### Budget shows deficit

The proposed budget for fiscal year 1983-84 for the City of Dimmitt shows an \$11,911.86 deficit between the amount of expected revenue and the amount of expected expenditures, it was revealed at the Monday night meeting of the city board of aldermen.

Expected revenues were listed at \$1,379,000, with the majority of that (\$556,000) coming from collections for water, sewer and garbage services, followed by taxes at \$317,890.

Expected expenses were listed at \$1,410,084, with the biggest portion (\$441,079) meted out to the water and sewer department, followed by the administrative department at \$254,366.

Mayor R. L. Fleming said that the difference in income and expenses does not mean that the city will go broke. The city always holds an operating reserve, beside the fact that the city did not spend approximately \$70,000 of the money that was budgeted for the present fiscal year, he pointed out.

"The main reason for the deficit is the planned seal coating project for the city streets," Fleming said. However, after bids on the project were reviewed, the expense was shown to be less than was planned for, thus reducing the deficit.

The bid from Lipham Construction Co. of Aspermont for \$95,122.10 was accepted by the board. Other bids were \$96,979.08 from Jake Diehl, and \$97,049.80 from High Plains Pavers of Plainview. Andy Kyle, representa-

tive of city engineers McMorries and Associates, Inc., checked the bids and said that they all met the specifications. Lipham showed a starting date of 100 days from date of acceptance of the bid.

The aldermen postponed any action on the budget until their next meeting.

The second reading of the mobile home ordinance was

passed by the aldermen, and it will now go into effect after it is published twice in the paper.

After canvassing the city election results and approving the canvass, the reelected incumbents were sworn in by 64th District Court Judge Jack Miller. Aldermen Wayne

### Band contest today

The Region XVI UIL Band Contests in concert and sight-reading will be held at the Dimmitt High School auditorium today (Thursday) and Friday, according to Ralph Smith, Contest Chairman and local band director.

Competition will begin at 3 p.m. today (Thursday), with Class A schools going first, followed by Class AA schools at 5:10 p.m. Class AA will resume at 8:30 a.m. Friday, followed by Class AAA at 9:30 a.m. with the final performance beginning at 12 noon.

However, Dimmitt's Class AAA band will perform at 8:15 p.m. today (Thursday). Numbers will include "Sol Y Sombra" by George Gates, "My Jesus! Oh, What Anguish" by Bach, and "Credence" by Claude T. Smith.

Each band will perform three concert numbers, and the public is invited to attend any of the performances free of charge.

Nazareth High School Band is scheduled for 3:50 p.m.

today (Thursday). They will play "The Ringmaster," "Beau Galant," and "Russian Sailor's Dance."

Hart High School Band will perform at 5:40 p.m. today, playing "New Westminster March," "Sarabanda and Gavotta," and "Australian Rhapsody."

Sightreading sessions are not open to the public.

Bands earning a I rating in both concert and sightreading, and that have already earned a I in marching, will be given sweepstakes awards.

Dimmitt has been named a sweepstakes award winner for 29 of the last 30 years. Winning a I rating in marching earlier in the school year set the band up for another possible sweepstakes.

Five bands in Class A, eight in Class AA, and seven in Class AAA are scheduled to attend.

Judges for the contests will be Bill Shipp of Colorado City, Wendall Gideon of Stephenville, G. T. Gilligan of Kermit, and Gerald Smith of Panhandle.

end, according to US Weather Observer KDHN Radio. Here Stacy Waggoner, son of Jim and Jan Waggoner of Dimmitt, mourns the passing of the brief warm spell which area residents enjoyed last week.

### Voters favor incumbents

In a light turnout, voters generally favored incumbents in Saturday's city, school and hospital board elections in Dimmitt, Hart and Nazareth.

Only one incumbent was defeated in any of the elections in the three cities. Charley Hill, running for re-election on the Nazareth School Board was unseated by a slim three vote margin.

In the Dimmitt city elections, Mayor R. L. Fleming was reelected for another term. He received 290 votes.

There were write-in votes for six different people with Garnett Holland getting 20.

Incumbent corporate judge Ferne Jones and aldermen Wayne Collins and David Hays all were elected to serve another term. Mrs. Jones received 330 votes, while Collins received 278 votes, and Hays received 228 votes.

There were nine additional names written in for the two aldermen positions, with E. M. Jones getting 80 votes.

Ballots cast in the city elections totaled 368.

Fred Bruegel, Jr., Deanne Clark and Stanley Nelson all were reelected to the Dimmitt

School Board.

Bruegel received 318 votes, Nelson 309, and Mrs. Clark received 292 votes. Richard Hunter also had filed for one of the three positions and received 254 votes.

There were write in votes for three others, and 446 ballots were cast.

Incumbent Rita Book was reelected to the Nazareth School Board. She received 127 votes.

Louis Huseman was elected to the other position, getting 100 votes to incumbent Charley Hill's 97.

Several write in votes were cast, with one man receiving five.

Sonny Hochstein received 25 write in votes and will replace Jerry Lange as city commissioner in Nazareth.

Lange did not file for re-election, and no one else ran. Joe Drerup received 21 write in votes in that election.

Incumbents Jerry Kittrell and Weldon Davis were re-elected to another term on the Hart School Board. Kittrell received 103 votes, Davis 102, and J. D. Myrick was elected,

with 113 votes, to fill the third open position on the Hart board.

Also in the Hart School Board elections, James Jackson received 77 votes, Danny Rodriguez 57, and Donna Lee, 42.

One write in candidate received two votes.

There is only one two year term available for the Hart board members selected. Kittrell, Myrick and Davis will draw to see who will serve two years, the other two will have a three year term.

In the Hart City elections, Bill Ritter was reelected mayor with 80 votes, and Jerry Horton received 70 votes and will serve another term as city commissioner.

The three men seeking re-election to the Hospital Administration Board of Plains Memorial Hospital, all were elected to serve another term.

James Welch received 369 votes, Desi Pesina, 344, and Charles Rickerd received 367 votes.

Nine write in candidates received 12 votes. A total of 433 ballots were cast.

### Castro County receives six more inches of snow

If you thought spring was here . . . April Fool!

Six more inches of snow fell in Castro County this week, with three inches accumulating during the day Monday, three more Tuesday night and weather forecasters are predicting more snow and rain this week. Total moisture for the Monday and Tuesday snowfalls was .51 of an inch.

It was the latest recorded date for a snowfall since May 4, 1978, when light snow fell in the county.

KDHN Weather Observer records begin at the end of 1974, but the weather official there reported at least a six inch snow fell the last day of April in 1973. The Monday and Tuesday snows bring the county snow total to 58 1/2 inches.

Two weather related acci-

dents resulted in the hospitalization of two Dimmitt men, Monday evening and Tuesday morning.

Jose Antonio Rodriguez of Dimmitt was transferred from Plains Memorial Hospital (PMH) to the Hereford hospital Monday, after he rolled his car on an ice covered road 13.3 miles north of Dimmitt on highway 385.

Miguel Nino of Dimmitt was hospitalized Tuesday morning at PMH, following a two car accident on ice-covered roads one mile south of Dimmitt.

Nino was traveling south on highway 385 when he lost control of his car, crossed the road and collided with a northbound car driven by Betty Tischler of Dimmitt.

Both cars were totaled. Nino was hospitalized with several broken ribs and Mrs. Tischler was treated and released at PMH.

Castro County Judge Polly Simpson broke her arm Monday evening when leaving the courthouse. Mrs. Simpson slipped on the ice-covered

sidewalk. She was still hospitalized at PMH Wednesday morning.

No other weather-related accidents were reported.

### Cleveland is player of year

If major college basketball coaches aren't interested in Kevin Cleveland it may be an oversight on their part, since pound for pound and inch for inch the 5-10, 140 pound guard is as good as any high school player in Texas.

Cleveland, Dimmitt's all-time leading scorer and the sparkplug on the 1982-83 edition of the 38-0 Bobcats, has been named winner of the 1983 Amarillo Chamber of Commerce Texas High School Outstanding Basketball player Award.

Cleveland is only the third area player to be so honored in the 20 year history of the basketball award. Cleveland was selected for the honor over all high school boy and girl players in the state, regardless of classification.

Cleveland was the leading scorer, the leader in assists, and the catalyst on the unbeaten Dimmitt team which captured its second consecutive state championship this year.

In his four years of high school basketball, Cleveland amassed an unmatched 2,728 points. He scored in double figures in 63 straight games, and in three years he scored double figures in 113 of 115 games.

He was an all-district selection four years and the district's Most Valuable Player two years.

He was a unanimous selec-

Castro County farmers have from now until April 15 to offer their grain which is under loan for a sales contract with USDA, in a program the government has titled "Reserve PIK."

The program could mean the early release of some grain under loan, depending on the bids submitted by farmers and the bids accepted by USDA.

The government must acquire more corn, sorghum and wheat to fulfill its commitments for the Payment-In-Kind program. The heavy sign-up nationwide in the PIK program makes it necessary for the Commodity Credit Corporation (CCC) to either acquire additional grain from producers or to exercise USDA's previously announced option of requiring farmers to obtain CCC loans on their 1983 crop commodities to satisfy program needs.

Any Castro County producer with grain in the farmer-owned reserve or under regular price support loan may submit bids at the ASCS office in Dimmitt until the April 15 deadline.

The local ASCS office has checked to see how much grain, corn or wheat each county farmer has in the reserve or regular loan programs. They will also check to see how much grain it will take to fulfill each farmer's PIK agreement.

The office mailed a letter Monday to county farmers asking if they wish to submit a bid for the grain they have in loan above the amount it will take to fulfill their PIK agreement.

Farmers wishing to submit bids have two options. A farmer may either submit a zero percent bid, or he may offer a competitive bid.

All offers bidding zero percent will be accepted by the CCC. In that instance the farmer keeps the loan money he received earlier, USDA

gets the grain, and USDA forgives interest charges that may have accrued against the farmer's account.

If the grain is stored on the farm, the farmer would be responsible for delivering the grain to a warehouse as designated in his original loan contract, with USDA covering any excessive transportation costs.

Any competitive bids offered by farmers, may be rejected by the USDA. The competitive bids will show the amount of grain the producer offers to CCC and the percent of that grain to be paid as in-kind compensation to the farmer. If the bid is accepted, the farmer will immediately receive the in-kind payment (grain, corn or wheat) and can market it, use it for feed or store it.

ASCS executive director Charley Hill said his office could give the farmer some idea of the charges against his loan. The farmer could then decide whether to submit a zero percent bid or a competitive bid.

Local farm leaders feel the situation could shed some light on the area storage problem.

"We have been striving for the early release (on a regional basis) of PIK grain," said Texas Corn Growers President Carl King. "We need the storage space, and I feel like we will get some early release if the government accepts bids. How much space will open up depends on what the farmer asks in his bid and what the government accepts."

King urged farmers to "check with the ASCS office and see how much is against their outstanding loan before making a bid."

USDA will not sign any bids until sometime after April 15, and the ownership of the grain will not legally move from the farmer to the USDA until then.

### RWSWCD awards banquet is Friday

The Running Water Soil and Water Conservation District (RWSWCD) will hold its annual Awards Banquet, Friday at 7 p.m. at the Castro County Exposition Building.

This year the meal will consist of steak and all the trimmings. The steaks have been donated and the meal will be cooked by volunteers.

The tickets are \$5 each and will be available at the Conservation office at Third and Bedford, also tickets can be bought at the door.

The RWSWCD is a county-wide non-profit organization and consists of five elected local directors who themselves are farmers, and approximately 600 co-operators.

Money collected from the banquet will be used for expenses for the Running Water District which includes educational materials, trophies for poster, essay and soil judging contests, stamps, soil stewardship material, and other expenses, all of which are used to place conservation before the public.

Awards will be given Friday to the Outstanding Farmer of the Year, the Outstanding Homemaker of the Year, and a News Media award will be given.

Also, awards will be given to the three top county essay and poster winners and the Conservation Teacher of the Year.

FOUR INCUMBENTS were returned to office as a result of Saturday's city election in Dimmitt. Here, they are being sworn in by 64th District Court Judge Jack Miller (far right).

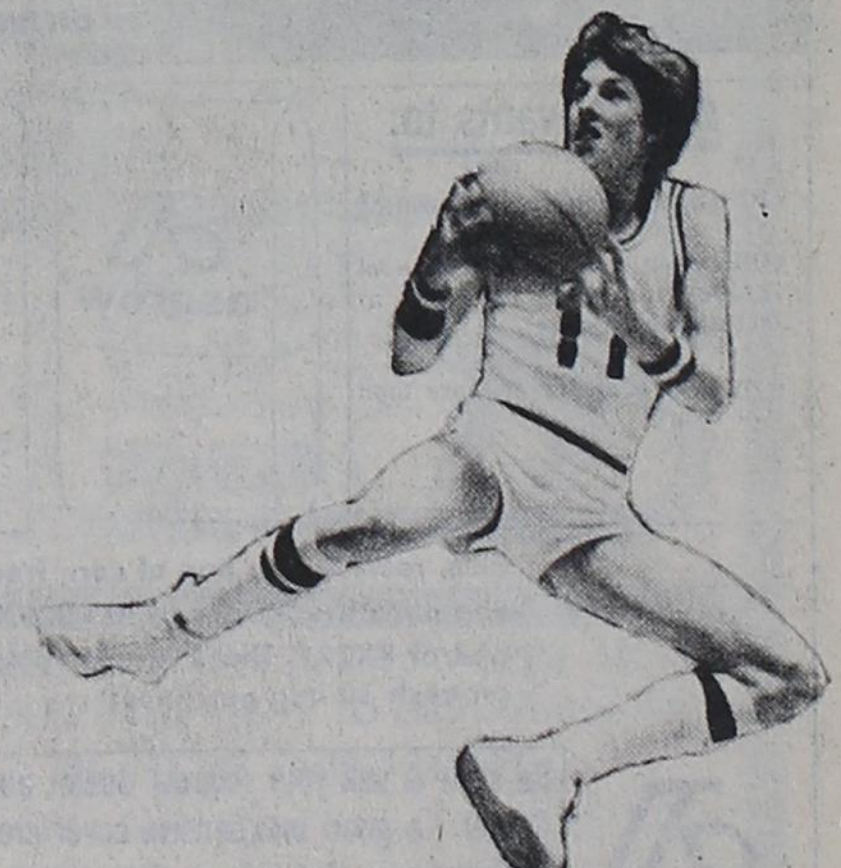

They are (from left) Alderman Wayne Collins, Municipal Court Judge Ferne Jones, Mayor R. L. Fleming, and Alderman David Hays.

# John Howell honored

Army Captain John Howell, a 1967 graduate of Dimmitt High School, recently was given the Award of the Four Chaplains, an award given for helping others.

Howell, the son of Mr. and Mrs. Moss Howell, former Dimmitt residents, and Sfc. Gordon Hazelett both received the honor which is given each year in honor of four chaplains who sacrificed their lives to save others during World War II.

A Chapel was named in honor of these chaplains and each year the Philadelphia chapel recognizes deserving service members with the award.

Both Howell and Hazelett are assigned to the 27th Field Artillery division and were nominated by Chaplain (Capt.) Larry Eakes, assistant

chaplain for the third brigade in Friedberg.

Howell and Hazelett are active in the Friedberg community in several church programs, which was why Eakes nominated them.

Neither had heard of the award before Eakes mentioned it, but they said it surprised and pleased them to receive it.

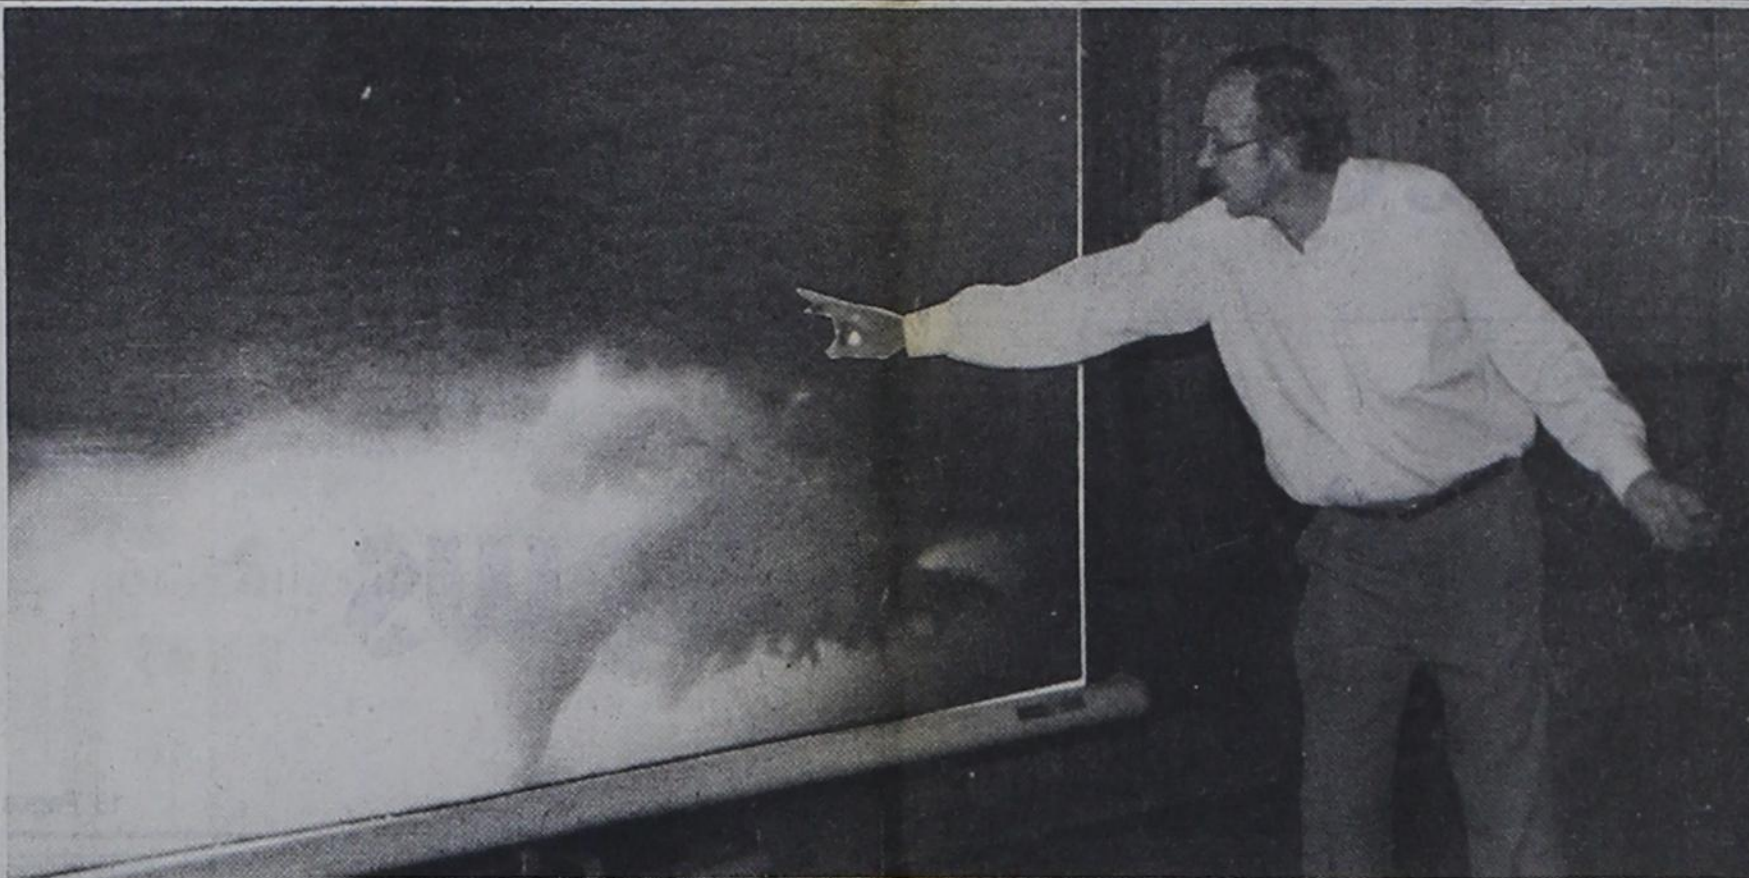

## OUT OF TOWN

Randy and Tami Griffitt of Dimmitt are the parents of a boy, Tanner Earl, born March 29 at 3:35 a.m. at Deaf Smith General Hospital in Hereford. The baby weighed 7 pounds and 7 1/2 ounces and was 19 inches long. Grandparents are Earl and Delores Griffitt, and Elois McMasters, all of Dimmitt.

Danny and Kelly Quisenberry are the parents of a son, Daniel Slade, who was born Mar. 18 in South Plains Hospital in Amherst. He weighed 8 pounds, 12 1/2 ounces and was 21 1/2 inches long. Grandparents are Mr. and Mrs. Eddie Haydon of Sunnyside and Mr. and Mrs. Bob Quisenberry of Lubbock. Great grandparents are Mrs. Odessa Stine of Earth, Mrs. Ethel Pool of Edmonson and Mr. and Mrs. Charlie Quisenberry of Plainview.

Jeff and Jenifer Bell of Lorenzo have a new son, Joshua Jeffrey born April 1 in Lubbock. He weighed 6 pounds, 13 ounces and was 21 inches long. Grandparents are Mr. and Mrs. Lonnie Bell of Dimmitt and Dr. and Mrs. Tom Young of Killeen.

**HOW TO SPOT ONE**—Lawrence Smith of the National Weather Service office in Amarillo points out the different parts of a tornado-producing "wall cloud" during a Weather Watch training session Thursday night at the Dimmitt Fire Dept. The local Weather Watch is made up of volunteer

spotters who use both CB and police radios to track and report potential tornado formations during turbulent weather. Forty persons attended Thursday night's session, which was co-sponsored by the Castro County Lucky 7 CB Club, the Sheriff's Office and the Dimmitt Volunteer Fire Dept.

# Church hosts Easter egg hunt

By TEENY BOWDEN

An Easter egg hunt was sponsored by the youth department for the children of the church immediately after the Sunday morning worship service.

An all-church fellowship was observed after the Sunday evening services. Punch, coffee and cookies were served.

Daniel Clymer read the poem "Three Nails" during the Sunday morning services. A quartet made up of Gerald Elkins, Terrie Carson, Lee Brown, and Gale Sadler accompanied and assisted by Verna Sadler sang a medley of Easter songs following the poem.

Daniel Clymer was presented a certificate of higher excellence from the state Sunday morning for his participation in the recent association musical festival. Lonnie Wilson also received a like certificate.

Mr. and Mrs. Bruce Bridges, Erin, Robin and Jonathan spent Saturday and Easter Sunday in Sundown with her parents, Rev. and Mrs. Glen Smith.

Mr. and Mrs. Ezell Sadler, Mr. and Mrs. Jake King of Hereford, and Mrs. Larry Sadler, Carrie, Stacy, and Laura spent Easter Sunday in Hobbs with Mr. and Mrs. David Sadler, Melody and Karla.

Mr. and Mrs. E. R. Sadler spent Easter Sunday in Lubbock with Dr. and Mrs. Myles Sadler, Gregory and Amy, Mr. and Mrs. Bob Clatt, Jasmyne and Tyler, and Mr. and Mrs. Greg Harman. They attended the Easter Cantata-Pageant at the Civic Center to see and hear Cindy Clatt who was in the cast.

Mr. and Mrs. D. N. Gambelin of Avery arrived Monday and visited until Wednesday with Mr. and Mrs. Noah Spencer. Mrs. Ralph Hill,

Kyla and Kipp visited Tuesday with them and the children stayed until Thursday when their mother came for them.

Mr. and Mrs. Roy McGowan of Jal spent the weekend here with Mr. and Mrs. A. J. Jones and Mr. and Mrs. Lee Brown, Jared and Jason. Mrs. Cliff Brown and Mrs. Lee Brown and boys visited in Lubbock Wednesday with Mrs. E. R. Brown.

Roy Phelan called Rev. Richard Clymer Sunday morning to report he was entering the hospital Monday morning for treatment of kidney stones.

Whitney Nicole Lawson of Olton attended the Sunday morning worship services with her grandparents, Gerald and Pat Elkins. She had been to church at Olton, but since this was her first time here she was shown off to the entire congregation by the pastor.

Other visitors in the Sunday morning worship services included Melissa and Stacy

Sullivan, grandchildren of the Ethridges, and Gregg George of Dimmitt who was visiting with his grandmother, Lillian Carson.

James and Patricia Powell of Canadian visited Thursday with Ezell and Verba Sadler and Larry Sadler and girls.

John and Linda Amerson moved from the Autry house to the Eddie Waggoner house last weekend. He will drive a truck for Eddie. She works at Bruegel & Sons in Dimmitt.

Danny and Kelly Quisenberry became parents March 18 when a 8 pound, 12 ounce boy was born to them in South Plains Hospital in Amherst. He was 21 inches long and was named Daniel Slade. Eddie and Sherry Haydon are the proud grandparents.

The Lions Club and the Fire Dept. sponsored a cheese give away at the community building Wednesday. They gave away about 200 cartons and ran out within two hours.

15 of an inch of rain was received Friday morning with high wind that knocked out

the electricity for awhile.

Sharon Sadler was in Amarillo Monday through Friday for classes in Insurance Adjusting for the Federal Crop Insurance Corporation. They took their test Friday and it will be sent to the home office in Kansas City, Kan. for grading.

Teeny Bowden and Clara Vick of Dimmitt attended the Commissioner's Court meeting Monday morning to help initiate plans for the 1986 Sesquicentennial. They were representing the Castro County Historical Commission which has already chosen several projects for 1983-86.

Larry Sadler killed a five-rattler and a button rattlesnake in their pasture Saturday, but let the big one get in the hole before he could get his gun out. Sunday he killed one with eight rattlers and a button and one about the same size, 32 inches, but with the rattlers broken off and one with three rattlers and a button.

Kelly Quisenberry and her new son Daniel Slade will be honored with a baby shower Saturday from 2:00 to 3:00 p.m. in the home of Paralyne Moore.

## Nazareth team wins Happy meet

Nazareth tracksters captured five first places and amassed 115 points last Thursday to tie with Happy for a first place team finish in the Happy Track Meet.

Nazareth's 440 relay team won first, and individually the Swifts finished first in the 400 meter dash, 200 meter dash, the discus and long jump.

Here are the Nazareth results:

- 110 HIGH HURDLES — 4. Billy Steffens.
- 440 YARD RELAY — 1. 45.8 (Marvin Schmucker, Eric Wilhelm, Chris Gerber and Russell Hoelting).
- 400 METER DASH — 1. Chris Gerber 53.7; 3. Marvin Schmucker 55.6.
- 200 METER DASH — 1. R. Hoelting 24.3; 6. E. Wilhelm.
- 3200 YARD RUN — 3. Joel Birkenfeld.
- MILE RUN — 2. J. Birkenfeld.

## View from the library

By BRICK AUTRY

The best sellers list is divided into two lists. One patron guessed "old list and new list" but that isn't it. It is divided into fiction and non-fiction.

The library used to get the fiction as well as the non-fiction. So, what happened? Just the fiction appears now.

Just look at the nonfiction list sometime, though. What will one find? This week alone features three diet books. It's been like that now for a year. We bought three diet books a month as best sellers. After four months all we had were diet books. The "this-diet" and the "that diet" — they went on and on. Finally one morning the shelf that holds the diet books section refused to take any more. We had to do something so we started just ordering the fiction. The fiction books were checked out more often anyway.

So that readers do not feel cheated at not getting to read all the new diet books, this issue of "View from the Library" presents the "Brick Autry Diet." It's effective, that's for sure. Brick Autry never weighed more than 150 pounds sopping wet in his life.

Breakfast: simple — wake up one-half hour too late to fix any. One cup of left over supper's coffee sufficiently nauseates one so that he forgets all about breakfast.

Dinner: anything on special at Bobcat Drive Inn (except the chili dogs — chili dogs are fattening).

Supper: considerable freedom of menu here. However

be sure to include at least two heaping bowls of soffie (Creek Indian corn) per month. Also peanutbutter and Miracle Whip sandwiches — one cup of shoe peg and a bottle of Vin Rose.

Or . . . you always come into the library and choose one of the dozen or so books we have on dieting.

## Workshop is today

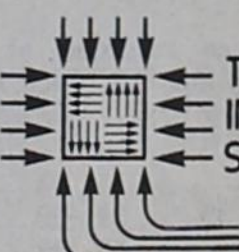

A computer workshop is being held today (Thursday) in the Swisher County Memorial Building in Tulia, sponsored by the Swisher County Program Building Committee and the extension offices of Briscoe, Castro, Floyd, Hale and Swisher counties.

Registration for the day's activities will begin at 9 a.m. The fee is \$5 per person, including a noon luncheon catered by "Smokey's" of Plainview. The workshop is scheduled to end at 5 p.m.

Speakers will include Briggs R. Myrick, computer specialist with the Extension Service; Dr. Robert Cohen, extension specialist; Marvin Sartin, of Ag Management of Amarillo; and Steve Griffin, ag economist with the Extension Service.

Six companies that manufacture computers, components and software will have exhibits on display.

All interested persons are invited to attend.

## IN OFFICIAL TESTS

Two of our new 50 Series Tractors have broken the drawbar pull record for 2-wheel-drive tractors in official tests. Yes, that's right. TWO of them. The new 4650 recorded a maximum pull of 18,794 lb. And the new 4850 recorded a maximum pull of 20,810 lb. Both of these tractors recorded more drawbar pull than any other 2-wheel-drive tractor ever tested. All five of our new tractors generate a considerable increase in pulling power when compared to their predecessors. And torque reserve? It's increased as well. Drawbar fuel efficiency? It's improved on all five. Stop by the store for complete details on these record-setting tractors. We want to tell you about our PTO fuel efficiency record and sensational sound levels, too. If you're looking for better fuel efficiency, more pulling power or a better working environment, look at a new John Deere.

**15—LEGAL NOTICES**

The City of Dimmitt is currently seeking bids for its comprehensive insurance coverage. Specifications and copies of our current insurance policies will be available at the City Hall in Dimmitt, Texas. All bids are to be sealed and delivered to the Mayor and the Dimmitt Board of Aldermen at a regular meeting scheduled for May 2, 1983 at 6:30 p.m., at City Hall in the Aldermen's Chambers. Insurance Agents should plan to either attend this meeting or have one of their representatives available to answer questions. The Dimmitt Board of Aldermen will retain the right to accept or reject any bid.

The City of Dimmitt is currently seeking information from citizens who may be interested in having their streets paved at some time in the near future. City officials would like to determine the extent of the overall interest in the community on the proposed paving project. The city would be willing to pay for its share of the cost while the citizens interested in paving would be required to pay their share of the cost. For more information, citizens should contact Paul Catoe at the City Hall in Dimmitt, Texas by phoning 647-2156.

**NOTICE OF AUCTION OF ABANDONED VEHICLES**  
A PUBLIC AUCTION OF THE BELOW DESCRIBED ABANDONED MOTOR VEHICLES WILL TAKE PLACE AT THE CASTRO COUNTY COURTHOUSE IN DIMMITT, TEXAS ON APRIL 12, 1983, AT 10:00 A.M.:

1971 Chevrolet passenger car, VIN/14111U249393  
1972 Plymouth passenger car, VIN/PP43K2D179596  
1973 Plymouth passenger car, VIN/RH23G3G258065  
1966 Chevrolet passenger car, VIN/1646961559991

These motor vehicles are stored at Don's Wrecker Service and Shop in Dimmitt, Texas, and may be inspected there on the day of the public auction. The owner and any lien holder may reclaim the motor vehicles within twenty (20) days from the date of this notice upon payment of all towing, preservation and storage charges, and garagekeeper charges. Failure of the owner or lien holder to exercise their rights to reclaim any of these motor vehicles within the time provided shall be deemed a waiver by the owner and all lien holders of all right, title, and interest in the vehicle and their consent to the sale of the abandoned motor vehicles at a public auction.

Notice posted on the 29th day of March, 1983, in the Castro County Courthouse and at Don's Wrecker Service and Shop in Dimmitt, Texas by the undersigned.

**A NEW LOCATION**—La Asamblea Christiana congregation in Dimmitt has moved its meeting house to this location at 400 NE Fifth Street. Remodeling, new windows and siding, new doors, and new carpet and paneling were all added to the building, which will also have a new 30-foot extension built on for classrooms and possibly a kitchen, according to pastor Rev. Ruben Velasquez. The approximately 100 members of the congregation have done much of the work themselves, and hope to have it all completed before winter. The building used to be located on Southwest Fifth Street in Dimmitt.

## Obituaries

### Carroll C. Jones

Services for Carroll C. Jones, 76, of Plainview, were held Monday in Trinity United Methodist Church in Plainview with the Rev. Tommy Ewing, pastor, officiating, assisted by the Rev. Tommy Beck of Abernathy First United Methodist Church.

Burial was in Plainview Memorial Park.

Mr. Jones, a native of Cherokee, Iowa, died Friday after a lengthy illness.

He moved to the Hart area in 1910 with his parents. He graduated from Olton High School and began farming in the Valleyview Community. He retired in 1960, and moved to Plainview in 1976. He was a member of the Odd Fellows Lodge and the Trinity United Methodist Church.

He married Marie McAlister McGowen in 1967 in Plainview.

Survivors include his wife; two daughters, Mrs. Newlon (Caroline) Rowland of Hart and Mrs. John (Elaine) Hicks of Midland; three stepsons, Orval, Sam and Jimmy Lee McGowen, all of Plainview; two brothers, Ernest E. Jones of Hart and Owen E. Jones of Olton; 15 grandchildren and five great-grandchildren.

### Trinidad Salazar

Services for Trinidad Salazar, 73, of Hereford were held Saturday in the Primera Iglesia Bautista in Hereford with the Rev. Henry Amar, pastor, officiating.

Burial was in West Park Cemetery.

He died last Thursday evening at his home after a lengthy illness.

He was born June 5, 1909, in Lockhart and married Josephina Zuniga in October 1948 in Lamesa. They moved to Hereford in 1961 from Lovington, N.M. He was a hide processor at the packing plant.

He was a Baptist.

Survivors include his wife; four sons, Pablo of Sunnyside, Albert of Hereford, Tony of Midland, and Jesse of Canyon; five daughters, Rosa Ramoz, Modema Lemus and Lulia Salazar, all of Hereford, Mary Guzman of Houston and

Benita Griego of Santa Rosa, N.M.; three brothers, Fidel of Lubbock, Juan of El Paso and Ignacio of Lockhart; two sisters, Fela Castillo and Lomasa Martinez, both of Austin, 30 grandchildren; and 25 great-grandchildren.

### Geneva (Brooks) Garrison

Geneva (Brooks) Garrison, 53, died Sunday in Vallecito, Calif. She had lived there for three years and was a freelance artist.

She was a Methodist.

Services will be conducted Friday at 10 a.m. in the First United Methodist Church of Hart by Lyman Woods, pastor of First Methodist Church in Borger. Burial will follow in Hart Cemetery under the direction of Parsons Funeral Home of Dimmitt.

She was born Feb. 20, 1930 in Hart. She married Ernest Lee Brooks in 1947. He died Sept. 23, 1964. She later married Capt. Ed Garrison.

Survivors include her husband Capt. Ed Garrison; one daughter, Rene Cameron of Fredericksburg; three sons, David Brooks of Austin and Rodger Brooks and Robert Brooks, both of Oklahoma City; her mother, Mrs. Mabel Aven of Hart; four sisters, Maurice Carson of Hart, Lillian Carson of Sunnyside, Lila Pearl Jones of Lubbock and Ruth Brown of Natrop, Colo.; two brothers, Buster Aven of Hart and Hilrey Aven of Hereford; two grandchildren, Ian Brooks of Austin and Cheryl Brooks of Oklahoma City.

The family suggests memorials to a scholarship fund for an art student at Hart School. Contributions may be made at Farmers State Bank in Hart. The family is receiving friends at the Joe Ed Carson residence in Hart.

Pallbearers will be Mac Cogburn, Steve Sparks, Dudley Aven, Danny Jo Carson, Doug Higgins and Ricky Brooks.

LARGE female crappie of both species have been known to contain 100,000 or more eggs prior to spawning.

## Bike-a-thon is Saturday

Saturday is the day for the bike-a-thon to be held in Dimmitt to benefit St. Jude's Children's Research Hospital. Riding is scheduled to begin at 1 p.m. at the high school track, according to chairman of the event Elaine Thompson.

Participants in the bike-a-thon are to line up sponsors to pledge a certain amount for each lap the rider completes around the track.

"We will have lap cards for each rider, and the cards will be marked each time the rider passes the checkpoint," Mrs. Thompson explained.

The rider who raises the most money for the event will win a choice of one of three bicycles on display at Killingsworth True Value Hardware in Dimmitt.

Recognition will also be given to the rider who completes the most laps.

"The money our riders earn will help continue St. Jude's life-saving study of childhood cancer — a study that has become so important to children all over the world," Mrs. Thompson said. "Please support our riders with generous pledges, and then help them get the funds to us as soon as the ride is over."

Participants may still obtain sponsor forms, and sponsors may volunteer pledges, both by calling Mrs. Thompson at 647-3710.

## More about City ...

Collins and David Hays were returned to office, along with Mayor R. L. Fleming and Municipal Court Judge Ferne Jones.

Board members voted by acclamation to reappoint Collins as Mayor Pro Tem.

In other business, the board:

—Voted to approve the bill for election expenses, which will be divided equally between the city, school district and hospital board.

—Met in executive session to finalize work on the personnel policies and procedures manual for the city.

—Discussed obtaining personal liability insurance coverage for the board, the city manager, the mayor, and the police department.

### COUNTY TREASURERS TO MEET

More than 100 of the state's county treasurers are expected to attend a professional development conference at Texas A&M University April 12-14. Theme of the conference is "Education That Counts," says the coordinator of the V. G. Young Institute of county Government, a part of the Texas Agricultural Extension Service. Discussions will deal with county finance, public finance, organization management, principles of accounting, and money.

EZRA MEEKER of Franklin, Washington, did not like the name of his town so he changed it to a very exotic name, "Puyallup," which is an Indian word meaning "generous people." Because Meeker was a very influential man in the town no one objected to the change. This was back in 1877.

## State-wide sales tax receipts down

In Castro County, sales taxes collected in December were up slightly from what they had been the year before, while the taxes paid in January were down some from the previous year.

Sales tax payments from the State Comptroller's Office based on December sales were received in February, while payments based on the January sales were received in March.

In 1983, Dimmitt received \$22,273.69 in February and \$6,085.77 in March, bringing the payments to date to \$35,498.82. In 1982, Dimmitt received \$20,098.29 in February and \$10,407.01 in March, making the total to date \$38,289.56.

Hart for 1983 received \$2,238.10 in February and \$1,296.51 in March for a total to date of \$4,135.95. In 1982, Hart received \$3,528.55 in February and \$557.96 in March, for a year-to-date figure of \$4,086.51.

Receiving \$2,093.42 in February and \$818.09 in March, Nazareth's payments to date for 1983 are \$3,760.98. In 1982, Nazareth received \$1,640.58 in February and \$1,174.42 in March for a year-to-date total of \$4,078.97.

Year-to-date figures compared for the two years show that Dimmitt has a 7.29%

decrease, and Nazareth has a 7.80% decrease, while Hart has a 1.21% increase.

Statewide, sales tax payments for March are running 4.5% behind last year, according to Comptroller Bob Bullock.

The city sales taxes are collected along with the state sales tax by merchants and sent to the Comptroller, who then returns the cities' portion to them.

# The World Has Now Had 50 Years Of Johannes Fredrick Bruegel Jr.

1933 — Age Three Months

**To Fred Jr., On His 50th Birthday**  
For 49 years life has been sugar and spice,  
For young Fred Jr., in his prime of life.  
Now with 50 years under his belt  
And the burden of life on his back,  
He begins to shuffle along a downhill track.  
Don't feel bad, Old Fred, there are  
A few of your friends lined up  
On That Age Old Track.

*Garnett A. Holland*

First Day of School, 1939

First Grade, Lazbuddie

**ODE TO AGE**  
In our world of relativity,  
What does 50 mean?  
It's young relative to Moses,  
It's old compared to me.

But is age simply a matter of years?  
For I have known a mensch or two,  
Who were much older than Dad,  
And only 22!

If maturity is our guide,  
There's a problem that's innate;  
I'm sure that you've known people,  
Still children at 68.

So here's a cheer for you, Dad,  
May you age with graceful zest;  
And on this day I'm sure you know  
What's to come is still the best!

*Heidi*

Happy Birthday to the  
"Be Bop Bugle Man," from  
*Ruby Martin*

DHS Graduation, 1950

**LABOR DAY, 1981**  
We do not get rains like this  
very often.

*Carl O. Collyer*

Fred,  
Happy Birthday! I love  
and adore you.

*Sandy*

Has it been 14 years since  
you Roostered out of Jay-  
cees as a JCI senator?

*Robert*

After 50, be sure and  
check Control Lock before  
taking off!

*Dan Davidson*

**Fred — 50 is not Old!**  
5 X 10 = 50. 2 X 25 = 50.  
Fred has the Enthusiasm  
equal to five 10-year-old  
boys . . . . Knows twice as  
much as two 25-year-old  
men . . . . Is the age when  
knowledge is more active  
than impulse, where sensi-  
tivity and compassion have  
been more finely honed than  
greed.

Happy 50th, Fred!

*Roy Nolan*

I know a kind and gentle,  
generous man. Happy  
Birthday, Fred.

*Betty Luckabay*

Well, here you are, 50  
already. It's ok. I still have  
a year on you. I remember  
the good old fun in Parmer  
County, teaching me to ice  
skate on the old lakes, start-  
ing to school, our excitement  
over getting married and the  
kids visiting once in a while  
to catch up on the news and  
events that happened over  
the years. It's good to have  
you for a cuz!  
Happy Birthday! Love,

*Dumps*

Remember the flight  
when the stewardess asked,  
"Your husband got enough  
'Snuff' for this trip?"  
When you're pushing 50,  
that is all the exercise you  
need!  
Happy 50th, Fred!

*Seaburn Brown*

Welcome to Over the Hill  
Gang!

*Jo & Charlie*

Bruegel is his name,  
Optimism is his game.  
He's "on the ball,"  
Says yes when you call,  
But needs a nudge . . .  
To keep up with it all.  
Happy Birthday, Fred.

*Deanne and Bill Clark*

You ask me for my  
thoughts of Fred Jr. Well,  
he'll listen when you need to  
pour it out, give his  
thoughts when you need  
advice, console you when  
you need a friend, leave you  
alone when you don't, give  
help when it's needed, and  
can ask for help on occasion.  
Fred . . . is a friend.

Happy birthday, Fred.

*James*

People can be divided into  
three groups:  
1. Those who make  
things happen.  
2. Those who watch  
things happen.  
3. Those who wonder  
what happened.

Fortunately, I have an  
older brother who continues  
to make things happen.  
Happy 50th, Fred.

*Mike*

At your age, you no  
longer believe in miracles —  
you rely on them!  
Happy Birthday. Love ya,

*Donna*

Dear Fred,  
Do you remember —  
The seventh grade at Dimmitt?  
High School football practice?  
Flooded roads west of Dimmitt?  
A midnight swim at Galveston?  
A trip to Palo Duro Canyon?  
Catsup from the drive-in?  
A clandestine telephone hook-up?

These are a few of the many memories we have shared in  
the years past, and I hope there will be many more to come.

May your path be  
Strewn with flowers,  
Memories, friends and  
Happy hours;  
May blessings come  
From Heaven above,  
To fill your life  
With peace and love.

On this the apex of your century of life I give to you the  
best of wishes.  
Happy Birthday.

*Gale Maxwell*

Always to be the most-  
liked guy around, I remem-  
ber when he salted his  
cousin Sue's tea after she  
corn-flaked his pillow.

Then there was the time  
that he took Heidi's cat to  
the vet to be spayed and  
ended up giving it to Junior  
White. He laughed all day  
about how clever he was,  
and Heidi became violently  
upset.

What a circus it was when  
he took five kids (ages 15-5)  
to Disneyland!

And I'm sure none of his  
family will forget how, after  
vowing — I'm sure — to be  
the most perfect father and  
have the best-behaved kids,  
he was always stressing the  
importance of not swearing.  
Well, the inevitable happen-  
ed. He sat down in the  
lounge chair, and due to a  
loose nut, it fell. Quite by  
accident, I'm sure, a single  
word slipped from his  
mouth. Jon (at that time  
about 4 years old, and very  
impressionable) just did the  
most natural thing and  
followed his fine model, say-  
ing "That chair."  
Dad, needless to say, be-  
came angry and started to  
reprimand him, but was  
laughing so hard he couldn't  
finish.

Then there is our favorite  
story about when he was  
going to Tech. He and his  
buddies wanted to have  
some fun one night so they  
got one of the guys to get in  
the trunk and hang his arm,  
dripping with ketchup, out  
the back. Wouldn't you  
know the cops spotted it and  
came to his dorm, only to  
awaken and accuse an  
innocent and confused Carl.

People visiting West  
Texas for the first time  
comment on the extreme  
lack of trees. Not around  
our house! Dad thought WE  
needed to compensate for  
everyone else in the Pan-  
handle, so he completely  
lined the house in them.  
Well, in this dry climate,  
they constantly need water.  
So that's why he had five  
kids!! Daddy, if God  
would've wanted West  
Texas to have trees, He  
would have created auto-  
matic systems that grew  
with them!

Then there's the time he  
swung me in the back yard  
on the swings. When he  
asked me if I wanted to go  
all the way around the top, I  
didn't realize he was  
serious. Needless to say, I  
let go at about 12 feet above  
the ground and was prop-  
elled halfway across the  
yard! And I can still feel the  
biting cold on my back when  
he laid me in the snowbank

When time, which steals our years away,  
Shall steal our pleasures too;  
The memory of the past will stay  
And half our joys renew.  
Happy Birthday Fred!

*Curtis and Deanne*

Once there was a man named J. Fred Bruegel,  
There was no such thing as him being frugal.  
He drove a Lincoln back in the 1950's.  
J. Fred went to Tech where times were nifties.

The Dean of Men made that phone call,  
A bloody arm in the Lincoln's trunk, was that all?  
Oh, Mom, was that body dead  
Or just a dummy with no head?

Girls were J. Fred's downfall,  
One train ride to the Texas State Fair that '49 Fall,  
All those girls from Claude — do you recall?  
(All this happened before the arrival of Bobby and all.)

Then there was the shark that got away,  
Taking spear and speargun and leaving dismay.  
At least it left the fisherman on the boat,  
So we could enjoy getting his goat!

*Bob Simpson*

Graduation, Texas Tech, 1954

**To My Best Man**

At fifty years you may be beat  
And at handlin' Skoal you ain't so neat.  
You're clumsy in the kitchen, I'm told —  
Ballet probably leaves you cold!  
Vast age can change an athlete  
To rockin' chair and slippers feet;  
Youthful plays are no longer fun;  
All goals you set may not be done.  
But hang in there, Fred. I'm still your fan,

# Nazareth News

By VIRGIE GERBER  
Holy Week services were especially meaningful at Holy Family Church this year. So much preparation went into Holy Thursday, Good Friday and the Easter services with Father Harold Waldow officiating. Deacons Jerome Brockman, Walter Klemm and Seminarian Darryl Birkenfeld assisted. Numerous parishioners were also involved in the services. The choirs are also to be commended for their beautiful music.

Most families in Nazareth gathered for an Easter dinner celebration and afternoon of fun with beautiful weather. Seventy-five members of Meta Stork's family gathered at her home for dinner with lots of visiting, horseshoe pitching and an Easter egg hunt for 30 great-grandchildren.

Jerome and Margaret Brockman have returned from a trip to San Antonio where they attended the wedding of their son, Joe Brockman and Margie Lynch. They also visited in Fredericksburg with daughter Kathy, Calvin and Amy Yarbrough. Also attending the wedding were Jim, Paul and Teresa Brockman from Canyon, daughter Gerrie, Ronnie Russell and

boys from Lubbock, Ken Brockman from Tempe, Ariz., Barbara Braden from Santa Fe, N.M. and the Yarbroughs from Fredericksburg. At the reception, the Brockman families visited with the Tom Ackers from San Antonio, also Mrs. Adrian Foegelle from Hobson and Mr. and Mrs. Frank Dugi from Falls City, whom they hadn't seen in 23 years.

The Brockmans' son Jim, formerly of Chandler, Ariz., is working for Tide Products Inc. at Milo Center, north of Hereford and will be moving his family to Hereford this week.

The 45th "Joe and Blanche Birkenfeld Reunion" was held Sunday at the Legion Hall beginning with a happy hour at 11:30 with everyone getting acquainted again and a covered dish dinner at 1:00. Father Harold, his mother Gertrude Waldow, the Benedictine Sisters and Mrs. Annie Ehly, an aunt, were all dinner guests. Family members were here from Dumas, Amarillo, Hereford, Friona, Dimmitt, Denver City, Midland, Tyler, Idalou, Muleshoe, Shallowater and Hobbs, N.M.

Darryl Birkenfeld read a beautiful Memorial to the parents "Joe and Blanche Birkenfeld" written by Mari-

lyn Birkenfeld. There were a lot of good memories.

At 2:30 everyone present went to Holy Family Cemetery to visit the graves of grandparents, parents and loved ones. All went back to the Legion Hall where they enjoyed an auction and white elephant sale, horseshoes and Easter egg hunt for the children. A fun day for all.

Members of the Paul Venhaus family here for the weekend were the Harold Venhaus family from Friona, Smitty and Analene Lane and girls of Shallowater and Kevin Gerber from Hobbs.

Many friends enjoyed the housewarming party for Jim and Shirley Peggram on Monday evening. We are happy to have them as part of our community.

Ralph Schulte is still a patient at St. Anthony's Hospital in Amarillo. He is recuperating from surgery a week ago for a ruptured appendix.

On Wednesday evening, Meta Stork, Albert and Virgie Gerber, Dorothy Pohlmeier and Dolores Heiman enjoyed a visit with Jean and Jim Bell of Fort Worth.

Congratulations to Jim and Sandee Hoeltling on the birth of a daughter, Whitney, on Monday, April 4 at Plains Memorial Hospital in Dimmitt. Grandparents are Sylvia Hoeltling and Albert and Virgie Gerber.

## Mother of AFS student comes to visit Dimmitt

A mother and daughter from the other side of the world were reunited here last week.

Lizann Vercueil of South Africa, mother of Kim Vercueil, Dimmitt High School AFS exchange student, spent three days with Kim and her AFS family, the Robert Bentons.

Mrs. Vercueil — a slender, articulate, vibrant woman who teaches Bible and public speaking in college — was high in her praise of Dimmitt and its people.

"The people here are great — Dimmitt is an interesting, unique community," she said. "I wish our boys could be over here, too, and experience the community life. This community involvement is something we don't have at

home."

Mrs. Vercueil is in the US on a 14-day excursion plan. She arrived at Amarillo airport at midday last Thursday (without her luggage), and stayed until Sunday morning. She's now attending a Christian conference in Houston, and will make stops at Pittsburgh and New York City before returning to South Africa.

When she got off the plane and saw her daughter for the first time in eight months, Mrs. Vercueil hugged Kim and asked, "Is it really you?"

"We had a good cry together," Kim said. Kim has now seen both her parents since she came to Dimmitt last July to spend a year here. Her father was in the US on business last

October and stopped here long enough to visit her and the Bentons, and to attend a high school football game.

Mrs. Vercueil got to meet the entire Benton family while here. Beth was home from Texas Tech for Easter, and Becky, Ben and Kim were out of school Friday, so there was plenty of time to visit.

Mrs. Vercueil, incidentally, had already met Robert Benton's mother while she and Jo Gregory were on a tour of South Africa recently.

"I think we should commend the Bentons for being willing to take on the parents as well as our daughter," Mrs. Vercueil commented. "Well, we don't mind," Becky cracked, "if they don't mind all of Daddy's questions."

## Register now for 4-H Day

April 12 is the deadline for senior 4-H members, parents, leaders and Extension agents to pre-register for the special 4-H Day to be held at Texas Tech University in Lubbock on Nov. 5.

The first annual 4-H Day will be held to celebrate the 75th anniversary of 4-H in Texas, to promote careers in home economics and agriculture, and to make the public more aware of 4-H.

The Registration fee will be \$5 per person, and will include a noon meal and a ticket to the football game between Texas Tech University and TCU.

The program will include an orientation assembly, tours of campus and entertainment. For more information and to register before the deadline call Menzies McWilliams at 647-4115.

## Rewards totaling \$1,300 offered

Crime Line is offering \$1,300 in reward money for information about this week's three spotlight crimes.

A \$500 reward is offered for information about the theft of rear end gears taken from a 2½ ton truck belonging to Jim Black. The theft occurred sometime Friday night. The vehicle was parked at the Jim Black Oil Company storage facility two miles east of Hart on state highway 194.

The thieves removed the front part of the differential with ring gear and pinion gear intact. The differential is an Easton brand, and the estimated value of the stolen property is \$1,200.

A \$500 reward is offered for information concerning the theft of three saddles belonging to Emery Mills. The saddles were taken sometime between March 28 and 30 from a barn six miles east of Dimmitt on highway 86, and five miles north on the county road.

Taken were a Mexican-made child's saddle with padded seat, semi-square skirts and a single rigging (seat is red), a shopmade adult's saddle with 15-inch

tree, ¼ stamp, red, with round skirts and full double rigging; and a shopmade adult's saddle with plain leather seat, roughout finish, and square skirts. It was a western style saddle with full double rigging. The approximate value of the saddles is \$1,000.

A \$300 reward is offered for information about the theft of two .22 calibre rifles taken from a pickup belonging to Julian Acevedo. The pickup had been left unlocked in front of Acevedo's residence, the 400 block of SW 2nd Street, when the theft occurred sometime last Wednesday.

Anyone having information about any of these crimes should call Crime Line at 647-4711.

THE Betty lamp, also known by several other names, was a small, squat lamp with a vertical handle so the user could look down into a pot of cooking food. Thousands of them were made. They were the most popular light in colonial households. The lamps burned a cheap fat set in with a wick.

## Chatter From South Hills Manor Central Care System

By MYRTLE SHEFFY AND BARBARA ARMSTRONG  
Mr. and Mrs. Richard Williamson and Nicky are here from Olympia, Wash., to visit his aunt, Ceal Carlile.

We are all very sorry to know our director of nurses, Paula Powers has not been with us at South Hills Manor Home. We want to let her know we miss her very much. She is a great lady. Come back soon! And hope you get well wishes from all your 3 to 11 nurses aides.

Congratulations to Louise Santistevan for buying a new car. Good luck.

We hope everyone had a happy Easter at South Hills.

Friday afternoon Robin Myers, grandson of resident Lucille Pheuffer, gave everyone some Easter candy. He was dressed as a very cute bunny and we all enjoyed seeing him.

Elzada Funck of Houston has been here to visit her mom and dad, Mr. and Mrs. Leland Smith this weekend.

Mr. and Mrs. Harold Easley from Hereford were visiting John Easley Saturday.

One of the girls employed at S.H.M., Debbie Bannister will be visiting her in-laws in Clovis. They attended the Nazareth Church with friends. After church they had dinner and an egg hunt for all the children.

Esperanza Benitez and a few friends and relatives spent their Easter holiday at

Palo Duro Canyon. They had a cookout, climbed a few mountains and hills. They had a great time.

Roy Barringer of the First Christian Church had a very good Easter service at South Hills.

Myrtle Sheffy went over to the Methodist Church with her family. Vernon O'Kelly gave a very good sermon. Don Nelson's choir was extra pretty and good. My daughter Dorothy Bond was here from Kerrville. She complimented Don and his singers.

Thursday, March 31, the Auxiliary ladies from Nazareth came and played bingo and gave everyone an Easter gift.

Rev. Mullins from the Church of God of Prophecy gave our Bible study lesson Friday. His wife Becky and her sister Esther sang. They sing beautifully.

Oliver O'Donnell is still coming from Plainview. We are still painting ceramics, which everybody enjoys.

# High PIK sign-up should help

Now that the wraps have been pulled off the PIK (payment-in-kind) sign-up, it's clear that farmers "went for" this latest government farm program. Consequently, the high level of participation in the program, as announced by USDA officials last week, should bolster farm prices by getting rid of surplus stocks of commodities that have plagued the marketplace for the past several years.

"We have the potential for a substantial drawdown in surplus stocks of farm commodities due to the large number of farmers signing up for PIK," said Dr. Ron Knutson, an economist in marketing and policy with the Texas Agricultural Extension Service. The PIK program revolves around paying farmers with surplus commodities if they sign up to take a portion of their cropland out of production. So it reduces current stocks, plus should reduce 1983 production.

"The potential effects of PIK have already caused positive reactions in some commodity markets," Knutson pointed out. "Whether this trend continues will depend largely on weather conditions this crop year and the level of export demand."

Knutson noted two keys to future market trends. The first is the yield that can be anticipated from land remaining in production, since this is the highest quality cropland. Weather conditions will have a big impact.

The second key to future price prospects, said the economist, is the export picture. While the strong PIK participation may make it more difficult for U.S. farmers to sell in the export market, the potential for shorter supplies of farm products next fall may prompt some importing countries to buy now rather than wait and face possible higher prices.

If PIK works as planned, what kind of farm program can farmers expect in the future?

"If highly successful, PIK will likely not be used again next year," said Knutson. "At the same time, PIK's effectiveness in reducing production this year could mean that we'll see it again when

surpluses become a problem. "Assuming that PIK will get us through the 1983-84 crop year without major policy changes, lawmakers are already looking ahead to 1985," said the economist. "The choice for 1985 becomes one of a continuing drift toward production controls or a policy reversal — moving back in the direction of a freer market in which farmers would have to accept lower levels of price and income support."

One strategy for moving toward the freer market concept involves "self-help" programs in which farmers would automatically share a portion of the costs of government programs when surpluses arise, said Knutson.

## '82 ag receipts down \$1 billion

Cash receipts from Texas farm and ranch products totaled almost \$9.6 billion last year, down about \$1 billion — or 9% — from 1981, according to information compiled by Dr. Carl Anderson, an economist with the Texas Agricultural Extension Service. The figure does not include government payments.

The decline was due mainly to poor farm prices that resulted from huge stockpiles

of agricultural commodities. Also, weather losses were heavy in some areas.

Cotton led the decline in cash receipts — from \$1.4 billion in 1981 to \$875 million last year.

All crop receipts totaled almost \$3.8 billion in 1982, while sales of livestock products contributed more than \$5.1 billion.

Receipts from farm-based timber, horses, fish farming, hunting leases, farm pond leases and recreation jumped sharply from \$581 million in 1981 to \$724 million last year.

Food grain crops (rice and wheat) were down almost \$300 million, while feed crops (corn, sorghum, hay) were down only slightly. Oil crops (soybeans, sunflowers) were up moderately, but vegetables were down.

Cash receipts from cattle and calves totaled 40% of the state's agricultural sales.

Texas continues to rank third in the nation, behind California and Iowa, in agricultural receipts, according to Anderson.

"Farm prices and incomes will improve as supplies decrease and demand increases.

### ASCS news

## Chief praises PIK coverage

By CHARLEY E. HILL  
County Executive Director  
Castro County ASCS Office

The Texas news media performed an outstanding service to the farmers of this State in communicating the details of the complex Payment-In-Kind Program related by the U.S. Dept. of Agriculture and the Texas State and county Agricultural Stabilization and Conservation Services offices, said the Texas State

## Ag exports may decline

U.S. agricultural exports are expected to fall for the second consecutive year to about \$36 billion for 1982-83, down 8% from last year and 18% below the record level of \$43.8 billion for 1980-81.

Major reasons for the continuing decline have been the worldwide economic recession, large carryover of commodity stocks, a strong U.S. dollar abroad, and credit problems for many of the developing countries, says Dr. Mickey Paggi, an economist in marketing for the Texas Agricultural Extension Service.

Policy measures being considered to help alleviate the agricultural export problem include countering "unfair trade practices" by some countries, increasing the use of USDA "blended credit," expanding market development activity, and donating surplus commodities in domestic or foreign relief programs.

Wheat exports are forecast to decline 11%, rice may go down 20%, and cotton could decrease as much as 25 to 30%.

However, feed grain exports may recover, with purchases by Mexico leading the way. Soybeans are expected to remain at the same high level achieved last year.

"It will take time and an aggressive export expansion program to turn the picture around," Paggi said.

ASCS Agency Chief, Charles Mayfield, when commenting on the overwhelming endorsement of the PIK Program that will move farm economy ahead by reducing surplus commodities and idling acres to the extent that future farm production would insure the farmer a fair market price for his goods.

"At no time in the last half-century has the Dept. of Agriculture put into operation a program of such magnitude and scope with so little time to do it. The innovative program announced on Jan. 11 required fast agency action and early commitment by farmers the program was designed to aid.

"The heavy press coverage of public meetings held to discuss the PIK Program provisions and to answer questions, together with generous reporting of indepth explanations and requirements for participation, afforded the farmers the information they needed to make an educated and timely decision.

"Recovery of the farm economy will have a major impact not only on rural communities and businesses — it will greatly influence and hasten recovery of our National economy. Prices paid to farmers already have begun to increase as a result of the start of the PIK Program and with the new strength inherent in the program, both farmers and the public will profit.

"The 82 million acres of croplands idled, Nationwide, under terms of the program will be revitalized through improved soil and water conservation measures and practices during this respite period, assuring the public good of America's richest wealth for years to come."

"The sign-up for the PIK Program which holds so much promise for the future which was developed by the U.S. Dept. of Agriculture, endorsed by Congress, generously publicized by the press, and expertly executed by the managers and staff of our 235 county ASCS offices had to succeed — because people pull together in time of great

need," Mayfield concluded. We in Castro County would like to express our "Thanks" to the Castro County News for their coverage and concern in informing our people in Castro County.

### MOWING AND WIND-ROWING COVER ON CONSERVATION USE ACREAGE [CUA]

Windrowing the vegetative cover on CUA with the grazing of the windrows by livestock this fall will be considered the harvesting of a crop. This is in conflict with the restriction of harvesting crops from CUA, except for wheat that was planted before January 12, 1983 on farms that have PIK contracts in effect.

## Kiwanis hears Mrs. Maxwell

"The Sesquicentennial is meant to be a celebration of the past, present and future of our great state, and we want every citizen to have a chance to participate in that celebration," said Linda Maxwell, Castro County Sesquicentennial Committee Chairman, at the Monday meeting of the Dimmitt Kiwanis Club.

The Sesquicentennial will be the observance of the 150th Anniversary of Texas' Independence. Mrs. Maxwell told club members that an organizational meeting will be held soon to determine who is interested in serving on the 15-member committee that will help coordinate and organize various projects to commemorate the event.

Kiwanis President Robert Benton pledged to send a club representative to the organizational meeting.

Benton reminded members about the club's board of directors' meeting set for Monday at 7 a.m. at K-Bobs.

A thank-you note was read from the Dimmitt High School coaching staff, thanking club members for helping officiate at the recent Bobcat Relays.

Key Club members Darrell Washington and Bill Patton attended the meeting, and Washington gave a report on current Key Club activities.

## Texas farmers idle nine million acres

Texas farmers have signed up en masse for the Payment-in-Kind (PIK) program and plan to take some 9.3 million acres out of crop production for the 1983 season.

The 9.3 million-acre reduction is out of a base of almost 24 million acres of wheat, cotton, grain sorghum, corn, rice, barley and oats.

Texas farmers will idle 3.5 million acres of cotton out of a base of 8.1 million; 3.1 million acres of wheat out of 7.4 million; 2.4 million acres of corn and grain sorghum out of 6.9 million; 300,000 acres of rice out of 600,000; and 35,000 acres of oats and barley

out of 628,000. The land being idled in Texas is part of some 82 million acres of U.S. cropland being taken out of production this year.

The 1983 crop national average loan rates are: barley \$2.16 per bushel; corn \$2.65 per bushel; oats \$1.36 per bushel; sorghum \$2.52 per bushel; wheat \$3.65 per bushel; rice \$8.14 per hundredweight; upland cotton \$.55 per pound.

Target prices for the 1983 crops are: barley \$2.60; corn \$2.86; oats \$1.60; sorghum \$2.72; wheat \$4.30; rice \$11.40; upland cotton \$.76.

## 'Unplug it' for safety

Always unplug any small electrical product after using it, cautions the Association of Home Appliance Manufacturers (AHAM) and Underwriters Laboratories (UL).

Don't assume that if the switch is "off," there's no danger of electrocution. This may not be true if the product comes into contact with water.

Electrocutions may occur in kitchens, bathrooms or outdoors — anywhere near water sources.

Never use any electrical

product while bathing or put it where it can drop or be pulled into the tub or sink. If the appliance accidentally falls into the water, don't reach into the water for it. Unplug it immediately at the wall outlet.

Never leave a small portable electrical appliance with in the reach of small children. Children left unattended could pull the plugged-in, but switched-off appliance into the tub or sink and risk being electrocuted.

### Police calls

Pedro Godinez, 55, of Dimmitt, was sentenced to one year in Castro County jail this week, following his arrest last Thursday on a felony DWI charge. An 18-year-old Dimmitt man was arraigned Monday on theft charges. He was ordered to pay \$275 in fines and court costs and given a one-year probated sentence. Nine other men, besides Godinez, were arrested during the week on DWI charges. Seven of those arrests were misdemeanors, and two were charged with felony DWI's. Other arrests included: a 52-year-old Dimmitt woman for theft over \$5 and under \$20; a 21-year-old man on public intoxication charges; a Dimmitt woman, 36, for disorderly conduct; and a 26-year-old Hereford man for driving while his license was suspended. He was fined \$375 and sentenced to three days in the county jail. Dimmitt police arrested a Lubbock man, 26, Sunday on

traffic warrants issued in Lubbock and Brownfield. He paid the warrants off and was released. Police are investigating a report of criminal mischief which occurred Sunday. Bobby Campbell of Dimmitt reported that someone had thrown eggs on his car. It was parked in his driveway, 507 West Halsell, at the time of the incident. ## Twelve county youth enter science fair

Twelve county youth competed in the High Plains Regional Science and Engineering Fair held March 25-26 at West Texas State University. Sue Crozier of Dimmitt High School was named among the top four outstanding projects of the entire fair with her project that placed first in the Senior Division in microbiology. She received certificates of recognition from the United States Army, the Department of the Air Force, and the American Society for Microbiology. Her project was titled "The Antiseptic Qualities of Honey," and dealt with honey's ability to fight off growth of bacteria and mold. Val Hatla of Nazareth High School won a first place in zoology and a special award on his project concerning exploring for deep sea fish. He received a certificate of recognition from the Marine Technology Society and the US Naval Institute. Dale Albracht of Nazareth High School won a first for his project in the senior division of space and earth science. Four others from Nazareth High School competed, along with one other from Dimmitt High School, and four from Nazareth Junior High. In the senior division from Nazareth, Mark Kleman won second and Dwight Acker won fourth in zoology; Lance Brockman won fourth in botany; and Bruce Huseman won fourth in physics. In the senior division from Dimmitt, Michael Schinkus placed second in the engineering field with his project on electromagnetics. In the junior division from Nazareth, Alan Birkenfeld placed second in earth science; Kenneth Wilhelm placed fourth in physical science; and Brad Hoelting and Chris Schmucker placed fourth in group biological science.

# Gerber named to Kodak team

**Lori Gerber**  
Lori Gerber of South Plains College is one of five collegiate basketball players named to the Kodak All-District Women's Basketball Team for District VI of the Junior-Community College Division, which includes Arkansas, New Mexico, Texas, Louisiana, and Mississippi. The team is selected by the Women's Basketball Coaches Association (WBCA).  
Gerber is a sophomore from Nazareth and was voted a first team pick for All-Conference honors in the Western Junior College athletic Conference. The 5-11 forward led the Texan Women all season in scoring with a game average of 16.6 points, good enough to be ranked third in the

WJCAC in individual scoring. She was 13th in conference rebounding with 6.3 caroms a game and third in free throw accuracy, hitting 104 of 126 attempts for the year for 82.5 percent.  
"This is quite an honor for Lori and for South Plains College's women's basketball program," said Gayle Nicholas, head women's coach at SPC. "I feel she is very deserving of this award because she is a solid all around player who can play offense as well as she can play defense."  
"The five athletes were chosen for this honor through a selection process that involved all women's basketball coaches at colleges and universities that are WBCA members and involved at the Junior/Community College Division level," said Lorene Ramsey, selection chairperson and head women's basketball coach at Illinois Central College.  
Other District VI members are Mattie Burnside, East Mississippi Junior College; Sharon Cain, Odessa College; Nell Haskins, Howard College; and Ree Ree Jackson, Temple Junior College. Nine such teams were selected at the Junior/Community College Division level, representing the various regions in the country.  
All-District selection is the first step in the process to pick the 1983 Kodak Women's All-America Basketball Team.

# County dribblers on all-star teams

Four Castro County basketball products will suit up this weekend for high school and college all-star teams, to participate in the Texas Basketball Coaches Clinic Hall of Fame All-Star games in Waco.  
Dimmitt's Kevin Cleveland and Jeff Watts, both seniors, will play for the boys AAA-AA-A north team as they take on the south all-stars in a game at 6:15 p.m. Saturday.  
Former Nazareth standout, Lori Gerber will represent South Plains College as a member of the Region 5 women's Jr. College all-star team. Gerber's team will meet the Region 14 all-stars in a game beginning at 4:15 p.m. Friday.

Nazareth senior, Sharon Birkenfeld will play for the north AAA-AA-A all-stars when they challenge the south squad in a game scheduled for 6:15 p.m. Friday.  
All games will be played in the Waco Convention Center in conjunction with the coaching clinic.

# Three local girls named all-stars

Two Nazareth girls, and one Hart girl have been selected to the 1983 Globe News Girls' All-State Cage Squads.  
Rhonda Hoelting, a 5-5 Nazareth senior, made the first team on the class A squad. Teammate Sharon Birkenfeld, 5-5 senior, was named to the second team. Both were forwards on the Nazareth squad which reached the regional finals.  
Hart's Linda Washington was named to the class AA third team. The 5-9 senior post led Hart's girls to their first-ever district championship this year.

# Bobcats place in five events

Bobcat thinclads placed fourth in four running events and a field event Saturday, earning 24 points for a sixth place finish in the North Plains Relays at Dumas.  
Mark Coker leaped 17-10 for a fourth place finish in the long jump.  
Those placing fourth in the running events were:  
110 HIGH HURDLES — David Barton, 16.12.  
400 METER DASH — Bill Johnson, 53.55.  
300 METER INT. HURDLES — Brad Holcomb, 41.84.  
1600 METER RELAY — 3:39.06 (Barton, Scott Nelson, Dwight McDonald, Johnson).  
The Bobcats will be competing in track meet Saturday in Abernathy.

ON TO REGIONAL ... DHS's Becky Ortiz wins district.

# Ortiz wins tennis title

Dimmitt netter Becky Ortiz lost only five games in three matches last week as she waltzed to the singles championship in the 2-AAA district tennis meet held in Abernathy.  
Ortiz blasted her first two opponents, 6-1, 6-0 and 6-0, 6-1. She then downed Sandy Ortiz of Abernathy, 6-1, 6-2 in the championship final.  
She will represent the district in the girls regional tournament April 21-22 in Odessa.  
Dimmitt's Tammy Calhoun and Karen Henderson lost in the doubles semifinals, 7-6, 4-6, 10-8, to a team from Muleshoe. They will have a playoff for third place at a later date.  
Isabelle Progin and Amy Bennight won fourth place in the JV doubles division.  
The Dimmitt boys will compete in district tennis action next Wednesday at Abernathy.

# Junior relays are rescheduled

The Junior Bobcat Relays, scheduled for last Friday, was postponed due to weather conditions.  
The event has been tentatively rescheduled for Friday, April 15.  
TEXAS ranks first in the number of goats and sheep.  
AMERICA'S favorite appetizer is shrimp cocktail.

# Meeting today for baseball

A yield of more than 84 bushels per acre made Gary Boedecker of Plainview, Texas, our national soybean winner—and a winner in just about anybody's book.

Operation Weigh-Out, the annual yield competition open to Ring Around growers everywhere, was established to give outstanding performance the recognition it deserves.

Results like these from Boedecker and our 1982 High Plains state winners document the performance potential you can get with Ring Around brand soybeans. It's performance backed by Ring Around's Soybean Stand Guarantee (see box), plus something else just as important: Ring Around research. Because no matter how well we do in test results or yield contests, we can't be satisfied unless we're certain that you are. So you can be sure we'll always be seeking better ways to keep our basic promise. More life from the land.

**THE RING AROUND GUARANTEE**  
Ring Around Products, Inc. will provide soybean seed free of charge to replace all Ring Around brand soybean seed that fails to produce a satisfactory stand through the first trifoliate leaf stage of development for any reason other than chemical damage, intentional destruction, or an act of God.  
The number of bags replaced for replanting cannot exceed the number of bags originally used to plant the acreage in question. All replanting must be completed in 1983. Seed replacement requires the approval of an authorized Ring Around representative and is to be sold by Ring Around Products, Inc. Variety of replacement seed subject to availability.  
This replanting policy is in lieu of all other remedies and Ring Around is not responsible for any consequential damage from failure to obtain a stand.

# Cancer crusade to begin soon

"The breakdown of how American Cancer Society funds are spent in Texas represents one of the best returns on the dollar that I know of," said Judge Polly Simpson, Chairperson of the 1983 educational and fund raising Crusade in Dimmitt and Castro County.

In preparing for the April Crusade, Judge Simpson feels it is important for the community to realize ACS expenditures. "It is one part of the ACS we're most proud of and I think our friends and neighbors will be more willing to give to cancer control if they know how well their money is being spent," she said.

The following represents the breakdown of how each dollar raised last year by the ACS is being spent this fiscal year (September 1, 1982 — August 31, 1983) in Texas:

Cancer Research \$.25; Professional Education \$.16; Public Education \$.22; Service/Rehabilitation \$.23; Program Development/Administrative \$.06; Crusade \$.12; Total \$1.04.

This 104 percent expenditure reflects increased research allocations to Texas by our National Society.

"The ACS is currently sponsoring research investigations in nine major Texas hospitals, medical schools and universities totalling over \$3.8 million," said Judge Simpson. "Because Texas has so many research institutions, the National society allocates additional funds here."

In spite of severe inflationary trends, we were able to keep tight control over our administrative costs and keep them within acceptable limits as this breakdown indicates," Judge Simpson commented.

ACS programs such as patient services and rehabilitation (Reach-to-Recovery, esophageal speech lessons, etc.) public education (films, pamphlets, exhibits, the Great American Smokeout) and professional education for the medical community are mainly administered through the Society's volunteer system. On Tuesday, workers met at the courthouse community room to stuff packages for Cancer Drive workers. Tonight, (Thursday) workers for the Cancer Crusade Drive will be trained at City Hall at 7:00 p.m. The Cancer Drive in Castro County has a kick-off date of Sunday, April 17. There will be a Fun Run for Cancer on Saturday, April 30 with the one mile run at 8:00 a.m. and the six kilometer run at 9:00 a.m. "Volunteer manpower helps maintain these impressive figures," said Judge Simpson.

**CELEBRATION OF FRIENDSHIP**—These former Dimmitt residents have maintained their friendship for 35 years. Here, they are together again for a recent weekend in Palm

Springs. They are (from left) Mary Behrends Reeves, Tommie Allen Almond, Ka Estes Cotter and Keitha Davis Thiederman.

## Four friends are reunited

Four former Dimmitt women and their families met in Palm Springs last month to celebrate their 35 years of friendship.

Tommie Allen Almond, Ka Estes Cotter, Mary Behrends Reeves, and Keitha Davis Thiederman brought yearbooks, diaries, childhood pictures and stories recalling their years together. Three of the women are 1961 graduates of Dimmitt High School.

The friends have been separated throughout the country since college, but have always kept in touch. They had not been together as a foursome since 1969.

and her husband, L. L., have two children, Brandon, 13 and Leslie, 11.

Mary Behrends Reeves of Lubbock is Assistant Dean of Students at Texas Tech University. She is married to Garnet Reeves. Her children

are Ryan Botkin, 13, and Shelly Botkin, 11.

Keitha Davis Thiederman of Hollywood, Calif. is a pediatrician at Kaiser Medical Center. Her son, Keir Scott, is 12. Her husband, Bill, has a daughter, Shea, 12.

**THE EARLY YEARS**—This is how the four friends looked in 1955. They are (from left) Mary Behrends, Keitha Davis, Ka Estes, and Tommie Allen.

## Bruegel is honored

Heidi Bruegel of Dimmitt received the Phi Alpha Theta Outstanding Student History Award at Trinity University in San Antonio during Parents' Weekend, March 11-13.

The award is given annually to the student who, in the judgement of the history department faculty, has not only

performed exceedingly well in the classroom, but whose understanding and appreciation of the discipline of history mark her as a superlative student, according to the department spokesman.

Bruegel is a senior majoring in history. She is the daughter of Mr. and Mrs. Fred Bruegel Jr. of Dimmitt.

"Well, I'll tell you what I'm doing. I'm cutting back on my corn acres. How 'bout you?"

## "Planting less corn, but more XL-73 and XL-72aa."

"Do you really have that much confidence in them?"

"Sure do. Can't beat them for the way they yield and stand up in the weather. And that XL-73 produces top-quality grain every time."

"Sounds good to me. But do you have any kind of performance data?"

"Right here. And take a look at T1230 while you're at it. It's another consistent hybrid you'll want to try."

"I see what you mean. This is mighty convincing."

"You'll be even more convinced when you plant them on your own farm, and prove it to yourself."

## Swisher Electric has annual meeting

The 1983 Annual Meeting of Swisher Electric Cooperative was held Saturday, March 19th in Tulia.

In the election of directors, Ray Tomlinson, Charles Kay and Cone Johnson were each re-elected for three-year terms.

General Manager Lyle Robinson noted in his report to the members that through

Alcohol Cooperative, members might be able sometime in the future to heat their homes using an alcohol-fueled furnace that would be located outside of the home. In the meantime, once Alcohol Cooperative begins production, Swisher Electric will use alcohol fuel in all their vehicles.

Winners in the Art & Photography Exhibit held in conjunction with the Annual Meeting, included Irene Wilhelm of Nazareth. Mrs. Wilhelm won third place in the adult art division.

**VISITS TFB WACO OFFICE**—Tommy Stanton (left) of Dimmitt, president of the Castro County Farm Bureau, visited the Texas Farm Bureau headquarters in Waco March 22 on a one day orientation trip with other county presidents from this area. Warren Newberry, TFB executive director, explains television production facilities in the organization's six-story state office building. Stanton and the other new county presidents were brought to Waco on the TFB company airplane for an orientation session on Farm Bureau programs and services.

### Touch Call is now available

Arlis McBee, Continental Telephone's local area customer services manager, announced recently that a new service is now available to Dimmitt exchange customers. A new equipment addition now makes it possible for Dimmitt phone users to have Touch Call, or push button, dialing.

McBee explained that Touch Call service allows customers to tap in the number they're calling, instead of the slower, rotary dialing method used in the past.

"Touch Calling is the easiest way to place your calls," McBee said "and most customers say it's much quicker and they get fewer wrong numbers."

McBee also announced that during the period from March 28 through May 27, customer orders for Touch Call service will be worked for no connection charge, which is a savings of at least \$35.

When customers connect their line to Touch Call, they will need to purchase a Touch Call or push button telephone. This purchase can be a savings also, as owning your own telephone will reduce your monthly rental charges.

McBee advises interested customers to call for details and ordering information by dialing 1-935-7711 (no charge).

## May represents local FLBA at state meeting

Marlos A. May recently returned from Houston where he represented the Federal Land Bank Association of Dimmitt at the 38th Annual Stockholders' Meeting, held March 25.

The meeting was attended by members of the 55 Federal Land Bank Associations in Texas. There were approximately 450 persons in attendance.

The Federal Land Bank of Texas, the state's largest, long-term farm mortgage lender, released its 1982 annual report during the meeting, showing \$2.4 billion in outstanding loans, an 11.3% increase over 1981.

According to Land Bank President Thomas H. Benson, while low commodity prices, high interest rates and rising production costs combined to create a year of adversity for farmers served by the Texas Land Bank, the rate of delinquencies and foreclosures remained low due to the Bank's policy of working with member borrowers.

The Federal Land Bank of Texas is part of the nationwide Farm Credit System, the nation's largest private co-operative lending institution. The Federal Land Bank Association of Dimmitt makes and

services loans in this area.

Members of the board of directors are Dale Winders, Alphonse Kleman, Monty Boozer, Frank Wise and David Smith.

Those attending the meeting were Mr. and Mrs. Marlos May, Mr. and Mrs. Frank Wise and Mr. and Mrs. David Nelson.

### Snake leaflet is available

Springtime may mean bluebonnets and dogwoods to most Texans, but it also can mean cooperheads, cottonmouths, rattlesnakes and coral snakes.

Warm spring temperatures bring snakes from their wintertime lairs, posing a potential threat to those who venture into their habitat.

To better identify and understand the state's four species of poisonous snakes, the Texas Parks and Wildlife Department is offering a free leaflet entitled "Watch Your Step."

To obtain the leaflet, write to the department at 4200 Smith School Road, Austin, TX 78744 or call toll-free 1-800-792-1112.

### Rotary members discuss plans for conference

Rotary members discussed plans for the District Rotary conference Friday at their noon meeting.

The conference is slated for April 22-24 in Plainview, with a variety of activities planned for those attending.

Nineteen members and three guests were present for the meeting.

### Clinic is set

A free immunization clinic will be held Friday from 9 a.m. until noon at the Dimmitt City Hall assembly room.

Vaccines will be given to protect against polio, diphtheria, lock jaw (tetanus), whooping cough (pertussis), measles, rubella and mumps.

The clinic is free and everyone is welcome to bring those needing to update their immunizations.

THREE to 24% of infants are anemic and 29 to 68% are iron deficient.

At the Dimmitt High School Key Club's meeting last Wednesday, members voted to donate a coffee pot for teachers' use, and discussed several upcoming activities.

The club banquet will be April 12.

## Azteca now owns project

Azteca Economic Development Corporation President Larry Gonzales recently announced several developments in connection with the migrant housing project in Dimmitt.

The Azteca Corp. formally took over ownership of the project last week, changing its name from the Castro County Housing Authority to the Azteca Complex.

"It was a very easy change-over," Gonzales said. "The only burden we still have to resolve is the high deposit charged by Southwestern Public Service Co. We are still trying to negotiate an alternative, so it won't be so hard on our renters."

Gonzales also announced that the construction on the remodeling work at the complex will begin April 3, with C & I Construction Corp. of Oklahoma being awarded the contract for the project.

"They will start with work on six of the two-story buildings," Gonzales said, adding that the buildings will be completely fenced off while the work is being done.

He also noted that residents of the housing project met last week with representatives of the Farmers Home Administration to ask for an explanation for the rent increases and why some are being asked to move out.

"FmHA regulations require that residents of the project derive most of their income from agriculture-related jobs," Gonzales explained. He also noted that most of the rent increases have arisen from higher utility bills, not because of the renovation work.

Easter Bunny isn't only visitor

By MARY EDNA HENDRIX  
Mrs. A. T. Kirby entertained her family in her home during the Easter season. Muriel Carrel from Tombal, a suburb of Houston, was the first to arrive in Dimmitt. Then Clifford and Becky Kirby came in for a week's visit. Orville and Peggy, Jennifer, Heather, and Meggan Kirby came in from Nebraska, LaVerne Simmons from Pampa, and Twila Parker from Olton, and of course all the Kirbys from Dimmitt enjoyed visiting with all the relatives. The group helped Mrs. Kirby celebrate her 85th birthday while they were all together.

Mary Mays had a slumber party Friday night for the little girls in the Kirby family, then all the children had an Easter egg hunt in the backyard on Sunday afternoon.

John and Sue Merritt had all of their children in for Easter. Amy and Kelvin Parsons from Lubbock, Suzanne and Harry Lunt, and children Kaleb and Jayme from Sunray, and Lint and Connie and little daughter Julie, from Dimmitt. Johnny Merritt is in Washington, D.C. but he surprised his parents and flew in on Friday and was able to spend a few days with the family. They had an Easter egg hunt for the little ones.

Danny, Brenda and Kevin Bruton spent Easter with Brenda's parents, Beth and Estil Cryer, in Portales, N.M. Her brother, Bill and his wife Brenda drove over from Lubbock to be with the family.

Jimmy and Joyce Davis entertained relatives on Easter Sunday. Joyce's parents, Milton and Zelma Hart, her brother, Mike and Linda Sue Hart and four children and her sister Linda,

all from Levelland. They were here in time to attend church and then had an Easter egg hunt for the children. Little Jayme was too young to hunt eggs but she enjoyed watching the others.

Mr. and Mrs. Jim Bagwell entertained all their company before Easter. Their son, Jay and Edwina Bagwell, from Salida, Colo. was first to arrive. Then their daughter, Barbara Bagwell, from Greeley, Colo., and Carolyn Bagwell from Arlington came. Mrs. Bagwell's brother, Woodrow Williams, and his daughter, Catherine, from Buchanan Dam came on Thursday. Then last to visit was their granddaughter, Mary Lynn and Glenn Stillings and their children, Carol and Brian, from Alamosa, Colo.

Charlene Howell and her mother, Inez Lee, took a trip to Prairie Grove and Lincoln, Ark. to visit Mrs. Lee's sister and families during Charlene's spring break. Matt Howell has celebrated several birthdays but this was the first time he had the privilege of celebrating on Easter Sunday. "Happy Birthday," Matt. I have been able to keep up with Matt's age since he is the same age of my grandson, Kevin Lankford.

I took my sister and her husband, Lynna and Troy Cloer, from Tulia to Amarillo on Easter Sunday for a short visit with my daughter, Mary Lynn Lankford, and family. We had an Easter egg hunt for my great-grandchildren Adria and Matthew after dinner. Little Matthew found so many eggs he started throwing them in his basket and cracking all the colored eggs!

Billie Gwynn Davis and Marge Acker visited recently in Houston with Billie Gwynn's son, Lance.

They also visited with former Dimmitt residents: Alan and Arlene Newman; Jerry (Clay) Martin and Bea (Owen) Dodge. One evening they attended "The Rick Michael's Show" at the Airport Hilton Hotel. Rick is a former area entertainer.

Ray and Janet Bradshaw spent the weekend in the home of Billie Gwynn Davis. The Bradshaws are former Dimmitt residents and are now living in Roswell, N.M. They participated in the

annual Heart Fund Square Dance while here.

Oma Simmons and Hazel Logan of Springfield, Mo. visited Maurine Henderson and Mildred Kyle last week. They were guests of Maurice and Mildred at the Chamber of Commerce Banquet. They also visited a cousin, Madeline Bell of Hereford Sunday.

Maurine, Oma and Hazel visited in the home of Josie Bradford one day.

Recently Mildred Kyle visited her sons and families Skip and John in Albuquerque and Skip Kyle's in-laws, Mr. and Mrs. Pegrin from France. Visiting with Nolan and Evie Froehner Monday night, March 28 were one of Nolan's WWII army buddies, Vernon Baasch, and his wife, Esther, of Miles, Iowa. The Baasches farm and raise cattle, and were amazed at the feedyards in Castro County, watched cattle being loaded out for market, and marveled at industries such as Amstar, Dimmitt Agri, Goodpasture, etc. They were guests of the Froehners at the Chamber of Commerce Banquet and were highly impressed by the people of Castro County and their accomplishments. Vernon was a member of the 78th Infantry Division's 309th Infantry Glee Club Chorus organized and directed by Nolan after V-E Day in Europe. (Germany).

The Lust family met in the home of Charles and Sue Summers for their Easter get-together. Flo and Kyle

Touchstone and children from Lubbock, Ann Clayton from Phoenix, Joe and Kathy Lust and children, Houston and Doris Lust, Millie Lust, all from Dimmitt, and Doris' mother, Mrs. Finck from Tulia.

Mary Nell King's brother, Phil Boulware, from Amarillo was here for Easter to visit with the King family, Mary Nell, Gene and John.

Rosalinda Espinoza came home on leave to visit her mom after four years in the Army. She has been stationed in Virginia, but will be going to Germany when she returns to Virginia. Her mom is Paula G. Espinoza and her aunt is Estella Mendez.

Linda Hance from Denver has been visiting her daughters, Tracy and Paige Compton in Lubbock. Paige is a freshman in Tech and Tracy is a junior. They came to Dimmitt to celebrate Easter with Linda's mother, Beral Hance. Beth Hodges from Panhandle drove down on Saturday to be with her mother and sister and nieces.

Susan Royal and daughter, Jennifer, and a friend, Don Albert from Amarillo, and Mr. and Mrs. Ted Royal from Hereford, spent Easter Sunday with Susan's parents, Joe and Gladys Benson.

Mrs. Tobin (Angela) Touchstone from San Diego, Calif. has been visiting relatives in Dimmitt and Kyle and Flo Touchstone and children, Tanner and Ty, in Lubbock. Angela's parents, Jimmy and

Nancy Ross took Angela to El Paso where they met Tobin and enjoyed Easter weekend together. Angela returned home with Tobin.

Corine Montalvo celebrated part of her birthday last Friday on vacation. Her mom and dad called her from the valley, Garciasville, also her brothers called to wish her a "Happy Birthday."

George and Irene Blanton have been entertaining a friend from Zurich, Switzerland. Margie is a native of London, England and a retired school teacher, but she has lived in Switzerland for 30 years. Sue Miller had a coffee for her while she was in Dimmitt.

Charlotte (Mears) Gilbreath and son Mark visited with Louise Mears last weekend while Zay was out of town. The J. C. Gilbreaths were in Galveston, but they are at home now.

The Great Tax Break

Invest in an Individual Retirement Account before midnight, April 15, and deduct that amount from your 1982 income tax return. Anyone with earned income can deposit up to \$2000 a year (\$2250 for those with non-working spouses) in an IRA, and deduct that amount. Deposits and interest are not taxable until you begin to withdraw from your IRA, at retirement. At that time you will probably be in a lower tax bracket than during working years. For more information on this tremendous tax break, see the financial specialists at Central Plains Savings.

Training is Important

The proper training of the young is one of the most important tasks in all the world.

Even the animals know this. The mother collie devotes patient hours to the training of her puppies. She will help them learn to walk and run; teach them when to bark and what to eat; warn them of possible dangers and show them whom to trust. Instinctively, she knows that it is her responsibility to provide for their safety and welfare by providing them with proper training.

The same thing is true in even larger measure of human parents. We know that, for their safety and welfare in life, it is important that our children receive the finest training possible — and that we are responsible for helping to provide such training.

A part of the basic training of our children is, of course, moral and spiritual training. A good part of such training must come in the home and family — but we are fortunate in having in our community so many churches, all of which specialize in moral and spiritual training, especially for the young. Wise parents see to it that their children take advantage of this special training which is available and so important for human lives.

Why not take your children — the whole family — to Sunday School and church this week? You will all be helped by the spiritual training you will receive.

"Train up a child in the way he should go; and when he is old, he will not depart from it." (Proverbs 22:6)

## Petitions available

Petitions are available at the Assembly of God in Dimmitt, as well as at various stores in Dimmitt, for the purpose of protesting the

federal hearing before the Federal Communication Commission granted to Madeline Murray O'Hare concerning the removal of religious broadcasts from the airwaves.

OFFICE HOURS:  
Monday — Friday  
8:30 to 5 p.m.

Her petition (RM2493) reportedly contained 27,000 signatures.

"If her attempt is successful, all Sunday worship services being broadcast on either radio or television will stop," said a spokesman of those protesting the hearing. Protestors are aiming for one million signed letters to be sent to the FCC.

UIL SOLO WINNERS in the Regional competition held in Lubbock March 26 are these Dimmitt High School choir members (from left) Steve Anderson, a baritone who earned a I rating on his Class I solo; alto Janis Hutcheson, who rated a I on her Class I solo; Shelley Young, a soprano who received a II rating on her Class II solo; and soprano

Donna Casas, who earned a II rating on her Class II solo. Dimmitt Choir Director Doug Henry said that the solos are classed by degrees of difficulty, with Class I being the most difficult. He added that it was unusual for a freshman like Casas to perform in Class II. Anderson and Hutcheson will advance to the State UIL Solo Contest in Austin May 30.

## DYF to vote on rule changes

The Dimmitt Young Farmers will have a meeting at 8 p.m. today (Thursday) in the high school ag building.

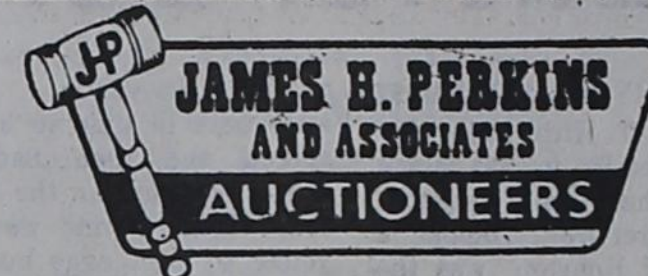

A short program will be presented by Fred Catelle of High Plains Harvester. He will advise farmers "How to use leftover wheat PIK acres for forage feed."

Following the program, the Dimmitt Young Farmers will have a rule change meeting for the Castro County Stock Show.

The public is invited to come and make suggestions. The new rules will be voted on tonight.

IT IS estimated that there are over four million former FFA members. Nearly 16,000 are members of the National FFA Alumni Association.

and Dorothy McNeal from Brownwood, and son Danny McNeal from Odessa, Roy Gene Landry and son Landon from Claude and son Mitchell from San Angelo State

College all attended the funeral of Ruth's brother-in-law W. C. (Hoot) Voyles last Tuesday at Childress. Our sympathy goes to this family.

Mr. and Mrs. John B. Pitts from El Paso spent last weekend with his mother, Mrs. Ruby Ramsey. Mr. Pitts is chairman of the social studies at Burges High School and he teaches American government and world history. His wife is retired from the Bell Telephone Co. Charles and Mary Pitts drove down from Amarillo and Ruby's granddaughter, Jan Pitts, came out from Dallas. Brenda Andrews and her daughters, Becky and Sonya, were among the Dimmitt relatives to be with the out of town guests.

Willie and Rosetta Bellinghausen went to Grand Prairie to babysit with their four month old granddaughter, Jordan Bellinghausen, daughter of David and Melody Bellinghausen. Melody attended a medical convention in San Antonio and then she and David went to the basketball games in Austin. David is a coach in the junior high school in Cedar Hills and last week while he was on his spring break, he flew out to Dimmitt with his little daughter to visit his parents. This was little Jordan's first trip out and she saw her first snow. Rosetta gave a party for her little granddaughter while she was here. She invited a few friends in and served cookies and coffee to Babe Scoggin, Rose Acker, Vernice Green, and her mother Annie Klawitter, Velma Holland, Mabel Brock, and Twilla Schinkus.

The Thursday Bridge Club met at the Senior Citizens Center for lunch and a day of bridge. Louise Mears was hostess. Johnnie Vannoy won high score and Retta Cluck was second high. Others playing were: Betty Cartwright, Susie Reeves, Bernice Hill, Oleda Schumacher, Cleo Forson, Ferne Dickey, Faun Welker, Beral Hance, and Elizabeth Huckabay.

My grandson, Brent Vaughan, spent part of his spring break in McLean visiting his friend, Stacy Jackson, and fishing. He came to Dimmitt on Tuesday and stayed until Friday. He did some yard work for me as well as help his other grandparents, Charles and Betty Vaughan, get their yard ready to plant a garden. Brent, Irene Carpenter, and I went fishing one day while he was here. (That was a first for me!)

Decimae Dennis from Midland has been visiting her parents Morgan and Geneva during her spring break. They all went to Amarillo one day to visit relatives and she visits her brother, Edgar Dennis and family while she is in Dimmitt.

Irene Carpenter entertained Geneva Dennis with a luncheon on her birthday last Wednesday. Others enjoying the food and fellowship were: Decimae Dennis, Brent Vaughan, Hazel Bagwell, Mauzee Youts, Ruth Hays, Connie Ivey, and Mary Edna Hendrix.

The Chamber of Commerce Banquet was a huge success again this year. Delores Heller is doing a great job!

## Hart school board meets

The Hart school board met in a special session last Wednesday to decide on advertising for bids and to open bids on various projects around the school.

Bids will be asked on street repairs in front of the schools and also for a sidewalk to run between the metal fence and curb on the west side of the elementary building. The street repair bids will be opened at a special meeting of the board on April 20 at 8 a.m.

A bid was accepted from Preston Plumbing for \$2,000 for a 100-gallon water heater for the fieldhouse.

The board also approved a raise for all classroom teachers, including paying \$1,150 above the base for teachers with a bachelor's degree and \$1,300 above the base for teachers with a master's degree.

The board voted to give Rhonda Dyer permission to use the elementary gym for a free-throw-a-thon April 9 to benefit St. Jude's Children's Research Hospital.

## Fewer drownings noted in 1982

Drownings and water-related fatalities decreased during 1982, the Texas Parks and Wildlife Department said.

Water safety officials documented 531 drownings during the year, compared to 572 in 1981 and 575 in 1980.

Swimming accounted for the most victims, with 164

deaths; falls, 75; fishing, 53; wading, 44, and 36 miscellaneous. A total of 27 persons died in accidents where motor vehicles fell into the water.

There were 181 deaths in lakes; 96 in rivers; 60 tanks, ponds and pits; 54 in the gulf and bays, 54 in creeks, bayous, resacas and streams, and 52 in pools.

Approximately 67% of the fatalities involved persons under 25 years old. Of these, 73% were males and 27% were females.

Drinking and/or drugs were involved in the chain of circumstances leading to 116 deaths, or 13%. Officials said this may not be entirely accurate since some witnesses are reluctant to tell officials that their relative or friend was intoxicated.

COLLEGE COWS—John Clymer of Sunnyside hopes to finance his college education by breeding and selling Angus cattle. Here, he's

feeding special supplements to one of his herd of four, as another one shyly retreats.

## Clymer raises cattle to finance education

By LINDA MAXWELL

A Dimmitt High School senior is planning to help pay his way through college by breeding Angus cattle.

John E. Clymer, son of Rev. and Mrs. Richard Clymer of Sunnyside, recently enrolled his herd of four animals in the Angus Herd Improvement Records program of the American Angus Association, according to Dick Spader, executive vice-president of the national organization, headquartered in St. Joseph, Mo.

John bought two cows and two calves last May.

"A friend in Wichita Falls, who is interested in helping me through college, offered them to me at a price I couldn't refuse," John said.

He hopes to sell the two calves, one a heifer and one a

bull, in the near future, since the two cows are expecting again.

"I'd like to get in the neighborhood of \$1,000 apiece for the calves, but it's negotiable," John said, adding that it may be difficult to sell his animals at premium prices for awhile until he becomes better known as a reliable breeder.

The Angus Herd Improvement Records (AHIR) is a program designed to help cattlemen keep records on reproduction and growth rate of individual animals, enabling breeders to produce more profitable, efficient Angus seedstock.

By weighing calves at 205 days of age and again at a year of age, breeders not only identify the cattle that grow the fastest and most efficiently, they also identify cows that regularly produce above-average calves, and bulls that sire outstanding calves.

John said he enrolled his animals too late to make records on the calves, but added that he would follow the complete program on the ones yet to be born.

"The cow we call Baroness was pregnant when I bought her, and she's due just about any day now," John said. "Emily, the other cow, we had bred by Worth Jones at Happy. She should deliver in mid-May."

John's father, who is the pastor of Sunnyside Baptist Church, and brother, Daniel, also help with the care and feeding of the cattle, which share pasture with Gerald Elkins' herd located one mile south and four miles east of the Clymer home.

"We try to take them a special feed supplement at least once a day," John related. "You should see them respond when we honk the car

## Nazareth duo wins tourney

Nazareth's duo of Sidney Gerber and Kenneth Kleman captured the doubles title March 28 in the Plains Tennis Association tennis tourney in Plainview.

The Nazareth team split sets twice enroute to the title. They defeated a team from Kress, 6-2, 2-6, 6-4 in the finals.

Nazareth's Leona Gerber finished second in girls singles. She won three matches, then lost to Farwell's Leslie Castleberry 6-3, 6-1 in the finals.

Renee Ramaekers and Cheryl Hoelting of Nazareth downed three doubles teams enroute to the finals, where

they lost in straight sets to a team from Lockney.

AMONG women of child-bearing age, five to 10% are iron deficient.
