MRS. DONALD SCOTT RUSSELL

Clark-Russell Vows Read In Candlelight Ceremony

Miss Tiata Doniece Clark and Donald Scott Russell recited double ring wedding vows in a candlelight ceremony Saturday evening in First Baptist Church.

Officiating was the Rev. Joe Cariker of Weslaco, former pastor.

Parents of the couple are Mr. and Mrs. Donald Ray Clark and Mr. and Mrs. James Russell of Spring.

Vows were solemnized before an altar graced with brass candelabras. Yellow tapers glowed from an arched candelabra flanked by spiral candelabras.

Mrs. Weldon Davis, organist, and

Mrs. Carl Rambo, pianist, presented nuptial music and accompanied Mrs. Mark Bennett as she sang "Sunrise, Sunset," "The Lord's Prayer," "I Could Never Promise You" and "God, A Woman and A Man."

Given in marriage by her father, the bride wore a formal gown of white Silesta jersey fashioned with silk Venise lace accenting the Queen Anne neckline and short cap sleeves of the

empire bodice. Her A-line skirt cascaded to a chapel length train. Narrow lace encircled the hemline of the skirt and train and matching lace edged her fingertip veil of silk illusion which drifted from a Juliet cap of lace.

Keeping traditions, she carried as "something old," wedding rings of her grandmother and a lace handkerchief belonging to the bridegroom's great-great-grandmother. Her gown was "new" and she "borrowed a strand of pearls from Mrs. Bob Bowden. She wore the traditional touch of "blue".

She carried a cascade of yellow silk baby roses with touches of white and blue.

GiGi McKinney of Ozona was maid of honor. Bridesmaids were Denee Hindman and Tami Hindman of Plainview and Gay Clark of Friona, cousins of the bride. Kim Clark, sister of the bride, was junior bridesmaid. Little Miss Sheila Ogden of Andrews was flower girl.

Guests were registered by Lori Franks.

Feminine attendants wore formal gowns of yellow Qiana styled with pleated skirts and blouson bodices with draped backs. They wore yellow and blue roses in their hair and carried hurricane lamps with yellow and blue flowers encircling the base.

Mark Hooper of Lubbock was best man. Groomsmen were Newt Wheeler of Lubbock and Stuart Presnall of Borger. Guests were seated by Bob Russell of Levelland, Stevie Russell of Andrews and Billie Russell of Spring, brothers of the groom.

A reception was held in the home of the bride's parents. The bride's table was laid with white lace over yellow and centered with an arrangement of blue and yellow silk flowers. Designed with flowing fountain, the three tiered wedding cake was accented with blue roses and topped with a miniature bride and groom with doves and cascading roses. Serving cake and punch were Abby Mancias and Cristy Neill and Melynda Mills, both of Lubbock.

An ecru linen cloth covered the groom's table with a hurricane lamp on a crystal tray placed atop a light blue

linen runner. Teri Reed and Sherry Irons served angel food cake roll, fresh fruit with poppy seed dressing, fresh vegetables with dip and pineapple tree hors d'oeuvres.

Members of the houseparty were Nancy Bowden, Phillis Hindman of Plainview and Sharon Boster of Lamesa.

For a wedding trip to Jamaica, the bride chose an apricot colored suit of linen with white accessories and a corsage of white roses.

The couple will be at home after May 26 in Duncan, Okla.

A graduate of Hart High School, the bride is a senior at Texas Tech University.

The bridegroom graduated from Andrews High School. He is a senior at Texas Tech University and is employed with Haliburton Oil Company in Duncan, Okla.

Out of town guests attended from Bonham, Houston, Andrews, Midland, Plainview, Friona, Amarillo, Lubbock and Farwell.

Mr. and Mrs. Russell, parents of the groom, hosted a rehearsal supper, catered by Bob and Nancy Bowden, Friday evening in fellowship hall of First Baptist Church. Tables were laid with yellow cloths with blue runners and decorated with brass candlesticks holding yellow tapers and blue silk iris.

To stop waste, a toilet may need a complete tune-up: first, check for leaks by adding a few drops of food coloring to the water as the tank begins to refill. Now wait ten minutes. If any trace of color appears in the toilet bowl, you have a leak. Second, install a noncorroding Fluidmaster Flusher Fixer to end leaks at the tank drain. Complete the job with a noncorroding Fluidmaster Fluid Level Control Valve that eliminates water inlet leaks by getting rid of the cause—an outdated ballcock, float ball and rod. An adjustable sliding clip lets you adjust the tank-water level to cut the flush.

GOOD LUCK

Our best
wishes
are with

AMERICA THE BOUNTIFUL

Forest lands can deliver two important benefits: useful forest products and a sound forest environment.

Sharing the forest resource—using it to get both benefits—is the best way to have the jobs and wood products we need, and the forests we love. At Boise

Cascade Corporation, most company timberlands are open to the public. The general public, including many Boy Scout troops, and other organizations, have been enjoying company forest lands for years.

Today's professional foresters are concerned with more than just growing and harvesting trees. They also give a lot of consideration to other needs such as public recreation, water quality and fish and wildlife habitat.
