and other advantages benefited farmers primarily. Secondly, creditors benefited from the receipt of cash or bonds in exchange for obligations they held. Of the loan money used by farmers in Ochiltree County for refinancing their debts, about \$148,800, to banks; \$272,100, their debts to insurance companies; \$36,200, their taxes; \$249,800, their debts to "others"; or creditors not separately classified, including private mortgage lenders, mortgage loan companies, retired farmers and many others to whom farmers were in debt. A total of about \$50,900 of loans in the county was used for purposes other than the refinancing of borrowers' debts. Of this sum, \$22,400 was used for the purchase of land and equipment, the construction of improvement of buildings, and for general agricultural uses, including the provision of capital.

## Young Democrats Meet

June Meeting To Be Held At School Cafeteria Monday Night At 8:00 P. M. The regular June meeting of the Young Democrats of Ochiltree County will be held at the school cafeteria on Monday evening, June 11, according to Max Boyer, president of the organization. All members are urged to be present and visitors are welcome to attend. A program is being prepared for the occasion and a number of important business matters will be taken up at the session.

## BAPTIST REVIVAL CLOSSES SUN.

### IS ONE OF MOST SUCCESSFUL REVIVALS EVER HELD IN PERRYTON; BRANNON IS EVANGELIST

The series of revival meetings now in the second week at the First Baptist Church will be brought to a close on Sunday, June 10. It is one of the best services ever held in this city and much interest has been manifested in the daily sessions. The attendance has been very good and a number of additions to the church have come as direct results of the inspirational sermons being delivered by the evangelist, Rev. J. D. Brannon, Rotan, Texas. Mr. and Mrs. C. O. Huber, Canyon, who have charge of the music, are accomplished artists. They direct the Booster Choir at 4:00 p. m. and the Young Peoples meeting at 7:45 each day. Services are held daily in the morning at 10:00 and in the evening at the regular hour of worship. Rev. J. M. Sibley, pastor of the church, states that everyone is welcome at these meetings and he urges the attendance of all.

## BIGGEST LIVE STOCK AUCTION

### OVER FOUR HUNDRED HEAD OF LIVE STOCK SOLD TUESDAY AT COMMUNITY SALES YARD

E. L. Turner and Wm. Vanguider, operators of the Perryton Community Sales Yards, report that the Tuesday sale was the largest ever held at the local yard. Over 400 head of live stock was sold in addition to the large assortment of household goods, farming implements and miscellaneous articles offered in the forenoon. In the sale were 175 head cattle, 200 head hogs and 25 horses. Cattle and hog prices were steady while the horses sold high. The next sale will be held on Tuesday, June 19. The managers of the sale yards are well pleased with the results of the sales and from all reports the farmers and stock owners appreciate the service.

## Ship 11 Cars Cattle

G. C. Brillhart Loads Out Fine Batch of Finished Yearlings to Kansas City Market. G. C. Brillhart shipped out eleven carloads, approximately 300 head, of extra good cattle Saturday morning. They were consigned to the Kansas City market with the possibility of going on to Chicago, but we understand that they were sold in Kansas City. They were finished yearlings and were as pretty a shipment as one will see anywhere.

## North Grain To Open

### Elevator Reconditioned and Facilities for Handling of Grain are Improved

J. M. North, owner and manager of the North Grain Co., announces that everything will be in readiness at his elevator for the handling of the 1934 grain crop of his many friends and customers. Mr. North has almost recovered from the broken hip which he received in a fall last winter and is now able to be out. Extensive repairs have been made to the elevator and wheat handling facilities on West Brillhart Street, and everything will be in readiness for the 1934 crop. Mrs. Hannah R. Dunscomb returned Sunday from Canadian where she enjoyed several days last week visiting in the home of Mrs. C. W. Callaway.

## MISSED STREET FLAG RETURNED TO GAMEL

The street flag removed from a white way light standard on Tuesday night of last week was returned by mail to Fire Marshal Gamel, Monday. The flag standard was not returned. True to their promise made in last week's Herald, no further effort will be made by the city authorities to find out the party or parties responsible for this theft. City Marshal Robertson and Fire Marshal Gamel, stated, that if the flag was returned voluntarily, no questions would be asked. The officers feel that the flag was taken in the spirit of fun and not of malicious theft, but add that in the future, any one caught molesting or removing these flags will be arrested and prosecuted to the full extent of the law.

## NEW CEMETERY BOARD ELECTED

### DIRECTORS WILL MEET FRIDAY AT COURTHOUSE TO SELECT OFFICERS OF THE ASSOCIATION

A large number of lot owners and people interested in the Ochiltree Cemetery Association were present at the annual meeting of the association at the courthouse in Perryton, Friday afternoon, Miss Nellie M. Perry, president, presided. The chief purpose of the meeting was the election of eight directors to serve one year. Judge Oscar C. Flowers, Sibley Jimes and Van W. Stewart, were named as a nominating committee to prepare a slate of directors. The following new directors were elected: W. E. McMullen, Mrs. O. E. Blank, C. B. Rogers, G. C. Brillhart, Mrs. W. D. Myers, J. M. Blasingame, G. R. Wilson, and Mrs. R. T. Correll. All of the members of the board with the exception of Mr. Wilson, are new. The president of the Perryton Chamber of Commerce is a member of the board. It has been proposed that the Commander of the American Legion Post also be made an official member of the board, as this organization has done much to improve the cemetery. The board will meet Friday, June 8, at the courthouse at 2:30 p. m. to select officers. Retiring members are Miss Nellie M. Perry, Oscar C. Flowers, Mrs. Jack Allen, Roy Hogland, R. C. Johnson, Mrs. J. R. Kershaw, Mrs. D. D. Shanks, and Sibley Jimes.

## Remodeling Bar-B-Q

Dining Room is Enlarged; Ceiling System Installed; Adding Large Banquet Room. Mr. and Mrs. H. M. Bedinger, proprietors of the Bar-B-Q Lunch, have a force of workmen busy this week making improvements at their popular cafe. The main lunch and dining room has been enlarged, the partition in the rear moved back ten feet. The range and warm table, formerly located in the front part, have been moved back to the partition. A large commodious banquet room is also being prepared, and a cooling system is being installed. When these improvements are complete, the Bar-B-Q will be able to offer a complete catering service, from the smallest of orders to large banquets.

## J. H. Scott Returns

Owner of Scott Brothers Elevators Returns to Perryton to Take Charge Business. J. H. Scott, owner of the Scott Brothers elevators at Perryton and Spearman, has returned to Perryton after a years absence at Stamford, where he has varied business interests. Mr. Scott has taken over the management of his business here which has been under the able charge of Johnnie Peterson. Mr. Peterson will retain his connection with the local elevator.

## Foot Comfort Analysis

Andy's Shoe Shop Holding Free Demonstration Friday and Saturday. J. M. Anderson of Andy's Shoe Shop is announcing a free foot comfort demonstration at his place of business on Friday and Saturday of this week to which the public is extended a cordial invitation. The demonstration is staged by a special representative of the Muesbeck Shoe company, makers of Health Spot shoes for men and women through the cooperation of the Foot and Shoe Research department of that organization.

## HALF INCH OF RAIN IN WEEK

### HARVEST WILL PROBABLY BE STARTING BY JUNE 15 IN THIS COMMUNITY

Showers on Saturday evening, Sunday afternoon and night supplied a total of half an inch of moisture in Perryton and visited the entire trade area with varying amounts, considerably more in some sections while other parts were not so favored, offering some relief from the extremely hot weather of the preceding two weeks. The official fall in Perryton, as recorded by Jack Allen, was registered at 29 of an inch for Saturday night, while the Sunday afternoon and night fall measured 30. While too late to help the early wheat which is nearly ready to cut, the rains thought to be of some benefit to late crops and will retard the ripening of the crop to a considerable extent. It was of great benefit to row crops, gardens and pasture lands. From all indications, harvest should be under way in this section by June 15 with the possibility of scattered areas getting combines started by next week end. Yields are going to vary from nothing to possibly eighteen bushels to the acre as the extreme and with such yields as the exception. It is estimated that not over half the crop in this trade area can be harvested profitably, to produce enough to pay the actual expenses of producing the wheat. Such crops however will, in most instances, have to be cut to rid the land of the seed even though it is done at an actual loss. With continued drought through the middle-west wheat belt and short crop estimates from all wheat sections, prospects look favorable for a good selling market this season.

## SELECT WHEAT COMMITTEEMEN

### ELECTIONS WILL BE HELD IN EACH COMMUNITY IN COUNTY ON SATURDAY, JUNE 16; ELECT THREE

W. B. LaMaster, secretary of the Ochiltree County Wheat Control Association, has issued a call for election to be held in each of the "wheat communities" of Ochiltree county, on Saturday, June 16, hours 9:30 a. m. to 11:00 a. m., for the purpose of electing three committeemen from each community. These committeemen will be elected for a term of one year. The elections will be held at the regular places in each community.

## ROYAL ARCH TO MEET

### WILL Elect Officers and Have Degree Work on Tuesday Night, June 12

All Royal Arch Masons are requested to attend the meeting of the chapter at the Masonic Hall on next Tuesday evening, June 12. In addition to the election of new officers, it is thought that there will be degree work. A full attendance of all members is desired.

## C. D. FISK BURIED SUN. DAY AT MOUND RIDGE, KAS.

Mr. and Mrs. Smith Ellis, Las Vegas, New Mexico, and Carl Ellis, president of the First National Bank of this city, were in Mound Ridge, Kansas last Sunday to attend the funeral of C. D. Fisk. Mr. Fisk was well known to many of the old time citizens of this county. He and Smith Ellis were associated in business for fifty years and in the early days, he made many visits to this section.

## Clint Small Would Best Serve Panhandle As Governor Of Texas

The Ochiltree County Herald has thus far had nothing to say about the governors race in Texas. In fact, we have been so thoroughly disgusted with the "Panhandle damned" policies of the various dynasties from "down state" that invariably control the purse strings at Austin, that we had become rather resigned to our traditional "taxation without representation" plight and had decided, "What's the use to get all het up?" We have decided that this year the Panhandle has a mighty good chance to elect a native and illustrious son as chief executive of this state. That man is none other than Clint Small, now serving this year in the "Stingaree" in the Texas senate. Since time immemorial, the Panhandle has let up a howl of complaint and dissatisfaction with the few crumbs allowed to us by the "down state" political bosses. Now is the time to throw off this yoke of "clique rule" by going to the polls on July 28 and voting for Clint Small. Our decision to support Clint Small has been reached after a careful and deliberate analysis of the entire field of candidates, many of whom we consider well qualified to fill this important office. The Panhandle should support Small, a West Texan, formerly of Wellington, now a resident of Amarillo, now a resident of Amarillo. We are championing his cause and appealing to the voters of Ochiltree county to give him their support, for we know that he will be a god governor for all of Texas, and that the Panhandle will get a square deal from him. His record is clean. As a member of the state legislature, he has been faithful to his district. Clint Small is not a sectional candidate by any means, he has strong support from over the entire state, but we of the Panhandle should vote for him as a home candidate if for no other reason. Panhandle voters get some mighty funny notions into their heads. Some are running here and there advocating the merits of so and so from other parts of the state as the only man to elect for governor. As we look at this primary, there is only one issue, "Are we going to elect a man from the Panhandle or are we going to elect someone from Wichita Falls or some other place down in Texas who wouldn't give a "inker's damn" about the Panhandle. Of course, some of these candidates are putting out a lot of "soft soap" and "blarney" about how they will give the Panhandle a square deal, but why take a chance? We know what we've gotten out of the "down state" politicians in the past and we'll get the same old "kick in the rear" again. Vote for Clint Small, a Panhandle man, who will give us our just rights in state affairs. Let's quit being "saps". Now don't get offended if we call you a "sap", for the writer can be classed in the same category. Let's get together and let the Panhandle present a solid front to the state toward putting Clint Small in the governor's chair. What do you say? Use a little common sense. Be a loyal citizen of the Panhandle. Forget that there is such an issue as Fergusonism. Cast your ballot for Clint Small and the Panhandle. If Clint Small is eliminated in the first primary, you will have plenty of time to shout and tear your hair, either for or against the Ferguson entry, C. C. McDonald, who is pretty certain to be in the run-off.

## International Sunday School Lesson

By A. C. Williams, Minister Perryton Church of Christ

Glass for all cars at Daley Glass Shop. 41-42-c

Lesson XI—June 10, 1934  
Jesus On The Cross

We now come to the most tragic scene connected with the life of our Lord upon the earth. In a sense, the Passion of Jesus began in the Garden of Gethsemane and ended on Golgotha's lonely hill. In quick succession the events sweep before our bewildered eyes. In order they are listed as follows: The agony in the garden; the betrayal; the arrest; trial before Annas; hearing before Caiaphas and the Sanhedrin; Peter's denial; Jesus mocked by his enemies; the final (legal) trial before the Sanhedrin held after sunrise; suicide of Judas; first trial before Pilate; trial before Herod; governor of Galilee; final trial before Pilate who condemn him to be crucified; mocked and scourged; Jesus bearing his cross falling under it; Simon of Cyrene bearing Jesus' cross; and then the placing of Jesus upon the cross.

**I. Golgotha (Matt. 27: 33-34)**  
This term is Aramaic, while "Calvary" is Latin. An old legend said it was the burying place of the skull of Adam, but it is more likely that it derived its name from its ghastly shape which resembled a human skull. However we are sure of the present location of the crucifixion spot. It was near the city of Jerusalem (Jno. 19, 20), and seemingly near a public highway.

**II. The Crucifixion (35-37)**  
Crucifixion was a horrible method of executing victims. Stripped naked, the condemned person was laid upon the implement of torture. The arms were stretched upon the cross-beams and the palms fastened with a huge spike in each driven home into the wood with a huge mallet.

The feet were also fastened by another spike. Then this tree of human agony was raised upright and set in its place. The raising of the cross wrenched the body terribly, sometimes dislocating joints. Inflammation of the gaping wounds always set in speedily, closing the circulation in the extremities and rushing the blood to the head causing unspeakable agony. In some cases two or three days were required to put an end to the suffering of the victim. So we see that our Lord endured a torture that words cannot describe—all for us, and for all of us.

**III. Mocked and Reviled (27: 39-44)**

Jesus was numbered with the transgressors (Isa. 53: 12). The enemies of our Lord were not content to torture him. They must humiliate him with shame by placing him between two thieves. The superscription above his head was intended as basest mockery. The title, "King of the Jews" was placed upon the cross. But even this was not severe enough to satisfy the wolfish blood thirstiness of the Jews. They wanted Pilate to write that Jesus said "I am king of the Jews". To this demand Pilate uttered an immortal maxim, "What I have written, I have written."

It is to the immortal memory of one of the dying thieves that he appealed to the Son of God in a trying hour. And it is recorded to the immortal glory of Christ's own forgiving spirit that the poor dying thief received a warm assurance from the suffering Christ. But this incident does not warrant death-bed salvation. While Jesus was here in person, he forgave sins under various kinds of terms, sometimes without any revealed conditions. But since his death, burial, resurrection and ascension, the gospel of Christ is the power of God unto salvation (Rom. 1: 16) committed to earthen

vessels and no single exception to the law of pardon (faith, repentance, confession, and immersion) is to be found for the alien sinner. The thief lived while the law of Moses was in effect. But the law was mailed to the cross of Christ (Col. 2: 14).

**IV. Darkness, Desolation, And Death (27: 5-50)**

When the evil men of old asked when the Sabbath would be past, Amos answered that it would occur when the sun should down at noon and the earth would be darkened in a clear day (Amos 8: 5, 9). So from the sixth to the ninth hour darkness settled down. The earth shook with convulsions, great rocks were torn in pieces. What a night of darkness at high noon. How black must have been the crime of the crucifixion. Even the heavenly Father must hide his face from the terrible scene. But out of this terrible tragedy God has brought us the pearls of redemption. The hands that were pierced have been beckoning down through the ages in tender pleading to a foot sore and weary multitude who long for the comforting companionship of him who is meek and lowly and stands at the heart's door anxious to enter with his blessing or pardon and guidance.

### CHRISTIAN SCIENCE

"God the Only Cause and Creator" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, June 10.

The Golden Text is: "Blessed be the Lord God, the God of Israel, who only doeth wondrous things" (Psalms 72: 18).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Look unto me, and be ye saved, all the ends of the earth: for I am God, and there is none else" (Isaiah 45: 22).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "The Science of being repudiates self-evident impossibilities, such as amalgamation of Truth and error in cause or effect. . . There is but one primal cause. Therefore there can be no effect from any other cause, and there can be no reality in aught which does not proceed from this great and only cause" (page 207).

# Large Savings Now Possible On Delinquent Tax Payments

## If Paid Before July 1, 1934

### Here's The Amount You Save!

- 25 Per Cent on 1930 Taxes
- 19 Per Cent on 1931 Taxes
- 13 Per Cent on 1932 Taxes

**A delinquent cost will also accrue in addition to the above on July 1, 1934**

## ACT NOW! Pay Your Taxes Before July 1

# J. S. Talley

Sheriff and Tax Collector, Ochiltree County

**ATTENTION Property Owners!**

Ochiltree County property owners will want to take advantage of the huge savings possible by paying their delinquent taxes before July 1st, 1934, at which time extreme penalties and interest will be added to all unpaid taxes.

Below is a notice to all tax collectors concerning the penalties and interest that will be added at that time.

NOTICE

TO THE TAX COLLECTORS:

You will recall that from time to time since 1934, the Legislature has been suspending interest and penalties on delinquent taxes.

Last May the last measure of this kind was enacted, which provided a two per cent penalty on all Ad Valorem Taxes delinquent on February 1st, 1933, (later they included the split tax payments which became delinquent on July 1st, 1933) if paid by December 30th, 1933, and four per cent penalty if paid by March 31, 1934, and 6 per cent if paid by June 30th, 1934; after this June 30th, 1934, expiration date, the old law prescribing 18 per cent penalties and 6 per cent interest per year, will be in force.

This means that on and after July 1, 1934, this year, the penalty and interest you will be required to charge will not be 6 per cent, but will include 6 per cent interest per annum the date it was first delinquent, plus 10 per cent penalty.

- 31 per cent will be added to 1930 delinquent taxes.
- 25 per cent will be added to 1931 delinquent taxes.
- 19 per cent will be added to 1932 delinquent taxes.

(A delinquent cost will also accrue in addition to the above.)

In as much as the tax paying public may not understand the law I suggest that you give this matter as much publicity as possible, in order to bring to the attention of the tax payer the great saving, if they take advantage of the remaining period, which expires on June 30th, 1934.

With kindest regards, I am,  
Yours very truly,  
Geo. H. Sheppard,  
Comptroller of Public Accounts.

"Yes sir mister, I thought I was making a smart buy when I fell for what looked like a bargain in house paint. Oh yes, I was smart—I'm still smarting! First year the job looked pretty good. Next year not so good—and before the third year reached first base, the whole job looked like the last rose of summer—cracked, peeled, chipped, faded and what-not. I even had to pay—and pay plenty—to have the 'smart paint buy' cleaned off before I could have my house painted with some honest-to-goodness paint.

"Take my tip, old-timer—don't waste your time and money on any kind of paint but the best. I am going back to the old reliable—Acme Quality New Era House Paint. You'll be dollars ahead in the long run—if you stick to Acme Quality."

**CHEVROLET**

**ANNOUNCES SUBSTANTIAL PRICE REDUCTIONS**

On all models of Chevrolet passenger cars and trucks

Reductions amount to as much as \$50 on some models

Chevrolet's reduced prices reflect the record-breaking demand that, month after month, is keeping Chevrolet first in sales. In offering these exceptional values, Chevrolet hopes to maintain, during the balance of the year, the high level of employment so necessary to the general program of recovery.

Chevrolet is particularly glad to make this announcement when you can see and judge the Chevrolet at the National Exhibits of General Motors Products. Make it a point to look over these cars. Compare its modern features and new low prices with those of any other low-priced car. Then you will know even more surely than before why we say, "Drive the Chevrolet only 5 miles and you'll never be satisfied with any other low-priced car."

## McLanahan-Lovett

Miss Anna Lee Lovett and Bill McLanahan, both of Perryton, were united in marriage Tuesday evening, June 5, in a beautiful ceremony performed by Rev. J. M. Sibley at the apartment of the groom's sister, Mrs. Noel Keith, 112 Southwest First street.

The bride was becomingly gowned in a blue georgette suit. Miss Cornelia Evans, Robert Sharpe and Mr. and Mrs. Keith were the witnesses.

Mrs. McLanahan is the daughter of Mr. and Mrs. W. L. Lovett, city. She was a popular member of the 1934 graduating class of the Perryton high school. The groom, son of Mr. and Mrs. Val McLanahan, is also a graduate of the Perryton school and was prominent in school activities, receiving special notice on the football squad.

Immediately following the ceremony, the young couple were the honor guests at an ice cream social at the McLanahan home on Wolf creek. A large crowd of neighbors and friends were present to extend their best wishes.

They will make their home on the J. H. Callihan ranch, Wolf Creek.

## Mrs. Dodson Hostess

## Card of Thanks

Words cannot express our appreciation of those friends who have shared with us the loss of our loved one. No sweeter memory can live in any heart than the memory of their untiring devotion to the one who has just left us. The waves of sorrow break upon every shore, and we can but hope that friends as true may gather around each one of them should sorrow invade their homes.

**Young Mother Dies**

**Mrs. Keith McLain Passes On After Lingered Illness; Buried Wednesday Afternoon**

Mrs. Keith McLain, age 21 years, 5 months, and 4 days, died in this city on Monday afternoon, June 4.

The last services were held at the Baptist church yesterday at two o'clock. Rev. W. C. Hinds and Rev. J. M. Sibley officiating. Songs were touchingly rendered by Mrs. Carl Ellis, Mrs. W. J. Brewer, Mrs. Vance Apple, Mrs. C. E. Whippo, Jas. E. Barbour, C. W. Claybaugh, J. M. Jackson, and A. K. Wooten, accom-

panied by Mrs. Jas. W. Wilson. The flowers were many and beautiful, but not more beautiful than the face that rested so peacefully among them. Beautiful in life, beautiful in death, but far more beautiful in the glorious resurrection morn-

Flowers seem the best emblem we have to express our love, for we wreath them around the cradle, the marriage and the tomb. Thus would we leave her, and in memory keep her, as sweetly reposing among the beautiful and fragrant flowers.

Audrey Louise was born December 30, 1912 to Mr. and Mrs. E. B. Beever at Coulterville, Ill. At the age 4, she removed with her parents to Girard, Kansas, living there until 1920 when the Beevers came to Perryton.

During her school days in this city, she was very active in literary and music pursuits. After her graduation from high school she took a two years business course, preparing for a life in the business world, but after two years of hono-

red service with the Public Service Corporation, she heeded the call of romance and was united in marriage to Keith McLain on July 17, 1933. Their sons were born to this union on May 14, 1934. Two little boys, Roy Gean and Delbert Dean, and the father survive.

Other surviving relatives are the parents, Mr. and Mrs. E. B. Beever, Tacoma, Washington; grandparents: Mr. and Mrs. J. C. Beever and E. E. Mann, Mammouth, Ill.; and a large number of aunts, uncles, and other relatives.

After the beautiful funeral service, the remains were laid to rest in the cemetery at Ochiltree. The pall bearers and flower girls were class mates and neighbors. They were: Clem Flowers, Furman Bryant, Tee Parnell, Ray Christopher, Arnold Good, Elmer Bales, Miss Julia Hamilton, Miss Bessie Littleton, Mrs. Miles Edwards, Mrs. W. J. Miller, Mrs. Ray Christopher, and Mrs. Seldon Caradine.

Her life was gentle, but like the still waters, it was deep. In her heart of hearts she carried those she loved, and her hand was never weary, her step never failed in ministering unto, caring for, waiting upon those who were in any way dependent upon her.

Vainly groping after the infinite meanings we cry: Why should so precious, so necessary a life be taken? The old, old question which will never be answered till the veil of our mortal vision be rent by immortality, and we see, not as now, darkly, but face to face. Then also may we behold the heavenly mansion which perhaps she was called thither, thus early, to help prepare for her loved ones.

Dr. Powell, Eye, Ear, Nose and Throat Specialist, will be at Dr. Brewer's office, Tuesday, June 12. Glasses fitted tonsils and adenoids removed. 20-11-c

**Children's Story Hour**

**Sorosis Club to Loan Children's Books Free; Children Meet at Legion Hall Weekly**

Mrs. Jack Allen, Sorosis Club librarian, announces that she has arranged for a story hour to be held for the children of this community on one afternoon of each week, through the remainder of the summer.

The American Legion Auxiliary is cooperating with the Sorosis Club in this worthwhile community project and the meetings will be held at the Legion Hall each Wednesday afternoon, beginning Wednesday, June 12, 4:30 p. m., at which time Miss Kathrine LaMaster will entertain the children. Children of all ages are invited to attend.

The Sorosis Club now has an excellent selection of children's and young peoples books, and these will be loaned free by the Club to all school children, including high school students.

The books will be loaned just after the story hour each Wednesday afternoon and must be returned on the following Wednesday, when another book may be secured.

All children and young people of the community are invited to take advantage of this offer by the Sorosis Club to secure worthwhile books for summer reading. Older boys and girls who do not care to come to the story hour may receive books at 5 o'clock Wednesday afternoon at the Legion Hall.

All boys and girls who expect to borrow books must bring a statement signed by their parents that they will be responsible for loss or damage to any book borrowed by the child.

**Christians To Creek**

**Christian Church to Hold Sunday School and Church Services at Horse Shoe Bend**

Rev. M. C. Jackson, pastor of the First Christian Church of this city, announces that the regular Sunday School, Communion and morning services of his church will be held at Horse Shoe Bend on Wolf Creek next Sunday.

All members and friends of the Sunday School and church are invited to meet at the church at 9:30 Sunday morning, with well filled baskets, prepared to go in a body to the creek where the services will be held, following by a basket dinner.

On account of the revival meetings in progress at the Baptist and Church of Christ, no evening service is scheduled.

Mr. and Mrs. Tom Wolford left Wednesday morning for a weeks trip to various points in New Mexico. Alfred Pittman is in charge of the Wolford Sweet Shop during their absence.

Mr. and Mrs. E. E. Silsbee and daughter, Miss Mildred, were Liberal, Kans. visitors Tuesday.

Mrs. A. M. Wilbanks Jr. and her daughter, Mrs. Trixie Lee Deason, of Amarillo, visited last Wednesday night and Thursday in the home of Mrs. Bud Smith.

Mr. and Mrs. O. T. Glasgow and Miss Gladys were in Pampa Thursday and Friday for the precentennial celebration.

Mr. and Mrs. O. H. Black were guests with friends in Woodward, Okla., over the week-end.

**ON TEXAS FARMS**  
By W. H. Darrow, Extension Service Editor

Farm record keeping has taken a fresh start in Texas because farmers have had to sweat for a year piecing together past records of farm production. The new AAA farm record book is in great demand. In Shelby county 45 community demonstrators are keeping the book and holding monthly meetings with neighbors to encourage and help them in record keeping.

A pantry with 49 feet of shelf put in at a cost of \$1 is large enough to store a year's supply of canned food, it has been found by Mrs. E. L. Collins, pantry demonstrator for the Grange Hall Home Demonstration Club, Cherokee county.

Nineteen Harris county 4-H club boys marketed 17,100 pounds of baby beaves in Houston this spring at a profit of \$12.88 per boy.

Archer county home demonstration club women this year have cured 16,831 pounds of meat, canned 6403 quarts of meat, and made 190 pounds of American cheese as part of the living-at-home program.

Mrs. A. J. Kelly was in Canyon last Thursday for her daughter, Miss Kathleen, who has been attending college there.

Mrs. F. L. Bell and Clifton and Mrs. C. F. Jones and J. C. left Sunday for Fort Sill, Okla., where Clifton will attend camp for six weeks. Mrs. Jones will visit with a sister at Elk City and Mrs. Bell with relatives at Cordell, Okla.

Mrs. French Lawrence and daughters, Misses Verna and Ruth, and Mrs. Cora Lee Lawrence motored to Canyon Monday to take Miss Okla. Mae Lawrence, who will enter W. T. S. T. C. for the summer.

Mrs. B. H. Murphy, Mrs. A. C. Nies and Miss Janice Murphy left last Thursday for Chicago, Ill., where they will attend the Century of Progress. Walter Nies and Hamilton Murphy, who are attending school there, will accompany them home.

Though English measures also are recognized in the statutes of Texas, land surveys generally are recorded in the Spanish measures used in the early day grants, in terms of the vara, which is 33 1-3 inches.

### STANDARD STRAWBERRY PRESERVE RECIPE for Home Demonstration Products

1 qt. sugar—1-2 qts. strawberries (Never double this recipe.) Wash and grade the strawberries into two classes, large and medium sized. If there are any over ripe berries these may be used for making jam. After the berries have been thoroughly washed in the colander, then remove stems with a stainless paring knife. After removing stems from berries, place in colander and let water run over them lightly to remove grit. Place layers of berries and sugar alternately in an enameled lined or extra heavy aluminum kettle. Heat slowly and stir gently until the sugar melts. Cook rapidly from 15 to 20 minutes or until syrup sheets from the spoon. Remove any scum with a silver spoon. Allow to cool; when cool and before jelly stage is reached, pack the fruit in jars. Wipe surplus fruit or syrup from the jars, seal.

Allow to stand overnight and process for 15 minutes in hot water keeping water just below the boiling point, remove lid at once and pour hot paraffin over surface 1-16 inch thick. Seal at once.

#### Notes

- Berries should be graded and washed in a large colander before removing stems. Removing the stems before washing allows the berries to soak up the water thus making them "mushy." The colander allows the water to pour through the berries, washing and removing grit. It also prevents bruising.
- An extra heavy aluminum kettle is better for making preserves. This gives an even heat, and allows rapid cooking without scorching.
- Stir the berries while cooking as gently as possible to prevent breaking fruit.
- Skim berries before removing from the fire, using a silver table-spoon.
- If berries contain enough pectin to jelly, it will be impossible for them to plump overnight as most recipes require. Watch product carefully after removing from the fire and pack before the jelly stage is reached.
- Pack berries carefully, filling jar. Avoid too much syrup, but fill jar to the brim. Remove air bubbles with a wooden paddle.
- Pack berries in jar just before jelly stage is reached or when syrup is thick enough to hold fruit in place. If the product is packed in the jar while the syrup is hot, the fruit will rise to the top. If packed too cold when the jelly stage has been reached, the jelly will break and it is impossible to remove all air bubbles.
- Cook small quantities of berries to prevent crushing and darkening of the fruit.
- Hot paraffin should be poured over top of fruit 1-16 inch in thickness before sealing and while fruit is still hot.

Mrs. Nellie Wilbanks is visiting in Tulsa, Okla., this week.

### BLODGETT CLUB

Mrs. Ralph Blodgett, Reporter  
Budgeting is one of the greatest helps in buying our wardrobe for a year, as it causes you to look and buy only articles really needed, stated by Mrs. E. S. F. Brainard at the Blodgett Home Demonstration Club, which met in the home of Mrs. Earl Church, Monday, June 4.

A well planned wardrobe can be had much cheaper and at the same time have more clothes and have them harmonious. Clothes to suit each individual person is one of the greatest helps in a well planned wardrobe.

Mrs. J. B. Monroe brought these thoughts to the club in her talk on "A Well Planned Wardrobe." Miss Crowder says, "Buy something that will lend itself to more than one occasion. For instance, buy something that you will not tire of and will be able to make over."

Mrs. Church gave a story of her wardrobe and demonstrated her talk with her garments and new clothes closets. The Blodgett club is very proud of the work Mrs. Church has done for the club and in her wardrobe. She also had on display five completed foundation patterns and garments made from them. Mrs. Church was elected to represent our club at the short course and Mrs. Nellie Wilbanks was elected new wardrobe demonstrator.

Those to enjoy the meeting and program were: Mrs. J. M. Blodgett, Mrs. J. B. Monroe, Mrs. J. J. Haun, Mrs. E. S. Uptergrove, Mrs. Veros Wilbanks, Mrs. Lois Hawkins, Mrs. J. E. Kenney, Mrs. Clyde Harbour, Mrs. E. S. F. Brainard, Mrs. Ralph Blodgett, Mrs. R. C. Bennett, and Mrs. Archa Morse, Mrs. Johnnie Close and Mrs. Cecil Crawford from the Happy Four Club in Hansford County, and the hostess, Mrs. Earl Church, and our county demonstrator, Miss Dyora Crowder.

Our next meeting will be at the home of Mrs. J. E. Kenney, June 18, at 1:30 p. m. A program will be given by Mrs. C. Harbour, Mrs. J. E. Kenney and Mrs. Veros Wilbanks.

Advertise it if you stock it.

### NEW MUSICAL FILM IS UNIQUE IN TREATMENT

"Let's Fall In Love", starring Edmund Lowe and the sensational new screen find, Ann Southern, is showing at the Ellis Theatre, tonight and Friday.

Hailed as one of the season's most unique and tuneful musical offerings the production has created

much favorable comment. It is entirely different from the run of musicals which has flooded screens recently, as its music is worked into the story in a logical and convincing manner. Even without the music, it would still be an outstanding dramatic production.

The famous song-writing team of Harold Arlen and Ted Koehler com-

posed the lyrics and score for the half-dozen musical numbers heard in the picture. The team is responsible for such big song hits as "Stormy Weather", Minnie the Mocher", "I've Got a Right to Sing the Blues" and "Get Happy" and their offerings in the picture are of the same high calibre.

Supporting the principals will be

seen a well selected cast of Gregory Ratoff, Tallulah Bankhead, Betty Grable, Warren, Arthur Jacobson, Warner and Anderson. Leading reaction is by David R. Henderson, an original script by

AND THE MOST ECONOMICAL TRUCK TO OPERATE FORD HAS EVER BUILT

New Full-bearing Rear Axle—Entire load carried on the strongly ribbed axle-housing.

HERE, in the new Ford V-8 truck, is everything a truck should have. Ford has added to the sheer, brute strength of an 80 horsepower truck the top-speed characteristic of an express train. Yet this Ford V-8, with its dual down-draft carburetion, is the most economical Ford truck ever built. And there are many other new, heavy-duty features in this new Ford V-8. New copper-lined connecting-rod bearings prevent bearing failure. These brand-new inserts do not pound out. The rear axle is full-floating. The driving pinion is straddle mounted. The ring gear has specially-designed Ford reinforcements.

### History Of The Lone Tree School

Following paper was by a student of the school, and is in the Herald (courtesy of S. F. principal of the school.)

That the European on American soil, men have been endowed with free initiative in the discovery of truth, education, government, schools in the eastern part of the great westward movement with their advantages.

In 1911-12, the school was moved again. The equipment was loaded into wagons and hauled this time to a storm cellar near the Levi Horn house, located two miles east of the present school. The teacher was Mrs. May Zook. The pupils addressed her two years before—a thousand times a day—as Miss Lowridge. In 1912, they called her Mrs. Zook—a thousand times a day. The school of 1912-13 was taught by a very talented and gifted lady, Mrs. S. G. Battenfield. This year the school was started in a half dugout, one mile east and three-fourths of a mile south of the present location, near the Ollie Morris ranch house. A short distance west was an old plum and peach orchard. Most of the trees had been hooked down by the range stock, only three of them remaining. Shortly afterwards two of them died, leaving only one peach tree. About the first of February a new frame school house was finished just west of the half dugout. The pupils carried their geographies, slates, pretty ribbons, tops, strings and marbles, in fact, all their former possessions, into the modern 24 feet by 36 feet frame school house. The pupils, now feeling that a real school in a real building, built purposely for a school, should, by right, have a name, two names were submitted. Some one suggested, "The Dixonville School", and Irene Devers suggested, "Lone Tree School." The pupils voted and the latter name was chosen. The directors bought a number of new seats, some other equipment and school started in earnest. Hard-boiled teachers were hired from then on out. The teachers who taught in this frame building were: Mary Benson, Martha Calvin, Bertie Sanford, Spencer Whippo, Miss Gerber, Erma Hawkins and Inez Hurter. One April fool day, 1918, one of the teachers, mentioned above, found himself locked out. The unruly pupils had stacked desks against the door and were sitting upon them. The teacher was obliged to crawl in thru the window that the pupils had neglected to lock.

In 1922-23, Miss Hurter moved with the Lone Tree pupils into the sixth house—the present three room stucco building—with Miss Abbie Severe as principal. The Perryton Independent District was organized and this common school district was merged into one of the best systems in north Texas. D. D. Taliaferro and R. P. Garrison have been our faithful representatives on the

school board. Two teachers have been employed each year since we became a part of this system. They are Miss Short and Miss Leake; Miss Short and Miss Purcell; Mr. and Mrs. E. D. Kelley; Mr. and Mrs. Brannen; Mr. and Mrs. Bennett, two terms; Mr. and Mrs. Spencer Whippo, five terms.

Our school has participated in interscholastic contests for the last nine years. During this time we have won four grand prizes—one county championship pennant and three county championship cups—besides many other pennants and honors. Most of our points have been won in literary events, rather than along the line of athletic activities.

We are very proud of our little school and we realize what success we have attained is a result of our willingness to cooperate and work as a unit. Let us never forget that where there is the spirit of unity and cooperation among teachers, pupils and parents, there is great strength. Without it we are sure to fail.

In the last three years, we, as a community, have made many improvements in our school yard and buildings. In the spring of 1931, the district provided a well and elevated tank. Water was piped into the house, a sanitary drinking fountain was installed. Water was piped to the trees which adds greatly to the beauty and attractiveness of our school. Every sanitary equipment possible has been added for our comfort and safety. Many little embellishments have been placed here and there to give grace and beauty.

We of the seventh grade are happy that we have had a part in the development of our school. Let us treasure the memory of these happy years spent here and be true to the excellent training this school has given us. Let us remain true to these ideals we have learned and seek in all our work of the future to be a credit to the school which today sends us forth as seventh grade graduates.

## FARMERS DEBTS

(Continued from page 1)

tal, while \$28,500, the balance, was used for the purchase of stock in national farm loan associations, for loan fees, etc.

Throughout the United States approximately \$675,000,000 of land bank and Commissioner's loans were made from June 1, 1933, to May 1, 1934. Most of these loans were made to refinance debts resulting from the long period of low farm income.

Generally farmers pay considerably less interest each year on the new than on the old loans. Land bank loans made through national farm loan associations carry an interest rate of 5 per cent, but there is a reduction of 1-1/2 per cent until July, 1938. Loans made direct by banks carry a rate of 5 1/2 per cent, but there is a reduction of 5 per cent until 1938. The rate on Commissioner's loans is 5 per cent. Against these rates farmers in most cases had been paying from 5 per cent to 10 per cent, and even above 10 per cent.

Until March 26 the land bank and Commissioner's loans were made in cash. Commencing on that date they were made mainly in the government-guaranteed bonds of the Federal Farm Mortgage Corporation. These bonds are exempt from all Federal, state, municipal and local taxation, except surtaxes, estates, inheritance and gift taxes. They are guaranteed fully as to principal and interest by the United States government. In a relatively short period after they were issued, they sold above par and had met a favorable reception from farmers and their creditors all over the United States. With the use of these bonds, the refinancing program is going forward rapidly.

## STANDARD SIX IS ANNOUNCED

CHEVROLET INTRODUCES LOWEST PRICED SIX ON MARKET: \$465 FACTORY

Chevrolet today announced "the world's lowest price six-cylinder car" with the introduction of the new improved 1934 Standard Six models, supplementing the Master Chevrolet models previously presented.

Two closed and two open car models comprise the new improved Standard line. They are the sport roadster, \$465; phaeton, \$495; coupe, \$485; and two door sedan, \$495. The new cars, says the Chevrolet Motor Company's announcement, thus list under any other six on the market, and \$110 to \$120 under corresponding models of the Master Chevrolets.

The new cars are replete with major improvements designed to achieve better performance, riding qualities, comfort, and appearance. Both chassis and body have been completely redesigned in keeping with the latest advances in engineering and styling.

Roadability, and especially stability, have been enhanced through the adoption of a wider chassis frame and more widely spaced leaf springs front and rear, in conjunction with a longer front axle and increased tread of the front wheels. These chassis improvements have permitted the use of big, roly bodies having maximum width and ample leg room.

In the power plant, smoothness, economy and flexibility have been improved through a thorough revision of the inlet and exhaust systems, with higher compression, and a refined valve and tappet mechanism, including a redesigned cam shaft.

The new models share with the Master series such appearance features as sleek flowing, deep fenders hugging the tires, long hood with horizontal louvres, and steeply inclined radiator grille. Numerous interior refinements similarly enhance the style and finish of the passenger compartments.

The exterior has been generally redesigned to add to style and utility. Deep front fenders, extending far over the tires, conceal unsightly chassis parts, with only a shallow

"valley" remaining between fenders and hood. Front fenders are found to extend to the center of the car under the radiator, eliminating the separate radiator splash guard. Fender skirts have been given sharp, graceful contours, making them appear to fit closely to the tires. Edges of the fenders have turned in flanges, for extra stiffness.

The re-styled front-end ensemble includes new designs for the hood and radiator grille. The hood is unusually long, and has three horizontal louvres. Front fenders, radiator and head lamps are supported as a unit on a stabilized mounting of improved design, insulated from the frame by a single centrally located rubber cushion. Running boards blend smoothly into the fenders, and are finished with a longer rubber mat, extending farther toward the rear.

A most pleasing appearance has been gained in the instrument panel. It is wide at the center, the lower edge sweeping upward toward the ends in a graceful curve. The instrument group is enclosed in an embossed elliptical bead, flanked by depressed panels. The steering wheel is 17 inches in diameter.

Closed car models are equipped with improved Fisher no-draft ventilation, and with a reversed cow ventilator, opening toward the rear, similar to the arrangement of the master models.

Rev. and Mrs. W. B. Hicks and family left Sunday evening for Abilene for a two weeks visit with relatives and friends.

Dorman Phillips, Guyton, Okla., has been visiting several days in Perryton with Billy Glasgow.

Mr. and Mrs. H. T. Cropper and children, Geraldine and J. T., returned home Monday from Mineral Wells, where they spent the winter. J. T. has fully recovered from his illness.

C. C. Bull returned Sunday evening from Fort Worth, where he went for his daughters, Eloise, Dorothy and Viola Fay, who will spend the summer in Perryton with their grandparents, Mr. and Mrs. J. M. Bull.

Mrs. Nina Campbell and daughter, Dell, and Miss Gabriella Black, Shattuck, Okla., are visiting this week in the home of Mr. and Mrs. Spencer Whippo.

Miss Arlean Pattison will leave Friday for Canadian to join a college omnibus on a two months tour of the east. They will spend several days at the Worlds Fair, Chicago.

# DEMONSTRATION

**Free Analysis of Foot Comfort Problems**

**Friday-Saturday, June 8-9**

**Conditions Related to Weak Feet**

When arches are "down" they cramp the nerve and blood supply in your feet. When blood vessels are cramped the result is poor circulation with a lack of bone repair and chemical deposits at the joints.

**Learn How To Straighten Up Weak Feet—Relieving All Cramped Conditions and all Foot Strain—**

On June 8 and 9, a special representative from the Foot and Shoe Research Dept. of the Musebeck Shoe Co.—makers of the famous Health Spot Shoes for men and women—will be at our store. He will analyze your foot comfort problems free of charge!

**WHAT IS CORRECT POSTURE?**

The answer to perfect body posture is having the feet in proper balance under the center line of body weight. This center line passes between the occipital and cuboid bones. Originally we walked on the ground and had a definite solid support for this center line of body weight. Then came the Egyptian wood-sandal with its heel elevation, but still providing the rigid support under the center line of body weight. Later came the leather shoe with its wide, strong wood shank again supporting the all-important center line of body weight. But when shoes were made with weak shanks—or no shanks at all, they subjected the human race to all of the foot troubles and body ailments directly traceable to improper balance.

Failure to receive the support it should have, will sooner or later, break down even the strongest foot. The Health Spot in Musebeck Shoes gives support where it is needed—under the center line of body weight. Correct posture is not merely a social demand—it is an absolute necessity to general health.

**THE HEALTH SPOT MEANS RELIEF TO FOOT-SUFFERERS**

We especially want those who have tried every other means of getting relief to visit this demonstration. We want you to see how Health Spot Shoes are constructed and hear the scientific reasons why they are able to straighten up weak feet—releasing cramped nerves and blood vessels—bringing better foot health and relief from all foot strain. Make your plans now to visit this demonstration. There is no obligation to buy.
