

# Senate Okays Postal Rate, Pay Increase

By JOE HALL

WASHINGTON AP—A bill that would increase both postal rates and the pay of federal employees has won Senate approval by an overwhelming 72-3 vote.

If enacted, it would mean a penny hike in postage for regular and air mail letters and a wage boost averaging about 10 percent for 1.6 million government workers.

The next step is up to the House. If it takes the Senate measure as is, the bill goes to President Kennedy for signing into law. If the House balks, a joint conference would have to work out a compromise.

The House last January passed a bill designed to bring in \$800 million a year more in postal revenue. But this measure does not provide for an increase for postal and other government workers.

In Thursday's debate Sen. Frank Lausche, D-Ohio, saw the two-step \$1,049,000,000 pay hike as an effort "to buy votes" in an election year. And Sen. A. Willis Robertson, D-Va., one of the three who voted against the bill, said it was calculated to make everybody happy except the taxpayer.

The pay raise would go into effect before the election, Robertson noted, and the postal rates rise afterward.

Sens. Harry F. Byrd, D-Va., and John J. Williams, R-Del., joined Robertson in voting against the bill. Lausche was one of four senators who, while not voting, went on record against it by arranging "pairs" with other senators who favored the measure.

Most senators said they felt the 1 million classified civil service employees and the 500,000 postal workers were fully entitled to the raise, which would amount to an average \$600-million-a-year revenue increase in the bill.

If the bill becomes law, it will mark the third consecutive election year in which such a raise

has been voted. The 1959 legislation granted a 10 percent boost, and the 1960 bill 7.5 percent. The 1960 measure was vetoed by President Dwight D. Eisenhower, but it was overridden.

Sen. Olin D. Johnston, D-S.C., who steered the year's measure through the Senate, said he had White House assurances it will receive Kennedy's approval if it clears the House.

Postmaster General J. Edward Day said he was gratified by the action on the postal legislation. The one-cent increase in first class rates "will give us the basic rate structure which, for the first time in many years, will be comparable to other major postal systems in the world," Day said.

The Senate bill carries an average 8.5-per cent increase for classified employees next month, plus 4.1 percent in January 1964. Postal workers would get 8.6 percent next month, and 2.6 percent in the second step.

The last postal rate increase was in 1958, when the 3-cent letter stamp in effect for quarter of a century was raised to 4 cents.

THE FIRST DONATION received by the Branch House Division of the United Fund was this \$250 check being presented on behalf of R. E. Smith, operator of the Sharon Ridge oil field repressuring unit, by Frank LeFeuvre, left, Walker Dabbs, UF worker, accepts the donation. H. H. Allen is chairman of the Branch House Division.

# Truce At Ole Miss Reported, Denied

WASHINGTON AP—The Justice Department, denying reports of a weekend truce between Atty. Gen. Robert F. Kennedy and Mississippi Gov. Ross R. Barnett, declared today it will "proceed" with its plans in the University of Mississippi desegregation crisis.

Edwin Guthman, Justice Department information officer, stated the department's position after learning of reports from Mississippi that a truce had resulted from telephone conversations between Kennedy and Barnett.

"I just want to say that it's not true," Guthman told newsmen. "We intend to proceed in this matter to meet the situation as it develops."

He refused to confirm or deny that Kennedy and Barnett had been in touch by telephone during the week.

A highway patrol source said Gov. Barnett and Atty. Gen. Kennedy talked three times by telephone during the night and reached a gentlemen's agreement today it will "proceed" with its plans in the University of Mississippi desegregation crisis.

The agreement, this source said, banned further attempts to enroll Meredith until Monday. During the time this reported

agreement was being negotiated, a detachment of Army Engineers moved into Memphis, ready to extend administrative and logistic support to a huge force of U.S. marshals massed at Millington Naval Air Station.

The defendant governor of Mississippi did not show up for his contempt hearing in New Orleans before the 3th U.S. Circuit Court of Appeals at the appointed hour of 10 o'clock this morning.

But he had not been seen in Oxford, either, and all entrances to the wooded Ole Miss campus stood free of blockades by state officers. Only six or seven police cars had been seen on campus by midnight.

Army and Justice Department spokesmen said the 110-man Engineer unit would provide supplies, meals, administrative services and possibly arrange living quarters for the marshals.

An Army spokesman emphasized that the Engineers will have absolutely nothing to do with affairs in Mississippi. They will remain at Memphis, 50 miles north of this college town.

The Engineers—first federal troops to be ordered to any kind of duty in connection with the defiance of court orders by Mississippi's top officials—arrived at the Memphis Naval Air Station at 3 a.m. after a 200-mile overnight trip from Ft. Campbell, Ky.

Their 49-truck convoy included tractor-trailers carrying heavy equipment, tractor-drawn vans, jeeps and other vehicles.

They have with them the capacity to set up a tent city to furnish bedding, cooking and that type of service for the marshals," said Lt. Col. T. A. Price, deputy commander of operations at Ft. Campbell.

Price said the members of the 70th Engineer Battalion, were armed because their maneuver was a mobility exercise.

Further moves in the showdown between federal and state authorities over attempts to enroll James H. Meredith at the university.

Thursday the Justice Department, called off a fourth attempt to get Meredith admitted. Both sides said the action probably averted violence and bloodshed.

Then the government began enlarging its force of marshals for further action, with Washington announcing that several hundred from around the nation were being sent to Memphis and that the Army Engineers also were being dispatched there.

TWINS CRIPPLED BY SAME AILMENT—Billy Lee, (foreground) and his twin brother, George, manage a few steps with the aid of crutches at the Scottish Rite Hospital for Crippled Children in Dallas. The 2½-year-old boys from Wortham, Tex., suffer from a congenital condition known as arthrogryposis, which affects principally joints and muscles. Work with the Lee twins is almost continuous to prevent their feet from returning to a club-foot position and to keep their knees and hips straight. The twins have been admitted to the hospital five times for stays not less than a month each time. (AP Wirephoto)

## Pension Fund Measure Goes To President

WASHINGTON AP—The Senate sent to President Kennedy today the long-debated and much-revised bill which would permit self-employed persons to set up tax-deductible pension funds.

The Senate passed the measure by a 70-9 roll call vote. The House had passed it Tuesday by a unanimous 361-0 tally.

Its White House fate is uncertain. Kennedy has said he will study it carefully but has given some indication it might be vetoed.

The President told business editors and publishers Wednesday that he was concerned at the revenue loss estimated at \$1.5 billion a year. He said also that it might well be more appropriate as a part of next year's tax revision bill, for which he is expected to propose a number of pension provisions.

The chief executive, probably will be able to pocket veto the legislation if he chooses. Congress is expected to adjourn before the deadline for his decision—10 days after the bill reaches him.

Sponsors of the bill estimate that 7 million self-employed persons and 11 million others who work for themselves could benefit. They say that only high-income persons will be able to make much use of the plan.

Much support has come from doctors and lawyers although many independent businessmen also pushed for it.

## Marginal Well Law Draws Criticism

AUSTIN AP—Representatives of several major oil companies testified before the Texas House investigating committee Thursday and criticized the state's marginal oil well law.

The committee sound up its third public hearing in its slant hole oil well probe. The first was held in Dallas in August and the second was in Houston Tuesday.

Several of the oil men said under questioning that they favored changing the marginal oil well law to force a marginal well from producing more than a so-called good or profitable well.

Under Texas law, wells not capable of producing 20 barrels of oil daily are designated "marginal" and are permitted to produce at their top capacity every day of the month.

Profitable wells, those capable of producing more than 20 barrels a day, are limited to producing a set number of days at their given allowances as set by the Railroad Commission.

As a result, many marginal wells produce more than twice as much as profitable wells.

Representatives of Sun, Texaco, Tidewater and Hunt oil companies told the commission they favor changing the law to take away what they called an unfair advantage of marginal wells and to limit their maximum production to that of similar profitable wells.

Each of the 14 oil industry representatives at the hearing was asked how many wells his company had in the East Texas Field and how many of them were marginal.

Their answers included: General American, 459 wells, one-third of them marginal; Gulf, 1,654 wells, 178 marginal; Humble, 2,372 wells, 472 marginal; Hunt Oil, 152 wells, 43 marginal; Mobil, 935 wells, 139 marginal; Marathon, 607 wells, 42 marginal; Pan American, 1,469 wells, 139 marginal; Shell, 800 wells, 185 marginal; Sinclair, 607 wells, 42 marginal; Sun, 543 wells, 101 marginal; Texaco, 413 wells, 128 marginal; Tidewater, 878 wells, 180 marginal.

## Nolan Rites Set Saturday

FUNERAL services for Mr. Ira William Nolan, 57, 3201 Avenue G, will be held at 2 p.m. Saturday.

Mr. Nolan died in a Lubbock hospital at 3 p.m. Thursday. He was born in Arkansas on Nov. 14, 1894. At the time of his death Mr. Nolan was an employee of Scurry County, Precinct 4.

The services will be conducted at the First Assembly of God Church where Mr. Nolan was a member, with the Rev. R. C. Dearman officiating. Burial will be in Snyder Cemetery under the direction of Bolger Funeral Home.

Mr. Nolan was married in 1926 to the former Miss Lillie McCormick, Mrs. Nolan survives.

His other survivors are a daughter, Miss Phyllis Nolan of Snyder, a son, Dale Nolan of Kermit, his father, A. R. Nolan of Snyder, and a brother, B. W. Nolan, also of Snyder.

# Yemen Tribes March

ADEN AP—Tribal warriors were reported marching on the Yemen capital of Sana today to crush a military uprising and avenge the claimed slaying of their king.

Middle Eastern broadcasts of undetermined origin said at least two princes of the ousted royal family were leading a planned attack on the capital of the feudal country which rebels Thursday proclaimed a republic.

In the face of widespread reports of imminent civil war, the rebel-held Sana radio asserted the revolutionary army command was still in firm control of the small but strategic country on the Red Sea.

Sana radio resumed the broadcasts after announcing Thursday night that rebel army artillery had leveled the royal palace, burying beneath the debris Imam Mohammad Al-Badr, 35, on the throne only a week after the death of his father.

While the princely emirs were reported moving toward the capital, a contender to the throne, Prince Hassan, was on his way to Yemen from his U.N. delegate's post in New York to claim the family crown.

Hassan declared, as he boarded a plane in New York Thursday night, that he was returning to the little Arab kingdom as the legitimate chief of state and right heir to its ancient feudal throne.

Hassan's announcement brought a quick warning from a member of the so-called Free Yemeni Movement in Cairo that if the prince set foot on Yemen's soil he would be killed. The insurgent movement has operated on Egyptian soil with the apparent blessing of President Nasser.

One Arab source said the new ruler may have been forced out, then killed in a coup engineered by friends of Nasser's. United Arab Republic Many Yemeni officers are known to have been Nasser sympathizers.

Trumpeting claims that the rebels controlled the country, a late night broadcast from Sana said, "The revolutionary command ordered army units to besiege the palace of the tyrant shortly before 5 o'clock on the night of Sept. 26.

Tanks and armored cars moved in and threw a siege around the royal palace, but the tyrant resisted. When the time of the ultimatum expired army artillery began shelling Babayal palace until it became rubble.

"All army units carried out their commands and orders throughout the country and had the situation under control when the tyrant was buried under debris in the capital. Men of the ousted regime were arrested and a republic proclaimed."

The announcement came after members of the royal family fled and sought refuge in Aden. The group included women, children and Prince Abdul Rehman, youngest brother of the late Imam Abdu, father of the slain Badr.

Arab sources outside Yemen cast doubt on the rebel claims and speculated that an insurgent group might have seized the radio station at Sana without gaining much Arab support.

Prince Hassan, who some Yemeni sources claim should have inherited the throne when his brother, Imam Abdu, died last week, also seemed dubious.

He told newsmen at U.N. headquarters in New York before leaving that the army group reported in control was only a small force of 100 men.

He'll be on the trail every weekend and sometimes during the week until election day.

The President and his political quartermasters are pecking their posts carefully. In West Virginia, for instance, he appeared in a congressional district reshaped to accommodate the state's loss of a House seat. Here he lauded veteran Rep. Cleveland M. Bailey, part of whose old district was combined with one now represented by West Virginia's only Republican in Congress, Rep. Arch A. Moore Jr., who also seeks re-election.

# 'Looking Ahead' Is JFK's Battle Cry For Campaigns

WHEELING, W.Va. AP—President Kennedy has worked up a clear, uncomplicated battle cry for his headlong venture into the 1962 congressional campaigns. The man in the way, Democrats look ahead and are good for the country. Republicans look back and don't know where they're going.

Kennedy played hard on the theme at a Democratic rally in the rain here Thursday night, just as he had at Harrisburg, Pa., a week ago.

Men close to the President believe that's the main line he will take through an arduous five weeks of stumping across the land for Democratic congressional and gubernatorial candidates.

Kennedy cut short his prepared speech when rain began to soak the 10,000 who trooped to Wheeling Island Stadium for the Democratic doings. He used less than 15 of the 20 minutes set aside for him on a statewide broadcast of the rally. He liked West Virginians too much, he said, to keep them out in the wet.

Kennedy recalled why he liked them so much, too. It was in West Virginia that he won a vital presidential primary victory over Sen. Hubert H. Humphrey, D-Minn.

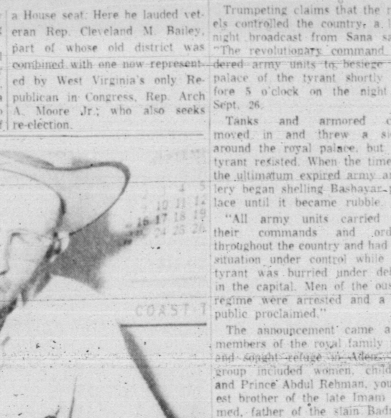

"This is the place where the Democrats victory of 1960 had its start," Kennedy said, "and I assure you tonight that it will also be the starting place for the Democratic victory of 1962."

Kennedy's nomination of former President Dwight D. Eisenhower by name. But with almost a snarl, he said the national government in the 1950s had left West Virginia "on the beach, in decline and in despair."

Wheeling, he said, is on the way to economic straits, is on the way to losing its best men, Kennedy said. He claimed for his administration a goodly share of the credit, setting business objectives, pointing workers toward funds, loans and grants.

Generally he belatedly repeated come-to-America-as-defenders-Democrats-as-progressives.

Kennedy carries his attack the second of Oct. 5 in Wheeling. He'll be in Cincinnati, Bristol, Knoxville, Memphis, Bristol, Knoxville, St. Paul and St. Paul, Minn.

# Border Patrolmen Sent To Memphis

MALLEN, Tex. AP—A border patrol spokesman said 41 patrolmen were sent to Memphis, Tenn. Thursday to help in the search for a fugitive who is believed to be in the area.

The spokesman said the patrolmen were sent to Memphis to help in the search for a fugitive who is believed to be in the area.

The spokesman said the patrolmen were sent to Memphis to help in the search for a fugitive who is believed to be in the area.

# OLD NEWSPAPERS are being uncovered all over Scurry County as a result of the Daily News' appeal for copies of the old Snyder Signed in the 1880s or 1890s. While many of the old papers do not qualify in this area they still bring their finders many interesting moments. J. A. Merrill is shown with a Jan. 5, 1933 Scurry County Times in which an article by his father, the late J. A. Merrill, appeared. The chief Mr. Merrill was state representative at the time. The Daily News is seeking out copies of the signal in connection with its 'Snyder on the Go' issue, which is coming soon.

## Rain Falls In South Texas

By The Associated Press

Autumn rains and cool weather finally reached South Texas Thursday after edging southeastward across the state all week.

The border town of Laredo got the heaviest rains. Four inches was reported on the J. G. Trevino road, a major highway.

Other areas receiving rain included Rio Grande city, the Judson Swiss ranch in the same area had 3.7 inches.

Laredo had an overnight low of 62 and the maximum low in the state was a comfortable 71 at Galveston. This was 8-10 degrees cooler than most nights there this week.

Laredo itself got only 1.92 inches of rain Thursday, although it caused some flooding at a low-lying residential area.

Other areas receiving rain included Encinal, Victoria, Port Lavaca and Lockhart.

Forecasters call for considerable cloudiness and occasional showers in the extreme south portion of South Central Texas, but clear to partly cloudy skies here through Saturday at least.

# Crash Survivors Shout For Joy As Rescue Ship Docks

ANTWERP, Belgium AP—Survivors of the Flying Tiger airliner that ditched in the Atlantic waved and shouted with joy at the sight of land as the rescue ship Colombia reached Antwerp today.

U.S. Air Force Maj. Harry O. Belmont of Marshall Hall, Md., cried out, "Everybody of our grade is in good physical condition."

The Swiss Register carried 27 of the survivors it plucked from icy seas 300 miles off Ireland on Sunday after the chartered airplane crashed in the Atlantic.

Mostly British servicemen and women, the plane crashed landing on a ship in West Ireland.

The survivors were transferred to hospitals in the back of the ship and then to England. Twelve had second-degree burns. I have a few other small burns but they are not worth worrying about. I am lucky, compared to other people.

Belmont was unable to walk unaided, but otherwise looked fit.

He said the airliner pilot, Capt. John D. Murray of Oyster Bay, N.Y., also aboard the Colombia, suffered head cuts and apparently a slight concussion, but he was not seriously injured, Nicholson said.

The journey for the 24 men and a woman picked out of the Atlantic ended at noon as the Colombia moved into the dock at the entrance to the harbor.

A spokesman for the U.S. Coast Guard said the survivors were being treated in hospitals and are just fine.

## Hermleigh News

**By MRS. RAYMOND COLLIER**  
Mr. and Mrs. Q. W. Richburg and Myrtle Bowen spent Sunday in Denton visiting LaVon Richburg who is attending TWU.

Saturday visitors in the home of Mr. and Mrs. Tom Bowen were Mr. and Mrs. Ricky Finney, of Coahoma, Mr. and Mrs. Walter German and family of Abilene, Mr. and Mrs. Joe Boosie and family of Stanton, Mrs. John Kincaid of Tulsa, Mr. and Mrs. Murfif Core of Olney and Mrs. Dale Brown of Lubbock.

Frankie Williams and daughters spent Monday visiting in the home of Mr. and Mrs. Travis Burleson. Jane Beeks who is attending Mc-

Murry College in Abilene spent the weekend visiting her parents, Mr. and Mrs. H. O. Beeks.

Mr. and Mrs. T. D. Craft spent Sunday visiting her sister, Mrs. Betty Wood of Peacock.

Carolyn Cliff who is attending McMurry in Abilene spent the weekend with her parents, Mr. and Mrs. Vance Cliff.

Mr. and Mrs. A. J. Burney of Andrews spent Thursday and Friday visiting her parents, Mr. and Mrs. M. J. Haynes.

Mary Carole Hanson of Texas Tech spent the weekend visiting her parents, Mr. and Mrs. Marvin Hanson.

Roy Richburg of Dallas is spending a few days visiting in the homes of his sister, Mr. and Mrs. O. W. Richburg and family, and his brother, Mr. and Mrs. Herman Richburg.

Mrs. Clyde Mason spent Sunday visiting Mr. and Mrs. Travis Burleson.

Mrs. Frank Kubala suffered a severe foot injury Monday when she was cut by broken glass.

Mrs. Jack Campbell of Lubbock spent Sunday visiting her uncle and family, Mr. and Mrs. W. A. Voss and her aunt, Mr. and Mrs. Grover Barnes and family.

Recent visitors in the home of Mr. and Mrs. T. D. Craft was their daughter, Mr. and Mrs. D. W. Houston and family of San Antonio.

Nell Hudgins who is attending Lubbock Christian College spent

the weekend visiting her parents, Mr. and Mrs. Jack Hudgins.

Linda Darden who is attending McMurry spent the weekend visiting her parents, Mr. and Mrs. O. C. Darden.

Billie Adams of Midland spent the weekend visiting Mr. and Mrs. Otis Bell.

Weekend visitors in the home of Mr. and Mrs. J. E. Paul were their son and family, Mr. and Mrs. Harvey Paul of Sand Springs, and also their daughter, Mr. and Mrs. Donald Tate and family.

Mr. and Mrs. Donald Barfield of Houston spent the weekend visiting her parents, Mr. and Mrs. L. W. Whitehead.

Mrs. W. E. Dorsett of Lubbock is visiting her sister, Mrs. Durwood Watson.

Mr. and Mrs. Bud Conroy and family spent Sunday visiting Mr. and Mrs. Bruce Dines of Plainview.

Weekend visitors in the home of Mrs. Durwood Watson were her daughter and family, Mr. and Mrs. A. A. Carroll of Little Rock, Ark. Mr. and Mrs. Ex Minor of Snyder and Mr. and Mrs. Roy Kinzey and Paul visited Sunday in the home of Mr. and Mrs. Roy Collier.

### Local Students Enter Lubbock Christian College

Five students from Snyder and one from Hermleigh are among the student body of 304 that enrolled for the fall semester at Lubbock Christian College, Lubbock, Texas, according to E. R. Higgins, director of admissions. LCC is a Christian liberal arts junior college in its sixth year of operation.

The students from Snyder are Gayle Browning, sophomore, daughter of Mr. and Mrs. Jesse Browning 3707 Sunset, Jerris Ballard freshman, son of Mr. and Mrs. E. H. Dever, 112 Birch, Eugene Gay Hickman, freshman, son of Mr. H. E. Hickman, Clairemont Route, Thomas Don Minton, sophomore, son of Mr. and Mrs. Louie Minton, 2103 Forty-second Street and Latcher Lynn Palmer, freshman, son of Mrs. Delois Palmer and the late Mr. Palmer.

The student from Hermleigh is Gloria Nell Hudgins, freshman, daughter of Mr. and Mrs. Jack Hudgins, Route 2.

### All-Day Meet Held By Tri Community H-H

The Tri Community Home Demonstration Club met Wednesday for an all-day meeting at Towle Park barn. Ten members and two visitors, Dot Hart and Faye Mize were present.

During the morning, Mrs. Hart gave a demonstration on ball point painting and everyone painted a quilt square.

After lunch, members made cancer dressings for the County Health Unit.

**HOSTESSES**—Mrs. Eva Nelson, left, seated, Virginia Groves, right, and Maydelle Burns, standing, were hostesses for the first meeting of the year of the Zeta Lambda Chapter of Delta Kappa Gamma Monday evening. The meeting was held in the home of Mrs. Nelson, 2706 Thirty-third Street.

## Zeta Lambda Chapter Holds First Meeting, Hear Reports

The Zeta Lambda Chapter of Delta Kappa Gamma Society held its first meeting of the year in the home of Mrs. Eva Nelson Monday September 24, 1962.

The collect was given by Vestal Maner.

Each member was presented an autumn leaf on which was printed the seven purposes of Delta Kappa Gamma. As the roll was called, the first seven persons responded with one of the purposes.

Following a business meeting, Miss Maydelle Burns and Mrs. Laura Holiday gave a report on the 33rd Annual Alpha State Convention of the Delta Kappa Gamma Society held in Austin, Texas June 8-10, 1962. Miss Burns reported that Superintendent of Austin Public Schools, Dr. Carruth, praised the members of Delta Kappa Gamma as "the select," as "master teachers." He said, "I cannot help but think how wonderful it would be if we had all these teachers in one school system."

Mrs. Lida Rhoades gave a report on the International Convention held in Philadelphia, Pennsylvania August 6-11, 1962.

Virginia Groves, Chapter president, closed the program with a survey of the Program Focus "Advancing with Women Leaders of the Modern World," she said.

"Challenging Women in a Changing Social World" is the topic Beta Epsilon has chosen to use for our

joint meeting. They have a guest speaker who should challenge each of us.

"Seeking Remedies for Unjust Discrimination Against Women." In this topic we should become aware of the discriminatory practices which are existing now and of the methods of combatting these practices. Surveys made even in the last century show us changes which have occurred in the status of women proves that women have achieved through their own efforts. Continued successes will be assured if our efforts are not relaxed.

"Strengthening Respect for Women's Capabilities" is one of the gravest needs to assure the advancement of women. We, until women stand more solidly behind women can't expect men to accept them in positions traditionally held by men. No other professional group has more reasons for exerting its best efforts in the interest of women than our own Society. As we review the history of the founding of Delta Kappa Gamma we find that one reason for Dr. Blanton's decision to organize was a comment made by a man who said that women would not stand together. Our own society—an organization founded by women, for women, for the advancement of women in education—proves the fallacy of the accusation.

Therefore, as we begin our new series of programs we will endeavor to put forth our very best effort in each part we prepare and truly become a vital link in

### ADVANCING WITH WOMEN LEADERS OF THE MODERN WORLD

Hostesses for the meeting were Eva Nelson, Maydelle Burns, and Virginia Groves. Other members attending were Ruby Anderson, Veia Bell, Maurayse Blacklock, Leola Burris, Rita Carter, Mary J. Devenport, Joyce Gorman, Durrelle Gorman, Hazel Hanback, Laura Holladay, Bess Johnston, Agnes Kunkel, Marcene McCollum, Della McPherson, Vestal Maner, Linda Rhoades, Esther Boren and Mabel Brock.

Another great step to reduce your cost of car ownership

## FORD MOTOR COMPANY EXTENDS UNIQUE LINCOLN CONTINENTAL 24-MONTH-24,000-MILE WARRANTY TO ALL '63 PASSENGER CARS AND TRUCKS

These are the cars

- FORD
- Falcon
- Fairlane
- Galaxie
- THUNDERBIRD
- MERCURY
- Comet
- Meteor
- Monterey
- LINCOLN CONTINENTAL

This is the total-car warranty

Ford Motor Company warrants to its dealers, and its dealers in turn warrant to owners, as follows: that for 24 months or for 24,000 miles, whichever comes first, free replacement, including related labor, will be made by dealers of any part with a defect in workmanship or materials. Tires are not covered by the warranty; appropriate adjustments will be made by tire companies. Owners will remain responsible for normal maintenance services, routine replacement of parts, such as filters, spark plugs, ignition points, wiper blades and brake or clutch linings, and normal deterioration of soft trim and appearance items. The benefits of the warranty are available to the original purchaser and to subsequent owners of the vehicle during the time and mileage limits prescribed in the warranty.

Here is what it means to you

The new 1963 Ford-built cars and trucks are quality-engineered and manufactured to serve you better and last longer than ever before. The proof is in the warranty... proof of quality unheard of a few years ago.

In fact, it was only two years ago that Ford Motor Company announced the 12-month, 12,000-mile passenger car warranty which became the industry standard as other manufacturers followed Ford's lead. At the same time, Lincoln Continental became the only American-built car warranted for two full years or 24,000 miles, whichever came first. Now, this warranty applies to all Ford-built cars, regardless of price. Why is this possible?

Actually, the new warranty is a natural outgrowth of the engineering leadership that has resulted in twice-a-year (or every 6,000-mile) passenger car maintenance. It goes hand-in-glove with such Ford-pioneered service savers as the elimination of the 1,000-mile inspection... 30,000- to 36,000-mile intervals between major lubrications, 6,000-mile intervals between oil changes and minor lubrications, self-adjusting brakes, aluminum mufflers, and longer-life electrical systems.

These features that save you time and money as you drive are a direct reflection of the total quality achievements of Ford Motor Company.

# Tigers, Herd Renew Grid Rivalry Tonight

Snyder Tigers and Big Spring Steers, long-time grid rivals, renew their rivalry in the Big Spring football game beginning at 8 o'clock. The winner going ahead in a series which had its inception in 1928.

Competing eleven are all stars in the rivalry with six key pieces. There have been 100 games played between the two schools since Snyder will enter the contest at peak strength, with only two men on the doubtful list due to injuries. These are tackle Daniel and guard Ronnie with Daniel being pegged probable part-time duty. Out of two performers, the one appears to be sound as a war horse.

Tigers opened their season on a pleasant note by topping Andrews 7-0, but lost out their second effort against LeVid 12-0. The Steers against LeVid an awesome show of power in only game played to date, winning class 4A rival Plainview 36-6.

Tonight contest marks the first game of the campaign for Spring, which rested on its heels the past Friday.

Snyder won the initial encounter between the two schools by 7-0, the following year—1929—saw Spring rebounding for a 19-7 mph. From 1932 through 1954 Steers continued their winning ways with victories of 28-13, 27-14 and 23-15 before the Tigers came to dominate things from 1955 with wins of 26-7, 39-0, 19-7, 30, and 31-6.

Big Spring is presently nursing a game win skin, having won 1960 and 1961 battles by tabs 14-12 and 22-6.

Probable starters on the Tiger offensive unit, which has looked able to tough in the initial two m outtings, are Larry Lee (220) middle guard; Roy Bothe (180) and Robert Wilson (152) at the halfbacks; Aldridge and Robinson have been assigned as game captains. Big Spring defensive starters include Walter Minter and Tim Smith at the tackles; Ricca Florio (180) and Robert Wilson (152) at the halfbacks; Aldridge and Robinson have been assigned as game captains. Big Spring defensive starters include Walter Minter and Tim Smith at the tackles; Ricca Florio (180) and Robert Wilson (152) at the halfbacks; Aldridge and Robinson have been assigned as game captains.

Following tonight's clash, the Tigers will travel to Kermit next Friday to duel the Yellowjackets in their next-to-last non-district game of the season.

Other games of tonight involving members of District 8-A include Sweetwater at San Angelo, Kermit at Lamesa, Colorado City at Stamford, Brownfield at Andrews, and Odessa-Ector at Lake View.

Wilson may be given the nod over senior Dalton Walton. Both boys have been sharing quarterbacking chores during the first two games of the season.

PEGGED FOR DUTY—Tackle William Robinson (left) and linebacker Darrell Aldridge (right) have been named game captains for tonight's non-district grid clash in Big Spring. Both are senior lettermen.

PEGGED FOR DUTY—Tackle William Robinson (left) and linebacker Darrell Aldridge (right) have been named game captains for tonight's non-district grid clash in Big Spring. Both are senior lettermen.

## BLUE DEVILS LOG WIN, LOSS, TIE

### Texans Whip Sweetwater

It was Lamar's "night to howl" on the junior high grid front Thursday, as all three grades managed to victimize Sweetwater with 22 victorious points apiece.

Travis' Blue Devils were 30-56 for the night with a win, loss and tie for their efforts.

Here's what happened:

**Lamar 9th 22, Sweetwater 8**

SWEETWATER—The well-oiled passing arm of quarterback Bill Blum, coupled with the third-quarter heroics of receivers Freddy Johnston, Billy West, Whit Boren, and David Holt, combined to boost the Lamar 9th Texans of Snyder to a 22-8 triumph over Sweetwater here Thursday.

Blum rifled to West on a 60-yard pass play for the first Texas TD during second quarter play. Still in the same period, Tony McCray tossed to Boren on a 40-yard scoring combination.

Holt swept end for the bonus points following the latter marker, and Lamar left the field at halftime sporting a 14-0 advantage.

A one-yard sneak early in the fourth stanza by Blum, with Holt centering on a plunge up the middle, capped off Texas scoring for the evening although a 63-yard drive—sparked by the running of Johnston—almost brought them another tally. That march was stilled when, with fourth down and less than a foot to go for a touchdown, a running play was thwarted.

Sweetwater came back to score in the final period, capping off a 30-yard drive with a one-yard plunge over the middle for the tally. An off-attack slant earned them the conversion points.

Texas coach Ace Amos stipulated that his entire team given exceptionally good ball. Given special recognition defensively were Roy and Roy Kizer and McCray, while on the offensive blocking side of things Roy Taylor was cited for an outstanding effort.

Over the course of the contest, Lamar passers connected on 11 of 13 attempts.

**Goliad 12, Travis 9th 6**

BIG SPRING—In what was described by Travis coach Wayne Tyrone as a "country lickin'", the Travis Blue Devils accounted for the Goliad Mavericks of this city, 12-6.

The loss was their first after two opening victories.

Travis' first half effort by the Blue Devils contributed to their downfall, as the Mavs leaped out to 12 first quarter points, then held on for the win.

Both Goliad scoring runs were from inside the 10-yard line.

Crow running and Etchevery passing should tell tale.

San Francisco over Minnesota—After two losses, 4ers and John Brodie find heyday they're looking for against Vikings defensive backfield.

New York over Denver—Titans Lee Grosscup and halfback Dick Christy produce offense Bulldog Turner's beer-looking for.

San Diego over Oakland—Even without Jackie Kemp at quarterback Chargers are set to roll once more in Western division after Houston-debate.

Buffalo over Dallas—Bills have been just missing, but all their new faces are getting to know one another, and they have defense to cope with speedy Texans.

**Lamar 8th 22, Sweetwater 8**

The Lamar 8th rolled to a 22-0 advantage "B" Thursday, then coasted home to an easy 22-8 victory over Sweetwater.

Rickey Hall tallied the initial Texas TD, ramming up the middle on a one-yard scoring blast. Tommy Sinclair scooted through the Newmair to the count to 8-0.

Rob Golden hit the scoring column next for the Texans midway through the second quarter by barreling three yards over left guard.

The run for the points failed.

It was Golden again some eight seconds deep into the final period. This time he scored from eight yards distant on a sweep around the right side. Sinclair converted through left guard.

The Colts picked up their sole tally with 4-27 left to go on a three-yarder around left end by Brown, who skirted right end for the extra points.

The victory gave Lamar a 2-1 edge in the non-district column for the year.

**Lamar 7th 22, Sweetwater 0**

SWEETWATER—Z. B. Rinehart romped to three touchdowns here Thursday night in leading the Lamar Texans—seventh grade variety—to a 22-0 triumph over Sweetwater's Colts.

The victory preserved the unbeaten, untied and unscored status compiled by the Texans, who sank Lamesa 26-0 in their opener.

Rinehart got things off on the right foot early in the contest when he raced 40 yards off tackle to score on the second play of the ball game. Pat Vanderpool rammed over for the extras.

Rinehart next rounded end on a 35-yard scoring sweep to spark second quarter play, with Vanderpool converting once again.

O. L. Cooper wheeled to yardage on an 80-yard end run in the fourth period; but the play was nullified by a clipping penalty upheld. The following play got them their final six-pointer "B" and Big Spring "B" by scores of 20-6 and 34-14.

**Travis 8th 14, Goliad 14**

The Blue Devils of Travis 8th preserved their unbeaten record here Thursday by battling the Big Spring Goliad Mavericks to a 14-14 standoff.

David Cadena set the scoring wheels in motion for Travis with an 11-yard scamper around right end in the first period. A one-yard blast up the middle by Mav Kirby Hardin tied the score with 1:51 remaining in the third quarter, however, and Paul Wagner's extra point jaunt around right end gave the visitors a lead they managed to maintain for exactly 30 seconds.

On the first play following the ensuing kickoff, Cadena hit end Bobby Clardy—who never broke stride—with a scoring pass covering 55 yards to put the Blue Devils on the big end of the score once again. Cadena picked up the extra points over right guard.

Wagner put the Mavs back in business with 5:23 left in the game, skirting right edge on a 75-yard touchdown run. The decisive conversion run was stopped short, however.

Travis made a valiant last-ditch try for a victory as time was running out. An apparent scoring quarter to set up the deciding Travis touchdown. Shortly thereafter he skipped through right tackle on an 11-yard scoring jaunt, then capped it off by plowing through the opposite side for the conversion points and a 16-0 advantage.

A 25-yard skirting of left end and successful conversion run by C-City capped off scoring for the night.

**Travis 7th 16, C-City 14**

The Travis 7th Blue Devils fought off a surprisingly tough game of Colorado City invaders here Thursday for a 16-14 victory.

Their second of the season in as many outtings.

The running of Mario Tavaraz set Travis up for its first marker.

Quarterback Jimmy Ramage kept through the middle of the line on a three-yard scoring plunge in the waning moments of the first period and Ken Pollard slanted over left tackle for the conversion points to give Travis an 8-0 lead at that point. A 52-yard scoring aerial with just 19 seconds left in the half put the visitors close at 8-8, however.

Jerry Smedley pilfered a C-City pass midway through the third quarter to set up the deciding Travis touchdown. Shortly thereafter he skipped through right tackle on an 11-yard scoring jaunt, then capped it off by plowing through the opposite side for the conversion points and a 16-0 advantage.

A 25-yard skirting of left end and successful conversion run by C-City capped off scoring for the night.

The Snyder (Texas) Daily News, Fri., Sept. 28, 1962 5

## Tech-Texas Joust Launches Season

By HAROLD V. RATLIFF  
Associated Press Sports Writer

Texas launches its Southwest Conference drive Saturday night while five league members hit the inter-sectional trail along which there seems nothing but trouble.

The Longhorns, still a trifle puzzled over how they won their opener with Oregon, go to Lubbock to clash with low-rated Texas Tech. No one expects Texas to be mystified in this one.

Texas Christian, Rice, Southern Methodist, Baylor and Arkansas mix up in inter-sectional strife with only Arkansas selected to play. The Razorbacks clash with Tulsa at Fayetteville in the only day game on the schedule.

Texas Christian runs into Miami Hurricane with George Mira whipping up a storm. The Christians and Miami clash in the Orange Bowl as TCU plays its second straight game away from home.

Rice opens the season against Louisiana State at Baton Rouge and the Owls couldn't have scheduled a tougher one, especially in view of their condition.

Rice won't have a quarterback who has yet played college football, having to start sophomore Walter McKeynolds in place of Billy Cox, who was knocked out for the season in an intrasquad game, and Randy Kerbow, who also is injured.

Southern Methodist tries Southern California in the Cotton Bowl with prospects of getting only experience out of it.

Baylor, still somewhat shocked over losing its opener with University of Houston, takes on Pittsburgh at Waco. The result of this game will hinge on which does the best job of rebounding. Pitt lost its only game, too, falling to Miami.

Pittsburgh is only a mild favorite over Baylor and it could be that this game might keep the league even for the season in inter-sectional warfare. The conference teams had a 3-2 record the first week.

Texas A&M, which felt the might of Louisiana State last week, plays a neighbor Saturday night. The Aggies clash with Houston at Houston and find themselves light favorites to take down the Cougars and strike an evening up blow for the conference.

Five out of seven last week got the forecast for a fairly good start. Here's how they look Saturday:

Texas-Texas Tech—It ought to be closer than last year but the result will be the same—Texas to win.

Texas-Christian-Miami—Going against the odds-makers and picking Texas Christian in a squeaker.

Baylor-Pitt—Also going against the odds and selecting Baylor to win.

Rice-Louisiana State—Can't see much hope for Rice in this one.

Arkansas-Tulsa—Arkansas ought to win by about three touchdowns.

Texas A&M-Houston—A mild vote for the Aggies.

Southern California-SMU—The resemblance stops with "Southern"—the California Southern will win.

**Willie Takes Costly Stroll**

By DICK BARNES  
Associated Press Sports Writer

SAN FRANCISCO (AP)—Willie Mays took a walk routine today, the kind of trip a rookie might take in spring training. Willie walked to Oatsville and, with only three games to play, he apparently took San Francisco's hopes of a National League pennant with him.

This unusual stroll by the hero of the Giants' successful pennant drives in 1961 and 1964 came in the sixth inning as St. Louis whipped San Francisco 7-4.

The defeat, combined with league-leading Los Angeles' 8-6 loss to Houston left the Giants two behind the Dodgers, who still need win only two more games to clinch the flag. Both have three games to play.

## Picking The Pro Outcomes Tricky

By JACK CLARY  
Associated Press Sports Writer

NEW YORK (AP)—If Soony Liston is looking for a new challenge now that he's won the heavyweight championship, we'd suggest he try to forecast the winners of the weekend's professional football games.

It's doubtful if Soony could come close to matching his 34-1 boxing record.

Last week's forecasting column from this corner was 6 right, 5 wrong. For the season 10-10-1. Here's another try at it—

**NATIONAL LEAGUE**

Green Bay over Chicago—Packers are healthy, and defense is too robust for Bears, who have halfbacks Willie Galimore and Charley Bivins on the battered list along with fullback Rick Casar and end Mike Ditka.

Baltimore over Detroit—Lions' Milt Plum has to cool off from 72 per cent completion average, and Colts' quarterback Johnny Unitas has answer to Detroit's ferocious line with his better-than-ever passing.

New York over Pittsburgh—Giants showed they can weather fierce aerial attack last week and should handle Bobby Layne, while newly-found backfield speed and Little-to-Shorner bombs support their defensive efforts.

Philadelphia over Cleveland—Eagles are due for victory and best-way against Browns is Jurgensen to McDonald-Retzlaff combination.

**AMERICAN LEAGUE**

New York over Denver—Titans Lee Grosscup and halfback Dick Christy produce offense Bulldog Turner's beer-looking for.

San Diego over Oakland—Even without Jackie Kemp at quarterback Chargers are set to roll once more in Western division after Houston-debate.

Buffalo over Dallas—Bills have been just missing, but all their new faces are getting to know one another, and they have defense to cope with speedy Texans.

**Trojans Abandoning Rest Of Schedule**

Due to an acute shortage of playing personnel, Southern California's Lincoln High Trojans are being forced to cancel out on the remainder of their 1962 football schedule.

They were to have traveled to Plainview tonight, but word received here yesterday afternoon confirmed that lack of boys will keep them from participating there as scheduled.

**Colts Breeze By Hotshots**

Alert defenses paid off for the Boys' Club Colts here Thursday, as they breezed past the Hotshots 20-0 in a league encounter.

A pair of Colt linebackers—Raymond Rios and Jay Hagwood—intercepted and ran back passes in the second period to get the Colts on the right scoring foot.

Rios ran the initial one-back 45 yards, while Hagwood carried for a total of 54.

Quarterback Jodi Williamson capped off scoring in the final period by tripping 12 yards to a TD. Billy Bowden ran the conversion.

George Kay picked up 65 of the 121 yards gained by the Colts rushing. Backyard Land was top runner for the Hotshots with a set of 21 yards of his team's total of 34 for the day.

*All One Gives to God*  
**COMES BACK TO THE GIVER**

# What am I?

**Y**ou are a small part of a great plan. The more you learn the more you realize the greatness of that plan and find true humility.

Only when you acknowledge the fact that all men are in the image and likeness of God do you understand your relationship to all men, who are equally important parts of that greater plan and vitally necessary to its fulfillment.

The pattern is simple. The evidence is overwhelming. Hate destroys. Love creates. Peace is ours when we abide by the fundamental law of God, which commands, "Love thy neighbor as thyself."

So They May See      Psalm 91      So They May Hear

**H**E THAT DWELLETH in the secret place of the most High shall abide under the shadow of the Almighty.

2. I will say of the Lord, He is my refuge and my fortress; my God; in him will I trust.
3. Surely he shall deliver thee from the snare of the fowler, and from the noisome pestilence.
4. He shall cover thee with his feathers, and under his wings shalt thou trust; his truth shall be thy shield and buckler.
5. Thou shalt not be afraid for the terror by night; nor for the arrow that flieth by day;
6. Nor for the pestilence that walketh in darkness; nor for the destruction that wasteth at noonday.
7. A thousand shall fall at thy side, and ten thousand at thy right hand; but it shall not come nigh thee.
8. Only with thine eyes shalt thou behold and see the reward of the wicked.

**B**ECAUSE THOU hast made the Lord, which is my refuge, even the most High, thy habitation;

10. There shall no evil befall thee, neither shall any plague come nigh thy dwelling.
11. For he shall give his angels charge over thee, to keep thee in all thy ways.
12. They shall bear thee up in their hands, lest thou dash thy foot against a stone.
13. Thou shalt tread upon the lion and adder: the young lion and the dragon shalt thou trample under feet.
14. Because he hath set his love upon me, therefore will I deliver him: I will set him on high, because he hath known my name.
15. He shall call upon me, and I will answer him: I will be with him in trouble; I will deliver him, and honour him.
16. With long life will I satisfy him, and shew him my salvation.
