Division Translator System Assured For Wheeler County

Farm Bureau Officials OK 100 Watt Station, 160 ft. Tower

SYSTEM TO BE COMPLETED WITHIN THREE MONTHS

Sixteen officers and board members of the Wheeler County Farm Bureau met Tuesday night with O. L. Setliff, in charge of construction, Lloyd Hickman, electrical engineer, and Bob Sinks, representative from the Adler Translator Company.

The purpose of the meeting according to Glynn Bell, chairman of the Farm Bureau Translator Committee, was to reach a final decision and bargain for the lowest dollar to construct the translator system in Wheeler County.

Setliff, who has worked in close accord on the system with the Farm Bureau for several months, told of the development of a new 100 watt translator (which produces a signal 10 times stronger than the previously discussed 10 watt system). One of the few companies in the nation building the 100 watt translator is the Adler Company of Colorado, which had a representative at the meeting.

Setliff said that by using the 100 watt translator and a 160 ft. tower in the northwest corner of the county he was certain a strong signal would be received throughout the county. However, in the event the signal faltered in some part of the county a 10 watt booster station could be constructed for \$18,000 near Wheeler.

Setliff said that the 100 watt translator and tower could be constructed for \$35,000.

After carefully considering the proposal, Farm Bureau officials voted 100 percent to construct the 100 watt station. They also agreed that the financial drive must be continued until the \$50,000 is raised. And in the event the 10 watt booster is needed the money would be available. If the booster is not needed the additional fifteen thousand will be used to add a third channel (probably channel 7) to the system, giving television viewers their choice of an ABC, CBS or NBC station.

A contract, agreed upon by Farm Bureau members, was written and signed Wednesday afternoon, giving the green light to Setliff to begin construction immediately.

The contract stipulated that after construction of the system the F. C. C. Amarillo Television Engineer and Farm Bureau directors must approve the project before the translator is paid for.

Setliff said construction would begin as soon as equipment arrived and as quick as the F. C. C. gave clearance to the project. He hopes to have the system completed within 60 to 90 days.

The meeting scheduled in Wheeler for January 29 in the grade school auditorium at 7:30 P. M. to discuss the system and raise additional funds will be held as scheduled Bell said.

Total donations have reached \$37,000. Goal is still \$50,000.

BOYS ASKED TO JOIN CUBS

Cubmaster Jim Montgomery issued a plea today for new cub scouts. Montgomery pointed out that any boy between the ages of 8 and 11 is eligible for the cubs. The annual dues are 50 cents and a subscription to boys life, a cub magazine, is \$1.50.

Montgomery said around 16 boys are attending regularly, but several more are needed to fill up the ranks and assure Wheeler of having a top flight cub pack.

Summer hikes and a trip to camp Kiowa are some of the events planned for this summer.

Any boy interested in joining the cubs should contact Jim Montgomery or one of the following den mothers, Mrs. N. D. Ware Jr. or Mrs. Bob McNeil.

MUSTANGS LOSE TO MIAMI; WIN ONE AT KELTON

The Wheeler Mustangs dropped both games Friday night when they bumped heads with the Miami teams.

Miami girls downed Wheeler 52 to 46. Tillie Green was high scorer from Wheeler with 20 points.

The Miami boys really clobbered Wheeler 65 to 35. Anderson led the Miami team scoring 22 points. Atherton made 20 points for Wheeler.

Sharon Beaty led the Wheeler girls to victory Tuesday night over a sharp Kelton team by making 30 points. Wheeler defeated Kelton 63 to 42. Motes was high scorer from Kelton with 15 points.

In the boys game the tide changed. Kelton outscored Wheeler 43 to 35. Gene Burrell was the outstanding Kelton player with 16 points. Riley and Atherton both made 11 points each for Wheeler.

The next scheduled game for the Mustangs will be held Friday night at Briscoe at 7:30. And on Monday night the Mustangs will journey to Allison for a conference tilt.

The game Monday night with Allison had been previously scheduled for Tuesday night.

Chamber of Commerce To Hold Membership Drive Next Week

James Verden, vice president of the Wheeler Chamber of Commerce and chairman of the membership and attendance committee, has announced a special meeting scheduled for Monday night at Nora's Cafe.

Verden, board members and workers will meet and formulate plans for a city-wide membership campaign for the Chamber of Commerce.

Verden plans to kickoff the membership campaign Tuesday, January 27. Workers will contact businessmen and individuals throughout Wheeler in an effort to build the Chamber and strengthen its potential in Wheeler.

Anyone interested in becoming a member of the Chamber of Commerce can contact Verden at his office in the Production Credit building.

Finals In Grade School Tournament To Be Held Saturday

Action got under way Monday night in the Wheeler Grade School Invitational Tournament and will be climaxed Saturday night with the finals in both boys' and girls' winners and consolation brackets, the naming of the most valuable player and the crowning of the tournament queen.

In the opening session, Kellerville girls waltzed by Kelton 22-10. Miami lassies, last year's champions, moved to the winner's circle by whipping Shamrock 19-7. Kellerville boys gave Kelton a 26-8 shellacking, and the Shamrock Irishmen rode the Briscoe Broncos to a 40-5 count.

Sessions will be held Thursday night, Friday afternoon, Friday night, and finals Saturday night. At the conclusion of the boys' championship game Saturday night, the girl chosen as the most attractive participant in the tournament will be crowned tournament queen by the boy selected as the most valuable player of the (Continued on Page 8 No. 4)

KIKER WINS TOP HONORS AT CHILDRESS

Richard Kiker, son of Mr. and Mrs. Lee Kiker of Allison and a member of the Wheeler County 4-H Club walked off with top honors at the Greenbelt Jr. Stock Show in Childress last Saturday. Richard's 900 lb. H. H. Reeves bred calf was judged Grand Champion of the show and his 1045 lb. calf won first place in the heavy weight division.

Richard also won the showmanship award, giving him two trophies and twenty four dollars in cash and prizes for top honors in the show. Richard and Mr. Reeves are to be congratulated for these winnings.

The Wheeler County 4-H Livestock Judging Team placed third and received a banner according to Bryan Swain, County Agent. The boys on the team were as follows according to their score: Mack Shaffer, Richard Kiker, James Henderson and Bob Hink. Swain said hogs were our down fall again and the boys will be worked out on hogs this week to prepare them for the District 4-H Contest in Amarillo, January 28, 1959.

Two Arrested For Car Theft

Two Massachusetts youths, Roy Ireland, 18, and Louis Kuczarski, 17, were arrested Monday night in Shamrock by Deputy John Topper in connection with the theft of an automobile in Amarillo.

Topper made the arrest after he learned from a station attendant at the county line gas station 3 miles east of McLean, that the two men had filled their auto with gas and drove off without paying.

Both men were held in the county jail until Amarillo authorities picked them up Tuesday morning.

Work Progresses On Installation of Antenna

In a telephone conversation Wednesday with Laura Guthrie we learned that progress on the installation of the new channel 7 antenna on the community television system will soon be complete.

Mrs. Guthrie explained that subscribers will tune in on channel 6 to receive channel 7. And if everything goes as expected the new antenna will be installed by next Thursday.

Rape Suspect

TRIAL POSTPONED: James Franklin Hare, 39-year-old transit worker from Shelbyville, Indiana, was relieved to learn Monday morning at district court, that his trial for the alleged rape of his 12-year-old daughter was postponed until May 11. The postponement came when the court learned that Hare's wife was under treatment in a Amarillo Hospital and would be unable to attend the trial. Hare (center) is shown as Wheeler County Deputy John Topper (right) escorted him into court Monday morning. Texas Ranger Bill Hersley of Pampa is also shown in the picture.

4-H Teams To Enter District Contest At Amarillo

The County Livestock and grass teams will go to Amarillo for the district elimination next week during the Amarillo Fat Stock Show according to County Agent Bryan Swain. Bob Martin, Richard Sechrist and Richard Kiker plan to take their 4-H club calves which will be sifted Sunday, January 25th, and shown Monday the 26th, and sold Thursday, January 29th.

Members of the Grass team are Kenneth McCasland, Kent Sims, Larry Levitt and Larry Don Henry. The Livestock team will be picked from the high scoring boys Wednesday. Boys working on the Martin, Richard Kiker, James Henderson, Bob Hink, Curtis Henderson, Dwayne Evans and Jerry Davidson. The high four scores will compose the team according to Swain, County Agent.

JURORS PICKED; CHILDRESS TO BE TRIED SOON

A special criminal session of district court, presided over by Judge Louis Goodrich, convened in Wheeler Monday at 10:00 A. M. to select jurors from the 120 man venire called to act on two criminal cases.

The trial for James Hare, charged with rape of his 12-year-old daughter was postponed until May 15. The postponement came when the court learned that Hare's wife was under doctors care in an Amarillo hospital.

The trial for Pat Childress, charged with rape of his 11-year-old adopted daughter, was postponed until Wednesday January 21 because of a technicality. However, the court convened again Wednesday morning for the grueling task of picking the jurors. (Continued on Page 8 No. 1)

LAST RITES HELD FOR AARON MEEK

J. Aaron Meek, principal of Lamar elementary school and a prominent Pampa citizen most of his life, died Saturday afternoon at 3:30 in St. Anthony hospital in Oklahoma City.

Mr. Meek, who was 56, died from injuries suffered in an automobile accident on the Turner Turnpike near Oklahoma City. His condition had been listed as improving until Saturday when he died unexpectedly.

Funeral services were held Monday at 3 p.m. at the First Baptist church in Pampa with Rev. E. D. Carver officiating. Burial was in the Fairview cemetery.

Mr. Meek had been principal at Lamar since the school opened in 1933, prior to that since 1927 he had been principal of B. M. Baker elementary school and later principal at Sam Houston in Pampa.

He was born in Texas and raised at Mobetie, where he finished high school. He attended Wayland College at Plainview and received his degree from W. Texas State College in Canyon. He was a member of Pampa Masonic Lodge No. 966, a member and deacon of the First Baptist Church, a life member of the National Education Association and the Texas Congress of Parent-Teachers and a member of the Lions Club. He was prominent in welfare work and served on the board of directors of the Tuberculosis association and the Salvation Army.

Survivors include his wife, Gladys; one son John of Houston; his parents, Mr. and Mrs. A. R. Meek of Mobetie, two sisters, Mrs. Clarence Dyson of Mobetie and Mrs. George Trimble of Bovina.

Pall bearers were: Owen Johnson, Bob Allford, Homer Craig, John Evans, Joe Page, McHenry Lane, H. Cameron Marsh and Herman Whatley. Honorary pall bearers were employees of the Pampa school system, the board of deacons of the First Baptist Church and members of the Masonic Lodge.

FIREMEN MAKE TWO CALLS

Wheeler volunteer firemen were called out two times this past week. Sunday they answered an alarm in Mobetie where they helped the Mobetie fire department fight a fire which destroyed a small storage house. Firechief Bob McNeil estimated the damage to the building at \$200.00.

A 40 ft. cab and trailer was the scene of the second fire. The semi had stopped in front of Jim's cafe Monday night when a passing motorist told the truck driver that his trailer was on fire.

Firemen were on the scene within minutes after the alarm sounded and very little damage was reported.

Run-Aways Stopped Near Shamrock

Four teenage boys were arrested Sunday night on highway 66 near Shamrock following a 85-mile per hour chase by highway patrolmen.

After patrolmen stopped the speeding car they learned that all four youths had run away from home in St. Louis, Missouri.

The youths were held in Wheeler until their father picked them up Monday morning.

Agriculture Boys To Sponsor Wrestling

Eight different wrestling matches will be held in the Wheeler gym Thursday, January 29. The matches will be sponsored by the high school agriculture class. Proceeds will be used for class projects.

The eight different bouts will feature local high school boys. Admission will be 15 and 25 cents.

Chat with Editor

Mobeetie News

By Mrs. G. B. Dunn

Mr. and Mrs. Roy Mathers of Miami were Sunday afternoon callers in the home of Mrs. Laura Jeffus.

The Mobeetie community was saddened Saturday evening to hear of the sudden death of Aaron Meek of Pampa, son of Mr. and Mrs. A. R. Meek and brother of Mrs. C. C. Dyson.

Mrs. Beulah Shelton, Mrs. Willard Harrison and Mrs. Morgan were in Pampa Sunday to visit Mrs. Nellie Sharp and Grandma Carwile.

Joan Pruitt and Bobby Daulkins were married at the home of his sister in Borger last Monday. Rev. Louis of the Baptist Church of Borger officiated. The young couple is at home in Odessa.

Mrs. Wanda Gwin is visiting her sister, Mrs. Robert Pederson of Great Falls, Montana.

Jerry Skaggs, who is with the Navy stationed at Long Beach, California, visited last Thursday with his grandmother, Mrs. Ethel Herd.

Jesse Ray Leonard and wife of McLean were Saturday evening callers in the home of his parents, Mr. and Mrs. R. B. Leonard.

The Johnny Murrell family of Pampa were visiting in Mobeetie Sunday evening. They reported that Mrs. Annetta Hathaway was

improving but was still in a serious condition. She is in a Borger hospital. Mrs. Herd left Saturday to be with her daughter.

Henry and Larry Johnston, Mrs. Jap Johnston, Mrs. Pearl Bailey, Mrs. Faye Leake, Mrs. Eisenmenger spent Sunday afternoon with Mrs. Jim Johnston of Miami.

Mrs. Don Powell and son have been spending a few days with Roberta's mother and father, Mr. and Mrs. R. B. Leonard. The Powell's have been living in Spearman for some time but are moving to Canadian, Texas.

Mr. and Mrs. C. J. Meek of Wheeler visited with Mr. and Mrs. A. M. Meek Saturday night.

Mrs. Arlie Jeffus and Mrs. Ernest Lee were visiting in Pampa Sunday afternoon.

Latest report from Mrs. Nellie Sharp is very favorable.

Student Council At Mobeetie Has First Meeting

The Mobeetie Highschool recently organized a Student Council and elected officers to head the young organization.

Bill Graham was elected president; Charles Walser, vice president; Sue Hooker, treasurer; Jeff Helley, secretary; Clarise Willard, parliamentarian; Arica Corcoran, reporter. Class representatives are as follows: Seniors, Tiny Simpson and Betty Kirklin; Juniors, Keith Rowell and Marcia Patterson; Sophomores, Patricia Hudson and James Lester; Freshman, Garland Lancaster and David Seitz; Eighth Grade, Robert Kelley and Melba Simpson; and Seventh Grade, Ray Corcoran and Bobby Patton.

The council held their first meeting on January 14. Many ideas were discussed for school improvements. The group voted to help with a "clean-up day, spon-

Wheeler Has New Band Director

Earl Brown, superintendent of the Wheeler schools, announced this morning that Vernon Lewis from Borger has been employed by county schools to serve as band director and vocal instructor.

Lewis will serve as vocal instructor at Wheeler, Mobeetie, Briscoe, Allison and Kelton. He will also serve as band director in the Wheeler schools.

Lewis is married and has 4 children, three of them school age. They have made their home at 1107 Shamrock Street in Wheeler.

Thurman Rives and Watson Burgess attended the mid-winter conference of Kiwanis International in Dallas over the week end.

sor a school paper, and cooperate in any way possible with the faculty to make Mobeetie a better school.

Briscoe H. D. Club Has Auction Sale For March of Dimes

An auction sale for the March of Dimes was the highlight of the Briscoe H. D. Club meeting Tuesday, January 20. Each lady brought items such as home made bread, cookies, pies, donuts etc. and hand made cup towels, aprons, pillow cases, etc. and they were auctioned off. \$42.40 was raised for the cause.

Mrs. Grady Dodd was elected nominee from the club for the district H. D. meeting which will be April 9 in Wellington.

The club voted to try to secure a small tract of land joining the club property.

Mrs. Bob Ramsey was hostess to one visitor, Mrs. Earl Williams and the following club members. Mrs. Grady Dodd, Mrs. Milton Finsterwald, Mrs. Leon Fillingim, Mrs. Claude Barker, Mrs. Lucille Tippetts, Mrs. Mattie McCarroll, Mrs. Roy Waters, Mrs. Neal Renfro, Mrs. Colie Parker, Mrs. Jeff Puryear, Mrs. Elbert Zybach, Mrs. Clarence Zybach, Mrs. Farmer Hefley, and Mrs. Ernest Zybach.

The next meeting will be February 3 and the program will be Home Accessories.

The meeting time is 2:00 p.m. and visitors are always welcome.

THDA Chairman Gives Report At Council Meeting

The County Home Demonstration Council held their regular monthly meeting Wednesday afternoon in Wheeler.

The county agent, 9 members and a THDA chairman attended the meeting. The meeting was called to order by the council chairman, Mrs. J. R. Clemons. The standing rules were read by Mrs. Robert Ramsey. The financial report was read and approved.

Mrs. Grady Dodd, THDA chairman, gave a report on the training meeting held in Canyon on January 8.

Those attending the meeting were: Mrs. Truman Zybach, Mrs. John Vise, Mrs. R. L. Pike, Mrs. R. L. Ramsey, Mrs. J. R. Stansell, Mrs. Grady Dodd, Mrs. Milton Finsterwald, Mrs. Leon Fillingim, Mrs. E. D. Moore, Mrs. J. R. Clemons, and the county agent Elizabeth Litsch.

The next regular meeting of the council has been scheduled for February 18 at 2:00 p.m. in Wheeler.

Mr. and Mrs. Fred Farmer attended the funeral services of Aaron Meek in Pampa Monday.

Mr. and Mrs. V. S. Keahey of Pampa visited Mr. and Mrs. Fred Farmer in Wheeler over the week end.

County Philosopher Offers Opinion On Rising Cost of Living

(Editor's note: The Sweetwater Philosopher on his shinnery farm on Sweetwater Creek reviews the state of the union this week, in his own language.)

Dear editor:

I was figuring up my income and expenses for 1958 the other night and trying to remember where my money went when I decided to rest my mind and picked up a newspaper a man had handed me in town earlier in the day to keep the rain off while I crossed a street—it was a copy of The Amarillo Daily News and I don't care what some people say about it, it shed the rain pretty good—and got to reading a review of President Ei-

senhower's State of the Union message.

I have come to the conclusion that the President's speech writers ought to bring their language up to date.

For example, trying to bring home to the people the high cost of defending America, the President said "new bombers now cost their weight in gold."

This is what I'm talking about. It would have brought the message home a lot stronger if he'd said "new bombers now cost their weight in groceries."

When he said fighter planes "now cost fifty times more than they did fifteen years ago," he would have brought us face to

face with reality more if he'd said "fighter planes have gone up even higher than new automobiles."

Or if he'd said "it costs more to train a jet pilot than it does to send a kid to college."

I have a great deal of sympathy for the President. He and I are working on similar problems. For example, while new tractors don't cost their weight in gold yet, I think they're working on it.

I don't know what it costs to repair a 27-million-dollar bomber, but what it costs to overhaul a 10-year-old tractor is inching up in the same direction.

I don't know what a guided missile costs, but I know what a

box of shotgun shells costs, and me both sit up thinking.

I don't think gold's weight in gold may not be long before saying gold costs groceries.

I don't know what to restore a man to health if he has to go to for any length of time to put him back in the hospital.

Everything just costs these days, everything except some of the duce out here, and to me, they'd be happy.

Your faithful
J. H.

Highschool Girls Present Program

Sondra Jones and Annette Hutchison presented the program at the regular Kiwanis luncheon held Monday in the fellowship hall, at the Methodist Church in Wheeler.

Sondra gave a pantomime on Beep-Beep, which was enjoyed by everyone. Annette presented a 15 minute talk on "education". Annette explained the meaning of the word education, "it's not just the book learning, she said, . . . to a certain extent yes, but, education has a much broader meaning. We are educated through experience, and personal observation."

She explained the advantages of attending college and also pointed out that a college degree doesn't mean we are educated.

Guest attending the noon luncheon were: Glen Phillips, Glenn Ladd, and Lee Thomas, all of Amarillo. County superintendent George Weems also attended the meeting.

'Wild Life' Is Theme Of '54 Study Club

The '54 Study Club met in the home of Mrs. Cecil Denson on January 8 for a regular meeting.

The theme for the evening was "Wild Life." Dick DeArment was guest speaker, he showed a film and gave a very interesting talk on "Wild Life in the Texas Panhandle."

Refreshments were served to the following members: Mrs. Carroll Adams, Mrs. Isaac Carter, Mrs. C. C. Crowder, Mrs. Harvey Davis, Mrs. Judd Johnson, Mrs. Amos May, Mrs. J. M. Montgomery, Mrs. Joe Rogers, Mrs. Lewis Rogers, Mrs. George Weems, Mrs. Fred Wood, Mrs. Willa Mae Wegner, Mrs. H. J. McCormick and the hostess, Mrs. Cecil Denson.

Visitors in the Fred Farmer home over the week end were Mr. and Mrs. Gene Miller and daughters of Amarillo.

New Officers Elected For Rainbow Advisory Board

The newly appointed advisory board for the Assembly of Rainbow for girls met January 14 at the Masonic Temple for their first meeting of the new year.

Members include: Jane Rives, Percy Farmer, Annie Ruth Lee, Bonita Gunter, Norma Lee Black, Inis Walker, Gean Lewis, Haze Bowen, Thurman Rives, Robert Lane and Otis Reid.

The purpose of the meeting was to elect new officers: Those elected were: Mother Advisor, Gean Lewis; Assistant Mother Advisor, Bonita Gunter; Chairman of the Board, Norma Lee Black; and Secretary, Hazel Bowen.

Mr. and Mrs. Allen Williams of Shamrock, Mrs. Wanda Stringer and daughter, Joy, of Amarillo visited Sunday in the home of Mr. and Mrs. Aaron Williams.

THANKS: The happy smile on 13-year-old James Bradley's face indicates that he is well pleased with the new wheelchair presented to him by the Muscular Dystrophy Association. James is one of Mr. and Mrs. Arvel Bradley's 10 children. He was stricken with muscular dystrophy several years ago.

WARE CHEVROLET TO WELCOME NEW-COMER IN 1959 CHEVY LINE

As a formal welcome to a new-comer in the 1959 line of Chev-

rolets, Ware Chevrolet Company will hold an "Open House" in its showroom at Wheeler January 22-24.

The debutant is a Bel Air Sport Sedan, whose rakish design and rich appointments promise to make it a favorite in the automobile industry's most distinctive series of new passenger cars.

Although the Bel Air Sport Sedan has been selected as the star of the special exhibit, Ware Chevrolet finds still another reason for showroom decorations and ceremonies. The fact that Chevrolet has only recently been able to build up a sufficient stock of display models, he said, gives the "Open House" a double meaning.

"Because of circumstances beyond our control, we did not have a normal variety of body types at the time of the official announcement of 1959 models last Fall," he explained. "Now we are able to show and demonstrate models that production delays previously restricted."

Introduction of the Bel Air Sport Sedan, or "four-door hardtop" as it is more widely known, was prompted by the enthusiastic public reception of the 1959 sport sedan in the Impala series. Due to the immediate popularity of this styling, the company decided to make a sport sedan available at a lower price. The car has a flat roof with rear window overhang. It is two inches lower than the two Bel Air sedans which originally comprised the series.

The Ware Chevrolet "Open House" will serve to review the features of the latest Chevrolets hailed as the most excitingly different of the new model season.

To complement a smart, new exterior design, Chevrolet has incorporated body and chassis refinements that assure safer, more comfortable motoring.

Passenger room has been appreciably increased and visibility heightened by the expansion of glass areas. Appearance has as well been bettered by new Acrylic body lacquers, which do not require polishing for as long as three years in normal climates.

Brakes, spring suspensions steering, automatic transmissions and engines have likewise been advanced. New in power ranks is a Hi-Thrift six cylinder that gives up to 10 per cent more mileage and usable horsepower in normal driving ranges.

In addition to Impala and Bel Air series, the 1959 Chevrolet line-up includes a Biscayne and Station Wagon series and the Corvette, America's only true sport car.

Top Oklahoma Band To Play In Wheeler

Carroll Adams, commander of the Wheeler American Legion, announced Monday that a new band had been engaged to play for the weekly Saturday night dances held in the legion hall in Wheeler.

Adams said Sonny Helms and his Western Swingsters will play every Saturday night. The Western Swingsters come from Sayre, Oklahoma and are rated as one of the top bands in Oklahoma.

Leon Dunn and family of Portland, Oregon visited in Wheeler Sunday with Mr. and Mrs. Walter Dunn and family.

Them Cuban Rebels are sure eliminating opposition by killing everyone that don't believe like they do and apparently are going to get away with their deeds. Member when the little Fertilizer Bird over in Germany did the same thing. Guess we will always have folks going beserk on a National Level and eliminating the undesirable.

The other night I was listening to a radio program that wanted to know what peoples opinion on. Income Tax, Communism, Intergration and such was. By golly seems like we got folks right here in our country who sort of agree with the Cuban and the German solution. Makes a feller wonder if he shouldn't sort of sit right in the middle of the fence and sway back and forth, but according to the psychiatrist that would show a split personality.

Rev. Carlton Thomson, pastor of the Wheeler First Methodist Church brings the message of the week in the twenty-fifth of a series of commentaries by ministers of the area and presented on this page through the cooperation of the firms and individuals listed below.

WATCH THAT ATTITUDE

Text: I John 3-15. "Whosoever hateth his brother is a murderer." That is a pretty strong statement! Hate as bad as murder? Surely not! But here it is cropping up in Scripture and we will have to deal with it. One thing for sure if this is true then the attitude with which we approach life is very important. It is not something which should be left to chance development. The attitudes which we take toward the various events of life should follow basic Christian patterns.

To use the example of our text we should never allow anyone to cause us to hate them no matter what they have done to us. All hatred is the product of selfishness on our part not the product of the other persons actions.

Watch that attitude. Develop within your life the basic habits of one who follows Christ.

I. You will approach life with an attitude!

Nature abhors a physical or moral vacuum. The sound of a light bulb when it is broken is the sound of nature filling a vacuum. A vacuum is a powerful thing. Giant airliners fly because the air passing over the wing creates a vacuum and lifts the airplane into the sky. No man lives in a moral or spiritual vacuum either. A passive attitude can not endure. A life will either be filled with active good or it will of necessity be filled with less desirable things.

I believe in open mindedness. I find few things more disturbing than a narrow minded person who will not even consider the evidence for a change of mind. However, we sometimes come with a mind so open we leave it open and do not close it on what we believe and hold dear. The human mind must be filled. If you do not fill it with right attitudes it will become filled with selfish and wrong attitudes.

II. Approach life with a positive attitude.

Dr. Norman Vincent Peale and others have called our attention in recent years to the power of positive thinking. It is a sad thing when a person becomes negative. When a person knows only what he is against. President Coolidge who was noted for his few words was asked upon returning from church what the preacher preached about. "Sin," silent Cal replied. "What did he say about sin," insisted the questioner. "He's against it," said Coolidge. There are some things in life one must be against, but never be against something unless it is because you are for something else. Approach life with a positive attitude. Affirms to your self each day the love and goodness of God.

Jesus' attitude toward life was a positive attitude. At twelve years of age he said, "I must be about my Father's business." Jesus commanded us to love God with the whole heart and mind and our neighbor as ourselves. Love for one's enemies was a part of His teaching. Jesus' approach to life was a positive approach. You do not find Him forever dealing in "thou shalt not." He knew these things but He went beyond them to say, "you shall".

III. The attitude with which you approach life will make life what it is to you.

We are inclined to think that what happens to us in life makes life what it is, but the real truth of the matter is that our own attitude toward what happens is what makes our life. Let me illustrate:

Two men were walking along a crowded sidewalk in a downtown business area. Suddenly one of the men exclaimed, "Listen to the lovely sound of that cricket!" But the other could not hear. He asked his companion how he could detect the sound of a cricket amid the din of people and traffic. The first man, who was a zoologist, had trained himself to hear the marvelous voices of nature. But he didn't explain. He simply took a coin from his pocket and dropped it to the sidewalk, whereupon a dozen people began to look about them. "We hear," he said, "What we listen for".

Watch that attitude! Let the spirit of Christ be in it, and you will find life abundant in the life that now is, and in the life which is to come.

Do County Cotton Growers Want Grading Station

The Department of Agriculture has agreed to furnish the personnel for a branch cotton grading and testing station in Memphis, Texas, for counties of this area. However, the participating counties must raise the money to pay for the equipment and building which will amount to about 20 cents per bale cost to the grower.

The cotton classing station would have a humidifier which will mean a maximum length of staple on the samples as well as cut the time required to get a report back on cotton samples.

Counties included are: Collingsworth, Hall, Wheeler, Gray, Carson, Donley, King, Cottle, Childress, Motley and Briscoe. At present there isn't a cotton classing station between Altus and Lubbock.

Therefore we need a county survey to determine whether Wheeler County farmers are in favor of a station. Answer the question and mail to County Agent Bryan Swaim.

(would or would not) be in favor of the station.

I (would or would not) be in favor of a county wide meeting to learn more about the station.

I (would or would not) be in favor of the station if there is a 20 cents a bale charge for upkeep of the building and equipment.

Wednesday Study Club Has Regular Meeting

The Wednesday Study Club had its regular meeting last week in the home of Mrs. Shelby Pettit.

Theme for the program was Education and Invention — Anchors to World Power.

Mrs. Frank Wofford was leader. Mrs. D. O. Beene discussed "Application of Atomic Science" and Mrs. Wofford gave an interesting talk on "Development in the Space Race."

A question and answer session between Department Chairmen and club members proved to be quite an interesting and informative part of the program.

Club members voted to enter the sewing contest sponsored by the Butterick Pattern Company.

Several beautiful paintings by local artists were on display at the meeting.

The president presided. Minutes were read, and the Club Collect, read in unison, closed the meeting.

Refreshments were served to the following ladies: Mrs. D. O. Beene, Mrs. T. M. Britt, R. W. Brown, Fred Farmer, R. H. Forrester, Lee Guthrie, Cora Hyatt, Carl Laffin, M. McIlhenny, C. J. Meek, George Porter, Madge Porter, T. G. Puryear, George Taylor, C. J. Van Zandt, H. M. Wiley, Max Wiley, W. L. Williams, Frank Wofford, Harry Wofford, F. J. Ross, Carlton Thompson, members, and Mrs. Roy Bailey, a guest.

Time To Renew Library Cards

It's renewal time at the Wheeler Library according to librarian Marie Fuls. All of the library patrons are urged to re-register for the new year as soon as possible.

Mrs. Fuls said that many new books have been ordered and will arrive within a few weeks. She also said that numerous books are overdue and should be returned as soon as possible.

Typing Classes To Meet Tuesday Night

Alta Jean Davis, high school typing instructor, announced today that the adult typing classes held each Monday and Tuesday night, will be combined and only one class will be taught on Tuesday night.

Classes will begin at 7:00 and continue until 9:00 according to Mrs. Davis.

Number Four

meet. Each will be presented appropriate awards. Team awards will be presented to first, second and consolation winners in each division. Teams are entered from Allison, Alanreed, Briscoe, Canadian, Kelton, Kellerville, Miami, Shamrock, Wellington and Wheeler. Admission for each four game session is 25c - 50c.

Number One

At 6:30 Wednesday afternoon the court agreed upon 12 jurors after investigating 54 of the 120 name venire.

Childress' trial will begin at 10:00 Thursday morning.

OPEN HOUSE: Clarence Holdeman (center) is shown as he served coffee to some of those that attended the open house Monday of his newly opened John Deere agency in Wheeler. Others in the picture (from left to right) are Bob Canthel, Doyle Grimes, Cecil Bailey and Cio Gaires.
