Tension Grips India; Bloody Battle Fought

U. S. And British Property Attacked By Native Mobs

(By The United Press)

CALCUTTA, Nov. 23 — Four American soldiers were killed and more than 30 injured, several seriously, in two days of rioting which still raged unabated tonight through the streets of Calcutta.

A jeep tour of the city with an escort of U. S. military police, helmeted and armed with tommy guns, revealed lawless elements of Indians throwing up road blocks and overturning military vehicles, many of which were set on fire.

U. S. Troops Killed

A U. S. Army major and three other soldiers were killed and additional troops wounded when an Indian mob attacked the American Officers' club during the night.

Unconfirmed reports circulated that six Indians were killed this afternoon in a renewed outburst of violence, and 40 policemen were wounded. The unofficial Indian casualty toll was 21 dead and more than 125 injured.

All U. S. Army vehicles in Calcutta were flying American flags and moving about the city only in heavily armed convoys. American military police were ordered to fire only to protect their own or other U. S. lives.

Vehicles Are Wrecked

At least 15 U. S. vehicles were burned or otherwise wrecked. One American ambulance driver whose vehicle was found overturned and burning was missing.

An American lieutenant was hauled out of a command car when he was proceeding to a hospital after being injured. He was beaten severely, suffering a possible skull fracture. Another officer with him was injured less seriously.

Urged To Cease Violence

Cars bearing insignia of the Congress Nationalist party were touring the city, urging the people by loud speaker to cease the violence. The spokesmen quoted messages from Congress leaders saying that if the Indians wanted freedom they should stop the rioting.

The entire city still was out of bounds for American personnel.

A government official expressed the opinion that the situation might develop into Hindu-Moslem communal riots.

Protests Are Lodged

The rioting began as demonstrations on Indian National Army day, with specific protests against the trial of former Indian officers of the Japanese-supported "National Army" at New Delhi. The Army was organized by the late Subhas Chandra Bose to fight on the Japanese side against the Allies.

Newspapers displayed prominently today morgue pictures showing Indians killed in the rioting, along with inflammatory editorials.

The rioting appeared to have been precipitated by hodgepodge elements of unruly Indians who

Philippine Election Is Asked By Truman

WASHINGTON, Nov. 23. (AP)—President Truman today asked Congress to authorize a general election for national offices in the Philippine islands "not later than April 30, 1946, with the newly elected president, vice-president and Congress taking office not later than May 28, 1946."

In identical letters to the chairman of the Senate and House committees on insular affairs the chief executive asked approval of this as "an emergency problem" before Congress quits "for the holidays."

Weather Report

WEST TEXAS: Fair this afternoon, tonight and Saturday. Not quite so cold in the Panhandle and South Plains tonight. Warmer Saturday.

EAST TEXAS: Fair and continued cold this afternoon and tonight. Lowest temperatures 26-30 degrees in north, 32-35 degrees in west central portion and near 36 degrees near the upper coast. Heavy to killing frost in the northeast and near the upper coast tonight. Saturday fair, not quite so cool in the afternoon. Gentle, variable winds on the coast.

EXTENDED FORECAST: For the period 7:30 p.m. tonight through 7:40 p.m. Nov. 28:

Texas gulf plains, northeast Texas, and western Louisiana: Temperatures will average about 3 below normal; cold beginning with slow rising trend through Monday; light precipitation beginning Monday or Tuesday.

Texas west of gulf plains: Temperatures will average 2 to 3 below normal; rather cold beginning with slow rising trend through Sunday; light precipitation beginning Monday or Tuesday.

Hull Expected Japs' Attack

Hungry Japs Storm American Warehouse And Seize Food

180 Persons Held; Warlords Still Are Giving Up

(By The Associated Press)

TOKYO, Nov. 23 — An American Army warehouse was broken into by rioting, hungry Japanese at Sendai today, while warlords whose dreams of conquest had brought incipient famine surrendered one by one to Allied jailers.

Two hundred Japanese laborers, including women, ransacked the Army warehouse, taking food and other items, Sendai police reported. The police arrested 180 persons, including 94 women. There was no indication that there were any Americans guarding or near the warehouse at the time.

Other Similar Incidents

There have been similar outbreaks in recent weeks on Hokkaido, northernmost home island, but none involving American stores have been reported. Sendai, on Honshu, is within 200 miles of Tokyo.

Gen. Kuniaki Koiso, successor to Pearl Harbor Premier Hideki Tojo, surrendered this afternoon at Sugamo prison. He is the third of 11 warlords newly listed by General MacArthur to surrender on war crimes charges and he protested:

"We believe in our innocence."

Tried To Gain Peace

He said he also believed — as early as July, 1944 — that Japan had lost the war, and he added made unsuccessful efforts through China to negotiate a peace.

MacArthur headquarters today ordered the Japanese government to apprehend Col. Tadashi Kawashima, formerly with the Japanese Sixth Army headquarters at Hankow, and delivered him to Sugamo prison.

Baron Gen. Sadao Araki, known as "the high priest of the military cult," and Yoshisa Kuzuu, head of the terroristic Black Dragon society, surrendered at Sugamo prison yesterday. A fourth, Baron Gen. Shigeru Honjo, who precipitated the Mukden incident and the conquest of Manchuria, committed hara-kiri rather than give himself up.

OPA Finds No Cause To Hike Steel Price

WASHINGTON, Nov. 23. (AP)—Price Administrator Chester Bowles announced today that OPA "finds no cause at this time for a general increase in steel prices."

He said, however, that the price situation would be "reviewed promptly and carefully" when the next financial returns of the steel companies are submitted after Jan. 1, 1946.

OPA's refusal to increase prices now has an important bearing on demands of the CIO steelworkers union that the United States Steel corporation grant a $2-a-day wage increase.

Benjamin F. Fairless, president of the corporation, said recently that the wage demand would not be considered until after OPA acted on the request of the steel industry for "substantial" price increases of steel products to compensate "for past heavy increases in cost."

Arkansas Baptists Agree With Texans

LITTLE ROCK, Nov. 23. (AP)—The Arkansas Baptist state convention has adopted a resolution forbidding the award of degrees by its educational institutions to persons who condone drinking and gambling.

The action followed that of the Baptist General convention of Texas which recently took note of the "reported attitude" of President Truman toward drinking and gambling and instructed Baptist colleges and universities not to confer honorary degrees on "those holding to such positions."

Baylor university at Waco, Tex., has offered an honorary degree to President Truman.

Allied Leaders Will Pay Visit To Tokyo

WASHINGTON, Nov. 23. (AP)—The Allied Far Eastern advisory commission will go to Japan "in the near future," with the approval of General Douglas MacArthur, it was announced today.

The commission—made up of representatives of ten Allied governments—has been meeting here since it was established at the end of last month.

Snowplows And Crews Get First Workout Of The Season As Winter Roars In With Vengeance During Thanksgiving Holiday

(By The United Press)

Snowplows and crews were given their first workout of the season as winter roared in with a vengeance during the Thanksgiving day holiday.

The populace felt it, and the weatherman confirmed it.

The mercury dropped drastically over most of the nation, with a reading of five below zero at Minot, N. D.

The season's first snow fell yesterday and last night, snarling traffic north of Chicago.

While the rest of the nation shivered, Miami recorded a high of 81 degrees. Los Angeles had 80 degrees.

KILLING FROSTS AGAIN NIP AREAS IN TEXAS

(By The United Press)

Killing frosts again nipped at Texas plant life over a major portion of the state today as clear skies and a cold wave prevailed for the second straight day.

The Dallas weather bureau reported that the killing frost extended as far south as San Antonio and Navasota again today as temperatures throughout the state

(Turn to Page 9, Column 6, Please)

Hitler Ordered No Mercy For Poland

Nazi Generals Told To Kill Men, Women And Children; Scoffed At World Opinion

(By The Associated Press)

NUERNBERG, Nov. 23 — Ten days before the Germans attacked Poland in 1939 Hitler told his generals he had given orders "to kill without mercy all men, women and children of the Polish race or language" and that German troops wearing Polish uniforms would be used in an attempt to conceal the Nazi aggression, the American prosecution charged at the war crimes trial today.

The prosecution, outlining its major case that Hitler and his chief 20 aides on trial at Nuernberg plotted aggressive warfare that cost the lives of millions, began the introduction of "10 documents never before revealed."

Copy Of Speech

Among them was the speech, a copy of which was captured from the Germans, which Hitler made to his generals at Obersalzberg on Aug. 22.

"The invasion and extermination of Poland begins Saturday morning," the fuehrer was quoted. "I will have a few companies in Polish uniform attack in upper Silesia or in the protectorate. Whether the world believes it or not does not mean a damn to me. The world believes only in success."

In the course of this speech, at conclusion of which the German stenographic record showed Hermann Goering jumped on a table and "danced like a savage," Hitler also declared:

Occasion Favorable

"The occasion is favorable now as it never has been. I have only one fear and that is that Chamberlain (prime minister of England) or such another dirty swine comes to me with propositions to change my mind. He will be thrown downstairs even if I must personally kick him in the belly before the eyes of all the photographers."

The veil of mystery around the powerful German industrialists who became merchants of death for Hitler's schemes to rebuild the

France Wants Equal Rights

PARIS, Nov. 23 (U.P.) — Gen. Charles De Gaulle won a unanimous vote of confidence from the French assembly today after delivering a vigorous statement of policy in which he demanded an equal voice for France in all big power decisions on atomic energy and other world problems.

De Gaulle's coalition government which will hold office until the fourth republic comes into being next year, was endorsed without an opposing vote by all parties in the assembly.

Atom Bomb Mentioned

The vote was taken at the close of his foreign and domestic policy statement in which he proposed international control of the atom bomb, a major role for France in world affairs, and nationalization of key French industries.

De Gaulle said France would never submit to any decisions made by the other major powers on which she had not been consulted.

He said that French foreign policy was based on the closest possible relations with the United States, Russia and Britain, but at the same time claimed the right to sign regional security pacts with France's neighbor states.

Support Is Pledged

Immediately after De Gaulle concluded his 30-minute address to the French assembly, Socialist Leader Andre Philipe pledged the support of his party to the new coalition government and urged intensified atomic research in France's laboratories.

"In a world dominated by the atom bomb, our security doesn't depend on hundreds of thousands of men under arms and thousands of women in uniform, but on the work done in our laboratories," Philipe said.

Former Hungarian Premier To Hang

BUDAPEST, Hungary, Nov. 23. (AP)—Former Hungarian Premier Bela Imredy was sentenced by the peoples court today to hang. He was convicted after a 10-day trial on charges of committing war crimes and anti-Jewish acts.

Government prosecutors had accused Imredy of sacrificing his country for his personal ambitions

IN FOR DISAPPOINTMENT

NEWARK, N. J., Nov. 23. (AP)—Thieves who stole 125,000 red ration points in two burglaries during the night are in for a severe disappointment today—all red points become valueless at midnight, with the end of meat and fats rationing.

Pork And Butter Still Scarce In Grocery Stores Of Lubbock

Don't go into your grocery store tomorrow and try to buy a pound of bacon or a cured ham.

Rationing of all meats, it's true, will be discarded at midnight. That will make it easier to purchase what is available—but will not create what is unavailable.

Pork Products Low

Packers and produce men told The Evening Journal that only 20 per cent of the pork and pork products demand is available in Lubbock meat counters. Any extensive run on what is there would reduce further the scant supplies which have offered as equitable a distribution as is possible when stocks are low.

Beef products are something else again. There is plenty. Butter is not so plentiful as is usual on the High Plains, which has been recognized as one of the most important shipping areas in the country. That is due to the drouth and its two-fold contribution to shortages: By reducing pasturages and feed crops and by influencing the selling off of dairy herds.

Meat Is Shipped Out

At the moment, the pork situation here is better than it will be probably for six to 10 months, producers and slaughtering houses

(Turn to Page 9, Column 7, Please)

Former State Chief Warned U. S. Cabinet

Declares That He And FDR Played For More Time

(By The Associated Press)

WASHINGTON, Nov. 23—Cordell Hull told congressional investigators today that he had expected war with Japan prior to the Pearl Harbor attack and that he and President Roosevelt had maneuvered desperately to gain time.

The ailing 74-year-old former secretary of State gave his account of diplomatic negotiations on the eve of hostilities in a prepared statement to a Senate-House committee investigating the disaster.

Never Gave Ultimatum

He said he and Mr. Roosevelt sought to avoid a "showdown with the Japanese and never gave Japan any ultimatum.

Because of Hull's health, the committee permitted a committee counsel, Gerhard Cesell, to read the former secretary's memorandum. Hull himself was excused from the morning session after putting in an early appearance.

Before the inquiry resumed after a Thanksgiving day recess, Senator Lucas (D-Ill) told reporters that former Postmaster General Frank Walker probably will be called to tell of his part in the diplomatic talks with Japan before the Nipponese struck at Pearl Harbor on Dec. 7, 1941.

In his statement Hull made these points:

Gave Repeated Warnings

1. He gave the cabinet repeated warnings before Dec. 7, 1941, that Japan could be expected to attack "anywhere, anytime," since there appeared to be no hope of successful diplomatic negotiations.

2. Hull said that only by the United States yielding "fundamental principles" could the Pearl Harbor attack have been prevented, with the prospect that it would have come after Japan "consolidated the gains she would have made without fighting."

3. He asserted that the cornerstone of his and President Roosevelt's efforts were to "avoid a showdown" with Japan while this country strengthened its defenses, adding that he "concurred completely in the view that no ultimatum should be delivered to Japan."

Agreement Reached

4. He revealed that most of the information this government received indicated the Japanese would concentrate attacks on the Kra peninsula and the Dutch East Indies.

5. He disclosed that at the Atlantic conference President Roosevelt had agreed with Prime Minister Churchill to take "parallel

More Than 100 Die In Holiday Mishaps

(By The United Press)

The nation's first peacetime Thanksgiving day observance since 1941 was marked by the death of more than 100 persons in holiday accidents, a United Press survey disclosed today.

Seventy three persons died as the result of automobile mishaps, and 40 died in fires, falls and other accidents.

The National Safety council had predicted that 100 persons would be killed in traffic accidents during the holiday.

Ohio reported the largest number of deaths with 14. Michigan and Pennsylvania each had 11. New York reported 10, and California, nine.

In Chicago, a six year old girl's Thanksgiving party ended in tragedy when a hot water boiler exploded, scalding and killing the child, and injuring 10 other persons.

Near Pittsburg a small boy was burned to death and 10 others injured when a can of anti-freeze overturned and caught fire.

Bob Quinn Resigns His Baseball Job

BOSTON, Nov. 23. (AP)—Bob Quinn, veteran baseball executive, resigned today as head of the Boston Braves farm system, effective Nov. 30.

Quinn, who is 75, has been with the Braves since December, 1935, and stepped down about a year ago as general manager in favor of his son, John.

Lou Perini, president of the Braves, announced the resignation and said he did not know who would take Quinn's place.

Phone Strike Is Threatened

Nationwide Tieup Of Long Distance Service Seen; GM Strike Continues

(By The United Press)

Union leaders awaited a company reply to requests for arbitration in the General Motors strike today, and a nationwide long-distance telephone tieup was threatened because of a walkout of Illinois toll operators.

Peace efforts in the GM dispute, affecting 175,000 of the 477,000 idle U. S. workers, shifted to Washington, where Labor Secretary Lewis B. Schwellenbach was expected to take a personal hand in the showdown wage battle between the nation's biggest manufacturer and the CIO United Auto Workers union.

UAW officials indicated that an answer to the union's proposals, expected sometime today, would receive favorable consideration if it agreed "in principle" with the theory of voluntary arbitration.

Warnnig Is Given

Meanwhile, James A. Bierne, president of the National Federation of Telephone Workers, came to Chicago from New York to take over leadership in a strike of 8,700 toll operators which has tied up service throughout Illinois.

Beirne immediately went into a conference with U. S conciliation service representatives and officials of the Illinois Bell Telephone company. He warned that the strike would spread throughout the nation "if the situation warrants."

Thousands May Quit

Bierne's decision to come to Chicago followed an announcement by J. H. Moran, president of the Federation of Long Lines Telephone Workers, an N.F.T.W. affiliate, that 22,000 long-distance operators in 42 states might walk out in sympathy.

Hopes for immediate resumption

(Turn to Page 9, Column 7, Please)

Japs Are Fighting By Side Of British

Negotiations For Peace In Revolt Breaking Down

(By The United Press)

Seven hundred Japanese soldiers, charged with preserving law and order, fought side by side with British troops in Semarang today to quell Indonesian native uprising which persisted throughout Java after a breakdown of peace negotiations.

British commanders assigned the conquered Japanese forces to guard one section of Semarang. Military informants said the Japanese were "naturally participating in the maintenance of law and order."

Described As Good Troops

A British spokesman described the Japanese as "good troops who fight well."

The Japanese troops fighting under British control in Semarang met stiff opposition from the Indonesians and attacked briskly yesterday. Like the British troops, they are permitted to shoot anyone bearing arms, but a British spokesman said they had been "very good" about taking Indonesians prisoners instead of killing them.

Peace Efforts Fail

Efforts to reach a peaceful settlement were at a standstill. The Indonesian "Republican government" was adamant in its refusal to participate in any discussions with the Dutch, whom it accused of disturbing the peace among the Indonesians.

Meanwhile, Chinese Nationalist troops in Chungking were reported laying siege today to the important Manchurian port of Hulutao following capture of Leinshan, rail junction 10 miles to the west.

Early fall of the port was predicted, opening the way for the Nationalists to pour troops into Manchuria by sea.

Armored Divisions On Hand

A government Army officer who returned recently from the North China port of Chinwangtao said the Communists had two complete armored divisions in Manchuria

(Turn to Page 9, Column 3, Please)

General Eisenhower Is Now In Hospital

WASHINGTON, Nov. 23. (AP)—Gen. Dwight D. Eisenhower, newly designated chief of staff, has entered Ashford General hospital at White Sulphur Springs, W. Va.

In announcing this today, the Army said Eisenhower had entered the hospital on the advice of his physician, Maj. Gen. Howard M. Snyder, to prevent development of complications from a severe cold.

When Eisenhower testified yesterday before a House foreign relations committee, his voice was hoarse and his face flushed. He disclosed at that time that the cold might prevent his following out his plans to return to Germany by air today.

Mrs. Eisenhower is ill with pneumonia at Boone, Ia., but is reported improving satisfactorily.

Farm Policies Face Revision

WASHINGTON, Nov. 23. (AP)—A sharp revision in government farm price policies after the post-war adjustment period appears to be shaping up as a goal of the Truman administration.

That revision would take the form of lower price guarantees for some crops—particularly those which now can be produced much more cheaply through use of mechanized methods. It also might result in somewhat higher prices for those requiring a high degree of labor.

Reduction In Prices

Commodities which would be reduced in price include cotton and wheat, two major export crops. Under present government price laws, these commodities are too high for a world market amply supplied by other producing countries. Even now, the United States is employing subsidies to permit its cotton and wheat flour to compete in the export market.

The export subsidy is 4 cents a pound on cotton and 18 cents a hundred pounds on flour.

Indications on administration thinking have been given in recent speeches by Secretary of State Byrnes and Secretary of Agriculture Anderson.

Byrnes, in a speech at Charleston, S. C., last week, outlined foreign trade policies of the administration. Those policies seek, he said, the elimination of barriers to world trade and use of export subsidies in exceptional cases only.

Speaking before state commissioners and secretaries of agriculture at Memphis, Anderson declared price goals of present farm laws "have little relation to reality" in their application to some commodities. He cited cotton and cautioned that it faces possible

(Turn to Page 9, Column 4, Please)

Tragedy Strikes In Rio Grande Valley

BROWNSVILLE, Nov. 23 (U.P.)—Tragedy struck three times on Thanksgiving day in the lower Rio Grande valley.

An aged blind woman was burned to death, a seven-year-old boy was drowned and a four year old boy was killed by an automobile.

At Mercedes, Mrs. Ida May Banks, 89, burned to death when her clothing caught fire as she stood in front of a gas stove.

Also at Mercedes, Bobby Adams, 7, fell into an irrigation canal at the outskirts of the town and drowned.

And at Weslaco, Ezekiel Jasso, 4, was struck and killed by a car as he started across a highway near his home.

JAPS REPATRIATED

TOKYO, Nov. 23. (AP) — Kyodo news agency today reported that 213,446 demobilized Japanese servicemen and civilians had been repatriated between Nov. 1 and Nov. 15. They included nearly 60,000 aboard Allied ships.

Win, Lose Or Draw Alabama Is Chosen To Play In Rose Bowl

NEW ORLEANS, Nov. 23. (U.P.)—Alabama will go to the Rose Bowl regardless of a win, loss or draw with mighty Mississippi State Dec. 1, it was learned authoritatively here today.

The source said that Alabama, undefeated and untied so far, had been dickering with the Sugar bowl — but that Coach Frank Thomas agreed to the Rose bowl invite because most of his team members wanted to make the California trip.

Army Not Wanted

The squad played in the Sugar bowl here last year, and also passed through New Orleans once this season to play Louisiana State at Baton Rouge.

It was reported that the Rose bowl agreed to take Alabama into its Jan. 1 classic despite the possibilities that Army would accept an invitation.

The idea was that Alabama would provide a better game with the western conference representative. Most football authorities agreed that there's not a team in the country, except possibility Navy, that could give Army a game this year.

The 'Bama decision to go west this year leaves the Suagr bowl

(Turn to Page 9, Column 5, Please)

Fats And Oils Also Released At Midnight

Sugar Only Food Left On Nation's Rationing List

(By The Associated Press)

WASHINGTON, Nov. 23.—All meat rationing ends tomorrow. At the same time, all food fats become point-free.

Secretary of Agriculture Anderson made these announcements to a news conference today. The food

SAVE THAT RATION BOOK

WASHINGTON, Nov. 23. (AP)—OPA today cautioned the public to be sure to save ration book number four for buying sugar.

The sugar stamp currently valid is number 30. It will be good for five pounds through December 31.

fats freed from the ration program include butter, margarine, lard and shortening. The meat rationing termination also applies to canned fish.

Sugar Only Food Left

Sugar is now the only food left on the ration list.

Since Sept. 30, about one-third of the meat supply has been ration-free. This included the lower grades of beef, veal and lamb. Only choice cuts of those meats and virtually all pork had remained on the ration list after that time.

The meats and fats rationing program was started March 29, 1943.

To End Tonight

The termination is effective at 12:01 a. m. Saturday.

Secretary Anderson said there is no immediate prospect of lifting sugar rationing.

Anderson estimated that lifting of rationing will make meat available for civilians in December at an annual rate of 165 pounds per capita compared with an annual rate of 110 pounds during the early spring and summer.

In announcing the action, Anderson said the decision was agreed to by Price Administrator Chester Bowles.

Discussed At Conference

The whole question of continuing rationing was discussed at a White House conference Wednesday night attended by both Anderson and Bowles.

The secretary said the ending of rationing will in no way affect government plans for the shipment of meats and certain fats and oils to Allied and liberated countries.

Anderson said the supplies of fats and oils will continue to be limited for several months. He explained, however, that continued rationing of fats and oils after cessation of meat rationing would have necessitated establishment of a new rationing program, at least for a short time.

OPA, he said, was not prepared to handle such a program.

Ernie Pyle's Widow Dies

ALBUQUERQUE, N. M., Nov. 23 (AP)—Mrs. Ernie Pyle, widow of the famed war correspondent, often referred to as "that girl" in his column, died at 7:30 a. m. today.

Mrs. Pyle, 44, had been in ill health since Ernie was killed by a Jap sniper on Ie Shima last April 18. Her physician said she died of complications arising from an attack of influenza.

Became Much Worse

Wednesday she became much worse and was removed from the little white frame cottage for which her war correspondent-husband longed in his wanderings to St. Joseph's hospital.

Mrs. Pyle had not been away from Albuquerque since July 3 when she flew to Washington to receive the Army and Navy Medal of Merit awarded posthumously to her husband. She was so ill then that she returned home immediately after the ceremony.

She was married to Pyle in Washington, D. C., July 7, 1925, where she had been employed in civil service. Ernie was then city editor of the Washington News.

They had no children.

Churchill And Bevin Clash In Commons

LONDON, Nov. 23 (AP)—Winston Churchill and Foreign Secretary Ernest Bevin clashed in Commons today over the labor government suggestion of a three-year postponement of the Greek plebiscite on the fate of the monarchy.

Bevin precipitated the argument during a debate on foreign affairs by saying he had suggested that the vote be held by March, 1948.

Storming to his feet, the wartime prime minister shouted:

"A delay of two or three years" on the question of a monarchy or republic "would be wrong for it is a burning question in Greece."

Bevin snapped back: "I defy anybody to run a plebiscite in Greece at the present time."

SONG WRITER DIES

LONDON, Nov. 23. (AP)—Colin Whitton McCallum, 93, who wrote such song hits as "The Man Who Broke the Bank at Monte Carlo" and "Two Lovely Black Eyes," died today. He was known on the stage as Charles Coborn.

Dick Cheatham and G. H. Maxey, to build frame business building at 405 Ave. R, $2,000.

Thirty-five per cent of Canada's total land area is forested.

Expansion Plans Of Vet Administration To Affect Lubbock

WACO, Nov. 23. (AP)—Col. Harry Rubin, manager of the regional office of the Veterans administration, said today he had submitted to Washington recommendations for decentralizing the Texas set-up and expected an answer in two or three weeks.

The Waco office now is state headquarters for the administration.

Washington headquarters said subregional offices under the Waco office were "being expanded." Col. Rubin said no action on his recommendations had been taken yet, and preferred to withhold details until later.

Give Improved Service

Col. Rubin said improved service would be given the lower Rio Grande valley, which has been critical because of its distance from operation centers.

He said two contact units now are active in the valley, but a shortage of doctors there had delayed the program. Supplementary services are planned for the area under his new program, he said.

Unconfirmed reports were that the Veterans administration office in Waco will be divided into three area offices and two sub-area offices. They said the area offices would be in Dallas, Houston and San Antonio, and sub-area setups in Waco and Lubbock.

Col. Rubin would neither confirm nor deny the reports.

Ability To Wiggle Ears Is Life-Saver

MORAN, Tex., Nov. 23. (AP)—When Bruno Brooks learned to wiggle his ears as a youngster, he didn't realize it was an accomplishment that would save his life.

No ordinary "ear-wiggler" was Brooks; he could move them up and down, forward and back, singly or together.

That trick came in handy," he said today, "when I was a prisoner of the Japanese and they were working me so hard I just didn't think I could stand it.

"The Jap soldier-guards never ceased to be amused when I wiggled my ears and would let me rest while I entertained them.

"I lost darn near a hundred pounds as it was during those three and a half years in prison. That rest earned by wiggling my ears was a life saver."

WINTER WOOLENS are brighter than ever. One above in soft rose has new front fullness, jewel buttons, patch pockets.

Area Servicemen Arrive In U. S.

At Boston on the Hagerstown Victory due Nov. 24. will be Cpl. Rhea W. Canter and Pfc. Rafel G. Muniz, both of Lubbock.

At Seattle on the Texas AGWI Prince due today was Cpl. Reuben J. Moore and Pfc. Julus R. Germany, both of Lubbock.

At Boston on the Thomas Barry due Nov. 21 were Pvt. Jack P. Cox, Pfc. Wm. E. Mabray, and Cpl. Wm. L. Goldston, all of Brownfield; Pfc. Felipe F. Ramirez, Lamesa; and Capt. Ewell E. Crawford, Lockney.

At Boston on the Montclair Victory due Nov. 20 were Cpl. John J. Woods, Quitaque and Pfc. J. D. Roedler, Tahoka.

Libby Higginbotham Is Honored At Courtesies

A series of parties is being extended in courtesy to Libby Higginbotham of Dallas who is spending the Thanksgiving holiday in Lubbock as guest of Charlotte Scoggin. The two girls attended Camp Davis, near Las Vegas, N. M., last summer.

Try using paprika as well as salt and pepper on corn-on-the-cob for a new and delicious flavor.

General Contractors Will Seek Solution

In recognition of critical labor and materials problems and with a view toward "attempting to devise ways and means for taking care of the building needs of the returning servicemen and the general expansion of business here," Lubbock General Contractors association will meet at 8:15 o'clock tonight in Hilton hotel.

A spokesman for the group said he believed "something can be done about the problem, despite its seriousness, and that is the purpose of our meeting. We will try to explore all the possibilities apparent to us."

Revival Meeting Is Conducted In City

Rev. George L. Norris, pastor of the Gideon Baptist church at Fort Worth, is conducting a revival meeting at the Tabernacle Baptist church at Ave. N and Fifteenth.

The meeting, which began Sunday, will continue through Dec. 2, Rev. Ben D. Johnson, pastor, announced. Services will be conducted daily at 10 a. m. and 7:30 p. m.

Rev. Norris is the son of Dr. J. Frank Norris, pastor of the Temple Baptist church at Detroit and the First Baptist church at Fort Worth.

A Bible conference for the benefit of pastors of the South Plains area will be conducted at the church all next week. Lunch will be served at the church every day beginning Monday for the congregation and visiting preachers, the pastor announced.

Brutal Murder Case Solved

SANTA FE, N. M., Nov. 23 (U.P.)—Solution of one of the most brutal murders in the history of Santa Fe came dramatically at 2:30 a. m., Thanksgiving morning when the district attorney's office announced that Louis Young, 44-year-old negro trusty at the state prison signed a full confession.

Bert Clancy, assistant district attorney, called newsmen to state police headquarters at that time and issued a statement in which he said that Young, who had been assigned to housecleaning duties at the apartments where Mrs. Eloise Kennedy, 23, mother of a five-week-old baby was brutally stabbed to death, had confessed the killing.

Serving Fourth Term

Originally assigned as a trusty to state police headquarters, the negro, serving a fourth term in prison, had been put on the housecleaning detail by State Police Chief Frank Young.

The dramatic climax to the case came just 58 hours after Mrs. Kennedy was discovered Monday evening in a pool of blood on the bathroom floor of her apartment.

Leon G. Kennedy, jr., 25, chief bookkeeper at the First National bank of Santa Fe, discovered his wife's body as he returned home from work. She had been stabbed 11 times, once in the heart, and her juglar vein had been severed.

Law Moves Swiftly

Law enforcement agencies moved swiftly and the first break in the case came at 7:30 Wednesday evening when authorities announced discovery of the knife with which the socially-prominent young mother had been stabbed. At 2:30 a. m. Thursday morning, Clancy announced that Young had signed a confession.

Originally ,authorities were prepared to eliminate Young as a suspect in the case because of his straightforward story, but quentioning "broke" the negro, who is serving 10 years for an Albuquerque robbery,

Newsmen were hurriedly summoned to state police headquarters and a statement was released which said:

"The district attorney's office desires to announce that a complete, detailed and full confession, in writing, has been obtained from Louis Young, negro, in which he admits stabbing Eloise Kennedy, causing her death."

Trial Date Unkonwn

The statement continued that it was impossible to tell when Young would be tried for the murder, in view of the fact that the next term of court for Santa Fe county will be next March. However, the statement added, "he will definitely be tried at that time unless arrangements can be made to provide for a term at an earlier date."

Clancy added that his office could not give out any further details because "this is now a pending case . . ." and other testimony might prejudice the case.

Prison records show that Young had previously served three terms in the Texas state penitentiary at Huntsville, Tex., for burglary, on Jan. 4, 1933; Oct. 12, 1934, and June 10, 1938.

Meanwhile, Mrs. Kennedy's body had been taken to Denver, Colo., her former home, and funeral services will be held at 3:30 p. m., today. Her husband and baby went to Denver Wednesday, accompanied by the husband's mother, Mrs. Leon G. Kennedy, sr., wife of a Denver bank official.

Young is being held at the penitentiary at Santa Fe pending formal arrest. Clancy said murder charges would be filed against him today.

BATTERED BY U. S. BOMBS—The Jap battleship Nagato, lying helpless at Yokosuka naval base, bears testimony to the effectiveness of American bomb hits.

Horseless Carriages Chug Through City Of Chicago To Celebrate First Car Race

CHICAGO, Nov. 23 (AP)—Horseless carriages chugged through the city at a breath-taking pace of 11 miles an hour Thursday, while a band played "get Out and Get Under," in commemoration of the nation's first automobile race 50 years ago.

Miss Barbara Lohr, driving a 1910 Sears car, complete with leather dashboard and a buggy whip socket, carried off the honors.

She started fourth from the Museum of Science and Industry on the south side on the 54-mile round trip to Evanston—the course of the original race—but she arrived first at Evanston, a northern suburb, and was first back at the museum, too.

Pause For Luncheon

There was an hour and a half pause for luncheon in Evanston, while the frozen drivers recovered from gadding about in 16-degree weather in equipages that had no windshields or tops, or heaters.

Miss Lohr's father, Maj. Lenox R. Lohr, who conceived the commemorative expedition, said 24 out of the 29 starters made the entire trip together and the 25th, a Duryea, finally returned in one piece. There wasn't a single flat tire or an accident, he said.

Lohr calculated the trip to Evanston was made at 11 miles an hour. The return trip was faster, at about 16 miles an hour, he said, with most of the buggies actually scorching along at 18 or 20 miles an hour at times.

The six cars representing the original race contingent were an 1896 Duryea, an 1896 Roberts electric, a 1910 Sears, a 1907 Schacht, a 1909 Holsman-Stanhope, and a 1905 Mier.

The other included a 1907 International auto buggy, one 1909 Gleason, a 1909 Rambler, a 1911 Renault, a 1911 Stoddard-Dayton, a 1913 Empire and ancient versions of some of the present-day cars.

There also were five service cars and three tow trucks, just in case, and escorting motorcycle police who made no arrests for speeding.

Beware Coughs Following Flu

After the flu is over and gone, the cough that follows may develop into chronic bronchitis if neglected. Creomulsion relieves promptly because it goes right to the seat of the trouble to help loosen and expel germ laden phlegm, and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. No matter how many medicines you have tried, tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough or you are to have your money back.

INTO ARMS OF LAW

CHEYENNE, Wyo. (U.P.)—George O. Hawks, 17, Columbus, O., sidled up to a stranger in a Cheyenne restaurant recently and asked him if he'd like to buy a revolver. The man turned out to be City Detective Les Fieber, who arrested Hawks on charges of carrying a concealed weapon.

Halsey Gives Up Command

LONG BEACH, Calif., Nov. 23. (AP) — At 63 Admiral William F. (Bull) Halsey, a sturdy sailor who served his country for 45 years, has relinquished command of the Third fleet.

His blue four-starred flag was hauled down from the main truck of his flagship, the battleship South Dakota, in colorful ceremonies yesterday as the admiral released command of the fleet that so readily steamed along the Japanese coast and poured thousands of tons of damage on the enemy.

His Voice Trembles

Halsey's voice trembled a little and his eyes misted as he spoke briefly before the two-starred flag of his successor, Rear Admiral Howard F. Kingman, replaced his.

"In hauling down my flag I am terminating my seagoing career of slightly over 45 years," he said. "This is far from a pleasure. But I deem it necessary for men of my age to step aside so that younger men can take over the greatest Navy in the world."

Inspired His Men

Admiral Kingman, responded, describing Halsey's retirement as the "last scene, last act of one of the most brilliant performances in naval history." "Admiral Halsey inspired his men to victory . . . his unswerving determination overcame all enemies from hell to high water."

The retiring admiral stepped into his crash boat and made a quick review of the mighty ships anchored in the harbor. The South Dakota fired a 17-gun salute and similar honors were accorded by the batteries of other ships—the battleships Alabama, Iowa and Wisconsin, the cruisers Chicago,

Pure Herion Found With Man's Arrest

DALLAS, Nov. 23. (AP) — W. A. Heddens, head of the Federal Narcotics bureau at Dallas, said 200 packages of pure heroin, valued at $75,000 on the black market, had been seized following the arrest of a young Mexican here today.

Heddens said the heroin was on the person of the suspect and termed the seizure the largest in this area since 1936.

Alvin F. Schraff, customs agent in charge at Houston who participated in the arrest, said the youth was a citizen of Mexico and a resident of Monterrey.

The suspect was arrested at the union railway terminal. Schraff said he had been under surveillance since Oct. 1.

Quebec was founded by Samuel de Champlain in 1605.

Atlanta, Dayton, Topeka and Vicksburg, and the carrier Bennington.

Prompt Discharge Of Servicemen Is Urged

CHICAGO, Nov. 23 (AP) — The journal of the American Dental association today urged prompt discharge of servicemen qualified to study dentistry to reduce "the serious deficit of dental personnel that now faces the country."

In an editorial the journal said a "persistently short-sighted policy on the part of official government agencies" was responsible for a freshman dental school enrollment of less than one-half the number enrolled a year ago.

From present signs, the publication added ,there will be a ratio of one dentist for every 2,000 persons by 1950 "The full importance of this problem is seen when this decreasing dental population is matched against an increasing national population and an increase in the demand for dental care."

The journal said association requests for a program aimed at meeting the nation's dental needs "were largely ignored throughout the war by the War and Navy departments," and "the end of the conflict apparently has brought about no material change in the situation."

New England once was buried under 1,000 feet of ice.

Suspect Sought After Cutting

Police said this morning they sought for questioning a man who allegedly cut Robert Owen Johnson, 33, Thursday night at a downtown hotel in Lubbock.

Johnson's injuries were not serious, but he was taken to a hospital for treatment of several wounds, then was released from the hospital.

Two Names Listed

Police said they had two names listed for the possible assailant, who, they said, allegedly made remarks in the hotel lobby that he had figured in an affray in one of the hotel rooms.

Police and the sheriff's department latched several Thanksgiving holiday drunks and gamblers and had several other investigations under way. Two men, one of them a negro, may be filed on for drunk driving.

Eight negroes were arrested by police for gambling. Seven of them wer fined $15 each, one $50 for operating a gambling establishment. Dep. Sheriff Earl Horton arrested six negroes in another establishment ,and they were fined $1 and costs of D. W. Robertson's justice of peace court.

Shooting Is Reported

Jack Brown, driver of a Lubbock transport truck, told county officials that men in a black coupe followed him eight miles eastward out of Post, drew up alongside and ordered him to stop. He said he refused and they shot five times at his gasoline tank, all leaving scars but none puncturing the tank.

The sheriff's office at Spur reported theft of a black 1938 Ford coach, license BU 156, and Roy Ferguson of Crowell said his 1937 Ford truck, license RD 9555, was stolen at Brownfield. F. M. Crayon of 2704 Twenty-fourth told police a wheel and tire were stolen from him at Thirteenth and College.

Residence Burglarized

Sheriff Sam Floyd of Tahoka reported burglary of a farm residence two miles north of Wayside community. Taken were a quit, a jacket, a shotgun, seven shirts and two blankets.

Melvin Easter, 23, a negro, was arrested here for the Waco sheriff's department, which said it held a child desertion warrant.

Odessa Long, 21, a negro woman, was fined $100 and county court costs after pleading guilty of liquor law violation.

Wrecks At Minimum

Wrecks were at a minimum, officers said, considering the heavy traffic. Charges were filed against two men involved in a collision Thursday morning about one-half mile south of Lubbock on the Lubbock-Tahoka highway. T/Sgt. Wallace Ray Wood, of Lubbock, stationed at Big Spring, paid a $10 fine for "driving too fast for the conditions then existing," and Jack Pope Akins, also of Lubbock, was fined $10 for "cutting a corner in making a left turn" off the highway on Fortieth. Sgt. E. L. Stroud of the Texas Highway patrol said. Wood was driving north and Akins south. Damage to the two cars amounted to several hundred dollars, but no one was injured, Stroud reported. Justice W. D. Robertson assessed the penalties.

Lubbock hospitals reported no unusual occurrences, and the fire department did not make a run during the holiday.

Ninety gallons of motor fuel can be processed from a ton of corn cobs or cottonseed hulls.

'JUNGLE' ADVENTURE—A youthful sightseer penetrates the "Burma jungle" reproduced as one of the attractions of "savings week" at Croydon, England.

Pension Boost To Be Sought

WASHINGTON, Nov. 23 (AP) — An increase in old age pensions to a uniform level of $40 a month was proposed today by Rep. Knutson (R-Minn.)

The Minnesotan, senior Republican on the House ways and means committee, said he would put the proposal before the committee when it begins consideration of general revision of the social security law.

Moreover, he told newspapermen, he will suggest to the committee that pensions be provided for persons unable to earn a living because of physical or mental handicaps.

Not Working Well

The present system of "matching" state and local funds for pensions to the aged is not working well, he said, pointing out that under this system pensioned persons in one county may get $30 a month, while in an adjoining county the pension is $20 a month.

"In many localities the benefits are wholly inadequate," he said.

Knutson has not worked out a formula for federal-state participation in the proposed increase to a uniform $40 a month, but said he believes the state participation should be larger.

The ways and means committee probably will begin its new social security study before the Christmas holiday, although the legislation is not expected to be completed for several months.

Brief Crime Wave Staged In Dallas

DALLAS, Nov. 23. (AP)—A brief but violent crime wave in Dallas has resulted in the arrest of three suspects, one of whom is held in connection with the slaying of 64 year old Edward F. Williams, druggist, who was killed while holding up his hands as his cash register was robbed.

A 22 year old youth in an Army uniform was jailed in connection with the Williams murder. Police said the boy was dressed fully in Army clothes, except that his sergeant's stripes were apparently of Canadian issue.

Two brothers were arrested near the scene of one of three south Dallas liquor store robberies which netted the robbers nearly $1,000.

Police engaged three bandits in a running gun fight which failed to apprehend the suspected gang. The bandits fired 11 shots as police emptied their guns at the fleeing automobile. The trio abandoned the car finally and escaped on foot.

The cruzeiro is the unit of Brazil's monetary system.

KENNEY'S LUCKY DICE—Gen. George C. Kenney, Pacific air chief, in Chicago for the Victory loan drive, exhibits the pair of dice which he carries for luck.

British To Boost Hong Kong Forces

CHUNGKING, Nov. 23 (AP) — Major General Festing, commanding British troops at Hong Kong, told correspondents today that these forces, now numbering about 11,000, probably would be increased to 24,000 "eventually."

Festing said Hong Kong would be a naval base supplementing but not superseding Singapore. He said Admiral Sir Bruce Fraser, commander-in-chief of the British Pacific fleet, would set up headquarters at Hong Kong within a month.

These Fruit Cakes Sure To Fill Your Holiday Needs

(EDITOR'S NOTE: In response to a request for favorite fruit cakes, four readers submitted the following recipes. They are printed this morning through courtesy of Mrs. C. M. Eoff of route 5; Mrs. C. C. McCormick, who lives on the Olton route, near Plainview; Mrs. G. C. Keith of Whiteface and Mrs. C. C. Williamson who telephoned a recipe that had appeared in the Woman's Angle several years ago and originally came from Mrs. Mattie Swann's files.)

THIS recipe for English black cake originally came from Scilly island, off the coast of England and will keep for months, getting blacker with age. It calls for no sugar, the currants and candied peel providing sufficient sweetness.

One-half pound flour
2 teaspoons soda
One-half pound butter
6 eggs
2 pounds currants
One-half pound candied peel
One cup pecans

Sift the flour with soda and work in soft butter. Add eggs, not beaten and mix well. Fold in floured currants and peel. Bake two hours in a slow oven, either in loaf pans or tube pans which have been greased and floured. Store until ready for use.

Mrs. C. M. Eoff,
Route 5.

* * *

WHITE FRUIT CAKE

One-half pound butter
One-half pound sugar
One-half pound unsifted flour
One cup wine or fruit juice
One-half pound candied pineapple
One-half pound candied cherries
One-half pound freshly grated cocoanut
One-fourth pound orange peel
One-eighth pound lemon peel
One-eighth pound citron
One-half pound pecans
One-half pound almonds
1 tsp baking powder
6 egg whites

Prepare the fruits the night before. Bake in an oven 250 degrees (F) for three hours.

Mrs. C. C. Williamson,
2321 Twenty-Fifth.

* * *

ECONOMY FRUIT CAKE

Part One:
1 cup raisins
1 cup sugar
1 1-4 cups hot water
1 tablespoon cocoa
One-third cup shortening
1 teaspoon cinnamon
¼ teaspoon cloves
¼ teaspoon nutmeg
1-4 teaspoon salt

Combine and boil part one ingredients for three minutes. When cool, add one-half cup of nutmeats, pecans preferred, and 1 cup of mixed chopped fruit (cook's own choice—orange peel, citron, cherries and pineapple make a delicious mixture.)

Part Two:
2 cups flour
3 teaspoons baking powder

Sift three times and add to part one.

This will make one loaf or two layers. Bake loaf from one to one hour fifteen minutes in moderate oven. Layers will bake in about 40 minutes. Either pineapple or lemon icing is delicious with layer fruit cake. Only a few days are necessary for ripening.

Mrs. G. C. Keith,
Whiteface.

* * *

Dark Fruit Cake
First Mixture:

1½ cups shortening
2 cups sugar
2 teaspoons cinnamon
1 teaspoon nutmeg
1 teaspoon cloves
1 teaspoon salt

Second Mixture: Using a bowl large enough for the entire cake:

6 eggs, beaten lightly, add
½ cup New Orleans molasses in which 1 teaspoon of soda has been dissolved, add one-half cup cold coffee, then add to first mixture.

Work with hand until mixture is smooth, then add four cups of flour and continue working with hand until smooth. Add

1 pound chopped pecan meats
1 pound chopped pitted dates
1 pound currants
1 pound seedless raisins
1 pound glazed cherries
1 pound candied pineapple
1 package candied fruit mix
1 box coconut

Mix fruits into batter thoroughly. Bake in tube cake pan. Line bottom of pan with waxed paper and fill to two-thirds full, place in larger pan full of hot water and bake one and a half hours at a very low temperature. Remove from pan of water and continue to bake for one and a half hours.

Mrs. C. C. McCormick,
Olton Route, Plainview.

"Buy A Victory Bond TODAY."

AFTER-SCHOOL SNACK—Next time your youngsters dash home from school ravenous as locusts, glamorize the favorite peanut butter and graham cracker snack with cocoa and honey. The mixture is creamy smooth and tasty as a candy frosting and here is how it is made: Two tablespoons butter or fortified margarine, three tablespoons cocoa, one-third cup honey and three-fourths cup peanut butter. Melt butter. Add remaining ingredients and blend well. Spread between vanilla wafers or graham crackers. Yield: One and one-fourth cups.

Raisin Pie

1 recipe plain pastry
2 cups seeded raisins
1 cup water
1 teaspoon lemon juice
Dash of salt
2 tablespoons flour
¾ cup sugar
1 tablespoon butter or margarine

Cook raisins with water, over low heat for 10 minutes. Combine flour, sugar and salt. Add cooked raisins and mix well. Turn into an eight inch pie plate lined with plain pastry. Dot with butter or margarine and sprinkle with lemon juice. Top with more pastry, cut several slits to allow steam to escape, and seal edges. Brush top with milk and bake at 450° 20 minutes, then reduce heat to 350° and bake 30 minutes longer.

Rationing Calendar

MEATS, FATS, ETC.—Book four red stamps F7 through K1 good through Nov. 30; L1 through Q1 good through Dec. 31; R1 through V1 good through Jan. 31; W1 through Z1 and green stamp N8 good through Feb. 28.

SUGAR—Book four stamp 38 good for five pounds through Dec. 31.

A pint of gasoline has the explosive power of a pound of dynamite.

Place your kitchen bowl on a damp cloth and it will stay put.

Never paint immediately after sweeping. Let the dust settle.

Holiday Sweets Are Re-Styled

HERE are two traditional holiday sweets re-styled to 1945 and its sugar problems.

Plantation Eggnog Pie

One tablespoon unflavored gelatin, ¼ cup cold milk, 1 cup scalded milk, 2 separated eggs, ½ cup molasses, ¼ cup sugar, ¼ teaspoon salt, 2 teaspoons vanilla, rum or rum flavoring to taste, 1 cup light cream, ginger snaps or vanilla wafers.

Soften gelatin in cold milk. Mix egg yolks, molasses, sugar and salt in top of double boiler. Add scalded milk gradually, stirring all the while. Place over hot water, stirring constantly until mixture coats a metal spoon. Remove from heat; stir in gelatin. Cool. Add cream and flavoring. Set in pan of ice water until mixture begins to thicken. Fold in stiffly beaten whites. Pour into a 9-inch pie plate, line sides and bottom with ginger snaps. Chill until firm. Sprinkle top with nutmeg.

Fruited Gingerbread

Two cups enriched all-purpose flour, 1 teaspoon soda, 1 teaspoon cinnamon, ½ teaspoon salt, ½ teaspoon ginger, ¼ cup fortified margarine, ½ teaspoon light molasses, 1 egg, ¾ cup apple sauce (rather thin), ¼ cup cut up canned figs, ¼ cup cut up dates, ½ cup candied orange and lemon peel, ½ cup slivered almonds, fruit and cream cheese garnishes.

Sift, measure flour and resift with soda, salt and spices. Beat margarine with molasses and egg until very light. Add to the flour mixture with the salt. Stir until batter looks creamy then put about 1/3 into well-greased tube on spring form pan and sprinkle with about 1/3 of the fruits and nuts. Add more batter and fruit and repeat for three layers. Bake in moderate oven (350 degrees F.) for 55 to 60 minutes. Cool. Remove from pan. Garnish with pieces of fruit, nuts and cream cheese balls, or frost with cream cheese softened with milk to spread easily.

KITCHEN KORNER

To lengthen a hemless dress, get one-fourth inch colored braid and sew in slightly overlapping rows to the narrow bottom seam.

If you are tired of your basic dress, make it interesting with a little peplum or apron of contrasting polka dot fabric.

A dark dress can be revived for Spring by adding big patch pockets of a flower polka dot print.

American Reporter Finds Himself Owner Of Geisha Girl; Has To Get Rid Of Her

BY SIDNEY B. WHIPPLE
Scripps-Howard Staff Writer

TOKYO, Nov. 23—The American press correspondent who found a geisha thrust upon his hands by an over-generous host has been forced by the dictates of common sense, plus other considerations, to relinquish his burden.

He has given her back to his benefactor with profound apologies and an explanation that his newspaper expense account would not provide for the luxury of a geisha.

An Outright Present

The 17-year-old girl, a professional entertainer, was presented to the correspondent at the conclusion of a good-will dinner accorded him by a wealthy Jap industrialist with whom he had become chummy. The host explained the geisha was an outright present and the correspondent could keep her as long as he wanted.

The girl, whom the correspondent named Mickey-San, has accepted the situation placidly. But she is not a little puzzled over seeming lack of appreciation for her talents in performing an undulating dance accompanied by graceful fan-waving and tinkling of the samisen. The samisen is a crude version of a ukelele.

Tries To Explain

The news man explained through an interpreter that there were no vacant quarters in the press club and her training in a geisha school would be wasted in the dormitory where club servants are locked up with an aged chaperone each night at 9 o'clock.

There was the countersuggestion that she was entirely his property and willing to sleep outside his door, but here chivalry intruded and the correspondent wouldn't hear to it. She even offered to scrub his back—maids at Jap hotels customarily perform this function for guests—but no again, said the writing man, with an aside about the east and west and the twain never meeting on such a basis.

Packs Her Suitcase

Thus firmly resolved, the correspondent packed the little lady's suitcase and made tracks to the home of the original proprietor, with Mickey-San at his heels.

It is impossible to guess what thoughts were in the geisha's mind since these girls are trained never to display emotion. Her doll-like features never changed and her expression of meek obedience was maintained throughout the episode.

To other correspondents at the club, her departure was bemoaned. Some thought they might prevail upon the correspondent to become impressario of weekly entertainments for tired journalists featuring Mickey-San, but soberer ones agreed they wanted no international or domestic incidents.

THINKER—Lewis B. Schwellenbach, secretary of labor, struck this thoughtful pose in an appearance before a committee of the house of representatives in Washington.

Grocers May Close In Sympathy Move

SAN FRANCISCO, Nov. 23 (AP)—Members of the Retail Grocers association, through whose stores in Franciscans receive most of their groceries, have been called to meet today to consider a city-wide shutdown in sympathy with the picketed and closed stores of the Safeway chain.

The city's 78 Safeway stores have been closed since Tuesday, they were picketed by the AFL Bakery Drivers union, which claimed its members had been locked out as a result of a current wage dispute. Clerks and butchers refused to cross the picket line.

"Buy A Victory Bond TODAY."

Girl Travels 1,000 Miles On Penny And Stick Of Gum

ST. LOUIS, Nov. 23. (AP)—Freckle-faced Patricia Barton, 10-year-old Flushing, N. Y., girl who traveled more than 1,000 miles on a penny and a piece of bubble gum, is going to complete her journey to visit her grandmother in Higbee, Mo.

John Barton, the child's father who is a fireman for the New York Central railroad, arrived here last night from Flushing and after talking with the little girl said she would be permitted to finish her trip.

Patricia was found in the waiting room of St. Louis union station yesterday by a member of the Traveler's Aid society. She said she had decided to visit her grandmother, Mrs. Cecil Barton, because her teacher "blamed me for things I didn't do and I didn't want to go back to school."

She said she boarded a train in Grand Central station and just kept riding until she got to St. Louis. She had 180 miles of her planned journey left when she was found here.

Her father said Patricia would be allowed to stay at her grandmother's until she "gets over her complex about school."

CAR VERSUS STEPS

CHEYENNE, Wyo. (U.P.)—Some fresh-looking, deep scars on the front steps of the state capitol here were the result of an unknown driver's attempt to steer his car up them early one morning. The custodian of the building reported next day that he heard an unearthly noise about 2 a. m., looked out and saw the car backing down the steps. It was about half-way up. The vehicle was steered on an erratic course down the street. The janitor salvaged a bumper and the headlights.

Bomb Victims Are Suffering

FUKUOKA, Japan, Nov. 23. (AP)—Japanese doctors at Kyushu imperial university today told public relations correspondents of the U.S. 32nd Infantry division that atomic bomb victims may suffer lifelong effects through blood and bone diseases and possibly sterility.

The physicians are conducting detailed studies of 28 victims under treatment at the university hospital after surviving the bombings at Hiroshima and Nagasaki.

Have Several Ailments

Dr. Toichiro Sawada, the hospital head, said "I think we can expect that all these atomic bomb patients will experience after effects in the form of anemia and other ailments due to blood deficiencies, bone diseases and general lack of resistance to infection."

He said microscopic studies showed the disappearance of rebuilding properties among white blood corpuscles from the bone marrow.

Dr. Ryozo Hirohata, who studied at Columbia university and the University of California in the United States, is experimenting with intramuscular injections of liver extract. He also is trying considerable liver in the diet, and whole blood plasma transfusions.

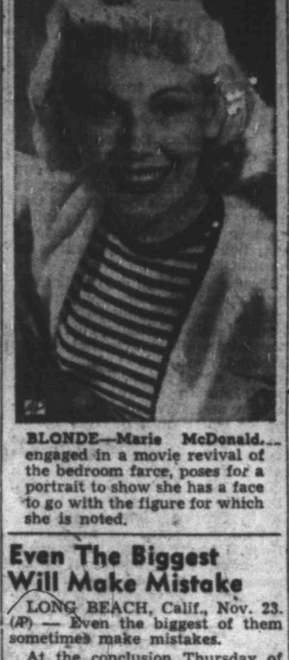

Patients Get Turkey, Germans 'Eat Crow'

BATTLE CREEK, Mich., Nov. 23 (AP)—Thanksgiving was just another day for the German prisoners of war assigned to Camp Custer, but wounded soldiers at Percy Jones hospital center got the bird—in fact, 23,500 pounds of it.

It was a lot of turkey considering that every ambulatory patient able to leave was given a five day furlough for the holiday, but GI-wise hospital authorities felt sure the remaining patients and their guests would mow through it.

The German POWs had a routine dinner menu with a principal course of liverloaf. Prison camp authorities explained that since Germans do not observe Thanksgiving the Geneva convention does not require that special notice be taken of the holiday in prison camps.

The toll of forest fires in the United States is nearly three billion board feet of lumber annually.

BLONDE—Marie McDonald, engaged in a movie revival of the bedroom farce, poses for a portrait to show she has a face to go with the figure for which she is noted.

Even The Biggest Will Make Mistake

LONG BEACH, Calif., Nov. 23. (AP)—Even the biggest of them sometimes make mistakes.

At the conclusion Thursday of ceremonies changing the Third fleet's command, Rear Admiral Howard F. Kingman snapped a salute to his predecessor, Admiral William F. Halsey. But Halsey had his hand extended.

Catching himself, he returned the salute in the approved Navy manner.

Then the admirals shook hands.

There are 132,000 Greater Cleveland men and women serving in the armed forces throughout the world.

American Public Knows Little Of What's Going On In China

BY JAMES D. WHITE
Associated Press Staff Writer

SAN FRANCISCO, Nov. 23 — There are gaping holes in what we actually know about what is going on in China.

Civil war threatens there to engulf a fifth of humanity, but opinions we form now about it can be but tentative in the light of our only partial information.

Let's begin with the Chinese Communists. They are the boys who say Chiang Kai-Shek is a dictator and that they more truly represent the people. But how many people? To what extent has their influence over like something 100,000,000 North China peasants sprung from the people themselves and to what extent has it been imposed?

Want Democracy

The Communists say they want a Democratic China, but what about the fears of liberal Chinese that if given a chance the Communists will merely replace one-party rule by the Kuomintang with one of their own?

Now let's take the Kuomintang government itself. Reports from Chungking about the "battles" with the Communists don't always jibe with each other. For instance in Suiquan province it first was reported that two columns of 100,000 Chinese Communist troops were invading the province. Later these were scaled down to 10,000 each. The city of Paotow was reported captured. Today it still is "besieged." Quite a disparity there. What does it mean?

A party of Chungking officials, sent to Changchun to take over Manchuria from the Russians, gets back to China and says the Russians served them with a set of demands which exceed the notorious 21 demands of Japan in 1915. If true, this could be an outright violation of the recent Sino-Russian pact which upholds the authority of the Chungking government. But none of these officials will allow himself to be quoted, which can only throw grave doubt on what one of them is saying. In Chungking itself there are many rumors about the Russians, but no official word is said about them.

Russians Are Quiet

All right, what are the Russians doing? They don't say, except that they are withdrawing from Manchuria on schedule, as agreed upon with Chungking itself. They do not answer unofficial and largely anonymous charges that they are making off with equipment and leaving the field to the Chinese Communists.

We come now to the United States of America. This government, like Russia, recognizes Chungking as the legal government of China, but has plugged energetically for an agreement between Chungking and the Communists.

To uphold the sovereignty of the Chungking government and help it disarm Japanese troops we have transported Nationalist troops by sea and air and sent in U. S. Marines to hold some areas until the Nationalists could get there. Secretary of State Byrnes now states that there was another reason for this—we promised the Japanese after they surrendered that we would see their troops got home safely from China. Why not? But why was this kept secret for three months, and why is it disclosed just at this moment?

Observers Still There

One reporter recalled yesterday, too, that the United States still has in Yenan, the Chinese Communist capital, a group of more than 20 observers, whose official reports presumably cover the Yenan angles of the Chinese dispute. If released, these reports might balance the Kuomintang side of the argument which comes to the American public through Chungking censorship.

This censorship, by the way, allows such Yenan reports to come through as the extreme Communist allegations that America is intervening in China, even to the extent of building a large naval base in Shanghai.

For the past year or so there have been no foreign newsmen in Yenan, and now suddenly Chungking has decided to let four correspondents pay the Communist capital a visit. Why not sooner, and why now?

These are just a few of the things we don't know about what goes on.

Cabinet Liberals In Italy To Quit Posts

ROME, Nov. 23 (AP)—The Liberal party said early today that Vice Premier Manilo Brosio and other Liberal cabinet members would withdraw from Premier Ferruccio Parri's coalition government—an action which probably would force the premier to resign.

The Liberals, who have been feuding with Leftists over Fascist purge measures and general elections, said their decision to resign from the cabinet came after a five-hour conference of the six coalition parties with Parri. The Liberals are the most conservative group in the government.

Sherman Man Dies At Football Game

SHERMAN, Nov. 23 (AP)—Victor Able, 86, of Sherman went to the annual turkey-day football game here Thursday between Denison and Sherman and fell dead when the visitors made a successful goal-line stand.

Sherman was on Denison's one-foot line with two downs to go. But the home team didn't make it and when the last down was over Able died.

Denison won the game 21 to 13. It was the first time they had beaten Sherman in this city since interscholastic league football began in 1920.

WHERE CHINA'S REDS FIGHT NATIONALISTS — Pictured above is the coastal anchor of the Great Wall of China, at Shanhaikwan, where Chinese Communists forces are strongly entrenched in the undeclared civil war against Chiang Kai-shek's Nationalists. Jap troops were reported co-operating with Chungking armies in stemming Chinese Reds' advance.

"Action And Sane Thinking" Is Minnesota Democrat's Demand

By DANIEL M. KIDNEY
Scripps-Howard Staff Writer

WASHINGTON, Nov. 23. — A slow-motion Congress is causing Rep. William J. Gallagher (D., Minn.) to wonder if he wasn't doing more constructive work back in the days when he was helping to keep Minneapolis streets clean.

Called the "street-sweeper congressman," Mr. Gallagher was on a city pension when elected last year after 15 years as a laborer in the engineering department. He is 70. In the congressional directory he listed himself as a "working man."

System Is Blamed

As a "working man," he wonders why Congress isn't working more, he said. He blames the committee system.

He took the floor to tell his colleagues how he felt about the setup.

"I am one of those who believe in the people, who believe this country is going places," Mr. Gallagher began.

"We are able to go forward with a reconversion program if we work together. But a Republican congressman from Minnesota showed me a letter he had received from the minority whip. This letter quoted a statement of the majority leader: 'Business, none.'

"That same order of business could have been included in the notice of the minority whip last week and the week before.

Holding Up Bills

"I believe this is not the fault of the majority organization, but of the committees of this House. These committees are holding up bills which are of vital importance to the security and the best interest of this country.

"There seems to be a feeling of distrust toward members of Congress.

"I am a member of four committees, for instance, and only one of them has been active, the committee on Indian affairs. I might just as well not be on a committee at all."

Some of the measures upon which Congress should act now for full employment were outlined by Mr. Gallagher. Included on his list would be the St. Lawrence seaway and the TVA-type development for the Missouri river valley.

"I do not know what keeps such measures from the floor," Mr. Gallagher said.

"Why should we sit here day after day, doing nothing but talk, talk, talk, criticize, fight battles that are past, in place of having our eyes to the future, for the benefit of our country?

"I want action and sane thinking."

GUADALCANAL JUNK PILE—Half a mile long and a quarter of a mile wide, this junk heap on Guadalcanal contains, "left overs" of all descriptions. Under direction of the U. S. state department some of them will be salvaged.

Former Manager Of Show Circuit Dies

GARDEN CITY, N. Y., Nov. 23. (AP)—John J. Maloney, 77, retired general manager of the B. F. Keith Theaters company, now part of the Radio-Keith-Orpheum circuit, died Thursday at his home.

Maloney, who was born at Meriden, Conn., started in the theater business as accountant for the Percy G. Williams theater circuit in New York in 1888 after attending Yale business school of Yale university. He later became general manager and treasurer of the circuit.

Maloney often aided struggling actors to get started in show business. He was said to have aided opera singer Rosa Ponselle in obtaining her first New York engagement, singing at the Orpheum theater in Brooklyn where he had an office. Miss Ponselle was a former resident of Meriden.

He became general manager of the Keith theaters in New York in 1918. He remained as general manager until his retirement in 1928.

Few Dry Eyes As The Last Song Is Sung In Closing Hollywood's Famous Canteen

By BOB THOMAS
Associated Press Staff Writer

HOLLYWOOD, Nov. 23.—The Hollywood canteen played its last show last night and a lot of high priced cheers marked the occasion.

Shortly after midnight, Kay Kyser and Bette Davis led the canteen's volunteer workers and entertainers and the audience of GIs in singing "Auld Lang Syne." There were few dry eyes as the last song was sung in the famed building that had entertained more than 3,000,000 service men and women.

Thousands On Hand

Five thousand soldiers, sailors and marines streamed in and out of the canteen from 2 o'clock in the afternoon until closing. They ate turkey dinners and watched an array of talent which couldn't be seen under any other auspices.

Ingrid Bergman and Jack Benny did a scene from "Casablanca." Dinah Shore sang "Yes, My Darling Daughter." Rudy Vallee sang the Maine Stein Song. The tireless Bob Hope was there and John Garfield, Van Johnson, Eddie Bracken, Susan Hayward, Hedy Lamarr, Rodney McDowell and many others.

At one point in the evening, Bette Davis, guiding light of the canteen, kicked off her shoes and mused about the place's history.

History At End

Last night's program ended the three-year history of the canteen. It all began when Miss Davis visited the famed Stage Door canteen in New York in early 1942. She returned to Hollywood with idea that the movie town should have something similar to entertain servicemen.

Soon 42 unions and guilds, from Actor's Equity to window washer, were committed to support a servicemen's canteen. The organization took over a "jinxed" night club at Cahuenga and Sunset which had never made money. When the first meeting was held, there were not even any electric lights in the place. With her New England foresight, Bette brought along six oil lamps and the meeting was held by lamplight.

On Oct. 3, 1942, the Hollywood canteen opened its doors and gave soldiers and sailors and marines the most star-studded show they had ever seen. Every night until last night, the big and the little of Hollywood did their best to entertain their guests in uniform.

Stains, Dullness Vanish from DENTAL PLATES

Kleenite ends messy, harmful brushing. Just put your plate or bridge in a glass of water, add a little Kleenite. Presto! Stains, denture odor, discolorations disappear. Your teeth sparkle like new. Ask your druggist today for Kleenite.

Solon Opposes Russian Slap

WASHINGTON, Nov. 23. (AP) — Terming it a "slap at Russia," Senator Elmer Thomas (D-Okla) predicted today that the Senate would strike a so-called "free press rider" from the pending $550,000,000 UNRRA appropriation bill.

"I think the provision will go out," the Oklahoma senator told a reporter. "We are not in a position to slap at Russia and if we were, we should do it directly."

Slated For Action

The provision was inserted in the United Nations Relief and Rehabilitation administration measure by a coalition of Republicans and Democrats when the House passed the bill several weeks ago. This and other provisions of the legislation were scheduled for action by a Senate appropriations subcommittee today.

CLAUSE IS STRICKEN

WASHINGTON, Nov. 23 (AP) — A Senate appropriations subcommittee struck a "news freedom" clause from a $550,000,000 UNRRA appropriation bill today.

But the subcommittee inserted a rider requiring UNRRA to pay at least parity prices for any farm products purchased in the U. S.

Members of the subcommittee said the news freedom clause, inserted by the House, was eliminated by unanimous consent. It would have barred relief work by the United Nations Relief and Rehabilitation administration in countries which denied the American press free access to news of UNRRA activities.

The committee session was scheduled prior to a Thanksgiving day radio address by UNRRA Director General Herbert H. Lehman in which he said the agency's operations are "grinding to a standstill" because of delay in passing the bill.

Others Favor Deletion

Acting Chairman McKellar (D-Tenn) and Committee Members Burney (R-SD) and Ball (R-Minn) in separate interviews said they also favor deleting the provision which would deny benefits to nations failing to give American newsmen free access to information about UNRRA activities within their borders.

Ball, a former newspaperman, said "naturally I favor a free press and will fight for it, but we have got to give these starving people aid even if our press can't go in."

Senator Gurney said this country could not let "other people starve" just because they fail to agree with this nation's ideas."

STRIKE LEADERS—Shown at United Automobile Workers, (CIO) headquarters in Detroit are (l. to r.): George Addes, UAW secretary-treasurer; R. J. Thomas, UAW president, and Walter P. Reuther, UAW vice-president, leaders in walkout of General Motors Corp., employes.

Assassination Attempt Fails

MONTEVIDEO, Uruguay, Nov. 23 (AP)—An unsuccessful attempt was made today to assassinate President Juan Jose Amezaga.

The attempt was made at 9:30 a. m. when the president was leaving his home.

The president's aide disarmed the attacker before he could fire the revolver he had in hand.

Elected In 1942

Amezaga, a member of the Colorado party, was elected in November of 1942.

Last May, more than 80 persons were injured and 100 arrested in riots resulting when crowds tried to shout down the president and demanded the resignation of his minister of interior, Juan Carabajal Victorica, and Police Chief Juan Gomez Folle. The crowds stoned and looted stores along the main streets of the capital and attempted to force the liberal newspaper El Dia to fly the Russian flag.

GERMAN HANGED FOR KILLING U. S. FLIERS—A German civilian, Johann Seipel, stands on the gallows at Bruchsal prison, Germany, first of five Germans to be hanged for the murder of six American fliers who parachuted from a disabled plane in 1944. Seipel has hood and noose placed over his head before the trap is sprung.

BRITISH CAMPING COACH—Vacationist eat in one of the camping coaches converted from ordinary English railway cars to provide living and sleeping quarters. Coaches are switched onto sidetracks at vacation spots.

AIR EXPERT TESTIFIES—Robert A. Lovett, assistant secretary of war for air, is shown as he presented the results of a study on disposal of government-owned aircraft factories to a senate military committee.

Daily Markets

Livestock Market

FORT WORTH REPORT

FORT WORTH, Nov. 23 (AP)—(USDA)—Cattle 2,100; calves 1,700; slow and weak; medium slaughter steers and yearlings 10.50-13.00; medium and good beef cows 10.50-12.00; sausage bulls 7.00-9.50; good and choice slaughter calves 12.00-13.50, common and medium 8.50-11.50, culls 7.00-8.00; good and choice stockers and feeders 12.00-13.25, common and medium stockers 9.50-11.50.

Hogs 75, good butchers 14.65, steady; receipts mostly common pigs.

Sheep 2,700; all classes steady to strong, some sales of cull and common ewes 25 higher; medium and good fat lambs 11.50-13.50 including shorn lambs with No. 2 pelts 11.50; medium to mostly good yearlings 11.50, common yearlings down to 10.00; good ewes and aged wethers 6.00-50, medium grade 5.50-75; medium and good feeder lambs 12.00-13.50.

KANSAS CITY REPORT

KANSAS CITY, Nov. 23 (AP) — Cattle 1,000; calves 250; around 200 cattle offered for sale; mainly odd lots cows; several car loads not shown; load medium slaughter steers steady at 14.75; other classes steady to weak; few common and medium heifers 9.50-11.50; odd head medium and good cows 11.00-12.50; supply mainly lower price primes with cutters common and medium 8.00-10.75; medium and good slaughter calves 11.00-12.75.

Hogs 4,500; active, fully steady; good and choice 140 lbs and up 14.55; sows 13.80.

Sheep 2,250; moderately active; killing classes generally steady with Wednesday; no shippers in; good and choice trucked in native lambs 14.00 deck medium and good yearlings 11.00; good and choice slaughter ewes 6.25-50; common and medium shipments 5.50.

Stock Market

TROUBLES BESET MARKET

NEW YORK, Nov. 23 (AP)—Troubles continued to assail the stock market today although selling was relatively light and, here and there, favorites managed to contest the downward trend with modest advances.

Volume was around 1,300,000 shares. Losses of fractions to more than 2 points predominated near the close.

Bullish handicaps included: The General Motors strike, threats of a national telephone walk-out, refusal of the O.P.A. to consider a general steel price boost at this time, another drop in freight car loadings and the growing belief that a further sizable technical correction was in the offing.

Highs for the year or longer were posted for Electric and Musical Industries, National Supply and Warner Bros. Occasional advancers were Standard Oil (NJ), J. I. Case and Glenn Martin.

Bonds were irregular.

Grain Market

FORT WORTH REPORT

FORT WORTH, Nov. 23 (AP)—Wheat No. 1 hard, 1.78 @-84 ½.

Barley No. 2, 1.35-37.

Sorrhums No. 2 milo or kafir per 100 lb 2.48-55.

Oats No. 3 white 87-88.

CHICAGO REPORT

CHICAGO, Nov. 23 (AP) — Rye futures broke sharply in late trade today and carried wheat and oats downward also. December rye lost around 10 cents in the last two sessions.

Wheat and oats had been firm early, with wheat traders encouraged by export reports and commercial interests reported buying oats.

December rye came back somewhat after a fall of 6 ¾ cents and at the close rye was unchanged to 3 ½ cents lower than the previous finish, December $1.83 ¼-1.83. Wheat was unchanged to ⅝ down, December $1.80 ½ ceiling, corn was unchanged at $1.18 ½ ceiling, oats were off ⅛ to 1 ¼ cent, December 74-74 ⅛, and barley was unchanged to ¼ higher, December $1.20 ¾.

Produce Market

CHICAGO REPORT

CHICAGO, Nov. 23 (U.P.)—Produce:

Butter: Receipts 306,943 lbs.; market firm and unchanged; 92 score 41-46; 90 score 40 ¾-43 ¾; 89 score ¼-45 ¼; cooking grade 39-44; centralized carlots, 90 score 40 ¾-45 ¾; 89 score (C.C.) 40 ¾-45 ¼; cooking grade (C.C.) 39-44.

Eggs: Receipts 5,783 cases; market firm and unchanged; extras 1 and 2, 49.8; 3 and 4, 45-47.2; standards and current receipts 43-44.6; dirties 36-37; checks 35 ½-36 ½.

Cotton Market

NEW ORLEANS REPORT

NEW ORLEANS, Nov. 23 (AP) — Cotton futures declined here today under long liquidation and hedge selling. Closing prices were steady, 15 to 70 cents a bale lower.

	Open	High	Low	Close

Markets At A Glance

NEW YORK, Nov. 23. (AP)—

STOCKS: Lower; leaders continue decline.

BONDS: Irregular; B & O issues firm.

COTTON: Easier; hedge selling and liquidation.

CHICAGO:

WHEAT: Unchanged to ⅜ down; unsettled by rye slump.

CORN: Unchanged at ceilings.

RYE: Unchanged to 3½ off; affected by weakness at Mineapolis, Winnipeg.

CATTLE: Active and fully steady; top $18.00 ceilings.

HOGS: Active and fully steady; top $14.85 ceiling.

Veterans Of Pacific Fighting Reenlist

YOKOHAMA, Nov. 23. (AP) — Nearly 2,000 veterans of Pacific fighting, attracted by prospect of immediately returning to the United States, reenlisted in the regular Army at ceremonies held in the Octagon theater today. They will receive 30-day furloughs on arrival in the United States.

ABC Asked To Help Tuberculosis Fight

George J. Young, speaking on behalf of the Lubbock County Tuberculosis association's annual fund drive, urged American Business club members assembled at today's regular luncheon in Hilton hotel to contribute more than the usual $2 for Christmas seals "to help eliminate this dreaded disease."

Quoting resultant figures of 16,068 patch tests made recently in Lubbock schools, Young said that 133 students or eight per cent of the number tested are positive reactors, on the verge of tuberculosis. "No cause is more worthy of your attention and assistance than of the Tuberculosis association," he asserted.

The association is asking for $9,000 this year, but if they exceed their goal it might be possible to buy needed X-ray equipment, obtain another nurse and eliminate tuberculosis in Lubbock county, Young declared.

G. H. Nelson presided in the absence of Jimmie Wilson, club president. L. D. Casey, president of the Optimist club, announced the presentation of "Cover Girl Revue" to be staged at 8 p. m. Thursday, Lubbock High school auditorium.

Luncheon guests were F. C. McKnight, Abilene; Curtis Patterson, George W. McClesky, Rush Dickinson, Mack Mead, and Floyd (Dutch) Turner, former member recently discharged from the service.

Japs Aid British

(Continued From Page One)

and a number of armored brigades in North China.

The same source said that Gen. Chu Teh, commander in chief of Communist forces had arrived at Mukden and was establishing crack units in a defense line at Chinchow to halt Nationalists moving north along the Peiping-Mukden railroad.

A Central news agency dispatch quoted a Communist officer deserter as saying Communist Commander Gen. Hsiao Keh had been killed in close-quarter fighting at Paotow Nov. 13.

Sino-Soviet Treaty Praised By Newspaper

KUNMING, Nov. 23. (U.P.)—The Sino-Soviet Treaty may be considered the most brilliant diplomatic achievement since the equality treaties with the United States and Britain, Sao Tang Pao said in an editorial recently. For while the latter treaties absolved China from its shame, the Sino-Soviet Treaty laid the foundation for permanent friendship and collaboration between the two great powers of continental Asia, the paper said.

It added that this treaty will be one of the main reassuring forces for the peace of postwar Asia and the world; that more than security, all countries will need prosperity and this treaty provides for mutual economic aid; that this is the first important document to be signed between allies for postwar peace.

Ex-Soldier Campaigns To Get Old Job Back

ROCHESTER, N. Y., Nov. 23. (U.P.) —A former soldier, who claims the city refused to restore him his old job, has been attracting public attention to the case by his own efforts. He has recently paced streets of the downtown district bearing a sandwich board which reads: "Help Disabled World War II Veteran, Fired by City. Buy an Apple." In one hand he holds a cane, while in the other he bears a trayful of apples and pears.

With his case pending in Supreme Court, Heffner claims he has been refused reinstatement as a city photographer, while city officials say he quit city service voluntarily after a refusal to carry out assigned duties.

Patterson Funeral To Be Held Today

Funeral services for W. A. Patterson, 73, of 1923 Second were to be conducted at 4 o'clock this afternoon at the Broadway Church of Christ with Elder Liff Sanders, officiating. Plains Funeral home reported.

Burial was to be in Lubbock cemetery.

Patterson died Tuesday at Sulphur Springs where he had been visiting a daughter.

DIES OF WOUNDS

MARLIN, Nov. 23. (U.P.) — J. E. Masters, jr., 35, president of the Lott State bank and Falls County Hereford Breeders association, died last night of accidental gunshop wounds suffered Monday while hunting ducks near his home at Lott.

Cheyenne, Wyo., was founded in 1867.

Hitler's Order

(Continued From Page One)

German Army was lifted by American prosecutors today.

Heads of the vast Krupp steel empire and the I.G. Farben chemical trust, Assistant Prosecutor Thomas Dodd charged, agreed to finance the Nazis party as an antidote to Communism and later cooperated in a secret rearmament program.

Schacht Is Red-Faced

Defendant Hjalmar Schacht was red-faced as he heard himself described from German documents as the financial wizard who was secretly appointed as "plenipotentiary for war economy" in 1935 and won the praise of a Reich general as "the man who made reconstruction of the German Army economically possible."

The head of the great Krupp works, Gustav Krupp von Bohlen und Halbach—who was indicted but thus far has escaped trial because of illness—was shown by German records, Dodd asserted, to have aided in raising campaign funds for Hitler in 1933 and to have declared after Hitler's ascension to power that German industry "puts itself at your disposal."

Keitel Makes Denial

Field Marshal Wilhelm Keitel denied earlier that he participated in the Hitler cabinet meetings that planned the Nazi flood of aggression.

With the prosecution's attack on Germany's industrial and financial leaders, Dr. Rudolf Dix, Schacht's counsel, declared at a recess that he was considering summoning American businessmen as witnesses for the defense.

Dodd linked German industrial leaders and Schacht, former Reichsbank president, directly to the Nazi party even before the election which resulted in Hitler becoming reichschancellor in 1933 with an affidavit from Georg von Schnitbler of the I.G. Farben firm.

Acted As Host

Schnitzler said that Schacht "acted as kind of a host" at a meeting in February, 1933, of Hitler, Krupp, Albert Vogler, chief of the steel combine, and other industrialists.

Hitler warned the industrialists of the dangers of Communism, Schnitzler's affidavit declared, and after the Nazi leader left the room "Schacht proposed to the meeting the raising of an election fund, as far as I remember, of 3,000,000 reichmarks."

Schacht, who protested in a recent interview that he had little to do with German rearmament, listened earnestly and jotted down notes as the affidavit and other documents were introduced.

Refinancing Promised

One letter signed by the Reichsbank president and sent to Hitler Jan. 7, 1939, said: "From the beginning the Reichsbank has been aware of the fact that successful foreign policy can be attained only by the reconstruction of the German armed forces. The Reichsbank therefore assumed to a very great extent the responsibility to finance rearmament in spite of the inherent dangers to the currency."

Another of Schacht's letters told of risking inflation in order to give the Army all the funds it needed to assure "a successful foreign policy."

Another affidavit read by the prosecution was signed by Emil Puhl, a director of the Reichsbank, who said Schacht has created a fake organization called "metallurgische forschungs gesellschaft," presumably a research fund into which armament funds flowed and then out again to munitions makers, cloaking the German rearmament program.

The prosecutor read from the diary of former Ambassador William E. Dodd the statement that Schacht admitted to the American envoy in September, 1934, that the Hitler party was absolutely committed to war and that the people were willing.

Farm Policies

(Continued From Page One)

loss of market at home and abroad.

Three Courses Open

As administration leaders see the situation, this country has only these three courses open to it:

1. Reduce prices of the export commodities so that they may move freely into world markets.

2. Subsidize exports if present price policies are retained.

3. Re-establish production controls to limit output to domestic requirements if present price policies are kept and export subsidies are eliminated.

The Byrnes and Anderson speeches indicate an administration preference for the first course. It would be supplemented by international collaboration designed to stabilize prices at levels fair to both farmers and consumers and to divide world markets among producing nations so as to prevent cut-throat competition.

TRAIN OVERTURNS

INDIANAPOLIS, Nov. 23. (U.P.) —A passenger train overturned at Clermont, five miles west of Indianapolis, today. Indiana state police rushed troopers to the scene to check on possible casualties.

News Briefs

Two drunk driving fines were assessed this morning by County Judge Walter Davies, after pleas of guilty: Against Charles B. Kay, 33, and a negro, George Black, 30. Each received a fine of $50 and court costs, and revocation six months of the right to drive a motor vehicle.

Christmas seals offered for sale by boys brought police investigation early this afternoon when, officials said, Christmas seal officials indicated the procedure was unauthorized. All seals offered thus far have been through the mails, police said they were informed, and suggested the seals possibly had been taken from mail boxes.

A 28-year-old negro woman was being questioned early this afternoon by police, who had been called to Montgomery Ward & Co. store to arrest a shoplifter. No charge had been filed.

Winter Roars In

(Continued From Page One)

equalled or bettered low seasonal marks set yesterday.

Dalhart Has Low

Dalhart again recorded the state's low mark of 14 degrees, while Amarillo reported 21, Harpersville and Wink 22, Clarendon 24, Wichita Falls and Abilene 25, Sulphur Springs and Gainesville 26, Pampa 27, Dallas 28, Midland and Tyler 29, Big Spring 30, Waco and San Antonio 34, Houston and Navasota 36, Austin and Alice 37 and Brownsville 57.

A high overcast prevented the frost from reaching the Alice area.

The weather bureau reported heavy to killing frost would hit the northeast section of East Texas and along the upper coast tonight, while elsewhere temperatures were expected to slip upward a bit.

North Texas was expected to feel temperatures between 26 and 30 degrees, west central East Texas between 32 and 35 degrees and near 36 degrees was forecast for the upper coastal region.

U. S., Russia Asked To Reveal Demands

(By The United Press)

LONDON, Nov. 23.—Foreign Minister Ernest Bevin today invited Russia and the United States to state exactly what demands, if any, they have for territory and bases so the problems can be threshed out publicly.

"If the great powers say exactly what they want, either in territory or bases or any other form, it can be examined and there is no need for action which will cause reflection on the action of one another," he said.

Frankness Is Urged

Bevin, speaking in the Commons foreign policy debate, said that Britain refuses to base her foreign policy entirely upon the decisions of the big three.

He said the big powers had better talk to each other with utter frankness and remove groundless suspicions about each other's intentions.

Britain, he said, is willing to submit anything it does or desires to discussion in open assembly of the United Nations.

The blunt-speaking foreign minister promised that Britain will not commit any unfriendly act toward any other nation, great or small.

Will Face Suspicions

"If any great power is suspicious of Great Britain I invite them to tell me frankly what their suspicions are and I will frankly face them.

"Equally I say to other countries that nothing can remove suspicion but utmost frankness as to our respective policies. I cannot see why there should be suspicion at all."

Turning to the proposed western European bloc, which the Russian press has often criticized, Bevin said that people with groundless suspicions have no right to accuse British intentions. "I am not going to accept it," he said.

Opposes Special Session

Bevin opposed calling a special United Nations meeting to discuss the Washington atomic bomb decision because, he said, the UNO central assembly would consider it in January. He urged that the United Nations organization be "stretched to the limit" from a security standpoint to meet new world conditions.

He promised that the northern provinces of Italy, which have been under Allied military control, will be handed over to the Italian government within a few weeks, except for a small area.

Congratulations To:

Pvt. and Mrs. Paul Williams, 1212 Fifteenth, on the birth of a daughter, weighing 6 pounds 14 ounces at 6:43 p. m. Thursday in St. Mary's hospital.

Mr. and Mrs. Ray Holdren, 1219 Ave. A, on the birth of a son, weighing 6 pounds 4 ounces, at 8:30 a. m. today in Porter-Sistrand clinic. The father is a truck driver.

Mr. and Mrs. W. B. Parrack, jr. 1805 Ave. R, on the birth of a son, weighing 8 pounds, at 2:17 a. m. today in Lubbock Memorial hospital.

Mr. and Mrs. Jimmie Smyth, 2523 Second, on the birth of a daughter, weighing 5 pounds 4 ounces, at 4:40 a. m. today in West Texas hospital. The father is a civil service employe.

Mr. and Mrs. James Heartsill of Brownfield on the birth of a daughter, weighing 7 pounds 5¼ ounces, at 12:40 p. m. today in West Texas hospital. The father is a farmer.

Hale Center Woman Is Hit-Run Victim

HALE CENTER, Nov. 23.—Last rites will be held here Sunday at 3 p. m. for Mrs. Dale Rogers, the former Maxine Caraway, who was killed Sunday night by a hit-and-run driver in Burbank, Calif. Complete details of the tragedy were not known here by local relatives. Her husband, recently returned veteran from the European theater, and her father, H. A. Caraway, left early Monday to accompany the body home. A. C. McIlroy, Church of Christ minister, will officiate in rites in the church here, and burial will be in Hale Center cemetery.

Besides the husband, Mrs. Rogers is survived by her parents, one sister, Miss Emogene Caraway, Ft. Worth, two brothers, John Evan, with the Marines in Japan, and H. A., jr., student in the local high school, and her maternal grandparents, Mr. and Mrs. J. C. Caraway, Weatherford.

Mrs. Rogers planned to return home in a few days to be with her husband who was discharged only last week from the Army Signal corps. He had served since June, 1942, 18 months of that time in Europe.

She was born Dec. 28, 1921 at Wellington, and attended Hale Center schools.

Lubbock Stores

(Continued From Page One)

say. The annual run of hogs to market is afoot. One packing concern said it was killing as many hogs as labor would allow, but that much of the meat was being shipped out of this section. The situation will deteriorate progressively, it was indicated. Fresh pork could be bought, but cured pork was almost unobtainable, and the condition tends toward worsening.

Lard and shortening remained tight.

For producers the situation was like this: Beef growers can enjoy great volumes of deliveries through the months when pork is difficult to obtain, and what pork producers there are can be assured of the ceiling price on every pound they send to market.

Don't Like Those Stamps

It was too early to find much reaction among consumers, but, as one merchant put it: "They don't like those stamps and little red point coins any better than we merchants."

The fats salvage program sponsored by the government since early in the war will be continued so long as fat supplies are short, the Agriculture department said today.

Housewives and other consumers will continue to receive four cents a pound from local retailers participating in the program, but of course there will be no red point bounty as in the past, since the red point ration program ends at 12:01 a. m., tomorrow.

Phone Strike

(Continued From Page One)

of long-distance service in Chicago and practically all service in the rest of the state appeared slim, however, following company rejected of a union "compromise proposal."

Hold To Demands

The union, in an offer submitted at the fourth conciliation since the strike started Monday, held fast to demands for a $6 weekly wage increase but relaxed demands for retroactive pay and length of service increases.

Elsewhere in the labor picture, the Canadian Congress of Labor last night called on all dominion members to back up strikers in the long-standing Ford Motor Co. of Canada's Windsor, Ont., plant.

The CCL's executive council designated Nov. 30 as "Ford strike day" and asked all organized workers in Canada to donate one day's wages to the Windsor strike fund.

New South Wales was the first colony to be established in Australia.

Indian Riots

(Continued From Page One)

seized on the occasion of the demonstration to touch off smouldering hatred.

Violence Swells

A small parade by students which began the demonstration was peaceful. Police tried to halt the procession. Shooting and throwing of brickbats followed, and the violence swelled to mass proportions.

In the early stages, an estimated 100,000 persons took part in the demonstrations. About 50,000 joined in a march through the streets.

Many groups of demonstrators bore the orange, green and white flags of the All-Indian Congress Nationalist party demanding independence for India.

Gunfire In Streets

Gunfire rattled in the streets and Indian mobs repeatedly attacked British and American military vehicles. The violence was predominantly anti-British, but many Americans were injured in the melee.

One American officer suffered a skull fracture from a brick hurled by an Indian.

Frenzied demonstrators lay down on the railroad tracks, trying to halt train movements. Military traffic ran through the city under armed escort, but the rioters halted and burned many vehicles at roadblocks constructed on all principal arteries into the city.

Appeal Is Broadcast

As tension rose to an extreme pitch, the British governor of Bengal, Richard Casey, broadcast an appeal to Indian leaders to help restore order. He described the demonstrators as "an uncontrolled leaderless body of youth."

Twenty thousand municipal workers struck today, crippling the city's water supply. Public transportation has been halted by a strike of bus, taxi and rickshaw drivers.

Packs of demonstrators roaming the crowded streets prevented Indian workers from going to their jobs and forced business establishments to remain shut.

Rose Bowl

(Continued From Page One)

in a great and deep hole.

Two weeks ago the New Orleans classic was on top of the heap, ready to pit undefeated St. Mary's against either undefeated Alabama or undefeated Holy Cross.

But now St. Mary's and Holy Cross have been beaten, and Alabama is unavailable.

Even if Army could be had, it's very doubtful whether the Sugar bowl wants the team for the same reason the Rose bowl passed it up—too much power for any conceivable opponent.

That leaves a pretty sparse selection of teams.

Unbeaten Oklahoma A & M seems to be a cinch. Right now, Duke looms as a prominent opponent for the Aggies from Soonerland.

Lubbock Loses To Sandies, 33 To 6

Amarillo Clinches At Least A Tie For Title; Pampa Only Remaining Obstacle

(BY STAFF CORRESPONDENT)

AMARILLO, Nov. 23. — Amarillo High School's powerful Golden Sandies—with a tie for the District 1-AA pennant clinched—today took it easy and looked forward to their Dec. 1 clash with Pampa's Harvesters after chalking up a convincing 33 to 6 triumph over a nervous Lubbock High Westerner squad at Butler Field here Thursday afternoon before 12,000 fans.

The Sandies, proud, poised and plenty good but not as good as many former Amarillo squads, are topheavy favorites to win their tussle with the Harvesters Saturday week and go into the bi-district playoff against Wichita Falls' undefeated but once tied Coyotes.

Same Old Story

It was the same old story here yesterday afternoon in the annual Turkey Day classic between the Sandies and Westerners — and the ending was no different from those of the previous five seasons, although for one almost unbelievable quarter it appeared that the Westerners might forget their "Sandie jinx" as Coach Dixie White's boys played the favorite Amarillo club to a standstill to hold a 6 to 6 deadlock at the end of the first period.

But in the second quarter the roof fell in, the Sandies pushed across three touchdowns and added another in the third stanza to make their triumph complete, and chalk up their sixth straight win over the Black and Gold.

Punt Gives Sandies Chance

In the defeat, however, Big George Brewer, Lubbock's All-District back, turned in one of the best games of his grid career by accounting for most of the yardage the Westerners chalked up, although sharing honors with others on the club.

Here's the gory details the way they happened. . . .

After receiving the opening kickoff, the Westerners weren't able to gain and Brewer's punt from his ow 14 dribbled out on the Lubbock 33. Big Harland Collins, Amarillo plunging, passing, punting tailback, picked up three. Then after being held for two downs, Collins rifled the ball on a fourth down heave to Right Half Bobby Bauman on the Lubbock four. Fullback Avon Flaniken picked up a yard to the three, then rambled through the Lubbock line for the score. Sub Back Edsel Buchanan's try for point was low.

The Sandies then kicked off to Brewer, the Lubbock left half lumbering to his own 45 on a sensational return. In four plays the Westerners were stopped cold, and punted out on the Amarillo 28. Collins lost a yard, then Flaniken, on an attempted slash at the line, fumbled on the Sandie 30, and little Noel Sikes, the Westerners' 135-pound right half who turned in a whale of a game alongside Brewer, smothered the ball. Brewer picked up a yard. A five yard penalty set the Westerners back to the 34.

Jones Connects On Pass

Then Brewer started rolling. He hit the center of the line for nine to the Sandie 25. Big George hit tackle for nine more to the Amarillo 16, plunged to the 15 on the next play. Austin failed to gain and a pass went awry in the end zone.

Then on fourth down, Quarterback John Paul Jones—another standout for the Westerners — found Left End Dick Schmidt in the left flat with a bullet heave. The score was knotted. Lubbock's 2,500 fans went wild. Brewer's kick for the extra point was wide and with little more than two minutes to go in the first period, the Westerners had done something no other Lubbock team had been able to do in the past four years—score on Amarillo.

Amarillo Roars Back

But the happiness was short-lived.

Bauman took Brewer's kickoff on the Sandie 12, returned to his own 35. Ten plays, two minutes and 65 yards later the Westerners watched Collins whip a third down pass from his own 16 to Bauman for the second Sandie tally. Bobby Farmer, Amarillo team manager, missed the try for point.

Amarillo kicked off to Lubbock on the 30. Two plunges and an incomplete pass netted Lubbock a two-yard loss. Brewer then punted. The ball popped into the air, bounced out four yards downfield—out on Lubbock's 35.

Collins, Seale Shine

About this time, Jack Seale, Amarillo's sub fullback, came into the fray. In two plays he had the ball on Lubbock's six. A 15-yard holding penalty set the Sandies back. The Sandies surged back to the one. Another 15-yard penalty shoved Amarillo back to the 16 again. And again Seale brought it back to the six. Collins then whipped a fourth down touchdown heave to Seale and the score read 18 to 6. Sub Back A. F. Pyeatt booted a perfect placement and it was 19 to 6.

With about two minutes to play, the Sandies recovered Brewer's fumbled punt return on the Lubbock 19 to set up their next score Five plays later, Collins stood on his own six, dropped the ball on a perfect pass in the end zone to Left End Jack Glasgow for the fourth Sandie tally, third of that wild second quarter. Buchanan kicked the point and the half ended seconds later, 26 to 6.

Sandies Score Again

Lubbock came back to make something of a ball game of it for eight minutes of the third period. Then Amarillo exploded again.

Taking over on the Lubbock 41 after Bauman recovered another Brewer fumble, the Sandies in seven sudden, short plunges scored their final tally, the irrepressible Seale slashing the left side of the Lubbock line to shreds on spinners and reverses. Seale went the last five yards over guard and tackle. That made it 32 to 6. Pyeatt planted one squarely between the uprights and that made it 33 to 6, as the quarter ended.

Lubbock In Late Rally

The fourth was played mostly in Amarillo territory with second and third string Sandies being pressed hard to hold the charging Westerners, although Brewer handled most of the charging for the Lubbocks. About midway the quarter, the Westerners took over on a punt on their own 26 and with Brewer and Sub Back John Latham doing the driving, rolled to the Sandie 40 before bogging down. A punt exchange gave the Westerners the ball on the Amarillo 44 with little more than a minute to go.

Then Brewer sparked a dying rally which had rolled to the Sandies' four as the game ended.

The statistics show Amarillo with a clear margin in every department, and they were as good or even better than the statistics show. This Collins, who is (the program says) 159-pounds of brawn and dynamite, can pass, punt and plunge with the best of them—only Brewer with the same blocking and teamwork is much better. And Amarillo's Seale—a whirling dervish, who with Collins almost singlehandedly engineered that second quarter debacle, will back next year.

Brewer Standout Of Game

For Lubbock, it was Brewer all the way—and he would have went all the way more than once if there were enough fast blockers to pave the way Also sharing honors with him were Sikes, who got in some terrific tackles, Jones, whose passing was a constant threat, and Capt. and Center, Charles Presley, Left End Dick Schmidt, Left Guard Harold Wall and Right End Gerald Davis in the line.

Those were the figures and facts. But one angle which none of the statistics show is a little thing called psychology. It has something to do with being able to accomplish what you THINK you can do—regardless the odds.

That Lubbock touchdown proved that.

Lubbock—Backs, Austin, Booker, Lanham, Alderson; center, McGowan; tackle, Waters; ends, Etz, Cawthorn.

Floydada Is Winner Of District Title

FLOYDADA, Nov. 23 (Special) —Floydada's high scoring Whirlwinds gained undisputed possession of the District 4-A grid title here yesterday afternoon, winning over the Spur Bulldogs in a free scoring contest, 31 to 26.

Officials of the Wellington Skyrockets were on hand for the game, and following the game this afternoon, the site of the bi-district clash between the two schools was set for Wellington, but the date was not agreed upon.

Long runs featured the play of the Whirlwinds, with Glenn Carmack and Kelley Hagood sharing in the scoring honors for the new champions. Carmack started the scoring on the first play of the ball game, and Floydada was never headed off.

Carmack's first gallop was for 60 yards, and a few minutes later, he got away for another 55 yard touchdown juant. Both were on smashes through the line.

Hagood started in the first period, sweeping end for 70 yards and a touchdown, and again in the fourth period he scored Floydada's only touchdown of the last half with a 65 yard gallop on the same type play.

Watson scored for Spur in the first quarter with a 10 yard sprint to pay dirt, and in the second period McAteer intercepted a Floydada pass and roamed 40 yards for a touchdown.

Also in the second quarter, Robertson passed to Payne, and Tribble kicked the extra point for seven more Floydada points.

The third quarter was scoreless. Hagood scored for Floydada in the fourth, and Spur counted twice in a desperate rally with Watson passing to Calvert for 20 yards and one touchdown, and Watson ran over the other from the ten yards out.

Borger's Bulldogs Win At Brownfield

BROWNFIELD, Nov. 23 (Special)—The Borger Bulldogs closed the District 1-AA season here yesterday afternoon by beating the Brownfield Cubs in the season's finale, 20 to 13.

Borger used a punt, a pass and a run to pile up a 20-0 lead in the first half. The Cubs came back in the second half with a pair of touchdown passes, but the rally was smothered before the Cubs could catch the Bulldogs.

A brilliant 50 yard punt return to Crow, Borger speedster, scored one touchdown, and Milton Price galloped 50 yards off tackle for another. The third tally was scored on a pass play.

Pampa Upset By Plainview

Bulldogs Bounce Back Into Race

(By Staff Correspondent)

PLAINVIEW, Nov. 23—For the second time in grid history, and the first time since 1940 when they won 10-0, the Plainview Bulldogs bounded back into the District 1-AA grid race with a stunning 14-7 upset victory over the Pampa Harvesters here yesterday with 7,000 fans watching the Harvesters dumped from the state's list of unbeaten teams.

The critics who have said that Plainview couldn't win without its great passing attack left the Plainview stadium with red faces at the end of the ball game, for it was a hard driving, tricky ball handling ground game that trampled the heavier Harvesters into the sod with two long sustained drives that paid off in the second quarter after 60 and 81 yard marches to pay dirt.

Bulldogs Grab Lead

It was well along in the late minutes of the first period that Plainview suddenly sprang into life, and started rolling after most of the period had been spent with neither team offering much of a threat.

Jack Dunham of Pampa started the fireworks when he intercepted a pass by Plainview's Jack Williams, then flipped a latteral to Randall Clay, and Clay romped to the Plainview 40 before he was roped in.

Three running plays netted four yards, and Johnson gambled with a pass on fourth down. Jack Weldon leaped high, hooked the ball out of the waiting arms of Clay, and ran it back, then flipped a latteral to Jack Williams who ran to the Bulldog 40.

Little Claude May, who played a great game in the Plainview line, saved the day when he recovered Rudolph Haile's fumble for a four yard gain. Haile then made it first down at midfield. Weldon and Haile picked up another ten in three tries.

Then Weldon took the handoff from Williams, broke over his own left tackle and into the clear and roared to the Pampa 10 before he was crowded out of bounds. It was the first serious threat of the game.

Williams picked up a couple of yards, Weldon added four more, then Weldon knifed into the line, and made a first down on the one-foot line, on the last play of the quarter. Weldon smashed over on the first play of the second period, and Williams booted the extra point.

Pampa Storms Back

Pampa came storming back on the kickoff, and with big Randall Clay and Bill Washington eating up the ground with hard slashing runs, moved from deep in their own end of the field to the Plainview 19, where the attack bogged before the fighting Bulldog defenders.

Plainview stormed right back, marching from its own 19 to score, with Williams and Weldon turning in some nice gallops to start the drive to rolling, and move the ball out to the Bulldog 46 for a first down.

It was there that William's only pass of the day started the real scoring threat when Williams flipped the ball into the arms of Jack Bond as the Plainview wingman started wide. Bond broke into the clear and stormed down the sidelines and looked to be pay dirt bound when George Johnson flashed through and bumped him out of bounds on the Pampa 22.

Haile picked up seven yards, then Williams twisted through tackle and smashed down to the Pampa six before he was dropped. Weldon picked up two yards, then Williams smashed over his own right tackle for the score, and booted the extra point.

Bulldogs Hole Up

The Bulldogs then seemed content in defending their lead for the rest of the way, and neither team offered another threat until the powerful ground attack of the Harvesters started rolling in the late minutes of the ball game, and scored the lone Harvester tally.

Pampa took over on its 45 yard line on a punt exchange, and after one incomplete pass, Clay gathered in a pass from Johnson and carried the pigskin to the Plainview 30.

It was there that Bill Washington started rolling, and circled left end and weaved through the secondary to the Plainview 22, where the officials warned coaches on both benches that two minutes remained in the game.

Clay Goes Over

Washington broke away again, and smashed down to the Plainview six, a brilliant run, and when he was tackled, the referee stepped off the rest of the way down to the Bulldog one yard line for roughness. On the next play, big Randall Clay crashed over, then Clay kicked the extra point.

Plainview "froze" the ball for the four remaining plays, which included one five yard penalty for delaying the game, and that was the story of how the Harvesters were toppled.

It was the first time since Plainview defeated Pampa 10-0 in 1940 that a Bulldog eleven has beaten a Harvester eleven, and the second Plainview victory in the grid history of the two schools.

There was some brilliant defensive play from both sides throughout the game, but the play of little May of Plainview and Big Jim Terrell of Pampa that stood out in both lines.

The Pampa defeat leaves Amarillo undisputed leaders in the District 1-AA race, but a Pampa victory over Amarillo on Dec. 1 would throw the race into a three-way tie between Amarillo, Pampa and Plainview.

ORTIZ BREAKS HAND

SAN ANTONIO, Nov. 23 (AP) — Manuel Ortiz must hang up his gloves for 45 days or more, physicians said, after the Mexican bantamweight champion suffered a broken right hand in ihs fight against Proctor Heinold here Tuesday night. The accident cancelled the championship bout Orti scheduled Dec. 10 against Luis Castillo, Tommy Farmer, the boxer's manager said.

Southwest Conference Rolls Into Climax With Championship Still Very Much In Balance; Rice Breathing On Texas' Neck

(By The Associated Press)

The intersectional schedule finished with a deficit of two games, Southwest conference teams tomorrow roll into the next to last week-end of the football campaign with the championship still very much in the balance.

Arkansas closed the season yesterday by taking a 45-13 licking from Tulsa university in the final intersectional game.

Tomorrow Rice, battling for at least a tie for the conference title, goes to Fort Worth to play Texas Christian. Southern Methodist, wtih only faint hopes of sharing the championship, plays Baylor at Waco.

Texas, leading the race but with Rice breathing on its neck, rests this week and so does Texas A. and M., which is in the same boat as Southern Methodist. The Aggies and Longhorns play at College Station next Thursday in the finale for both teams.

Tulsa found Arkansas a soft touch when the regulars were in there but the Razorbacks gave the Hurricane trouble when the reserves tried their hands. Big John Hoffman, ace of the Porker backfield, scored one Arkansas touchdown on a 68-yard dash and set up the other by taking a pass from Calvin Lane.

Three District Championships Will Be Determined Tonight

(By The Associated Press)

Three district championships will be determined tonight, bringing to eleven the number crowned in Texas schoolboy football. The other five will be decided next week.

The eight titlists now ready to enter the state play-off the first week in December are:

District 2—Wichita Falls.
District 4—El Paso High.
District 5—Paris.
District 7—North Side (Fort Worth).
District 9—Breckenridge.
District 11—Marshall.
District 13—Milby (Houston).
District 15—Thomas Jefferson (San Antonio).

Six Named Thursday

Six of these champions were named yesterday and last night. Wichita Falls romped in with its title by crushing Vernon 48-0, El Paso downed Austin (El Paso) 25-7, North Side staged one of the season's major upsets by beating Paschal (Fort Worth) 14-0, Breckenridge defeated Mineral Wells 20-0, Marshall swamped Tyler 38-0 and Thomas Jefferson edged Brackenridge (San Antonio) 20-13 to ruin Austin's hopes of a championship although the latter can finish in a tie for the top with Jefferson by defeating Kerrville tonight. Jefferson, by virtue of having defeated Austin in season play, is district champion.

Tonight Crozier Tech and Sunset clash for the Dallas district title, Galveston and Goose Creek play for the district 14 flag and Brownsville engages Harlingen needing no better than a tie to clinch district 16 honors.

Amarillo Is First

Amarillo took over undisputed possession of first place in district 1 when Pampa slipped before Plainview 14-7 yesterday. The Sandies walloped Lubbock 33-6 to remain unbeaten in conference play.

Other results yesterday and last night:

Borger 20, Brownfield 13; Quanah 13, Electra 7; Graham 33, Olney 0; San Angelo 26, Abilene 14; Lamesa 6, Midland 6 (tied); Sweetwater 19, Big Spring 12; Denison 21, Sherman 13; Gainesville 25, Bonham 6; Paris 12, Greenville 7; Sulphur Springs 39, Arlington 6; Highland Park (Dallas) 87, McKinney 7; Adamson (Dallas) 19, Forest (Dallas) 6; Brownwood 33, Weatherford 0; Stephenville 32, Ranger 0; Cisco 26, Eastland 13; Waxahachie 14, Hillsboro 6; Temple 21, Corsicana 6; Longview 39, Gladewater 7; Henderson 0, Kilgore 0 (tie); Nacogdoches 18, Athens 12; Jeff Davis (Houston) 20, Sam Houston (Houston), 0; Port Arthur 41, Beaumont 7; San Benito 19, McAllen 0.

Tech Raiders Are On Road

The Texas Tech Red Raiders rolled across New Mexico today, enroute to Albuquerque where they tangle with the once-beaten New Mexico Lobos Saturday afternoon in the season's final game for the Raiders.

Coach Dell Morgan had hoped to close the year with another victory but indications were last night he will get none too much service from two of his best linesmen, R. W. Moyers, end, and Floyd Lawhorn, guard. Both men have been among the year's stars and have been mentioned for Little All-America honors. Moyers has not been at practice all week because of an injured knee received last week-end against the Oklahoma Aggies. His physician said last night it is doubtful if he will be able to play much against the Loboes. Lawhorn has been limping all week, with both knees and his left ankle sore from the Aggies encounter.

Colds have swept the Raider squad for the past two weeks and others of the traveling squad will not be in top shape. However, Morgan feels his charges may give a good account of themselves.

Thirty-one players will make the trip, including:

Centers Otis Turner, James Cleckler and John Stawewen; Guards Lawhorn, Russell Birdwell, Mac Weaver, Reeves Moren, Pat Farris and Earl Burum; Tackles Douglas McSwane, James Gimmell, Bernie Winkler and Charles Walsh; Ends Moyers, Bill Kelley, Billy Bob Harris, Frank Ottners, Athol Craven and Lester Hahn; Backs T. M. Cox, Bennie Tidwell, Arthur Shahan, Cecil Norris, Jack Hinson, Milton Butler, Walter Schlinkman, Ed Robnett, Dick Wiggins, Gene Hardey, Jack Dillon and Chester Jackson.

Also making the trip will be Coaches Morgan, Polk Robison, Walker Nichols and Tom Douglas, Student Managers G. W. Warden, Bruce Pipkin and Earl Lackhart, Publicity Man Clark Schooley and Earl Leverett, photographer.

Traveling by private automobile will be many other Tech officials and numerous fans, including Athletic Director and Mrs. Morley Jennings, Dean and Mrs. W. L. Stangel and Clifford Jones, president emeritus, and Mrs. Jones.

SINGS THE BLUES

ALBUQUERQUE, N. M., Nov. 23 (AP) —Coach Willis Barnes sang the Friday blues today about his New Mexico Lobo gridders who meet Texas Tech here tomorrow afternoon with a probable bid to the New Year's Sun bowl at El Paso, riding on the result.

"I don't see how we can beat them," Barnes mourned. "They're awfully tough . . ."

The Techsans arrive today from Lubbock, and both teams finish preparations with light workouts this afternoon.

The game pits two old rivals in the dormant Border conference who have pulled all the stops in the past. The offensive stars are Walt Schlinkman, Tech fullback; and Don Kumley, New Mexico half who has gained a total of 907 yards in six games, scoring seven touchdowns and an extra point.

In the line, New Mexico is outweighed except at center occupied by Fred Doar, captain, 195.

Dunbar High Victor Over Abilene Club

The Dunbar High school negro grid machine continued to roll merrily along yesterday afternoon at Tech stadium, thumping the Abilene High negro team for the second time this season, winning the Turkey day game 36 to 0.

The game here Thursday was played before a crowd of several hundred fans, both white and colored. The game was sponsored by the Lubbock Junior Chamber of Commerce.

Petersburg Winner Over Crosbyton

CROSBYTON, Nov. 23 (Special) —Petersburg struck from behind here yesterday afternoon to defeat the Crosbyton Chiefs, 21-13.

Sparked by Ralph White, speedy Petersburg back who scored two of the touchdowns, the Buffs turned on the hard running game in the final two periods. White was the outstanding man on the field.

Crosbyton took the lead in the first half, and at the intermission the Chiefs boasted of a 7-0 lead.

Crosbyton scored one touchdown on a pass over the goal line to Blackwood, an end, and the second came on a 40 yard run by Simmons.

"Buy A Victory Bond TODAY."

Littlefield Is Title Winner

Sudan Tilt Ends In 20-20 Tie

(By Staff Correspondent)

SUDAN, Nov. 23—Using the 20-yard line for a goal line, the Littlefield Wildcats, one of the highest scoring grid machines in Texas, had to use the Interscholastic League penetration rule here yesterday afternoon to cart home a District 5-A title they were favored to win by two touchdowns.

The score was 20-20 but the invaders, who came here favored by two touchdowns, held a 4-3 edge in penetrations and a 16 to 10 advantage in first downs, clinching the victory.

Littlefield claimed two quick scores in the first and second periods and added a third in the third stanza while the home team grabbed one tally in the second and two in the third periods for their scores.

Sudan Had the Spirit

A cool-headed crafty quarterback, Billy Lyman, was the main claw of the Wildcat game. He carried the burden of passing and running and never lost that unruffled calm that signifies a winner.

Sudan was always in the ball game and gave Littlefield players and fans the scare of the year behind the pitching arm of Jimmy Eddins and the crashing runs of Leland Bouldin. What they lacked in size and ability, spirit balanced.

Littlefield drew first blood by taking the ball on their own 40-yard marker after kicking twice and driving 60 yards for their first tally. Oscar Arnds went over from the one to climax a nine-play drive. After crossing the goal he fumbled but it was pounced on by end Gene McCanles for the score. The conversion missed.

Lyman Passes for Score

In the second period Littlefield again cavorted over half the distance of the field, this time 55 yards, to score. Lyman, whose ball-bearing arm proved dangerous all day, plunked one in the arms of McCanles for 13 yards and the tally.

Then came the conversion that fans are still wondering about. Buster Owens calmly kicked the goal. The referee signalled the kick good. The headlinesman said Sudan was guilty of defensive holding but Littlefield, already up the field, refused the penalty. The referee signalled a penalty against Sudan was refused and in his signals the crowd and players alike thought the point was bad. The score then stood 13-0 favoring Littlefield.

Sudan Got Busy Again

Sudan got busy in a hurry. They took the kickoff and began throwing and passing the ball straight downfield. Eddins passed to end Joe Price from the 30 and the receiver gathered in the pigskin and scooted from the 15 across the goal. Waymon Bellar kicked a perfect conversion. The score was 13-7 and was the same when the half ended.

In the third period the Sudan team came back again to tally a quick one. They took the opening kickoff and from their own 46 drove the remaining distance to the goal in 11 plays. Bouldin went over and Bellar converted to give Sudan a 14-13 lead.

But champions wouldn't be kept down. Littlefield returned the kickoff to the 30, but a holding penalty put them back to their 15. In 16 plays Lyman led the way down field, carrying five times and passing twice and running over the score. He heaved a toss to Owens on the one yard line and then slipped over from his quarterback slot. Again Owens converted perfectly giving the Wildcats a 20-14 lead.

Everyone was convinced of Littlefield's victory but Sudan. They came charging back after being forced to punt once by recovering a Arnds fumble on the invader's 25 and moved over to score. Eddin's passed once to the 14, moved down to the nine and then crashed over. He fumbled in the end-zone but a pile of Sudan players made it a certainty by smothering the ball. The kick was wide and the final score was set.

Littlefield made one more definite threat in the final quarter, and made the penetration that won the game. Dal Braden, who was consistently there when he was needed all during the game, blocked a Sudan punt and McCanles ran it down to the 33. Lyman heaved to McCanles on the next play to move the ball to the 18. Three more passes failed and Owens dropped the fourth one in the end zone. The ball game ended two plays later with Sudan in possession on their own 25.

The scrappy home team got 78 yards in the air and 79 rushing. Littlefield got 229 aground and 58 in the air. Each completed six posses with the winners tossing 14 and the losers 10. Littlefield was set back 35 yards for penalties against 5 for Sudan. The winners' game was hurt my five fumbles, four of them recovered by Sudan and the latter lost the ball on 2 occasions during their 4 fumbles. Both teams showed poor defensive play on the dusty gridiron.

Littlefield will play the District 6-A champions, Denver City, in the bi-district game. Date and site are not yet set.

Saturday Football Winners Selected

Notre Dame, Indiana, Michigan, Georgia Tech, Texas Tech, Penn, Yale Get Edge

By HAROLD CLASSEN
Associated Press Sports Writer

NEW YORK, Nov. 23. — Thirteen incorrect guesses last Saturday sent this corner's average below the .800 mark for the first time in more than two years.

Nevertheless, here are this week's probable college football winners:

Notre Dame-Tulane: Off their one common foe, Georgia Tech, this game should be a pushover for the midwestern outfit. It probably won't be that easy but the Irish shouldn't have to work too hard. Notre Dame.

Purdue-Indiana: The Hoosiers need this victory for their first Big Ten title. A setback would give the crown to the winner of the Ohio State-Michigan tussle. Pete Pihos will see to it that the title goes to Bloomington, Indiana.

Ohio State-Michigan: The Buckeyes apparently have recovered from their midseason difficulties but the Wolverines appear to have more polish. Winner of this game will be Big Ten champion if Purdue spills Indiana. Michigan.

Cornell-Pennsylvania: Cornell's team, revamped after the Nov. 1 Navy transfers, still has too many rough edges. Pennsylvania.

Duke Has Edge

North Carolina-Duke: A neighborhood brawl in which past performances mean nothing. Duke, however, is the only college team to score twice on Army this year. Therefore, Duke.

UCLA - California: The Uclans were "up" for their victory over St. Mary's last week but should have enough zip left to repeat their early season win over the Bears. UCLA.

Texas Christian-Rice: Temporary second place in the Southwest conference is at stake with the Owls favored by about the three-point margin by which they lost to the Frogs a year ago. Rice.

Dartmouth - Columbia: Coach Lou Little openly predicts his Lions will win this one. He should know. Columbia.

Oklahoma A & M - Oklahoma: The Aggies have one of the year's most proficient ground - gaining machines. Oklahoma A & M.

Oregon State-Southern California: Even the weatherman smiles on the Trojans when they play at home. Southern California.

Yale - Princeton: The first Big Three game since pre-war days comes with many of the Princeton players in bed with influenza. Yale.

Clemson-Georgia Tech: Clemson walloped Tulane last week but will find this foe too much. Georgia Tech.

Skipping over the remainder in a hurry:

Tech Over New Mexico

Far West: Texas Tech over New Mexico, Colorado college over Colorado A & M, Washington State over Washington.

Midwest: Northwestern over Illinois, Iowa over Nebraska, Wisconsin over Minnesota, Missouri over Kansas.

South: Miami over Michigan State (Friday), Auburn over Louisiana Tech, Alabama over Pensacola Navy, Mississippi State over Mississippi, Tennessee over Kentucky, Virginia over Maryland.

Southwest: Southern Methodist over Baylor.

East: Harvard over Boston university, Holy Cross over Boston college (Sunday), Colgate over Brown, Penn State over Pittsburgh, Kings Point over Brooklyn.

Last week's record: 35 correct, 13 incorrect, .729.

Season's record: 288 correct, 76 incorrect, .791.

Fight Broadcast on KFYO Tonight

Two of the best middleweights in the East, Jerry Fiorello (above) of Brooklyn, and Coley Welch of Portland, Me., are scheduled to go ten rounds in New York tonight.

Fiorello is an aggressive, colorful, scrapper with a good left hook and a hard right. He fights from a crouch, always moves in and is a tough customer in the clinches. Among others, the joltin' jockey has defeated Vic Dellicurti, Joe Bennett, Johnny Lawer and George "Red" Doty.

Coley Welch punches well with both fists and is highly rated among current middleweights. He has scored victories over Ralph Zannelli, Berlie Lanier, Vic Dellicurti, Izzy Jannazzo and other capable opponents.

The PLAINSMAN Says:

That Girl on Broadway, after listening to talk of "the next war," atomic power and such, says if people don't hurry up and start learning to love people there soon won't be any people.

* * *

A "righteously indignant" person is one who is about to bust wide open from anger because it's against his principles to relieve the pressure by cussing!

* * *

WELL, we see by the papers where the deer season is a big success thus far. In Mason county, hunters have killed 4,381 deer and somewhere near 4,382 other hunters!

* * *

The Corpus Christi preacher who raised all the hob about President Truman's being offered an honorary degree by Baylor university achieved what he started out to do. He got his name in all the papers.

* * *

WE think it's fine that so many people are interested in improving the lot of underprivileged children.

But sometimes we wish someone would do something for underprivileged parents.

There are many more underprivileged parents than there are underprivileged children, yet no one seems interested in their plight.

By the way, do you know what sort of parents are underprivileged? If you don't, we'll elucidate.

They are parents:

1. Who haven't the intestinal fortitude to say "no" to their kids when "no" is the proper answer;

2. Who have one or more 'teen age kids—and only one automobile;

3. Who deny themselves necessities so the youngsters may have more non-essentials than the family's income can afford—non-essentials which sometimes are hurtful, rather than helpful.

4. Who permit themselves to be unduly influenced by policies adopted by parents of their children's youthful friends, even when they know those policies aren't applicable to their own homes and cases; and,

5. Who allow themselves to be blinded to the fact that while the world changes, and so do the people in it, there still are some basic principles which always have been good and always will be.

If you are a parent, think it over.

* * *

Cheer up! Life may not be worth living some of the time, but there isn't any time it doesn't beat dying!

* * *

That Man on Avenue Q says the nearest thing to a "death-ray" he ever came in contact with was the glare his old schoolmaster used to aim at him over steel-rimmed spectickles.

* * *

Albert Einstein says the world is 14 billion years old.

Maybe so, but sometimes it looks all of 12 billion to us.

* * *

PERHAPS you haven't noticed it, but it's getting to be quite fashionable for members of the self-appointed intelligentsia in this country to prate that "we don't understand the Russians."

Maybe we don't—but from where we sit it looks like we do understand 'em. In fact, it looks like we understand 'em so well that we're never going to feel either happy, or safe, over lying down in the same international bed with 'em.

Seems to us that the attitude of the "we-don't-understand-the-Russians" people is very similar to that of the newfangled "psychologists" toward bad little boys and girls who need to be spanked, rather than "psycho-analyzed," to prevent their becoming youthful practitioner of the art of mayhem.

* * *

Intensely practical, the comrades of the frozen steppes and vast sweeps of Asia are out to "git while the gittin's good."

They play a tough game of international poker and they'll bluff away the pot every time if they aren't prevented from so doing. They regard us—with good reason, since our policy toward them is what it is—as a bunch of easy-going suckers and they're going to bulldoze us just so long as they feel they can do so without our getting our back up.

* * *

AFTER all, the United States of America is the most powerful nation in the world today, not Russia.

There are nations, just as there are individuals, which respect power above all things; which react in direct ratio to the amount of firmness exhibited toward them.

If we continue our present policy toward Russia, and the Bear is successful in organizing large blocs of satellite nations in Europe, the Orient, Asia and Africa, don't ever kid yourself that economic screws won't be put on us and that, eventually, we shall be pressed from all sides in an effort to add us to the satellites.

No American with a lick of sense wants a war with any nation; certainly not with Russia, a valuable ally in the conflict just ended.

But it is entirely possible that our breach with Russia may be widened, rather than lessened by a continuation of our present policy of never-ending appeasement.

It is well to remember that while Russia has rights to security in this world, that we have rights, too.

And if we don't stand up for those rights, and protect them, nobody else will.

Could that "Goucher," by any chance, be a misprint for "Grouchy"?

* * *

DOWN in San Antonio at a doctors meeting of some kind the other day, Dr. A. T. Stewart, of Lubbock, had his attention drawn to the lefthand column of Page 1 of the San Antonio Express. Naturally, he was pleased to note that the South Texas paper had turned over its daily column of comment, titled "Think," on that day to Lubbock, Texas Tech and various local individuals.

The column commented upon the seed-breeding campaign carried on at the State Agriculture Experiment station here by Don Jones; upon a recent article in the West Texas Chamber of Commerce magazine, in which President W. M. Whyburn, of Texas Tech, had outlined benefits of cotton farming on the Plains; on the work of H. A. Macha, of near Tahoka, in developing a "weather-proof" cotton, and on the Wallace stripper, also a local undertaking.

Numerous articles in The Avalanche-Journal have stressed all these points from time to time in recent years, but it is good to see that efforts on behalf of cotton and cotton farmers here are being recognized in other quarters.

First thing you know, all of Texas is going to be convinced that we "have something," agriculturally speaking, out here on what used to be the Llano Estacado.

* * *

It is reported that a Hollywood movie company is filming a picture on so vast a scale that the director uses a walkie-talkie in communicating with his assistants.

If this is true, his assistants, instead of saying "yes" to every message, probably are replying with "Roger!"

Feminine Viewpoint

BY RUTH MILLETT

(Copyright, 1945, For The Journal)

EVERY community has its share of tragic stories of servicemen coming home to their wives and after a short try at resuming their marriages deciding it won't work and walking out.

MILLETT

The men are blamed in almost every case. "That poor girl sat and waited for him for two or three years—(or what ever the case may be) — and now he is through with her."

The men very likely are to blame in some cases. And yet—

* * *

IT IS THEIR FAULT?

CAN they really help it if the war years and the experiences that have changed their outlook have made their marriages seem dull and, somehow, an awful mistake?

Society sent them off to war. Society interrupted their marriages. Society decreed that a man's duty to his country came before his duty to his home.

And now when many of the marriages aren't standing the unnatural strain that was put upon them—society is blaming the men for not coming back the same persons they were when they left home.

* * *

IT WAS "OUR WAR"

INSTEAD of condemning the husband or wife in such cases, shouldn't we all shoulder the blame? It was "our war," not just the war of the men who left home to fight it. And if it has been hard on many marriages, then we are all to blame.

And what right have couples who have never known the forced separation that war brings to assume their own marriages would have weathered such rocky times?

Maybe they would— and maybe they wouldn't. It looks as though in all fairness to the men and women whose marriages have gone to pieces due to the strain of war, society should show only pity and take no sides

In their personal lives those people are merely paying the terrible cost of war.

Journal Jabs

AFTER reading the account of a Salt Lake City woman having a man arrested for kissing her and running, it isn't altogether clear to us whether she took this action because he kissed her or because he ran.

* * *

Some women are awfully stingy. A woman on trial for murdering her husband said she shot him because it was cheaper than divorcing him.

* * *

We see by the papers where the professor who wants to do away with Santa Claus is on the faculty of Goucher college, Maryland.

Could that "Goucher," by any chance, be a misprint for "Grouchy"?

* * *

Today's Journal Editorial

IT'S GOOD—ALL AROUND

It is hard to find the words for proper editorial treatment of the change in the high commands of our Army and Navy.

Here, we have a case of two good men replacing two good men. All—Generals Marshall and Eisenhower and Admirals Nimitz and King—handled their respective war jobs exceedingly well and rendered their country services which will live forever in history.

With General Marshall and Admiral King leaving their posts at their own request, no one can conceive of better replacements than Ike and Chet, the two Texas boys. President Truman was not faced with an appointment problem in this instance. Eisenhower and Nimitz were "naturals," heads above the field—and fully deserving— and their selections came as little surprise to the American public.

Both bring a world of practical experience, gleaned amidst the roar of battle, to the topmost Army and Navy jobs. Both are extremely popular among the people throughout the country, an asset which will be of tremendous aid in getting Army and Navy programs through Congress. They should be ideally qualified to help the President chart a peacetime defense program.

It is to be hoped the new chiefs of staff will provide the means by which the deadlock over unification of the military and naval branches will be broken. General Eisenhower has been outspoken for unification and Admiral Nimitz, while less voluble, has taken the side of most Navy men in opposing the consolidation. That there is a possibility that Nimitz may reverse his stand, now that he ranks supreme in the Navy, can be seen in the fact that he favored unification several years ago only to change his mind, some allege, when his braided associates 'put the pressure on him."

The country will not soon forget the military genius and statesmanship of General Marshall and the intelligent, quiet dynamo that was Admiral King, director of a Navy whose achievements may never be equaled.

Senators Are Warned On Atom Bombs

Washington Merry-Go-Round

BY DREW PEARSON
Special Correspondent

WASHINGTON. — Public and congressional opinion regarding the atom bomb has moved so rapidly that the Truman-Attlee statement just barely caught up with it. A few weeks ago, the Truman-Attlee plan to share the atom secret if other nations reciprocated would have been considered revolutionary. Now some senators and many scientists think it doesn't go quite far enough.

Chief reason for the rapid change in public opinion has been the educational campaign staged by the scientists and some senators.

For instance, Scientist Milton Burton of Oak Ridge, Tenn., went to see Senator Chan Gurney of South Dakota. Gurney, a sincere and able gentleman, devoutly believes that the sun rises and sets in the War department's Pentagon building across the Potomac. Some of his friends suspect that he takes out a prayer rug and does obeisance in the direction of the Pentagon every morning. To him a brass hat can do no wrong. Thus the Army's plan for airtight control of the atom bomb to him was perfect.

PEARSON

However, he listened politely to Oak-ridge Scientist Burton. Burton wanted to outlaw the atom bomb altogether, but the senator from South Dakota remained unconvinced. Finally, Burton pulled his trump card. He unfolded the danger of setting off the nitrogen chain. This is one thing the scientists have been deadly afraid of.

"You realize, senator," explained the scientist, "that if enough bombs were dropped, of sufficient size, they might set off the nitrogen chain and the entire world would go up in flames. We would simply be another flaming star in the heavens, later a barren desert. People from other planets would look out and say 'aha, nova! A new star!'"

Scientist Burton was deadly serious. So are other scientists. They say it is quite possible that sufficient number of atom explosions would ignite the nitrogen in the atmosphere and the entire earth would be burned up, just as other planets are today.

* * *

McKELLAR CONVERTED

ANOTHER Oak Ridge scientist, Charles D. Coryell, went to work on the family of Senator Kenneth McKellar of Tennessee. So also did William Pollard, a professor at the University of Tennessee, but now working in New York. McKellar, a powerful, energetic figure in the Senate, had not even wanted to appoint liberal young Senator Brien McMahon of Connecticut as chairman of the atomic bomb study committee, even though McMahon introduced the resolution. And when McKellar finally consented to go along with McMahon's appointment, he stacked the committee with reactionaries.

However, when Scientists Coryell and Pollard finished explaining the dangers of the A-bomb, the Tennessee senator actually got down from his presiding officer's chair to make one of the most statesmanlike speeches the Senate has heard on atom control.

Another senator who has seen how a cut-throat international race to get control of the atom might wreck all civilization is Republican Senator Alexander Smith of New Jersey. Smith spent several weeks on a New Jersey speaking tour both educating and sounding out public opinion regarding the bomb. He reports that the people generally are ahead of Washington in believing that the secret must be used as a means of working out international cooperation and permanent peace.

Meanwhile, scientists and some senators make two chief criticisms of the Truman-Attlee control plan. They say (1) that the plan must be worked out by the heads of states, not by the foreign ministers who just failed so miserably at London; (2) that it was a mistake to put future control in the hands of the United Nations, since the United Nations already has proved a disappointing skeleton, inadequate to cope with the intricate problems of peace. The atom bomb, they feel, can be used to create a real system of world cooperation — not subject to the veto of one power.

* * *

MISSOURI PAPERWEIGHTS

JUST before the giant battleship Missouri was about to leave Pearl Harbor for the east coast last month, it was published that she was held up by "trouble." Here's what the trouble really was:

The spot on the deck where MacArthur signed the surrender consisted of wooden deckboards. Under orders from someone, the Navy yard tore up the entire section of the deck and replaced it with new wood.

Then the old boards on which MacArthur and the Japs had stood was turned over to the wood-working shop at the Navy yard and made into paperweights.

But what burnt up enlisted men was that the paperweights were then given to the brass hats. Not one enlisted man was able to get a souvenir of the memorable surrender occasion, though thousands of them had given their lives to help achieve it.

* * *

CAPITAL CHAFF

NAVY explanation of why General MacArthur's photo was omitted from the official exhibit of war leaders is that they sent a naval officer recruited from Hollywood to Brisbane at $7 per diem to get the picture. It was explained to MacArthur's headquarters that when all the photos were collected they would be presented to the nation at FDR's library at Hyde Park. The photographer waited a couple of weeks at $7 a day, but MacArthur refused to pose . . . That was why Mexican, French, and British generals were included in the Navy's photo exhibit of war leaders, but not MacArthur . . . Gen. Clayton Bissell, chief of Army intelligence, is now on a trip to South America. The State department asked him to steer clear of Argentina, because they didn't want it to appear we were sending them any distinguished visitors at a time when we frowned on their Fascist form of government. But Bissell ignored the request, went to Argentina anyway . . . Walter Winchell, who starts his 15th consecutive year on the air Dec. 2, offered $1,000,000 in cash for a 12-½ per cent share in the ABC network. He was not bluffing either. He had the cash in small bills in a strong box . . . Eleanor Roosevelt was a guest of the Henry Wallaces during her recent Washington visit. She was feted "off-the-record" by the female contingent of Washington correspondents . . . Mrs. Truman still flatly refuses to hold regular press conferences, has all her announcements made by her secretary, Reathel Odlum, and Edith Helm, White House social adviser. . . . The John Boettigers (she was Anna Roosevelt) came to Washington from Seattle the other day looking for new newspaper worlds to conquer. He used to run the Seattle Post-Intelligencer.

* * *

MERRY-GO-ROUND

MRS. TRUMAN took a long-delayed step toward mending her relations with the ladies of the press by inviting them to a White House supper . . . However, a lot who were left out were more miffed than ever . . . The dinner was delicious—turkey, sweet potatoes, three different kinds of ice cream . . . Mrs. Truman went out of her way to be informal . . . There was no head table, she just plunked herself down among several guests and started eating . . . Dress at the dinner was optional. Mrs. Truman wore a long gown, her daughter Margaret a short one . . . Margaret was the most excited member of the party. "I am going to flunk an exam on account of you girls being here tonight," she said. "I was supposed to study. I'll send you my report card when it comes" . . . Mrs. Truman took her guests downstairs to the White House projection room after dinner to show them a new picture, "Weekend at the Waldorf." It was selected by Margaret . . . Last year at a similar party staged by Mrs. Roosevelt, the picture was "The Voice of China" . . . Ladies of the press peppered the evening with whispered remarks about the contrast between Truman and Roosevelt hospitality. You can't please all the people all of the time.

"Try And Stop Me"
By Bennett Cerf

ONE of the most successful compositions of Abram Chasins, the distinguished pianist, is a piano piece called Rush Hour in Hong Kong.

He was discussing it one day with Moriz Rosenthal, an equally noted pianist. "It was published only seven months ago," he told Rosenthal proudly, "and it has just gone into its seventeenth edition!"

"I was never so crazy about that piece, Abe," was the answer, "but so bad I didn't think it was!" Back at Chasins' studio, he found the piano rack covered with compositions by Bach, Beethoven, and Schubert. "My, my," commented Rosenthal. "I was under the impression that you composed by ear."

* * *

ADD to your "shaggy dog" stories the one about the colony of ostriches—ninety-nine birds in all—that had their heads buried neatly in the sand. Ostrich No. 100 came galumping onto the scene. He looked around in a puzzled way and inquired, "Where on earth is everybody?"

Then there's the worm that met another worm coming up from the ground and declared, "You're very beautiful and I'd like to marry you." "Don't be a dope," was the reply. "Im your other end."

His intimates are now convinced that Jim Farley is "not done with politics" and that he "may be your next governor" . . . Joan Fontaine says "the studio" must have started those spurious reports that she would wed director John Houseman. "Never was anything to it" . . . Bette Davis' mother will marry Robert Palmer, a Bostonian, at Palm Springs, Calif., any split second.

And That's That!

Question Of Importance Now Is Facing United Nations

Secondary Powers Resent Being Ignored

By MARQUIS CHILDS
Special Correspondent

WASHINGTON. — President Truman and Prime Ministers Attlee and King recommended that a commission be formed under the United Nations organization to take over world control of atomic energy. But they did not say how that commission should be named.

CHILDS

This is a question of first importance to nations outside the closed circle of the big three. They are beginning to feel that in peace, as in war, they have no choice but to follow decisions already taken by the big powers.

Herbert V. Evatt, Australia's foreign minister, voiced this discontent in a speech here the other day. Evatt happens to be a remarkably articulate and forthright individual who does not hesitate to say what is on his mind, even though friends and allies may occasionally be embarrassed and annoyed by his frankness.

* * *

Not Alone In View

He is, however, by no means alone in his view that the pattern of big three or big four or big five peace-making threatens the existence of a truly international organization such as the UNO must become if it is to be more than a thin disguise for big power politics. Evatt sums up the views of most of the secondary powers. They feel they are being made to wait for the second table and, perforce, to accept the leftovers.

In private conversations as well as in his public talk, Evatt has expressed the hope that real authority could be delegated to UNO. The commission on atomic energy will be taken as a test.

If its membership is dictated by the dominant powers, then there will be further disillusionment and distrust. The commission is bound, for a time at any rate, to overshadow every other phase of UNO activity, if only because it will deal with the problem of greatest magnitude.

* * *

THE general assembly of UNO is to meet shortly after the first of the year. If the assembly, representing all the powers, could in some way have a part in naming the commission, UNO would ge enormously strengthened.

What is equally important, the commission itself would get off to a better start in that way. It would have the approval of every nation.

The big question mark is Soviet Russia. As this is written, no reaction to the proposed commission has come from Moscow, not even the kind of oblique reference that often foreshadows an official stand. If Russia should refuse to go along, the prospect would certainly be dark.

* * *

Have Moral Prestige

Nevertheless, a commission named with the consent and approval of all the powers would have a moral prestige that could not be ignored. It would be a pledge that Britain, Canada and the United States did not intend to use the "secret" for purposes of maneuver and manipulation.

There is another and more practical reason for considering the feelings of the secondary powers in setting up the atomic commission. Thus far, the only source of atomic energy is uranium, which comes from pitchblende.

It was from Canadian deposits of pitchblende on Great Near lake, only a few miles south of the Arctic circle, that we got our supply of uranium to make the atomic bombs dropped on Japan. Another source which some geologists believe to be even greater is in the Belgian Congo. Czechoslovakia has a deposit of pitchblende.

* * *

THE secondary powers also have great scientists, some of whom took part in the work that led up to the first use of atomic fission in warfare. Dr. Niels Bohr, a Danish physicist, was smuggled out of Denmark under the eyes of the Germans because he had an essential contribution to make. From Italy came Enrico Fermi, who almost discovered the method in his own laboratories before he fled from Fascism.

Atomic fission was the creation of a world brain. It should come under the control of a world organization.

If we had followed the advice of Sumner Welles four years ago, we would have taken the lead in forming a new league while the war was still on. The UNO would not now be taking its first halting steps. Men like Evatt remember these failures of the past. They want assurance that the secondary powers will not be ignored in the future.

"Anything Can Happen . . ."

THE WINNER

RAYTOWN, Mo., (AP)—R. H. Kenagy, sr., had a birthday this week, his 96th, and a good laugh on three of his sons who are in the insurance business.

The mortality tables which his sons use to sell policies run only to 95. At that age, say the insurance statistics, only three out of every 100,000 persons are supposed to be alive. And at 96 none is alive statistically and the company pays off to policy holders reaching that age.

Thus Kenagy is eligible to collect on a $1,000 insurance policy which he took out in 1896.

JAILBIRDS

PHILADELPHIA, (AP)—Four turkeys, discovered jaywalking in South Philadelphia, are in a police cell today.

Police Officer Joseph Cicolese, who found the birds dodging traffic, said they will remain in jail until claimed "which should be before Thanksgiving."

Today's Thought

The wise men are ashamed they are dismayed and taken; lo, they have rejected the word of the Lord; and what wisdom is in them? —Jeremiah 8:9.

CERTIFICATE OF LIMITED PARTNERSHIP

State of Texas; County of Lubbock.
This is to certify that the undersigned have entered into a limited partnership agreement for the purpose of running a wholesale dry goods business in Lubbock, Lubbock county, Texas, and the selling of dry goods at wholesale in the area surrounding Lubbock, Texas, under and by virtue of Revised Statutes of Texas, Title 105, relating to limited partnerships, upon the following terms and conditions hereinafter set forth, to-wit:

I
The name of the partnership shall be Brooks-McKenzie, Ltd.

II
The general nature of the business intended to be transacted is wholesale dry goods business.

III
The names of all of the general and special partners interested therein, distinguishing which are general and which are special partners, and their respective places of residence are as follows:
Jerry V. Brooks of Lubbock, Texas, General Partner;
W. E. McKenzie of Lubbock, Texas, General Partner;
R. L. Brooks, Jr. of Lubbock, Texas, General Partner;
Woodfin Boggess of Dallas, Texas, Special Partner;
E. E. Coker of Dallas, Texas, Special Partner;

IV
The said special partners have each contributed to the common stock of said firm the sum of $2,500.00 in cash, and actually paid same into the partnership account in the Citizens National Bank, Lubbock, Texas.

V
The said partnership to commence immediately at and after the making of this certificate, and is to terminate on the first day of January, 1951.

VI
The principal place of business of said partnership shall be at Lubbock, Texas.

MADE AND SEVERALLY SIGNED by said partners, this the 30th day of October, A. D. 1945.
JERRY V. BROOKS, General Partner
R. L. BROOKS, JR., General Partner
W. E. McKENZIE, General Partner
WOODFIN BOGGESS, Special Partner
E. E. COKER, Special Partner

CITATION BY PUBLICATION
THE STATE OF TEXAS
To Nat P. Shaw, Lena Shaw, wife of Nat P. Shaw, Mrs. L. C. Shaw, wife of Nat P. Shaw, the heirs and legal representatives of Nat P. Shaw, Lena Shaw, and Mrs. L. C. Shaw, and of each of them, unknown stockholders of E. Y. Chambers and Company, Inc., a defunct corporation, Fred M. Banks, F. M. Banks and P. M. Banks, Jr., and the heirs and legal representatives of Fred M. Banks, F. M. Banks, and P. M. Banks, Jr., and each of them, Defendants, greeting:
You are hereby commanded to appear before the Honorable 99th District Court of Lubbock county at the courthouse thereof, in Lubbock, Texas, at or before 10 o'clock a. m. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 10th day of December, A. D. 1945, then and there to answer Plaintiff's Petition filed in said Court, on the 26th day of October, A. D. 1945, in this cause, numbered 12916 on the docket of said court and styled J. Wilkie Talbert, Plaintiff, vs Nat P. Shaw; Lena Shaw, wife of Nat P. Shaw; Mrs. L. C. Shaw, wife of Nat P. Shaw; the heirs and legal representatives of Nat P. Shaw, Lena Shaw and Mrs. L. C. Shaw, and of each of them; unknown stockholders of E. Y. Chambers and Company, Inc., a defunct corporation; Fred M. Banks, F. M. Banks, and P. M. Banks, Jr., and the heirs and legal representatives of Fred M. Banks, F. M. Banks, and P. M. Banks, Jr., and of each of them, Defendants.
A brief statement of the nature of this suit is as follows, to-wit: That this is a suit in trespass to try title; that on October 25, 1945, plaintiff was lawfully seized and possessed of Lot No. 6, Block No. 1, G. A. Rush Addition to the City of Lubbock, Lubbock county, Texas, together with all improvements thereon, holding and claiming same in fee simple; that on said date defendants unlawfully entered upon said premises and ejected plaintiff therefrom, and unlawfully withhold from him the possession thereof, to his damage in the sum of $6,000.00; that the reasonable annual rental value for said land premises is $480.00; as is more fully shown by Plaintiff's Petition on file in this suit.
The officer executing this process shall promptly execute the same according to law, and make due return as the law directs.
Issued and given under my hand and the Seal of said Court, at office in Lubbock, Texas, this the 26th day of October, A. D. 1945.
Attest: ALYENE FURGESON, Clerk, 99th District Court, Lubbock County, Texas.
By STELLA ROBBINS, Deputy.
(SEAL)

THE STATE OF TEXAS,
COUNTY OF LUBBOCK,
CITY OF LUBBOCK
NOTICE OF BOND ELECTION:
TO THE RESIDENT QUALIFIED VOTERS OF THE CITY OF LUBBOCK WHO OWN TAXABLE PROPERTY WITHIN SAID CITY, AND WHO HAVE DULY RENDERED THE SAME FOR TAXATION:
TAKE NOTICE that an election will be held in the City of Lubbock, Texas, on the 11th day of December, 1945, on the various propositions and at the place more particularly set forth in the election ordinance adopted by the City Commission on the 20th day of November, 1945, which election ordinance is substantially as follows:
ORDINANCE NO. 733
AN ORDINANCE BY THE CITY COMMISSION OF THE CITY OF LUBBOCK, TEXAS, DETERMINING THE NECESSITY FOR THE ERECTION AND CONSTRUCTION OF CERTAIN PUBLIC BUILDINGS, PURCHASING SITES THEREFOR AND FURNISHING AND EQUIPPING THE SAME FOR THE PURCHASE AND INSTALLATION OF FIRE EQUIPMENT, FOR THE EXTENSION, ENLARGEMENT AND IMPROVEMENT OF THE WATER SYSTEM AND SEWER SYSTEM OF THE CITY OF LUBBOCK, FOR THE INSTALLATION, ERECTION AND CONSTRUCTION OF CERTAIN PARK IMPROVEMENTS, PURCHASING SITES THEREFOR, FOR THE ERECTION, CONSTRUCTION AND ENLARGEMENT OF BUILDINGS, IMPROVEMENTS AND EQUIPMENT FOR THE AIRPORT OF SAID CITY, FOR THE EXTENSION AND IMPROVEMENT OF THE STORM SEWERS OF SAID CITY, FOR THE EXTENSION AND IMPROVEMENT OF THE STREET LIGHTING SYSTEM OF THE CITY, FOR THE WIDENING, IMPROVEMENT AND EXTENSION OF THE STREETS AND HIGHWAYS OF SAID CITY INCLUDING THE PURCHASING OF NECESSARY RIGHTS OF WAY THEREFOR, AND FOR ERECTING, CONSTRUCTING AND EQUIPPING A MUNICIPAL AUDITORIUM-COLISEUM FOR SAID CITY AND PURCHASING A SITE THEREFOR; DETERMINING THE ADVISABILITY OF SUBMITTING TO THE PROPERTY TAXPAYING VOTERS OF SAID CITY WHO OWN TAXABLE PROPERTY WITHIN SAID CITY AND WHO HAVE DULY RENDERED THE SAME FOR TAXATION, PROPOSITIONS RELATING TO THE ISSUANCE OF THE NEGOTIABLE INTEREST BEARING COUPON BONDS OF SAID CITY TO FINANCE SUCH IMPROVEMENTS, EXTENSIONS AND CONSTRUCTIONS; PROVIDING FOR AN ELECTION UPON THE QUESTION OF AUTHORIZING AN AGGREGATE AMOUNT OF $5,894,000.00 OF THE BONDS OF SAID CITY FOR SUCH PURPOSES; PRESCRIBING THE PLACE AND TIME OF HOLDING SAID ELECTION, THE QUALIFICATION OF VOTERS, THE PURPOSES OF THE VARIOUS BONDS, THE AMOUNTS THEREOF, THE INTEREST RATE THEREON AND SUBMITTING THE PROPOSITION OF THE LEVY, ASSESSMENT AND COLLECTION OF AD VALOREM TAXES ANNUALLY WHILE SAID BONDS OR ANY OF THEM ARE OUTSTANDING, TO PAY THE INTEREST ON AND PROVIDE A SINKING FUND FOR THE REDEMPTION OF SAID BONDS AS THE SAME MATURES AND ACCRUES; PRESCRIBING THE MATURITY OF SAID BONDS, THE MANNER OF HOLDING SUCH ELECTION AND DECLARING AN EMERGENCY.

WHEREAS, the City Commission of the City of Lubbock, affirmatively finds that it is advisable and to the best interest of said City that certain improvements, additions, extensions and enlargements be made to the public buildings, parks, airport, storm sewer system, streets and highways within said City, street lighting system, water and sanitary sewer system, as well as that a municipal auditorium-coliseum be erected and constructed within said City and that a site be purchased therefor and certain fire equipment be purchased for the use of said City, all in accordance with the recommendations, plans and estimates which have heretofore been presented to this Commission by various Committees of interested citizens of said City; and

WHEREAS, it is deemed advisable and necessary that the negotiable interest bearing coupon bonds of said City should be issued for the purpose of financing the cost of such improvements, additions, extensions and public buildings and that it is necessary and expedient that an election be held within and for said City of Lubbock for the purpose of submitting to the legally qualified resident property tax-paying voters of said City, who own property subject to taxation therein and who have duly rendered the same for taxation, the various propositions to determine whether or not such bonds shall be authorized for said purposes and whether or not ad valorem taxes shall be annually levied, assessed and collected against all property within the City of Lubbock for the redemption of said bonds at maturity and for paying the interest thereon as it accrues:

NOW, THEREFORE BE IT ORDAINED BY THE CITY COMMISSION OF THE CITY OF LUBBOCK, TEXAS:

I.
That an election be held within and throughout the boundaries of the City of Lubbock, Texas, on the Second Tuesday in December, 1945, the same being the 11th day of December, 1945, such date being not less than fifteen days nor more than thirty days from the date of this ordinance, at which time there shall be submitted to the resident qualified property taxpaying voters of Lubbock, Texas, who own property subject to taxation within said City and who have duly rendered the same for taxation, the following specific propositions:

PROPOSITION NUMBER ONE
Shall the City Commission of the City of Lubbock be authorized to issue the negotiable interest bearing coupon bonds of said City to the amount of $75,000.00, bearing interest at a rate of not exceeding three and one-half per centum (3½%) per annum from date and maturing at such time or times as may be deemed most expedient by the City Commission, serially not later than twenty-five years from their date, for the purpose of the construction, erection, enlargement, improvement and purchase of City Hall Buildings and furnishing and equipping the same in the City of Lubbock; and shall there be annually levied, assessed and collected, while said bonds or any of them are outstanding, an ad valorem tax upon all taxable property within said City sufficient in amount to pay the annual interest on said bonds and to provide a sinking fund to pay the principal thereof as the same matures.

PROPOSITION NUMBER TWO
Shall the City Commission of the City of Lubbock be authorized to issue the negotiable interest bearing coupon bonds of said City to the amount of $101,000.00, bearing interest at a rate of not exceeding three and one-half per centum (3½%) per annum from date and maturing at such time or times as may be deemed most expedient by the City Commission, serially not later than twenty-five years from their date, for the purpose of the construction, erection, enlargement and improvement of Fire Station Buildings, purchasing sites therefor and furnishing and equipping the same in the City of Lubbock; and shall there be annually levied, assessed and collected, while said bonds or any of them are outstanding, an ad valorem tax upon all taxable property within said City sufficient in amount to pay the annual interest on said bonds and to provide a sinking fund to pay the principal thereof as the same matures.

PROPOSITION NUMBER THREE
Shall the City Commission of the City of Lubbock be authorized to issue the negotiable interest bearing coupon bonds of said City to the amount of $85,000.00, bearing interest at a rate of not exceeding three and one-half per centum (3½%) per annum from date and maturing at such time or times as may be deemed most expedient by the City Commission, serially not later than twenty-five years from their date, for the purpose of the construction, erection, enlargement and improvement of Police Station Buildings and furnishing and equipping the same, and purchasing sites therefor in the City of Lubbock; and shall there be annually levied, assessed and collected, while said bonds or any of them are outstanding, an ad valorem tax upon all taxable property within said City sufficient in amount to pay the annual interest on said bonds and to provide a sinking fund to pay the principal thereof as the same matures.

PROPOSITION NUMBER FOUR
Shall the City Commission of the City of Lubbock be authorized to issue the negotiable interest bearing coupon bonds of said City to the amount of $60,000.00, bearing interest at a rate of not exceeding three and one-half per centum (3½%) per annum from date and maturing at such time or times as may be deemed most expedient by the City Commission, serially not later than twenty-five years from their date, for the purpose of the construction and erection of an Equipment Storage and Garage Building, purchasing a site therefor and equipping the same in the City of Lubbock; and shall there be annually levied, assessed and collected, while said bonds or any of them are outstanding, an ad valorem tax upon all taxable property within said City sufficient in amount to pay the annual interest on said bonds and to provide a sinking fund to pay the principal thereof as the same matures.

PROPOSITION NUMBER FIVE
Shall the City Commission of the City of Lubbock be authorized to issue the negotiable interest bearing coupon bonds of said City to the amount of $65,000.00, bearing interest at the rate of not exceeding three and one-half per centum (3½%) per annum from date and maturing at such time or times as may be deemed most expedient by the City Commission of the City of Lubbock, serially not later than twenty-five years from their date, for the purpose of purchasing and installing apparatus, equipment, engines and machinery for the Fire Department of said City; and shall there be assessed, levied and collected annually, while said bonds or any of them are outstanding, an ad valorem tax upon all taxable property within said City sufficient in amount to pay the annual interest on said bonds and to provide a sinking fund for the redemption thereof at maturity.

PROPOSITION NUMBER SIX
Shall the City Commission of the City of Lubbock be authorized to issue the negotiable interest bearing coupon bonds of said city in an amount of $155,000.00, bearing interest at a rate of not exceeding three and one-half per centum (3½%) per annum from date, and maturing at such time or times as may be deemed most expedient by the City Commission, serially not later than twenty-five years from their date, for the purpose of purchasing sites for parks and of erecting and constructing improvements to the parks of the City of Lubbock, including raising, grading, filling, terracing, landscape gardening, erecting buildings, establishing walks and paving driveways around, in and through said parks, playgrounds and other public grounds, as well as installing, constructing, repairing and improving swimming pools, wading pools and other facilities for the recreation of the children and citizens of said City; and shall there be annually assessed, levied and collected, while said bonds or any of them are outstanding, an ad valorem tax upon all taxable property within said City sufficient in amount to pay the annual interest on said bonds and to provide a sinking fund for the redemption thereof at maturity.

PROPOSITION NUMBER SEVEN
Shall the City Commission of the City of Lubbock be authorized to issue the negotiable interest bearing coupon bonds of said City in an amount of $300,000.00, bearing interest at a rate of not exceeding three and one-half per centum (3½%) per annum from date, and maturing at such time or times as may be deemed most expedient by the City Commission, serially not later than twenty-five years from their date, for the purpose of constructing, repairing, erecting and improving buildings, hangars and other permanent improvements to the municipal Airport of the City of Lubbock, including the construction of roads, drives, parking areas and the purchase and installation of control equipment and machinery and other improvements incidental to the operation of such Municipal Airport; and shall there be annually assessed, levied and collected while said bonds or any of them are outstanding, an ad valorem tax upon all taxable property within the City of Lubbock sufficient in amount to pay the annual interest upon said bonds as it accrues and to provide a sinking fund for the redemption thereof at maturity.

PROPOSITION NUMBER EIGHT
Shall the City Commission of the City of Lubbock be authorized to issue the negotiable interest bearing coupon bonds of said City in an amount of $1,750,000.00, bearing interest at a rate of not exceeding three and one-half per centum (3½%) per annum from date and maturing at such time or times as may be deemed most expedient by the City Commission, serially not later than twenty-five years from their date, for the purpose of the construction, erection and equipment of a public building and auditorium to be known as the Lubbock Auditorium-Coliseum, and purchasing a site therefor; and shall there be annually assessed, levied and collected upon all taxable property within the City of Lubbock a tax sufficient in amount to pay the annual interest on such bonds and to provide a sinking fund for the redemption thereof at maturity.

PROPOSITION NUMBER NINE
Shall the City Commission of the City of Lubbock be authorized to issue the negotiable interest bearing bonds of the City of Lubbock in the amount of $60,000.00, bearing interest at a rate of not exceeding three and one-half per centum (3½%) per annum from date and maturing at such time or times as may be deemed most expedient by the City Commission, serially not later than twenty-five years from their date, for the purpose of constructing, enlarging, extending and installing storm sewers, drains, curbs and gutters and other improvements incidental thereto, and purchasing lands and rights-of-way requisite for such storm sewer construction and extension within and without the city limits of the City of Lubbock; and shall there be annually assessed, levied and collected upon all taxable property within the City of Lubbock, while said bonds or any of them are outstanding, a tax sufficient in amount to pay the annual interest on such bonds and to provide a sinking fund for the redemption thereof at maturity.

PROPOSITION NUMBER TEN
Shall the City Commission of the City of Lubbock be authorized to issue the negotiable interest bearing coupon bonds of the City of Lubbock in the amount of $600,000.00, bearing interest at a rate of not exceeding three and one-half per centum (3½%) per annum from date and maturing at such time or times as may be deemed most expedient by the City Commission, serially not later than twenty-five years from their date. For the purpose of improving, extending and altering public streets, avenues, alleys, highways and boulevards by paving, widening, raising, grading, filling, repaving or resurfacing the same or otherwise improving such streets and highways, and for the purpose of acquiring the necessary rights-of-way incidental thereto; and shall there be annually assessed, levied and collected upon all taxable property within the City of Lubbock, while said bonds or any of them are outstanding, a tax sufficient in amount to pay the annual interest on such bonds and to provide a sinking fund for the redemption thereof at maturity.

PROPOSITION NUMBER ELEVEN
Shall the City Commission of the City of Lubbock be authorized to issue the negotiable interest bearing coupon bonds of the City of Lubbock in the amount of $245,000.00, bearing interest at a rate of not exceeding three and one-half per centum (3½%) per annum from date and maturing at such time or times as may be deemed most expedient by the City Commission, serially not later than twenty-five years from their date, for the purpose of constructing, installing, extending and improving the street lighting system of said city, including the installation of street lights, stop and traffic lights and other improvements incidental thereto; and shall there be annually assessed, levied and collected upon all taxable property within the City of Lubbock, while said bonds or any of them are outstanding, a tax sufficient in amount to pay the annual interest on such bonds and to provide a sinking fund for the redemption thereof at maturity.

PROPOSITION NUMBER TWELVE
Shall the City Commission of the City of Lubbock be authorized to issue the negotiable interest bearing coupon bonds of the City of Lubbock in an amount of $445,000.00, bearing interest at a rate of not exceeding three and one-half per centum (3½%) per annum from date and maturing at such time or times as may be deemed most expedient by the City Commission, serially not later than twenty-five years from their date, for the purpose of constructing, extending, enlarging, improving and adding to the sewage disposal plant, filtering beds and emptying grounds for the sewage system, and acquiring lands and rights-of-way within and without the limits of the City of Lubbock for such sewage disposal purposes, and extending and installing additional sanitary sewer lines; and shall there be annually assessed, levied and collected upon all taxable property within the City of Lubbock, while said bonds or any of them are outstanding, a tax sufficient in amount to pay the annual interest on such bonds and to provide a sinking fund for the redemption thereof at maturity.

PROPOSITION NUMBER THIRTEEN
Shall the City Commission of Lubbock be authorized to issue the negotiable interest bearing bonds of the City of Lubbock in the amount of $1,300,000.00, bearing interest at a rate of not exceeding three and one-half per centum (3½%) per annum from date and maturing at such time or times as may be deemed most expedient by the City Commission, serially not later than twenty-five years from their date, for the purpose of constructing, installing, enlarging, improving, extending and adding to the water supply system of the City of Lubbock, including the extension of water lines, mains and facilities, the construction of additional water supply systems, wells, lines, filtering and treating facilities and other improvements incidental thereto, as well as acquiring lands, water rights in lands, and such other interests therein, and rights-of-way, within and without the limits of the City of Lubbock for such purposes; and shall there be annually assessed, levied and collected upon all taxable property within the City of Lubbock, while said bonds or any of them are outstanding, a tax sufficient in amount to pay the annual interest on such bonds and to provide a sinking fund for the redemption thereof at maturity.

PROPOSITION NUMBER FOURTEEN
Shall the City Commission of the City of Lubbock be authorized to issue the negotiable interest bearing coupon bonds of the City of Lubbock in the amount of $860,000.00, bearing interest at a rate of not exceeding three and one-half per centum (3½%) per annum from date and maturing at such time or times as may be deemed most expedient by the City Commission, serially not later than twenty-five years from their date, for the purpose of constructing, erecting, installing and improving a complete water treating and softening plant with all machinery and equipment requisite for the operation and maintenance thereof, and acquiring lands and rights-of-way within and without the limits of the City of Lubbock requisite for the installation and maintenance of such system; and shall there be annually assessed, levied and collected upon all taxable property within the City of Lubbock, while said bonds or any of them are outstanding, a tax sufficient in amount to pay the annual interest on such bonds and to provide a sinking fund for the redemption thereof at maturity.

II.
Said Election shall be held under the provisions of and in strict conformity with the constitution and Laws of the State of Texas, including Chapter 1, Title 22, Revised Civil Statutes of the State of Texas, and the provisions of the Charter of the City of Lubbock, and all acts amendatory, complementary and supplemental thereto.

All persons who are legally qualified resident property taxpaying voters of the City of Lubbock, Texas, who own property in said City subject to taxation and who have duly rendered the same for taxation, shall be entitled to vote at said election.

III.
The ballots for said election shall have written or printed thereupon the following, to-wit:

PROPOSITION NUMBER ONE
For the Issuance of the City Hall Building Bonds and the Levying of Taxes in Payment Thereof.
Against the Issuance of the City Hall Building Bonds and the Levying of Taxes in Payment Thereof.

PROPOSITION NUMBER TWO
For the Issuance of the Fire Station Building Bonds and the Levying of Taxes in Payment Thereof.
Against the Issuance of the Fire Station Building Bonds and the Levying of Taxes in Payment Thereof.

PROPOSITION NUMBER THREE
For the Issuance of the Police Station Building Bonds and the Levying of Taxes in Payment Thereof.
Against the Issuance of the Police Station Building Bonds and the Levying of Taxes in Payment Thereof.

PROPOSITION NUMBER FOUR
For the Issuance of the Equipment Storage and Garage Building Bonds and the Levying of Taxes in Payment Thereof.
Against the Issuance of the Equipment Storage and Garage Building Bonds and the Levying of Taxes in Payment Thereof.

PROPOSITION NUMBER FIVE
For the Issuance of the Fire Equipment Bonds and the Levying of Taxes in Payment Thereof.
Against the Issuance of the Fire Equipment Bonds and the Levying of Taxes in Payment Thereof.

PROPOSITION NUMBER SIX
For the Issuance of the Park Bonds and the Levying of Taxes in Payment Thereof.
Against the Issuance of the Park Bonds and the Levying of Taxes in Payment Thereof.

PROPOSITION NUMBER SEVEN
For the Issuance of the Municipal Airport Improvement Bonds and the Levying of Taxes in Payment Thereof.
Against the Issuance of the Municipal Airport Improvement Bonds and the Levying of Taxes in Payment Thereof.

PROPOSITION NUMBER EIGHT
For the Issuance of Public Building Auditorium-Coliseum Bonds and the Levying of Taxes in Payment Thereof.
Against the Issuance of Public Building Auditorium-Coliseum Bonds and the Levying of Taxes in Payment Thereof.

PROPOSITION NUMBER NINE
For the Issuance of the Storm Sewer Extension Bonds and the Levying of Taxes in Payment Thereof.
Against the Issuance of the Storm Sewer Extension Bonds and the Levying of Taxes in Payment Thereof.

PROPOSITION NUMBER TEN
For the issuance of the street improvement bonds and the levying of taxes in payment thereof.
Against the issuance of the street improvement bonds and the levying of taxes in payment thereof.

PROPOSITION NUMBER ELEVEN
For the issuance of the street lighting bonds and the levying of taxes in payment thereof.
Against the issuance of the street lighting bonds and the levying of taxes in payment thereof.

PROPOSITION NUMBER TWELVE
For the issuance of the sewer extension bonds and the levying of taxes in payment thereof.
Against the issuance of the sewer extension bonds and the levying of taxes in payment thereof.

PROPOSITION NUMBER THIRTEEN
For the issuance of the water system extension bonds and the levying of taxes in payment thereof.
Against the issuance of the water system extension bonds and the levying of taxes in payment thereof.

PROPOSITION NUMBER FOURTEEN
For the issuance of the water treating and softening system bonds and the levying of taxes in payment thereof.
Against the issuance of the water treating and softening system bonds and the levying of taxes in payment thereof.

As to each of the foregoing propositions, each voter shall mark out with black ink or pencil one of the expressions, thus leaving the other as indicating his vote on the proposition.

IV.
That said Election shall be held at the Central Fire Station Building, at the corner of 10th Street and Avenue J, in the City of Lubbock, Texas, and the presiding Judge and Clerks of said election shall be as follows, viz:
Glen Ross, Presiding Judge.
Mrs. Ruby Smith, Clerk.
W. E. Ballew, Clerk.
J. L. Murfee, Clerk.
Knox T. Thomas, Clerk.

V.
That notice of said election shall be given by posting a substantial copy of this Ordinance at the City Hall Building and at two other public places in the City of Lubbock and such notice shall also be published on the same day in each of two successive weeks in a newspaper of general circulation published within the City of Lubbock, the date of the first publication to be not less than fourteen (14) days prior to the date set for said election.
The Mayor and City Secretary shall cause such notices to be prepared and posted and published and shall make due return thereof to this City Commission.

VI.
Immediately after said election has been held, the officers holding the same shall make returns of the result thereof to the City Secretary of the City of Lubbock, for canvassing by the City Commission and shall return the ballot boxes to the City Secretary for safekeeping.
The manner of holding such election and canvassing and making returns thereof shall be governed by the general election laws of the State of Texas, when not in conflict with the provisions of the hereinabove mentioned statutes, and the City Commission will furnish the necessary ballots and other election supplies requisite for said election.

VII.
The fact that it is affirmatively found by the City Commission of the City of Lubbock that there is urgent need to proceed with the matter of the construction and improvement of the water, sewer, public streets, park improvements and public buildings within said city, in order to make the same more convenient for the public at large and preserve and protect the health and welfare of the citizens of Lubbock, creates an emergency and public necessity, demanding that the rule requiring the reading of this ordinance on more than one day before final passage, be suspended, and such rule is hereby suspended and it is ordained that this ordinance shall take effect and be in force immediately upon its passage and adoption.

PASSED, APPROVED AND ADOPTED this the 20th day of November, 1945.
O. W. RIBBLE
Mayor, City of Lubbock, Texas.
Attest:
LAVENIA WILLIAMS
City Secretary, City of Lubbock Texas
(CORPORATE SEAL)

THE STATE OF TEXAS,
COUNTY OF LUBBOCK,
CITY OF LUBBOCK.
I, Lavenia Williams, City Secretary of the City of Lubbock, Texas, do hereby certify that the above and foregoing is a true, full and correct copy of Ordinance Number 733 passed by the City Commission of the City of Lubbock, Texas, on November 20, 1945, as the same now appears of record in volume 2, at page 630 of the Ordinance Register of said City. I further certify that such copy is an executed copy and that the signatures appearing thereon are the true and genuine signatures of the officials named.
Given under my hand and seal of said City, this the 20th day of November, 1945.
LAVENIA WILLIAMS
City Secretary, City of Lubbock, Texas
(CORPORATE SEAL)

Slaton Tigers Lose To Andrews Mustangs

SLATON, Nov. 23 (Special) — Jack Young, fine running backfield star of the Andrews Mustangs, was in fine form here yesterday afternoon, and set the pace as the Mustangs trampled the Slaton Tigers 60 to 12 in a District 6-A conference game.

Andrews used only 16 boys in the ball game in rolling up the impressive total over the hapless Tigers here this afternoon in a and a latteral the most potent weapon of the Mustangs.

Both Tiger touchdowns came on passes from Ballard to Elder.

THIRD INFANTRY WINS

PARIS, Nov. 23 (AP)—Before a Thanksgiving day crowd of 22,000, the Third Infantry division's football team scored a 26 to 19 victory over the Seine Section Clowns Thursday.

Southern Methodist Opens Cage Drive

(By The Associated Press)

Southern Methodist opens the 1945-46 basketball campaign tonight—first Southwest conference team to swing into action.

The Methodists go to McKinney to meet Ashburn General hospital.

S. M. U. and Arkansas both have games next week, S. M. U. playing Dallas Naval Air station at Grand Prairie Wednesday night and Arkansas entertaining Sedalia, Mo., Army Air field at Fayetteville.

The following week finds all conference members taking to the court.

Arkansas, as usual, will be in the favored spot to win the conference championship when the teams start playing for keeps in January. There are eight lettermen at the Ozarks school including Mike Schumchyk, Earl Wheeler, George Kok, Bill Flynt, Ken Kearns, Charles Jolliff, Frank Schumchyk and Melvin McGaha.

Rice, the defending champion, has only one squadman back from last winter but comes up with a block of schoolboy stars. Southern Methodist and Texas each has five lettermen.

Weekly Fight Nights Will Start In City

Regular weekly fight nights get underway tonight at 7:30 o'clock at the Lubbock Boys club gym with seven regular bouts and three exhibitions on the opening card.

The boys have been working at the club under the tutelage of L. L. Taylor, club athletic director, and R. L. Stinnett of the State Highway patrol.

The exhibition bouts, arranged by Stinnett who works with fighters at the Corral and the Community Center, are: James Rowden, 145 vs. Harold Doss, 142; Frank Brown, 146 vs. Glen Matheny, 155; and Godfrey Brooke, 163 vs. Bob Donnell, 161.

Other boys, working under Taylor at the club, are booked as follows: Don Bell, 96 vs. Joe Dick Siler, 86; Wilburn Roach, 110 vs. Earl Lenard, 114; Bobby Ledbetter, 130 vs. Alvin Rucker, 130; James Holloway, 145 vs. Donald Decker, 145; E. L. Dickey, 134 vs. Norman Lindsey, 135; Johnny Carpenter, 101 vs. Charles Rand, 90; and Bobby Griffin, 120 vs. George Boyd, 125.

O. J. Sexton will be referee and K. N. Clapp, Bert Kahn and Ray Simmons, judges. Pinkey Lowrey will be timekeeper.

The public is invited to witness the bouts, no admission being charged.

Denver City Takes District 6-A Title

DENVER CITY, Nov. 23 (Special)—Before the largest crowd of the season, the Denver City Mustangs clinched undisputed possession of the District 6-A title here yesterday afternoon with a 39 to 6 victory over the Sundown Roughnecks.

Denver City drew first blood in the opening period when Tate went 20 yards to score but Sundown came back to tie the count, 6-6, before the end of the period when Swaine passed to Etheridge for 40 yards and a touchdown.

The Mustangs started rolling after that and the visitors couldn't halt them as Tate passed to Miller for 30 yards and again to Ward for 20 yards in the second period for successive scores.

In the third quarter, Ward scampered off tackle for 35 yards to score and in the final period Tate went over from the two-yard line in the last quarter for the final marker. Tate kicked three of the six extra points.

Cecil Ray, left half and Ledbetter, guard, were outstanding for Sundown while Streety and Trice featured line play of the locals. Ward was sensational in his touchdown jaunts.

Bierman Not To Leave Minnesota, Ward Says

NEW ORLEANS, Nov. 23 (AP) — Arch Ward, sports editor of the Chicago Tribune, commented here today that he did not believe Head Coach Bernie Bierman had any intention of leaving Minnesota.

Ward, here to attend a testimonial banquet for Fred Digby, sports editor of the New Orleans Item, was asked about a report that Bierman might quit Minnesota at the end of the season and sign as coach of a Los Angeles pro-team.

He replied that he understood the Los Angeles coach had already been selected and that he thought Bierman was "strong at Minnesota and would remain there indefinitely."

DENVER WINS TITLE

DENVER, Nov. 23 (AP) — The Denver Pioneers staved off a last-quarter threat by Colorado and went on to capture the Big Seven conference football championship Thursday with a hard-earned 14-8 victory.

NEWCOMER LEADS

MONTGOMERY, Ala., Nov. 23 (AP) — Fred Annon, a newcomer from Greenwich, Conn., posted a four-under-par 68 today to take the lead in Montgomery's $10,000 Victory bond invitational golf tournament.

The Hotel Corridors Of Shanghai Are Orient's Busiest Traffic Crossroads

BY HAL BOYLE
Associated Press Staff Writer

SHANGHAI, Nov. 23 — Leaves from a correspondent's notebook:

Hotel rooms are department stores in Shanghai.

While the Bund and Nanking road may be one of the most famous intersections in the Orient, the busiest traffic crossroads seem to be hotel corridors—particularly if you are trying to sleep.

You register as usual and ride up to your room with half a dozen Chinese bellhops led by a character known as the "number one boy" who acts as cheerleader and financial liaison man for the others. You pay him off with double handfuls of bills—it's a poor man who doesn't have a million dollars in Shanghai currency—and stretch out on your bed to rest.

The Parade Begins

Then the parade begins.

You suddenly see in the doorway—you never heard him knock—a ghostly apparition in a once-white smock who says, "me room boy." He has at least one and usually more assistants.

Before you can shoo them out they start shining your shoes, raising and lowering blinds, opening and closing windows, turning lights off and on, and slapping towels around as if the bathroom had been attacked by a horde of mosquitos.

It's Just Begun

No sooner do you sweep the room boys out than in rush a series of peddlers, all let in one after another by room boys who must get their "squeeze" out of every sale.

Before you can object, they undo a silk rag bundle and riches of the Orient spill out on your bed — anything from Japanese swords to 400-year-old bilious colored mandarin coats or French-style postcards in Oriental technicolor.

The itinerant merchant borrows and smokes your American cigarettes as he bargains. It's impossible to convince him you don't want to buy and if you belittle his merchandise he just uses your telephone to summon his brother with higher priced goods — although the quality remains about the same.

The Grand Finale

After they depart with all your loose change the room boy ushers in a white Russian who says he is a refugee but turns out to be a bootlegger. He asks whether you want Scotch or Bourbon. Trying to outsmart him, you say, "brandy."

"Can do," says he. He steps outside the door, pulls a brandy lable out of his pocket and pastes it over the Scotch label on one of his bottles of banana oil and sweet potato squeezings. He leaves. You pull out the cork and two Navy officers from down the hall promptly beat on your door. They say they are looking for a friend who used to live there—but they settle for half the bottle and go away.

With a few omissions, that's a typical day in a Shanghai hotel room.

SILVER—Col. C. M. McQuarrie of Chicago, commander of the 132nd Infantry, examines one of the silver bars uncovered in Japan and taken to Haratsuka naval depot.

POISON RINGS SHOWN

CHICAGO (U.P.)—Poison rings of the Borgias, a 2,000-year-old set or slave rings, and a ring said to have been worn by Alaric, king of the Visigoths, in 370 A. D. were featured in a display of antique jewelry at a department store here.

The U. S. Department of Agriculture says that camphor basil, a small African herb, can be grown successfully and in commercial quantities in this country. The report covered three years experimenting with the plant.

Buying Public Is Now "Economy" Conscious

The average American household stretches pocketbooks for added savings by buying big sizes in most everything and it works the same way when you buy the 100 tablet size of St. Joseph Aspirin for 35c as you get nearly 3 tablets for 1c. For handy pocket use, remember world famous 12 tablet package for 10c. None finer, faster or more economical. The choice of millions. Always demand pure St. Joseph Aspirin.

Four Persons Hurt In Highway Mishap

BRADY, Nov. 23 (AP)—Two men and two boys, all from Dallas, were injured yesterday, when the automobile in which they were riding over-turned eight miles from here on the Brady-Brownwood highway.

Two remained in a serious condition. They were enroute to their hunting lease in Mason county.

Injured were Charles L. Carr and C. V. Griffing, manager of the Southwest Wheel and Rim Co. and Griffing's two sons, Bobby and Tim. Both boys suffered skull fractures, hospital attendants said.

Sleepwalker Takes Taxi And Awakens At Police Station

BOSTON, Nov. 23 (AP)—A footsore sleepwalker took a taxi today.

"Where to?" inquired Driver Benjamin Curtis as a passenger loomed out of the early morning mist.

"Roxbury," was the mumbled reply.

Then Curtis took another look and saw that his fare was barefoot, clad only in a nightie and sound asleep. He drove to the Roxbury crossing police station where the sleepwalker was gently awakened and identified herself as Emily Cowal, 30, of the Back Bay district.

Police sent for the young woman's mother, who accompanied her back home.

The War Production Board has called for production of farm machinery in the coming year 30 per cent above the levels scheduled for the year beginning Aug. 1, 1944.
