Clifton Chief Named Chief Of Police Here

Robert Bailey, 46, chief of police in Clifton, Tex., Friday afternoon was selected to become chief of police for Colorado City.

The action by the City Council of Colorado City came after interviewing

four applicants selected by a screening committee from 13 applications for the position.

Bailey will be paid \$1,200 a month, plus \$125 a month car allowance and will assume his new position here Aug. 18.

Bailey, a native of Ohio, and his wife, Jackie, have three children, Mike, 17; Jamie, 15 and Sean, 10. He has 15 years experience in law enforcement, including more than two years as chief in Clifton, population 3,000.

In addition, Bailey served eight years in the Navy and worked in several law enforcement positions in Ohio before his wife, a registered nurse, was transferred to Marlin. In Marlin, Bailey went to work with the police department and later moved to Clifton where after a short time, he became chief.

He is active in a number of civic endeavors in Clifton.

Bailey was interviewed by the council Thursday evening along with three other applicants.

Questions asked the applicants involved budget matters, how they felt about wearing a uniform, what should the chief's involvement in the community be, how many hours a week would they expect to work as a police chief, what is the main purpose of a police department and what should a chief's relationship be with the merchants.

Bailey said he believes in wearing a uniform as chief and his See CHIEF Page 11

Settlement Made For East Airport

The City's east airport was the subject of discussion again Thursday night when the City Council of Colorado City met to interview applicants for police chief.

Councilman Macca Findley reported that he had met with O. B. Trulock, owner of the land which the city leases for the airport, and that Trulock was willing to settle for \$6,000 provided the city supervises the removal of hangars belonging to J. O. Dockrey and Frank De-regibus.

Trulock said he would accept the money in two payments, \$4,000 when the lease expires and \$2,000 when the new budget is made up next year, Findley said.

Findley said that the

county has said they will not help remove the asphalt from the runway at the airport so the land can be restored as called for in a contract between the city and Trulock, the See EAST Page 11

Fugitive Identified By Fingerprint Analysis

Charles E. Dixon, alias William C. Baggett, alias Glen Gillman, alias James J. Mitchum, is on his way back to Alabama on charges of murder and auto theft after being apprehended here by Texas Highway Patrolman Tracy Tipton.

Tipton reported, while on regular patrol July 15, he saw a 1968 Dodge with four occupants pass his patrol car going the opposite direction on Interstate 20.

He said he saw one of the persons drinking from what appeared to be a beer can and

to follow the vehicle.

As a routine matter of procedure, Tipton ran the Alabama license number on the car through the computer.

Tipton said, about that same time, the Dodge was driven off of the highway onto the north access road just across from Trucktown. The four occupants got out of the car and lifted the hood.

Tipton said he turned off onto the access road and stopped behind the Dodge.

One man acted very intoxicated and the three others were acting nervous, according to Tipton.

He left his patrol car and asked the four men if something was wrong and requested identification.

At about this same time, the computer report was broadcast on the police car radio.

Sensing the four men See CRIME Page 11

Registration In Full-Swing Here

Young males born in the year 1960 registered with the Selective Service System this week signaling the beginning of the first registration for military service since the start of the All

Volunteer Force in 1973.

By Monday evening, 12 Colorado City men had completed the necessary forms in the United States Post Office, where registration is taking place.

By Friday (the final registration date for persons born in 1960) morning, 50 forms had been completed and by closing time 51 men had completed registration forms.

The system of registration is set up so that persons born in the months of January, February and March registered on Monday. Persons born in April, May and June registered on Tuesday. Persons born in July, August and September registered on Wednesday and persons born in October, November and December registered on Thursday.

Young males born in the year 1961 will register this Monday through Friday on the same schedule.

"We have no complaints. Everyone was more than willing to register," Post Master Arlene Morris commented.

An unidentified postal patron said, "That just See SIGN-UP Page 6

Rains Bring Some Relief

Monday's rains were a blessing for the City of Colorado City and a near disaster for the Independent School District.

City Manager Ray Mason reported Monday's rains gave the city water system some much needed relief.

"This thing is by no means over," he cautioned, "but the water situation has improved a great deal."

"Tuesday at 4 a.m., the storage tanks filled up and the pumps cut off for the first time in 30 See RAINS Page 9

Small Cubes Are "Big Business"

Hot weather "gotcha?" Well, if so, it would appear from soaring ice sales reported by local merchants that you are not alone.

Making a rough estimate from all the reported sales about 41,250 pounds of ice are being sold in this area per week.

This is about twice as much as was reported sold per week prior to Memorial Day.

Colonial Food Stores reported they are selling out of ice on occasion even though they receive shipments twice a week totaling about

Auction Planned Sunday

Mitchell County Day Care Center is sponsoring a gigantic auction today (Sunday) in the Grady Morris Antique Auction Barn on East Highway 90 at 3 p.m.

Major items such as appliances, furniture, bicycles and many other smaller items will be presented for sale.

This is a fund raising project for the center. All proceeds will go

200, 10 pound bags. Skinny's Convenience Food Store makes its own ice and supplements the supply by buying 100 bags twice a week from a dealer also.

Arson Suspected In Pickup Blaze

Fire Marshall Mike Mickle investigated an arson case Thursday at Vic's Garage, 2028 Hickory.

About 9 a.m., Thursday, Tony Johnson reported his 1973 pickup had been set on fire sometime during the night as it sat at the garage awaiting repairs.

Mickle and Assistant Chief of Police Jerry Cowin investigated the report and found the interior of the pickup's cab had been doused with gasoline and ignited.

The entire inside of the cab had burned before the blaze burned out, according to Mickle.

Damages to the vehicle are estimated between \$150-\$200, although, Cowin noted he had no exact idea what the damages will amount to.

They have not run out of ice, however, they report sales have really stepped up since the extreme hot weather set in.

E-Z Way Superette See ICE Page 9

Cowin said the department does have a suspect in the arson and investigation into the incident is continuing.

Cowin also reported a rash of bicycle thefts has occurred in recent weeks.

He suggested anyone having a bicycle stolen should report the theft.

"We will be glad to try to help locate the bicycle," he said.

Colorado City Police are investigating an incident of criminal mischief that will run into several hundred dollars worth of damage.

A vehicle was driven over seven young trees at Colorado High School uprooting and destroying them completely.

The vehicle was then used to knock down a stop sign on 17th and See CITY Page 9

"OLD GLORY" signaled the beginning of the American Junior Rodeo Association Rodeo Wednesday through Saturday. Center pictured, (left) Dustin Boyd and Amanda Rich entered and won the "Fiesta Day" Best Dressed Pint Sized Cowboy and Cowgirl contest. Texas Highway Patrolmen (top right picture, left to right) James Burson, Tracy Tipton (under the calf) and Frank Costabile delighted audience by trying to put bloomers on a calf. (Center right) Colorado Record's "Wrecking Crew" drew a few chuckles with a calf and bloomers, also.

Fact & Fiction

by Donna Watson

I recently had cause to give ear to a discussion between management and labor.

The discussion started quietly with both sides allowing the other the benefit of the doubt, but soon, the conversation turned to heated argument with management stating labor asked everything and gave nothing and labor insisting management expected everything in return for little.

The discussion deteriorated to a yelling match with both parties certain that their viewpoint was not only the correct one, but the only one qualified to exist.

Both seemed to forget they could not function independent of the other or, in fact, could not exist without each other.

Perhaps this atmosphere exists because people are confused by so much doubt and shifting wisdom that when they do gain a toehold of certainty about anything, they defend it with a vigor worthy of the Marines at Iwo Jima.

I am certain in the minds of the individuals on both sides of the issue, the truth shone brightly as though revealed by divinely inspired wisdom.

What is gained by fiercely defending one's fortress of ideas and opinions against attackers who are equally adamant?

In this instance, nothing was gained and a great deal was lost.

Labor's years of exasperating strife to attain a decent wage and adequate working conditions were lost against management's risk in taking that one giant step into the realm of the unknown business world.

What is achieved on this level of communication, bad dreams, gastric ulcers, frown lines and alienation?

Perhaps if the time had been taken to think pleasant thoughts about restraint and knowing when to change the subject because the conversation was out of hand, a meaningful conclusion could have resulted.

I recalled an old phrase about the time both parties "blew their cool," it goes something to the effect, "Even a stopped watch is right twice a day."

KEN GODSEY INSURANCE AGENCY was honored with a ribbon cutting Thursday by Colorado City Area Chamber Of Commerce Ambassadors. Pictured participating in ceremonies are (left to right) Chamber Manager Starr Greenblatt; Ambassadors Bob Ratliff; Gene Douglas; J. O. Dockrey; new co-owners Tom Lovell and Kit Lovell; secretary Karen Laws and Ambassadors Charles Godwin and Betty Williams. Co-owner Buff Carr is not pictured.

Helen Mae Cummings Prickett & Kenneth Wayne Wood Are United In Marriage On June 28 In Midland

Helen Mae Cummings Prickett and Kenneth Wayne Wood were united in marriage on June 28 during a double ring morning ceremony.

The bride is the daughter of Mr. and Mrs. E.E. Cummings of Lake Colorado City and the groom is the son of Mr. and Mrs. Larry L. Wood of Midland.

Rev. Keith Post officiated the 10 a.m. ceremony in the chapel of the First Baptist Church of Midland.

Given in marriage by her father, the bride wore a formal length gown of cream gauze batiste over taffeta. The sweetheart neckline was trimmed in lace and satin ribbon. A lace trimmed sleeveless bolero with a lace stand up collar accented the gown.

Her gown was fashioned with baby's breath.

The bridal nosegay was of cream roses, peach daisies and baby's breath accented with long satin ribbons of the bride's chosen colors.

Mrs. David Lucas played piano interludes during seating of guests and she accompanied Mrs. Jerry Lawrence as she sang "A Love Song" and "God, Woman and Man."

Susan Gould was maid of honor and she was attired in a long floral print gown in peach color with cream accents.

Tommy Farris of Denton was the best man.

Ushers were Paul Wiseman, Evans Etheredge and Mike Haska, all of Midland.

Chad Wayne Pritchett, son of the bride, was the ring bearer.

A reception followed the ceremony in the church reception hall.

The bride's table was covered with a white cloth and skirt. The cake was the traditional three tiered wedding cake with columns accented with a lighted water fountain on the lower tier. It was decorated with peach colored roses and topped with the traditional miniature bride and groom.

The groom's table held a large sheet cake decorated with an armadillo, depicting the name of the ball team the groom plays with.

The couple left immediately following the reception for a wedding trip to Dallas and made Midland their home after returning.

Both are graduates of

Lee High School and the groom is a graduate of Texas Tech. He is employed by Champion Chemical Company in Odessa.

The rehearsal dinner, the evening before the wedding, was hosted by the maid of honor in her home as her gift to the couple.

Mrs. Wayne Wood

Nellie Bunch Receives Honor

The Ladies' Auxiliary Post No. 9178 met Thursday at 7:30 p.m. at the VFW conference room.

Mr. and Mrs. Charles Clark, Mr. and Mrs. Andrew Rivera and Edith Aki attended a called meeting in Rotan Post No. 5072 July 13. Mrs. Clark, district eight president, was in charge of the meeting. Mrs. Rivera was color bearer No. 1 and Mrs. Aki was flag bearer for district 8 and Andrew Rivera was senior vice commander of Post No. 9178 for district 8.

A bar-b-que dinner was served to those attending and the meeting was called to order in Rotan.

A certificate of appreciation was presented to Colorado City Auxiliary as recognition for participation in district eight Voice of Democracy Program and awards were presented for the 1979-80 year.

A certificate of appreciation was presented to VFW Ladies' Auxiliary in recognition of

the Endeavors in Publicity and Public Relations which enabled the department to aid in serving America.

Citation of Merit was presented to Nellie Bunch in Americanism and Loyalty Day 1979 and 1980, making it the only district to win the citation since there is only one in the district. Shorty Ferguson, president, of Brownwood presented the citation.

Attending the auxiliary meeting Thursday were Lou Hearin, president; Maye Page, Dorothy Clark, Edith Aki, Roberta Baker, Beth Butler, Stella Rivera, Audrey Wilson, Beverly Page, Pauline Wood, Mrs. Bunch, Mrs. Clark, Ruth Burnett and Mae Barr.

Letter To The Editor

Dear Editor: Who says being an American isn't exciting anymore? Our armchair society of boob tube watchers have non-

chalantly viewed TV newscasts of volcanoes erupting in far away lands, and thanked our lucky stars that the good old U.S.A. was safe and secure from such tantrums of Mother Nature. Until St. Helens blew her stack a short time ago, no rational American living within the bounds of Continental U.S.A. ever dreamed of having to sweep volcanic ash from their doorstep. Don't look now but another fuzzy "it can't happen here" idea just went out the window.

We have always taken tornadoes, hurricanes and paralyzing blizzards as a part of the American scene. Smoke belching and lava spewing volcanoes are not exactly regarded as one of the blessings included with the privilege of living in Columbia's happy land.

St. Helens' display of fireworks is beginning to look like Vesuvius has been reconstructed and transported to the North

American Continent. That horrendous exhibition of nature's pent-up power is enough to send science-fiction fans looking for escape routes to other planets. Apparently Mama Nature wasn't entirely satisfied with the hair-raising act put on by St. Helens. Now we have an Astrodome-sized sinkhole in West Texas which would normally provide sensational news for the media for years to come. Has the millennium arrived? Some doomsday prophets stoutly affirm that it has. Perhaps some of the rest of us may want to join in the millennium club when the Mississippi River reverses its course, or the Florida Peninsula extends over to Cuba so Castro's refugees can walk across on dry land and save the harrowing boat trip.

Yep, being an American is becoming real exciting again.

Howard Lindley

MRS. CARL MORRIS (right) looks over her new American Tourist Luggage set she won through an Artex contest. Pictured with Mrs. Morris is Auta Doss, instructor for Artex painting, and in the background are items painted by Mrs. Morris and her family with Artex.

Mrs. Carl Morris Is Big Winner Of Contest

Mrs. Carl Morris of Colorado City was one of eight winners in United States and Canada's recent Artex Booking Telethon. Mrs. Morris won a complete set of American Tourist Luggage.

To win this, she first had to receive a \$25 Artex merchandise certificate as hostess along with the instructor for a class given hosted by Mrs. Morris. Then two

weeks later, she had to re-book another class and receive a \$50 Artex merchandise certificate. Then her name was entered in a Grand Prize Drawing which was conducted April 9 in Lexington, S.C., by home office president Ross.

The eight names of the winners were then drawn and given a choice of gifts. There was one winner in each sale zone. Auta Doss, Mrs. Morris' instructor, is in the Texas, Oklahoma, Louisiana, Arkansas and Mississippi sale zone.

'No Longer Alone' Presented Tonight

First Baptist and Calvary Baptist Churches will be presenting a film, "No Longer Alone." Both churches will start the film presentation at 7 p.m.

"No Longer Alone" traces the life of an English actress, Joan Winmill Brown. Though she skyrocketed to fame on the British stage, her life was marked by a frantic grasp for personal fulfillment and love. Tormented by a past she was unable to forget, she succumbed to a series of nervous breakdowns and at one point attempted to take her own life.

In her ultimate moment of despair, Joan was invited by a "chance" phone call to attend a Billy Graham crusade. It was here that she first discovered her worth as an individual and began her long struggle to piece her shattered life back together.

Both Calvary Baptist and First Baptist would like to invite everyone to attend this presentation.

Teachers' Positions Filled

Four teachers were appointed to teach in the Colorado Independent School District for the 1980-81 school year by the school board.

Thomas Vernon Kelly was assigned as an art teacher at Middle School. He has a B.A. Degree from Fort Hays State University in Hays, Kan., with a major in art and a minor in education. He holds a teacher's certificate and will complete all requirements for a Texas Certificate this summer.

He was born in Kansas City, Mo., and graduated from Abilene High School in Abilene, Kan. He has one year of teaching experience as he was an art teacher for Ector ISD in grades 9-12.

He is the son-in-law of Walter Staats, science teacher at CHS.

The choir instructor for the 1980-81 school year for both middle school and high school is Cecile Hubbard. She has a Bachelor of Music Education degree from Southern State College in Magnolia, Ark., with a major in voice and a minor in piano.

She holds an Arkansas Teaching Certificate in music for grades K-12 and will apply for a one year Texas Teacher Certificate for the school year and after the completion of Texas Constitution, a permanent Texas Teacher Certificate will be issued.

She was born in El Dorado, Ark., and graduated from high school there. She has no prior teaching experience.

Laura Lea Wiley has been assigned to physical education and girls' coach at CHS. She has a B.S. Degree from Texas Tech University in Lubbock with majors in physical education and history. She holds a Texas Provisional Teacher Certificate at the secondary level with P.E. and History endorsements.

She was born in Midland and graduated from Coronado High School in Lubbock. She has five years of teaching experience having taught two years in Luling ISD, two years in Plains ISD and one year in Copperas Cove ISD.

Mark Monroe Merrell has the teaching assignment of teaching Texas History and boys' coach at Middle School.

He has a B.S. Degree from Tarleton State University with a major in Physical Education - Health and a minor in History. He holds a Provisional Texas Teacher Certificate with secondary History and P.E.-Health endorsements and an All-level P.E.-Health endorsement.

He was born in Hastings, Neb., and graduated from Abilene High School. He has one year teaching experience at Hico ISD as a teacher and head high school boys' coach.

Farm Safety Week

JULY 25th - 31st

HE NEEDS YOU!
FARM SAFETY WILL
KEEP YOU HERE!

As a farmer, can you put a price tag on your life? Or the lives of your workers? Can you afford the emotional and financial strain of lives lost or property damage? Surely, you can't afford NOT to practice farm safety. A few minutes each day can save you time, money and lives. Start by practicing fire drills. Check storage areas and electrical wiring. Use caution when approaching livestock... handling chemicals. Keep machinery in top repair. Wear the proper equipment and clothing for the job. And, most important, be alert. A few safety measures can save lives.

See that every person on your farm is aware of the rules of farm safety... and practices them daily!

RAINS. From Page 1
days," Mason said.
"They caught up again on Wednesday about 4 a.m.," he noted.
Mason explained the real proof of how well citizens are complying with the city's request not to water lawns or wash automobiles between the hours of noon and 10 p.m., is indicated by the water usage charts at the filter plant.
"The graphs have stopped taking such sharp drops as they were before we restricted water usage," he noted.

Water consumption has dropped from 3 million gallons per day to 2.4-2.5 million gallons a day since the .7 inch of rain on Monday.
Mason said city officials

CITY. From Page 1
Eastover Streets.

It next drove up into the yard of Jerry Reynolds, 1022 East 17th Street, and knocked down a gas yard light.

The vehicle's next stop was Second and Hickory Streets where it ran over a stop sign and became entangled so it could not be driven any further.

Police have not filed charges in the incident and investigation is continuing.

have been patrolling the streets and persons watering lawns between noon and 10 p.m., have been reminded of the water pressure shortage and requested not to water between those hours.

Several persons in town have their own water wells and pumps and have been able to continue to water lawns, Mason said.

"We need to continue the practice of not watering lawns between noon and 10 p.m., (peak usage hours) in order to maintain adequate water pressure to all sections of town," Mason reminded.

CISD Superintendent Charlie Useton was not as glad to see the rain.

Kelley Elementary School is undergoing alterations to the cafeteria. Air conditioning units are being installed from the roof. Several holes have been cut in the roof about two feet long and four feet wide.

These holes are covered by plastic to prevent moisture from falling into the cafeteria, however, the high winds which accompanied Monday's rain caused the water to blow under the covering.

Useton reported an

area about 15 feet square on the tile floor of the cafeteria suffered damage from the water and will probably need to be replaced.

Other damage reported included numerous ceiling tiles which were water spotted and coming loose, as well as possible damage to plaster ceilings, which may crack as they dry.

ICE. From Page 1

foresaw the need for more ice way back last winter and began storing up for the summer months.

They have their own ice machine and made and stored ice all winter in ten pound bags in the walk-in freezer for use this summer.

They have not run out of ice this summer, but noted they would have, due to increased demand, had they not stored the ice during the winter.

Fuller Foods reported selling more ice this year than ever before.

They buy all their ice from dealers and receive ice shipments three times a week in 10 and 20 pound bags. This amounts to about 1,000 bags a week.

Safeway Food Store reports ice sales have

"We don't have any true estimate of the cost of repairing the damage at this time," Useton said.

"However, I believe the damage will be covered under the contractor's insurance policy."

John Drummond is the contractor who is installing the air conditioning units.

soared to twice as much since Memorial Day.

They purchase their ice from a dealer three times a week and sell ten pound bags of ice to the public.

Bojo's, at the entrance to the State Park, reported selling much more ice than usual this summer.

They make some of the ice sold through the store and supplement the supply by buying from a dealer once a week.

Kent Convenience Center reported their ice is supplied by a dealer and used primarily by workers for cooling water cans.

They only receive a shipment of 250, 10 pound bags of ice once every two weeks. They report sales are up due to the extremely hot temperatures.

Tarter Honored

Rhonda Gay Tarter of Colorado City is the recipient of an Angelo State University Presidential Scholarship for the 1980-1981 academic year.

Gay was active in the Student Council, Spanish Club, FHA, NHS and Pep Squad.

Her parents are Mr. and Mrs. Tom Tarter of Colorado City.

Selection for the scholarship is based on ACT testing scores, honor society memberships and recommendations by high school counselors.

Claxton Family Has Reunion In C.C. Thompson Room

The Claxton family met July 11 and 12 for their annual family reunion in the Col-Tex Club at Lake Colorado City.

Saturday night entertainment for the reunion was singing with relatives and friends. Home-made ice cream along with cakes and cookies were served to the 80 persons attending.

Attending from Colorado City were Mr. and Mrs. Ray Ritchey, Mrs. Linda Moody, Mrs.

Keith Neff, Scott, Doug, Todd and Missy; Mrs. Bill Claxton, Mrs. Gladys Oden, Mr. and Mrs. Andavee Claxton, Mr. and Mrs. Lewis Claxton, Mr. and Mrs. Wayne Claxton, Chuck and Jay and Mrs. Elaine Fugate.

Also, attending were Mr. and Mrs. E.W. Hagerton, Mr. and Mrs. Arthur Wilson, Mr. and Mrs. Kenneth Wilson and Hoyt Roberts.

Out of town guests attending were Mr. and Mrs. Clarence King of Comanche, Mrs. Herman Boyd of Lovington, N.M., Mrs. Margaret Layland of Lubbock, Mrs. Charles Candler of Monahan, Joyce Candler of Arlington, Steve Candler of Austin, Mr. and Mrs. Alvin Byrd of Westbrook and Charlene Thompson.

Others attending were Faye Anderson of Gresham, Oreg., Erma Locke of Zephyr, Mr. and Mrs. Ralph Lankford of Lorraine, Gary and Steve Adrian of Austin, Mr. and Mrs. Weldon Claxton and family of Big Spring, Louise Adrian of Hale Center, Mr. and Mrs. Marvin Claxton of Westbrook and Mr. and Mrs. Loyd Claxton of Big Spring.

Also present were Mr. and Mrs. Claude Whitefield of Arlington, Dr. and Mrs. Howard Greenlee of Arlington, Mr. and Mrs. Troy Lankford of Westbrook, Mr. and Mrs. Aubrey Lankford of Big Spring, Sandie and Brandi Craver of Sweetwater, Mr. and Mrs. Freddie Claxton and children of Snyder, Mr. and Mrs. Luther Anders of Lorraine and Dr. and Mrs. John Hamblen of Lubbock.

Others present were

Mr. and Mrs. Homer Hart of Lorraine, Mrs. Ellen Claxton of Snyder, Johnny Claxton of Snyder, Mr. and Mrs. Verlon Reid of Abilene, Heather Sabing of Abilene, Mr. and Mrs. Dale Byrd and children of Snyder, Helen Maritt, Haley Reynolds and Leila Reynolds, all of Comanche.

Also attending were Mrs. Cal Walters of Ovalo, Mr. and Mrs. Clyde Reid of Winters, Brenda Day and Terry of Winters, Mr. and Mrs. Bud Hicks and Paula of Ovalo, Ila Shuping of Kress, JoAnn Street of Hereford, Kim Louvorn of Hereford, Mr. and Mrs. Lionel Brewere of Lovington, N.M., Helen and Wanda Hayes of Lovington, N.M., Mr. and Mrs. Leonard Lankford of Roby and Mr. and Mrs. Virgil Frazer of Abilene.

CRIME, From Page 1

might be fugitives, even though the report showed no record on the Alabama license plate number, Tipton requested a backup car be notified.

Officers Bobby Calloway and Don Hamilton (Hamilton was off duty at the time) came to the scene in a matter of minutes, Tipton said.

After the reinforcements arrived, Tipton questioned the four men. He reportedly was informed two of the men were traveling together, headed west and two of the men were hitchhikers.

Tipton arrested the one man who appeared to be intoxicated. Wilford Ward, 30, of Foxworth, Miss., and released the other three men.

Foxworth was transported to the Mitchell County Jail and charged with Public Intoxication.

Tipton stated, during the booking process, Ward said he had just completed a 10 year sentence for robbery in the penitentiary, this was confirmed by the computer.

During the conversa-

CHIEF, From Page 1 daily work included pulling a shift and visiting with merchants and other people. He also rides with patrolmen on weekends.

Bailey also was asked about his relationship with young people and he said he gets along well with youth as his home is a popular gathering place for teenagers as he has two teenage children.

Other applicants included:

—Jerry D. Cowin, 37, currently acting police chief for Colorado City and a resident here for six years. He has 14 years law enforcement experience.

tion, Tipton and Calloway became suspicious that Ward's companion might be wanted in the state of Alabama.

Tipton, Calloway and Hamilton returned to the access road and found the Dodge still

—Glenn P. Willeford, 34, a deputy sheriff at Rankin and formerly chief of police in Rotan. He has eight years law enforcement experience and a degree from Hardin-Simmons University in Criminal Justice.

Cecil D. Proctor, 37, chief of police in Hamilton and a native of Fort Worth. He has 14 years experience in law enforcement.

The applicants were interviewed Thursday evening and then the council recessed after several indicated they wanted to sleep on it before making a decision.

During the interview a number of people were present in support of Jerry Cowin for the police chief position. Those who made statements included Charles Godwin, Brad Rose, Odie Wise, Rodger Wells, Pat McPhaul and Paul Logsdon. Godwin told the council that Cowin was very honest in his financial dealings and McPhaul noted that the council had dragged out the matter of hiring a chief for too long and wondered if Cowin couldn't be trusted to be chief, why wasn't it dangerous to walk down the streets after he (Cowin) has been acting chief since April.

When the council reconvened Friday afternoon at 5:30, Mayor Elmer Martin said that one of the applicants, Cowin, had asked for permission to address the council.

Cowin said he wanted to have a chance to defend himself against rumors of brutality and said he has never been charged with brutality and only once has a man in his command been accused of such and that man was exonerated after an investigation by the FBI.

After that, a motion to hire Bailey was made by Councilman Mac McKinnon, seconded by Mayor Pro-Tem Jesse Munoz. Voting for the motion were McKinnon, Munoz, and Councilmembers Nina Crout and Ray Dillard. Voting against were Councilmembers Sam Parham, Macca Findley and Mayor Elmer Martin.

Findley noted that a massive walkout in support of Cowin would be in support of a man and not the town.

After Bailey was contacted and said he'd accepted the position, Martin made a motion for the council to give the new chief full support and cooperation.

Cowin handed his resignation to City Manager Ray Mason Saturday effective Aug. 15.

parked in the same spot with the hood raised.

They assumed the men had gone across the highway to the cafe.

The officers entered the cafe, located the trio and arrested the man, James J. Mitchum, who claimed to be the owner of the Dodge.

Mitchum was taken to the jail on charges of suspicion of being a fugitive.

The two hitchhikers were allowed to leave town.

For the next eight hours, Tipton sent inquiries out over the computer, trying to obtain the necessary information to detain Mitchum.

"I believed the man to be a wanted fugitive, but you can't lock someone up on a 99 per cent chance. You must be 100 per cent sure," Tipton said.

In the process of investigating the personal effects of Mitchum before placing him in the detention cell, Tipton discovered several social security cards in different names and addresses.

Tipton stated Mitchum claimed no knowledge of the cards.

The first step toward identifying the man, claiming to be Mitchum, was to run a check on the Dodge using the VIN and license numbers.

The report came back indicating the license did not belong on the Dodge but the license number had not been reported stolen.

The VIN number indicated the owner of the car resided in Prichard, Alabama.

Tipton telephoned the Prichard authorities and found the car had been stolen.

In the meantime, reports were coming in on the computer giving information on the names on the social security cards.

Information received showed the man had been in custody in Louisiana for drinking beer in a parking lot two days before he was picked up here. He had been held for three and one half hours prior to release.

He had been held overnight in custody in the Fort Worth jail for drunkenness the day before officers apprehended him.

"I knew I had something, so I just kept running the names and addresses through every possible information bank," Tipton said.

Finally a report came back on the name Charles E. Dixon. Four penitentiary terms were indicated, grand larceny, aggravated assault, parole violation and burglary were listed on his record.

At this point, Tipton decided to request further identification on Dixon.

An accurate description, including three tattoos on different parts of the body were listed.

The prisoner, still

claiming to be Mitchum, was asked if he had tattoos and where. He had three tattoos in exactly the same location as those listed on Dixon's body.

Still not satisfied, Tipton and Calloway checked further and found Dixon was wanted in Prichard, Ala., on warrants for auto theft, drunk and disorderly and harrasment.

Dixon was also reported as indicted in Mobile, Ala., for murdering a man with a baseball bat. Trial date was set in August and Dixon was reported out on bond.

To remove any trace of doubt as to the man's

EAST, From Page 1

city would be hard pressed to do it alone. In addition, there have been estimates made by several people including County Commissioner Paul Hunter, that it would cost more than \$6,000 just to haul off the asphalt, not counting the cost to deep plow the land as called for in the contract.

Mayor Pro-Tem Jesse Munoz added that the city is short on people and equipment and that neither could be spared at the expense of other city things such as the streets which are in bad shape.

Findley was asked by Councilman Mac McKinnon if Trulock intended to operate an airport and Findley replied that Trulock has indicated he will let one pilot leave his hangar there.

This will take revenue away from the city's new airport, Council Member Nina Crout pointed out.

Several members of the council then noted they were against the new airport but it became fact before they were on the council and Munoz noted that it was an item that was rushed through the council.

It was also noted by Mrs. Crout that it didn't seem right to give Trulock money and the facility.

On a motion to pay Trulock the \$6,000 in two installments, Findley, Sam Parham, Munoz and Mayor Elmer Martin voted for and Mrs. Crout and McKinnon voted against.

In June, the council voted to close the airport Aug. 1 and to begin to restore the land so it could be returned to Trulock by the end of the year when the lease expires.

Friday night when the Council reconvened, Findley reported that

true identity, Tipton contacted Assistant Chief of Police Jerry Cowin about midnight and requested the fugitive's fingerprints be classified to determine if they matched the computer report.

Cowin made the classification that night and the following morning Charles E. Dixon, alias James J. Mitchum, was taken before Justice of the Peace Henry Doss and was held in custody until the Alabama authorities could take him back for trial.

Wilford Ward was held overnight and released the following morning.

someone had destroyed the runway lights at the East Airport.

McKinnon brought to the council's attention that the decision has been made to close the airport Aug. 1 and that date was still on the books. The council decided to stay with that date after which the Northwest Airport will be the city's airport.

It was also noted that a release from liability needs to be obtained from Trulock when the city abandons the east airport.

Tax Rate Meetings Scheduled

Several meetings are scheduled for tax purposes in the coming week.

Westbrook Independent School District will hold a public hearing in regard to increasing taxes at 8 p.m. Monday in the Westbrook High School.

xxx

Colorado City Independent School District will hold a public hearing at 7 p.m. on Monday in the Administration Building on the subject of a possible tax increase.

xxx

Mitchell County Commissioners Court will hold a budget workshop in the County Courthouse at 9 a.m. Tuesday.

xxx

The Mitchell County Hospital District Board of Directors will meet Tuesday at 8 p.m. in the hospital board room to open bids on an ultrasonic diagnostic machine.

They will also discuss and establish a tax rate for the coming year.

AUCTION, From Page 1

toward matching funds granted by the government to maintain the center.

Center Director Ann Gregory stated between \$1,200 and \$1,500 is needed to match governmental funds.

All items auctioned off have been donated by members of the community.

Items not sold at auction will be placed in a garage sale and sold for the same purpose.

"We urge everyone in the community to come out and participate in the auction. The Day Care Center provides a vital service to the community and we need your support," Ms. Gregory said.

Why Is Personal Liability Included In My Homeowner's Or Tenant's Policy?
Probably because more accidents occur in and around the home than anywhere else. However, the package is designed to protect you and members of your family should any of you cause or be responsible for an accident anywhere, other than auto accidents.
When consulting your independent agent about this, also review with him your liability protection to make sure your coverage is adequate for a person in your financial position. This is important in order to avoid a costly mistake and a distressing experience in case you have a lawsuit.

Wooden Shoe Lasts...

...so versatile...
bookends, doorstops,
candle holders...
a creative touch
in decorating.

Decades and decades ago, shoemakers formed their shoes around wooden lasts. The decorated lasts are cleaned, stained and handpainted. Some are jointed at the arch and thus make perfect recipe, note or calling card holders. Most lasts offer an opening atop the back of the shoe, use this as a candle, pencil, or dried flower holder.

Students Receive Honors

Gene Banks, Jane Burt, Camille Curlee and Alan Marcom were among more than 1,600 students at Texas Tech University that qualified for the dean's honor roll in the six colleges during the first term of the 1980 summer session.

To qualify for a dean's honor roll, a student must have a grade point average of 3.0 or more on a 4.0 scale and must have taken as many as six semester hours of work.

Grayson Is Speaker At Revival

Bob Grayson, pastor of Calvary Baptist Church, will be the speaker during the Plainview Baptist Church Revival which will begin Sunday and will continue through Wednesday.

Chris Hubbard, song director at First Baptist Church, will lead the music.

Morning services will begin at 10 a.m. each morning and 7 p.m. in the evening.

Cooling Offered To Elderly

The Energy Department of People for Progress, Inc., in response to the current heat wave, will provide fans for home cooling. This service is particularly aimed toward the low income elderly who are either financially or physically unable to combat the effects of the heat.

If you are a Senior Citizen 60-years-of-age or older and have no way to cool your home and are experiencing a cooling related crisis, please contact: Ann Gregory, Mitchell County Day Care Center at 728-5897.

CHS Band Rehearsal Begins Soon

Band rehearsal for Colorado High School is set to begin Monday, August 4, and will continue Tuesday and Thursday nights until school starts.

Section rehearsals and other rehearsals will be scheduled during the days when students are available. Students are encouraged to attend this meeting.

Woodland Sets Bar-b-que & Jamboree

The Woodland Activity Center is sponsoring a fund raising bar-b-que and jamboree August 2 at the Lone Wolf Medallion Room and Co-Op.

Bar-b-que will be served from 6 p.m. until 9 p.m. in the Medallion Room. Cost will be \$3 for

adults and \$2 for children and tickets may be purchased at the door.

The jamboree is set to get kicked off at 7:30 p.m. and conclude around 10 p.m. across from the Medallion Room in the Lone Wolf Co-Op. There is no admission charge for the jamboree.

The Woodland Activity Center is a non-profit organization for the handicapped in Mitchell County and is operated solely on donations and fund raising events such as this bar-b-que and jamboree.

Tiller Family Reunites

Family and friends of the late John and Mary (Pettitt) Tiller are invited to their annual reunion August 3 in the C.C. Thompson Room.

There will be a noon luncheon and visiting during the afternoon.

Expected to attend are children of the long-time Mitchell County residents. They are J.E. Tiller of El Paso, Mrs. Irene Tidwell of Grand Prairie, Mrs. Blanche O'Neal of Houston, Mrs. Annie Brown and Mrs. Mamie Boyd of Colorado City.

Other children of the family were the late E.L. Tiller, Buck Tiller, Homer Tiller and Mrs. Sadie Venus.

Miles Completes Training

Mark A. Miles, son of Mr. and Mrs. Allan Miles of Colorado City, recently participated in a field training exercise at the Major Training Area in Grafenwohr, Germany.

The training provided soldiers an opportunity to train and test themselves in the field and requalify with various weapons.

Miles is an ammunition handler with the 27th Field Artillery in Friedburg, Germany.

Campbell Named As Officer

Mrs. Pharry (Joyce) Campbell of Lake Colorado City was elected Department Sgt.-At-Arms for the 1980-81 year at the American Legion, Department of Texas Convention held in Houston July 16-20.

Mrs. Campbell is a member of Woods W. Lynch Unit No. 19 of Midland and has served on unit level as historian, secretary and president. She has just completed a two year term as District 16 Sgt.-At-Arms.

Mrs. Campbell is also an auxiliary member of the VFW Post No. 9178 of Colorado City.

Wallace Offers Course

Western Texas College in Snyder has scheduled an Elementary Electronics course for students from ages 10-16 here at the Wallace Center August 11-13. Deadline to register is set for August 9.

Fees will be \$20 per person plus a \$20 lab fee. Students will receive equipment for building sound effects, a crystal radio and a small receiver which he can keep. The course is designed to help students learn the fundamentals of electronics.

Reservations in the class may be made by phoning WTC in Snyder at 573-8511, extension 240.

Charles Garrett Honored

Lt. Col. (retired) Charles L. Garrett of Lago Vista was one of 3,500 members of the China - Burma - India Hump Pilots Association that recently completed a comprehensive history entitled, "China Airlift-The Hump."

The Smithsonian's National Air and Space Museum in Washington, D.C., has requested a copy and it was officially presented at a ceremony hosted by the museum in May.

The 600 page collection of Hump aircraft tactical and support achievements contains more than 1,500 photographs, geographies and war stories covering all aspects of the operation. The HPA plans to erect a monument to the pilots and crew members who flew the Hump and they are searching for "lost" Humpsters.

Col. Garrett is formerly of Colorado City. He was raised here and is a graduate of Colorado High School.
