THANK YOU: Mayor Pete Burton was presented a plaque called council meeting Monday evening. The plaque is the council's way of saying "thank you" for the past years of service to the City of Wheeler. Burton has served as mayor for 5 years and as alderman five years.

10 YEARS OF PROGRESS FOR CITY OF WHEELER

Pete Burton will officially leave office Monday, April 15 after serving five years as Mayor of the City of Wheeler. Prior to being elected mayor, Burton served as alderman for five years on the city council during which time he served under two mayors. These ten years have brought progress for Wheeler. Just a few of the more important improvements: The long project eliminated blocks of streets in need of repair. The cost to the city was \$150,000. A street sweeper was purchased to maintain the streets and a maintainer was hired to grade the dirt streets.

The 1% Sales Tax was voted by the city's portion of paving project. The tax brought an average of \$100,000 per month into the city.

The runway at the airport was paved. The project was completed as the streets were being paved with a grant to the city and individuals making donations. The cost of the city \$3,000; \$100 was donated by individuals.

A new city office, Fire Department meeting room, shop building were completed and payments have been completed. \$3,000 was donated by the firemen. The city became a member of the Regional Planning Commission. The commission covers 25 counties; 17 members when we were 17 and now has over 75 members. All federal grants state grants go through the commission.

A city marshal has been hired for night duty. The cost to the city is 50% of salary plus the expenses. Business houses pay \$5.00 monthly of this expense. A city purchased with a new car for the marshal to drive. Break-ins have been cut considerably. Building code has been put to go along with the building authority—3% of value of building or repair. 3% of value of moved unit.

Two new pickups have been purchased. One with a dump bed. The dump grounds were phased by the city and presently being leased to Customized Service as a fill.

Street signs have been installed. Warning signs as stop and dip signs have been located over the second street designated as one-way out of the school. 200,000 water storage was constructed and put at a cost of \$20,000. Promoted Astronaut Allen Bean Day. Shamrock St-

reet was changed to Alan L. Bean Blvd. The promotion gave Wheeler a lot of news coverage. Four signs - Welcome to Wheeler-Birth Place of Astronaut Alan L. Bean.

Purchased sewer pipe to extend sewer service on South Mobeetie and Reynolds Streets.

A building has recently been completed to house the fire trucks. This was shared with the County at a cost to the city of \$8,320. The city paid cash for the structure.

The water storage tanks were cleaned and painted the school colors. The city paid cash for this project at a cost of \$89,000.

Contracted to have trash picked up. This saved the hiring of 2 workers, buying a packer truck and bull dozer. The dump grounds were leased to Customized Service.

The dump grounds and sewer plant grounds were leased for oil. The city acquired three pieces of property. The Nicholson Hospital property, the McNeil Gin property and the Sanders lots were acquired.

A general improvement fund was established which enables the City to do more projects.

A new billing machine was purchased and paid for at a cost of \$3,100.00.

Water service was extended in the east part of town.

Water and sewer service was extended in the Vise Addition.

The dump grounds and M. Hoff systems were fenced. A dog catcher has been employed and a dog pound has been constructed.

Eleventh street was opened from Stanley to Reynolds to correct water shed on east seventh street.

A summer work program of the City offered employment to six youths.

Applications are presently being taken for a City Administrator.

The projects above are just a few accomplished while Pete Burton served on the City Council. This is not to say that Burton takes or claims credit for the projects, but merely shows what has been accomplished. All this was done without a raise in property tax.

Two disappointments Mr. Burton has faced was not seeing the completion of Sweetwater Creek Dam and not being able to attract more industry to bring more young people back to Wheeler.

While serving as a councilman, Burton served under

Rabies Clinic Planned April 20

Dr. Tommie Hennard will hold a Rabies Clinic Saturday, April 20. The purpose of the clinic will be to vaccinate all pets against rabies. At the same time the City of Wheeler will have dog licenses on sale.

The clinic will be held at the Wheeler Veterinary Clinic on West Highway 152 from 1:30 until 5:00. Pet owners are urged to have their pets on a leash to better control them.

The vaccination will protect the animal for a period of one year. The shot will cost \$2.50. The licenses will cost \$1.00 for males and spayed females and \$2.00 for females.

For those people who have had their dogs vaccinated, but have not purchased a license, it will be necessary to take the animal and proof of vaccination to the clinic to obtain the dog license. All dogs in the City Limits are required to be licensed and vaccinated.

Area citizens are urged to bring their animals in at this time to be vaccinated against rabies.

For those owners who are unable to bring their pets to the clinic, call 826-5821 during the time the clinic is being conducted and someone will be on duty to pick up the animals.

Cats Should Be Vaccinated

Although it is not required that cats be vaccinated, they are a danger in the fight against rabies and should be vaccinated, stated Dr. Hennard. The cost for vaccinating a cat will be \$2.50.

Reminder, Hint About Your Trash

Wheeler citizens are reminded the trash is to be sacked and at the curb by 9:00 a.m. Monday mornings. Should you fail to have the trash out before the truck runs, a container has been placed at the city office for this purpose.

Ed Ellis of Customized Service Co., Inc., left this hint for those who are having trouble with dogs: "put a teaspoon or tablespoon of amonia in the trash before tying."

DID YOU BRAG ABOUT WHEELER?

Youngsters from Wheeler and surrounding areas will participate in the annual Easter Egg hunt Sunday afternoon at the Rodeo arena. This affair is sponsored by the Wheeler Riding and Roping Club and has become one of the traditional affairs for local youths.

Darrell Moore of the Riding Club stated merchants and individuals are giving prizes to youngsters that find the "Lucky Eggs."

Each youngster who finds a prize egg is asked to report to persons in charge of the hunt so that the names of the winners can be obtained. Parents are asked to help their children cooperate in this matter.

Eggs for the hunt will be furnished by the Wheeler Riding and Roping Club. Participants are asked to meet at the rodeo grounds at 2:30 P.M. Sunday.

Children participating in the hunt will be divided into four age groups: 1-2-3 years; 4-5-6 years; and 7-12 years and older.

All merchants and individuals who have not been contacted and would like to furnish a prize egg are cordially invited to contact Stanley Baker or Darrell Moore.

Bob Wright To Be Speaker At All-Sports Banquet

The annual All-Sports Banquet, which honors the athletes of Wheeler High School, will be held in the school cafeteria, Tuesday night, April 23rd, at 7:30.

The Pep Club, with the assistance of the Quarterback Club, is sponsoring the event that culminates the year for all the young men and women that represented the Mustangs in athletics. The banquet will be catered and tickets are being sold by Quarterback Club members. The tickets are \$3.00 and can be purchased from Thurman Rives, David Britt, Bob Patterson and Adrian Risner.

Bob Wright, who is recruiting coordinator for Coach Emory Bellard at Texas A&M University will be the speaker for the banquet. Coach Wright graduated from Howard Payne College where he played football and later returned as line coach.

Besides his tenure at Howard Payne, Wright's 20 year coaching career included high school coaching at Olney, Cleburne, Ballinger, and Brownwood. Wright was serving as Assistant Executive Vice President of the Texas High School Coaches Association in Austin when he was hired by Texas A&M.

One of the highlights of the banquet will be the presentation of awards by the coaching staff and the Pep Club. Coach Jim Bateman will make the awards for the Mustang football team and coaches Bill Wiggins and Mary Davis will present the awards for the basketball teams.

This banquet will be the final sporting event for the senior athletes of Wheeler High School and will also mark the end of a five year coaching stint at Wheeler by Athletic Director and football coach Jim Bateman.

Gospel Singing

The Believers Gospel Singing Group from Amarillo, will be at Gageby, Saturday, April 13, 7:30 p.m., and Sunday morning. There will be dinner on the ground. Come and enjoy a gospel get-together. Everyone is welcome.

District Meets End Year For Wheeler Tracksters

With the running of the high school divisions at White Deer last Friday and the grade school at Memphis on Monday, the track season for all but one of Wheeler's participants came to an end.

Don Chapman is the lone qualifier from Wheeler to the regional meet at Lubbock on April 20th. Don won the mile at White Deer and this will mark his second consecutive appearance at Lubbock which is the final step before the state meet.

The Mustang freshman had two winners in their division, which Memphis won handily, with Don Brown breezing home first in the 120 yard high hurdles and David Massick winning the discus. Drown finished second in the finals of the 330 yard intermediate hurdles and Massick placed second in the freshman shot put.

Mike Izard brought home two second place ribbons for his running of the 100 and 220 yard dashes. Another second place was won

TRACK Continued
from page 1
by Darrell Gaines in the
880 and the sprint relay of
Brown, Massick, Gaines,
and Izard placed fourth
which gave the freshmen a
total of 68 points and fifth
place.
The Mustangs varsity
placed sixth in the district
meet with 35 points and
lost a good chance of finish-
ing third when their sprint
relay team was disqualified
for handing off out of the
zone. The Mustangs were
running a strong third in
the race when the disquali-
fication came.
In addition to winning the
mile run, Don Chapman was
third in the pole vault and
he was one of three Mustangs
to garner points in the field
events. Jim Verden was
fifth in the shot put and
Robert Wills came in fourth
in the high jump.
David Patterson ran sixth
in the finals of the 220 for
the only individual points
besides Don Chapman's mile
win that the Mustangs got.
Lewis Britt qualified for
the finals in the 100 yard
dash but didn't place in
the finals as did Walter
Simmons in the 440.
A strong third leg by Ken-
neth King of Clarendon push-
ed the Mustangs mile relay
team back to third place and
they weren't able to over-
come the margin and finished
third behind Clarendon and
winning Memphis. The mile
relay team was made up of:
Kent Ware, Lewis Britt, Wal-
ter Simmons, and David Pat-
terson.
Memphis made a clean
sweep of all four divisions
in track and field when they
dominated the 7th and 8th
grade meet held Monday on
the Memphis track.
The Colt 7th graders could
muster only 18 points in the
meet with Marvin Grimes
leading the way with a sec-
ond place in the shot put.
In the 660 yard run, the
Colts had Bob Gunter finish-
ing fourth and Phillip
Gaines running fifth. Phillip
gaines also placed fifth in
the 330 yard dash. The
last of the 7th graders points
were made by Ronnie Gaines,
who ran fifth in the 1320
yard run.
Coach Richard Gaines
8th graders fared some-
what better as they picked
up 36 points in their divi-
sion but like their counter-
parts from the 7th grade,
they had no first place win-
ners. Dell Ford ran second
in the 60 yard intermediate
hurdles, fourth in the 100
yard low hurdles, and placed
second in the high jump to
lead the Colt 8th graders.
In the running events,
other Colts finishers were:
Buddy Whitely, fifth in the
660 and fifth in the 330,
Tim Patterson, fifth in the
330 and Mark Pond, fifth

A Letter from Uncle Ern

On March 31 last Sunday we had a severe west wind reminded me of the Texas Panhandle winds however here in the city is not so severe as on the farms where no protection exists. The high winds are tiresome and destructive guess every body knows that. However floods, droughts, hail, tornadoes exist any where on land and on ocean.
At the present the fruit trees are safe, but last year we had a light frost in April, still had real nice peaches.

There are no commercial orchards around here that know of but large pecan groves, and some years they bag good.

Plenty of watermelons on the market for sale here at 10 to 12c per lb. Please excuse me I am short of funds as usual.

Am glad the rain came in time to save your wheat fields. However around Lubbock some fields had to be destroyed on account of high winds.

I have found out retirement can be a liability as well as an asset. So don't imagine retirement is all fun after leading a busy life on the farm.

On April 8, 1938 a blizzard visited the Wheeler Co. people. I will never forget, started about night fall and lasted about 14 hours. Plenty people remember that so late in season. So many animals smother in the snow two pitiful and the severe hail in 1950. Still a strong believer in good shelter for man or beast but in that April blizzard a 3 wire fence was the best hardly ever the case.

I am not a smart or clever person but I had a fear the Texas Panhandle was overdoing the cattle feed lot business, like all people like to do when one thing pays good. Then when it loses money they want to get loose which is natural and no demand exists, am right or wrong?

I was in Oregon in 1920 of March, potatoes yielded a good crop in 1919 and some farmers had a few tons to sell at \$10 per hundred wt., in less than eight months potatoes could be bought for \$1.00 per hundred lbs., and no demand.

In 1930 I could have sold some shoats that weighed about 80 or 90 lbs. for \$8.00 each. I fattened them to weigh about 130 lbs. each and sold them on the market for \$5.00 each. So we must learn to take the bitter with the sweet.

My two daughters one 46 years old and the other 42, each have new bicycles to save gasoline. They wanted me to get one, please excuse me you can't teach an old dog new tricks.
Uncle Ern

KING'S KOMMENTS

By Joe Don King

County Extension Agent

By Joe Don King - CEA
Farmers in Wheeler County are cautioned to report cancelled "Disaster Relief Loans" as income in preparing their 1974 income tax returns.

According to the Internal Revenue Service, federal income tax must be paid on the cancelled portion of these loans, which are granted by the Farmers Home Administration for losses to growing crops due to drought.

A recent check by the indicated that many farmers who had received such loans are not reporting the cancelled portions properly.

Farmers who do not properly include the loan cancellation as income are subject to examination and will be liable for additional tax, interest and penalty.

Farmers concerned should file Form 1040X to correct income tax returns that have already been filed. The form should be mailed to the Internal Revenue Service Center, 3651 South Interregional Highway, Austin, Texas 78740.

If you can't get PIONEER Brand 8311

here are some excellent alternative hybrids for High Plains farmers.

Pioneer Brand 8311, the "Golden Bronze Yield Leader," has been our most popular hybrid this year — so popular, in fact, that it may be in short supply in some areas. One reason is that the demand has been so great downstate where 8311's disease tolerance is so important. Fortunately, there are several other Pioneer Brand hybrids that are proven top performers on the High Plains. If you can't get 8311, ask your dealer about these.

PIONEER Brand 8417

This versatile yellow endosperm sorghum is a champion yielder in the medium-late maturity class, for irrigated or non-irrigated land. It has large open heads, uniform head height, strong stalks for easy threshing, good tolerance to smut and anthracnose.

PIONEER Brand 820

This top-notch full-season hybrid, is a consistently high yielder. Excellent drought resistance and standability plus good roots and stalks make it a good choice for irrigated or non-irrigated farming on the plains.

PIONEER Brand 828

One of the highest yielding sorghums you can plant, this full-season hybrid responds well to good management on good land with plenty of water. Plains growers like it because it holds its quality and threshes well even after an early freeze. It produces sturdy stalks with semi-compact heads of dark red grain.

PIONEER Brand 846

Famous for its versatility and adaptability, this medium maturity hybrid yields along with the full-season varieties. Resistant to smut, rust and MDM, its outstanding hybrid vigor and excellent drought resistance help it turn in consistently high yields even under stress.

quito and its threat as a disease carrier, especially as far as horse sleeping sickness is concerned. So, all horse owners should take steps now to protect their animals.

All horses, mules, asses and ponies should be vaccinated for the three types of equine encephalomyelitis (horse sleeping sickness) Eastern, Western and Venezuelan. The Venezuelan stain (VEE) caused the deaths of thousands of horses in Texas and Mexico when it first appeared in 1971.

A combined vaccine is available for the Eastern and Western strains of the disease and annual booster shots should be given after the initial vaccination. A separate vaccine must be administered to protect animals from VEE. The vaccine provides protection for about 18 months. Colts vaccinated last year while under six months of age should be re-vaccinated.

Vaccines are available through veterinarians and should be administered only by them.

The Texas Animal Health Commission requires that all horses moving to shows or out-of-state be vaccinated for VEE.

Symptoms of the three diseases include depression, lack of appetite and draw-

ness. Animals may frequently grind their teeth when moving. They may also lunge uncontrollably and assume a "horse" stance.

Although there have been no horse deaths from the U. S., a number of animals were lost last year to the Eastern and Western strains of the disease, some 25 states.

Although fertilizer supplies are short, be cautious in considering the use of substitute material.

Substitute fertilizers are often called "conditioners," "additives" and "amendments" and most do not have an analysis tag to show their nutrient content.

Most fertilizer substitutes contain only small amounts of plant food and the materials are often in forms not readily available for plant use.

Furthermore, the per cent cost of any major plant nutrient from these products makes them relatively high in cost. These substitutes will raise production and increase yields little, and ultimately lower profits.

Farmers should take advantage of soil testing services to determine their fertilizer needs.

CHRISTIAN CENTER

INVITES

EVERYONE TO ATTEND OUR

EASTER SPECIAL

Sunday Morning at 10:00 A.M.

With
SPECIAL GUESTS

THE GLEN SHINN FAMILY

from Fort Worth, Texas

For all the adults and teenagers we will have the Glen Shinn Family. The Shinn Family is known by all in the Wheeler area as they ministered in the North Wheeler County Evangelistic Crusade last summer. Brother Shinn is today one of America's colorful and dynamic young ministers. His lovely wife and daughter present a beautiful message in song that will thrill your heart.

They will be ministering in message and song throughout the service beginning at 10:00 A.M. There will be just one service, so make plans now to attend.

BUS CAPTAINS

Our buses will run on schedule Easter Sunday morning to bring the children or the whole family to our Easter Special. We will have five buses running on this special day, and we are planning to have 300 plus on our buses. We have several dedicated workers on these buses that give of their time week after week to give many a chance to come to Sunday School that otherwise would not come. We are proud of these workers, and the great job they are doing.

TEACHING STAFF

Our entire teaching staff has made special plans to teach all the boys and girls on this great day. Real live plays will be given in each department about the Easter story. Also, puppets and other exciting things will fill the morning for all in attendance. A nursery will be provided for children thru 2, a beginner church for ages 3 & 4, a primary church for ages 5-7, and a junior church for ages 8-12.

Christian Center is a young aggressive non-denominational church which Christians of all denominations can worship. We are fundamental in our beliefs, and we believe that living for Jesus is not a sometime thing, but an all the time thing. God has blessed our church, and we have experienced a phenomenal growth in every age group. Growth has been from an average of 51 in March of '73 to an average of 233 in March of '74. We contribute our success to the Lord, and to a group of hard working people who put the Lord first in their lives.

Nancy Weatherly and Eddie Riemer Are United

Miss Nancy Weatherly and Eddie Riemer were united in marriage Saturday evening, March 30 in the First Baptist Church of Wheeler.

The bride is the daughter of Mr. and Mrs. Joe R. Weatherly and the parents of the bridegroom are Mr. and Mrs. Otto Piemer, Pampa, Texas.

The Rev. Villard Hunter officiated for the exchange of vows before an altar decorated with an archway of greenery and two white doves. Large basket arrangements of gladioli and large spiral candelabra holding lighted tapers completed the setting.

Mrs. Landon Sims, organist played a prelude of nuptial selections and the traditional wedding march. Keith Riemer, brother of the bridegroom, sang, "My Sweet Lady" and "Whether Thou Goest."

The Bride

The bride was given in marriage by her father. She was attired in a formal candlelight gown of imported French chantilly lace over polyester organza. She carried a cascade of miniature roses and pom poms with baby breath.

Attendants

Attending as matron of honor was Mrs. David Shearer, Tulsa, Oklahoma, Mrs. Villard Hunter, Little Rock, Ark., and Mrs. Rodney Weatherly, Wheeler served as bridesmaids and Miss Becky Riemer of Pampa was bridesmaid. They wore identical floor-length gowns of candlelight organza over apricot.

Terry Hunter, Little Rock, was flower girl wearing a gown identical to the bride's attendants. Madison Scott, Amarillo was ringbearer.

Keith Riemer, Dallas served as best man and Rodney Weatherly and Joe Shearer both of Wheeler and

Jerry Smith, Amarillo were groomsmen. Seating wedding guest were Gary Havenhill, Amarillo, and Gary Fortin, Pampa. The guest were registered by Mrs. Maxey Heid, San Angelo.

Mothers

The bride's mother wore a coral floor length gown and the bridegroom's mother wore a blue floor length gown. Both mothers wore orchid corsages.

Reception

Immediately following the ceremony a reception was held at the church. The bride's table was appointed with a white cloth and roses carried out the brides chosen color. The four tiered wedding cake was decorated with a stairway

and miniature attendants dressed to match the wedding party.

The groom's table was covered with a candlelight cloth trimmed in apricot. Coffee was served from a silver urn. Serving were Mrs. Steve Hampton, Mrs. Dwight Ford of Wheeler, Miss Waters, Borger and Miss Ronda Waters Spearman.

Affiliations

The bride attended Pauls Beauty College, Oklahoma City, and the bridegroom received a bachelor of architecture degree from Texas Tech University.

The newlyweds will make their home in Amarillo following a short wedding trip.

Pre-Nuptial Events

Tuesday evening, March

29, the bridegroom's parents, Mr. and Mrs. Otto Riemer entertained the wedding party with a rehearsal dinner in Shamrock, Texas.

Saturday evening, March 9, the couple was honored with a bridal shower in the hospitality room at the Citizens Bank at Pampa, Texas.

Friday evening, March 8, a shower was given in the home of Mrs. Lula McCasland with Mrs. Hiram Whelan, Mrs. Peggy Dunn, Mrs. Lewis Lancaster, Mrs. Steve Hampton, Mrs. Jim Bateman, Mrs. Richard Brown and Mrs. Gordon Whitener as co-hostesses.

PATRICIA PALMER IS BRIDE OF RICHARD EDWARD MOORE FEB. 23

Mr. and Mrs. Edward Moore are now at home on the 5 M Farm and Ranch after a honeymoon at New Mexico and Colorado resorts. She is the daughter of Mr. and Mrs. Wayne Palmer of Leveland and he is the son of Mr. and Mrs. Leo H. Moore.

Prior to her marriage on Saturday, Feb. 23, the bride was Patricia Ann Palmer. Leveland's Morningside Baptist Church was the setting for the double ring ceremony with the Rev. Bob Griffith officiating.

Spiral candelabra and tiered candelabra with tall pink tapers and an arrangement of red roses and pink gladioli, decorated the altar area.

Music for the ceremony was by Mrs. Rex Black at the organ and soloist was Larry D. Jewell. He sang "Each For the Other," "Both For the Lord" and "The Lord's Prayer."

For her wedding, the bride wore a gown of candlelight chiffon and lace over peau de soie. It was designed and made by the bride and her mother. It featured a molded bodice and a skirt that fitted in front and gored in the back with the gores forming a chapel length train. Appliques of lace and beads were used down the front and back of the gown. The gown also had long, full sleeves of the chiffon appliqued with lace and beads and a mandarin collar.

Her tiered veil of silk illusion was caught to a band of chiffon roses and satin leaves.

She carried a bouquet of white roses and stephanotis centered with a white orchid atop a white Bible.

Mrs. Larry D. Jewell, Lubbock, sister of the bride, attended as matron of honor and Jerrie Moore, Wheeler, a cousin of the bridegroom, was bridesmaid.

They wore gowns combining pink chiffon blouses and long burgundy velveteen skirts. The skirts were deeply pleated and the blouses featured a V-neck with the deep ruffle of the chiffon making a stand-up collar and long sheer sleeves with wide cuffs.

Flower girl was Laura Beth Hart, Amarillo, cousin of the bride. She wore a floor length pinafore of burgundy velveteen and a pink chiffon blouse.

All of the feminine attendants had headbands of velveteen and chiffon entwined with pearls and carried nosegays of red and pink roses.

Bill Moore of Houston served his brother as best man and the groomsmen was his brother-in-law, Gary Glazener. Ushers were Larry D. Jewell, Lubbock, brother-in-law of the bride, and Tommy Palmer, brother of the bride. Ring bearer was Todd Hubbard, Amarillo, Cousin of the groom.

A reception was held in Fellowship Hall at the church following the ceremony. The bride's table was laid with a white floor-length cloth and was centered with an arrangement of red roses and pink gladioli in a silver candelabrum.

Appointments were of crystal. The three-tiered wedding cake was served by Miss Lynnette Teague. Panhandle. Serving punch was Mrs. Bob Pearson, Amarillo.

A green linen cloth covered the groom's table and with the floral arrangement in a silver candelabrum.

Featured on this table was a cake the bride had made for her parents, who were celebrating a wedding anniversary on that date. It was served by Mrs. Jerry Everett, Denver City. Coffee was served from a silver service by Mrs. Gary Glazener, sister of the groom. Also assisting in the hos-

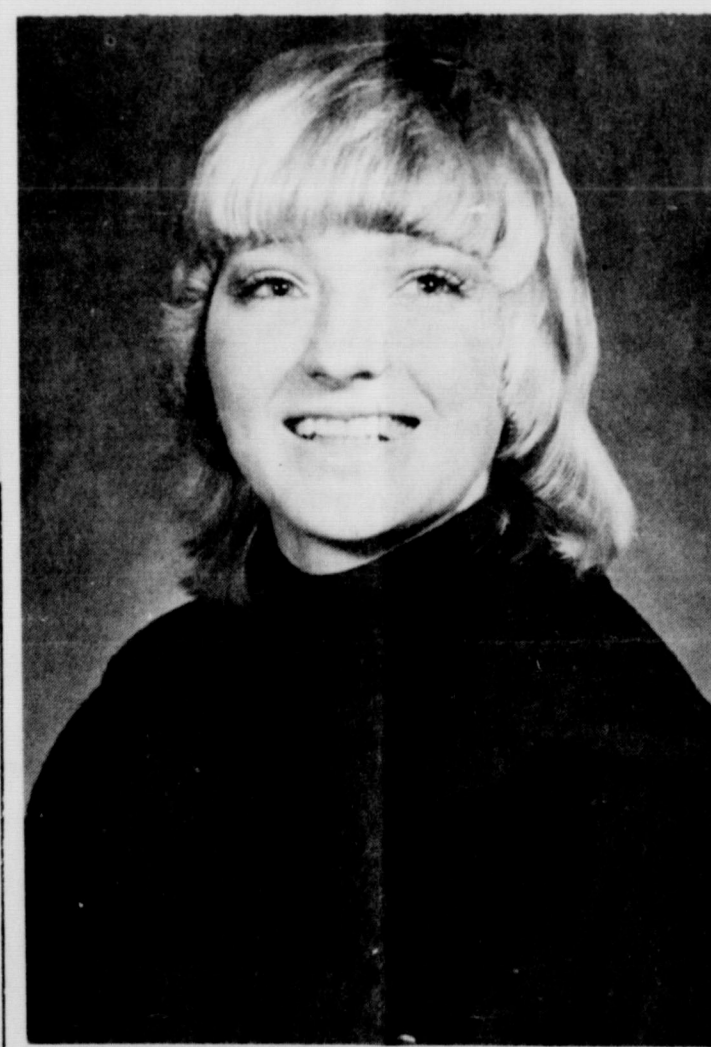

pitalities were Mrs. Joe Teeters, Leveland, Mrs. Wayne Matthews, Leveland and Mrs. Risa Steed, Panhandle.

The bride is a 1970 graduate of Texas Tech University with a degree in Home Economics Education. She has been employed for three and one-half years by Texas A&M University as an extension agent in Wheeler County and Cass County.

The groom is a 1970 graduate of Baylor University with a degree in business. He is engaged in farming and ranching.

EASTER EGG HUNT

SUNDAY, APRIL 14 --2:30 at the RODEO ARENA

Here and There

By Laura Guthrie

It was my turn to put on the big pot last week end, and what fun it was. On Saturday night my sister and husband, Mr. and Mrs. Charles Herring came from Tulsa in time for supper. On Sunday a brother, Mr. and Mrs. Paul Wimberly, of Tulsa, Mr. and Mrs. Carl Wimberly from Amarillo and Mr. and Mrs. Frank Wimberly of Altus, Oklahoma joined us. The last two couples are cousins. The day was mostly spent trying to identify characters in old family pictures. It wasn't unpleasant, but sometimes not so profitable. Let me give a word of advise. Start identifying the family pictures right

now, along with the date. It will be a lot easier for future family members who might want to write a family history.

Editor Louis Stas and family, wife Barbara, Ronald and Kathi, took Mrs. Emma Connell to Portales, New Mexico on Friday afternoon to visit her brother Ervin Hale and wife. On Saturday the Hales observed their golden wedding anniversary. Sunday morning the Wheeler people drove into Amarillo and had lunch with Inez Erwin and Georgia. Then on home, bringing Georgia to spend the Easter break with her grandmother, Mrs. Rita Stanlee.

Mary Finsterwald had a pleasant surprise one day — last week. Her nephew,

W. T. Hardy and wife of Tulsa were making a business call in Wheeler and had a short visit with Mary.

We found out today that the Claude Barkers of the Briscoe community have moved to Amarillo. They leased the farm and found a house only two doors away from their daughter. Wasn't that luck. Besides their only grandsons are there.

Mr. and Mrs. Virgil Helton have returned from an extended trip. They first spent a week with Mrs. Heltons sister at Baytown. Then they went to Houston and dined over the grandchild for a couple of weeks. The Drs. Tacker, parents of the child were away on business. (You know six hundred miles

is a long way to go to baby sit, but the Heltons don't mind.)

Visiting with the Garland Abernethys and the Carl Abernethys were their brothers, Mr. and Mrs. E. T. Abernethy, Oklahoma City, Mr. and Mrs. F. C. Abernethy, Wymore, Nebraska, and Mr. and Mrs. Loui Abernethy of Kelton. Also during the time a son of Wheeler, Keith and Glenda and daughter Carla dropped in for a visit.

Former residents of Wheeler, Mr. and Mrs. L. L. Sides of Jacksonville, Fla., are guests of the Shelby Pettits this week.

This week the Paul Shumates drove over to Goodnight and had a visit with the Keith McCormicks, he who is past pastor of the local Baptist Church.

The Shumates report that the McCormicks have a com-

fortable, attractive home, are busy with a garden and chickens. His health has not improved but is probably no worse.
