Election will fill 2 positions

An election is scheduled for Saturday, May 4, concerning two expiring positions on the Colorado Independent School District board of trustees.

Positions to be filled include Place 1, a three-year term currently held by Kathy Bassham; and Place 5, a three-year term currently held by Billy B. Bridgford.

The last day to file for these trustee places will be March 20, 1991, by 5 p.m.

At the upcoming meeting of the Board of Trustees on Monday, March 18, discussion will be held to determine what action to take regarding the resignation of Boardmember Gary Parker.

Parker, who is employed by Lone Star Gas Company, is being transferred to Eastland.

According to CISD Superintendent Don Nimmo, boardmembers will decide between the options of appointing someone to fill Parker's unexpired term, or of opening that position to election.

Drug prevention program slated at Middle School

There will be a "Dare to Care Program" at 7 p.m. on Thursday, March 21, in the Colorado Middle School auditorium, presented by the Colorado Independent School District's Drug Education Committee.

Included will be performances by students from every campus in the district, as well as school employees and other interested individuals.

Roy Sharp from Abilene will be the special guest performer.

There will also be a special tribute to those who are in the military serving in the Middle East from the community.

Cotton Day planned for March 21

The annual Cotton Information Day will be held on Thursday, March 21, beginning at 9 a.m. at Roscoe's Community Center.

"Once again, Mitchell and Nolan Counties have coordinated their efforts to put on this extension educational activity," said Mitchell County Extension Agent Bryan Limmer. "Assisting with the event will be the Mitchell County Pest Management Board, the Field Crops Committee and similar groups in Nolan County."

"We think we have an excellent line-up of speakers for the day and we have asked them to address subjects that affect all areas of cotton production," said Limmer.

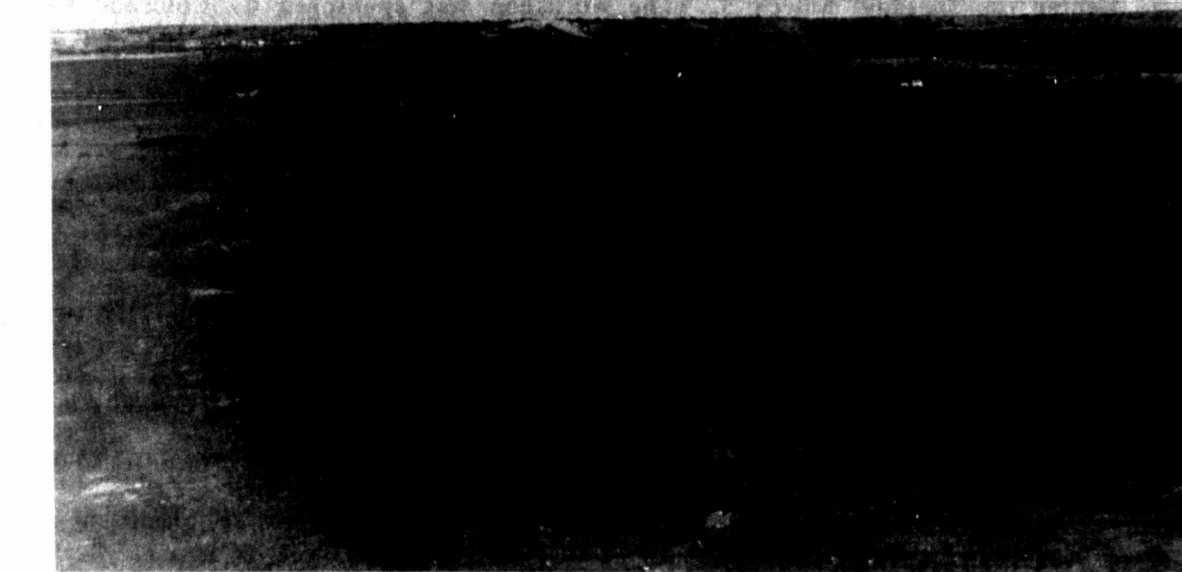

The program will begin with Dr. Billy Warrick, Extension agronomist, San Angelo, who will discuss weed control, fertilization and cotton varieties.

He will be followed by Dr. Tom Fuchs, Extension entomologist, San Angelo, who will discuss the insect outlook for 1991 and give a boll weevil prediction for this coming growing season.

The other speaker will be Dr. Jackie Smith, Extension Economist-management, Lubbock, who will be talking about the computer program that is available in the Mitchell and Nolan County offices.

A complimentary, catered barbecue lunch will be served at noon.

The site of the Colorado River Municipal Water District's new evaporative pond. T.L. James Construction is in charge of the project, which is under the supervision of Superintendent Al Kazal.

Construction underway on evaporative water pond

Excavation has begun on the site of the Colorado River Municipal Water District's new evaporative water pond.

On April 1, according to O.H. Ivie, general manager of CRMWD, the contractor, T.L. James Construction of Big Spring, will begin a double shift operation to move things along even faster.

Al Kazal, superintendent of the project, says that between 40 and 50 workers are on the job, and that the project should be completed by late September.

CRMWD is funding the relocation of an oil line and a gas line near the site of the evaporation

pond, at a cost of approximately \$800,000.

It will fund the relocation of Texas Utilities Electric's 345,000 volt electrical transmission lines as well, at an approximate cost of \$925,000.

Ivie said that the relocation of a Shell pipeline has just been accomplished, and that he wishes to extend the appreciation of CRMWD to Shell Pipeline Company for the latter's cooperation in that relocation venture.

The evaporation pond is located in Mitchell County near the Howard County line, approximately seven miles south of Interstate

Highway 20.

Its purpose is to provide a larger reservoir than is currently available for the receiving of the normal flow of the Colorado River and Beal's Creek.

That water is high in chloride and mineral content, and its evaporation is intended to improve the quality of water which collects in Lake Spence by 29%.

Water from Lake Spence is used for drinking water in several cities around the West Texas area.

The evaporation pond will have the capacity to evaporate 6,000,000 gallons per day.

Foster begins duties Monday

City Manager Buddy Foster

Buddy Foster, Colorado City's new city manager, takes over his position officially on Monday, March 18.

Foster has been here for the last few days, however, looking for a house to rent. He and his wife, Chris, have two children, Jared, 9, and Rachel, 11.

He is also taking the opportunity to ask questions and familiarize himself with the operations of the job he will be doing, Foster said.

On Monday at 2 p.m., Foster

intends to meet with all city department heads, and he intends to spend time after that looking at city facilities and generally learning exactly how the city works.

Foster said he is very excited about coming to Colorado City.

"There are really good people here," he said. "We have a good city council, and Glenna has done a good job."

Glenna Garrett, to whom Foster was referring, has been serving as interim city manager since December, 1990.

Comptroller releases tax figures

The State Comptroller's office has issued the most recent city sales and use tax comparison summary.

The figures show that, by this date in 1990, Colorado City had received \$93,315.31. This year to date Colorado City has received

\$93,470.27.

Loraine had received \$2,093.72 by this time in 1990, and this year so far has received \$2,552.39.

Westbrook had received \$2,776.80 last year, and this year has received only \$1,304.43.

This downward trend in Westbrook, however, is due to the

fact that all of the tax has not yet been turned in from that city, and consequently rebates have not been returned to the city from the state.

Beneficial insect program set

Buddy Maedgen, owner, with his wife, Loretta, of Bio-Fac Insectory in Mathis, will speak at an informational meeting about biological control of insect pests in field crops at 6:30 p.m. on Friday, March 22, at the C.C. Thompson Room of City National Bank.

Biofac raises and sells 14 species of parasites and predators for markets ranging from fly control to field crops.

Pest control in orchards, green houses, gardens and granaries will be discussed, and cotton farmers will probably be happy to hear Maedgen's answer to the bollworm.

The program will include a slide presentation detailing the life cycles of both pests and beneficial insects in cotton crops.

Viewers of the television

program "60 Minutes" and readers of "Texas Monthly Magazine" may remember Maedgen as the man whose operations were, at one time, shut down by the FDA.

Apparently unfamiliar with beneficial insects, the FDA inspectors began taking steps to condemn the use of such insects in grain warehouses.

The inspectors were basing their actions on the fact that the insects were placed by humans into the grain. This is an alleged violation of the Federal Food, Drug and Cosmetic Act.

Maedgen was unable to convince the inspectors that all grain, of course, is thoroughly cleaned before it is milled.

Following the television and magazine exposure of Maedgen's

problems, he has now received a letter from the FDA stating, tentatively, that it will not forbid the use of beneficial insects in grain as long as the grain is cleaned before milling.

Maedgen is not alone in his belief in the value of beneficial insects as alternatives to pesticides. According to the August, 1990 issue of "Farm Journal" John Brower, research entomologist for the USDA-ARS in Savannah, Georgia, believes in them too.

"There are a large number of pests that attack stored grain," Brower says. "And there are certain parasites and predators that feed on these pests. By developing systems in which the right beneficials are released periodically into a storage area, we have been able to satisfactorily control the pests."

Clean-Up Week starts March 31st

The week of Sunday, March 31, through Saturday, April 6, is Clean-Up Week in Colorado City.

The purpose of Clean-Up Week is to assist citizens in their spring cleaning efforts.

Citizens may call 728-5331 during this week to advise city workers if there are unusually large or otherwise ineligible items to be picked up at their regular garbage collection points.

City workers will put all such calls on a waiting list, and will attempt to collect the items as soon as possible.

According to Interim City Manager Glenna Garrett, this pick-up has been accomplished in the past always within a period of several weeks.

Another feature of Clean-Up Week is the fact that the landfill site north of town on Highway 208 will not charge a gate fee throughout that period of time.

Hours for the landfill are 8:30 a.m. through 5 p.m. on Monday, Tuesday, Thursday, Friday, and Saturday.

The only items which cannot be disposed of free of charge during Clean-Up Week are rubber tires.

According to Ms. Garrett, tires have to be disposed of in a governmentally-prescribed fashion, at a certain cost to the city.

So get ready to clean out those garages, back yards, closets and store rooms!

This kind of deal only comes along once a year.

Committee meeting postponed

The closed executive session of the police committee of the City Council of Colorado City, which was originally scheduled for Friday, March 15, has been postponed until 4 p.m. on Tuesday, March 19.

The police committee, made up of Mayor Jim Baum, Mayor Pro-Tem Bob Reilly, and Councilman Brian Bassham, has met in executive session several times over the past few weeks, and interviewed several past and present members of Colorado City's police department.

Following the last such meeting, the committee went into open session and presented the recommendation to Interim City Manager Glenna Garrett, with which she subsequently concurred, that Police Chief Bobby Sparks be relieved from duty.

Economic Development Board meets

In a meeting of the Mitchell County Economic Development Committee on Friday morning, members discussed plans to ask Maggie Compton to speak at an upcoming meeting.

Ms. Compton is presently engaged in attempting to establish a new industry, Texas Yarns and Fibers, in Mitchell County, and members hope to receive a report on her progress thus far.

Members also discussed at Friday's meeting the possibility of sending a representative to the seminar to be held on Friday, March 22, regarding the use of beneficial insects in agriculture.

That seminar will be held in the C.C. Thompson Room of City National Bank beginning at 6:30 p.m.

The next regular meeting of the Mitchell County Economic Development Committee will be held at 7 a.m. on Friday, April 5, at MacMichael's Restaurant.

Interested persons are always encouraged to attend.

Peterson teaches seminar

Dolores Petersen taught a seminar recently at the Wallace Center, sponsored by the Brush and Palette Club.

Ms. Petersen believes in the opportunity for creativity in realism, but more than photo-like reproductions, she tends to use objects and figures in a symbolic, dreamlike manner.

She calls this category of art, "realism with a mood."

Some of her works incorporate what she calls "surrealistic symbolism," using symbols to expose subconscious secrets.

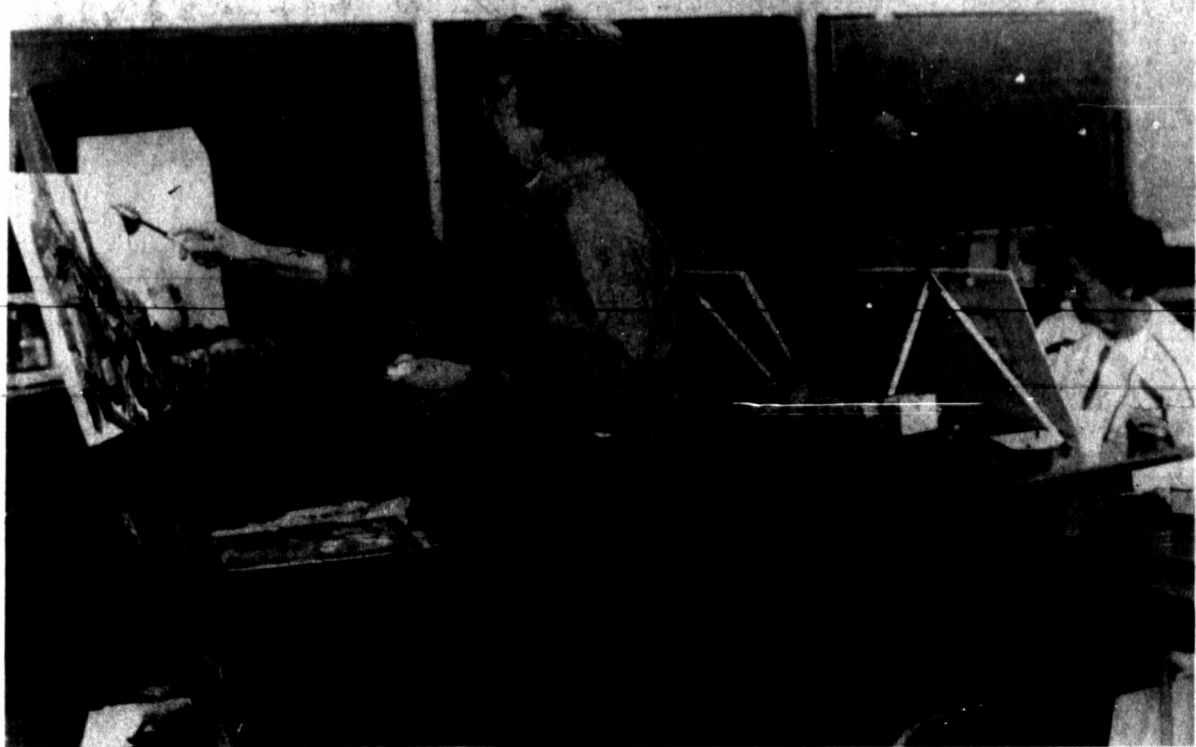

One of Ms. Petersen's oil paintings, entitled "Life," has been used by psychiatrists in professional workshops.

Ms. Petersen, a native of Colorado, presently of Odessa, also teaches workshops in right-brain development.

Her media include oil, watercolor, pen and ink, and dyes on silk. She has received Grumbacher and numerous other top awards.

Many of Ms. Petersen's paintings are in private collections.

A selection of her surrealistic-symbolic paintings have been featured in art museums and galleries.

Dolores L. Petersen, in foreground, demonstrates oil-painting technique to a class at the Wallace Center on Tuesday, March 5. The workshop was sponsored by Colorado City's Brush and Palette Club. Shown seated at their palettes are Thelma Murphy, left, and Neta Mahan. Fanny Fay Feaster is standing in background at the rear of the room.

Literacy Council

The Mitchell County Literacy Council will meet on Thursday, March 21, from 5 until 6 p.m. at First National Bank in Colorado City.

Friends of the Library

Friends of the Mitchell County Library will meet on Tuesday, March 19 at 4:30 p.m. in the Hesperian Room of the library.

All members are urged to attend, in order that final arrangements may be made for open house and National Library Week.

Anyone, interested in the Mitchell County Library is welcome to attend this meeting.

Open House

An open house celebration will be hosted by Oscar and Rachel Singleton on Sunday, March 24 from 2 until 5 p.m. at 400 Smiley Street in Loraine.

The handsome, two-story American prairie box style home at that address was designed and built by Mr. Ab Pratt in 1920, and for the past 50 years it has belonged to the Ira Coffee family.

It has recently been restructured to fit the new owners' needs, with eight rooms and two baths.

You are cordially invited to come.

No gifts please!

Loraine Leash Law

Effective March 18, 1991, all dogs in the city of Loraine must be penned up or on a leash.

Otherwise they will be picked up.

Recycling

Texans Against Pollution will again be sponsoring a recycling drive on Tuesday, March 19, from 5 until 7 p.m. in the parking lot of City National Bank.

The group will collect recyclable items, which have been properly separated into categories, on the third Tuesday of every month.

Breast Cancer Unit

The Mobile Breast Cancer Detection Unit of Odessa will be at Mitchell County Hospital on Monday, April 1.

Call 728-3431, ext. 222, for an appointment.

Senior Citizens' Dance

There will be a dance for senior citizens on Tuesday, March 19 from 7 until 10 p.m. at the Civic Center.

The Porky Proctor Band will perform.

All area senior citizens are urged to attend.

Loraine Clean-Up Week

The city of Loraine has designated the week of April 8 through 13 as Clean-Up, Fix-Up, and Paint-Up Week.

Call City Hall if you have anything to be picked up.

Candy Sales

Members of the Ebony Club are selling candy to raise money for the club's scholarship fund.

Turtles are \$1 a bar and M&M's, plain and peanut, are 50 cents a box.

Members selling the candy are Gerri Randle, Darlean Rankin, Pearl Jefferson, Berniece Lee, Brenda Russell, Barbara Monroe, Mary Smith, and Anita Biggers.

Help the Ebony Club make this a successful project.

Westbrook Wanderings

The Westbrook Volunteer Fire Department held their monthly meeting Thursday, March 14th.

March is election time for the department and officers are as follows: 1st assistant chief, Lee Roy Miller, Jr.; 2nd assistant chief, Ronnie Miller; Secretary, John Manning; Treasurer, Debra Miller; Chap., Bro. Bob Manning.

Department answered 5 fire calls last month in Mitchell and Howard counties.

Steve Rollins was awarded the 1990 fireman of the year award. Steve has served the department as

chief for 8 years. The award is given each year to a fireman that has given service above and beyond the call of duty.

DAY

FROM PAGE 1

The meal will be sponsored by several chemical companies through the efforts of Southwest Supply in Roscoe.

All cotton farmers and interested persons are encouraged to attend this annual event.

The programs should be beneficial to all producers, especially when it comes time to make some production decisions this year.

Milton presents program to C-City Rotary Club

Claude Milton

The Colorado City Rotary Club met at noon on Wednesday at the Villa Restaurant, and heard a presentation from Claude Milton, coordinator of supported employment services at the Abilene State School.

Abilene State School, Milton said, has been providing support with handicapped services for Colorado City since 1973, and provides such support for much of the surrounding area as well.

Milton's function is to match the individual with the job, and he takes pride in the fact that he has been able to find jobs for many handicapped individuals.

The jobs are a source of self-esteem, he said, as well as independence for the handicapped individuals.

As for the businesses which hire them, those businesses gain loyal, dependable workers who take pride in their work and who create a very low turnover, Milton said.

He gave examples of some of the handicapped individuals his office has helped. Two are now running their own screen printing operation. Another is blind and mentally retarded, but is able to live alone and support herself because she provides a certain type of hand-made packaging material used by a doctor in the town where she lives.

Handicapped persons, Milton explained, are now being identified in early childhood and provided with transitional services.

Social workers help the parents to instill work values, and to encourage their children to work proudly at their own capacity.

Milton, referring to a handicapped worker who was struck and killed by a car recently while on a roadside cleanup crew, acknowledged the tragedy of the event.

He said, however, that the safety record, no injuries since 1984 until that point, was a very good one, and proved, despite the recent occurrence, that handicapped

individuals are quite capable of performing meaningful tasks and contributing to society, rather than being shut away in closed institutions.

Milton, who has been active in social work since 1974, invited those present at the Rotary meeting to keep his office in mind if they should have a need for a worker he might be able to provide.

In other business, Rotary members planned to meet again on Friday night, March 15, to view slide presentations and learn more about the homelands of some of the foreign exchange students who are presently in the area.

PVT David Quintana

Deployed soldier is father of new baby boy

PVT David Quintana and his wife Jennifer are the proud parents of a new baby boy.

Zachary Jordan Quintana was born on February 22 at Dyess 96th Strategic Hospital in Abilene.

He weighed seven pounds and 15 ounces, and was 20 inches long at birth.

Grandparents are Sandy and Russell Long of Colorado City and Teresa and Pete Carrillo of Abilene.

Great-grandparents are Joe and Martina Quintana of Roscoe, Pennie Seybold of Colorado City, and Mr. and Mrs. Russell Long of DelTona, Florida.

PVT Quintana has yet to see even a picture of his new son, however, because the soldier is still in Dharan, Saudi Arabia.

According to Zachary's grandfather, Russell Long of Colorado City, PVT Quintana was assigned to the barracks which were hit by a scud missile toward the end of Desert Storm.

Long said that Quintana, in a telephone conversation with his wife Jennifer, said that he had just walked to the dining hall when the attack occurred, and that his bed was on fire when he rushed back to the scene.

Quintana does not yet know when his unit will be deployed home.

Spring fling for adults to begin in April

The "Center" of attention! That's what mature adults 55 and over will be at the Texas 4-H Center on Lake Brownwood when hundreds will enthusiastically participate in the 11th annual Spring Fling during April and May say's Dana Davenport, Mitchell County Extension Agent-HE.

Sponsored by the Texas Agricultural Extension Service, five weeks are offered from which men and women alike may choose:

Spring fling	I - April 2-5
Spring fling	II - April 9-12
Spring fling	III - April 16-19
Spring fling	IV - April 23-26
Spring fling	V - April 30-May 3

Featured educational programs and "hands-on" learning centers offer a wide variety of topics to fulfill the highest expectations of all who attend. Energizing and relaxing recreational opportunities will stimulate enthusiasm while all will welcome great fellowship and new friends.

Boat rides and fishing on Lake Brownwood add popularity to your stay. Lighted tennis courts, horseshoes, billiards, volleyball, shuffleboard, dominoes, and card and table games round out the event.

A special theme of "Cartoon Characters" will provide a festive atmosphere to the facilities. Thursday's theme party will feature events and activities with "Comic Capers".

Spring Fling! 55 or older? It's for you! Each weekly event is limited to the first 165 participants at a nominal fee. Get away and learn to make the most of the best years of your life. Call your county Extension office today at 728-3111.

Bethany Bridgford of Colorado City brought home a first place prize with her Fine Wool Cross, Light Weight lamb. Miss Bridgford was competing in the recent Houston Livestock Show and Rodeo.

Loraine Lady Bulldogs making the All-District selections from 26-A for the 1990-91 basketball season are, left to right, Michelle Garcia, Christy Blair, Christina Lopez, and Michi Atkins.

Ruben Vasquez, left, and Anthony Williams, right, made 1st-team All-District for the Loraine Bulldogs. Williams was also selected as the Coaches 6-Man All-Star Representative which will allow him to play in the All-Star game to be held in July.

All-district picks released by Loraine

Anthony Williams and Ruben Vasquez, seniors at Loraine School, were both selected to the boys All-District team from 26-A.

Williams was voted the Co-MVP of the district with Bubba Botts from Westbrook. Williams averaged a little better than 17 points, 8.5 rebounds, 4 assists, and 3 steals for the year to lead the Bulldogs in almost every category. In addition to his Co-MVP honors, Williams was selected as the Coaches 6-man All-Star representative. With this recognition, he will be allowed to participate in the All-Star basketball game to be held in mid-July.

Vasquez missed much of the round ball season due to a wrist related injury, but once returning to the court, he averaged more than 5 points and 3.2 rebounds a contest.

Earning 1st team honors for the Lady Bulldogs were Michi Atkins and Michelle Garcia, while teammates Christy Blair and Christina Lopez were recognized as Honorable Mentions.

Atkins, a junior, had yet another superb basketball season scoring 25 points and 16 boards a game. Garcia had an excellent season too, averaging 10.1 points and 8 steals a game.

Atkins and Lopez will return for another year of Lady Bulldogs excitement while Garcia, Blair, Vasquez, and Williams have ended their basketball careers in winning fashion.
