

Car dealers join campaign

In appreciation for the fact that the local chapter of the American Association of Retired Persons is taking an active part in cleaning up Colorado City during Clean Up Week, May 30-June 4, Joe Weaver Chevrolet, Hutchins Ford Sales and Anderson Motor Company are sponsoring a reception for them at

Last week, the AARP announced they would gather at the Dairy Queen on Tuesday morning, May 31 and clean up the north entrance to town.

The three automobile companies are also giving a \$100 cash prize to the senior citizen who works the hardest, as determined by the senior citizens themselves during the reception.

More details will be announced later.

Missing steers

After the Bill Hudson Memorial Roping Saturday night, several steers got out of the pens and 10 head are still missing, said Joe Anderson.

Anyone with any information concerning these missing steers is asked to contact Anderson at 728-8628, Bobby Bowers at 728-5874 or Weldon Beck at 573-5061 in Snyder.

Craig fund

A fund has been established at City National Bank for Janice Sue Craig, a 31-year-old cancer victim. She periodically takes chemotherapy treatments at Lubbock and the expenses are enormous. She is currently in room 49 of Kristi Lee Manor.

Mrs. Craig, a native of Colorado City, is the daughter of H. S. Connell and the mother of two young children. Her left leg has been amputated.

Donations can be made to Ray Anne Carlock at City National Bank.

Spade Work Day

A Spade Community Work Day has been scheduled for Memorial Day, Monday, May 31. Workers are to meet at the cemetery at 8 a.m.

License office closed

The Drivers License office will be closed for Memorial Day on Monday, May 30.

Regular hours will be resumed Tuesday afternoon.

Summer program

Registration for the Recreational and Reading Program at the Wallace Center is now open.

Sessions will begin on June 13 and continue through July 29, Monday through Friday from 8 a.m. until noon. Carl Beery Moore will be the program director.

The program, limited to 50 children, is for Mitchell County children who have been in kindergarten through third grade during the 1982-83 school year.

Registration must be completed by June 6 and is on a first come, first serve basis; there is no charge for the program.

For more information, call the Wallace Center at 728-2392.

(Q) Why haven't the bar-ditches in Mitchell County been mowed this year? Who is supposed to do it?

(A) Mowing along highways is the responsibility of Department of Highways and Public Transportation and Maintenance Construction Supervisor Gaylord Price said they don't ordinarily mow until the wildflowers seed.

The economic factor also influences mowing, he said.

According to Price, general mowing will only be done once or twice this summer at a time when it will be most effective because money is so tight right now.

"Safety mowing" will be done when vegetation interferes with the visibility of motorists, he added.

Second petition circulated

A petition calling for a local option election to legalize the sale of alcohol for off premise consumption only in Precinct Four of Mitchell County was issued Tuesday afternoon, according to County Clerk Joan Beach.

The application for the petition was turned in with 14 signatures, 10 of which were valid; 10 signatures were needed to get the petition.

One hundred and forty-four signatures, 35 percent of the voters

who voted in the last gubernatorial election in Precinct Four, are needed on the petition which must be turned in to the county clerk's office by June 22.

As in the proceedings before the election in

Precinct Three in April, once the petition has been turned in and the signatures verified, the Mitchell County Commissioners' Court will have not less than 20

days nor more than 30 days after their next regular meeting to set a date for an election.

The precinct boundary begins on the Scurry County line, nine miles

from the Nolan County line, goes in a west-northwest line 16 miles, south 7½ miles then west the Nolan County line and encompasses Loraine.

Two applications okayed county judge denies one

Bob Tammen's application to sell liquor for off premise consumption only at Bojo's, near

Lake Colorado City, was turned down during a public hearing Monday afternoon after the testi-

mony of six witnesses subpoenaed by Mitchell County Judge Bill Carter.

This appearance was Tammen's third before Carter, after having withdrawn his application once in order to have time to hire an attorney and then asking for a continuance last week because his attorney was unable to be present.

After Carter approved the applications of Joe E. Davis, representing Skinny's No. 13, and J. Martin Basinger of Slaton, proposing a B & B Liquor Store, Tammen's attorney, John Smith of Odessa, requested that he and Carter adjourn to the judge's chambers for a discussion and Carter agreed.

When the court reconvened about 10 minutes later, Smith asked that the judge be sworn in and after County Clerk Joan Beach administered the oath, Smith asked if Carter had issued any subpoenas. The judge answered that he had, adding upon questioning that those subpoenaed were Sheriff Wendell Bryant, County Attorney Pat Barber, Jim Reynaud, Adult Probation Officer Donna Hurt, Juvenile Probation Officer Gerry Randall and Sue Compton, secretary to District Judge Weldon Kirk.

Early deadline

Due to the Memorial Day holiday next week, the Sunday edition of the Colorado City RECORD will be published and delivered early.

Because of the early publication, the deadline for all advertising and news has been moved to 12 o'clock noon Friday, May 27.

Graduation Edition

The RECORD'S Annual Graduation Edition, featuring graduates from all three Mitchell County Schools, will be included in our weekend edition.

This special souvenir section contains photos, past accomplishments and future plans of our graduates. Watch for it, it's coming this weekend in your RECORD!

A DIAMOND WATCH is the prize for the Mitchell County girl who wins the Rodeo Queen contest during the AJRA Rodeo to be held June 29-July 2. Prizes for the runners-up are a ruby and diamond necklace, a pearl drop necklace and an 18 inch 14K gold chain.

Rodeo Queen prizes offered

It's still not too late to enter the Mitchell County AJRA Rodeo Queen contest, said contest chairman Marian Morris,

and some very nice prizes are being offered for the winners.

The girl named Rodeo Queen will receive a diamond watch, first runner up will be presented with a ruby and diamond necklace, second runner up will get a pearl drop necklace and third runner up will have a 14K gold chain.

All Mitchell County girls between 12 and 18 are eligible to enter the contest before 4 p.m., Tuesday, May 31. A sponsor will be expected to

pay the \$10 entry fee.

Each contestant will be judged on ticket sales, horsemanship, personality and appearance and will be expected to wear western-type attire for the contest. Out-of-town judges will be used and the decision of the judges will be final.

All contestants will be expected to attend all scheduled meetings, attend the rodeo each night, ride in the Grand Entry each night of the rodeo and ride in the parade on July 2.

To enter the contest, or for more information, contact Ms. Morris at 728-3111.

Memorial nets over \$4,000

Approximately \$4,000 was collected for the West Texas Boys Ranch in San Angelo during the two-day activities of the Bill Hudson Memorial Art Exhibit, Roping and Barbecue, said Wagon Bosses Rev. Monte and Virginia Jones.

The activities began Friday night with a "Meet the Artists Preview Party" at the Civic Center, which was attended by more than 130 people, some from Granbury, Albany, Lubbock, Stephenville, Fort Davis, Grapevine and San Angelo.

Over 75 works of art were exhibited by 20 artists, nine of whom were at the preview party. Twenty percent of the proceeds from the sale of the 17 pieces that were sold during the exhibit went to the Boys Ranch, except for a sculpture by Paul Wylie and a lithograph by Tom Ryan which had been donated to the organization.

With the upcoming Memorial Day weekend, Colorado City is expected to be infested by a storm of visitors who want to enjoy some fun in the sunshine and water.

And what better way

Area lakes to draw many weekend visitors

The roping Saturday at Joe Anderson's Arena was also very successful, as there were 226 entries for the competition there. Bill Teague won the most money, while the top team consisted of Mark Mauldin and Tooter Jameson.

After the roping, 263 plates of barbecue were served to ropers, their families, friends and many other people.

The dessert after the meal was furnished by the Tejas CowBelles and the Fairview TEHA Club. part of the deserts were some 100 fried pies made by Velma Hester. The two organizations also donated \$50 cash to the boys ranch.

Mrs. Jones said they considered the whole Bill Hudson Memorial very successful, especially considering the short length of time in which it was organized, and added that plans were already being made for next year.

to have fun in the water than going to C-City's Lake Colorado City at the state park or to Lake Champion South of Colorado City just off the Robert Lee Highway.

The stage is set for a nice Memorial Day weekend. Temperatures are expected to be in the high 80's and low 90's throughout the weekend, with a chance for showers on Friday afternoon.

The levels at both lakes are both high with the recent rains that has hit the Mitchell County area. Presently the level for Lake Champion is 2081.2, just under its capacity of 2083.00. The level for Lake Colorado City is 2063.15, the lake's

capacity is 2070.00. Water temperatures for Lake Colorado City is 73 degrees.

State Park Superintendent Bill Griffin says he expects the state park and Lake Colorado City to be full for the second consecutive Memorial Day weekend. Griffin expects 12-15,000 people will visit the park this weekend. Last year just under 15,000 people attended the park on Memorial Day weekend.

Griffin stated that all campsites at the state park have been taken or reserved for the last two weeks.

Hours for park-goers are from 8 a.m. until 10 p.m. Charge of admission is \$2 per car.

15 arrests made by Task Force

According to Mitchell County sheriff Wendell Bryant, approximately 15 alcohol-related arrests were made during a five hour period Saturday night, May 21 when a "DWI Task Force" made a brief but intense effort to control drinking and driving.

The task force was made up of Bryant, his three regular deputies, the reserve deputies and additional Department of Public Safety personnel.

Bryant said the Satur-

day night activity had nothing to do with the fact that alcohol was now legally available for sale in Mitchell County, as the date for this action had been set in March.

These "DWI Task Forces" are occasionally set up in various Texas counties for the purpose of attempting to cut down on drinking and driving, Bryant noted.

"The DPS troopers are excellent to work with," Bryant added.

GETTING IT READY - City workers are hard at work getting the city swimming pool ready to open. The pool might possibly be open by this weekend. Supervisors for the pool this year will be Tom Ramsey and Mark Merrell.

Council opens bids for sewer bonds

The City Council met briefly in a special meeting, Tuesday night, principally to open and accept the bids for purchase of Colorado City's sewer bonds, okayed by Colorado voters on April 2.

Five bids were received, with the council accepting the low bid. The low bid, in this case was the bid requiring the least amount of interest.

The Texas American Bank of Fort Worth and

its affiliate the City National Bank of Colorado City bid 8.881697 percent for the bonds and was awarded the bid. This figure will result in Colorado City tax payers paying \$411,666.67 in interest.

Smith then asked to have the local bar association elect a special judge for the purpose of one hearing only because Carter, in questioning the witnesses, had heard evidence out of the presence of Tammen's attorney.

Carter denied the request and Smith then stated that there was no provision for a county judge to subpoena witnesses in an administrative hearing.

Carter read several excerpts from both the alcoholic beverages code and criminal code giving the basis for his decisions.

Carter also read from section 61.42 of the alcoholic beverages code, "The county judge shall

refuse to approve an application for a license as a distributor or retailer if he has reasonable grounds to believe and finds that...the place or manner in which the applicant for a retailer dealer's license may conduct his business warrants a refusal of a license based on the general welfare, health, peace, morals, safety, and sense of decency of the people...the applicant is not of good moral character or his reputation for being a peaceable, law-abiding citizen in the community where he resides is bad..."

Sheriff Bryant was then called to the stand and Carter asked if he remembered a "fracas" at Bojo's on April 16 of

this year.

Bryant replied that on that date, the sheriff's office was called to Bojo's after dark in reference to a fight occurring there. He said that three units were at Bojo's and another enroute when an arrest was made and a gun turned over to the sheriff's office.

Carter asked Bryant if Tammen's reputation as a peaceable law-abiding citizen was good or bad and Bryant replied, "Bad."

Smith asked Bryant if he had ever been called to testify about anyone's reputation before and when Bryant said he had, Smith asked if he had ever testified that anyone had a good reputation, Bryant said that he had in an indirect way.

Smith then asked if Bryant had been the one to make the arrest at Bojo's and when Bryant said he had not, Smith said that his knowledge of the arrest was only hearsay.

Another witness called was Jim Reynaud, who stated that he was now a chemical salesman but had been a deputy and chief deputy with the sheriff's office from February of 1975 to March of 1981.

After establishing that Reynaud knew Tammen, Carter asked if he had ever heard of the Life Science Church and Reynaud replied that he had and that it was

located at Bojo's.

Smith objected at this point, citing the statute of limitations. Carter stated that the statute of limitation did not apply to reputation.

On further questioning, Reynaud said that Tammen had discussed the Life Science Church with him, speaking chiefly of the tax advantages, and that the only evidence he saw that the building was a church was a certificate on the wall designating Tammen as minister.

He was also asked the same question that was asked of Bryant about Tammen's reputation and he replied, "Bad."

Smith asked Reynaud if he had ever testified concerning anyone's character before and had he ever testified that anyone's character was good. Reynaud replied that he had testified and it had always been bad.

Smith then asked Reynaud, "What does a church look like?" and proceeded with questions about the appearance of several churches.

The other witnesses were all asked the same question about Tammen's reputation and all replied, "Bad."

Smith said he would not call any witnesses, stating, "I'm afraid I might be opening some doors that don't need to be opened at this particular hearing."

After reading the regulation stating that a

business selling alcoholic beverages had to be at least 300 feet from a church, school or hospital and noting that he also served as juvenile judge and had on occasion encountered "some very sad situations, some that border on being pathetic..." Carter said he doubted Tammen's "sincerity, credibility" and concluded, "I cannot accept your application."

Smith said they would appeal to the district court.

Antilley

re-elected

to TSSWCB

Joe Antilley of Abilene, was re-elected in a convention type election May 3 to serve a five-year term on the Texas State Soil and Water Conservation Board. He has served on the TSSWCB since May 1968.

Antilley represents State Zone Two which consists of 51 counties in the Hill Country to the Western and Trans-Pecos region of the state. Forty-two soil and water conservation districts are within the boundary of State Zone Two.

The TSSWCB's chief responsibility is to coordinate the programs of Texas' 201 SWCDs. Unlike many state agencies and commissions whose policy making bodies are gubernatorial appointees, the TSSWCB consists of five members elected by soil and water conservation district directors.

Antilley ranches near Abilene and has been noted for his experimental work on improved grasses and a cross-breeding program for cattle.

Hospital Board discusses Medicare DRG method

The Board of Directors of Root Memorial Hospital met in regular session Tuesday night, May 24 with the main topic of discussion being the conference recently attended by Administrator Ray Dillard, Controller Richard Murphy and Dr. Pat Thomas in Houston concerning the Diagnostic Related Grouping proposal by Medicare.

The theme of the con-

ference they attended as "Physicians and hospitals can hang together or hang separately."

Dillard told the board that the Medicare DRG method would go into effect October 1 and probably within three to five years, all types of payment, not just Medicare, would be using this method, which calls for each medical problem to be grouped with related illnesses and each group would have a specified number of days for treatment and a set amount to be paid to the hospital.

According to Dillard, the new method of payment "is going to require hospitals to be much more expedient in the processing of claims and a very extensive record keeping system, both medical and financial, will be needed in order to evaluate our financial payment lag time on a weekly basis."

Dillard sees DRG as being as drastic a chan-

ge as Medicare itself was at its inception in 1965 and also believes that it is tantamount to socialized medicine.

When the DRG program is in full effect, many hospitals, such as Root Memorial, would only have two options, Dillard said—to "go under" or raise taxes.

He also noted that, while the fact that DRG would assure patients of a set price and a specified length of stay in the hospital, this method may force hospitals and doctors into getting a patient "cured" and out of the hospital as soon as possible, thus bringing up the possibility of some other problem being overlooked.

Also present at the board meeting was Richard Murphy, who stated that the response to the hospital's courtesy card offer was improving. They encourage all eligible citizens to send in their applications as soon as possible.

terest for the loan of the money required to update Colorado City's sewer system.

Other bidders were: Cowan and Company 9.311147 percent; Republic Bank of Dallas and others 9.276968 percent; Underwood Neuhaus and others 9.110967 percent; Rauscher Pierce and others of Houston 8.947250 percent. There was a \$20,000 range from the high bidder to the low bidder.

Joe Smith of Abilene, the city's financial advisor, said that overall, he was pleased with the bids and noted that the bid of the Texas American Bank indicated that the city's credit was good.

The council also passed an ordinance authorizing the issuance of general obligation bonds to pay for the loan and gave Freese & Nichols the go-ahead on preparing plans for the sewer project.

Historical Commission places 31 markers

The Mitchell County Historical Commission was formed in the 1960s under the title of the Mitchell County Historical Survey Committee and has since been responsible for the placement of 31 building medallions, site markers, subject markers and grave markers in the county.

Though the name of the organization was changed in 1974, its duties remain the same: place historical markers, make recommendations concerning the acquisition of historical property when requested to do so by the Mitchell County Commissioners and coordinate, survey and organize the work of all groups interested in history and tourism.

Provision for a historical commission was made by the Texas legislature, putting it under the authority of the individual county commissioners' courts; in turn, the commission-

ers' court authorizes the county judge to appoint a chairman and at least seven members to the historical commission.

The present chairman is Mrs. A. W. Rowe, currently in her second

two-year term, and she and her husband live in the historic Prude home which bears a building medallion from the historical commission.

"I appreciate my heritage," she said. "I like

to think I have a part in historical preservation."

Other officers are Mrs. George Lindsey, vice president and Geneva Jones, secretary-treasurer.

A list of past chairmen includes Leonard Henderson, Mrs. Witt Hines, Mrs. A. L. Geer, Gus Chesney, T. J. Goss II and Mrs. Jene Steakley.

The Mitchell County

Historical Commission is required to meet at least six times each year in the odd-numbered months and at least one member must attend one or more conferences or workshops during the year.

During the meetings, the members discuss current projects and hear guest speakers talk on subjects of historical significance.

The most recently completed projects of the Mitchell County Historical Commission are subject markers at the P.C. Coleman Ranch and Valley View School; current projects include getting markers for the Plainview Baptist Church and the old standpipe from the first water works in the area.

Our future is built on the foundation of our past and the Mitchell County Historical Commission provides a way to keep that foundation fresh in our minds.

News from

Root Valley Fair Lodge

By PAM JARNAGIN
The American flag has the place of honor in our facility this week in

memory of all service men and women who gave their life to defend our country.

Mayor Elmer Martin has been asked to speak to our residents on Memorial Day as we pay tribute to our martyred veterans.

The most unfortunate war was the Civil War which pitted brother ag-

ainst brother.

Our elderly have made their mark as we remember the ballad of the "Widow Fritchie," a 96-year-old lady who was supposedly heard to admonish the enemy soldiers marching-tired, worn out, dirty and without shoes-for trailing the American flag in the dust through her town of Fredrick, Maryland. The ballad says:

Up from the meadows rich with corn,

Clear in the cool September morn...

"Shoot if you must this old gray head, But spare your country's flag," she said...

"Who touches a hair of yon gray head, Dies like a dog! March on," he said...

The older generation is the most patriotic and appreciative of the peace and safety of our country, so hard and won, for it is they who lost-fathers, brothers, sons and daughters.

We had our monthly musical this past Thursday. It was enjoyed by all. We want to thank Mrs. Iola Young who came and "danced a jig" for us.

Our monthly birthday party was Friday afternoon. Cake and punch were served. Honorees were Girlie Lowe, Lena Faye Harrell, Margaret Clark, Gertrude Henderson and Ella Mae Padgett. We want to wish them many happy returns.

KEEP & USE

Football players work in spring to win in fall

The 1983 version of the Colorado City Wolves will be bigger, stronger, quicker and more experienced, and will definitely be a dominating force in the district 6AAA race.

The Wolf Pack, headed by Tom Ramsey, are coming off a successful off season program where the team improved its overall strength and quickness.

For the upcoming gridiron season, the Wolves return 10 lettermen,

including five starters each on offense and defense. Last season C-City barely missed a playoff spot with a 3-2 district slate. They ended the season 5-5, winning five of their last seven games.

Indicative of the Pack's improvement in the off season is the fact the team now has four players capable of a 4.6 forty, and 14 players

bench pressing over 200 pounds, where last year only four players were over the 200 pound barrier.

Returning defensive starters for the Wolves are senior All-District selections Fred Dakan at tackle and Dennis Rivera at free safety. Dakan has added strength and weight this off season as he now tips the scales at a hefty 250 pounds. Other returning starters are cornerback Michael Luera, end Donnie Davenport and end Raymond Bassinger.

Juniors Larry Hearn and Freddie Pineda are expected to challenge Davenport and Bassinger for the end spots. Other Wolves who are fighting for starting positions are linebackers Don Randle, Jeff Butler and Doug Chitsey. Franklin Marsh is expected to man the other tackle position. Marsh is the strongest player on the Wolf team, bench-pressing over 300 pounds.

Other hopefuls in the Wolf secondary are juniors Bill Jackson, Joey Ritchey and Perry Conner.

On offense, Ramsey says his team will probably put the ball in the air more often. The main reasons: junior quarterback Doug Chitsey is now a year older and wiser, and wide receivers Jackson, Conner and Luera along with flanker Dennis Rivera, all have the speed and finesse to get open.

Returning offensive starters for the Wolves are Rivera at flanker, All-District and All-West Texas running back Larry Hamilton.

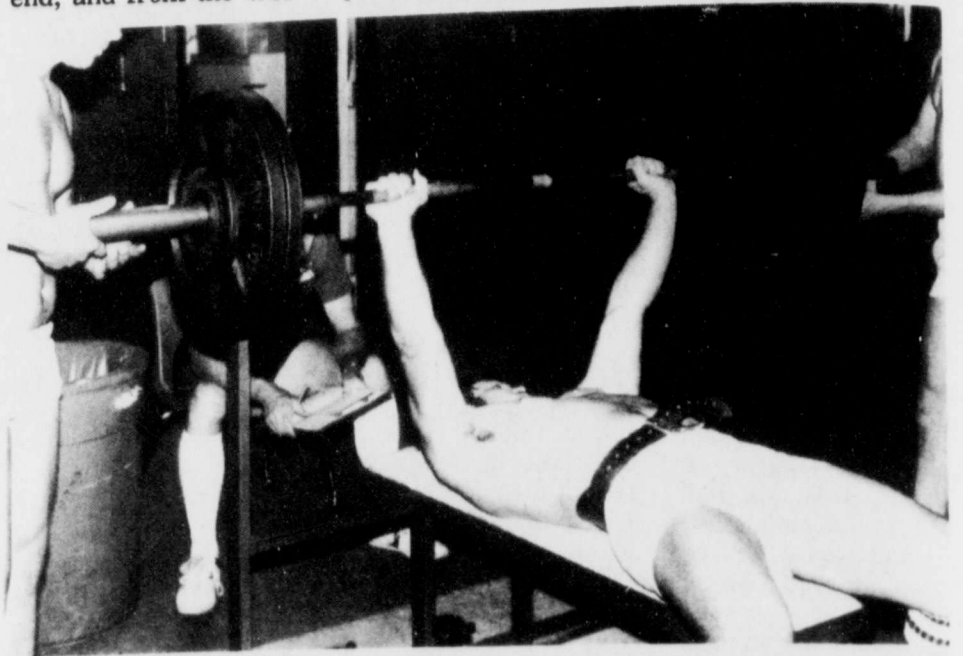

Last year, weighing 130 pounds, Hamilton gained over 1,200 yards. This year he is much stronger and weighs 145 pounds.

All-District selection Dakan will man one tackle spot and Chitsey will be the field general. Last year the "slick" quarterback ran and passed for over 1,000 yards, and was named to the All-District team.

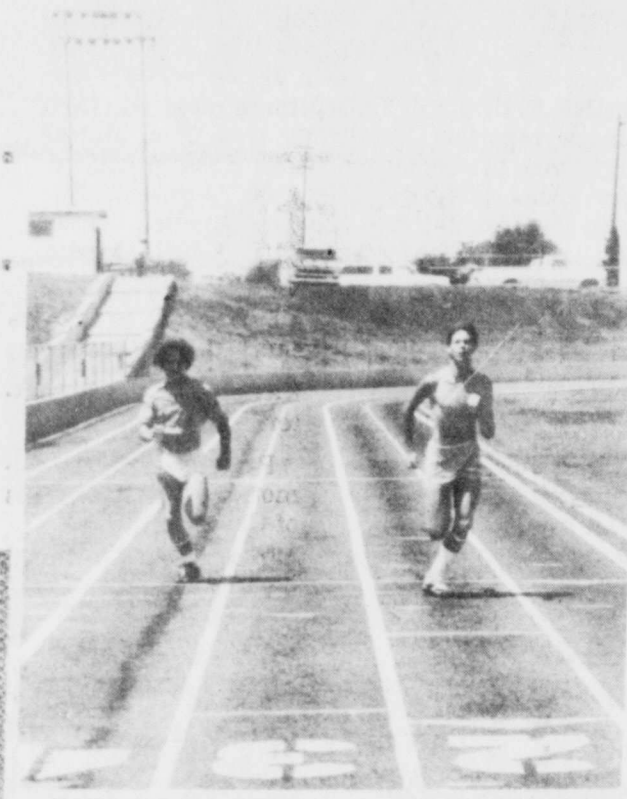

Others rounding out the offense are tight ends Randle and Charles Iglehart, tackle Willie Stice, guards Marsh, Pineda, Jeff Butler and Steve Rosas. Running back Kevin Norman will team with Hamilton in the backfield. Norman, who weighs 175 pounds, is one of the strongest and fastest players on the squad, bench-pressing well over 200 pounds

and runs the 40 in 4.6. The off-season program has come to an end, and from the Wolves standpoint it has definitely served its purpose. The Wolf Pack is poised and ready for the

1983 season, a season in which they paid the price in the spring, to win in the fall.

A GOOD LIFT—Wolf lineman Franklin Marsh easily presses 250 pounds during weight tests Monday at CHS fieldhouse. Marsh went on to lift over 300 pounds.

RUNNING FOR TIME - Two members of the Wolves football team sprint down the home-stretch in the 220 during test day in the off-season program.

Historical Commission places 31 markers

The Mitchell County Historical Commission was formed in the 1960s under the title of the Mitchell County Historical Survey Committee and has since been responsible for the placement of 31 building medallions, site markers, subject markers and grave markers in the county.

Though the name of the organization was changed in 1974, its duties remain the same: place historical markers, make recommendations concerning the acquisition of historical property when requested to do so by the Mitchell County Commissioners and coordinate, survey and organize the work of all groups interested in history and tourism.

Provision for a historical commission was made by the Texas legislature, putting it under the authority of the individual county commissioners' courts; in turn, the commission-

ers' court authorizes the county judge to appoint a chairman and at least seven members to the historical commission. The present chairman is Mrs. A. W. Rowe, currently in her second

two-year term, and she and her husband live in the historic Prude home which bears a building medallion from the historical commission. "I appreciate my heritage," she said. "I like

to think I have a part in historical preservation."

Other officers are Mrs. George Lindsey, vice president and Geneva Jones, secretary-treasurer.

A list of past chairmen includes Leonard Henderson, Mrs. Witt Hines, Mrs. A. L. Geer, Gus Chesney, T. J. Goss II and Mrs. Jene Steakley.

The Mitchell County

Historical Commission is required to meet at least six times each year in the odd-numbered months and at least one ember must attend one or more conferences or workshops during the year.

During the meetings, the members discuss current projects and hear guest speakers talk on subjects of historical significance.

The most recently completed projects of the Mitchell County Historical Commission are subject markers at the P.C. Coleman Ranch and Valley View School; current projects include getting markers for the Plainview Baptist Church and the old standpipe from the first water works in the area.

Our future is built on the foundation of our past and the Mitchell County Historical Commission provides a way to keep that foundation fresh in our minds.

News from

Root Valley Fair Lodge

By PAM JARNAGIN
The American flag has the place of honor in our facility this week in

memory of all service men and women who gave their life to defend our country.

Mayor Elmer Martin has been asked to speak to our residents on Memorial Day as we pay tribute to our martyred veterans.

The most unfortunate war was the Civil War which pitted brother ag-

ainst brother.

Our elderly have made their mark as we remember the ballad of the "Widow Fritchie," a 96-year-old lady who was supposedly heard to admonish the enemy soldiers marching-tired, worn out, dirty and without shoes-for trailing the American flag in the dust through her town of Fredrick, Maryland. The ballad says:

Up from the meadows rich with corn,

Clear in the cool September morn...

"Shoot if you must this old gray head, But spare your country's flag," she said...

"Who touches a hair of you gray head, Dies like a dog! March on," he said...

The older generation is the most patriotic and appreciative of the peace and safety of our country, so hard and won, for it is they who lost-fathers, brothers, sons and daughters.

We had our monthly musical this past Thursday. It was enjoyed by all. We want to thank Mrs. Iola Young who came and "danced a jig" for us.

Our monthly birthday party was Friday afternoon. Cake and punch were served. Honorees were Girlie Lowe, Lena Faye Harrell, Margaret Clark, Gertrude Henderson and Ella Mae Padgett. We want to wish them many happy returns.

Birth

Mr. and Mrs. Eddie Morris of Andrews announce the birth of a daughter, Sheena, at Permian General Hospital on May 18, weighing 7 lbs., 10½ oz. Maternal grandparents are Mr. and Mrs.

Narl Long of Loraine. Paternal grandparents are Mr. and Mrs. Kay Morris of Sweetwater.

CHA MAR-KA MANUFACTURING COMPANY

One of the leading manufacturers of children's western wear in the nation is the CHA MAR-KA MANUFACTURING COMPANY. CHA MAR-KA is located in Colorado City, Texas and has been a major supplier of children's western wear in Texas, New Mexico, Louisiana, Oklahoma and Nevada for the last 2 years. Last January CHA MAR-KA made fashion news at the fashion market in Dallas with their designs.

Recently Tiffany Louise Romero won first runner-up in the Guyton Oklahoma pageant. She will be advancing to the Oklahoma State Pageant in June to be held in Oklahoma City wearing CHA MAR-KA fashions in the sportswear competition.

A chief concern of CHA MAR-KA MANUFACTURING COMPANY is to supply their young customers with the most fashionable in western wear.

Johnny Tammen the owner of the company has had long experience in this business and directs his company with pride and the utmost professionalism.

For the finest in children's western wear, we the writers of this 1983 Business Review suggest that you closely watch the fashion trend available thru CHA MAR-KA. We feel that this review would not be complete without mention of this prominent manufacturer of children's western wear.

Athletes honored at Loraine banquet

Six senior athletes at Loraine High School attended their last All-Sports Banquet Tuesday, May 17 at 8 p.m. in the Loraine School auditorium.

The theme of the banquet was "Reach For The Stars," and it was highlighted by the presentation of the Most Valuable Male and Female Awards.

Senior Jerry Darnell was presented the Most Valuable Male Athlete Award while the Most Valuable Female Award was presented to junior, Leslie Rose.

The six senior athletes in attendance for the banquet were Darnell, Ruben Garza, Steve Morris, Margarito Rodriguez, Stephanie McAdams and Jana Britton.

Following the welcome by Margie Oliver and invocation by Karen Harmon, a meal consisting of chicken fried steak, French fries, gravy, rolls, salad, tea and strawberry shortcake was catered by Mrs. Opal Rose.

Shelly Martin introduced guest speaker Joe Cushing, head women's basketball coach at Western Texas Junior College in Snyder.

Coach Cushing, a 1964 graduate of Loraine High School spoke to the athletes about being consistent in life. "The true success of a person lies in if they can perform day in and day out," said Cushing.

Cushing told the seniors that they were now entering a new era, and with the hard times in the world, they would have to strive harder, "Go an extra mile to be successful."

In his closing statement Cushing told everyone, "Be yourself, don't try to please everyone, please yourself and feel good about it."

After Cushing's talk, Loraine Coaches Jimmy Fine, Roland James and Debbie Wiechman presented certificates to all athletes participating in football, basketball, track and tennis.

Next, coach James presented Jerry Darnell with the MVP award. This year Darnell gained over 500 yards rushing in football, and gained All-District honors. He played an important role in the Bulldog's third place finish in basketball and in track he was the district champ in the 400 meters, finish-

ed second in regional and placed fourth in state with a time of 49.9.

Coach Fine presented Leslie Rose with the MVP award. This year Rose helped pace the Bulldog girls to a near-playoff spot in basketball. She averaged 20 points and 12 rebounds per game during the year. She was named All-District, and MVP

for the All Mitchell County Team.

In track, Rose had the state's sixth best throw in the shot put with a toss of 41-9. She won district in the shot and discus, won regional in the shot and placed second in the discus. At the state meet, she placed third in the shot and seventh in the discus.

Following the presentation of the MVP awards Rose, McAdams and Julie Wells presented the coaches with gifts for their time and effort. Coach Fine expressed his gratitude to head cheerleader Martina

Vallejo and the other cheerleaders which include Margie Oliver, Shelly Martin and Karen Harmon for their preparation of the banquet. The banquet ended with the singing of the Loraine School song.

Green Thumb workers attend training session

On Friday, May 13, Mr. and Mrs. Leslie Keith of Colorado City attended the graduation of their granddaughter, Julie Marie Shawn, at Angelo State University.

Miss Shawn, who received a bachelor's degree in business administration, is the daughter of Mr. and Mrs. A. J. Shawn of San Angelo. Mrs. Shawn is the former Ida Mae Keith of Colorado City.

Refunds due to Bell customers

Beginning May 25, Southwestern Bell's Texas customers should see credits on their bills reflecting about \$31.2 million in refunds.

The refunds are the difference between bonded rates implemented Nov. 9, 1982, and those approved by the Public Utility Commission's final order in the company's 1982 rate request. The order became effective Jan. 11, 1983, according to Jim West.

"The amount of refund varies among cities according to size, he said. But for most of Texas the one-time refund should fall between \$5.20 and \$6.30 for a single-party residence line."

West said amounts credited are refunds on local service, some number services such as Directory Assistance, business non-recurring charges and taxes. The credits include 13.7 percent simple annual interest on bonded revenues exceeding the PUC-approved amount. Interest totals about \$2 million statewide on the disallowed revenues held from Nov. 9 through May.

Southwestern Bell plans to complete the refund process by mid-June. Customers who have terminated service since Nov. 9 should receive checks for their refunds.

Kersey listed on Honor Roll

Frank Phillips College, Borger, TX, has announced that Jerry H. Kersey of Colorado City has been listed on the Dean's Honor Roll for the Spring 1983 semester.

In order for a student to be placed on the Dean's Honor Roll he or she must complete at least 12 semester hours and achieve a grade point average of 3.00.

suffer from alcoholism, and they now have much better lives after coming to grips with the disease.

The stories of these prominent people were part of the information provided to more than 60 Green Thumb workers attending a special alcoholism training session at the Senior Center in Fisher County on May 16. Green Thumb employs about 1,000 persons aged 55 and over in

community service projects across the state.

In a film entitled "They Do Recover," Waite, Mills and Severinson discussed the development of their alcohol problems and the paths they followed to find relief.

"The fact that these well-known people are alcoholics helps to show the disease—and alcoholism is a disease—can strike anyone, rich or poor, lonely or in the

spotlight," said Green Thumb district director Susan Armstrong, who conducted the training.

"Mills and Severinson suffered from severe blackouts, and Mills was afraid he had a brain tumor until examinations revealed his problem was alcoholism," she said.

"Waite says he often felt 'dead and alone,' Armstrong said, "even though he was a national celebrity. Many of

our workers—especially widows and widowers—know the feeling. We want to demonstrate that alcohol will only make any existing problems worse."

She said some of Green Thumb's enrollees have lost their jobs because of drinking, and for these people the future is dim. "They've lost their income and their self-respect, and few of them will have the resilience and ener-

gy to fight back. Prevention, whether you're young or old, is the best answer."

The Green Thumbs also heard a program update from state director Diane Parrish of Waco.

Green Thumbs from Mitchell County attending the session were Mr. and Mrs. Jesus Pineda, Rita Vallejo, Angelita Barrera, Paula Munoz, Yolanda Garcia and Audie Boyd.

Postal rates may rise again in 1984

In the future, Mitchell County, along with all of America might be looking at another increase in rates for mailing letters, according to Post-

master General William F. Bogler.

Even though the postal agency is enjoying a surplus for the second consecutive year, Bog-

ler stated that the postal service would need some new income around late spring of 1984.

The postal service will have a surplus of at

least \$100 million during the fiscal year which ends September 30. That follows an \$802 million surplus in fiscal 1982. The Postal Service can raise mail rates only after a rate case before the independent Postal Rate Commission.

Since the case takes nearly a year, it must be started soon to reach Bolger's target of late spring 1984.

Bolger declined to say when the rate case wo-

uld begin or how much of an increase would be sought over the present 20 cents per letter.

"We have to file well in advance of when we need the rates. We won't raise them until we have to. It's in everyone's best interest to keep rates as low as we can for as long as we can," stated Bolger.

The biggest reason for the delay in rising rates is a lower inflation rate. The Postal Service's

major cost is paying the nearly \$700,000 employees, who receive automatic pay increases to keep up with increases in the cost of living.

The 20-cent stamp rate has lasted since it was raised in 1981. At that time, the Postal Service predicted that it would last until November 1983. "But we will need new income sometime around the late spring of 1983," Bolger said.

Plainview Baptist Church holds 75th anniversary

Plainview Baptist Church met Sunday, May 15 for their 75th anniversary celebration with Bro. Fred Smith acting as master of ceremonies.

Former pastors who took part in the special services were Bro. Douglas Crow (1947-50), Bro. Neil Rogers of Irving (1955-58), Dr. Maple Avery of Conroe (1950), Dr. Lee Hemphill of Abilene (1931-35), Bro. Bill Hamilton of Arlington (1954) and Bro. Fay King of Wills Point (1936-39).

Special music was provided by Modell Shurtleff and Nell Daughtrey Brown, Lana Shurtleff Atwood of Tyler and Fannie Brinkley Shurtleff of Oklahoma, Margaret Henderson Whiteaker of Pleasant, Bro. and Mrs. Douglas Crow, a trio from Calvary Baptist Church consisting of Jeneal Howell Chambers, Allana Casey and Maxine Burson accompanied by Sue McKinney; congregational singing was led by Mrs. Essie Bushirt.

Others who took part in the services were Dr. John Paul Matthews, son of the late Caddo Matthews, pastor of the church from 1961 to 1979, Rev. Glenn Roenfeldt, pastor of First Baptist Church, Larry Hall, Bro. G. A. Magee of Bellview Baptist Church in Midland, Bro. Jim Wells, present pastor of Plainview Baptist, and Truman Shurtleff of Norfolk, Virginia. Also attending was Bro. Malcolm Brown, district missionary.

Others present were from California, New Mexico, Hereford, Lubbock, Brownwood, Snyder, Burleson, Monahan, Abilene, Temple, Tyler, Melvin, Fort Worth, Idalou, Corsicana, Silver, Loving, San Angelo, Arlington, Brenham, Lamesa, Big Spring, Robert Lee, Stanton, Westbrook, Pleasanton, Coleman, Lo-

Pre-entrance exam to be given

The pre-entrance exam for persons wishing to enter the Vocational Nursing program at TSTI-Sweetwater will be given June 9 and July 7 in the Nursing building on the TSTI campus.

According to LaVohn McGlothling, program chairman of the nursing program, the test measures general knowledge and nursing aptitude. McGlothling said the test is only one of the pre-entrance requirements of the nursing program. She said prospective students must also complete a personal interview with her before being admitted to the class. Both requirements are stipulations of the State Board of Nursing Examiners which also certifies the licensing examination.

The exam begins at 9 a.m. and cost \$15.00. Prospective students interested in taking the test for possible enrollment in the fall should contact the TSTI Nursing department at (915) 235-8441 ext. 60, prior to the testing dates.

Ladies Auxiliary meets

The Ladies' Auxiliary to Wilson Wyatt VFW Post 9178 will be selling Buddy Poppies on Saturday May 28. The sale of Buddy

Poppies before Memorial Day is the traditional way to bring attention to the sacrifices made by the nation's war dead in their struggle to keep America free.

The auxiliary maintains a relief fund into which is placed all net profits received from the sale of the poppies and these proceeds are used exclusively to assist disabled and needy veterans and the widows and children of deceased veterans.

COLORADO MIDDLE SCHOOL Principal James McLean presents Reggie Gardner and Raye Leigh Marion with American Legion School Medal Award during an assembly Friday.

Marion, Gardner given American Legion award

Raye Leigh Marion and Reggie Gardner, both 8th graders at Colorado Middle School, were presented with the American Legion School Medal Award Friday, May 20 in recognition of their Americanism qualities.

Raye Leigh is the daughter of David Marion of Colorado City and

Mrs. Linda Bell of San Angelo; Reggie is the son of Mr. and Mrs. Rayford Gardner of Colorado City.

Tom J. Goss II, Commander of the local American Legion post, said that the award is designed to place emphasis on the development of the qualities of courage, honor, leadership,

patriotism, scholarship and service; develop those ideals of Americanism among young people which will make them citizens of the highest type; give recognition through the award of American Legion Medals to the boy and to the girl who are deemed most worthy of the high qualities of citizenship and of true Americanism.

Goss noted that the award, which was initiated many years prior to World War II, can be presented to any student of any age, but in Colorado City it has traditionally been given to a boy and girl in the eighth grade.

Cheese program is cut

Due to the recent decline in retail cheese sales in supermarkets, the free cheese and butter program has been cut by the government.

Bertie Kidd, director of the commodities program for St. Luke United Methodist Church says that at this time St. Luke will not be furnishing any more commodities.

St. Luke receives its cheese from an office in Lubbock while the Lorraine Senior Citizen's Center and Wallace Center receives their commodities from Sweetwater.

Mrs. Kidd was informed by Bob Glosson, head of the Food Service Division in Austin that the program from St. Luke's would be discontinued. "They don't have it all worked out yet, but now the commodities will go to counties that have an unemployment rate of 10 percent and a high poverty level," stated Mrs. Kidd.

Presently Mitchell County has an unemployment rate of 6.5 percent, and according to Mrs. Kidd most of the counties along the border will qualify for the program.

Gladys Gerst, director of People for Progress in Sweetwater where the Wallace Center and Lorraine Senior Citizen Center receives their cheese said that commodities had been cut, but the two centers would continue to receive some commodities.

"There has been a 75 percent cut in the program, but cheese and butter will still be shipped in. Right now we are trying to coordinate it with the other counties," said Mrs. Gerst.

Mrs. Gerst also added that less people would be eligible for the commodities with the new stricter guidelines laid down by the government. The next shipment of commodities is expected to be distributed around June 15.

Pineda receives scholarship

Hector Pineda, son of Mr. and Mrs. Luis C. Pineda of Colorado City and a member of the National Honor Society of the Texas Alpha Iota chapter, was awarded a \$1,000 Robert G. and Nona R. Carr Academic Scholarship for 1983-84 in recognition of his academic and personal achievement.

He will be a senior this year at Angelo State University.

Vacation time begins now

Memorial Day weekend signals the start of the summer vacation season and increased dangers to motorists, according to the Texas Department of Public Safety.

Colonel Jim Adams, DPS director, urged drivers to exercise caution during the upcoming holiday weekend and throughout the summer.

"During the vacation season, more motorists will be exposed to high-

way driving hazards," Adams said. "Heeding the traffic laws, wearing seat belts, and staying alert for drunk drivers is the best defense for avoiding an accident."

The DPS director requested the assistance of Texas drivers in minimizing traffic deaths.

"Statewide traffic fatalities are now about 13 percent below the number for the same period last year," Adams po-

inted out. "But we also have to remember that the potential for additional fatalities during any holiday weekend is great and we must adjust our driving habits and attitudes accordingly."

A total of 58 traffic deaths resulted from accidents during the Memorial Day weekend in 1982.

"Troopers will be on the lookout for hazardous violations over the

Memorial Day weekend in an effort to prevent accidents and we do not intend to relax our efforts to prevent accidents and we do not intend to relax our efforts to arrest drunk drivers and cite speeders," Adams said. "These two violations continue to cause most of the traffic fatalities in our state."

Dearen is to study in USSR

In recognition of endeavors and contributions to the advancement of Track and Field, Mr. Larry Dearen, a high school coach and teacher of Kress, TX has been selected to study in the Soviet Union.

Dearen is the son of Virginia Dearen of Colorado City.

Dearen, along with others of North America's leading physical educators and coaches, departs for Moscow on May 29th for an intensified study period at the world famous Soviet Federal Institute of Sport and Physical Education. The course represents the most complete study of the Soviet system ever arranged for a foreign group. The course has been organized by Concordia University in Montreal through its International Institute of Comparative Physical Education.

The study was sanctioned by Soviet authorities under the terms of the Canada-USSR general exchange agreement signed by Prime Minister Trudeau and Premier Kosygin in 1972.

Scholarship auditions to be held

Howard College in Big Spring, department of Speech and Drama will begin preparation for a season of productions and performances this fall by holding scholarship auditions Saturday, June 11.

The auditions will be conducted in the Howard College auditorium by Tim Haynes, newly appointed instructor for the program. Haynes asked that all interested students bring a one page resume and a photograph to the audition. Each person should be prepared to present a memorized three to five page monologue taken from contemporary selections of their choice.

There will be two audition sessions on June 11. Students should attend one, but not both of the sessions.

The first session begins at 9 a.m. with registration followed by informal meeting and warm-ups. Auditions begin at 10 a.m. with 10 to 15 minute intervals.

The second session begins at 1:30 p.m. with auditions commencing at 2:30 p.m.

Those students who cannot attend one of the above audition times, but are interested in auditioning should notify Haynes in writing. These students will be notified of further audition possibilities pending scholarship availability.

For further information contact Tim Haynes at Howard College or the office of the Registrar.

News from.....

Loraine Leisure Lodge

LOCAL ARTIST Ann Rowell Gregory shares her talent with Loraine Nursing Center.

By MARSHA RICKARD
Mothers Day Sunday was just the beginning of a lovely Nursing Home Week. Sunday morning members of the First Baptist Church came and sang songs for us, then members of the First Methodist Church brought our Sunday church service. Punch and home baked cookies were served to all guests and residents. Every lady was given a

spring corsage in honor of the special day.

Monday and Tuesday was spent with our mini-olympics in preparation of the Senior Olympics in Abilene June 4.

Wednesday, balloons with each resident's name and address were released with hopes for a reply from a new friend.

Certificates of appreciation from the Texas Nursing Home Associa-

tion and Loraine Nursing Center were given to the churches who give of their time to us.

The Ruth Sunday School Class of Loraine First Baptist Church brought fruit for each resident, for whom we wish to say, "Thank you."

In past writings, I have mentioned outstanding employees; however, this time I would like to mention some outstanding volunteers.

Mr. and Mrs. Virgil Eaton have been volunteering their time for over five years on a weekly basis, missing only for health or bad weather. Glen Coon has come leading gospel singing for more than 4 years. These people are special and we wanted them to know it.

Local artist Ann Gre-

gory of Loraine came by and presented us with some original art work. A colorful Macaw parrot and beautiful white cocotidae temporarily grace our front windows. Many residents watched the whole process of painting, asking many questions and wishing to learn. The paintings will be changed

periodically, giving us something to look forward to.

Thanks to Corky Proctor, Loraine B&PW Club, Sylvester Rose and many others not brought to my attention.

Visiting our musical from Hockley, Texas were Milton and Betty Helfrich, friends of Nannie Swafford.

Ruth Class meets May 12

Mrs. Charlie Harris was hostess for the Ruth Class of First Baptist Church in Loraine when they met at 2:30 p.m. Thursday, May 12.

Meeting opened with group singing "Unclouded Day." Mrs. Clara Butler presided and gave the opening prayer.

Ida Baird brought the devotional on "Love" reading Mark 2:13-17. Each read scriptures on "Love" from heart shaped cards.

Mrs. Teance Hays, group leader, gave her report and Mrs. Nannie

Hallmark had each repeat their favorite scripture after which she directed a Bible quiz.

Mrs. Homer Mearse read minutes of the last meeting and Mrs. Charlie Harris gave report of the treasurer.

The hostess served freezer ice cream and fruit cake. Meeting closed with group singing "Bless Be the Tie that Binds."

Present were Mmes. Frances Porter, Lois Hobbs, Pauline Smiley, Clara Butler, Hallmark, Hays, Mearse and Baird.

ROSA ROSAS, activity director and Mary Lopez, nurses aid, ready balloons for the 3:00 p.m. release Wednesday honoring National Nursing Home Week.

Mr. and Mrs. Richard Blair of Slidell, LA visited his mother, Mrs. Ruth Blair Saturday, May 7 and she accompanied them to Roswell, NM and visited Mr. and Mrs. Billy Dale Blair. Returning to Fort Worth, they attended commencement exercises for her granddaughter, Rhonda Blair, at Texas Wesleyan College in Fort Worth and also while there attended commencement for a niece, Teresa Dugger, at Texas Christian University. She then visited a sister, Joyce Yant in Evant, and assisted her in her move to Iredell. While in Iredell she also visited her brother and wife, Mr. and Mrs. W. C. Harriss. Mrs. Harriss and Mrs. Yant brought her home Thursday.

Mr. and Mrs. Roy Wells arrived home Saturday, May 21 from Lubbock where Mr. Wells had been a patient and had undergone surgery for an aneurysm on May 11 at the Methodist Memorial Hospital.

Mrs. Ida Baird accompanied Mrs. Lowell Baird of Big Spring and Mr. and Mrs. Ray Ec-

hols of Coahoma and enjoyed a week of sight-seeing in beautiful Hawaii. They took the 850 mile Hawaii cruise on USS Constitution sailing from Honolulu, Oahu, around the Islands of Molokai, Lanai, Maui, Hawaii and Kauai. When the ship was in port, bus tours were made on the islands during the day.

The lush growth of flowers, fruit trees, shrubs, vines, Macadamia and pecan trees, mountains, ocean, etc. com-

bined to make the trip there a beautiful dream, they stated.

Don Small of Fort Worth spent Monday night with his mother, Mrs. Ruby Lee Small. They visited in the evening with Mrs. Barbara McGee in Snyder.

Mrs. Ruby Lee Small was supper guest in the Louis Small home in Colorado City Thursday night. Also visiting there was Paul Small from Payson, Arizona.

Myers speaks to local clubs

Deanna Myers, County Entomologist, spoke to the two Loraine TEHA Clubs, Baumann and North Loraine, when they met in joint meeting in the Lions Club Tuesday, May 17th.

Ms. Myers brought a program on "Tomato Pests," describing them and the damage they

can do in a short time for plants. Some of these she named were spider mites. Spider mites are not all alike in looks, she stated. They produce rapidly during the hot weather and cause the plant to lose color, flower buds shed and finally the plant dies if not treated. Treatment for

spider mites include Malathion, Kelthane (Difolene). Aphids are another insect that attacks tomatoes, and the plant, if not treated, finally dies. They may be treated with Brozinin, Malathion, etc. Other insects are the stink bug, tomato hornworm, praying mantis, stinging caterpillar; all of these must be treated in the early stages of attack or the plant will die, she stated. There are some insects such as the ladybug which is beneficial, she said.

Bernice Hallmark and Rosie Hamrick served punch and cookies to the speaker, Ms. Myers and Mmes. Raymond Wheeler, T. L. Holman, Clara Butler, Lynn Compton, Mable Givens, Pauline Griffin, Charlie Harris, Harvey Leach, Cullen Payne, Vada Preston, Pauline Smiley, Lester Webb and Chris Alexander.

Wheeler's host Wesleyan Class

Mr. and Mrs. Raymond Wheeler's backyard was the scene of a family night at 7:30 p.m. Monday, May 23 for the Wesleyan Sunday School Class.

Each family brought food, making it a pot luck occasion. Following the meal, the younger group played ball, sailed the frisbee, etc. One entertaining feature was brought by Trina Lemons, who played the guitar and sang in Spanish. She sang songs she had learned while serving as a missionary in Chile several years ago.

The fun and fellowship were enjoyed by the following: Mr. and Mrs. George Martin, Sh-

elia, Shelly and Gory; Mr. and Mrs. Ronald Bruce, Leslie and Greg; Mr. Edward Beaty, Jay and Tabby; Rev. and Mrs. Charlie Lummus, Lori and Lilah; Mr. and Mrs. H. B. Lemons, Alex and D'arcy and the Wheelers. Mrs. Lemons was a member of this class before moving to Fluvanna last year.

Average Billing can help smooth out high summer electric bills.

In the summer, intense Texas heat can make your air conditioner work longer and drive your electric bill up in a hurry.

Our Average Billing Plan can help by "averaging out" your payments. You still pay for all the electricity you use, and your payments will still vary from month to month. However, in high-use months you pay for less elec-

tricity than you use, and in low-use months you pay for more.

Average Billing can help smooth out high summer electric bills. It's available to both residential customers and churches.

GLADYS ODEN, former Mitchell County Librarian, receives a plaque recognizing her years of service to the library from Bob Reilly, representative of the library board. Mrs. Oden recently resigned her position at the library when she moved outside the county.

Johnson, Hertenberger united

Teri Johnson of Oklahoma City and Russell Neal Hertenberger of Aurora, Colorado were united in marriage during a 4 p.m. ceremony on April 29 in Aurora. Johnson of Eufala, OK and Mr. and Mrs. Buddy Neal Hertenberger of Colorado City.

Two locals to State 4-H Food Show

Mitchell County will be well represented at Texas A&M University June 7-8 at the 1983 State 4-H Food Show, Roundup and Project Show. The county's 4-H members will be among some 1,600 from across Texas taking part in a host of activities, says Marian Morris, county 4-H program coordinator with the Texas Agricultural Extension Service, Texas A&M University System.

Jennifer Beasley, daughter of Mr. and Mrs. Kenneth Beasley, and Shelia Benson, daughter of Mr. and Mrs. Bob Benson, will be attending the Roundup. Jennifer will compete in the Health contest and Shelia will compete in the Farm and Ranch Management contest.

A special feature of this year's Roundup will be a 75th anniversary celebration commemorating the beginning of the 4-H program in Texas. The 1,600 4-H'ers

attending Roundup will assemble on Kyle Field at Texas A&M University to form a huge 4-H clover leaf.

Activities will get under way with the State 4-H Food Show on June 7 followed by 39 Roundup contests and the Project Show on June 8.

The opening assembly

for the Roundup will begin at 6:45 p.m. June 7 with the recognition of 72 outstanding 4-H members who will receive scholarships totaling more than \$332,000. Five long-time supporters of the 4-H program also will be recognized with special awards from the Texas 4-H Foundation, says Morris.

That evening the 4-H'ers will gather on Kyle Field to form the gigantic clover leaf.

A special luncheon on June 8 will recognize 28 outstanding 4-H adult volunteer leaders from across the state who will receive special plaques from the Texas 4-H Foundation.

4-H'ers competing in

the State Food Show and Roundup contests must qualify by winning in county and district competition, points out Morris. The State Project Show is open to all 4-H youth who are interested in preparing exhibits about particular project areas in which they have excelled.

Hoyle wins Spring Run

Cheryl Hoyle

A Colorado City local fared well last weekend in the KBST Spring Run held in Big Spring Saturday.

Cheryl Hoyle, virtual-

ly a newcomer to competitive running fared well by placing first in the 10 kilometer run (6.2 miles).

Mrs. Hoyle, who has

been running for two-and-a-half months, won the women's 26-39 age group in a time of 53:57. She stated that she started running to lose weight, but now finds it quite enjoyable.

Mrs. Hoyle's training consists of running three miles daily and riding 20 miles daily on her stationary bicycle. Her next competitive race will be June 4 in San Angelo when she will compete in the 8 kilometer run.

Other area locals fared well in the Marathon of the Southwest, which was held in April in Abilene.

Hoyle, competing in the women's 20-29 age group, placed third in the five kilometer run (26:19). Patrice McKinney finished third in the women's 30-39 age group in the half marathon with a time of 1:48.11.

In the half-marathon men's 60 and other division, C. L. Casey placed third with a time of 2:50.51. Edward Levesque came away with top honors in the men's 30-39 age group in the full marathon. His time was 2:55.07.

Class of 53 plans reunion

The 30th reunion of the class of 1953 of Colorado High School will be held Saturday, May 28

at the C. C. Thompson Room in the City National Bank Annex.

The day's activities will get underway at 9 a.m. with coffee and doughnuts. Visiting will continue throughout the day, climaxing with a barbeque, program and business session for class members and their guests.

All CHS graduates, parents, teachers and friends are invited to attend the reunion.

Among class members attending will be Don Maynard, who will be inducted into the Texas Sports Hall of Fame on June 3. Others are expected from California, Virginia, Colorado, Missouri, New Mexico, Oklahoma and various parts of Texas.

South Korea to get credit

A \$50 million blended credit package for South Korean purchases of U.S. cotton will be approved as a result of strong Congressional pressure, Congressman Charles W. Stenholm (D-Stamford) announced.

The decision to approve the credit, which will enhance sales of American cotton to the Asian nation, is a turnaround from an earlier Administration rejection.

"It's long overdue, but this is a welcome turnaround," Stenholm said. "I've made it very clear to the White House and the Treasury Department that this is a matter of great importance to West Texas cotton. The Administration was running a big risk by holding up the blended credit package for cotton. Approval of the package is a very positive move, and I am glad that a strong bipartisan effort brought it about."

VFW Post 9178 has party for veterans

On Friday, May 20, VFW Post 9178 and its Ladies' Auxiliary hosted the monthly birthday party at the Nursing Home Care Unit of the Veterans Administration Hospital in Big Spring, serving cake, cookies, punch and coffee to approximately 16 patients.

The cookies were baked by Shirley Stafford, Dorothy Clark and Ann Ingram served.

The VFW and Auxiliary also donated a flag to Root Valley Fair Lodge for use in a memorial service and also 24 small flags for use as decorations.

Preston honored with retirement reception

Mrs. Iris Preston will retire from teaching in Loraine High School on Friday of this week. She may have trouble in September in breaking the habit of going up the hill to school every morning because for 27 years she has been going to class every school day, not missing many days.

Friends of Mrs. Preston, the Loraine School Board and Glen Sanders hosted a reception for her Sunday afternoon in

the school cafeteria.

Mrs. Vida Mae McDaniell played the piano as Tersa Clifton sang "I'd Like to Teach the World to Sing" and "Deep in the Heart of Texas."

Mrs. Billie Ruth Tartt read an original poem depicting Mrs. Preston's school teaching days. Sherry and Jennifer Hackfeld sang "Dear Hearts and Gentle People," "This Land is Our Land" and an original twist to "School Days" composed by

Vida Mae.

Mr. Sanders presented Mrs. Preston with an engraved plaque from the Loraine School Board and a gift from the Loraine faculty. Bro. David McNary and Steve Mason sang personal songs to Iris, "Enjoy yourself, It's Later than you Think;" then to Mr. Preston, they sang "Baby Face."

At the conclusion of the program, Sherry and Jennifer Hackfeld and Teresa Clifton led the group in singing "God Bless America."

Lemon slush and dainty cookies were served by Jana Britton and Stephanie McAdams from a beautifully appointed table which featured spring flowers.

WALT STAATS of the Colorado City Bass Club, proudly displays the six pound, eleven ounce black bass which won him third place as well as the trophy for the largest fish at the Sweetwater Bass Club Invitational Tournament held May 21 at Lake Oak Creek. This was Staats's biggest fish of his career, and he plans to have the luncheon mounted.

Jarratt performs for Methodist Church

Curtis Jarratt, from Ruidoso, NM was a guest singer at the Loraine Methodist Church in their morning service May 15th.

Following the "dinner on the ground" meal at the church, Jarratt was master of ceremonies

for a community sing-song in the afternoon. This involved several groups, both local and

out of town singers. Mrs. Frank Crownover, Mrs. J. D. Norman and Mrs. Marion Mahon are aunts of Mr. Jarratt.

MRS. CARL JAMES accepts a plaque from Mayor Elmer Martin recognizing the civic pride shown by her in keeping a vacant lot beside her home beautiful since 1972. Mrs. James has planted a variety of flowers, trees and shrubs surrounded by a hedge during the past 11 years.

James takes pride in her flower garden

In 1972, Mrs. Carl James' daughter bought a lot at the corner of 10th and Elm so that Mrs. James could have the kind of flower garden she wanted.

Since that time, Mrs. James has filled the lot with larkspur, poppies, cactus and several other kinds of flowers, as well as a mimosa tree, a rock garden and a hedge.

The hedge, about 3½ feet high, was carefully planted far enough back

from the curb so that it doesn't obstruct the view of motorists who are negotiating the intersection.

Mrs. James said, "My mother always had a flower garden. I love flowers and I love working in my garden."

For many years, Mrs. James entered flowers from her garden and regularly won blue ribbons for them. As she says, "I won blue rib-

United Methodist Women observe "Spiritual Day"

The United Methodist Women of Loraine hosted the Big Spring District U.M. Women at the local church on Saturday, May 14. This was the "Spiritual Day Ap- art" that is observed annually. It was an all-day affair, with a "brown bag" lunch.

Eighteen Methodist Women Groups make up the Big Spring District and most of them were represented.

President of the group is Mrs. Ben Boadle, for-

merly Moddine Miles, of Big Spring. She was a former Lorainian, having grown up in the Loraine church. More than 40 women attended the meeting.

The program dealt with the spiritual growth through prayer and service.

A most outstanding speaker, Mrs. Edith Ervin from Abilene, brought the morning and afternoon message.

Mrs. Ervin cited several instances of answ-

ered prayer in her own life. One experience she

related was when a son was captured at the Embassy when it was taken over in Iran. Not knowing if he were dead or alive, she and her hus-

band asked the Lord for a specific answer, and a few hours later they saw their son walk across the television screen. In her own heart she knew it was an answer from God. Other interesting facts were given.

House passes bill to aid fire funds

A bill that would put millions of dollars into a Fire Department Emergency Fund has been passed in the Texas House of Representatives and is headed for consideration in the Senate.

The legislation, passed as HB 1536 and HJR 86, would raise by ¼ percent an existing tax that the State Board of Insurance currently receives from fire casualty premiums collected in Texas and put the monies into a fund from which grants and low-interest loans would be allocated to individual fire departments.

Equipment funding for Texas fire departments is a pressing need for fire prevention and

safety. Many of the rural areas of Texas depend on 30-year-old fire trucks for protection of homes and property.

"You can't fight fires with Indian blankets any more," says Ron Waters, executive manager of the State Firemen's and Fire Marshals' Association of Texas, a 107-year-old association which represents most of the 1,500 fire departments in Texas.

"Two major sources of funds for equipment purchases have been lost in recent years," according to Waters. "Low-interest loans previously available on a competitive basis through federal revenue-sharing programs have dried up, and the tradi-

tional fund-raising barbecue no longer nets enough money to buy a major item like a pump-mer-which today costs over \$100,000.

"If ever there were a chance to help fire departments in Texas, this is it. Every firefighter in the state should call his or her state senator and voice support for this important legislation," Waters says.

USGA Softball League begins 1983 season

The USGA softball league kicked off play Monday night following opening ceremonies conducted at the girls softball diamond in Ruddick Park.

After league secretary Judy Chitsey introduced the six teams in Divisions I and II the

Division I Champions and Panthers treated the crowd to a competitive game.

After playing the regulation five innings, the game went into extra innings, and was finally called because of time limit, with the score being tied 19-19.

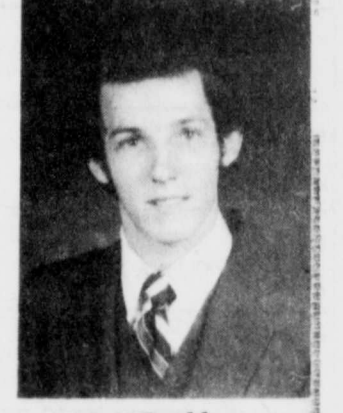

The following game in Division II saw the Chargers rally in the final two innings to overtake the Chics 17-12. Denise Lowrance hit a homerun for the Chargers and Ginny Gilstrap was the winning pitcher. Tammy Bradley took the loss for the Chics.

STRIKE THE PANTHERS - Christi Davila lets fly with a strike in opening day action at the USGA league opener. The Panthers and Champions tied 19-19.

Mitchell County youths awarded scholarships

Three Mitchell County students have been awarded scholarships of \$800 each by the Opti-Ms., announced club President Billie Forbes.

They are Pam Wilson of Colorado City, Margaret Alvarez of Lorraine and Matt Buckley of Westbrook.

Mrs. Forbes said that money for the scholar-

ships had come primarily from the Youth Bas-

ketball games held earlier in the year.

Heritage Program registration underway

Program opened May 10 and will extend through August 16.

"Hard times have dogged the farmer constantly," said Hightower, "making it all the more commendable that some families have managed to keep the old home place in production for a century or more."

The Family Land Heritage Program was created by the Texas Department of Agriculture to honor families who own land which has been maintained in agricultural production for 100 years or more by the members of that family.

Since 1974, when the program began, 1,558 properties in Texas have qualified for the Family Land Heritage Program.

The basic requirements of the program are: Continuous agricul-

tural production on the farm-ranch for 100 years, land ownership within the family, complete operation or supervision of the farm-ranch production by family members who are Texas residents, and a size of at least 10 acres with a minimum of \$50 income from farm or ranch products or if less than 10 acres, sales of at least \$250 a year. TDA is the final judge of eligibility.

"The major emphasis of my administration is to protect and encourage the family farm system," said Hightower, "and no one is more representative of the ingenuity and perseverance of that system than these families. They are living, productive symbols of an entrepreneurial unit that is our lifeblood. While we will celebrate their achieve-

ments of the past, we really are pointing out the importance they hold for us in the future. We will honor this year's certified registrants at a state ceremony in the Capitol next November," Hightower said. The honorees will receive a certificate and a copy of the Family Land Heritage Registry. The Registry is a brief history of each farm or ranch and includes old photographs of

the families and homes. Those who feel they meet the basic qualifications and wish to apply may obtain an application from their County Judge, County Historical Commission chair-

man, the nearest TDA district office, or by writing to: Family Land Heritage Program, Texas Department of Agriculture, P.O. Box 12847, Austin, TX 78711.

Fraud warning

Colorado City Police Chief Ed Wheat warns residents that a person claiming to be raising money for "Helping Hand" is again trying to sell light bulbs to area citizens.

This unknown person is not connected with the local Helping Hand in any way, said the organizations' director, Virginia Jones.

Wheat said that the evasive manner of the person doing the calling leads him to believe that it is a fraudulent scheme.

VA money must go for own home

Veterans seeking Veterans Administration-guaranteed loans for purchase or construction of a home must certify that they intend to occupy the property as their own residence, advises the Director, Waco VA Regional Office.

If the loan is for refinancing, altering, improving or repairing a home, he added, the veteran must certify that he or she is the owner and occupant of the home. He stressed that veterans should be aware that making a false certification to the VA could subject that veteran to possible criminal prosecution.

For further information, write, visit or telephone the Waco VA Region Office toll-free number listed in your

local telephone directory under "Veterans

Administration" or "U.S. Government." A

VA counselor will respond.
