

RAIN AIDS WHEAT

Not since the spring of 1941 has rain received such a welcome by farmers of this area who this week were jubilant over the downpour which brought needed moisture to young wheat and conditioned row crop land for spring planting.

Although the rain this week boosted crop prospects, farmers are hoping that it is not the fore-runner of another year of floods.

Showers Sunday, Monday and Tuesday developed into a steady downpour Tuesday night and Wednesday. Small hailstones covered the ground Wednesday morning, but damage to wheat was slight, reports said.

MEN 45 THROUGH 64 YEARS OF AGE MUST REGISTER FOR WAR

"The fighting men have been called," proudly exclaim World War I veterans when it was announced a fourth registration of American men will be held April 27, to list all aged 45 through 64. (The third registration, in February, was for men aged through 44.) It is unlikely, say officials, that the latest group will be called into military service. Boys 18 and 19 years of age will be registered at some later date. Available manpower for defense jobs will be located in this manner, it is said.

Methodists to Complete Church Building

With all materials either on the ground, or en route from the factory, officials of the Methodist church gave workers the go sign this week as work to complete the church structure went into full force.

An auditorium of tile and brick is to be constructed on the basement which has served the congregation for about 17 years. Everything from pulpit to pews in the auditorium will be new when it is completed in June, Pastor Frank Beauchamp stated. The basement will be divided into class rooms for the church school.

To Meet At School

The church membership is to hold services in the school auditorium while the building is under construction, the pastor announced.

Sunday school will meet at 10 a. m., preaching will be held at 11 a. m. Sunday.

Twelve new members were received into the church Easter Sunday, the pastor reported.

POISON ORDERED FOR HOPPER CAMPAIGN IN HALE COUNTY

Preparations for combatting the expected grasshopper infestation in Hale county are being made now, C. B. Martin, county agent, reports. A carload of bran and two of sawdust for a poison mixture have been ordered and will arrive soon. Delivery of two more cars of bran and four of sawdust has been ordered May 2, about the time the pests are due to start on crops and other vegetation, Martin says.

Martin has been conferring with A. & M. specialists in plotting the campaign on the ravagers, and he repeats his plea to farmers to be on the lookout continually for appearance of the pests and not to lose time in taking steps to destroy them. Farmers desiring information on securing the poison and how to use it should see the county agent.

Announcements will be made from the various pulpits Sunday concerning time for evening services.

J. J. Vineyard and family visited in Olton last week-end.

Voting Is Light In City Election

Chalking up the lightest vote in many years, Abernathy citizens marked only 34 ballots Tuesday at Reid Chevrolet Co. building to elect N. C. Hix and W. V. Cunningham to councilman posts and O. Rutledge to the place of city marshal.

Hix and Rutledge were seeking re-election, and Cunningham succeeds H. E. Richter, who chose not to run for a third term.

Election judge, R. M. Hardesty, who was assisted by Mmes. Edwin Hardesty and George W. Ragland, announced the returns as follows: For councilman: Cunningham, 31; J. L. Ellison, 9; Hix, 26; write-in, one each for H. E. Richter and Roy Anderson.

City Marshal: O. Rutledge, 34. Other city officials are: F. W. Struve, mayor; Andy Reid, J. C. Hurst and H. Schulz, councilmen.

In 1941, 52 votes were cast in the city election, and 40 ballots were marked in 1940.

"Over There"

Last Thursday, Mr. and Mrs. C. F. Buske received a letter from their son, Charles (Sonny) Buske, above, stating he was well and doing fine in Hawaii's wonderful climate. He is stationed at Schofield Barracks near Honolulu.

Charles, who attended school here, enlisted in the infantry division of the army at Fort Bliss on Feb. 21, 1940. From there he was transferred to Angel Island, Calif., from which he sailed on May 4, 1940 for Honolulu.

He escaped injury during the sneak attack by the Japs on that Island on the date Americans for generations will remember — Dec. 7, 1941!

Send your fighting dollars into the front lines to help our boys put this date down in history as the beginning of the downfall of the Land of the Rising Sun. Buy Bonds! Buy Stamps!

MANY FROM HERE ATTEND OPEN HOUSE AT ARMY FLYING SCHOOL

Hundreds of Abernathy persons were counted in the throng of South Plainsmen who attended open house at Lubbock Army Flying School Monday, Army Day. Although wind, sand and rain interrupted the program, the school's display was none-the-less impressive.

Capt. Byron W. Goulding, public relations officer for the school, said the public would again be guests of the Flying School when it is formally dedicated later this year.

Traffic from Lubbock to the school was nearly a bumper-to-bumper ten-mile line of vehicles, and many were damaged in slight accidents. Grill and radiator of Roy Douglas' light sedan were damaged.

NAZARENES REFINISH INTERIOR OF CHURCH

New wallboard of attractive color and design is being placed on interior walls of the original building of the Nazarene church. This was done to make the auditorium harmonize with the new addition which includes a choir loft and six class rooms. The frame and stucco addition joins the original structure on the west end.
